Upon checking our records we found that they were unpacked on 29 Jan 45. I identified them as Govt property as they were mrked with lot numbers and Can-Mech. This fd was rented by a man named Chas Portway, a Publican of Lent Green.

CROSS-EXAMINED

Q. Do you recognise the accused?

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

SECOND WITNESS

U.1889 S/Sgt NELSO FR, SIS, Cdn Pro Corps, CMHQ, hwing been duly sworn, states:

I saw the accused at this unit on 29 Mar 45 at 2000 hrs, told him who I was and I cautioned him and inf rmed him of the nature of my inquiries and he made to me avoluntary statement which I took down in writing and which he signed in my presence. This is the statement which the Prosecutor has now shown me.

THE DEF OFFR MADE NO OBJECTION TO THIS STATEMENT BEING ADMITTED IN EVIDENCE

STATEMENT MARKED EXHIBIT 1

Q. Did you see the accused later?
A. Yes, on the 31 Mar, when I handed him the statemat made to me by another soldier, I cautioned him and he made another statement which I took dwn in writing and which he signed in my presence.

THE DEF OFFR MADE NO OBJECTION TO THIS STATEMENT BEING ADMITTED IN EVIDENCE

THE COURT REOPENED AND THE DEF OFFR SAID THAT THE ACCUSED WOULD NOT BE GIVING EVIDENCE NOR CALLING ANY WITNESSES.

THE DEFENCE IS CLOSED

STATEMNT BY THE PROSECUTOR ON THE FINDING

I draw the Court's attention to P.107 MML, Chap 7, para 16, and again to the statement he maie to the S/Sgt of the SIS. He asked no questions because there was no necessity to ask any questions. He knew very well that the £ was in fact, payment for his part in the transaction, and I therefore submit that the accused is as fully responsible as though he had committed the offence himself.

STATEMENT BY THE DEF OFFR ON THE FINDING

THE COURT IS CLOSED TO CONSIDER ITS FINDING

THE COURT IS REOPENED

PLEA IN MITIGATION

The accused is married, and was a paper worked in Canada. He has a clear conduct sheet, and is a man of good character. He asked me to bring out the facts in this case clearly and this I have attempted to do. His category is U2, Sir.

STATEMENT of:

Begins:

I have been cautioned by S/Sgt. NELSON, of SIS, that I do not have to say anything unless I wish to do so, but that whatever I do say will be taken down in writing, and may be given in evidence.

To show that I understand this caution, I sign my name here. L. De Piero

States:

I arrived at No 1 Cdn. Base Park around the middle of January 45 and since then have made three or four trips to a Canadian vehicle assembly plant at SLOUGH, Bucks. to get salvage lumber and dinner is ready with Spr HAYWARD and Spr LAVERGNE

Over a month ago on a trip with Spr. LAVERGNE we picked up a double load of salvage wooden cases - about three small cases on the truck, and 3 or 4 cases on the 6 ton trailer we had. I don't know what Spr. LAVERGNE signed for in the office. I waen't there. After we got out of the factory LAVERGNE said something about getting rid of the load on the truck. I figured he was going to try to sell it. We stopped outside the plant, and at his request I got out and unhooked the trailer. He then drove down to a public house, where he stopped and went in. I stayed in the truck. In a few minutes he came out again with a civilian who got in the truck with him (I got on the back of the truck) and he drove up to a little field a short piece away by the main road and pulled into the field by a little shack. There was snow on the ground at the time. I helped undo the ropes on the load and LAVERGNE dumped the wood in the field. I got in the back of the truck again, the civvy got into the cab with LAVERGNE he drove out to the road, and the civvy got out. I did

L.D.

not see any money change hands, although I figured LAVERGNE would be paid for the wood. I don't know how much he actually got. I got back into the cab and we drove ~~another way~~ straight back to ~~the~~ where the trailer was. We hitched the trailer on again and drove straight back to A/1 Base Park.

On the way back Spr. LAVERGNE handed me a pound note which I put in my pocket. Nothing at all was said and I asked no questions. We checked in at A/1 Base Park in the usual way and never referred to the matter again. I don't think I've been with Spr. LAVERGNE on any trip since then.

Neither Spr. LAVERGNE nor Spr. HAYWARD ever took anything else they weren't supposed to have from the assembly plant at SLOUGH, and ~~so far as~~ I know of I myself have never been mixed up in anything like this before or since. I really had nothing to do ~~with~~ beforehand with taking the wood. It was all news to me when it happened.

I think I'd recognize the civilian again if I saw him and I'll say what I know in a civilian court if they ask me to.

I have read over the above statement which has been made voluntarily without fear of any threat or hope of favour to come and it is all true. I have had the chance to cross anything out or add anything at all to this statement.

STATEMENT BY THE DEF OFFR ON THE FINDING

Sommary of Case.
H. 43161 Spr. Depiero.

1. Spr. Depiero arrived from Canada in Nov 1944. He was totally inexperienced as regards procedure and customs of the Ca Army in England. He was put with an experienced Privt to learn the ropes and find his way around. Unfortunately he became unknowingly involved in an illegal transaction initiated and carried through by the very person who had been detailed to instruct him in his duties.

His first reaction to the affair was when he was given some money by Spr. Lavergne. Being new to the Unit he was reticent about squealing on another soldier and thought that perhaps this sort of thing did happen overhere. It must be remembered that the first thing a new member of a Unit has to do is to get along with his new comrades and doing something which earns you the name of a squealer don't help any. If he had been more experienced he might have reacted differently. In view of the above, I ask the Court to find him not guilty

APPENDIX 'A'

STATEMENT OF MR J. MASON.

I, J. MASON, INSPECTOR at the Canadian Mechanization Depot, Slough,

On 22nd March 1945, I, in company with Mr J. Douglass, Mr Ridout of Citroen, and Det; Constable Turner visited a field situated off Gore Road, Burnham where I saw a quantity of packing case timber.
The timber was distinctly marked "CAN-MECH", CANMILITARY".
I identified the following cases, T.W.S. 114. T.W.S. 117. and T.W.S. 124.
These cases had contained Mobile Servicing Trailers and were unpacked at Citroen 29th January 194[illegible].
The field in which the above mentioned lumber was found is rented by Mr Charles Portway, the licensee of the Pheasant Public House, Lent Green, Burnham, Bucks.

THE PROSECUTOR PRESENTED A CERTIFIED EXTRACT FROM UNIT PT II ORDER DATED 30 DEC 44 RELATING TO THE ACCUSED.

EXTRACT OF UNIT PT II ORDER MARKED EXHIBIT 1 BY THE COURT

FIRST WITNESS

L.28004 CSM (WO II) HASTINGS AO, 1 CITR, having been duly sworn, states:

I am the CSM of the Trg Bn, 1 CITR, and the accused whom I now recognize reported to me at 2100 hrs 16 Jan 45 and I put him under arrest because he had been AWL.

NO CROSS-EXAMINATION

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

THE PROSECUTION IS CLOSED

- DEFENCE -

FIRST WITNESS

The accused, having been duly sworn, states:

Sir, I went on leave at 1200 hrs 23 Dec 44 and I reported back to 1 CIRU on 16 Jan 45. When I went on leave I was sick with a cold and went to LONDON and on Sun 24th, it got worse. My leave was to expire at 2359 hrs on 25 Dec 44, and I went to bed on the 24th with pains in my shoulders and legs. I went to the Dr's on Wed, the 27th, and he gave me some medicine, pills and ointment for my shoulders and legs. I told him when he asked me when I was going back that I was going back the following day, but he told me I had bronchitis and muscular rheumatism. Coming back from the Dr's it was foggy and the busses had stopped running and I had to walk about a mile to 18 Bayham St where I was staying and I got soaking wet as I didn't have my greatcoat on, and the next day when I tried to get up I was beat and I stayed in bed. This was on the 28th. On Fri the 29th I wrote a letter to the OC of "D" Coy, Maj Wright, and my wife mailed it for me the next day, and in this letter I explained the posn I was in and I expected instructions what to do. He knew why I was in London and understood the personal reasons as to why he would not call in a doctor. I've been living with a woman for some time who is legally separated from her husband, and she has a child by me, and the people in the house have thought all along that I am her husband and I didn't want to call in the doctor for fear it might open up her character. Sir, I waited for an answer to this letter, nobody called however, and I kept taking treatments and hot baths, etc, and so on the 11th Jan 45 I got up, I was very weak and just moved around the house. I stayed in too all this time except my trip to the Dr on the 27th. On 16th Jan I felt a lot better and came back and reported back to 1 CITR. This is the certificate from the Dr whom I saw on the 27th Dec.

DOCTOR'S CERTIFICATE MARKED EXHIBIT 2 BY THE COURT

Q. When you went to see the Dr the first time why did you not go back again the second time?

A. I couldn't get out of bed.

Q. Did you pay the Dr for the consultation?

A. Yes, 7/6, Sir.

CROSS-EXAMINED

Q. Exhibit 2 does not state that you were unfit to travel?
A. I was at the time I got it but I wasn't the next day after I got soaking wet, Sir.

Q. You didn't call in the Dr the second time?
A. No, because of the reasons stated and because I didn't have the money to pay him, Sir.

QUESTIONS BY THE COURT:

Q. You wrote this letter yourself?
A. Yes, it was addad to the CC of "D" Coy, 1 CITR, Sir.

Q. Did you have a leave pass when you went to London on the 23rd?
A. Yes, this is the pass.

LEAVE PASS MARKED EXHIBIT 3 BY THE COURT

Q. Did you read the para on the back of the pass headed "illness on leave"?
A. Yes.

Q. Why didn't you apply to the nearest unit of the Cdn Army?
A. For the simple reason that the weather was bad and I was afraid of getting pneumonia, Sir. I knew where this civilian Dr lived and knew exactly how I could get to him and that's why I went there.

Q. Why didn't you get your wife to do it?
A. She has a baby to look after, Sir.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH KR 63(3).

SECOND WITNESS

Mrs. Florence BLACKBURN, 18 Bayham St, CAMDEN TOWN, LONDON, having been duly sworn, states:

I recognize the accused and he came to visit me on the 23 Dec 44 on leave, complaining of pains in the back and he had a very bad cold. I advised him to go to bed but instead of that he got steadily worse and then on the 27th I told him he had better see a Dr and he went to see a Dr and got a certificate, also some lotion for rubbing, pills and medicine, and the Dr told him to keep warm. He stayed in bed until the 11 Jan and then got up and sat in front of the fire saying he still had pains in the legs and then later he came back saying he felt a lot better although he didn't look so good to me.

Q. Did you have any discussion as to whether he should go to an Army authority?
A. I did mention it but he was ill and I didn't like to worry him too much.

Q. Did you mail any letters for the accused while he was there?
A. Yes, I didn't take notice who they were addad to as I was in a hurry to get to the mail box with a couple of my own.

Q. Did he mention whether or not he had written to his CO?
A. We had a discussion as to whether he should but what happened after that I don't know.

Q. You don't know?
A. I don't know.

CROSS-EXAMINED

Q. Did the accused say anything about visiting the nearest mil authority about getting an extension on his leave?
A. He couldn't as he was in bed.

Q. Did he say anything about it at all?
A. He said it was generally done, to notify his CO.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

THIRD WITNESS

1633808 Gnr CHAFFIN A, 1st Med Heavy AA Regt, OSWESTRY ST, SALOP, having been duly sworn, states:

I recognize the accused, he lives at 18 Bayham St, the same house where I live. Between the 24th Dec and 16 Jan I was stationed in Milhill Emergency Hosp and during this time I went to my house on several occasions and I saw the accused there. I arrived home on 24 Dec on 48 hrs pass and my wife told me that DePippo was in bed and I went upstairs to see him and saw him lying in bed. He told me he had pains in his back and chest and I saw him again on the 3 Jan, the 6th Jan, the 7th, 10th, 13th and 14th. He was in bed up until the 10th and on the 13th he was sitting up by the fire and he complained of still feeling bad. All the way through he looked sick and as if he could have done with some med treatment.
E

CROSS-EXAMINED

Q. All the times you saw the accused up until the 11th he was in bed?
A. Yes.

Q. Is there a phone in the house?
A. No.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

THE DEFENCE IS CLOSED

THE PROSECUTOR ASKED LEAVE TO CALL MAJ WRIGHT IN REBUTTAL.

LEAVE GRANTED.

FIRST WITNESS FOR THE PROSECUTION IN REBUTTAL

Maj PG WRIGHT, 1 CITR, having been duly sworn, states:

I am the CO of "D" Coy 1 Trg Bn 1 CITR and I recognize the accused - he was up before me on a charge of AWL, this present charge, and he is a member of "D" Coy. The accused stated that he had sent me a letter during the period of his absence but I recd no such letter and have still not recd it to this time.

CROSS-EXAMINED

Q. Have you always recd all mail which has been sent to you?
A. No, I have had mail missing.

Q. Is it not ~~xxxxxx~~ feasible to assume that letters in the Can Army are apt to be held up for a long time or to go astray?

A. Yes, that's feasible.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

STATEMENT BY THE DEF OFFR ON THE FINDING

The accused has been charged with AWL and to be AWL one must have med grounds to be found guilty. If the accused is found to have been sick during his leave and fulfills the conditions which are laid down by the Army to prove that sickness, then the Court will find the accused not guilty. I would draw the attn of the Court to Ex 3 para 4, sub para "C", in this regard.

STATEMENT BY THE PROSECUTION ON THE FINDING

It is my duty as Prosecutor to prove that the accused went absent. My witness has said that he was absent at the times stated However, the accused did report back to his unit and as far as the letter is concerned the accused was quite right in writing it and it is not his fault if it did not reach Maj Wright, but I'm wondering why he didn't telegraph, however he was quite justified in sending the letter. I think that is all I wish to say, Sir.

CASE OF

E42314 Private Normand Roger DERAICHE and H95806 Private Donald Norris McPHAIL.

After the accused had both been arraigned, the President asked the Defending Officer if either of the accused desired separate trials to which the Defending Officer answered NO.

FIRST WITNESS FOR THE PROSECUTION

Lt WH CRAIG, 1 CASCRU, being duly sworn states:

I was the officer in charge of No 2 MAC Incr from about 19 Sep until 23 Nov 44. My HQ were at SWINDON. During that time the fitter and the DM were not permitted to take vehicles out on test runs without a work ticket properly signed either by myself or by the corporal despatcher, and in the latter case to be ratified by me. I recognize both the accused. McPHAIL was the fitter and DERAICHE was the DM.

CROSS EXAMINED BY DEFENDING OFFICER

Q. WHAT SORT OF A WORKSHED DID YOU HAVE AT THE TIME YOU LEFT?

A. We had two DMs and a fitter and we had a shack and a tarpaulin stretched over a couple of trees.

During the whole period we were up there we had to scrounge parts all over the place, and that was done by various people and the sergeant did most of it; some of it was done by McPHAIL and DERAICHE sometimes went with McPHAIL. The work ticket depended entirely on the job. If, for example, there were runs from airport to hospital, we gave them a work ticket for the trip and return. If it was a work ticket for a duty vehicle for use in the area, a general area work ticket was made out for the day.

We had 33 ambulances, one 60-cwt, 4 MCs and one 8-cwt.

The fitter was kept very busy and sometimes he worked nights. I don't think DERAICHE worked more than one or two nights all the time I was there, sometimes they worked together.

Sometimes spotlights had to be fixed at night. If they took a vehicle to test its spotlights, they would have to do it after dark. Our camp was about three miles from SWINDON. I did not make an organized check of the condition of the spotlights. I would check them when they were on the road. I cannot remember checking the vehicle CA 4236273.

Our ambulances were used to carry the wounded from BROADWELL Aerodrome and from DOWN ALDNEY Aerodrome to any one of the Canadian Hospitals at WATFORD, BRAMSHOTT, TAPLOW, BASINGSTOKE and CONNAUGHT, also we took wounded to an English hospital at STRATTON.

While I was there we evacuated patients after midnight a few times. Normally the convoy left the aerodrome before midnight.

The spotlights on ambulances are very bright because there was heavy American traffic and the Americans have very bright lights; it gave the patients being carried protection. We got these lights about the beginning of September. We scrounged them from time to time.

If I wished to test spotlights, I would take the vehicle out on the road to do it.

Myself and the corporal despatcher were the only persons authorized to sign work tickets. Either one of us were always on duty.

113

Normally while I was there we got the all clear from the aerodrome for that night, but sometimes I was on duty trips. There were two despatchers, both were corporals. Sometimes they had to hunt for me to get work tickets signed. Ordinarily the driver of the vehicle would come to me and get a work ticket signed.

I cannot remember anything peculiar about ambulance CA 4236273, I think that RUSSMAN was the driver of it. He also was my batman and he did not use it very much.

We used the 60-cwt for recreational transport. I don't recall any of the ambulances being used for recreational transport. I used a 8-cwt. There were about 93 in all in the detachment. We thought that the 60-cwt and the 8-cwt were not enough for recreational transport, this accounting for the witnesses coming to the trial in an ambulance from the detachment. That was the normal way they would be sent. We never carried civilians in the ambulances for recreational purposes to my knowledge.

We had a parade at 0830 hrs, one at 1200 hrs and the last at 1800 hrs. The drivers, with the exception of hut orderlies, were present. Medical orderlies were present, the cooks were not. McPHAIL was not required to be present. Also latterly I excused DERAICHE from parades. From time to time, I warned the parade that vehicles should not go out without work tickets. I think DERAICHE must have been present at one of such parades, but McPHAIL, as a fitter, never went on parades to my knowledge. My statement would be to the effect that no vehicle would go without work ticket.

To my knowledge, no fitter or DM went on tests without a work ticket. I have seen them doing test runs on the road, I never stopped them to see if they had a work ticket.

Our park was in two sections. One was enclosed and the other across the road was not enclosed. At night we had one guard on the camp side of the road and the other guard was in the park across the road.

RE-EXAMINATION

Normally a vehicle would go out scrounging but an authorized work ticket was signed. I have seen vehicles taken on the road for the purpose of testing spotlights.

When personnel were sent to HQ 2 MAC, it was usually because the ambulance needed some repair.

RE-CROSS EXAMINATION

Orders were that no persons should come to FARNBOROUGH in an ambulance unless the ambulance had to come down for repair. The distance is 65 miles.

In the opinion of the Court it is unnecessary to comply with RP 83(3)

SECOND WITNESS FOR THE PROSECUTION

Lt GH RINEHART, 2 MAC Increment, 1 Cdn Adm Tpt Coy, RCASC, being duly sworn states:

I recognize the accused. Since 22 Nov I have been officer in charge of the detachment at SWINDON.

On the morning of 3 Dec 44, I went out to the camp approximately 1100 hrs. L/Cpl LAVIGNE informed me that one of our vehicles had been

involved in an accident the previous night.

I was informed by my sergeant that there was going to be an identification parade at 1200 hrs. I then went over to the vehicle park to check the ambulances and found that CA 4236273 had been damaged. I saw the vehicle.

The police had not arrived at 1230 hrs for the identification parade, and found that they would not be there before 1430 hrs. I later met the accused in the drying room, and told them they would have to be on identification parade at 1430 hrs. They told me they had heard nothing about the parade. At 1430 hrs the identification parade was held. After certain things had happened on that parade, I tried to locate HQ but could not get them. I got in touch with HQ the next morning. I them had both accused paraded to me. I did not give them a legal caution. I reported to Col McARTHUR. I them took statements from various witnesses.

CROSS EXAMINATION

I did not authorize either of the accused to take ambulance CA 4236273 on any trip on 2 Dec 44. This is the work ticket for that ambulance for the period including 2 Dec 44. (Work ticket marked Exhibit 1 by Court). It is not signed by me, it is signed by Capt VAN LUVEN who is CO of the entire increment at FARNBOROUGH. It was in fact so signed on 1 Dec 44. I never at any time authorized any vehicle to be taken out on test or otherwise without a work ticket. They could take a vehicle without a work ticket to gas up at STRATTON. That is approximately 1½ miles away.

[redacted]

I did not write out any part of the work ticket (Exhibit 1). I first saw this work ticket in the morning of 3 Dec 44 to the best of my recollection. It was signed by Capt VAN LUVEN when I saw it on 3 Dec 44. The work ticket shows a duty run from SWINDON to FARNBOROUGH and return 1 Dec 44. Capt VAN LUVEN was not at SWINDON but at FARNBOROUGH on 1 Dec 44. The work ticket is dated 1 Dec 44. It is very probable from the condition of this work ticket that the vehicle went from SWINDON to FARNBOROUGH without the work ticket signed and that it was signed by Capt VAN LUVEN when the vehicle got to FARNBOROUGH.

I saw the accused DERAICHE on 30 Nov about going to the QM at FARNBOROUGH with certain papers. I told him about the trip, he was to get a work ticket the next morning. I did not give a work ticket. Ordinarily the work ticket would have been issued the next morning. I cannot remember whether or not I saw McPHAIL that night.

All work tickets could be signed by myself or Sgt YEATMAN. No one else was authorized to sign work tickets. We used the orderly corporal as despatcher but he had no power to sign work tickets.

On the evening of 2 Dec I left camp at approximately 1830 hrs and was in my billets in SWINDON. I saw Sgt YEATMAN on duty before I left. That day the all clear came from the aerodrome at 1730 hrs.

While I was there I held a parade at 0830 hrs and another at noon and the last one at 1700 hrs. I have seen each of the accused on parade but I cannot say they were always on parade. Cooks were excused. There is no excuse given to the fitter. As far as I know the two accused were the only fitter and DM which we had. There is enough work to keep

them busy but they did not have to rush. The vehicles were not moving much at that time.

At about 1730 hrs, 2 Dec 44, the two accused spoke to me in the men's kitchen. They were discussing some work they had done that afternoon and they said they had got the 60-cwt in working order again. I said: "That's fine, we will be able to have recreational transport this evening to go to SWINDON - 4½ miles away". We had on a previous night used an ambulance for recreational transport but not on any other night while I was there. The accused were talking with me about spotlights. I mentioned that I had noticed the fog lights were not adjusted properly on some of the vehicles and I would like them to look into the matter. Spotlights should be adjusted in accordance with Routine Orders, so that the light would shine in the ditch 20 or 25 feet in front of the vehicle. That did not mean they would have to go on the road to test them. They could test right in our own camp. It is not necessary to go on the road to test spotlights. I was approximately 10 days with the detachment. I say it is not necessary to go on the road to test spotlights. I did not tell the accused to test the spotlights, I told them to adjust them. I thought they could do this in the car park. The cars are parked in the park across the road. There is a public road running through this park but the traffic is very light. I am not sure whether CA 4236273 was parked there on 2 Dec 44 or not. I did not tell them where to go to make the adjustment. I could not swear that they did not go on these runs without tickets. I had seen them going down the road in a vehicle for which I had not signed a work ticket, but YEATMAN might have. I had intended to put a stop to this practice. I had seen them do this once 3 or 4 days before the accident.

I don't recall mentioning on parade that vehicles should not go out without work tickets, but Part I Orders were published here at FARNBOROUGH and were on file in the orderly room. They are not posted in the living huts or the workshop. The detachment has only one copy. They were not then being read on parade.

We had two guards on at night. One was at the gate of the camp to see that no vehicles left without work tickets. The other guard was to patrol in the park across the road and his duties were the same. As far as I know these guards were on duty on the night of 2 Dec 44. They were on from 1900 hrs until reveille. The guards were changed every three hours. It is the duty of the orderly corporal to inspect the guards. I lived in billets in town, I had my meals there.

The orders were that ambulances were not to be used except to carry wounded. I received order from FARNBOROUGH to send an ambulance with Pte DERAICHE to FARNBOROUGH to attend a court martial. I believe that one civilian was carried. At no times were ambulances used to carry civilians on recreational transport.

I cannot remember signing any work ticket for the accused to test vehicles. I don't recall warning them on parade that they needed work tickets. I did not think it was necessary. I never in SWINDON or elsewhere stopped my vehicles to see if they had a work ticket, but I often took the number and when I returned to camp asked Sgt YEATMAN respecting the authority. I took alternate duty at night with the Sgt staying until 1030 p.m. I never signed a pass for Sgt YEATMAN to be off. Sgts can stay out till midnight without a pass. They had my telephone number if any emergency arose. I was never telephoned.

I cannot recall how often I saw either of the accused on parade but I did see them.

I inspected the workshop daily when I was there. There is no necessity for either of the accused to do any night work. When Mr CRAIG was there they had more vehicles and the ambulances were going night

and day. While I was there the ambulances were not moving much.

I never signed a work ticket for either of the accused to go and scrounge parts.

RE EXAMINATION BY PROSECUTING OFFICER

Other ranks usually come into the orderly room to get their work tickets. The Part I Orders are accessible to them there.

I gave no direct order to either of the accused to fix the spotlights on that vehicle that night. I am not a mechanic but it seems to me possible that spotlights could be adjusted in daytime.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

THIRD WITNESS FOR THE PROSECUTION

Capt HM LAURENCE of 4 SRD, RASC, being duly sworn states:

Going to my billets about 2315 hrs on 2 Dec 44 I heard a crash nearby and went in the direction from whence it came. I went to see if any help was needed. My billet is at 12 Whitworth Road, Swindon. When I got around the corner I found a jeep and an ambulance had collided and the driver of the jeep appeared to be injured. He was an American. After examining him on the side road with other people who were present, I asked one of the soldiers with the ambulance to take him to hospital with their ambulance and they told me they could not on account of the damage. I then asked to pull the ambulance on the side of the road and got the man in to keep him warm. I told them I was going down to a nearby fire station to ring up an ambulance to collect the injured man. This I did and when I came back I found the ambulance and the injured American had disappeared.

I spoke to two soldiers about taking the injured man in the ambulance when they told us the ambulance had been injured.

It was not a particularly dark night. As a result of a telephone call which I received next morning, I went up to the Cdn lines about two miles outside SWINDON. I got there between 1100 and 1200 hrs. I was asked to inspect a parade to see if I could identify any of the men I had seen at the scene of the accident. I think there were approximately 40 men on that parade. I inspected them going around all three ranks. I did see one man on that parade whom I had seen the night before, and I identified him. This is the man pointing at the accused Pte McPHAIL. I saw another man on the identification parade who I was a bit uncertain about, but I went back to the parade a second time and I was then certain of the second man. I now say that the accused DERAICHE is the second man whom I saw on the night of the accident. He is the second man whom I identified at the parade.

CROSS EXAMINATION BY DEFENDING OFFICER

On the identification parade I did not have either of the accused moved out of the ranks. Neither of them in my opinion knew that I had identified them. They did not hear what I said to Lt RINEHART.

When I saw the ambulance on the night of 2 Dec there was a lot of petrol under the ambulance and under the jeep, the jeep being somewhat underneath the left of the ambulance. I could not say whether or not the driver of the jeep had been drinking. I saw no evidence of drink.

In the opinion of the Court it is unnecessaryt to comply with RP 83 (B)

FOURTH WITNESS FOR THE PROSECUTION

Mr Frederick CRUMPLET of 106 Kingsdown Road, Upper Stratton, Swindon, Wilts, being duly sworn states:

On 2 Dec 44 at about 11.00 p.m. I was riding my bicycle along Cricklade Road in SWINDON and an ambulance passed me going very slowly. I followed close behind. I thought the ambulance would turn right at the corner but the ambulance pulled in the kerb its front wheels being turned as though he were going to turn into a road on the right. Then another vehicle came from the opposite direction and collided with the ambulance. After hearing the crash, I put my bike down on the opposite side of the roadway and I went over to the ambulance expecting there were some wounded being carried in it. Two ladies got out and I did not notice how they were dressed, I thought they must be there to attend the wounded.

I went around the left side of the ambulance where the jeep had run into it to see what had happened. Then saw two soldiers trying to push the jeep back from the impact. I helped them push the jeep back. We shoved the jeep back and parked it on the other side of the road and there was a man in uniform lying on the verge across the pavement and the two females were leaning by him to see what could be done for him. I knelt down too. Then an officer came along and he ordered one of the soldiers to put the injured man in the ambulance where he said it would be much warmer. The soldiers put the wounded man in the ambulance. The ambulance then moved off with the wounded man. I would not know these soldiers if I saw them again.

CROSS EXAMINATION

The ambulance was moving at between 10 and 15 miles per hour when I was following it on my bicycle. I did not see the lights of the approaching jeep but I could not have seen it as I was behing the ambulance. There were no lights on the jeep after the crash. I don't know how fast the jeep was going and I heard screeching of brakes and tires and there was considerable impact.

In the opinion of the Court it is unnecessary to comply with RP 91(B)

FIFTH WITNESS FOR THE PROSECUTION

Miss Peggy Rudman of 10 Hurst Crescent, Pinehurst, Swindon, Wilts, being duly sworn states:

Some weeks ago I went to a dance with my sister in Harding Hall, Gorse Hill, Swindon. We came out of the dance at 11.00 p.m. We were with Don and Frenchie. That is Don pointing at McPHAIL and that is Frenchie pointing to DERAICHE.

We got into the back of the ambulance with Frenchie and Jean. Don drove the ambulance. We started to drive home. I looked through the sliding panel and found that we had gone too far so I told Don to turn back. He made a slight turn and then there was a crash. We got out of the ambulance and we went around to the front and there was an American there by the front of the ambulance. There was an officer there and he took the American on the grass on the side of the road and then my sister and I went over to where the American was lying. He appeared to have a bad cut on his head. I helped to wipe the blood off his head. The American got up and went back to his jeep and then my sister and I went home.

I had met Don and Frenchie before twice on some previous nights.

I was present at an identification parade at Old Town Police

Station at SWINDON. I did not identify them as being present on that parade. They were on the parade, I saw them there.

CROSS EXAMINATION BY DEFENDING OFFICER

I did not notice any loud crash when the jeep hit the ambulance, but the ambulance doors were closed.

I think we were driving fairly slow.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

SIXTH WITNESS FOR THE PROSECUTION

Miss Jean RUDMAN, of 10 Hurst Crescent, Pinehurst, SWINDON, being duly sworn states:

On the night of 2 Dec 44 my sister and I and Frenchie and Don came out of a dance. It was about 11.00 p.m. That is Frenchie pointing to DERAICHE and that is Don pointing to McPHAIL.

I had known Frenchie about three weeks before this date. I met Don a couple of nights after I met Frenchie.

My sister and I and Frenchie got into the back of the ambulance. Don went to drive. We started off and we were going along when my sister pulled the sliding panel down and we told Don that we passed our turning. He said he would take the next turning. Then we got to Stratton X-roads and we stopped. We went forward a little and then we stopped again and then there was a bump. We got out of the back of the ambulance. We went around and we saw an American. He was being helped out of his jeep which had run into the ambulance. Someone took the American onto the grass and laid him down. We stopped there for a bit and then my sister and I left.

CROSS EXAMINATION

My home is on the way from SWINDON to the Cdn camp where Don and Frenchie lived. I live not far from STRATTON X-roads. The ambulance was stopped before the jeep hit it. We had not been driving very fast.

In the opinion of the Court it is unnecessary to comply with RP 83 (B)

SEVENTH WITNESS FOR THE PROSECUTION

Mr Stanley James SNEDDON of 40 Lindon Ave, Pinehurst, SWINDON, Wilts, being duly sworn states:

One afternoon early in Dec, the accused DERAICHE came into my home. During the conversation an accident was mentioned. My wife asked DERAICHE which accident it was and he turned to the wife and said that Jean RUDMAN could tell her all about it. Jean RUDMAN and her sister Peggy were also present in my home, and Jean RUDMAN then told the wife about the ambulance and the jeep. They had been coming home from a dance, had missed a right turning, that while they were turning a jeep had hit the ambulance, and that when they got out there was an American on the side of the road with blood on him. They said they did not stop long. The accused did not deny anything we said. During the following day DERAICHE told the girls not to worry, that there was not much said and there was nothing to worry about. I had seen DERAICHE before at a

cafe which I had been running at Cricklade Road. I did hear the name of Don mentioned as driving the ambulance but I never saw him.

EIGHTH WITNESS FOR THE PROSECUTION

C121948 Pte FRASER, AK, 2 MAC Incr to No 1 Cdn Adm Tpt Coy, being duly sworn states:

On the night of 2 Dec 44 at about 2330 or 2345 hrs, I went to the vehicle park together with the accused whom I now recognize. We looked at all the vehicles, we saw an ambulance which was damaged on one side. The carrier for the petrol tank was damaged. I did not notice its number.

CROSS EXAMINATION

I never drove an ambulance. I never noticed any ambulance going out without a work ticket, but I was working in the kitchen. I don't know of an ambulance ever being used for recreational transport, I went into town in a 60-cwt that night.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

NINTH WITNESS FOR THE PROSECUTION

Arthur John BARNBROOK, PC 111, SWINDON, Wilts, being duly sworn states:

On Saturday 2 Dec 44 at 2330 hrs I was on duty at Gorsehill Police Station, SWINDON, when I received a telephone message that an accident had occurred at Upper Stratton X-roads, SWINDON. I immediately went there arriving at 2340 hrs where I saw Capt LAURENCE who informed me that an accident had occurred. I saw an American jeep parked on a piece of waste ground on the offside of the road. This jeep had been very badly damaged at the front. I also found 4 beer bottles on a piece of waste ground, 3 empty and one full. (Beer bottles marked Exhibit 2).

The American military police arrived with their jeep, Pte FOSTER. We then proceeded to Stratton St Margaret Hospital and in consequence of what I was told by the orderly I went to Stanton Fitzwarren, Hants Copse. Later I saw two lines of ambulances and examined them and found one CA 4236273 which was damaged. There was a cut on the near side panel which correspond with the bonnet peak of the jeep if a jeep had hit it there. The petrol carrier just underneath the chassis and the petrol carrier tank which is on the same side was punctured at the rear. At the scene of the accident there was quite a drop of petrol on the road.

On the following day I accompanied Capt LAURENCE and the American military police to Stanton Fitzwarren. There was an identification parade and Capt LAURENCE identified two men. He said nothing in the hearing of these two men whom he identified. I later assisted Sgt Hammond of the SIB in his investigation

In the opinion of this court it is unnecessary to comply with RP 83(B)

The prosecutor stated he did not feel it necessary to call the following witnesses:

A103064 Pte EARNSEY, JJ.
B89156 Pte BUTTS, IH.
D138858 Pte JUSSEAUME, R.
L154284 Pte NEVARD, RA.

The Defending Officer said he did not require them for cross examination.

The Prosecutor said that 20316224 Pte LOVE, RVL, was not available as he was outside of ENGLAND.

TENTH WITNESS FOR THE PROSECUTION

Maj JH CORNELL, No 1 Cdn Adm Tpt Coy, being duly sworn states:

I submit in evidence printed copy of ORO 3510. (Order marked Exhibit 3).

I also produce MT Drivers Regulations authorized by the said ORO. (MT Drivers Regulations marked Exhibit 4).

I am Maj JH CORNELL, Officer in Charge of workshop, No 1 Cdn Adm Tpt Coy, of which 2 MAC in an Incr.

I examined vehicle CA 4236273 on 30 Dec 44 for the purpose of making out an estimated cost of repair and I found the following:

Left side of body damaged
Petrol carriers damaged
Petrol tank damaged

Labour, 16 hours at three shillings an hour equals £2.8.0.

CROSS EXAMINATION

Q. Why did it take so many hours to repair these three things on the ambulance?

A. The left lower body panel was dug in. That necessarily means we have to remove it to straighten it, which takes a long time removing all the screws. That takes a body man. It also has to be painted. The petrol carrier has to be removed and straightened. It takes a lot of work to fix a petrol carrier. There is a great deal of work to do in repairing a gas tank, all of which would take 16 hours at three shillings an hour. Sixteen hours was an estimate, but I am sure if we checked it up it took longer than that.

In the opinion of the Court it is unnecessary to comply with KR 83(2)

ELEVENTH WITNESS FOR THE PROSECUTION

D105030 Pte LAVIGNE, HC, 2 MAC Incr to No 1 Cdn Adm Tpt Coy, being duly sworn states:

I was the orderly NCO for the detachment on 2 Dec 44. I went on duty some time in the afternoon and I came off the following morning.

There was a trip authorized to TAPLOW during my tour of duty. There were no other trips authorized except the recreational trip to SWINDON with the 60-cwt. There was no authorized trip for vehicle CA 4236273.

CROSS EXAMINATION

I think I went to the SWINDON detachment in October and I was

there until after 2 Dec 44. I was a despatcher when Lt RINEHART was there. Either Mr RINEHART or the Sgt signed the work tickets. Lt RINEHART gave me permission to sign work tickets if he or the Sgt were not there. I did not sign any on the night of 2 Dec. I think Lt RINEHART signed the ticket for the recreational transport.

I remember something about DERAICHE coming to FARNBOROUGH on 1 Dec.

I do not know of any vehicle going out from there without a work ticket. I think the accused took out vehicles on test runs without work tickets. It was generally taken for granted that they were allowed to take vehicles out on test runs without work tickets. If they want to test a vehicle they could go to SWINDON, that is approximately four miles away. I think STRATTON X-roads is about half way between the camp and SWINDON.

I have seen a few Part I orders on the file in the office. They are on the wall on the right-hand side facing the outside door.

RE-EXAMINED

I could not say whether it was accepted by the officer that the accused could take cars out for tests without work tickets.

I imagine that anybody coming in would have to ask to see Part I Orders before they were allowed to read them.

In the opinion of the Court it is unnecessary to comply with RP 83(R)

Lt RINEHART, SECOND WITNESS FOR THE PROSECUTION, recalled, still under oath states:

The distribution of MT Drivers Regulations (Exhibit 4) as laid down by this unit is one MT Drivers Regulations per vehicle. I did not have a chance to check while I was there whether this was being complied with. I have seen some in the front part of vehicles at SWINDON.

CROSS EXAMINED

Q. Of the 93 men in your detachment, how many are drivers?

A. Approximately half or perhaps a little better are drivers. I don't know whether either of the accused have driving licenses. I did not examine the drivers' licenses in the detachment.

The Prosecutor produced in evidence certified copy of Unit Part I Order No 53 marked Exhibit 5 by Court. The Prosecutor produced certified copy of Unit Part I Order No 17 marked Exhibit 6 by Court.

In the opinion of the Court it is unnecessary to comply with RP 83 (R)

THE PROSECUTION IS CLOSED

EVIDENCE FOR THE DEFENCE

FIRST WITNESS FOR THE DEFENCE

E42314 Private Normand Roger DERAICHE, being duly sworn states:

I have never seen MT Drivers Regulations (Exhibit 4) before. They were never issued to me. I have been in ENGLAND about two years. I am a qualified driver. I was never issued with any drivers regulations. They were never read on parade to me. I never saw Part I Orders at SWINDON detachment. I never go on parade. Sgt YEATMAN told me I did not have to go on parade.

I often go on road tests. Some times you will drive a vehicle 30 miles without finding trouble. I never got a work ticket for going on a road test. I recognize this work ticket (Exhibit 1). I saw this work ticket on 30 Nov. I went to the Orderly Room. I was a witness in a court martial at FARNBOROUGH, I was to take the other witnesses and I drove the car down to FARNBOROUGH on 1 Dec. Lt RINEHART gave me the work ticket and the log book. There is no copy of Exhibit 4 with the log book. When I got the work ticket there was no officer's signature on it. It was signed by Capt VAN LUVEN at FARNBOROUGH at about 1600 hrs on 1 Dec 44. It was noticed that the ticket was not signed. There is no repair required for the ambulance which we drove down here in.

In the afternoon of 2 Dec 44, it was Saturday, someone came for McPHAIL and myself.

At about supper time we went in the kitchen, there we saw Lt RINEHART and he said he had received an order from CMHQ to have the spotlights repaired in every vehicle, so that they would turn on the left ditch 20 feet in front of the vehicle. I told him we would have to work at night and that we could not adjust it in daytime. Me and McPHAIL went back to the hut and we would work that night and adjust the spotlights. We waited until it was dark. At about 2000 hrs we went to our tool shed and took some tools and we went over to the park across the road. We decided to take CA 4236273 because McPHAIL wanted to test the seal beam as he had previously worked on it. McPHAIL said: "I don't think it's really good like that. We had better take it on road test where we will pass other vehicles and see how it works". I went to the tool shed and got the "On Test" sign. I put this sign in front of the ambulance and we went to SWINDON. That is about 3½ to 4 miles.

Our ignition cut off. It took us at least 1½ hour to find the trouble, and we took Cricklade Road to go back to camp.

I said to McPHAIL "I have somebody to see at the dance". I saw my girl Jean RUDMAN and her sister Peggy. McPHAIL stayed outside. I danced a couple of dances with her. I saw McPHAIL come at the door. He said "It's time to go, come on". I said "Let me dance the last dance". The girls came out with us. I said to McPHAIL "We will take the girls home, it is on our way, we have to pass where they live". He said "OK". They got in the ambulance with me and McPHAIL drove. We went down the road and the girl said he missed the turning. I said to McPHAIL "You missed the road". He said he would turn at the next intersection. He missed the next intersection because we had to pass a bicycle. He went to turn around, something hit us. We were just stopped when we were hit. I had not seen any vehicle approaching. I could have seen through the slide if it had lights. I heard the crash and I and the girls got out of the ambulance. I saw the American in front of the vehicle. I looked in the jeep, there were no lights

on the jeep. I saw the ambulance with a gas tank busted. I asked the American what had happened. He said "Look at my head, I have a sore knee. I took him on the grass and my girl and I laid him down. The officer told us to take the American to hospital. The American told us he would be paying for this for the duration as he was on the loose. We then took the American to hospital.

We made no accident report because we thought we could repair the ambulance ourselves. We could have done that in two hours each.

I saw many guys drive an ambulance to SWINDON if they wanted to go there. I never heard it was against the rules to take vehicles without a work ticket. I had to take a civy to SWINDON. That was one of the witnesses who was at the court martial. I asked the assistant adjutant for a chit to authorize me to carry the civilian. The Sgt told me I would have to wait for this chit. The assistant Adjutant told me I did not need a chit to carry a civilian in No 1 Adm Tpt. He said "Go ahead".

Q. Who gave orders to repair vehicles?

A. The driver would come in if there was anything wrong, he would tell us to fix it.

CROSS EXAMINED

I qualified as a driver mechanic in Bordon, England, early in 1944. There was no driver in our unit. I was only taking a test down there and they passed me. I never took a driver mechanic's course in ENGLAND.

Q. Do you ever read Part I Orders?

A. They did not show Driver Mechanic Regulations. At SWINDON I never read Part I Orders, I never saw an order in the hut.

No officer ever authorized me to take out a vehicle on tests without a work ticket.

I cannot read English but I talk it. I went to Grade 5 in school in Quebec. No officer ever told me that I could take a vehicle on tests without work tickets. They have seen me out on plenty of occasions, but they never stopped me.

SECOND WITNESS FOR THE DEFENCE

H95806 Private Donald Norris McPHAIL, No 2 MAC Incr to No 1 Cdn Adm Tpt Coy, being duly sworn states:

I have been at SWINDON about four months before 2 Dec 44.

I have heard the evidence of DERAICHE and it is true but I would like to and wish to explain how the accident occurred. I was going to turn right into the cross street but a bicycle came along and that put me beyond the intersection. I thought I could still make the road to the right but when I partially turned I realized I could not. I stopped. It was a wide road and I intended to back up and make the turn to the right. I saw no light on the jeep that hit me. I could have seen them come over a long distance.

DERAICHE did say to RINEHART that the testing of spotlights would have to be done at night. I did not hear the officer raising objection.

I had been quite busy while Lt CRAIG was there when the ambulances were moving all the time but was not busy when Lt RINEHART came when the ambulances were not moving so much.

I think it was proper to go out at night to test the spotlights. This can best be done on the road. It cannot be done within the park, as there were ambulances parked all along the kerb that Lt RINEHART referred to.

SWINDON is a very foggy area. The American traffic was heavy and the lights were bright, and our lights should be adjusted to counteract it.

I think that we made an average of 25 trips on the road on tests per week. We never used work tickets at any time while I was there. I was employed there as a fitter. I sometimes went to the American camp to get some needed supplies or welding without a work ticket, or to scrounge parts. I only had fitter's kit, no welding or other kit. I only had two work tickets all the time I was there. That was to enable me to go to NEWBURY salvage dump.

Q. Do you know this book (MT Drivers Regulations)?

A. I have not seen Drivers Regulations (Exhibit 4). I have no idea where Part I Orders are kept at SWINDON. I had no idea until today where they were kept. I was never on any of the regular daily parades at SWINDON.

At about 2000 hrs that night we decided we would fix the spotlights and we both walked down to the tool house. We picked up three wrenches, a screwdriver and a pair of pliers. We went down to the vehicle lines and backed CA 4236273 in position onto the road. We partially adjusted the light and decided to take it out on the road. We went back to the tool house and got the road test sign. Just before we reached SWINDON the ignition went off and it took a long time to find the difficulty.

I quite often had seen civilians in ambulances in the evenings.

CROSS EXAMINED

It would be dark enough to adjust spotlights after 1900 hrs, on 2 Dec 44. I can judge the distance of 20 feet more easily from a vehicle which is moving than from one which is stationary.

I was never authorized by anyone to take vehicles on tests without a work ticket but it is a known fact throughout the camp that it was done.

I was trade tested as a fitter in Canada and I took no course in England. I am still RCEME. I never took a driver's test in England.

I go to the orderly room an average of once a day. I never saw Part I Orders up there. I have read Part I Orders in other camps.

RE-EXAMINATION

I did not have an English driver's licence at the time of the accident. I got one after the accident. I was in the orderly room one day and the clerk was making application for some other licences. He asked me if I had one, when I said NO, he put me down for one. I have my licence but was never given MT Drivers Regulations. I had a driver's licence in Canada.

THIRD WITNESS FOR THE DEFENCE

K98470 Sgt YEATMAN, MFJ, RCASC, being duly sworn states:

I was the senior NCO and the only Sgt at SWINDON detachment. I went on parades and I never saw DERAICHE or McPHAIL on parade. There was quite a bit of work at the time and they were excused parades so they could do it.

I don't know whether the accused needed work tickets to go on test runs. I never signed any for them. I could not tell you whether they did in fact go out on tests from time to time without work tickets. I have seen them on the road on occasions when I had not signed a ticket. I was away on the night of 2 Dec 44.

Q. How do you fix spotlights?

A. I am a DM. It would have to be dark to fix spotlights properly. I think you could do it stationary if you had a level piece of ground to do it. You should have a wall or something white to fix spotlights. Where I have been it is the custom to try it on the road after it has been fixed.

CROSS EXAMINATION

When Part I Orders came in they were put in the Orderly Room on a file on the wall near the outside door. They were accessible to anybody who wanted to see them. Drivers would have to come to the Orderly Room to pick up their log book and ticket. They could read Part I Orders then.

ADDRESS BY THE DEFENDING OFFICER ON THE FINDINGS

With regard to the first charge, I think it has been brought out in the evidence of Lt CRAIG and Lt RINKHART that they tacidly approved vehicles going out on test runs and that on 2 Dec 44, Mr RINKHART made special mention to both the accused that as a result of recent orders the spotlights should be gone over, and after Private DERAICHE mentioning that this work would have to be done at night, had nothing else to say but "That is your job". He did not restrict them as to whether they should go. Four days previously he had seen them out on the road and without a work ticket and did not put a stop to it nor did he on that very night tell them that they needed a work ticket or remind them that they should have a work ticket. I think that this is brought out by Exhibit 1 brought in by the Prosecution, when they allowed Private DERAICHE to come all the way from SWINDON to FARNBOROUGH with an unsigned work ticket. We have the evidence of Sgt YEATMAN to state that he had seen both the accused out without work tickets and had not stopped them, and Private LAVIGNE stated that it was accepted practice that both the accused could go out without work tickets.

Regarding the second charge which reads that they were concerned with the improper use of MD vehicle thereby causing damage to that vehicle in the amount of £2.8.0, that is an alternative charge to the first one and insofar as they were testing this vehicle, I submit that it comes under the same argument that as a matter of fact they were tacidly authorized to use these vehicles in road test jobs without work tickets.

With regard to the third charge, I submit that at SWINDON conditions were such that civilians were being carried in ambulances without anything to the contrary ever having been published to the accused, that it was not unusual in SWINDON to see civilians riding in vehicles, and furthermore civilians were carried by the accused on the day previous to this accident happening and no chit was given to him giving him permission to carry these civilians. I think the Court can readily see that ORO 3510 was never brought to the notice of either of these men. You have under the evidence of Private LAVIGNE where he states that Part I Orders had to be asked for in order to be read and the evidence of the accused to the fact that Part I Orders were not posted in their huts.

ADDRESS BY THE PROSECUTOR ON THE FINDINGS

In respect to the first charge against the two accused persons I submit that regardless of the fact that they had reason to believe that there were other unauthorized trips from this detachment, that this would not excuse an unauthorized trip on their part. These two men have been working with vehicles for almost the whole time of their army career and would know or should know that they were required to have proper authorization before taking a vehicle away from vehicle park. As to the matter of it being necessary to go out on the road to adjust a spotlight it seems to me that adjustments of lights could be much more easily done from a standing vehicle. It has been brought out in the evidence that both the officers Lts CRAIG and RINEHART, that they had at no time given authority to take vehicles on road tests or for any other reason without proper authorization. It has been brought out by the various witnesses and by the witness for the defence that Part I Orders were available to all personnel at this detachment and it clearly states in these orders that all personnel will study MT Drivers Regulations.

To take from 2000 hours until 2300 hours to test a spotlight on a vehicle through the streets of SWINDON seems rather absurd. It has been brought out in the evidence of Lts CRAIG and RINEHART that ambulances were not to be used for recreational transport purposes. Yet the two accused persons did carry two civilians in the ambulance CA 4236273 and without authority.

I therefore submit that both these accused persons are guilty of both the charges, first and third.

THE COURT WILL BE CLOSED TO CONSIDER ITS FINDINGS

In the opinion of the Court it is unnecessary to comply with SR 83(B)

statement under oath by accused was obtained is attached

PLEA OF MITIGATION IN THE CASE OF H95806 Private Donald Morris McPHAIL BY THE DEFENDING OFFICER.

McPHAIL is 29 years of age, single, parents living on a farm. He has two brothers and two sisters, He is the second eldest one of the family. He has a brother in the Navy.

In school he reached Grade 10. You have the date of enlistment and since that time has served in the army with a clear record.

I submit that having due to all the circumstances, due to orders given and the tacid approval that was given to taking out of vehicles

although these charges look pretty serious, actually when you look behind them they are not serious at all.

PLEA OF MITIGATION IN THE CASE OF E42314 Private Normand Roger DERAICHE, BY THE DEFENDING OFFICER.

Private DERAICHE is 21 years old, He enlisted on 10 Jul 41 that means that he has now 3½ years in the army. He was 17 years old when he joined the army. He gave his age as 18 years old showing that he was quite anxious to join the army. His crime sheet actually is very light. This last entry he tells that he did this act because where he was sleeping was very cold, and he slept in the ambulance. He tells me that he has sore back suffering from kidney trouble. His category is I4. I think this charge which is the most serious is not very much.

These charges look quite terrific when you look at them but when you can see the circumstances behind these charges and I submit that on the second charge concerned with the improper use of a WD vehicle that the Court should not fail to judge the evidence which is produced to carry the third charge that is carrying civilians in the vehicle - that the second charge actually is just another wording of the first charge and I submit that these two charges are the same thing and that this second charge should not hold more water than the first one.

The accused has stated in the evidence he just reached 5th Grade in Quebec. He quit school when he was 14 years old and went to work immediately afterwards. It is I am quite safe in assuming after seeing the conduct of the detachment at SWINDON that he could feel that it was quite a proper thing for him to do to taking two civilians back from a dance which was on the way back to camp. According to the evidence the girls lived half way between SWINDON and the camp and actually they never reached SWINDON and turned around at the round about at the best place to turn to come back to camp.

THE COURT WILL NOW BE CLOSED TO CONSIDER ITS SENTENCE

during the four months I had been on Swinden, I had taken vehicles out on road test with great ~~no~~ signs and no other written authority. None of my Officers or N.C.O. despatches had ever signed a work ticket for road testing therefore they all knew I used vehicles with out authority for testing purposes, & one ever questioned me about going or with out authority. I regarded the matter if anything will happened I was within my rights because I figured it was in line of duty

In giving use of vehicle, the one is going to cut across in front of you or coming vehicle if lights can be seen approaching. If there had been any traffic I would have seen them on one of the other occasions as it was a straight road. I venture to say that there is scarcely a driver in Canada who has not carried civilians in their W.D. vehicles at some time or other.

At about 2330 hrs on 2 Dec 44 I
was standing on my billets at Hunts Barracks
preparing for bed. when Pte Gusseaume
came in and told me that someone had
phoned the orderly room about an accident.
Gilker left my billets with Gusseaume and
went to the kitchen - Deraiche and McPhail
were in the kitchen and Gusseaume again
mentioned the accident. Deraiche, McPhail
and myself then went to the vehicles to see
the ambulance. It would be about
midnight. We looked at the ambulance
which was damaged on the left side
about the petrol tank carrier. I do not
remember the number of the ambulance
We were on the vehicle park about 5 minutes
McPhail nor Deraiche made no mention of
the accident in my presence. Gilker
returned to quarters and went to bed. McPhail
and Deraiche accompanied me to our quarters
and we all went to bed

Second witness:-

Capt H.M. Lawrence - No 4 S.R.D. R.A.S.C.

having been duly sworn states.

At approximately 2315 hrs 2 Dec 44 as I was entering the gate at 12 Whatworth Road, Swindon I heard a crash and went in the direction from which it came. After proceeding approximately 50 yds. I came to Stratton Cross roads, and found that an American Jeep and a Canadian ambulance had collided. I found that an American soldier had been injured. We helped him to the grass at the side of the road and I examined his injuries. After getting one of the occupants of the ambulance to pull the vehicle to the side of the road, I went back to the injured man and got the occupants of the ambulance to move the injured man into the ambulance and told them I would go down the road to the Fire Station which was approximately 150 yds away and telephone the police. Also telephone for an ambulance to take the injured man to the hospital as the occupants of the Canadian ambulance had told me that they did not have sufficient petrol in the damaged ambulance.

On my return to the scene of the accident the damaged ambulance had disappeared and I was informed by some civilians who were present that they had taken the injured man to the hospital. Together with the civilians present I helped push the Jeep to the side of the road. On the arrival of the Police, I went home, after giving them my name and address.

At approximately 14.30 hrs 3 Dec 44 I was present at an identification parade at No 2 Mob. No. 1 Con Coy RCASC at Hunt's Copse. I went up and down the ranks once and positively identified one man in the rear rank, but was a little undecided between a man in the center rank and a man in the ~~rear~~ front rank as being the second occupant of the ambulance. I called out of earshot of the parade and informed Lieut Rinehart that I had positively identified a man in the rear rank as one of the occupants, but was a little undecided whether it was the man in the center rank or the man in the front rank who had been the second occupant. He asked me if I would be to positively identify the second man and on second inspection, I was quite satisfied that the man in the front rank, and not the man in the center rank had been the other occupant of the ambulance at the time of the accident.

Lieut Rinehart then informed me that the man I had positively identified on first inspection was Pte McPhail and that the man I had been a little undecided about was Pte Meraiche.

The accused persons declined to cross examine the witness

Ward Witness

Mr Fredrick Crumpler. 106 Kingsdown Road. Upper Stratton Swindon. Wilts. having been duly sworn states.

On Saturday 2 Jan 44 at about 11.15 pm I was riding my pedal bicycle down Cricklade Road. Swindon into Kingsdown Road. Upper Stratton. Shortly after passing the Fire Station. Cricklade Road an army ambulance overtook and passed me travelling towards Cricklade. As I approached the junction I noticed that the ambulance had turned across the road. apparently the driver had missed the turning into Kingsdown Road. The ambulance had turned across the road and the front wheels against the kerb obstructing traffic coming from the opposite direction. I then heard a crash and on going up to the ambulance found that a jeep had crashed into its nearside.

After the crash two girls got out of the rear of the ambulance. I then walked around the other side of the ambulance to see what assistance I could give. I saw a jeep driven against the side of the ambulance and a man lying on the grass by the side of the road.

I got about this time an officer appeared and directed two soldiers to place the injured man in the ambulance and the injured man in the ambulance was taken to hospital. The two soldiers moved the injured man into the ambulance and drove off. I then helped to move the damaged jeep to the side of the road.

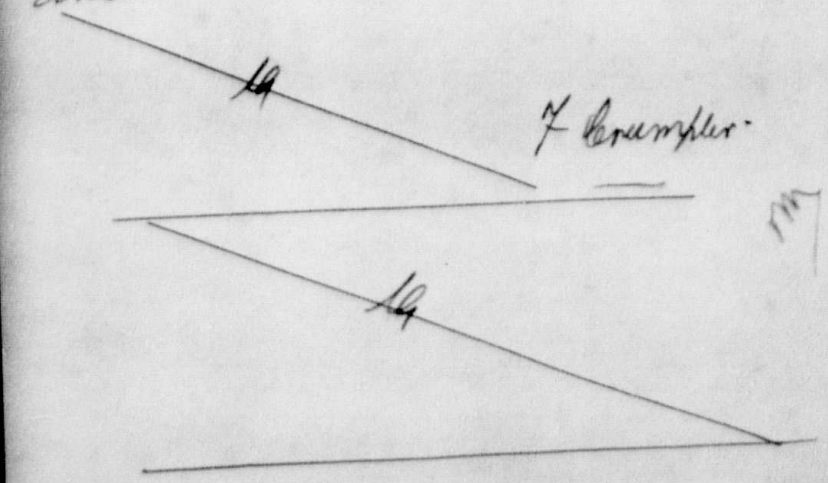
The two girls left the scene of the accident after the injured man had been placed in the ambulance.

Seeing that I could be of no further assistance I left for home. This would be about 11:40 pm

Q1 Question by accused McMichael.
What would you estimate the speed of the ambulance to be when it passed you?

A1 Answer: No more than 10 miles an hour.

Q2 Question: Was the night clear?



A2 Answer: Yes. It was a moonlight night.

Q3 Question: You saw no sign of the gap when after the accident?

A3 Answer. No.

Q4 Question: Did you see the lights of an approaching vehicle coming from the opposite direction?

A4 Answer. No. I saw no lights.

