ATHLETIC NEWS OF LAWRENCETOWN

Local Ball Team Plays Fine Game Against Yarmouth. Tennis Club and Other Notes

Lawrencetown.—The senior ball team made a splendid showing against the cracker Jack Yarmouth nine in a recent game. The score stood 9-7 in favor of Yarmouth at the end of the game. Thrilling plays were featured throughout and Lawrencetown have a pitcher in J. Saunders who pitched a brand of ball that was a revelation to the majority of fans. Young Cook of the opposing team pitched a good brand of ball and had excellent backing. No long drives were made by either team but perhaps the feature of the game was the timely hitting of L. S. Messenger, captain of the Lawrencetown baseball nine, hitting out a neat two-bagger when his team was in a form at present that will make a tip-top showing wherever they go.

The game played here against Berwick was protested, the protest being dealt with at Kentville on Monday, July 17th. The game was ordered to be replayed on Monday, July 24th, at Middleton. The deposit placed by the Lawrencetown team was returned. The local boys feel confident that they will carry off the honors in this section of the Valley League.

The Lawrencetown baseball nine motored through to Bear River on Thursday last for participation in a League fixture. The boys were a little off color, and the pitcher was not accorded the support shown in the previous game against Yarmouth. They came out at the short end of an 8 to 1 score. Messenger, the pitching ace of Lawrencetown, pitched a star game, and had the remainder of the team been on color, would no doubt have made a more satisfactory showing. The outcome of the game was different from any anticipations—as the local boys have met the same rivals on two occasions before and had been victorious in all games played. The Bear River boys are noted for their slugging qualities. Quite a number of loyal fans made the trip, accompanying the players.

The Lawrencetown juniors journeyed to Berwick on Friday last to show their wares against the juniors of that town. Several fans accompanied the boys, and Lawrencetown has a team in their junior aggregation that are bound to make a big showing. The score stood 10 to 9 at the end of the game in favor of Berwick.

The Lawrencetown tennis club held their weekly tennis tea on the verandah at the home of Mrs. F. B. Bishop on Thursday last. A goodly gathering were present and all enjoyed themselves to the full. After the tennis tea several wielders of the racket tied themselves to the tennis courts and there participated in several friendly matches. The tennis teas are weekly events and serve to build enthusiasm, and create an active interest in sports generally.

There should be absolutely no reason for people hauling their cars to Bridgetown, Middleton, and other centres for repairs when they can secure good results at their own back door. We now have in Lawrencetown two of the neatest and finest appearing garages in the Valley and if the people of the town wish to encourage these and further enterprises they should seek to offer them as much business as possible.

The Lawrencetown tennis club are looking forward to giving a call to Digby for next Thursday in some tournament games to be played here. Tennis seems to be booming in Lawrencetown at the present time and it is hoped that we shall be able to make a good showing against the Digby combination.

A most enjoyable sing-song was held at the home of Rev. Mr. Rackham and wife on Sunday July 16th. The 16 of the Bom Bom Musical Company were present and some pleasing solos were rendered by Mr. Vickers. A few choruses were interspersed for the benefit of the entire gathering, after which the members of the company favored the gathering with instrumental music. Mr. and Mrs. Rackham proved ideal host and hostess, and the gathering dis-

LOCAL POST OFFICE QUESTION IS ONCE AGAIN TO THE FORE

Minister of Public Works and Dr. Lovett Visit Town Public Building. Hon. Mr. King Sympathetic. Gives Hope of Vote in Next Estimates

Hon. Dr. J. H. King, Minister of Public Works for Canada, visited here on Saturday afternoon, motor-ing from Digby in the car of Mr. Ed. Power's of Smith's Cove. He was accompanied by Mrs. King, Dr. L. J. Lovett, M.P., and Mrs. Lovett.

About 12.30 Dr. M. E. Armstrong was apprized by Dr. Lovett of the visit of the party which was made possible on this occasion by the delay of the express thus leaving a brief interval which was taken advantage of by the Honorable Minister and Dr. Lovett to drive by auto through a considerable part of this constituency and also to further look into the claims of Bridgetown for adequate post office facilities.

The visit was thus a very pleasing one, though at this particular time an unexpected episode in the program of an exceedingly busy Minister. Notice was necessarily of the briefest, however, the Minister was met by Mayor Warren, Attorney General O. T. Daniels, Mr. E. A. Hicks, President of the Board of Trade, Dr. M. E. Armstrong and a considerable number of other prominent citizens of the town.

The matter of postal facilities was gone into right on the spot where the Minister had an opportunity at first hand to see how miserably inadequate are the present facilities furnished to an active business community such as Bridgetown with a splendid and prosperous country sur-

COMPLAINTS OF RECKLESS DRIVING

Lawrencetown fishing season has not entirely passed yet. During the past week several auto parties have been at Lawrencetown armed with salmon rod, and accessories, and although they reported the sight of salmon, they nevertheless did not seem able to land any. This season is now rapidly nearing its termination and the next sport follower's hobby will be the cleaning of guns, loading with ammunition of ALL varieties and trying their luck in the woods for the elusive Bull Moose.

One of the grave dangers that the citizens of Lawrencetown are compelled to contend with is the much too rapid speeding of automobiles driven by reckless drivers through the main street of the town. We have noticed cars practically every day that were travelling much too fast for the comfort of their occupants as well as our citizens and children. We realize that the town is not under police protection and at times we are led to believe that the drivers must also be aware of that fact, but certainly there should be more and better understanding of the principles of Safety First, and at least try to prevent accidents. Of course there have been no accidents as yet, but nevertheless that does not provide for the future. Then again their is the obnoxious dust nuisance that must be combated. If reckless drivers, wherever they come from, and whatever town has the misfortune to claim them would use a little more discretion, it would be much more beneficial for the social and child welfare of the town in general. A word to the wise is sufficient.

Miss Jean Marshall, who has been nursing in New York for the past two years, is spending her vacation with her parents, Mr. and Mrs. T. J. Marshall.

Several of the Lawrencetown young ladies have been camping at Margareville during the past weeks. No doubt they found the sea breezes much more joy giving than the less fortunate found the hot days at home. They returned on Saturday last. All report having had the time of their lives.

BRIDGETOWN WINS TENNIS EVENTS

Local Players Carry Off All The Honors in Series With Middleton on Saturday

The tennis tournament held at Middleton Saturday afternoon between Bridgetown and the Middleton Clubs was largely attended, and Bridgetown carried off everything, winning the Mixed Doubles, Men's Doubles, Ladies Doubles, and the scores made:

Mixed Doubles:—Mrs. F. R. Fay James Fay, Bridgetown, defeated Mrs. Broadfoot and Mr. K. Fisher, Middleton, score 6-2, 1-6, 6-3.

Men's Doubles:—Miss Ethel Daniels and Frank Ruggles, Bridgetown, defeated Mr. Chas. Fisher and Miss B. Gullivan, score 6-2, 6-2.

Ladies Doubles:—Miss Ruth Fowler and Hortense Griffin, Bridgetown, defeated Miss E. Dodge and Mrs. Balm, score 6-1, 6-3.

Ladies Doubles:—Mrs. Fay and Miss Ethel Daniels, Bridgetown, defeated Mrs. C. Balm and Miss Gullivan, Middleton, score 6-3, 6-2.

Men's Doubles:—Mr. J. Fay and Max Young, Bridgetown, defeated Mr. H. Hunter and T. Hanlin, Middleton, score 6-4, 7-5.

Men's Doubles:—Mr. Jas. Fay and Frank Ruggles, Bridgetown, defeated Mr. Carl Fisher and A. Fisher, Middleton, score 6-4, 6-4.

After the tournament, refreshments were served on the grounds by the members of the Middleton Club, and the occasion was greatly enjoyed. A return series will be held here at a date to be definitely arranged a little later.

