

MINISTER TO U.S. NOT FOR CANADA

Plan Indefinitely Postponed and Interests Will Be Left to Sir Eric Geddes.

Washington, Sept. 29.—Appointment of a special Canadian minister plenipotentiary to the United States is understood to have been indefinitely postponed.

Steps looking to the appointment of a Canadian minister were first taken some months ago, the Canadians feeling that because of the urgency in rebuilding the trade and economic relations between the Dominion and the United States there was pressing need for direct diplomatic representation of Canada in Washington.

KING WANTS QUICK TARIFF REVISION

(Continued From Page 1). nation, and no man or woman, the Liberal chief declared, can afford to be neutral in his or her political allegiance.

Living Costs and Tariff. Hon. Mr. King discussed the leading problems of the day, the cost of living and the tariff, declaring with regard to the latter that what is wanted is not taking of existing duties, but a revision to bring relief to consumers and producers.

Mr. C. Kennedy, M.P. for North Essex, Ont., dealt with the public debt, taxation, and what he declared the extravagance of the government in the matter of civil service appointments and commissions.

THREE MEN INJURED IN MOTOR ACCIDENT

Were Laying Cable When Struck by Auto—Driver Not Held.

Three persons were slightly injured yesterday afternoon when struck by an auto driven by Leonard Randall, Ernest Apartments at Homewood and Wellesley streets.

The injured were: Benjamin Roden, Nairn avenue; Charles Brooker, Eglar street; and Geo. Parkinson, Elm street. All three are employees of the Bell Telephone Company.

UNIFORMITY IN DRESS AT THE COLLEGIATE

Hamilton, Sept. 29.—As a result of a mass meeting of the girls attending the Collegiate Institute here this morning, it was decided that in future there would be, as far as possible, uniformity in dress among all girls students.

MAYOR IS KEEN CRITIC OF DRURY

He Makes Slashing Attack in Addressing Ward Two Conservatives.

Mayor Church appeared before a meeting of the executive of Ward 2 Conservative Association in Victoria Hall last night and made a bid for the nomination for the Northeast Toronto seat rendered vacant by the resignation of Dr. Cody.

Slashing Druryism. In his address last night Mayor Church declared he had worked for the party for 25 years and had never asked anything for himself.

DRURY RESENTS MEIGHEN SPEECH

(Continued From Page 1). Meighen are more concerned lest some similar investigation would overturn know.

At the outset of his speech, Mr. Drury declared he would present the government's Hydro policy in all frankness. The proposal to take over the Hydro Radial reached the government before it was supposed to be validated on such short notice.

Mr. Drury declared he was a thoroughgoing supporter of Hydro-Electric power for the province, and if the results of the investigation should prove the project to be sound, which he believed it is, the government would have no hesitation in guaranteeing the bonds.

HAMILTON

Hamilton, Sept. 29.—Alderman Fearless was the only member of the city council to go on record as being opposed to the passing of the bill for the city to enter into an agreement with the United Gas and Electric Company.

Alderman John Tope, chairman of the special street railway committee, announced last night that the work of laying the tracks for the new extension on West King street from Margaret street to Paradise road, was now complete and that he expected the new service would be in operation some time next week.

DEATH LIST NOW 37

New York, Sept. 29.—The thirty-seventh death as a result of the explosion in Wall street, September 16, occurred tonight when Theodore Peck, of Nyack, N.Y., died in the Post-Graduate Hospital. Burns and internal injuries caused his death.

COMING SHOWS AT TORONTO THEATRES

"Shakspeare" as the Princess—Hawaiian Romance for the Royal Alexandra.

"Monsieur Beaucaire." THE NAVY LEAGUE OF CANADA BANQUET

to be held in THE KING EDWARD HOTEL ON THURSDAY, SEPT. 30th, at 6.15 p.m.

in the interest of the development of Canada's Natural Resources and Overseas Trade

- The following gentlemen have consented to be present and to speak: The Hon. E. C. Drury, Prime Minister of Ontario. Capt. Donald Munro, C.M.G., R.N., Chief Advisor to Admiralty on Empire Port Defences. Prof. J. C. McLennan, D.Sc., LL.D., F.R.S., Assistant to Admiral Fisher on Board of Naval Inventions. Lloyd Harris, Esq., Chairman Canadian Mission in London. The Hon. H. J. Cody, D.D., LL.D., Chairman.

