

AUSTRIA TO LET ALLIES RUN NATION

Government Notices Entente It Cannot Continue After January 15th.

NO MONEY TO PAY ANY OF ITS BILLS

Bankrupt Nation Will Leave Administration in Hands of Reparations Committee.

London, Jan. 11.—The Austrian Government has announced to the Entente that it is at the end of its resources and no longer in a position to continue, according to a report which has reached official German quarters, says a London Times despatch from Berlin.

The Government has declared its intention to retire January 15 and place the administration of the country in the hands of the reparations committee, the despatch adds.

EXPERT DENIES STATEMENT OF PHONE COMPANY

Claims Estimated Loss in Operations for Year is Much Too High.

DECLARES SUPPLIES ARE CHEAPER NOW

Information Essential to Determine Measured Service Costs Not Available Yet.

Ottawa, Jan. 11.—Sharp differences of opinion as to the probability of a decrease in the cost of operation on account of a drop in wages, were voiced today by officials of the Bell Telephone Company and W. J. Haggenbach, telephone expert, appearing for the city of Montreal, at the hearing of the application for increased telephone rates before the railway board. He was inclined to the view, that public utilities like other business organizations would be affected if there was much unemployment; that labor unions would not be able to maintain the present rate of wages and that the inevitable consequence must be a reduction in the cost of operation.

Dispute Bill Figures

Dealing with other aspects of the application for increased rates the telephone expert declared that the company's estimates of operating and other expenses for the year 1920 had not been borne out by the results. Upon the basis of eleven months of actual returns and an estimate for the seventh month he declared that the company would for the year 1920 have a net deficit of \$1,422,433 instead of \$3,129,450 as estimated.

Supplies Are Cheaper

Mr. Haggenbach asserted that many commodities, including those used by the telephone company, are falling in value. As conditions were unsettled, any relief given should be of a temporary character.

Regarding the proposal to introduce a measured service, Mr. Haggenbach submitted that the information necessary to establish the proper basis for such service had not been supplied.

Battered Up Face Of Movie Man Who Took His Pictures

Hubband Without Religion and Wife on Hunger Strike Objects to Publicity.

Danville, Ill., Jan. 11.—Harry Birch, a camera man, representing a motion picture news service, of Chicago, was thrashed today by Ernest Harrington, whose wife is on a hunger strike to force her husband to join a church.

Birch, it is said, went to the Harrington home and attempted to gain admittance.

"We are getting enough notoriety as it is, and I don't want pictures of me going all over the world," said Harrington, who is said to have administered such a beating that Birch lost consciousness.

Mrs. Birch, who accompanied her husband here from Springfield, rushed to the woodshed, where the encounter occurred, when she heard her husband's cries, and with the assistance of others, took him to a physician. Birch's nose was broken, both eyes were closed and his face was badly swollen. He has made no complaint against Harrington.

PRESBYTERY ON MIXED MARRIAGE AND ANNULMENT

Legal Action May Be Taken on Issues Raised by Catholic Church.

Presbyterians Cite Part of Constitution

All Ministers Urged to Warn Congregations of Dangers in Mixed Marriages.

Montreal, Jan. 11.—The marriage laws of Quebec Province formed the subject of a report which was presented to the Montreal Presbytery at its meeting here today by a committee which had been considering the legal position raised by various recent decisions of the courts, annulling mixed marriages.

After hearing the report and the statement of the Rev. Dr. Hanson, a protest was formally entered against such annulments.

Cites the Constitution

The report cited that part of the constitution of the Dominion which states that "no foreign prince, person, or state, or ecclesiastical authority shall exercise or enjoy any manner of power—spiritual or ecclesiastical" and concluded therefrom that no decree of any ecclesiastical authority can have any force in this country.

Against Mixed Weddings

The report added that the general assembly should be memorialized to urge on the federal government the passing of a law which shall remove any possible doubt on the subject of mixed marriages.

FINE AUTOS FOR PRIZES IN CONTEST

Studebaker, Gray-Dort and Ford Cars Given Away in Standard's Contest.

CHANCES TO BECOME MOVING PICTURE STARS

Tryout at Universal City, California, With Regular Salary During the Work.

The Daily and Semi-Weekly Standard want many more subscribers before Spring rolls round again. We are going to pay liberally in costly prizes to those who aid in placing St. John's enterprising Morning Daily and Semi-Weekly in every home in the communities that they cover.

Business Proposition

If we were to put out a body of collectors to cover the vast territory covered by The Daily and Semi-Weekly Standard, the cost in wages, railroad fare, hotel expenses, etc., would run into thousands of dollars. We are going to give the public a chance to earn that money in the form of valuable prizes. Our big prize contest will make a lot more "noise" and there is nothing like having some fun along with business.

Costly Prizes in List

Among the \$15,000 list of prizes is an elegant seven-passenger Studebaker Touring Car with a cash value of over \$3900. This type of Studebaker is so popular in St. John and Brunswick that it needs no introduction here. It is noted for its quick pick-up, ability to develop speed and its unlimited power.

Among the other automobiles in the prize list are a Gray-Dort five-passenger Touring Car, The Gray-Dort is noted for its hill-climbing ability and its low cost of up-keep.

Two five-passenger Ford Touring Cars are also included in the prize list, fully equipped with all of the latest factory equipment.

Movie Star Chance

Two opportunities to become stars with the National Film Company, including railroad fare to the Studios at Universal City, California, four weeks' tryout at \$25 per week, contract for at least six months, etc., are among the prizes. These Movie Star prizes are unusual features and ones that will no doubt interest many movie fans in the Maritime Provinces.

Arrangements are being made at the present time for the complete list of prizes and full details will be published within the course of the next few days. The above list of free awards, however, shows that the quality will be up to the usual Standard quality.

Subscribers Share Also

One of the unique features of the contest is that subscribers as well as candidates have an opportunity to win one of the free autos. Twenty-two free prizes for subscribers will be given in connection with a guessing contest, including a five-passenger Ford.

The idea is a Nutshell

The prizes will be given away to the candidates who secure the highest number of votes during the course of the contest, which will last for 10 working weeks. Votes can be secured in two ways (1) by clipping them from issues of the Standard (beginning tomorrow); and by securing new or renewed subscriptions to the Daily or Semi-Weekly Standard. The schedule of votes given for subscriptions will be furnished upon application. The schedules decrease from time to time therefore the plan is to get the early start.

Watch Tomorrow's Issue

A full page announcement of the big contest will appear in tomorrow's issue. Read every word carefully. But do not wait for the official announcement before enrolling your name. Enroll in a big campaign NOW—get the early start—An early start is half the battle. Receipt books and other printed supplies are promised by the printers today. There is no reason why you cannot obtain your supplies and get a run-away start in the contest while others are making up their minds as to whether they will enroll or not.

CONTEST DEPARTMENT IS LOCATED ON THE 4TH FLOOR OF THE STANDARD BUILDING, PHONE M. 1210 IF YOU CAN'T TALK, PHONE AND A SPECIAL REPRESENTATIVE WILL CALL YOU FULL DETAILS. AND GIVE YOU FULL DETAILS.

SOVIET TROOPS REFUSE TO FACE EXTREME WINTER

Desertion and Insubordination Common in Army Since Bitter Weather Came.

ONE DIVISION HAS LEFT WEST ARMENIA

After February 1st France Will Render No More Assistance in the Crimea.

Paris, Jan. 11.—Reports here today from the Bolshevik front in the Caucasus say the Soviets are having difficulty in keeping the troops in hand in the severe winter with no snow in front of them to keep them occupied. Desertions are numerous and insubordination is spreading in the ranks, the soldiers demanding of the officers why they are kept mobilized with nothing to do, according to despatches.

One Army is Withdrawn

Constantinople, Jan. 11.—Reports that the eleventh Soviet Russian Army has withdrawn from Armenia, and that the Bolshevik troops in Georgia had likewise been ordered out are confirmed here. The action, it appears, was taken because of the assistance and transport arrangements in the freezing of the Caspian Sea, and the heavy snowfall in the Armenian mountain regions. The troops have been ordered to take up winter quarters along the railway between Baku and Tiflis.

Provisioning arrangements for the Soviet forces were found difficult, the despatches say, because of the defection of the means of transport arrangements and the refusal of the Armenian peasants to supply the Bolsheviks with food.

French Aid Ending

Constantinople, Jan. 11.—Announcement by General Baron Wrangel, former anti-Bolshevik leader in the Crimea, that France's material assistance to the Crimean refugees here will cease on February 1, is causing consternation among the Russians, who are stripped of the means of subsistence and are depending on French help. It is impossible to forecast what the multitude of Russians here will do when this assistance is withdrawn. Several hundreds of them already are homeless.

Sleep in Bath Houses

The proprietors of the Turkish bath houses have closed the doors of their establishments to the Russians in order to prevent them becoming lodging houses, crowds of Russians using the bath houses for lodging instead of bathing purposes. General Wrangel has lost his authority and his decrees are not carried out on the ground that the White army no longer exists.

"It is what he likes best," Kloor stated, "and we want to give him a real 'home folks' feast when he gets through with the necessary formalities and is able to come to us. The weather is cold now and the pig will be about right when he comes."

DANIELS FAVORS HOLIDAY IN ALL WARSHIP ORDERS

Pres.-Elect. Harding Urged to Call a Naval Limitation Conference of Nations.