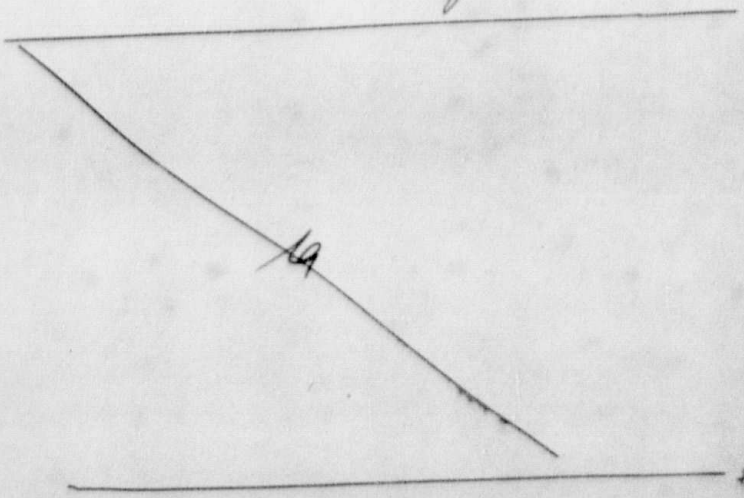
Fourth Statement 6

Stanley James Sneddon - HO London and Penehurst, Swindon having been duly sworn states.

I recognise the accused person Pte Deracke also known to me as "Jacob". I was present at an identification parade held at 1600 hrs 14 Dec 44 at the Old Devon Police Station at Swindon. The purpose of the parade was to identify Pte Deracke as the soldier with whom I had had conversation relative to an accident which occurred on 2 Dec 44. I identified Pte Deracke as that man.

Regarding this previous conversation on or about the 5th or 6th Dec 44. Deracke came to my home and Jean Redman was present. Deracke and Jean were discussing an accident which had occurred between their ambulance and an American Jeep. My wife then asked Deracke to tell her about the accident. Deracke turned to Jean and asked her to tell my wife about it. Jean said that on the morning of 2 Dec 44 at about 11.15 to 11.30 pm they, Jean and her sister Peggy were coming home from a dance in Deracke's ambulance. They had missed two turnings on the road which would have taken them home and were turning about in the road when a Jeep ran into them. Jean said that she was in the back of the ambulance with her sister and Deracke or someone else was driving. Jean further said that they saw an American from the Jeep patrol coming up the road. And then some woman or a few men came up and asked them

if they had been in the ~~ambalance~~ jeep and if they had they had better report. The girls then left



The girls seemed to be married and Meraiah told them that they had nothing to worry about if they didnt say too much.

Some days later when Meraiah was at my house he passed a remark that inquiries were being made about the accident

I have known Ntlleraiah for some time and he has been in the habit of calling at my house occasionally with an ambalance and sometimes on a motorcycle

The accused persons declined to cross examine the witness.

Judge

Fifth witness
Wpc Evelyn Elsie Sneddon - no fixed abode
Pinehurst Swanson having been duly
sworn states:

I know the accused person
Pte Ulrauche also known to me as "Frenchie"
I do not know the other men.

About the first week in December Ulrauche
came to my house to call on Jean Redman
He told Jean in my presence that he was on
charge. I then asked him what he had
been up to. He told me he had had an
accident and he asked Jean to tell me
the story. Jean said that on Saturday
night 12th Dec at about 11:15 pm an
Australian in what they had been drinking
had had an accident with a jeep. She said
that a Yank had been hurt. He had
a cut forehead and leg injuries. I asked
her what they had done with him and
she said that they had picked him up and
taken him to hospital. She said that she
and her sister Peggy had been in the
back with Frenchie and that someone
who she called "Moe" was driving.

I asked Frenchie a few days after
that how the Yank was & could tell
me. After the accident he had called
at my house to see Jean

At a dance at Harding Hall
Otaki on 13th Dec 44 I saw Ulrauche
talking to Jean. I went up to them and
asked Ulrauche what his name was and

he told me "Deraiche". This was after Jean had been interviewed by Sgt Hammond. Jean told Deraiche about the interview in my presence. Deraiche told Jean not to split on him and he wouldn't split on her. I told Deraiche not to be a fool he might only get two years. He said he wanted to go home after the war and not to delay in the Klink. Jean told Deraiche that she wouldn't identify him on the identification parade

Q5 Question: (To Deraiche) Didn't I tell you that I thought I was on charge and not that I was on charge?

A5 Answer: Yes.

Q6 Question: Didn't I ask Jean not to identify me before she volunteered to do so?

A6 Answer: All I heard was Jean say she wouldn't identify you.

Mrs E. E. Sneddon.

Sixth witness

Miss Peggy Rudman 10 Hurstbourne Pinehurst Swindon Nanny then daily sworn states.

I know the two accused persons as Francis and Glen
(Glenn points to Pte Francis as Francis
and to Pte Michael as Don)

On the evening of the 2 Dec 44 I was at a dance with my sister Jean Rudman at Harding Hall Cambell. After the dance ended at 11.00 o'clock pm we came out of the dance with Francis and Don and got into their ambulance. I got into the back of the ambulance with Francis and Jean and Don was driving. We started to drive home. I looked through the window in the ambulance and found we had gone past the turning we should have taken. I told the driver to turn back. I think the driver tried to turn on the road. I then felt a crash against the ambulance. We got out of the ambulance and went round to see what had caused the crash. I noticed an American soldier beside the ambulance holding on to his leg. I did not notice the jeep. My sister and I took the American over to the grass on the side of the road. We saw that he had a cut on his forehead and he was holding his knee and he said that it hurt. The American then got up and appeared worried about his jeep. He then ~~then~~ went over and I then left and went home.

I was present at an identification parade held at Old Town Police Station Swindon. I did not identify any of the soldiers on the parade. The two accused persons

were on that parade. I didn't identify those two soldiers because French had asked me at a dance held the previous ~~Wednesday~~ Thursday not to identify them and I promised not to do so.

Q7 Question (Pte McPhail) - When you state that you looked out of the window while an ambulance you meant the slide which leads from the body of the ambulance to the ash?

A7 Answer: Yes.

Q8 Question: Were the lights on in the body of the ambulance at the time?

A8 Answer: Yes.

to Miss Jean Rudonan - 10 Hurstbrecon Rd Hurst Sunndon having been duly sworn states:

I know the two accused persons as Frenchie and Don - I know that Don's name is Mallard I do not know Frenchies last name.

My sister Peggy and I were at a dance held at Harding Hall Cross Hill on 2 Dec 44 When the dance ended at 11.00 o'clock pm my sister and I walk Frenchie and Don came out of the dance together. My sister and I and Frenchie got in the back of an ambulance Don got onto the drivers seat. He then started home in the ambulance.

As we were going up the road my sister opened the side leading from the body of the ambulance to the cab and looked out and said that we had passed our turning. Mallard said that he would take the next turning he then went straight on and then I felt a bump against the ambulance. The ambulance was moving slowly at the time of the bump. After the bump the ambulance stopped. Frenchie then got out of the ambulance and Peggy and followed him. We went around the front of the ambulance to see what had caused the bump. I saw someone holding the an American soldier up. Mallard was holding the American by his arms and had him on the grass at the side of the road. My sister and I went over to the American to see what was wrong with him. We stayed with him for a while and then my sister and I left to go home.

I was present at an identification parade held at Old Town Police Station Swindon on the 14 Dec 44. I did not identify anyone present at that parade. The two accused soldiers were present on that parade. I didn't identify the two soldiers because Trenchis had asked me not to at a dance on the Wednesday night previous and I agreed not to identify them.

Q10 Question: (Pte Heraichi) Wasn't the ambulance stopped at the time of the accident?

A10 Answer: I don't know. I wasn't paying much attention up until the accident.

Q11 Question: (Pte Mitchell) Don't you think that I meant I would turn around and go back to the corner I had missed?

A11 Answer: I thought you would take the next turning to the left.

Rumours not in the hut as far as I know. I came back at the time about 2300 hrs. I went back and talked for a bit and then went to the kitchen for something to eat. This would be about midnight. A quarter of an hour Sergeant and Pte Hall came in the kitchen shortly afterwards. They had tea. We then left the kitchen and returned to our huts. On Saturday the 2nd Dec 44 at 2340 hrs I received a telephone message to the effect that an accident had occurred at the Upper Shalton Crossroads - I immediately went there arriving at 2340 hrs -

On arriving at the scene I saw Capt Laurence and a lady, a Mrs Gilmour of Parkland Ave Bathroad Kings. Capt Laurence informed me that a Canadian Ambulance had been in an accident with a jeep which was then parked on a piece of waste ground by the side of the road. As a result of conversation with Mrs Gilmour I found four bodies one being full on a piece of waste ground near the jeep -

I examined the road which is 30 ft wide and the point of impact of these vehicles was dead centre of the road. The jeep was very badly damaged.

The American MPs arrived and in company with Pt Foster of the American Military Police went to Shalton Hospital - and saw Lt Col Sanderson - As a result of our conversation with him we went to Stanton Fitzwarren where we examined the two lines of ambulances and found one ambulance C 44 45 36 273 damaged - I had seat in the rear side panel which would correspond

with the bonnet plate of the jeep. Letting it. And petrol tank was punctured which would correspond to the petrol found at the scene of the accident. The petrol cans at the side of the petrol tank had been bent back.

I saw the Cpl of the guard and reported this and he told me that no driver was assigned to this vehicle.

On the following day Sunday 3 Dec 44 I was present at an identification parade held at Station Headquarters when Capt Laurens identified Pte Hall and Deraicke

Sick Sgt Hammond S.I.S. I carried out a full investigation of the accident and was present when statements were taken and I was also present at the identification parade held 14 Dec 44 at Aldershot Police Station

The number of the American jeep was

19 AB 466F.

I produce the aforementioned bottles (Bottles entered as exhibit A and B marked)

Q 12 Question: (Pte McHall) - What part of the petrol tank was punctured?

A 12 Answer: The rear of the tank near the bottom.

Q 14 Question: What indications showed that the accident happened in the center of the road?

A 14 Answer: The mud that had fallen from the American jeep indicated this.

Q 15 Question: On your examination of this ambulance at Stanton Delaware on the night of 7 Dec 44 was there anything to indicate that an injured man had been carried in it recently?

A 15 Answer: Yes there was fresh blood marks on the right hand cushion in the ambulance; also some blood marks on the floor.

Q 16 Question: Was there an ambulance at the scene of the accident when you arrived?

A 16 Answer: No.

Question (Pt McPhail) Is not the fact that another this detachment allowed to take vehicles out on test without an authorized work ticket?

A 17
A 18

Answer: A recent order published just before I took over this detachment states that no vehicle would go out "on test" without some other written authority. I maintain that I was a detachment as a part of it. Even tho' any such thing exists this order applies to this detachment. I have only been over this detachment a short while prior to the accident. I have noticed that the fellow and Dan have been going out "on test" without other authority and I had intended to put a stop to it but I have been occupied with many other details up to this time and did not get around to it.

Question (Pt Deraiche) Did you give me an order on 2 Dec '42 to adjust the spotlights on the vehicles?

Answer: At approx 1730 hrs I was in the kitchen when Pt McPhail and Pt Deraiche came in for supper. I told them that I had noticed the spotlights on the vehicles were not properly adjusted in accordance with AAO's and that I would do the job to make the proper adjustments.

On the night 2 Dec 44 I was in Swindon with my jeep. About 2300 hrs I got in my jeep and started ~~back to camp~~ on my search for a Fish and Chip Shop. I was travelling down Cricklade Road towards Swindon. I was travelling at about 25 mph. I was sober. My lights had a blackout shield and did not show a very strong light. The first 6 vehicles was a Red Cross sign on the side of an ambulance. The ambulance appeared to be about 20 & 25 yds away from me when I first saw it. This would be near the intersection of Cricklade Road and Kingsdown Road. I applied the brakes but I was too close and ran into the side of the ambulance. There was a crash. I sat there for a couple of seconds then got out and called out to asking driver what he was parked as he was. Two soldiers appeared and came towards me I then felt a pain in my left knee. Then two girls passed me and took me over to a grass bit and told me to lay down. Then a crowd of people gathered from somewhere. Someone then assisted me into the back of the ambulance. He

ambulance then drove off and then after a while stopped. Someone opened the back door and assisted me out of the ambulance and someone helped me into the reception room at Shatton St Margarets Hospital. I don't know whether it was the same person who helped me out of the ambulance or not. Someone led me over to the latrine.

After I was put in the ambulance two soldiers got in with me and were with me during the ride to the hospital. I was somewhat confused at this time due to the accident.

I do not know that I could recognise any one I saw at the accident. I am not sure that I recognise anyone at this summary.

My trip with you was an unofficial trip.

Q20 Q21 Question: Before you left the ambulance did you see any lights?

A20 A19 Answer: I didn't see any lights at all nor any reflectors.

Q21 Question: Did you see the lights of the ambulance before it came to the position it was in when you struck it?

A21 Answer: No.

Q 21 Question: Are you sure the lights were on on your jeep?

A 21 Answer: Yes the lights were on.

Q 22 Question: How did the lights happen to be off after the collision?

They then told me that the patient had been in an accident in which the ambulance had been involved. I told them that as far as I knew none of our ambulances were out except one on a line to Dunlow but that I would check and let them know. I checked the number of vehicles but as far as I could tell all ambulances were accounted for although it is difficult to make an exact count since sometimes when ambulances are sent to outstations from the workshop in Farnborough they are not always recorded on our vehicle board. E 42314 Pte Jesiuchc. N.R. No 2 MAC sworn
No 1. Can Adm Tpt Coy RCASC a vacation
of the Canadian Army Overseas states:

On 2 Dec 44 at 1730 hrs we went to the
kitchen for supper where we saw Lieut
Bonhart the officer in charge of our detachment
He gave us an order to adjust the spotlights
on the vehicles. He told us to adjust the
spotlights to the left side thereby just taken
off the road. I told him that we would
have to work nights in order to do this
because we could not adjust the lights
during daylight.

After supper we went back to the
hut (Hut No 3) - we were told to listen
recreational company in town as we
decided (McPhail and I) that we might as
well work on the lights. We rested on our
beds for awhile then about 2000 hrs we
went down to our tool shop and taking
some wrenches, screwdrivers etc we went down
to the carpark. We took 273 and put the
lights on. We backed out to the road.

We then adjusted the spotlight and neither said a word. I said "I don't think it's really good like that" and I said "Oh, I'll try it out on the road". I said I would go and get the "On test" sign. I got it and put the sign on the vehicle. We then drove down the main road to Swindon. By that time it would be about 2100 to 2105 hrs.

Before we approached the roundabout the Ign Ignition cut out. I said to Neither "that's the matter". We tried to start the motor but it wouldn't start. The lights were still on and the starter worked and the horn worked. We took the engine cover off and tested for a spark at the plug. We worked on the motor about an hour trying to find the trouble. We finally located the trouble being the main ignition wire which had become disconnected just below the switch. We fixed the trouble and started. This was at about 2215 to 2230 hrs.

We turned around at the roundabout and we took the Cricklade road back to camp. As we passed the Marlborough Hall, Gorse Hill, I said to Neither "I have to stop here and see someone for a minute". He said "OK, don't stay too long"

I went to the dance and saw my girl friend. I had a couple of dances with her. Just before the last dance McPhail came into the dance hall and asked me to leave. I said "Let me dance the last dance". He said "OK". After the last dance I came left the dance hall my girl friend and her sister. I said to McPhail "Let's drive the girls home it's on our way or something like that.

McPhail wasn't sure of the way and missed the turning. I was sitting back with the girls. I opened the slide between the body and cab of the ambulance and I looked through and said to McPhail "You have missed the road". He said he was keeping at the intersection. It was raining a lot of bicycles and although it was driving quite slowly he couldn't turn sharp enough, on account of approaching bicycles, to make the intersection. I never saw the lights of any approaching vehicle.

Just as the ambulance stopped I heard and felt a crash. I said to the girls "Someone has hit us". I opened the door at the back and got out. I went round to the side and saw an American soldier in front of the ambulance and a jeep against the side of the ambulance

the side of the ambulance. I looked at the front of the jeep and ~~then~~ its lights weren't on. I went to the back of the jeep and the tail light wasn't on. I looked at the switch and the switch was turned off.

I went towards the American soldier and I asked him what had happened and he said "I've got a sore knee and look at my head". I took him by the shoulders and lead him over to the grass at the side of the road. By this time my girl friend and her sister were beside the jeep and helped me to lay him down on the grass.

I went back to the ambulance and said to Raphael - Lets take the jeep off the road. Yes we did with the help of a civilian. I then backed the ambulance to the left side of the road. I turned the spotlight and left the side and tail lights on. I then went back to the American. I saw the gas on the road and thought at that time our main petrol tank had been punctured and the other one or the right side was empty.

An English ~~Captain~~ told me to take the American to a hospital. I told him I had not enough gas as our tank was broken. He said he would go and phone for an ambulance.

By this time McPhail had looked at the gas tank and found out that there was sufficient gas to take the American to the hospital and to return to camp. The English officer had not returned. I went to where the American was and told the girls to go home. McPhail and I picked up the American and he asked us to let him see his jeep. He looked at the jeep and said he would be paying for this for the duration as he was on the loose onwards to that effect.

Walker put him with back of the ambulance. McPhail got into the back to help lift the American and the ambulance. I was at his head and McPhail was at his feet. I smelled beer on his breath. I told McPhail "This guy has been drinking". McPhail stayed with back and I drove to the hospital.

McPhail and I took him into the reception and saw the soldier there and I told him that the American had just had an accident. He pointed to a chair and told the American to sit down. The English chap stayed with the American and we left.

We talked together and decided that

May

necessary to make an accident report because the Yank was on a buckshee trip and he could repair our ambulance in ten or 15 minutes. I drove down to the car park and we took our kit out and took "Locket" sign off and took the keys and the sign to the tool shed. Mother went down hut to get our supper so we could have tea at the kitchen. We went to the kitchen and had our tea. Someone said that a phone call had come in about an accident. We saw Drake and I said "Let's go and see the ambulance" We went to the car park and looked at the ambulance. Nethard said it was easy to repair. Then I said let's go to bed. This would be about twelve o'clock thirty. We went to bed.

I have read this and it is true.

I have heard Pte Veracke's statement read out and corroborate it as the truth and I make this additional statement. After I had passed the corner I should have taken the Bucklade road I went to Kingsdown intersection to turn. On the way I met several bicycles and as I approached the corner there was a bicycle coming towards the intersection from the other direction and by the time I got by me I was beyond the intersection when I made the right turn. So I stopped the vehicle with the front wheels against the curb. I saw no approaching vehicle lights.

Just as I was shifting to reverse gear I heard a crash another vehicle hit up against the side of the ambulance I immediately got out.

It has been a known fact by officers at Swindon that the jeeps and the could not vehicles would not start. I had been doing it for months and nothing had been said.

CASE OF

E42314 Private Normand Roger DERAICHE and H95806 Private Donald Norris McPHAIL.

After the accused had both been arraigned, the President asked the Defending Officer if either of the accused desired separate trials to which the Defending Officer answered NO.

FIRST WITNESS FOR THE PROSECUTION

Lt WH CRAIG, 1 CASCRU, being duly sworn states:

I was the officer in charge of No 2 MAC Incr from about 19 Sep until 23 Nov 44. My HQ were at SWINDON. During that time the fitter and the DM were not permitted to take vehicles out on test runs without a work ticket properly signed either by myself or by the corporal despatcher, and in the latter case to be ratified by me. I recognize both the accused. McPHAIL was the fitter and DERAICHE was the DM.

CROSS EXAMINED BY DEFENDING OFFICER

WHAT SORT OF A WORKSHED DID YOU HAVE AT THE TIME YOU LEFT?

We had two DMs and a fitter and we had a shack and a tarpaulin stretched over a couple of trees.

During the whole period we were up there we had to scrounge parts all over the place, and that was done by various people and the sergeant did most of it; some of it was done by McPHAIL and DERAICHE sometimes went with McPHAIL. The work ticket depended entirely on the job. If, for example, there were runs from airport to hospital, we gave them a work ticket for the trip and return. If it was a work ticket for a duty vehicle for use in the area, a general area work ticket was made out for the day.

We had 33 ambulances, one 60-cwt, 4 MCs and one 8-cwt.

The fitter was kept very busy and sometimes he worked nights. I don't think DERAICHE worked more than one or two nights all the time I was there, sometimes they worked together.

Sometimes spotlights had to be fixed at night. If they took a vehicle to test its spotlights, they would have to do it after dark. Our camp was about three miles from SWINDON. I did not make an organized check of the condition of the spotlights. I would check them when they were on the road. I cannot remember checking the vehicle CA 4236273.

Our ambulances were used to carry the wounded from BROADWELL Aerodrome and from DOWN ALDNEY Aerodrome to any one of the Canadian Hospitals at WATFORD, BRAMSHOTT, TAPLOW, BASINGSTOKE and CONNAUGHT, also we took wounded to an English hospital at STRATTON.

While I was there we evacuated patients after midnight a few times. Normally the convoy left the aerodrome before midnight.

The spotlights on ambulances are very bright because there was heavy American traffic and the Americans have very bright lights; it gave the patients being carried protection. We got these lights about the beginning of September. We scrounged them from time to time.

If I wished to test spotlights, I would take the vehicle out on the road to do it.

Myself and the corporal despatcher were the only persons authorized to sign work tickets. Either one of us were always on duty.

RM

Normally while I was there we got the all clear from the aerodrome for that night, but sometimes I was on duty trips. There were two despatchers, both were corporals. Sometimes they had to hunt for me to get work tickets signed. Ordinarily the driver of the vehicle would come to me and get a work ticket signed.

I cannot remember anything peculiar about ambulance CA 4236273, I think that RUSSMAN was the driver of it. He also was my batman and he did not use it very much.

We used the 60-cwt for recreational transport. I don't recall any of the ambulances being used for recreational transport. I used a 8-cwt. There were about 93 in all in the detachment. We thought that the 60-cwt and the 8-cwt were not enough for recreational transport, this accounting for the witnesses coming to the trial in an ambulance from the detachment. That was the normal way they would be sent. We never carried civilians in the ambulances for recreational purposes to my knowledge.

We had a parade at 0830 hrs, one at 1200 hrs and the last at 1800 hrs. The drivers, with the exception of hut orderlies, were present. Medical orderlies were present, the cooks were not. McPHAIL was not required to be present. Also latterly I excused DERAICHE from parades. From time to time, I warned the parade that vehicles should not go out without work tickets. I think DERAICHE must have been present at one of such parades, but McPHAIL, as a fitter, never went on parades to my knowledge. My statement would be to the effect that no vehicle would go without work ticket.

To my knowledge, no fitter or DM went on tests without a work ticket. I have seen them doing test runs on the road, I never stopped them to see if they had a work ticket.

Our park was in two sections. One was enclosed and the other across the road was not enclosed. At night we had one guard on the camp side of the road and the other guard was in the park across the road.

RE-EXAMINATION

Normally a vehicle would go out scrounging but an authorized work ticket was signed. I have seen vehicles taken on the road for the purpose of testing spotlights.

When personnel were sent to HQ 2 MAC, it was usually because the ambulance needed some repair.

RE-CROSS EXAMINATION

Orders were that no persons should come to FARNBOROUGH in an ambulance unless the ambulance had to come down for repair. The distance is 65 miles.

In the opinion of the Court it is unnecessary to comply with RF 83(B)

SECOND WITNESS FOR THE PROSECUTION

Lt GH RINEHART, 2 MAC Increment, 1 Cdn Adm Tpt Coy, RCASC, being duly sworn states:

I recognize the accused. Since 22 Nov I have been officer in charge of the detachment at STINSON.

On the morning of 3 Dec 44, I went out to the camp approximately 1100 hrs. L/Cpl LAVIGNE informed me that one of our vehicles had be

involved in an accident the previous night.

I was informed by my sergeant that there was going to be an identification parade at 1200 hrs. I then went over to the vehicle park to check the ambulances and found that CA 4236273 had been damaged. I saw the vehicle.

The police had not arrived at 1230 hrs for the identification parade, and found that they would not be there before 1430 hrs. I later met the accused in the drying room, and told them they would have to be on identification parade at 1430 hrs. They told me they had heard nothing about the parade. At 1430 hrs the identification parade was held. After certain things had happened on that parade, I tried to locate HQ but could not get them. I got in touch with HQ the next morning. I then had both accused paraded to me. I did not give them a legal caution. I reported to Col McARTHUR. I them took statements from various witnesses.

CROSS EXAMINATION

I did not authorize either of the accused to take ambulance CA 4236273 on any trip on 2 Dec 44. This is the work ticket for that ambulance for the period including 2 Dec 44. (Work ticket marked Exhibit 1 by Court). It is not signed by me, it is signed by Capt VAN LUVEN who is CO of the entire increment at FARNBOROUGH. It was in fact so signed on 1 Dec 44. I never at any time authorized any vehicle to be taken out on test or otherwise without a work ticket. They could take a vehicle without a work ticket to gas up at STRATTON. That is approximately 1½ miles away.

CROSS EXAMINATION BY DEFENDING OFFICER

I did not write out any part of the work ticket (Exhibit 1). I first saw this work ticket in the morning of 3 Dec 44 to the best of my recollection. It was signed by Capt VAN LUVEN when I saw it on 3 Dec 44. The work ticket shows a duty run from SWINDON to FARNBOROUGH and return 1 Dec 44. Capt VAN LUVEN was not at SWINDON but at FARNBOROUGH on 1 Dec 44. The work ticket is dated 1 Dec 44. It is very probable from the condition of this work ticket that the vehicle went from SWINDON to FARNBOROUGH without the work ticket signed and that it was signed by Capt VAN LUVEN when the vehicle got to FARNBOROUGH.

I saw the accused DERAICHE on 30 Nov about going to the QM at FARNBOROUGH with certain papers. I told him about the trip, he was to get a work ticket the next morning. I did not give a work ticket. Ordinarily the work ticket would have been issued the next morning. I cannot remember whether or not I saw McPHAIL that night.

All work tickets could be signed by myself or Sgt YEATMAN. No one else was authorized to sign work tickets. We used the orderly corporal as despatcher but he had no power to sign work tickets.

On the evening of 2 Dec I left camp at approximately 1830 hrs and was in my billets in SWINDON. I saw Sgt YEATMAN on duty before I left. That day the all clear came from the aerodrome at 1730 hrs.

While I was there I held a parade at 0830 hrs and another at noon and the last one at 1700 hrs. I have seen each of the accused on parade but I cannot say they were always on parade. Cooks were excused. There is no excuse given to the fitter. As far as I know the two accused were the only fitter and DM which we had. There is enough work to keep

them busy but they did not have to rush. The vehicles were not moving much at that time.

At about 1730 hrs, 2 Dec 44, the two accused spoke to me in the men's kitchen. They were discussing some work they had done that afternoon and they said they had got the 60-cwt in working order again. I said: "That's fine, we will be able to have recreational transport this evening to go to SWINDON - 4½ miles away". We had on a previous night used an ambulance for recreational transport but not on any other night while I was there. The accused were talking with me about spotlights. I mentioned that I had noticed the fog lights were not adjusted properly on some of the vehicles and I would like them to look into the matter. Spotlights should be adjusted in accordance with Routine Orders, so that the light would shine in the ditch 20 or 25 feet in front of the vehicle. That did not mean they would have to go on the road to test them. They could test right in our own camp. It is not necessary to go on the road to test spotlights. I was approximately 10 days with the detachment. I say it is not necessary to go on the road to test spotlights. I did not tell the accused to test the spotlights, I told them to adjust them. I thought they could do this in the car park. The cars are parked in the park across the road. There is a public road running through this park but the traffic is very light. I am not sure whether CA 4236273 was parked there on 2 Dec 44 or not. I did not tell them where to go to make the adjustment. I could not swear that they did not go on these runs without tickets. I had seen them going down the road in a vehicle for which I had not signed a work ticket, but YEATMAN might have. I had intended to put a stop to this practice. I had seen them do this once 3 or 4 days before the accident.

I don't recall mentioning on parade that vehicles should not go out without work tickets, but Part I Orders were published here at FARNBOROUGH and were on file in the orderly room. They are not posted in the living huts or the workshop. The detachment has only one copy. They were not then being read on parade.

We had two guards on at night. One was at the gate of the camp to see that no vehicles left without work tickets. The other guard was to patrol in the park across the road and his duties were the same. As far as I know these guards were on duty on the night of 2 Dec 44. They were on from 1900 hrs until reveille. The guards were changed every three hours. It is the duty of the orderly corporal to inspect the guards. I lived in billets in town, I had my meals there.

The orders were that ambulances were not to be used except to carry wounded. I received order from FARNBOROUGH to send an ambulance with Pte DERAICHE to FARNBOROUGH to attend a court martial. I believe that one civilian was carried. At no times were ambulances used to carry civilians on recreational transport.

I cannot remember signing any work ticket for the accused to test vehicles. I don't recall warning them on parade that they needed work tickets. I did not think it was necessary. I never in SWINDON or elsewhere stopped my vehicles to see if they had a work ticket, but I often took the number and when I returned to camp asked Sgt YEATMAN respecting the authority. I took alternate duty at night with the Sgt staying until 1030 p.m. I never signed a pass for Sgt YEATMAN to be off. Sgts can stay out till midnight without a pass. They had my telephone number if any emergency arose. I was never telephoned.

I cannot recall how often I saw either of the accused on parade but I did see them.

I inspected the workshop daily when I was there. There is no necessity for either of the accused to do any night work. When Mr CRAIG was there they had more vehicles and the ambulances were going night

and day. While I was there the ambulances were not moving much.

I never signed a work ticket for either of the accused to go and scrounge parts.

RE EXAMINATION BY PROSECUTING OFFICER

Other ranks usually come into the orderly room to get their work tickets. The Part I Orders are accessible to them there.

I gave no direct order to either of the accused to fix the spotlights on that vehicle that night. I am not a mechanic but it seems to me possible that spotlights could be adjusted in daytime.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

THIRD WITNESS FOR THE PROSECUTION

Capt HM LAURENCE of 4 SRD, RASC, being duly sworn states:

Going to my billets about 2315 hrs on 2 Dec 44 I heard a crash nearby and went in the direction from whence it came. I went to see if any help was needed. My billet is at 12 Whitworth Road, Swindon. When I got around the corner I found a jeep and an ambulance had collided and the driver of the jeep appeared to be injured. He was an American. After examining him on the side road with other people who were present, I asked one of the soldiers with the ambulance to take him to hospital with their ambulance and they told me they could not on account of the damage. I then asked to pull the ambulance on the side of the road and got the man in to keep him warm. I told them I was going down to a nearby fire station to ring up an ambulance to collect the injured man. This I did and when I came back I found the ambulance and the injured American had disappeared.

I spoke to two soldiers about taking the injured man in the ambulance when they told us the ambulance had been injured.

It was not a particularly dark night. As a result of a telephone call which I received next morning, I went up to the Cdn lines about two miles outside SWINDON. I got there between 1100 and 1200 hrs. I was asked to inspect a parade to see if I could identify any of the men I had seen at the scene of the accident. I think there were approximately 40 men on that parade. I inspected them going around all three ranks. I did see one man on that parade whom I had seen the night before, and I identified him. This is the man pointing at the accused Pte McPHAIL. I saw another man on the identification parade who I was a bit uncertain about, but I went back to the parade a second time and I was then certain of the second man. I now say that the accused DERAICHE is the second man whom I saw on the night of the accident. He is the second man whom I identified at the parade.

CROSS EXAMINATION BY DEFENDING OFFICER

On the identification parade I did not have either of the accused moved out of the ranks. Neither of them in my opinion knew that I had identified them. They did not hear what I said to Lt RINEHART.

When I saw the ambulance on the night of 2 Dec there was a lot of petrol under the ambulance and under the jeep, the jeep being somewhat underneath the left of the ambulance. I could not say whether or not the driver of the jeep had been drinking. I saw no evidence of drink.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

INV

FOURTH WITNESS FOR THE PROSECUTION

Mr Frederick CRUMPLET of 106 Kingsdown Road, Upper Stratton, Swindon, Wilts, being duly sworn states:

On 2 Dec 44 at about 11.00 p.m. I was riding my bicycle along Cricklade Road in SWINDON and an ambulance passed me going very slowly. I followed close behind. I thought the ambulance would turn right at the corner but the ambulance pulled in the kerb its front wheels being turned as though he were going to turn into a road on the right. Then another vehicle came from the opposite direction and collided with the ambulance. After hearing the crash, I put my bike down on the opposite side of the roadway and I went over to the ambulance expecting there were some wounded being carried in it. Two ladies got out and I did not notice how they were dressed, I thought they must be there to attend the wounded.

I went around the left side of the ambulance where the jeep had run into it to see what had happened. Then saw two soldiers trying to push the jeep back from the impact. I helped them push the jeep back. We shoved the jeep back and parked it on the other side of the road and there was a man in uniform lying on the verge across the pavement and the two females were leaning by him to see what could be done for him. I knelt down too. Then an officer came along and he ordered one of the soldiers to put the injured man in the ambulance where he said it would be much warmer. The soldiers put the wounded man in the ambulance. The ambulance then moved off with the wounded man. I would not know these soldiers if I saw them again.

CROSS EXAMINATION

The ambulance was moving at between 10 and 15 miles per hour when I was following it on my bicycle. I did not see the lights of the approaching jeep but I could not have seen it as I was behing the ambulance. There were no lights on the jeep after the crash. I don't know how fast the jeep was going and I heard screeching of brakes and tires and there was considerable impact.

In the opinion of the C urt it is unnecessary to comply with RP 83 (B)

FIFTH WITNESS FOR THE PROSECUTION

Miss Peggy Rudman of 10 Hurst Crescent, Pinehurst, Swindon, Wilts, being duly sworn states:

Some weeks ago I went to a dance with my sister in Harding Hall, Gorse Hill, Swindon. We came out of the dance at 11.00 p.m. We were with Don and Frenchie. That is Don pointing at McPHAIL and that is Frenchie pointing to DERAICHE.

We got into the back of the ambulance with Frenchie and Jean. Don drove the ambulance. We started to drive home. I looked through the sliding panel and found that we had gone too far so I told Don to turn back. He made a slight turn and then there was a crash. We got out of the ambulance and we went around to the front and there was an American there by the front of the ambulance. There was an officer there and he took the American on the grass on the side of the road and then my sister and I went over to where the American was lying. He appeared to have a bad cut on his head. I helped to wipe the blood off his head. The American got up and went back to his jeep and then my sister and I went home.

I had met Don and Frenchie before twice on some previous nights.

I was present at an identification parade at Old Town Police

Station at SWINDON. I did not identify them as being present on that parade. They were on the parade, I saw them there.

CROSS EXAMINATION BY DEFENDING OFFICER

I did not notice any loud crash when the jeep hit the ambulance, but the ambulance doors were closed.

I think we were driving fairly slow.

In the opinion of the Court it is unnecessary to comply with RP 83 (B)

SIXTH WITNESS FOR THE PROSECUTION

Miss Jean RUDMAN, of 10 Hurst Crescent, Pinehurst, SWINDON, being duly sworn states:

On the night of 2 Dec 44 my sister and I and Frenchie and Don came out of a dance. It was about 11.00 p.m. That is Frenchie pointing to DERAICHE and that is Don pointing to McPHAIL.

I had known Frenchie about three weeks before this date. I met Don a couple of nights after I met Frenchie.

My sister and I and Frenchie got into the back of the ambulance. Don went to drive. We started off and we were going along when my sister pulled the sliding panel down and we told Don that we passed our turning. He said he would take the next turning. Then we got to Stratton X-roads and we stopped. We went forward a little and then we stopped again and then there was a bump. We got out of the back of the ambulance. We went around and we saw an American. He was being helped out of his jeep which had run into the ambulance. Someone took the American onto the grass and laid him down. We stopped there for a bit and then my sister and I left.

CROSS EXAMINATION

My home is on the way from SWINDON to the Cdn camp where Don and Frenchie lived. I live not far from STRATTON X-roads. The ambulance was stopped before the jeep hit it. We had not been driving very fast.

In the opinion of the Court it is unnecessarty to comply with RP 83 (B)

SEVENTH WITNESS FOR THE PROSECUTION

Mr Stanley James SKEDDON of 40 Lindon Ave, Pinehurst, SWINDON, Wilts, being duly sworn states:

One afternoon early in Dec, the accused DERAICHE came into my home. During the conversation an accident was mentioned. My wife asked DERAICHE which accident it was and he turned to the wife and said that Jean RUDMAN could tell her all about it. Jean RUDMAN and her sister Peggy were also present in my home, and Jean RUDMAN then told the wife about the ambulance and the jeep. They had been coming home from a dance, had missed a right turning, that while they were turning a jeep had hit the ambulance, and that when they got out there was an American on the side of the road with blood on him. They said they did not stop long. The accused did not deny anything we said. During the following day DERAICHE told the girls not to worry, that there was not much said and there was nothing to worry about. I had seen DERAICHE before at a

cafe which I had been running at Cricklade Road. I did hear the name of Don mentioned as driving the ambulance but I never saw him.

EIGHTH WITNESS FOR THE PROSECUTION

C121948 Pte FRASER, AK, 2 MAC Incr to No 1 Cdn Adm Tpt Coy, being duly sworn states:

On the night of 2 Dec 44 at about 2330 or 2345 hrs, I went to the vehicle park together with the accused whom I now recognize. We looked at all the vehicles, we saw an ambulance which was damaged on one side. The carrier for the petrol tank was damaged. I did not notice its number.

CROSS EXAMINATION

I never drove an ambulance. I never noticed any ambulance going out without a work ticket, but I was working in the kitchen. I don't know of an ambulance ever being used for recreational transport, I went into town in a 60-cwt that night.

In the opinion of the Court it is unnecessary to comply with RP 83 (B)

NINTH WITNESS FOR THE PROSECUTION

Arthur John BARNBROOK, PC 111, SWINDON, Wilts, being duly sworn states:

On Saturday 2 Dec 44 at 2330 hrs I was on duty at Gorsehill Police Station, SWINDON, when I received a telephone message that an accident had occurred at Upper Stratton X-roads, SWINDON. I immediately went there arriving at 2340 hrs where I saw Capt LAURENCE who informed me that an accident had occurred. I saw an American jeep parked on a piece of waste ground on the offside of the road. This jeep had been very badly damaged at the front. I also found 4 beer bottles on a piece of waste ground, 3 empty and one full. (Beer bottles marked Exhibit 2).

The American military police arrived with their jeep, Pte FOSTER. We then proceeded to Stratton St Margaret Hospital and in consequence of what I was told by the orderly I went to Stanton Fitzwarren, Hants Copse. Later I saw two lines of ambulances and examined them and found one CA 4236273 which was damaged. There was a cut on the near side panel which correspond with the bonnet peak of the jeep if a jeep had hit it there. The petrol carrier just underneath the chassis and the petrol carrier tank which is on the same side was punctured at the rear. At the scene of the accident there was quite a drop of petrol on the road.

On the following day I accompanied Capt LAURENCE and the American military police to Stanton Fitzwarren. There was an identification parade and Capt LAURENCE identified two men. He said nothing in the hearing of these two men whom he identified. I later assisted Sgt Hammond of the SIB in his investigation

In the opinion of this court it is unnecessary to comply with RP 83 (B)

The prosecutor stated he did not feel it necessary to call the following witnesses:

A103064 Pte EARNSEY, JJ.
B89356 Pte BUTTS, EH.
D138858 Pte JUSSEAUME, R.
L154284 Pte NEVARD, RA.

The Defending Officer said he did not require them for cross examination.

The Prosecutor said that 20316224 Pte LOVE, RVL, was not available as he was outside of ENGLAND.

TENTH WITNESS FOR THE PROSECUTION

Maj JH CORNELL, No 1 Cdn Adm Tpt Coy, being duly sworn states:

I submit in evidence printed copy of ORO 3510. (Order marked Exhibit 3).

I also produce MT Drivers Regulations authorized by the said ORO. (MT Drivers Regulations marked Exhibit 4).

I am Maj JH CORNELL, Officer in Charge of workshop, No 1 Cdn Adm Tpt Coy, of which 2 MAC in an Incr.

I examined vehicle CA 4236273 on 30 Dec 44 for the purpose of making out an estimated cost of repair and I found the following:

Left side of body damaged
Petrol carriers damaged
Petrol tank damaged

Labour, 16 hours at three shillings an hour equals £2.8.0.

CROSS EXAMINATION

Q. Why did it take so many hours to repair these three things on the ambulance?

A. The left lower body panel was dug in. That necessarily means we have to remove it to straighten it, which takes a long time removing all the screws. That takes a body man. It also has to be painted. The petrol carrier has to be removed and straightened. It takes a lot of work to fix a petrol carrier. There is a great deal of work to do in repairing a gas tank, all of which would take 16 hours at three shillings an hour. Sixteen hours was an estimate, but I am sure if we checked it up it took longer than that.

In the opinion of the Court it is unnecessary to comply with RP 83 (B)

ELEVENTH WITNESS FOR THE PROSECUTION

D105030 Pte LAVIGNE, HC, 2 MAC Incr to No 1 Cdn Adm Tpt Coy, being duly sworn states:

I was the orderly NCO for the detachment on 2 Dec 44. I went on duty some time in the afternoon and I came off the following morning.

There was a trip authorized to TAPLOW during my tour of duty. There were no other trips authorized except the recreational trip to SWINDON with the 60-cwt. There was no authorized trip for vehicle CA 4236273.

CROSS EXAMINATION

I think I went to the SWINDON detachment in October and I was

there until after 2 Dec 44. I was a despatcher when Lt RINEHART was there. Either Mr RINEHART or the Sgt signed the work tickets. Lt RINEHART gave me permission to sign work tickets if he or the Sgt were not there. I did not sign any on the night of 2 Dec. I think Lt RINEHART signed the ticket for the recreational transport.

I remember something about DERAICHE coming to FARNBOROUGH on 1 Dec.

I do not know of any vehicle going out from there without a work ticket. I think the accused took out vehicles on test runs without work tickets. It was generally taken for granted that they were allowed to take vehicles out on test runs without work tickets. If they want to test a vehicle they could go to SWINDON, that is approximately four miles away. I think STRATTON X-roads is about half way between the camp and SWINDON.

I have seen a few Part I orders on the file in the office. They are on the wall on the right-hand side facing the outside door.

RE-EXAMINED

I could not say whether it was accepted by the officer that the accused could take cars out for tests without work tickets.

I imagine that anybody coming in would have to ask to see Part I Orders before they were allowed to read them.

In the opinion of the Court it is unnecessary to comply with RP 83 (B)

Lt RINEHART, SECOND WITNESS FOR THE PROSECUTION, recalled, still under oath states:

The distribution of MT Drivers Regulations (Exhibit 4) as laid down by this unit is one MT Drivers Regulations per vehicle. I did not have a chance to check while I was there whether this was being complied with. I have seen some in the front part of vehicles at SWINDON.

CROSS EXAMINED

Q. Of the 93 men in your detachment, how many are drivers?

A. Approximately half or perhaps a little better are drivers. I don't know whether either of the accused have driving licenses. I did not examine the drivers' licenses in the detachment.

The Prosecutor produced in evidence certified copy of Unit Part I Order No 53 marked Exhibit 5 by Court. The Prosecutor produced certified copy of Unit Part I Order No 17 marked Exhibit 6 by Court.

In the opinion of the Court it is unneces sary to comply with RP 83(B)

THE PROSECUTION IS CLOSED

EVIDENCE FOR THE DEFENCE

FIRST WITNESS FOR THE DEFENCE

E42314 Private Normand Roger DERAICHE, being duly sworn states:

I have never seen MT Drivers Regulations (Exhibit 4) before. They were never issued to me. I have been in ENGIAND about two years. I am a qualified driver. I was never issued with any drivers regulations. They were never read on parade to me. I never saw Part I Orders at SWINDON detachment. I never go on parade. Sgt YEATMAN told me I did not have to go on parade.

I often go on road tests. Some times you will drive a vehicle 30 miles without finding trouble. I never got a work ticket for going on a road test. I recognize this work ticket (Exhibit 1). I saw this work ticket on 30 Nov. I went to the Orderly Room. I was a witness in a court martial at FARNBOROUGH, I was to take the other witnesses and I drove the car down to FARNBOROUGH on 1 Dec. Lt RINEHART gave me the work ticket and the log book. There is no copy of Exhibit 4 with the log book. When I got the work ticket there was no officer's signature on it. It was signed by Capt VAN LUVEN at FARNBOROUGH at about 1600 hrs on 1 Dec 44. It was noticed that the ticket was not signed. There is no repqir required for the ambulance which we drove down here in.

In the afternoon of 2 Dec 44, it was Saturday, someone came for McPHAIL and myself.

At about supper time we went in the kitchen, there we saw Lt RINEHART and he said he had received an order from CMHQ to have the spotlights repaired in every vehicle, so that they would turn on the left ditch 20 feet in front of the vehicle. I told him we would have to work at night and that we could not adjust it in daytime. Me and McPHAIL went back to the hut and we would work that night and adjust the spotlights. We waited until it was dark. At about 2000 hrs we went to our tool shed and took some tools and we went over to the park across the road. We decided to take CA 4236273 because McPHAIL wanted to test the seal beam as he had previously worked on it. McPHAIL said: "I don't think it's really good like that. We had better take it on road test where we will pass other vehicles and see how it works". I went to the tool shed and got the "On Test" sign. I put this sign in front of the ambulance and we went to SWINDON. That is about 3½ to 4 miles.

Our ignition cut off. It took us at least 1¼ hour to find the trouble, and we took Cricklade Road to go back to camp.

I said to McPHAIL "I have somebody to see at the dance". I saw my girl Jean RUDMAN and her sister Peggy. McPHAIL stayed outside. I danced a couple of dances with her. I saw McPHAIL come at the door. He said "It's time to go, come on". I said "Let me dance the last dance". The girls came out with us. I said to McPHAIL "We will take the girls home, it is on our way, we have to pass where they live". He said "OK". They got in the ambulance with me and McPHAIL drove. We went down the road and the girl said he missed the turning. I said to McPHAIL "You missed the road". He said he would turn at the next intersection. He missed the next intersection because we had to pass a bicycle. He went to turn around, something hit us. We were just stopped when we were hit. I had not seen any vehicle approaching. I could have seen through the slide if it had lights. I heard the crash and I and the girls got out of the ambulance. I saw the American in front of the vehicle. I looked in the jeep, there were no lights

on the jeep. I saw the ambulance with a gas tank busted. I asked the American what had happened. He said "Look at my head, I have a sore knee. I took him on the grass and my girl and I laid him down. The officer told us to take the American to hospital. The American told us he would be paying for this for the duration as he was on the loose. We then took the American to hospital.

We made no accident report because we thought we could repair the ambulance ourselves. We could have done that in two hours each.

I saw many guys drive an ambulance to SWINDON if they wanted to go there. I never heard it was against the rules to take vehicles without a work ticket. I had to take a civy to SWINDON. That was one of the witnesses who was at the court martial. I asked the assistant adjutant for a chit to authorize me to carry the civilian. The Sgt told me I would have to wait for this chit. The assistant Adjutant told me I did not need a chit to carry a civilian in No 1 Adm Tpt. He said "Go ahead".

Q. Who gave orders to repair vehicles?

A. The driver would come in if there was anything wrong, he would tell us to fix it.

CROSS EXAMINED

I qualified as a driver mechanic in Bordon, England, early in 1944. There was no driver in our unit. I was only taking a test down there and they passed me. I never took a driver mechanic's course in ENGLAND.

Q. Do you ever read Part I Orders?

A. They did not show Driver Mechanic Regulations. At SWINDON I never read Part I Orders, I never saw an order in the hut.

No officer ever authorized me to take out a vehicle on tests without a work ticket.

I cannot read English but I talk it. I went to Grade 5 in school in Quebec. No officer ever told me that I could take a vehicle on tests without work tickets. They have seen me out on plenty of occasions, but they never stopped me.

SECOND WITNESS FOR THE DEFENCE

H95806 Private Donald Norris McPHAIL, No 2 MAC Inor to No 1 Cdn Adm Tpt Coy, being duly sworn states:

I have been at SWINDON about four months before 2 Dec 44.

I have heard the evidence of DERAICHE and it is true but I would like to and wish to explain how the accident occurred. I was going to turn right into the cross street but a bicycle came along and that put me beyond the intersection. I thought I could still make the road to the right but when I partially turned I realized I could not. I stopped. It was a wide road and I intended to back up and make the turn to the right. I saw no light on the jeep that hit me. I could have seen them come over a long distance.

DERAICHE did say to RINEHART that the testing of spotlights would have to be done at night. I did not hear the officer raising objection.

I had been quite busy while Lt CRAIG was there when the ambulances were moving all the time but was not busy when Lt RINEHART came when the ambulances were not moving so much.

I think it was proper to go out at night to test the spotlights. This can best be done on the road. It cannot be done within the park, as there were ambulances parked all along the kerb that Lt RINEHART referred to.

SWINDON is a very foggy area. The American traffic was heavy and the lights were bright, and our lights should be adjusted to counteract it.

I think that we made an average of 25 trips on the road on tests per week. We never used work tickets at any time while I was there. I was employed there as a fitter. I sometimes went to the American camp to get some needed supplies or welding without a work ticket, or to scrounge parts. I only had fitter's kit, no welding or other kit. I only had two work tickets all the time I was there. That was to enable me to go to NEWBURY salvage dump.

Q. Do you know this book (MT Drivers Regulations)?

A. I have not seen Drivers Regulations (Exhibit 4). I have no idea where Part I Orders are kept at SWINDON. I had no idea until today where they were kept. I was never on any of the regular daily parades at SWINDON.

At about 2000 hrs that night we decided we would fix the spotlights and we both walked down to the tool house. We picked up three wrenches, a screwdriver and a pair of pliers. We went down to the vehicle lines and backed CA 4236273 in position onto the road. We partially adjusted the light and decided to take it out on the road. We went back to the tool house and got the road test sign. Just before we reached SWINDON the ignition went off and it took a long time to find the difficulty.

I quite often had seen civilians in ambulances in the evenings.

CROSS EXAMINED

It would be dark enough to adjust spotlights after 1900 hrs, on 2 Dec 44. I can judge the distance of 20 feet more easily from a vehicle which is moving than from one which is stationary.

I was never authorized by anyone to take vehicles on tests without a work ticket but it is a known fact throughout the camp that it was done.

I was trade tested as a fitter in Canada and I took no course in England. I am still RCEME. I never took a driver's test in England.

I go to the orderly room an average of once a day. I never saw Part I Orders up there. I have read Part I Orders in other camps.

RE-EXAMINATION

I did not have an English driver's licence at the time of the accident. I got one after the accident. I was in the orderly room one day and the clerk was making application for some other licences. He asked me if I had one, when I said NO, he put me down for one. I have my licence but was never given MT Drivers Regulations. I had a driver's licence in Canada.

THIRD WITNESS FOR THE DEFENCE

K98470 Sgt YEATMAN, MFJ, RCASC, being duly sworn states:

I was the senior NCO and the only Sgt at SWINDON detachment. I went on parades and I never saw DERAICHE or McPHAIL on parade. There was quite a bit of work at the time and they were excused parades so they could do it.

I don't know whether the accused needed work tickets to go on test runs. I never signed any for them. I could not tell you whether they did in fact go out on tests from time to time without work tickets. I have seen them on the road on occasions when I had not signed a ticket. I was away on the night of 2 Dec 44.

Q. How do you fix spotlights?

A. I am a DM. It would have to be dark to fix spotlights properly. I think you could do it stationary if you had a level piece of ground to do it. You should have a wall or something white to fix spotlights. Where I have been it is the custom to try it on the road after it has been fixed.

CROSS EXAMINATION

When Part I Orders came in they were put in the Orderly Room on a file on the wall near the outside door. They were accessible to anybody who wanted to see them. Drivers would have to come to the Orderly Room to pick up their log book and ticket. They could read Part I Orders then.

ADDRESS BY THE DEFENDING OFFICER ON THE FINDINGS

With regard to the first charge, I think it has been brought out in the evidence of Lt CRAIG and Lt RINEHART that they tacidly approved vehicles going out on test runs and that on 2 Dec 44, Mr RINEHART made special mention to both the accused that as a result of recent orders the spotlights should be gone over, and after Private DERAICHE mentioning that this work would have to be done at night, had nothing else to say but "That is your job". He did not restrict them as to whether they should go. Four days previously he had seen them out on the road and without a work ticket and did not put a stop to it nor did he on that very night tell them that they needed a work ticket or remind them that they should have a work ticket. I think that this is brought out by Exhibit 1 brought in by the Prosecution, when they allowed Private DERAICHE to come all the way from SWINDON to FARNBOROUGH with an unsigned work ticket. We have the evidence of Sgt YEATMAN to state that he had seen both the accused out without work tickets and had not stopped them, and Private LAVIGNE stated that it was accepted practice that both the accused could go out without work tickets.

Regarding the second charge which reads that they were concerned with the improper use of WD vehicle thereby causing damage to that vehicle in the amount of £2.8.0, that is an alternative charge to the first one and insofar as they were testing this vehicle, I submit that it comes under the same argument that as a matter of fact they were tacidly authorized to use these vehicles in road test jobs without work tickets.

With regard to the third charge, I submit that at SWINDON conditions were such that civilians were being carried in ambulances without anything to the contrary ever having been published to the accused, that it was not unusual in SWINDON to see civilians riding in vehicles, and furthermore civilians were carried by the accused on the day previous to this accident happening and no chit was given to him giving him permission to carry these civilians. I think the Court can readily see that ORO 3510 was never brought to the notice of either of these men. You have under the evidence of Private LAVIGNE where he states that Part I Orders had to be asked for in order to be read and the evidence of the accused to the fact that Part I Orders were not posted in their huts.

ADDRESS BY THE PROSECUTOR ON THE FINDINGS

In respect to the first charge against the two accused persons I submit that regardless of the fact that they had reason to believe that there were other unauthorized trips from this detachment, that this would not excuse an unauthorized trip on their part. These two men have been working with vehicles for almost the whole time of their army career and would know or should know that they were required to have proper authorization before taking a vehicle away from vehicle park. As to the matter of it being necessary to go out on the road to adjust a spotlight it seems to me that adjustments of lights could be much more easily done from a standing vehicle. It has been brought out in the evidence that both the officers Lts CRAIG and RINEHART, that they had at no time given authority to take vehicles on road tests or for any other reason without proper authorization. It has been brought out by the various witnesses and by the witness for the defence that Part I Orders were available to all personnel at this detachment and it clearly states in these orders that all personnel will study MT Drivers Regulations.

To take from 2000 hours until 2300 hours to test a spotlight on a vehicle through the streets of SWINDON seems rather absurd. It has been brought out in the evidence of Lts CRAIG and RINEHART that ambulances were not to be used for recreational transport purposes. Yet the two accused persons did carry two civilians in the ambulance CA 4236273 and without authority.

I therefore submit that both these accused persons are guilty of both the charges, first and third.

THE COURT WILL BE CLOSED TO CONSIDER ITS FINDINGS

In the opinion of the Court it is unnecessary to comply with RP 83 (B)

PLEA OF MITIGATION IN THE CASE OF H95806 Private Donald Norris McPHAIL BY THE DEFENDING OFFICER.

McPHAIL is 29 years of age, single, parents living on a farm. He has two brothers and two sisters. He is the second eldest one of the family. He has a brother in the Navy.

In school he reached Grade 10. You have the date of enlistment and since that time has served in the armywwith a clear record.

I submit that having due to all the circumstances, due to orders given and the tacid approval that was given to taking out of vehicles,

although these charges look pretty serious, actually when you look behind them they are not serious at all.

PLEA OF MITIGATION IN THE CASE OF E42314 Private Normand Roger DERAICHE, BY THE DEFENDING OFFICER.

Private DERAICHE is 21 years old, He enlisted on 10 Jul 41 that means that he has now 3½ years in the army. He was 17 years old when he joined the army. He gave his age as 18 years old showing that he was quite anxious to join the army. His crime sheet actually is very light. This last entry he tells that he did this act because where he was sleeping was very cold, and he slept in the ambulance. He tells me that he has sore back suffering from kidney trouble. His category is L4. I think this charge which is the most serious is not very much.

These charges look quite terrific when you look at them but when you can see the circumstances behind these charges and I submit that on the second charge concerned with the improper use of a WD vehicle that the Court should not fail to judge the evidence which is produced to carry the third charge that is carrying civilians in the vehicle - that the second charge actually is just another wording of the first charge and I submit that these two charges are the same thing and that this second charge should not hold more water than the first one.

The accused has stated in the evidence he just reached 5th Grade in Quebec. He quit school when he was 14 years old and went to work immediately afterwards. It is I am quite safe in assuming after seeing the conduct of the detachment at SWINDON that he could feel that it was quite a proper thing for him to do to taking two civilians back from a dance which was on the way back to camp. According to the evidence the girls lived half way between SWINDON and the camp and actually they never reached SWINDON and turned around at the round about at the best place to turn to come back to camp.

THE COURT WILL NOW BE CLOSED TO CONSIDER ITS SENTENCE

FIRST WITNESS:

C 121948 Pte Fraser A.K. 2 MAC Incr. No.1Can Adm Tpt Coy RCASC having been duly sworn states:

At about 2330 hrs on 2 Dec 44 I was standing in my billets at Hunts Copse preparing for bed, when Pte Jusseaume came in and told me that someone had 'phoned the orderly room about an accident. I then left my billets with Jusseaume and went to the kitchen. Deraiche and McPhail were in the kitchen and Jusseaume again mentioned the accident.Deraiche McPhail and myself then went to the vehicle park to see the ambulance, ~~which was damaged~~ This would be about midnight. We looked at the ambulance which was damaged on the left side about the petrol can carrier. I do not remember the number of the ambulance. We were in the vehicle park about five minutes. McPhail nor Deraiche made no mention of the accident in my prescence. I then returned to my quarters and went to bed. McPhail and Deraiche accompanied me to our quarters and we all went to bed.

The accused persons declined to crossexamine the witness.

SECOND WITNESS.

Capt. H.M. Laurence - No. 4 SRD RASC having been duly sworn states.

At approximately 2315 hrs 2 Dec 44 as I was entering the gate at 12 Whitworth Road,Swindon, I heard a crash and went in the direction from whence it came. After proceeding approximately 50 yds. I came to Stratton Crossroads and found that an American Jeep and a Canadian Ambulancehad collided. I found that an American soldier had been injured. We helped him to the grass at the side of the road and I examined his injuries. After getting one of the occupants of the ambulance to pull the vehicle to the side of the road, I went back to the injured man and got the occupants of the ambulance tomove the injured man into the ambulance and told them I would go down the road to the Fire station which was approximately 150 yds away and telephone police also telephone for an ambulanceto take the injured manto the hospital as the occupants of The Canadian ambulance had told me that they did not have sufficient petrol in the damaged ambulance.