DALHOUSIE WEST

Miss Lewisea Harris, of Annapolis, is visiting at the home of his sister, Mrs. Norman Buckler.

Mrs. James Harnish, who spent the past week with her mother, Mrs. Thomas Todd, has returned to her home in Annapolis.

Miss Lillian Buckler and Miss Mildred Hannan are attending the Summer School at Bridgetown.

Master Ernest Buckler was successful in obtaining his "A" on his 14th birthday.

Rev. John Reeks, of Round Hill, held service here Sunday morning, 23rd.

Mr. Austin Knight, of Boston, Mass., is visiting at the home of Mr. David Shipp.

Mrs. and Mrs. Norman Buckler have returned to their home in Bridgetown.

The W.M.S. of Paradise were the guests of the Dalhousie West Society on Sunday. Mrs. Smith, President, of Paradise Society, had charge of meeting and gave a very interesting talk of the work in India. A paper was read by Miss Bowly and her sister, also sang two solos. Mrs. Shipp, of Dalhousie, read a "Summary of Facts" and Mrs. Brooks, Secretary of Dalhousie Society, gave a report of the Dalhousie Aid Society. After the meeting the two Societies went to the home of Deacon Samuel Seft, where a bountiful repast was served by the Dalhousie Aid Society. We hope to have them with us again.

Mr. N. G. Charlton then made a motion that trustees be authorized to procure plans for building new school house, cost not to exceed \$12,000 to be built on south side of river. Mr. Gould was the seconder. The motion was not placed before the meeting, the chairman ruling it out of order.

Mr. H. F. Hamilton then moved that present plans not be accepted owing to high cost of same, but that a new school house be erected, cost not to exceed \$15,000 complete including everything incidental to the erection of building. Mr. F. G. Palfrey was the seconder. Motion was then open for discussion, after which a standing vote was taken, resulting in two for the motion and five against.

Dr. V. D. Shaffner, who is a firm supporter for a new sanitary school building, stated that he had the greatest confidence in the present body of trustees and he did not give a thought to it that they were going to squander any money entrusted to their care, but he, at the same time, was not in favor of so-called tying their hands, and likewise put a motion to the effect that trustees be empowered to

FALKLAND RIDGE

Frank Young and family, of Aylesford, arrived July 14th at the home of Mrs. E. P. Charlton. They returned home Sunday evening, July 16th.

Mr. and Mrs. Wesley Graves were the guests of Mrs. Graves' parents, Mr. and Mrs. Hartley Marshall.

Mrs. Arthur Scriver and family, who have spent the past winter and spring at her brother's, Reg. Mason's, returned home here on Tuesday, the 18th.

Mrs. Z. Freeman, returned missionary from India, spoke in the Baptist Church here on Monday, July 17th.

Robert Swallow made a business trip to Middleton on Friday, returning the same day.

Mrs. Timothy Feener, who has been at Glace Bay for a couple of months, is expected to arrive home the 21st.

NEW AND UP-TO-DATE SCHOOL-BUILDING FOR LAWRENCETOWN

Lively Meeting of Ratepayers Discuss the Question. Definite Action Deferred But Modern Structure Sure of Construction Before End of Next Year

A committee having previously been appointed to secure plans, probable cost, excellent location, and obtain as much information as possible regarding the contemplated erection of a new school house reported at the meeting held on Wednesday evening.

Dr. L. R. Morse speaking for the committee referred to two plans that had been placed on the wall for general inspection. Both plans called for a four roomed school house, the one submitted by Mr. Bush would cost \$22,000, approximately, if constructed of stucco and wood, or approximately \$25,000 if brick was used. Mr. Fair had submitted plans differing slightly from those of Mr. Bush in that there were not as many entrances, halls, and differing in other trivial matters. His estimated cost for the building if constructed of brick would be \$19,000, of wood \$15,000. Dr. Morse further pointed out the advantages of each building, and then an opportunity was offered each person present to inspect plans more minutely.

H. H. Whitman who presided at the meeting, felt quite satisfied with the report and called on other members for remarks.

Mr. T. G. Bishop, in speaking of the matter, dwelt on the present day needs and stressed the importance that the children who are to-day growing up in Lawrencetown should be denied absolutely none of the advantages of a good education. The present site, he thought, a most desirable one, and most convenient for all concerned.

Mr. M. O. Gould, who had experienced some difficulty in obtaining an answer to his previous questioning, was again to the fore, asking why the architects who had before estimated \$10,000 or \$12,000, as probable cost had not been consulted until next year to submit plans? He further wished to know if the costs estimated to be denied absolutely none of the advantages of a good education. The present site, he thought, a most desirable one, and most convenient for all concerned.

Mr. H. F. Hamilton, after the withdrawal of Dr. Shaffner's motion moved that a new school house be erected this year, seconded by I. C. Archibald.

Mr. A. F. Beals was to the front with an amendment that the building of the school house be deferred until another year, seconded by D. C. Layte.

There being no discussion a standing vote was taken resulting twenty-five for amendment and six against.

Mr. H. F. Hamilton then made the final motion THAT A NEW SCHOOL HOUSE be erected. Seconded by E. C. Shaffner. The motion carried unanimously.

On request of Mr. Hamilton that a new member be added to the committee in the place of F. G. Palfrey, who was unwilling to act, Mr. E. C. Shaffner was duly appointed.

After a strenuous evening, much time being apparently wasted on questions that had no meaning, while others had too much, and after arriving at the conclusion that a new school house was to be built.—SOMETIME—the meeting adjourned.

POPULAR COUPLE WEDDED AT LAWRENCETOWN

A wedding of unusual interest took place at Lawrencetown on Wednesday afternoon when Miss Rita, daughter of Mr. and Mrs. E. A. Palfrey, was united in marriage to Mr. J. B. Jefferson, a prominent merchant of that town.

The nuptial knot was tied by Rev. A. H. Whitman in the presence of the immediate friends and relatives of the contracting parties. The bride looked charming in a suit of white blue tricotine and wore a large picture hat of black mohair. The drawing room was very prettily decorated.

After the conclusion of the ceremony the guests sat down to a dainty supper. The wedding gifts were numerous and tasteful and indicated the esteem in which the contracting parties are held.

WHAT CAUSES SO MUCH SICKNESS

Constipation Responsible for 90% of Disease "FRUIT-A-TIVES" Corrects It

It is generally recognized among the medical profession that Constipation or Insufficient Action of The Bowels, produces more disease than any other one cause. Constipation is responsible for at least 90% of the disease in the world today—because Constipation is responsible for the Indigestion and Dyspepsia—the nervousness, the Ischaemia and Rheumatism—the Eczema and other skin troubles—the Headaches and Backaches.

Why is this? As you know, it is the duty of the bowels to carry off the waste matter in the system. If the bowel muscles are weak or the liver inactive, then this waste matter remains in the body and poisons the blood. As a result, every organ in the body is poisoned by this waste.

"Fruit-a-tives" has been wonderfully successful in relieving Stomach Troubles, Nervous Troubles, Liver Troubles, Kidney Troubles, Skin Troubles and Blood Troubles, because "Fruit-a-tives" positively and emphatically relieves Constipation.

"Fruit-a-tives" will always relieve Constipation, even though the trouble has been chronic for ten, fifteen and twenty years. The thousands of grateful users proclaim "Fruit-a-tives" the greatest remedy for Constipation that the world has ever known.

BEAR RIVER

The regular monthly meeting of the Women's Institute was held with Mrs. J. H. Cunningham, 1st Vice-President, presiding. Owing to the illness of Mrs. J. Arthur Rice, Recording Secretary, Mrs. W. W. Wade was appointed to fill that office.

