I was brought up in a small town - had 13 years schooling. Enlisted July 40. Spent 3 years in Dundern. 1 April 42, I was given confirmed rank of Cpl. Spent 8 months training at Vimy and arrived England 1 April 44. June 44 Capt Young was O/C chose me as the line corporal.

I dont know why I committed this offence. I am not short of money and have a balance of about $145 in my pay acct. After this is all over I would like to come back to my section as I feel I have let it and my O/C down very badly. I arrived in France 25 June.

Sgt Deane joined me about 15 June 44. Before coming overseas he did a first class job of preparing the sec to come overseas. Overseas he continued to do a wonderful job. His responsibilities are great and his work is a credit to his section, corps and this HQ. His character is 1st class and I have been able to trust him fully. I couldn't ask for a better man. He has had charge of thousands of dollars of equipment which he has looked after well.

PLEA IN MITIGATION OF PUNISHMENT IN THE CASE OF

L.22456 CPL MCGILLIVRAY WA

Mr President and members of the court. You have heard evidence given by the accused himself and also evidence as to character given by the accused's commanding officer and section sergeant. The accused has pleaded guilty to the offence as charged. He admits he committed the offence, is very sorry he did it, and has made partial restitution. He has expressed willingness to make further restitution, but as the petrol has been partially restored, and money received sufficient to pay for the remainder, this does not appear necessary.

We realize that he must be punished. I would, however, like to draw the attention of the court to a few facts which may influence you in passing sentence.

I would like to emphasize that the accused was not short of money and did not do this thing with a motive of personal gain. He did it from a mistaken notion that he would be helping French civilians -- allies who could not obtain petrol to carry on their business.

The accused is a young man and as you see from his conduct sheet has never committed an offence before. I hope it will not be considered presumptous on my part to remind the court of the power you now hold over this man. It rests with you gentlemen whether he shall be thrown among habitual offenders and perhaps influenced by them or whether he is to be given another chance. I would ask you to think of this boy's father and mother and young wife out in Saskatchewan who are anxiously awaiting this lad's return on the cessation of hostilities. I further suggest that the sentence imposed should be the minimum required to maintain discipline. With a record of service such as Cpl McGillivray has, a reduction to the ranks might be considered one that would serve the interests of discipline and still not blight his career after the war. The consequent painful explanations that he would have to write to his wife and parents, I suggest, will be quite punishment enough.

Cpl McGillivray feels very keenly that he has let his section officer and comrades down, and if a sentence of field punishment is awarded, he would like to serve his time working with the section, so that he can be usefully employed at his trade and at the same time live down this unfortunate affair.

I might mention at this point that trained linemen with Cpl McGillivray's qualifications are few and far between, and are badly needed in Signals. I suggest that the best interests of the war effort would NOT be served by having Cpl McGillivray committed to a detention barracks ~~xxxxxxxxxxx~~ when he could be usefuly employed.

PLEA IN MITIGATION IN THE CASE OF SGT DEANE, DC
1 CDN L OF C TERMINAL SIG SEC

Mr President and members of the Court. Sgt DEANE has pleaded guilty to the charge against him. You have heard the summary of evidence read, and the oral character evidence. I want to draw four points to your attention.

First. It is shown by the record that this is his first offence of any kind, and was a sudden lapse unnatural to hi, which would never now be repeated no matter what the temptation.

Second. He had made arrangements to send the money he obtained home for his children, but has since taken steps to make full restitution of it all, even though by such action his children will not have the use of this much needed money.

Third. There are many opportunities to steal or mis-apply petrol in the Army today. It is so easy for anyone to obtain any quantity of petrol that it almost amounts to putting an unfair temptation in the path of a man who has a temporary lapse of conscience. No evidence has been presented to prove this statement, but it is a matter of common knowledge in this theatre.

Fourth. Sgt DEANE is in great need of money, not for himself, but for his two children in Canada, aged 13 and 14 years respectively. A summary of his history in this respect follows. He returned to Canada in Jan 1943 after serving in England, to find that his wife had been living with another man for two years, and that his children had been utterly neglected by their mother. He obtained a divorce, and the custody of the children, but could find no suitable home for them, so moved them near Kingston, Ont, where he was stationed. Prior to his return to England in Feb 1944 he found a home for them in Picton, where he pays $40 a month for board and lodging alone. During this whole year he tried through all channels to get his case fully investigated by the Dependent's Allowance Board, with a view to increasing the allowance on hardship grounds. The children having nobody to look after them of his own family, it was expensive to bring them up, particularly now that extra clothes are required for this winter. All his efforts were without any result. Now he feels he has been treated unfairly by the Dependent's Allowance Board, whereas if he had received proper treatement he would have had enough money to have his children well cared for, and there would have been no incentive for him to even think of stealing petrol. In this same connection, a sentence of anything more than six months would impose a doubt hardship. One on himself and a much greater one on his children because their sole souce of income, their father's assigned pay and the Government allowance, would cease at that time.

For these reasons I suggest that the sentence imposed should be the lightest required to maintain discipline.

STATEMENT OF M7233 SGT DRANE, D.C., 1 CDN L OF C TERMINAL SIGS SECTION,
666666666 TAKEN 2120 HRS 1 OCT 1944

I hereby certify that I have been duly warned and make the following statement voluntarily

On Wednesday Sep 27th, 1944 I left BETHUNE at approx 0830 hrs driving Ford 5 cwt 4 x 4 M7453778 accompanied by L22456 Cpl McGillivray, W.A., and proceeded to LILLE on duty. After working all morning until 12 noon mil time, we decided to stay in LILLE for dinner. We ate lunch at a place with CAFE - RESTAURANT on the window. We had finished eating when six men at a nearby table, or perhaps five men, beconed us over to their table. We went over and had some CHAMPAGNE with them and were then asked if we could get them some petrol. After a few questions back and forth they agreed to pay any price for gas. Conversation was mostly in English. All spoke fairly good English with one outstanding. Eventually we decided to see them some gas and a time and date were set. The following day the gas was procured and delivered at the time and place set. We drew the petrol at 134 Pet Point Depot. After meeting two of the men a proce was agreed on at four hundred fancs per jerrican. There fifty six cans in all. The total price was twenty two thousand four hundred fancs, French money. We then proceeded to the rendezvous and disposed of the gas. The place was in a big business office behind a big brick wall. There was an iron gate on the wall, allowing passage for a large truck. The gate was opened by a gateman. The place of business was a cotton waste manufacturers. We handed over the petrol in the yard and I was paid the full price in the office. We took the two men back to the same cafe in LILLE where we had first met them. That cafe was the rendezvous where we had met them the same day and they had guided us to the place where we left the petrol. The one man gave me his card and it reads "RENE VAN DEN DRIESSCHE, 14 RUE DES BALLONS, WATTRELOS, DEPARTS de COTES".

Please turn to Page 2

The other man was middle aged, say forty seven or eight, thin face, with a moustache. The man who first produced the card was a man of forty four or five, medium build, wearing glasses, slightly grey. Of the tree men who made up the party of five, on the previous day, one was quite swarthy, thin faced, medium build, wearing black horn rimmed glasses. We saw him the next day and he was not wearing glasses. Another one was rather stout with fair hair, and in the forties. The third man was not noticed particularly and can not be described. I have disposed of my share of the money, eleven thousand two hundred francs by spending and by other means and I am not now in possession of any of it.

This is the first and only time I have dealt in this way with government property, or with anything illegal in my life.

I have disposed of my share of the money eleven thousand two hundred francs by spending and by other means and I am not now in possession of any of it.

This is the first and only time I have dealt in this way with government property, or with anything illegal in my life.

PLEA IN MITIGATION OF PUNISHMENT IN THE CASE OF
L.22456 CPL MCGILLIVRAY WA.

Mr President and members of the court. You have heard evidence given by the accused himself and also evidence as to character given by the accused's commanding officer and section sergeant. The accused has pleaded guilty to the offence as charged. He admits he committed the offence, is very sorry he did it, and has made partial restitution. He has expressed willingness to make further restitution, but as the petrol has been partially restored, and money received sufficient to pay for the remainder, this does not appear necessary. We realize that he must be punished. I would, however, like to draw the attention of the court to a few facts which may influence you in passing sentence.

I would like to emphasize that the accused was not short of money and did not do this thing with a motive of personal gain. He did it from a mistaken notion that he would be helping French civilians -- allies who could not obtain petrol to carry on their business.

The accused is a young man and as you see from his conduct sheet has never committed an offence before. I hope it will not be considered presumptuous on my part to remind the court of the power you now hold over this man. It rests with you gentlemen whether he shall be thrown among habitual offenders and perhaps influenced by them or whether he is to be given another chance. I would ask you to think of this boy's father and mother and young wife out in Saskatchewan who are anxiously awaiting this lad's return on the cessation of hostilities. I further suggest that the sentence imposed should be the minimum required to maintain discipline. With a record of service such as Cpl McGillivray has, a reduction to the ranks might be considered one that would serve the interests of discipline and still not blight his career after the war. The consequent painful explanations that he would have to write to his wife and parents, I suggest, will be quite punishment enough.

Cpl McGillivray feels very keenly that he has let his section officer and comrades down, and if a sentence of field punishment is awarded, he would like to serve his time working with the section, so that he can be usefully employed at his trade and at the same time live down this unfortunate affair.

I might mention at this point that trained linemen with Cpl McGillivray's qualifications are few and far between, and are badly needed in Signals. I suggest that the best interests of the war effort would NOT be served by having Cpl McGillivray committed to a detention barracks when he could be usefully employed.

PLEA IN MITIGATION IN THE CASE OF SGT DEANE, DC
1 CDN L OF C TERMINAL SIG SEC

Mr President and members of the Court. Sgt DEANE has pleaded guilty to the charge against him. You have heard the summary of evidence read, and the oral character evidence. I want to draw four points to your attention.

First. It is shown by the record that this is his first offence of any kind, and was a sudden lapse unnatural to him, which would never now be repeated no matter what the temptation.

Second. He had made arrangements to send the money he obtained home for his children, but has since taken steps to make full restitution of it all, even though by such action his children will not have the use of this much needed money.

Third. There are many opportunities to steal or mis-apply petrol in the Army to-day. It is so easy for anyone to obtain any quantity of petrol that it almost amounts to putting an unfair temptation in the path of a man who has a temporary lapse of conscience. No evidence has been presented to prove this statement, but it is a matter of common knowledge in this theatre.

Fourth. Sgt DEANE is in great need of money, not for himself, but for his two children in Canada, aged 13 and 14 years respectively. A summary of his history in this respect follows. He returned to Canada in Jan 1943 after serving in England, to find that his wife had been living with another man for two years, and that his children had been utterly neglected by their mother. He obtained a divorce, and the custody of the children, but could find no suitable home for them, so moved them near Kingston, Ont, where he was stationed. On his return to England in Feb 1944 he found a home for them in Picton, where he pays $40 a month for board and lodging alone. During this whole year he tried through all channels to get his case fully investigated by the Dependent's Alllwance Board, with a view to increasing the allowance on hardship grounds, because the children having nobody to look after them of his own family, it was expensive to bring them up particularly now that extra clothes are required for this winter. All his efforts were without any result. Now he feels he has been treated unfairly by the Dependent's Allowance Board, whereas if he had received proper treatment he would have had enough money to have his children well cared for, and there would have been no incentive for him to even think of stealing petrol. In this same connection, a sentence of anything more than six months would impose a double hardship. One on himself and a much greater one on his children because their sole source of income, their father's assigned pay and the Government allowance, would cease at that time.

For these reasons I suggest that the sentence imposed should be the lightest required to maintain discipline.

By direction of the Commanding Officer the evidence is taken on oath.

First witness Lieut [illegible] of 607 Cdn Pro Coy, sworn states:-

I am Lieut [illegible] 2 i/c 607 Cdn Pro Coy. On the afternoon of Sep 29, 1940 I was in charge of LILLE detachment. I received certain information as a result of which I visited 69 RUE DE CHANZY Le MADELEINE, LILLE. Monsieur Le BLANC, gate keeper, gave me certain information which led to the arrest of two civilians of LILLE by the civilian police on the charge of receiving stolen property. The investigation involved an army vehicle CLA210136 and two army personnel. I traced the vehicle through its number to 1 Cdn L of C Terminal Sigs Sec. I there interviewed M7233 Sgt DEANS DC and L22456 Cpl McGILLIVRAY WA whom I now identify as being present here. After certain questioning I cautioned Sgt DEANS and Cpl McGILLIVRAY in the following manner: "Do you wish to make any statement?" "You are not obliged to say anything but anything you do say will be taken down in writing and may be given in evidence". After having received the warning Sgt DEANS and Cpl McGILLIVRAY made a statement jointly which I took down in writing and which they both signed and which I now produce. I did not threaten them in any way nor did I offer them any inducement to make the said statement and it was purely voluntary.

The accused both decline to cross-examine this witness.

The statement referred to in the evidence of the above witness is attached hereto as Exhibit "A".

STATEMENT OF M7233 SGT DEANE, D.C., 1 CDN L OF C
TERMINAL SIGS SECTION, TAKEN 2120 HRS 1 OCT 1944

I hereby certify that I have been duly warned and make the following statement voluntarily.

On Wednesday Sep 27th, 1944 I left BETHUNE at approx 0830 hrs driving Ford 5 cwt 4 x 4 M7453778 accompanied by L22456 Cpl McGillivray, W.A., and proceeded to LILLE on duty. After working all morning until 12 noon mil time, we decided to stay in LILLE for dinner. We ate lunch at a place with CAFE - RESTAURANT on the window. We had finished eating when six men at a nearby table, or perhaps five men, beckoned us over to their table. We went over and had some CHAMPAGNE with them and were then asked if we could get them some petrol. After a few questions back and forth they agreed to pay any price for gas. Conversation was mostly in English. All spoke fairly good English with one outstanding. Eventually we decided to sell them some gas and a time and date were set. The following day the gas was procured and delivered at the time and place set. We drew the petrol at 134 Pet Point Depot. After meeting two of the men a price was agreed on at four hundred francs per jerrican. There were fifty six cans in all. The total price was twenty two thousand four hundred francs, French money. We then proceeded to the rendezvous and disposed of the gas. The place was in a big business office behind a big brick wall. There was an iron gate on the wall, allowing passage for a large truck. The gate was opened by a gateman. The place of business was a cotton waste manufacturers. We handed over the petrol in the yard and I was paid the full price in the office. We took the two men back to the same cafe in LILLE where we had first met them. That cafe was the rendezvous where we had met them the same day and they had guided us to the place where we left the petrol. The one man gave me his card and it reads "HENRI VAN DEN DRIESSCHE, 14 RUE DES BALLONS, WATTRELOS, DECHETS de COTON".

Please turn to Page 2.

The other man was middle aged, say forty seven or eight, thin face, with a moustache. The man who first produced the card was a man of forty four or five, medium build, wearing glasses, slightly grey. Of the three men who made up the party of five on the previous day, one was quite swarthy, thin faced, medium build, wearing black horn rimmed glasses. We saw him the next day and he was not wearing glasses. Another one was rather stout with fair hair, and in the forties. The third man was not noticed particularly and cannot be described. I have disposed of my share of the money, eleven thousand two hundred francs by spending and by other means and I am not now in possession of any of it.

This is the first and only time I have dealt in this way with government property, or with anything illegal in my life.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans Both accused yes (5)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D in p* 3. *RP 37(C).*)

PLEA IN MITIGATION OF PUNISHMENT IN THE CASE OF

L.22456 CPL MCGILLIVRAY WA

Mr President and members of the court. You have heard evidence given by the accused himself and also evidence as to character given by the accused's commanding officer and section sergeant. The accused has pleaded guilty to the offence as charged. He admits he committed the offence, is very sorry he did it, and has made partial restitution. He has expressed willingness to make further restitution, but as the petrol has been partially restored, and money received sufficient to pay for the remainder, this does not appear necessary.
We realize that he must be punished. I would, however, like to draw the attention of the court to a few facts which may influence you in passing sentence.

I would like to emphasize that the accused was not short of money and did not do this thing with a motive of personal gain. He did it from a mistaken notion that he would be helping French civilians -- allies who could not obtain petrol to carry on their business.

The accused is a young man and as you see from his conduct sheet has never committed an offence before. I hope it will not be considered presumptous on my part to remind the court of the power you now hold over this man. It rests with you gentlemen whether he shall be thrown among habitual offenders and perhaps influenced by them or whether he is to be given another chance. I would ask you to think of this boy's father and mother and young wife out in Saskatchewan who are anxiously awaiting this lad's return on the cessation of hostilities. I further suggest that the sentence imposed should be the minimum required to maintain discipline. With a record of service such as Cpl McGillivray has, a reduction to the ranks might be considered one that would serve the interests of discipline and still not blight his career after the war. The consequent painful explanations that he would have to write to his wife and parents, I suggest, will be quite punishment enough.

Cpl McGillivray feels very keenly that he has let his section officer and comrades down, and if a sentence of field punishment is awarded, he would like to serve his time working with the section, so that he can be usefully employed at his trade and at the same time live down this unfortunate affair.

I might mention at this point that trained linemen with Cpl McGillivray's qualifications are few and far between, and are badly needed in Signals. I suggest that the best interests of the war effort would NOT be served by having Cpl McGillivray committed to a detention barracks when he could be usefuly employed.

PLEA IN MITIGATION IN THE CASE OF SGT DEANE, DC
1 CDN L OF C TERMINAL SIG SEC

Mr President and members of the Court. Sgt DEANE has pleaded guilty to the charge against him. You have heard the summary of evidence read, and the oral character evidence. I want to draw four points to your attention.

First. It is shown by the record that this is his first offence of any kind, and was a sudden lapse unnatural to hi, which would never now be repeated no matter what the temptation.

Second. He had made arrangements to send the money he obtained home for his children, but has since taken steps to make full restitution of it all, even though by such action his children will not have the use of this much needed money.

Third. There are many opportunities to steal or mis-apply petrol in the Army today. It is so easy for anyone to obtain any quantity of petrol that it almost amounts to putting an unfair temptation in the path of a man who has a temporary lapse of conscience. No evidence has been presented to prove this statement, but it is a matter of common knowledge in this theatre.

Fourth. Sgt DEANE is in great need of money, not for himself, but for his two children in Canada, aged 13 and 14 years respectively. A summary of his history in this respect follows. He returned to Canada in Jan 1943 after serving in England, to find that his wife had been living with another man for two years, and that his children had been utterly neglected by their mother. He obtained a divorce, and the custody of the children, but could find no suitable home for them, so moved them near Kingston, Ont, where he was stationed. Prior to his return to England in Feb 1944 he found a home for them in Picton, where he pays $40 a month for board and lodging alone. During this whole year he tried through all channels to get his case fully investigated by the Dependent's Allowance Board, with a view to increasing the allowance on hardship grounds, The children having nobody to look after them of his own family, it was expensive to bring them up, particularly now that extra clothes are required for this winter. All his efforts were without any result. Now he feels he has been treated unfairly by the Dependent's Allowance Board, whereas if he had received proper treatement he would have had enough money to have his children well cared for, and there would have been no incentive for him to even think of stealing petrol. In this same connection, a sentence of anything more than six months would impose a doubt hardship. One on himself and a much greater one on his children because their sole souce of income, their father's assigned pay and the Government allowance, would cease at that time.

For these reasons I suggest that the sentence imposed should be the lightest required to maintain discipline.

STATEMENT OF M7233 SGT DEANE, D.C., 1 CDN L OF C TERMINAL SIGS SECTION,
555555555 TAKEN 2120 HRS 1 OCT 1944

I hereby certify that I have been duly warned and make the following statement voluntarily

On Wednesday Sep 27th, 1944 I left BETHUNE at approx 0830 hrs driving Ford 5 cwt 4 x 4 M7453778 accompanied by L22456 Cpl McGillivray, W.A., and proceeded to LILLE on duty. After working all morning until 12 noon mil time, we decided to stay in LILLE for dinner. We ate lunch at a place with CAFE - RESTAURANT on the window. We had finished eating when six men at a nearby table, or perhaps five men, beconed us over to their table. We went over and had some CHAMPAGNE with them and were then asked if we could get them some petrol. After a few questions back and forth they agreed to pay any price for gas. Conversation was mostly in English. All spoke fairly good English with one outstanding. Eventually we decided to see them some gas and a time and date were set. The following day the gas was procured and delivered at the time and place set. We drew the petrol at 134 Pet Point Depot. After meeting two of the men a proce was agreed on at four hundred fancs per jerrican. There fifty six cans in all. The total price was twenty two thousand four hundred fancs, French money. We then proceeded to the rendezvous and disposed of the gas. The place was in a big business office behind a big brick wall. There was an iron gate on the wall, allowing passage for a large truck. The gate was opened by a gatemen. The place of business was a cotton waste manufacturers. We handed over the petrol in the yard and I was paid the full price in the office. We took the two men back to the same cafe in LILLE where we had first met them. That cafe was the rendezvous where we had met them the same day and they had guided us to the place where we left the petrol. The one man gave me his card and it reads "HENRI VAN DER DRIESSCHE, 14 RUE DES BALLONS, WATTRELOS, DECHETS de COTON".

The other man was middle aged, say forty seven or eight, thin face, with a moustache. The man who first produced the card was a man of forty four or five, medium build, wearing glasses, slightly grey. Of the tree men who made up the party of five, on the previous day, one was quite swarthy, thin faced, medium build, wearing black horn rimmed glasses. We saw him the next day and he was not wearing glasses. Another one was rather stou[illegible] fair hair, and in the forties. The third man was not noticed particularly and can not be described. I have disposed of my share of the money, eleven thousand two hundred francs by spending and by other means and I am not now in possession of any of it.

This is the first and only time I have dealt in this way with government property, or with anything illegal in my life.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

Plea of Mitigation
for the accused A-9737 Pte DEANE, R

I came to #, Cdn Con depot 9/9/44 for a period of convalescence, with the understanding that if my stomach condition did not improve in one month I was to be returned to hospital. I was here approx five weeks during which I constantly suffered with my growing stomach

After coming to the Con depot I was ordered to wear boots by the M.O. in hospital & had been excused wearing boots due to the fact that it was virtually impossible because of a scar that continually oozed on my ankle from the friction of the boot. After on a sick parade I left my regular M.O. but a substitute for him. I explained about my ankle & showed him the scar. He told me it was merely common scarring & that I should wear canvas shoes until my ankle improved. Later I communicated with my regular M.O. and I was told that I must continue wearing boots. I could hardly walk due to the intense

end

pain in my ankle. This, coupled with my stomach refused to make life pretty miserable.

Several times during the night I went to the M I R, because of my stomach. I found it impossible to sleep and even on face of this I was refused treatment because I did not possess a treatment slip from an M.O. When I went on sick parade & complained that my stomach ailment was not improving but if anything getting worse. the M.O. refused me treatment.

This continued for five weeks and I was not returned to hospital, but was suffering as much as ever. I was in hospital. I could not continue marching & doing P.T., so I went A.W.L. with the idea of at least getting rest so as to approach a [illegible] I am much better now although far from normal.

Statement in mitigation of punishment in the case of Gnr. T.E. Deardon.

Sirs:

Gnr. Deardon first arrived overseas in September 1940 As you may observe from his crime sheet his conduct in military life has been very good. Although he is guilty of going A.W.L. at this critical time, I believe that only the extenuating circumstances which I will relate, could be responsible for this breach of discipline.

Gnr. Deardon was married in England and is the father of two children. His wife is in delicate health, and the since the birth of the second child has been very ill indeed. Ill enough in fact to warrant her admission to hospital for a further operation. Telegrams were sent to Gnr. Deardon in an attempt to obtain his presence. As he was in hospital himself at the time he was unable to go. You can imagine his state of mind, especially so in view of the fact that his mother-in-law was unable to provide proper care for her grandchildren due to responsibilities of her own. It was shortly after Gnr. Dearion returned to No. 1 C.A.R.U. that he was sent to 9 Bn. The restrictions on passes made him give up hope to get his affairs straightened out. The worries on his mind coupled with a desire to see the baby he had not yet seen, I'm afraid were responsible for the upsetting of Gnr. Deardon's good judgment, and he went A.W.L. In view of the fact that he was absent for only one day, and in consideration of his mental state, I crave the court's indulgence in passing sentence upon this man.

In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. B4. On the charge[s] to which the plea[s] of Guilty is [are] not changed the President records findings of Guilty in Part I of the Schedule.(1)

B5. The Summary of Evidence is marked Ex F, initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p* 3. *RP* 37(*D*).)

Statement in mitigation
By punishment R.O.

18 Sep 44.

Mr President and Gentlemen of the Court,

The accused has readily admitted his guilt in reference to the charge. There are however, some points which I would like the Court to consider before passing sentence on the accused.

The accused joined the Army in September of 1939 and at that time was sixteen years of age. He was later discharged for being under age. A short while after he endeavoured to join both the Army and the Air Force, but was rejected owing to his age. He joined the R.C.Ds. and after spending a week with them was again discharged for under age. The accused was successful in joining the Navy, but after a week was discharged for under age. At the age of nineteen he was successful in joining the Armoured Corps and came to England as a reinforcement. In England he was used as an Instructor for almost a year. During this time he made several applications to be sent to a unit, but was unsuccessful and was retained as an instructor. This explains the first charge shown on his N.F.W. 6 being A.W.L. It was successful to a point, as he was sent to Italy as a reinforcement, which was his desire. Arriving in C.A.C.T.U. he was retained as instructor and many men had been sent to units, which privilege he never enjoyed. He now come to the charge which he has pleaded guilty to. Reasoning that the first charge of A.W.L. in England was successful in getting him to Italy, why wouldn't another charge get him to a unit. Gentlemen, that is all I ask on behalf of the accused, that he be sent to a unit immediately. He has been under close arrest for over a month and will automatically lose two months pay. This, I believe, is sufficient punishment, He is available and it is no secret that we are short of reinforcements. I believe he could be sent forward to a unit this week and that is his sincere wish.

SUMMARY OF STATEMENT IN MITIGATION, CHARACTER EVIDENCE, and ADDRESS OF ACCUSED OR HIS DEFENDING OFFICER

Plea in mitigation is attached and marked by accused

Statement of Accused:

On 19 Jan. I came out of Detention Blks. I was granted a 48 hr. leave on 22 Jan to go and see my wife. When I got home I found my wife was sick with worry and was in great difficulty with regards to a cheque on account of my previous absence. Half of her cheque was cut off. The cheque was for £9-13-0 and it should have been for £15-0-0. Also, my mother-in-law and father-in-law found out that I had been in detention and tried to separate the wife and I and tried to take the child away from us.

We were married in Oct 1941.

President – Why did you go 30 days AWL in Nov.?

Well, on afternoon I wanted to see my wife and was put under open arrest. I wanted to see my wife so just stayed at home a little longer. No particular reason.

I stayed home till 28 Feb to see if I could get my wife out of the "hole" and get my family troubles straightened out. On 27 Feb – when the cheque came again – it was still cut short. I could have gone back on 28th, but my wife was so desperate. I asked by wire for a 48 hrs. extension; but received no answer.

Well, the reason I stayed home the 30 days was that the wife was so desperate for me to leave her to come back – also, my mother-in-law tried to take the child away from my wife and me. My wife and I get along well together.

We are expecting another child next August.

I gave myself up 15th March to come back here to see if I could get any help through the army, but couldn't get any help at all.

President – What did they tell you about the decrease?

They just told me that it was because I had gone absent.

I am 22 yrs. of age.

Dear ...

Lives in Beckenham with Mrs 7th Regt. North
some 14 months. Since Nov 41 the Regt has
moved about. Cannot see his wife very often so
starts going absent. Gets detention then 48 hrs
leave followed by absence. one child,
his wife expecting another. His wife family refuses
to have anything to do with him after the award
of detention.

CERTIFICATE OF SURRENDER TO THE CIVIL POLICE OF A DESERTER OR ABSENTEE WITHOUT LEAVE.

This Form is ONLY applicable where a person surrenders to a Constable as being a Deserter or Absentee.

Instructions for the Guidance of the Police.

