The copy filmed here has been reproduced thanks to the generosity of:

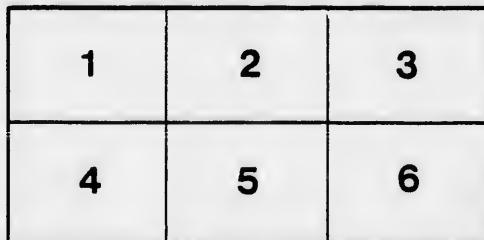

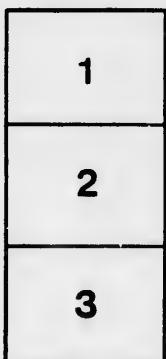

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

D. B. Weldon Library  
University of Western Ontario  
(Regional History Room)

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, on prend le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

### READ AND REFLECT.

NOTICE TO OUR PATRONS: If the individual members of an audience would stop to think for just an instant, they would undoubtedly appreciate the fact that the habit of rising from one's seat and leaving the theatre before the curtain falls, is most annoying to the rest of the audience who stay seated. We therefore beg our audiences to kindly remain in their seats until the close of the performance.

Evenings—doors open at 7:30; curtain rises at 8:15 sharp. Matines—doors open at 1:30; curtain rises at 2:15 sharp.

Plan opens for each attraction two days in advance.

It is strange, but there is a class of people that seem to take an intense delight in spattering the floor with tobacco juice and smoking in the theatre, and in the boxes.

## GLORIANA

Between the Acts.

Man (rising wearily to let late comer pass to his seat in the theater): "This eternal getting up is really annoying." Late Comer: "I know it is. That is the reason I never come in myself till the curtain's up." — *Texas Siftings*.

Actors are charitable. The record of their humanitarianism is wide-horizoned. Their giving does not restrict itself to their own kind, but is made conspicuous in every line of outgo for sweet charity's sake. The public should recognize that generosity and on all fitting occasions reciprocate it.

The editor sat on a hard-bottom chair, trying to think a thought, and he plunged all his fingers about through his hair, but not one topic they brought. He had written one temperance tariff and trade, and the prospect of making a crop, and joked about making ice cream and weak lemonade, till his readers had told him to stop. And weary of thinking, sleep came to his eyes, and he pillow'd his head on the desk, when the thoughts which awake had refused to arise, came in a troupe that were strong and grotesque. And as the ideas airy float, he selects the bright one of the tribe; and this is the gem which, while dreaming he wrote:—"Now is the time to subscribe." — *Eaton Rapids Herald*.

### HELPING HIM OUT.

He was a bashful lover and had courted her long. She knew he loved her and knew that he was afraid to propose. She resolved to help him out. "When I get married I hope to see you at my wedding," she said.

"Heavens!" he gasped, "I hoped to marry you myself." "Well," she rejoined, as her cheeks flushed to the hue of a rosy sunset, "I meant I hoped to see you there as the groom." Then he fainted with joy. — *New York Press*.

Some careful person has estimated that there are 600,000 hairpins in daily use, not counting any of those the stable man picks up the next morning on the cushions of the sleigh. — *Boston Globe*.

### VASELINE.

EVERYBODY knows the great value of this remedy in the household, but everybody does not know that the manufacturers of some recent claim dealers dishonestly palm off on their customers, have little or no value. What should be understood by the public is, that it is not a mere question of comparative value between "Vaseline" and the imitation, but that the imitators do not even the wonderful health results of the world renowned "Vaseline," and that they are not the same thing nor made in the same way. Besides this, many of the imitations are harmful, irritant and not safe to use, while true Vaseline is perfectly harmless.

Perfect safety therefore lies in buying only original packages put up by and marked with our name.