A letter was read from Miss Macdonnell re Short Course for Girls at Truro. Also one from Smith's Cove, in answer to enquiry whether loan of books from their library was feasible.

On motion Mrs. Steadman was appointed to interview members of Smith's Cove Library regarding exchange of books. Twenty-five dollars was voted for the purchase of new books for Institute Library. Executive to select and buy said books. It was decided not to order another McGill Library during the summer months.

An important matter brought before the meeting was the reading of letters from Yarmouth Local Council of Women regarding the establishing in that county of an Orphanage or Home for Neglected Children of the four Western Counties of the Province.

These children are now housed in various County Homes, and Poor Farms amidst surroundings altogether unfit for the training of the body and mind of a normal bright child. The co-operation of the Women's Institutes in those counties is needed and they are being asked to affiliate with the Local Council in this laudable undertaking.

These letters were laid on the table and after a short discussion it was decided on motion that the Corresponding Secretary be requested to write for further information and that the matter be brought up for discussion at the next meeting.

NOTES ON EARLY SETTLERS AND FAMILIES OF BRIDGETOWN

By M. E. Armstrong, M.D., Bridgetown

Beside the first English settlers, already mentioned living in the vicinity of Bridgetown there were a few others that should be mentioned who located here previous to the year 1800 and played important parts in the early days of this section of the township of Granville.

Gideon Witt, or DeWitt, purchased the lot of 500 acres of which Chas. F. DeWitt now owns the river end only. The whole lot extended from the river to the Bay and this lot of 500 acres was purchased by Gideon DeWitt from the first John Hicks for the sum of 25 pounds in 1772.

The DeWitts were Hollanders in origin and the first one came here as a young man. A portion of this lot as mentioned above still remains to the family name. The beautiful bungalow home of Chas. F. DeWitt now occupies the site of the home of his great grandfather who one hundred and fifty years ago began to clear away the forests on this place and some years later his son George discovered the worth and value of his rich back lands, at the foot of the North Mountain, in what is now West Clarence, and cleared here an area where he planted an orchard on the farm now owned by Wm. Miller. A Bishop Pippin tree on this place, one of the largest and most productive in the whole Valley, was planted by George DeWitt more than 100 years ago and still bears a very large crop.

Later on Walter DeWitt, son of George DeWitt, built a house on what is now the Miller place and resided here. Gideon DeWitt, the first of the name here, died in 1819, by his will leaving his place to his son George, who was to look after his mother, giving her 40 lbs. of butter, 3 lbs. Sugar, 10 lbs. of wool, 100 pounds of pork, 50 lbs. of sugar, 6 bushels of wheat, 3 bushels of rye, one bushel of corn each year, and provide a horse for her use. His will was written by his neighbour, Rev. Thomas Ansley, whose farm adjoined that of Gideon DeWitt's, and who was the Baptist minister here at that date. I therefore infer that the DeWitt family was adherents of the Baptist Church.

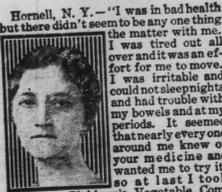

Jacob, the father of the present well known men of this family, DeWitts, Charles F. and James R., died in 1819, by his will he inherited the post road farm, while Walter, a brother, located on the rich portion, at the foot hills of the North Mountain and from the original 500 acres have come in the course of 150 years five or six very valuable farms.

Jacob DeWitt died in 1868, at middle age, from typhoid fever, a preventable disease that claimed many victims a generation or more ago. The property where Mr. Pratt hill was first owned by Christopher Prince but was not sufficiently attractive at that early date to be as preferable as the Ruffee hill—Mt. Pleasant, for the Colonel to live on. The two lots—Nos. 133, 134—contained 1000 acres and these Col. Prince sold to John and Richard Clarke in 1780 for 100 pounds. The Clarks were from England, John took the western half and Richard the eastern. Two years later John Clarke died and the place was, in due time, sold to Joseph Troop. This pioneer, who is known as the Chipman place and whose residence was on the location now occupied by the home of W. H. Maxwell, was an influential and successful man in this community for upwards of fifty years. He came here from Granville Ferry before 1800, marrying into the Rice family from the south side of the river.

They reared a family of eight daughters and at his death he provided for each one of them should have 100 pounds at her marriage. It is hardly necessary to add that they all married and married well in this country and in Kings. His large farm was divided between two of his older daughters, the eastern half lately owned by Mr. Skinner and now owned by Marshall Bros., going to Mr. and Mrs. W. H. Morse and the homestead to Mr. and Mrs. Wm. H. Chipman. His estate at his death was appraised at more than 4000 pounds. His widow afterwards married a Reed. The descendants of this family are quite numerous but as there were no sons they do not bear the name of Troop. Living along side of Mr. Troop before 1800, on the James DeWitt place, was Capt. Elias Weare, his land reached from Chesley's store to the Chipman or Troop lot and like the others contained 500 acres, and reached from the river to the Bay of Fundy. Capt. Weare sold out to a John

NOW DO MY WORK WITH EASE

Because Lydia E. Pinkham's Vegetable Compound Restored My Health

Hornell, N. Y.—"I was in bad health but there didn't seem to be any one thing the matter with me. I was tired out all over and it was an effort for me to move. I was irritable and could not sleep nights and had trouble with my bowels and at my periods. It seemed that nearly everyone around me knew of your medicine and wanted me to try it, so at last I took Lydia E. Pinkham's Vegetable Compound. I took it for a few days and I do all my own work now except the washing and do it with ease. I can now winter and I try to get every one to take your medicine to build them up. You are welcome to use this letter as a testimonial if you like."—Mrs. C. S. BAKER, 21 Spencer neighborhood there are women who know of the value of Lydia E. Pinkham's Vegetable Compound. They know because they have taken it and have been helped. Why don't you give it a trial?

Marshall in 1800 and he moved to the Waldeck lize in Clements township and where his descendants still reside. Miss Weare, the present telegraph operator here, is a descendant of this pioneer. He died in 1809, leaving four sons: Joseph, James, Elias and John, and three daughters: Elizabeth, Sarah and Mary.

Capt. Elias Weare's name deserves perpetuation for it was this early settler who furnished the half acre of land on which the Baptist Church was erected, probably between 1780 and 1790. There is no record of a deed being given of the land but when Capt. Weare moved to the lower end of the county and sold his place here, to his successor on this farm, he "reserved a half acre of land where the new light of Baptist meeting house now stands for the use of and in his name."

A few years later when Marshall sold to Gidney the same reservation is made in the deed of this half acre with this difference that in the second transfer it is described as "the Baptist meeting house" the word "New Light" being omitted.

We thus have a half dozen families living on the town site on their large farms and gradually crowding back the forests toward the North Mountain as they added new acres to their clearings from year to year.

A Bounty Act provided a small sum as bounty for number of acres cleared by the ambitious farmers who felled their trees and burned the logs and wood on many a timber acre to obtain this small compensation offered by the Government.

Gradually the settlers became more prosperous, raising their own wheat, rye and corn from which came their flour and food. From their wool they carded, spun and wove their blankets, clothing and carpets. Vessels from the West Indies brought their molasses, sugar and quite often rum. Merchants and country stores were few and far between and previous to the year 1800 it is doubtful if there was a store east of Belvidere. In the close of the eighteenth century about 1799 there was promise of a bridge across the river at Hicks' Ferry and after much agitation it was at last completed in 1803. The cost was borne by the government, aided by private contributions from those living near.

The contractor for this first bridge was one John Balcom, whom I think belonged in Clements. This first bridge was an open one, and set on abutments built into the river at each end and a centre one to support the middle. This bridge with occasional repairs, lasted until about 1840, when it was replaced by No. 2 which was a covered one. No doubt after the completion of the bridge across the river, this location became a centre for meeting and trade to some degree as well as a shipping point by small vessels, but there are no records of any stir that would indicate that a town was to grow up here.