Due to the importance of the message the banquet is free, but owing to the fact that it had to be arranged to suit the distinguished speakers, at very short notice, it has been found impossible to reach all. A few tickets are still available—application for same should be made instantly to the Secretary, Navy League of Canada, 34 King St. West; Phone No. Main 746.

ANTI-BRITISH MOB BROKE UP MEETING

(Continued From Page 1). Alhambra Theatre during the latter half of this week. It is "Twelve-Ten," with Marie Doré. No two words in the English language have decided so many momentous questions as "yes" and "no," and no more momentous questions have been decided than those that are suggested by Norma Talmadge in "Yes or No?" on Monday, Tuesday and Wednesday of next week at the Alhambra Theatre, the theatre with the concert orchestra.

CARUSO CONCERT TONIGHT

The Caruso concert in Massey Hall tonight will be a gala event. Every seat in the auditorium is already sold, but seats on the stage may be had at the box office at 12.30 noon. The sale will take the place of the usual "rush" of the evening.

ROYAL TEMPLARS ELECT OFFICERS

The Royal Templars of Temperance concluded their annual session last evening by a special degree team initiating a large class of candidates. During the afternoon the officers for the coming term were elected as follows: Grand councillor, John Buchanan; grand vice-councillor, Thos. S. Morris; grand secretary, W. M. McMillan; grand treasurer, W. M. McMillan; grand superintendent of medal contests, Mrs. A. J. Gray; grand auditors, L. C. Peake and Arthur Cooper; grand medical referee, Dr. Mm. Crawford; trustee, Ben Johnson; herald, Mr. Kay.

ANTI-BRITISH MOB BROKE UP MEETING

(Continued From Page 1). The instruments continued, however, and part of the chorus and audience started singing the words of "America." At the same time many of the chorus left the stage.

SLEEPING SICKNESS CASE REPORTED IN KITCHENER

Kitchener, Ont., Sept. 29.—(Special)—Acting M.O.H. Dr. J. F. Hornbergher announced here today that one case of sleeping sickness had been discovered in the city. The case is that of a young girl, who was suddenly seized with severe head pains, and lapsed into unconsciousness. Her physicians have been successful in partially reviving her. Hopes are high out for the girl's recovery.

—Main Floor, James Street, Main Store.

UNIVERSITY STUDENTS EXCEED LAST YEAR

Sermons Committee Completes Preachers' Schedule for Convocation Hall.

With registration still going on at all the colleges and faculties at the University of Toronto, an estimate has been made that there will be well on to 5,500 students in attendance at this year. During the session of 1919-20 some 5,000 students were present. Yesterday Sir Robert Falconer said that to all appearances this year's number of students would be certainly larger than that of last session.

The sermons committee of the University of Toronto have prepared their schedule giving the list of the preachers who will be at Convocation Hall during the Michaelmas term. Next Sunday, Oct. 3, the sermon will be preached by Sir Robert Falconer, and on the Sundays following the speakers will be as follows: Monday, W. F. McDowell, Methodist Mission; Major G. G. D. Kilpatrick, D.S.O., of Ottawa; Dr. James Endicott, general secretary of foreign missions of the Methodist Church; Dr. H. Symonds of Christ Church Cathedral, Montreal; Canon F. G. Scott, Bishop W. F. McDowell, Methodist Episcopal Church, Washington, D.C.; Dr. E. C. Cayley, St. Simon's Church, Toronto; Prof. R. D. Welsh, of Montreal Presbyterian College, and Dean C. B. Brown of Yale University.

LIBERAL MEMBERS MEET

Liberal Leader H. Hartley Dewart and a number of his followers in the legislature had a conference at the parliament buildings yesterday afternoon. The North Toronto by-election, it is understood, was the subject of discussion.