When a person surrenders himself to a constable as being a deserter or absentee without leave, the officer of police in charge of the police station to which he is brought shall forthwith inquire into the case, and if it appears to him from the confession of that person that he is a deserter or absentee without leave he may cause him to be delivered into military or Air Force custody without bringing him before a court of summary jurisdiction.

In such a case a telegram should be despatched to the Officer Commanding the Man's Unit,* notifying that he has surrendered, and stating the number, rank, name and unit of the man, and that officer will at once arrange to send an escort for the man to be taken into military or Air Force custody. Where an absentee's unit is stationed overseas (outside Great Britain, Northern Ireland District and the Channel Islands) the telegram will be despatched to the O.C. Regimental Depôt in the case of a soldier and in the case of an airman to the O.C. No. 1 R.A.F. Depôt, Uxbridge, who will arrange escort. This certificate will be handed to the escort on arrival.

Statement of B 36737 Gnr W. H. Dearness.

On the morning of the 18th July, I phoned my Wife and she told me the baby was sick After Church Parade I went home for the afternoon, intending to come back Sunday nite, the 18th July. When I arrived home my brother, whom I had not seen for four years, arrived two hours after I did on a ten day landing leave. As you know from my Sergeant and RSM that I could not get on the draft to join my regiment to go to Sicily, Also I stayed with brother and wife who is pregnant and causing me some worry, as she has to undergo an operation. When I read about the boys in Sicily, I decided I should come back and sent a Telegram to that effect to Colonel Inch. I spent a few days making arrangements to get my wife sent off to Canada and she will be going as soon as passage is possible. I then returned on my own and gave myself up voluntarily to the Guard.

Capt G.P. Keeping
I am, adjutant, 1st Can. Fd Regt. R.C.H.A. I produce a short statement as to particulars of service of the accused B 36787, Pte. Deadman W.A. I also produce certified true copy of the AFM6 of the accused, as exhibits B and C.

The accused is cautioned by the court.

Q. Do you wish to make any statement in mitigation of punishment?

A. I do. Last January, I was promoted to Acting. From January till August, after seven months I did not do a days work. Not was I allowed to drink. In August I was asked to drive a truck to make in which I was allowed for working the third limit. I was promoted again. From August until November, the time I went absent I did no work. The day I went absent I was detailed by the sergeant-major to clean a vehicle on Saturday for an inspection. I went absent that Saturday and came back the following Sunday.

Sunday morning, and found it had been placed under arrest, and went about again. I came back in thirty days time on my own initiative. At that seven months time I asked if I could drive again and was told "No", as I was grounded and had no license. I asked if I could go on the guns and was told "No" as I was a fatigue man. I did not mind being a fatigue man but I was given no fatigues to do. For seven months I just came and went as I pleased. I was disgusted with the way I was treated and gave up trying to get a lead.

I came to this Regiment in May 1941 I was made a Driver Class A, the to which, in Battery H.Q. where I have been ever since.

$ How long did you drive?

A I drove till I was grounded in January 1942 Section by the court.

What did you mean in saying you did nothing for seven months?

Answer

For seven months after I had been grounded I was given no fatigues, no guns drill, no

5

courses. I did my patrols and guards, took my leaves when they came, during the day I slept most of the time.

Question:

Did you come back from your first absence expecting not to be under arrest?

Answer:

No. I expected to be under arrest.

Question:

Where did you go for the thirty days you were absent?

Answer:

I was with my wife in Faversham, but I returned by the depending officer.

The whole question in the case is what sentence should be imposed. I would like the court to consider K.R. 563 para 5. This is a peculiar case and the circumstances are rather extraordinary. The accused is only 22 years old. According to his own statement, he did nothing for eleven months, when he was promoted again. He asked if he could go on the guard, during that eleven months, and was ignored. It seems he became discontented, and took interest. It is our bounden duty to officers and N.C.Os to see the men are employed, but they

... was also ignored. I ask that the absolute minimum sentence should be imposed. He gave himself up voluntarily.

Opening Address.

Sir;

The accused, Sigmn DeAubin, is accused under Section 11 of the Army Act, when on Active Service, neglecting to obey Unit orders in that he did speculate in exchange of old Belgian currency for new Belgian currency for a civilian through Army pay channels.

Evidence will be produced to support the following facts; That the accused did enter into an agreement with a civilian to exchange old Belgian currency for new currency through Army pay channels contrary to Unit orders; That said Unit orders were posted in accused's billet and that a portion of the currency was turned into his Section headquarters by the accused, for exchange by the Unit paymaster.

Prosecution

1st Witness - Capt DAS Lanskail 2/c 2 Coy 1 Con Lgt Inf duly sworn, states

On Sunday 15 Oct 44 at approx 1130 hrs I was standing in Mess Hall of 5 Con Tele Op Sec when a Sgt informed me that there was a civilian standing at the door who wanted something. I approached the civilian (Identified as Barbuddle de Baets a civilian) He told me he was looking for a Soldier and produced the following which I now hand to court —

Ex A NFM 182 relating to the accused

I recognized it as property of accused. The civilian was claiming that the accused owed him a sum of money as a result of what the civilian said I had the civilian - de Baets - taken into my Office for further questioning. At the same time I sent for accused and an interpreter. As a result of discussion which took place when the accused came to the office the civilian de Baets produced

Ex B Soldiers Service & Pay Book Parts 1 & 2

which I recognized as property of accused.

The accused when asked if he had any currency belonging to de Baets stated he had been given 3700 francs by the said Belgian currency by de Baets. He was no caution but also no question & any charge against accused. The civilian was present making a claim for money from accused and the discussion flowed from this. No Threats or promises or inducements to accused. Accused volunteered information

Def Offr - does not object to admission of statement made by accused to the witness

[illegible]

accused said it was his intention to change
this sum of 3700 frs old Belgian Currency
into New Belgian Currency but he had not
actually completed the action. The accused
produced 3000 frs old Belgian Currency of bills
in denominations of longer than 100 frs and
stated that remaining 700 frs had been turned
over to Sgt Mercer. The accused
proprietor, as a result of discussion with Sgt Mercer
L.C. sent for became and produced 100 francs
gold Belgian currency in bills of denominations
of 100 frs or over and stated in presence of accused
that this money had been received from the accused
at acc A.Q. for changing into new Belgian currency
by the unit paymaster. De Baets stated in
presence of accused through interpreter (Cpl Broadhurst)
that the accused had been promised 1000 frs
for his services in changing the money

Next
accused stated he had received 3700 frs old Belgian
currency from the civilian with intention of changing
it - had only turned over 700 frs to acc A.Q. to
have changed. The balance 3000 frs he had with
him and understood him to say he intended
to return the 3000 to the civilian - not to change it.

To court.
The 3000 frs which accused had plus 700 frs
brought in by Sgt Mercer was all handed over to
de Baets. It was all old currency of over 100 frs
denominations except the 700 frs which was in 100 frs notes
in my presence and I know amount and description
to be correct. Money checked by Major Clement

accused said he had given 700 frs Sfr 3700
to de Baets and belg. francs to L/Sgt Kerr
for the purpose of having it changed by the
unit paymaster into new Belgian currency.
He stated Stoemulion had given him the money —
when interpreter said that de Baets had
stated accused to get 5000 frs for his trouble
accused did not say anything.
Civilian stated £ x s d & b had been turned
over to him by accused as security for Sfr 3700 frs
Accused did not challenge the statement
x ex. (further questions by D.O. with permission granted)
Do not remember
whether there were any mapshorts in accused's
pay books.

and would normally use the mess room. I only

be altogether given using the mess room. On
morning 14 Oct I received instructions from Capt

order. In the afternoon Sgt Kerr returned and

The money he had collected in which was included

had not put in an appearance up to 1100 hours
14 Oct so I locked money in sec security box.
On morning 15 Oct I was called to a Coy
Office. Two or three minutes before he accused
came home and asked me if I was going to give
him the money which I held in his name. I said
no not until I find out why I am wanted
in Company Office. On going to Coy Office Major
Clement in presence accused asked me.
If I had Too frs belonging to accused. I
said yes and he asked me to bring it down to
him. This I did in presence accused.

3 witness L 105932 L/Sgt Kerr A Section Tele Op Sec
duly sworn states.

On morning 9th Oct 44 I advised all personell of sec including accused that the pmr would be coming to sec that day and it would be their last opportunity to have currency changed. i.e. Old Belgian and French currency for new Belgian. At dennell time that day accused brought 100 fr old belgian currency to me which he wanted changed for new belgian currency. I told him I thought it a fair amount money and possibly the pmr might become curious about it. The accused told me he was quite prepared to answer any questions he was asked. I took the money from accused and gave it to my sec sgt Dyt Kerr for the purpose of having it changed.

X ed later on, on day 15 Oct, I gave accused a fit insp[illegible] I do not remember if there were any snapshots in his pay book. I believe I did see accused handing in a cafe on morning 9th Oct. I saw him in a cafe. There was a tyler sheer near him.

In Court It was old belgian francs I got from accused. I handed identical bills to Kerr. They were 100 fr denomination. I knew I got 247 francs Oct EXC. I saw a copy in sec. Office. I thought it strange that a copy would have 100 fr at that time as pay day had been 3 Oct in Brussells. We were in Ghent on 14 Oct. I would not say accused thank when he gave me 100 francs.
R.P. 83(b) complied with.

Fourth witness Monsieur de Randder de Baets, Cafe
Georgette Boordstraat No 5 duly sworn
states.
on 14 oct 44 - a saturday morning - the accused
who I identify - came to my cafe and asked if I
had any old Belgian money. I told the accused
I had 3700 francs. He said bring me the
money and I will change it. "If you favor you
must give me 1000 francs" he said. He said
I will give you my service book to prove that I
will be there at 6 o'clock tonight with the new
money. He told me that he was billeted at
Rue St Michel front 9 Lambert Wolk cafe.
He did not return that night and on sunday
morning I went to the barracks and saw the captain.
The capt took me upstairs and I showed him
soldiers pass book. The capt found the accused
and returned the 3700 francs home

Xed
I was upstairs when girls father called me down to
the accused.

To Court
I do not speak much English. Part of what I said
in my previous evidence I got from Madame
and the girl who had spoken with accused
before I came down. The accused and madame
and I were talking together. The accused used
a little french and a little English. I know used a couple
of english sentences, madame I used a few words I
know to make soldier understand. Madame used
French. I did not hear soldier say "I will give
you my service book etc" Madame told me to said
this. Soldier said home "we change a la banque

for you come to back 6 oclock tonight
That all he said to me. He had to talk
about the 1000 frs with madame when I was
not there. Commandeur Bouchet he gave
him the money because he was short and wanted
to make a little bit and because he left his book.
Madame handed the 3700 frs to accused. she and
I live together but we are not married - she
is called Georgette de Bats.
I have seen Exh A & B before; in Exh B there were
some pictures. I saw them after accused had
gone. I knew madame had something before
I saw her give accused the money because she
took me she took his pass-port as security.
The 3700 francs was belonged to madame and I -
we work together. I did not know it was against law.

Defence

1st witness: accused duly sworn states:
on morning I went out after I left billets I went
to Club Cafe and had a few drinks. then I came to
back cafe where I had several more drinks; then
I over to Cafe Georgette. I had only 10 francs
at the time. I asked the girl behind bar if she
had any export beer as 5 fr for beer she said no
only 4 fr for beer. I said jokingly to her I had
very little money and a great thirst and could
not buy anything. This was said part in English

peak French and part by illustration with my hands. She said I have lots gold money and cannot buy any drinks. I was feeling very much the good fellow at the time so I said to the girl behind the counta "maybe I could help you out" she went to side door and called to some body upstairs and came back to counter. I brought out my pay book and started to show her some snaps (passes) while I was showing them snapshots Mrs de Rudder de Baets came from upstairs; I think Mr de Baets came right away after her; I thought to was then all to time. The girl indicated to the madame that I wanted something so I said I understands you have some old money you want change; the madame said yes and went out and came back and put the money on counter. Now what I could understand of French she said would I change them for her and asked me how much I wanted for doing it. On hand I suggested 1000 francs. I put the money in my pocket and she pointed towards the pay book which was on table; she spoke something in French about security so I let them have the pay book identity card and snaps. During dinner time I overheard some body say that you could only turn 500 fr notes into Dyt here so after dinner I gave Dyt here 1x100 franc old Belgian notes and kept the 3000 intending to take all

money back to the civilian when I gave to
too for to get her. She said this was a lot
money to be coming in at this time of the week
could I explain when I got it. I told him
that if the pnr wanted to know I could tell
him. Got night at 6 o'clock I was placed
on guard. I knew I was going on guard about
3 days previous. The next day a Sgt came to
me and said Capt Lenskail wanted to see me
in Coy office. I asked him what for. He said
it would cost me a lot money as some civilians
had come and claimed that I owed them a lot
money. I went back to billets & asked SJK
to let me get at back door as I wanted to
see Capt Mercer. I asked him for money but
he refused to give it to me so I went to Coy
office to see Capt Lenskail. where I learnt
all about reason for civilians - being fined up
to that time I was unaware I could not change
money for civilians. That is all I have to say.
I did not know it was illegal at civil or
mil law to change this money. My first
inkling it was against law was when I
was called into office. I thought when S/R
called for me civilians had got suspicious
I had stopped out of it money. I did not
read E x C. I did not fear any rumours that
it was an appeal. If the pnr had asked me if

9.

where I got the money I would have told him
the truth.

X ex

Reason I went to get Mercer to get the 700 fr
was because I thought people thought I had
stepped out with money. So I was going to get
the 700 fr and return full amount. I learned
2 or 3 days previously I would be on guard duty
that night. Knew it from duty roster

No court

I had not idea anything wrong with proposal. I
thought I could have given DMR 3700 fr and
told him how I got it and expected to get 3700 fr
new money for it. Reason I may turned in 700 fr
was because I overheard you could only turn
in 100 fr notes. The 3000 fr was in 2 x 1000
and 2 x 500. I only had 7 x 100 fr notes.

Did you see the 2 x £ on wall. No. I have
never seen it; never read it. Some body told
me on Friday B bet that the cashiers after that
day could not charge any more money as it was
worthless. But NOT when I made the arrangement
with the de Beers I again got impression money
was worthless to them - or that they could not charge it
at the time - That is way they gave it to me. It was after
I heard Sgt Kerr tell us about last time for
charging money that I went to the de Beers place
- and got the money. I had no intention of getting
any money from them when I went there. It was
the girl who brought it to me I spoke up.

I did not want to hand over Ex H.B. to Belgian civilian. I did not think it wrong. They had treated me with money and I expected to be right back. I had forgot about the guard duty - feeling pretty good. Will all good part. I thought I could do the same thing proper to do for civilians through army paymasters what & as they could not do for themselves. I did not know reason for currency change. Thought it was allied currency coming out. I did attempt to exchange old Belgian currency to the amount of 700 francs for new Belgian currency for civilians and attempted to do it through army pay channels. I knew where orders were posted in mess room and usually read them. Sometimes some order is there for 2 or 3 days and you think it is to some one again. I sat at 12 o'clock and on 13 Oct at dennis time Ex Emas not there. I must have missed seeing it that night at pupperton. The de Bells and girl did not speak English - not that I could understand anyway. (subject) he has got to stop partly mixed up. All 3 were talking at once. I thought these people had missed out on changing their money and I could do them a favor: I cannot see that taking 1000 fr for the service

is any indication that I had any suspicion about it; anyway I had no suspicion.

R.P. 83B complied with.

He acted without knowledge of order. Submits findings of not guilty should be rendered on charges.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of G32692 Sigmn DeAubin, Floyd Cecil, 2 Coy, 1st Cdn L of C Signals, Cdn Army Overseas, charged with:-

FIRST CHARGE — AA Sec 11: WOAS is charged with neglecting to obey Unit Part I orders, in that he did speculate in exchange of old Belgian currency for new Belgian currency for a civilian through Army pay channels in contravention of 1st Cdn L of C Signals Part I Order No 247 d/12 October 1944, Para 5 (6).

SECOND CHARGE (Alternative charge) — AA Sec 40: WOAS is charged with conduct to the prejudice of Good Order and Military Discipline, in that he did improperly attempt to exchange old Belgian currency to the amount of 700 francs for new Belgian currency for a civilian, attempting same through Army Pay channels.

THIRD CHARGE — AA Sec 40: WOAS is charged with conduct to the prejudice of Good order and Military discipline, in that he did hand over his Soldiers Service and Paybook, Parts 1 and 3 and his MPM 182 (Fingerprint and Identification Card) to a Belgian civilian without the necessary authority.

By direction of the Commanding Officer, the evidence is taken on oath.

First Witness

Capt. Lanskail, D.A.S., 2 i/c 2 Coy, 1 Cdn L of C Sigs, duly sworn, states:-

"I am Capt Lanskail, D.A.S. of 2 Coy, 1 Cdn L of C Signals. At approximately 1130 hours on Sunday, 15 Oct 44 I was standing in the mess hall of 5 Cdn Tele Op Section when a Sigmn informed me that there was a civilian at the door who apparently wanted something. I proceeded to the door and saw there a man and woman both dressed in civilian clothes. I attempted to question them in French as to the purpose of their visit. They gave me an Identification and Fingerprint Card (AFM 182) and Soldiers Service and Paybook Parts 1 and 3, belonging to Sigmn DeAubin, which I now produce.

The man, Mr DeBoudder De Baets of the Cafe Georgette, Noordstraat No.5, Ghent said that the owner of the Identification Card and Paybook owed him some money.

The civilian then said he had given Sigmn DeAubin the sum of 3700 Belgian francs to have changed into new Belgian currency.

Acting on information received, I then asked Sgt. Mercer, Section Sgt of 5 Cdn Tele Op Section if he was holding any old Belgian currency to exchange for Sigmn DeAubin. Sgt Mercer said that he was holding 700 francs for Sigmn DeAubin.

On questioning Sigmn DeAubin as to the whereabouts of the money concerned, Sigmn DeAubin produced 3000 francs in bills of over 100 francs denomination and stated that the remainder had been handed over to Sgt. Kerr. Sgt Mercer thereupon produced the remainder , 700 francs in bills of 100 francs or over. The money was counted by Major Clement in my presence and I certify the amount as correct.

The civilian stated that he had promised Sigmn DeAubin the sum of 1000 francs for his services."

The accused declines to cross examine the witness.

The Identification and Fingerprint card (AFM 182) and Soldiers Service and Paybook Parts I and III referred to in the evidence of the above witness are attached hereto as Exhibit "A".

Second Witness

B31005 Sgt Mercer, G.C., duly sworn, states:-

" I am Sgt Mercer, G.C. of 5 Cdn Tele Op Section. Part I Orders for the unit for the 12 of October was delivered to me on the 13th of October and posted by me between 1230 and 1300 hours in the men's mess room.

Second Witness
(continued)

On the morning of 14 October, Capt Lanskail instructed me to have collected from the section any further monies to be converted into new currency. I detailed L/Sgt Kerr to carry out these instructions. In the afternoon L/Sgt Kerr turned over to me the monies he had collected with a slip showing 700 Belgian francs against Sigmn DeAubin's name and 200, French francs against Sigmn Ryder's. The Paymaster had not put in an appearance up to 1600 hrs so I locked the money in the section Security box. On the morning of the 15th Oct. I was called down to Coy office; before going down Sigmn DeAubin came in to the Section office and asked me if I was going to keep his 700 francs. I told him, yes, until I had found out what I was wanted for in Coy office.

In Coy office Major Clement asked me if I was holding 700 francs of Sigmn DeAubin's money. I told him I was, and I was instructed to bring it to Major Clement. On giving it to Major Clement he placed the 700 francs on the desk with other Belgian currency. I then left the office to complete other work."

Cross examined by accused

Q1- Why did you not give me the money when I asked for it?

A1- Because I had heard from someone in the office that you had been sent for and wondered if it might be in connection with the money as it seemed a large sum.

Q2- What is the sum of money you had in my name?

A2- The sum of money I had in your name was 700 Belgian francs.

J.C. Mercer

A copy of 1 Cdn L of C Signals Part I Orders No.247 d/12 Oct 44 referred to in the evidence of the above witness is attached hereto as Exhibit "B"

Third Witness L105332 L/Sgt Kerr, A., duly sworn, states:-

"I am L/Sgt Kerr, A of 5 Cdn Tele Op Section. On the morning of the 14th October Sgt Mercer came to me and said the Paymaster would be coming that day. He asked me to notify the personnel in the section that this would be the last opportunity to have any money changed. Later on in the morning Sigmn DeAubin came to me with 700 francs which he said he wanted changed, and he was quite prepared to give any explanation to the Paymaster if he was asked for one. With that I accepted the money and turned it over to Sgt. Mercer."

Cross examined by accused

Q1 - At the time I handed over the money, would Sgt. Kerr state whether I had been drinking?

A1 - At the time I had no reason to suspect that Sigmn DeAubin had been drinking.

Q2 - Did you not see me in a Cafe that morning, drinking?

A2 - Approximately two hours before I received the money from Sigmn DeAubin, I believe he was drinking a glass of beer in a cafe.

A. Kerr

Fourth Witness Monsieur DeBoudder de Baets, a civilian of Cafe Georgette, Noordstraat, No.5, Ghent, duly sworn, states:-

"Le 14 Octobre 1944, J'ai donne a Sigmn DeAubin, F.C. G32692 La Summe de 3,700 Francs, pour changer en nouvelle argent Belgique. Pour ces services le Monsieur m'avait demande la summe de 1000 francs en nouvelle argent. Comme securite j'ai recu son livre "Soldiers Service and Paybook" et Carte d'identite.

"The 14 Oct 1944 I gave Sigmn DeAubin, F.C., G32692 the sum of 3700 francs to change for new Belgian currency. For this service the man asked the sum of 1000 francs in new currency. For security I received his "Soldiers Service and Paybook" and Identification Card."

Cross examined by accused.

Q1- Did you realize that I was under the influence of liquor at the time I made this arrangement?

A1- No. He did not appear to be under the influence of liquor. He was served one glass of beer.

Q2- When and where was the agreement made?

A2- In the Cafe Georgette at 1000 hrs, 14 Oct 44.

Fourth Witness
(continued)

Q3 - Are you sure it was 1000 hours and not later?

A3 - It was not before 10 O'Clock but between 10 O'Clock and 1030 O'Clock as far as I can remember.

The accused was cautioned as follows:-

Q - Do you wish to make a statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

A - I want to make a statement.

Q - On oath or not on oath?

A - On oath.

The accused, duly sworn, states:-

"On the morning of 14th October from nine until 12 O'Clock I had been in several cafes drinking freely, during the latterpart of the morning, around 1115 hrs, I arrived at the Tavern Georgette, and this transaction took place.
Myself being under the influence of liquor at the time and not responsible for what had taken place. Part of the money, 700 francs, I turned over about 1230 hrs to Sgt. Kerr, still under the influence of liquor.

The accused does not call any witnesses.

PROSECUTION

1st Witness

Capt D.A.S. LansKail 2 i/c 2 Coy 1 Cdn L of C Sigs duly sworn states:

On Sunday 15 Oct 44 at approximately 1130 hrs I was standing in Mess Hall of 5 Cdn Tele Op Sec when a sgmn informed me that there was a civilian standing at the door who wanted something. I approached the civilian (Identifies De Ruddel de Baits a civilian). He told me he was looking for a soldier and produced the following which I now hand the court:-

Ex A

MFM 182 relating to the accused. I recognized it as property of accused. The civilian was claiming that the accused owed him a sum of money as a result of what the civilian said I had the civilian de Baets - taken into my office for further questioning. At the same time I sent for accused and an interpreter. As a result of discussion which took place when the accused came to the office the civilian de Baets produced.

Ex B

Soldiers Service and Pay Book Parts 1 and 2 which I recogni,ed as property of accused. The accused when asked if he had any currency belonging to de Baets stated he had been given 3700 francs of the old Belgian currency by de Baets. There was no caution but also no question at that time of any charge against accused. The civilian was present making a claim for money from accused and the discussion flowed from this. No threats or promises or inducements to accused. Accused volunteered information.

Def Offr - does not object to admission of statements made by accused to thiswitness.

Accused said it was his intention to change thissum of 3700 frs old Belgian Currency into New Belgian Currency but he had not actually completed the action. The accused produced 3000 frs old Belgian Currency of bills in denominations of larger than 100 frs and stated that remaining 700 frs had been turned over to an L/Sgt Kerr NCO of hissec for changing by the paymaster, as a result of discussion. Sgt Mercer G.C. sent for he came and produced 700 frs of old Belgian currency in bills of denominations of 100 frs and over and stated in presence of accused that this money had been received from the accused at sec H.Q. for changing into new Belgian currency by the unit paymaster. De Baets stated in presence of accused through interpreter (Cpl Broadhurst) that the accused had been promised 1000 frs for hisservice in changing the money.

X ex

Accused stated he had received 3700 frs old Belgian currency from the civilian with the intention of changing it - had only turned over 700 frs to sec HQ. to have changed. The balance 3000 frs he had with him and I understood him to say he intended to return this 3000 to the civilian - not to change it.

To court

The 3000 frs which accused had plus 700 frs brought in by Sgt Mercer was all handed over to de Baets. It was all old currency of over 100 frs denomination except the 700 frs which was in 100 fr notes. Money checked by Major Clement in my presence and I know amount and description to be correct. Accused said he had given 700 of the 3700 of de Baets old Belgian francs to L/Sgt Kerr for the purpose of having it changed by the unit paymaster into new Belgian currency. He stated the civilian had given him the money - when interpreter said that De Baets had stated accused to to get 1000 frs for histroubles accused did not say anything.

SGT

PROSECUTION (2)

Civilian stated Exs A and B had been turned over to him by accused as security for the 3700 frs. Accused did not challenge this statement.

2nd Witness

B-31005 Sgt Mercer, G.E., 2 Coy L of C Sigs being duly sworn states:-

I produce Part I Order No 247 of 12 Oct 44 by 1 Cdn L of C Sigs; these received just before noon hour of 13 Oct and posted by me between 1230 and 1300 hours in the mens mess room used by 2 Coy HQ and 5 Cdn Tels Ops Sec 1 Cdn L of C Sigs. Accused in 5 Cdn Tels Ops Sec and would normally use the mess room. I only put up the one copy. Approximately 46 men would be strength ~~XXX~~ of men using the mens mess room. On morning 14 Oct I received instructions from Capt LansKail to collect any further old Belgian money to be exchanged in my sec which included 2 Coy HQ. I detailed Sgt Keer to carry out this order. In the afternoon Sgt Kerr turned over to me the money he had collected in which was included 700 frs Belgian on a/c of accused. The par had not put in an appearance up to 1600 hours 14 Oct so I locked money in sec security box. On morning of 15 Oct I was called to 2 Coy Office. Two or three minutes before the accused came to me and asked me if I was going to give him the money which I held in his name. I said no not until I find out why I am wanted in company office. On going to coy office Major Clement in presence of accused asked me if I had 700 frs belonging to accused. I said Yes and he asked me to bring it down to him. This I did in presence of accused.

The men eat in two adjacent rooms both leading off same corridor. No set seating arrangement. Orders are posted in one of rooms only, on the wall. This is the room where all dish washing takes place for men eating in both rooms. During time of washing dishes it would be difficult for a man to read orders on account of congestion. Orders nearly always a day late. Sometimes 2 orders come together. I did not ask accused where he got money - Sgt Kerr collected it.

By Court

Place where orders placed customary and recognised place.

R.P. 83 b complied with

3rd Witness

L-105332 L/Sgt Kerr, A., 5 Cdn Tels Op Sec duly sworn states:-

On morning of 14 Oct 44 I advised all personnel of sec including accused that the pay would be coming to sec that day and it would be their last opportunity to have currency changed. i.e. old Belgian and French currency for new Belgian. At dinner time that day accused brought 700 fr old Belgian currency to me, which he wanted changed for new Belgian currency. I told him I thought it a fair amount of money and possibly the par might become curious about it.

SGT

The accused told me he was quite prepared to answer any questions he was asked. I took the money from accused and gave it to my sec Sgt - Sgt Mercer for the purpose of having it changed.