The bridge was certainly a great convenience and permitted the people from Granville and the Annapolis side of the river getting together and gradually this centre got to be spoken of as "the Bridge", while Annapolis Royal was always referred to as "Town" going "to Town" or "the Bridge" was the way people expressed themselves.

We are now ready to introduce the founder of Bridgetown, Capt. John Crosskill, whose name first occurs in connection with this locality in 1795 and who was destined to play a part here for the next quarter of a century that will forever associate his name with that of Bridgetown.

Miss Emelyn Dickie, of Truro, is making a short visit with her friend, Miss Hortense Griffin. As she was at one time a resident of Bridgetown her many friends are pleased to see her around again.

RARE HISTORIC GIFT TO FORT ANNE

An interesting ceremony is scheduled to take place at Annapolis Royal in the near future, when the key of Fort Anne, in that town, a valuable historic relic, which has been for years in the possession of the Massachusetts Historical Society Government to be deposited and preserved permanently in the museum of Fort Anne.

This announcement has been made by L. M. Fortier of Annapolis Royal, who has instructions to receive the key on behalf of the government. The formal presentation will be made by Arthur Lord, Vice-President of the Massachusetts Historical Society, and the ceremony of presenting and receiving the key will take place in Fort Anne, as nearly as possible, on the spot where it was delivered up in 1710. The time and date have not yet been definitely arranged.

The key of this old fort was surrendered by DeSurbacase to Nicholson in 1710 and was carried off to Boston, either by Nicholson on his return thither after the surrender or at a later date. It found its way afterward into the possession of the Belknap family, who, in 1789, five years after the founding of the Massachusetts Historical Society, handed it over to that body and it has ever since had an honorable place in the Society's museum in Boston.

WEST INGLISVILLE

Water seems to be more plentiful than it was last summer. The farmers are having a hard time to get the hay made.

Mr. and Mrs. Henry Beals, of East Inglisville, were Sunday guests at Isaac Durling's.

Mr. and Mrs. D. M. Hall, and baby, Murray, of St. Croix Cove, spent the week-end at the home of Wilbur Banks and on their return were accompanied with the latter's mother, Mrs. Naomi Banks.

Mrs. John Banks spent Monday with her son, Lorne, and wife, of Paradise.

Mr. Manley McGill is working with Mr. B. Shankel, of Williamston.

Little Lillian Banks is just recovering from the measles.

Recent guests at the home of L. B. Banks were Mr. Edwin Banks, of Lawrenceston and son, Elmer, of W. S. A.; Mr. Allen Mosher, of Clinton, N. S.

Mr. and Mrs. Zebulon Durling spent Sunday at the home of her sister, Mrs. Oliver Delancey, at Lawrenceston South.

Mr. William Hardy was a recent guest at the home of Elmer McGill.

Eva and Hilda Banks spent a few days last week with their aunt, Mrs. Avard Leonard.

The young folks were given a picnic at Mr. Carmen Stoddart's on Tuesday afternoon, and all report a very pleasant time.

BUILDING ACTIVITY AT LAWRENCETOWN

Lawrencetown.—Building activities are booming in Lawrencetown, there being at least six new and attractive buildings in course of construction at the present time. Mr. Arthur Balcom, who is erecting a building in the west end, is now adding the finishing touches and hopes to be settled in his new home before the cold winds put in an appearance. Coming up along the line we next come to Mr. R. J. Shaffer's beautiful dwelling, having one of the best locations in the town. Captain Morris is building more in the heart of the business section, and hopes to have his building completed within two or three months. C. R. Banks has already completed construction of a barn and is now rapidly making headway on a new house in the east end. On the south side we first find Mr. L. D. Hanley's residence fast nearing completion. He has a barn nearly finished already that is of large structure and very commodious. Directly on the corner south side, with an ideal location we discover a house that is practically complete, now being the property of Mr. Chas. Merry. We further note that Mr. F. L. Bishop whose house was badly damaged in a recent fire is now adding extensive repairs, and is changing somewhat the plan previously owned. E. C. Shaffer, Lawrencetown's merchant, who recently moved from the homestead in Williamston to take charge of Shaffer's Ltd., has completely renovated the house formerly occupied by R. J. Shaffer and is now happily situated in one of the nicest residences in the Valley. A garage is under construction in the rear and when completed will further add to the attractiveness of the town.

MELVERN SQUARE

Mrs. Puddington was admitted to the Memorial Hospital on Sunday last and successfully underwent an operation on Monday and is doing nicely. Rev. G. P. Raymond, of Berwick, spoke in the Baptist Church here on Sunday to a very attentive audience. Huldah Goucher, Ruby Chute and Eva VanBuskirk are enjoying a week at Margareville. The Misses Ena and Melba Roop, of Wolfville, are the guests of their cousin, Mrs. Geo. O'Neal. Miss Poole, of Paradise, is visiting her aunt, Mrs. E. Baker. She sang a solo in the Baptist Church which was greatly enjoyed by those present. Rev. Mr. Puddington filled the appointments in the Baptist Church of Hubbard's Cove on Sunday. Mrs. John S. Masters spent the past week in Middleton with her aunt, Mrs. Bessie Wilkins. Miss Lilla Gates and brother Stanley attended the funeral of their cousin, Mrs. Kelly, who passed away very suddenly at her home in Berwick last week. Mrs. Flett, of Bridgetown, is visiting her mother, Mrs. Mary Gates. Miss Ada Saunders, of North Kingston, has been visiting Miss Ruth Puddington. Miss Elsie Martin has returned home from a very pleasant visit with her aunt in Halifax. Mr. and Mrs. Joseph Gates and children, of Forest Glade, were recent visitors of Mrs. A. Morris.

LOWER GRANVILLE

Mr. and Mrs. Fred Whitman; daughter and son, accompanied by Ronald Hiltz, of Aylesford, spent Sunday with Mrs. Whitman's parents, Mr. and Mrs. J. W. Robblee. Mrs. R. P. Wade has returned to Annapolis Royal. The Women's Institute will meet on Friday evening, 28th inst., at the home of Mrs. James E. Rice, subject "Canning". All members are requested to be present at 7.30 p. m. Rev. Howard Hudson, of Boreas, Kentucky, occupied the pulpit on Sunday evening in the Kersdale Baptist Church. Among recent guests at River View House were: Dr. and Mrs. T. C. Parker and T. C. Parker, Jr., Hartford, Conn.; S. W. Mayor, Bermuda; Mr. and Mrs. W. H. Dargie, Annapolis; K. G. Salter, W. Simmons, D. Yould and W. Kinsman, Kentville.