GREAT FLEET DUE IF NO AGREEMENT

Wilson Thought League of Nations Could Accomplish Desired Objects.

Washington, Jan. 11.—The present time was described as ripe for a movement toward limitation of naval armaments by international agreement by Secretary Daniels of the Navy and Acting Secretary Davis of the state department, in testimony today before the house affairs committee.

Secretary Daniels declared that in his opinion the move might properly be made by President-elect Harding, who, he said, could call and hold an international disarmament conference within two months after his inauguration.

Way Wilson is Silent

Secretary Daniels told the committee that President Wilson had not called such a conference because the president felt in view of the short time he would remain in office such action would embarrass the incoming administration. Mr. Wilson did not use the powers granted him in the 1916 act at the close of the war, Mr. Daniels added, because he thought the participation by the United States in the League of Nations would bring about the desired result.

Limit or Build Biggest

The committee was urged by Mr. Daniels to authorize continuance of work on the uncompleted portion of the 1916 three-year naval building programme until an international agreement of some kind was reached. He asserted that if no such agreement could be obtained from the powers, the United States should build "the greatest navy in the world."

But General Impression is That He Will Order Exclusion from United States.

Washington, Jan. 11.—Decision as to the deportation of Lord Mayor O'Callaghan of Cork, who arrived in New Orleans last week as a stormy way without a passport, was referred today to President Wilson. President Wilson's advice was sought at today's cabinet meeting. The President this was called upon to decide between the position of Acting Secretary Davis of the State Department, who has insisted on exclusion of the Lord Mayor from the United States for attempting to enter without a passport; and that of Secretary of Labor Wilson, who has refused to acknowledge jurisdiction of the State Department until the case has been formally presented to it by the Labor Department. The President's view is unknown.

BALLOON RACED THROUGH CLOUD INTO TREE TOP

Crew Had No Idea Where They Were When They Slid Down Tree to Ground.

DEMONSTRATED POWER OF THE BIG AIRSHIP

Possible for Ordinary Bag Balloon to Sail 1,200 Miles With 35,000 Cubic Feet of Gas.

Mattice, Ont., Jan. 11.—(By E. J. Landon, staff correspondent of the Canadian Press and The Associated Press.)—One important scientific feat has been discovered as a result of the American balloonist's trip to Mattice Factory district, Lieut. Kloor said on his arrival here.

He explained that it had been demonstrated that a balloon with a capacity of 35,000 cubic feet, had buoyancy enough to travel 1,200 miles, something that had been thought possible for a dirigible under 50,000 cubic feet capacity.

The crew of the balloon had thrown away everything in the balloon to keep her up in the air. Lieut. Kloor said, including their instruments, which were a stadioscope, altimeter and compass.

In Clouds Most of Time

The naval officers said they had been travelling through the clouds most of the time during their trip from Rockaway Point and they had no idea of their location when they came down. In making the descent the balloon struck a number of trees swinging clear several times before finally lodging in the topmost branches of one. The crew, after reaching the ground, concluded from the appearance of the country that they were in some part of the Adirondacks. They continued under this impression until they were rescued by Tom Marks, some three days later.

Canada Spends Too Much Over Border

Luxury Taxes Were Like a Blister—Needed But Must Not Be Left Too Long.

Brookville, Ont., Jan. 11.—Speaking before members of the Eastern Ontario and Ottawa district branch of the Retail Merchants' Association of Canada at their annual banquet here tonight, held in connection with the third annual convention of the organization, Sir Henry Drayton, minister of finance, conveyed to the citizens of Canada, a strong denunciation of the extravagant spending of Canada's money in the United States for commodities which are conceded to be the Dominion's richest products.

Dealing with the dead luxury taxes Sir Henry Drayton stated that the tax was a blister applied in a time of need, but like a mustard plaster which had served its useful purpose, was not left on too long.

Hon. R. W. Wilmores, minister of customs and inland revenue, stated that the government of Canada is anxious to be advised by the people whom they represent and are devoting their best efforts to the service of Canada as a whole.

History of The World's Alphabet

Most Interesting Discourse On Evolution of Present Day Alphabet by Mrs. Fitch.

An plain as A, B, C. is a saying often used, but it was shown to those who attended an illustrated lecture delivered by Miss Adelaide Fitch at the Natural History Society rooms last evening, that A, B. and C. were not always plain and that they have come to us in their present form through many ages and changes.

To make an ordinary topic as the alphabet interesting would not have been possible for every speaker, but Miss Fitch has given her subject years of study and has a wealth of facts which held the attention of her audience, and caused them to regret the brevity of the address.

AIRMAN NEVER OFFERED LIFE TO SAVE CHANCE

Sensational Tale from Denied When Balloon Arrive at Mattice.

BALLOON DESTROYED BY HITTING A TREE

Trip Across Ocean in Not Nearly So Hazardous as Balloon Voyage.

Mattice, Ont., Jan. 11.—The American balloons, who arrive in Mattice, are in excellent condition. At this point, met by Lewis McLoughlin, Royal Canadian Mounted Police, handed them a bundle of despatches from Government headquarters in Washington.

There is no truth in the story that Lieut. Farrell had offered life in an effort to save his own. Lieut. Kloor, however, was shot, and their only food during the trip was carrier pigeons.

There were three of them attached to the party, and two were eaten by the officers. The third was shot, but was not eaten. It was sent out by the same carrier pigeon.

Sensational Tale from North Denied When Balloonists Arrive at Mattice.

BALLOON DESTROYED BY HITTING A TREE

Trip Across Ocean in N. C. 4 Not Nearly So Hazardous as Balloon Voyage.

Matric, Ont., Jan. 11.—The three American balloonists, who arrived here at 12:30 p.m., are in excellent physical condition. At this place they were met by Lewis McLaughlin, of the Royal Canadian Mounted Police, who handed them a bundle of despatches from Government headquarters at Washington.

There is no truth in the story sent out that Lieut. Furell had offered his life in an effort to save his companions. Lieut. Furell secured a first-hand report of the balloon flight on Wednesday. He said it was absolutely contrary to the facts.

Balloon Hit Tree
They were wandering in the woods near Moose Factory for three days after their balloon struck in a big tree northwest of the Hudson Bay post there, and their only food during that time was carrier pigeons.

There were three of these birds attached to the party, and two of them were eaten by the officers. The third was dead, but was not eaten. No bird was sent out by the men from Moose Factory with a message to Rockaway Point, Lieut. Furell said on reaching here.

Biggest Adventure Yet
"The N. C. 4 adventure was nothing to this trip," Lieut. Furell said today. Lieut. Kloor added that it had been the greatest adventure of his life this voyage through cloud-land into the Northern Ontario wilds. Lieut. Furell declared he would rather cross the Atlantic on a steamer five times than make another journey such as the one which terminated here.

Lieut. Kloor told of his adventure in the C-10, the dirigible to which he was attached during the yacht races for the America's Cup last summer when he fell into New York Bay, but he said this experience had been infinitely greater.

Took Turns in Riding
The three toboggans and carriages left Moose Factory at ten o'clock in the morning of December 28, one day earlier than had been expected. The officers took turns in riding, with Lieut. Furell favored in this respect. The balloon was driven to earth on the afternoon after Rockaway Point had been left, which was Tuesday, December 14, and it was the following Friday afternoon when they were brought into Rockaway Point. Lieut. Furell, speaking to the newspapermen this afternoon.

Trees Show Signs Of Buds Starting
Snakes and Robins Out as Usual in All Parts of Southern Ontario.

Simcoe, Ont., Jan. 11.—Robins are not plentiful as yet throughout the "hudson belt" of Ontario, but active golfers are enough, and if the "birds" are without ice for hockey they are getting even with the weather man by playing baseball on the lots. Members of the Norfolk Golf and Country Clubs are playing their games daily. A large snake was recently killed near the town, and the buds on some varieties of trees give evidence of their readiness to swell and burst.

His Cigar Doesn't Taste Right
And Yet It is the Same He Was Smoking With So Much Relief After Dinner, Last Night, Out of the Very Same Box, Too.

Every smoker has experienced this peculiar condition, the result usually of imperfect digestion of food. And the blame is rarely put where it belongs.

Such men are usually high bred, hard workers mentally, living under high pressure and great draught, and it doesn't take a high grade of order the stomach or render the liver torpid.

Workers Will Fight Twenty Per Cent. Cut By Dominion Steel

Men Claim Nothing in Steel Market or Living Rate to Justify Such Action.

Sydney, N. S., Jan. 11.—That they will fight by every legitimate means in their power the 20 per cent. wage reduction ordered last Saturday by the Dominion Iron and Steel Co., was the decision reached at a mass meeting of the steel workers union here last night.

Speaker after speaker took the floor and declared that there was nothing in either the cost or price of steel, or in the trend of the cost of living to justify the drastic wage cut proposed by the steel company.

An effort will first be made, it is said, to induce the company to change its announced purpose of making the twenty per cent. cut, but if negotiations in this direction fail, then an appeal will be made direct to the federal government. An interview with the steel company management will be arranged at once.

AMENDMENTS TO TAKE STING OUT OF THE EMBARGO

Enemies of Measure Score in Fight Before Senate Finance Committee.

CHEESE AND WHEAT TWO GREAT ITEMS

Sugar Growers Not Satisfied With the Protection Proposed Bill Gives.