X ex

Later on, on day of 15 Oct, I gave accused a kit inspection. I do not remember if there were any snapshots in his pay book. I believe I did see accused drinking in a cafe on morning of 14 Oct - I saw him in a cafe - there was a glass of beer near him.

To Court

It was old Belgian francs I got from accused - I handed identical bills to Sgt Mercer. They were 100 frs denomination - 7 of them. I knew of order 247 of 12 Oct. EX C - I saw a copy in sec office. I thought it strange that a sgmn would have 700 frs at that time as payday had been 3 Oct in Brussels. We were in Ghent on 14 Oct. I would not say accused drunk when he gave me 700 francs.

R.P. 83 (b) complied with

Fourth Witness

Monsieur de Ruddel de Baets, Cafe George the Noordstraat No 5 duly sworn states:-

On 14 Oct 44 - a saturday morning - the accused who identify - came to my cafe and asked if I had any old Belgian money. I told the accused I had 3700 francs. He said to me, give me the money and I will change it. For this favour you must give me 1000 francs he said. He said I will give you my service book to prove that I will be here at 6 oclock tonight with the new money. He told me that he was billeted at Rue St Michel front of Lambeth Walk cafe. He did not return that night and on Sunday morning I went to the barracks and saw the captain. The captain took me upstairs and I showed him soldiers pass book. The captain found the accused and returned the 3700 francs to me.

I was upstairs when girl called me down to the accused.

To Court

I do not speak much English. Part of what I said in my previous evidence I got from Madame and the girl who had spoken with accused before I came downstairs. The accused and Madame and I were talking together. The accused used a little french and a little English. I know a couple of English sentences; I used a few words I know to make soldier understand. Madame used French. I did not hear soldier say I will give you my service book etc. Madame told me he said this. Soldier said to me - me change a la banque for you come to bank 6 oclock tonight. That's all he said to me. He had the talk about the 1000 frs with madame when I was not there. We gave him the money because he was short and wanted to make a little bit and because he left his book. Madame handed the 3700 frs to accused - she and I live together but we are not married - she is called Gengette de Baits.

I have seen Ex A and B before; in Ex B there were some pictures. I saw them after accused had gone. I knew madame had something before I saw her give accused the money because she told me she had his pass-port as security. The 3700 francs belonged to madame and I - we work together. I did not know it was against the law to do this.

DEFENCE

1st Witness

Accused duly sworn states:-

On morning of 14 Oct after I left billets I went to Club Cafe and had a few drinks; then to Lambeth Walk Cafe where I had several more drinks; then over to Cafe Georgette. I had only 10 francs at the time. I asked the girl behind the bar if she had any export beer - no 5 fr beer she said only 15 fr beer. I said jokingly to her I had very little money and a great thirst and could not buy anything. This was said part in English part French and part by illustration with my hands. She said I have lots of old money and cannot buy any drinks. I was feeling very much the good fellow at the time so I said to the girl behind the counter - maybe I could help you out. She went to side door and called to somebody, upstairs and came back to counter. I brought out my pay book and started to show her some snaps of myself. While I was showing these snapshots Mrs De Buddel de Baets came from upstairs; I think Mr de Baets came right away after her; I thought he was there all the time. The girl indicated to the madame that I wanted something so I said I understand you have some old money you want changed. The madame said yes and went out and came back and put the money on the counter. From what I could understand of French she said - would I change this for her and asked me how much I wanted for doing it. Off hand I suggested 1000 frs. I put the money in my pocket and she pointed toward the paybook which was on the table; she spoke something in French about security so I let them have the paybook, identity card and snaps. During dinner hour I overheard somebody say that you could only turn 100 frs notes in to Sgt Kerr so after dinner I gave Sgt Kerr 7 - 100 franc old Belgian notes and kept the 3000 intending to take all the money back to the civilian. When I gave the 700 frs to Sgt Kerr he said - this was a lot of money to be turning in at this time of the month - could I explain where I got it. I told him that if the pay wanted to know I would tell him. That night at 6 oclock I was placed on guard. I knew I was going on guard about 3 days previous. The next day a DR came to me and said Capt Lanskail wanted to see me in Coy Office. I asked him what for. He said it would cost me a lot of money as some civilians had come and claimed that I owed them a lot of money. On way back to billets I asked DR to let me off at back door as I wanted to see Sgt Mercer. I asked him for money but he refused to give it to me so went to Coy office to see Capt Lanskail. Up to that time I was unaware I could not change money for civilians. That is all I have to say. I did not know it was illegal at civil or mil law to change this money. My first inkling it was against law was when I was called into office. I thought when DR called for me civilians had got suspicious I had skipped out with money. I did not read Ex C. I did not hear any rumours that it was an offence. If the pay asked me where I got the money I would have told him the truth.

X ex

Reason I went to Sgt Mercer to get the 700 fr was because I thought people thought I had skipped out with money. So I was going to get the 700 fr and return full amount. I learned 2 or 3 days previously I would be on guard duty that night. Knew from duty roster.

To Court

I had no idea anything wrong with proposal. I thought I could have given par 3700 fr and told him how I got it and would have expected to get 3700 fr new money for it. Reason I only turned in 700 fr was because I overheard you could only turn in 100 fr notes. The 3000 frs was in 2 x 1000 and 2 x 500. I only had 7 x 100 fr notes. Did you see this Ex C on wall. No. I have never seen it; never read it. Somebody told me on Friday 13 Oct that the civilians after that day could not change any more money as it was worthless.

SC

DEFENCE (2)

On 14 Oct when I made the arrangement with the De Baets I again got impression money was worthless to them - or that they could not change it at the time - that's why they gave it to me. It was after I heard Sgt Kerr tell us about last time for changing money that I went to the De Baets place and got the money. I had no intention of getting any money fr m them when I went there. It was the girl who brought the subject up. I did on 14 Oct 44 hand over EX A and B to a Belgian civilian. I did not think it wrong. They had trusted me with money and I expected to be right back. I had forgot about the guard duty - feeling pretty good. With all good faith I thought I could do this. Never thought improper to do for civilians through army paymaster what they could not do for themselves. I did not know reason for currency change. Thought it was allied currency coming out. I did attempt to exchange old Belgian currency to the amount of 700 frs for new Belgian currency for a civilian and attempted to do it through Army pay channels. I knew where orders were posted in Mess Room and usually read them. Sometimes some order is there for 2 or 3 days and you think it is the same one again. I eat at 12 oclock and on 13 Oct at dinner time EX C was not there. I must have missed seeing it that night at supper time. The De Baets and girl did not speak English - not that I could understand anyway. He (De Baets) has got the story partly mixed up. All 3 were talking at once. I thought these people had missed out on changing their money and I could do them a favour. I cannot see that taking 1000 fr for this service is any indication that I had any suspicion about it; anyway I had no suspicion.

Closing address of Prosecutor

Reviews evidence briefly. Submits case made out on First Charges.

Closing address of Def Offr

Accused has stated was not aware it was an offence to exchange money. Did not see order. Posted in bad spot. Order readers would be discouraged by position of board and frequent staleness of orders. Leaving EX A and B with the De Baets shows accused had no guilty mind - otherwise he would not have left hisidentity documents which could have been easily traced to him. Not a bright chap. He acted without knowledge of order. Submits findings of not guilty should be rendered on charges.

J.A. Summary

Function of J.A. Court sole judges of fact. Not to be influenced by J.As. views thereon; onus of proof and benefit of doubt explained. Evidence reviewed. No evidence of speculation.. Emphasized as favourable to accused accused's explanation about non reading of EX C and his frank demeanour as witness and insistence on lack of any guilty knowledge in whole transaction. Explains alternative charge - advises court that, as shown by their questions to De Ruddel, portion of his evidence was hearsay. Elements of conduct to prejudice etc charges. Finding that accused attempted to change currency not sufficient to warrant conviction on alternative charges. Court must be satisfied the was Improper and also to prejudice of Good Order and Mil Discipline must carefully weigh accused's insistence that he did not know anything wrong with attempted exchange. Deals with ignorance of orders fn to AA 11. Difficulty of case. Necessity to weigh evidence carefully and give accused benefit of doubt. Def Offr, Pros Offr and Court have no further points on which they require J.A. to advise.

Plea in Mitigation

Accused was unaware of wrongness of action. Had several drinks -

Plea in Mitigation (2)

was broke and these people showed him how he could make some money. He realizes he should not have handed over EX A and B and pleaded guilty to that but in extenuation - it seemed reasonable to do it as they were trusting him - almost a stranger with a large sum of money.

Good record. No serious crimes. Whole life will be affected by this case and its sentence. Not seriously to blame for failing to see order.

By direction of the Commanding Officer, the evidence is taken on oath.

First Witness

Capt Lanskail, D.A.S., 2 i/c 2 Coy, 1 Cdn L of C Sigs, duly sworn states:-

I am Capt Lanskail, D.A.S. of 2 Coy, 1 Cdn L of C Signals. At approximately 1130 hours on Sunday, 15 Oct 44 I was standing in the mess hall of 8 Cdn Tele Op Section when a Sigmn informed me that there was a civilian at the door who apparently wanted something. I proceeded to the door and saw there a man and woman both dressed in civilian clothes. I attempted to question them in French as to the purpose of their visit. They gave me an Identification and Fingerprint Card (MTM 182) and Soldiers Service and Paybook Parts 1 and 3, belonging to Sigmn DeAubin, which I now produce.

The man, Mr DeBoudder De Baets of the Cafe Georgette, Noordstraat No.5, Ghent said that the owner of the Identification Card and Paybook owed him some money.

First Witness (Continued)

The civilian then said he had given Sigmn DeAubin the sum of 3700 Belgian francs to have changed into new Belgian currency.

Acting on information received, I then asked Sgt Mercer, Section Sgt of 5 Cdn Tele Op Section if he was holding any old Belgian currency to exchange for Sigmn DeAubin. Sgt Mercer said that he was holding 700 francs for Sigmn DeAubin.

On questioning Sigmn DeAubin as to the whereabouts of the money concerned, Sigmn DeAubin produced 3000 francs in bills of over 100 francs denomination and stated that the remainder had been handed over to Sgt Kerr. Sgt Mercer thereupon produced the remainder, 700 francs in bills of 100 francs or over. The money was counted by Major Clement in my presence and I certify the amount as correct.

The civilian stated that he had promised Sigmn DeAubin the sum of 1000 francs for XX his services.

The accused declines to cross examine the witness.

(Sgd) D.A.S. Lanskail, Capt.

The Identification and Fingerprint card (MFM 102) and Soldiers Service and Paybook Parts I and III referred to in the evidence of the above witness are attached hereto as Exhibit "A".

Second Witness

B31005 Sgt Mercer, G.C., duly sworn, states:-

I am Sgt Mercer, G.C. of 5 Cdn Tele Op Section. Part I orders for the unit for the 12 of October was delivered to me on the 13th of October and posted by me between 1330 and 1500 hours in the men's mess room.

On the morning of 14 October, Capt Lanskail instructed me to have collected from the section any further monies to be converted into new currency. I detailed L/Sgt Kerr to carry out these instructions. In the afternoon L/Sgt Kerr turned over to me the monies he had collected with a slip showing 700 Belgian francs against Sigmn DeAubin's name and 200 French francs against Sigmn Ryder's.

The Paymaster had not put in an appearance up to 1600 hrs so I locked the money in the Section Security box. On the morning of the 15th Oct I was called down to Coy office; before going down Sigmn DeAubin came in to the Section office and asked me if I was going to keep his 700 francs. I told him, yes, until I had found out what I was wanted for in Coy office.

In Coy office Major Clement asked me if I was holding 700 francs of Sigmn DeAubin's money. I told him I was, and I was instructed to bring it to Major Clement. On giving it to Major Clement he placed the 700 francs on the desk with other Belgian currency. I then left the office to complete other work.

Cross examined by accused.

Q1 Why did you not give me the money when I asked for it?

A1 Because I had heard from someone in the office that you had been sent for and wondered it if might be in connection with the money as it seemed a large sum.

Q2 What is the sum of money you had in my name?

A2 The sum of money I had in your name was 700 Belgian francs.

(Sgd) G.C. Mercer.

I am L/Sgt Kerr, A, of 5 Cdn Tele Op Section. On the morning of the 14th October Sgt Mercer came to me and said the Paymaster would be coming that day. He asked me to notify the personnel in the section that this would be the last opportunity to have any money changed. Later on in the morning Signn DeAubin came to me with 700 francs which he said he wanted changed, and he was quite prepared to give any explanation to The Paymaster if he was asked for one. With that I accepted the money and turned it over to Sgt Mercer.

Cross examined by accused

Q1 At the time I handed over the money, would Sgt Kerr state whether I had been drinking?

A1 At the time I had no reason to suspect that Signn DeAubin had been drinking.

Q2 Did you not see me in a Cafe that morning, drinking?

A2 Approximately two hours before I received the money from Signn DeAubin, I believe he was drinking a glass of beer in acafe. (Sgd) A.Kerr

On 19 Oct 43 I was in Guildford

told me his name was Pte De Bair.
He had some barber tools and he told
me they were no use to him as he

were his own & he told me they were.
I asked him what he wanted for them
and he said 15/. He showed me
the tools - a pair of clippers,
two combs, a razor and two pair
of shears, what I now produce.
Articles produced & marked A for
identification. I borrowed 15/
from the bar tender, gave it to
Pte De Bair, & took the tools from
De Bair and left them with the
bar tender for security. The next
morning I met Pte Green, a barber,
and asked him if he wanted to
buy the stuff. He said Yes he
would like to get it as he had lost
all his. I asked him what his
stuff was like and he told me &
he asked me who I bought it from.
& where it was and I told him.
I told him I would get it that
night & call at B Coy orderly
room.

Cross Exam: I thought the articles
were De Bairs. I told Green I
had some tools.

I am F 40739 A/Cpl Reddick, E.A., West N.S.R., on the strength of 7 Cdn Inf Rft Unit. On 19 Oct 43 at about 2100 hrs I was in the Little White Lion, Pub, North Street, Guildford, Surrey. I was in there quite a while but it was about that time I met Pte DeBaie, whom I now recognize, this was the first time I had met him. We had a few beers and he started telling me he was on draft or words to that effect, and he had some stuff to sell that was no good to him as it was only surplus. He showed me a pair of clippers, herewith produced as exhibit "A", two (2) pairs of shears, herewith produced as exhibit "B", two (2) combs, herewith produced as exhibit "C", and a razor, herewith produced as exhibit "D", and I asked him if they were his property and he said "Yes", then I asked him how much he wanted for it, and he said, "fifteen (15) shillings", I did not have the money but I borrowed it from the bartender and I gave it to Pte. DeBaie and he gave me the stuff. I left the stuff with the bartender in Guildford until I could get back to camp and get some money. The next morning I went up to see Pte Green who I know was a camp barber and I asked if he wanted to buy some barbers kit, he said, "he did" and he started telling me what the stuff was like that I had and he said, "that is my stuff, it was stolen from me." He asked me who I got it from and I told him I bought it from a soldier by the name of Pte. DeBaie. I did not even show the stuff to him but he gave me an exact description of it all and he hasn't even seen any of the stuff yet. Shortly after this I was called over to the Company Orderly Room and C.S.M. Lynch told me he was going to find Pte. DeBaie. I did not see Pte DeBaie from that night in the Pub until I saw him this morning on Orderly Room Parade.

SUBMISSION BY THE DEFENCE

The defence submit that a charge of desertion has not been established.

Major Miltz stated that he warned the accused that he would proceed forward that Night Oct 22 to rejoin his Unit WYNOT. This evidence is supported by Capt Rice and CSM

Capt Dyer states that the accused did report to an HQ. Therefore he did rejoin his unit in a forward area.

The intent to avoid further forward movement has not been established. The defence submit, that desertion has not been established merely one of simple absence without leave.

DEFENCE: STATEMENT BY THE ACCUSED

I am F51518 Pte Howard Joseph DeSaie WNSR.

Sir on 22nd of October 1944 I was warned by Major Miltz that I would be going forward that night. I got ready that night and went to a forward area. The adjutant at forward area said that I would bed down there for the night. The next morning I got up approximately 0700 hrs. I went to a house a quarter "LFT"/Pres.

of a mile up over the hill to get some vino. I found some vino there and drank there till approximately 1100 hrs. that day, I then came back to forward area and them were all gone. I stayed around that area till approximately 1630 hrs that evening. There was no one around there at the time when I returned back from this private house I was partially intoxicated at the time. I then went back and got some more and left the house around 1830 hrs and from then on Sir I didn't know much about anything I was intoxicated.

"H.J. DeBAIE"

Closing address by prosecution and defence attached herewith.

"LFT"/pres.

(14)

CLOSING ADDRESS BY THE PROSECUTION

Sir, the accused pte DeBaie is charged with desertion in that he after having been warned to proceed to the forward area and rejoin his company absented himself without leave. By the evidence brought out by the witnesses all points of the charge have been substantiated and the prosecution rests with the court to bring a charge of "Guilty".

"PETER WEBSTER" Lt.

LFT/pres

(15)

CLOSING ADDRESS BY THE DEFENCE

The evidence of Major Hilts, Capt Rice and CSM Wynot is immaterial as they only establish the fact that the accused was warned to proceed forward.

The evidence of Capt Dyer establishes the fact of Absence.

The accused states he drank wine for approximately four hours and then returned to an HQ and found them gone.

He could have little idea where his company would be and after waiting to see if some one would come to this area went and drank more wine.

The defence contends that this case is one of simple absence without leave caused by over indulgence in alcoholic stimulants and a movement by his unit unknown to him - and not a case of desertion.

"LFT"/Pres.

(16)

ADDRESS TO COURT IN MITIGATION OF PUNISHMENT.

The accused has served for a period of two years and to this country and joined his unit in the field at Ortona, he served through until wounded on 23 May in the Hitler Line. He returned to his unit in July and served through the Gothic Line and subsequently action. His record shows that he is not a habitual offender. And asks that his record be considered.

PROCEEDINGS.

A.
Order convening the Court

On Active Service, this Tenth day of October, 1942.

Whereas it appears to me, the undersigned, an officer in Command of 5 Canadian Infantry Brigade, on active service, that the persons named in the annexed Schedule, being subject to Military Law, have committed the offences in the said Schedule mentioned.

And whereas I am of opinion that it is not practicable that such offences should be tried by an ordinary General Court Martial:

* Omit where Convening Officer is a Commanding Officer or is of Field Rank

I hereby convene a Field General Court Martial to try the said persons, and to consist of the Officers hereunder named.

In my opinion, military exigencies, namely, the dispersion of units, and difficulties of communication and other difficulties render it inexpedient to observe the provisions of those rules inconsistant with Appendix "A" to D.R.O. 772 on the trial of the person named in the annexed schedule.

clear and he could hear him stop a few doors up and knock at a door.

On the way, one Pte De Berry and myself went out towards are trucks. On the way, one Pte De Berry and myself went out towards are trucks. On the way, one Pte De Berry and myself

IV (m) Q Was the pub closing when you left?
A Yes, Sir.
Q How many beers did you have?
A About two.

Questions by the defending officer: (Cross-examination)
Q What time would you say you left the pub?

Q When was the first time you saw the provost?
A I noticed on the way to light a cigarette and then the provost flashed his light on me and asked if I had urinated. I said no. He then took my particulars and said: You will hear of this.

(n) The prosecuting officer makes a closing address:
Private De Berry has elected to tried by Court-Martial
Two provost have given their evidence and there is no reason to think that their story is not true or in error. It is not the job of the provost corps to attempt to indoctrinate men, merely to report breaches of discipline when they find them. There is a wide discrepancy in the evidence given by the provost and that given in the defence. There is also a difference in details between evidence of Pte De Berry and Pte Torrance in that one saw only two provost and the other thinks he saw four or five. Furthermore, Pte. De Berry says that he hesitated and that Pte. Torrance was not quite with him at the time the provost spoke to him. Pte Torrance has also given evidence that he was not close enough to hear the complete conversation. There is therefore, some reason to doubt whether Pte. Torrance is actually able to give a complete account of the actions of Pte. De Berry at the time. Due to these discrepancies, I think the court must consider the statement of the provost at their face value.

(o) The Defending officer makes a closing address:

In the statement of these men made under oath is that one saw two, the other thought he saw four Provost. On the other hand, L/Cpl. Thompson stated that he flashed his light on the accused and the accused was urinating. L/Cpl. Chapman states that he did not see the accused urinating.
I request the Court to consider the facts that there are four sworn statements, two of which, the accused and his witness are based on the fact there were a number of soldiers in the street at the time the occurrence took place; which is probable but unusual due to the closing of the pubs at that time and the arrangement of these people along the streets in question, and the statement of the witnesses for the prosecution that there were no persons with them or the accused and that it was very quiet.
I then ask the Court to dismiss the case.

(p) The Court is closed for the findings.

SUMMARY OF EVIDENCE

In the case of E.100170 Private Charles Aime DEBLOIS, a soldier of the Royal 22e Regiment, Canadian Army Overseas, On Active Service.

By direction of the Commanding Officer this Summary of Evidence is taken under oath.

1st Witness; For the prosecution.

Captain J.B. Jalbert, Royal 22e Regiment, having been duly sworn states:-

" I am Captain J.B. Jalbert, R.22e.R. On the 7th January 1944, I, Captain J.B. Jalbert, was O.C. "HQ" Company of the Royal 22e Regiment and in charge of the "B" Echelon. At about 1000 hours on the 7th January 1944, I had a parade of soldiers A.W.L. I explained them the situation that now they have had a night or two of good sleeping and a good rest they were to go back to their respective company. I told them that their absence will be judged by their Company Commander but I was now giving them a definite order to get in the truck and rejoin their company at the front line; if they refused now they were refusing to obey an order given by a superior officer according to the Military Law. I then called each name and gave to each one the order to get in the truck, when I called the name of the accused Pte DEBLOIS C.A. whom I now recognize, the accused answered " I don't go" or words to that effect. After I had organized those who were going back, i.e. at least five minutes later, the accused still refused to go and did not go. He was then put under close arrest.

The accused declines to cross examine the witness.

I then called each name and gave to each one the order to get in the truck, when I called the name of the accused Pte DEBLOIS, C.A. whom I now recognize, the accusedanswered "I don't go" or words to that effect. After I had organized those who were going back, i.e. at least five minutes later, the accused still refused to go and did not go. He was then put under close arrest.

Closing statement of prosecution
in case of M74017 Pte Duc, J.

Pte Duc has certainly brought to
the attention of the court a story
strong in human interest and appeal
but I must ask the court not
to be too influenced by it. The
fact still remains that Pte Duc
did go AWL from the Canadian Army
and had he not been in a position
Europe he had no legal right to
be in & would not have been
apprehended and held in custody
by the Russians.

Furthermore there is no
corroboration of his statement,
nor is there any possibility
of obtaining any.

Reply by Defending Officer

The prosecution has introduced simple documentary evidence and I do not contest this evidence as such but by the sworn evidence of the only witness, the accused, which we must accept as fact. It would appear that accused was held against his will and therefore cannot be considered to be absent for the entire period in charge. Further, the circumstances surrounding his absence should, I think, influence you in the judgment on the remainder of his time of A.W.L. His record of service is outstanding as has been brought out in his evidence. His conduct previous to this has been exemplary.

This soldier who is a pole had his mother ~~and~~ sister & a brother in Poland from whom he had no word for a long time.

He had an uncle in the Polish army who was a Colonel So he tried to see him in order to get word of his family

He had a three days pass so he proceeded to the polish sector to see his Uncle but unfortunately his uncle had moved. so he tried to locate him but could not. So being very worried about his people he decided to go to Poland.

By devious means which took some time he arrived in Poland. His worst fears were borne out his sister & brother had been killed by the Germans and his elderly mother was ill and starving He tried to do what he could for his mother but unfortunately he was picked up by the Russian Provost and he was held under close arrest for a period of 5½ months.

He managed to escape and returned via the America Zone to the Polish Zone where he surrendered himself to the Polish Provost He has not had any word of his mother since

Consider the forgoing gentlemen wisely. This soldier has suffered enough for his crime It seems sad to ~~objudge~~ work a man as a criminal because of his interest in the welfare of his family and it is certainly borne out that he was not worried without reason

Therefore ~~gentlemen~~ sir I would request P.T.O.

That consideration be shown the soldier and as light a sentence as possible be imposed.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]

(*1. RP* 35 *fn* 3. *2. MML p* 54 *para* 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused: Do you wish to make a statement? Ans ..... [5]

B3. The Court considers that the plea(s) of Guilty is (are) proper.[1] The Court decides (not) to advise accused to change his (their) plea(s) of Guilty to Not Guilty on the charge(s). The accused is (are) so informed, and the proceedings with respect to the charge(s) to which the plea(s) of Guilty is (are) recorded will be continued as provided in Part I of the Schedule in consecutive proceedings.

(*1. Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.[1]

(*1. RP* 25(*B*). *If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ..... initialled and read aloud by the President.[1]

(*1. If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras* D1 *to* D8 *inclusive of Record Form D on p* 3. *RP* 37(*D*).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

C1. As to the charges on which accused pleaded NOT GUILTY the trial is continued by using paras D1 to D8 inclusive of Record Form D on p 3 before proceeding with C 2.[1]

(*1. RP* 37(*A*) (*E*).)

C2. The charges on which accused pleaded GUILTY are read to him (them) again, and the trial is continued by using paras B1 to B5 of Record Form B above.[1]

(*1. Under B5 such parts only of the Summary of Evidence are read as relate to the charges dealt with under C2. If any plea is changed to Not Guilty, trial thereon proceeds by complying with paras D1 to D8 inclusive in Record Form D on p 3 and making an appropriate record thereof on a separate sheet.*)

C3. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

NB. If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (*RP* 80(*C*), 114, 115.)

D5. President to accused: You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

STATEMENT OF EVIDENCE BY B147173 Rfn DUNCAN G
On 5 Feb 45 I was employed as Regt'l Police 11 CBR Bn I w s detailed that morning to go as escort with prisoners drawing rations. The ration party consisted of six prisoners and three escorts.
On return from the kitchen we went up the stairs leading from the kitchen we went up thestairs leading fron the kitchen to the second floor. We passed through a mess hall and then into a hallway. Close to theentrance of the mess hall there is a staircase leading down to the main floor.
I was at the rear of the party on the return journey. As we were passing the staircase leading to the main floor one of the prisoners who was helping to carry a dixie of tea, let go the handle and ran downstairs. I ran after him but because it was dark and because the staircase was crowded with men coming and going from breakfast I lost him. I later found the man missing to be Pte Decaire.

Plea in Mitigation ... ed.

Sir: I joined the army 16 Jun 41. My intention at the time was the best. I joined the RCR. transferred to Camerons of Ottawa. then I was in equip and repair with CH of O. Some of us were sent to CBRG and they sent me to Lake Sup R. from 2 CBRG. I was paraded before C.O. of the Lake Sup R. and asked him to send me back to the CH of O because I thought the 4th Div would not see action for a while. The Col refused my request and told me to soldier in the Lake Sup R which I have tried my best to do. I came to France before the LSR and joined the Regt at Falaise. I fought from Falaise to Holland then while LOB I got news from home saying that 4 of my cousins were killed. I also got news that my mother was dead. Then my grandfather died too. There I still remained there for awhile until I was not having any more news from home which I know now because some of my friends told my lady friend that I was dead. The news got home and they stopped writing. When I didn't receive any more letters from home I thought my mother and cousins and I figured that there was nothing much left to go back to Canada for. The day before I was sent out LOB I was in the front line and quite a few of the boys got killed, some tanks knocked out and so on. Our Major from the Grenadier Gds got a hole in the head then I lost my head and I was sent out LOB. While LOB I thought of home and everything that had happened and I took out.

When I was AWL I started thinking what my father used to say to me. I thought of my father who was a good soldier in the last war. I didn't want him to know what I had been doing. I knew at the time that the war in Europe was finished. But I thought if I joined for Burma before they catch me up that it would re-establish me. Then I turned myself in to the Leopold Barracks at Ghent. I told the Sgt Maj that I was AWL and asked him where the guard room was. He asked me how long I had been gone. I told him around four months. so I started to work there. Then 2 CBRG moved to Holland. I was left with the rear party. Two days after 2 CBRG was in Holland I was sent up to Nijmegen with an English truck. I reported to theBOR that I was sent there by the Rear Party in Leopold Barracks. They told me to report to 4 Coy which I did. Then I was transferred to 6 Coy, back i nto 4 Coy and then to 2 Coy.