HAMPTON

Mrs. Clarence Hurley and son Stanley, were recent guests of her grandmother, Mrs. George Gaskill. Mr. Norman Hall, of Brocton, with his family, are occupying one of the Marshall cottages. Mr. David Kearns went to Boston on the 23rd. Mr. Frank Brown, who has been visiting his mother here, returned to Boston on the 23rd. Miss Florence Foster, of Halifax, is visiting her parents, Mr. and Mrs. Wm. Foster. Recent visitors at the home of Mr. and Mrs. Alonzo E. Foster were: Mr. and Mrs. Albert McLane and two children and Mrs. Albert Colson, all of Exeter, N.H. Mrs. Lewis Sabeen and grandson, Norman Burrie, of Port Lorne, are visiting her son, Mr. C. E. Collins. Recent visitors at C. W. Cropley's were: the Misses Millie, Edna Bertha, and Charlotte Brown, of Winchington, Mass. Mrs. Arthur Verge, of Wakefield, Mass., is visiting her sister, Mrs. J. M. Hawkins. Mr. Earle Banks, of Clarence, was a Sunday guest of his sister, Mrs. Allen Bezanon. Sunday guests at the home of Mr. and Mrs. Everett Mitchell, were: Mr. Aubrey Sprout, of Clarence, and Mr. Noble Pool, of Everett, Mass. Prof. B. S. Hamilton returned from Truro on the 23rd. Mrs. Clarence Brown and son Vernon, of Wolfville, and Mrs. Amos Rice and daughter Phillis, of Annapolis, are visiting their parents, Mr. and Mrs. Lenley Banks. Guests at the Seaside Hotel the last week were: Rev. R. Heine, of St. John, N.B.; Rev. Hamilton, of Hillsburn; Rev. Dr. Marshall, of Ottawa; Abram Young, G. E. Taylor, John Norman, and Mrs. Beckwith, of Bridgetown. Mrs. C. H. R. Mabie and son Henry, of Rosedale, Mass., and Dr. Catherine Mabie, of Central Africa. Mr. and Mrs. Judson Chute, of Clarence, visited Mrs. Chute's parents, Mr. and Mrs. A. A. Tompkins, on the 18th. Miss Charlotte Hamilton has returned after a pleasant week spent at Mount Rose. Mr. and Mrs. R. J. Mathers, of Saskatchewan, are visiting Mrs. Mathers' parents, Mr. and Mrs. A. A. Tompkins. Sunday guests at Mrs. A. Tolant's were: Mr. and Mrs. M. Dalby and Miss Minnie Chute, of Beaconsfield. Recent guests at Chas. Dunn's were: Mr. and Mrs. John Martin, and Mr. and Mrs. Peter Martin and daughter, of Middleton.

SUNDAY SCHOOL PICNIC AT HAMPTON

The annual picnic to Hampton took place on Wednesday last. On account of rainy weather a number of postponements had been made and this year the Baptist S. School and Gordon-Providence United Church Sunday School joined forces. Nine large double teams accommodating twenty persons each, five other double teams accommodating twenty persons each, five other cars as well conveyed the three hundred or more who enjoyed the bracing breezes and restful sea. A good program of sports was arranged including two baseball matches, one for the boys and the other for the men married vs. single. The single won out 12 to 6. In the 50 yard dash first event, Jas. Peters was the winner on the second J. Mitchell. Hartley Marshall won the Broad Jump, Ralph Warren the High Jump. An interesting tug of war took place between teams captained by Mr. Earl Marshall and Mr. Laurence. The boys also had a number of contests of the same class. After which the boys secured or captured, we are not sure which is correct by the card, a monster hellebore fish. Capt. Clinton Collins who conducts most successfully on the grounds an establishment for the sale of ice cream, soft drinks, etc., contributed most liberally in every way in which he could assist, and there were many ways to make everything enjoyable for the picnickers.

CLEMENTSPORT

"THE QUEEN OF THE BASIN"

Wednesday, 19th inst., Clementsport and vicinity were well showered with yellow posters, advertising a great sale of goods in Bear River at a sacrifice. The first personal pronoun was used, stating the sale was no take and that the "Ego" guaranteed names, titles, or firm, were given. A guarantee is of a name to give value. We would advise Clementsport people to be very chary how they deal with these people whoever they may be. Such forms of advertising should receive no response in a reputable locality.

We believe a great deal of good has been done by the Highways Commission, but if they would take the public into their confidence a bit, it might be better for all concerned. For example: How do they decide what special places in the main highways to render safe or at which to post danger signals? There were some very dangerous places the west side of Victoria bridge which have been rendered comparatively safe and further improvements for safety are planned for that section. Now how is this brought about? Does the Highway Board have an official who especially makes it his business to look out the danger spots and report to headquarters the needed changes, etc., or is it necessary for the local authorities or citizens to bring the conditions to the Board's notice? Now one of the most dangerous spots on the main Halifax to Yarmouth highway is just a few hundred yards out of Clementsport, going west where the wharf road goes off the main road, and the latter is very narrow just here and the former descends as the latter ascends. Several cars have been turned upside down here. Traveling at night where one finds he has taken the wrong road he swings to the left, runs up the bank, and over he goes. This trap should be removed. A suggestion is to cut out the side of the bank on the main highway—and to post danger signals in the village and one at the forks of the roads. We trust a hint to the wise will be sufficient.

The station!!! Well, we have every confidence in the General Manager of the D.A.R., that he will carry out the promise made a year ago, to give us a station just as soon as possible. We did not take this to be just a way of setting the matter aside, but to be a genuine statement. We have a suggestion to Mr. Graham, which we trust he will receive and adopt. It is this: Place on the proposed site of your new station, a sign board, large enough to be seen from the train, bearing words to this effect: "The D.A.R. will erect on this spot a new up-to-date station in 1923". This means that the D.A.R., while not being able to do it this year, lets the travelling public know it is a progressive and public spirited R. R. It is indeed pleasing to see the bunting displayed from the flag poles of this village on Sundays and holidays. The latest in this patriotic move, is Mr. Abbott, who has erected a 40 ft. flag staff on a good elevation and which flies the Canadian ensign. May there be many more before the year is out.

Dr. L. J. Lovett, M.P., was in the village for a little while on Monday, 17th inst., seeing some of his many friends. Mrs. Frank Dakin and four children, of Medford, Mass., are visiting her father, Mr. R. W. Caffery. Mr. J. L. Davidson, who we are glad to say, is able to be about again, after a very serious operation, left on Tuesday, 17th inst., for a week's visit to Eastport, Maine. We are informed that St. Luke's Anglican Church, Annapolis Royal, held its annual Sunday School picnic on Mr. Barnjum's grounds at Durling's Cove, on Tuesday, the 18th inst. This is at least the second year it has been held here. The charms of Clementsport keep drawing many more year after year. Mrs. Moore McCormick, Annapolis Royal who came to the Sunday School picnic on Tuesday, spent the night with her parents, Capt. and Mrs. Amos Burns. Capt. Herbert Rawding, in the Thomas P. Beal steamer, is reported as having arrived at San Pedro, on the 17th inst., en route to Los Angeles, San Francisco and Seattle. Mr. Geo. Gilliat, who has been sailing out of Boston as mate for the past three months, is at home again. Miss Catherine Fraser, a former teacher here, who taught at Dominion No. 1, last year, is spending a few days at Riverside Cottage. Her many friends are delighted to see her. She is accompanied by her sister, Miss Constance Fraser. Mr. E. A. Dresser, of Salem, Mass., Mr. Holyoke Mutual Insurance Co., and friend of Mr. Charles Ray, is at Riverside Cottage. Mr. Alice Rawding, of Atlanta, Georgia, after a long absence of 31 years, is visiting his friend. At present he is with Mr. Jaq. Ray, Deep Brook.

On Tuesday evening, 17th inst., some of Mr. C. F. Tupper's friends gave him a genuine surprise party. It was the occasion of his birthday, and twenty-six men and women gathered bringing with them a choice supply of refreshments. A very pleasant evening was spent, during the course of which Mr. and Mrs. Robertson presented to Mr. Tupper a purse of \$15, wishing him on behalf of the donors, a long and happy life and many returns of the day. Mr. Tupper replied in suitable words. Saturday, July 22nd, Bruce Beeler, the little three-year-old son of Mr. Horace Beeler was playing on a raking machine in his bare feet, when one of his small brothers in some way tripped the gear and Bruce's foot was caught, taking off the top of the second toe, breaking the third and fourth and making a bad gash in the sole of the foot. Dr. Campbell attended to the injury and the little fellow is resting easily.

The old Historic Loyalist Church of St. Edward always claims the attention of the tourist. It is replete with associations of the early settlement and life of this country-side. Lately the following have registered: Mabel B. Taylor, Philadelphia, U.S.A.; Emily G. Taylor, Philadelphia, U.S.A.; Carolyn C. Waters, Worcester, Mass.; B. Elizabeth Church, Boston, Mass.