Washington, Jan. 11.—Hearings on the Fordney emergency tariff bill were concluded by the Senate finance committee tonight after another day of appeals, either to be excluded or included had opened up what supporters of the measure feared, and opponents hoped, would be the means of adding amendments to the bill as it passed the House.

Senators McCumber of North Dakota and La Follette of Wisconsin, Republican members of the committee, at the conclusion of the hearings, announced they had statements to make relative to the subject matter of the tariff.

Statements on Thursday.
These will be read at a session Thursday, when it was indicated, several other Senators would also declare their attitude. Mr. McCumber's statement will concern the wheat duty, he said, and Mr. La Follette said his would be with respect to cheese, on which the bill provides no additional protection.

Dozen Amendments Pending.
Already a dozen amendments are pending. Some of them, their sponsors openly assert, are intended to be flagships for the direct purpose of taking up the time of the Senate and if possible of killing the bill.

One Senator, it was reported, was prepared to introduce an amendment which would include the bill to ratify the country's laws and to demand that this amendment be read. It is a document of sufficient length to keep reading clerks busy for two weeks.

Efforts also are being made on behalf of sugar growers, dairy interests and other agricultural groups to have the bill re-coded to include certain products omitted from the bill.

Frost Play Havoc With California Fruit

Mercury Dropped in One Place to Eighteen Degrees Above Zero.

San Francisco, Cal., Jan. 11.—Temperatures below the freezing point and killing frosts were general throughout California last night, endangering a vast quantity of ripening citrus fruits and truck produce, the United States bureau reported today. The record temperature for the night was on Mount Wilson, where it was 18 degrees above zero at one point. Retra of the frosts and low temperatures tonight and tomorrow is expected at the bureau.

Two Killed, Eight Hurt in Hotel Fire

Fear Others Have Lost Lives in the Burning of the Chestnut Hotel at Cleveland.

Cleveland, Jan. 11.—Two men are dead from burns and suffocation and eight persons were injured in a fire which swept the Chestnut Hotel, 125 1/2 street and Chestnut Ave. early this morning. Several persons are said to be missing. Firemen and police are searching the still blazing building for additional bodies, three hours after the fire started.

The injured, including three women, were hurt in wild leaps from second story windows. Life nets were spread by firemen, but in the smoke and darkness several of those injured were hurt when they missed the nets. Police say the iron escape collapsed after a few persons had used it to escape.

limit was \$1200, while in N. B. it is \$1600. So in N. S. the maximum weekly compensation was \$12.89, while that in N. B. is \$15.87. New Brunswick pays claims weekly. This cost something. New Brunswick makes good provision for injured persons in payment of full medical and hospital fees. The fact that in 1919 there were 2,764 claims, last year 5,000 might lead some to suspect that some workmen are malingering, but the fact that 900 injured men went back to work within several days of accident shows the integrity of the great bulk of workmen. A valuable officer is John Redfern, who as First Aid and Safety First Instructor, goes to every New Brunswick industry to see that each has a First Aid kit and at least one person qualified to use it. This is preventive, as deaths have resulted from minor accidents that immediate attention would have saved. Thousands of people are working for from \$5 to \$12 per week. There should be a minimum wage established. The \$1 for renewal license of engineers was very moderate compared with that of other provinces. He would ask delegates to discuss with the Board personally any difficulties they had. C. N. R. employees should see that superintendents and officials promptly reported claims. A man losing limbs should not have cost of artificial limb deducted from his compensation. Mr. Sugrue, on motion of P. C. Wilson received a hearty vote of thanks.

In reply Mr. Sugrue hoped that through labor's efforts we should soon have mothers' pensions, minimum wages and other much needed reforms.

Adjourning till 9 a. m. Wednesday.

W. R. Rogers secured about the International Railway and Steamship Freight Handlers' of Moncton, and the standing of the Canadian Brotherhood of Railway Engineers, and the executive replied that there was an organization of the former in Moncton, and the ruling was given that the latter could not be admitted as delegates.

H. H. Stuart of Sunny Brae said that everything possible should be done to keep all branches of labor in agreement and to deal all existing differences, and that therefore the C. B. R. Who Will Be the Movie Star From New Brunswick? Will It Be YOU?

Stardom, Fame and Fortune in the "Movies" is offered to you without one cent of cost

Elmo Lincoln UNIVERSAL

The St. John "Standard" and the Universal Film Manufacturing Company of Universal City, California, offer the residents of the Maritime Provinces an opportunity to gain fame, fortune and stardom in the Movies.

Here is Your Chance to Become Star in Movies

Budding Geniuses Will be Given an Opportunity to Become Famous on the Screen With the Universal Film Manufacturing Co. of Universal City, California.

A decade or so ago, almost every girl in her teens, and many beyond that age, longed to go upon the stage and win fame and fortune behind the footlights. Today the dream of almost every young miss is to be a star of the "Silverdome"—the movies.

Young Lady—How many times when you have seen Mary Pickford, Priscilla Dean, the Gish sisters, Norma and Constance Talmadge, Mme. Petrova, Dorothy Phillips, Mae Murray, and other stars of the film firmament have you imagined yourself playing their parts on the screen? How many times have you said to yourself, "I could be just as great a star if I was given the opportunity." Well, here is your opportunity.

And Young Men—How many of you have felt that you have the makings of a second "Doug" Fairbanks, Elmo Lincoln, Eddie Polo, Bill Hart or Charlie Chaplin within you? Probably you have. Here is your chance to find out at our expense.

Half Yearly Contracts or Longer The St. John Standard and the Universal Film Manufacturing Company of Universal City, California (the largest and most progressive moving picture concern of the world), are going to give a limited number of young folks, middle-aged folk and old folk (either sex) an opportunity to become movie stars. If you consider that you have "acting ability," if you long for world-wide fame, or if you are interested in the million-dollar-a-year salaries many of our leading film stars receive each year, it will pay you to get full details of this offer from the "Movie Star Dept." of the St. John Standard.

The persons chosen by the St. John Standard will have their railroad fare paid to Universal City, California. The Universal Film Manufacturing Company will then take these persons under their direct supervision and give them a four weeks' try-out at \$25 per week, with every opportunity to become a star. Those who film well and show talent and ability will be contracted with by the Universal Film Company for six months or possibly permanently. Those who are unsatisfactory will be given each competition gifts of \$100 and returned home.

An Unusual Opportunity.

There are thousands of young ladies and men in Canada and the United States whose parents would willingly pay large sums of cash to secure an opening for their daughters or sons in "movie-land" similar to those openings offered by the St. John Standard. There are thousands more who have gone to California hoping to "break into the picture," only to find that every movie employment office was already filled to overflowing and that there were thousands of applicants whose names were already registered for positions and that the chances for becoming even an "extra" were very remote.

These difficulties will be smoothed from the path of the persons sent to Universal City by the St. John Standard, and the beauty of it is that it will not cost any of those taking advantage of this opportunity one cent.

Another Mary Pickford. Mary Pickford a few years ago was a little Toronto girl. Today she occupies the leading place in filmdom and received a salary in excess of a million dollars a year. Who can say but what we may discover "another Mary Pickford" here in St. John.

For full details regarding this exceptional offer write the "Movie Star Department" care of the St. John Standard.

Opportunity knocks once at every person's door. If you possess talent and ability; if you want fame and fortune, you will find that Opportunity is knocking at YOUR door now, and knocking loudly.

Probably you have the talents and abilities of another Mary Pickford, Priscilla Dean, Dorothy Phillips, Charlie Chaplin, Eddie Polo, Harry Carey, Eddie Lyons, Douglas Fairbanks, Lee Moran or Elmo Lincoln and all that you need is an opportunity to develop into one of the brightest stars of filmdom. Here is your opportunity. Grasp it.

THE STANDARD'S SPORTING SECTION

Caspar Leon Did Not Check Terry

Clever Italian Selected as Man to Wrest Title from McGovern.

No master how skilful, effective or resourceful a champion may be, there arises in the minds of students of boxing a belief that the victor must, like Achilles, have at least one weak spot. Having reached that conclusion, the next step is to find a fighter who can attack the weak spot and divest the champion of his honors.

Such a situation developed soon after Terry McGovern had seated himself on the bantam throne. Terrible Terry had stopped Harry Forbes in one of the most sensational bantam battles ever seen in the East, and he had gone through the remainder of the class like a modern reaper through a grain field.

It could not be denied that McGovern was a pugilistic whirlwind, and that clever boxers like Plinky Evans, George Munz, Tim Callahan and Austin Rice had been unable to check the victorious rush of the South Brooklynite.

At the same time it was held in certain quarters that if a man could be found with a good straight left and sufficient courage to enable him to poke it into the McGovern countenance with frequency and force, the championship would change hands.

The two men who arrived at that conclusion were Paul Armstrong, a writer on sports, and Charley White, at that time the most noted referee in America.

This was a formidable combination and some of Terry's admirers felt a bit apprehensive when it was learned that White and Armstrong were in search of a man to take the title away from Terry.

Picked Caspar Leon.

After canvassing the bantam field thoroughly White and Armstrong selected Caspar Leon, a lean, clever Italian, as the boxer best designed to neutralize the effects of the McGovern rush and reduce him to a non-litular condition.