Major Purdy was i/c 2 Coy at time. I asked him if I could sign for CAOF or CAFF. Then the Sgt told the officer that all the papers were through already. So he asked me if I would want to go home. with 1 Div. I told Him I didn't want to go home I wanted to go to CAOF to make for the wrong I had done. I told him I was a qualified shoe-maker and equip repairer. I went to the BOR and I was told there was a vacancy for a shoe-maker. I was paraded to Maj Purdy and asked for job as shoeman. So they put me on staff as Bn shoe maker. I was supposed to remain there till the papers came through for CAOF. Then this Regt found out I was in 13 Bn and told them I was A.W.L. Then they looked me up and brought me to Lake Sup R.

That is about all sir.

I would like to add I would like to go to C.A.O.F.

I am 24 years of age.

I was wounded by a V1 in Antwerp in Feb. The wound stripe was issued to me at 13 Bn. I have one brother in the marines. I have five sisters. My father was in a M.G. Bn in last war.

I was wounded in chest, eye, nose, head.

When I was away I went to civilian people that i knew when I was fighting.

I like the L.S.R. I knew a few in C H of O.

I went to front line to fight with rest of the boys leaving my equip-repair job but they did not drop my trades pay.

I feel that I deserve my punishment and will take any punishment.

I don't blame the Army for the spot I'm in now - It is my own fault.

Please mistrigal not be accused.

Sir - I joined the army 16 Jul '41. My intention at the time was the best. I joined the R---R - transferred to Cameron * Highlanders - there I was in guard, repairs and C (A of O. Some of us were sent to CBT 2 and they sent me to Base Sup. R. from 2 CBT 2.

I was attached before Col of Base Sup R. and asked him to send me back to the C (A of O. because I thought the 4th Div. would not see action for awhile. The Col. refused my request and told me to soldier in the Base Sup R. which I have tried my best to do - I came to France before the 5th and joined the Regt at Calais. I journeyed from Calais to Aldershot there while not 1 got news from home saying that 4 of my cousins were killed. I also got news that my mother was dead. Then my grandfather died too. Then I still remained there for awhile until I was not hearing any more news from home which I knew must because some of my friends told my lady friend that I was dead. The news of home and they stopped writing. When I ceased receive any more letters from home I thought all of my mother and cousins and I figured that there was nothing much left of my back in Canada for. The day before I was sent out 103 I was in the front line and quite

Ewd

a few of our boys got killed - some Tanks knocked out and so on. our maj. from the Grenadiers Yds got shot in the head then I lost my head and I was sent out to OB. While OB I thought it home and every thing that had happened and I took out.

When I was out I started thinking what my father used to say to me. I thought my father who was a good soldier in the last war. I didn't want him to know what I had been doing. I knew at the time that the War in Europe was finished. But I thought if I joined for Burma before they called me up that it would help me re-establish me. Then I turned myself in to the Depot Barracks at Trent. I told the Sgt maj. that I was sick and asked him where the guard room was. He asked me how long I had been gone. I told him about four months. So I started to walk there. Then I CBR I moved to Holland. I was left with the rear party. Two days after I CBR I was in Holland. I was sent up to Nijmegen with an English truck. I reported to the BOR that I was sent here by the Rear Party in Depot Barracks. He told me to report to 4 Coy which I did. Then I was transferred to 6 Coy, back into 4 Coy & then to 2 Coy.

Ed

maj. Purdy was c/c 2 corps at time
I asked him if I could sign for C A O F
or C A A F. Then the Sgt. told the Officer
that all the spaces were then already. He
hoarded me up towards Ogo home with
the Div. I told him I didn't want Ogo home
I wanted to go to C A O F to make up for the
wrong I had done. I told him I was a
qualified shoemaker also and again repeated
I went to the B O R and I was told there was
a vacancy for a shoemaker. I was paraded
before maj. Purdy and asked for job as shoeman.
He then put me on duty as the shoemakers.
I was supposed to remain there till the
papers came thru for C A O F. Then this Sgt
found out I was in B Pln and told them I
was sick. Then they called me up and
brought me to hold keys K.

That is about all Sir.
I would like to add I would like to go
to C A O F.
I am 24 years of age.
I was wounded on 21 in Sept near Arleux.
The wound stripe was issued to me at B Pln.
I have one brother in the Marines. I have five
sisters. My father was in the U. S. Army in
last War.
I was wounded in chest, eye, nose, head.
When I was away I went to civilian doctor
that I knew where I was fighting.

End

I like the U.S.A. I knew a few in C.H. of D.

I was Proud. time to fight with next by
the boys leaving my equip. my air job but
they did not drop my Trades pay.

I feel that I deserve my Amusement and
will take my Amusement.

I don't blame the Army for the Deal I'm
in now- It is my own fault.

Statement of evidence in the case of D77746 Pte. Decarie, R.F.

On the 21st Dec 44, I was acting in the capacity of Guard Commander of 58 Fwd. Rft. Coy, 15 C.B.R. Bn.

I had under close custody the above mentioned soldier.

At approx. 2130 hrs 21st Dec 44, the electric lights went out I immediately lit a horrande oil lamp. Approx. 10 minutes later the lights came on again. It was then I discovered one of the prisoners, Pte. Decarie R.F., had escaped. I immediately took out four of my Guard and searched the building and the grounds for him. I did not find any trace of him, so informed the C.O.'s. the next morning at approx 0930 hrs 22nd Dec 44, that Pte. Decarie had escaped.

"On 5 Feb 45 I was employed as Regt'l Police 11 CBR BN. I was detailed that morning to go as escort with prisoners drawing rations. The ration party consisted of six prisoners and three escorts."

"On return from the kitchen we went up the stairs leading from the kitchen to the second floor. We passed through a mess hall and then into a hallway. Close to the entrance of the mess hall there is a staircase leading down to the main floor."

"I was at the rear of the party on the return journey. As we were passing the staircase leading to the main floor, one of the prisoners who was helping to carry a dixie of tea, let go the handle and ran downstairs. I ran after him, but because it was dark and because the staircase was crowded with men coming and going from breakfast, I lost him. I later found the man missing to be Pte Decaire.

Plea of Mitegation for L103156 Rfn Lecharm E.

The accused has had over two years service and has no entries on his M F M 6. He has been in action with his Regiment since June 6 of this year and has a very good record as a fighting man in the field. His action in going A.W.L. came as a surprise to N.C.O's and Officers.

I would just like to point out to the Court that Rfn Lecharm surrendered voluntarily to the authorities and in pleading guilty has obviated the necessity of stores or escort for his return. He has conducted himself in a straightforward and upright manner. He has conducted himself well during his time after the 27 of November 44.

First Witness for Prosecution: Signina Gallone Colonja, Via Dal Boschetto, no 27, Rome, Italy, having been duly sworn, states:

I operate a pension at no 27 Via Dal Boschetto, in Rome. On the night of 29/30 Nov 44 the accused came into my house. He had been there for 5 days and had behaved quite well until then. That night he came home around 2 oo hrs and he was in a state of drunkenness and he went into his room and I heard shrieks as though a quarrel was going on. That is all I can say because I wasn't in the room and I only heard the furniture being smashed. After this the accused beat at my door. I opened the door and I accompanied him out so he could [illegible] some fresh air. While we were going out the hotel cook told him any [illegible] furniture that was smashed was in the room the accused occupied. I was shocked when I saw the furniture of the room was also damaged. The amount of the damage was approximately fifteen thousand lire. The accused occupied this room with 2 nine rounds, both soldiers. It was the accused who damaged the furniture. His 2 friends were already in bed when he came home. The accused came home by himself. He was very drunk and I helped him up the stairs.

CROSS-EXAMINATION: The accused did not struggle with me at any time. I am certain all the damage was done on that night. I was in the room that same night at about 2000 hrs to close the blackouts and at that time everything was in perfect order.

Second Witness for Prosecution: F 54668 Pte. Hughes James Murphy, No 3 Coy C Pro C, having been duly sworn, states:

At about 0030 hrs on 30 Apr 44 I received a complaint as a result of which I proceeded to No 27 Via Del Boschetto, Rome. On arriving at the address I was escorted to Room No 4 on the second floor where I observed considerable damage to furniture in the room. The accused was coming out of the room as I was going in. As a result of information received from the lady in charge of the house I placed him under arrest and escorted him to the Central Guard room in Rome. He had been drinking. There was a wardrobe in the room with a mirror door size 4 ft by 2 ft. This had been wiped off and the glass completely smashed. The head of the bed had been wrenched off. The leather of one chair was slightly chipped and the arm of another chair was slightly warped and the joints of the 2nd chair were loosened. Only pans were left in the chairs. There was a crack in the panel of the door in the room.

CROSS-EXAMINATION: The accused did not actually fight with any of the persons injured so far as being in custody is concerned.

FIRST WITNESS FOR DEFENCE. M48160 Pte John DIXON, The Royal Edmonton Regt, having been duly sworn, states:

I was in bed in the room on the night. I had not yet gone to sleep. The accused came in. There was no light on in the room when he came in. I heard him fall or stumble on a chair or something and I got up to put on the light. When I got the light on I could see the accused was on the floor. He was under the influence of liquor. I saw him pull himself up by getting hold of the corner of the bed. The accused then proceeded to the furniture, where he got up off the floor and stopped around the room. He is a very big fellow and he knocked over the wardrobe, when I put the lights on. He then proceeded to the beds, smashing the wardrobe. He did not deliberately break any furniture.

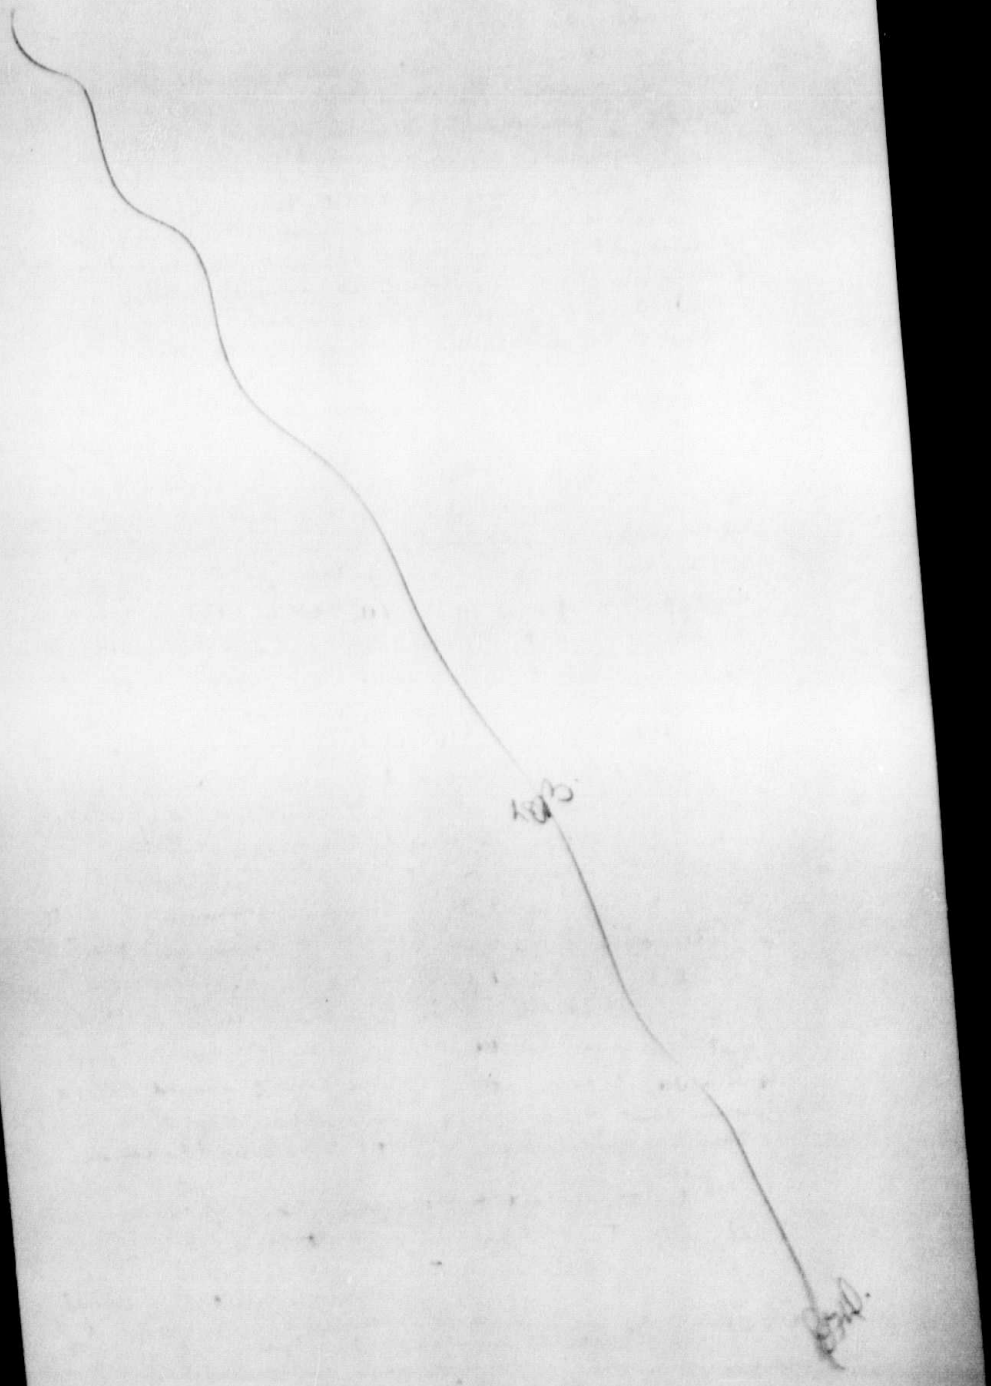
L.S.

FJCM - M 16019 Pte Joseph Edward DECOINE, 1 R.R. 27 Feb 45

Summing up by J.A.

The Court should accept my advice on all questions of law arising in this case. The Court, however, are the sole and only judges of all questions of fact arising in this case.

The accused must be presumed to be innocent until proved guilty beyond a reasonable doubt. He does not have to prove his innocence. On the contrary the onus is on the prosecution to support the trial by proving that the accused is guilty beyond a reasonable doubt. A reasonable doubt is an honest doubt remaining in the minds of the Court after carefully considering the evidence, with their minds entirely freed of any possible information concerning this case & the accused which may have come to their notice. If their is a reasonable doubt, the accused must be found NOT guilty.



In order to justify a conviction on the first charge the Court must be satisfied beyond a reasonable doubt that the damage was caused maliciously. What constitutes malicious damage for the purposes of this charge is defined in para 74 Ch VII, MM&A p 127 which I will now read to the Court (Read all of para 74) The question of fact for the Court, and the Court alone to decide with respect to the first charge is, was the damage to the furniture caused by the wilful negligent or accident, as distinguished from the doing of an act by the accused which he knew would probably cause damage or was reckless whether he causes the damage or not.

With respect to the question of the degree of ~~drunkenness~~ the state of intoxication of the accused, this again is a question of fact for the Court to determine on the evidence. With respect to drunkenness as a defence I read to the Court para 8 Ch III, MM&A p 25 and also para 9 Ch VII, MM&A p 106. If the Court should be of the opinion that the accused was so drunk as to be unable to form the necessary intent he should be found not guilty.

With respect to the second charge, this is purely a question of fact for the Court and it is for the Court decide whether the facts alleged in the charge ~~if established do in their opinion constitute conduct to the prejudice, etc, discredit~~ of conviction and punishment To repeat the accused must be presumed innocent until proven guilty beyond a reasonable doubt. The prosecution is under the onus of proving the guilt of the accused beyond a reasonable doubt.

In answer to a question by the A the prosecutor stated that there were no entries to be drawn up

Upon inspection of the Conduct Sheet of the accused (F+B) the J/A advises the Court that the accused having completed 2 years of continuous service between 21 and 45 and has (2) [illegible] his Conduct Sheet, a fresh Conduct Sheet should be prepared under QMR to QR vide AO 319 as amended by O.R. and so to the award preferred to the accused the Court in awarding sentence should deal with the Conduct Sheet as though a fresh Conduct Sheet had been prepared accordingly.

Via Del.Boschetta, No.27 Rome.

Who states;-

To the Canadian Military Police of Rome.

The undersigned Galloni Elvina, widow Colanzi owner of the wine store on Via del Boschetto n.27 second floor apt.4 is reporting the following facts:

Yesterday evening at 11 o'clock came home the M 16099 Pte. DECOIRIE J.E. which had taken a room for 6 days with two other soldiers of the same regiment.He was drunk but judging from his appearance no one could suspect any harm,but going into the room where the other soldiers were at sleep he started to throw on the floor all the furniture making all the sounds like a mad man and the undersigned with her little daughter locked herself in her own room because she was scared to death and besides she has the daughter very ill.

One of the soldiers saw that ## was impossible to calm his companion so he ran out to call for police help,and he came back with police and arrested the mad man.

Going into the room rented to the soldiers she found the following furniture damaged:

1.Big wooden closet with mirror of old stile.
1 Honeymoon bed in wood.
1 Easy chair and two chairs and the door of the room.

From an estimation of the damages the prices are as follows:
For the closet with the mirror.....Lires 8,000
For the bed and other things..... " 4,000

Being that the undersigned has no means of leaving and considering that she has four children to support,she asks to be refounded for the ###### material and moral damages.

RE J. R. DeCosta C75506

Mr President members of the court

I ask the court to be lenient in the case of Pte DeCosta he is of good character, has a clean crime sheet, allways showed willingness in obeying orders.

He has been in action for approximately two months, he landed on D day and S.D.G. and kept at it until he got wounded in Falaise.

Pte DeCosta last leave was in August 1943 for some reasons or other his permissions were put aside, it gave Pte DeCosta the idea that he was mistreated in the army. - for a strain of two months in action, he left not knowing the gravity of his act - I hope the court will consider these facts and bear in mind that Pte DeCosta can still serve his country by rejoining his unit again. I am sure he could be of great use to day.

Thank you

PLEA IN MITIGATION OF PUNISHMENT

RE: J. R. DE COSTE C-75505

Mr President, members of the Court.

I ask the Court to be lenient in the case of Pte DE COSTE because he is of good character, has a clean crime sheet, always showed willingness in obeying orders.

He has been in action for approximately two months, he landed on D day and keep it up until he got wounded in Falasie.

Pte DE COSTE last leave was in August 1943 for some reason or other his permissions were put aside, it gave Pte DE COSTE the idea that he was mistreated in the army. After a strain of two months in action, he left not knowing the gravity of his act. I hope the Court will consider these facts and bear in mind that Pte De Coste can still serve his country by rejoining his unit again. I am sure he could be of great use today.

I thank you

" H. Forest " Lt.

My duties on the 13-12-43 I was ward orderly on Center 2;in the morning approximately 0900 hours where the accused was a patient He was ordered by Nursing Sister Lucas to take off his battle dress and put on his hospital blue uniform; this I heard and heard him refuse to do so [redacted]. Gnr. DeCoste took the blue pants as if he were going to put them on but in a few minutes when I returned I found that he had not obeyed the order and that he was still in battle dress. I again ordered him to change but he refused to do so.
I then went down to L/Sergt. Evans and reported. L/Sergt. Evans returned and I heard him order the accused " Take off your battle dress and change into the blues or I shall arrest you right away".

RCASMC, No 5 Canadian General Hospital having been duly sworn states: At approximately 1030 hours on the morning of 13 Dec 43 Pte Rosengren came in to my office and asked me if the Colonel had given the accused permission to wear his Khaki. I said that he definitely did not. He stated that the accused had again refused to put on his blues so I detailed L/Sgt Evans to accompany Pte Rosengren back to his ward and see that the accused put his blues on or he would be put under close arrest.

The accused declines to cross examine the witness.

4th Witness for the Prosecution

H 33045 L/Sgt Evans, A.J., RCASMC No 5 Can General Hospital having been duly sworn states: On Monday 13 Dec 43 at approximately 1030 hours I was on duty in the Sergeant Major's office when Pte Rosengren the orderly from Ward Centre 2 came in to the Sgt Major's office and lodged a complaint against a patient on Ward Centre 2 Gnr De Coste, by name. The Sgt Major ordered me to accompany Pte Rosengren to Ward C 2 and ascertain the nature of the trouble. On arriving there Pte Rosengren

pointed out Gnr De Coste to me stating that this patient had refused to wear hospital blues. I approached Gnr De Coste and told him to take off his serge and put on hospital blues and turn the serge over to the orderly. Gnr De Coste got up and approached his bed and picked up the hospital blue pants and acted as if he were about to put them on. Pte Rosengren then came to the corridor of the ward with me and I told him that if he had any further trouble with this patient to let me know immediately and that I would be back in a few minutes to check.

I came back to the ward in approximately 3 minutes time and found the blues lying on Gnr De Coste's bed and he was sitting at another bed playing cards or checkers. I then asked him why he had not put on his blues when ordered to do so and he said that he had no intentions of putting on hospital blues. I once more ordered him to put on his blues and he refused again saying "I won't put on no hospital blues and I want to be paraded to the O.C." I put him under close arrest and ordered him to the guard room. When I was taking Gnr De Coste from the ward I met the Sister in charge and told her that I had placed De Coste in close arrest and was taking him to the guard room because he had refused to put on his blues. Gnr De Coste said "I will not wear hospital blues and the only time I will wear them is when some body puts them on me." I then took him to the guard room.

The accused declines to question the witness.

A.J. Curran Sgt.

The accused was cautioned as follows:

"Do you wish to make a statement or to give evidence upon oath? You are not obliged to do so but any statement you make or any evidence you give upon oath will be taken down in writing and may be given in evidence."

The accused declines to make a statement or to give evidence upon oath.

I certify that the foregoing Summary of Evidence consisting of three and one half pages was taken down by me in writing in the presence and hearing of the accused and that Rules of Procedure 4 (c)(d)(e)(f) & (G) have been complied with.

25 Sept 44

Mr. President,
Gentlemen of the Court,

Private Dee, M. has pleaded guilty to the offence as laid down in the charge, but there are a few points that, I think, should be brought out clearly before sentence is passed on him.

I) The accused has been in the army for a total of 4 years and 2 months.

II) The accused has been in action in France where he was wounded.

III) The accused wants to go back in action now.

IV) He was never in detention.

V) The accused has surrendered himself to the police.

VI) On his return from the hospital, the accused wanted to return to France immediately with a pletoon of his unit who were going back, but he was unable to do so because he had to be X-rayed. This I have checked with the M.O.

VII) I want to point out to the court that the accused hasn't had any letter nor parcel from his folks for 18 months though he is sending half his pay to them. That again, gentlemen, is not good for the morale of a man who has been in England for 3 yearsit certainly has something to do with his going A.W.L. I have checked this matter with the post office and found it to be correct.

VIII) His M.F.M. 6 shows that in 4 years he has been A.W.L. five times for one day only and once five days. Is this serious, gentlemen? Is this the case of a recidivist? I would say no, gentlemen. This is the case of any ordinary soldier.

Gentlemen, may I say this: The accused is fit and q ualified to go in action, he is anxious to go now or at any time that the army will send him; now I asked you, gentlemen, have you known many privates who have been in the army for 4 years who haven't had an accident of this kind, because I feel it is only an accident. Gentlemen are you going to punish a soldier, a man that has been doing his duty for 4 years, a man who has been wounded in action. Are you going to punish him severely or are you going to give him a chance to go backwardly and fight again for his country the way he wants to do. When this fighting soldier, gentlemen, will be able to fight again rest with the sentence you are going to pass on him.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. RP 35 fn 3. 2. MML p 54 paras 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans. NO.(5)
(1. RP 37(B). 2. RP 37(D) fn 6. 3. RP 35(B) fn 3 para 3, MML p 54 para 47. 4. See para E3 of Record Form E. 5. Statement, if any, recorded per Notes.)

(1. Court may be closed to consider the statement. Delete whole or part not used.)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.)

B5. The Summary of Evidence is marked Ex C, initialled and read aloud by the President.(1)
(1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D--PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence? NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (RP 60(C), 114, 115.)

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

1st witness for the prosecution

H55248 Pte Beavis G. 2 Can L of C Pro Coy being duly sworn is examined by the prosecution.

On 1 Feb 45 about 1800 hrs I was on duty at Maple Leaf Club in company with A/C Bisonette a civilian came in and gave us certain information as a result of which we went with him to Rue St Lazare, Brussels. We pointed out a soldier walking up the street. We approached soldier and asked him for his pass. That soldier is the accused. I searched him and found a bottle of cognac on him and an automatic pistol in his right hand trouser pocket. I produce the pistol marked exhibit "A". The magazine is loaded and was at the time I took it from the accused. I produce the bottle of cognac taken from the accused marked exhibit "B". The accused had been drinking. He was placed under arrest by A/Cpl Bisonette and myself.

Cross-examination

In my opinion the accused was drunk. I checked pistol when I found it on the accused. There was no round in the chamber, I checked the accused's papers but not his wallet.

By the Court

Accused had bottle of cognac in front of his trousers.

The accused was 2 or 3 door up the street from cafe in question about 25 feet. from the entrance.

R.P. 83(8) complied with

2nd witness for the prosecution

Karel Goossens, farmer, 92 Rue de Legrand, Brussels being duly sworn is examined by the prosecution.

The soldier came in the cafe and was a little bit drunk. That soldier is the accused. I don't remember the date it was about 1800 hrs. The accused asked for a bottle of cognac. I always had a bottle of cognac from my father so I gave it to the soldier. Then he showed me his revolver. I called out to my friend. I saw revolver exhibit "A" with the soldier. "The witness demonstrates how the accused held the revolver in his right hand, under ~~his~~ left arm and muzzle pointing towards him After accused pointed pistol at me he slowly went backwards. My comrade was with me when soldier went backwards. My comrade came in Orlator. My comrade called a sgt. The sgt came and put his foot in front of the door. The accused and sgt spoke to each other but I did not understand what they said. I was behind the counter. The pistol was in his pocket when they were talking ~~I told the sgt to open~~. The together.

soldier told the sgt to open the door. The pistol was in the accused's hand then. They sgt then opened the door. The accused went out into the street. He went into the next cafe. The sgt and my comrade then went for the police. They came, and the accused was in the street when the police came. The police grabbed hold of the soldier. They asked accused to give them the bottle of cognac. He did not want to hand it over so they took it off him, and also took pistol from him.

Cross-examination

AB I had gone out to do some shopping and therefore I was ~~not~~ in my normal occupation while in Brussels is serving behind the counter. I had been in Brussels 3 weeks before accused came into cafe. I was employed in my mother's cafe. I cannot be too certain that exhibit "B" is the bottle of cognac I gave to accused. I gave the accused one bottle of cognac. I didn't have the time to ask accused for the money. My friend Victor told the sgt that accused was stealing a bottle of cognac. I did not. AB Naturally I told Victor he was stealing a bottle of cognac. The accused did not put the pistol in his pocket when he started backing towards the door.

Re-examination.

(DF

DB The accused pointed the pistol at Viktor, when he was again at the counter and the door (The witness demonstrates to the Court). I put the bottle of cognac on the counter I never handed it over to him. Before I gave him the bottle I told him the price. I did not give him permission to take the bottle out of the cafe.

By the Court

The accused did not show or produce any money while he was in DB the ~~cafe~~ store. On the doorstep he put the pistol in his pocket. It took Viktor about 5 min to get the police. I did not see accused come out of cafe past door but somebody called me from DB inside of cafe. I saw the police take the bottle and pistol from accused on the street. I don't know the sgt who was in my place. I think he was a Can soldier. I did not see him again.

RP 83(8) complied with

Viktor Zettler, witness who gave evidence at the summary of evidence is not now available and the defending officer does not require this witness for cross-examination.

