ANNUAL REPORT.

TO THE PATRONS OF THE MISSIONARY SOCIETY OF THE METHODIST EPISCO-PAL CHURCH IN CANADA.

The Secretary of the Parent Missionary Society herewith submits the Annual Report of the Society, for the year ending June, 1882, showing the receipts and expenditures, both of the Parent Board and the Auxiliaries for the year. Our Missions in Manitoba, it is well-known, are under the care of the General Board, constituted by the General Conference for the whole Church, while the Missions in Ontario are under the direction of the Annual Conference Auxiliaries.

In addition to these we have, in active operation, a Women's Foreign Missionary Society, managed entirely by the ladies of the Church, and which promises to be an important help in the work the Church has undertaken to do. The report of this organization and the work it has accomplished will also be found herein.

The number of our Missions at present in Manitoba is eight, and the points occupied by our Missionaries are as follows :---Winnipeg, Emerson, Dominion City, Morris, Carman, Nelsonville, Portage La Prairie and Brandon. On these Missions we are supporting some nine missionaries. The amounts appropriated, by the Board, for the support of these Missionaries are as follows :---

Winnipeg	700.00
Emerson	500.00
Dominion City	300.00
Morris	400.00
Carman	400.00
Nelsonville	500.00
Portage La Prairie	700.00
Brandon	500.00

Total..... \$4000.00

It will be seen from these amounts that the utmost economy is practiced by the Board, and the money is carefully expended. The Parent Board apportions annually to each Conference a certain amount, and relies almost wholly upon these amounts for meeting obligations incurred in the

ANNUAL REPORT.

management of the Manitoba work. The sums thus apportioned this year are the following :---

Niagara	Conferen	ce.														\$1350.00
Ontario																1150.00
Bay Quin	nte "		•	•	•	•	•	•	•	•	•	•	•	•	•	1050.00

Total.....\$3550.00

These amounts when all paid, it will be seen, are insufficient to meet the salaries of the employed missionaries, and consequently the Board are forced to borrow money to meet their obligations to these brethren, and in this way our debt has been gradually increasing, and the Society finds itself in debt to the extent of \$10,457.84. These facts and figures will convey to our patrons the exact condition of our Missionary Society, a condition forced upon us by the necessities of the case, but representing an amount of indebtedness that is perfectly within the reach of our people, and which by an easy effort, could be immediately provided for.

We also append a brief description of the present condition of some of our North-west Missions :

WINNIPEG.

In this city we are meeting with much success, according to the reports of the Missionary Superintendent, Rev. Thomas Argue. Our Church is well filled on Sabbath. Our prayer and class-meetings are well attended and are seasons of refreshing and of revival power. The Sunday-school is growing finely in numbers and in influence, and the labors of a second man are much needed.

CARMAN.

This work has enjoyed much prosperity during the past three years, under the labors of the Rev. W. F. Warne. The prospect for this field is very cheering, and doubtless it will soon become a self-supporting circuit.

NELSONVILLE.

We have here a good site for a church worth one thousand dollars. There is also a steady increase in the number of those attending our services, and the future is full of hope.

PORTAGE LA PRAIRIE.

Here it is said we have a good cause and increasing congregations. This is an important town and we greatly need a church to accommodate our growing interests in the town. ye ga pe alı

ANNUAL REPORT.

BRANDON.

We have but recently entered this rapidly rising town. It is only a year old and now boasts of a population of niteen hundred. We have organized a class of thirty members in the town, and our cause has lately experienced a very good revival. Some valued members of our Church have already settled there and the outlook for our cause in Brandon is now good. RECOMMENDATIONS OF BOARD-

The following recommendations which were passed by the Board are here presented for the information and guidance of the missionaries.

1. That the ecclesiastical year shall begin and close, in the case of missionaries appointed to our work in Manitoba, on the 16th day of May of each year.

2. That all ministers upon mission fields, receiving Missionary money shall be required to furnish to the Secretary of the Parent Board, reports of the state of their missions each quarter.

3. That ministers appointed to work in Manitoba, shall be expected to remain in the country for a period of at least five years, unless excused by order of the Board, failing which, the expenses of their return will not be met by the society.

Resolved,—That this Board hereby authorize the Superintendent and the Missionaries at Emerson and Portage La Prairie, with two laymen in Manitoba, which they shall select, to secure an Act and take measures for the sale or exchange of any property which the Board or Executive shall approve.

The managers of the Society send out this, their Annual Report, thankful to God for past success, and humbly relying upon His Providence and the prayers, sympathies and help of the people for increased power and more glorious victories.

THE WOMAN'S MISSIONARY SOCIETY

METHODIST EPISCOPAL CHURCH

OF THE----

IN CANADA.

BOARD OF MANAGERS FOR 1882.

President,—MRS LEVI MASSEY. 1st Vice-Presiden', —MRS AMOS CAMPBELL. 2nd Vice-President, —MRS W. CUMMINGS. Recording Secretary, —MRS J. R. JAQUES. Cor. Missionary Secretary, —MRS A. CARMAN. Treasurer, —MISS E. A. GOULD. Niagara Conference, —MRS J. W. SCATCHARD. Ontario Conference, —MRS A. C. MAYBEE. Bay Quinte Conference, —MRS WM. BLAIR.