July 15th: Madeline B. Dickoll, Boston, Mass., U.S.A.; Miss Manning Walker, Northampton, Mass.; Mabel R. Marsh, Brooklyn, N. Y.; Alice M. Haverstock, Halifax, N. S.; Emily T. Mahon, Northampton, Mass.; Ethel M. Money, Halifax, N.S.; W. H. Spurr, Deep Brook, N. S.

July 16th: A. W. Hilton, Yarmouth; Margaret Hilton, Yarmouth; Phyllis Hilton, Yarmouth; Cora L. Hilton, Yarmouth.

July 18th: Mrs. Frank M. Griffin, St. Thomas, Ont.; Elizabeth Goldsmith, Central Falls, R. I.; Mrs. Edward W. Spurr, Jersey City, N. J.; F. W. Griffin, St. Thomas, Ont.; Ellen M. Grafton, Dundas, Ont.; An Bacey, Dundas, Ont.; J. A. Dickson, M.D., Hamilton, Ont.

INGLISVILLE We are sorry to report Mrs. Wm. McGill on the sick list. Dr. Morse is in attendance. Miss Eleanor Lynn, from Port George, has been visiting her many friends in this place. Mrs. E. R. Whitman has returned home after spending several weeks with her daughter, Mrs. Eimer McGill, and other friends. Mr. Hartly, from Concord, N.H., is spending the summer months in this place. He is staying at the home of Mr. and Mrs. Primrose Whitman, Mr. and Mrs. John Daniels, from Nictaux, and Miss Eva Daniels, from Bridgetown, were recent guests at the same home.

Miss Eva and Hilda Banks, from West Ingleville, spent a few days recently at the home of Mr. and Mrs. Avard Leonard. A party of the young folk was held one afternoon in their honor, and all reported a very enjoyable time. Mr. and Mrs. Henry Beals recently visited Mrs. Frances Durling at West Ingleville. Mr. and Mrs. Stanley Cross, from Nictaux, spent Sunday with her parents, Mr. and Mrs. Wm. McGill. Mrs. A. Miles has returned from Berwick, where she spent several days with Mr. and Mrs. Chester Beals.

C. G. I. T. CELEBRATE DELEGATES RETURN The Stead-vance C. G. I. T. celebrated the return of their delegates from Camp Wallace by having a tea in the school room of Gordon-Providence Church. After having done justice to the good things on the table and toasted "The King", "Our Guest", "Our Leader", "Our President", "Our Delegate", "The Group" and "Our next Merry Meeting", they enjoyed an excellent report of the life and work at Camp Wallace. New stunts in calisthenics and suggestions for the next meeting's program, closed a very pleasant evening. Judging by the merry faces that surrounded the table and the quality of the feast provided the C.G.I.T. is not neglecting the well being of the individual; and the report gives and general conduct of the meeting showed that the girls know how to do things.

KENTVILLE BOARD OF TRADE VISIT WITH BAND

Kentville vs. Bridgetown In Big Ball Game.

This afternoon Kentville Board of Trade members with wives and lady friends will spend a couple of hours here returning from Annapolis on their annual outing whither they invited the local Board to accompany them and a number are doing so.

The array of cars was quite an imposing one and the Board were accompanied by the Kentville band which will discourse music at the athletic grounds where the visitors will be guests of the local Board of Trade. Refreshments are being served and Bridgetown and Kentville base ball teams will contend for victory. A very nice afternoon's program is assured and a good contest between the rival ball teams commencing at 3.45.

GROWING BOYS AND GIRLS

Need Rich, Red Blood to Keep up Health and Strength.

It is a mistake to think that anaemia is only a girl's complaint. Girls probably show the effect of weak, watery blood more plainly than boys. But many boys in their teens grow thin and weakly, showing that they have not enough blood, or that it is thin and watery. Let the boy in this condition catch cold and he will lose his strength and his health becomes precarious. To overcome this trouble give both your weak boys and girls Dr. Williams' Pink Pills and see how soon good appetite returns and the weak boy or languid girl becomes full of activity and high spirits.

Dr. Williams' Pink Pills are sold by all medicine dealers, or by mail, at 50 cents a box or six boxes for \$2.50, from The Dr. Williams' Medicine Co., Brockville, Ont.

MOUNT ROSE

Mrs. Rose Stark has been spending the week with Capt. and Mrs. Eber Brinton, at St. Croix.

Mr. and Mrs. J. E. Willis and son and Mr. and Mrs. Wm. Marshall, of Annapolis Royal, were guests at the home of their cousin, Mrs. Philbrick, on Monday.

Dr. Heine, representing the British and Foreign Bible Society, gave a very interesting address in the church on Tuesday evening.

Mrs. Sarah Grant, who has been spending a few days with friends in Lawrencetown, has returned to the home of her daughter, Mrs. Asabel Whitman.

Recent guests at the home of Mrs. Wm. Morse have been Mr. Albert Marshall, of Kentville, and Esie and Ernest Banks, of Brooklyn.

Mrs. Albert Marshall, who has been staying with her daughter, Mrs. Wm. Morse, went to Middleton on Thursday to spend a few weeks with her sister, Mrs. Daniels, of Middleton, who is seriously ill.

Visitors at the home of Mr. and Mrs. Harry Hines during the week have been Mr. and Mrs. Alfred Healy, of Outram; Mrs. Margaret Healy, of Boston; Mr. Robt. Earley, of Margareville; Mr. and Mrs. Freeman Darling and daughter, of Paradise, and Mr. and Mrs. A. T. Moore and children, of Brooklyn.

Mr. and Mrs. Leocad Whitman and son, from Granville, were visiting at Mr. Asabel Whitman's on Friday.

W. C. T. U. ORGANIZED MONDAY AFTERNOON

Mrs. Lora S. Le Mance, National Organizer and lecturer of the W. C. T. U., addressed the Baptist Brotherhood on Sunday morning, on Nova Scotia's opportunity. She spoke at Centrelea Sunday afternoon on the Rising Prohibition, and at night addressed an audience at Gordon-Providence United Church on the Five Reasons for Prohibition.

Two meetings were held with the ladies of the town, one Saturday night and another Monday afternoon, each at the Board of Trade rooms, where the organization was completed with staff of officers as follows:

Pres.—Mrs. E. A. Hicks.
1st Vice-Pres.—Mrs. Harry Hayward
2nd Vice-Pres.—Mrs. W. R. Longmire.

3rd Vice-Pres.—D. Duncan.
4th Vice-Pres.—Miss Newcomb.
Cor. Secty.—Mrs. M. Wentzell.
Rec. Secty.—Mrs. B. Chute.
Treas.—Mrs. H. S. Magee.

So far as we can learn the present is the first occasion for the organization of a branch of the W. C. T. U. in Bridgetown. Monthly meetings will be held, the first taking place in September on a date to be announced later. Mrs. L. Mance, who organized the local branch, is Secretary of the Board of National Organizers and a fluent and forceful speaker.

Minard's Lignum Co. Ltd., Yarmouth, N. S.

Dear Sirs—Since the start of baseball season we have been hindered with some muscles, sprained ankles, etc., but just as soon as we started using Minard's Lignum our troubles ended. Every baseball player should keep a bottle of your Lignum handy.

Yours truly,
W. E. McPherson,
Secty. of Armstrong High School Baseball Team.