Be Slender

A true way to become slender, agile, healthy is now known. See the pictures. The shadows are to give you idea of size before reduction of weight. No need of starving yourself, or exhausting exercise. No salt or calomel, no thyroid, no loss of time. Just follow the simple, easy KOREN system as set forth in your KOREN (24 pages) 18 to 24 pounds (whatever you need to) under \$100 money-refund guarantee. Safe, reliable, recommended by physicians. Many reports of delightful, lasting reduction from users throughout Canada. Why not you? Add to your capability and charm. Amaze all who know you. Become slender in step, premier in appearance, attractive, gain in health, add years to your life! Ask for KOREN (pronounced koreen) at any drug store; follow the KOREN system, reduce your waistline, chest, hips or double chin, become graceful and attractive. Get a small box of KOREN at the pharmacy; or write for free booklet, (which will come to you in a nice wrapper). KOREN COMPANY, 277-D, Toronto, Ont. Can.

CARUSO ADVISES SINGERS TO WORK

Famous Singer Arrives in Toronto—He is Nervous at Times.

Signor Caruso, the famous singer, who is to give a concert at Massey Hall tonight, arrived at the King Edward Hotel yesterday morning. During the afternoon Signor Caruso with a friend renewed his knowledge of Toronto by a walk thru the streets. When he passed by Yonge street he was recognized by many of those who happened to be on the sidewalk at the time. The singer in an interview yesterday said he was of the decided opinion that all singers should be well paid, as they were entirely dependent on public favor for a living—once that was lost the salary departed also. When asked how it felt to be the world's greatest singer, Signor Caruso gave the following characteristic reply: "It is annoying. The public always has its eye on you. If I am thoughtful they say, 'Caruso is sad.' If I drink a glass of wine they say, 'He is drunk.' If I do not give money they say, 'He is stingy.' When somebody comes to see me I have to smile and be polite, whether I want to or not." The famous singer advised aspiring singers "to work." He claims he worked for twenty-five years before

CUSTOMS REVENUE IN TORONTO HIGH

Over Four Million Dollars Collected During Month of September.

Revenue returns at the port of Toronto for the month of September will aggregate slightly in excess of \$4,000,000, J. H. Bertram, local collector of customs stated yesterday. This is maintaining the high average of the past six months.

DAVID A. MILNE ESTATE DIVIDED AMONG HEIRS

David Alexander Milne, who died July 20 last, divided an estate of \$41,399 under a will made January 29, 1919. Really is the house at 170 Delaware avenue, \$1,000, and 32 Asquith avenue, \$5,700; ten mortgages total \$15,329; stocks, \$14,820; and household goods, \$556. Under the will a daughter, Marie Louise Milne, receives household goods, furniture, a diamond ring, an annuity of \$1,000 and a life interest in the house at 170 Delaware avenue. A son, John A. Milne, receives \$1,000. The residue is to be divided among the said son and the following grandchildren: Marjory Milne, Douglas Milne and Charles Milne, all of 56 Oakwood avenue.

U.F.O. AND LABOR HOLD JOINT CAUCUS

A caucus of the U.F.O. and Labor members of the legislature was held at the parliament buildings yesterday afternoon when it was decided to appoint the following members of the house as representatives of the U.F.O. on the superannuation board: J. Cridland, J. G. Lethbridge, and M. McVicar.

There was also a general discussion regarding legislation to be introduced at the coming session. The government is anxious to give private members every opportunity to originate legislation, but wish to know beforehand its nature, so that consideration may be given. The caucus considered, too, the question of municipal representation on county councils and the fixing of the price of sugar beets.

HOUSE BUILDING ACTIVE IN YORK TOWNSHIP

House building has been slowing down in the city for several weeks, the builders in the township of York are still active, and the housing commission is also carrying on operations. Twenty-one permits for houses were issued by Township Inspector W. Dever on Tuesday, and the average in recent weeks ran close to a dozen permits a day. A substantial class of residences is being erected in the township. The commission have contracted to erect 65 houses this season and will not finish up for a couple of months more. The commission will not accept any more applications.