Jimmy Barry, the former champion, had retired, and although Leon had finally failed to take the championship from the Chicagoan, he and his sponsors believed he had an excellent chance to wrest the honors from Terry.

So the match was made, and the promoter who undertook to stage the contest was the owner of the Greenwood Athletic Club, on Twenty-fifth street, South Brooklyn. The building, a long, one story brick, originally constructed for a planing mill, still stands on the original site and is used as a factory building. It is close to Greenwood Cemetery, and in the immediate vicinity of the McGovern home, and this fact gave rise to jocular talk on the part of the McGovern clan.

When one of Terry's opponents alighted from a train on Fifth avenue he would be walking to the club, pass the yard of a maker of monuments for the dead. Several of Terry's friends were usually lounging there and the boxer greeted thus:

"Better step in and pick your stone and epitaph before you go to the club. That was what they said to Caspar Leon as he walked along Twenty-fifth street on the night of January 30, 1919. But the little Italian, who was built on the greyhound plan, merely smiled and trotted on his way.

After McGovern had knocked out Harry Forbes at the Pullman A. C. for the codification of a few hundred spectators, the returns of boxing began to take notice of the former parveyor of potatoes and turned out in large numbers every time he appeared in the ring.

There was a big crowd in the cramped quarters of the Greenwood A. C. on the night of the contest, and there was much suppressed excitement, as it had been whispered about that McGovern was likely to meet with a great reversal.

Leon had landed in his usual painstaking manner and was in superb physical condition.

TOM CAT FOUGHT A BIG COUGAR

Owner of Feline Put End to Combat With Bullet from Gun.

South Vancouver, B. C., Jan. 11.—Thomas, a large cat owned by W. Bell, three times within a month has been badly mangled and crippled in nocturnal fights. For long undisturbed feline scrapper of the district, when it limped into the house to have its wounds bandaged, it was assumed that Tom was going back. Recently Mr. Bell was awakened by sounds of combat coming from his backyard, and he was amazed to discover that Tom's antagonist was a large cougar. He killed the beast with a single shot from a rifle.

For several months the cougar prowled about South Vancouver at night, destroying cats and chickens. He proved a wily customer and frequent organizer of attempts to capture or kill him were unsuccessful.

ALL LEAGUES ACCEPT LANDIS

Chicago, Ill., Jan. 11.—The committee representing the minor leagues meeting with Major League committee agreed today to accept the proposed new National agreement, with Judge Landis as the supreme director of baseball. Final action will be taken tomorrow at a joint meeting of the major and minor leagues.

CRIME CONDITIONS BETTER

Montreal, Jan. 11.—The annual report of the Montreal detective department show that during the year 1920, property valued at \$1,063,068.67 was stolen from citizens, and people visiting Montreal.

Only three murders were reported last year, as compared with ten the preceding year.

On a whole, it is the general opinion of the department that conditions are not as bad as in 1919.

VARSIITY DEFEATS 'TIGERS'

Toronto, Ont., Jan. 11.—University of Toronto defeated Hamilton Tigers tonight in a scheduled O. H. A. senior game by a 5-3 score.

Sussex Lost In Charlottetown

Abegweits by Faster Work and Better Combination Won Hockey Game 10 to 4.

Charlottetown, P.E.I., Jan. 11.—The Abegweits, of Charlottetown, by better work and better combination, defeated their opponents from Sussex in the opening game of the Eastern Amateur Hockey League, played here tonight in a crowded rink, by 10 goals to 4.

In the third period the visitors made a better showing, each team scoring two goals. In the first period the score was four to two in favor of Charlottetown; in the second period Abegweits shot four more, to their opponent's none. For the visitors, Leclair and the two fastifiers did the best work. The game was clean, fairly fast, and for a season's opener, a good exhibition of hockey. For the home team, Moore, Rodd, McBeachem, Williams, Gordon and Campbell did the scoring.

The Abegweits' line-up was about the same as last year. This is the first time an island team has entered into a league with mainland players. Another game will be played tomorrow night.

King's Defeated By Dartmouth

Hanover, N. H., Jan. 11.—The Dartmouth hockey team defeated King's College of Windsor, N. S., 5 to 2 today.

Many interested

The tour of the King's College Hockey team throughout the New England states is being followed with much interest by Kingmen at home, and big things are expected of the squad sent from the old college to battle for hockey honors in Yankee territory before their return to the homeland.

Up to last night the collegians had split even on their games, winning their initial match in the States from Massachusetts Tech by a score of 4 to 3 and losing to Harvard by a score of 9 to 1. Up to the last period of the Harvard game the score was very close, but six shots got through to the nets when the Crimson and White finally penetrated the stone-wall defence, featured by the wearers of the Blue and White.

The King's team is composed of Gilbert, Smith, Winter, Ruggles, White, Danlop, Parsell, Moulton and Gabriel. Dick Gilbert, of Rochester, is the only New Brunswick boy on the team. Winter and Parsell are from Newfoundland, and the remainder of the team from Nova Scotia.

Games will be played with Bowdoin and Bates Colleges and a Portland team, all in the State of Maine, before the team returns home.

Kingmen are confident that the American tour will have given members of their team such an intimate knowledge of each other's play that an easy victory for Maritime College into Hockey honors will be won by King's this winter.

Plans Being Made for Big Time to Be Held on Saturday, 22nd.

Plans are being made to make Saturday the 22nd "Moncton Night" in the Y. M. C. A. gym. Challenges have been received from the E. Baton Basketball team of Moncton, and arrangements completed to give the Monctonians a game on that evening. A picked team from the Y. M. C. A. High School Girls Basketball squad is to play the Aberdeen High School Girls' team, and a team will be selected from the Y. M. C. A. Senior Bowling House League teams to accommodate a picked team of Moncton bowlers, who are also coming down for the night. Plans are being made to make the occasion a memorable one.

Moncton Night In Local Y. M. C. A.

Plans Being Made for Big Time to Be Held on Saturday, 22nd.

Plans are being made to make Saturday the 22nd "Moncton Night" in the Y. M. C. A. gym. Challenges have been received from the E. Baton Basketball team of Moncton, and arrangements completed to give the Monctonians a game on that evening. A picked team from the Y. M. C. A. High School Girls Basketball squad is to play the Aberdeen High School Girls' team, and a team will be selected from the Y. M. C. A. Senior Bowling House League teams to accommodate a picked team of Moncton bowlers, who are also coming down for the night. Plans are being made to make the occasion a memorable one.

RECEIVED CHALLENGE

The Y. M. C. A. Trojans have received a challenge from the C. N. R. Basketball team of Moncton. The Trojans will endeavor to give the railwaymen a game in the near future.

TONIGHT'S GAMES

Tonight's games in the Commercial League at Black's alleys will be between the Post Office and Smith Brokerage Company.

In the Industrial League, T. S. Shimmis Company and The Imperial Oil Company will roll.

BASKETBALL MATCHES

In two interesting basketball matches, played in the Y. M. C. A. gym, last evening, the Robins defeated the Austrians by a score of 29 to 2, and the Bluebirds won from the Pheasants, 16 to 10.

DALHOUSIE BEATS DARTMOUTH

Halifax, N. S., Jan. 11.—Dalhousie rolled up a score of 6 to 0 against Dartmouth in the City Hockey League game tonight. The Dartmouth team is composed of players new to senior hockey, but they put up a good fight against the formidable college squad. The ice was soft and the game slow.

INDEPENDENT AND EASTERN LEAGUES

Moncton, N. B., Jan. 11.—In the Independent Hockey League game here tonight between Moncton and Sackville, Moncton won by a score of 3 to 1.

New Glasgow, N. S., Jan. 11.—In the Independent Hockey League game here tonight between Moncton and New Glasgow, Moncton won by a score of 8 to 2.

Bettering Light Harness Racing

Stewards of Grand Circuit Elect Officers and Adopt the 1921 Schedule.

Philadelphia, Pa., Jan. 11.—Stewards of the Grand Circuit today re-elected last year's officers and adopted a schedule for 1921 at the final business session of their two-day convention here. An open meeting also was held today, at which a number of prominent horse men from various parts of the nation expressed opinions on bettering light harness racing.

The turfmen tonight held their annual banquet and entertainment, at which announcement was made of the proceedings of today's executive session. The schedule adopted follows:

North Randall—Weeks of July 4 and August 8.
Toledo—Weeks of July 11 and August 1.
Kalamazoo—Week of July 18.
Columbus—Weeks of July 25, September 19 and September 26.
Philadelphia—Week of August 15.
Poughkeepsie—Week of August 23.
Hartford—Week of September 5.
Syracuse—Week of September 12.
Lexington—Weeks of October 2 and 9.
Atlanta—Week of October 16.

The officers re-elected were—President, R. K. Devereux, Cleveland; vice president, E. W. Swisher, Columbus; secretary and treasurer, W. H. Kibban, Cleveland.

HERMAN ACCLAIMED BANTAM CHAMPION

Promoters Say That Only by Knockout Could He Have Lost Title.

London, Jan. 11.—Pete Herman, former world's bantamweight champion, and "Batling" Levinsky, the former light heavyweight champion, who are matched respectively to meet Jimmy Wilde and Bombardier Wells at Albert Hall, London, Jan. 18, are in training at Thames Ditton, a London suburb, where English boxing enthusiasts daily watch them in their workouts.