OBITUARY

The funeral of Mrs. Elizabeth Dickson took place from her home in Hampton. The service was conducted by Revs. Johnson and Lawrence and interment made at the rural cemetery. A male quartette composed of Messrs. A. M. Dann, S. H. Flewelling, F. E. Fowler, and R. G. Flewelling, rendered two appropriate selections. Beautiful floral tributes and other expressions of sympathy testified to the esteem in which Mrs. Dickson was held in the community in which she lived. Many had found in her a sympathetic friend in times of sickness and bereavement. During the war when, on account of advancing years, the more active duties of life were laid aside, her thoughts were with the boys on the battlefield and probably at that time none put forth more zealous effort or evinced a greater spirit of patriotism than did Mrs. Dickson. At the close of the war Mrs. Dickson had knitted 475 pairs of socks for the Red Cross, of which she was made a life member. This unusual record was brought to the attention of the Duchess of Devonshire and Mrs. Dickson received the following letter:

Dec. 24, 1916.
"Dear Mrs. Dickson,—I have heard with much admiration of the splendid work you have done for the soldiers. I should like to congratulate you on the number of socks you have knitted since the beginning of the war. It is indeed a wonderful record.
Yours truly,
"EVELYN DEVONSHIRE".

Mrs. Hallett, of British Columbia, has been with her mother for the last month. Messrs. Heber Dickson, of New York, and George Dickson, of Bridgetown, N. S., were home for the funeral. Another son, Rev. H. B. Dickson, now in Cleveland, Ohio, received the telegram announcing his mother's death too late to come. Archibald Dickson, of Hampton, is also a son, and Mrs. R. G. Flewelling is a daughter. Among those attending the funeral were Miss L. J. Bailey, Mrs. McLean, Mrs. Till, Miss Melick, Mr. Hayward, of St. John.

The above, from the columns of the St. John Daily Telegraph, and contains a most appropriate tribute to one who during her life time was constant in good deeds.

At Morse Road, July 18th, after a lingering illness, Norah, beloved wife of James H. Gillis, passed peacefully away to her heavenly home.

Her sunny disposition endeared her to all who knew her and the memory of her beautiful Christian character will linger as a benediction with the home, church, and community. The funeral service was conducted by her pastor, Rev. Mr. J. Reeks. She leaves to mourn their loss, a sorrowing husband, also a babe of two weeks, parents, brothers and sisters and a whole host of friends.

Her sister, Mrs. Geo. Buckler, from Boston, faithfully cared for her until the end came. The floral offerings were beautiful, showing the esteem in which she was held—Mrs. George Buckler, spray; Messrs. Beeler & Peters, wreath; Mrs. G. Beeler and mill staff, pillow; Mrs. Freeman Shipp, wreath; Mrs. Hartley Buckler, Mrs. Harold Buckler, Mrs. Steel Buckler, cross; Mr. and Mrs. Avar Gillis, cross; Mrs. H. Lee, cut flowers; Mrs. Alfred Spurr, cut flowers; Ms. Apt Buckler, cut flowers; Mrs. Wm. Todd, cut flowers; F. A. Balcom, cut flowers.

Much sympathy is extended to the bereaved family in their affliction.

CHOLERA INFANTUM

Cholera infantum is one of the fatal ailments of childhood. It is a trouble that comes on suddenly, especially during the summer months and unless one may soon be beyond aid. Baby's Own Tablets are an ideal medicine in warding off this trouble. They regulate the bowels and sweeten the stomach and thus prevent the dreaded summer complaints. They are an absolute safe medicine, being guaranteed to contain neither opiates nor narcotics or other harmful drugs. They cannot possibly do harm—they always do good. The Tablets are sold by medicine dealers or by mail at 25 cents a box, from The Dr. Williams' Medicine Co., Brockville, Ont.

LAWRENCETOWN SOUTH

Mrs. Horace Marshall has arrived from New York and is living with her husband on their farm, the late John O'Neil estate, recently purchased by Mr. Marshall. She was accompanied here by her son, Charles, who returned after a short stay.

Mr. Christopher Grant recently visited his daughter, Mrs. Joseph Hines, Port George. Mrs. Alfred Healy with her guest, Mrs. Margaret Healy, of Lynn, Mass., also visited the same home on July 15th.

Mr. and Mrs. Eibert F. Marshall, of Keene, New Hampshire, have returned after spending two weeks, guests of their parents, Mr. and Mrs. Bayard Marshall and sister, Mrs. Alfred Healy.

Mr. and Mrs. Percy Marshall and family, of Arlington, spent Sunday July 16th at the home of her parents, Mr. and Mrs. W. A. Marshall.

Mrs. Francis Grant arrived home on Friday, the 14th, after a very pleasant visit with her daughter, Mrs. George Halliday, of Hillsburn.

Mrs. A. W. Salsman, of Waterville, Hants County, has been visiting the past week at Mr. James Sloumbs's.

Dr. M. W. Brown, of Port George, has been making some calls in this place lately. The Reverend gentleman is always a most welcome guest at the homes of the people in Outram.

Prof. Butter (music teacher) is at present stopping at Mr. Joshua Banks' Mr. George Banks of Hampton, has been a recent visitor at the same home.

Mrs. Frank Marshall and little son, Lawrence, of Middleton, are visiting her sister, Mrs. Will Bent.

Mrs. Mary R. Banks has returned home after visiting her daughters in Port Lorne. Mrs. Banks has passed her nineteenth birthday and is bright and active.

Guests of Mr. and Mrs. Alfred Healy are Mrs. Margaret Healy, of Lynn, Mass.; Mr. Gilbert Healy, of Middleton; Mr. George O'Neil, of Melvern Square, was a guest at the same home on July 16th.

Dr. M. W. Brown, of Wellesley, Mass., and two daughters, Doris and Lucy, of Oakland, Calif., left Boston on July 1st in a Ford car with a camping outfit aboard, coming all the way by land, after being out thirteen days and nights without a mishap, camping in a new place each night. They arrived at Mr. Alfred Healy's where they visited for four days, then left for Digby, taking the boat for St. John and motoring up the river to Fredricton, thence to Quebec, arriving home at Boston the last of the month. Mr. Abel is a Californian and was in Nova Scotia once before, twenty years ago, with his wife and daughter, Doris, then four years old, and stopped four weeks at the same home they now visited.

THE DEVIL

Men don't believe in a devil now, as their fathers used to do; They're forced the door of the broadest creed to let his majesty thru; There isn't a print of his cloven foot, or a fery dart from his bow, To be sord in the earth or air to-day, for the world has voted so. But who is mixing the fatal draught that palsies heart and brain, And loads the earth of each passing year with ten hundred thousand slain? Who blights the bloom of the land today with the fery breath of hell, If the devil isn't, and never was? 'Wont somebody rise and tell? Who does the steps of the tolling saint, and digs the pits for his feet? Who sows the tares in the field of Time wherever God sows His wheat? The devil is voted not to be, and of course the thing is true; But who is doing the kind of work the devil alone should do? We are told he does not go about as a roaring lion now; But whom shall we hold responsible for the everlasting row? To be heard in home, in church, in State, to the earth's remotest bound, If the devil, by a unanimous vote, is nowhere to be found? Wont some body step to the front forthwith, and make his bow and show. How the frauds and the crimes of the day spring up, for surely we want to know. The devil was fairly voted out, and of course, the devil's gone; But simple people would like to know who carries his business on.

FRUIT INSECTS

The Tent Caterpillars are causing considerable injury to orchards thru-out Canada. In certain sections of the Maritime Provinces they have never been so numerous. Putation commenced in the early part of the month.

THE BUD MOTH

The Bud Moth is also unusually abundant this year in Nova Scotia, Ontario and British Columbia. Enquiries for control usually arrive too late for successful action; the larvae were full grown in early June.

AT LEQUILLE WEDNESDAY EVENING

Prof. Morse, who was just alighting from the Granville-Lequille bus, was knocked down by a taxi. Prof. Morse sustained a fractured hip and was cut badly about the face, but his condition is not considered serious. It is hoped that his recovery will be speedy and complete.