How to Make Your Hair Beautiful

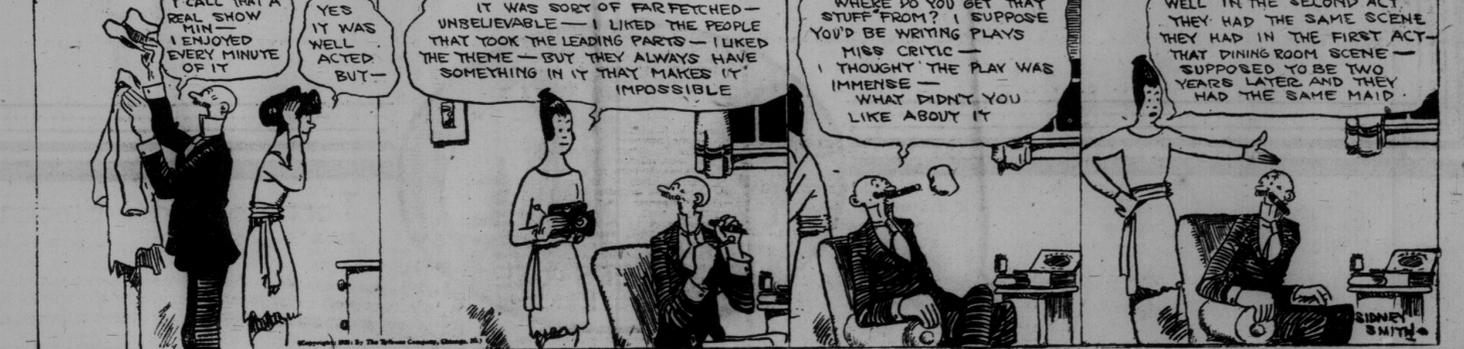

Ten Minutes' Home Treatment Works Wonders.

Better than all the so-called "hair tonics" in the world is a simple, old-fashioned home recipe consisting of plain Bay Rum, Lavona (de Compose) and a little Menthol Crystals. These three mixed at home in a few minutes, work wonders with any scalp. Try it just one night and see. Get from your druggist 2 oz. Lavona, 6 oz. Bay Rum and 1/4 drachm Menthol Crystals. Dissolve the crystals in the Bay Rum and pour in 8 oz. bottle. Then add the Lavona, shake well and let it stand for an hour before using. Apply it by putting a little of the mixture on a soft cloth. Draw this cloth slowly through the hair, taking just one small strand at a time. This cleanses the hair and scalp of dirt, dust and excessive oil and makes the hair delightfully soft, lustrous and fluffy. To stop the hair from falling and to make it grow again, rub the lotion briskly into the scalp with the finger tips or a medium stiff brush. Apply night and morning. A few days' use and you should not find a single loose or straggling hair. Dandruff should quickly disappear. You should find fine downy new hairs sprouting up all over your scalp and the new hair growing with wonderful rapidity. Any druggist can sell you the above. The prescription is inexpensive and we know of nothing so effective and certain in its results.

FOR PROVINCIAL POLICE.

The name of Major Knowles of Barrie is mentioned for the position of head of the uniformed branch of the provincial police force when it is reorganized. He was at one time in command of the Davisville Military Hospital and of the guard at the Kapuskasing Internment camp.

A MAN IS JUST AS YOUNG AND STRONG AS HIS BLOOD. No man can fight the battles of life and hold his own if his blood is not pure, for rich red blood is what strength is based upon. When you see a strong, vigorous man, who never knows when he is licked, you may wager that such a man has coursing through his veins rich, red blood. Many people have thin, pale blood. They are weak, tire easily, become discouraged quickly, and sometimes feel like giving up the struggle. Such folks need Dr. Pierce's Golden Medical Discovery, which is prepared in Dr. Pierce's branch Laboratory, Bridgeburg, Ont. Sold by druggists. Liquid or Tablets. It adds vigor to the heart beats and tones up the nerves in a wonderful way. This "Medical Discovery" of Dr. Pierce's is made from Blood root, Oregon Grape root, Stone root, contains no alcohol—yet tones up the stomach, stimulates the liver and puts the blood making glands in the best of condition. Many people write Dr. Pierce at the Invalids' Hotel in Buffalo, N. Y., as follows: "CHATHAM, ONT.—'For many years I suffered with stomach troubles. I tried many remedies but they seemed to be a failure—my stomach seemed to be getting worse instead of better. One day I came in possession of a bottle of Dr. Pierce's Golden Medical Discovery, and took it. My stomach seemed completely cured. I have great faith in this medicine, and hope any sufferer that reads this will give the 'Discovery' a trial. Once tried never without it.'—C. TRUSS, JR., 28 Duke Street.