On my return to the scene of the accident, the damaged ambulance had disappeared and I was informed by some civilians who were present that they had taken the injured man to the hospital. Together with the civilians present I helped push the jeep to the side of the road. On the arrival of the police,I went home, after giving them my name and address

At approximately 1430 hrs 3 Dec 44 I was present at an identification parade at No.2 MAC No.1 Can. Adm. Tpt Coy RCASC at Hunt's Copse. I went up and down the ranks once and positively identified on man in the rear rank, but was a little undecided between a man in the center rank and a man in the front rank as being the second occupant of the ambulance I walked out of earshot of the parade and informed Lieut.Rinehart that I had positively identified a man in the rear rank as one of the occupants but was a little was a little undecided whether it was the mandin the center rank or the man in the front rank who had been the second occupant. He asked me if I would try to positively identify the second man and on second inspection I was quite satisfied that the man in the front rank and not the man in the center rank had been the other occupant of the ambulance at the time of the accident.

Lieut.Rinehart then informed me that the man I had positively identified on first inspection was Pte McPhail and that the man I had been a little undecided about was Pte Deraiche.

The accused persons declined to crossexamine the witness.

Sgd. (H.M.Laurence)
Capt. RASC.

THIRD WITNESS.

Mr.Frederick Crumpler, 106 Kingsdown Road, Upper Stratton, Swindon,Wilts.,having been duly sworn states:

On Saturday 2 Dec 44 at about 11:15 pm I was riding my pedal bicycle down Cricklade Road, Swindon into Kingsdown Road, Upper Stratton. Shortly after passing the fire station,Cricklade Road an Army Ambulance overtook and passed me travelling towards Cricklade. As I approached the junction I noticed that the ambulance had turned across the road, apparently the driver had missed the turning into Kingsdown Road. The ambulance had turned across the road with the front wheels against the kerb obstructing traffic coming from the opposite direction. I then heard a crash and on going to the ambulance found that a jeep had crashed into its near side.

Afterythe crash I saw two girls get out of the rear of the ambulance. I then walked around the other side of the ambulance to see what assistance I could give. I saw a jeep driven against the side of the ambulance and a man lying in the grass by the side of the road.

Just about this time an officer appeared and directed two soldiers to place the injured man in the ambulance and take him to hospital. The two soldiers moved the injured man into the ambulance and drove off. I then helped move the damaged jeep to the side of the road.

The two girls left the scene of the accident after the injured man had been placed in the ambulance.

Seeing that I could be of no further assistance I left for home. This would be about 11:40 pm.

Q 1. (Pte McPhail) What would you estimate the speed of the ambulance to be when it passed you?

A 1. No more than ten miles an hour.

Q 2. Was the night clear?

A 2. Yes,it was a moonlight night.

Q 3. You saw no sign of the jeep until after the accident?

A 3 No.

Q 4. Did you see the lights of an approaching vehicle,coming from the opposite direction?

A 4 No; I saw no lights.

Sgd.(F.Crumpler)

FOURTH WITNESS.

Stanley James Sneddon, 40 Lindon Ave.,Pinehurst,Swindon,Wilts having been duly sworn states:

I recognise the accused person Pte Deraiche also known to me as "Frenchie". I was present at an identification parade held at 1600 hrs 14 Dec 44 at the Old Town Police Station at Swindon. The purpose of the parade was to identify Pte Deraiche as the soldier with whom I had had conversation relative to an accident which occured on 2 Dec. 44. I identified Pte Deraiche as that man.

Regarding this previous conversation on or about the 5th of 6th Dec 44, Deraiche came to my house and Jean Rudman was present. Deraiche and Jean were discussing an accident which had occured between their ambulance and an American Jeep. My wife then asked Deraiche to tell her about it. Jean said that on the evening of 2 Dec 44 at about 11:00 or11:30 pm they, Jean and her sister Peggy, were coming home from a dance in Deraiche's ambulance. They had missed two turnings in the road which would have taken them home and were turning about in the road when a jeep ran into them. Jean said that she was in the back of the ambulance with her sister and Deraiche and someone else was driving. Jean further said that they saw an American from the jeep put on the side of the road. And then some woman in a fur coat came up and asked them if they had been in the jeep and if they had they had better " skip it". The girls then left.

The girls seemed to be worried and Deraiche told them that they had nothing to worry about if they didn't say too much.

Some days later when Deraiche was at my house he passed a remark that inquiries were being made about the accident.

I have known Pte Deraiche for sometime and he has be en in the habit of calling at my house occasionally with an ambulance and sometimes on a motorcycle.

The accused persons declined to crossexamine the witness.

Sgd. (S.J.Sneddon)

FIFTH WITNESS:
Mrs Evelyn Elsie Sneddon - 40 Linson Ave, Pinehurst, Swindon, having been duly sworn states:
I know the accused person Pte Deraiche also known to me as "Frenchie". I do not know the other man.
During the first week in December Deraiche came to my house to call on Jean Rudman. He told ~~me~~ Jean in my presence that he was on charge I then asked him what he had been up to. He told me that he had had an accident and he asked Jean to tell me the story. Jean said that on Saturday night 2 Dec 44 at about 11:15 pm an ambulance in which they had been riding had had an accident with a jeep. She said that a "Yank" had been hurt. He had a cut forehead and leg injuries. I asked her what they had done with him and she said that they had picked him up and taken him to hospital. She said that she and her sister Peggy had been in the back with "Frenchie" and that someone else she called "Mac" was driving.
I asked Frenchie a few times after that how the "Yank" was,he couldn't tell me. After the accident he had called at my house to see Jean
At a dance at Hardings Hall, Gorse Hill on 13th Dec 44 I saw Deraiche talking to Jean. I went up to them and asked "Frenchie" what his name was and he told me "Deraiche". This was after Jean had been interviewed by Sgt.Hammond. Jean told Deraiche about the interview in my presence. Deraiche told Jean not to split on him and he wouldn't split on her. I told Deraiche not to be a fool he might only get two years. He said he wanted to go home after the war and not to stay in the klink. Jean Told Deraiche that she wouldn't identify him on the identification parade.

Q 5.(Pte.Deraiche). Didnt I tell you that i thought I was on charge and not that I was on charge.

A 5 Yes.

Q 6. Didn't I ask Jean not to identify me before she volunteered not to do so.

A 6 All I heard was Jean say she wouldn't identify you.

Sgd.(Mrs.E.E.Sneddon)

SIXTH WITNESS:
Miss Peggy Rudman, 10 hurst Crescent, Pine hurst,Swindon, having been duly sworn states:
I know the two accused persons as Frenchie and Don.
(Witness points to Pte Deraiche as Frenchie and to Pte McPhail as Don)
On the evening of the 2 Dec 44 I was at a dance with my sister Jean Rudman at Harding Hall,Gorse Hill. After the dance ended at 11:00 o'clock pm we came out of the dance with Frenchie and Don and got into thier ambulance. I got into the back of the ambulancewith Frenchie and Jean and Don was driving. We started to drive home..I looked through the window in the ambulance and found that we had gone past the turning we should have taken. I told the driver to turn back. I think the driver tried to turn on the road. I then felt a crash against the ambulance. We got out of the ambulance and went around to see what had caused the crash. I noticed an American ~~xxx~~ soldier beside the ambulance holding on to his leg. I didn't notice the jeep. My sister and I took the American over to the grass on the side of the road. We saw that he had a cut on his forehead and he was holding his knee and he said that it hurt. The American then got up and appeared worried about his jeep. We, my sister and I, then left and went home.
I was present at an identification parade held at Old Town Police Station,Swindon, I didn't identify any of the soldiers on the parade. The two accused persons were on the parade. I didn't identify these two ~~pe~~soldiers because Frenchie asked me, at a dance held the previous Wednesday evening, not to identify him and I promised not to do so.

Q 7.(Pte McPhail) When you state that you looked out of the window in the ambulance you meant the slide which leads from the body of the ambu ance to the cab?

A 7. Yes.

Q 8. Were the lights on in the body of the ~~xxx~~ ambulance all the time?

A 8. Yes.

Q 9. When you opened the slide leading to the cab,did you see the lights of an approaching vehicle coming from the opposite direction?

A 9 No.

Sgd.(Peggy Rudman)

Seventh Witness:

Miss Jean Rudman, 10 Hurst Crescent, Pinehurst, Swindon. having been duly sworn states:

I know the two accused persons as Frenchie and Don - I know that Don's name is MacPhail. I do not know Frenchies last name.

My sister Peggy and I were at a dance held at Harding Hall Gorse Hill on 2 Dec 44. When the dance ended at 11: o'clock P.M. My sister & I with Frenchie and Don came out of the dance together. My sister and I and Frenchie got in the back of an ambulance Don got into the drivers seat. We then started home in the ambulance.

As we were going up the road my sister opened the slide leading from the body of the ambulance to the cab and looked out, and said that we had passed our turning. MacPhail said that he would take the next turning. We then went straight on and then I felt a bump against the ambulance. The ambulance was moving slowly at the time of the bump. After the bump the ambulance stopped. Frenchie then got out of the ambulance and Peggy and I followed him. We went around the front of the ambulance to see what had caused the bump, I saw someone holding an American soldier up. Whoever was holding the American took him out and laid him on the grass at the side of the road. My sister and I went over to the American to see what was wrong with him. We stayed with him for awhile and then my sister and I left to go home.

I was present at an identification parade held at Old Town Police Station Swindon on the 14 Dec 44XX I did not identify anyone present at that parade. The two accused soldiers were present on that parade. I didnt identify the two soldiers because Frenchie had asked me not too at a dance on the Wednesday night previous and I agreed not to identify them.

Q.10 QUESTION: (Pte Deraiche) - Wasnt the ambulance stopped at the time of the accident?

A.10 ANSWER: I don't know, I wasnt paying much attention up until the accident.

Q.11 QUESTION: (Pte McPhail) - Dont you think that I meant I would turn around and go back to the corner I had missed?

A.11 ANSWER: I thought you would take the next turning to the left.

EIGHT WITNESS:

A 105064 Pte Earnsey, J.J. 2 M.A.C. Increment, 1 Cdn Adm Tpt Coy, having been duly sworn states:

On the night of 2 Dec 44 I was in Stratton, Wilts. I had been visiting the pubs. I left Strutton between 2230 and 2300 hrs and walked back to camp. This would be about a mile and a half. When I arrived in camp I went right to my hut No 3. The walk to camp would take between HALF half an hour to three quarters of an hour. After I got into the hut I was talking and eating some lunch when McPhail and Deraich came in. I dont know how long I had been in the hut and I do not know what time it was.

Sometime later Deraiche asked me to make a statement that I had seen seen he and McPhail sometime after 2300 hrs and also that they came to bed at 2340 hrs. I do not remember whether he he asked me that night or the following day. I do not remember what time they went to bed that night.

After MacPhail and Deraich came in they left for somewhere and returned shortly afterwards:- The accused persons decline to crossexamine witness.

NINTH WITNESS:

B-[illegible]356 Pte Butts, I.H. 2 MAC Increment, 1 Cdn Adm Tpt Coy having been duly sworn states:

On the night of 2nd Dec 44 I was driving the recreational lorry from our camp to Swindon. As previously arranged I was at the YMCA at about 2300 hrs to pick up the boys for the return trip to camp. I was in the YMCA and had a cup of tea. I did not see either Deraiche or McPhail in the YMCA.

They were not in the truck on the way back as far as I know. I arrived back at the lines about 2320 hrs. I went to the hut and talked for awhile and then went to the kitchen for something to eat. This would be about midnight or a quarter after. Deraiche and McPhail came in to the kitchen shortly afterwards. They had tea. We then left the kitchen and returned to our huts. We were all together including Deraiche and McPhail this would be about 0100 hrs.

After the identification parade held the following day. Deraiche came to me and asked me to state that I had picked McPhail and him up at the YMCA on the Saturday night and driven them back to camp in the recreational lorry. I agreed to do this.

Q.12 QUESTION: Are you sure that it was as late as 0100 hrs when we left the kitchen?

A.12 ANSWER: I am not sure but I think it was about that time. The accused persons declined to crossexamine witness.

TENTH WITNESS: Arthur John Barnbrook, P.C. 111 stationed at Swindon, Wilts. having been duly sworn states:

On Saturday the 2nd Dec 44 at 2330 hrs I received a telephonme message to the effect that an accident had occured at the upper Stratton Crossroads. I immediately went there arriving at 2340 hrs.

On arriving at the scene I saw Capt Lawrence and a lady, a Mrs Gilmour, 7 Parkland Ave., Bathroad, Slough. Capt Laurence informed me that a Canadian ambulance had been in an accident with a jeep which was then parked on a peice of waste ground by the side of the road. As a result of conversation with Mrs Gilmour I found four beer bottles, one being full on a peice of waste ground near the jeep.

I examined the road which is 39 ft wide and the point of impact of these vehicles was dead center of the road. The jeep was very badly damaged.

The American M.P's. arrived and in company with Pte Foster of the American Miltary Police. I went to Stratton St. Margaret Hospital and saw L/Cpl Sanderson. As a result of our conversation with him we went to Stanton Fitzwarren where we examined the two lines of ambulances and found one ambulance CA-4236273 damaged. It had a cut in the rear side panel which would correspond with the bonnet plate of the jeep hitting it. And petrol tank was punctured which would correspond to the petrol found at the scene of the accident. The petrol carriers at the side of the petrol tank had been bent back.

I saw the Cpl of the guard and reported this and he told me that no driver was assigned to this vehicle.

On the following day Sunday 3rd Dec 44 I was present at an identification parade held at Stanton Fitzwarren when Capt Laurence identified McPhail and Deraiche.

With Sgt Hammond S.I.B. I carried out a full investigation of the accident and was present when statements were taken. And I was also present at the identification parade held 14 Dec 44 at Old Town Police Station, Swindon.

The number of the American jeep is 14AB4688.

I produce the aforementioned bottles, (bottles entered as exhibit A and so marked)

Q.13 QUESTION: (Pte McPhail). What part of the petrol tank was punctured?

A.13 ANSWER: The rear of the tank near the bottom.

Q.14 QUESTION: What indications had you that the accident happened in the center of the road?

A.14 ANSWER: The mud that had fallen from the American jeep indicated this.

Q.15 QUESTION: On your examination of this ambulance at Stanton Fitzwarren on the night of 2 Dec 44 was there anything to indicate that an injured man had been carried in it recently?

A.15 ANSWER: Yes there were fresh blood marks on the right hand cushion in the ambulance; also some blood marks on the floor.

Q.16 QUESTION: Was there an ambulance at the scene of the accident when you arrived?

A.16 ANSWER: No.

Sdg(Arthur J. Barnbrook Conns. 111)

ELEVENTH WITNESS:

Lieut G.H. Rinehart, 2 MAC Increment, 1 Cdn Adm Tpt Coy, RCASC. having been duly sworn states:

I am the officer in charge of Swindon detachment, 2 MAC Increment, 1 Cdn Adm Tpt Coy.

Ambulance No CA 4236273 although assigned to Pte Russman is very seldom driven as Pte Russman is my batman. On 1 Dec 44 a work ticket was signed for this ambulance to allow Pte Derniche to drive it into Farnborough Hants. to attend a Court Martial. The vehicle returned that evening. There are no further trips authorized or recorded on the work ticket for this vehicle. On the morning of 3 Dec 44 I was informed by L/Cpl Lavigne that this ambulance had been in an accident the previous night. I had authorized no trip for this ambulance and none is recorded on the work ticket.

I investigated the accident and submitted a report to my Officer Commanding. This is work ticket 4/2/72 for ambulance CA 4236273

(Work Ticket received as exhibit and entered as exhibit B)

Q.17 QUESTION:(Pte MacPhail) Is not the fitter and D.M. at this detachment allowed to take vehicles out on test without an MI authorized work ticket?

A.17 ANSWER: A recent order published just before I took over this detachment states that no vehicle would go out on test without some other written authority. I maintain that Swindon Detachment is apart of No. 1 Cdn Adm Tpt Coy and therefore this order applies to this detachment. I have only been with this detachment a short while prior to the accident and I have noticed that the fitter and D.M. have been going out "on test" wtout other authority and I had intended to put a stop to it. But I have been occupied with many other details up to the time and didn't get around to it.

Q-18 QUESTION:(Pte Derniche) Did you give us an order on 2 Dec 44 to adjust the spotlights on the vehicles?

A.18 ANSWER: At approximately 1730 hrs I was in the kitchen when Pte. MacPhail and Pte Derniche came in for supper. I told them that I had noticed the spotlights on the vehicles were not properly adjusted in accordance with CARO's and that it would be their job to make the proper adjustments.

Twelfth Witness:

20316224 Pte Lowe, R.V.L. - 466 Para Fld Arty Btn U.S. Army at present in 141st U.S. Gen Hospital having been duly sworn states:-

On the night 2 Dec 44, I was in Swindon Wilts in my jeep. About 2300 hrs I got in my jeep and started in search of a Fish and Chip Shop. I was travelling down Cricklade Road towards Swindon. I was travelling at about 35 m.p.h. I was sober. My lights had a blackout shield and didn't show a very strong light. The first I noticed was a Red Cross sign on the side of an ambulance The ambulance appeared to be about 20 to 25 feet away from me when I first saw it. This would be near the intersection of Cricklade Road and Kingsdown Road. I applied the barkes but I was too close and ran into the side of the ambulance. There was a crash. I sat there for a couple of seconds then got out and called out towards the driver to ask why he was parked where he was. Two soldiers appeared and came towards me . I then felt a pain in my left knee. Then two girls grabbed meand took me over to a grass lot and told me to lay down. Then a crowd of people gathered from somewhere. Someone then assisted me into the back of the ambulance. The ~~AMBULANCE~~ ambulance then drover off and then after a while stopped. Someone opened the back door and assisted me out of the ambulance and then someone helped me into the reception room at Stratton St Margarets Hospital, I dont know whether it was the same person who helped me out of the ambulance or not. Someone lead me over to the latrine.

When I was put in the ambulance two soldiers got in with me and were with me during the ride to the hospital. I was somewhat confused at this time due to the accident.

I do not know if I could recognise any one I saw at the accident. I am not sure if I recognise anyone at this summary.

My trip in the jeep was an unofficial trip.

Q.19 (Pte Deraiche) Are you quite sure it was two girls who took you over to the grass lot?

A.19 I am not sure as I was somewhat shaken by the accident.

Q.20 Before you hit the ambulance did you see any lights?

A.20 I didn't see any lights at all nor any reflections.

Q.21 Did you see the lights of the ambulance before it turned to the position it was in when you struck it?

A.21 No.

Q.22 Are you sure the lights were on on your jeep?

A.22 Yes the lights were on.

Q.23 How did the lights happen to be off after the collision?

A.23 I didn't notice whether they were or not.

Q.24 Did you admit at the scene of the accident that your trip was without permission?

A-24 Yes I beleive I did say something to that effect.

Q.25 How near were you to the left kert of the road when the accident occured?

A.25 I beleive I was to the left of the center of the road.

THIRTEENTH WITNESS:

D-138858 Pte Jusseaume, R. 2 M.A.C. Increment, 1 Cdn Adm Tpt Coy having been duly sworn states:

I was night fireman at Swindon detachment 2 M.A.C. Increment on the night of 2 Dec 44 and I was on duty from 1800 hrs 2 Dec 44 to 0700 hrs 3 Dec 44

At about midnight 2 Dec 44 I went to the kitchen and Deraiche, McPhail and Butts were in the kitchen. I fixed the fires in the kitchen and by the time I had finished with the fires Deraiche McPhail and the others had gone.

I was in the kitchen about 10 or 15 minutes, then made the round of the huts fixing the fires. When I was firing the fires in Hut No 3, I noticed that Deraiche and McPhail were in their beds. This would be about 0020 hrs 3 Dec 44.

An identification parade was held at our camp the following day 3 Dec 44and that night Deraiche came up to me and asked me to make a statement that I had seen them (Deraiche & McPhail) in the kitchen between 2300 hrs and 2330 hrs on the night of 2 Dec 44. I asked Deraiche if he had been in the accident and he told me he hadn't been. I then agreed to make a statement as he had asked me to. The accused persons decline to crossexamine the witness.

FOURTEENTH WITNESS:

L-154284 Pte Nevard, R.A. 2 M A.C. Increment, 1 Cdn Army Tpt Coy, having been duly sworn states:

On the 2 Dec 44 I was posted for guard duty at the vehicle park of 2 M.A.C. Increment, Swindon. My tour of duty was from 2300 hrs 2 Dec 44 to 0300 hrs 3 Dec 44.

A little while before 2300 hrs I reported to the orderly room and signed in for guard duty. L/Cpl Lavigne was in the orderly room at the time.

After having signed in for guard duty I didnt go on guard but returned to my billets and remained there until about 0100 hrs, I lived in the same hut as Pte McPhail and Pte Deraiche. They came into the hut while I was there I am not sure of the time as I have no watch but I beleive it was about midnight or a little after.

I went to my guard duty about 0100 hrs and I beleive I went to the orderly on the way there. Pte Godin the other guard was at the gate when I arrived on duty. He then left to go to the kitchen. He returned a few minutes later.

At about 0230 hrs a jeep drove up with an American M.P. and a police constable. They told me there had been an accident and wanted to look over our ambulances. I told them about two ambulances which had come in while I was on duty. We checked these but found no marks on them. I then took them to the orderly room and reported the matter to L/Cpl Lavigne.

The M.P. and constable asked to be allowed to check all the vehicles and L/Cpl Lavigne consented. I then went back to the vehicle park with the M.P. and constable and accompanied by Godin we checked all the vehicles. We found an ambulance, I beleive the number was 273, although I cant be sure, which had been damaged on the left side. The spare carrier had been bent and driven into the gas tank and the tank had sprung a leak. There was a cut in the side of the ambulance.

We then returned to the orderly room and either the M.P. or the constable told L/Cpl Lavigne the number of the ambulance and a description of the damage.

Just after I came on duty and while Godin was away. Deraiche McPhail and Fraser came down to the vehicle park and looked at the damaged ambulance. I followed them down. I noticed that the ambulance had been damaged. McPhail made a comment that the damage could be easily repaired or words to that effect. The three men then left the park.

Q.26 Wasnt it earlier than one o'clock when we went down to the park?

A.26 I am not sure but I seem to remember asking someone the time when I went on duty. But it could have been earlier.

Sdg (Pte Nevard,R.A.)

FIFTEENTH WITNESS:

D-105030 Pte Lavigne, H.C. 2 M.A.C. Increment, 1 Cdn Adm Tpt Coy having been duly sworn states.

On 2 Dec 44 I was orderly N.C.O. at Swindon detachment 2 MAC, my tour of duty commenced when I releived Sgt Yeatman at approximatley 1630 hrs I was on duty until the morning parade the following morning. Since the following day was a Sunday that would normally have been the noon meal parade. My duties were to receive any calls on the phone and to despatch any trips if they were required. There was only one trip called for, that being Pte Youngs trip to Taplow. There were no other authorized trips that day or night with the exception of the recreational lorry, that being authoriqed by either the officer or the sergeant.

I didn't see Pte McPhail or Pte Deraiche from last meal time until about midnight or there abouts when I saw them in the kitchen. I made no mention of the accident to them nor they to me. Neither McPhail nor Deraiche had told me that they were taking a vehicle on a road test.

About 2345 hrs or thereabouts I received a telephone message from Stratton St Margarets Hospital stating that one of our ambulances had delivered an American patient to the hospital and they wanted to know the name of the driver. I told them that as far as I knew we had no ambulances delivering American patients to that hospital. They then told me that the patient had been in an accident in which the ambulance had been involved. I told them that as far as I knew none of our ambulances MAA were out except one MAA on a trip to Taplow but that I would check our lines to see. I checked the number of vehicles but as far as I could tell all ambulances were accounted for although its difficult to make an exact count since sometimes when ambulances are sent to FELIXSTAW or returned from the workshop in Farnborough it is not always recorded on our vehicle board. I enquired of the guard at the time and he told me that an ambulance had gone out: Pte Godin was on guard then, I then went to bed by the phone having taken it for granted that it wasn't our ambulance involved.

About 0300 hrs I was awakened by one of our guards who had an American M.P. and a civilian constable with him. They asked if they could XXXXXXX check our vehicles to see if they could find the one which had been involved in an accident earlier that night. I told the guard to take them around.

They returned sometime later and told me that they had found an ambulance which they had reason to suspect had been in an accident. They told me the number which I dont remember but I beleive the last three numbers were 273. They told me that the petrol carrier had been damaged and other damage which I dont remember. I took the particulars and reported it the following morning to Lieut Rinehart the officer in charge of the detachment. The accused persons declined to crossexamine witness.

SIXTEENTH WITNESS:

Lieut W.H. Craig, 1 CASCRE Cdn Army, Overseas having been duly sworn states:

From approximately 19 Sep 44 to approximately 21 Nov 44 I was officer in charge of Swindon detachment 2 M.A.C. Increment, 1 Canadian Adm Tpt Coy, RCASC. At no time during that period were the fitter or D.H. of the detachment given authority to take vehicles on test runs without a work ticket properly signed by myself or by the despatcher which I would later ratify.

Q.27 (Pte Deraiche) Did you ever tell us that we could take vehicles out on road test without a work ticket?

A.27 It was laid down that no vehicle would leave the unit lines without a work ticket except to refuel at pumps.

Q.28 (Pte McPhail) Did you ever tell me personally that I was to have a work ticket for all test runs?

A.28 No. I don't recall telling you personally.

Sdg(W.H. Craig Lt.)

The accused persons were cautioned as follows: "Do you wish to make a statement or to give evidence on oath" you are not obliged to say anything or to give evidence, unless you wish to do so, But whatever you say or any evidence you give, will be taken down in writing and may be given in evidence.

The accused persons elect to make a Statement.

R-42314 Pte Demaiche, N.R. No 2 MAC Increment, No 1 Cdn Adm Tpt Coy, RCASC a soldier of the Canadian Army, Overseas states:

On 2 Dec 44 at 1730 hrs we went to the kitchen for supper where we saw Lieut Rinehart, the officer in charge of our detachment. He gave us an order to adjust the spotlights on the vehicles. He told us to ajust the spotlights to the left ditch twenty feet ahead of the vehicle. I told him that we would have to work nights in order to do this because we could not adjust the lights during daylight.

After supper we went back to the hut (Hut No 3) we were to late to take the recreational lorry into town so we decided (McPhail and I) that we might as well work on the lights. We rested on our beds for awhile then about 2000 hrs we went down to our tool shop and taking some wrenches, screw drivers etc we went down to the car park. We took 27\ and put the lights on. We backed onto the road. We then adjusted the spotlight and McPhail said to me "I dont think its really good like that" and I said "We'll try it out on the road" I said " I will go and get the "On Test" sign" I got it and put the sign on the vehicle. We then drove down the main road to Swindon. By that time it would be about 2100 to 2115 hrs.

Before we approached the roundabout the Ignition cut out. I said to McPhail" whats the matter" We tried to start the motor but it wouldn't start. The lights were still on and the starter worked, and the horn worked. We took the engine cover off, and tested for a spark at the plugs. We worked on the motor about an hour trying to find the trouble. We finally located the trouble being the main ignition wire which had become disconnected just below the switch. We fixed the trouble and started. This would be about 2215 to 2230 hrs.

We turned around at the roundabout and we took the Cricklade road back towards camp. As we passed the dancehall, Harding Hall, Gorse Hill, I said to McPhail "I have to stop here and see someone for a minute". He said"O.K. dont stay too long". I went into the dance and saw my girl friend. I had a couple of dances with her. Just before the last dance McPhail came into the dance hall and asked me to leave. I said "Let me dance the last dance" He said "O.K."

After the last dance I left the dance with my girl friend and her sister. I said to McPhail "lets drive the girls home its on our way or something like that.

McPhail waasnt sure of the way and missed the turning. I was in back with the girls. I opened the slide between the body and cab of the ambulance and I looked out the front and said to McPhail "You have missed the road" he said " he would turn at the intersection." He was meeting a lot of bicycles and although he was driving quite slowly he couldn't turn sharp enough, on account of approaching bicycles, to make the intersection. I never saw the lights of any approaching vehicle.

Just as the ambulance stopped I heard and felt a crash, I said to the girls "Someone has hit us" I opened the door at the back and got out I went around to the side and saw an American soldier in front of the ambulance and a jeep against the side of the [redacted] ambulance . I looked at the front of the jeep and its lights weren't on. I went to the back of the jeep and the tail light wasn't on. I looked at the switch and the switch was turned off.

I went towards the American soldier and asked him what had happened and he said "I've got a sore knee and look at my head" I took him by the shoulders and led him over to the grass at the side of the road. By this time my girl friend and her sister were beside the Yank and helped me to lay him down on the grass.

I went back to the ambulance and said to McPhail. "Lets take the jeep off the road". This we did with the help of a civilian. [redacted] I then backed the ambulance to the left side of the road. I turned off the spotlight and left the side and tail lights on. I then went back to the American. I saw the gas on the road and thought at that time our main petrol tank had been punctured and the other one on the right side was empty.

An English Officer told me too take the American to a hospital. I told him I had not enough gas as our tank was broken. He said he would go and phone for an ambulance.

By this time McPhail had looked at the gas tank and found out that there was sufficient gas to take the American to the hospital and to return to camp. The English officer hadn't returned. I went to where the American was and I told the girls to go home. McPhail and I picked up the American and he asked us to let him see his jeep. He looked at the jeep and said he would be paying for this for the duration as he was on the loose or words to that effect.

We then put him in the back of the ambulance. McPhail got into the back to help lift the American into the ambulance. I was at his head and McPhail was at his feet. I smelled beer on his breath. I told McPhail "This guy has been drinking". McPhail stayed in the back and I drove to the hospital.

McPhail and I took him into the reception and saw the soldier there and I told him that the American had just had an accident. He pointed to a chair and told the American to sit down. The English chap stayed with the American and we left. We talked together and decided it wasnt necessary to make an accident report because the Yank was on a buckshee trip. And we could repair our ambulance in ten or 15 minutes. I drove down to the car park and we took our tools out and took "On Test" sign off and took the tools and the sign to the tool shed. We then went to our hut to get our cups so we could have tea at the kitchen. We went to the kitchen and had our tea. Someone said that a phone call had come in about an accident. We saw Fraser and I said "lets go and see the ambulance". We went to the car park and looked at the ambulance. McPhail said it was easy to repair. Then I said lets go to bed. This would be about twelve to twelve thirty. We went to bed

I have read this and it is true.

H-75806 Pte McPhail, D.M. No 2 MAD Increment, 1 Cdn Adm Tpt Coy RCASC a soldier in the Canadian Army, Overseas states:

I have heard Pte Derniche's statement read out and corroborate it as the truth and I make this additional statement. After I had passed the corner I should have taken the Cricklade Road, I went to Kingsdown intersection to turn. On the way I met several bicycles and as I approached the corner there was a bicycle coming towards the intersection from the other direction and by the time he got by me I was beyond the intersection when I made the right turn. So I stopped the vehicle with the front wheels against the curb. I saw no approaching vehicle lights.

Just as I was shifting to reverse gear I heard a crash and then noticed the jeep against the side of the ambulance. I immediately got out.

It has been a known fact by officers at Swindon that the fitters and D.M. could Road Test vehicles without a work ticket. I had been doing it for 4 months and nothing had been said.

My duty hours were all hours since I was the only fitter at the detachment.

I have read this and it is true.

4th Witness for the Prosecution (Documentary)

L/Cpl. Vermilyea, T.D. of the Canadian Provost Corps. At London on the 29th March, 41 at about 1415 hrs. I was on patrol duty at No. 4 Beat in company with L/Cpl. Perry when I saw the M/M soldier. I asked him for his

pass. He produced one which was not satisfactory because the dates had been changed. I placed him under arrest and escorted him to C.P.C.H.Q. where I turned him over to the M.C.O. i/c cells to be detained.

A Written Statement of this witness purporting to be signed by him has been read to the accused and included in the Summary of Evidence;

Owing to the exigencies of the Service including the expense and loss of time involved the attendance of this witness is not in my opinion necessary.

The accused does not demand the attendance of the witness.

.....

The accused having been duly cautioned in accordance with Rule of Procedure 4 (E) elects to reserve his defence on two charges.

After being shown the pass attached to the Summary of Evidence as Appendix "A" admits falsifying it.

THE WITNESS WITHDRAWS

THE PROSECUTION IS CLOSED

First Witness for the Defence

The accused A 107579 Pte Derford R.T. States:

All I can remember is I stopped at the house for about three minutes then started on my way and the mortars started and I went in the house and stayed there for two days and then came out. My nerves were pretty well shaken so I had to have some time for them to quieten down, My mother was in an asylum for a long time and my brother had a nerv us breakdown in Feb and in 1940 I had nervous fits.

Second Witness for the Defence

Capt A LeMevre, Can of C having been duly sworn states:

The accused has been with the unit since the attack at Fontaine le Waine. He has carried out is duties and tasks in the pl and coy. He has changed pl some a number of times. He is a Bren gunner and has always had his Bren there. I would like to point out he has been in several actions and co pletely surrounded at times and did a very good job. I have fo nd out his mentality is such he is ver nervous and very excitea le and it is very difficult for him at times to comprehend the scene. I do know that the accused was tith his Pl and in action and just what happened there he has stated himslef.

The prosecution declines to cross examine.

Questioned by the court:

Q 35 Do you know if he has ever been to the M.O. about his nervous condition?
A.35 I really cannot say. I have no information about that at all.

In the opinion of the co rt and the judge adv$cate it is not necessary to comply with the provisions of R.P. 83(3)

THE WITNESS SITS DOWN.

The prosecution declines to make a closing address

Closing address of the Defence.

The point I wo ld like to bring out is that the accused did not refuse to return to his Pl and also his evidence is proof the pl was having a rough time and the shelling, mortar and firing at what timewas very intense. Before that he carried on in the Pl and did his job to the best of his ability. If possible I would like to have a Psychiatrist report on this man but the trouble is youcannot set that unle s the man is right in the middle nerves. He has been very nervous and is is very hard for him now to understand even small things.

Summing up by the J.A.

As the court realized the charge is very serious one. As far as the legal end of it goes, before you canvonvict a man on a charge of desertion you must in the first place prove his absence and you must prove in addition that he had the intention either to quit the service of his Majesty's entirely or as in the present charge he had the intention to avoid some particular service or action. That is what you will have to dicide now. You have heard the evidence and you will have to judge whether the accused left his pl when engaged with the enemy with the intent to avoid taking any further part in the action in which the pl was engaged in. Intent as far as proof goes can only be inferred from the facts that have been proved. It is now very often that you can prove a man's intention from an expressed declaration of intention from that man. In other words you must now judge whether the circumstances and facts proved this afternoon show that this soldier had the intent otc avoid the action in which his pl was involved. I think that is all I can advise you on as regrds intent.

There is not much more I can say, the facts are not greatly in dispute and I will close by reminding you, the court, that in British law a man is presumed to be innocent until proved to be guilty beyond reasonable doubt. I have defined reasonable doube in other cases the past few days as that kind of a real and substantial doubt which would make a reasonable man pull up and hesitate and consider whether the thing he is about to do is a sare and reasonable thing.

If there are no questions from the defending or prosecuting officer or the court, I would suggest the court close to reach a finding.

No questions.

Mitigation by the defence.

I do not believe there is anything further I can say other than what I have already said.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

CASE OF

L.2493 Pte DERKSON R.W., 1 Cdn Adm Tpt Coy RCASC

D-3 PROSECUTION

FIRST WITNESS

B.80342 Sjt HAYES JS, 1 Cdn Adm Tpt Coy RCASC, having been duly sworn, states:

I recognize the accused. On 7 Nov 44 while acting as Ord Sjt I was standing in the kitchen in company with the Orderly Officer, and I noticed the accused [redacted] at one of the stoves in the kitchen making toast. I approached him and asked him what duties he was on, and he explained to me that he was on fatigue work in the kitchen and I thereby told him that I was of the opinion that the fatigue men eat after the regular meal parade and told him to go about his work. He then commenced to argue with me, thereupon I asked him how long he had been in the Army and did he not know an order when he heard one, and his reply was "this is not the fucking army". I don't remember the exact words of the rest he said. The next instant I told him to carry on with his work and he said, or rather, told me to go fuck myself. I asked him to repeat it and said "what did you say?" and he said "go fuck yourself".

NO CROSS-EXAMINATION

QUESTIONS BY THE COURT:

Q. What order did you give him?
A. I told him to carry on with his work, Sir.

Q. Was he not doing that?
A. He was making toast on his own behalf.

Q. Was he working under you in the kitchen?
A. No, he was working under one of the NCOs in the kitchen, who was not available at the time.

Q. What work did you have for him to do?
A. Part of his duties are to carry water, washing pans, etc. What particular duty he was on I don't know, but fatigue men were supposed to eat after the regular meal hour only. Another reason was no one is supposed to be in the kitchen outside of the cooks. Another reason, it came out on Pt I Order that there is no toast to be made in the kitchen.

IN THE OPINION O F THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

THE PROSECUTION IS CLOSED

DEFENCE

The accused, having been duly sworn, states:

Q. Did you tell the Sjt to go fuck himself?
A. No.

Q. On the morning of the 7th were you detailed to carry water?
A. No, my instructions on kitchen fatigues were to peel spuds, and that doesn't start until after the meal and before that I had nothing to do except get my own breakfast. I was wakened up that morning at 6.30, and sent down to the kitchen to get my breakfast. I was making toast to have a sandwich, there was no one at the stove, and this is when the Sjt came up and asked me what duties I was on and I told him I was on fatigues, kitchen fatigues. He said he was of the opinion that kitchen fatigue men ate after breakfast, and he said to carry on with my duties so I took my mess tins and went out in the hall to wait until after the meal parade was finished to get my breakfast.

Q. What about the words he said you used to him? Did you say them?
A. No, nor no words like it.

Q. ANything else you wish to say?
A. No.

CROSS-EXAMINED

Q. Do you recall what you did say to the Sjt?
A. I told him I did not see where it mattered whether fatigue men ate before or after or between meals.

Q. Did you use any other language?
A. No, SIR.

QUESTIONS BY THE COURT

Q. Anybody else around at the time?
A. I don't know.

Q. What did you say to the Sjt?
A. I said nothing to the Sjt but what I have already said to the court Sir.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B)

THE DEFENCE IS CLOSED.

STATEMENT BY THE PROSECUTOR ON THE FINDING

I have no further witnesses and the Prosecution submits that the evidence of Sjt Hayes is very clear and conclusive. He asked the accused to repeat his remark and he did so, and I submit that the evidence shows that the accused is guilty of the offences as charged.

STATEMENT BY THE DEF OFF ON THE FINDING

There were no witnesses of this statement being made, and the Defence contends that this is one man's word against another. I therefore submit that the Prosecution has not established a case, and if there be any doubt, the accused must have the benefit. It has also been given that an Orderly Officer was there, and if the accused had used these words, the Sgt would have asked the accused (when he asked him to repeat the statement) to do so in the presence of the orderly officer. In any event the Capt was there and has not been called as a witness.

THE COURT IS CLOSED TO CONSIDER THE FINDING

Summary of Evidence in the case of L-2493 Pte. Derham, R.W., No. 2 M.A.C. Increment to No. 1 Cdn. Adm. Tpt. Coy, R.C.A.S.C, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, the summary is taken on oath.

FIRST WITNESS B-80342 Sgt. Hayes, J. S., No. 1 Cdn Adm. Tpt. Coy, R.C.A.S.C., a soldier of the Canadian Army Overseas, having been duly sworn, states:

On 7 Nov 44 at approx 0707 hrs while carrying out the duties of regimental orderly sergeant in the Mens Mess, I noticed the accused whom I now recognize, making toast on one of the stoves in the Mess. I approached him and asked him what duties he was on. He informed me he was on fatigues. I told him that I was of the opinion that the fatigue men had their breakfast after the regular meal parade which was in progress. He then told me that he did not see what difference it made, and I told him to carry on with his duties. After more argument on his part, I asked him how long he had been in the Army, if he did not know better than to argue when given an order. He then said - "this isn't the fucking Army", and added further abusive language concerning the unit as a whole. He next told me to "Go fuck yourself". Not being sure that I had heard correctly, I asked him to repeat his statement and he did so. I then asked him for his pay book, which he failed to produce, and I took his name and number and put him under open arrest. That is all I know of the matter.

The accused declines to cross-examine the witness.

Jno. S. Hayes

The accused was cautioned as follows: "Do you wish to make any statement or to give Evidence on oath? You are not obliged to say anything or give evidence, unless you wish to do so, but whatever you say or any evidence you give, will be taken down in writing and may be given in evidence.

The accused declines to make a statement and reserves his defence.

I certify that the foregoing Summary of Evidence consisting of one page was taken down by me in the presence and hearing of the accused, and that Rules of Procedure 4 (c)(D), (E) & (F) have been complied with.

The Defence Counsel makes a submission under R.P. 42 (a) Note 1. that the evidence produced by the prosecution is insufficient to establish a prima facie case against the accused. (See Note)

Submission upheld by Court

RMW

Argument on no Prima Facia Case

Gentlemen of the court, this case is based on the flimsiest of circumstancial evidence. and as such is hardly worthy of your consideration. Indeed I find it hard to understand why it ever reached a Court. Martial.

The pte. on guard has said he very definetely that he could not say it was the accused who did the shouting, and also has stated that the accused when he did approach the post answered the challenge in a normal correct manner.

The lyt. also has stated very definetly that he could not say it was the accused who did the shouting.

Further gentlemen why would a man from Lyt. Cox in shouting what Reg't he was from and so on say R. Cox.

The Cox Cond has said he checked his pltn. at this time, but says he did not check the Victim as Anti-tank detachment for missing men.

Gentlemen I submit this case is on the flimsiest of circumstancial evidence, and the prosecution has established no case, that the accused should be called on to defend herself against

PLEA OF MITIGATION

G-18448 Pte ARMAND DEROCHE
CARLETON YORK REGT.

The accused Pte Deroche has been in the army for over 5 years. He came overseas in July 1940 and served with Carleton York Regt and other Units.

The accused came to Italy in March 1944. He served with the Special Service Force for about 8 months and then rejoined the C.Y.R.

On the 31st Mar 45 the accused was not on parade but was at the RAP taking treatment for desert sores. He bought a bottle of Cognac of the Ratgut variety and began to drink. This Cognac of rather dubious quality so inflamed his brain that he did not know what he was doing and when his brain cleared he found himself to be in the Guard Room with charges 1-2-3-4 and 5 against him but does not remember committing these charges.

May it please the Court ~~to~~ in passing sentence to keep the above defence in mind. We need all warned of the dubious quality of Rot gut Cognac that was offered for sale to troops in Belgium. This man was drunk but his brain was so inflamed with this rotten cognac that he was not responsible for his later actions as to charges 2-3-4-5 The accused before this time had been able to hold his liquor and not get into ~~[illegible]~~ any serious trouble.

Plea of Mitigation (cont'd)

In passing sentence on the accused, may the Court weigh all these facts up in consideration of a lesser sentence

R. B. Savage Lieut
Defending Officer.

I am L150528 Pte Manz, C. of 13 platoon, "C" Coy., Carlt & York R. On 31 Mar 45 I was a member of the Bn. Guard. At about 1430 hrs the Cpl of the guard sent me as an escort with the accused to his billet to get his blankets. When we arrived there he didn't want his blankets and he didn't want to come back. There was a Cpl in the room so I asked him to detail a man to help me take the accused back. The Cpl detailed a man and we had to drag the accused out of the room and to the guard room.

Seventh Witness for prosecution

G21086 Cpl Charette, L. of "D" Coy, Carlt & York R., after having been duly sworn states:-

I am G21086 Cpl Charette, L. of 18Pl., "D" Coy., Carlt & York R. On 31 Mar 45 I became Cpl of the Bn. Guard at 1800 hrs. The former guard commander told me to keep a sharp watch on DeRoche as he had tried to escape before. During the night at about 1930 hrs I went to my billet to get my great coat and blankets. On my return the 2 i/c of the guard told me that DeRoche had escaped. The escape was around 2000 hrs. Then I took one guard with me and searched all around but we couldn't locate him. We went down to report to the Regimental Police and I informed L/Cpl Masterache of the Regimental Police that DeRoche had escaped. L/Cpl Masterache came with us and we looked for DeRoche till about 2225 hrs and still couldn't locate him. Then L/Cpl Masterache told us to return to the guard room and he would have a check up on his own. As I was on my way back to the guard room L/Cpl Masterache called me back to tell me that he had found DeRoche in a cafe. I took DeRoche back to the guard room. When I got him back to the guard room it was about 2230 hrs.

On 31 Mar 45 at about 2100 hrs the Cpl of the guard reported to me that Pte DeRoche had escaped from the guard room and I then immediately took two guards and the Cpl and we searched all the pubs and could not locate Pte DeRoche. Then at about 2230 hrs I was making my rounds of the pubs and I found Pte DeRoche and I handed him over to the Cpl of the guard.

Second Witness - G47149 Cpl. Raymond, D.A., No. 2 Section, "A" company, 14 Canadian Field Ambulance, sworn states:

I am Cpl. D.A. Raymond, G47149 of No. 2 Company, 14 Canadian Field Ambulance. On the night of September 13th, 1944, at about 1945 hours, L/Cpl. Jones G47170, Pte. Estabrooks G47238, Pte. Deroche F88967 and myself entered Cafe Bolognais. After buying a round of drinks, Pte. Estabrooks and Pte. Deroche went to the toilet. In the mean time four other soldiers came into the cafe, one of whom was Pte. J.Richard C63158 who interpreted for us. When Pte. Estabrooks and Pte. Deroche came back into the cafe, Mlle. Martin locked the door, and as I couldn't speak French, Pte. Richard interpreted. She then told me that four bottles of cognac were missing. I then asked Pte. Estabrooks and Pte. Deroche if they knew anything about it and their answer was "No". Then Pte Estabrooks bent over on the chair he was sitting on and a bottle of cognac fell from his tunic. He picked it up and at first refused to give it up. After a little argument, he gave the bottle to Mme Martin. Pte. Deroche was sitting behind the table, and although not seeing him with a bottle when he and Pte. Estabrooks got up to leave the cafe, his heel kicked a bottle over. Mlle. Martin then picked up the bottle from where Pte. Deroche was sitting. Mlle. then went to the cellar and came back and said there were still two bottles missing. I then asked Pte. Estabrooks and Pte Deroche if they knew anything about the other two bottles and the answer was "No". They then left the cafe. Mme. Martin then wanted to report them to our officer but she said that if the two bottles were returned she would forget about it. L/Cpl. Jones and myself then went to another cafe where I called Pte. Estabrooks outside and told him that if it was given up there would be no trouble. He then pulled out a bottle of cognac from his tunic saying they would not get it back. I told Pte. Estabrooks that they were asking for trouble and that I would report them. I then went back to the cafe and brought Mme. Martin to see our Commanding Officer, Major Norton of "A" Company, 14 Canadian Field Ambulance.

Cross-examined by the accused:

Q. Did you see the lady look into my tunic?
A. No.
Q. Was this bottle supposed to be on the bench or on the floor?

Fourth Witness - G47170 L/Cpl. Jones, R.G., No. 2 Section, "A" company, 14 Canadian Field Ambulance, sworn states:

I, G47170, L/Cpl. Jones, R.G. on the evening of 13th September, 1944, left my billets accompanied by Cpl. Raymond and Pte. Estabrooks and proceeded to Cafe Bolognais. On our way there we met Pte. Deroche. He accompanied us to the cafe and upon entering we had a couple of drinks of cognac and beer. About fifteen minutes after we entered the cafe, Pte. Estabrooks and Pte. Deroche went outside saying they were going to the toilet. I heard one of the girls talking down in the cellar. The cellar door being at the back of the cafe, I had to pass it on my way back into the cafe and I looked down the cellar and saw Pte. Estabrooks and Pte. Deroche with the lady. The lady was talking to them in French and I could not understand what they were saying. I went back into the cafe followed by the lady, Pte. Estabrooks and Pte. Deroche. Upon entering, the lady went and locked the front door. In my absence, Pte. Richard and a couple of the boys had entered the cafe. As soon as she locked the door I knew that something was wrong. Pte. Richard being able to speak French, I told him to ask the ladies the trouble. She said there was cognac missing from the cellar and that Pte. Deroch and Pte Estabrooks had taken it. I looked over at Pte. Deroche, who was again sitting in the cafe and he had a large object under his tunic which looked like a bottle. The proprietress of the cafe insisted that these men had her cognac. While she was talking, the bottle slipped out of Pte. Estabrooks tunic onto the floor. I did not notice the actions of Pte. Deroche in the next few minutes. When Pte. Estabrooks and Pte. Deroche got up to leave the cafe, One of the ladies noticed a bottle of cognac by Pte. Deroche's feeton the floor. hen she called our attention to the bottle, I noticed that the object in Pte. Deroche's tunic had disappeared. The lady had picked the bottle up and said it was hers.Pte. Deroche did not object to her taking the bottle and he and Pte. Estabrooks left the cafe. I am satisfied that when we entered the cafe for the first time in the evening, Pte. Deroche did not have a bottle of cognac in his tunic. From the time that Pte. Estabrooks and Pte. Deroche left the cafe to go to the toilet and until the time I saw them on the cellar steps, to my opinion, it was not more than five minutes at the most. L/Cpl RG Jones

The accused declines to cross-examine the witness.

Fifth Witness - G63158 Pte. Richard, J., No. 2 Section, "A" company 14 Canadian Field Ambulance, sworn states:

I am Pte. Richard, J. of the 14 Canadian Field Ambulance. On the 13th of September, 1944, at about1930 hours, I was in the Café Bolognias, in which I saw Pte. Estabrooks and Pte. Deroche. Then an older lady came in, whom I think was her mother, and saw estabrooks with a bottle in his hand and was pleading to get it back. One of the ladies went to Deroche and accused him and I saw a bottle under his seat. I saw the bottles but cannot say what the contents were, or whether they were full or empty.

1st Witness Prosecution

Maria Rosica of Quintino Rannalli having been duly sworn states:

I am Maria Rosica of Quintino Rannalli. At approx. 2200 hrs on the 4-5 January there was a knock on the door and the lady of the house opened the door. There werewere 4 beds in the one room, all of them occupied. The man took the lamp that was in the room and visited all the beds, finally stopping at my bed. I was sleeping with my husband and baby. The accused whom I recognize took something from his belt about a foot long in his hand. He threatened my husband and I tried to protect him and screamed. The accused put his hand over my mouth. The people tried to leave the house but the accused stopped them by closing the door. The accused took the baby from me and handed it to my husband. Then he pushed me onto the bed and I started to scream and he hit me in the face. Before I was thrown onto the bed he told everyone to go to bed.

"JCAC" When he had me on the bed he tore off my pants and put into me. I told the man that I musn't be touched as I had a wound but he carried on. He got on top of me and did what any man would do. He got up and I got up and went over to my husband. The accused came over and kissed me and I was forced to return his kiss. Then the accused went to sleep. Myself, the husband and the baby (who had few clothes) left the house. I wasn't well and my husband was not allowed to have intercourse with me. That which he put into me was what a man has. I am forty years of age.

No cross-examination by the defence.

COURT My husband had been slapped in the face and punched by the accused at the same time as I was hit. He sat on a bed holding the baby while the soldier seduced me. When my husband, baby and myself left we went to the Second floor of the house.

"JCAC" R.P. 83(b) complied with.

2nd Witness Senor Arnoldo Rosica of 50 Via Sofia having been duly sworn states:--

I am Senor Arnoldo Rosica of 50 Via Sofia. I live with a family called Rannalli. I am 48 years of age.

I was asleep with my wife, baby, on the ground floor in a room with four bed. About 10 o'clock a soldier entered asking for cognac or marsala. I recognize the accused as the soldier who entered the room. The soldier demanded silence and pulled out a dagger. Rannali told the man there was nothing but wine and offered him a bottle which the accused refused. He walked about the room menacing the people with this weapon, especially the women. He finally stopped at my mother-in-laws bed. He made here get up and go and sleep with the Rannalli's in another bed. After this the accused came to my bed. He took the baby from my wife and gave it to me. Then he took my wife and put her on the empty bed. Then the accused took off my wifes pants and got on top of her and did what any

"JCAC" man would do.

Then my wife got up and came to my bed and the accused dropped off to sleep. My wife, baby and I left the room and went upstairs.

I gave him my watch to try and quieten him and later he took a watch out of a drawer which belonged to Mr. Rannalli. The accused felt the watch in my pocket and to keep him quiet I gave it to him. It was a Longines. Watch produced by Prosecution marked exhibit "A". The man left his watch in place of mine which he took. Watch produced by prosecution marked exhibit "B" is the one left by accused. The accused spoke to everyone in general when he entered the house. I received a few punches from the accused.

NO Cross-examination by defence.

COURT The accused hit me two or three punches, in the face. He used his closed fist when he struck me. I saw the man undo his trousers, take out his penis, spit on his hand to wet his penis and complete the act against my wife.

"JCAC" I was sitting on the bed with

III

the baby and could do nothing. I was struck by the accused before and after I gave him my watch.

Defence by permission of Court.

I did not have the impression that the man was drunk.

R.P. 83 (b) complied with.

3rd Witness Prosecution K-52853 Sgt Smith W.C., The Seaforth Highlanders of Canada having been duly sworn states:--

I am K-52853 Sgt Smith W.C. provost Sgt. Seaforth Highlanders of Canada.

I am billetted in the town of Ortona and am 28 years of age. My occupation is provost Sgt.

At about 0900 hrs 5 Jan 44 I was called on by the Adjutant to investigate a disturbance at 50 Via Sofia, Ortona. On arriving there I met Senor and Signora Rosica. As a result of information that I gathered, an identification parade of 2 sections of a platoon of D company, Seaforth of Canada was held at approximately 1500 hrs the 5 Jan 44. The accused was on that parade. He was identified first by Signo Rosica and secondly by Signora Rosica. I immediately took the accused into close custody. I took from him a Longines wrist watch which he was wearing. He stated that it was his property and he could prove ownership of it. The following day

"JCAC" while

a Summary of Evidence was being taken the watch in question was identified by Signor Rosica as his property The accused is present here before me and he is the man who was identified. I first saw the watch (Exhibit A) when I took the accused into close custody. I first saw this watch (Exhibit B) at 50 Via Sofia.

NO cross-examination by Defense.

COURT The identification parade was held as the result of complaint by Signor and Signorina Rosica.

R.P. 83(b) complied with.

1st Witness Defence

K-70318 Pte De Roche E.I., The Seaforth Highlanders of Canada having been duly sworn states:--

I am K-70318 Pte De Roche E.I. Seaforths Highlanders of Canada stationed in Ortona.

On the night of the 4-5 Jan 44. At approx 1800 hrs I left my own billet from there I went to another billet of my platoon. I entered the house and spoke to a few of the boys after a few minutes chat we decided to have a game of cards. There

IV

were four other men and myself who sat down to play After a hand or two of cards one of the boys who was in the house offered us all a drink which we received. From approx. 1830 until approx 2235 we sat and played cards and drank. I left at this time and proceeded from there across the street to my own billet arriving at my billet I took my jacket and head gear off, sat down on a chair by the fire. Finally dozing off to sleep. The next thing I can recall was the next morning at 0700 hrs when I was called. The day carried on as usual until about 1600 hrs when we were called out on a parade which I learnt was an identification parade. Just a few seconds before this parade took place, Maj Gowan, the Coy Commander explained to us the reason for this parade which I was picked out from by Signor & Signora Rosica. I had never seen either of the two before.

"JCAC" On January 3, 1944 I was up to "A" Coy of L Edmn Regt visiting a friend of mine.

Not owning a watch at that time and as he had one for sale I asked how much he wanted for it. He told me he would trade it for a bottle of good liquor. I told him I did not have it at that time and I would bring it from my billet about 1600 hrs. After being with him for a while and took a bottle of liquor back to my friend and made the trade, which he had a man witness so there would be no squabble. The man I made the trade with for the watch is Pte Olsom of the Loyal Edmonton Regiment "A" Company.

Cross-examined by Prosecution

The first time I saw the watch (Exhibit B) was at the Summary of Evidence.

COURT There was an extra piece of leather added to the strap, a piece of black leather under the watch, a streak on the crystal of the watch and it has no jewels. This watch is known as Exhibit "A".

"JCAC" "XXXX The rest of mine section were in bed and I was in the kitchen and the men were asleep in that room.

V

I was wakened in the morning and I was still in the chair in front of the fire. I had my jacket and head-dress off but that was all. We were drinking nothing but Sarti Cognac.

R.P. 83(b) complied with.

2nd Witness Defense — M-66580 Pte Olson V.A. The Loyal Edmonton Regiment having been duly sworn states:

I am M-66580 Pte Olson V.A. of the Royal Edmonton Regiment of "A" Company.

Myself and Pte. Warren and met De Roche and talked. He asked if I had a watch for sale. I told him to come to my billet at 1400 hours with a few bottles of liquor and I would trade him for a watch. De Roche brought up the liquor and we traded for the watch. I had to get this watch from Pte Makokis who I had loaned it to for guard duty.

The strap had been broken about 2 inches from buckle and had a black strap behind the watch. It was a Longines, with no jewels to my knowledge. The watch shown as Exhibit "A" is the watch.

"JCAC"
NO cross-examination by prosecution.

COURT — I had the watch about a week and a half and the strap was like that when I got it. I traded the watch for one bottle of liquor and he promised to bring more back but I don't know whether he did or not.

R.P. 83(b) complied with.

3rd Witness Defense — M-56893 Pte Makokis, J.L., The Loyal Edmonton Regiment having been duly sworn states:--

I am M-56893 Pte Makokis J.L. of The Loyal Edmonton Regiment "A" Company.

I borrowed a watch from Pte. Olson the night before for guard. He came and got it off of me before he sold it. He told me it was a Longines and I can now identify this watch now as (Exhibit A)

No Cross-examination by Prosecution

R.P. 83(b) complied with.

"JCAC" — Court adjourns at 1215 hrs. Court re-opens at 1345 hrs with same members present.

VI

Prosecutor applies under R.P. 86 to have Signor Rosica recalled in order to put further questions regarding identity of watch (Exhibit A).