Motion by the defending Officer

I submit that the evidence submitted by the prosecution does not establish a prima facie case in any one of the

first three charges. The evidence indicates that accused was in such a state that he was incapable of forming an intent. There is no evidence of force used, nor is there any evidence of intent under the circumstances. I submit that the first three charges should be dismissed. (Defendon Affair referred to Chap VII MML p 104, 113, 118, sec 9, 34, 50.

Defending Officer Closing address

The prosecution did not prove that accused was in unlawful possession of this bottle of cognac. It cannot be identified by the owner. The charge of pointing a pistol it was not loaded, because it would have to have a round in the Chamber and ready to fire. The man was intoxicated with drink and does not remember anything that happened. I refer you to sec 78 p 25 MML as to defence and effect of drunkenness. There was no knowledge or intention, ~~[illegible]~~, on the part of the accused as far as his acts are concerned. He was unable to form an intent necessary to commit the crime of this condition. I ask you to find him not guilty on the first 3 charges.

The accused has been confined in the guard room from my own direct his arrest. In my capacity as N.C.O. i/c guard room, on a number of occasions, even at least, I had opportunity to observe the accused and his actions. I found him at all times to be a very willing worker, very steady and even though under arrest using all the means he could to keep the remaining soldiers in the guard room quiet and orderly. I found him by nature to be very quiet. On numerous other occasions outside of my duties I came in contact with him and on all these occasions I found him to be very willing, industrious and he tried in every way possible to assist us in the smooth running of maintenance of discipline in the guard room. He has been allowed a great deal of latitude in his movements during the course of working hours in the guard rooms, and at no time did he try in any way shape or form to escape or take advantage of this latitude.

Plea in mitigation by the defending Officer

The accused soldier is a soldier of Can Army Active Force with 4 yrs service. He enlisted Mar 41 in Canada came O/S in Sep 41 with 2 H AA Regt He served in England in air defence of Gt Britain, against German bombings He has always well and truly served his country as his conduct sheet will show you, but for one minor offence, we can say that he has a clean sheet. In Jul 44 he came to continent with his unit and served with them as Fd Arty in Falaise Gap show and afterwards went with them to Dunkirk where he has been for the last few months At end Jan 45 he got his first leave since he has been here and came to Brussels. Like every soldier he wanted to celebrate his freedom and had a few drinks but he took a few too many and got intoxicated. In his drunkenness he did things that he regrets now and always will remember and he is always willing to start all over again on the right foot. He has told as the character witness has brought to your attention to prove that even though he has made one mistake he is still willing to be a good soldier and of course the

Prosecutor's Closing Address

Mr

Sirs, the Court has heard sufficient evidence
I'm certain to prove these points on all charges;
the place, date, & approx time. On the first
charge it has been proven that the accused
actually did point his pistol at the Mr
Lotlin, I'd might add that the demonstration
witnessed by this Court, establishes this
beyond any doubt.

On the second charge, again Mr
Gaasens swore that the accused positively
identified, pointed this pistol at him & he
was frightened. It has been shown
that there was a round in the pistol
at the time of the offence, or at any rate
there was when he was arrested. At
any rate both Mr Lotlin & Mr Gaasens
assumed the pistol was loaded.

On the third charge it has been proven
that the accused took a bottle of cognac &
this was the property of Mr Karl Gaasens
& furthermore that it was taken without
his permission & at the point of a pistol.

One of the witnesses, a police sergeant swore
that he removed this pistol Exhibit "A" from
the accused on his arrest & also the bottle
of cognac Exhibit "B". The other witness
Mr. Gaasens swore that this was the pistol
which the accused pointed at him.

SUMMARY OF EVIDENCE

Summary of Evidence in the case of F77660 Gnr (L/Bdr) DEEGAN, Ernest Edward, 8th Bty 2nd Heavy A/A Regiment RCA attached Canadian Section HQ Brussels Garrison a soldier of the Canadian Army Overseas.

The Commanding Officer directs that the evidence shall be given on oath.

First Witness: M Viktor ZETLIN (chauffeur) 57 rue Longue Vie, BRUSSELS having been duly sworn states:

"On the 1st of FEB 1945 a little before 6:00 PM I was in my friend's Cafe at 92 rue St Lazlare, BRUSSELS. This soldier I now see here and recognize came in and asked me for a bottle of cognac he asked to see how large the bottle would be. The boss went for a bottle of cognac to another part of the Cafe. I retired to a corner then and didn't pay any further attention to the soldier. A few minutes later the boss returned and allof a sudden I heard him calling "Viktor come here". I went to the bar and I couldn't understand what was wrong because I saw the boss standing in the corner and this soldier standing in front of the bar. The boss said "this soldier must not leave because he has not paid". He didn't say for what and I didn't know. I saw the soldier was drunk. He had this pistol I now see here and recognize, in his right hand and was pointing it in my direction. No one else could see the pistol I'm sure because his body hid it from anyone else's view. I then told him it would be best if he put his pistol away. He did not do so however until he had got to the door. As he went to the door he backed up, always facing me with his pistol still in his hand. There was a Sergeant there and I appealled to him. He got between the soldier and the door, but the soldier turned in his direction and held his right hand as if he were pointing his pistol at him. I didn't see the pistol at this time because his body was shielding his hand. The Sergeant stepped to one side and the soldier left. I went for the Canadian Provost and so did the Sergeant. I got two Provost and when we returned we saw this soldier going up the street I took the Provost to him. The Provost took this bottle of cognac I now see here and recognize from the inside of this soldier's jacket. As I did not see him get the bottle in the first place I am not in a position to say definitely it's the Cafe's, but I believe it is.".

First Witness for the prosecution

A55248 Pte Beavis G, 2 Cdn LofC Pro Coy being duly sworn is examined by the prosecutor.

On 1 Feb 45 approx 1800 hrs I was on duty at Maple Leaf Club in company with L/C Bisonette a civilian came in and gave us certain information as a result of which we went with him to Rue St Lazaire, Brussels. He pointed out a soldier walking up the street. We approached soldier and asked him for his pass. That soldier is the accused. I searched him and found a bottle of cognac on him and on automatic pistol in his right hand trouser pocket. I produce the pistol marked exhibit "A". The magazine is loaded and was at the time I took it from the accused. I produce the bottle of cognac taken from the accused marked exhibit "B". The accused had been drinking. He was placed under arrest by L/Cpl Bisonnette and myself.

Cross examination: In my opinion the accused was drunk. I checked pistol when I found it on the accused. There was no round in the chamber. I checked accused's papers but not his wallet.

By the court: Accused had bottle of cognac in front of his tunic. The accused was 2 or 3 doors up the street from cafe in question about 25 feet from the entrance.

RF 83 (b) complied with.

2nd Witness for prosecution:

Karel Gossens, farmer, 92 Rue St Lazaire, Brussels being duly sworn is examined by the prosecutor.

The soldier came in the cafe and was a little bit drunk. That soldier is the accused. I don't remember the date it was about 1800 hrs. The accused asked for a bottle of cognac. I always had a bottle of cognac from my father so I gave it to the soldier. Then he showed me his revolver. I called out to my friend. I saw revolver exhibit "A" with the soldier. (The witness demonstrates how the accused held the revolver in his right hand, under folded left arm and muzzle pointing towards him.) After accused pointed pistol at me he slowly went backwards. My comrade was with me when soldier went backwards. My comrade's name is Vilstor. My comrade called a sgt. The sgt. came and put his foot in front of the door. The accused and sgt. spoke to each other but I did not understand what they said. I was behind the counter. The pistol was in his pocket when they were talking together. The soldier told the sgt to open the door. The pistol was in the accused's hand then. The sgt. Then opened the door. The accused went out into the street. He went into the next cafe. The sgt and my comrade then went for the police. They came, and the accused was in the street when the police came. The police grabbed hold of the soldier. They asked accused to give them the bottle of cognac. He did not want to hand it over so they took it off him and also took pistol from him.

Cross examination: My sister had gone out to do some shopping and therefore I was minding shop. My normal occupation while in Brussels is serving behind the counter. I had been in Brussels3 weeks before accused came into cafe. I was employed in my sister's cafe. I cannot be too certain that exhibit "B" is the bottle of cognac I gave to accused. I gave the accused one bottle of cognac. I didn't have the time to ask accused for the money. My friend Vilstor told the sgt that accused was stealing a bottle of cognac. I did not. Naturally I told Vilstor he was stealing a bottle of cognac. The accused did not put the pistol in his pocket when he started backing towards the door.

Re-examination:
The accused pointed the pistol at Vikstor when he was at the counter and again at the door. (The witness demonstrates to the court) I put the bottle [illegible] counter I never handed it over to him. Before I gave him the bottle I told him the price. I did not give him permission to take the bottle out of the cafe.

By the Court: The accused did not show or produce any money while he was in the cafe. On the doorstep he put the pistol in his pocket. It took Viktor about 5 min to get the police. I did not see accused come out of cafe next door but somebody called me out from inside the cafe. I new the police take the bottle and pistol from accused in the street. I don't know the act who was in my place. I think he was a Cdn soldier. I did not see him again.

RP 83 (B) complied with.

Viktor Vasile, witness who gave evidence at the summary of evidence is not now available and the defending officer does not require this witness for cross examination.

Motion by the defending officer: I submit that the evidence submitted by the prosecution does not establish a prima facie case in any one of the first three charges. The evidence indicates that accused was in such a state that he was incapable of forming an intent. There is no evidence of force used, nor is there any evidence of intent under the circumstances I submit that the first three charges should be dismissed. (Defending officer referred to Chap VII Vol p 100, 112, 118, sec 9,34,50.

Defending officer closing address: The prosecution did not prove that accused was in unlawful possession of this bottle of cognac. It cannot be identified by the owner. The charges of pointing a pistol. It was not loaded, because it would have to have a round in the chamber and ready to fire. The man was intoxicated with drink and does not remember anything that happened. I refer you to sec. 48 p 25 QR as to defence and effect of drunkenness. There was no knowledge or intention, on the part of the accused as far as his acts are concerned. He was unable to form an intent necessary to convict because of his condition. I ask you to find him not guilty on the first 3 charges.

Reply by prosecutor: (see attached page 9)

E 1 M19018 Cpl Bennett G H B 2 Cdn LofC Pro Coy being duly sworn states:

The accused has been confined in the guard room of my unit since his arrest. In my capacity as NCO i/c guard room, on a number of occasions, seven at least, I had opportunity to observe the accused and his actions. I found him at all times to be a very willing worker, very steady and even though under arrest using all the means he could to keep the remaining soldiers in the guard room quiet and orderly I found him by nature to a very quiet. On numerous other occasions outside of my duties I came in contact with him and on all these occasions I found him to be very willing, industrious and he tries in every way possible to assist us in xxxxxxxx the smooth running of maintenance of discipline in the guard room. He has been allowed a great deal of latitude in his movements during the course of working hours in the guard room and at no time did he try in any way shape or form to escape or take advantage of this latitude.
RP 83 (B) complied with.
Accused under close arrest awaiting trial since 1 Feb 45.

Plea in mitigation by the defending officer.

Plea in mitigation by the defending officer:

The accused soldier is a soldier of Cdn Army Active Force with 4 yrs service. He enlisted Mar 41 in Canada came O/S in Sep 41 with 2 HAA Regt. He served in England in air defence of Gt Britain, against german bombings. He has always well and truly served his country as his conduct sheet will show you, but for one minor offence, we can say that he has a clean sheet. In July 44 he came to continent with his unit and served with them as Fd Arty in Falaise Ger show and afterwards went with them to Dunkirk where he has been for the last few months. At end Jan 45 he got his first leave since he has been here and came to Brussels. Like every soldier he wanted to celebrate his freedom and had a few drinks but he took a fewtoo many and became intoxicated. In his drunkenness he did things that he regrets now and always will remember and he is always willing to start all over again on the right foot. He has tried as the character witness has brought to your attention to prove that even though he has made one mistake he is still willing to be a good soldier and given the chance to prove himself likewise once more he will once again behave like a soldier should. Therefore I wish to ask Court for clemency on his behalf.

Prosecutor's Closing Address

Sir, the Court has heard sufficient evidence I'm certain to prove the e points on all charges; the place, date, and approx time. On the first charge it has been proven that the accused actually did point his pistol at a Cotlin, and I might add that the demonstration witnessed by this court establishes this b yond any doubt. On the second charge, again M Gosseen swore that the accused positively identified, pointed his pistol at him and he was frightened. It has been shown that there was a round in the pistol at the time of the offence, or at any rate there was when he was arrested. At any rate both Mr Catlin and Mr Gossens assumed the pistol was loaded. On the third charge it has been proven that the accused took a bottle of cognac and this was the property of Mr Raoul Gosseen and furthermore that he was taken without his permission and at the point of a pistol. He removed this pistol exhibit "A" from the accused on his arrest and also this bottle of cognac exhibit "B". The witness Mr Gosseen swore that this was the pistol which the accused pointed at him.

E-1 STATEMENT BY ACCUSED
(on oath)

I was wounded overseas in the hips and back by shrapnel and I was sent back to hospital her in England. I was wounded on 25 Jul and I got out of hospital on 25 Nov. About the 15 Dec I was given special POW leave of 7 days which was stopped by the Pro Corps in London due to circumstances beyond my control and the evidence came up when I was brought back to the HU. The Col. i/c satisfied himself I should have been given my leave and in the meantime I went AWL for 3 days. It was rather stupid of me to do it but I was annoyed at being stopped by the Provost in London. For that I was awarded 28 days field punishment of which I completed 4 days and it was about then that this shrapnel infection began and on the night of 22 Dec instead of reporting at 2230 hrs I was late getting in. I reported to the Cpl of the guard at 0300 hrs and he unlocked the hut and let me in. The next morning I was unable to get up at 0500 hrs.On the 23 Dec at 0800 hrs I reported to my Coy which was the HU Coy on the regular parade and was detailed for picquet on night of 23rd. After being detailed for picquet that night I didn't do any work that day although I put in my time that morning working in the wood shed. I was later informed by the Cpl that being on field punishment meant I was not elligible for fire picquet that night and it was that after-noon at about 12 o'clock I received a parcel which contained a bottle of rum and I was so surprized in getting it I continued to drink. On 25 Dec at about 1100 hrs I spoke to the CSM of R.A.S.C. Coy and he informed me that I had been report of my absence on 22 Dec and that there was some mistake about me being posted from R.A.S.C. In the course of 24 hrs I was posted three times. I was posted from R.A.S.C. Coy to a trg coy and the HU transferred me back and the CSM says there was some mistake about this. I was given a specific mess hall to eat in.On 26 Dec it was approximately 1.45 P.m. before Christmas Dinner was over and I took it more or less for granted I didn't have to be on the defaulters parade. On 26 Dec I was placed under close arrest and was later informed that the defaulters who went up for missing that parade were dismissed because Xmas Dinner was not over in time. I went to hospital on 27 Dec on account of the condition of the shrapnel and remained there until 5 Feb. While in hospital I had some shrapnel removed. I should not lose my pay for the 40 days I was in hospital, as I was not in hospital for any account of my own. I am unmarried and 35 years of age. I am category "A". I still think I should be re-boarded, but I don't think it will affect my category. I don't want my category lowered.

DEFENDING OFFICER refers to trivial nature of charges, neither length of absence being of serious nature. Accused formerly good soldier; in Marines for 6 yrs; served 3 yrs Shanghai. His C.O. requested his services on three occasions, once when hospitalized and twice when AWL. Studied 2 yrs at Univ of Michigan and 2 yrs Univ of California. Suffers from wanderlust and has to "let off steam" occasionally from sheer boredom. Does not think heavy punishment will help and requests leniency.

First witness for Prosecution

F-4032 C.S.M. Turcois. R. R. de Chaud. 1st C.B.R. Bn. sworn states.

On the 5 Dec 44 at approx 1330 hrs I called the names in French for the draft to R. de Chaud. This was a muster parade to warn the draft. Pte de Bagne answered

to his name and I told them in French that they were going on a special duty I told them that the exact time of departure would be told them later. On the 6th Dec I called the roll once again & again Pte de Cagna answered his name. I also warned them that their time of parade was 0930 0740 the 7th Dec 44 & that their failure to appear on that parade would constitute desertion. I then had them sign that the draft warning was understood & Pte de Cagna signed his name before two witnesses. On the 7th Dec 44 at 0740 I mustered the draft for R de Chaud and Pte de Cagna failed to answer to his name. I then went through the Company lines to find the accused. I then reported to the officer in charge of the draft that Pte de Cagna could not be found in the lines. I then went to the room by and with the draft & on my return at 1000 hrs 7th Dec 44 I came back to the R. de Chaud but & found Pte de Cagna on his bed & immediately place him under close arrest. I heard Pte de Cagna At two different times I heard Pte de Cagna say that he did not want to go back to the front because he was afraid..

* I also warned them on the 6th Dec 44 that the draft would leave between 0800 hrs and 0830 hrs.

By Prosecutor:

A. I called the roll at 1330 5th Dec 44

Q. Did you read anything to them on parade?
A. Yes I read the draft warning order (Ex 'A') in French and Sgt. McCann read it aloud in English.
Q. Did you see the accused sign this paper (Ex 'B').
A. I did not actualy see the accused sign but did check to see that all personnel had signed & they had.
Q. At 0900 hrs 7 Dec '44 how do you know the Lt Cagne didnt answer his name.
A. Because I called the roll.

Cross exam:
Q. To whom did you hear the Lt Cagne make those alleged statements.
A. To Capt Roberts O/C "C" #3 Coy. also to Col. Nicholls OC 10 Bn. His exact words were "I am afraid to go back to the front. I've had enough Sir." to the front. I've had enough Sir."
Q. Was he asked why he was afraid.
A. No I dont think he was.

Re exam-
Q. Can you identify the accused in this room.
A. Yes sir (accused pointed out)

Exam By Court - none.

Second witness for Prosecution

sworn states:
I am A 3165 Sgt. McCann H. A.

at 1330 hrs on 5 Dec 44 I mustered the draft. I had the roll called by Sgt Sirois who was in charge of the French units. The accused was present. I then read the draft warning to the draft in English, Sgt (now C.S.M) Sirois read the same warning in French to French speaking personnel. I have submitted a copy of signatures on which the name of the accused appears stating that he had heard & understood the draft warning. I recognize ex 'A' as the draft warning also ex 'B' as certified true copy of the signatures. At 1330 hrs 6 Dec 44 I once again mustered my draft, the accused was present, having answered his name and we gave out the warning regarding time of leaving in English by myself & in French by Sgt Sirois. On the 7th Dec 44, 0740 hrs I mustered my draft in preparation to moving off. Sgt Sirois called the roll of French speaking personnel, I was a witness, the accused was absent. He did not move off with the draft when it moved off at 0830 hrs. At 1000 hrs 7th Dec 44 I was with Sgt Sirois when he found the accused in his room, Sgt Sirois placed the accused under close arrest.

Third witness for Prosecution not called.

First witness for Defence

B-143326 Pte. de Bagni A. A. A. Chaud

C B R Bn sworn states:-

On the 4th Dec 44 I was called for a draft to the unit & I missed the draft because I was too nervous to carry on with my friends. I didnt intend to miss the draft because I didnt go on the loose & I signed all the papers, so the morning of the draft I was willing to carry on, when, in one moment some thing cracked in my mind & I couldn't force myself to go.

The accused then gave a detailed and lengthly description of the causes & reasons for his nervous condition.

The court heard for consideration

Cross exam

Q. When were you in Antwerp

A. 2 Dec 44.

Q. When were you wounded.

A. 25 Sept 44.

Q Do you admit that you were afraid to go on draft.

A. I was nervous and afraid.

Re-exam

Q. Did you intend to go to the front again if your nerves were better.

A. Yes sir.

Q. Did you get a proper examination from the M.O.

A. No sir.

Prosecutor objects to the foregoing questions of re-exam on the grounds that they were leading questions & the answers were put in the mouth of the accused.

The Court grants the objection

Summary by Defending Officer.

It is evident that this man has not had a fair chance; after being wounded & returned to England & then returning to his unit on the 15 Nov 44, the M.O saw fit to send him back to hospital due to his nervous condition from there he was sent back to 2 C.B.R.D. still suffering from this condition. He was then put on draft back to his unit. It is apparent that it would be useless to go back to

the front again as he would be of no help to his comrades in arms in his present condition. He did not attempt to hide when the draft was called which the court will note is necessary to prove desertion, nor did he leave the barracks but he attempted to see the M.O. & failing this the padre. About 1½ months later the man was examined by a psychiatrist and is found to be shell-suffering from a nervous condition. The psychiatrist states that to me that if he escapes should be an S-3 or 4 & he considered him unfit for front line duty. His condition existed from then even now at the time the draft was called. Therefore it is not the accused fault but because he has not had proper medical examination. Therefore I say the accused is not guilty of wilfull desertion. His wish was to get a medical exam & have opportunity to recover from his extreme nervous condition & returning to the front. I submit ex 'C' in corroboration of my statement regarding the dawn grading of the accused

The prosecuting officer sums up and presents a written copy of his summary. Court accepts and mark ex 'D'.

The court closed to consider the findings.

Court re opens.

Plea of Mitigation

That the court should take into con-

sideration the fact that the accused has served his country faithfully in action approx 1½ months until he was wounded as a result of wounds. Also that he has been declared a case for a psychiatrist & that he wished to be M. boarded and given time to recover from his nervous condition before returning to action. The court should also consider the fact that he has committed no crimes in the army up to this time. Also the fact that he enlisted when he became of age and voluntarily served in action.

F. Wilson Lieut.

The preceding notes consisting of 8 pages were taken down by me in the presence of the accused to the best of my ability.

Watt Capt.

The Prosecution is summing up as follows.

Mr President, members of the court.

Witness Sgt (now CSM) Sirois S. has established that the accused was present at - draft warning parade at 1330 hrs 7 Dec 44 & that he both heard & understood the draft warning & that he signed his name to that effect. Sgt Sirois has established that when the draft was formed up at 0745 hrs the 7 Dec 44 the accused was absent and could not be found on the org lines, and was absent when the draft moved off at 0830 hrs 7 Dec 44. Also that the accused was apprehended at 1010 hrs 7 Dec 44 Witness Sgt Maginnis corroborates everything that CSM Sirois has established

Therefore the accused was warned for draft, he both heard & understood the draft warning. He absented himself from the draft parade & did not parade with the draft, and in his own admission absented himself with intent to avoid proceeding on the draft because he was nervous or afraid to go forward again.

Therefore in summing up I believe the court will agree that the accused has committed the offence as charged & should be punished for same.

E-4129; Pte. Degagne, R., No. 2 Cdn. Inf. Holding Unit, tried by Field General Court-Martial at Witley, Surrey, on the 25th day of March, 1941.

The order convening the Court, the charge-sheet and the summary of evidence are laid before the Court.

Prosecutor - Lieut. L. Canon
Defending Officer - Lieut. G.F. Chicoine

At 1000 hours the trial commences.

The names of the President and members of the Court are read over in the hearing of the accused and they severally answer to their names.

Q1 - Do you object to be tried by me as President, or by any of the officers whose names you have heard read over?
A1 - No, sir.

The President and members are duly sworn.

Q2 - Do you object to M-15577 Sgt. Stanley Fidler, The Edmonton Regiment, C.M.H.Q., acting as Court Stenographer?
A2 - No, sir.

The Court Stenographer is duly sworn.

The charge-sheet is signed by the President and annexed to the proceedings.

The accused is arraigned upon each charge in the above mentioned charge-sheet.

Q3 - Are you guilty or not guilty of the first charge against you, which you have heard read?
A3 - Guilty, sir.
Q4 - Are you guilty or not guilty of the second charge against you, which you have heard read?
A4 - Guilty, sir.
Q5 - Are you guilty or not guilty of the third charge against you, which you have heard read?
A5 - Guilty, sir.
Q6 - Are you guilty or not guilty of the fourth charge against you, which you have heard read?
A6 - Guilty, sir.
Q7 - Are you guilty or not guilty of the fifth charge against you, which you have heard read?
A7 - Not guilty, sir.
Q8 - Are you guilty or not guilty of the sixth charge against you, which you have heard read?
A8 - Guilty, sir.

R.P. 35(B) is complied with by the Court in connection with the first, second, third, fourth and sixth charges.

The Prosecutor proceeds to call witness in connection with the fifth charge.

First witness for the prosecution, No. 6337752, L/Cpl. Hayes, A., Corps of Military Police, being duly sworn, is examined by the prosecutor.

Q9 - Cpl. Hayes, in the first place do you recognize the accused?
A9 - Yes, sir.
Q10 - Would you tell the Court in what condition you found the accused in Reading on the 22nd February, 1941?
A10 - On the 22nd of last month in response to a telephone message from the Y.M.C.A. at about 2359 hours reporting a man being drunk and causing a disturbance, I proceeded to the Y.M.C.A. and asked this man for his pass and pay book and as he had none I took him to the civil police station to be detained.
Q11 - When you arrested the accused did he give a false name?
A11 - He gave the name of Merret.
Q12 - Did he give you his correct regimental number?
A12 - Yes, sir. E-4129.

Cross-examination by the defending officer.

Q13 - You just said the man had been causing a disturbance?
A13 - Yes, sir.
Q14 - Did you see that actually?
A14 - No, sir.
Q15 - Did he give you any trouble?
A15 - No, sir, he came quietly.
Q16 - Did you carry him away?
A16 - Pretty well carried him, sir.
Q17 - In what manner?
A17 - Between another L/Cpl. and myself.
Q18 - Was he dragging his feet?
A18 - Attempting to walk.
Q19 - His feet were dragging on the ground and you were pulling him?
A19 - We were assisting him to walk.

Questions by the President.

Q20 - At the time you were called to the building in question and you were brought before the accused, how could you tell the accused was in a drunken condition?
A20 - He was unsteady on his feet and his breath smelled strongly of spirits.
Q21 - Did you, at the time, tell the accused he was drunk?
A21 - No, sir.
Q22 - You didn't question him except to ask him for his name and number?
A22 - No, sir. He kept making a statementabout being a free Frenchman.
Q23 - Was he supporting himself when you saw him first?
A23 - He had been causing a disturbance but he was quiet enough when we got there.
Q24 - Could he get out on his own accord?
A24 - Not safely, no, sir.

Questions by the Court.

Q25 - Will you tell the Court whether you felt quite sure in your own mind that the accused couldn't understand what you said because he was intoxicated or because he ordinarily speaks in French and you didn't understand?
A25 - He gave me the impression he was a Frenchman but I couldn't understand a word he said.
Q26 - Do you speak French?
A26 - No, sir.
Q27 - Could you tell the difference between a man talking normally or drunkenly in French?
A27 - I think so, sir.
Q28 - What would you say was the condition of the accused in the light of that? in
A28 - He was/a confused condition due to drink.
Q29 - When you arrived at the Y.M.C.A. was he handed over to you?
A29 - He was pointed out to me by the manager.
Q30 - What was he doing then?
A30 - Swaying on his feet and swinging his arms about.
Q31 - At that time you didn't think he was causing a disturbance?
A31 - No, sir.

Defending Officer -- I would like to say that the evidence given by the lance-corporal to the effect that the accused was causing a disturbance cannot be proved; it is hearsay. As forthe charge of being drunk, we have one witness who states the man was drunk but it is not his business to state whether a man is drunk, but to apprehend him and I do not think his evidence can be admitted as evidence against the accused.

Prosecutor -- The prosecution would just like to say in answer to the defending officer's last remark that the witness for the prosecution is a competent witness to judge ~~xxxx~~ whether the man was drunk when apprehended as it is his business to deal with these cases continually and I do not think there should be any doubt cast on the evidence of the lance-corporal in this case.

The Court is cosed for the consideration of the finding.

Lieut. L. Canon, No. 2 Cdn. Inf. Holding Unit, is duly sworn.

Q32 - Have you any evidence to produce as to the character and particulars of service of the accused?
A32 - I produce A.F.B. 296 and M.F.M. 6.
Q33 - Is the accused the person named in the statement which you have heard read?
A33 - Yes, sir.
Q34 - Have you compared the contents of the above statement with the regimental books?
A34 - Yes, sir.
Q35 - Are they true extracts from the regimental books, and is the statement of entries in the conduct sheets a fair and true summary of those entries?
A35 - Yes, sir.

