The copy filmed here has been reproduced thanks to the generosity of:

Manuscript Division
Public Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche sheet contain the symbol ➡ (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

Division des manuscrits
Archives publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole ➡ signifie "À SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

TO THE FREEHOLDERS OF THE EAST RIDING OF THE COUNTY OF **YORK**

Gentlemen---

The Representation of the People in Parliament having been increased, you will shortly be called upon to choose from among yourselves a fit and proper person to represent your Interests in the Legislature of your country; and it is fitting that you should early have in view such person as you may determine shall so Represent you.

All light and Party considerations cease to occupy your minds in making your selection; and all strife for mere party should be banished on the occasion; and only should be the object of your choice, whom you shall deliberately think can, and will serve you best.

In choosing one of yourselves from the Bosom of your own Riding, you will be most likely to have your Interests and better feelings fairly and truly represented. The medium period of life seems the most fitting out of which to select your choice, when experience shall have sobered the mind and driven therefrom the light frivolity of our nature, and implanted in its stead, thoughtful consideration.

To become a Member of Parliament the mind should be raised above the low jealousies of bickering strife, either for vain-glory or sordid covetousness; and it is no light thing calmly to consider those befitting qualifications to sustain one in the seat of deliberative Legislation,

At the instance of many Freeholders, whose judgment and opinions are entitled to confidence and respect, I am thus early induced to place my name before you for that high consideration.

In the prime and vigor of life—at that age in which, if at any time—true judgment is found in Man, it is not improper to hail that period. A child of Upper Canada, freed by circumstances which entirely entitled me to a place in the Public services called for in the defence of human liberty—uninterrupted by family concerns to make me forget the existence of one so interested in the welfare of his country and his fellow-men, you will be judged whether you have confidence or not.

As a Magistrate, District Councillor, and a man, you have all had opportunities of judging. In the dark hour of difficulty I have promptly done my duty—when dangers and troubles were over I have oppressed no man; and the same love of freedom, the same love of Justice, the same native love of country which has marked my resistance of oppression, both on the Bench, in the District Council, and before the Juries of my Country, shall ever animate me to exert my humble powers in support of the rights, and in defence of the Liberties of the People of Upper Canada; and in this Address I have only to add, that if you see fit to return me, I shall endeavor to serve you faithfully; and if I fail in that, I am willing to be judged by you accordingly. The only difficulty is in judging of my ability and integrity—an honorable remembrance it will be an ambition to deserve.

I am, Gentlemen, always,