The Americans have been well received in England. Levinsky's long record for clean fighting has been especially commented on.

Herman, however, seems to be an unknown quantity. He is taking light training and is not giving the experts an opportunity to predict the outcome of his contest with Wilde.

The American boxers were enthusiastically received at "White City" last night, where there were a number of exhibition bouts for former service men.

Notwithstanding the recent decision obtained by Joe Lynch over Herman in New York, Herman is being acclaimed here as the world's bantamweight champion. Herman and the English promoters are maintaining that only by a knockout could Herman have lost his title, that a fifteen round contest to a decision had no bearing on Herman's status, and that if Wilde wins here he will be the world's champion.

The promoters of the bouts base their views on rules drawn up at the Paris conference in 1917 of world boxing experts, at which the United States was not represented, and upon what the English promoters state there is a general understanding that bouts should be for at least twenty rounds.

ROCHESTER BALL CLUB INCORPORATED

Capital Stock is Placed at \$100,000 With Geo. T. Stallings as President.

Rochester, Jan. 11.—The Rochester Baseball Club which holds the International League franchise in Rochester, N. Y., was incorporated here today. George T. Stallings, former manager of the Boston Nationals was named as president, Walter E. Hapgood, business manager of the Braves, as treasurer, and Judge Thomas H. Connolly, of the Brighton district court, as clerk. Capital stock was placed at \$100,000, to which each of the officials secured one-third.

MONCTON GIRLS AFTER OUTSIDER'S SCALPS

Challenge St. John Lassies to Play Basketball With Them Now.

Special to The Standard.

Moncton, N. B., Jan. 11.—The challenge sent to St. John by the Aberdeen High School Girls basketball team has been taken up by the St. Vincent High School girls' team, in a letter received by the Captain of Aberdeen girls. The Fairville C. G. I. T. also want a game, so it looks as if the local lassies will have plenty of opportunity to display the playing ability and with a little more practice they will make their opponents travel at full speed and then some to beat them.

"The young ladies' team of the Y. M. C. A. have also sent a challenge to the Y. W. C. A. of St. John, and should they receive a reply and St. John have as good a team as they had last season, the followers of basketball can look for some good basketball from the ladies.

The Mount A. basketball team are hard at practice and are planning on playing the Moncton "Y" team early in February.

All members of the "Y" over 18 years of age interested in athletics are asked to be out on Thursday to commence training for the annual Hexathlon athletic contest that will be held Feb. 12th to 26th.

THE GOVERNMENT RAILWAYS.

The assertion is made that any attempt to dispose of the Government Railways will be stoutly resisted by the people.

THAT RAILWAY BRIDGE.

A few days ago, The Times accused The Standard of misrepresenting conditions regarding the new C. P. R. bridge.

NAVAL ARMAMENTS.

The suggestion that Great Britain should take a holiday in the matter of battleship construction does not seem to meet with unqualified approval by the people of that country.

THE GOVERNMENT RAILWAYS.

Secretary Daniels' ambitious programme for an American navy that will outdo that of Britain, assumes that the latter country is going to stand still in the matter of battleship (of all kinds) construction while the United States catches her up.

"MADAME SPEAKER."

The proposal which is telegraphed out from Victoria, B. C., to make Mrs. Ralph Smith, the senior member for Vancouver, the Speaker of the new Legislature sounds, to the Montreal Herald, like putting one over on the lady.

Want City to Take Over Power Plant

Trades and Labor Make Request—Murray & Gregory Offer to Buy Street to City

The city council had before it yesterday the communication from the Trades and Labor Council re the taking over of the plant of the New Brunswick Power Co. by the city, the offer of Murray and Gregory to deed to the city a street known as Prospect Avenue Road, the matter of increased pay for pauper patients in the Provincial Hospital for Nervous Diseases and sundry routine matters.

Financial Report

The commissioner of finance and public affairs reported payments for the month of December amounting to \$231,485.88. The committee of the whole recommended that a lease issue to George N. Chagnar, that the commissioner of water and sewerage be authorized to let tenders for a trunk sewer in Newman Brook, that the estimate of \$10,000 for the installing of water and sewer services on Douglas Avenue be approved, that the work of straightening the Millidge Avenue at a cost of \$26,515 be proceeded with, that all but \$1,000 of the amount held under the contract with the Stephens Construction Co. be returned to the contractors, and the City Public Service Employees' Union, No. 16676, be notified that it is the intention of the city to pay the same rate of wages as paid under the agreement made between the city and the union for 1920. Adopted.

Communications

A communication was read from Messrs Murray and Gregory offering to deed to the city the street known as Prospect Point Road, off Douglas Avenue. This was referred to the commissioner of public works for a report. The communication from the Trades and Labor Council asking the city to take over the plant of the New Brunswick Power Co. was referred to the mayor to consider and bring before the council at a later date. A communication from the Provincial Premier re the charge for pauper patients at the Provincial Hospital was referred to the mayor for a report. On motion of Commissioner Bullock, the common clerk was instructed to affix the seal of the city to a certified copy of the resolution passed in June last giving the C. N. R. the right to lay tracks on Water street and forward the same to the office of the C. N. R. at Moncton.

London, Jan. 11.—John Blair Macaulay, banker and director in many corporations, and widely known in the United States, died this morning at seven o'clock, following an abdominal operation. Mr. Macaulay was born in St. John's, Nfld., in 1841.

OBITUARY.

Mrs. John R. Corns. A large crowd of friends will with regret mourn the death of Mrs. John R. Corns which occurred on Saturday morning at her home in Centerville, N. B., after a long illness, borne with great patience and Christian fortitude. Mrs. Corns was the daughter of the late Benjamin and Anne Jordan and was born in Woodstock seventy-three years ago. She leaves no mourners. Her husband, three sons, Gordon H., Blamarch, North Delta, Rex R., St. John, and Samuel H., at home; and four daughters Mrs. J. D. McLean and Mrs. D. W. Perkins, Centerville; Mrs. J. C. Bartt and Mrs. E. J. Fulton, Bridgewater, N.S. The deceased was interred in the Centerville Baptist cemetery on Monday afternoon at two o'clock. The funeral services were conducted by the Reverend Mr. Miller and the Reverend Mr. Bell.

John T. Brown.

Many friends will learn with regret of the death of John T. Brown, a life long resident of the West End. He was a member of Golden Rule Lodge No. 48 L. O. P. He leaves to mourn a sorrowing wife, formerly Miss Annie Knight of Grand Lake, Queens Co., two daughters, Mrs. Walter McLaughlin and Mrs. Morris Johnson at home. Also two sons, Thomas H. Mrs. Henry Dennis.

Halifax, N. S., Jan. 11.—The death occurred this morning at the residence of her son, W. H. Dennis, proprietor of the Halifax Herald and Evening Mail, of Mrs. Henry Dennis, aged 69 years. Mrs. Dennis, who before her marriage was Wilhelmina McDonald, was born on McNab's Island, Halifax harbor, the year following the settlement there of her parents, who with a number of other families had come out from Scotland.

As a girl Mrs. Dennis trained for a nurse and for a number of years practiced her profession. She has always been in delicate health and following her marriage the family moved inland in order to escape the rigors of the climate on the coast. In October of last year, while visiting relatives in Boston Mrs. Dennis contracted a severe cold and decided to return to Nova Scotia in an endeavor to recuperate, but complications intervened and death came this morning.

Mrs. Dennis is survived by her husband, who is at present visiting a son in Washington; four sons, William H., of Halifax; Aubrey of Boston; Arthur of British Columbia and Albert of Washington, and one daughter, Mrs. Aubrey Cox of Rockingham, N. S.

John Blair Macaulay.

London, Jan. 11.—John Blair Macaulay, banker and director in many corporations, and widely known in the United States, died this morning at seven o'clock, following an abdominal operation. Mr. Macaulay was born in St. John's, Nfld., in 1841.

William Steeves.

Hillsboro, N. B., Jan. 11.—The death of Mr. William F. S. Steeves occurred suddenly at his home, Hillsboro, on Saturday last. He had been in his usual condition of health. On Saturday morning he complained of being ill and passed peacefully away five o'clock, death being due to heart failure. The late Mr. Steeves had reached the advanced age of 81 years, but was particularly active. He was held in high esteem in the community, and for many years was interested in connection with the Sunday school work of the First Baptist Church. He was twice married, and is survived by two daughters, Mrs. Wilfrid Jones of Boundary Creek, and Miss Mary Steeves, at home; also step-children, Mrs. Wilma of Moncton, Mrs. Frides of Salisbury, Mrs. Steeves and Mrs. W. H. Steeves of Hillsboro, and one step-son, Mr. Ralph Milton of Salisbury. Mrs. J. Steeves of Hillsboro is a sister of deceased, and the only surviving member of the family. The funeral was held on Tuesday, Rev. A. S. Bishop of the First Baptist Church officiating, and music by the choir of that church. Interment was made at Gray's island cemetery.

Funds To Provide Board For Baby

Society for Prevention of Tuberculosis Take Action—Visitor and Nurse's Report.

Funds to provide board for a baby at the Evangelical Home were voted at yesterday's meeting of the St. John Society for the Prevention of Tuberculosis. The meeting was held at the Dispensary on Carmarthen street. J. A. Likely, president, presiding. The child, for whom the donation was made, is a member of a soldier's family.