Defense has no objection.

Court gives leave to recall witness.

Further evidence by Signor Rosica.

I have examined this watch and it is definitely the watch that was taken from me by the accused. My wife witnessed the taking of the watch and no one else at is was too dark in the room. I have never loaned the watch to anybody.

NO cross-examination by defense.

R.P. 83(b) complied with.

Summing up by Defense

The evidence of the prosecution has consisted of the statements of 2 persons with one tangible article introduced as evidence in the one watch. The wife first gave her evidence, she was overwrought and gave her evidence twice and a lot of new details came to light not stated previously. I suggest that if she gave her story again she would add more details. In view of her state of mind and these fresh editions I would ask the court to accept her story with some reserve.

"JCAC"

The husband gives evidence that he sits on the bed, holds a baby and watches his wife being raped. He comes to give evidence of assault on his person he seems very vague and uncertain.

The husband also swears on oath that he is robbed, of a watch which he identifies. The accused and two witnesses give sworn evidence that the watch is lawfully the property of Pte. De Roche. So we have the evidence of three persons against that of one. This watch was the one tangible exhibit given in evidence against the accused and I suggest that it is therefore impossible for the court to find the accused guilty of the third charge and the court is bound to consider the affair of the watch as calling into question all the rest of the evidence of the witness.

"JCAC"

VII

Summing up by Prosecution

It is my duty to point to the court certain evidence which has been brought before. In relation to the first charge the court has heard that the accused used force to obtain his desires in that he, firstly, threatened Signor Rosica with a knife like instrument. Secondly that he struck the women and she shows marks to bear out this evidence. The court has heard that the womens undergarments were torn off her and that against her protests of being physically unfit to have intercourse the accused however did committ penetration. This evidence of Signora Rosica was later corroborated by her husband who admitted having seen the deed committed whilst he was sitting on a near-by bed.

Strange as it may seem to our western customs, if not natural, it is at least possible that a man would take the attitude of the husband in this case.

Some hours later the accused was identified by both Signor Rosica and Signora Rosica separately. This leaves but little doubt in the mind that he was the person who perpatrated the crime he is charged with. In his defense the accused stated that at 2235 hrs after finishing his game of cards he went to his quarters where he sat in front of the fire and fell asleep. Although he admitted other persons living in those quarters he did not bring any witnesses to testify that between the hours of 2200 on January 4 and 0500 hrs Jan 5, the time which he is charged with being in the Rosica home that he was present in his own quarters. He also stated that he had been drinking therefore might easily have forgotten part of the nights events.

With reference to the second charge, it was heard from the evidence given by Signor Rosica the accused did strike him with his fist two or three times. This was corroborated by the evidence given by Signora Rosica

"JCAC"

Referring to the third charge contreverried evidence has been heard and I have no doubt that perjury has been committed by one party or another. But the fact that I wish to leave in the courts mind is how could Signor Rosica have described the scratch on the watch crystal if the said watch had not been his property because the fact remains that he had not seen that watch until it was given to him to identify when he gave his evidence. I believe the facts mentioned above are clear and sufficient to enable the court to render its judgement.

Summing up by Judge Advocate

As Judge Advocate it is my duty to summarize the evidence for the court and further to advise the court upon the law relating to the case prior to the court proceding to deliberate on their finding. In dedding questions of law a court martial should be guided by the advice of the J.A. This advice should not be disregarded except for

"JCAC"

weighty reasons. Any opinion I may express will be disregarded by the Court which will come to its finding solely on the evidence at the trial. Nothing heard before the trial must influence your minds. These are serious cases. I will give you the defn of rape. Refers to Page 113 Para 37 M.M.L. It is essential that all elements be proven. Refers to M.M.L. Page 122 Para 59 for defn of robbery with violence and refers to M.M.L. Page 113 Para 34 for defn of assault.

The J.A. sums up evidence for Prosecution and Defense pointing out the difference between the two stories concerning the watches.

In conclusion the J.A. states that the charges brought must be proven in evidence and if not proven an acquital will follow. It is a principle of English law that every man is innocent until proven guilty and that the accused must be given benefit of any reasonable doubt.

Character Evidence

K-54081 Sgt. Smirle J.D. of The Seaforth Highlanders of Canada having been duly sworn states:--

I am K-54081 Sgt. Smirle J.D. The Seaforth Highlanders of Canada. I am pl. sgt. of Pte. De. Roche.

I knew Pte De Roche in England. He landed with the pl. in Sicily, he was at that time a L/Cpl. He was hospitalized twice and he has never caused me any trouble personally.

R.P. 83(b) complied with.

Mitigation in view of the good character asked for leniency. The accused is a soldier taught to kill which in turn probably affected other instincts.

For complete address see Exhibit E.

Court orders Exhibit "A" returned to the accused and the Exhibit "B" returned to Signor Rosica.

"JCAC"

EXHIBIT "E"

Statement in mitigation of sentence in the case of K-70818 Pte De Roche E.I. by Lieut. L.J. Pronger, defending officer

The accused has been given a 'good' character by his commanding officer on the application for court martial.

He has been given a good character by his pl sgt who has related that the accused landed in Sicily & has been with the bn since then except for 2 evacuations on medical grounds.

The accused has seen Italians, compatriots of the complainants, kill his comrades but a short while since, & if he therefore holds their persons rather cheaply it is not surprising, & in that respect he is like many other Canadians.

Since landing in Sicily it has been the business of the prisoner to kill. If this one primitive impulse is brought to the surface & exploited it is understandable that others should likewise emerge & that his self-control would be less that that of a person living a normal life in normal society. It is unfortunate that these other passions & impulses are not so desirable from an army point of view.

In view of his past services to his country & for the above reasons I ask the mercy of the court for the prisoner.

Summary of Evidence in the case of K70818 Pte. Ernest Isadore De Roche, The Seaforth Highlanders of Canada, a soldier of the Canadian Army placed on active service.

By direction of the Commanding Officer the Summary of Evidence is taken on oath.

K42546 A/L/Cpl. De Grazio, J., The Seaforth Highlanders of Canada is used as an interpreter and is sworn as follows. "I swear by Almighty God that I will to the best of my ability truly interpret and translate, as I shall be required to, touching the matter before this Court."

Sgd. L/Cpl J. DeGrazio

First Witness: Signor Arnaldo Rosica having been sworn states: "I am Arnaldo Rosica living at 50 Via Sofia in Ortona. On the night of 4 January 1944 at about 10 o'clock the accused whom I now recognise came into my house and asked for a drink of wine. He struggled with me and hit me with his fist in the face. Then he told my wife to get down on a bed and forced her down after a struggle. My wife was holding the baby and he took the baby away from her, gave it to me and made me sit down on a bed. He then had sexual intercourse with my wife against her will and afterwards went to sleep on the bed. My wife and I went upstairs and stayed there. The accused took my wrist watch a Logines which I now recoginse (Longines wrist watch produced and marked exhibit "A" to these proceedings) and also took another watch out of a bureau drawer, which belonged to Quintino Ranalli who also lives in the house. The accused left me his watch which was broken. He left the house at about five o'clock in the morning."

sgd. Arnaldo Rosica

The accused declines to cross-examine this witness.

Second Witness: Signora Maria Rosica having been duly sworn states: "I am the wife of Arnaldo Rosica and live at 50 Via Sofia Ortona. The accused whom I now recognise came into my house at about ten o'clock on the evening of 4 January 1944. He asked for a drink of wine. Then he picked up a lamp and went around looking at all the beds and stopped at my bed, and he made my husband and I get up. After I got up he kissed me. Then he made me get on another bed and he took my underclothes off. He hit me in the face with his hands, took my baby from me and gave it to my husband and told him to sit on another bed. He then forced me to have intercourse with him. The accused then went to sleep and slept there on the bed until about five o'clock in the morning. As soon as he went to sleep I ran upstairs with my husband and baby and stayed there."

Q. Did he actually gain entrance or penetration during the intercourse?
A. Yes, he did.

sgd. Maria Rosica

The accused declines to cross-examine this witness.

Third Witness: K52853 Sgt. Smith, W.C., having been sworn states: "I am K52853 Sgt. Smith, W.C., provost Sergeant, The Seaforth Highlanders of Canada. At about 0900 hours 5 Jan 44 I was ordered to investigate a disturbance at 50 Via Sofia in Ortona. On arriving there I met Signor and Signora Rosica who complained that a soldier had committed rape on Signora Rosica and had assaulted and stolen two watches from Signor Rosica. They described the soldier to me and said that they would recognise him again. An identification parade of two sections of 17 platoon "D" Coy, The Seaforth Highlanders of Canada was held on the afternoon of 5 Jan 44. The accused was picked from the line-up first by Signor Rosica and secondly by Signora Rosica. I immediately took him into custody and took from him a Longines wrist watch which he was wearing. He stated that it was his own property and that he could prove ownership. The watch in question is this watch now marked Exhibit "A"."

sgd. W.C. Smith.

The accused declines to cross-examine this witness.

The accused was cautioned as follows. "Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or to give evidence unless you wish to do so, but whatever you say or any evidence you give, will be taken down in writing and may be given in evidence."

The accused declines to make any statement or to give evidence.

Rules of procedure 4 (c)(d)(e)(f) complied with.

Taken down by me on this and three preceding pages, in the presence of the accused on this fifth day of January, nineteen hundred and forty-four.

Besides pleading not guilty the accused makes a special plea in bar on the 4th and 5th charges.

Court is closed to consider the plea

Court is re-opened and President announces that the plea in bar of trial is disallowed and the trial will proceed accordingly on all charges.

Plea in Bar of Trial.

The defence submits that the fourth & fifth charges are improper on the grounds that they are multiple charges but are not listed as alternatives. Each of these charges contain the allegation "by fighting." This allegation is fully covered by the first second & third charge in that the charge of assault covers the charge of fighting.

It is the submission of the defence that these charges should be thrown out summarily or changed to alternate charges.

D. W. Mitchell Capt

Prosecutions reply to submission in bar of trial on 4th Charge

The defending officer has submitted that in view of the fact that the last two charges disclose a set of events similar to the first 3 charges they should be alternative charges or dismissed

However there is no evidence before the court to show that the fighting mentioned in the fourth and fifth charges was part of the offences of the first three charges. Therefore the charges are correct in law and if the court finds on the evidence that the fighting mentioned in the 4th & 5th charges are in fact part of the first three charges they have the power to make a special finding at a later time if the balance of the 4 & 5 charges are substantiated by the evidence

Dr M. Cattier 42 Rue d'Edimbourg Porte de Namur, Bruxelles having been duly sworn states.

I examined M. Jean Francois Dony on 17 Nov 45. I found a wound on his forehead with a slight swelling. The length of wound was 1½ cm and other swellings on forhead. Swelling of nose with blood inside. Swelling of inferior and superior lips with blue patches on inside. Swelling of right temple. Two impactions of right ear. M. Dony is well now and only suffers from nervousness. He is still my patient because of his nervousness ~~and right headaches~~. In my opinion this state is due to the blows he received.

Mr. Dony was fit to work ~~has been~~ he was fit to work 15 days after the accident. KB.

Mr. Dony was patient 2 mins before 17 Nov 45. He did not suffer from nervous trouble then.

2nd witness for prosecution

Madame Germain Thirion, 12 Rue de Viviers, Bruxelles, having been duly sworn states,

I recognize the accused. I saw him before on 16 Nov 45 between 1130 pm and 1145 pm in Cafe de Trone. He was with 2 others soldiers. I was playing billiard ., He came towards me and wanted to take billiard cue. I did not give it to him. He wanted to throw the billiard over

I am not sure whether it was once or twice. I threw myself on billiard table to prevent it. Then he was angry. He came towards me and took the billiard cue from me and I had to give way. Four of us were playing billiards, Mr. Dowy, manager of cafe, Mr. Timmerman and another gentleman. Mr Dowy helped me to keep table straight because accused tried to throw it over. The accused did not succeed in throwing table over. When accused took cue from my hand he went to the counter. I did not see where Mr. Dowy was. I heard him scream from counter where accused was. I only saw the other two in front me. I recognized Mr. Dowy's voice

I did not see Mr. Dony after he screamed because I went for Police. After Mr Dony screamed I saw Mr Timmerman take his hat and going towards the door. The accused went towards Mr. Timmerman who came from the counter to Mr. Timmerman and accused went into one of corners of the Cafe where there was a "fruit" stove. Then I fled. I only saw Mr. Timmerman take his hat and coat near the counter and go to the door. When he got to door the accused grabbed Mr. Timmerman like this (indicating front of coat) "the accused" said police" and threw him into the "corner" corner. and hitting him on his body with his fists. When I saw Mr Timmerman nearly falling down I took my coat and

went for the police. He did not fall because there was a wall behind him. I saw nothing else happen there. I think the accused was under the influence of drink.

Cross-examination

I never saw accused before 16 Nov 45. I was in cafe with accused approximately 10 minutes. I did not see accused since that night except here. I only saw him ~~in~~ once in cafe twice before here on a Saturday and Monday and now. When I saw him on Saturday here I heard there were some Cdns who were at cafe that night who were arrested but I did not know who they were.

I swear I never saw accused other than the times I have already mentioned here.

I saw accused at Hd Qrs
of C Provost on the Saturday
when I saw him there
were about 10 or 11 soldiers. I
recognized the accused
because he frightened me
so much on that night.
We were three civilians B.

went in one after the
other. I was the 2nd or 3rd

door was shut when others
went in before me. When
accused went towards

see Mr. Dony.

3rd witness for prosecution Mr. Jean Francois Dony, 249 Rue de Trone, Brussels, having been duly sworn states,

I recognize the accused. I saw him the ~~Wednesday~~ Friday 16 Nov 45 about 1140 hrs at my place.

the Tavern du Trone. They came into my place. The accused came with 2 others. On entering the 2 small ones came in first and accused came in 3 paces behind them. At 2 was playing billiards with 3 others. They were, the small lady who was here this morning Mr. Tennerman, and a 3rd one who is usually called "Daisy." There were 2 or 3 balls left on billiard table and they came to interupt us. The 2 small ones and the accused. They took billiard cue from one of us and tried to play with balls on the table. Then we said leave us alone because we had nearly finished the game. Then I put remaining 2 or 3 balls in the holes. Then my wife took some of the cues and put them away. After that they wanted to play billiards and my wife

answered that it was not possible. Then the accused jolted the table and pushed it sideways while some people tried to put it straight. Then accused came and jolted the long side of billiard table. When I and someone else held it down behind the small lady and myself I saw that table was going to fall down. I threw myself with the small lady on the table to keep it from falling we succeeded in keeping table straight. I then went to the counter, and behind it. And from the entry of the counter to wash basin there are at least 2 metres. I felt some one coming behind me. when I reached the wash basin I turned around and saw accused. At that moment I turned around I received a blow on the forehead. I don't which first. It was the accused

who struck the blow. I still felt some more blows given by soldier in question. My wife came and said "Gentleman is it ~~that~~ like that." and the accused left. At that time I was still behind the counter and bleeding near the wash basin. I felt on the first blow I received. How I was I don't know. After the accused left the cafe. I was not there, ~~after~~ I went out by the special entrance to telephone at R.A.F. Mess for the English M.P.

Cross-examination

I went behind counter and felt someone behind me. I turned very quickly and got a blow immediately. I received blow on forehead. It was a very hard blow I fell down. I saw the accused hit me. I received the blow

immediately when I turned around and fell down but had time to see who it was because he was a ~~few metres~~ a good pace from me. A small instant elapsed from time I turned around until the accused hit me. I never saw accused before 16 Nov 45. I next saw him the same night at Cafe Express. I then saw him on 17 Nov 45 a Saturday at HQ. L of C Pro. about 1530 hrs. After I phoned at R A F bldgs. I did not dare go back to cafe I was walking about street without hat and coat. I went to HQ. Con L of C Pro to see if I could recognise the three who were there. I recognised the accused immediately because he was so tall. The 2 soldiers with him that night I think were not so tall. The accused had black hair.

It was possible the other soldiers had black hair. There were about 8 or 10 soldiers with accused on that Saturday at Provost. They were standing more or less forming part of a circle. Mrs Lambert of Espero Cafe. The little lady who was a witness this morning and myself went to identify accused. The Sous who came as witness ~~came~~ also ~~then~~ later. I was first to go in. The others were in another place. It was a joining room but completely shut. The AP were with us in ~~same room~~. When I went in to ~~identify~~ identify the accused I heard the door shut behind me. I am sure of that.

Re-examination

I have already pointed out the accused in the Courtroom I am

sure ~~of him~~ he is the one. AB B.
RP 83(B) complied with.

Mr. Willy Jean Hubert Temmerman
49 Chemin de Poste. Braine
L'Alleud near Waterloo having
been duly sworn states,

I recognize the prosecutor
and the accused. I saw
accused on Friday 16 Nov 45
between 1130 hrs and mid nite.
in Cafe Taverne du Trone. We
were playing billiards and they
came in. That is, the accused
and 2 other soldiers. They
were obviously under influence of drink.
They wanted to take the
billiard material and tried
to interrupt our game.
The manager of cafe came
to try and establish order.
The accused was cross.
He wanted to jolt over the table
He wasn't able to do that as

He followed the manager behind the counter. There he gave him hits on head. I saw that myself. After that I took my coat and went out of the bldgn. The accused hit the manager with his fists. I took my coat with intention of going out of the bldgn. At that moment the accused came and gave me some blows on my body with his fists. He pushed me into corner of the cafe and I fell over a bench. I got up. He let fall chair he had in his hand with which he hit me. Then he went back to his other 2 colleagues who were waiting for him. The accused did not hit me with the chair. Then I went out by the private entrance ~~in~~ to call Military Police.

Cross-examination

The counter in Cafe du Trone is about 1½m. (4'9") ~~high~~ and about 1 yd wide. There is about 1 m. 20. between counter and wall. I am ~~assumed~~ 1 m. 80. tall. I saw ~~him~~ give several blows to Dony and he fell down behind counter. I would say there were 5 or 6 blows I did not count them. I am certain that there were more than 3 blows while Mr. Dony was still standing. Mr Dony did not truth when he said he fell down after the first blow because when he received the first blow I believe he was sort of dazed. He was dazed enough to not know how many blows he received afterwards. Mr Dony is lying but perhaps not aware of the number of blows he received. I am

definite. I did not see Mr Dony fall down. I did not see him again because I took my coat. I was standing in front of the counter. I tried to interfere but could not get to it. The accused had a chair in his hand to hit me with. He did not hit me with it. He tried to hit me with it. No one stopped him. He could have hit me with it if he wanted to.

Re-examination

I do not think Mr Dony lied intentionally I do not think he knew what happened.

RP 83(B) complied with.

5th Witness Mr. L.P. Awsloos, 236 Rue de Dime, Brussels, having been duly sworn states: I recognize the accused whom I have seen on 16 Nov. at about midnight in the Café Express 206 Rue de Brom. I was setting at a table in the café having a drink with some other people. I heard Mrs Lambert refusing to serve three soldiers one of whom was the accused. She was behind the counter. She said "I don't want to give you any drink" that is all I heard her say. Then the accused opened the door of the Café and went behind the counter. It is a door inside the café. Mrs Lambert said to the accused "Do not throw over any more bottles." So as to help Mrs. Lambert I went behind the counter. The accused was pouring apéritif wine into the floor from bottles behind the counter. I said to him, "Be quiet" He pushed me, but did not answer. On the shelf was a plate with cheese and bread and to spare it I took it upstairs. I went onto the first flight of the stairs when I was held back by the accused who passed me on the stairs. He came onto the landing, turned around and kicked me in the chest. I was holding onto the bannister and did not fall. I felt the kick plainly. I went downstairs and so as to quieten things Mrs Lambert asked me to go out of the Café. When going towards the door to leave I was joined by the accused just as I wanted to go out. He got hold of me and threw me down violently on a bench and pushed a table onto my stomach. He took a chair and wanted to hit me with it, he raised it above my head so I

know he was going to hit me. The chair was stopped by a mirror on the wall as it was coming down. The accused had kicked me with his foot on the stairs. At this moment the Civil Police came into the Café' I got up and the accused left the café. The accused appeared to me to have been drinking but as to his sobriety only a doctor could say. When I first saw the accused he was in front of the counter. I was not watching him all the time he was in front of the counter. I don't know what happened when he first came, he was in front of the counter when Mrs. Lambert refused him the drinks, he then went behind the counter as I have said. I never noticed anything out of the ordinary in the Café after the accused left.

Cross-examination:

There was a light in hall below the stairs, but I am not sure if there was one showing from above. The accused kicked me and if I had not been holding on I might have fallen. I am not small myself. I told nothing but the truth when I made a previous statement about whether I was kicked hard. or not. I said then and now say I was not kicked hard. I also stated at the summary that the blow left no ill effects.

I saw the accused very clearly before he kicked me as he was right in front of me The landing is well lighted from below. I did not see what foot he kicked me with but I saw him turn around and it was light enough from the light below the

landing to see clearly but I did not notice whether he kicked me with right or left foot.

I said the accused turned a table upside down on me. He said the table was leaning against me, not on top of me. I would never have said I think it fell, because it did fall on me. I said the accused wanted to hit me with the chair. The mirror stopped it. It did not break the chair. It fell on the panel at the top of the mirror and that prevented it from falling on me.

The accused made the table fall. He moved it with his foot or his hand.

Re examination:

The chair was stopped by the panel. The accused hung onto the chair till the Police came in, I believe.

Madame Fully Lambert - 238 rue de Vaugirard Brussels. having been duly sworn on Oath - & saying as the accused - I saw him the day he came to my place Cafe Express at 2345 hrs on 16th Nov 40 - three of them came in and asked for Cognac - all 3 demanded Cognac - I refused to give Cognac because there is a law prohibiting the sale of Cognac in Cafes they insisted - when I refused the accused took a bottle of wine which was on the counter and started pouring it in glasses, and by then the glasses with wine on the floor. One of them asked me whether I was frightened because they would not pay, I answered "No". The accused showed me his police book, in which was written & I found a name which I couldn't read very well the name I think was Mc Rocks — the no. was K 10818 the accused came behind the counter took one bottle from the shelf - turned it upside down and said "No Cognac" He looked to see what it was and poured contents in glass, he did the same thing with a 2nd bottle - "Cognac" He turned towards the broken glasses on the floor and knocked over three pots of wine - the 3 glasses fell on the floor and broke. the other 2 other customers looked at them and thought they were Cognac, as it had that colour, but it was port. he put them in his pocket, at that moment Mr. Anderson came behind the counter

to take away, a plate with cheese & bread, he wanted to take it to the kitchen on the 1st floor, the accused went upstairs to follow M. Cambon, passed him and gave him a kick in the chest with his foot - M. Cambon came down again, and I asked him to leave to avoid trouble. I thought I am a woman, that the accused would when he saw the Belgian the accused saw that M. Cambon was going to leave, he got hold of M. Cambon by the shoulders and threw him down on a bench with a table turned over, and then he took a chair to hit M. Cambon with - The Belgian police arrived - The chair did fall on M. Cambon but was held back by a mirror - The accused had hold of the chair - which was going up but was prevented by the panel - The Belgian police did not want to do anything with it, because the, Brussels were not in their territory, they left it to the Belgian Police arrived afterwards. I was not there when they came, because I had a message for fish and had been taken inside - The Belgian police had let go all. I clearly saw the accused kick M. Cambon in the chest, the stairs are near my counter - From my counter I could clearly see what happened on the stairs as they were right in front of it, to get to the stairs one has to open a door near the counter. There is a pump on the counter and clean glasses on either side of pump, there was also a bottle of wine, when the accused came in.

When the accused left, ~~that~~ ~~were broken~~ glasses ~~on~~ the counter. The glasses that were not broken were still on the counter

Cross Examination

The police came in and the accused probably dropped the chair - I was glad to see the police and didn't see him drop it.

It is the submission of the defence that no Prima Facie case has been established by the prosecution on the fourth & fifth charges.

The fourth charge alleges that the accused created a disturbance by upsetting a billiard table & by fighting. Both witnesses for the prosecution have stated that the accused did not upset the billiard table & it is the contention of the defence that fighting was covered in this case by the first & second charge.

For the fifth charge. there has been no evidence that the accused did pour liquor on the counter. In spite of efforts by the prosecutor the witnesses have not even hinted that there was any liquor poured on the counter. My thoughts on the fighting allegation in the charge are known

Reply to submission of Defending Officer as to the prima facia case on 4th & 5th charges, by the prosecution.

The witnesses have proved beyond all doubt that the accused did create a disturbance in the cafe du Tivoli & the Cafe Express.

On the fourth charge there is not any evidence to show that the billiard table was completely upset but there is evidence to show that the accused did partially upset the table and was attempting to overthrow it when it was brought back to an upright position by the presence of mind of the proprietor and a girl patron who threw their weight upon it to prevent same. I would ask the Court to make a special finding and delete the words "and by fighting" as these set of events are contained in the first and second charges.

On the fifth charge I would ask the court to use its powers to make a special finding and to delete the words by fighting as this is part of the events charged in the 3rd charge. There is evidence before the court to show that the accused broke glasses by smashing them on the floor. Also that the accused pawed apparently on the floor.

Therefore I submit that there is prima facia evidence in both 4th & 5th charges before the Court.

We were drinking brandy, Cognac and German gin that night. I am not an habitual drinker.

Cross-examination

I had tasted German gin before. ~~I do~~ also cognac and Can brandy. I did not know that it is very dangerous to mix my drinks, but I do know now. I never drank 3 kinds of liquor before on same occasion, because my usual drink is beer which I drank in Canada and England. It never occured to me to drink those 3 drinks on any occasion before. They were served to me and I naturally drank them. I was at a party, the liquor was free, and being a married man it is better to drink there than paying for it and I assumed I could drink all I wanted to.

I have been a member of the Provo Corps since Apr 45. I have seen people drunk before. I know people get drunk on liquor. I don't think it's impossible for me to get drunk on liquor. I knew that of 2 drinks too much I would get drunk but as I previously stated I feigned I had sufficient and left. They do not encourage drinking in Provost Corps. I don't remember getting off elevator. ~~I left the mess~~ As far as I remember I came down elevator with 2 soldiers and an airmen. The prosecution summing up as follows.

Mr President and members of the court

The First Charge against the accused has been proven by Mr Tennemann and Mr Young who both state that the accused struck Mr Young on the face with his fists Madam Thirion substantiates that she heard Mr Young scream from behind the counter and just after that the accused came out from behind the bar. Dr Cathy's evidence brings out the seriousness of the injuries received by Mr Young at the hands of the accused.

The second charge against the accused has been proven by Mr Tennemann who states the accused struck him on the body with his fist this is substantiated by the evidence of Madame Thirion

The Third Charge against the accused has been proven by Mr Amelon who states the accused kicked him in the chest with his foot and also attempted to strike him with a chair. The blow not landing because of a mirror shelf which it struck - else may have.

The 7th Charge against the accused has been substantiated in so far as Madame Lambert states the accused smashed glasses from the counter onto the floor

The defence has not disproven any of the facts disclosed by the prosecutions evidence. And the evidence of the prosecution shows that the accused had been drinking. The evidence of the defence shows the accused was drunk and suffered a temporary loss of memory.

I would refer the court to page 25 section 42 of the Army Act in reference to drunkenness in relation to more serious offences and also to page 113 para 34 for the offence of assault.

Therefore I think the court will agree with me that the accused has committed an offence and should be punished for same

126B. Summing up

May I point out to the prosecution in opening that the fact that the Court has found a prima facie case exists on a charge in no way infers that the charge has been proven.

The evidence on the first two charges are conflicting as the witnesses do not agree on points in evidence.

On the third charge the evidence of the two witnesses is so utterly perfect as to suggest to the Court that their evidence was rehearsed. Both have given evidence as to happenings during a drunken brawl in a manner which is amazing to me in its perfect corroboration.

On the fifth charge the accused of conduct to ~~the good order~~ prejudice of good order & Military discipline in that he poured liquor on the counter & upset glasses. I will refrain from stating again my views on the inclusion of the words "by fighting"

There is no evidence of pouring liquor on the counter whatsoever & since when was it an act to be prejudicial & upset a glass. I myself last Friday evening saw the barman on the night & the Prosecutor both upset glasses on the mess but they were not charged with conduct to the prejudice

It is not necessary for me to dwell on the fighting record of the accused as he has stated it in evidence. I merely wish to point out that after 4 years service most of it overseas with a combatant regiment, he comes in front of this court with a clean record.

He has been punished enough by having missed his next draft & I ask the court to be lenient & give the accused another chance so that he may return to Canada & settle himself in civil life.

On Friday 16th 45 at approximately 2345 hrs. three soldiers entered my cafe the Taverne du Trone. The two small ones entered first and the accused whom I now recognize entered last. I was playing billiards the three soldiers came in and started playing around with the balls. I asked them to be quiet for a few minutes as the game was not over. They did didn't pay any attention so I placed the remaining billiard balls in the billiard case. One of the small soldiers took the lady I was playing with by the hand to get hold of the cue. SECOND WITNESS

Jean Francois DONY, 249 Rue de Trone, Brussels, having been duly sworn, states:

On Friday 16 Nov 45 at approximately 2340 hrs three soldiers entered my cafe the Tavern du Trone. The two small ones entered first and the accused whom I now recognize, entered last. I was playing billiards. The three soldiers came over and started playing around with the balls. I asked them to be quiet for a few minutes as the game wasn't over. They didn't pay any attention, so I placed the remaining billiard balls in the billiard case. One of the small soldiers took the lady I was playing with by the hand to get hold of the cue. The accused tried to upset the billiard table. A few customers intervened. He managed to upset the table. I placed the table upright again. I went behind the counter. Near the sink I realized someone was following me. I turned around then I was struck on the forehead by the accused with his fist. I fell. I was only partially conscious but I remember being struck once more by the accused at least four blows in the face. My nose and my lips were bleeding as well as my forehead. Then my wife came and said, "Gentlemen, so that is what you are doing." "Get out," and the accused went away from behind the counter. I went out to inform an airforce unit down the street who phoned the British CMP. I left the Royal airforce unit and went to my cafe. I saw the three soldiers leave my cafe. The police arrived sometime later. They looked around seeing no one they said they were going to inform the Canadian Police about the case. On the following day I went to see Doctor Cattiez who treated me for my bruises and cuts. I was not ~~xxxxx~~ bruised about the arms or legs. I still feels nervous, have some ear trouble and fainting spells.

Q. Was I drunk when I came into your cafe?

A. You were under under the influence of drink when you entered my cafe and didn't seem quite normal as you were staggering.

Q. Are you certain it was CMP who came to your cafe?

A. Yes because they were red caps and were wearing greatcoats.

THIRD WITNESS

Madame Nelly LAMBERT, 238 Rue de Trone, Brussels, having been duly sworn, states:

I am owner of the Express Cafe, 238 Rue de Trone. On friday 16 Nov 45 at 2345 hrs three soldiers entered my cafe. The accused was one of them. He asked for cognac as I refused, he took a bottle of wine from on top of the counter. I reused because I did not have any alcohol in my cafe as we are not allowed to sell it, and the accused was very drunk. I tried to take it out of his hand but he succeeded to pur the contents of the bottle in wine glasses on the counter. After with his arm he wiped all the glasses from the counter to the floor, they all broke. Approximately 10 glasses. As he still insisted on having cognac, he showed me his military police book. I remember service number K 10818 and part of his name. Rocker or something similar. I told him being a military policeman was of no use to insist on drinking cognac in the cafe. He then entered the space behind the counter and found a bottle of appertiff on the shelf, he poured the contents over the counter and said, "no cognac!" He took a second bottle and did the same. He then took two Porto bottles and put them in his pocket. I tried to take them out of his hand but it was useless. A male customer tried to intervene, he went to leave the cafe upstairs with a plate. The accused followed him and kicked him in the stomache to make him come down. The mans name is Commandant Ausloos. I insisted in keeping the peace. I asked Ausloos to leave the cafe which he did. The accused went after him and managed throw him amongst the tables. The accused got hold of a chair and tried to strike Ausloos with it. He did not succeed as the chair hooked up in a mirror. Several glasses on a table were broken by this. At this moment, several Belgian police arrived at my cafe. They left without taking any action. Some other Belgian Police arrived after the soldiers left and they waited for the Canadian Police. I fainted at this moment. When I came to I saw the Cdn Police. I told them what happened and gave them the military service number I still remembered.

Cross-examination

Q. Where was Commandant Ausloos when being kicked in the stomache?

A. He was on the stairs facing upstairs, the accused was ahead of him.

Q. Are the stairs in plain view of the cafe below?

A. No not from the cafe but from behind the counter, as the stairs and the counter face each other.

Q. Did I leave from in front of the counter or from behind the counter when I went after Ausloos?

A. You left from behind the counter, I was also behind the counter.

Q. Did you have a clear view of me kicking Ausloos in the stomcah?

A. Yes I saw the movement of the accused leg. But I could'nt actually see the kick land as there were no lights on the staircase.

Q. Right or left leg?

A. I don't remember which.

No. H. 21321 Pte Fry J. on strength of HQ Cdn. Re. inforcement Units, a soldier of the Cdn. Army Overseas, having been duly sworn, states as follows:

I know the accused and recognize him here. During the last week in July 42 and the first week of August 42 I was on duty as night cook in the Mens Mess, HQ CRU Between the hours of 1900 at night and 0700 in the morning. The accused used to come in for a bite to eat in the evenings. ~~at 2300 hrs~~ On the 6 Aug. 42 during the evening the accused told me that I could have a loan of his radio any night after the 11 o'clock news was finished and that I could keep it till 6 P.M. The following night I went over to his quarters around 2300 hrs and took the radio. When I was setting it up, the wires got tangled and it fell on the floor from a table. The dial glass was broken, but apart from that there was no apparent damage but the radio would not play. Later on the same night, when the accused came to the cook house, I told him that the radio fell and broke and that I would pay for the repairs. I told him that I would take it to either Aldershot or Farborough and have it repaired. In reply he told me it could not

be repaired other than by the dealer. I replied that in that case he should have the dealer repair it and I would pay for it. After breakfast the following morning he took the radio and said he would take it to Farnum where he ~~had~~ said he had bought the radio. Later on the same day he said he had taken the radio to Farnum and that there were four tubes broken and a transmitter smashed and that the cost of repair would be £7-15-0. I suggested that this was quite expensive and that if he brought the radio back I might get it fixed for less money. He said this could not be done as the radio had already gone to London to be repaired. I told him I would not be able to give him the £7-15-0 at one time and that I would give him part of the money on the following pay day, either the 14th or 15th of Aug. The accused went on leave that week but came back Friday to collect the money. That was my day off and I was not here. He came back Saturday morning and went with me to the Paymaster (as I had not been paid on Friday) where I drew £4-0-0. Of which I gave him £3-10-0. He wanted the whole £4-0-0 but I told him I needed some for myself. He gave me a receipt which I produce herewith. (marked Ex. A and attached to Summary).

That afternoon (Sat the 15 Aug), as a result of information I received, I went to J.T.H. Stone's Radio Shop in Aldershot and saw the accused's radio. I learned that the

cost of repair was $1-1-0 which I paid and got a receipt which I herewith produce (Marked Ex "B" and attached to Summary) I brought the radio back to camp and turned it over to C.Q.M.S Barrat. The dial glass had not been replaced as Stone's were awaiting one on order. On Monday I took the radio back for the glass but as it had not arrived I left the radio at Stones.

By the accused:

Q. How did you know I had radio?
A. I didn't until he suggested it himself.
Q. Did you tell me that if loaned you the radio that night that I could come down any time and have bacon and eggs?
A. No.
Q. Did you ask anybody's permission when you took the radio from my quarters?
A. No. I already had your permission.
Q. Where did you put the radio in the cook house?
A. On a barrack room table. It was while I had a bench on the table in order to reach the socket that I knocked the radio over.
Q. Was the radio in order before it fell?
A. I don't know.
Q. Who was in cook house when radio fell?
A. Cpl. Ruby and Pte Drew and some others whose names I do not know.
Q Did you tell me later that two drunks broke the radio?
A. No I told you I broke it. If anyone else had broken it I would not have offered to pay for it.

Q. Were you excited or nervous?
A. No but I was mad at having broken the radio. £7-15-0 was a lot to have to pay. You had told me that the radio had cost £18-0-0 and that you had been offered £12-0-0 for it. I did not know then that the cost of repair would be £7-15-0.
Q. Did you suggest buying the radio?
A. No.
Q. Did you suggest taking the radio for repairs as you had a day off Friday.
A. Yes, that was after you told me how much it would cost, the following morning.
Q. How many times did you give me money?
A. Just once, £3-10-0 on Saturday morning.
Q. Did you give me £1 in the cook house which you got from another fellow?
A. No.
Q. Who gave you authority to get my radio from the shop?
A. No one.
Q. When you paid me the money was there any arrangement for buying the radio?
A. No.

The witness — When I gave the accused £3-10-0, I told him I would pay the balance next month when he produced the bill.

I drive the rations truck HQ CRU. I recognize the accused present here. About two weeks ago he asked me if I knew where he could get his radio repaired. I told him "yes" and that I was going to Aldershot anyway and would drop him off there. I drove him with a radio and he got off with the radio at a radio store in Aldershot which he entered. He left the radio there and re-entered the truck. He was on duty with me on the ration truck. He told me that he had loaned his radio to the cooks and the cooks had dropped it.

By the accused:

Q. Are you sure of the date you took me to the radio shop?

A. I understood it was the day after the radio was broken.

Q. Was that the only shop you took me to, to have the radio repaired?

A. Yes.

Q. Did you take me to a shop in Farnborough with the radio?

A. I don't remember.

Q. Are you sure I told you I loaned the radio to the cooks?

Written Statement.

After the proof given by the Prosecution, the Defence asks for a case "dismiss"

Because: the Prosecution did not prove Prima facie that the accused had obtained money by making false representations.

In a such case, it would have been necessary to have corroboration.

Nobody ~~showed~~ is coming before this Court to sustain the pretention of Pte Fry.

In fact Pte Fry had the radio in his possession and it he told himself in his testimony he paid 3-10-0 and he will pay the balance of 4-5-0 next pay.

By this fact, he admits as he was ready to keep the radio. ~~and he bought it~~.

In such case, it was very important for the Prosecution to prove that the accused had given a false representation to obtain money.

~~It is not the case Pte Fry when he paid the money in this case it is not the case Pte Fry as to the accused he accepted the bargain.~~

The accused gave him a receipt for the amount of 3-10-0. and Pte Fry told himself, he was ready to pay the Colonels latter,

Pte de Romanette, the accused, in his statement this morning told he was ready to give the money back if Pte Fry did not vacate the radio, or return the balance of the money if Pte Fry kept his radio.

I think sincerely there was a sale between the accused and Pte Fry.

Both of sides there are not witnesses to prove the sale. In a such case, when there is a doubt, it is always in favor of the accused.

The defence submits before the Court, there was not false representation but only a regular sale between Fry and the accused.

It is the reason the defence asks for a dismiss because there is not proof "Mens rea" and the prosecution did not show the essentials facts making a false representation to obtain money.

See R.P. to Note 1.

agreement the re-ordering of a
civilian witness for the Prosecution
is now taken.

Sworn for Richard Harby Monnill
the Prosecution. of 10 Marion St. Aldershot
Hants duly sworn states.

I am the manager of J & M Stone, Aldershot Branch, Radio Retailer
& Repairs. I recognise the accused who I had dealing with
Rec or four weeks ago. He brought a radio into the shop
for repair. He asked me to fit a new illuminating dial
bulb & new dial glass. That is all he asked me to do. I
found it needed overhauling and did the necessary work,
such as repairs & wiring. When a point came in he asked
for a dial bulb & glass and asked me to test the radio
but I said that it should not be necessary as he
himself assured that the faults be dealt with. All
the properties in having the set tested & left same. A
dial glass was ordered from Stat Radio Ltd & few days
later another man came into the shop and requested the set.
Witness recognised 21321 Pte Fry G. Green Leathers
(Att C.R.V.) from a parade of nine soldiers as the man who
enquired about the radio. I told him the radio was not
ready. The charge for complete repair of radio £1-1-0
and he assured called for the radio. [illegible] was away but
any enquiries reported that the accused and another soldier

J Gilmour Major Pros.

came in and paid for the repairs. A few days later the accused came in for the radio & took it away although the dial glass was not inserted but was available. He stated that he would put the glass in himself. The radio was a Pilot Major Maestro. Cost £7-17-6 plus £1-13-11 purchase tax.

Cross-examination
by Defence Counsel

What was cost of radio? £7-17-6 plus £1-13-11 purchase tax.

In answer to the Court, witness states the accused ultimately took the radio away. I am given to understand that while I was away, the radio was taken away & brought back again.

R.P. 83(b) complied with.

The Court adjourned at the request of the Defending Officer until 1000 hrs 4th Sept 42 for the purpose of enabling the Defending Officer to present his plea in bar.

At 1000 hrs Sept 4/42 the Court opened. Defending Officer advises the court that he is not offering any evidence in support of his plea. The Plea in bar is disallowed & the trial proceeds.

2nd Witness for the prosecution.

Dan A-21321 Pte Fay J. Leeds Gradam regular attached to CRO as a cook. I recognise the accused. I worked on night cook from 2100 hrs to 0700 hrs. The accused came in for a lunch occasionally. The accused offered to lend me a radio which I borrowed and used in the cookhouse. The radio was stopped by me and would not work. I offered to have it repaired but the accused took it himself to Evesham. He said that four valves & transmitter was smashed and would cost £7-15-0 for repairs. I offered to take the radio for repairs myself as I bought it

Richmond Magistrates.

could be repaired for less. The accused then told me that the radio had been taken to London to the factory. On the day after pay day, Saturday 15th, the accused approached me and met me when I drew my pay. I gave him £3-10-0 and obtained receipt. Receipt produced by witness marked "C" and attached to proceedings.

On the afternoon of the same day, I went to J. & M. Stone at Aldershot and inquired about the radio and was told that it was not yet repaired. I was told the cost of repair would be £1-1-0 and that I could return for the radio later. I returned and paid £1-1-0 and took the radio. It was in working order but without a dial glass.

On Monday I returned the radio to J. & M. Stone to have the dial glass fitted.

Receipt from J. & M. Stone for £1-1-0 produced by the witness and marked 'D' and attached to proceedings.

Did the accused return the £3-10-0 to you? He did.

Cross examination by
Defence Counsel.

Was the price of £7-15-0 for the sale of the radio? No, Sir.

Re examination by
Prosecution.

After the radio was broken, the accused said to his bad as the radio cost £12-10 and I agreed an offer of £12-0-0 for it.

Third Witness for Prosecution — I am D-109013 Pte Black W.D. HQ. C.R.O. Do dinner and was so employed during August. I recognise the accused. I have had no conversation with accused about the radio other than that he asked me where he could get it repaired. I told him of a Store in Aldershot and took him to J. & H. Stone in Aldershot where accused left the radio. No cross examination. (R.P 838 complied with)

Fourth Witness for Prosecution — I am L-12397 Pte Yeoke A.J. South Staff Reg. attached H.Q. C.R.O. as cook in mess hall and was so employed during August. I did not see the Spy with a radio in Cook house nor did I hear any conversation with him about a radio. I recognise the accused and who came into the cookhouse and said the radio cost £7-15-0 to repair and would have to be sent to London.

No cross examination.

Defending Officer submits that the Prosecution has not established a prima facie case and applies to have the case dismissed. The Court is cleared to consider this submission.

The Court opens and announces that the submission is not allowed.

The Prosecuting & Defending Officers agree that the Prosecution witnesses on the Second charge should now be heard.

The Defending Officer warned AP 76

First Witness for Prosecution — I am L-2268 Cpl Stanley E.R. Not known Reg. London. I recognise the accused who I saw at Provost Detention Rooms, London on 17th Aug. I found the following on the accused — 4 AFB 295 (Identity Pass) 2 Railway tickets 5 Ration Cards.

The ration cards produced appear to be those I took from accused. I don't recognise any of the names shown on these cards nor do I definitely recognise them. I do not know what names were shown on the cards I took from the accused. I took the cards and attached them to the other documents and put them in my officers basket.

The Court ask — Can you in any way able to identify the ration cards found on the accused?

Witness answers — I am not sure. I said that the ration cards produced appeared to be those I took from the accused because they are old cards and some had been used. The ration cards I found on the accused were old cards & some had been used.

Prosecution is closed.

Defending Officer submits that the prosecution has not established a Prima Facie case and the Court closes to consider the submission.

The Court recalls the last witness C-2261 Cpl Stanley R.E.

The Court ask — When you searched the accused were there any other person present — Yes there were others but I don't know who without looking up the records. Was any record made of the number of the ration cards? — No. Are all documents taken from Soldiers under investigation placed in the same basket — Yes. I alone am responsible for all documents taken from soldiers under investigation.

The Prosecutor accepts the Court that he is not able to call any other witness who can identify the ration cards produced as being the ration cards found on the accused.

The submission is allowed and the charge is dismissed.

The Court proceeds on the first charge.

R.P. 40 complied with. The accused states that he does not wish to give evidence himself but will give a statement

H. Gilmour Pvt. Major.

Some witness to call as to the facts.
The accused make the following statement – not under oath.

I was an Officer in the French Army who I served with for 7 years, throughout the last war. When war broke out I was in Canada and immediately tried to return to France to rejoin my Unit. However, this was not possible and the French Legation took me to a Senior Officer of the Canadian Army who suggested that I wait a few weeks and obtain a Commission. I however, wished to leave immediately for Europe so elected to a private.

Pte Fay borrowed my radio and damaged it. As it is difficult to have a radio repaired now I suggested that he buy the radio for the price I paid for it, namely £7-15-0. Fay agreed to do so and paid me £3-10-0 for which I gave him a receipt. It was also to pay for repair. As Fay could not take the radio for repair the next day he asked me to do so and I took it to the repair shop. I deny making a statement to the guards R.J. There was a misunderstanding between me and Fay regarding the sale of the radio & Fay now does not want to buy it, I am willing to return to him the £3-10-0 he has paid me as part payment. If he wishes to keep the radio he should pay me the balance of £4-6-0. Because I do not speak good English it is possible that Pte Fay misunderstood my intentions.

(R.P. 938 Complied with)

Joint Witness for Defence

I am B-56734 Sgt Ruby R. of R.C.R. attached to CRU.
On the night of Aug 6th I saw Pte Fay with the radio in the kitchen. I heard nothing of any deal made about the radio.

Witness was cross examined by Prosecuting Officer.
Private Fay asked me to remain in the Kitchen while he went to get a radio. I heard the radio fall & saw it on the floor.
(RP 938 Complied with)

Kilmour Major Rec.

The Defending Officer reads an Address which is attached to the proceedings.

The Prosecution replies that the accused was a man of some experience while Pte Fay was a young man who worked in the Kitchen.

The Court closed to consider finding.

The Court find the Accused "Not Guilty" of the first charge.

The Court is re-opened and the finding of "Not Guilty" is announced.

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]
(1. *RP* 35 *fn* 3. 2. *MML p* 54 *para* 47.)

B2. President to accused: The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused: Do you wish to make a statement? Ans .....[5]
(1. *RP* 37(*B*). 2. *RP* 37(*D*) *fn* 6. 3. *RP* 25(*B*) *fn* 5 *para* 3, *MML p* 54 *para* 47. 4. *See para E3 of Record Form E.* 5. *Statement, if any, recorded per Notes.*)

B3. The Court considers the accused's statement.[1] The Court decides (not) to advise accused to change his (their) plea(s) of Guilty to Not Guilty on ..... charge(s). The accused is (are) so informed, and he (they) change(s) his (their) plea(s) on ..... charge(s). Part I of the Schedule is amended accordingly.
(1. *Court may be closed to consider the statement. Delete whole or part not used.*)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.[1]
(1. *RP* 25(*B*). *If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex ....., initialled and read aloud by the President.[1]
(1. *If there is no Summary, or if it is inadequate, comply with RP* 37(*B*). *If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p* 3. *RP* 37(*D*).)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

(1. *Under B5 such parts only of the Summary of Evidence are read as relate to the charges dealt with under C2. If any plea is changed to Not Guilty, trial thereon proceeds by complying with paras D1 to D8 inclusive in Record Form D on p* 3 *and making an appropriate record thereof on a separate sheet.*)

C3. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused: Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence? Ans NO-SIR[1]
(1. *If "yes", see RP* 39(*A*) *for procedure. Statement or evidence, if any, is recorded per Notes.*)

D2. The Prosecutor makes (no) opening address.[1]

(1. *Delete remainder of this para, if submission not made.* 2. *Arguments on submission, answer and reply are recorded per Notes.* 3. *RP* 40 *fn* 1. *See MML p* 72 *paras* 12-14 *and p* 81 *para* 42. 4. *Delete part not used. If accused acquitted on all charges, use second alternative in para D8.*)
NB: If trial proceeds, accused must be allowed great latitude in making his defence, and the Court should not stop his defence solely on ground of irrelevance. (*RP* 60(*C*), 114, 115.)

D5. President to accused: You will now proceed with your defence.[1] You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.[2] You may, however, make a statement without being sworn, and you will not be subject to cross-examination.[3] But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.[4] You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused: Do you wish to give evidence yourself as a witness, make a statement, or do neither? Ans neither - Sir Do you intend to call witnesses on your behalf? Ans NO-SIR ~~Are they witnesses as to character only? Ans~~

EVIDENCE FOR THE PROSECUTION NOTE D-j

1st WITNESS FOR THE PROSECUTION

G 6483 Pte BLAIR, R.R., on strength No 1 VRD, 1 CCOD, having been duly sworn states:

On the 27 Aut 44 I was riding with Pte Derry who I see here, as the accused, in a jeep, we were going down the road from Insgow. It had been raining all morning and we approached a round-about, Pte Derry tried to make the turn butthe veh skidded on the mad and struck a stone that was on the side of the road and turned over. The stone was actually in the embankment, it was about a foot and a half across and maybe a foot high, We would have made the turn had it not been for hitting this xnt stone. The road was slipper, it had been raining, the brakes were no good on the road. I was not looking at the speedometer but I would say we were going at about 30 to 35 mph, but it was a pretty sharp turn and it was no use applying the brakes, he applied them just before coming to the curveand let them off just before coming right onto the curve.

CROSS EXAMINATION BY THE DEF OFFR

Q How many vehs did the convoy consist of?
A About 45 or 60, there were three DRs with us. We were the third last veh in the line.

Q Have you any way of knowing how many vehs to the mile the orders were for that convoy?
A No Sir. We were just instructed to keep up.

Q At the time this happened and this curve, did it look any different from any other curves along the road?
A I did not see anything different about this curve, there were no warning signes out or "Dangerous Curve" signs.

Q Were you aware that Pte Hodgson was right behind you and was drawing up to pass you, and that he mentioned that his speed was 30 or 35 mph?
A Yes Sir.

Q I suggest that if his speedometer showed 30 to 35 mph and he was overtaking you that the veh in which you were travelling must have been going at a far less rate of speed that 30 to 35 mph?
A Yes Sir.

Q On coming to this turn did you feel any sense of going to fast or being frieghtened?
A No Sir.

Q When the brakes were applied was there any lateral skid?
A Yes sir. And it went on forward just as though the brakes had not been put on at all.

Q When the accused found the brakes did not do any good did he try to bring the car back on the road?
A Yes Sir and he would have succeeded only for the front left wheel striking the stone.

Q What vehs were behind you?
A The DR and the officer.

Q Do you recall any remarks that the DR made when he came along as to whether he suggested that the accused was at fault or

whether he though it a pure accident caused by the stone?
A I do not remember Sir.

Q The veh was then brought back on the road and proceeded on its own?
A Yes Sir.

Q Were any of you hurt?
A No Sir.

BY THE COURT

Q Had the veh stopped a short time before this accident occurred?
A Yes Sir, a few minutes before, we stopped to do our water.

Q Then you started again?
A Yes Sir.

Q Had any cars in the conv y passed you while you were stopped?
A No Sir.

Q Were you trying to catch up and get into you place in the convoy?
A We were not that far behind.

Q How long had you stopped
A A minute or so.

Q Can you say whether or not you could see the car in the convoy immediately ahead of you or was it out of sight?
A It was out of sight.

Q Did the car behind you come right up to you after the accident?
A Yes Sir.

Q How many cars were there in the convoy?
A About 45 Sir or 50.

Q Where was the car in the wonvoy?
A 3rd last Sir.

Q And all the rest of the cars had gone around the curve in front of you?
A Yes Sir

In the opinion of the Court it is unnecessary to comply with RP 83(B)

2nd WITNESS FOR THE PROSECUTION
C 11852 A/WS D'AMOUR, L, on strength H, Workshops, 1 CCOD, having been duly sworn states:

I examined a 5-cwt Willys, CMD 139292 on the 5 Sep 44 and the estimated damage done to it was £7-6-0. The damage was -

Headlight
Rear vision mirror
Wheel

With the cost of labour estimated at 10 hours the cost was estimated.

Q Did you know xxx how the veh was damaged?
A No Sir.

In the opinion of the Court it is unnecessary to comply with RP 83(B)

3rd WITNESS FOR THE PROSECUTION

Lt J.A.ALLEN, on strength HQ 1 CCOD, having been duly sworn states:

I am offr in charge census, HQ 1 CCOD. Willys ¼-cwt No CMD 134292 is the property of the Cdn Government.

DEF OFFR DECLINES TO CROSS EXAMINE THIS WITNESS

In the opinion of the Court it is unnecessary to comply with RP 83(B)

D-6

SUBMISSION BY THE DEF OFFR

Sir,

The def has produced evidence before the Court from the witnesses of the Prosecution to show that the only witness who was present on this incident was the witness of the prosecution. The def feels that the evidence of this witness has shown that the veh was not travelling at an excessive rate of speed, and that this curve in the road discloses no reasons for there being any element of danger other than that to be encountered on a pavement such as had been made slippery by the rain. In braking or applying the brakes of the veh on approaching the curve the accused had followed out one of the most well known rules of carful driving. If he had increased his speed it might not have locked causing the veh to leave the surface of the road and strike the rock. The Def feels that this is a purely accidental case and no fault of the driver, and that with the lack of further evidence given by any of the witnesses I am expecting the Court to give any benefit of the doubt to the accused. The DR who came up to the veh is not present which is unfortunate for the def, however I say that insufficient evidence has been produced to find the accused guilty of this charge and therefore I ask the Court to dismiss it.

REPLY BY THE PROSECUTOR

Sir,

I think that the Prosecution has shown from its one witness that the veh had stopped prior to this and the driver of the veh had once used his brakes to stop and therefore he could have done it again had he not been travelling at too fast a speed. I say that the driver was negligent, that he was driving too fast and perhaps he did skid off the road and strike a stone, about 40 other vehs had previously gone around this curve without upsetting. This driver was hurrying to catch the other vehs and was obviously speeding to do so.

COURT IS CLOSED TO CONSIDER THE SUBMISSION

COURT IS REOPENED AND THE PRESIDENT ANNOUNCES THAT THE SUBMISSION IS DISALLOWED.

PROSECUTOR ADDRESSES THE COURT ON THE FINDING:

Sir,

I merely repeat what I have said on the submission.

And I have nothing further to add.

DEFENDING OFFICER ADDRESSES THE COURT ON THE FINDING:

Sir,

I repeat what I said on the submission and would add. The accused knows nothing of procedure and mil law, and since this accident took place he has learned that he was to be held

responsible as far as the OC was concerned. He therefore chose an FGCM that would be composed of impartial judges. Driving is this man's main ambition, he was a DR in Italy which he liked very much, he has been overseas three years and has for the most of that time been under age and not allowed to drive or do DR duty, however since being of age he has been allowed to do a little of both, but not enoughto satisfy him. During this particular trip he was driving in convoy, on the way from Glasgow the incident occurred, if he were in convoy and a short way behind the other cars is no reason that he should be speeding to catch up, there was still an officer and DR behind him, I still feel that there is an element of doubt as to his neglect in this accident, I ask the Court to give him the benefit of that doubt.

COURT IS CLOSED TO CONSIDER THE FINDING

COURT IS REOPENED

PLEA IN MITIGATION IS WRITTEN OUT AND ATTACHED E-3

PLEA IN MITIGATION FOR PTE. DERRY

Pte Derry enlisted when he was sixteen years of age. He was anxious to see action but his youth prevented his ambitions. His various tasks in the army proved irksome. This is the explanation for the entries on his M.F.M. 6. He saw service as a D.R. in Italy. His one great desire is to drive and see service as a driver.

There seemed to be such an element of doubt in this case that the defence feels that every consideration should be shown to the accused and that the court will see that his punishment will be tempered by this consideration.

Could the costs of repairing the vehicle be considered as a fitting puishment for Pte. Derry and the consideration thereby shown act as an opportunity for him to regain any prestige that may have been lost by this unfortunate accident.

SENTENCE

The Court sentence the accused No c32603 Pte Joseph-Omer DESARMEUX R 22e R to undergo

28 days Field Punishment and 56 days forfeiture of pay

Signed in the Field this 27th day of August 1943

Summing up Desormeaux's Case. S

27 Aug. 43.

On July 27th all men of that particular Platoon in which Desormeaux was, were aware that they would move the next day for active service. Desormeaux who took all the chances to avoid that draft, missed the draft.

We cannot judge, go into his heart and find out what he was thinking but, according to the facts, and the facts only, because they result from the thoughts, we can say this man wanted to avoid active service.

He took the risk of drinking all day, and as a result missed his draft. However, in his drink, he wanted to avoid service, by rendering himself unfit. According to the A.A. Sec. 16(2) s.s. 4 (" as set under para. 2) — page 88. This man shot himself not

accidentally but wilfully. Nobody can prove he was drunk and even so, according to Mr. L.L. Jofe 25 Sec. 48 : It is a principle of British law that drunkenness is no excuse for crime.

He rendered himself unfit for a while, avoided the service, and consequently, the Court should find him guilty under Sect. 18(2)

Closing address for the Defence

Gentlemen, I want you to listen very carefully to my statement, as this is a very serious charge.

The two witnesses can not prove by their evidence that the accused wilfully maimed himself.

The intention of doing so is included in the charge by the word wilfully.

The second witness states that the accused behaved in a strange way this particular day. This, in my opinion, is fully explained by the fact that the accused did not have his supper as he slept too late.

Further there is not insinuation here that the accused was really dissatisfied with the army. As you know the slightest abuse of the slightest detail is framed against the army.