THREE FAVORITES, TWO SECOND CHOICES AND TWO LONG SHOTS WIN ON FOURTH DAY

WOODBINE WINS STANLEY PRODUCE CIRCUI... LORD HERBERT THE MICHAELMAS

Algard First in Steeplechase, the Third Money Feature of the Day.

The day was ideal after the morning rain for the fourth day of the O. J. C. autumn meeting at Woodbine Park.

Favorites fared fairly well with three in front—Woodbine, Algardi and Lord Herbert.

The Stanley Produce stakes, the small field, proved a good race.

Woodbine looked like a winner at the top turn, but Woodbine closed up fast turning for home and outgamed Sweet Bouquet in a hard drive.

Lord Herbert found a soft spot in the mile-and-a-half race.

Algardi broke slowly from the outside and was forced to go around his field.

Woodbine Park Race Track, Sept. 29—Fourth day of the Ontario Jockey Club fall meeting.

PAINTERS CONSIDER CO-OPERATIVE PLAN

Scheme is Said to Be Beneficial to Workmen and Public Alike.

A proposal of the Painters and Decorators' Union to operate a co-operative contracting concern and tender for work in competition with members of the Master Painters' Association was made public yesterday at the Labor Temple by S. Styles, business agent of the Toronto local. Mr. Styles stated that the project was being undertaken in view of an allegedly discriminatory attitude adopted by the employers' association with regard to the local's attempt to secure a working agreement for the year 1921, the attitude indicating a desire on the part of the union fear, a desire upon the part of the employers to dictate an agreement which shall be unfavorable to labor. The co-operative contracting scheme is declared to be in successful operation in several American cities and is said to be affording the workmen satisfactory wages and the public economical workmanship. A committee of five has been appointed by the Toronto local to survey the ground and to make arrangements for the proposed action should the Master Painters' Association be inclined to dictate unfavorably.

The press notice of the venture states in part: "In the near future a co-operative scheme will be inaugurated in connection with the union, the object of which shall be to contract for and execute work. The feeling is that a satisfactory wage can be paid and the work done more economically than by the employer. The scheme will take definite shape if the Master Painters' Association does not come to an agreement with the union for the year 1921."

Secretary John Doggett of the Building Trades Council stated yesterday that the striking roofers would be accorded the active and moral support of his organization. He characterized as incorrect the statement that the men have been working for 35 and 40 cents per hour and stated that he believed from 50 to 65 cents to be the prevailing figures. "There is no doubt that the men have a good case and should be getting much more," he stated, adding: "They lose as much time thru weather conditions as other crafts in the building trades, and their work is harder on their clothes."

International officials of Local 553 of the Electrical Workers' Union are still occupied with the audit of the books left by the previous officers. A meeting will be held tonight for the election of a business agent and other officials necessary for the section of the union which is remaining with the internationals.

A call for electricians from Winnipeg has been received at the office of Local 383, Electrical Workers' Union.

Eighty-four applications for membership were received by the Painters and Decorators' Union at its recent meeting.

The Carpenters' Brotherhood initiated two new members at its regular meeting and transacted in addition considerable routine business.

CITY HALL NOTES

Sittings of the Deep Waterways Commission will take place in Toronto on October 12 and 13.

The majority of the 1,376 appeals against the ward three assessment are against income assessments. There is a much greater number than was registered last year and the increase is largely the result of the new law which allows exemption of \$200 for each dependent child.

Irving Fairly is leaving the city's legal department today to take up his new duties as counsel for the Toronto transportation commission. S. W. Graham of the same department is also leaving in a few days to join W. B. Hopkins, barrister.