Visitor's Report

Mrs. Busby gave her report as visitor for the month, stating that a permit had been obtained from the city for a patient to go to River Glade. Ten dollars received for comforts had been spent on Christmas dinners for several families in whom the society is interested. A donation of twenty dollars was received from James F. Robertson, for which thanks was expressed.

Mrs. W. E. Scully was elected a member of the Board of Management. Mrs. E. Atherton Smith was appointed visitor for the coming month. Mrs. M. E. Edwards resigned from the Publicity committee.

Nurses' Report

The nurses' report showed 196 visits made—139 adults on the register and 57 children. Ten clinics have been held for adults, and five for children. Dr. Faris has examined 18 persons, Dr. Logie 19. Two were transferred to River Glade, and one to the County Hospital.

Sharon, Pa., Jan. 11.—The famous law of the seamstresses that you can get only one shirt out of three yards was reversed in Sharon the other night when a meek cloth entered the yards of Joseph Rotneol and stole the family wash. He got five shirts out of one yard. DISTRIBUTE BIG BONUS. Detroit, Jan. 11.—Distribution of bonuses totalling in excess of one million dollars to employees of the Dodge Bros. Motor Car Co. was being made today. The bonuses are in the form of Liberty Bonds and amounts to from 10 to 16 per cent. of a year's salary.

The Trying Days

IT has been well said, a school teacher has more influence in shaping the lives of her scholars than their parents.

How necessary, then, is it that she should have a bright, clear brain, and be strong and vigorous in order that she may give them of her best.

The worry and the work, the strain and anxiety of a teacher's life are such as tell severely on the nervous system. Time and again teachers have had to give up good positions on account of a weak heart, run down health and shrunken nerves.

To such Milburn's Heart and Nerve Pills come as a boon and a blessing. Their purpose is to make the weak heart strong and the shaky nerves firm, and thus build up the entire system to full strength and vitality.

Miss L. E. Hopkins, Kirtland, Ont., writes:—"I have used Milburn's Heart and Nerve Pills for weak heart. I was so nervous I had to leave school for two years. After I had taken five boxes of the pills I was able to go back to my school again, feeling in good health."

Milburn's Heart and Nerve Pills are 50c. a box at all dealers, or mailed direct on receipt of price by

Germain St. Church Annual Meeting

Reports Received of Satisfactory Nature—Officers Elected for Ensuing Year.

Numerous reports of a highly satisfactory nature from various organizations and committees, and the election of officers for the ensuing year, marked the annual meeting of the Germain street Baptist church, which was held in the institute yesterday evening, the pastor, Rev. S. S. Poole occupying the chair.

Financial Reports.
F. C. Fisher, church accountant, reported that the total receipts for church expenses through duplex envelopes amounted to \$4,412.21, an increase of \$91.88, as compared with those for last year. The total sum received for the denominational fund was \$2,018.76.

The report of the treasurer, William C. Cross, showed that the receipts from all sources totalled \$24,082.82, including \$2,668.82 for the mortgage fund, and \$814 towards the forward movement.

Church Clerk S. E. Fisher reported that the membership was 729. Twenty three were received during the year by baptism; 16 by letter and one by experience, making a total of 40, and an increase of 23 in resident membership.

The report of the finance committee was most favorable, and recommended an increase in the salary of \$300 per annum. This recommendation was unanimously passed.

Society Reports.
Mrs. D. Hunt presented a statement for the Willing Workers. The total amount raised during the year amount to \$394.14, of which \$249 is for the new organ. The members of this board made a number of garments for the children of the Protestant Orphan's Asylum and also for the Children's Aid Society.

The Women's Missionary Aid Society reported that a number of educational meetings had been held and an increasing interest was manifested in the missions. The total amount procured was \$810.92, which was given entirely to missions.

The Ladies' Association's report showed that church visiting had been carried out, in addition to the supervision of the church property.

Interesting reports were received also from J. S. Smith, on behalf of the Tuxis Boys; Paul B. Cross for the Trail Rangers; Miss Amos in connection with the C. W. I. T. H. E. Museum of the Y. M. C. A.; W. C. Cross for the Board of Deacons.

On behalf of the trustees, D. Hunt reported that the church property had been looked after during the year and the mortgage was reduced by \$2,000. The balance of the principle now due amounted to \$12,000.

The Philanthropic Class reported an active year, having a membership of 65, with an average attendance at Sunday school of 32. In the course of the year the class raised the sum of \$225.94.

An interesting report was received from the choir committee, and words of appreciation were spoken of the work of the organist, Mr. Cochrane and the choir.

The statement of the Sunday school showed a total membership of 485. The amount of \$25.46 was raised during the past twelve months.

The following officers were elected for the coming year:
Church Clerk—S. E. Fisher.
Treasurer—W. C. Cross.
Accountant—P. C. Fisher.
Pew Stewards—E. L. Rising and W. F. Nobles.

Four Selected On Basis of Merit

Overseas Scholarships Go to West and Upper Canada This Year.

Some months ago an announcement was made from the National Chapter, I. O. D. E., Toronto, that a number of overseas scholarships were to be awarded in Canada to British subjects. It was intimated that there would be at the start at least one for each province, and in accordance with the plans then made the various chapters of I. O. D. E. requested that applications be submitted. This was done. But when the National Committee endeavored to settle arrangements it was found that the funds available would not be sufficient to provide scholarships from all the provinces during the present year.

Funds Will Grow.
These funds will grow, but for the present there is money enough to look after only four in 1921. In the case of New Brunswick, the application of Norman Coll, of Sackville, was endorsed by the application committee and the report of his examination forwarded to Toronto, as was done in the cases of applicants from all other provinces. When it became necessary to reduce the number of scholarships for this year, these reports were taken up by the National Committee and from the number four were selected on the basis of merit. For this year scholarships go to Sackville, Manitoba, Ontario and Quebec.

Maritime Provinces Next.
Next year they will go to New Brunswick, Nova Scotia, Prince Edward Island, Alberta and British Columbia. Members of the local committee naturally regret that Mr. Coll will for the present be denied the opportunity of pursuing his studies overseas, but trust that he will see it to become a competitor next year. It is anticipated that as time passes the available funds will be sufficient to justify the establishment of not merely a few scholarships but at present, but possibly of two or three from each of the provinces of the Dominion.

Trustees—Wm. C. Brown, C. Winter Brown and Dr. W. P. Bennell.
Auditors—J. L. Towns and K. S. Davis.

Committees.
Deacons—Deaconess Watson, Hunt, Davis, Mrs. W. C. Brown, Mrs. Dearness, Mrs. A. E. Vaughan.
Music—S. H. Davis, Mrs. Cross, Mrs. H. G. Marr.
Educational—L. W. Simms, G. W. Parker, W. C. Cross, S. E. Fisher, Miss E. M. Colwell, C. R. Wasson, H. J. Macnam, Mrs. Parker, Miss E. H. A. Vaughan.

Finance—D. Hunt, A. G. Gunter, W. C. Cross, W. H. Lugsden, J. W. Vanwert, F. A. Dykeman, T. H. East, W. Paddington, A. E. Ellis, A. T. Weatherhead.
George L. Warwick, who was present, gave some valuable suggestions in regard to the conducting of the Boys' Club, chairman of the Boys' Work Committee of the Rotary Club, said that he was confident that his committee would be glad to have the Rotary Club take some part in the formal opening of the Boys' Club.

Reports Received.
Reports were received showing that the canvass being made for funds to erect the new building was progressing satisfactorily. Also that the entrance to the Boys' Club Building from Sheffield street was about completed. Windows were being repaired, stoves put up, and it was hoped to have the building ready for occupancy within ten days. The general discussion which featured the meeting was entered into with a great deal of interest and much enthusiasm prevailed.

While the elders were planning additional means of adding to their pleasure several hundreds of the young people of the South End were thoroughly enjoying the splendid sheet of ice on the South End improvement League's open-air rink.

South End League Elected Officers

Enthusiastic Meeting Held in King Edward School — Frank White New President.

The South End League met in the King Edward School last night for the purpose of organizing to carry on the work of a South End Boys' Club as well as that of a skating rink in the winter, and playground in the summer.

The Officers.
The election of officers resulted as follows: Frank White, president; Thomas Killen, 1st vice-president; J. H. Hamilton, 2nd vice-president; A. E. Ellis, secretary. Accompanied by Miss Helen Richardson, W. A. secretary for Girls' Work, Miss McIntosh has spoken at Hampton, Sussex, Moncton, Sackville and Dorchester. She told of her work in Honan, the mission fields of the Canadian Church, and has many curios of great interest which she exhibits to her audiences. After speaking in St. John, Miss McIntosh will leave for further work of this nature.

NURSES TEACH HEALTH MEASURES

American Red Cross Has 36,000 Nurses in Educational Work.

St. Louis, Jan. 11.—Thirty-six thousand nurses of the American Red Cross are going through almost every section of the United States, teaching the people the things of health which they should know and directly aiding the sick by nursing them when otherwise they might not have a nurse, according to statistics which have reached Southwestern division headquarters in St. Louis. Many of the nurses are in the various states of the division—Missouri, Kansas, Texas, Oklahoma and Arkansas.