Again, when he loaded his rifle, a few moments before the accident, he was drunk. This is proven by the evidence of the 1st witness.

Furthermore, when the accused mentioned he would shoot himself, he was still drunk. Again, as to intention wilfully maiming himself.

Lastly it was proven that the accused was Definitely drunk.

Gentlemen, considering the chapter on Crimes & punishments, I demand that the charge be ruled out and that another charge of a less serious character be made against the accused.

Remember, Gentlemen, this is a very serious charge.

Lewis Christian Lieut.

Defending Officer.

SUMMARY OF EVIDENCE.

In the Case of C-32603 Pte. Desormaux J.C. a soldier of the Royal 22e Regiment, Canadian Army Overseas, on Active Service.

By direction of the Commanding Officer, this Summary of Evidence was taken under oath.

1st Witness for the Prosecution.

D-63548 Pte. Desjardins, L., R.22e R., having been duly sworn states:-

I am D-63548 Pte. Desjardins, L. of the Royal 22e Regiment, On July 27th, 1943, I was at No.1 C BRD, and Pte. Desormaux, whom I now recognize, was with me. On that date, I was getting ready to go to bed in my Coy. lines. At different occasions during the evening, Pte. Desormaux had told me he had decided to shot himself. In my opinion, the man at that moment looked to be intoxicated. I did not pay attention to his words, thinking he was joking. He took some more wine, and later during the evening, I saw him loading his rifle, rest it against a tree, and then bending over press the trigger. I saw him falling down. I immediately advised my Sgt. who is Sgt. Laframe. (He was supposed to leave for front line the next day.)

The accused declines to cross-examine this witness.

Leonard Desjardins Pte.

2nd Witness for the Prosecution.

D-61287 Sgt. Laframe G., R.22e R., having been duly sworn states:-

I am D-61287 Sgt. Laframe, G., R.22e R. On July 27th, 1943, I was at No.1 C BRD, and Pte. Desormaux, whom I now recognize, was in my platoon. On that day at about 2330 hrs. I was sleeping when suddenly Pte. Desjardins L. came to me and told me that Pte. Desormaux "had shot himself". I immediately got up and saw the injured laying all dressed up on the ground. I ordered A/C pl. Calve who was standing by, to take care of the injured, and I went up the lines to call for a M.O. and advise officers of my Coy. Later, after First-Aid had been administered, I picked up Desormaux's rifle, bearing No. 13L5009 which was lying by his side. The breech was closed, the safety catch off, and upon openning the breech, an empty .303 bullet case came out.

Previously during that same day, I had noticed many times that Pte. Desormaux was looking like a man who had been drinking. The way he acted in general and the tone of his voice indicated me that he was under the influence of liquor. After his removal to the M.I.R. opening his water-bottle, I noticed that a heavy smell of wine released itself from the bottle.

The accused declines to cross-examine this witness.

Gaston Laframe Sgt.

In the Case of C-32603 Private Desormaux J.C. a soldier of the Royal 22d Regiment, Canadian Army Overseas, On active Service.

3rd Witness for the Prosecution.

I, the officer taking the Summary, am of the opinion that the presence of Capt. S. Kobrinsky, R.C.A.M.C. cannot readily be procured, owing to the exigencies of service, the expenses and loss of time involved. I certify that the following is an extract of what Capt. Kobrinsky will state at the trial.

I am a Reinforcement Officer on the strength of No. 1 C.B.R.D. (July 27th, 1943). At approximately 2330 hours, on that date, I was awaken by a soldier, whose name I do not know, who stated that a M.O. was required urgently because a soldier had "shot himself in the head". In company with Major George Wood, RCAMC, I proceeded to the site where the injured soldier lay. On examination, it was found that he was semi-conscious; an incise wound about 2½ inches long extented along the right side of his forehead. There was a slight abrasion on the upper part of his right cheek; powder marks were clearly seen. His pupils were equal, and rested to light and accomodation. There was a definite smell of alcohol from his breath. His pulse was 76 and regular. No other signs of injury were noted. After being interviewed by the Padre at about 2350 hrs. he was loaded on a stretcher, and carried to the M.I.R. Morphine grains 3/8 were administered and he was then evacuated to the hospital. During this period, no coherent reply could be elicited from the soldier to questionning. The examination of his identity discs revealed the soldier to be C-32603 Pte. Desormaux J.C.

The accused declines the presence of the witness for cross-examination.

Charles L. Levesque Lieut.
Officer taking Summary.

The accused having been duly cautionned in French, in accordance with R.O. 1424, reserves his defence.

I certify that the foregoing Summary of Evidence, consisting of two pages, was taken down by me in the presence and hearing of the accused, and that rules of procedures, 4 (c), (d), (e), (f) and (g) were duly complied with.

Summary for the Defence:

1st Point: the accused Pte. Desautel was accused by Sgt Sullivan of talking when coming out of Coy. orders Parade, the whole ensuing conversations where based on that fact. The conversations which resulted where due to this accusation.

2nd Point: Sgt. Sullivan apparently told the accused if he didn't take the smile off his face that he would take steps, also that he was getting too big for his boots, the accused took this as a direct threat by an N.C.O. and he didn't know what was meant.

3rd Point: there seems to be some question about "you had better be fucking sure before you accuse me. The point of the word fucking being used as denied by the accused and his witness.

Summary for the Prosecution:

Have brought forward three senior N.C.O's to prove the substance of the charge. The intimation that Sgt Sullivan was ready to fight the accused is unusual.

I am and was at all times, material hereto, Sjt. A.A. Coy. 2 C.I.B. Sp. Gp. and acting C.S.M. of the Coy.

On morning of 30, June, 43. I was conducting Coy. Commander's Orders. Pte Desautel and four other Ptes soldiers were being marched in by myself as they were on a charge. As they were marching in the door I heard some talking. I warned the whole party to stop the talking. As I was marching the party out after disposal of the cases by the Coy. Commander, I again heard talking. I halted the party and gave the whole party a talking to. As I was talking I looked at Pte. Desautel and saw that he had a grin on his face. I told him to get the grin off his face and not to try " acting up". The next thing I said to Desautel was, "you were one of the men talking when marching out." Pte. Desautel the replied,"you had better be fucking sure before you accuse me". I then warned Desautel to stop talking as he was only laying himself open to a charge. He again said,"you had better be fucking sure before you accuse me", and adding, because you cannot prove fuck all".

I then placed Desautel under close arrest and warned him that I was placing a charge of insubordination against him.

1st Witness for the Prosecution

A/Capt. C. Major, 2 i/c "C" Coy, No. 6 C.I.R.U., sworn, states:

"I am A/Capt. C. Major, 2 i/c "C" Coy, No. 6 C.I.R.U.

Question by Prosecutor:

"Will you present to the court these certified true copies of the Court of Inquiry and extract from Pt II Orders dated 5 Jun 44 relating to the absence of the accused?"

A/Capt Major presents the documents for inspection by the Defending Officer. The documents are accepted by the Court and marked Exhibits A and B respectively.

Cross-exam. - None.

R.P. 83(b) complied with.

D-6 Statement by the accused:

E-5210 Pte. Desbiens, G., C.I.C., No. 6 C.I.R.U., sworn, states:

"I am E.5210 Pte. Desbiens, G., No. 6 C.I.R.U. I am not guilty because I think the army is more guilty than I am and I don't want to do any more with the army. I asked for a chance; they refused me. Now I am going to do the way I like. I don't care what will happen. I will never be a good soldier again.

Questions by Defending Officer:

Q.1. Pte. Desbiens, how long have you been in England?

A.1. I was here 10 June 1940.

Q.2. Since that time what kind of work have you been doing?

A.2. When I first came over I was in H.Q. of the Holding Unit. I was supposed to be a driver but they never put me on a lorry. They sent me to my regiment. I used to be an infantry soldier. I asked to go on a course and they refused me. I have always been in the regiment except for four months on Q. 2 Detachment at C.M.H.Q. I was sent back to my regiment and I have been about one and one half years before I went A.W.L. After detention they sent me to No. 6 C.I.R.U. In detention they promised me a transfer to the Ordnance Corps with trades pay. When I got back to the R.U. they refused my transfer. I asked for a leave which was refused. The O.C. told me I had some cheek to ask for leave. He told the R.S.M. to put me on the first draft to my unit. One or two days after I asked for a 48 hour pass which was refused and then I asked for a 24 hour pass which they also refused me. On Saturday morning they told me to get ready to go on draft at F Coy. I had good reason to want a 24 hour pass because where I wanted to go was far away. When I saw they didn't want to give me any leaves when I came out of detention and I was ready to be a good soldier and they didn't want to give me a chance so I was ready to take my own chance.

Question by the Court

Q.1. Where were you at the beginning of June, 1943?

A.1. I was in the regimental guard room in Scotland waiting to go into detention.

Cross-exam: None.

R.P. 83(b) complied with.

E3. Address in mitigation of punishment by defending officer:

"I have only a few words to say. When a man joins the army only one thing remains to him and that is his body. His heart does not count any more. Many times I have seen men go to detention and worse punishment for mere little crimes, if one can call them crimes. What can remain to that man if not the body alone, because his mind has gone straight out and this is exactly what happened to this man. Since 1940 he has been in England and before his last offence he had only two crimes but as I said before his heart is gone and he does not care what happens. Should we say that he is a criminal? No! Because in most cases the superior officers are responsible for these men acting in that improper way. I therefore ask the court to show the utmost leniency towards the accused."

R.P. 83(b) complied with.

ABSTRACT OF EVIDENCE TAKEN IN THE CASES OF THOSE SOLDIERS WHOSE NAMES APPEAR ON THE ATTACHED CHARGE SHEET

Major P. Tremblay was directed by the C.O. 18 Cdn. Fd. Amb. R.C.A.M.C. to take an abstract of evidence in accordance with Appendix "A" D.R.O. 772.

FIRST WITNESS

No. E.15063 Sgt. Tourigny, J., 18 Cdn. Fd. Amb., stated:-

On July 8th 41 I was the sergeant for B Coy. in replacement of Staff Sgt. Ouellette J.E. who was attending a meeting. Having read the Part One Orders the day before (7th July 41) I knew there was a parade at 1400 hrs. At 1400 I made the roll call of the men of B. Coy. I marked those present on parade and after the parade had been dismissed I checked and made a complete list of the men absent from 1400 hrs. parade which I now produce as exhibit 'E'. Cpl. Blouin, A., was present with me when I made this aforesaid roll call. All the men who were absent from 1400 hrs. parade were still absent when parade was dismissed at about 1415 hrs. About 24 men were present from "B" Coy. There has always been a parade at 1400 hrs. on Tuesdays; this particular parade appeared in orders on July 7th, 1941, and the bugle was sounded at 1345 hrs., 8th July 1941. The place where I saw the order above referred to was the unit order board which is just outside the entrance to the building in which "B" Coy. sleeps. There are 61 men in "B" Coy. Since our unit has been in England I don't remember more than one man having been absent from parade without permission.

SECOND WITNESS

No. E.23323 Cpl. Blouin, A., 18 Cdn. Fd. Amb., stated:-

I am Cpl. in "B" Coy. On the afternoon of July 7th I read the Part One Orders for the following day on the board at the entrance of "B" Coy. billets. I read there was a parade scheduled for 1400 hrs. 8 July 41. On July 8, 1941, I was resting in "B" Coy. quarters where all the men of "B" Coy. are. At 1345 I heard the bugle sounding the call to prepare for the 1400 hrs. parade, and then I and all the men of my room went on parade. When Sgt. Tourigny, J., called the roll all the men whose names appear on exhibit 'E' were absent from the parade and still absent when this parade was dismissed.

THIRD WITNESS

No. E.15117 L/Cpl. Martin, M., 18 Cdn. Fd. Amb., stated:-

At about 1300 hrs. I read the Part One Orders on the board at the entrance of "B" Coy. billets. I saw there was a parade scheduled for 1400 hrs., the 8th July. At about 1345 hrs. I was sleeping in my room, and the following privates were also in the same room as I:- Pte. Blanchet, G., Chamard, L., Deschesnes, J.E., and Lessard, E. At that time I was awakened by the bugle call for parade, and I told these men in my room it was time to go on parade. They said nothing, did not complain, and I went out to the parade. These men were absent, and afte. parade they were still in the room. I asked them why they did not go on parade, they answered: "because we did not have anything to eat."

FOURTH WITNESS

No. 15037 Pte. Thibeault, R., 18 Cdn. Fd. Amb., stated:-

On 7th July 41 I read the Part One Orders on the board at the entrance of "B" Coy. billets. I saw there was a parade scheduled for 1400 hrs. the 8th July 41. At about 1345 hrs. 8th July, I was in my room when I heard the bugle call for the 1400 hrs. parade. I was going to the parade when I saw Pte. Caron, M., coming into the room. I noticed he was absent from parade. After the dismissal of the parade at 1415 hrs.

(over)

I went back to my room which is also Pte. Caron, M. one. I asked him why he had not come on parade. He replied he had not time to get ready. Pte. Caron and I arrived back from the route march at 1245 hrs.

L'acte d'accusation (Charge Sheet) est lu aux accuses et tous plaident coupable sur chacun des chefs d'accusation.

La Cour se conforme a R.P. 35b.

M. PAINCHAUD: Si la Cour me le permet, il s'agit d'un abstrait d'evidence, pris suivant la disposition speciale, et, dans ce cas-ci, les temoignages rendus devant le Major Tremblay n'ont pas ete pris sous serment; je demande donc a la Cour si elle considere ceci comme preuve suffisante ou bien s'il serait preferable de faire revenir les 4 temoins et leur faire reconnaitre, sous serment, que ceci est bien leur temoignage.

M. FORGET: Je crois que la Cour ne peut pas autoriser cela du moment que les accuses ont plaide coupable. La loi dit clairement que l'abstrait d'evidence doit etre lu aux accuses et aucun temoin ne peut etre appele.

LA COUR: La Cour accepte l'abstrait d'evidence tel que presente.

M. Forest, est-ce que les accuses desirent s'adresser a la Cour avant qu'une decision soit rendue et, voulez-vous, appeler des temoins pour temoigner sur leur caractere.

M. FOREST: Non, simplement, je demanderais que les memes recommendations, que j'ai faites, hier, dans la cause de M-15128, Sdt. (L/Cpl) Garneau, R., et al, s'appliquent dans cette cause-ci pour les fins de la sentence.

LA COUR: La Cour trouve les accuses non coupable sur le deuxieme chef d'accusation.

M.Painchaud, pouvez-vous presenter devant la Cour la preuve de caractere des accuses?

M. PAINCHAUD: Oui, je vais appeler l'adjudant qui va produire les Statement as to character and particulars of service of accused.

M. Forest depose devant la Cour un memorandum a l'adresse du "reviewing Officer" lequel est marque P-5.

Capt. H.Alleyn, R.C.A.M.C., A/Adjudant de la Cdn 18 Field Ambulance, etant dument assermente, depose et dit:-

MEMORANDUM

TO: The reviewing Officer.

Field General Court-Martial:
R-Lieut, Pte. (L/Cpl.) Jarneau R. and Others.

CHARGES:- 1.- Joining in a mutiny, (A.A. sec. 7(3).
2.- An act to the prejudice.....A.A. sec. 40.)
3.- Absenting themselves .....A.A. Sec. 25(1).

Sir,

1.- I have been detailed by the J.A.G's Branch to act as Defending Officer in the present case.

2.- This is the first case in which the provisions of R.P. 104 have been applied, as regards the dispensation of Rule of Procedure No. 4 (c-d-e). The said rule No. 4 concerns the taking down of the summary of evidence.

3.- Ref.: R.P. 104 Footnote 2- Page 279 M.M.L.
The power conferred by this rule should rarely be exercised, except on active service and then only if absolutely necessary.

4.- As the application of R.P. 104 has had the effect of rendering more difficult the preparation of the defense, and as, furthermore, no military jurisprudence exists to that effect, I have thought it my duty to bring this matter to the attention of the Reviewing Officer so that a ruling may be established concerning the application of the said Rule 104, with regards to the circumstances which we have to face in the present case, and also for further guidance.

Mario Forest-Lieut.

SUMMARY OF EVIDENCE IN THE CASE OF
D-61157 Pte F DESCHAMPS

INCREMENT TO NO 11 CANADIAN PROVOST COMPANY - CANADIAN PROVOST CORPS

The Commanding Officer directs that the evidence be taken on oath.

FIRST WITNESS C-41986 Sergeant J.R.R. Carrier, No. 1 S.I.S., First Canadian Army HQ having been duly sworn states:-

At about 0845 hrs., 14 Sep 1944 Mr. P.M. POLLIN residing at Londinieres accompanied by a local gendarme complained to me that at about 2300 hrs. the previous night, two members of the Canadian Provost Corps had forced their way into his house and before leaving one of them stole twenty fifty franc notes. I brough this complaint to the attention of the Officer Commanding S.I.S. and was directed by him to investigate the matter.

At about 1030 hrs, 14 Sep 1944 accompanied by Mr. Pollin and the gendarmes I attended an identification parade and saw Mr. Pollin identify Pte Deschamps as the man who had taken his money and threatened him with his revolver. I immediately cautioned him and acquainted him with the accusation, he replied, "I do not wish to say anything". Later I searched Pte Deschamps' person. He was in possession of only a five franc note. On finding a photo of a baby in Deschamps' possession I showed it to the complainant in Deschamps presence and he identified it as a photo shown to him the previous evening by Deschamps. I produce this photo as exhibit "A" . Deschamps then asked to see Capt Porter the Officer Commanding privately. This request was granted. A few minutes later I accompanied Capt Porter and Deschamps to a little wood near the cookhouse and there saw Deschamps retrieve a bundle of notes which he handed to Capt Porter. This was then handed to me by Capt Porter and on counting these notes found that there were ~~fifty~~ fifteen fifty franc notes. I produce these fifteen notes being exhibit "B". Deschamps then said, "If the man lost more I am willing to pay it back". "I had been drinking a lot". Later after having been duly cautioned I took a statement from Deschamps and he signed it in my presence.

The photograph referred to in the evidence of the above witness is attached hereto as exhibit "A".

The bundle of notes amounting to 750 francs referred to in the evidence of the above witness is attached hereto as Exhibit "B".

The statement of Pte Deschamps referred to in the evidence of the above witness is attached hereto as Exhibit "C".

"JRR Carrier"
C-41986 Sgt JRR Carrier.

Second Witness Mr Paul Michel Pollin, LONDINIERES.

I certify that in my opinion, the attendance of this witness is owing to the loss of time which would be involved in securing his attendance, not really procurable and a written statement of his evidence signed by him has been read to the accused and is attached hereto as exhibit "D" together with an English translation of same.

"M.A. Fitz-Gibbon"
Lieut M.A. Fitz-Gibbon.

THIRD WITNESS: Mrs Georgetta Pollin, LONDINIERES

I certify that in my opinion, the attendance of this witness is owing to loss of time which would be involved in securing her attendance, not readily procurable and a written statement of her evidence signed by her has been read to the accused and is attached hereto as Exhibit "E" together with an English translation of same.

"M.A. Pitz-Gibbon"
Lieut M.A. Pitz-Gibbon.

The accused was cautioned as follows:

Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

After the above caution the accused elected to give evidence as follows:

First Witness for Defence:

The accused, D-61157, Pte P. Deschamps, Increment to No. 11 Canadian Provost Company, Canadian Provost Corps, having been duly sworn states:-

I admit I must have taken the money but I do not remember taking it or in any way threatening the complainant. I was very drunk and can remember nothing after entering the bakers' shop. The whole evening was very hazy. I found the money after I returned to camp. I hid it in a wood intending to return it to its rightful owner as soon as possible.

The reason I hid the money is that I only drew a hundred francs on Pay Parade and I know that if any of my companions saw the money they would wonder how I had got it in my possession. I wanted to stay out of trouble if possible. Pte Derry received none of this money and to my knowledge knew nothing about it until this morning when I told him.

"P. Deschamps" Pte
P. Deschamps, Private.

Second Witness for Defence:

B-26382, L/Cpl W.C. Lennon, Increment to No. 11 Canadian Provost Company, Canadian Provost Corps, having been duly sworn states:

At approximately 0100 hrs, 14 Sep 1944 I was just going on guard over some Italian prisoners, when I saw Pte Deschamps coming into camp. I noticed that he was well und under the influence of liquor and I saw Todtz, who was on guard over the vehicles, take Pte Deschamps to bed.

I left camp at about 1800 hrs and started for Londinieres. At about ¾ of a mile I met Pte Derry and we went to Londinieres where we had a lot to drink. After the Cafes closed I was very drunk and I remember going to the bakers place and we had something to drink there. All I remember is that before we left he gave us a bread each. When I came in last night in camp I noticed that I had a lot of money and I counted it this morning - I had 750 frs. I then went in the wood near the camp, where I took Capt Porter and yourself and I hid the money there. I intended to take it back this afternoon. I was wearing my revolver last night, but I don't remember threatening the baker ~~last night~~ with it. I did not give any money to Pte Derry and I only told him this morning that I had taken this money.

Statement of Mr. Paul Michel Follin, Londinieres.

Around 11 pm last night I was busy in my shop counting my cash when I heard a knock at my door which faced the street. After insistent knockings and on hearing the names of Police I opened the door. Two military policemen were at the door and came into the shop. One of them had his hand on his revolver. The holster was unbuttoned. The Tallest mentioned the light which could be seen from the street. My wife came down the stairs with the three children which were then in bed. Both of them were very threatening and the one who spoke French told me, that he suspected me of hiding some Germans and that they wanted to satisfy themselves. Both of them although they were not drunk had been drinking. After ten minutes they calmed down and started to talk with the children. So then I invited them into the kitchen and I gave them a calvodos, thinking that they would go away without causing me too much trouble. During the discussion in my shop, these two men had their hands on their revolvers which were in their open holsters.

During the few minutes that they were in my kitchen, the tall one, the one who talked French showed me a photograph of his child and it is the same photograph that you are now showing me. Before leaving they asked me for some bread and I gave them one each. They insisted in paying for them and I refused the money, but they left fifteen francs on the table. When going out, I went first to open the door. The one who talked French was following me; at the moment that I was opening the door, I saw this man slide his right hand behind his backand take a handful of notes that I had left on the counter, when they arrived. At this same moment as he was placing these notes in the right hand side

pocket of his trousers, I pushed his arm and a one hundred franc note fell on the floor. I informed him that he was robbing me. He picked up the note and placed it on the counter. He denied that he had robbed me and as I was insisting that he empty his pocket he placed his hand on his revolver and said to me several times in menacing voice "open the door for me". The other man who does not speak French then arrived and I tried to make him understand what had happened, but he did not appear to understand. So then I was forced to open the door and they left. I do not think that the one who only speaks English saw this incident.

After they had left I ascertained that twenty notes of fifty francs had been taken. Today 14 Sep 44 at 10 am accompanied by a gendarme and a military police I attended and identification parade and there designated a soldier who had accompanied the one who robbed me.
Later at another parade I indicated the one who had robbed me.

Statement of Mrs Georgette Pollin, Londinieres.

Around 11 pm last night I was upstairs putting my three children to bed, when I heard knocking at the door of our shop. I then went downstairs and my husband was then in the shop. Someone knocked four or five times and then someone said "Open up its the English Military Police". So then we looked through the curtain and we saw the white belts and knew that it was the police. So then we opened the door and two policemen came in the shop. One of them, the one who does not speak French had his revolver out of his holster and was carrying it in his hand. I did not notice if the other was holding his revolver. So then the tall one, the one who talked French asked why we had not opened the door. He mentioned the blackout and then said that he suspected us of hiding some Germans. Each time that we tried to explain he would tell us to shut up and in all, their conduct was very menacing. They finally calmed down and one must state that both had been drinking. So then my husband offered them a drink which they accepted. We gave them each a loaf of bread and both started towards the shop of my husband. It is then that I went upstairs and put my children to bed. Whilst these men were at my place, one of them, the one who talked French showed me a photograph of his baby and it is the same photograph that you are now showing me.

Accused duly sworn states:

I admit having the money on me last night. I do not remember taking the money the night before. I don't remember threatening the occupant of the house. When I counted the money next day I saw Pte Derry and told him about it. He told me to return it as soon as possible which I had intended to do anyway. I hid the money so that my comrades not suspect me of stealing it as I had drawn only 100 francs on pay day, 13 Sep. Before I had time to return it, an identification parade was held which found me in possession of the money.

X-Exam by Prosecutor

I hid the money a few minutes after I got up, about 0630 hrs. The bakers was the only place I could remember being, although I couldn't remember what I did there. I knew the money wasn't mine so presume I must have got it there. I was going to return it to the bakers. I realized I must have stolen the money. I am not used to drinking, We had a lot to drink, calvados, rum, wine, cognac and cider. I remember being in the bakery but remember nothing that happened there. When I saw Derry he told me it was probably the bakers as we had been there.

DEFENDING OFFICER IN MITIGATION

Acc left school and enlisted 3 Sep 39 at 19 years. He went to Iceland June 1940 and England Dec 1940. He transferred to Provost Sec 1941. He was trained and worked in Sgts Mess. In May 42 posted to 9 Provost Co and came to France from there in Aug. He is happily married in England and has one child. He has assigned pay of $23 per month. While with 9 Prov Co for over two years he had only three very minor charges. The other charges well all very minor - no drunk charges. It is clear that he was completely drunk at the time.

His record iw excellent. This charge was not premeditated - it was done while drunk. Nothing in his record shows any criminal tendency.

States:

Exam - I am as above, On 21st Jul at about 1745 hrs we approached intersection of Jacob Van Compert Street + Dr. Dolough Hall Street. We sounded the horn before we arrived on the intersection + a M/C shot out from Hall Street. When we hit the Dolough the curbing more or less knocked off the jeep. We stopped + I drew a sketch of the accident. I was with Des Clamps at the time the accident happened.

The prosecutor produces as an exhibit a sketch of the scene of the accident showing layout of streets + general directions. The defendant offers does not object to the sketch being produced as an exhibit. Sketch marked Exhibit "A".

I saw the Dolough about 4 or 5 feet away before we hit us. Our first warning that the M/C was approaching was the screech of the M/C tires on the pavement. Pavement was dry asphalt. We were proceeding down Main Street. M/C came out of Sidestreet. Jeep was proceeding east on Main street. We were on roving patrol at the time proceeding to the Main part of the town.

Cross Exam I was co driver of Vehicle that Desclamps drove. I was on side of Vehicle right around. M/C hit jeep on that side. M/C was travelling considerably faster than we were. When I saw M/C it had its brakes on + it was still going at a good speed. I don't know what caused the Dolough accident.

As we approached intersection we ~~[illegible]~~ we moved over to the Centre of the road. The M/C came out of a ~~[illegible]~~ side street. M/C was travelling down about the centre of the side street. The Rd Cpl Dewdney was driving on was about 36' inside. The street M/C came out of was about 33' wide. We were hit when halfway across the intersection that would be 24' or so across. The jeep was about 15' out from right hand side of the road. A Civilian lorry Water of Russ was driving the Motorcycle. On the left hand side of road in the direction we were travelling there was a Civilian car parked. A Ford Convertible Coupe Canvas parked two feet from the curb. The civilian car was about twenty or thirty feet from the corner. The Motorbike hit the right corner of the jeep at the bumper. The Motorbike caromed off right front bumper + ended up in front of the Civilian car. Motorbike ended up about 5' from civilian car. Civilian ended up ahead of the Motorbike. The civilian looked beside front door of civilian car. I dont know how civilian got to the car I didnt see him until he was on the ground. When struck by the Motorbike we moved through intersection + pulled up by right curb. Accused put on the brakes + we skidded 5 feet. We were practically To a stop.

SECOND WITNESS FOR THE PROSECUTION

William Hubert Rumbold of Nanaimo
171 Amsterdam South. duly sworn state.

Exam. I am as above. At about 1730 on
Sat 21 July I was standing by garage
at Jacot Van Consplaat & Flora
Hall street I was about 35 metres
from where the accident happened Van
Consplaat runs east & Jeep
was travelling on that street &
was east of intersection. I was
standing on the left side of road
I was standing by the front of
the Curlew Cab. Nothing obstructed
my view & was in front of car
at the time of the accident. I was
talking to a friend. I saw the
jeep coming towards me & I saw
a motorcycle come out of side street.
I heard a bump. & the Motorcyclist
was flung through air about
20 feet collapsed against Curlew
Car in front of me. I walked
over to cyclist who was
lying near rear wheel of car.
I did not see that either vehicles
were trying to stop. I was
standing on the sidewalk. Bumby
came out close to the street.
It was a right angle intersection.

IV

I couldn't say how fast jeep was travelling. Motorbike was going about 30 Kilometres an hour. Motorbike skidded about 7 metres. Motorbike was right in front of jeep at time of impact. Cyclist must have flung into the air Motorbike went off at about an angle of 30°. Cyclist dumped against the Cortina car. Body of cyclist came towards me before it came. There was dust on ground by Cortina car. Before didn't strike Cortina car. The body must have. I went over to Cortina body I thought Him dead. He came too + asked me what happened + told Him to lie quite. I saw around jeep after accident. Jeep was on right hand side of road. He didn't track mud of road it was in Normal position. Motorbike was on right side. I didn't hear any screech before accident. Pavement dry, Vision Clear.

Cross Exam - I was talking to a civilian in front of car. Both streets were Not Very busy. I just said good bye to my friend At Moment of impact the Motorbike was going at 30 Kilometres an hour. The Motorbike did Not Swerve to avoid jeep

Re Exam None

Court - I didn't Notice any Skidmarks behind jeep. I did Not Notice skidmarks behind Motorbike. No stop signs On corner. My impression was the jeep was going faster than Motorbike but I am not sure.

President and Members of the Court:

In my opinion the 2 witnesses presented for the prosecution and the sketch of the scene of the accident have provided ample evidence for the consideration of the court. It has been clearly defined that the intersection in question is a rather dangerous one from the driver's point of view he is approaching the intersection from any direction. Further there were no "stop" signs or traffic control of any type. Neither street could be considered a "main" street and both vehicles were travelling on their respective correct side of the road. The road surface was a dry asphalt and skid marks indicate an attempt was made to stop but speed & very late warning would tend to indicate that it was impossible to stop soon enough. I do believe all the necessary data etc has been presented to the Court and I now wish to let the case rest with the Court for decision.

Argument on Finding (Pte Deschamps)

I know that the DJA will advise the Court on the law involved but it appears to me that the whole question thing boils down to whether Dese Lamps was guilty of negligence such to such a an extent that the Court as Regimental Officers fel that he deserves to be punished.

The evidence of Lt/Col Meskey is to the effect that on entering the intersection the accused sounded the horn slowed down and then was speeding up for the crossing having attained a speed of 15-20 m p h at the time of the accident and that the MC was going considerably faster than the Jeep. The civilian witness on the other hand states that at the time of the impact the MC was going 30 ~~M~~ kilometers per hour and as he had skidded for 29 ft he would have been going approaching the intersection at a speed considerably in access of this speed. The civilian ~~witness~~ witness explained he was in no position to estimate the speed of the Jeep and in fact was in conversation at the time immediately prior to the accident and I suggest could have missed a lot that actually happened.

It must also be borne in mind that Lt/Col Meskey was on the right of the Jeep, the side nearest the on coming MC. but as he also failed to see it any sooner than the accused and would be positioned to obscure the accused's field of vision. Is it fair to expect the accused to see more on the right side of the Jeep and another man on that side and also on duty

I suggest what actually was this. The Jeep entered the intersection having exercised the usual precautions of honking ~~his~~ the horn and slowing down while the MC was still on a considerable

We were proceeding East on Jarol Va Compert street at about 15 to 20 miles per hour and had just changed from second into high gear when a M/C coming north on Trans Wals street drove out in front of us. a collision took place near the centre of the
intersection. I can't say how fast the jeep
was travelling as it was coming towards me.
The cyclist was thrown about 20 metres. After
the accident I noticed skid marks of the M/C

SUMMARY OF EVIDENCE IN THE CASE OF

D.61157, PRIVATE F. DESCHAMPS

INCREMENT TO NO. 11 CANADIAN PROVOST COMPANY - CANADIAN PROVOST CORPS

The commanding Officer directs that the evidence be taken on oath.

First Witness: C.41986 Sergeant J.R.R. Carrier, No.1 S.I.S., First Canadian Army H.Q. having been duly sworn states:-

At about 0845 hrs., 14 Sept 1944 Mr. P.M. FOLLIN residing at Londinieres accompanied by a local gendarme complained to me that at about 2300 hrs. the previous night, two members of the Canadian Provost Corps had forced their way into his house and before leaving one of them stole twenty fifty franc notes. I brought this complaint to the attention of the Officer Commanding S.I.S. and was directed by him to investigate the matter.

At about 1030 hrs., 14 Sept 1944 accompanied by Mr. Follin and the gendarme I attended an identification parade and saw Mr. Follin identify Pte. Deschamps as the man who had taken his money and threatened him with his revolver. I immediately cautioned him and acquainted him with the accusation, he replied, "I do not wish to say anything". Later I searched Pte. Deschamps' person. He was in possession of only a five franc note. On finding a photo of a baby in Deschamps' possession I showed it to the complainant in Deschamps presence and he identified it as a photo shown to him the previous evening by Deschamps. I produce this photo as exhibit "A". Deschamps then asked to see Captain Porter the Officer Commanding privately. This request was granted. A few minutes later I accompanied Captain Porter and Deschamps to a little wood near the cookhouse and there saw Deschamps retrieve a bundle of notes which he handed to Captain Porter. This was then handed to me by Captain Porter and on counting these notes found that there were fifteen fifty franc notes. I produce these fifteen notes, being exhibit "B". Deschamps then said, "If the man lost more I am willing to pay it back". "I had been drinking a lot". Later after having been duly cautioned I took a statement from Deschamps and he signed it in my presence.

The photograph referred to in the evidence of the above witness is attached hereto as Exhibit "A".

The bundle of notes amounting to 750 francs referred to in the evidence of the above witness is attached hereto as Exhibit "B".

The statement of Pte Deschamps referred to in the evidence of the above witness is attached hereto as Exhibit "C".

C.41986 Sgt JRR Carrier

Second Witness: Mr. Paul Michel Follin, LONDINIERES.

I certify that in my opinion, the attendance of this witness is owing to the loss of time which would be involved in securing his attendance, not readily procurable and a written statement of his evidence signed by him has been read to the accused and is attached hereto as Exhibit "D" together with an English translation of same.

Lieut. M.A. Fitz-Gibbon.

Third Witness: Mrs. Georgetta Follin, LONDINIERES

I certify that in my opinion, the attendance of this witness is owing to loss of time which would be involved in securing her attendance, not readily procurable and a written statement of her evidence signed by her has been read to the accused and is attached hereto as Exhibit "D" together with an English translation of same.

The accused was cautioned as follows:-

Do you wish to make any statement or to give evidence on oath? You are not obliged to say anything or give evidence unless you wish to do so, but whatever you say or any evidence you give will be taken down in writing and may be given in evidence.

After the above caution the accused elected to give evidence as follows:-

First Witness For Defence:

The accused, D.61157, Pte. F. Deschamps, Increment to No. 11 Canadian Provost Company, Canadian Provost Corps, having been duly sworn states:-

I admit I must have taken the money but I do not remember taking it or in any way threatening the complainant. I was very drunk and can remember nothing after entering the bakers' shop. The whole evening was very hazy. I found the money after I returned to camp. I hid it in a wood intending to return it to its rightful owner as soon as possible.

The reason I hid the money is that I only drew a hundred francs on Pay Parade and I knew that if any of my companions saw this money they would wonder how I had got in my possession. I wanted to stay out of trouble if possible. Private Derry received none of this money and to my knowledge knew nothing about it until this morning when I told him.

Second Witness For Defence

B.26382, L/Cpl. W.C. Lennon, Increment to No. 11 Canadian Provost Company, Canadian Provost Corps, having been duly sworn states:-

At approximately 0100 hrs., 14 Sept. 1944 I was just going on guard over some Italian prisoners, when I saw Pte. Deschamps coming into camp. I noticed that he was well under the influence of liquor and I saw Todtz, who was on guard over the vehicles, take Pte. Deschamps to bed.

I left camp at about 1800 hrs and started for Londemieres. At about 3/4 of a mile I met Pte Verry and we went to Londemieres where we had a lot to drink. After the cafes closed I was very drunk and I remember going to the bakers place. We had something to drink

Déclaration de M. FOLLÉN. Paul. Michele.
Boulanger & Patissier à Londenières.

Vers 11 PM hier soir j'étais occupé dans mon magasin à faire ma caisse quand j'ai entendu frapper à la porte donnant sur la route. Après bien des insistances et au nom de police j'ai ouvert. Deux policiers militaires étaient à la porte et sont entrés dans mon magasin. L'un deux avait sa main sur son revolver. La porte étant débouclé. Le plus grand a fait allusion à la lumière qui pouvait se voir de la rue. Ma femme est alors descendue avec les trois enfants qui étaient couchés. Tous les deux étaient très menaçants et celui qui causait français

m'a dit qu'il me confisquait
de cacher des allemands et
qu'ils voulaient s'en rendre
compte. Tous les deux malgré
que ils n'étaient pas saouls avaient
bu. au bout de deux minutes ils
se sont adoucis et se sont mis
à causer aux enfants. Alors je les
ai invité à passer dans ma
cuisine et je leur ai donné un
calvados pensant qu'ils s'en iraient
sans me causer trop de trouble.
Pendant les discussions dans ma
boutique ces deux hommes avaient
la main sur leurs revolvers
qui étaient dans leurs poches
et qui étaient aussi armés.
Pendant les quelques minutes
qu'ils furent dans ma cuisine
le grand celui qui causait français
m'a montré la photo de son
son enfant et c'est la même
photographie de bébé que vous

me montrer en ce moment.

Avant de partir ils m'ont demandé un pain et je leur ai donné un chacun. Ils ont insisté pour payer et j'ai refusé l'argent mais ils ont laissé 15 frs sur la table. En sortant j'ai passé le premier pour ouvrir la porte. Celui qui cause le français me suivait, au moment où j'ouvrais la porte j'ai vu ce type glisser sa main droite derrière son dos et prendre une poignée de billets que j'avais laissé sur le comptoir à leur arrivée. Au même instant comme il était à placer ces billets dans sa poche droite de pantalons. Je lui ai poussé le bras et un billet de 100 frs est tombé par terre. Je lui ai fait remarquer qu'il me

volait. Il a ramassé le billet et il l'a posé sur le comptoir. Il a dérivé qu'il m'avait volé et comme j'insistais qu'il mette sa poche, il a posé la main sur son revolver et m'a dit plusieurs fois dans un ton menaçant "Ouvrez-moi la porte". L'autre type qui ne cause pas le français est alors arrivé et j'ai essayé de lui faire comprendre ce qui c'était passé mais il n'a pas eu l'air de comprendre. Alors j'ai été forcé d'ouvrir la porte et ils sont partis. Je ne crois pas que celui qui cause seulement que l'anglais ait vu l'incident.

Après qu'ils furent partis je me suis rendu compte que l'on m'avait pris 20 billets de 50 frs.

Aujourd'hui le 14 Sept. 44 à 10 am. accompagné d'un gendarme et de la police

militaire j'ai assisté à une
parade et là j'ai indiqué
le soldat qui accompagnait
celui qui m'a volé. Plus tard
à une parade j'ai signalé
celui qui m'a volé.

Statement of Mr. Paul Michel Follin, Londinieres.

Around 11 pm last night I was busy in my shop counting my cash when I heard a knock at my door which faces the street. After insistent knockings and on hearing the name of Police I opened the door. Two military policeman were at the door and came into my shop. One of them had his hand on his revolver. The holster was unbuttoned. The tallest mentioned the light which could be seen from the street. My wife came down the stairs with the three children which were then in bed. Both of them were very threatening and the one who spoke French told me, that he suspected me of hiding some Germans and that they wanted to satisfy themselves. Both of them although they were not drunk had been drinking. After ten minutes they calmed down and started to talk with the children. So then I invited them into my kitchen and I gave them a calvados, thinking that they would go away without causing me too much trouble. During the discussion in my shop, these two men had their hands on their revolvers which were in their opened holsters.

During the few minutes that they were in my kitchen, the tall one, the one who talked French showed me a photograph of his child and it is the same photograph which you are now showing me. Before leaving they asked me for some bread and I gave them one each. They insisted in paying for them and I refused the money, but they left fifteen francs on the table. When going out, I went first to open the door. The one who talked French was following me; at the moment that I was opening the door, I saw this man slide his right hand behind his back and take a handful of notes that I had left on the counter, when they arrived. At this same moment as he was placing these notes in the right hand side pocket of his trousers, I pushed his arm and a one hundred franc note fell on the floor. I informed him that he was robbing me. He picked up the note and placed it on the counter. He denied that he had robbed me and as I was insisting that he empty his pocket he placed his hand on his revolver and said to me several times in a menacing voice "open the door for me". The other man who does not speak French then arrived and I tried to make him understand what had happened, but he did not appear to understand. So then I was forced to open the door and they left. I do not think that the one who only speaks English saw this incident.

After they had left I ascertained that twenty notes of fifty francs had been taken. Today 14 Sep 44 at 10 am accompanied by a gendarme and a military police I attended an identification parade and there designated a soldier who had accompanied the one who robbed me. Later at another parade I indicated the one who had robbed me.

Vers 11 pm hier soir j'étais en haut à coucher mes enfants trois enfants lorsque j'ai entendu frapper à la porte de notre boutique. Alors je suis descendue et mon mari était dans la boutique. L'on a frappé 4 ou 5 fois et ensuite quelqu'un a dit "Ouvrez c'est la police anglaise." Alors l'on a regardé par le rideau et comme l'on a aperçu les ceinturons blancs l'on a bien vu que c'était la police. Alors l'on a ouvert la porte et deux policiers sont entrés dans la boutique. L'un d'eux, celui qui ne causait pas français avait son revolver sortit de l'étui et le portait à la main. Je n'ai pas remarqué si l'autre tenait

son revolver. Alors le grand celui qui causait français a demandé pourquoi nous n'avions pas ouvert. Il a fait allusion au camouflage de la lumière et ensuite a dit qu'il nous soupçonnait de cacher des allemands. Chaque fois que l'on essayait de faire explication, il nous disait de nous taire et enfin leur conduite était très menaçantes. Ils se sont finalement calmés et il faut dire qu'ils avaient bu tous les deux. Alors mon mari leur a offert un verre qu'ils ont accepté. L'on leur a donné un pain chacun et ils se sont dirigés tous les deux vers la boutique avec mon mari. C'est alors que j'ai monté en haut coucher les enfants.

Statement of Mrs. Georgetta Follin, Londinieres.

Around 11 pm last night I was upstairs putting my three children to bed, when I heard knocking at the door of our shop. I then went downstairs and my husband was then in the shop. Someone knocked four or five times and then someone said "Open up, its the English military police. So then we looked through the curtain and we saw the white belts and knew that it was the police. So then we opened the door and two policemen came in the shop. One of them, the one who does not talk French had his revolver out of his holster and was carrying it in his hand. I did not notice if the other was holding his revolver. So then the tall one, the one who talked French asked why we had not opened the door. He mentioned the blackout and then said that he suspected us of hiding some Germans. Each time that we tried to explain, he would tell us to shut up and in all, their conduct was very menacing. They finally calmed down and one must state that both had been drinking. So then my husband offered them a drink which they accepted. We gave them each a loaf of bread and both started toward the shop of my husband. It is then that I went upstairs to put my children to bed. Whilst these men were at my place, one of them, the one who talked French showed me a photograph of his baby and it is the same photograph that you are now showing me.

I admit having the money on me the next morning. I do not remember taking the money the night before. I don't remember throwing the occupant of the room. When I counted the money next day I saw that I only told him I'd return it. Then soon as I could which I had intended to do anyway. I hid the money so that my comrades would not suspect me of stealing it as I had drawn only two francs on payday, 13 days before. Before I had time to return it, an identification parade was held which found me in possession of the money.

Cross examined by Pros.

I hid the money about two minutes after I got up, about 0630 hrs. 5th bakers was the only place I could remember being, although I couldn't remember what I did there. I knew the money wasn't mine so presumed I must have got it there. I was going to return it when I realized I must have stolen the money. I am not used to drinking. We had a lot to drink, cognac, rum, wine and cider. I remember being in the bakery but remember nothing that happened there. When I saw the army he told me it was probably the bakers as we had been there.

2. Pte Deschamps was sentenced on 18 Sep 44, by FGCM, to a term of detention for 2 years for an offence under A.A. Sec 8(2); was admitted to this Detn Bks on 23 Sep 44.

3. Since admittance to this camp this man's conduct has been exemplory. In this unit a daily record is kept of all SUS, and either the 2I/C or myself review these records at frequent intervals in order to accertain if the punishment meted out is helpful to them. No two individuals respond similarily. In the case of Pte Descahmps I took a special interest due to the fact that his past record, since enlistment was exceptionally a good one. When he arrived here his appearance was very smart and his bearing soldierly. He was employed in every capacity and was put under every restriction that governs the S.U.S; he performed his duties and governed himself in a most excellent manner. I have that confidence in him that I recommend his sentence to be suspended, and further, I would like very much to have him posted to this unit as a member of my staff.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

The Defence wish to point out that this man's record up to the time he went A.W.L. is quite good. This man was injured and shell shocked at Gothe um and claims that ever since his nerves are very bad. He does not feel fit to go back to the line & finds he would be a liability if he went back to his unit. The claims that was made quite understood by his sergeant before he was evacuated; he found that going A.W.L. was the only way to prevent his going up to the line again, and thus possibly risking the lives of his companions by his unfitness. The Defence suggest that the man be given a medical board which would properly prove that the man is quite unstable. The Defence wish the Court to take these points and the Accused's age into consideration in dealing with the sentence.

EXAMINATION BY PROSECUTION CONTINUES
Q.20. Will you tell the court, please, the circumstances under which you have previously seen the accused?
A.20. At about 1515 hours, Monday 30 Aug 43, I was summoned by the manager of the STRATHCLYDE DISTILLER CO. LTD., occupying the premises at 455 Ballster Street, GLASGOW. The manager informed me that he had, a short time previously, found a Canadian Soldier, giving the name of Sgt. COTES, in his office. He further asked me if I knew whether this man was wanted on any charge. I at once proceeded to the premises occupied by the STRATHCLYDE DISTILLERS CO. LTD., and from there communicated with the Criminal Investigation Department, Glasgow Police, asking them to check over their files of absentees and other wanted persons. I explained to them the position of the soldier who was found on the a/m premises and that he had given the name of Sgt. COTES. The Criminal Investigation Department informed me that there was a Pte. COTES listed as an absentee in their files. I telephoned Lanmoor Police sub-office and obtained the assistance of Sgt. CHURCHSHANK, No. 20, of the Central Division of the Glasgow Police, who arrived at the above mentioned premises. We went to the manager's Office and found the man who had given the name of Sgt. COTES there. When questioned regarding his being there he stated that he was interested in that particular industry and was there to have a look around. He further stated that he had been admitted by the man at the gate. Inquiries revealed that the gate man was responsible for Sgt. Cotes being there. The man giving the name of Sgt. COTES was then asked for his pay book, etc., to establish his identity, he stated that he had lost all his papers the Saturday previous. He was asked to accompany us to the LANMOOR POLICE sub-office with a view to communicating with the Canadian Military Police. On arrival at the Lanmoor Police sub-office, the accused produced his pay book with the name of Joseph Philips Desgagne and the leave pass expired on the 12th July 1943. He admitted that this was his real name and admitted being A.W.L. from his Unit from the 12 July 43. He was cautioned and charged with [illegible] at 1540 hours 30 Aug 43, to which he replied that is quite correct I am

fed up with the army anyway. He was detained to await the arrival of the Military Police Escort and was removed under escort. Pte. DESCAINE was quite sober at the time of his apprehension.

Q.21. Could you identify these as the Sgt's stripes worn by Pte. DESCAINE when he was apprehended by you?
A.21. These are similar stripes to those worn by Pte. DESCAINE. They were removed by the accused before he was removed by the Military escort.

Q.85. Have you any further witnesses for the defence?

Q.86. Have you anything to say in your defence?
A.86. The accused, in his defence, says:- On the first charge when I had privilege leave I asked Major BARNES if I could work on a farm, he says yes. I worked about 4 days and on Friday night about 3 days before my leave was finished, I received an amount of money from the Farmer for whom I had been working and I went to Dundee for the weekend. I met a french canadian Sgt. and we did some drinking, he later took me on the bus for GLASGOW. On Sunday morning I was ready to return to my unit, as I was due back on Sunday night. We were feeling pretty good, probably about half drunk. The first thing I knew I woke up Monday morning and I was alone. I went out to find my way around and to see if I could find the Sergeant. I could not find him. I met another Canadian Soldier who could speak French. He told me that there was a Scotchman working in the Strathclyde Distillery who had spent quite a time in Canada and to go and see him, the Sgt. also stated that the gateman would let me through. The manager of the Distillery was out and one of the young boys that work around there told me that the manager was out but would be back in a few minutes. He told me to sid down in his private office. I waited about five minutes and a gentleman, not the manager, came in and asked me what I was doing there. He said that was a private Office. I explained to him how I came to be there. He made inquiries and asked the man at the gate and found out that I was right. He said that he would not put a charge against me for that. He said "I don't blame you for that, the gate man is responsible. I said I don't think you are the man I am looking for. I said I would go back to my Unit. He then asked me who had sent me there. I tried to explain about Sgt. COTES, as he had lost his pay book and money the previous Saturday. When I was talking to him the Sergeant of the Police and the Constable came in and the way they asked me the first question I thought they wanted to know how Sgt. COTES lost his pay book and money. I did not understand their language. Sgt. CHULCHMARK was busy talking to the Manager of the Distillery. I just turned around to explain something and Constable MAXWELL says "shut up, shut up, we know you fellows around GLASGOW". The Manager says "don't put any charges against him. Constable MAXWELL again told me to shut up and they took me outside without a chance to explain. They took me down to the Police Station. Constable MAXWELL asked what my name was and I told him J.P. DESCARIE. He insisted that that was not my name.. He said "You gave the name of Sgt. COTES, I said "Pardon me sir, I did not give his name, you misunderstood me. I said "I am not going to change my name. I showed him my pay book and pass. I told them they had better call the Provosts. I told them that it had been raining most of the time I had been there in Glasgow and that I was fed up with that stuff and that I was going back to my Unit as soon as possible. That is where they made their mistake, if they had not called the Provosts I would have been back here in my unit. On the 27th March 1945, after I had served 22 days detention they gave me my ticket to return to Headquarters, C.P.O., at BRADLY. They also gave me a few sandwiches to take with me. I went as far as EUSTON station, London, where I changed trains and took the 2315 hours train for ABERDEEN. I put all my kit together in the train and I went to sleep. Around 0400 hours in the morning I woke up and saw that the train was slowing down. There was a soldier sitting beside me and I asked him what station it was, he

told me that it was Preston. I opened the door of the coach and asked an Officer that was standing there how long the train stopped, he advised me 8 or 10 minutes. I decided to try and get some tea in my mess tin. When I came out of the Canteen the train was just pulling outand I missed it. I went immediately to the R.T.O. in [redacted] in PRESTON and reported the incident. They advised me that they would contact the R.T.O. in EDINBURGH and try and locate my kit. They also advised me that there would be a train for EDINBURGH at 1040, I took this train and when I arrived in EDINBURGH I reported to the R.T.O. there, who stamped the piece of paper that the R.T.O. at PRESTON had stamped and given to me. They sent me to the parcel Office but there was not any trace of my kit. They advised me that if my kit was found they would forward same to INVERNESS. I got on the next train for Inverness and on arrival there inquired at the R.T.O. but they advised that no trace could be found of my kit. From BEAULY I was sent back here and I waited quite a long time with only about half my equipment. Lately they called me to Q.M. Stores and said that they had received my equipment from the R.T.O. London. But only the pack sack was mine and the rest of the equipment belonged to someone else.

THE PROSECUTOR MAKES THE FOLLOWING FINAL ADDRESS:-

Sir, in summing up the case for the prosecution I would like to deal with each charge separately.

The first charge is one of desertion and the evidence is present that Pte. DESGAGNE began his illegal absence on the 12th July 43 and that he was apprehended in GLASGOW by a civil power on the 30th day of August 1943. I contend that evidence has proved that he was using an assumed name at the time of his apprehension, namely, Sgt. COTES and that he was impersonating a Sgt. by wearing three bar chevrons to which he was not entitled. I contend that this reveals his intention of not to return to his Unit and therefore is guilty of deserting his Majesty's Forces. He was illegally absent 49 days.

The second charge was losing by neglect his clothing, necessaries and equipment to the value of $25.58. The basis for this charge is actually the declaration of the Court of Inquiry held on the 2nd August 1943, which, in turn, was based on Part III of the M.S.M.I of the accused, properly initialed and signed by him. The only method of losing clothing, necessaries and equipment whilst illegally absent is by neglect. In this connection, may it please the Court, I would refer them to the foot note No. 6 Section 24 of the Army Act. I contend [redacted] THAT further verbal evidence reducing the findings of the Court of Inquiry held on the 2 Sep 43 of the total to $25.58, though uncorroborated, is absolutely reliable and dependable and in any event favorable to the accused. On the third charge to which the accused pleaded guilty and therefore warrants no comment.

THE DEFENCE MAKES THE FOLLOWING CLOSING ADDRESS

With the permission of the Court I will deal with the three charges separately. The Prosecution has just stated that the accused, by calling himself Sgt. COTES and by wearing 3 bar chevrons shows that the accused intended to desert his Majesty's Forces, this is not sufficient proof that the accused was deserting his Majesty's Forces. This is the only reason that the prosecution can find to support the charge of desertion. In the accused's statement he states that his words were misunderstood and I contend that the prosecution did not prove that the accused ever gave his name or ever called himself Sgt. COTES. In the accused's statement, he stated on three definite occasions his willingness to return to his Unit. I would refer the court to Section 17 under Offences and Punishments in the manual of Military Law (the Defending Officer quotes). I contend again, that the prosecution has failed to prove that the accused had intent to desert His His Majesty's Forces. On the second charge the statement made by the accused should be considered. The fact that the R.T.O. had forwarded part of the lost kit, would indicate that all of the kit had been found but not forwarded, should be sufficient proof that the accused is telling the truth and he should not be punished for an unavoidable accident. As to the Court of Inquiry on the deficiencies of

the accused's kit, no one appears to know who madethe kit inspection, there has been no proof that anyone made a kit inspection. I further contend that the Prosecution had not positive proof of the authenticity of the signature of the accused on Part III Of the M.B.M.I. I claim that neither the prosecution nor any of the witnesses could prove that the accused was, at any time, in possession of the amount of kit mentioned.

With reference to the third charge, the accused pleaded guilty. The Prosecution did not try very hard to prove anything malicious on the part of the accused. It was stated in the evidence that the accused was impersonating a Sergeant. I wish to stress that the act was in no way malicious. There is no proof that the accused was seen either in the Distillery or ina public place or in a Military Camp, impersonating a Sergeant. When the accused was taken to the Police Station, he voluntarily produced his Service Book and Pass and gave his number rank and name.

THE PRESIDENT SUMS UP THE CASE

There are two charges to be considered. The first under A.A. Section 12, Desertion. The distinction between Desertion and Absence without Leave consists of intention and if the accused is not found guilty of desertion he can be found guilty of A.W.L. or not guilty of either. A.W.L. is when a man is voluntarily absent without leave from the place where he knows or ought to know his duty requires him to be. Desertion is when he absented himself the soldier intended to quit his Majesty's Service or to avoid a particularly important duty. The question to be decided in the first charge then is, did he intend to quit his Majesty's Forces. The existence of intention must be proved but its existence is only proved when facts are established from which the intention may reasonably be inferred.It is a rule of law that every man is presumed to intend a natural and probably consequence of his act. The fact to be considered then is, did this man, the accused, intend to stay away indefinitely unless apprehended. Further there is the natural inferences to be drawn from the circumstances proved in the evidence . There is (a) length of his absence to be considered (b) the circumstances and the locality of his arrest. The evidence given by one witness that the accused stated that he had lost his pass. Did he give a wrong rank and wrong name, was he wearing Sergeant's stripes to hide his identity, did he make the remark that"I am fed up with the army anyway." Points also to be considered is the fact that one witness states that he even produced his pass and pay book without evasion. All these points of the first charge must be carefully considered.

With reference to the second charge it may be considered that there is a certain amount of conflicting evidence with regard to deficiencies of the accused's kit. It must be born in mind that the second charge is that "on the 6 Sep 43 there were certain deficiencies" and it is the duty of the Court from the evidence submitted to find what the deficiencies were on that date or whether there were any deficiencies at all.

THE COURT IS CLOSED

THE COURT RE-OPENS and the accused is again brought before it and the charge to which the accused has pleaded guilty is read to him again

R.P. 35(b) is here, again, complied with and the accused still pleads Guilty.

The summary of evidence is read, marked exhibit "G", signed by the President and annexed to the proceedings.

BY THE COURT TO THE ACCUSED

Q.87. Do you wish to make an address in mitigation of punishment?
A.87. No, sir.

THE COURT IS CLOSED FOR CONSIDERATION OF THE FINDINGS.

THE COURT HAVING RE-OPENED, THE ACCUSED IS AGAIN BROUGHT BEFORE IT,

THE THIRD WITNESS:- Lieut. C.C. THOMPSON, Adjt. and O/i.c Records, No. 18 Company, C.F.C., is recalled, and, being still under oath is examined by the Court:-

Q.88. Have you any evidence to produce as to the character and conduct of the accused?
A.88. Yes, sir, I have here the A.F.B. 296 and M.F.M. 6 of the accused. The above statement, with the schedule of convictions and of cases in which trial has been dispensed with, is read, marked Exhibit "R" signed by the President and annexed to the proceedings.

Q.89. Is the accused the person named in the statement which you have heard read?
A.89. Yes sir.

Q.90. Have you compared the contents of the above statement with the regimental books?
A.90. Yes, sir.

Q.91. Are they true extracts from the regimental books, and is the statement of entries in the conduct sheets a fair and true summary of those entries?
A.91. Yes, sir.

WITNESS IS CROSS-EXAMINED BY THE ACCUSED

Q.92. What sort of worker am I, when I work?
A.92. During the time which you have been with No. 18 Company I have not had the opportunity of observing you at your work. I have heard no serious complaint or criticism of your ability to work.

Q.93. To your knowledge, have I ever refused to do any kind of work?
A.93. No, not to my knowledge.