The accused declines to cross-examine.

Q36 - Do you wish to address the Court?
A36 - (Defending Officer) I would ask the Court to take into consideration the record of the accused. Before this the record of the accused has been very good.

The Court is closed for the consideration of the sentence.

Sir,

At London on the 24-11-40 at about 01.30 hrs. I was on duty at C.P.C.H.Q. when a Police Inspector from Bow Street Police Sth. came in here and asked me to go with him and investigate about a Canadian in civilian clothes whom he suspected of being a soldier. In company with L/Cpl. Ogg I proceeded to St. Giles Street where I saw the a/m dressed in civilian clothes. I asked him for his identity card he could not produce one. I asked him for his pass he could not produce one. He pretended that he could not speak English. I then spoke French to him. He finally stated that he was a soldier from the Royal 22nd. Regt. I placed him under arrest and escorted him to C.P.C.H.Q. where I turned him over to the N.C.O. I/C cells to be detained.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. *RP* 35 *fn* 3. 2. *MML p* 54 *paras* 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused: Do you wish to make a statement? Ans. No.(5)
(1. *RP* 37(*B*). 2. *RP* 37(*D*) *fn* 6. 3. *RP* 35(*B*) *fn* 5 *para* 3, *MML p* 54 *para* 47. 4. *See para E3 of Record Form E.*

The accused is (are) so informed, and he (they) changes(s) his (their) plea(s) to N.A. charge(s). Part I of the Schedule is amended accordingly.~~
(1. *Court may be cleared to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records findings of Guilty in Part I of the Schedule.(1)
(1. *RP* 35(*B*). *If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p* 3. *RP* 37(*D*).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

C3. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D5. President to accused: You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans.....Do you intend to call witnesses on your behalf? Ans.....Are they witnesses as to character only? Ans.....

On behalf of the accused, B 55145 Pte. Joseph Telford DeGazio, he fully realizes the seriousness of the charge against him. but in view of the fact he was taken from his unit prior to its going into action he feels that he was deprived of the opportunity of giving his services to his country. He voluntarily enlisted. When apprehended by civil authorities he was returning to his duties. He is a fine looking, capable soldier and I feel that if he is given a chance to get into action at the earliest opportunity he will give a good account of himself.

With these few remarks I conclude with a plea of leniency, that he may serve his King and Country.

by officers & N.C.O's I lose my temper & then afterwards I am sorry. I have no idea of trying to be at any ops in the army. When I was away I was ill and because I thought I was going to be C.M.F. & discharged but I always intended to return & I did return of my own free will to take my punishment. I am sorry I went A.W.L. & I don't intend to do it any more - I realize how foolish I was.

Do you wish to give evidence yourself or to call any witnesses as to character?

Evidence for Prosecution

First Witness

No 7689291 Gnr Golding 230 Lof C Provost Coy, being sworn states

Examined by Prosecuting officer:

On July 18, 1943 I was on duty in Rue Galbois. I saw the accused when I identify. At about 1850 hrs on July 18, I was on duty in Rue Galbois accompanied by L/Cpl Roberts who I saw the accused with a friend who was being questioned by a L/Cpl of the Provost Coys. The questioning turned out to be heated during which the accused objected on hustling in and interfering with the L/Cpls in their duty. I approached him and ordered him to leave for the purpose of stopping him and to stop the interference with the L/Cpl. The accused refused to do, I repeated the order which was also refused. I arrested him and a slight scuffle developed. L/Cpl Roberts then assisted me in getting the accused into the police transit in which he was conveyed to the Provost Coys where he was placed under close arrest. The interference by the accused of the questioning of his friend consisted of the accused pushing his way in and interfering with the L/Cpls and making their job very difficult. I ordered him to leave the L/Cpls to their duty. I heard by the accused had been drinking, he was not talkative. The accused neither offered to come quietly and he resisted. He made no attempt at striking just evasive action.

Cross examined by Defending officer

I do not say the accused or the one who was causing the disturbance. The accused was not talking but was hustling in. There was more or less of a circle and the accused kept hustling in. The Provost took about a minute while I was there. The street was crowded. The incident occurred outside a theatre. The theatre was out of bounds but not the street. The crowd was mixed both British and others but in this particular crowd there were only soldiers. I cannot say just what happened in the scuffle but I had the accused by the arm.

he was interfering with a Sgts of the Cdn Provost Corps who were questioning a Cdn soldier. The interfering consisted of the accused uttering foul and passing remarks. I was present when accused was approached by Cpl Spalding. Cpl Spalding ordered him to go away and he refused. The order was given at least twice and the accused refused both times. Cpl Spalding ordered him into the truck and he refused to get in and thereupon had to be put in after a struggle by loading guard a few minutes. I would say the accused was sober at the time. He was quite upsetted.

Cross Examined by the Defending officer

I recognize the accused as the one that was causing the disturbance. I don't know whether the Cdn Provost had one of the accused's friends under arrest there. I said the Provost were questioning the Cdn soldiers. I did not hear the Cdn Provost order the accused to leave. I don't know what took Cpl Spalding there but we both had to arrest.

Re examined by the Prosecuting officer

The Cdn provost may have ordered the accused to leave out of my hearing.

Questioned by the Court

I don't remember any particular passages that the accused said to the Cdn Provost but he was definitely talking.

Examined by Defending officer.

At 1830 hrs on Sunday 18 Jul 43 I was - Pte Hyginbotham with some of my friends who were standing up against the wall of a building. A Cdn Provost came up to one of the lads that I was with and they had a conversation. The Provost then to the centre of the road. They were about to leave with Tpr Higgins and I turned around to one of the lads I was with - for us to go up + we walked up to the Provost. We asked the Cdn Provost what the matter was & the Provost said something but I can't remember what. I asked the Cdn Provost & reason Tpr Higgins was under arrest because he was drunk. I told the Cdn Provost that he had been drinking but he wasn't quite drunk. The Cdn Provost said to me that if I would take him out of the district and back to camp that they would let him go. We took Tpr Higgins and were about to start away when someone struck me from behind and put a hammer lock on my arm. I went to turn around & see who it was and someone else grabbed my other arm. There was a little struggle. One of the Provost was present while I was talking to the Cdn provost

Cross examined by Pl Prosecuting officer

I don't know what the tone of the conversation was when the Cdn Provost had my friend. I was speaking to the Cdn Provost about 1 minute before they got me custody of Tpr Higgins. We were both doing the talking i.e. Tpr Higgins and I. Cpl Golding and L/Cpl Roberts were there all the time. Cpl Golding did not order me to come to arrest. He never said anything to me prior to my arrest. I didn't know who was seizing me from behind. ~~Cpl Golding~~ I turned to my right when Cpl Golding and L/Cpl Roberts were standing. I didn't see them while I was talking to the Cdn Provost as they were behind me. There was a lot of noise there and I didn't hear Cpl Golding or L/Cpl Roberts order me to come. The first word I heard from them was when I was on the truck. ~~I don't~~ I don't believe drinking just before the accused but I had been drinking some 500 hrs. The truck was about 10 feet from where the English Provost seized me. To my knowledge they didn't say anything to me while I was on the truck.

Questioned by the Court

went to a pub + heard fights + bat. We went from the pub up a
side street and I was causing a little disturbance there and the MPs
Provost took me and put me under arrest for causing a
disturbance. The accused and Pte McCarthy came up to the
Provost and told the Provost to let me be. And the Provost
let me leave provided the boys took me back to camp; and
on walking down the road someone struck the accused from behind
and he swung around not knowing who it was; and after striking
him found out it was a English Provost Cpl. The English
Provosts then threw him in the back of a truck. I saw no more
of the accused till next morning.

Cross examined by Prosecuting officer

The accused was sober at the time. I was feeling
good but wasn't drunk. The Aus Provost had me about
5 minutes before they turned me on to the accused. The
accused was right near from me all the time. Less than
5 feet. The Aus Provost were talking to me during this 5
minute. I saw the British Provosts then. They were there
all the time I was with accused. The English Provost was
standing behind the accused and the other allies and they were
all facing me. When I was talking to the Aus Provost
the accused was not talking to them. He was standing with
a couple of other chaps + just away. The accused talked to
the Provost in letting me go. The accused came up after
the Aus Provost were talking to me. I didn't hear Cpl
Golding say anything to the accused. I saw one of the
English Provosts - a full Cpl whom I have seen here to-day -
strike the accused on the back of the neck with his foot
before that Cpl Golding and the accused had not been talking.
The accused swung around and hit the Cpl with his elbow.
The two Provosts had the accused arms behind him + took him
to the truck and threw him in. I don't know if the English
Provost said anything to the accused before they put him in the
truck, except that they said "We are putting you in the truck"

First Witness. 456042 L/Cpl Forey H. S. a Lof C Pro Lic having been duly sworn states:

Examined by the Court.

At about 2016 hrs I saw the accused fighting with the British MPs. That was the first time I saw the accused that night. I helped the British MPs put him into the truck. That was the last time I saw him. At no time that night did the accused persuade me to release a man I was arresting for drunkeness. The accused at the time he was arrested was interfering with the carrying out of my duties. He was battling with the British MPs & present was assisting of his friend. I didn't hear any command given to the accused by the British MPs.

Second Witness G48711 L/Cpl Elsligh, G. a Lof C Pro Lic having been sworn states

Examined by the Court.

On 16 July 43 I was on duty in Kilpperith. As a result of which the British MPs told me I spoke to the chum of the accused. I told the chum to keep his arm band up as he was on duty. The British MPs then came up and said he was loosing an arm band but he said he wasn't. Then the fight started and the accused asked me if he could take his chum away. I said to the accused, "You can't take him away." The chum then said he wouldn't go for nobody so I put the chum under arrest but I don't remember the name of the chum. After I put him under arrest I didn't see any more of the accused. The accused did not at any time interfere with the carrying out of my duties. He simply asked me if he could take his chum away and I said yes. I can't give any details as to the arrest of the accused. I was putting the chum of the accused in the truck when the accused was being arrested. When I turned around there was a free-for-all so we went to help the British MPs and the gang we arrested got away. When we went up to the British MPs they had the accused under arrest. The only thing I heard the British MPs say to the accused was "get into the truck you are under arrest". When the British MPs were trying to put the accused into the truck he was struggling. L/Cpl Forey H helped me put the chum of the accused into the truck. This was before the accused was arrested. I was right a hand of the accused chum came down

Address by Defending Officer

The evidence given by the accused on the various times and
when different persons were seen on a bus conflicts
I would like to point out that if you line up a number of
types you will always get a conflicting answer as to
distance and time. In first charge it states accused
did interfere with members of the Edn Provost Corps. Evidence was
produced that the Edn Pro Corps was cooperating with these types.
Yet Balding heeded the cries of the entire shop & accused stood.
Edn Provost. In the second charge it states the accused stood by
I would point out that under a penal code common sense
are you are bound to stand by. Therefore on the Court to
dismiss the third charge against the accused as the prosecution
that the prosecution to failed to produce evidence to back up
their charges.

Closing Address by Prosecuting officer

It appears quite evident by the evidence that the accused had disobeyed a lawful command given by a superior officer. Evidence for the prosecution shows that the accused being admittedly aware must have heard and understood the order of Lt Golding to desist from interfering with the Pro Corps. The evidence shows that the order was given in time and he refused to obey. The charge is not in creating a disturbance but that the accused did commit a crime under Sec 96 of A.A. Also evidence, admitted by prosecution and cross examination of the defence witnesses shows that the accused did resist the Provost when they were apprehending him.

Summary of Proceedings of a Field General Court Martial.

Held at "Hayhurst" Oxted Surrey. December 24. 1940.

The Court assembled at 1000 hours.
President Major. R.A. Lindsay. P.P.C.L.I.
Members Lieut. R.H. Keen. S. H. of C.
" Lieut. A.J. Greene. 2 Cdn. Recce Sqn.

The Order convening the Court, the charge sheet, and the summary of evidence were laid before the Court, the members of which satisfied themselves that the Court was legally constituted as provided by the Rules of Procedure 22 and 23.

The accused was brought before the Court and the order convening it was read to him. To the question by the President "Do you object to be tried

11 by me as President, or by any of the officers whose names yr have heard read over" the accused answered "No."

The members of the court were duly sworn - The accused was then arraigned on the charge - On the question being put "Are yr guilty or not guilty of the charge against yr which yr have heard read" the accused pleaded Guilty. Before recording the plea of Guilty, the charge and the effect of the plea were explained to the accused as laid down by R.P 35(b). The plea of Guilty was then recorded.

The accused elected to call witnesses as to character and elected to make a statement himself.

The prosecution then produced a certified copy of the accused's M.7 M.6 and submitted a written statement of character on behalf of the accused's platoon Sergeant. (E. 10 mm 7 attached)

E.B. Rakundaiyo

III The defending Officer then made a plea in mitigation of sentence. He stated that this was the first offence committed by the accused, and from his personal contact with the accused who worked in the Mess of which he was a member he could testify to the accused's honesty and integrity. He could only assume that being in need of money he yielded to sudden temptation on seeing the revolver. He urged the Court to take this into consideration when passing sentence.

The Court was then closed for consideration of sentence.

I hereby certify that to the best of my knowledge the foregoing is a true summary of the proceedings.

Capt. John Harold Adams "B" Company, Edmonton Regiment having been duly sworn states:

Question: I am showing you exhibit 2 in this case. Capt. Adams have you ever seen it before.

Answer: I have. This pistol and case belongs to me. I can produce the license in my own name. I first missed the pistol about November 16th. At that time I recalled that I had not seen it since moving from "A" Company on October 31. I remembered that I had left it in the officers' mess kitchen. After making enquiries at "A" Company mess and being unable to find the pistol I reported the matter to Sgt. Steeves.

Question: When did you next see the pistol?

Answer: When you showed it to me now.

Question: Did you ever sell it?

Answer: No.

Question: Did you ever give it away?

Answer: No.

Question: Did you ever give any person whatever permission to take it.

Answer: No

C53094 Cpl Levallec, A. 9 Sec 2 Cdn L of C Pro Coy Brussels having been duly sworn is examined by the Prosecution:

On 8 Feb 45 I was NCO i/c Guard Room at Provost HQ Brussels. I recognize the accused now. At 2130 hrs 8 Feb 45, as a result of information received, I searched the guard room and found the accused missing. I was satisfied that the accused was gone.

Cross Examination

The duty roster is posted and changed every day. The NCO i/c Guard Room is changed every day. In Feb. the guard was posted for a week at a time taking night shifts. I am sure I was on duty the 8 th Feb as I was posted in orders for duty this day and also because I reported the absence of the accused on this date.

By the Court

I again saw the accused on the morning of 4 June 45. The accused at the time of his escape was handcuffed and in a cell with 3 (2) other prisoners. When I inspected the cell after the accused escape there was only one man left in the cell and the screen grill was pushed out of the window. The accused could of escaped through the window as the door was still bolted. The one man remaining in the cell was not the accused.

RP 83 complied with.

Court Adjourns to 0930 hrs 5 Jun 45 - No other witnesses available until that time.

The Court reopens pursuant to adjournment same members in attendance.

My agents arrested the accused whom I now recognize on the 27 Mar 45 at approximately 2100 hrs. I searched the accused when he was brought before me by my agents on 27 Mar 45. We arrested the accused originally because of his accent. I recognize an employment card taken from the accused when I searched him. This is a Belgian civilian employment card for Brussels.

Employment card produced is marked as exhibit # 1 by the Court.

The accused was in civilian clothes when arrested. The accused was turned over to the military police of Ostend the next day 28 Feb 45, I believe.

RP 83 complied with

The Court adjourns until 0930 hrs 9 Jun 45 on account of no further witnesses being available.

The Court reassembles at 0930 hrs 9 Jul 45 pursuant to adjournment same members present.

3rd Witness for Prosecution

1036528 Cpl Sinclair, B of Provost Coy Brussels having been duly sworns is examined by the prosecution:

On 27th Dec 44 I was NCO i/c Guard at Prince Albert Barracks, Brussels, I do not know Pte Dekleyn, I recognize a document as being in my handwriting and appertaining to B53903 Pte Dekleyn of the Essex Scottish Regt., 2 Canadian Division.

The defence does not oppose the admission of the piece of paper but does oppose the admission of any facts stated therein.

The slip of paper is admitted as Exhibit # 2.

3.

3rd Witness (Cont'd)

Since 27 Dec 44 roughly two or three thousand prisoners have passed through my hands. When a prisoner escapes an investigation is made and a search made for the prisoner. The officer i/c is notified both verbally and by a slip of paper the same as Exhibit # 2.

Cross Examination by Defence

When a prisoner escapes the sentries carry out the search under my supervision. The sentries report any escape of prisoners to me, I would not know of their escape by my own knowledge.

Prosecution submits certificate of apprehension which is attached as Exhibit # 3.

Prosecution submits certificate of apprehension which is attached as Exhibit # 4.

First Witness for Defence

"The Accused"
B53903 Pte Dekleyn, A, Essex Scottish Regt att 1 C D C having been duly sworn is examined by the Defence.

I was in civilian clothes when apprehended by the Belgian police because my uniform was all torn up. I was seeing some friends in Tielt. I was just visiting there. The person who lent me the civilian clothes also gave me the work ticket (Exhibit # 1). I intended to come back to the army. I was with a friend who had quite a bit of money and I intended to come back when his money was spent. I was with this friend from the first time I got leave from the hospital in December 44.

Cross Examination by Prosecution

I am 23 yrs old. I was at Prince Albert Barracks last Xmas. I escaped from there a couple of days later about 1900 hrs. I don't remember exactly how many days after Xmas but it would be within a week after Xmas. I was arrested by the Provost about a month and a half after I escaped in Brussels. It was a Provost Officer. I don't remember the exact date. I was away somewhere around forty days. I was put in the Cdn guard room in Brussels. I broke out from there the next day. I remained at liberty until I was picked up by the Belgian police at Tielt. I was handed over to the British Provost. The British Provost took me to Ostend. Until I was picked up at Tielt I was at liberty for about a month and a half. I had the work ticket to show to anyone who picked me up. I just had it for the one day when I went out to visit my friends

I wore the civilian clothes for a day and a half. Cdn Army friend gave me money. He was absent too. I did nothing for the money he was a friend whom I had known in Canada. I don't know how he got his money.

By the Court

When the Belgian Police picked me up in Tielt I had civilian clothes on. They turned me over to the British Provost in civilian clothes about two days later. I left my uniform in Brussels. I went from Brussels to Tielt in civilian clothes. I was in Tielt for about a day.

R P 83 complied with.

Summing Up by Prosecutor

In the first Charge we have an absence that dates from the time alleged and so recorded six months ago by th NCO i/c guard. It is verified by accused. The apprehension is by cert acc ~~verb~~ he went AWL while under arrest.

Second desertion charge starts from an escape from custody proved by NCO i/c guard and again substantiated by the accused. Apprehension by Jolie is the best time for termination of that offence, and that too covered by accused evidence.

As for the first charge there is a fairly long term of absence and it is on that alone that the court must consider desertion. On the 2nd he is in civilian clothes and fortified by a civilian identity or work card. The court could well make a finding as alleged.

Lieut "L A Kitz"

Defence Summing Up by Defending Officer

First charge sheet. First Charge. Cpl Sinclair stated that he did not know himself anything of DeKleyns alleged escape on 27 Dec. It was merely reported to him, and is of course heresay and consequently inadmissable. Thus there is no evidence to show when any absence began, and the charge should be dismissed. The accused stated he escaped after Christmas but does not remember the exact date. Thus there is still no evidence of the time and date of commencement of the absence.

Second Charge Sheet, first charge. At most the evidence shows he was arrested by the civil police in Tielt on 27 Mar 45, instead of in Ostende on 29 Mar. The police commissaire Jolie states his agents arrested DeKleyn, which i again hearsay. Thus on this charge also there is no admissable evidence as to when his absence ceased to be voluntary, and this charge should also be dismissed.

If by chance these charges are not dismissed, the question of desertion as opposed to AWL arises. The evidence which may be used to imply desertion consists of the length of absence which is in this case not long under either charge. and the fact that he was in civil clothes. He states he intended to come back to the Army when his friends money

ran out. This is again is very reasonable and I submit is the absolute truth. Thus on both charges the essential intention is missing and at most he is guilty of AWL.

Plea in Mitigation - DeKleyn

"FAB"

DeKleyn came to England in the spring of 1943 and to France with the Essex Scot early in Jul 44. He stayed with his unit until he was wounded in Nov 44.

He was with friends when he was absent and failed to overcome a natural aversion to walking into a Provost office to surrender. It is so much easier to put off a decision like that from day to day, and many men do it although fully intending to give themselves up, and actually doing so when their money runs out. DeKleyn is such a case.

I submit that a relatively light sentence would therefore be fitting.

I went to investigate and found a windown open and a screen pushed out. I then notified the STAND-TO and a search party organized. I climbed up the elevator weights shaft and over the roof. I saw where the soldiers had broken a bathroom windown in the next building. I went through the broken windown and down the stairs. The people of the house informed me that two soldiers had just gone a couple of minutes. Both these soldier, the A/N soldier being one of the two having escaped, were wearing handcuffs at the time of their escape.

Sir:

At Ostende on the 29th March 45 at about 1000 hrs, I was instructed by the Orderly Sergeant, Sergt. Plowman, to proceed to the Civil Police Station at THIELT to collect a Canadian soldier who was being detained there.

On my arrival there I saw the above named who claimed to be a Canadian soldier. He was dressed in civilian clothes and had no documents of military identification.

I conducted him to my Company Headquarters, from there he was conveyed to the Field Security Section for interrogation, where he claimedto have broken out of a guardroom in Brussels in January of February last, that his paybook was there held by the CM Police.

On further investigation I was able to ascertain from the Company's Absentee File that the above named was a Canadian Soldier, that he was reported as having escaped from the Guardroom, Prince Albert Barracks Brussels on the 27 December 1944.

I apprehended him, he was conveyed to the Town Guardroom 111 Transit Camp Ostend to be detained. Handing over receipt attached. Attached also reports from the Civil Police, the Lt and the Field Security Section Ostende.

TRANSLATION OF ATTACHED MEMO JUSTITIA ROOM

I, the undersigned Maurice JOLIE, Police Commissaire at TIELT have to report that on the 27th March 1945 I received the following statement from Gerard VERHEIRE and Alfons VERMEERSCH both assistant Police Constable at TIELT and from Sgt. Karel WOESTEN and Sgt Alfons JANSSENS both belonging to the 24th Batallion Fusilliers 1st Coy stationed at TIELT, who states.

"As we were informed that a suspected person ran about in town, we made enquiries and followed him from 1900 hrs until we could arrest him in front of the Police Station. He tried to run away but Police Constable VERMEERSCH lets him fall. He made some trouble but we brought him into the Police Station."

I the Police Commissaire interviewed this person who was only in possession of a sort of work certificate on the name of Sergeant Robert Jan, MECHANICIAN delivered by MINERVOIS DE VOORST & A Jan, 153 QUAI DE LA DIGUE-EN BRUXELLES.

This person states,

"I, am DE KLEYN Arnold, born at HILL, HOLLAND the 7/ 11/1921 living NOW Simco Ontario Canada, and I belong to the Essex Scottish Rest R.S.8907. I landed in Europe Approx. 19th June 1944, I was in the battle of Normandy (France) and went forwards with my Regiment into the country of BELGIUM (Holland). There I was wounded in my arm and back in October 1944. I was conveyed to the British Hospital at LOUVAIN. I left the Hospitall on the 1 st December 1944 and went to BRUSSELS , where I spent my 4 days convalescent leave. In BRUSSELS I met some girls and stayed there until yesterday 27-3-45. I left BRUSSELS by train at about 1600 hrs and travelled too TIELT, I spent the night at TIELT at a farm, but the occupiers did not see me. I came to TIELT as I did not feel safe any more in Brussels. Today I walked round. I have never been to TIELT before, and I din't know anyone. The card on the name of Sergeant Robert Jan found in my possession I received from an unknown person in a Dance-Hall at Brussels. I think I am able to recognize him. I speak Dutch as I only left Holland to go to Canada in 1937. My battle dress was used and I threw it away in Brussels and got some civil clothes there.".

I kept the a/m person under close arrest in the Town Guardroom and informed the English Military Authority.

The prosecutor proceeds to call witnesses.

First Witness for the Prosecution

B6390 a/L/Bdr. Gould T.K., 53 L.A.A. Bty., R.C.A., being duly sworn is examined by the Prosecutor

Q. Do you remember the 30th day of October 1941?

A. Yes.

Q. Where were you on that day?

A. At Site L 160, Biggin Hill Camp.

Q. Do you know the accused?

A. Yes.

Q. Was Gnr. De La Fontaine under your command on that day?

A. Yes.

Q. Will you tell the Court just what happened on your site between the hours of 1200 hours to supper time?

A. I received a report from Bdr. Wood that Gnr. De La Fontaine was absent. Gnr. De La Fontaine returned to the site and I placed him under open arrest. There were several of us talking there, and I went to phone to Troop Office to report. I did not immediately phone, and he went to his bed and got his rifle, unnoticed by us, and he loaded it, and before I noticed him I heard a noise and he was coming along the aisle between the beds. He shot the bolt home and I noticed there was one round in the chamber. I told him he was acting foolishly and he had better put the rifle back. We talked to him for a few minutes trying to persuade him to put his rifle back. He would not do that. We got to our feet, myself and L/Bdr. Tompkins. Gnr. De La Fontaine thought we were going to take the rifle away so he said it would be better if we didn't bother him, that he would shoot his way out if he had to. Gnr. Street was in a position to take the rifle away from him. L/Bdr. Tompkins and myself stepped out of the doorway. Gnr. De La Fontaine went out. I went to the phone and phoned Sgt. McKay at the Troop Office and told him what had happened. A short time later Sgt. McKay and several others came and I explained to them. Later Gnr. De La Fontaine came back.

Q. Did you see him pick up the rifle?

A. I did not see him pick up the rifle. I heard a noise and saw Gnr. De La Fontaine coming with a rifle and was close enough to see the bolt shot home and a round in the chamber.

Witness is cross examined by the Defending Officer.

Q. What number is the accused on the gun?

A. No. 4. He is a good No. 4; quite smart on the gun. I was with him all the time on the gun site and his conduct was very good. He was pretty drunk when he came in. He was under arrest for being A.W.L. I actually saw the round going into the chamber. He was holding the rifle (demonstrated by the witness at about the port) when loading. I was about ten feet away. He was holding the rifle (demonstrated by the witness at about the port) with one finger on the trigger when threatening. He was weaving around some.

Q. How drunk do you think he was?

A. Very drunk.

Q. Do you think he was too drunk to know what he was doing?

A. I couldn't say he was that drunk, but he didn't know the seriousness of it.

The Witness is questioned by the Court.

Q. Why did you think him very drunk?

A. When I placed him under open arrest I could smell alcohol on his breath and noted his general actions. The accused wouldn't have used the rifle unless drunk. His speech was thick. He was not very steady on his feet; he could walk allright but was staggery.

Second Witness for Prosecution

B6460 a/Bdr. Wood G. 53 L.A.A. Bty., R.C.A. being duly sworn ~~xxxxxxxxxxxxxxxxxxxxxxxxxxxxxxx~~ the Prosecutor does not wish to question the witness.

The Witness is cross-examined by the Defending Officer.

Q. Are you in the same detachment as the accused?

A. Yes

Q. Was he a good gunner?

A. Very good.

Q. How was his conduct up to the night of Oct. 30th.

A. Very good.

Q. It was most unusual for him to pick up a loaded rifle and threaten an N.C.O. with it?

A. Yes.

The Witness is questioned by the Court.

Q. You were on duty on the night of 30th Oct. at Site L160 Biggin Hill?

A. Yes.

Q. Can you tell us anything about the accused?

A. He came off duty at 1230 hours, had his dinner at approximately 1245 hours. I came back in at approximately 1400 hours and the accused had gone out. I did not know his whereabouts. He should have been in the hut. He was not to be found anywhere around the hut.