In presenting this second published report we regret that we are not able to show a larger increase in the contributions, but still, we believe the interest is growing, though it may be slowly yet we hope surely. At the annual meeting of the Board in June 1882, it was decided to appoint the Secretaries of the Conference Auxiliaries agents, to travel as they could, to organize auxiliaries, solicit contributions from the women of our Church, secure life-members, and in every way possible strive to awaken an interest in the missionary work. We believe that scores of women devoted to the Church and her institutions need only to be approached and interested in this matter to secure their hearty co-operation and contributions.

We are glad to find that the prejudice against a woman's society is wearing away throughout the whole world as was evinced by the hearty vote of approval given to the Woman's Miss. Societies at the Ecumenical Council in London, England.

Our sisters in the United States are doing a grand work, having raised the past year 107,932.00 au increase of 31,582.00 over the preceding year. Yet, when we consider that they as a Church have a membership of a million and a half, that this is their twelfth report, and that they have increased their contributions during the past six years more than half, while we, as a Church, have only twenty-eight thousand members, that it is only a little more than five years since we first organized, and that this year we have increased our contributions a fifth, we feel to take heart, press on, enlarge our borders, strive for what we believe to be right. We would that the women of Canada would awake to their responsibility in this work, for truly it is the work in the Church pre-eminently for women. It cannot be said that there are no

women among us fitted for this work. One of the most successful workers in that most important branch of missionary work in heathen lands—the medical work—is one of Canada's own daughters, Miss Leonora Howard, who was born near Brockville, she, feeling the call to this work, had to seek a field from home, as there was no society here to give her work. We have more among us of the same spirit as this noble young woman who now ministers to the mind diseased, as well as body, in China, under the employ of the W- Miss. Society in the United States.

As you will see by the report from the Ontario Conference Secretary, we were asked to raise \$150.00 for the support of a missionary in Brandon, Manitoba. This Board decided "to devote all the monies raised within the bounds of this Conference to that mission, until that amount be reached," that this amount can be secured we believe if we only have the countenance and aid of the Pesiding Elders and Preachers in charge ; this we must have, for by this very request they have in all honor assumed this responsibility. The Niagara Conference and the Bay Quinte Conference accepted their quotas for this mission, while the Ontario asked us to raise it. We would that our women in the three Conferences would arouse and say : we will pay the whole, for they could do it with ease if they were alive to the importance of the work.

One branch of our Church is sadly neglected in missionary work, *i. e.* the Sabbath Schools. As far as we can ascertain in very, very few of our Sabbath Schools is there any effort made to raise missionary money, thus educate to a missionary spirit the children. The Niagara Conference reports for 1881, through its S. S. Union a large amount of money raised but only eleven schools out of one hundred and fiftythere raised money for missions. Nothing definite for this work in the Ontario Conference is published. The Bay Quinte Conference regrets, in its report, that only three schools report missionary money. This is a field for our society if we may be permitted to cultivate it, but some schools are so selfish as to say "No," it will interfere with our weekly collections." We believe not, for a spirit of giving in one department of the Church always leads to increased liberality in all others.

The full amount raised for the year ending June 1882 was \$152.43; expenses \$20.08, leaving a balance of \$132.35, which was appropriated to missions in the North-West.

Miss. Society.

ONTARIO CONFERENCE AUXILIARY.

At the request of the Board of Managers of the Woman's Miss. Society, I at-tended the Ontario Conference at Georgetown, and was kindly given time to present the claims of our Society, explain its workings and design. I met with great en-couragement from the ministers, but failed to secure large enough attendance at the Woman's meeting to form an auxiliary: During the Conference a request was made that the Woman's Miss. Society undertake the raising of \$150.00 for the support of a missionary in Brandon, Manitoba; thus in a manner pledging themselves to co-operate with us in the raising of funds. with us in the raising of funds.

Subscriptions to the amount of \$23.00 were paid, more promised and one life member secured.

In this Conference we have also to report the forming of an auxiliary, in Belleville, April 13th, 1882. Quite a large attendance of women showed the interest taken in this work here. Several new members were received, many old ones renewed and one life member secured. This auxiliary intends holding monthly meetings, consist-ing of literary and musical selections, of a missionary character, hoping by these means to arouse a greater interest.

University Church S. S. Circle is also prospering both financially and in in-creased activity of its members in the missionary work. This is the only "Circle" that has kept up its work and contributions since its formation in 1877; reporting this year \$18.35.

BAY QUINTE CONFERENCE AUXILIARY.

This Auxiliary holds its meetings on the St. Lawrence Camp ground. The one of 1881 was successful financially and in renewing the spirit of Missionary enterprise among the women of our Church in that part of our work. Some of our most zealous workers and liberal givers are connected with this Auxiliary. The secretary, Mrs. Wm Blair, was unable to attend the session of Bay Quinte Conference at Brockville or no doubt much encouragement might have been reported, as this year seems to have been one of increasing activity in missionary work in all its phases and branches.