Q.94. Do you wish to address the Court?
A.94. No, sir.

Q.95. Do you wish to say anything further, either as to character or in mitigation of punishment or otherwise?
A.95. The defence says:- It is agreed upon that the accused is a good worker from the time he joined the army up to the time he came to this Country, he never had a crime against him. After arriving in this Country the accused found himself amongst strangers, not understanding their language. He could not speak to anyone, he felt very unhappy. He developed a very inferiority complex, feeling that everyone was against him. He did wrong, and was punished severly The accused is an orphan, never receiving letters from anyone, nor cigarettes. He had to buy everything time after time, he was deprived of money and had to go without smoking, and felt very unhappy. One day he went A.W.L., the Scotch people were very nice to him and he was well treated everywhere he went and he could smoke and drink, he was then very happy. Before closing I would, in the interests of him everyone concerned, recommend that the court consider recommending an examination of the accused as to his mental stability.

BY THE PRESIDENT OF THE COURT
The Court is closed for the consideration of the sentence. The sentence to be awarded by the Court, being subject to confirmation, will not be announced, but will be promulgated later. The proceedings in open Court are accordingly terminated.

(SGD) "JOHN FERGUSON" SERGT. In charge of LANSDOR STREET POLICE STATION GLASGOW.

WILLIAM CRUICKSHANK, No. 20 Sergeant, Central Division, Glasgow Police.
At 3 P.M. on Monday, 30th, August, 1943, I received a telephone message

from the next witness to the effect that a Canadian Soldier had been found in the premises of the Strathclyde Distillers Coy. at 455 Ballater Street, Glasgow. I immediately went there, where I found a Soldier wearing the uniform of a Sergeant in the Canadian Army. I questioned him as to his presence in the premises and he stated that he had been shown up to the Manager's Office as he was interested in this particular industry.

After enquiry his statement was found to be quite correct, as to how he came to be in the premises.

I asked him if he was on leave and he stated that he was, when asked for his Pass, he said that he had lost it together with his pay-book and money on Saturday, 28th inst. He gave the name Sergeant Coty, and stated that his No. was D/110294. As I was not satisfied with hisstatement, I took him to Lawmoor Street Police Office, where he immediately produced his Army Pay-book and a Pass bearing the above name of Pte. Joseph Philias Desgagne, and showing that he should have rejoined his Unit on 12th, July, 1943. I thereupon charged him with being absent from his Unit, to which he replied "That is quite right,(I am fed up with the Army anyway")

When asked why he came to be wearing a Sergeant's tunic, he said that he had lost his own, and this was all he could get. He was detained, and a message sent to the Canadian Military Police. He was quite sober at the time.

(SGD) "WILLIAM CRUICKSHANK"

WILLIAM GRUICKSHANK, No. 20 Sergeant, Central Division, Glasgow Police- At 2 P.M. on Monday, 20th, August, 1945, I received a telephone message

from the next witness to the effect that a Canadian Soldier had been found in the premises of the Strathclyde Distillers Coy. at 445 Hallister Street, Glasgow. I immediately went there, where I found a Soldier wearing the uniform of a Sergeant in the Canadian Army. I questioned him as to his presence in the premises and he stated that he had been shown up to the Manager's office as he was interested in this particular industry.

After enquiry his statement was found to be quite correct, as to how he came to be in the premises.

I asked him if he was on leave and he stated that he was, when asked for his Pass, he said that he had lost it together with his pay-book and money on Saturday, 29th inst. He gave the name Sergeant Coty, and stated that his No. was D/110294. As I was not satisfied with his statement, I took him to Lawmoor Street Police Office, where he immediately produced his Army Pay-book and a Pass bearing the above name of Pte. Joseph Philias Desagnes, and showing that he should have rejoined his Unit on 12th, July, 1943. I thereupon charged him with being absent from his Unit, to which he replied "That is quite right, I am fed up with the Army anyway"

When asked why he came to be wearing a Sergeant's tunic, he said that he had lost his own, and this was all he could get. He was detained, and a message sent to the Canadian Military Police. He was quite sober at the time.

I heard a knock on the door of our quarters, I answered "Who is there?" there was no answer and a second knock came at the door and I answered "Yes, come in" By this time I was up and as the door opened I could see a light from a flashlight the accused called out "Come here Major, Come here". I recognized the accused voice and asked him what was the trouble, He said "Major come out here I am going to shoot you". By this time I was out of the door of my room and as I approached to within four feet of the accused I could see the muzzle of the rifle pointed directly at me. I side-stepped and took a step forward and grabbed the

muzzle throwing it out of line with me. There was a short scuffle during which the accused hit me with his fist on the left side of my face. I then put my left arm around his neck swinging him around to the centre of the floor at the same time breaking the rifle away from him. By this time Capt. Morris and Capt. Vincent had their flashlights on and I told Capt. Morris to get the guard and while while waiting for the guard to arrive the accused took one round of live ammunition from his pocket and handed it to me. When the guard had taken him away I examined the rifle, the breech had been thrown open and one round of live ammunition was picked up off the floor just by where we were standing. I think that is all.

came at the door and Major Arnold said "come in". The door opened and I recognized Desgagnes' voice when he spoke. He said "Major some here". Major Arnold got up and started across the hut towards him and I heard Desgagne say "I am going to shoot you" then there was a scuffle, the light dropped, and it was dark then. By that time I was up and had my flashlight. When I got over to where they were Major Arnold had the rifle in his right hand and Desgagnes' head in the crook of his left arm. Major Arnold told me to get the guard. I went down to the Guard Room and told the Corporal of the guard what had happened and told him to go up to the quarters and get Desgagne. On the way back I went into the Sergeants quarters and told C.S.M. SMITH what had happened. By the time I got up to the quarters the guard was there to take Desgagne away. Then I examined the rifle that Major Arnold had taken from Desgagne and found the bolt open. I looked around the floor and picked up one live round off the floor. I think that is all.

STATEMENT OF D.110234 Pte. DESGAGNE, Joseph Philean

"In the case of the night of the 13th November I do not remember anything. When I joined the Army I promised to serve the King and his Allies. I was unfortunate in having been sent to detention. After having been released from detention I resolved to be a good soldier from then on. For six weeks previous to the night in question I had been drinking quite heavily, I was discouraged, not getting any mail or parcels from Canada. One of my best friends promised to send me some cigarettes did not do so. I consider I am able to be a good soldier in the future and expect justice. I always respecty my Officers and all the other ranks. Never get in fights with anybody who wears a service Uniform. I never hurt anybody. I am for Victory and in Jail is no place to fight for victory so that we can get back home as soon as possible. When I find out that Crime don't pay I says to myself I never will go boozing any more and I never had anything happen this last nine months since I came out of there.

WITNESS RECORDED

THE FOLLOWING IS THE CLOSING ADDRESS OF THE PROSECUTION

May it please the Court, the summary of the Prosecution is very brief. The accused is not being tried for drunkenness or apathy. The five charges against the prisoner, none of which border on these two subjects. The evidence has been clearly given by a number of reliable witnesses including the Company Commander, the 2 i/c and the District Padre, also the Company Sgt. Major, clearly outlining the various offences. Whether Sgt, Major Smith pushed the accused is an irrelevant fact as the accused is being tried on the matter of whether he struck the Sgt. Major. The fact that the Cartridge was not in the breech of the rifle at the time it was wrested from the Accused by Major Arnold, need not be taken into consideration, as the breech was opened during the scuffle, thus extracting the round of ammunition. In the case of his attempt against the Canteen Corporal the round of ammunition was actually found in the breech of the rifle. The remarks of the accused "I am going to shoot you" should also be taken into consideration. Whether or not the accused intended to pull the trigger is another point which does not enter into the charges. The fact that he had a loaded rifle, threatened his superior Officers and pointed the rifle at them to say nothing of invading the Officers Quarters are the points to be considered. I would ask the Court to consider these points and find a verdict of Guilty.

THE FOLLOWING IS THE CLOSING ADDRESS OF THE DEFENCE.

Sir, I will endeavor to take these charges as they occur on the Charge Sheet:

On the first charge Major Arnold in his evidence thought it possible that the blow may have been struck without intention during the scuffle with the rifle. There is No evidence to support the statement that the blow was struck.
In the 2nd Charge it states quite definitely in the charge that the accused pointed

a loaded rifle at Major G.R. Arnold, the prosecution has failed to prove that this rifle was loaded.
The 3rd charge I would call attention to the heading as striking his superior Officer being in the execution of his office. C.S.M. SMITH at that time was acting in direct contravention of K.R.(Can.) para. 446(C) as was shown plainly by the evidence. I therefore claim that C.S.M. SMITH at that time was not acting in the execution of his office.
On the 4th Charge the evidence of Cpl Brown and Pte. Perron contradict one another completely both as to actions ~~xxx~~ taken and what was said. Cpl. Brown in his evidence stated that the Rifle was unloaded by the accused while Pte. Perron in his evidence stated that the rifle was unloaded by Cpl. Brown who then handed the live cartridge back to the accused and kept his rifle against the protests of Pte. PERRON.
The divergences of the evidence although all are offered by the prosecution, I would ask the court to take both of these evidences as uncertain to say the least.
The 5th Charge, the rifle was undoubtedly found in the possession of the accused.
As regards the sobriety of the accused the witnesses first in contact with the accused are all in accordance that he was sober. It would seem as time went on that his condition became changed, especially after he was deliberately provoked by the Sgt. Major. What the man's mental condition was at that time I have no means to judge but I cannot consider, in my opinion, that the acts with which this man is charged are the acts of a sane or sober man. That is all sir.

The Court is closed to consider their findings

The Court re-opened

D.110294 Pte. D'OCAGNE, Joseph Phileas, we find you not guilty of the first charge.

The Prosecutor - Lieut. C.H. Millican of No. 24 Company, Canadian Forestry Corps C.A.(O/S) was duly sworn.

A.238. I produce certified copy of A.F.B. 296 and certified copy of M.F.H. 6, sir. (A.F.B. 296 with M.F.H. 6 attached is marked exhibit "F" signed by the President and annexed to the proceedings).

Q.239. Is the accused the person named in the statement you have presented?
A.239. Yes sir.

Q.240. Have you compared the contents of the above statement with the Regimental Books?
A.240. Yes sir.

Q.241. Are they true extracts from the Regimental Books and is the statement of entries in the conduct sheet a fair and true summary of those entries?

SUMMARY OF EVIDENCE

In the case of D.110294 - Pte. Desgagne, J.P., - of No. 2 Company, Canadian Forestry Corps, Canadian Army (Overseas).

By Direction of the Officer Commanding No.2 District H.Q., Canadian Forestry Corps, C.A.(O), the evidence is taken on oath.

R.P. 4(e) having been complied with and the Accused warned in French as per Overseas C.A.R.O. No. 1424, taking of summary of evidence was proceeded with.

X.38250 - Cpl. Prevost, J.R. - of No. 2 Company, Canadian Forestry Corps, was duly sworn as court interpreter.

First Witness for the Prosecution.

Major S.R. Arnold - O.C. No.2 Company, Canadian Forestry Corps, C.A. (O), being duly sworn states:-

At approximately 2335 hours on Friday, November 13th, 1942, I was in bed but had not gone to sleep when a knock came on the door. I answered saying "Yes, who is it?" and there was no reply. A second knock was given and I called out again asking "Who is there" and "Come in". By this time I was up and as the door opened someone stepped inside holding a flashlight calling "Major, Major, come out here". I recognized the voice as that of the accused - Pte. Desgagne, J.P. - and as I came out of the door of my room he said "I am going to shoot you". As I approached two or three steps nearer I saw the end of a rifle pointed directly at me. I side-stepped and jumped forward grabbing the rifle by the muzzle swinging it out of line. A short scuffle took place during which Pte. Desgagne hit me on the side of my head with his fist. I had the rifle in one hand and my other arm around his neck and had him under control. By this time both Capt. Morris and Capt. Vincent had their flashlights turned on. I immediately sent for the guard and placed Pte. Desgagne under close arrest. During the time we were waiting for the guard to arrive Pte. Desgagne gave me one round of live ammunition, which he took out of his pocket. Another live round was picked up off the floor by Capt. Morris and this round had been extracted from the rifle during the scuffle. I can identify the rifle in question, it bears Serial No. R.230674. (Rifle identified and Marked Ex. "A") The two rounds of ammunition are both Mark VII, one dated 1941 and the other 1942. (Rounds identified and Marked Ex."B") I do not consider the accused was drunk [redacted].

(S.R. Arnold) Major,

Canadian Forestry Corps.

The Accused declines to cross-examine this witness.

Second Witness for the Prosecution

Capt. L.W.J. Morris, 2 i/c No. 2 Company, Canadian Forestry Corps, C.A.(O) being duly sworn states:-

I recognize the accused as Pte. Desgagne, J.P. At about 1015 or 1050 I was going to bed when a knock came to the door and I said "Come in" and Pte. Desgagne entered, saying there were several fellows who wanted to see me at the canteen. I told him I was just going to bed and if anyone wanted to see me they could come up. Pte. Desgagne said he would tell them all the officers were in bed. He then left. I would say the accused was not under the influence of liquor. At about 2330 hours we were all in bed in the officers quarters when another knock came to the door and Major Arnold called out "Come in". Nobody entered at the first invitation. There was another knock at the door and Major Arnold again replied "Come in". The door then opened and someone came in. I could not see who it was because whoever it was had a flashlight on and I could not see beyond it. I then heard a voice - which I recognized as that of the accused, Pte. Desgagne - say "Major, come here". Major Arnold started over towards him and I then heard Desgagne say "I am going to shoot you". There was a scuffle and by the time I got over to them the Major had the rifle in his right hand and Desgagne's head under his left arm. I then went down for the guard and also informed the Sgt. Major of what had happened, and went back up to the Officer's quarters with the guard and Pte. Desgagne was placed under close arrest. When the guard took charge of Pte. Desgagne I examined the rifle, the bolt had been opened during the scuffle and we looked around the floor with flashlights to see if we could find any rounds of ammunition. I found one live round, which I picked up off the floor. The number of the rifle is 238474, and this is it. (Ex. "A" referred to and identified) This rifle does not belong to Pte. Desgagne but had been issued to Pte. Martin, L.P. - E.23198 - according to his MFC.800. (MFC.800 of Pte. Martin produced and Marked Ex."C") According to Pte. Desgagne's MFC.800 the rifle issued to him bears No. 165956. (MFC.800 of Pte. Desgagne produced and Marked Ex."D")

(L.W.J. Morris) Capt.,

Canadian Forestry Corps.

The Accused declines to cross-examine this witness.

Third Witness for the Prosecution.

R/Capt. A.C. Vincent, Padre, attached No. 2 Company, C.F.C., being duly sworn states:-

At approximately 2315 hrs, after lights out, a knock came to the door, when Major Arnold, Capt. Morris and I were in bed. The Major said "Come In", and then there was another knock. The Major called louder "Come In" and this time someone entered. I heard him say twice "Come here Major". I then could see flashlight rays. The Major then came out of his compartment and I heard a scuffle, then the flashlight went out. I jumped out of bed, grabbed my flashlight and when I got to the door of my compartment I saw the Major with a rifle in his right hand and Pte. Desgagne in the crook of his left arm. Major Arnold asked Capt. Morris to get the guard and I stood with my flashlight on until the guard arrived. While I was standing there waiting for the guard, Pte. Desgagne put his hand in his pocket and took out a live round of ammunition and handed it to Major Arnold. I noticed that the breech of the rifle was open and after he had been taken away, Major Arnold, Capt. Morris and myself found a live round on the floor. I noticed that Pte. Desgagne had been drinking, but, in my estimation, I would not consider that he was drunk.

The accused declines to cross examine the witness.

Fourth Witness for the Prosecution

D.110231 - Cpl. Brown, L. - of No. 2 Company, Canadian Forestry Corps, being duly sworn states:-

I recognise the accused as Pte. Desgagne. Pte. Desgagne called at the canteen at 2330 hours on Friday night, November 13th. I was in bed and got up to give him some sardines. He pointed a rifle at me and said "I will kill you". I jumped at him and held the rifle away and ordered him to unload the rifle. After some argument he took one cartridge from the breech, and by this time Pte. Perron was standing in the doorway holding a flashlight. I tried to hold Pte. Desgagne but he got away. By the time I got dressed to go after him I met him coming down under escort. I put the rifle in the canteen and this rifle bears No. 165956, which I believe is the rifle which is issued to Pte. Desgagne.

(Rifle No. 165956 produced, identified by Cpl. Brown and marked Ex. "E")

(Ex. "D" referred to and number of rifle issued to Pte. Desgagne confirmed)

The accused was alone when he came to the canteen about 2330 hrs. and although he had been drinking I would say he was not drunk.

This Witness was cross-examined by the Accused as follows:

Q.1. Did I have anything to drink on Friday night?
A.1. Yes, about four or five glasses of beer.

Q.2. While I was in the canteen do you remember who was with me?
A.2. There were a number of fellows at the same table and I do not remember any particular person.

Fifth Witness for the Prosecution.

D.110817 - Pte. Pearson, L.P. - of No.2 Company, Canadian Forestry Corps, C.A.(O) being duly sworn states:-

On Friday night, the 15th November, at approximately 2200 hours I was in bed and Pte. Desgagne came to the canteen door and demanded a can of sardines and a box of matches. Cpl. Brown got up and opened the door and gave him the sardines and matches. Cpl. Brown had no flashlight when he was giving Desgagne the sardines and matches but Pte. Desgagne had a flashlight. They had an argument at the door but I do not know for what reason. I got up, took my flashlight, and came outside to the canteen door. They were scuffling in the corner and Pte. Desgagne had a rifle. Pte. Desgagne had one round of ammunition in his mouth and there was another in the rifle. Cpl. Brown tried to take the rifle away from Pte. Desgagne. I said to Cpl. Brown there is no use quarrelling with him, I will go and get the guard and it will finish there, but Cpl. Brown said I will take the rifle from him and let him go. Cpl. Brown took the round out of the rifle and Pte. Desgagne still had one round in his mouth. Cpl. Brown gave him the other round. I said to Cpl. Brown, take away the rounds but he said no. I said he might go and get another rifle but Cpl. Brown answered, no he will go to bed now. Cpl. Brown and I then went back to bed and took the rifle with us into the canteen. The accused had been drinking but was not drunk, and was alone when he came to the canteen.

This Witness was Questioned by the Accused as follows:-

Q.1. Did I have any beer in the canteen that night?
A.1. Yes, four or five glasses of beer.

Q.2. Did anyone else give me any beer or spirits?
A.2. I do not know.

Q.3. Do you know who was with me that night?
A.3. Pte. Cardinal, Pte. Ouellette and Pte. Savard.

Sixth Witness for the Prosecution.

B.38198 - Pte. Martin, L.P. - of No.2 Company, Canadian Forestry Corps, C.A.(O), being duly sworn states:-

On Saturday morning, November 14th, I noticed my rifle was missing from the rack and I now recognise the rifle - bearing No. 236474 - as the rifle that has been issued to me. This rifle was in its accustomed place as I had cleaned it around 1900 hours on Friday night, November 13th, and I did not know the rifle had been moved until I looked for it on Saturday morning, November 14th, to go on parade, and I immediately reported it to Sgt. Hillcoat, and I have not seen my rifle since I cleaned it until I recognized it here now.
I saw Pte. Desgagne that night between 1930 and 2100 hours in the canteen and he was not drunk then. I did not see him after that and had no conversation with him, and know nothing of what happened that night. I have never loaned my rifle at any time to Pte. Desgagne.

This Witness was cross-examined by the Accused as follows:

Q.1. Was I drinking in the canteen that night?
A.1. Yes, you were drinking.

Q.2. Was anyone else with me in the canteen and did they give me anything to drink?
A.2. There were several with you who gave you something to drink.

Seventh Witness for the Prosecution.

D.110105 - Sgt. Hillcoat, A.S. - No. 2 Company, Canadian Forestry Corps., C.A.(O), being duly sworn states:-

I recognize the accused as Pte. Desgagne. On the evening of Friday, November 13th, 1942, at 2345 hours, I heard a commotion in the guard room. Due to the fact that I was the Orderly Sergeant for this particular week I went to ascertain what the commotion was about. At this time I noticed Pte. Desgagne in the middle of the Guard Room being led to the cell by L/Cpl. Martin. I also noticed that CSM. Smith was in the Guard Room at the time. CSM. Smith had occasion to have a few words with Pte. Desgagne - who was in the cell by this time, but the cell door was open. When CSM. Smith was approximately two feet from Pte. Desgagne, Pte. Desgagne struck CSM. Smith on the side of the face. CSM. Smith then turned to me and asked me if I had seen what happened to which I replied "Yes Sir". At this point I suggested to CSM. Smith that he leave the Guard Room. I had no sooner said this when Pte. Desgagne made another lunge at the Sgt. Major. but this blow went astray. Pte. Desgagne repeatedly said to the Sgt. Major "I have nothing to do with you" and at this point Capt. Morris entered the guard room. CSM. Smith and I then retired. Pte. MacKenzie, Pte. Gorham, Pte. Gelineau, L/Cpl. Martin and Cpl. Brown were in the guard room at the time and that is all I know. I would say the accused had been drinking but was not drunk, in my estimation.

Eighth Witness for the Prosecution.

D.98665 - L/Cpl. Martin, W.A. - No. 2 Company, Canadian Forestry Corps, being duly sworn states:-

I recognize the accused as Pte. Desgagne. Between 2230 and 2245 hours on Friday, November 13th, Capt. Morris told me to get two guards and report to the Officers Quarters. I got there and Major Arnold was holding Pte. Desgagne and Major Arnold told me to take Pte. Desgagne to the Guard Room. On the way down the Sgt. Major met us and when we got to the Guard House the Sgt. Major gave orders to clear some jackets and packs from one of the cells which the prisoner was to occupy. Pte. Desgagne did not offer any resistance on the way down but in the guard room while we were clearing the cell the Sgt. Major was trying to talk to Pte. Desgagne in a reasonable manner and told him he had caused enough trouble for one night and at the same time gestured him towards the cell and Desgagne did not move. The Sgt. Major then gave Pte. Desgagne a push and Pte. Desgagne struck him. Then I jumped in front of Desgagne as I thought he was going to strike the Sgt. Major again, which he tried to do twice, but he did not hit the S.M. more than once because I took the blows on my shoulder while I was holding on to Pte. Desgagne. I would not say Pte. Desgagne was drunk although he had been drinking. After he tried to Strike the Sgt. Major the third time I do not know exactly what happened as we were trying to get Desgagne into the cell. I was Corporal of the guard that night. The Sgt. Major later had two men search Pte. Desgagne and all his personal belongings are in safe-keeping at the guard house. CSM. Smith, Sgt. Hillcoat, Pte. Desgagne, Pte. Gorham, Pte. Gellineau, Pte. MacKenzie and Cpl. Brown were in the guard room at the time.

The Accused cross-examined the Witness as follows:

Q.1. When I struck the Sgt. Major was he inside or outside the cell?

A.1. The door of the cell was open and you were inside the cell when you struck him.

Ninth Witness for the Prosecution.

K.41028 - Pte. MacKenzie, G.H. - of No.22 Company, Canadian Forestry Corps, attached to No.2 Company, being duly sworn states:-

I was sent down here from No. 22 Company on escort duty and was in the guard room of No.2 Company between 2330 hours and 2400 hours the night of Friday, November 13th, when Pte. Desgagne was brought into the guard room, and I recognize the accused as the soldier brought into the guard room that night. He was halted in the centre of the room until one cell was cleared out of some clothing. CSM. Smith told Pte. Desgagne he had had enough trouble from him and as he told him to get into the cell he gave him a push. Pte. Desgagne turned to the Sgt. Major and told him to keep away from him as he did not want to have anything to do with him. Sgt. Major Smith told him that was alright and shoved him once more, then Desgagne struck him on the jaw and the guards took over from there and put him in the cell. Just then Capt. Morris came in and some words were exchanged but I cannot remember exactly what they were. Capt. Morris and the rest then went out. The cell door was closed and things went on as usual. In my estimation the accused had been drinking.

The Accused cross-examined this witness as follows:

Q.1. Did I have any argument or discussion, or how was I acting when I was put in the cell?
A.1. You were making a noise, singing and talking.

For the Prosecution

D.110858, C.S.M. Smith, H.C., of No. 2 Company, Canadian Forestry Corps, C.A.O/E. being duly sworn states:

I recognize the accused as Pte. Desgagne. On Friday night, November 13th, I was in the Sergeant's Mess and Pte. Desgagne came down wanting to get some beer at about 2200 hours, and I refused, telling him to go to bed and that I could not give him any in any case. He went away and about a half hour later returned and I again refused him. He did not seem to be at all drunk at that time and he went away and did not say anything. At about 2335 hours Capt. Morris came down to the Sergeant's mess and told me of what Pte. Desgagne had done to Major Arnold, and told me to put him under arrest. I proceeded to the officer's quarters but met the escort on their way to the guard room - as they had already been up for Pte. Desgagne - and I then returned to the Guard Room with the escort and prisoner. Pte. Desgagne went into the cell and I stepped in the doorway to see that everything was in order, and Pte. Desgagne turned and struck me on the left side of the face and before I could close the door he struck me the second time. I then closed the door and left him in the cell. Later on - about twenty minutes later - I had him searched by the guard. I had no argument with the accused and he went into the cell quite peaceably. I would say the accused was not drunk although he had been drinking.

DESCRIPTIVE RETURN of a Deserter or Absentee without Leave.

INSTRUCTIONS FOR THE GUIDANCE OF MAGISTRATES.

---

(1) When a man is apprehended by the Civil Power as an absentee without leave, or as a deserter, if the information tendered leaves no doubt in the mind of the Magistrate that the prisoner is a soldier, this return should be completed and given to the Police to hand to the escort on arrival.

(2) To avoid delay in the arrival of the escort a telegram stating the Number, Rank, Name and Unit of the soldier should be sent by the Police, as soon as the man is committed, to the Officer Commanding the soldier's Unit. The place where the escort is required to attend should be stated, also whether the soldier *surrendered* or was *arrested*.

(3) Any recommendation for a reward should be made on Part II of this return.

(4) The Court fees chargeable for Descriptive Returns should be claimed periodically from the Command Paymaster of the Command in which the Court is situated.

(5) The stations of all Units are shown in the Monthly Army List, as are also the Depots of Corps.

In the case of doubt as to the location of a particular Unit reference should be made to the nearest O.C. Troops. Where the soldier's Unit is stationed overseas (outside Great Britain, Northern Ireland District, and the Channel Islands) the telegram for an escort should be despatched to the O.C. I am Platoon Commander of no. 7 Pl., "A" Coy, Royal 22e Regiment. At about 1800 hrs on the 14 May 44 I saw G.57819 Pte Desgagnes JG in a billet used as the kitchen of "A" Coy. I warned him to get ready for an attack on "King Bird" (an enemy outpost) that evening. When the platoon was ready outside the billets, at about 1815 hrs, roll was called and Pte Desgagnes answered to his name. At about 1845 hrs, at the F.U.P., D.56051 Cpl. Thibeault R. told me G.57819 Pte Desgagnes J.G. is missing, is not with the section. I checked the section but Pte Desgagnes J.G. was not there. He did not participate in the action that followed. I did not see him until the following morning at about 0500 hrs.

I told him to obey his section commander and take his place in the section, which he did. After the attack, when we were occupying a defensive position, D.56051 Cpl. EXHIBIT "A"

In the case of G-57819 Pte Desgagnes J.G. Royal 22e Regt.

Lieut de St-Victor F. Royal 22e Regiment.

I am Platoon Commander of no. 7 Pl, "A" Coy, Royal 22e Regiment. At about 1800 hrs on the 14 Mar 44 I saw G.57819 Pte Desgagnes JG in a billet used as the kithcen of "A" Coy. I warned him to get ready for an attack on "King Bird" (an enemy outpost) that evening. When the platoon was ready outside the billets, at about 1815 hrs, roll was called and Pte Desgagnes answered to his name. At about 1845 hrs, at the F.U.P., D.56051 Cpl. Thibeault R. told me G.57819 Pte Desgagnes J.G. is missing, is not with the section. I checked the section but Pte Desgagnes J.G. was not there. He did not participate in the action that followed. I did not see him until the following morning at about 0500 hrs.

"F. R. de Saint Victor" Lieut.

EXHIBIT "B"

E.5898 Sgt. Asselin M., Royal 22e Regiment.

"I am platoon sergeant of no. 7 pl. At about 1846 hrs the 14th March 44 when the platoon was forming up for an attack G.57819 Pte. Desgagnes J.G. did not want to take his place in his section, saying: "It's not dark enough to attack", or words to that effect. I told him to obey his section commander and take his place in the section, which he did. After the attack, when we were occupying a defensive position, D.56051 Cpl. Thibeault R. came to me and said, G.57819 Pte. Desgagnes has left, some of the other men want to do the same. I did not see G.57819 Pte. Desgagnes J.G. until the next morning when I returned to the billets.

Prosecution

Third Witness

D-121600 Sgt. Lemon, A. sworn, states.

I am Tpt Sgt of 4 Cdn Armd Regt Pl. RCASC. I was on a convoy with my platoon on 2 Oct 44. The accused was driver of a lorry in the convoy. On that day the convoy broke-halted about 3 miles N of Regt Commander on the road to Bracieux. The accused was present in the bivouac area on the night 1/2 of 1st Oct. The next morning I lined up my convoy. PO Sharp surveillance was in his lorry C.L 427-2092 in the convoy. I gave instructions to the section corporals to follow the Diamond "Crown" route back to the unit. I was at the rear of the convoy. About 1630 hrs the same day I found PO Sharp surveillance was moving with his vehicle. The convoy and the accused had been over this route before.

No cross-examination.

By the court.

Distance say the mileage between the two checks.

R.P. 73 (a) complied with.

Second Witness

Capt. N.H. Rigney, sworn, states.

I am O.C. 4 Cdn Armd Regt Pl. RCASC. On 2 Oct at about 1600 hrs Lt. E.E. Austin Tpt. officer of the pl. reported to me. The following day with Sgt Hutchison, S. I searched the area of Regt Commander for PO Sharp surveillance the accused, and PO Brisbois. At about 1130 hrs 3 Oct 44. I saw a 6 ton truck. C.L 427-2092 parked outside a café 3/4 miles N of Regt Commander There was no one in the vehicle. I saw the two men behind the café, outside the café. They were approximately 6 feet from the vehicle. The accused was there. PO Sharp surveillance was the driver of the vehicle. I questioned him and he told me he had lost the convoy the previous day and had decided to stay in the vicinity. I told him he had made this trip before and should know the route. He then said he had had trouble with his truck and couldn't follow the convoy. I gave him his route in writing and ordered him to proceed to Villers Canon dumps in the vicinity of St Nicolas as Lt Austin was expected that night and to know the new location of the Pl. PO Sharp surveillance got into his truck and drove along the highway towards the dump. I gave him specific orders to report to Lt. Austin. That was on 3 Oct. He gave two excuses. The first that he had lost the convoy. the second that he had trouble with his steering. I next saw PO Sharp surveillance at about 0900 hrs on 5 Oct. in Orleans where he was being held under close arrest. I brought him back to the unit. He was sober when I saw him outside the café Metrovit, North of Regt Commander.

The accused is authorized to carry a Sten Gun 9 m.m. as his weapon.

No cross-examination

By the Court

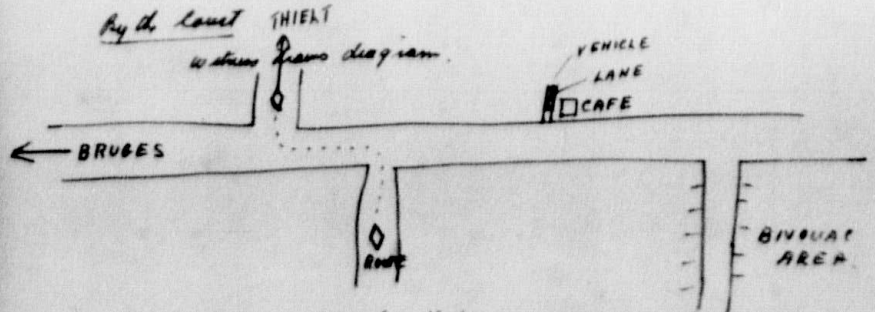
I always give my orders and explanations in Eng Lish. They all understand Eng Lish. The vehicle was parked on a side street. The steering would have to be in good condition to get it into this street.

R.P. § 3(a) complied with.

Third Witness

D-127009 Sgt Shutshiver, S. sworn; states.

I am a member of 4 Can Armd Regt Pl RCAS.C. I was with Capt Regan on 3 Oct outside de Cafe' Uitvoet near Ypg Luminator. P.O. Haag complained that there was a fault in his steering and he couldn't make a left turn. Capt Regan told him he was under arrest and gave him a route card to follow up to Queen Astrid Camp. where he was to meet Lt. Austin who was coming up with another convoy. Capt Regan asked him if he understood the route card and he said he did. I saw the vehicle pulling out in the proper direction. He was a motor cyclist previous to being a lorry driver, he has been a lorry driver for about a year.



The cafe Uitvoet is about a mile off the Diamond Route which was the one taken by the convoy.

Cross-examination

I I was one branch off the Diamond Route. I know where the bivouac area was. A mile back leaving the bivouac area and going to the Diamond Route was past the place where we found the truck on 3 Oct.

By the Court THIEL

witness draws diagram.

I am about 3/4 of a mile from the bivouac area to the cafe.

RP § 3(b) complied with.

Fourth Witness

Lt. E.E. Austin, sworn states.

I am transport officer of 4 Can Armd Regt Pl RCAS.C. I was in charge of the convoy to Queen Astrid Camp on the Bruges - Ypg Luminator road. The convoy bivouacked on a lane off the main Bruges - Ypg Luminator highway about 1½ miles in the vicinity of Waelembeke. The accused was a driver in the convoy. The cafe de Uitvoet Knapps is at the mouth of the lane-way in which we bivouacked on the opposite side of the road. On the morning of 3 Oct 44 we left the bivouac about 0830

lorries for Harqueliers. On arrival there were several lorries missing one of which was driven by Sleggrouellers. at 1600 hrs all had arrived except Sleg rouellers. from that accdt. I had orders to arrive at D area dumps with a load from Hiuppe the next day but due to difficulties I did not arrive until the morning of the 4th. of Oct. The accused did not report to me nor did I see him there.

I next saw the accused on 5 Oct. 44 at our Pl. area. He was under close arrest.

I do not recognise the name Winkel St. I do recognise Station Cafe. It would be on the route from ACC dump to bivouac area.

On 1 Oct at about 1800 hrs the convoy in which the accused was a driver left ACC dump, near Bruges. The convoy bivouaced on a lane off the main Bruges - Ypg Lemmenstr highway in the vicinity of Maldeghem at about 1900 hrs on 1 Oct. At 0830 hrs 2 Oct the convoy left the bivouac area to proceed to the unit area at Harqueliers. On arrival at the unit area there were several lorries missing one of which was driven by the accused. By 1600 hrs all had arrived except Sleg rouellers. The accused is familiar with the route from the bivouac area to Harqueliers. He has bivouaced in that area and have made the same trip three or four times.

On arrival at Harqueliers we received orders to go to Hiuppe for a load of ammn. and take it to D area Ammn dump, which is located near St. Nicolas. We arrived at D area Ammn dump at about 1000 hrs 4 Oct. I did not find the accused there.

That was our first trip to D area dumps.

No cross-examination

By the Court

A person instructed to go from the Café de Maisons Hiuppe, to the D area Ammn dump would proceed a mile on the way to Bruges then strike the main route to the dumps which is marked. I do not know whether or not the accused can read.

R.P. 93(6) complied with.

Fifth Witness

E-49417 Pte Bernard, G. sworn States

On 20 Oct 44 I was in the cafe and he was coming in. I was sitting at the bar. He asked me for a beer and paid for it. After he had paid. He took out his revolver. I was afraid but the other soldiers who were in the cafe said it was not loaded. The soldier was standing at the corner of the bar about two feet away from me. He took out the revolver and pointed it at me. I went out of the door because I was afraid. I do not know whether the revolver was loaded or cocked or not. I was standing behind the bar. The soldier said nothing. He just pointed the revolver at me. I don't know why he pointed the revolver at me. There was no one behind the bar. I turned to go into the kitchen. Just at this moment the patron came in from the kitchen. It was a quarter to eight in the morning. I was afraid he would shoot. He had been in the cafe' before. He had his finger on the trigger.

Eighth Witness

H-19039 Sgt Monk, W.S. sworn states.

I am a member of HQ 7 Elm Pro Coy. Ident detachment. This is Pte Coy cross there. The first time I saw him was in the wheel at Ident. He was behind the wheel of a large truck. I questioned him. I stepped up onto the step of the truck. The first thing that caught my eye was a pistol. It was similar to this. The pistol was lying on the floor compartment down by the seat. I put my hand on the pistol and it was discharged. Pte Bruchois was with the accused. The bullet went into the floor compartment and through the floor boards. I think he knew what he was doing. He had a bottle of beer in his hand and there was a case of beer in the cab at Bruchois' feet. I asked Pte Bruchois for the pistol but he refused to give it to me. After some argument I persuaded him to drive to detachment headquarters where he was disarmed.

I examined the revolver and found 3 live rounds and 1 discharged case.

Cross-examination

I saw his hand grasp the butt of the pistol and at the same time it discharged. I didn't see him point the pistol at any one. Pte Beaulieu was seated in the cab directly behind the driver's compartment on the right hand side at the time the pistol was fired. I don't know anything about the altering the of the hour. The accused was placed in Close arrest at 1710 hrs.

Re-examined

I don't know why he grabbed the pistol.

By the Court

The holster was on the belt on his waist. It was a Browning pistol. This pistol is identical in type with the one I took from the accused. The belt and holster are identical with the ones taken from the accused. The number on the pistol was NO. 534. This is the revolver.

Cross-examination

When I heard the shot the co-driver was out of the truck.

By the Court

I'm not sure whether he was in the truck or just along side the truck when I first saw the co-driver. I couldn't say whether he just stepped out or was just around the side. The motor was running. I have been stationed in Edmt about a month. I worked it so not out of a regular route through Edmt. It is a short way away from Main and hence about one block.

Defence

Accused Witness

D - 124351 Pte Hay recalled sworn states,

I did not point a revolver at Sgt Reilly. I was in the cafe. There was no disturbance. There was music and there was dancing. I can't say exactly when I left the cafe but I left with the others on the convoy. I stayed [illegible] with the convoy for some distance but when it came to the turn I couldn't make it and I went right through to a fork where I turned around and tried to reach the convoy again. I turned to the right, around. Then we met a lady and asked her if she had noticed a convoy go by. She directed right me to the left where a tank convoy had gone. When we really did we could not reach one convoy we came back to the location at the cafe. We didn't want to go any further as we understood that the unit had moved and we did not know the location. I can not read or write. I can barely write my own name. I had gone to the workshop to get oil seals for my two front wheels. The MI and 2nd Sgt told me they didn't have any and returned me to the unit. They said to continue using the lorry as it was and they would notify me as soon as parts came in. There was no oil seal left which caused the oil to leak out and with heavy loads the wheel would not turn. Then is the third time the steering had jammed this way. It jammed once on the convoy. Previous to the time I mixed the tires. I tightened the two end nuts in the morning as they were loose. The steering worked well after that I did not know where the unit would be so I could not find them. I could get them also I only had four tins of petrol in my vehicle. There is no other reason. We didn't go any where in the morning about when we were going.

The next morning Capt Rigg and the Sgt came. I was along with my lorry about 5, 7 or 10 feet from it. The Captain gave us a route card to go to the demm dump. We started on our way. The needle on the gas registered empty. All I had left then was 5 jerry cans of petrol but my orders were not to use it unless I had authority from an officer. I understood the written instructions but I could not read them. When I halted the vehicle in Eeloo I thought I was on the right road to the ammunition dump but I was on a minor road and I had to make a turn to get on the

main road. I had to go around a couple of blocks to get back on the road. I did not get off the road on purpose. I wanted to get back on the right road and meet the lieutenant. We ran out of gas and that's when the Provost met us. I don't know why the provost interfered with us. We had not caused any disturbance we had just stopped. The motor was still running. The first thing I knew my spare driver was getting out of the vehicle. ~~The Officer~~ Then was a vehicle of the 3 or 4 ton drivers was getting out of the vehicle. There was one officer ~~and~~ two up front and one private with a revolver in his hand who were all drunk. They fired a shot while we stopped there. Then they got into their vehicle and left in a hurry. ~~A soldier stepped onto the side of~~ The Provost Sgt stepped on the side of my vehicle and reached for my revolver in the glove compartment of my vehicle. Seeing this I stretched my hand to the pistol and as I reached it it went off. Both of our hands reached the pistol at the same time. I can't say who pulled the trigger. I didn't know who he was. I had never seen him before. We were never told that we couldn't own a revolver. We were told to register them with CMP stores and have what for it. I was alone in the truck when the revolver went off.

We had no beer in our hands. We had come in a car. When the Sgt was speaking to me the Corporal was talking to my spare driver and they were ~~on the ground~~ out of the truck.

Cross-examination:

The other witnesses are telling the truth to some extent but not all the way through. I had this revolver by A when I was in the cafe restaurant and it is the one I had with me when I was parked on A what st. We went into the cafe to get a few cans of beer. There were several soldiers in there. I bought a few cans of beer from the girl. I never touched my pistol. I do not know why she claims I pointed it at her. I asked her for beer. I said good-bye as I came in. That is all. I bought one beer. I saw the civilian witness who I am visiting my saturday, in the cafe. I don't know why he says I pointed a revolver at him. I know I did not point a revolver at any body there. I do not remember what time I entered the cafe. There was a lot of soldiers in the cafe. I do not know how many. There were some civilians there. There was around twenty people in the cafe. There was dancing. I went out with all the boys to take the convoy. I left with the convoy I was in the fourth truck in the convoy. The cafe restaurant is the first turn to the left the convoy made the left turn. I couldn't turn left. I went through. It is the third turn that has happened. I failed at the next morning. I pulled up the convoy beside the cafe restaurant because we stayed near there. I didn't know which way the unit had moved.

I understood the instructions to proceed 5 @ mon stamp. Sept. Big on case was around 1130 hrs. I saw the provost in Island around 4 o'clock. That's the first time I had been 5 @ mon stamp. ~~I had been 5 Island 1945~~ before this. I drove very slowly.

I tightened the nuts just before Capt Big on came.

That was the first time I had been in Ghent. I stopped because gasoline was short. The needle showed empty. ~~was stopped at~~ I don't know what time it was. I grabbed for my pistol because I didn't know who he was. I didn't know he was a provost. Nobody gave me authority to carry a pistol. I got it from a civilian. It was loaded. He put his hand there. I put my hand there and the shot went off. I knew it was loaded.

By the Court

I had been over to that dump. Queen Mump. I knew I could find the place by marking the provost. The shooting by the people in the car in front did not frighten me. I ~~wanted to get~~ did not want him to take all pistol from me. ~~pistol away from him~~ We left at 1130. The motor was still going when the provost came up. The vehicle was not loaded when the steering jammed. I had had the pistol for about a month. I did not register it with the A.P.M. The order was only given few days before this happened.

By the J.A.

I have the paper Capt Rigan gave me. Produces slip. Marked "D"

It was about 0715 when I went into the cafe. I did not take my pistol out of my holster. I did not see any one else with a pistol in his hand. The petrol tank holds 60 or 80 gals. I am not certain. ~~It takes 3 marks~~. It makes about 3 miles per gal. My tank was nearly empty when the convoy started. I figured it would make 10 to 11 miles and as my tank was much. I travelled about a mile from the turning area to the place where I could not make the left turn. I went about 800 yards and turned and came back to the corner. I followed the road the convoy had taken but could not catch up with them. I did not know where to go as the unit was supposed to move. So I came back to the cafe where Capt Rigan found me. I had travelled about 12 to 14 miles. I got to the cafe about 1100 O'clock. Capt Rigan arrived about 1130 the unit was coming. The vehicle was parked in a lane beside the cafe. I first the vehicle that was coming. Sometime after 1100 o'clock I started for Queen Mump. It was about 1400 hrs when the provost came up to us. We stopped for dinner on the road for about two hours. We travelled for at least three hours. We covered at least 50 miles. I put 5 gerry cans of petrol in the tank when Capt Rigan came. There are 4½ gals in a can. I turned off onto the road the provost found me on because I thought it was the right road. The petrol was inside the low compartment which is on the right hand side of the truck. The door to the compartment was open. I was behind the wheel on the left hand side. The provost right stood on the right step of the truck. I hung up the line about half an hour before the provost came up to me. From a man with a cart. We slept in the vehicle and took relay. A 5 hour watch.

A.P. 83 (2) complied with.

D-121714 Pte Biscornette, D. sworn states.

I am a driver in the 4 Med Aqy Pl. RCASC. I am my own driver on a vehicle with Pte Langlois. I have driven Pte Haig-rouillieu, I have known it until the last about 3 days. I drove it the day before Pte Haig-rouillieu lost the convoy. The vehicle was not working properly. As we nearly ran into a house. As we turned to the rt so we made a right turn the vehicle would not come back to the left. I left Pte Haig-rouillieu lost the convoy on the morning of 20 OCT. I entered a cafe between 7 and 8 o'clock on the morning with Pte Haig-rouillieu. I don't remember the name of the cafe. I entered it at the same time as Pte Haig-rouillieu. I left about 9 o'clock. I was in the cafe all that time. Pte Haig-rouillieu left the cafe at the same time as I did to go to the convoy. Nothing unusual happened in the cafe. I was sitting at a table by my self, and could see Pte Haig-rouillieu all the time.

Cross-examination

I kept my eye on Haig-rouillieu the whole time. There was music and dancing in the cafe. There were about 20 people in the cafe. When we entered the cafe Pte Haig-rouillieu went and sat with others and I sat by my self at a table. I was not very far from Haig-rouillieu, about 3 feet. Pte Haig-rouillieu got up, sat down and went to the toilet. I kept my eye on him at all times. I saw everything Pte Haig-rouillieu did in the cafe that morning. He got up to go and have and to go to the radio to change records. I saw Marie Pattijn behind the bar in the cafe that morning. He bought us beer from her. He bought us three rounds. He got up three times to buy it. His back was not towards me. When he bought us the beer at the counter his back was to me. He had a revolver in his holster. To my knowledge he did not point his revolver at Marie Pattijn. All I know is I didn't see him point a revolver. Hector Pattijn was always behind the bar. I don't know whether he spoke to Pte Haig-rouillieu or not. I am not a particular friend of the accused. We spoke to each other. I didn't pay any more attention to him than to any of the other soldiers.

I did not report the trouble with the steering. The only time I drove his vehicle was the day before Pte Haig-rouillieu lost the convoy.

Re-examination

There was no trouble when Pte Haig-rouillieu went to get his beer. I saw Marie Pattijn go and sat at a table. I don't remember when it was

By the Court

We left the cafe together. His pistol was in the holster all the time we were in the cafe. I did not keep my eye on him all the time he was in the radio

~~What was he looking at him~~ When I was not looking at him I cannot swear his pistol was in his holster. It was in his holster when he was at the bar. Maria Petty is lying when she says Sleag vorcilleiro pointed a pistol at her. The patron of the café is lying when he says he saw a pistol in Sleag vorcilleiro hand. Nobody did see me to say the pistol was always in the holster. I can it say myself.

RP. § 3 (b) complied with.

Third witness

C-70708 Pte Bracchasio, T.J. sworn states.

I was posted Pte Sleag vorcilleiro in Ebert. The truck stopped because instead of turning to the left we turned to the right. As we came back on the road there was a car in the way. Just as we stopped I heard two shots fired by the people in the car ahead. The prisoners came to us. As I got off the vehicle I was passing one of the prisoners. I am not sure how much gas there was at that time, about 16 or 9 gals.

Cross-examination

I did not know the correct route through Ebert. There was a road sign indicating the proper road at the junction but as the vehicle had passed it we had to go around the block to get back. The arrow indicated the "up" route.

By the court

I noticed a vehicle in front of us when we stopped. It was from 3 to 4 this. There was an officer, a sgt, and 4 privates. There were four men. It was an armoured car. It was about 50 feet away. I don't know whether the men beside the armoured car were armed or not. I did not have a very good look of them. When we stopped they jumped in the armoured car and drove off. I was in the café the morning the convoy left. I was there about ten minutes. I saw Pte Benommatte there. I did not see the accused there. When I went in I had a glass of beer. The soldiers were dancing. There were a few people there dancing. I didn't see Pte Benommatte leave. No one had a pistol in his hand while I was there. Sleag vorcilleiro bought the beer from a man with a waggon before we got to Ebert. I had two bottles of it. I was not drinking when the R convoy came up to the truck. The lorries coming came up on the left side of the truck. The side I was sitting on. The left ~~was coming~~ was on the left side of the truck. To reach the glass one partaking the left would have to reach past Sleag vorcilleiro.

RP. § 3 (b) complied with.

Fourth witness

E-49975 Pte Tamedo, L. sworn states.

I was in the café at 0700 hrs 7 Oct with Pte Sleag vorcilleiro. I left at 8 o'clock the same time as the others. I entered the café at the same time and left at the same time as Pte Sleag vorcilleiro. I sat down at the same table as Pte Sleag vorcilleiro. I drank beer with him and talked about various parts of the vehicle. Then the lady at the end of the counter came and sat beside me. Her friend came to me and spoke of various subjects. Then I had two glasses of champagne myself and she came back to sit along side me again. She sat down for about half an hour. Then more troops came into the café and she went to wait on them. Then Pte Sleag vorcilleiro and I drank together at the table. I ~~left~~ left. There I drank until 8 o'clock when we received a call to leave on the convoy. The convoy was lined up. We left around 8 to 8.10.

I did not notice any thing unusual while I was there. She came and served beer at our table. She served Maj Vercellesio at the bar once. I saw her serve beer to him at the bar. I did not see any thing unusual. There was about 20 people in the bar. I did not leave the Café from the time I came in until the time I left.

Cross-examination

I wasn't watching them but our table was by the counter just in front of me and I could see them. I wasn't concentrating on them. He bought the beer at the bar about 35 minutes after we came in. There was about 20 people in the Café. There was about four or five people there when we entered. The accused did not buy a beer from Maria when we entered. I paid for the first two. We both went out together. Pte Maj Vercellesio leading. There was music. I don't remember any dancing. I can swear that the accused did not take his revolver from his holster and point it at Maria. He was sitting beside me all this time. He went up to the counter to buy his beer and came back and sat beside me again. If he had pulled out his revolver I would have seen him. I did not dance that morning. I didn't touch the piano when that morning the young lady was bothering after it and some of the boys. I was questioned by Capt Rogan and Lgt Whitehead regarding the revolver. I told him I had not seen the ~~lady pistol~~ soldier point his revolver at the lady. He did not ask me what went on in the Café. I didn't count them but I drank about 7 or 8. I didn't leave the Café until about 5 O'clock. Pte Bussolin was at the next table not very far away. I don't know Hector Pelletier. There was a tall dark boy there. He came to me from the end of the counter and enquired if we had any cigarettes for sale. ~~He did not~~ We didn't have any and he returned to the end of the counter. That is all I know of. I did not see him hold conversation with Pte Maj Vercellesio. I can't give any reason for Maria or the man coming here and saying Pte Maj Vercellesio pointed a revolver at Maria because he did not do so. They are lying when they say he pointed a revolver at her. I did not see him with a revolver in his hand at any time while he was in the Café. I saw Maria most of the time I was in the Café. I did not see any one point a pistol at her.

R.P.S 3(1) complied with.

Lt. L.L. Austin A. called by the Prosecutor with permission of the Court still on oath states.

I was first informed that the unit had moved on on my arrival at [illegible] at 1300 hrs. It is a laid down policy to replenish vehicles on arrival at a bivouac area. It is a standing order. He could have replenished his vehicle very easily before we pulled out from the bivouac area.

Cross-examination

I can see no reason why the accused's vehicle would not be replenished. I was not there to see whether or not he did so. I can't understand why his vehicle was not replenished if that was the case. I was there. The Sgt was there and his Pl Cpl was there. As I arrived back with 15 prisoners I reported [illegible] by the Court

Prisoners can be used on order of the person in charge of a convoy but not necessarily an officer. An order had been issued that only an officer

— or a dog X had to be present to authorise the use of wood his patrol.
R.P. 83(b) complied with.

The Court Permit the Prosecutor to call further evidence in rebuttal

Capt. R.J. Swaffield, sworn states

I am OC 2/5 Pl. 82 Con Sqdn Coy. I am well acquainted with the mechanism of Mack trucks steering. On 19 Sept. '44 No. C 42 5 2092 was in the workshop with the following defect. Front differential oil seals leaking. I personally inspected the vehicle at the time. This oil seal has nothing to do with the steering. It would not prevent the vehicle from making a left turn. If all the oil leaked out the complete front end would cease to function it would have no bearing on a left or right turn. Steering can jam on one occasion and then operate properly after that. There are a number of different obstructions that could cause this eg damage to the steering box. It could jam left and not right. Such jamming would be noticeable it wouldn't just come and go. The only loose end nuts that could be tightened are drag link nuts. But this would not cause a stoppage at one particular point. It would cause shimmying. The glove compartment is on the upper drivers side. you could reach the glove compartment from the left hand side inside by standing on the top step. The oil seal has not been received. The vehicle has not been in the workshops since 19 Sep. for any other repairs.

closing address - Defence

~~I would first like to draw your attention to the distinct~~ ~~to the 2nd charge it must be in mind~~

I will deal with the 2nd charge. I have produced 3 witnesses for the defence. I am not going to go over their testimony. I claim that if the court accepts any part of the testimony of Maria Patterson they must also consider the account of the 3 witnesses for the defence that there is reasonable doubt as to the commission of the assault by the accused. It was not proven conclusively that the assault was committed nor that it was committed by the accused. The accused denies it. So two other witnesses that were present at the time of the alleged assault have no knowledge of any disturbance and express certainty that no assault was committed by Desgrosellers. There were twenty soldiers in the cafe. I submit that is an assault had of taken place at least one of them would have noticed it and should have been produced by the prosecution. This was not done, leaving Maria Patterson's evidence uncorroborated and leaving a reasonable doubt as to the guilt of the accused of which doubt he should benefit.

With reference to the 2nd charge, there is no evidence that the vehicle was left unattended. There is evidence that the vehicle was parked in Winkler Street. This in itself does not constitute an offence. It must be proven by the prosecution that this was conduct to the prejudice of good order and military discipline. This is not the case. It has been proven fact that the vehicle was on Winkler Street due to mistake of the driver which he was attempting to correct. A mistake is not a crime. It has also been proven that the vehicle was halted for at least three reasons. An obstruction in the road and a disturbance; lack of petrol and restriction in the drivers mind as to the proper route. If he had not been interfered with by the provost it must be assumed that the driver

must have reached Green ammunition dumps eventually.

— With reference to the third charge. Improper possession of the weapon was not proved. It would have been necessary to have produced evidence of an order to that effect. Failure to register the weapon four days after Progressthers had heard that this should be done does not constitute improper possession nor any offence which might be qualified as incident to the preludes. It is admitted that the weapon was discharged & there is some doubt as to who discharged it, or how it was discharged. Doubt of which the accused should have the benefit. As to the count both that the weapon was in fact discharged by the accused's hand by finds no intent on the part of the accused to cause a disturbance or otherwise that act to the prejudice and also finds the neglect has been proven on the part of the accused remains enough to constitute an offence the court must find that the weapon was discharged by accident, but was not so carelessly handled in such a manner as to constitute a crime. In this trial except other parts the prosecution attempted to prove several other parts such as possession of beer, failure to keep appointments, excessive length of time in getting from one point to another, following out of a convoy on the false pretext of defective steering. The defense has produced evidence to counter & explain all these parts. The court must remember that the driver was in charge of his vehicle once he had left the convoy. He had a right to make his own decisions as to the best way to bring his unit. If he committed errors in judgement these are not offences.

- the fact that the driver cut out for a time, & pulled up along side the road for a few minutes when he was travelling alone is not an offence. In the event of the court finding that any of these facts are proven, they cannot say by a special finding hold the accused guilty of conduct to the prejudice of which the subject matter are these same facts, namely possession beer, failing to get passed - not etc. There is an essential difference between these last mentioned facts and the subject matter as stated in the 2nd & 3rd charges, and not merely differences of circumstances, degree and time.

The prosecution alleges in regard to the first charge that the accused did in part restrain the senator unlawfully by carried him into the cabs Detroit at Grand Valley and to support its allegation the prosecution has produced the evidence both of Maria Phillips & Theresa Phillips. Now the court heard the testimony of these two witnesses that the accused was the last person Maria saw before he fainted. He remained at her. That she produced tears on her part as a result of which she went to the back of the cabs. I submit that Maria's evidence is corroborated by her cousin who states that he entered from the rear part of stewards and the accused was holding the senator in his hand. The defense has shown the court no reason why the evidence of these two witnesses should not be believed. If specifically asked not only the accused himself but each defense witness for a reason, but they could give none. There was several people in the cabs that morning along which the witnesses for the defense. There was music & there was dancing & there was drinking. I submit that the witnesses for the defense could not possibly have accounted for all the actions of the accused during the course of one hour in the cabs. The prosecution has not produced any soldiers to support its case. Soldiers are not prone to give evidence against fellow members of their platoon. In fact their tendency is the direct opposite. Turning to refer the court to page 13 of MMEL (para 34) having to do with the offence of assault

Mr he would charge the prisoner
with and that the accused is charged
with impropper conduct and to support
that charge two instance are referred
to in the charge sheet, namely that the
accused was found with his vehicle
outside the lake Detail & secondly
he was parked with his vehicle on
the inside of it is submitted, two places where
he should not have been having
regard to the circumstances pointing to
the evidence of the accused as to why
he was at these places he can give no
satisfactory explanation. I submit with
regard to the lake Detail he gives 3 reasons
all of which I submit are quite unsatisfactory
factory The first reason was that he was
lost. There is evidence before the court
that the accused was familiar with
routes at least to Hougueliers this
permanent location of his platoon He
states that the platoon had moved, but
when questioned he was unable to tell
me from whom he found this out &
evidence has been produced that the
platoon had no knowledge of the move
until their actual return to their per-
manent location at Hougueliers. No
endeavour was made by the accused
to return to Hougueliers
parked his vehicle for I called he
sideline outside the lake Detail. The
next reason he gives is the defect to the
steering Mk 9 and in evidence that there
was no oil seal in the wheels & with
a heavy load they wheels jammed when
making a left turn. It is submitted
on his own evidence

that his vehicle was empty when the alleged jamming took place. Furthermore he was able to drive his vehicle several miles making left & right turns without any further trouble. It was not until the next morning, 3rd Oct. that he made any attempt, on his own evidence, to adjust the defect the court has heard the evidence both of the pl. fitter who examined the lorry on its return and also the evidence of the mech. above officer. With regards as to being found in Sheet 1 emphasis in that condition the time element. He understood his orders perfectly. Began. He was seen to leave the Coy Detail at approx. 1130 hrs. He states he took 2 hours for lunch. I submit this does not constitute the carrying out of both Regts orders to proceed direct to Juen ammunition dumps. I do not have to point out the facts with regards to the pl. that the accused is an army Driving instructor & he knows his duties as to keeping his vehicle replenished with petrol. If it is not the steering that was wrong with his vehicle then it was the gas indicator. Apparently he had plenty of excuses. I submit that the evidence as put forward by the defense is not only contradictory but fails to give a satisfactory explanation for his conduct on the 2nd & 3rd of Oct. 1944 and if drivers when they find themselves alone in charge of a vehicle are permitted to make their own

decisions as to when they should go and when, the army must certainly fail to be maintained properly.