ANNEXED AREA ADDS TO CITY'S ASSESSMENT

The assessors have turned in the rolls for the recently annexed district lying north of Danforth avenue and between Monarch Park and Woodbine avenue, containing 36 acres. This block adds \$295,044 to the city's assessment. There is only one residence and a glue factory on the property, and the factory is being demolished. The new roll is for 1921. The township will collect the taxes for 1920 and turn in one-third to the city.

THIRD CANADIAN BATTALION RE-UNION ENTERTAINMENT.

Colonel Rogers, officers and men of the Third Canadian Battalion (Toronto Regiment) have concluded arrangements for a monstrous reunion entertainment to be held in the Arm which they are going to permit the public generally to attend. Those familiar with the history of the Third Battalion know that they never do anything by halves and this reunion entertainment is not going to prove any exception to their rule. They are out to make this night the most noteworthy entertainment of the season, and judging from the character of the program offered they are going to succeed.

In the star offering they have been fortunate in securing the services of Albert Lindquist, the famous American tenor of the Chicago Grand Opera Company, perhaps better known as "the tenor with the voice of gold." This is Lindquist's first Canadian appearance, but he is well-known from his phonograph records. Also included is the well-known international operatic soprano, Lenora Allen, and Robert McDonald, the great Scotch pianist. These, with a brass band, give one but a hint of the great treat in store for the patrons of this entertainment, as a score of surprises are promised. The great Armories will be decorated, a special stage will be built, weird mysterious lighting effects will be added.

The price is a popular one. All seats will be reserved. The night will be at R. S. Williams Co. and will be open to the public, Thursday, October 6.

RAILWAYS WANT DELAY IN BUILDING VIADUCT

Chief Engineer, Gaby Tells Radial Commission of Talks With Railroad Officials—Increased Costs of Materials and Labor Responsible for Differences From Original Estimate of Expenditure—Radials Add to Population.

The commission investigating Hydro radials resumed the hearing yesterday morning when P. A. Gaby, chief engineer of the Hydro-Electric Commission, again gave evidence. The Toronto and Eastern proposed line was the subject of inquiry all day and Mr. Gaby supplied figures as to estimates of expenditure and revenue anticipated from the project.

All the members of the commission were present, Chairman Sutherland presiding. Mr. Gaby, in reply to Mr. Hellmuth, said that the increased costs of material and labor were responsible for the difference in the original estimate of capital expenditure on the Toronto and Eastern line and the present estimate. The difference was about \$800,000. In some cases they had reduced the cost of structures. About \$400,000 had been added on account of the Toronto entrance. This was accounted for by the fact that originally they had estimated on having passenger signals while now the plans call for a double track for six miles out of Toronto. The estimated operating charges for the line, as submitted to the municipalities, were \$658,135 and the present estimate, including taxes, was \$620,411.

Mr. Hellmuth took witness over the estimates as regards the number of cars to be built, pointing out that the commission proposed to purchase 145 passenger cars as against 27 in the 1919 estimates, and that 200 freight cars were called for under the 1919 estimates, while they now proposed to build only cars. Witness replied that there would be more trailer cars. They had originally provided for more freight cars than was necessary to carry the business they had estimated on.

Witness told the investigating commission that it was proposed to make round trips daily between Toronto and Bowmanville; at certain hours of the day there would be an hourly service. There would be little difference between radial speed and steam speed and witness added that there were only four or five important stops between Toronto and Bowmanville.

How Burden is Borne. Mr. Hellmuth pointed out that Toronto would bear more than half of the financial burden, which was estimated at \$8,360,000, but witness said it would be practically the same as the other municipalities. Mr. Gaby said the commission had originally estimated on a passenger rate of two cents a mile for interurban traffic and four cents for urban traffic. In the second estimate these were placed at 2.875 cents and six cents, respectively, and in some instances five cents.