Coal shippers are claiming a new record for fast loading at International Pier, Sydney, having shipped 23,000 tons in twenty-three hours, one day last week. During the entire week 80,000 tons were loaded, the largest quantity since 1914, although 60,000 tons were loaded here during one week of the British miners' strike in 1921.

MCKENZIE SAYS IT PUT HIM ON THE JOB AGAIN

Halifax Citizen Declared Tanlac Entirely Overcome Stubborn Stomach Trouble and Helped Him Make Big Gain in Weight.

"Tanlac came to my rescue just in time for I was almost down and out from a case of stomach trouble of eight years standing," declared Richard McKenzie, 52 Longard Road, Halifax, N. S.

"My trouble started with indigestion. My food would turn sour in my stomach and hurt me so I had to go on a milk diet. I would bloat up with gas terribly and seemed to have inflammation of the stomach for I had an awful burning sensation just below my breast bone. I also suffered from a dull pain across my back that hurt me so at night that many times I had to get up and pace the floor. I fell off to one hundred and thirty-two pounds and got so weak I had to lay off from work eight months. "But the way Tanlac pulled me around was amazing. I soon had a good appetite and haven't had a bit of indigestion or pains since. I now weight one hundred and ninety and am on the job every day. I'll be glad to tell everybody what a fine medicine Tanlac is."

Tanlac is sold by all good druggists.

Potatoes.—Ninety-eight per cent. of the acreage of 1921, or 38,400 acres.

NOVA SCOTIA

The apples blossomed heavy but have not set well. Early varieties are good, but later varieties indicate smaller crops than last year, especially Blenheim, which have a very poor set. The total crop will not be over 75 per cent. of that of last year. No fungus has developed, especially in spruce orchards, and insects have not shown much headway. The weather conditions are ideal, but there was rather too much rain during blossoming time.

The Tent Caterpillars are causing considerable injury to orchards thru-out Canada. In certain sections of the Maritime Provinces they have never been so numerous. Putation commenced in the early part of the month.

The Bud Moth is also unusually abundant this year in Nova Scotia, Ontario and British Columbia. Enquiries for control usually arrive too late for successful action; the larvae were full grown in early June.

OBITUARY

The death took place at his home in Princesdale, Annapolis County, on Tuesday, July 4th, of Mr. Charles M. Fraser, aged 75 years, a life long and respected resident of that community.

Mr. Fraser had two days previously been feeling poorly and medical attention was secured by his daughter, Mrs. Forrest Connell, Sr., of the town who with her husband were visiting at the old home. Next day he was about quite active and also on Tuesday when he went out to draw a pail of water. Immediately after he felt a dizzy turn and soon relapsed into unconsciousness, dying before noon of paralysis of the brain.

His wife predeceased him by seven years and Mrs. Connell is the only surviving member of the family left, the other member, Geo. S. Fraser, dying eleven years ago. Four grand children survive: Forrest, Fred and Edna Fraser, children of the late G. S. Fraser, Princesdale, who all now reside at Bear River East, and Ruth Connell, Bridgetown, daughter of Mrs. Forrest Connell, Sr.

Mr. Fraser was a life long resident of Princesdale and followed the occupation of farming. The funeral took place on Thursday and was conducted by Rev. E. O. Steeves assisted by Rev. Mr. Mack, of Bear River and was quite largely attended.

BRITISH SETTLERS MOST DESIRABLE

Beach Thomas Famous War Correspondent Writes Up Charms of Annapolis Valley

The London Daily Mail is a paper with a circulation of one and three-quarter millions. It has recently inaugurated a World Tour of Inquiry, and one of its foremost writers, Sir William Beach Thomas, has started on this tour. It is a tour principally into the prospects and opportunities for British settlers, men and women alike, in the broader and less crowded lands separated from Great Britain by broad seas. The overseas British by broad seas. Canada, Australia, New Zealand, South Africa, etc., will receive first consideration, and people advised to seek homes therein.

Sir William has made part of his tour, has visited us in the Valley and written up some of our opportunities and resources. From the Daily Mail of May 29th we take the following extracts:—

IN AN APPLE PARADISE How the Immigrant Starts.
Halifax, N. S.

On landing at Halifax I grew interested in the fortunes of five Scandinavians who were emigrating to Nova Scotia and I altered my route to see the part of the country they had selected. They had all been brought up on the land, one in Denmark, one in Holland, and three in Sweden.

All had engaged themselves as farm laborers on the north side of Nova Scotia, "where the apples come from," and most farm produce besides. It is one of the very few parts of any country in Europe or America that have not suffered this year from depression among their farms and farmers. Indeed, it claims a world record.

For three consecutive years the apple trees have been heavy with apples and business has been good. Over 2,000,000 barrels were sent away last season. The little town of Kentville in the middle of the apple country was stiff with commercial travellers who had come in the wake of the money.

Was such fortune due to luck or skill? A persistent belief prevails throughout this apple-growers' paradise that science has found the secret of steady production. The people believe that where the right land is chosen—above the frost-line and out of the sand—production of No. 1 apples may be surer than the production of No. 1 Manitoba wheat; and that the key of success is small regular applications of nitrate of soda in the spring.

TRIBUTE TO MEN OF KENT

I drove through some of the best of the country with Prof. Blair, the head of a five hundred acre Federal experimental farm. He had just paid a visit to England to attend the Daily Mail Apple Show—for which his admiration was unbounded—and careful, almost canny, man of science that he is, by Scottish descent, as by training, he has a most just faith in the future of the industry and of the country.

Along with everyone else that I spoke to on the subject, he wants immigrants, lots of immigrants, to develop the wealth that is as yet only scratched. And it is to Britain he looks. The British emigrant is preferred before all others, with perhaps an exception in favor of the Scandinavian. "The very best men we have had," one official said, "have been from Kent and South Wales."

The best possible sort of immigration has been tried, and is succeeding even beyond expectation. In the neighborhood of Wolfville, the most attractive little garden town—it is also a university town—I over saw Mr. Oliver Hind, a generous worker among the boys of Nottingham, endowed a little fruit and general farm, called Farm Dukeyne, where vary a dozen boys of seventeen years or so, are sent and given a year's training.

Prof. Blair, who has recently begun to take a leading part in the scheme, holds that when their eyes are up these boys are even more useful than country trained workers. They are less haphazard, more skilful, more alert, more scientific. If only other benefactors would set up similar farms in other Provinces on the model of Mr. Hind!

A LESSON IN HOW TO BEGIN

The farmers and their "apple Paradise" that lies between Windsor and Digby along the Bay of Fundy demand a description to themselves; I must return for the moment to my Scandinavians.

They did not come in a hurry to Nova Scotia through news of this latest bout of productive prosperity. Their decision was of older standing. They had made long inquiry into the possibilities of the land and had definite arrangements with farmers.

They are to start as laborers on the following terms: They receive in dollars the equivalent of 25 a month in addition to free board and lodging and washing. They live with the

CUTWORM'S HISTORY

Could you give me the life history of the cutworm? BUG.

REPLY: The eggs of the cutworm are laid in late summer in fields of grass, weeds and herbage, and hatch early enough for the young worms to feed for a few weeks in the fall, mostly on grass. They spend the winter in the ground in earthen cells which they build about themselves and when the ground has been plowed and seeded in the spring they are ready for the first plants to come up. The adults leave the ground, transform into moths and fly away in July or August. They have grayish-brown forewings and silky white hind wings.

farmer and are treated—on the small, but not always on the larger, farms—as "one of the family," sharing the life of the farmer, indoors as well as outdoors.

Every 25 they save is the value of an acre of good land; and it is long odds that before many years they will all be yeoman farmers in some measure, working a little, it may be, for others, selling a little timber off the land that they will be steadily clearing for the apple trees. Such is the near future that they sketched.