FAIR VALE OUTING CLUB HOLD DANCE

Over seventy-five couples enjoyed a very pleasant dance given by the Fair Vale Outing Club at the Studio last evening. An excellent programme of dance music was furnished by Davidson's orchestra, and as is always the case with the Fair Vale Club's entertainments, a thoroughly good time was enjoyed by all. A dainty supper was served at midnight, after which the dancing was continued until an early hour in the morning. The chaperones were Mrs. W. H. White, Mrs. J. B. Frost and Mrs. Kenneth Spear. The refreshment committee, Mrs. L. Davy, Mrs. F. Parker and Mrs. O. H. Tracey. The club are planning to hold a masquerade some time before the Lenten season.

Embarrassing Hairs Can Be Quickly Removed

Hairs can be easily banished from the underarms, neck and face by this quick, painless method: Mix into a stiff paste some powdered borax and water, spread on hairy surface and in two or three minutes rub off, wash the skin and it will be free from hair or bloom. Excepting in very stubborn growths, one application is sufficient. To avoid disappointment, buy the borax in an original package and mix fresh.

Empress Night at Seamen's Institute

Concert Party from C. P. O. S. Liner Entertained a Large Audience.

It was "Empress of Britain Night," at the Seamen's Institute last evening, and an extremely large audience was amused and delighted with the talent of the entertainers from the liner. Frequent applause greeted the performers, and the work of the Pierot troupe was particularly pleasing. Several times the large audience joined in the singing of the choruses.

The chairman for the occasion was Lieut-Commander A. E. Neaton, E. N. R., who after a few brief remarks was introduced by Walter Brindle, Manager of the Seamen's Institute.

Salts If Backache And Kidney

Stop eating meat for if your Bladder is lining you.

When you wake up with dull misery in the kidneys generally means you have had too much meat, says a physician. Meat forms what overworks the kidneys effort to filter it from the blood. When your kidneys clog you must relieve them. Like you relieve your bowels, so you relieve your kidneys. You have backache, stick-dizzy spells, your stomach is coated, and when or is bad you have rheumatism. The urine is cloudy, full of channels often get sore, and you are obliged to urinate two or three times during the night. Either consult a good, reliable doctor or get from market about four ounces of take a tablespoonful of water before breakfast and your kidneys will be relieved. This famous salt is made of grape and lemon juice, water before breakfast and for generations to clean late-stagnant kidneys, also to aid in the urine so that uric acid, thus ending backache.

Get Salt in a life saver bottle. It is made in St. John's and is the best in the world.

Hillsboro.

Hillsboro, N. B., Jan. 11.—The United Women's Institute of Hillsboro met in their rooms on Saturday last. The attendance was good, considering the stormy weather. Commencement papers were read by the recording secretary, Mrs. Arthur Steeves, who also gave a statement showing the sum of \$775 collected by the institute for charitable purposes on election day. At the close of the business, Mrs. Harry Phillips gave a reading, a solo by Mrs. Clifford Steeves, after which a "puzzle contest" was conducted by the president, Mrs. F. O. Erb. Mrs. C. F. Steeves was the winner of the prize and was presented a "membership pin" by the president. One new member was enrolled at this meeting. Refreshments were served by the entertainment committee.

The annual business meeting of the Valley Baptist Church was held at the close of the prayer service on Thursday evening of last week. The following were elected to office: Church Clerk—Henry J. Steeves, Sec. Treas.—Fred Midgett.

S. S. Supt.—Lester Woodworth, Organist—Mrs. LeRoy Steeves, Assistant—Miss Gladys Steeves.

Financial Committee—Fred Midgett, Lester Woodworth, G. E. Beaumont, Roland Steeves, R. B. Steeves, Usher—Lester Woodworth, Dawson Kenzie, Alfred Warnock, Roland Steeves.

The finances of the church were reported encouraging.

The funeral of the late Burpee Bishop, the young son of Mr. and Mrs. W. E. Bishop, who succumbed last Saturday afternoon, was held on Friday afternoon. The service was conducted by Rev. A. S. Bishop of the First Hillsboro Baptist Church, assisted by Rev. W. Willey of the Methodist Church. The pall-bearers were members of the Boy Scout organization, of which deceased was a valued member. The High School and Boy Scout organizations attended the funeral in a body and preceded the procession to the place of interment at Grey's Island cemetery. The funeral tributes were lovely, among which was a "broken circle" from the family, "wreath" from the Boy Scouts, from the Hillsboro High School and teaching staffs, and tokens of sympathy from relatives and friends.

Rub Rheumatic Pain

From Aching Joints

Rub pain right out with small trial bottle of old "St. Jacobs Oil."

Stop "doing" rheumatism. It's pain only; not one case in fifty requires internal treatment. Rub soothing, penetrating "St. Jacobs Oil" right on the "tender spot," and by the time you say Jack Robinson—out comes the rheumatic pain and distress. "St. Jacobs Oil" is a harmless rheumatism liniment which never discolors and doesn't burn the skin. It takes pain, soreness and stiffness from aching joints, muscles and bones; stops sciatica, lumbago, backache and neuralgia.

Lumber up! Get a small trial bottle of old-time, honest "St. Jacobs Oil" from any drug store, and in a moment, you'll be free from pain,aches and stiffness. Don't suffer! Rub rheumatism away.

To Relieve Catarrhal Discharges and Head

If you have Catarrhal Discharges or a head of hearing or have head aches go to your druggist and get 1 ounce of Parmit (double strength), and add to it 1/2 pint of hot water and a little granulated sugar. Take one tablespoonful four times a day.

This will often bring quick relief from the distressing and annoying Catarrhal Discharges. It opens, breathes, becomes easy and the mucus stop dropping into the throat. It is easy to prepare, costs little, it is pleasant to take. Anyone who has Catarrhal Discharges or head aches should give this prescription a trial.

WINTER LAYERS OF DIFFERENT AGES
(Experimental Farm Note.)
About Winter Layers.—It is thought that farmers keep hens early for profitable winter egg production and it is also a common belief that late hatched pullets commence to lay only during the following spring. To throw some light on this subject, it was decided in 1915 to compare early pullets, late pullets, yearling hens, and hens as winter layers, at the Cap Rouge Experimental Station.

The Experiment.—The experiment began on the first day of November in the same house. A strict record was kept of all feed consumed, also of all eggs produced by every pen. At the beginning and at the end of each experiment the birds were weighed so that, in the spring, the gain or loss in weight could be credited or debited to them.

The Results.—If the cost of production of one dozen of eggs during winter, is taken as 100 for early pullets, hatched before May, it would be represented by 243 for yearling hens, by 290 for late pullets, hatched in April, and by 348 for old hens. In other words, when pullets hatched before May produced a certain number of eggs during the winter, the yearling hens produced the same number at a cost of \$2.49, pullets hatched after April at a cost of \$2.90 and old hens at a cost of \$3.48.

Weight of Eggs.—It is sometimes objected that, though early pullets lay more eggs than yearling or older hens, the size of the eggs was such that they would bring much less if ever eggs were sold by weight. Taking the figures from the present experiment, the weight of eggs, when it cost \$1.00 to produce them with early pullets, it cost \$2.35 to produce them with yearling hens, \$2.90 with late pullets, and \$3.10 with old hens. It will be seen that, as expected, the weight of eggs from hens was a little larger than that from early pullets, but the difference does not materially change the figures for the cost per dozen.

Same Birds Compared.—The birds used for this experiment were not specially bred for egg production, so that the early pullets put in each year were not from better stock than the yearling or older hens. Two seasons, the yearling hens used for this experiment were the same birds, with the exception of a very few which had died, as the ones in the pen of early pullets of the previous year, and in both cases they were, for cost of production, below the net lot of early pullets taken indiscriminately in the farm flock.

Early Pullets Best.—That early pullets are the cheapest producers of winter eggs has been told and written so often that it is like an old story. But a carefully conducted experiment will again remind farmers of a well known fact which they often seem liable to forget:—

"Don't thee fret, lad," she replied, "thet mitch too green to burn."

Then all the passengers cheered.

AROUND THE CITY

PUBLIC LIBRARY COMMISSIONERS
 The city council yesterday elected F. E. Hainington and the commission of public safety as members of the Board of Commissioners of the Free Public Library, to take the place of Dr. James Christie and G. A. Henderson.

ST. JOHN MAN AT CONFERENCE
 Mr. A. C. Fraser, superintendent of C. P. R. Telegraphs in this city, and J. P. Griffith, agent here, were guests of Mr. J. McMillan, the C. P. R. manager at Montreal, at dinner on Saturday following a conference of telegraph officials held there two days last week.

THANKS FOR KINDNESS.
 Mr. and Mrs. Walter McNeil wish to thank the doctors and nurses of the Public Hospital for their kindness and efforts to save the life of their daughter, Margaret. Also the members of the St. John police force, and the street railwaymen, as well as many other friends, for floral and other tributes received in their recent sad bereavement.

EXPRESS THANKS.
 The Red Cross hospital committee are very thankful to the Maple Leaf company for their kindness to the returned soldiers who were guests at the performance in the Imperial Theatre yesterday afternoon. The committee made arrangements for transportation and tickets, but the company generously free admission to their unfortunate comrades.

FIRST YEAR STUDENTS
 W. C. Lawson, of St. Stephen, has taken up the studies of a first year student in the King's College Law School. Mr. Lawson is the director of the Vocational Training Schools of the city. He was graduated in Arts from Acadia and served overseas with the "Fighting 25th" Harold D. Baldwin, of St. George, has also been admitted as a first year student. Mr. Baldwin is a graduate of the Provincial Normal School.