Passing to the 3rd charge I submit that the gist of this charge is the careless handling by the accused of this revolver. In its regard to intent the accused knew the revolver to be loaded. I put the question to the court "Is it by was the accused so concerned with keeping this revolver from the provost" the accused is supposed to be armed with a Stun gun which he should carry with him at all times. I submit that on the evidence it was the result of the act of the accused in grabbing for his gun upon sight of the provost that caused the revolver to be discharged.

Summing up by Judge Advocate

The court is the sole judge of what facts have been proved, of the credibility of witnesses and of the weight to be given to the evidence of any witness. Any matter I may make of the evidence of any witness must not be taken as an indication to the court either of its importance or its weight. It is then the court must judge for itself.

As to the burden of proof it is always on the prosecution every allegation whether it is positive or negative made by the defence must be proved in evidence just as much as the prosecution must prove in evidence the allegations made in the particulars of the charges.

I refer the court to RP 44(1) and particularly to Thanks (Reads). Applied to this case for instance the fact that the events of the first charge may have taken place at 0745 entitled of 0730 or that the window was not cocked if the court finds it so, or on the second charge that the convoy was from the Limerac area to Marguerites and not to Pauillac Armour Group or in the third charge that the pistol was a Browning and not a P 38 etc. of proved, facts differing materially from the facts alleged but in my opinion the differences are not so material as to have prejudiced the accused in his defence. But as pointed out by the defending officer the accused is not charged with deliberately leaving the convoy, nor with drinking while in charge of a vehicle nor are the particulars set out in the second charge capable of such arrangement to constitute the offence of conduct etc if the court should find evidence of such conduct and wish to base a finding of guilty to the charge on it. The accused in that case would have been prejudiced to meet such allegations and so he prejudiced in his defence. On the other hand, as I have said before, in my opinion the evidence of the various states under which the accused was found both at the cafe and on arrest is admissable to show that his presence there was, failing a satisfactory explanation conduct to the prejudice etc.

The accused is charged with a common assault on Maria Patty in at 0730 hrs on 20 Aug 44 by pointing a cocked revolver at her. In this connection I must read to the court the whole of the paragraph referred to by the Prosecutor (Reads para 34 P 113, MML 4). On this charge you have the evidence of Maria Patty in who says she was sitting at a table behind the bar of the cafe. That the accused asked for beer and paid for it. Then took out his revolver and pointed it at her. That she was afraid. That she didn't know until after whether or not the pistol was loaded or cocked. Marie Patty in says he saw Maria going towards the kitchen looking normal and saw the accused with a revolver in his hand with the mag. out and not cocked. He says he told the soldiers to put the revolver away.

The accused denies that he pointed the pistol or that he even had it out of the holster and the defence called Pte Biscornetti, Brissebois and Tancredo to support his denial. Biscornetti says he was in the cafe all the time and could see the accused all the time. Brissebois says he was there for about 15 minutes and did not see the accused with a pistol. Tancredo says he went into the cafe and left it with the accused and that he could see the accused the whole time. They all say the accused had a pistol in his holster but that he did not remove it nor point it at any one. Tancredo says that he did not see any one point a pistol at

he was there.

It is then a question of credibility of the witnesses. Civil cases may be decided on the preponderance of evidence but charges of a criminal nature must be proved beyond reasonable doubt. But the law admits as sufficient the uncorroborated testimony of one credible witness and the doctrine that the accused must be proved guilty beyond reasonable doubt does not mean that if one witness swears to a fact and then on oath deny it you must necessarily find the fact unproved. If you decide that the one witness was credible and the others not you could find the fact proved. But if the evidence of the two witnesses raised a reasonable doubt in your mind as to the fact then although you do not entirely agree that the fact set up by the first witness has been disproved you must on that fact find the accused not guilty because the prosecution has not discharged the burden on it to prove that fact beyond reasonable doubt.

I do not think I need review the evidence in connection with the second or third charges except to point out that the accused had another reason for staying 24 hrs at the safe in that he was low in gas until Capt Big an came and authorized the use of the 5 spare jerry cans. I might also point out that there is no evidence that he mentioned the gas shortage to Capt Big an although that might well be explained by the argument that after he had received permission to use the spare gas he wasn't then short. The evidence that the accused was in the places alleged and the circumstances of his being there, his reasons for being there must have been sufficiently classified on both examination and cross examination.

In connection with the second and third charges after the court finds the facts it must then consider whether or not the conduct proved was to the prejudice of both good order and military discipline having regard to its nature and to the circumstances in which it took place. In deciding this point the court should apply its military knowledge. It may be that the court thinks the conduct is not completely blameless but that the degree of blame is so slight as not to be deserving of punishment. In such case the court may find the accused not guilty.

As regards all the charges the accused must be considered innocent until he has been proved guilty beyond reasonable doubt. To warrant an acquittal the doubt must not be light or capricious. It must be such a doubt as upon a calm review of the whole evidence a rational understanding will suggest to an honest heart. If there is such a doubt that is a doubt that would remain in an unbiassed mind after an honest consideration of the whole facts which you find proved the accused must be given the benefit of the doubt and be found not guilty.

I do not know exactly what facts the court found but in view of the evidence none of the offences were aggravated. They were more of the accidental, thoughtlessly and without any criminal intent, if at all, done heedlessly and without any criminal intent. Such acts of carelessness without any intention of being harmful. I ask the court to take this into consideration.

SUMMARY OF EVIDENCE IN THE CASE OF D-126351 Pte DESGROSEILLIERS, L., 4th CDN MED REGT PL RCASC, 82 CDN ARTY COY RCASC, CDN ARMY OVERSEAS.

By direction of the Officer Commanding all evidence will be taken on oath.

FIRST WITNESS: The first witness, Capt N. H. Regan, Offr Comd 4 Cdn Med Regt Pl RCASC having been duly sworn states:-

I am Capt N. H. Regan, Officer Commanding 4 Cdn Med Regt Pl RCASC. At approximately 1600 hrs on 2 Oct 44 Lt E. E. Austin transport Officer in the above mentioned platoon, reported to me that two men and one vehicle were missing from the last ammunition convoy. The vehicle in question was a Mack 6-ton, WD Number CL 4252092. The men were D-126351 Pte Desgroseilliers, L. whom I now recognize and C-70708 Pte Brisebois, T. J. whom I also now recognize. Pte Desgroseilliers, L. was the driver i/c of the vehicle.

The following day 3rd Oct 44 while searching for this vehicle, in company with Sgt Slutsken, S. of this unit I saw WD vehicle number CL 4252092 at approximately 1130 hrs, parked outside the Cafe Detroit 3 to 4 miles north of Inglemunster. I went over to the vehicle and saw ptes Desgroseilliers and Brisebois in behind the cafe. I asked them what they were doing there and they replied that they had lost the convoy on the previous day and had decided to stay in this vicinity. Pte Desgroseilliers stated that the steering on his vehicle was damaged and that was the reason he gave for being parked outside the cafe.

I placed Pte Desgroseilliers under arrest and ordered him to proceed to QUEEN AMMUNITION DUMP near St Nicolas. I gave him the route in writing and ordered him to report to Lt E. E. Austin who was expected there that night. Pte Desgroseilliers got into his vehicle and started on his way. The next time I saw this man he was at 7 Cdn Provost Coy Ghent Detachment at approximately 0900 hrs 5 Oct 44. He was under close arrest having been picked up by the Provost and I escorted him back to my platoon location and held him under close arrest. One of my men drove the vehicle CL 4252092 back to the platoon area on 5 Oct 44 and on arrival the steering was checked by the platoon fitter, Pte Bernard. He reported to me that the steering on this vehicle was in good shape and a certificate to this effect is attached hereto as exhibit 'A'.

On 5 Oct 44 I heard rumors that there had been some disturbances in the area where I had seen both Ptes Desgroseilliers and Briseboia on 3 Oct 44. On 6 Oct 44 accompanied by Sgt Slutsken, S. of this unit I again proceeded to the Cafe Detroit at Meulebeke near Inglemunster. I made enquiries there and was informed that a disturbance had taken place on the morning of 2 Oct 44 at the Cafe DeNieuve Sneppe, nearby. We proceeded to the Cafe DeNieuve Sneppe and interviewed the propieter, Hector Pattijn and his wife Maria Pattijn. Statements were made and signed by them before witnesses. These statements are attached hereto as exhibits 'B' and 'C' respectively.

The accused declines to cross-examine this witness

SECOND WITNESS: D-127009 Sgt Slutsken, S. 4 Cdn Med Regt Pl RCASC having been duly sworn states:-

I am D-127009 Sgt Slutsken, S., of 4 Cdn Med Regt Pl RCASC. At approximately 1130 hrs 3 Oct 44 Capt N. H. Regan and I were out investigating the whereabouts of a 6-ton Mack Lorry CL 4252092 which was missing from an ammunition Convoy of the previous day. While passing the Cafe Detroit near Inglemunster I noticed the vehicle in question parked off the road. We stopped and Capt Regan approached Ptes Desgroseilliers, L., and Briseboise, T. J. whom I now recognize and who were with the above mentioned vehicle. Pte Desgroseilliers, L., explained to Capt Regan that the reason he had lost the convoy was because of a defect in the steering of his vehicle which prevented him from making a left turn. Capt Regan informed Pte Desgroseilliers, L. that he was under arrest and gave him a route to follow to QUEEN AMMUNITION DUMP. He wrote this route down on paper, handed it to Pte Desgroseilliers and as we left I saw the vehicle pull out in the proper direction.

On 6 Oct 44 I accompanied Capt Regan to Meulebeke near Inglemunster. There in my presence he interviewed Hector Pattijn and Maria Pattijn of the Cafe DeMieuve Sneppe. The made and signed statements before witnesses.

The accused declines to cross-examine this witness.

At approximately 1600 hrs the same day I noticed that one vehicle was missing from the convoy. On checking I found that the missing vehicle was CL 4252092 mentioned above and driven by Pte Desgroseilliers, L. I immediately reported the missing vehicle to Lt E. E. Austin of this platoon.

FOURTH WITNESS: H-19039 Sgt Mark, W. S. 7 Cdn Provost Company, Ghent Detachment, having been duly sworn states:

I am H-19039 Sgt Mark, W. S. of 7 Cdn Provost Company, Ghent Detachment. While on duty in the city of Ghent, Belgium, at approximately 1630 hours 3 Oct 44 in company with L/Cpl Folster of this detachment, I received a complaint from civilian sources that there were some soldiers with an Army Vehicle who were discharging firearms down a side-street. These civilians directed me to this side-street which is now known to me as Winkel Street, Ghent. Here I saw a large Mack truck parked with motor running and Pte Desgroseilliers, L. whom I now recognize was sitting behind the wheel. In the co-driver's seat was Pte Brisebois, T. J. whom I also now recognize. I asked Pte Desgroseilliers how long he had

been there, and he told me that he had just pulled in. I mounted the running board of the vehicle and noticed a revolver with the hammer cocked on the door of the glove compartment. In the cab was a partly consumed case of beer. I asked Pte Desgroseilliers whose the weapon was. He then placed his hand on it and the weapon discharged. I told him that he would have to come along with me and he partly refused. He also refused to give me his firearm. I persuaded him to accompany me however with the vehicle to Detachment Headquarters. After bringing him to the Headquarters I disarmed him. In the magazine of the P-38 Revolver were three live rounds and one spent cartridge. Pte DesgroseilMers was placed under close arrest and his unit was notified the following day.

FIFTH WITNESS:- C-45598 L/Cpl Folster, J. A., 7 Cdn Provost Coy., Ghent Detachment, having been duly sworn states:-

I am C-45598 L/Cpl Folster, J. A., of 7 Cdn Provost Coy., Ghent Detachment. At about 1630 hrs 3 Oct 44 some civilians reported that there was shooting in the direction of Winkel Street, Ghent. So Sjt Mark and myself went over to investigate. As we came round the corner we saw a large truck with two soldiers in the cab. We saw other soldiers and an officer in the vicinity. They disappeared while we were investigating the soldiers in the Mack. The Sjt went over to the truck and got up on the left hand, or driver's side of the truck. The spare driver Pte Brisebois, T. J. whom I now recognize got out of the truck and I talked to him. At this point I heard a shot fired. It came from the truck, but I could not say how it was fired. The Sjt told me that everything was alright and that I could take the jeep back to Headquarters as the soldiers were coming with him in the truck. I went back to Headquarters and the soldiers arrived shortly after.

ADDITIONAL SUMMARY OF EVIDENCE IN THE CASE OF D-126361 Pte DESGROSEILLIERS, L. 4 Cdn Med Regt Pl RCASC,82 Cdn Artillery Coy RCASC, Cdn Army Overseas.

By direction of the Officer Commanding all evidence will be taken on oath.

FIRST WITNESS: LT E. E. Austin, Transport Officer 4 Cdn Med Regt Pl RCASC having been duly sworn states:-

I am Lt E. E. Austin, Transport Officer of 4 Cdn Med Regt Pl RCASC. On 1st Oct 44, I was in charge of our platoon convoy, which delivered ammunition to ACE DUMP on the Bruges - Ghent road. After completion of delivery, since it was late in the day I decided to bivouac in an area which had been used by us before. This area is on the Bruges - Inglemunster road and is about one mile south of the main DIAMOND ROUTE down and three miles north of Inglemunster.

The whole platoon had been stationed in this vicinity for four days in September and were familiar with the neighboring roads.

On 2 Oct 44 at 0830 hrs I took the lead of our convoy which had been previously lined up by Sgt Simon, on the Inglemunster - Bruges highway. We then moved off to return to our platoon area which was then at Hucqueliers, France. It was about one mile to the main DIAMOND ROUTE down, where we turned left toward Roulers. Both Ptes Desgroseilliers and Brisebois had taken this same route on several occasions before and it is well marked. There was no reason for any of our vehicles to pass through either Meulebeke or Inglemunster after we had started on the road.

At approximately 1600 hrs 2 Oct 44 Sjt Simon reported to me that one vehicle CL 4252092 and two men, Ptes Desgroseilliers, L. and Brisebois, T. J. were definitely missing from our convoy. On arrival back at our unit location (Hucqueliers) I received instructions from Capt N. H. Hegan to proceed to Dieppe to pick up a load of ammunition. This was to be delivered on 3 Oct 44 if possible, to QUEEN DUMP, near St Nikolas, Belgium. Due to difficulties in loading at Dieppe, this ammunition was not delivered until 4 Oct 44. I did not see Pte Desgroseilliers or Pte Brisebois again until 5 Oct 44, when they were returned to this unit under close arrest.

The accused declines to cross-examine this witness.

SECOND WITNESS: D-121600 Sjt Simon, A. 4 Cdn Med Regt Pl RCASC having been duly sworn, states:-

I am D-121600 Sjt Simon, A. Transport Sjt of the 4 Cdn Med Regt Pl RCASC. On the night of 1 Oct 44 our platoon convoy was returning from ACE DUMP to Hucqueliers, France. We bivouaced on the main Bruges - Inglemunster highway, at a point about 3 miles north of Inglemunster. All our men knew this area well since we had been stationed there for four days in September. At about 0815 hrs 2 Oct 44 I lined the convoy up on the Inglemunster - Bruges road, facing towards Bruges. The main DIAMOND ROUTE down is about one mile north of this point. There is a large windmill on the corner. I issued orders to the section corporals to tell their drivers to turn left at this windmill and take the DIAMOND ROUTE down. We had been over this route before and both Pte Desgroseilliers and Pte Brisebois should have known it well. I checked the vehicles and found them all present before we pulled off. No vehicle dropped out before reaching the main DIAMOND ROUTE.

The accused declines to cross-examine this witness.

THIRD WITNESS: E-49417 Pte Bernard, C., 4 Cdn Med Regt Pl RCASC having been duly sworn, states:-

I identify Acc. I am senior Sgt. at E Sec Sigs attd 4 Fd Regt. On 15 Sept 44 after dinner I ordered Acc beside his wireless vehicle showing his birth + duties as tho' he were proceeding to go on ort. At 1400 I checked bldg + surrounding area + could find no trace of him. I again checked at 1500 hrs + still could not find him.

Sigmn., to leave the bldg + immediate area need a pass from R HQ. Adjt. or 2 i/c Sigs the passes. The Acc did not have a pass nor did he have any permission to leave.

In searching I went through but more near to all floors of the bldg + outside around the area + orchards. I called out for the Accused. I consider I made a thorough search especially by calling at the same time

Cross Ex I often see the new cleaning equipment. They don't in by classes it for giving out - it's part of their ordinary discipline. I can't swear positively that Acc was outside the area. I just looked + could not find him. To get to his room you go to the Rd. Rm You can get upstairs without going through anything which is not.

2nd Pro Witness A 2777 L/Cpl Brent E Sec. Sigs attd 4 Fd Regt sworn deposes :-

I identify Acc. On 15 Sept at 1730 hrs I was warned to put on steel wireless set (RCA link) In the event of it coming on Acc was to be on duty at 1800 hrs. At 1800 I looked through the area for Acc + could not find him so another

man had been on in this place. When we arrived at this area we didnt know when the RCA leak would go on so I informed the operators that we didnt know when it would go but it would be coming on soon. I told Beckmann and the other operators about this.

I went down Rec at 2100 hrs 15th Sept. at 1500 hrs I locked them ground floor of bldg, the cellar, Sergeant Beckmann's room the kitchen. Also the out area.

I have no permission to leave the area when I locked for Rec. I went, whenever I like. I don't know about the rest of the bldg. Rec understood you should let someone know when you are going — at least the next operator who must find me.

Cross X There are 4 operators altogether for a watch. Chambers and Mellaby were sleeping. I told them the leak would come on while we were in that position. I said it would be coming on but I didnt tell them to stand by. I think that was understood. They were C.B.d in the area so it was necessary to stand by. Beckmann I asked one shift. Had no duty roster. All done by past practice. This was first time leak was in this position. I hadnt told operators when they must be at a given time. I cant swear Rec. was outside the area I just couldnt find him when I searched.

Re Ex I am the SR. operator. Two are working 12 on 12 when both leaks are on. Rec. wasnt warned but by practice he knows when RCA leak come on he would be on duty

On 15 Sept at 2300 hrs I put Rec under arrest. I went to Post Office to search ground floor of out abouts and he followed. While there the Rec. came up the steps. I asked where he had been

he said he had been sleeping in a truck. I ask if he didn't know he should have been on duty at 1800 hrs & he said no, ~~that~~ I said the R.C.A. link had gone on & he should have been on duty at 1800. He then stated he had made an arrangement with Cpl Priest to change a shift. The time was 2300 hrs.

Cross X - He said he had slept in a truck. Didn't say what shift he had changed with Priest.

Re X

#9179 L/Cpl. Priest, S. Sig. Regt. attd. 1st Div. Sigs. was recalled & examined (Recalled by the Court.)

The Rec approached me about 1300 hrs & asked me to take his shift on the Rectal. set — not on the RCA set. I agreed. The shift I was taking on his behalf was from 1800 - 2300. I didn't tell him he'd have to be back at 1800 as in case the RCA link came on.

Before

Rec. duly sworn deposes:-

On 16 Sep I was on a small wireless set in the main Hdq. I was there from about 1400 - 1040. I was sleeping in the evening. In the early AM I was in a small room next to the one where there was a wireless set & this left by the Germans. Was browsing about.

On leaving my room I went to the latrines, then back to the entrance of the Hdq. I went to the small side door & came in the main entrance. It was the most convenient way.

I received no orders, apart from the C.R., as to how I should stay or where my room would be. Got no orders on duties on 16 Sep. The RCA link was not on when we arrived. I first knew it was on about 2300 hrs when so told by Priest. I was never outside the Rectal area between the times changed. My turn on the Rectal set

comm at 0310 hrs 19 Sept. I didnt tell Brockie dale I had been sleeping in a truck. I said I'd been sleeping on top.

Cross X Went to sleeper car from approx 1630 – 1730. I slept for about 5 hrs except for one time about dusk when a plane machine gunned us. I had my own blankets. Didnt go down for supper. I understood by QR that I'm not to leave the rest camp without permission or a pass. I suppose it could also be to have people available. Didnt tell anyone when I was going at 1400 hrs. I went going on duty till 330 AM next day. In my service I've had to report on shifts. If the unit had moved I wouldnt have known what it I guess. Hawley I could have heard trucks starting. But I wouldnt hear anything from inside the Bldg.

I didnt understand that of RCA link would go so I'd have to take it. Dont know who would have. I had switched with Priest. I was away about three & hours – that I admit was more than 1 hr left.

No Re-Ex

Court – Didnt understand I was working on a team with Priest.

. . It is the opinion of this court that in view of the fact that there were four operators for this switchboard, the tour of duty from 2359 hrs. until 0600 hrs. was unnecessarily long, and this fact greatly increased the possibility of the accused failing in his duty.

Statement of Defending Officer inthe case of B22980 Sgmn DESHAIES, J, "E" Section RCCS, attached 4 Field Regiment RCA.

The accused has been with the unit since a few days after it arrived overseas on the Western Front. The character witness, who is the NCO i/c of his Section, gives him a good recommendation as far as his work and ability is concerned. During the past few weeks, dme to the rapid and numerous moves of the unit, Sgmn DESHAIES, in addition to his duties as Exchange Operator, has, during his off-duty hours, other work to carry out. This occurred during the day preceding the incident in question. He has been carrying out his duties as an exchange operator on this shift (12-6) for approx 4 months, and at no time during them has there been any reason for complaints against his work. The accused, was not absent from the exchange at any time.

(W Craig) Lt
4 Field Regt R.C.A.

The accused stated on his own behalf with relation to the evidence of the 3rd. witness in the Summary, that while his tour of duty ended at 0600 hrs., he had always voluntarily remained on duty until 0800 hrs. ~~which~~ as during this period he would be up in any case in order to eat his breakfast and wash up.

EXHIBIT "A"

Summary of Evidence in the case of B22980 Sigmn Deshaies, J., "E" Section RCCS attached to 4 Fd Regt RCA., charged with sleeping when on duty as exchange operator (AA Sec 40).

By direction of the Commanding Officer, the evidence is taken on oath.

First Witness Lt D MacDonald, 4 Field Regt RCA, swqrn, states:-

"On the morning of 25 Apr 45, I was Duty Officer in the Regtl Command Post and at about 0630 hrs it was necessary for me to phone the 2nd Bty in connection with guiding in amn which was arriving on the Regtl position. I buzzed on the phone and there was no answer from the switchboard. I called the bty on the bombard line and about ten minutes tried again to get the switchboard as I thought the line to the exchange might be out. There was still no reply so I sent Sjt Martin, who was clerk on duty that night, to investigate at the switchboard. At approx 0648, the switchboard called and asked if I had been trying to get through. I asked the operator, whose voice I recognized as that of Sigmn Deshaies, the accused, if he had been away. He replied that he had not been away but had been asleep."

Cross-examined by the Offr taking the Summary.

Q Did you have occasion to call the exchange at any time after approx 0648 hrs?
A I know that I used the phone but I could not give a definite time between then and breakfast time.

Q Did you have any difficulty in raising the exchange?
A None.

The accused declines to cross-examine the witness.

(D MacDonald) Lt
4 Field Regt R.C.A.

Second Witness C18690 Sjt Martin, A.E., 4 Field Regt RCA, sworn, states:-

"I was on duty on the morning of 25 Apr 45 as Command post clerk. At approx 0645 hrs, as a result of an order by the Duty Offr, I went to the Signal Exchange. There I found Sigmn Deshaies, the accused, whom I recognize, asleep at the exchange. I awoke him and told him we were trying to get through and couldn't. I then placed him on charge."

The accused declines to cross-examine the witness.

(A.E. Martin) Sjt
4 Field Regt R.C.A.

Third Witness B31249 Cpl Buckindale, W.J., "B" Sec RCCS attached to 4 Fd Regt RCA, sworn, states:-

"Sigmn Deshaies, whom I recognize, took over from me as exchange operator at approx 2359 hrs the 24 Apr 45. He was sober and wide awake, and appeared to be quite capable of carrying out his duty as exchange operator".

Cross-examined by the Offr taking the Summary.

Q How long was the accused's tour of duty to be?
A Until 0600 hrs in the morning.

Q Why was he still on duty at approx 0645 hrs?
A I do not know, Sir. His relief operator was sleeping in the next room to him and could have easily been awakened.

Q Is it the practice for the off-going exchange operator to awaken his relief at the hour set for the changeover?
A Yes, Sir.

Q Had you actually detailed the accused for duty from midnight to 0600 hrs 25 Apr 45?
A It has been a standing drill that Sigmn Deshaies will take a daily shift from midnight, for the past three weeks, to 0600 hrs. The arrangements before that time I am not aware of. At the time of the incident the accused was doing 6 hrs on and 18 hrs off. He had other duties to perform as well when the Regiment was moving.

The accused declines to cross-examine the witness.

SUMMARY OF EVIDENCE

In the case of No D-138269, Private Gerard DESJARDIN, Cdn Inf Corps, on the strength of No 6 Canadian Infantry Reinforcement Unit, a soldier of the Canadian Army Overseas.

By direction of the Commanding Officer, this Summary of Evidence is taken on Oath.

First witness for the Prosecution

D-62925, Pte CLOUTIER H., Cdn Inf Corps, on the strength of No 6 CIRU., having been duly sworn, states as follows:

I am cook in charge of No 2 Kitchen, No 4 Camp, No 6 CIRU. On 18 jun 44, at approx 0730 hrs, the accused, whom I now recognise, was escorted to the kitchen and detailed to clean the place. The Regt Police escorting the prisoner asked me to sign for the accused and then went away. I told the accused what I wanted him to do and then carry on with my usual work. At approx 1700 hrs I noticed that the accused's work was not finished yet, so I looked for him. He was not in the kitchen. I search for him personally throughout the camp, but Desjardin was no where to be found. I reported this fact to the Regt Police when he came back to fetch the accused later on.

The accused declines to cross-examine this witness

H. Cloutier .....Pte

The accused declines to cross examine this witness

M.P. Menard .....Lt.

The accused was cautioned as follows: "Do you wish to make a statement or to give evidence on Oath? You are not obliged to say anything or to give any evidence unless you wish to do so, but whatever you may say or any evidence you may give will be taken down in writing and may be used in evidence".

The accused declines to make a statement and reserves his defence.

Case of E4459 Pte Desjardin J.P.

Mitigation Plea

The accused enlisted in Nov. 1939 at the age of 16, came overseas in 1940 and landed in Sicily with his unit in Sept 1943 in the same section with him in a rifle company he had a brother, who enlisted about the same time as he. Just before he went A.W.L. he saw his brother get wounded, but was unable to get to him to learn how serious it was. His brother was evacuated, and so the accused went absent to try to find him He enquired at various dressing stations and then went to Brussels to enquire at hospitals there, just before he could do so he was picked up. He was absent only ten days, and when he went absent his unit had taken its objective and had been relieved.

The accused has a long record of service in the field and his record shows no previous entries. And in addition to all the above, he has volunteered for service in the Far East.

I would therefore ask the court to be very lenient in this case.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans No, Sir .(5)

(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex A, initialled and read aloud by the President.(1)
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

RECORD FORM D--PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D5. President to accused : You will now proceed with your defence.(1) You may, if you wish, give evidence yourself on oath as to the facts or your character or both, in which case you will be subject to cross-examination.(2) You may, however, make a statement without being sworn, and you will not be subject to cross-examination.(3) But a statement which could have been made on oath will not carry with the Court the same weight as sworn testimony.(4) You may call witnesses in your defence and as to character, whether you give evidence or make a statement or do neither.

President to accused : Do you wish to give evidence yourself as a witness, make a statement, or do neither ?
Ans ..... Do you intend to call witnesses on your behalf ?

The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. *RP* 35 *fn* 3. 2. *MML p* 54 *para* 47.)

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment th[illegible] liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

MEDICAL OFFICER'S CERTIFICATE

K.R. (CAN) Para 557

DEC 20th 1944

I hereby certify that I have this morning examined No A.108731.

PTE DESJARDINE L.H. on strength 4 Cdn

Rft Bn, 1 C B R Gp, and in my opinion he is FIT/~~UNFIT~~ to undergo

trial by Court Martial

Capt

Medical Officer 4 Cdn Rft Bn.

FIRST WITNESS FOR PROSECUTION

D71493 Sgt McIlroy A M, 4 Cdn Rft Bn, having been duly sworn, states:

I am D71493 Sgt McIlroy A M, P E Sgt of 'B' Coy. At approx 0800 hrs 3 Dec 44, in the performance of my duty as Orderly Sgt, I called the roll for the RCR. I called the name and number of Pte Desjardine. He was present and answered his name. I then warned all present to be available for draft for the field unit on 4 Dec 44. At approx 1400 hrs 3 Dec 44 I mustered my outgoing draft. I proceeded to put them through draft routine - through the Medical Officer, Dental Officer and Quartermaster Stores. At approx 1000 hrs 4 Dec 44, I mustered my outgoing draft. Pte Desjardine failed to answer his name. I searched the coy lines, also the billets. I could not locate him. I placed him as an absentee at 1000 hrs 4 Dec 44. I have not seen Pte Desjardine in the coy lines since.

Question by Prosecution

Q Did you recognize Pte Desjardine on parade in the morning and in the afternoon?

A Yes Sir. He was on parade and on the Medical Officer's parade.

Question by Court

Q If you saw Pte Desjardine would you recognize him?

A Yes Sir.

Q Is he in this court?

A Yes Sir.

R P 83 B complied with

SECOND WITNESS FOR PROSECUTION

P9577 BSM McDermott M M, 4 Cdn Rft Bn, having been duly sworn, states:

I am P9577 BSM McDermott, 'B' Coy, 4 Bn, 1 C B H Gp. At approx 0800 hrs 3 Dec 44 I was present on parade when Sgt McIlroy called the roll of the draft. Pte Desjardine's name was on that roll. Pte Desjardine was reported present

Cross-examination by Defence

Q How many men were on that draft?

A I could not tell you, Sir. There was approx 35.

Q Did you hear the accused answer his name? Would it be possible for someone else to answer his name?

A As far as I am concerned it was possible.

Question by Court

Q If you saw Pte Desjardine would you recognize him?

A Yes Sir.

Q Is he in this room?

A Yes Sir.

Q Will you point him out to the court?

A (Witness points out accused).

Q Are you willing to state on oath that the accused was present on that parade?

A No Sir.

RP 83 B complied with

THIRD WITNESS FOR PROSECUTION

A22296 Sgt White J P, 4 Cdn Rft Bn, having been duly sworn, states:

I am A22296 Sgt White J P, Bn Orderly Room Sgt of 4 Bn. I produce a certificate under A A Sec 163 (1) (jj) purporting to relate to the accused and showing that Pte Desjardine L H was arrested at ANCONA at about 1630 hrs 13 Dec 44.
(Produced, signed by President, marked Exhibit 'A' and attached to proceedings).

R P 83B complied with.

ADDRESS BY DEFENCE

I submit that the evidence of the prosecution has not established a prima facie case in that it might have been possible for someone else to answer the accused's name on that parade and that it was not shown that the accused went absent without leave with the intention of missing the draft in that he did not know when the draft was going.

REPLY BY PROSECUTION

I would like to draw the attention of the defence to the question I put to Sgt McIlroy, which was in fact a sworn testimony by Sgt McIlroy, that he recognized the accused on both the morning parade and the afternoon parade of the day the draft was warned. The fact that the Sgt Major will not swear that the accused was on parade does not detract from the positive identification and statement of Sgt McIlroy. The point was established on the sworn testimony of Sgt McIlroy that Pte Desjardine was in fact present on the morning parade and, at the same time, shows that he heard the warning for draft which can be taken as strong evidence of showing intent. I will read to the court Chap. 6 of "Evidence" in the M M L with the respect to "Intent" (quotes).

A108731 Pte Desjardine L H, having been duly sworn, states:

On 3 Dec 44 I got up at Reveille in the morning. I had my breakfast and went down town and had a shave. I told a fellow to answer my name on roll call if there was any. I stayed down town and went to a pub and I did not get back. I was not warned that I would be proceeding on draft on 4 Dec. I did not go through Medical Officer and Dental Officer. I do not know how many men there were in the RCR draft.

Cross-examination by Prosecution

Q Pte Desjardine what was the name of the man who you told to answer your name for you?

A I don't remember, Sir.

Q Do you know where he is?

A No Sir.

Q Why did you go absent without leave?

A I just wanted to get a shave and come back, Sir.

Q You were away 9 days?

A I got drinking and one thing and another.

Q Did you at any time after you left camp hear some of the boys you knew in the RCR were leaving on draft the next day?

A I never saw any of them.

Q Did you have a shave in FANO?

A Yes Sir.

Question by Court

Q What time did you go for your shave?

A Right after I had my breakfast.

Q What time did you have breakfast?

A Around 7 o'clock, Sir.

Q After you had your shave, did you come back again?

A No Sir.

Q Pte Desjardine, who looked after your kit for you?

A The Q.M. as far as I know, Sir.

Q When did you last see the Q.M. before going A.W.L.?

A I don't know, Sir.

Q Did you draw any kit on 3 Dec 44?

A Not that I know of Sir. I got it all at once.

R P 83B complied with.

SUMMING UP BY PROSECUTION

I would like to draw the attention of the court again to the three points in the charge sheet which are to be proven to substantiate a charge of desertion. The fact that in the first place the accused was warned for draft, that in the second place in actual fact he went A.W.L. and in so far as possible as to establish the fact that there was intention. If we are to accept the sworn testimony of a senior NCO, he was present on parade and warned. The fact is established that he went AWL and the question of intention rests on the establishment of the first part of the charge, that is, that he was warned for draft. It is for the court to decide whether or not Pte Desjardine was present on parade on the morning of 3 Dec 44.

SUMMING UP BY DEFENCE

The accused has stated under oath that he was not in camp on the morning of 3 Dec 44, that he was not warned for draft. Hence he could not have intended to go absent to avoid proceeding on draft.

ADDRESS BY DEFENCE IN MITIGATION OF PUNISHMENT

This man went to his unit, the RCR, in May 44 and served with them as a Rfn until Nov. He claims that he was not in good health all this time, that his Company Commander recommended that he be transferred out of the rifle coy. Both were killed before anything was done about it. He has had no leave since leaving Canada over a year ago. He tried to get leave at his unit and was refused. He also has family troubles which causes him to worry. All these circumstances have preyed on the man's mind and I ask the court to consider this when passing sentence.

MEDICAL OFFICER'S CERTIFICATE

DEC 20th 1944

K.R. (CAN) Para 552

I hereby certify that I have this morning examined No A.108731.

PTE DESJARDINE L.H. on strength 4 Cdn

Rft Bn, 1 C B R Gp, and in my opinion he is FIT/~~UNFIT~~ to undergo

trial by Court Martial

Capt

Medical Officer 4 Cdn Rft Bn.

FIRST WITNESS FOR PROSECUTION

D71493 Sgt McIlroy A M, 4 Cdn Rft Bn, having been duly sworn, states:

I am D71493 Sgt McIlroy A M, P E Sgt of 'B' Coy. At approx 0800 hrs 3 Dec 44, in the performance of my duty as Orderly Sgt, I called the roll for the RCR. I called the name and number of Pte Desjardine. He was present and answered his name. I then warned all present to be available for draft for the field unit on 4 Dec 44. At approx 1400 hrs 3 Dec 44 I mustered my outgoing draft. I proceeded to put them through draft routine - through the Medical Officer, Dental Officer and Quartermaster Stores. At approx 1000 hrs 4 Dec 44, I mustered my outgoing draft. Pte Desjardine failed to answer his name. I searched the coy lines, also the billets. I could not locate him. I placed him as an absentee at 1000 hrs 4 Dec 44. I have not seen Pte Desjardine in the coy lines since.

Question by Prosecution

Q Did you recognize Pte Desjardine on parade in the morning and in the afternoon?

A Yes Sir. He was on parade and on the Medical Officer's parade.

Question by Court

Q If you saw Pte Desjardine would you recognize him?

A Yes Sir.

Q Is he in this court?

A Yes Sir.

R P 83 B complied with

SECOND WITNESS FOR PROSECUTION

P9577 BSM McDermott M M, 4 Cdn Rft Bn, having been duly sworn, states:

I am P9577 BSM McDermott, 'B' Coy, 4 Bn, 1 C B H Gp. At approx 0800 hrs 3 Dec 44 I was present on parade when Sgt McIlroy called the roll of the draft. Pte Desjardine's name was on that roll. Pte Desjardine was reported present

Cross-examination by Defence

Q How many men were on that draft?

A I could not tell you, Sir. There was approx 35.

Q Did you hear the accused answer his name? Would it be possible for someone else to answer his name?

A As far as I am concerned it was possible.

Question by Court

Q If you saw Pte Desjardine would you recognize him?

A Yes Sir.

Q Is he in this room?

A Yes Sir.

Q Will you point him out to the court?

A (Witness points out accused).

Q Are you willing to state on oath that the accused was present on that parade?

A No Sir.

RP 83 B complied with

THIRD WITNESS FOR PROSECUTION

A22296 Sgt White J P, 4 Cdn Rft Bn, having been duly sworn, states:

I am A22296 Sgt White J P, Bn Orderly Room Sgt of 4 Bn. I produce a certificate under A A Sec 163 (1) (jj) purporting to relate to the accused and showing that Pte Desjardine L H was arrested at ANCONA at about 1630 hrs 13 Dec 44.
(Produced, signed by President, marked Exhibit 'A' and attached to proceedings).

R P 83B complied with.

ADDRESS BY DEFENCE

I submit that the evidence of the prosecution has not established a prima facie case in that it might have been possible for someone else to answer the accused's name on that parade and that it was not shown that the accused went absent without leave with the intention of missing the draft in that he did not know when the draft was going.

REPLY BY PROSECUTION

I would like to draw the attention of the defence to the question I put to Sgt McIlroy, which was in fact a sworn testimony by Sgt McIlroy, that he recognized the accused on both the morning parade and the afternoon parade of the day the draft was warned. The fact that the Sgt Major will not swear that the accused was on parade does not detract from the positive identification and statement of Sgt McIlroy. The point was established on the sworn testimony of Sgt McIlroy that Pte Desjardine was in fact present on the morning parade and, at the same time, shows that he heard the warning for draft which can be taken as strong evidence of showing intent. I will read to the court Chap. 6 of "Evidence" in the M M L with the respect to "Intent" (quotes).

A108731 Pte Desjardine L H, having been duly sworn, states:

On 3 Dec 44 I got up at Reveille in the morning. I had my breakfast and went down town and had a shave. I told a fellow to answer my name on roll call if there was any. I stayed down town and went to a pub and I did not get back. I was not warned that I would be proceeding on draft on 4 Dec. I did not go through Medical Officer and Dental Officer. I do not know how many men there were in the RCR draft.

Cross-examination by Prosecution

Q Pte Desjardine what was the name of the man who you told to answer your name for you?

A I don't remember, Sir.

Q Do you know where he is?

A No Sir.

Q Why did you go absent without leave?

A I just wanted to get a shave and come back, Sir.

Q You were away 9 days?

A I got drinking and one thing and another.

Q Did you at any time after you left camp hear some of the boys you knew in the RCR were leaving on draft the next day?

A I never saw any of them.

Q Did you have a shave in FANO?

A Yes Sir.

Question by Court

Q What time did you go for your shave?

A Right after I had my breakfast.

Q What time did you have breakfast?

A Around 7 o'clock, Sir.

Q After you had your shave, did you come back again?

A No Sir.

Q Pte Desjardine, who looked after your kit for you?

A The Q.M. as far as I know, Sir.

Q When did you last see the Q.M. before going A.W.L.?

A I don't know, Sir.

Q Did you draw any kit on 3 Dec 44?

A Not that I know of Sir. I got it all at once.

R P 83B complied with.

SUMMING UP BY PROSECUTION

I would like to draw the attention of the court again to the three points in the charge sheet which are to be proven to substantiate a charge of desertion. The fact that in the first place the accused was warned for draft, that in the second place in actual fact he went A.W.L. and in so far as possible as to establish the fact that there was intention. If we are to accept the sworn testimony of a senior NCO, he was present on parade and warned. The fact is established that he went AWL and the question of intention rests on the establishment of the first part of the charge, that is, that he was warned for draft. It is for the court to decide whether or not Pte Desjardine was present on parade on the morning of 3 Dec 44.

SUMMING UP BY DEFENCE

The accused has stated under oath that he was not in camp on the morning of 3 Dec 44, that he was not warned for draft. Hence he could not have intended to go absent to avoid proceeding on draft.

ADDRESS BY DEFENCE IN MITIGATION OF PUNISHMENT

This man went to his unit, the RCR, in May 44 and served with them as a Rfn until Nov. He claims that he was not in good health all this time, that his Company Commander recommended that he be transferred out of the rifle coy. Both were killed before anything was done about it. He has had no leave since leaving Canada over a year ago. He tried to get leave at his unit and was refused. He also has family troubles which causes him to worry. All these circumstances have preyed on the man's mind and I ask the court to consider this when passing sentence.

Plea of Mitigation.

Pte Desjardins has been with 81st & Bridge Coy
Since June 1941 since it was formed in
Canada. He came overseas with Coy
has 'A' since that time he has had only
one charge placed against him, &
that has during Sports —
Circumstances of that charge were
that the man being young has first
Sentence, & being very tired was
negligent in carrying out orders
His was quite excusable under the
circs, before this charge, & since
his conduct has been exemplary
His age according to records 23 years
actual age under 20 years. two years
ago when he joined army, he
did not produce birth cert. as
he was too young, he would
not have been accepted. This alone
should be taken into consideration, as
the charge against him is purely
through ~~there~~ error, & as it proved, him
himself was the greater sufferer

Placing these cartridges in the store along with the other shells in the hut was done in a moment of recklessness & more in the light of a boyish prank rather than a grown up soldier.

I do assure he had no idea of the serious consequences due to the injury sustained by himself. I hope the court will take this in consideration, as I think it is a very good lesson to himself & his fellow soldiers. He has pleaded guilty & is relying on the clemency of the court.

Summary of evidence in the case of D123379 Pte. Amédée Desjardins, 85 Cdn. Bridge Coy. R.C.A.S.C. Canadian Army Overseas.

The Commanding Officer directs that evidence be taken on oath.

First Witness: D123419 Sgt. Knott R.J. 85 Cdn. Bridge Coy. RCASC having been duly sworn stated:
I am D123419 Sgt. Knott R.J. 85 Cdn. Bridge Coy. R.C.A.S.C.
Shortly before 1630 hrs on 27 May 43 I was in "C" Hq Lady Anne in Hut 19, which adjoins Hut 31.
I heard an explosion which sounded to me like a rifle shot coming from the direction of Hut 31. I proceeded there to investigate and found nobody in the Hut. I noticed smoke & fire in the stove. I smelled burnt cordite and saw a split cartridge case on the floor in front of the stove which was open. I looked through the door of the stove from an angle but did not see any other cartridges and I figured that the explosion was from an isolated cartridge which had been dropped in the stove.
I returned to my Orderly Room and within two or three minutes of my arriving there I heard further explosions. I returned to Hut 31 to investigate further and take steps
[illegible]

to remove the cause of same. At the entrance to Hut 31 I met Sgt. Cagley and Pte. Duganduru who were both receiving slight injuries, both of whom I had taken care of.

I sent Pte. Snedden for a bucket of water which I poured into the stove by the which I raked out the contents from the stove. From the contents in the stove and on the floor in front of the stove I removed seven exploded blank cartridges and five unexploded blank cartridges and at the extreme end of the list I found one unexploded blank cartridge all of which I produce herewith.

The accused declined to cross-examine the witness.

On 27 May 43 I was in Hut 91 all morning cleaning my wet equipment as I was going to guard in the afternoon. I lit a fire in the stove + hung my wet around the stove to dry.

At around 1300 hrs I took my wet fire around the stove and put it out in the same as there was no heat coming from the stove. I did not look into the stove to see if the fire was out.

Arnold Marshal were getting ready to go out and work. Pte. Desjardins was near his bed getting ready to go out and work to take his mid shirt back to the Orderly Room. I was also looking for my ammunition in order to get rid of it. I found 10 rounds of Blank ammunition and put it on a bed. Pte Desjardins picked them up off the bed and the next thing I saw was Pte Desjardins throwing the ammunition in the stove.

We then started out of the ~~stove~~ hut together and just as we got outside I heard an explosion but continued on my way. Pte Desjardins continued on to the Pte. orderly Room.

When I was talking to a friend outside another hut I heard some more explosions and when I returned to my hut there was an N.C.O some O/R's there and noticed water on the floor near the stove.

F-3. Defending Officer in Mitigation

Mr President, Gentlemen of the court Sirs: I respectfully submitthis document as a plea of mitigation of sentence in the case of C40025 Pte (L/Cpl) Edgar Desjardins.

Pte Edgar Desjardins made an application to be married almost three months ago to a girl in Anzegham. There was unknown delay in the acceptance of his application. Seven days prior to his going absent he received a report that his blood test had proved positive, he went immediately to the adjutant of his battalion and asked for a pass, he was refused on the grounds that he had had to many passes. His to many previous passes amounted to nine days leave in June a seventy two in July and a forty eight in the early part of August.

With the thought of perhaps having a Venereal disease, he, Private Desjardins decided that he would like to check up so he went to Anzegham and had another blood test. This time it proved negative and permission for him to marry came through on 7 Sep 45.

I ask you now gentlemen to consider this factor, put yourself in his place, imagine the turmoil in which your mind would be in if you had a blood test and it was recorded a positive and you were contemplating marriage.

Owing to the delay in his marriage papers coming through this soldier asked that he be taken off a Canada Repatriation Draft until such time as the papers were in order, and yet when he asked for a pass he was refused because he had had to many.

Pte Desjardins joined the Canadian Active Force on 7 Sep 45.37 37
During the fighting in Italy the Regiment to which Pte Desjardins belonged was under fire in the Hitler line for fourteen days. When they were taken out for a rest, he asked permission to visit his platoon officer and sergeant who were wounded and in a hospital only twenty miles away. He was refused. So he took it upon himself to go. He was away fifteen hours and for this he received twenty eight days field punishment. He felt that an injustice was done and he and others broke confinement for which he received a year in detention. He received full remittance for good behaviour and since that time has served as a regimental

policeman on the strength of 4 Battalion and has behaved himself as a model soldier. The question of his guilt of being AWL is unquestionable but in view of the factors I have just related to you, I ask you to be as lenient as possible.

Thank You Gentlemen
Respectfully

(John E Tappin) Lieut

I went with Cpl White to the accused's quarters and I could not locate him. I searched the area in the vicinity of his quarters but he was not there. I marked the accused absent as from 1100 hrs 18 Aug 45 and turned in the Absentee Report on 19 Aug 45 tothe RSM. I next saw the accused at 1730 hrs 5 Sep 45 in the compound of the RP's at 4 Bn where had was under close arrest. I was present at 4 Bn on duty continuously from 18 Aug 45 up until now and the accused was not present during this time and he had no pass to be away for any part of this period. There is no daily roll call of all the RP's but there is a roll call for each shift by the senior soldier of each shift and absentees are reported to me as the RP Sgt. There are only 34 RP's on the staff including the accused and myself and I gave instructions to my men that immediately the accused returned it was to be notified at once to me.

Defence:

First witness "C" Coy 48th.

B 38179 Cpl Cameron C. R. 1st Bn. The Canadian Scottish Regiment having been duly sworn states:

"Sir, I have served with the accused for 27 months, with pte Desjardins, I have got to know him quite well, whilst in the line I find him extremely careful at all times and that he is well liked by the men, sir."

Q. "What was pte Desjardins work as a soldier."

A. "very good, sir."

witness not cross-examined.

statement for mitigation of sentence by defending officer.

"Sir, I would like the court to take into consideration the age of the accused. He is now only 21 yrs. of age. He has had a record of service 2 yrs. 3 months, so that he was only 19 yrs. of age when he joined up. At that age he had not yet matured,

his character was not formed and had not steadied down in living his life. The first few months of army life made him used to continual changes and learning new things which kept him keen in his work. Then after arriving in England, monotony set in and he was still doing the same type of work. He was anxious to learn and to specialize along some definite lines. He was not however given the opportunity to do this in spite of frequent requests. The result of this was restlessness and on occasions a sudden desire to get away, either on parade or when well thought of by his N.C.O's and for this opinion has the making of a good soldier. His charge sheet with one exception consists only of minor offences. It is the desire of higher command to have members of this force fitted into their proper niche if possible. I would ask the court to take into consideration these points and I submit that the making of a good soldier will be greatly hindered by anything but a light sentence sir."

I recognize the accused. On 13-14 Aug 43 I was the Cpl of the Guard at the Guard Room 1 C.I.R.U. The accused was in the Guard Room under sentence. At 2000 hrs 13 Aug I checked the prisoners. At 0630 hrs I called the breakfast parade. It appeared to be small. I called the roll. The accused did not answer. I searched the entire Guard Room Building. I could not find the accused. I reported his absence and was myself placed in open arrest.

The Defending officer objected to the evidence stating that it differed from the evidence in the summary.

(R B GRANT) LIEUT

1 Cdn Para Fd Regt, CAO.

The Commanding Officer EXHIBIT "A"
1st Canadian Parachute Battalion.

Sir,

On the 8th November 1944 whilst acting as dispatcher I was asked to dispatch Pte Hodgkinson from the balloon. He appeared slightly nervous but continued conversation during the ascent. When we reached height the green light was shown. I instructed him to be prepared to jump. He could not bring himself to put his feet in the aperture and cried with apparent mortification. In spite of my efforts, he refused to jump so I gave the signal for the balloon to be grounded.

I have the honour to be Sir,
Your obedient Servant

B.135772 Sgt Baker A.T. of the Q.O.R. of C having been duly sworn states: I have been Pl Sgt for 3½ mths, of 12 Pl, B Coy, Q.O.R. of C, since that time Rfn Desjardins has carried out all my orders and has never refused any orders whatsoever. Plea of Mitigation by the Defence.

Pte Desjardin came to France with the understanding of being a driver Batman. He came into France on the 17th Aug 44 and arrived to the Unit on the 27 Aug 44. Pte Desjardins fought it out all this time. However being self conscious he seem to have taken it in his own hands to help his section, due to the fact that he is very small and he couldn't do what other Ptes did. Such as carrying the loads etc. He worked well, he wasn't yellow or coward should we say. Due to the fact his platoon Sgt states that he was the first to volunteer for any job whether in battle or otherwise. He weighs 104 lbs, he was Category, his age is 21 yrs. he is single and his understanding was to be a driver batman rather than an ordinary Pte in a Coy. His recorded showed that he tried, and I would wish the Court to take these facts in Consideration, of the Pte Desjardin, got discouraged and tried to help his platoon by

Question: On oath or not on oath?

Answer: On oath.

The accused having been duly sworn states-

On 12 May 1942 I volunteered for the engineers, and was accepted. While with the engineers in Canada I was a batman and I liked the work and the unit. I wanted to come overseas with the unit and finally I was told I would be going with them. Just before this, I could have had my discharge because I was too small but I liked my work and finally was allowed to stay. Just before going to England I was transferred to the infantry. When I arrived in England I was told I would be a batman driver and was given a driver's course. While I was in England I was a batman. My category at that time was B1 because of my size. I was anxious to get overseas and finally had my category raised and proceeded overseas. When I came up to the QOR of C, they were making an attack and I was put right into a section. I am small and unable to carry full equipment for any great distance. Others in the platoon have to carry part of my equipment. This sort of thing made me discouraged and caused me to go AWL.

The accused had proceeded on leave when he met a French Canadian of the F. M. He went for a period of a week in Scotland with his girl-friend. I presume that would not have happened if he would have been on his own. His conduct can not be considered a bad one because all his entries are of a very small importance. The accused has made application for a transfer to the F. M. R's where his two elder brothers are serving, and I feel that a big change will take place then. I ask the court to be as lenient as possible.

Plea of Mitigation

~~Closing address of the Defence~~.

D.61369 Pte Desjarlais Paul.

This man who is 30 years old, enlisted on Sep. 39. Left Canada with his Unit, and went to Iceland on June 40. His Unit then was Fusiliers Mont Royal. He was then a Corporal in the Transport section. He is qualified as a Driver Mechanic Group 2. One day, while with the F.M.R. he asked for a transfer to Regt. de Maisonneuve, where his brother was. For this he had to revert to Pte. Later while at this new Regt. he was sent on a ~~course~~ Dr. Mech. course, once this course was over, he automatically went back to a Holding Unit. At this place he was a L/Cpl and still in the Transport Sec. In Sept. 43, a draft was called, and on this draft list, Driver Mechanics were included. he immediately volunteered and gave his name. For this, he lost his stripe and his tradespay. This man was never on training as a rifleman and is naturally unfit for this work. Pte Desjarlais has a clean Crime sheet, as this is his first offence since the day he enlisted, more than 4 years ago. He is willing to go to the front line only in the capacity of Driver Mechanic.

So I ask clemency of this Court, because I know that this man is not a coward, that he is ready to fulfill his duty to the limit if he has the opportunity again to do.

When I called the name of the accused Pte Desjarlais P. whom I now recognize the accused answered " I don't go" or words to taht effect. D.61369 Pte Desjarlais Paul.

This man who is 30 years old, enlisted on Sep 39. Left Canada with his unit, and went to Iceland on June 40. His unit then was [illegible] Fusiliers Mont Royal . He was then a Corporal in the Transport section. He is Qualified as a Driver Mechanic Group "C". One day while with the F.M.R. he asked for a transfer to Regt de Maisonneuve, where his brother was. For this he had to revert to Pte. Later while at this new Regt. he was sent on a Dr. Mech. course, once this course was over, he automatically went back to a Holding Unit. At this place he was a L/Cpl and still in the Transport Sec. 2 Sep 43, a draft was called, and on this draft list, Driver Mechanics were included, he immediately volunteered and gave his name. For this, he lost his stripe and his tradespay. This man was never on training as a rifleman and is naturally unfit for this work. Pte. Desjarlais has a clean Crime sheet, as this is his first offence since the day he enlisted, more than 4 years ago. He is willing to go to the front line only in the capacity of Driver Mechanic.

So I ask the clemency of this Court, because I know that this man is not a coward, that he is ready to fulfill his duty to the limit if he has the oppotunaty again to do.

In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4) "FAR"

A 12345 Cpl H. Jones, RWR, sworn, states:

RECORD FORM B—PROCEEDINGS ON PLEAS OF GUILTY TO ALL CHARGES.

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)[1], and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.[2]
(*1. RP 35 fn 3. 2. MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).[1] If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty[2], or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined[3], we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination : and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.[4]

President to accused : Do you wish to make a statement ? Ans. *Nil Sir.* [5]
(*1. RP 37(B). 2. RP 37(D) fn 6. 3. RP 35(B) fn 5 para 3, MML p 54 para 47. 4. See para E3 of Record Form E.*

(*1. Court may be closed to consider the statement. Delete whole or part not used.*)

B4. (If) the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.[1]
(*1. RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex *A*., initialled and read aloud by the President.[1]
(*1. If there is no Summary, or if it is inadequate, comply with RP 37(B). If there is any evidence inconsistent with any plea standing as Guilty, Court will advise accused to change such plea and, if changed to Not Guilty, try such charge(s) by use of paras D1 to D8 inclusive of Record Form D on p 3. RP 37(D).*)

B6. The accused having been found Guilty on one or more of the charges, the proceedings are concluded by using Record Form E on p 3.

RECORD FORM C—PROCEEDINGS ON MIXED PLEAS OF GUILTY AND NOT GUILTY.

(*1. RP 37(A) (E).*)

C2. The charges on which accused pleaded GUILTY are read to him (them) again, and the trial is continued by using paras B1 to B5 of Record Form B above.[1]
(*1. Under B5 such parts only of the Summary of Evidence are read as relate to the charges dealt with under C2. PRESIDENT OR JA WILL INITIAL ALL DELETIONS AND ALTERATIONS.

RECORD FORM D—PROCEEDINGS ON PLEAS OF NOT GUILTY TO ALL CHARGES.

D1. President to accused : Do you wish to apply for an adjournment on the ground that any of the rules relating to procedure before trial have not been complied with, and that you have been prejudiced thereby, or on the ground that you have not had sufficient opportunity to prepare your defence ? E Proceedings on Conviction before Sentence ①

E1. C102091 Pte Desjardins Y.B. ROASC sworn states.

On the 11 Oct 44 after dinner before any parade I went out the front gate to get some apples and I met Pte Mallett & Pte Thompson. They had everything arranged to go away. Without stopping to think any longer I went with them. After being away with these two chaps for about 25 days I realized I was doing wrong so I told them that we should go back and give ourselves up, but they would not come so I left myself this morning. When I found out CBK by was in the same place I came in and gave myself up.

E3 Plea in mitigation etc

(14)

MR PRESIDENT

I have interviewed the accused PTE. DESJARDINS Y.B. C. 102091 and discussed his case with him. I present the following facts to the board and request that they be taken into consideration before passing sentence.