Mr. Gaby said that 1925 was taken as the first year after operation, and population estimates were made as of that date. The commission estimated that the line would serve 400 in York township, 2,000 in Scarborough township, 1,450 in Pickering township, 1,200 in Whitby, 1,420 in Whitby East, and 1,130 in Darlington. All told, the commission estimated that in 1925 the line would serve 51,208 persons. Estimates were based on increases in recent years. Witness further stated that the area of population was two and a half miles on either side of the line. The Grand Trunk had a line between the proposed radial and Lake Ontario and the C.P.R. the Oshawa district, was within the two and a half mile radius. Mr. Gaby could not say how many people would ride in the trains and how frequently they would ride. They had not the exact number of people who traveled on the three steam railways, but they had a fair idea of the traffic. The 2.875 cent a mile rate was the maximum rural rate, said witness, who added that in the suburban districts they got down as low as a cent a mile. The 2.875 rate would be reduced for return tickets, book tickets and excursion tickets.

Witness did not contemplate that the line would get any freight destined for say Detroit and Chicago. He thought that the freight cars now proposed, with the foreign cars, would be able to handle the traffic which the original cars would handle. The freight business expected would originate on the Toronto and Eastern line and such as was for delivery to points on some of the other proposed radials. In determining the amount of freight, said witness, it was possible to get a very careful canvass of the manufacturers and shippers in the district of freight handlers, and their experience. The revenue per car mile was established at 80 cents, which was not excessive compared with other roads and their charges.

Mr. Gaby estimated the operating costs in 1925 at \$589,411, and the revenue \$1,190,000. The operating cost was estimated at 52 per cent of the revenue.

One Request Rejected. Witness said that the applications of Haron and Goddard for Hydro radial service had been investigated by the commission and had been turned down. An isolated railway was requested and the commission considered it would not be self-sustaining. The act required that the Hydro commission shall report from the point of view of cost of operation and revenue and submit a report to the municipalities concerned. He was not prepared to say that the Hydro commission would build a railway if the municipality put up the money. If the Hydro built a railway that was run at a loss the loss would fall on the municipality concerned.

Returning to the Toronto and Eastern Railway, Mr. Gaby said the line would be 44 miles in length and that they figured on a revenue of \$27,000 per mile. The commission had found railways which brought in from \$22,000 to \$50,000 per mile. They could not judge by comparison with other roads, but by actual experience and on the merits of the case.

Replying to Brig-Gen. Mitchell, Mr. Gaby said years ago the estimate of passengers traveling was 430 rides per capita in a year, but that this was now 449. In a district like Scarborough it was 50 per capita, while Oshawa was 19 per capita, which meant that the average Oshawa citizen went to Toronto 19 times a year. Mr. Gaby, at the afternoon session, made explanation regarding a huge map of the Toronto and Eastern line and the district of operation. He said it was estimated that there were 43,000 people in the transfer and non-transfer district at the Toronto end, and that the density of population in ward one was 28 to the acre. Witness thought that the population of Oshawa, judging from past increases, was 29,200 in 1916. It had been increasing by 5 1/2 per cent, Whitby by 5 per cent, and Bowmanville 4 per cent. Rural sections were increasing by 2 1/2 per cent.

In reply to Mr. Bancroft witness said his information was that radial lines tended to increase the population along the districts served. Witness figured a total of 11,000,000 rides a year from the eastern portions of Toronto. He did not see how the revenue at \$510,684 from that source.

Mr. Gaby, in reply to Commissioner McCallum, said he had spoken to some of the railway officials in regard to the building of the Toronto viaduct, and that the railways hoped that if the viaduct were built it would make a difference in the capital expenditure on radials for 1925.

Mr. McCallum said that the order for the viaduct had been made 12 years ago and that the radials plan for 1924 and no provision for the viaduct. He did not see how the railways could get away from the viaduct order.

The commission adjourned to meet again this morning at 10.30.

Mr. Gaby, in reply to Commissioner McCallum, said he had spoken to some of the railway officials in regard to the building of the Toronto viaduct, and that the railways hoped that if the viaduct were built it would make a difference in the capital expenditure on radials for 1925.

Mr. McCallum said that the order for the viaduct had been made 12 years ago and that the radials plan for 1924 and no provision for the viaduct. He did not see how the railways could get away from the viaduct order.

THESE ARE REAL RACING ENTHUSIASTS

Many persons who go to the Woodbine leave long before the closing event, but the picture shows some of the spectators, who are watching the finish of the seventh and final race, which was won by Biazony, with Ballybell second and Woodrush third.