ADJUDGED GUILTY
 Before Chief Justice Hazen yesterday morning, justice affidavits were filed in the case against Ben Nempin, charged with contempt of court, denying the allegations made against him. The affidavits were those of himself, Israel Corber and Alex Frenette. His Honor, however, adjudged the defendant guilty of contempt, but in view of apologetic made, allowed him to go on payment of costs, which amounted to \$44. D. Mullin, K.C., prosecuted, and J. King Kelly defended.

WIRE LOSSES SMALL.
 According to statistics compiled by Chief Blake, of the Fire Department, losses during 1920 here were approximately \$50,000. These figures show a marked decrease from preceding years and are considered the lowest over a long period. A comparison since 1913 follows:

1913	\$770,000
1914	548,000
1915	285,000
1916	180,000
1917	400,000
1918	200,000
1919	150,000
1920	50,000

B. OF T. BUILDING ANNUAL.
 The annual meeting of the Board of Trade Building Company was held yesterday morning. T. H. Estabrook, president of the company, was in the chair. Directors for the ensuing year were appointed as follows: T. H. Estabrook, H. C. Schofield, R. B. Emerson, H. W. Frink, W. H. Lugden and S. C. Mitchell. The usual five per cent dividend was declared on the stock. The following officers were elected: President, T. H. Estabrook; vice-president, R. B. Emerson, and secretary R. E. Armstrong.

Among the passengers on the C. P. O. S. which is due here next week is Major General Sir J. Percy, who is on his way to British Columbia to take over an apple ranch.

General Percy was head of the British Mission attached to the force of General Baron Wrangal sent June in the Crimea. He was during the war, Chief of Staff to the Second Army on the western front commanded by General Sir H. G. O. Phibbs.

Ludlow Is Costly Boat To Operate

Daily Cost \$133.76 as Against \$67.67 for the Governor Carleton for Coal Used.

Some very instructive figures on the operating cost of the two boats used in the ferry service were presented yesterday morning at the committee meeting of the Common Council, when the ferry estimates were under discussion. When the item to coal was under consideration some of the commissioners expressed surprise at the size of the bill and asked for the details of the amount used.

The commissioner said the Ludlow had been in commission 194 days, and had delivered to her in that time 1,946 tons, her average daily consumption was 12.16 tons, and the daily cost was \$133.76. The Governor Carleton was in commission 296 days and in that time had delivered to her 1,351 tons and 25 pounds. Her average daily consumption was 6.7 tons and the daily cost was \$67.67.

In answer to a question of Commissioner Thornton, the superintendent stated that the quality of the coal now being used was much better than that of former years and this resulted in a large daily consumption, and consequently an increase in the bill.

Mrs. J. V. McLellan On Hospital Board

City Council Makes Appointment as Successor to Senator Daniel.

The long standing question as to when the women of the city were to have representation on the Board of Commissioners of the General Public Hospital was answered yesterday by the city council, when that body appointed as the successor to Senator J. W. Daniel, Mrs. J. Verner McLellan, the nominee of the Local Council of Women.

Two Names Nominated
 Only two names were put in nomination, Mrs. McLellan and Mrs. R. Duncan Smith, the latter nominated by the Ladies' Hospital Aid, and Mrs. McLellan received four of the five votes cast.

Thus the long campaign of the women for a place on the governing body of the hospital has borne fruit and their desire has become a realization. The agitation for female representation on the board was begun shortly after the formation of the Ladies' Hospital Aid and has been kept up until the present time.

Women Were Busy
 The mayor sent a request to the Local Council of Women for them to nominate one of their members, who would be satisfactory to them for a position on the board, and the executive named Mrs. Smith. At a subsequent meeting of the council, Mrs. McLellan, who at that time was vice-president of the Ladies Hospital Aid, was also nominated and elected as the nominee of the council. A meeting was held on Monday night and Mrs. McLellan was elected as their nominee for the position, and Mrs. McLellan withdrew from the Aid.

When the matter came before the city council, that body elected to fill the then existing vacancy, Lieut. Col. Alexander McMillan.

The resignation of Senator Daniel was received, the agitation for the appointment of a lady was revived and the Hospital Aid sent a letter to Mayor Schofield, nominating Mrs. R. Duncan Smith as their representative. Commissioner Bullock nominated Mrs. McLellan as the representative of the Local Council of Women, and when the vote was taken, the latter was elected.

Sons of England Have Busy Week

Officers Installed This Evening Followed by Smoker—Dedication Service Sunday.

This will be a busy week for the Sons of England Benefit Society. Officers will be installed at the Orange Hall, Grenville street, at 7 P. M. Carter, Supreme President, and H. C. Van Wart, District Deputy, commencing at seven o'clock. At eight o'clock the three city lodges, Marlborough, Portland and West Brunswick, will unite in a smoker which will be a most enjoyable affair. In addition to an excellent programme of music and addresses there will be presentations to different members for good services rendered by them.

Dedication Service.
 On Sunday afternoon at 3.30 o'clock the members will assemble at St. Mary's church, Westside street, when a beautiful brass band and tablet will be dedicated by His Lordship Bishop Richardson, assisted by the S. of E. Supreme President, T. H. Carter; Supreme Chaplain, Rev. R. P. McKim; Rev. Major B. B. Hooper, Archbishop A. H. Crowfoot and Rev. R. Taylor McKim. This will be a memorable occasion for the society members, as they honor their fourteen beloved brothers who paid the supreme sacrifice during the great war.

Attention is drawn to an interesting advertisement of a St. John's jobber to their customers in the Maritime Provinces, appearing in this paper.

Mr. and Mrs. James Glass, of Millidge avenue, announce the engagement of their only daughter, Violet Ethel, to David I. Kirkpatrick, eldest son of Mr. and Mrs. Charles T. Kirkpatrick, of this city, the wedding to take place February 6th.

Stealing of Liquor Goes Merrily On

"Klondike Rush" to Lumber Piles in Search of Liquors Stolen from Ship.

The lumber piles at the end of No. 7 street, west side, were the scene for many yesterday who were carefully looking them over in a hunt for liquors, stolen from the Cabotia cargo, supposed to be hidden somewhere.

Among the recesses of the piles, some boys, playing about the lumber, Monday afternoon, found a few bottles hidden thereabouts, and the news of the find spread rapidly. There was a regular Klondike rush to the pile of lumber yesterday by men in search of the first move prize by some than golden nuggets.

Precaution Taken
 Extra precautions have been taken in unloading the valuable cargo of the Cabotia. At four o'clock, long before the shades of night have announced their coming, the hatches are closed and no more of the cargo goods are moved from the hold. During all the precaution taken in handling the goods, and the close guard kept on the liquor from the time they leave the ship's hold until they are loaded aboard cars for shipment to the west, several cases mysteriously disappear each day.

Local and special police of the C. P. R. are continually on guard, and maintaining the most vigilant watch, but, despite all this, some are getting their "Sooch" without fee or price, just by taking a change. The pilferers are cunning in their work and leave no trace or clue to their identity. More than that, no undue hilarity has followed the hitting of the joy dispensing liquor and the game goes merrily on.

Power Boat Club Elected Officers

Dr. J. H. Barton Chosen Commander—Presentation to J. C. Chesley—Fine Program.

The most successful year financially in its history was reported at the tenth annual meeting of the St. John Power Boat Club, held last evening at the Club House, Marble Cove. Commodore J. C. Chesley presided, and there was the largest attendance seen for some years. Everything points to another season of keen enjoyment for members.

The Officers
 Election of officers resulted as follows:—
 Dr. J. H. Barton—Commodore.
 S. G. George Lake—Vice-Commodore.
 Edward Brown—Rear Commodore.
 Robert J. Adam—Secretary.
 George M. Palmer—Treasurer.
 Executive committee—Frank Piddou, Fred Roberts, John Keirvin, William Edgett, George Rogers, C. T. Green, C. E. Y. Cowan, Harry Langley, M. Akerman and James Leonard, acted as scrutineers.

J. C. Chesley declined re-nomination as commodore, and by unanimous vote of the club he was elected honorary commodore. The secretary and treasurer were re-elected.

Popular Presentation
 The newly elected commodore in a neat speech presented to Commodore Chesley a handsome leather fitted club bag, initiated. The gift was made on behalf of the officers and members of the club. Commodore Chesley made a suitable reply.

After the new officers had made short speeches of thanks for their election, addresses were made by Commissioner Thornton, Post Office Inspector Wood, George E. Day, and other members of the club.

Cigars were passed around, refreshments served, and an evening of much pleasure spent by all. During the evening Commodore Chesley presented Premier Foster's Cup, won during the past season in the speed class by Harry Baker's Anzac.

LOCAL POLICEMEN ELECT OFFICERS

The annual meeting of the St. John Police Men's Protective Association, No. 61, was held in the Oddfellows' Hall, in Union street, Monday evening.

The following officers were elected to the executive for the ensuing year:—
 Edwin Thomas, president; Ralph Dykeman, vice-president; Stephen Spinyne, treasurer; Frank Killen, recording secretary; Alan Melniss, warden.

The treasurer reported the association's finances to be in a flourishing condition. Considerable routine business was transacted.