Q. What action did you take when you found that the accused was missing?

A. As soon as I found that accused was missing I telephoned to the Troop Office. I advised nobody else, except L/Bdr. Tompkins and L/Bdr. Gould.that accused was A.W.L.

Third Witness for Prosecution

C316 Gnr. Street H.C., 53 L.A.A. Bty., RLC.A. being duly sworn is examined by the prosecutor.

Q. Do you know the accused?

A. Yes.

Q. Do you remember the day of the 30 Oct. 1941?

A. Yes. I was on Gun Site L160.

Q. Tell the Court what happened.between 1200 hours and supper time.

A. After dinner we were in the hut, off duty. The accused was found missing between 1230 hours and 1400 hours and was reported absent by Bdr. Wood. Accused came back later in the afternoon under the influence of liquor and made a little trouble messing around. He threatened a few of us with a rifle, a .303. This happened inside the hut.

Q. How did he threaten?

A. When he went to go out again we tried to stop him; he insisted on going out. Then he brought the rifle and insisted on going outside the hut. I was in a position to have taken the rifle away from him but it would have endangered L/Bdr. Gould and L/Bdr. Tompkins. I was in no danger myself. When he left he went down through the bush. He was later reported by L/Bdr. Gould. I saw the accused after he was found, lying on the ground, out cold.

Q. How do you know the rifle was loaded?

A. I saw him shove the bolt home, with the round entering the chamber.

Q. Did you have an opportunity to examine the rifle after.

A. No. The rifle was beside him when he was lying on the ground.

The witness is cross-examined by the Defending Officer.

Q. How long after the accused left the hut (after threatening with the rifle) did you see him?

A. About twenty minutes or half an hour.

Fourth Witness for Prosecution

B9097 a/L/Sgt. Long J. 53 L.A.A. Bty., R.C.A. being duly sworn is examined by the Prosecutor.

Q. Do you know the accused?

A. Yes.

Q. Has he ever been under your command?

A. No.

Q. Do you remember the day of the 30 Oct. 1941? Would you tell the Court what you remember between the hours of 1300 hours and supper time?

A.

I found the accused lying on the ground beneath some trees sleeping. A rifle was in one hand, and a .303 round in the other hand. I was looking for the accused and was in charge of one of the searching parties. He was asleep, apparently under the influence of liquor when found. He just had one round of ammunition when found.

The witness is cross-examined by the Defending Officer.

I had a telephone call at Troop H.Q. to the effect that the accused was in the woods. I found accused about thirty minutes after ~~it~~ receiving the phone call.

Q. Can you give us the condition in which he was lying?

A. Flat on his back with his arms to the sides. When the accused woke up he did not know where he was, did not know anything at all. We had to assist him. This was about 1600 hours. He was lying on the ground, surrounded by small bushes. The rifle was in one hand. He had apparently collapsed under the influence of the liquor. The round and the rifle were both kept for evidence.

The Defending Officer waives production of the rifle and ammunition.

Q. Was there any other ammunition around.

A. No. None on his person. Rifle had not been fired.

The witness is questioned by the Court.

Q. How did you know the rifle had not been fired?

A. I examined the rifle. One round was in the accused's hand and nothing in the barrel.

The Prosecuting Officer applies for an adjournment on the ground that B9124 a/L/Bdr. Tompkins L.F and C19509 a/Sgt. McKay B.C., material witnesses who gave evidence when the summary of evidence was taken are not present, Sgt. McKay being on course and Bdr. Tompkins is in hospital.

The Defending Officer states that as far as the presence of Bdr. Tompkins is concerned Bdr. Gould, whose eviden we have already had was present with Bdr. Tompkins in all the material occurrences and as the accused is not challengine the evidence given by Bdr. Gould, and as the accused will be put to the inconvenience of detention, it does not appear to be necessary to have Bdr. Tompkins present, and that the same considerations apply in the case of Sgt. McKay, as far as Defence knows, all the evidence given by him has been given by Sgt. Long.

The Prosecutor disagrees entirely.

The Court states that the evidence given is not contested. There is no need of further evidence.

Defending Officer: The facts are clearly not in dispute; there is only the interpretation to be put on them. The witnesses are not contested at all. The point is admitted that everything that Bdr. Gould says and what Sgt. Long says is admitted.

The Court is closed to consider their decision.

The Court is re-opened, and the following decision is made known.

The Court has given full consideration to the motion of the Prosecution to adjourn to procure the attendance of two material witnesses. They have also taken into account the fact that very full evidence has been given by the proceeding witnesses and in view of the fact that the evidence has not been contested the Court decides that the two other witnesses are not material witnesses.

The Court question the accused. Do you apply yourself to give evidence as a witness.

A. Yes.

Q. Do you intend to call any other witness in your defence?

A. Yes.

Q. Is he a witness as to character only?

A. Yes, in defence, but not in mitigation of punishment.

The accused C1032 Raymond Joseph De La Fontaine, 53 L.A.A. Bty., R.C.A. being duly sworn being examined by Defending Officer states:

On Oct. 30 1941 I was on duty at the gun site from 0730 hours in the morning till 1230 that afternoon, whereas when I got released from duty I went in and had dinner, then Gnr. Waukey (he is a replacement on the gun site with me) and myself went down to the pub at Down, Kent and had some beer, whereas before I got down to the pub I had a bottle of wine which I drank. I also had a small bottle of gin; I drank it too. It is approximately two and a half miles to the pub. The bottle of gin was a half bottle (cost 9/6). I drank it all myself. The wine was Australian Wine, about a forty ounce bottle (cost 8/-). I drank all the wine myself. I was feeling pretty high at the time of going into the pub.but remember ordering three beers for myself and three for Gnr. Waukey. I drank five myself. The woman running the pub asked us to go outside. I had not finished my beer so I said I would go as soon as I had finished my beer. There was an argument about her losing her licence account of serving us. I left about twenty minutes later. I left the hut at about 1400 hours. I felt pretty high after leaving the pub. I knew that I was due to go on duty at 2230 hours. While coming back a L/Bdr. and a gunner, whom I do not know, came up to us and said that we were wanted at the Battery Office account of being A.W.L. As far as I can remember after leaving the Bombardier I left Gnr. Waukey to come back to the gun site. While on the way back I felt pretty sick and had to go across a field to where a farmer was plowing and he had to help me back to the bush; I was very sick. This was about half a mile from the gun site. I went through the bush and went into the hut intending to go to bed and an argument about my being A.W.L. started and the heat in the hut started to make it worse and everything went blank. After that I remember when Sgt. Long and Sgt. McKay and Gnr. Street lifted me up and asked me what I was doing there. I did not know. They asked me if I wanted to go back to the hut and I did. Sgt. McKay put me under close arrest and took me to the guard house. I do not remember having a rifle. They did not mention anything about the rifle when they woke me up.

The accused is cross-examined by the Prosecutor.

Q. When you went down to the pub do you remember going back to the hut?

A. I remember being helped back by the farmer. I walked back by the fields and not by the road.

The accused is questioned by the Court.

Q. You had had very much wine, gin and beer by the time you left the pub. you were going back to the hut because you had to go on duty that night. You had just as much liquor then as when you were in the hut and could not remember instances that occurred in the hut.

A. I was in the cold air outside the pub, and was near a hot stove in the hut.

Second Witness for Defence

Lieut. C. W. Couch, 53 L.A.A. Bty., R.C.A. being duly sworn is examined by the Defending Officer.

Q. Do you recognise the accused?

A. Yes.

Q. What was your relationship to him in the Army?

A. I am Troop Commander and he is under me.

Q. Were you familiar with his work?

A. Yes. He was a very eficient gunner, quite conscientious. He got along quite well; was one of the better gunners. Was in no serious trouble before.

Q. There is a lot of evidence that he picked up a loaded rifle and threatened an N.C.O. with it. Do you think it was likely that he would have done it?

A. Not likely.

The witness is questioned by the Court.

Q. Was the accused in the habit of getting very drunk.

A. No.

The Prosecutor in summing up draws the attention of the Court to the Manual of Military Law, Page 25, Para. 47, Lines 5 & 6.

The Defending Officer makes the following summing up. The defence in this case is that the accused, while it is admitted that he did the physical acts that were described by the witnesses, was in such a state of drunkenness that he was not in a state to know what he was doing and it amounts to a defence in this case. It is very difficult to establish that point but I feel that in this case it is warranted. You have a gunner who in the words of his Troop Commander was a good conscientious gunner. Both Bdr. Wood and Bdr. Gould gave very good evidence as to his character as a gunner and as a soldier. He goes out with another gunner on pay day, and as the accused told the Court, he drank a large quantity of Australian wine, gin and beer.

He came back to the hut, and out of the relatively cold air into the warmth of the hut, and it is quite obvious the effect that that would have on him with all the alcohol he had consumed. He has no recollection of either picking up the rifle, loading it, or pointing it at his superior officer. To be guilty of that charge he must have intention of committing the action. I submit that he had no such intention. Read the Manual of Military Law Page 106, Chapter 7, Para. 9. As soon as he left the hut he wandered some distance into the bush and he was found approximately half an hour later lying on his back asleep. Both what the witnesses state about him and the condition he was found in show that there was not any intention to do what he did. I submit that there is evidence to show incapacity to form the intention. A man cannot be found guilty of crime unless he formed the intention of committing that crime. I feel that a verdict of not guilty should be found on the three charges.

The Judge advocate makes the following summing up. In arriving at your conclusions you should take into your consideration the evidence before you and you may take any military knowledge that you have in making your conclusions. In the first charge, threatening Bdr. Gould with a loaded rifle, the offence of offering violence may be established though there is no actual battery, although the Manual of Military Law mentions the pointing of a loaded rifle as being a from of offering violence. The offence of using threatening language to a superior officer. While you can if you wish certainly consider the evidence sufficient to show it as arrising out of the same set of circumstances as the first charge, or you could take the fact that there were two separate transactions in the event of his being found guilty of the first charge. On the sixth charge, having been placed under open arrest, escaped. That just depends on whether you are satisfied that he escaped after being placed under open arrest. The Defence has asked for an acquittal on the ground that the accused was so drunk as being unable to form the intention and could not form a guilty intent. Intent is an element of all crimes of this nature. Drunkenness cannot excuse crimes of this nature. But Defence points out that he was so drunk as being incapable of forming the intention of offering violence. In a similar civil case the judge stated that ability to perform the act showed ability to intend the act. On reasonable doubt, the Prosecution must prove all the facts it alleges and must prove them beyond possiblity of reasonable doubt. As one writer puts it, such a doubt as an honest heart would suggest to a reasonable mind.

The Court is closed for consideration of the findings.

The Court find that the accused C1032 Gnr. Raymond Joseph De La Fontaine, 3 L.A.A. Regt., R.C.A. is guilty of the first, second and sixth charges.

The Court being re-opened the accused is again brought before it.

The Court considers charges three, four and five to which the accused pleaded guilty.

Question to accused: Do you wish to make any statement relative to the charges to which you have pleaded guilty?

Answer: No.

Insert above

Charges three, four and five are read over again, and the close of the case for the prosecution. Rule of Procedure 40 was complied with.

The Summary of Evidence is read and attached to the record.

The Court is closed for consideration of the finding.

The Court find that the accused C1032 Gnr. Raymond Joseph De La Fontaine, 3 L.A.A. Regt., R.C.A. is guilty of charges three, four and five.

The Court is re-opened and the accused is again brought before it.

The Judge Advocate asks the Prosecutor if he has any documentary evidence.

The Prosecutor calls on Lieut. D.S. Gillies, A/Adjutant, 3 L.A.A. Regt. to identify the documents.

Lieut. D.S. Gillies, 3 L.A.A. Regt., R.C.A. is duly sworn.

Q. Have you any evidence to produce as to the character and particulars of service of the accused?

A. I have. They are A.F. B.296 Statement as to Character and Particulars of Service of the accused and M.F.M. 6.

Q. Is the accused the person named in the statements you have?

A. Yes.

Q. Have you compared the contents of the above statements with the Regimental Books?

A. Yes.

Q. Are they a true extract from the Regimental records?

A. With one exception. The period of time during which the accused has been in detention has not been ammended to date.

The witness now ammends the documents.

The Judge Advocate asks if the Defence has any questions.

Defence examines the M.F.M. 6.

The Judge Advocate asks the Defence if he has any character witnesses to call.

The Defending Officer officer asks that the evidence of Lieut. Couch be considered.

The Judge Advocate asks if the Defending Officer has any statement to make in mitigation of sentence.

A. Although the Court did not see fit to bring in a verdict of not guilty on the more serious charges, it has been shown conclusively that alcohol has been at the base of these offences. The fact that he was very drunk whould be taken into consideration and the punishment should be given on the basis of being drunk and not on the basis of holding up an N.C.O. with a loaded rifle. Since he has come to the battery the only entry on his crime sheet is thirteen hours A.W.L. He has had a very good record. The fact that he has now spent twenty eight days in detention should also be taken into consideration.

The Court is closed for the consideration of the sentence.

SUMMARY OF EVIDENCE

In the case of C-1032 Gnr. DELAFONTAINE, R.J.
53 Battery, 3 Lt. A.A. Regt., R.C.A.

1st WITNESS B-6390 A/L/Bdr. Gould, T.K., having been duly sworn, states:

"On the 30th. October, 1941, I was present at Site L.160, Biggin Hill, Kent. At about 1230 hours Gnr. Delafontaine was reported as absent. To my knowledge, he did not have a pass. At approximately 1600 hours Gnr. Delafontaine returned. There were several of us sitting in the hut at the time. I placed Gnr. Delafontaine under open arrest. He went to his bed at the other end of the hut and got his rifle and loaded it un-noticed to us until we heard the click. As he came up towards us I saw him close the bolt with a round in the chamber. We told him he was acting foolishly and to put the rifle back. We could not persuade him to put it back. L/Bdr. Tompkins and I stepped into the doorway and he said, "Don't try to stop me, or I'll shoot my way out" or words to that effect. He had obviously been drinking a lot. We stepped out of the doorway and Gnr. Street who was behind and to the left could have stopped him but not without endangering the rest of us. He walked to the doorway, turned around with the rifle pointed at us and said, "It wouldn't be advisable for anyone to try and follow me" - or words to that effect. I went to the 'phone and told Sgt. McKay the circumstances and he came up with a search party. Later the search party brought back Gnr. Delafontaine who appeared quite peaceable.

(Signed) L/Bdr. Gould T.K.

Accused declines to cross-examine.

2nd. WITNESS B-6460 A/Bdr. Wood, G., having been duly sworn, states:

"On the 30th October, 1941 I was present as acting D.C. on Site L.160, Biggin Hill, Kent. At about 1230 hours I noticed that Gnrs. Weakey and Delafontaine were absent. They did not have a pass. At 1400 hours I 'phoned Troop H.Q. and reported them as absent. I do not know for certain when they were apprehended."

(Signed) Bdr. Wood G.

The accused declines to cross-examine.

3rd. WITNESS B-9124 A/L/Bdr. Tompkins, L.E., having been duly sworn states:

"On 30th October, 1941 I was present at Site L.160 when Gnr. Delafontaine was reported absent by Bdr. Wood at about 1230 hours. As Bdr. Wood was proceeding on pass that afternoon, I was to succeed him as acting D.C. To my knowledge, Gnr. Delafontaine was not in possession of a pass." At about 1600 hours on 30 October, 1941 Gnr. Delafontaine returned to Site L.160 and I could tell that he was very intoxicated. He was muttering incoherently and I don't believe he knew what he was doing. As soon as he came in L/Bdr. Gould placed him under open arrest. He proceeded to the other end of the hut to his own bed. He came back with his rifle and was loading it on the way up and he put a round in the chamber. L/Bdr. Gould, Gnr. Street, myself, and 2 other Gnrs. talked to him and tried to advise him that what he was doing was very foolish, but he insisted on going out with the rifle and dared us to stop him. At this time he was pointing the rifle at L/Bdr. Gould and myself and was holding the rifle from a hip position. The other two gunners were off to his left side and he was facing the door leading outside. Gnr. Street was behind him. He told us to get out of the doorway or that he would fire. We might have been able to intercept him but thought that someone might have been injured if we did.

Summary of Evidence in the case of C1032 Gnr. Delafontaine, E.J. (cont)

3rd. WITNESS B-9124 A/L/Bdr. Tompkins. (cont)

(if we did) "So we walked over to the side by the two gunners and he walked by pointing the rifle as he went. He warned us not to follow him and headed into some nearby bushes behindthe hut. L/Bdr. Gould went to the 'phone and 'phoned Troop H.Q. and reported the incident to Sgt. McKay, who came out and formed a search party to look for Delafontaine."

QUESTION:- "How do you know a round was in the chamber?"
ANSWER:- "By the time he got to us with the rifle he was close enough for us to see him drive it home."

(Signed) L/Bdr. Tompkins E.

4th. WITNESS C 316 Gnr. Street, H.C., having been duly sworn, states:

"I was present in the hut at L.180 when Gnr. Delafontaine returned. After he came up the hut with the loaded rifle, from the position I was standing, I might have been able to intercept him but L/Bdr. Tompkins and L/Bdr Gould were in the line of fire and I thought the danger involved was not worth the chance of trying to intercept him as I had seen him shove home a round into the chamber and he was using threatening language. I joined the search party when it came and assisted in bringing Delafontaine back into the hut."

(SIGNED) Gnr. Street H.C.

5th. WITNESS C19509 A/Sgt. McKay, D.C., having been duly sworn, states:

"At approximetely 1400 hours on the 30th October, 1941 Gnr. Delafontaine was reported absent by telephone by Bdr. Wood, E.J. informed Battery. At approximetely 1615 hours, by telephone, L/Bdr. Gould informed me that Gnr. Delafontaine had returned to Site and informed me that Gnr. Delafontaine had held up L/Bdr. Tompkins, himself, and others at the point of a loaded rifle and was last seen proceeding into the woods north of Site L.180. I ordered L/Bdr. Gould to remain on the Site and proceeded from Troop H.Q. to Site 180 accompanied by L/Sgt. Belisle, L/Sgt. Long, and Gnr. Turner, J.". At Site 180 we met Bdr. Gould who informed me again of what had transpired and that the accused, who was daffinitely under the influence, had a bit of ammunitionwith him. I then ordered L/Bdr. Tompkins and Gnr. Street to take loaded rifles and accompany the party I already had with me. Gnr. Turner was also equipped with a rifle. Gnr. Turner found Delafontaine approximetely 700 yards north of the Site near Site 189. I was called to the scene. The accused was in a state of unconsciousness with a rifle in one hand and one round of ammunition in the other. I confiscated the rifle and ammunition. There was no ammunition in the rifle, on his person or in the immediate vicinity. I then awakened Delafontaine and escorted him to the Site 180, had him fed and then took him to the M.A.T. Guard Room. The accused was in a state of extreme mentral depression and claimed to have no memory of what had transpired at the hut. He came willingly to the Guard Room.

(Signed) B/Sgt. McKay

The accused declined to cross-examine.

Summary of Evidence in the case of C1032 Gnr. Delafontaine, R.J. (cont)

6th. WITNESS B-9097 A/L/Sgt. Long, J., having been duly sworn, states:

"At about 1600 hours on 30th. October, 1941, a phone call came from 160 to the effect that Delafontaine, after holding up the hut, had gone out into the bush with a loaded rifle. As a result of this, I went out on a search party led by Sgt. McKay. Gnr. Turner and myself heard a noise in the bush. We looked in the bush and found Delafontaine lying on his back, sound asleep with a rifle in one hand and a round of ammunition in the other. There was no ammunition on him or in the rifle. We took him back to the hut and thence to the R.A.F. Guard Room. By the time he was at the Guard Room he was considerably more sober than when we found him.

(Signed)...J.Long.....

Accused declined to cross-examine.

7th. WITNESS Lieut. W.P. Robinson, having been duly sworn, states:

Question by the Court:- "Was Battery Order No. 203, dated 18 Oct. 41 brought to the attention of personnel stationed at Biggin Hill."

Answer:- "Yes, one copy was given to each D.C. and it was their responsibility to see that the personnel knew the contents or it."

8th. WITNESS B-9094 A/L/Bdr. Yewman, C., having been duly sworn, states:

"Between 1600 and 1630 hours on 30 October, 1941 I was in the Battery Office as Orderly Bdr. when a phone call came from Troop that Gnrs. Waukey and Delafontaine were reported A.W.L. I was informed that they were on the Bromley bus. I proceeded to the bus with Gnr. Walker, which was at Downe Hall, and informed them that they were to report to Battery Office. I had my rank badges on at the time. Delafontaine asked me why and I said they were A.W.L.. They got off and asked me to go ahead. As they were not following I came back. Gnr. Waukey wanted to fight and I said no. He was intoxicated at the time. Delafontaine seemed more sober. Waukey grabbed me by the neck and shoved me against a brick wall. ~~XXXXX~~ Delafontaine told me to go ahead and he would bring him up. I turned around and both were walking rapidly down the road away from the Battery Office. That was the last I saw of Delafontaine..

(Signed)...C.Yewman.....

Accused declines to cross-examine.

9th. WITNESS KX92414 Gnr. Walker, C., having been duly sworn, states:

"At 1500 hours 30th October, 1941 I was instructed by L/Bdr. Yewman to accompany him to the London Transport Bus No. 146b to bring back Gnrs. Delafontaine and Waukey whose absence had been reported to Battery H.Q. by Troop H.Q. by phonogram at 1415 hours. When the two men were instructed to report to Battery H.Q. they asked why. When told that they were A.W.L., Gnr. Delafontaine appeared puzzled. When Gnr. Waukey got aggressive Gnr. Delafontaine tried to calm him and suggested to L/Bdr. Yewman and myself to go ahead and he would bring Gnr. Waukey. We did so. After proceeding a few yards we turned to see both men walking rapidly away. L/Bdr. Yewmantold them to come back. When Gnr. Waukey again showed signs of aggression, Gnr. Delafontaine waved us to go on. L/Bdr. Yewman then told me to get a man and a truck.

Question by the Court:- "Was Gnr. Delafontaine, at the time these events transpired, in a drunken condition?"

Prosecution

First Witness for the Prosecution } Lieut M.M. Dixon 3 Bn. R.C.E.

being duly sworn is examined by the Prosecutor.

On 3 May 43 I was A/C.O. 'C' Coy. I recognize the accused. He was a member of 'C' Coy on that date. That day I was acting as Orderly Officer. As a result of a conversation I had with the Orderly Corporal I ascertained that the accused was shot in the foot. There was a hole in the boot which he had taken off. There was bleeding between the toes of Spr. Delage's foot. I had the medical orderly bandage the accused's foot and called the doctor. I had Spr. Delage's rifle given to me by the Orderly Corporal. I examined it to see if it had been fired. The barrel was blackened and it smelt of powder. We searched the ground beside the accused's bed and found a fired cartridge. I then questioned Spr. Delage as to how the event occurred. I had no intention of charging him at that time. He told me that he had been cleaning his rifle and that the end of the rifle was resting on the toe of his foot at the time. The rifle went off. He disclaimed any knowledge as to where the cartridge came from and claimed he did not know it was in the rifle. I understand that the accused had been properly instructed in handling a rifle and the cleaning of it. His section officer would know that better than I. C. Coy at that time was preparing for an inspection by Gen. Lee Naughton. I am not certain now if the accused ever spoke to me about his participation in the inspection.

Cross examined:

I knew the rifle was the accused's because the number on it corresponded with the number of the rifle issued to him as checked by the C.Q.M.S. I did not check the number of the rifle before I examined it. I can definitely say that that rifle had been fired. I only knew that the rifle had just been fired and the empty cartridge which was found had just been used. The accused may have said "I was beginning to clean my rifle."

Re-examined:

I was satisfied that the rifle given to me by the orderly corporal was the one involved in the affair.

By the Court:

I am not certain now which of the accused's feet was the injured one. At that particular time we were inspecting the company about four or five times a day. The rifles were inspected often. I am almost certain that the rifles were inspected that day. The only time the men had live cartridges was when they were on the range. After firing an officer inspected each rifle to see if there were any cartridges in it. I have no explanation as to how a cartridge got in the accused's

rifle.

By the Judge Advocate:

When I examined the accused's foot, he was sitting on his bed in his tent. It was around 2300 hrs. The tent was illuminated by one hurricane lamp. About 20 soldiers slept in the tent. It was a marquee. All 20 of the soldiers had been issued with rifles. I did not ask the accused whether or not he had proved his rifle before starting to clean it.

The witness states that he checked the number of the accused's rifle before he examined it, but did not check it against the number of the rifle issued to the accused until afterwards. I do not now remember the number of the rifle that was handed to me by the orderly corporal.

R.P. 83(B) complied with.

Second Witness for the Prosecution { Capt. A. Lorne R.E.D.M.C. att'd. 3 Bn RCE.

being duly sworn is examined by the Prosecutor.

On 3 May 43 I was M.O. of the 3 Bn. I recognize the accused. That night I was called to attend the accused. I found him with an injured foot caused by a bullet wound. I was satisfied the injury was caused by a bullet. I am not sure now which foot it was that was wounded injured.

Cross examined:

I think the accused was sitting on a bed when I examined him. I do not remember whether Lt Dixon was present or not at the time. Several soldiers were present.

No re examination.

By the Court:

It was between 11 o'clock & midnight. The accused did not explain how the accident occurred. The wound six itself was not serious. I feared that the bone in the little toe might be injured so I sent him to the hospital.

By the Judge Advocate:

I do not know how long the accused was rendered unfit for service as the result of the accident, nor how long he was in hospital. The injury was between the bone of the fourth and fifth toes. There was nothing in the nature of the wound which led me to believe it was self inflicted.

R.P. 83(B) complied with.

Third Witness for the Prosecution { E. 20442 C.Q.M.S. Maguey J.A. 3 Bn R/E

being duly sworn is examined by the Prosecutor.

On 3 May 43 I was in charge of a platoon.

I recognize the accused. He was a member of my platoon & had been since the previous Nov. The accused had been properly instructed in loading, unloading and cleaning the rifle. The men were warned to know the proper way to handle a rifle. They were not taught to put the muzzle of a rifle on their foot before cleaning it. At this time, our platoon getting ready for Gen. McNaughton's inspection. The accused knew the inspection was coming on. I do not remember whether the accused and I talked about the inspection or not. The accused's rifle was inspected on that day. We inspected rifles every day. The accused's rifle was not loaded when I inspected it. I did not pay particular attention to his rifle. As far as I know all the rifles in the platoon were in good shape.

Cross examined:

All the platoon were not always on parade when I gave lectures. Some were on duty - guards etc. I gave rifle instruction to the platoon. The accused was in the platoon. I instructed the platoon not one man in particular but to everybody. There was instruction given in daily cleaning and in cleaning after firing. I cannot say that the accused was present during this instruction. He may have been. The section was told that there was to be an inspection by Gen. McNaughton but not the men individually.

By the Court:

I do not know if the accused has passed his T.O.E.T. in the rifle. I was not in the tent the night of the accident. I do not remember if Gen. McNaughton's inspection was put in orders.

By the Judge Advocate:

I joined the Army as an N.C.O in Sep '39 and have given instruction in the rifle since. The first thing a soldier who is about to clean his rifle should do is to see if it is loaded. When instructing I give this instruction to the men. This is usually the first thing the men are told.

R.P. 33 (B) complied with.

The Court adjourned at 1250 hrs.
The Court re-opened at 1345 hrs

Fourth Witness for the Prosecution } D.129598 Sgt. Fournier J.A.Y. 1 CERU.

Having duly sworn is examined by the prosecutor.

I recognize the accused. On 3 May 43 I was in the same platoon as the accused. I slept in the next bed to the accused. I was asleep in bed. I heard a shot fired and

I woke up. I got up and went to the accused's bed. Orderly arrived I wasn't alone. We picked the accused up. They put a field dressing on his foot. After that the MO arrived. They took the accused away. When I first saw the accused he was leaning against the bed. A rifle was on the ground. I did not notice if the bolt was open or closed. I had no conversation with the accused prior to the incident.

No cross examination.