NOTIFY OWNERS FOR STREET EXTENSION

Six Proprietors Get Notice in Connection With Teraulay Thorofare Changes.

The six property owners whose holdings stand in the way of the Teraulay street extension between College and Grenville streets were notified yesterday by Assessment Commissioner Foreman that council had authorized this extension and that the city would require their properties. All the owners affected between Grenville and Bloor streets will be similarly notified.

Mr. Foreman also wrote yesterday to the works committee asking that a bylaw be passed authorizing the expropriation of the lands necessary and this bylaw will come before the works committee at the next meeting and also before the next meeting of council. After this bylaw is passed the assessment commissioner will open negotiations for the purchase of the properties and in any cases where agreements cannot be reached, expropriation proceedings will be taken.

Teraulay street is to be extended and widened from College street to Davenport road to a width of 86 feet.

NAVY LEAGUE SETTLES POINTS IN DISPUTE

That matters of controversy discussed at yesterday's meeting of the Ontario Navy League executive, at which the British and Foreign Sailors' Society was represented, were amicably agreed upon, was stated by Justice Jas. Craig, of the B.F.S.S., yesterday.

When the amalgamated three or four years ago with the Navy League we agreed to work with them, and they were to support our institutes," said Justice Craig. "This institute, Mrs. Barrett, who is a grant from them of some \$7,500, but this we had to use for league work; we were cut off from asking public subscriptions, and some of our sailors' homes were not being supported. They came to our assistance when asked, and I think everything will be satisfactorily settled. We are a hundred years' old society, you know."

CIVIC RECEPTION FOR WELL-KNOWN WOMAN

The mayor and corporation of the city are giving a civic reception in honor of Mrs. S. A. Barnett, the well-known social worker and authoress of London, England. The function will take place in the council chamber of the city hall, at 4 o'clock tomorrow afternoon. Mrs. Barnett, who is a founder of the Harbordale Garden Suburb, comes to Toronto to lecture next week on "The Making of a Home."

CHANGE GAUGE OF STREET RAILWAY?

Commissioners Impressed With Economies Such a Step Would Effect.

The Toronto Transportation Commission is already gathering data on the question of changing the gauge of the Toronto railway system from the present irregular to standard gauge. Chairman P. W. Ellis said yesterday that this was the most important question the commission had to deal with at present.

Mr. Ellis points out that with one gauge on both the city and the suburban systems, interswitching would be permissible and would result in a great saving in the handling of freight. Cars could be run into the city at night when passenger traffic was light and a great amount of switching would be rendered unnecessary.

Mr. H. H. Couzens, the new manager, said careful consideration would have to be given the gauge question. He would not make an estimate of the cost of such an undertaking. There are 182 miles of track that will have to be narrowed from 4 feet 11 inches to 4 feet 8 1/2 inches.

There are also about 800 cars to make over. It is estimated roughly (not by the commission) that the cost will be at least \$5,000,000. The commission, it is understood, will have offices temporarily in the Harbor Commission building on the waterfront.

MAYOR NEGLECTS TO PRESS APPEAL

Apparently the Northeast Toronto Nomination Interests Him More.

That Mayor Church is out for the Conservative nomination in Northeast Toronto is apparent from the fact that he remained in Toronto address the Ward 3 Conservatives last night, altho he announced several days ago that he would be in Ottawa yesterday to lead the fight before cabinet against the increase of rates.

When asked about his change plans yesterday, the mayor said he considered the freight rates apportioned after listening to the speech of Hon. Dr. Reid at the Exhibition luncheon in defence of the rate increases. It was several days after this speech, however, that his wish was announced he would go to Ottawa personally to fight the rate increases.

Controller Gibbons is the only representative of the city council on the freight rates hearing.

FOR TAX EXEMPTION.

Alderman Honeyford has given notice of the following resolution to be submitted at the next meeting of city council: "That a bylaw be submitted to the ratepayers of the City of Toronto on January 1 next, in section 3 of the municipal tax exemption act, 1920, to exempt from taxation 25 per cent. of the assessed value of improvements, income and business assessment."