1. The accused is quite young, only 20 years of age.
2. He is a married man with a family and has been away from home for some time.
3. He has been a soldier in the Canadian Army for nearly 2 years, and during that time has never committed a crime. For this reason I can not rely upon absence without leave as I think that his "Full Conduct Sheet" speaks for itself.
4. The accused unfortunately appears to have been a victim of circumstances in as much as he was influenced by bad company which he fell into.

After absenting himself from Camp for about 21 days Mr Justice JOBIN relized that he was committing an offence and decided to surrender himself.

Mr Justin's family then moved to Montreal to reside for his absence from Camp prefered to remain away from Camp and as yet have not been apprehended.

I feel quite sure that Mr Justice left camp at once on "Ad" for the sole purpose of purchasing apples in a local shop and ~~had~~ to ~~to~~ that ~~to~~ that young A.W.L. was the farthest thought from his mind.

In passing sentence I ask the court to show mitigation in this case.

PLEA ~~IN~~ MITIGATION FOR B40143 SPR. DESJARDINS W.

Spr. Desjardins joined the Canadian Army on 27 Feb. 42. He left a good position as shift boss over 60 men at Creighton, Ont with the International Nickel Co. His employer could have kept him on the job on which home Spr. Desjardins had served faithfully for 14 years, but Spr. Desjardins elected to serve his Country instead. On proceeding Overseas in 1942, he left behind him a wife and 6 children. He arrived at No 1 CERU at the age of 40 years. He was considered too old for parade square routine, and was sent to 5 Fd. Construction Coy where he was employed as a saw doctor until 1944 with a good record. He was then sent to No 1 CERU after spending 1 week in hospital. The 5 Fd. Construction Coy asked for his services again due to his efficiency in his particular trade and he was placed on draft to 5 Fd. Construction Coy again. He was removed from this draft and placed on draft for Overseas in Oct 1944 and was ready to proceed. He was removed from this draft due to the fact that he had failed in a couple of TOETS. Following this disappointment Spr. Desjardins worked hard and passed his TOETS. He applied for leave. This was cancelled and he was placed on draft again for Overseas in November 1944. Most of his friends had proceeded Overseas and Spr. Desjardins was again ready and willing to go. He was again removed

from draft for reasons not known to him and sent on leave.

By this time, Spr. Desjardins felt that he had not a friend left, Xmas was at hand, he became homesick for his wife and children whom he had not seen for 3 years, and he could not stand the thought of pounding the parade square again. So Spr. Desjardins went A.W.L. until he gave himself up at the guard room of No. 1 C.E.R.C. with full equipment.

This soldier has had an excellent record throughout his service having been awarded one Good Conduct Badge.

If Spr. Desjardins at his present age of 42 yrs. and 8 months, is too old to proceed Overseas, and if he were given the chance to work at his trade with his former unit or other Unit, there is no reason why he could not carry out his duties to the satisfaction of all concerned.

I offer this Plea to the members of this Court, in order that leniency may be shown in passing sentence to this Soldier.

K. Forrestenson Lt.
Defending Officer.

The Officer Commanding directs that all Evidence be taken upon oath.

FIRST WITNESS A9486 Sgt Watson, A. 47 Cdn Army Tpt Coy RCASC, Cdn Army Overseas, having been duly sworn states:

"Sir, I am A9486 Sgt Watson, A. 47 Cdn Army Tpt Coy RCASC and am employed as Sgt i/c GD Platoon.

On the morning of 18 Feb 45 at about 0800 hrs I checked my Pl billets in preparation for my Morning Parade State. I noted that M67635 Pte Desjarlais, G. although present at 2300 hrs, 17 Feb 45, was now missing.

As Pte Desjarlais was in training for the forthcoming Boxing Competition, Cdn Army, and with permission had previously made use of the room used as a Gymnasium in "C" Pl Lines, I immediately checked with "C" Tpt Pl to ascertain if Pte Desjarlais was in their Lines. I was informed that he was not in "C" Pl Lines and accordingly reported him as absent without leave from 0800 hrs, 18 Feb 45.

On the morning of 25 Feb 45 at about 1000 hrs I entered the GD Pl billets. Pte Desjarlais was present in the GD Pl billets at that time. I received a report from L/Cpl Edwards and as a consequence I placed Pte Desjarlais under close arrest and instructed that he be placed in the detention room at Coy HQ for safe custody.

Pte Desjarlais did not have permission to be absent from his quarters after 0800 hrs 18 Feb 45. He was still so absent each succeeding day up to approximately 1000 hrs 25 Feb 45. Between 0800 hrs, 18 Feb 45 and 1000 hrs 25 Feb 45 I did not see Pte Desjarlais in or about the Coy or Pl lines neither did I receive any report that Pte Desjarlais was at any time after 0800 hrs 18 Feb 45 to approximately 1000 hrs 25 Feb 45, present in the Coy or Pl lines.

That is all I know of the case, Sir."

On the morning of 18 Feb 45 Pte Desjarlais was reported as absent without leave as from 0800 hrs.

On the morning of 20 Feb 45 I picked up Pte Desjarlais' kit, made an Inventory of the same and turned the kit along with the Inventory over to the CQMS at Coy HQ for safe custody.

On the morning of 25 Feb 45 at about 1000 hrs when checking the GD Pl billets I found Pte Desjarlais present. He reported to me then. At that moment Sgt Watson arrived and he placed Pte Desjarlais under arrest.

Pte Desjarlais did not have permission to be absent from his quarters after 0800 hrs 18 Feb 45. He was still so absent each succeeding day up to approximately 1000 hrs 25 Feb 45. Milner Capt

First Witness for Prosecution 102405 Sgt Smith H.
duly sworn, states:

I know the accused, Sgt Deslaurier.
On the night of 10 Sep after supper we had kind of a sing song party in our mess, that is E Mess. Sgt Deslaurier and me and four or five other sergeants were sitting around singing some songs and taking some drinks. I went out to take a bit of fresh air on the porch and Sgt Deslaurier joined me there after a few moments and said "I want to tell you something. Let's go out for a walk." We walked around the building and when we came in the shadow of the wall he pushed me against the wall and tried to unbutton my fly. He had his right hand on my shoulder and with his left hand was forking around & I didn't give him much chance because I pushed him away and said "Let's go inside". He tried it several times again and tried to persuade me to go in the back of the garden to let me have a wonderful time or something to that effect.

That is all the evidence I can give.

Cross exam:

I am Dutch interpreter at 3 Div HQ I came here 29 Aug 45. Sgt Deslauriers was in the mess at that time. After a few days I got to know him. I am not sure he was there on 29 Aug 45. He had not interfered with me at any time before. On the night of 10 Sep 45 there was a party in the mess. I was drinking and Sgt Deslauriers was drinking. I had 3 or 4 drinks of gin with fruit juice. Sgt Deslauriers was drinking. He had not molested me prior to the incident I have mentioned. When we were outside he tried almost immediately to unbutton my fly. We were outside 5 or 10 minutes. Sgt Deslauriers tried to stop me going in by holding my arm. It was not a serious attempt to prevent me going in. ~~He did~~ Most of the members of the mess would have made a boxing match of it but I have a 50 per cent disable arm and didn't want to have trouble with him. I had not previously heard anything about Sgt Deslauriers being queer.

Nothing occurred during that time.

RP 83 (B) complied with.

Second Witness for prosecution: A106195 Sgt. Hall R.E. HQ 3 Cdn Inf Div CAOF duly sworn states

I know the accused, Sgt Deslauriers. I know Sgt Smits. He is an interpreter. On about 10 Sep 45 I drove in my jeep along the side of the Sgts mess to the far end. Upon backing it around my headlights shone on the side of the mess where Sgt Deslauriers and Sgt Smits were standing. It was between 11 and 12 o'clock approximately. It was after 10:30. The two sergeants were about two long lengths away when my light shone on them. I dismounted my jeep and as I walked by I said "Good evening gentlemen" but there was no answer and I went to my room. The window of my room is directly above where the two were standing. It was open. It is about 12 or 15 feet above the ground. I was alone in the room and I overheard the conversation beneath the window arguing back and forth. I heard Sgt Deslauriers say to Sgt Smits

WH.

I told him not to and said "Let's go inside" but he didn't want to do so. Finally I went up the porch and asked him another time to go inside but he refused to come. During this time I had to stand with my body bent to keep my fly out of reach of his hands. After this I went inside. Before this there was quite a conversation. I didn't want to hurt his feelings and I told him several times not to make a fool of himself and to try to behave more like a man. I can't repeat the whole conversation. After I went inside Sgt Deslauriers joined the party there a couple of minutes later. When I went upstairs to bed later on I found him waiting in front of my room.

Def Offr objects to evidence of events later in the evening.

JA advises court that witness should be allowed to proceed.

Witness continues:

When I opened the door he followed on my heels but I pushed him off and brought him to his own room. After that I went to my own room and locked the door. A few moments later somebody tried to get in because the handle was turned several times

That is all the evidence I can give.

Cross exam:

I am Dutch interepreter at 3 Div HQ I came here 29 Aug 45. Sgt Deslauriers was in the mess at that time. After a few days I got to know him. I am not sure he was there on 29 Aug 45. I had not previously heard anything about Sgt Deslauriers being queer.

My attitude was to go inside and forget all about it. I don't know who tried to enter my room. It might have been someone else.

By the Court.

I am not sure when I went outside. It must have been close to eleven. It was after supper. I went to bed somewhere around twelve. We started drinking about half past ten. I am not sure of the time. I knew Sgt Deslauriers very well. He was one of 5 or 6 with whom I had closer friendship than the other members of the mess. We have been together to No 16 hospital to visit a member of the mess. When he tried to enter my room I just took him by the shoulders to his own room. He was quite easy to handle.

By the JA.

I don't know how much Sgt Deslauriers had to drink. He wasn't quite sober but he was definitely not drunk. I don't know how many drinks he had while we were around the piano.

By the Court

I don't know exactly what I told him when he tried to enter my room. I don't remember him saying anything at that time

Nothing occurred during that time.
RP 83(B) complied with.

Second Witness for prosecution: A106195 Sgt. Hall R.E. HQ 3 Cdn Inf Div CAOF duly sworn states:

I was alone in the room and I overheard the conversation beneath the window arguing back and forth. I heard Sgt Deslauriers say to Sgt Smits

"I've had my eye on you for a couple weeks now and all I want to do is take a look at it." Sgt Smits said "It wouldn't do you any good to look at it. I'm built and I'm human the same as anyone else." Sgt Deslauriers said "No, no let's go into the wild for about ten minutes and all you have to do is undress." With this Sgt Smits definitely said "No I'm going back in the mess". They moved ~~M~~ toward the steps leading into the mess with the argument continuing, one saying "let's go" and the other saying "No I'm not going". The last of the conversation I heard was Sgt Smits saying "No Jack I wouldn't want to do anything that we would both be sorry for when sober and we have both been drinking."

Cross-exam.

I passed close by the two sgts when entering the mess. Neither of them spoke to me. I overheard an argument below when I was in my room. What made me curious was when I heard the conversation about "I've had my eye on you for a long time."

My room is on the second floor, one floor above the main floor.

(Witness indicates that the two sgts were standing right by a window on the main floor.)

They were not whispering. It sounded like an argument. From what I heard I would say it was a proposition.

I have known the accused since 17 Jul 45. I have not had much to do with any members of the mess. I have had no trouble with the accused.

By the court.

I identified the persons speaking by their voices. I did not look down from my window during the conversation. I knew the sgts well enough to identify them immediately when my lights shone on them. One was leaning against the wall. I cant say just what position they were in. They were close together. I cant say whether one had his hand on the other or not. There was no singing in the mess when I went in. Both Sgt Deslaurier and Sgt Smuts were in the mess later on. Sgt Deslaurier was under the influence

of liquor but was not drunk. Sgt Smith had also been drinking but was not drunk.

RP 83(B) complied with.

WDH At 1215 hrs the court adjourns for lunch.
At 1400 hrs the court resumes. Present the same members as at adjournment.

First witness for prosecution 102405 Sgt Smith H recalled at request of President on his former oath states:

By the court

When Sgt Delaurier and I were outside the mess I remember a jeep came in I don't remember anyone entering the building. I didn't pay any attention. When we were outside the mess I remember I said "Don't behave like a fool. You have reached the age when you shouldn't ask for things like that." When he tried to WDH unbutton my fly he said "I've wanted been wanting to see that thing for almost two weeks" The main part of my conversation was that I tried to persuade him to go in the mess and have a few drinks and forget about it. I was standing just underneath the window of the dining WDH room when this conversation took place

The time we were outside was mainly filled with Sgt Deslauriers trying to persuade me to go behind the building where he would give me a wonderful time

No Cross-exam.

RP 83 (B) complied with.

Third witness for prosecution C 57173 Pte Buckley RC. HQ 3 Cdn Inf Div CAOF duly sworn states:

I know the accused, Sgt Deslauriers. Saturday before last we had a party. I work in the Sgts mess as barman. I finished work about half past one Sunday morning. I then proceeded to my barracks in the next house Approx 2 o'clock I was in bed. About 0220 hrs Sgt Deslauriers came in and started to get me out of bed by grabbing me and pulling me up. Then he grabbed me by the hair of the head three or four times and pulled me up and down on the bed. I then pushed him on the floor and pulled his hair and told him that it hurts. Then I went in another room to get

away from him. ~~Before that~~ I got under another man's bed who is a waiter in the mess. Sgt Deslauriers came back into my room and I could hear him talking to Pte White who lives in the same room as I do. I was only about three feet away from my own room and the door between was open. Sgt Deslauriers asked Pte White where I was and he said he didn't know and that I had probably gone back to the mess. Sgt Deslauriers then told Pte White that if I was in his room he would fuck me until my ass was sore. I know it was Sgt Deslauriers speaking because I recognized his voice. Sgt Deslauriers then left the room. I got out from under the bed, went to my own room to go to bed. I got under Pte White's bed. In ten or fifteen minutes Sgt Deslauriers came back into the room and asked for me. Pte White said he didn't know where I was. I stayed under the bed until 0600 hrs when Sgt Deslauriers left the room.

Cross-exam:

Sgt Deslauriers is mess secretary and is responsible for the barman

and mess waiters and has more to do with me than other members of the mess. That night there was a party Sgt Deslauriers was there. I was at the bar. Sgt Deslauriers had something to drink. I don't know how much. I was not asleep when Sgt Deslauriers came in. I was not surprised when he came in because he has a habit of coming in every night there is a party. On previous occasions he had come in and pulled my hair. I considered his action offensive. His similar actions on previous occasions such as putting his hand on my thigh made me want to get rid of him. I did not consider it serious enough to report to the president of the mess. Deslauriers did not ever ask me to go out alone with him or to do anything improper. I had never reported his actions to the mess president. He had never sought me out when I was alone in the room. After a party we are allowed to sleep in until 9 or 9:30 in the morning

~~I was away on leave~~

~~I was on leave on 10 Sept 45~~

I do not remember Monday night 10 Sept 45 Some nights we do go out to play ball.

~~RP 231(8) complied with~~

~~Recess~~.

The court is closed to discuss the second charge.

The JA explains the substance of the charge.

The court is re-opened.

Third Witness continues
By the Court.

When Sgt Deslauriers came in my room Pte White was there. I think his initial is "K". When Sgt Deslauriers came in he sat on my bed and started to pull the hair on my chest and fool around. He did not discuss any mess business. I don't know just what he said. I got under Pte Whites bed because I wanted nothing to do with Sgt Deslauriers. I was hiding from him. Sgt Deslauriers came back into the room about 1 o'clock I don't know exactly what time it was. I was under the bed when he came back. He wanted to know where I went and Pte White said he didn't know. Sgt Deslauriers left the room approx 0600 hrs. I was under the bed from a quarter to one until six o'clock. There was conversation between Pte White and Sgt Deslauriers all through the night. I think I slept. It didn't seem to be that long that I was under the bed.

RP 83(B) complied with.

Fourth witness for prosecution E163645 Pte White K.A. HQ 3 Cdn Inf Div CAOF duly sworn states:

I know the accused, Sgt Deslauriers. On the 15th Saturday there was a party at the Sgts mess. After the party was over I returned to my billets at approx one oclock. I was bartender. We spelled off on that job. Pte Buckley came to the billets later on. He sleeps in the same room as I do. Pte Buckley was ready for bed with his pyjamas on when Sgt Deslauriers came in. Buckley was not yet in bed. Sgt Deslauriers talked for a few minutes and then got hold of Buckley's hair and started to make him follow his commands by making him get down on the bed and stand up again. I then told Buckley I wouldn't take it if I was him. In return Buckley grabbed Sgt Deslauriers hair and threw him on the floor. In a few minutes Buckley let go and went out the bed room door. I cant remember the conversation. Sgt Deslauriers followed Buckley out the door and Buckley came in through the other bed room door. Sgt Deslauriers followed him. The second time Buckley went out through the door he disappeared

Sgt Deslauriers came into the room alone. He started to fool around with me, trying to slap my face and grab hold of me. I didn't go for that so I defended myself. He asked me where Buckley was and I said I didn't know so he asked me if he would possibly go to the mess. I said he might have gone to the mess to sleep. He then said "You're not my type" I told him I was damn sure he wasn't my type. He said Buckley was his type. He said if he was up at the mess he'd fuck him so hard before he slept that he wouldn't be able to sit on his ass. He then got up and went out. He said he was going to look for Buckley. While he was away Buckley came in the other bed room door got a blanket and got under my bed. Sgt Deslauriers came back in a few minutes. He came in and asked me if I'd seen Buckley. I told him "no". He sat down and talked for a few minutes. Then he got up and started fooling around again by trying to grab me and wrestle. Each time he came near me I grabbed him and threw him down. At approx 0600hrs he left the billets to go back to the mess to go to sleep.

Buckley got under the bed about 2:30. Sgt. Deslauriers sat down and talked for about half an hour. He talked quite sensibly about the mess and how things were going on. Then from about three o'clock until six o'clock he continued to wrestle with me and fool around.

About a week previous to that incident after a party Sgt Deslauriers came into our billets. Pte. Cousin, Pte Nordby, Pte Wright and I were present. He started fooling around with Pte Nordby slapping his face and hitting him on the head. Nordby stood it as long as he could I guess and he took hold of Sgt Deslauriers. The rest of the staff went out to the kitchen. Sgt Deslauriers and Nordby were left alone in the room. In a few minutes I saw Pte Nordby running around the mess in his underwear with Sgt Deslauriers chasing him. S/Sgt McNaughton came down stairs and appeared with a hammer in his hand. He wanted to know what all the rumpus was about. Then he went back up to bed. We all went to bed again. Sgt Deslauriers came in and started fooling around by wrestling with me. I got fed up and grabbed him

and threw him over the bed. He got up in a few minutes and hobbled out of the room. That was the end of that affair.

Cross-exam.

Deslauriers has never made any attempt to suck me off or bugger me. With ~~He~~ I ordered him out of the room the night he was wrestling with Nordby. I had never complained about his visits. I had no strong objections to his coming in the room. At first a while back he didn't make any wise cracks or anything. The 16th of Sept was the first time the accused expressed any desire for unnatural sexual acts. There wasn't a party on 10 Sep 45. There is always drinking going on. I don't believe I drove to Oldenburg that night.

By the court.

With On ~~the~~ the occasion when Nordby was present Sgt Deslauriers did not approach me on mess business. The fooling around with me on the morning of 16 Sep 45 was sometimes good naturedly and sometimes he got sore because he couldn't get hold of me.

Sgt Deslauriers had had some drinks on the occasion of 15 Sep 45. I don't know how much. On the occasion of the Nordby incident he had had a few drinks.

By Def Offr.

Previous to 15-16 Sep 45 Sgt Deslauriers approached me on a friendly basis as a social visit.

Fifth Witness for Prosecution M2642 Pte Nordby H H.Q. 3 Cdn Inf Div CAOF. duly sworn, states:

I know the accused Sgt Deslauriers. On a Saturday night there was a party in the Sgts mess. I was working in the kitchen Sgt Deslauriers came in our room around 2:20. He didn't say what he wanted. Pte White was in the room. There were just the two of us there. He came over to my bed and flopped down on my bed. He got up again and started pulling my blankets off. I pulled them back on. He reached out and slapped me in the face and grabbed the blankets again. There was no conversation. I got up out of my bed and started walking toward the door. He came after me.

I ran down the hall to the dining room. I was dressed in my underclothes. He chased me around in the dining room for a while until S/Sgt McNaughton came down. When he came in he asked what was going on. Sgt Deslauriers stopped chasing me and I went back to bed. I did not go to sleep at once. Sgt Deslauriers came back in but didn't come near my bed again. He was talking to Pte White. He stayed about fifteen minutes.

No cross-exam.

By the court.

Sgt Deslauriers did not discuss any mess business with me. When Sgt Deslauriers left the room for the last time I didn't observe the circumstances. I couldn't say he was drunk but he had been drinking. There was no conversation before he started to pull my blankets off.

RP 83(B) complied with.

The prosecution is closed.

WHL

First Witness for the Defence, the accused duly sworn states:

I have been in the Sgts Mess since 16 Jun 45. I am the mess secretary My duties are to look after ordering all supplies, hiring and firing looking after personnel. I am official host and do all the organizing for parties. The personnel of the mess are responsible to me. In the mess proper I act strictly as a senior NCO. At other times I am more or less one of the gang and treat them on an equal basis. I try to run the mess as a club as if I were the manager and they were working there. My visits to the rooms at night were to further good relations between the staff and members of the mess. The men never objected to my visits. I was not in the mess in the latter part of Aug and early in Sep. I was on course from approx 26 Aug to 8 Sep but was back on 1 or 2 Sep.

I remember the night of 10 Sep 45. I arrived at the mess at approx 1700 hrs. I had a few drinks and had.

tea about 1730 hrs. At approx 1900 hrs I went to Oldenburg to 16 Gen Hosp to visit a friend one of the members of the mess. I left the hosp between 2000 and 2015 hrs and went to 16 Gen Hosp Sgts mess in another building. Sgt Smith C W R was with me. We remained there drinking until shortly after 2100 hrs We left there and arrived at my mess at approx 2130 or 2145 hrs. I immediately took over the bar as the two men who ordinarily work on the bar, Pte White and Pte Buckley wanted to go out with their girl friends. I mixed drinks for all personnel present, approx 8. One of the members asked me to lead the singing at the piano. I informed him that I had to remain on the bar. While I was at 16 Gen hosp I was drinking in the bar and continued doing so in my own mess. I can remember being behind the bar for between 15 and 20 minutes I can remember nothing else until the following morning. I woke up on the settee in the lounge just outside the bar. I didn't know how I got there. I was told that I had passed out the night before and they had put me on the settee.

There was a party on the 15th Sept 45
It was such a good party that we
are not going to have any more for
another month. There were about 70
women at the party. I was drinking
that night. I was behind the bar
for a few minutes. I had started
drinking at 3 o'clock in the afternoon.
I do not remember visiting the
room of Mrs Buckley & White that
night. I was pretty drunk at 1 o'clock
and I can remember nothing until
10 o'clock when I was awake in my bed.

There was no party on 2 Sep. There
is drinking every night but that night
there was more drinking than on an
ordinary night when there is not a party.
~~there was a party~~. I remember going
into the room where four members
of the staff were. It has been my custom
after a party when everyone is retiring
at a late hour to inspect the
downstairs, mens quarters, lounge,
dining room and bar. The staff were
then living in the mess building.
The inspection was to see that there
were no lighted cigarettes or anything
that could cause damage, turning out
lights. At times it has been necessary
to keep some of the female personnel working
until a late hour. Rather than going

to the trouble I getting them Nil Go passes we bed them down in the mess. Also to see that personnel all OK. There have been times when they needed looking after. On various occasions I have sat down and talked to the boys and had more or less rough and tumble with them. There was no objection raised against me that night. I have never found the door locked against me. There has been no indication that the men objected to me entering their room and playing with them. If there had been I would have stopped.

Cross-exam.

From 2215 hrs to 0600 hrs in case I first charge I have no recollection.

I usually visited the men's quarters after a party Sometimes I stayed there or four hours. I remember hurting my foot when wrestling with Pte White. I weakened it then and it turned on me the next day. I am not sure whether there is a key to the door of the men's quarters. My normal time for visiting the men was after a party sometimes very late. Sometimes I went in early in the morning

I do not think it a strange way of cementing relations to keep the men up the balance of the night after they had worked all day. I never had any indication from the men that they wanted me to leave their room.

By the court.

I don't drink every day but I drink quite a bit. I drink whatever is in the mess. For some time we had some alcohol which we mixed with lime. On Sep 10 I had two drinks before supper and two or three afterwards. It was either gin or alcohol. At the hosp mess I drank gin or alcohol I had six or seven drinks there. I arrived back at my mess about 2145 hrs. I went behind the bar. I started drinking. I had several drinks. I don't recall leaving the bar. We always have cocktails in the bar. At that time we had gin and lime or fruit juice or alcohol and lime. We sell for chits and cash both. I don't remember what was done with the returns of the night's business. On Sep 10 I don't recall all the people who were in

I dont exactly recall whether Sgt Smith was in the mess or not.

RP 83(B) complied with.

Prosecutor's address.

I submit that the evidence before the court establishes all three charges against the accused. On the first charge the evidence of Sgt Smith is corroborated by Sgt Hall and I think the court will have no doubt as to what took place on that occasion. There is no denial of the facts by the accused. On the second and third charges I submit also that the facts are proved and the court will only have to decide whether or not the facts disclose offences under Section 40 of the Army Act.

M Lt

Defending Officer's address.

In this case the accused is in the unfortunate position of being unable to deny the statements made by the prosecution witnesses because he had been drinking and does not remember what happened. On the first charge I would ask the court for an acquittal on the ground that at most the act which the accused is alleged to have done was a stupid drunken act and not such conduct as would justify a man being branded for life. On the other two charges I point out that the members of the staff did not object to Sgt Desaurier's visits to their rooms and as mess secretary he had a right to make such visits.

I refer the court to MML p 60 paras 78 as to the amount of punishment to be awarded. Whatever punishment is given in this case is not likely to be of any use as a deterrent to other soldiers. Sgt. I ask the court to be lenient in deciding the degree of punishment in this case.

(P70)

Summary of Evidence in the case of No C 96464 Sgt Deslaurier, J., H., HQ 3 Cdn Inf Div CAOF, charged with Disgraceful Conduct of an Unnatural Nature (AA Sec 18 (5))

By direction of the Commanding Officer, the evidence is taken on oath.

FIRST WITNESS - 102405 Sgt Smits, H, HQ 3 Cdn Inf Div CAOF, sworn states:-

I am Sgt H Smits, Army No 102405, Dutch Interpreter attached to HQ 3 Cdn Inf Div CAOF. On the night of the tenth Sept 45, there was a party and sing song among several members of the Sgts' Mess, HQ 3 Cdn Inf Div CAOF, of which I am a member. Around 2200 hrs I went outside to get some fresh air. I was standing on the porch of the Sgts' Mess when Sgt Deslaurier joined me. He grabbed me by the arm and said "Let's go for a little walk, I want to tell you something" or words to that effect. We stepped off the porch and walked to the side of the building. He grabbed my shoulder and pushed me against the wall, after that he tried to unbutton my trousers at the fly, but I pushed him back. I held him at a distance and told him to go inside and not to behave like a fool. He answered me "I have been wanting to see that thing behind there for almost two weeks now". I tried to persuade him again to go inside but he said "When we walk into the shadow around the corner here, I can give you a wonderful sensation" or words to that effect. I refused again and, not wanting to hurt his feelings, I talked to him for some time telling him that he should go inside and try to avoid things like this happening-- then I went up the porch again while he was still standing down below. Again I tried to persuade him to come inside with me. Whilst I was doing this I was leaning on the balustrade of the porch and he continued to try and unbutton the fly of my trousers, so much so that I had to back away and bend forward to get that part of my body away from him. After that seeing that my efforts were not successful I went into the Sgt's Mess and rejoined the party. One or two minutes later Sgt Deslaurier followed me into the mess. When I went to bed about an hour later, I found him leaning on the balustrade of the staircase in front of the door of my bedroom. I told him to go to bed and not to bother me, and went into my room, a few seconds later he opened the door and tried to walk in. I brought him outside to his room which is on the same corrider as mine and then I went back and locked my door. About half a minute later I saw the door handle turn and this happened several times. I called several times "who is there" but no one answered, and then I went to bed. I did not mention the nights occurence as I thought that I was the only person that this had happened to, at no other time has Sgt Deslaurier accosted me.

The accused declines to cross examine the witness.

102405 Sgt Smits H

SECOND WITNESS - G57173 Pte Buckley RG, HQ 3 Cdn Inf Div CAOF, having been duly sworn states:-

I am G57173 Pte Buckley RG. I am employed as batman in the Sgt's Mess HQ 3 Cdn Inf Div CAOF. On Sunday 16 Sep 45 at approximately 0200 hrs I knocked off work after a party at the Sgt's Mess. I was in bed at approximately 0220 hrs when Sgt Deslaurier came into my room, which I share with Pte White. He came over to my bed and told me to get up. I layed there for a few minutes and he started to pull my hair, he did this three or four times and I got mad and threw him on the floor and pulled his hair, he then "fooled around me". By that I mean that he put his hand on my thigh and face. During this he was talking and mumbling and said "If I ever get you I will Fuck the arse off you" or words to that effect. I pushed him away and left the room but he followed me. I went through two or three rooms and got away from him, and then got under the bed of another soldier who sleeps in the next room. I heard Sgt Deslaurier go into my room and start talking to Pte White. He asked Pte White where I had gone and Pte White told him that I had probably gone to the Sgt's Mess. (the building in which my quarters are located is next to the one containing the Sgt's Mess). Sgt Deslaurier then said to Pte White, "If he is in my room I'll fuck him till his arse is sore". I heard Sgt Deslaurier leave my room so I went into it and said to Pte White "I may as well go to bed", he said "Well he is coming back" so then I got under Pte White's bed. In approximately ten minutes Sgt Deslaurier came back into the room and asked Pte White where I was. Pte White said he did not know. From that time until approximately 0600 hrs he stayed in the room talking to Pte White. After he left I went to bed. Every-time we have had a party at weekends Sgt Deslaurier has come to our room after the party and stayed several hrs. I went to Sgt Deslaurier on Sunday noon to get the keys for the bar to open it, and he asked me where I had been. I told him I was out walking. After he gave me the keys I went behind the bar and he followed me. He started to play around and put his hands down on my legs. I then pushed him away. I left the room and did not see him again.

Cross-examined by accused:-

Q. Is it not my habit as secretary of the Sgt's Mess to go around to all rooms on the ground floor after a party to check and see that everything is alright.

A. After a party Sgt Deslaurier was in the habit of coming to my and other rooms occupied by Sgt's Mess help and staying two or three hrs.

Q. Did this habit of mine annoy you?

A. Yes. I was unable to get to sleep as Sgt Deslaurier would sit on my bed and pull my hair and fight.

Q. Is it not true that several times I have had to see that various men working for the mess had to be told to go to bed?

A. That is true.

Q. Did you ever think that my reason for visiting the mess staff was for any other purpose than to further good relations between the staff and committee of the Sgt's mess.

A. I don't know. Several times I have heard Sgt Deslaurier say about me "He knows he has a good job" or words to that effect and if that was so, I do not consider it necessary for him to spend 2 to 3 hrs in our rooms to further good relations.

Q. When I made such a statement as just mentioned by you do you think I was serious or joking?

A. I thought you were serious.

The accused declines to further cross examine the witness.

G57173 Pte Buckley RG

THIRD WITNESS - M2642 Pte Nordby H, HQ 3 Cdn Inf Div CAOF, being duly sworn states:-

I am M2642 Pte Nordley H, employed as a permanent fatigue man in the Sgt's Mess HQ 3 Cdn Inf Div CAOF. Two or three weeks ago after a party at the Sgt's Mess on Sat night at approximately 0230 hrs on Sun morning, Sgt Deslaurier came into the room occupied by the Mess Staff. (there were four of us sleeping in this room). He came over to my bed and pulled the blankets off me, and then flopped down on the bed beside me, and as he did so he slapped me in the face. I jumped out of bed and he came after me. I went through the dining room with Sgt Deslaurier chasing me. I was scared of him. I didn't know what he would do if he caught me but I wasn't taking any chances. After I got into the dining room I saw CQMS McNaughton come down the stairs and he asked what was going on. After that I went to bed. Shortly afterwards Sgt Deslaurier came back into my bed room and went to Pte White's bed. I saw Pte White grab Sgt Deslaurier and throw him right over the bed. Sgt Deslaurier must have hurt his foot because he was limping when he got up, after that Sgt Deslaurier left the room.

Cross-examined by accused:-

Q. Would you say I was sober or intoxicated when I entered the room?

A. I couldn't say you were intoxicated but you had been drinking.

Q. Why do you think I pulled your blankets off you?

A. I don't know.

...../4

Q. When I slapped your face did you think I was fooling with you or threatening you?

A. I think you were more or less fooling.

Q. After I chased you into the dining room did you think I was fooling then?

A. No.

Q. At any other time have I ever or did you consider I threatened you?

A. No.

Q. Do you think that my visits to the Staffs quarters after a party, were for any other reason than to further good relations?

A. It is my opinion that you wouldn't stay for two or three hrs to further good relations.

Q. Did you object to me visiting the staff's quarters and staying for two or three hrs and if so what were your objections?

A. Yes. I wanted to go to sleep.

Q. Do you think that your attitude towards my visiting the staff was that of the rest of the staff?

A. Yes. I think they all felt the same way.

The accused declines to further cross examine the witness.

M2642 Pte Nordby H

FOURTH WITNESS - B163645 Pte White KA, HQ 3 Cdn Inf Div CAOP, having been duly sworn states:-

I am B163645 Pte White KA employed as Head waiter in the Sgts Mess HQ 3 Cdn Inf Div CAOP. There was a party in the Sgt's Mess on Sat 15 Sep 45. After the party I and Ptes Wright and Herbert, went to our billets which are next door to the Sgt's Mess shortly after Pte Buckley came to the billets also. The time was approximately 0200 hrs Sun 16 Sep. Shortly afterwards Sgt Deslaurier came into our room and after a few minutes he started to fool around with Pte Buckley, by that I mean that he caught Buckley by the hair and made him do as he told him such as directing him to sit down, stand up, enforcing the demands by pulling Buckley's hair. Buckley was in his pyjamas at the time. He in turn caught hold of Sgt Deslaurier's hair and threw him on the floor. After that Pte Buckley let go of Sgt Deslaurier's hair and got away from Sgt Deslaurier by going into the next rooms. Sgt Deslaurier was following him at the time. After that Buckley disappeared and Sgt Deslaurier came to me and asked me where he was.

...../5

I told Sgt Deslaurier that Buckley may have gone to the Sgt's Mess to sleep for the night, at that Sgt Deslaurier went out of the room. While he was away Buckley came into the room took one blanket and got under my bed. Approximately 5 minutes later Sgt Deslaurier came back, so I asked him if he had found Buckley and he said "No", so he sat down and started talking to me, then he came over to my bed and started to fool with me apparently wanting to wrestle. I grabbed him by the arms and threw him onto to Pte Buckley's bed, and when I had him down once he said "You are not my type", and I said, "I'm damn sure you are not my type", he said "Buckley is my type". He then said he would "Fuck Buckley until his arse was so sore he wouldn't be able to sit on it in the morning". He still kept wrestling, so I got mad and told him he had better go home, before I dorve him through the window, so at that he left. By this time it was approximately 0600 hrs. This type of occurence has been going on nearly every night after a party in the Sgt's Mess. The previous Sat night he came into our quarters which at that time were in the Sgt's Mess. He fooled around with the staff, sitting on their beds and wrestling especially Pte Nordby. He slapped Nordby's face and hit him on the head. So Nordby at last took hold of him and held him down. The rest of the men went to the kitchen outside and in a few minutes we saw Pte Nordby running around in his underwear and bare feet with Sgt Deslaurier chasing him. When Nordby was sitting down in the bar CWMS McNaughton came downstairs, he had a hammer in his hand which he said he had taken off Sgt Deslaurier. We then went to our room and Sgt Deslaurier came in a few minutes later. The other fellows let on that they were sleeping so I was the only one for him to wrestle or fool with. I told him to "Bugger" off two or three times, he would not go and this was making me mad, so I grabbed him by the arm and threw him over my bed. In a few minutes he got up and hobbled out of the room.

Cross-examined by accused:-

Q. Do you consider that when I was pulling Pte Buckley's hair I was doing it maliciously or just joking?

A. I consider it was vicious.

Q. Would you consider I was quite sober when I was doing this?

A. I wouldn't consider you strictly sober. You had been drinking, but you knew what you were doing.

Q. Do you think that my visits to the staff's quarters after a party were for any other reason than to further good relations?

A. In your position as secretary of the Sgt's Mess you have the right to visit our quarters but not to stay two or three hrs.

Q. Did you object to my visits to your room?

A. No. Only when you stayed too long did it annoy me.

Q. Why do you think I made such lengthy visits?

A. At the times of the visits I did not know, but I was rather suspicious.

The accused declines to further cross-examine the witness.

Pte White KA

FIFTH WITNESS - L36187 CQMS McNaughton HA, HQ 3 Cdn Inf Div CAOF, being duly sworn states:-

I am L36187 CQMS McNaughton HA, HQ 3 Cdn Inf Div CAOF where I am a resident in the Sgt's Mess. One night approximately three weeks ago I had been writing letters until a late hr in my room, after finishing I went to bed and was trying to go to sleep when I was interupted by a commotion downstairs so I arose and dressed and went downstairs to investigate. As I entered the hallway I saw one of the mess staff (who's name I do not remember) run from the kitchen hallway into the barroom dressed in underwear only presumably being chased by Sgt Deslaurier who stopped in the hallway and picked up a hammer which was laying on the table in the hall. I didn't know what was going on so I went to Sgt Deslaurier and took the hammer away from him. It is my opinion that Sgt Deslaurier was under the influence of alcohol. After that I went through to the bar and asked the chap who was in his underwear what was wrong, but he would not give me any reply. I went to the staff's quarters and they all seemed aroused and awake. I informed them it was a late hr and that they were making too much noise. I then went back to bed leaving Sgt Deslaurier in the staff's room.

Cross-examined by accused:-

Q. When I picked up the hammer, did I go near Nordby at all?

A. No, I did not give you the chance.

I am C96464 Sgt Deslaurier JH Clerk in AQ Branch and Secretary of the Sgt's Mess HQ 3 Cdn Inf Div CAOF. On Mon 10 Sep 45 I left the Sgt's Mess at approximately 1900 hrs and went to 16 Cdn Gen Hosp to visit a patient who is a member of my mess, before leaving the mess I had been drinking in the bar from approximately 1730 hrs. At approximately 2015 hrs I left the hospital ward and in company with Sgt Smith Educational Sec I went to the Sgts Mess of the Hospital. We drank there until approximately 2115 hrs and then returned to my mess. Upon arrival at the mess I took over as barman as the barman and steward both requested permission to go out. I remember nothing more until approx 0630 hrs 11 Sep 45 when I awoke and found myself lying on the divan in the lounge of the mess. I immediately arose and went to bed. At approximately 1230 hrs the same day I was informed by Sub Condr Rabie that I had "passed out" the evening before and that he placed me on the divan. I do not remember whether or not he mentioned the hr at which I "passed out". On the 15th Sep 45 a dance was held in my mess at which I did considerable drinking. I remember very little from 2300 hrs until 0100 hrs 16 Sep 45, at that time the female guests left the mess and I returned to the bar. I resumed drinking with the few remaining male guests and a few of the members of the mess. The next thing I remember was 1000 hrs the same day when Sub Condr Rabie awoke Sgt Smith and myself and invited us to his room for a few drinks. There were approximately ten other soldiers in his room. We drank until approximately 1100 hrs. I remember nothing else until 0300 hrs the following morning when I awoke on my own bed. I arose and went to the sink to wash. In doing so I awakened Sgt Smith who informed me that I had come to my room to lie down just before lunch the previous day. That is all I know about the alleged incidents.

"3 Cdn Inf Div of which I am a member. Around 2200 hrs I went outside to get some fresh air. I was standing on the porch of the Sgts mess, when Sgt DesRosiers joined me., he grabbed me by the arm and said "Lets go for a little walk - I want to tell you something" or words to that effect we stepped off the porch and walked to the side of the Sgts mess, - when we got into the shadow of the building, he grabbed my shoulder and pushed me against the wall ~~of the~~ after that he tried to unbutton my trousers ~~at the~~ fly. but I pushed him back. I told him to go inside and not to behave like a fool - he answered me "I have been wanting to see that thing blkkid there for almost two weeks now" I tried to persuade him again to go inside - but he said "when we walk into the shadow around the corner here I can give you a wonderful sensation" or words to that effect - I refused again and not wanting to hurt his feelings ~~I~~ ~~could not~~ I talked him for some time telling him that he should go inside and try to avoid things like this happening. - Then I went up to the porch again. while he was still standing down below - again I tried to persuade him to come inside with me, - whilst I was doing this I was leaning on the bannisters of the porch and he

continued to try and unbutton the fly of my trousers, so much so that I had to back away and bend forward to get that part of my body away from him. - After that seeing that my efforts were not successful I went in to the Sgts mess and announced the party one or two minutes later Sgt DesLauriers followed me into the mess - when I went to bed about an hour later. I found Lim leaning on the bannistrade of the staircase in front of the door of my bedroom. I told Lim to go to bed and not to bother me. and went into my room, a few seconds later he opened the door and tried to walk in. I brought Lim outside to his room which is on the same corridor as mine and then I went back and locked my door, about half a minute later I saw the door handle turn and this happened several times - I called several times "who is there" but none answered. - and then I went to bed. - I did not mention the night occurence as I thought that I was the only person that this had happened to. at no other time has Sgt DesLauriers accosted me.

THE ACCUSED NOW, DULY SWORN STATES:- I am C/64464 Sgt Desbarres J. M. Clerk in A/Q Branch and Secretary of the Sgts Mess HQ 2 Cdn Inf Div (CANOF) On Sunday 10 Sept 45 I left the Sgts Mess at approx 1900 hrs and went to 16 Cdn Gen Hospital to visit a patient who is a member of my unit. Before leaving the mess I had been drinking in the bar from approx 1730 hrs. At approx 2015 hrs I left the hospital ward and in company with Sgt Smith Educational Sec I went to the Sgts mess of the Hospital. We drank there until approx 2115 hrs and then returned to my mess upon arrival at the mess I took over as barman as the barman and steward both requested permission to go out. I remember nothing more until approx 0630 hrs 11 Sept 45 when I awoke and found myself lying on the divan in the lounge of the mess. I immediately arose and went to bed. At approx 1230 hrs the same day I was informed by Sub Cond. Rabet that I had "passed out" the evening before and that he placed me on the divan. I do not remember whether or not he mentioned the hour at which I passed out.
On the 15th Sept 45 a dance was held in my mess at which I did considerable

over to my bed and told me to get up. ~~at~~ I lay there for a few minutes and he started to pull my hair - he did this three or four times and I got mad and threw him on the floor and pulled his hair, he then "fooled around me" - by that I mean that he put his hand on my thigh and face - during this he was talking and mumbling and said "If I ever get you I will tear the arse off you" or words to that effect. I pushed him away and left the room but he followed me. I went through two or three room and got away from him and then got under the bed of another soldier who sleeps in the next room. I heard Sgt Desbarres go into my room and start talking to Pte White. He asked Pte White where I had gone and Pte White told him that I had probably gone to the Sgts mess. (the building in which my quarters are located is next to the one containing the Sgts Mess) Sgt Desbarres then said to Pte White - "If he is in my room I'll fuck him till his arse is red." - I heard Sgt Desbarres leave my room so I went into it and said to Pte White I may as well go to bed. He said "Well he is coming back" so then I got under Pte White's bed - in approx ten minutes Sgt Desbarres came back into the room and asked Pte White where I was - Pte White said he did not know. - from that time until approx 0600 hrs he stayed in the room talking to Pte White: after he left I went to bed.
~~Every~~ Every time we have had a party at weekends Sgt Desbarres has come to our room after the party and stayed several hours - ~~then~~ I went to Sgt Desbarres on Sunday noon to get the keys for the bar to open it - and he asked me where I had been - I told him I was out walking - after he gave me the keys I went behind the bar and he followed me - he started to play around and put his hands down on my legs. I then pushed him away - I left the room and did not see him again.

Question by accused
Is it not my habit as Sec. of the Sgts

mess to go round to all rooms on the ground floor after a party to check and see that everything is alright

Ans:- After a party Sgt Deslauriers was in the habit of coming to my rooms and after occupiers left their mess and changing two or three times.

Question - Did this habit of mine annoy you

Ans - Yes. I was unable to get to sleep as Sgt Deslauriers would sit on my bed and pull my hair and fight

Question - Is it not true that several times I had to see that various men working for the mess had to be told to go to bed.

Ans: That is true

Question ~~Have you ever~~ Did you ever think that my reason for visiting the mess staff was for any other purpose than to further good relations between the Staff and members of the Sgts mess

Ans: I dont know - several times I have heard Sgt Deslauriers say about me "He knows he has a good job." or words to that effect and if that was so, I do not consider it necessary for him to spend 2 or 3 hours in our rooms to further good relations.

Question When I made such a statement as first mentioned by you do you think I was serious or joking

Ans I thought you were serious.

The accused declines to further cross examine the witness.

FIFTH WITNESS L367187 C.Q.M.S. ~~Pte~~ McNaughton H A HQ 3 CDN INF DIV (CA.O.F.) BEING DULY SWORN STATES:-

I am L367187 C.Q.M.S McNaughton H.A. 3 Cdn Inf Div (C.A.O.F.) where I am a resident in the Sgts mess - one night approx three weeks ago I had been writing letters until a late hour in my room - After finishing I went to bed and was trying to go to sleep when I was interrupted by a commotion down stairs so I arose and dressed and went downstairs to investigate, as I entered the hallway I saw one of the mess staff (whose name I do not remember) run from the kitchen hallway into the barroom dressed in underwear only presumably being chased by Sgt Deslauriers who stopped in the hallway and picked up a hammer which was laying on the table in the hall - I didnt know what was going on, so I went to Sgt Deslauriers and took the hammer away from him. It is my opinion that Sgt Deslauriers was under the influence of alcohol - after that I went downstairs to the bar and asked the chap who was in his underwear what was wrong - but he would not give me any reply. I went to the Staff quarters and they all seemed aroused and awake. I informed them it was a false hour and that they were making too much noise I then went back to bed leaving Sgt Deslauriers in the Staffs room.

Question When I picked up the hammer did I go near Nordby at all

Answer No. I did not give you the chance.

Question Would you consider I had any murderous or evil intentions when I picked up the hammer

Answer I don't know. My presence seemed a surprise to you

Question At any time during the incident did the chap in question seem at all scared

THIRD WITNESS:- M26417 Pte Nordby H HQ 3 CDN INF DIV BEING DULY SWORN STATES.

I am M26417 Pte Nordby H employed as a permanent fatigue man in the Sgts mess HQ 3 Cdn Inf Div. Two or three weeks ago

for Lim to wrestle or fool with. I told Lim to Bugger off two or three times - he would not so and this was making me mad so I grabbed Lim by the arm and threw Lim over my bed - in a few minutes he got up and dabbed out of the room.

Question Do you consider that when I was pulling Pte Buckley's hair I was doing it maliciously or just joking

Answer I consider it was vicious

Question Would you consider I was quite sober when I was doing this?

Answer I wouldnt consider you strictly sober - you had been drinking, but you knew what you were doing.

Question Do you think that my visits to the staff quarters after a party were for any other reason than to further good relations

Answer In your position as Sec. of the Sgts Mess you have the right to inspect our quarters but not to stay two or three hours.

Question Did you object to my visits to your room

Answer no! only when you stayed too long did it annoy me.

Question Why do you think I made such lengthy visits

Answer At the times of the visits I did not know but I have since my opinion.

The accused declines to further cross examine the witness.

Pte White K.A.

after a party at the Sgts mess on Saturday night at approx 0230 hrs on Sunday morning Sgt Deslauriers came into the room occupied by the mess staff. (there were four of us sleeping in this room.) He came over to my bed and pulled the blankets off me and then flopped down on the bed beside me and as he did so he slapped me in the face. I jumped out of bed and he came after me. I went through the dining room with Sgt Deslauriers chasing me. I was scared of Lim - I didnt know what he would do if he caught me but I wasnt taking any chances. after I got into the dining room I saw C.Q. N.S. Hampton come down the stairs and he asked what was going on. - after that I went to bed. Shortly afterwards Sgt Deslauriers came back into my bed room and went to Pte Whites' bed - I saw Pte White grab Sgt Deslauriers and throw him right over the bed. Sgt Deslauriers must have hurt his foot because he was limping when he got up. After that Sgt Deslauriers left the room.

Question Would you say I was sober or intoxicated when I entered the room?

Answer I couldnt say you were intoxicated but you had been drinking

Question Why do you think I pulled your blankets off you?

Answer I dont know

Question When I slapped your face did you think I was fooling with you or threatening you?

Answer I think you were more or less fooling

Question After I chased you into the dining room did you think I was fooling then?

Answer no!

Question At any other time have I ever or did you consider I threatened you?

Answer no!.

Question — Do you think that any visits to the Staffs quarters after a party, were for any other reason than to further food relations?

Answer — It is my opinion that you wouldn't stay for two or three hours to further food relations.

Question — Did you object to me visiting the staffs quarters and staying for two or three hours and if so what were your objections?

Answer — yes. I wanted to go to sleep.

Question — Do you think that your attitude towards my visiting the staff was that of the rest of the staff?

Answer — yes. I think they all felt the same way.

FOURTH WITNESS:- B163645 PTE WHITE K.A. HQ 3 CDN INF DIV (CAOF) HAVING BEEN DULY SWORN STATES:-

I am B163645 Pte White K.A. employed as Head waiter in the Sgts mess HQ 3 Cdn Inf Div. - There was a party in the Sgts mess on Saturday 15 Sept 45. After the party I and Ptes Wright and Herbert went to our billets which are next door to the Sgts mess shortly after Pte Buckley came to the billets also, the time was approx 0200 hrs Sunday 16 Sept. Shortly afterwards Sgt Desrosiers came into our room and after a few minutes he started to fool around with Pte Buckley, by that I mean that he caught Buckley by the ears and made him do so he told him and so directing him to sit down, stand up, enforcing the demands by pulling Buckleys' ears. - Buckley was in his pyjamas at the time. He in turn caught hold of Sgt Desrosiers hair and threw him on the floor. after that Pte Buckley got go of Sgt Desrosiers' hair and got away from Sgt Desrosiers by going into the next room. Sgt Desrosiers was following him at the time. after that Buckley disappeared and Sgt Desrosiers came to me and asked me where he was. I told Sgt Desrosiers that Buckley may have gone to the Sgts mess to sleep for the night, at that Sgt Desrosiers went out of the room, while he was away Buckley came into the room took one blanket and got under my bed approx 5 minutes later Sgt Desrosiers came back, so I asked him if he had found Buckley and he said no. so he sat down and started talking to me. then he came over to my bed and started to fool with me apparently wanting to wrestle. I grabbed him by the arms and threw him onto to the Buckleys' bed. and when I had him down said he said "you are not my type" and I said "Buckley is my type" he then said he would "suck Buckley until his arse was so sore he wouldn't be able to sit on it in the morning" He still kept insisting, so I got mad and told him he had better go home. before I drove him through the window - so at that he left.

By this time it was approx 0600 hrs.

This type of occurance has been going on nearly every night after a party in the Sgts mess the previous Saturday night he came into our quarters which at that time was in the Sgts mess - he looked around until he caught sight of Cpl Nordby, he stopped Nordby; especially Pte Nordby, he slapped Nordby's face and hit him in the head. So Nordby at last took hold of him and held him down - the rest of the men went to the kitchen outside and in a few minutes we saw Nordby running around in his underwear and barefeet with Sgt Desrosiers chasing him

when Nordby was either down in the C.Q.'s mess hall or down stairs - he had a hammer in his hand which he said he had taken off Sgt Desrosiers - we then went to our room and Sgt Desrosiers came in a few minutes later - the other fellows left in that they were sleeping so I was the only one

B1. The President or JA, if any, complies with RP 35(B) by explaining to the accused the nature and meaning of the charge(s)(1), and that on his plea of Guilty there will be no regular trial but merely a consideration of the sentence to be awarded after he has been given an opportunity to make a statement in reference to the charge(s), call witnesses as to character and make an address in mitigation of punishment.(2)
(1. *RP 35 fn 3.* 2. *MML p 54 para 47.*)

B2. President to accused : The Court will now receive any statement you desire to make in reference to the charge(s).(1) If it appears from your statement that there are circumstances which indicate that you do not understand the effect of the plea of Guilty(2), or which show provocation or extenuation in respect of which in your interest the witnesses for the Prosecution should be examined(3), we shall advise you to change your plea to Not Guilty. In making a statement you will not be sworn or subject to cross-examination ; and anything you say will not be used in evidence against you after you change your plea. If, however, it appears to the Court that your statement affects only the amount of punishment to which you are liable, you will not be advised to change your plea and you will be given an opportunity later to prove your statement by sworn testimony, if you so desire.(4)

President to accused : Do you wish to make a statement ? Ans [redacted] (5)

B4. On the charge(s) to which the plea(s) of Guilty is (are) not changed the President records finding(s) of Guilty in Part I of the Schedule.(1)
(1. *RP 35(B). If any plea(s) is (are) changed, use Record Form C or D as appropriate.*)

B5. The Summary of Evidence is marked Ex [redacted], initialled and read aloud by the President.(1)
(1. *If there is no Summary, or if it is inadequate, comply with RP 37(B). 2-1 STATEMENT OF ACCUSED (OR DEFT)

Since I've been in the Army I've always been in trouble, Sir. When I joined up my wife was 8 mths without having any money at all and 3 kids, and I lost my furniture and my wife was thrown out by the landlord, and we had a 2 wks old baby when this happened. Then I started going AWL because I had to find a place for her and so finally my family was fixed up, I came o/s and was 2½ yrs without a crime, then 6 mths after I got letters from my wife saying she didn't get any money at all for 6 mths. I went to see the Pmr about this and showed him the letter she wrote to me. I heard nothing about it so I decided to make inquiries on my own, and I wrote to the Women's Auxiliary Social Organization in Montreal and got a reply through my CO that my wife hadn't been there for a week and that the kids were filthy dirty and had no bed to sleep in. I kept after the Pmr, she sent me another letter that she had read $48 paid to her in weeks. After that I read another letter that she had $80 a month and she's been getting that amount, $80, ever since. I got another letter from her blaming me for her allowance being cut off, and I kept on about it to the Pmr that she should get $118. About 6 mths ago I got another letter from her that she doesn't want to see me again, saying that when I'm through over here I needn't come back home. When I got that letter I just went AWL.

CROSS-EXAMINED

Q. Did you ever ask your Coy offr to write your wife for you?

A. No. Before I finish I would like to know now what has happened to the money she didn't get. For 6 mths at all no money, then for 6 mths $48, and then for another 6 mths $80, what happened to the rest of it is what I want to know.

IN THE OPINION OF THE COURT IT IS UNNECESSARY TO COMPLY WITH RP 83(B).

Case of D.52101, Pte. DESLAURIER.

First Witness for the Prosecution

P.48791 Sgt. Careau, M., R.22.R., having been duly sworn, states:

The witness identifies the accused.

As platoon sergeant of No.18 Platoon on the 9 Oct 43 we were advancing towards the enemy. The accused was in my platoon, during the morning we were under enemy shelling which was not really for us. The accused was warned a few times to keep up with his section. About 1230 hrs I noticed that the accused was missing from the platoon. Before he left I warned him myself, he told me that he could not go any further forward because of the enemy shelling. He did not have the nerve to go further. He reported back to me at 1300 hrs 17 Oct 43. On the 22 Oct 43 the accused reported to me from the guard room saying that he had been released from close arrest. I was forming up the platoon to move forward to another sector. I told him to put his large pack in the truck and then join the platoon. He failed to return.

Question: Did he tell you on the 9 Oct 43 that he was afraid to go forward?

Answer: He told me he was afraid to go forward and would not go forward.

Question: Did you see the accused leave the platoon on the 9 Oct 43?

Answer: No, sir.

"R. Waterman" Major.

Witness identifies the accused.

I am No.18 Platoon commander and the accused is in my platoon. On the 9 Oct 43 my platoon came under enemy shell fire at approximately 1215 hrs. That is when the accused started to fall back. Finally, at about 1230 hrs the accused left the platoon and reported back 17 Oct 43 at 1300 hrs.

Answer: No.

Questions by the Defence

Question: Did you see the accused when the shelling started?

Answer: No.

Question: Did you see him at all during the shelling?

Answer: No.

Question: Have you any reason to think that the accused might have lost her nerve?

Answer: No, because the fire was not close enough.

SUMMING UP CASE OF DESLAURIERS 11-11-43

On Oct 9th 1943, being under enemy shelling the accused was advised more than once that he had to follow up with his Section, which he did not. He then left his Section without his support and so deserted his comrades. He also admitted he was afraid of going forward.

Moreover, on the 22nd he advised a second time that he would have to meet the enemy. He refused to advance by not showing up at his Section and a second time deserted his comrades.

In thus avoiding an important duty, the accused can be qualified of desertion according to M.M.I. Chap III, Sub 20, and that's what I am asking the Court to find him guilty of.

"Charles E. Levesque" Lt.

"R. Waterman" Major.

CLOSING UP ADDRESS

On the 9th of Oct. 1943 the accused complained several times that his nerves were in very bad shape and that he was loosing control.

No witness have proved that the accused left his Pl during actual shelling. I really think that the accused had no intention of avoiding an important duty, but I think that the accused nerves failed to give him support, and that it is the reason why he left his Platoon.

On the 22nd of October 1943 the accused was sent to his Coy. There was no enemy activity. There nobody told him that his way was to meet the enemy on that day. Major Allard before dismissing the accused did not specify any time as when his Coy was going to meet the enemy. The accused left that 22nd of Nov.

E

FINDING

The Court is closed for the consideration of the finding.

The Court find that the accused is Guilty of Deserting His Majesty's Service on the 1st & 2nd charges as laid.

It is noted that there is a discrepancy of the 30 min in commencement of absence 2nd charge.

PROCEEDINGS ON CONVICTION BEFORE SENTENCE

The Court being re-opened, the accused is again brought before it.

Lt. C.E. Levesque, R.22e.R. is duly sworn.

Have you any evidence to produce as to the character and particulars of service of the accused? Answer by the Witness.