By the Court:

It was between 10.30 and 11 o'clock. I'm not quite sure. I do not know anything about Sgt. Delage's attitude towards the inspection. When Lt. Dixon arrived they took the boots away. There was a hole in the right boot. I did not notice any other marks on the boot. I had always been in same platoon as the accused. I had spoken to the accused before but not that day before the accident.

By the Judge Advocate:

The accused seemed to me to be quiet, normal during the three or four days before the accident. To my knowledge he did not have any worries. Everybody talked about the coming inspection by Gen. Lee Naughton. I do not know what the accused had to say about it.

R.P. 82 (B) complied with.

Fifth Witness for the Prosecution } B.29661 Spr. Veinneau H., 3 Bn RCE

Being duly sworn is examined by the Prosecutor. on 9 May 43

I recognize the accused. He and I were in 9 Platoon. I was sleeping in a tent with the accused. I was preparing to go to bed when I heard a shot. I shouted "Who fired that rifle". Someone, I don't know whom, said "It was Delage". There was a smoky lantern in the tent. After hearing the shot I went to the accused's bed which was not very far away. He was leaning against the bed. I did not notice a rifle. After I arrived the accused fell down. He was wounded. I looked for the wound. I found a hole in his boot. I saw the wound. It was between the small toe & the next one on the accused's right foot. I could not tell from looking at the wound whether it was a bullet wound or not. I had not any conversation with the accused prior to the accident. There was quite a bit of talk in the platoon about the coming inspection. I do not recall what the accused's attitude towards the inspection was. I had no conversation with the accused after the accident nor did I overhear anything he said.

Cross examined:

Visibility in the tent was quite poor as there was only one smoky lantern lit.

No re examination.

By the Court:

I've known the accused ever since I've been in the 3 Bn. At that time it was about 10 months. The accused was a smart soldier. I helped take the boot off the accused's foot. There was a hole in it. I noticed no discoloration. The accused was lying on his back. He was not saying a word.

By the Judge Advocate:

I noticed nothing unusual about the accused two or three days before the accident occurred. I do not know what time the accused came into the tent that night. I do not remember having any conversation with the accused that night.

R.P. 83(B) complied with.

Civil Witness for the Prosecution } D. 15769 Sgt. Picard J.A. 4 Can. Corps Pay RCE.

being duly sworn is examined by the Prosecutor

I relinquish the accused. On 3 May 43 I was sleeping in the marquise in the bed facing the accused. I saw him come into the tent that night. He went to his bed. I got up to go to the bathroom. The accused said "I am going to clean my rifle for to-morrows morning". I did not see exactly what the accused did as I was on my way out. Just before I got outside I heard a shot fired. I turned about. The accused had fallen on the floor. Sgt. Vermeau came to fetch him up. We took his shoe off and bandaged his foot - I do not remember which one - between the little toe & the next. I did not see a rifle when I first turned around, nor when we were bandaging the accused's foot. Everyone in the platoon was talking about the coming inspection. I did not hear the accused talking about the inspection.

No cross examination.

By the Court.

No one brought another light

By the Judge Advocate:

I have known the accused since Aug 41. For several days prior to the accident the accused was in a good humour.

By the Court:

I did not hear the accused express a desire to return to Canada, at any time during the prior to the accident.

R.P. 83 (B) complied with.

The defending officer addressed the Court, contending that the prosecution had failed to establish a prima facie case with respect to both charges. "There is no evidence of intent wilful injury, nor does the evidence show that the accused was negligent in any way. Negligence has not been proved.

The Prosecution addressed the Court, admitting there is no evidence to support the first charge; but contended that there is evidence of negligence on the part of the accused with respect to the second charge.

The Defending Officer made no reply.

The Court is closed at 1515 hrs.

The Court allow the application

The Court is re-opened at 1545 hrs and the accused is advised of the Court's decision. The accused is found not guilty by the first and second charges.

I have known this man for some time, about 6 months. He is a good worker but not very reliable. He is a nervous type. He was working in the kitchen most of the time I knew him. I don't think he is a very good man.

FIRST WITNESS:

D-63711 Cpl Gratton J.P. 3rd Bn., R.C.E. "C" Coy having been duly sworn states:-

On the 16 May 1944 I was on duty as Fire Piquet and Orderly Cpl. At 2230 hrs I made the Tattoo report for No.9. Pl. and found that Spr Delage R was not present for my roll call. I went to see Cpl Brunet and asked him to certify for himself that the Spr in question was absent. Around 2245 hrs I returned again to check on the accused, he was still absent so I put him AWL on my report. As Cpl of the Guard I told the guard on duty Spr Collette to report to me the time that Spr Delage came in.
On the 17 May 1944 Spr Delage was put on Guard Duty. About 1200 hrs I went to see him, and informed him in the presance of Spr Taillon, the other guard, that he was under open arrest being charged with being AWL the previous night. I told him that he must consider himself under open arrest, and he said that I would have to relieve him from his Guard duties I replied that it was impossible that he would have to carry on with his duties even tho gh being open arrest.
At 0830 hrs on the 18 May 44 Spr Collette reported to me that Spr Delage had come in at about 2300 hrs on the 16 May 1944, so I advised Spr Collette that he would be a witness against Spr Delage's charge of AWL. While I was talking to him the accused Spr Delage was going by, and he stopped, as he was finished his guard duty, and was proceeding to his billets. He spoke to me saying: "it takes a depraved ("esocurant") man to put a Spr AWL for a half an hour". I turned to him and said, that it was my duty to put a charge against him, and that I was the one who was responsible if the Provosts had picked him up. As we proceeded up stairs in the building, he used abusive language to me. When I noticed that he was treating me with such names I told him to keep quiet or he would force me to place another charge against him. And then he turned around on the stairs, came down them towards me, and ~~xxidxinxi~~ grabbed me by the throat, and said that if I'd put another charge against him he would throw me through the window. While he talked ~~xixxxx~~ thus he edged me over towards the window which was about three feet behind me. I said nothing, and struggling attempted to move away from the window. Cpl Brunet who was near the top of the stairs when Spr Delage took hold of me came down to help me, but Spr Delage finally let me go before he could interfere. I then told Spr Delage that I would have to charge him, and proceeded to do so.
Later about 1800 hrs Spr Delage was absent from the OC Parade, so I went back in the building to look for him he was missing so I reported as AWL to the CSM. The duty Cpl and the Cpl Provost were advised that Spr Delage was absent, and were ordered to bring him back and place him under ~~obbse~~ arrest. That same night around 2100 hrs I was looking out the window when I saw Cpl Arseneault struggling with the accused, and calling the Guards to help him. With the help of a Guard and a another man they were holding Spr Delage on the sidewalk, and were taking away the beer bottles from his tunic, then they raised the accused, and brought him struggling towards the guard house.

SECOND WITNESS:

D-15608 Cpl Brunet L "C" Coy 3 Bn., R.C.E. Having been duly sworn states:-

On the 16 May 44 at about 0815 hrs I was in front of the Birdham Hotel. When I was going into the house I noticed Cpl Gratton and Spr Delage who were arguing together. I heard Cpl Gratton say: "You are lucky to have escaped with so little". The Spr Delage entered the house followed by Cpl Gratton with me behind them, as I was going up the first part of the stairs I noticed that Spr Delage was continually arguing with Cpl Gratton on the second section of the stairs. As Spr Delage reached the hallway Cpl Gratton had reached the platform between the two sections of the stairs. Spr Delage turned and said to Cpl Gratton "Don't bother me any more with your charges, or I will throw you out the window". As he had said this I had reached the platform, passed Cpl Gratton and was proceeding up the second section. Cpl Gratton asked him to repeat what he had said. Spr Delage then again repeated the same thing, and Cpl Gratton told him that for his insubordinate language he would have an additional charge. Spr Delage on hearing this called Cpl Gratton a "Baveux" and at the same time rushed down the stairs and grabbed Cpl Gratton by the throat or collar. As he grabbed him he attempted to drive Cpl Gratton towards the window which was two or three feet away. When I noticed that he was threatening Cpl Gratton I came down the stairs to them and told Spr Delage to let Cpl Gratton go. Spr Delage released the Cpl and proceeded up stairs.

At or about 0230 hrs on the 17 May 1944 I was going up the stairs at Birdham Hotel behind Cpl Gratton and Cpl Brunet and Spr Delage. Passing them by on the stairs I could see that they were having words, that is Cpl Gratton and Spr Delage. When I was half way up the stairs I heard Spr Delage call someone a "Baveux" and then I heard Cpl Gratton say "Would you repeat those words" the Spr Delage turned around and went down the stairs to Cpl Gratton. By this time I had reached the upper hallway took two steps down to see what it was all about, and noticing that they were arguing turned around and proceeded to my room. If anything happened it must of happened before I looked back, or after I had proceeded to my room.

On the 16 May 1944 at 1700 hrs I called the parade for the OC's ~~XX~~ Parade. They were seven men on this parade including the accused. The latter was not on this parade and I sent Cpl Gratton to check why he was not there. He came back and reported that Spr Delage was missing. Under order for the OC Coy, I notified the Cpl of the Provosts that as soon as the accused was apprehended he was to be put under close arrest. Around 2030 hrs I saw Spr Delage walking out of the building and proceeding up the street. I immediately ordered Cpl Arseneault who was Ord. Cpl and Cpl of the Guard to take a guard and to place the accused under close arrest.

Q.1. Would you consider that this man was drunk?

A.1. He was not so much under the influence of liquor that he did not know what he was doing, for he could walk properly.

THE ACCUSED DECLINES TO CROSS- EXAMINE:

SIXTH WITNESS:

Major Beaudet G. OC "C" Coy 3 Bn RCE having been duly sworn states:-

On the 18th May 1944 at about 1000 hrs I saw a charge against Spr Delage and gave instructions that he be paraded to me at supper time. At I was at my desk at about 1715 hrs when CSM notified me that the accused was AWL and that he could not be paraded. I gave instructions that the orderly Cpl and the Provost Cpl be notified that as soon as Spr Delage was apprehended he was to be placed under close arrest. At about 2130 hrs Cpl Arseneault reported tome that he had attempted to apprehend Spr Delage, and that the latter had struck him. A little later between 2200 hrs and 2230 hrs I saw Cpl Arseneault outside the building holding Spr Delage on the ground, and with the help of the guards was removing beer bottles from the tunic of the accused. I also saw Cpl Arseneault holding the accused while he directed him to a room in the Birdham Hotel. Spr Delage was resisting Cpl Arseneault and when he saw me demanded to be released. I told him that it was too late, and that I could do nothing for him.

Q.1. How was Spr Delage resisting?

A.1 He was struggling to get away.

Q.2 Would you consider that the accused was drunk?

A.2 He was not drunk, but I would say that he was slightly under the influence of liquor.

THE ACCUSED WISHES TO CROSS-EXAMINE:

Q.1 Where did they place me after I was placed under close arrest?

A.1 The first room next to the kitchen at Birdham Hotel.

SEVENTH WITNESS:

G-49071 Cpl Arseneault L.J. "C" Coy 3 Bn RCE having been duly sworn states:-

Between 2130 hrs and 2145 hrs 18 May 1944 I was ordered by the CSM to go outside and put Spr Delage under close arrest. I was on duty as Cpl of the Guard. As I was going out of the building, I called the guards and Spr Dionne came up the road with me. Spr Delage was going in the opposite direction away from the building. He turned around and saw us coming, and began to run. The guard and I took chase. He ran about 500 yards, and stopped and turned around. I talked to him saying, "Come with me as I have been ordered to put you under close arrest, and you must consider yourself as such". He replied to me that he was not coming because he did not want to come back, and then he pulled out an empty beer bottle and started to swing it. I saw the bottle was going to hit me, so I put up my arm to protect my head, and the bottle hit my elbow. I was stunned as I though my elbow was broken, and he got away as the other guard was about 50 feet behind him trying to make him listen to reason. After he had hit me with the bottle, I still tried to reason with him telling him that he was only making matters worse for himself, but he would not listen. He then escaped and I went back to the Ord. Rm., reported to the CSM and proceeded up to see the MO. About 15 minutes later Spr Delage came back in front of the building, and I went out to him again. I told him he had better come quietly as things were bad enough as they were. He said he wanted to go to his own room, but I told him this was impossible as he was under close arrest. He said he would not go into the guard room, so I called the guards, and we over came him as I thought he would escape again. After overpowering him, Spr Dionne took three empty beer bottles out of his tunic on my orders. He resisted but when finally overpowered, and put to the ground, he ceased. When in the guard room at about 2215 hrs he escaped by putting his blankets through the barbed wire in the window and crawling through them, Spr Verville who was on guard came and reported this to me. He was recaptured soon after in the kitchen.

Q.1 Would you consider that this man was drunk?

A.1 He was not drunk, but had some liquor.

Q.2. Why do you say he was not drunk?

A.2 Any man who can run 500 yds as fast as he did certainly was not drunk.

Cpl Arseneault held his hurt arm in his other hand, and tried to reason with Spr Delage telling him not to be foolish that he would be alright, and that he was only bringing him back to the barracks. Spr Delage said he was tired of the Army, and that he was leaving. Spr Delage then ran awayin my direction. Cpl Arseneault gave me orders to stop him. I wish to give evidence upon oath.

D-15791 Spr Delage R. "C" Coy 3 Bn., R.C.E. having been duly sworn states:-

On the 16 May 1944 at 2300 hrs I reported to the guard on duty as I was late for the tattoo report. He told me that he had orders from Cpl Gratton to report the time of my arrival so I proceeded to bed. I was nervous from the bombing of the night previous, and I awoke with a start, and could not get back to sleep. At 0800 hrs on 17 May 1944 I was placed on guard duty at Birdham Hotel. I did my duties all that day, and all that night when my turn came. It was cold, and it had rained all day, and part of the night. Cpl Roux, Spr Desautels, and Spr Taillon were with me on guard duty. We had nothing to make a fire with to keep ourselves warm, and shivered all day and all night in an effort to keep warm. I was on the last shift in the morning. About 0805 hrs the 18 May 1944 as I was coming off guard I met Cpl Gratton in the stair way and he told me I had a charge and that I could consider myslef pretty lucky to get away with it with so little. I don't know just how I took the news and I told him not to bother me with any charges, and that if he did have any charges to place, to go ahead and make them, but leave me alone about them. He kept on talking, and I continued up the stairs. I then turned around, and began abusing him; he then told me that I would have an additional charge for what I had just said. Then I must have lost all control and cannot certify as to what I did after that. Cpl Brunet told me to come with him, and I proceeded up stairs to get undressed. A few minutes later Cpl Brunet returned, and told me to come down and parade to Major Beaudet. I waited all morning, and at noon I was told that I would be paraded later. I left and went over to the Social Club to have a drink of liquor to help take away the shivers thinking it would do me good. It had no effect, it was like taking water. I had more drinks, but not many. There were a few civilians there to whom I talked. Then I lost all reason, something that had never happened to me before. I remember waking up about 6 o'clock in the evening. I saw Spr R Lefebvre who came and saw me, and said that I looked sick and nervous. I told him that I was. He offered me a bottle of beer telling me that it would do me good, so we drank it, and then proceeded to the Pub where we had more beer. There I met Spr Rioux D. and Spr Blais C. with whom I had some more. I never noticed too much how many, as we were drinking and talking. I again lost my memory. I woke up all of a sudden like out of a bad dream, and I was having a cup of tea and a piece of bread in the kitchen. L/Cpl Cloutier came in, and told me to come along with him to the little room behind. I came out of the kitchen, and and with Major Beaudet's permission slept in the Gd Rm.

I am Capt D B Cameron, QM SHOC. When the Bn is in the line I am OC 'B' Echelon. At approx 1600 hrs 18 Oct 44 a draft of reinforcements arrived at 'B' echelon. The roll was checked and all personnel were accounted for. At that time I told the reinforcements that they would not be going forward for a day or so but that xxx they would remain in the area and be prepared to move forward on short notice. The accused whom I now recognzie was present on that parade. The following day at approx 1600 hrs I received word to send reinforcements forward. Before embussing the reinforcements I had the nominal roll checked. The accused Pte Delahunt and one other soldier were absent. I had not since seen or heard of the accused until 27 Jan 45.

So after staying in the area, all that night and up till 1500 hrs on the 19 Oct 44 I decided to go down the road a short distance to have some Italian Food. When I returned to the area, I found the reinforcements had gone forward I decided then if I were to be charged with probably 2 hrs AWL, I decided to have a few more days. I think I heard Capt Cameron say we were going forward at a moments notice. I can't clearly remember. Had I known I were to be charged with Desertion I would never have left.

SECOND WITNESS FOR DEFENCE K37029 S/Sgt Duddle J.H. XXXXX D C M, SHOC having been duly sworn states:

I am K37029 S/Sgt Duddle J.H.,DCM. I recognige the accused as Pte Delahunt. The accused with me when I was CSM of 'C' Coy from Crtona until he was wounded in the Gothic line. During the time he gave us no trouble whatsoever and I found him at all times willing to co-operate in anything we wanted to have done. During the rough battle of the Hitler Line he remained with us all day and was one of the very few men who arrived at the objective. He helped evacuate the wounded, did everything I think a soldier could possibly do in that battle. When he was wounded in the Gothic Line, he tried his best to stay up in the line instead of being evacuted. With regards soldiering in the Coy he was alwasys willing to co-operate with his pln and I have seen him many times preparing food and at all times being a help in that respect. One of the men in a pln who has the spirit I would be willing to take him back in the company.

R.P. 83 (b) complied with.

Cross examination by Prosecution - None

Examination by Court - None

CLOSING ADDRESS BY PROSECUTION

In the case of C77817 Pte Charles Leslie Delahunt, I have shown by evidence that the accused after having been warned to proceed to a fwd area absented himself without leave to avoid so proceeding until apprehended in Perugia, 69 days 23 hours later.

I fell that it is the duty of the court to find the accused guilty as charged.

" A Foulds " Lieut.

CLOSING ADDRESS BY DEFENCE

I would like to point out the following facts to the court.

(A) Firstly that Pte Delahunt had no intention of deserting.

(B) Secondly that he had no idea of the seriousness of the offence at the time it was committed.

(C) Thirdly the duty to which he is accused of avoiding was not definitely defined in the order given to him or the consequences of same.

" Lieut D H McKay "

PLEA OF MITIGATION

Pte Delahunt has had practically four years service with the Canadian Army. Which he joined voluntarily. He spent 3 yrs as a Cpl instructor at an Officers Training School. Reverting voluntarily to a Pte again in order to take his place more easily in the field. He was wounded in serving with a rifle coy in the Gothic line. He feels that his efforts are wasted as a rifleman and has repeatedly tried to obtain work in the transport in which he has been thoroughly trained and proven efficient. He has dependents at home whom he does not wish to bring disgrace upon and desires to atone for his mistakes as quickly as possible in order that he can return to his comrades who want him back. He has had an excellent record up and until the occurrence of the offence with which he is charged and since his apprehension has served with his comrades in a forward area.

I am K53509 CSM Elaschuk J. CSOC, HQ Coy. At 1600 hrs 19 Oct 44 I was sending reinforcements up to the unit. I lined the men up and had a roll call, and found that Pte Delahunt was missing off parade. I sent the reinforcements forward and checked the area to see if Pte Delahunt was in it. I could not find him so I placed him on the absentee report. I recognzie the accused as Pte Delahunt.

Cross examination by Defense.

The last time before the roll call that I had seen Pte Delahunt was at noon that day on meal parade.

I had issued no warning order but Capt Cameron had.

SECOND WITNESS FOR PROSECUTION Capt D B Cameron having been duly sworn states:

I am Capt D B Cameron, QM SHOC. When the Bn is in the line I am OC 'B' Echelon. At approx 1600 hrs 18 Oct 44 a draft of reinforcements arrived at 'B' echelon. The roll was checked and all personnel were accounted for. At that time I told the reinforcements that they would not be going forward for a day or so but that xxx they would remain in the area and be prepared to move forward on short notice. The accused whom I now recognzie was present on that parade. The following day at approx 1600 hrs I received word to send reinforcements forward. Before embussing the reinforcements I had the nominal roll checked. The accused Pte Delahunt and one other soldier were absent. I had not since seen or heard of the accused until 27 Jan 45.

Cross examination by Defense

I ordered the draft to remain in the area and be prepared to go forward at a moments notice.

DEFENCE

The prosecution have not established a Prima Facie case against Pte Delahunt. He is charged with desertion and facts brought out by the Prosecutions witnesses tend to point towards the non compliance with an order relating to an indefinite duty followed by absence.

" Lieut D.A. McKay " Lieut.

Submission by Defense that prosecution has not established a Prima Facie case. The court did not consider it necessary to hear from the prosecutor in reply.

On the 18 Oct 44 when the order to stay in the area was given the Captain stated there was no neccessary fighting going on up forward and it would be a day or two days before we went forward. So after staying in the area, all that night and up till 1500 hrs on the 19 Oct 44 I decided to go down the road a short distance to have some Italian Food. When I returned to the area, I found the reinforcements had gone forward I decided then if I were to be charged with probably 2 hrs AWL, I decided to have a few more days. I think I heard Capt Cameron say we were going forward at a moments notice. I can't clearly remember. Had I known I were to be charged with Desertion I would never have left.

During the time he gave us no trouble whatsoever and I found him at all times willing to co-operate in anything we wanted to have done. During the time he gave us Line he remained with us all day and was one of the very few men who arrived at the objective. He helped evacuate the wounded, did everything I think a soldier could possibly do in that battle. When he was wounded in the Gothic Line, he tried his best to stay up in the line instead of being evacuated. With regards soldiering in the Coy he was alwasys willing to co-operate with his pln and I have seen him many times preparing food and at all times being a help in that respect. One of the men in a pln who has the spirit I would be willing to take him back in the company.

CLOSING ADDRESS BY PROSECUTION

In the case of C77817 Pte Charles Leslie Delahunt, I have shown by evidence that the accused after having been warned to proceed to a fwd area absented himself without leave to avoid so proceeding until apprehended in Perugia, 69 days 23 hours later.

I fell that it is the duty of the court to find the accused guilty as charged.

" A Foulds " Lieut.

CLOSING ADDRESS BY DEFENCE

I would like to point out the following facts to the court.

(A) Firstly that Pte Delahunt had no intention of deserting.

(B) Secondly that he had no idea of the seriousness of the offence at the time it was committed.

(C) Thirdly the duty to which he is accused of avoiding was not definitely defined in the order given to him or the consequences of same.

" Lieut D H McKay "

PLEA OF MITIGATION

Pte Delahunt has had practically four years sercie with the Canadian Army. Which he joined voluntarily. He spent 3 yrs as a Cpl instructor at an Officers Training School. Reverting voluntarily to a Pte again in order to take his place more easily in the field. He was wounded in serving with a rifle coy in the Gothic line. He feels that his efforts are wasted as a rifleman and has repeatedly tried to obtain work in the transport in which he has been thoroughly trained and proven efficient. He has dependents at home whom he does not wish to bring disgrace upon and desires to atone for his mistake as quickly as possible in order that he can return to his comrades who want him back. He has had an excellent record up and until the occurrence of the offence with which he is charged and since his apprehension has served with his comrades in a forward area.

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

OPENING ADDRESS BY THE PROSECUTING OFFICER

The accused is charged with disobeying the order of a superior officer and is charged under Sec 9(2) which states that anyone subject to military law who commits the following: disobeys any lawful command given by a superior officer. I want to show that there was a disobedience, that the disobedience was immediate and that there was actual non-compliance with the order given by his superior officer, Sgt Greenhill.

D.3

EVIDENCE FOR THE PROSECUTION

First Witness, B61409 Sgt A.J. GREENHILL, HQ Sqn (6H), 5 Cdn Armd Div, having been duly sworn is examined by the Prosecuting Officer:

Q. 1 Will you state in your own words just what happened on the night of 17 December?

A. 1 On the night of 17 December at approximately 1800 hrs while working at my job down at the barracks, I met the accused coming out with a motorcycle and he said he was going up to the garage to repair a flat tire. The motorcycle belonged to Tpr Harper who was on duty at Main Div and apparently the accused had told Tpr Harper he would fix the tire. I gave the accused permission to repair the tire. At approximately 2330 hrs I thought I had better go up and see if the motorcycle had been repaired owing to the fact that on the morning of 18 December, Main Div was leaving on a scheme. I went up to the garage and found that the motorcycle had not been worked on. I went back to the barracks and found the accused sleeping. This was around 2400 hrs. I woke him up and asked why he had not repaired the tire and he said he had had words with Cpl Bromhead and would not repair any tire around where Cpl Bromhead was. It was midnight and I thought the accused was the most eligible to repair the tire owing to the fact that he had started the job. When I asked him why he had not repaired the tire he replied that he had had words with Cpl Bromhead and that he was not fixing any tire around where Cpl Bromhead was, so I explained to him that the tire had to be fixed for the scheme before morning and that he was to get up, put his clothes on and go on up and fix it. He rolled over, pulled the blankets over his shoulder and said he was not fixing any tire that night. I told him he would either fix the tire or I would place him in the guard house. He repeated what he had said about not fixing any tire so I told him to get out of bed and I woke up Tpr Mannoch and marched him up to the guard house. On the way up to the guard house I gave him two opportunities to reconsider his decision and he said he had started this thing and was going to see it through and did not want any chances whatsoever and that he was not going to fix the tire.

Cross Examination by the Defending Officer

Q. 2 Would you mind repeating to the Court your exact words to the accused?

A. 2 I came into the room and the accused was sleeping so I said "Get up and put your clothes on and repair the tire".

No re-examination.

By the Judge Advocate

Q. 3 What were your duties in the Sqn on this night in question?

A. 3 I was and still am DR Sgt for HQ Sqn.

Q. 4 What are your duties?

A. 4 To train the DRs as a troop when not on scheme and I more or less control them under Capt Hill's supervision.

Q. 5 Was the accused a DR?
A. 5 Yes, he is one of my men.

In the opinion of the Court and the Judge Advocate it is not necessary to comply with R.P. 83(B).

The witness withdraws.

Second Witness, M49927 Cpl O.L. BROMHEAD, HQ Sqn (6H), 5 Cdn Armd Div, having been duly sworn is examined by the Prosecuting Officer:

Q. 6 Will you tell the Court in your own words what happened on the night of 17 December so far as the accused is concerned?
A. 6 I had just come in from towing a truck and I noticed the accused taking a wheel from our truck which was packed for the scheme in the morning. I told him to leave it on as that wheel and tire was for the scheme. I also told him there was patching material to repair the motorcycle tire. I decided then to let him have the tire and wheel as he put up an argument. Then the accused went around to the back of our fitters' truck and when I came around there he was in one of the boys' boxes which I told him to stay out of. I told him that if one of the boys caught him in there, they would bounce a hammer off his head. We refuse to allow anyone to monkey with any of the tool boxes. The accused then left.

Cross Examination by the Defending Officer

Q. 7 When you went around to the rear of the truck you found the accused looking in one of your tool boxes. Can you tell me the conversation which took place?
A. 7 I asked him what he was doing in the box. He said he was looking for tools to change his motorcycle wheel. I told him to leave the box as we had tools to remove tires from wheels. I told him he had no business being in the boys' boxes.

Q. 8 Did you in any way threaten him?
A. 8 No, sir.

Q. 9 Did you say "Get out of there or else"?
A. 9 No, sir.

No re-examination.

By the Judge Advocate

Q. 10 Did you see the accused working on a motorcycle tire?
A. 10 No, sir, the only tire I saw was the one on the front of our truck.

Q. 11 What was he doing with it?
A. 11 He was removing it.

Q. 12 Did he put it back again when you told him?
A. 12 I remember tying it back on myself and then I decided to let him have it.

Q. 13 What happened then?
A. 13 From then I could not say what happened to it.

Q. 14 You do not know where he took that wheel?
A. 14 No, sir.

Q. 15 You said you had tools to fix tires?
A. 15 Yes, sir, we carry them.

Q. 16 Are these apart from the individual's tools?
A. 16 Yes, sir.

Q. 17 Do you know whether the accused knew where these were?

A. 17 No, sir.

Q. 18 How would the accused get these tools which were in the tool boxes?

A. 18 He would have to ask the boys permission to get them.
