## CONSTITUTION.

---

This Congregation shall be known by the name of the First Presbyterian Church, London.

The Board of Managers shall be chosen by ballot by the Congregation from among the members of the Church in full communion, at the annual meeting of the Congregation, or at a meeting duly called for that purpose.

The Board of Managers shall consist of nine members, one-third of whom shall retire annually by rotation ; and their places, as also the places of any who may die or vacate their office during the year, shall be filled at the annual meeting of the Congregation. The retiring Managers may be re-elected.

If any Manager be cut off from Church privileges by process of discipline, or leave the Congregation, he shall forthwith cease to act as Manager, and another shall, as soon as convenient, be appointed in his place.

The duties of the Managers shall be to attend to the temporal and financial affairs of the Congregation. More particularly it shall be their duty to obtain from the people contributions for the sustentation of the ministry ; to take care of the property of the Congregation ; to provide for the payment of the Minister's and other salaries ; and generally to administer all matters committed to their charge, as the Congregation may from time to time direct.

Meetings of the Board shall be held on the last Wednesday of each month for the transaction of business ; but a meeting may be held at any time on the call of the Chairman, by notice from the pulpit, or addressed personally to the members of the Board.

Five members present shall constitute a quorum. Every meeting should be opened and closed with prayer.

The Treasurer shall be appointed at the annual meeting of the Congregation from the members of the Board of Managers. His duties shall be to keep the accounts of the Congregation and to receive and disburse all moneys, subject to the direction and control of the Board of Managers.

The Chairman and Secretary shall be appointed by the Board of Managers at the first meeting of the Board held after the annual meeting of the Congregation.

The Chairman's duties shall be to preside at the meetings of the Board of Managers, and to sign all accounts which have passed the Board. In his absence any member may be chosen to act as Chairman *pro tem*. The Chairman has only a casting vote.

The Secretary's duties shall be to keep a correct record of the proceedings of the Board of Managers, and to act as Clerk of the Congregation at congregational meetings.

All cases not herein provided for shall be governed by the Rules and Forms of Procedure laid down by the Church Courts of the Presbyterian Church in Canada.

## Session Report, 1891.

---

With no mere formal words, but with heartfelt gratitude for the mercies of the year, the Session would review the affairs of the Congregation over which God in His providence has placed them, and preserved their membership unbroken through the year 1891.

The members of Session have distributed the Communion Cards in their various districts each quarter. Members of the Congregation are reminded that these quarterly visits are to be looked upon as opportunities for counsel with the Elder of the district in regard to any matter touching the growth and welfare of the Congregation. The Pastor has also paid at least one pastoral call on each family and individual connected with the Congregation.

On the whole the progress made during the past year is very gratifying. The attendance at the Sabbath and Weekly Services has been good, the various organizations are doing faithful work in their respective spheres, and in some departments there is a marked improvement compared with the previous year. And yet there are cases where carelessness is to some degree manifesting itself. The Session affectionately urge upon members and adherents the necessity of each and every one accepting his share of the responsibility resting upon the Congregation. Let no one be content to permit another bear his burden or do his work. If we do not go forward we shall surely go back. One duty especially, let all bear in mind, is to be regular in attendance at Church Services on the Lord's day and week days.

The Pastor organized a Men's Bible Class the last Sabbath in September. The attendance has not been large, but in many respects the work of the class has been encouraging, and the Session trust that a larger number of young men will connect themselves with it.

A branch Sabbath School has been organized in the south part of the city, a field hitherto unoccupied, and was opened the first Sabbath of 1892, with bright prospects of accomplishing good work. It meets in the School House on the corner of Waterloo and Gray Streets, and it is hoped will yet be a strong Presbyterian Sabbath School.

The Session has appointed Mr. John Anderson, and Mr. Harry Bapty, Superintendent and Assistant Superintendent.

At the suggestion of Mr. John Cameron, a Pastor's choir was organized in September, the object being to enlist the help of the young people, to improve the praise portion of the service, and early identify them with the work of the Church, and it is gratifying to know that the choir has been a decided success, and will grow more so as their training goes on. The credit of this new departure and its succesful carrying out is due to Mr. Barron, sen., and Mr. John Cameron, who have given much time in looking after all details.

We are also pleased to note the efficiency of the Church Choir, and the marked improvement in their part of the Sabbath Service.

The contributions for the schemes of the Church have taken a step forward, and in place of \$303.70, contributed in

1890, we have \$528.66 for 1891. We rejoice in the advance and trust this sum will be largely increased this year.

At the last Prayer Meeting of each quarter, some one of the schemes of the Church has been presented, and this plan will be continued.

A Congregational pledge book has been procured, and we are glad to report that quite a number of the Congregation and Sabbath School have pledged themselves to total abstinence from intoxicating liquors as a beverage.

Our last annual report showed a net membership of. 237

There has been added during the year :

In closing this report the Session would, in regard to the progress of the Congregation, use the words of Psalm lxxv. "Unto Thee, O God, do we give thanks;" and looking forward to another year, would pray the great head of the Church, that His Spirit may be poured out upon us as a people, so that this Congregation may be a greater power for good in the future than it has been in the past. Let each member and adherent faithfully seek to discharge his duty, then surely we shall go forward and take possession of the inheritance God has promised to his Churches.

JAS. I ANDERSON,  
Clerk of Session.

Moderator.

Report of the Board of Managers

OF THE

**FIRST PRESBYTERIAN CHURCH, LONDON,**

For the Year 1891.

*To the Members and Adherents of the First Presbyterian Church :*

Your Board of Managers in presenting their Annual Report must acknowledge with gratitude the goodness of God in His bountiful dealings with the Congregation during the year just closed. That the Congregation is to be congratulated on its prosperity during the past year is disclosed by the following fact, that an average of \$285.25 per quarter has been realized over that of 1890

At the Annual Meeting last year \$4,000 was the estimate of what might be the maximum returns expected from envelopes and collections for carrying on the ordinary work of the Congregation, whereas as is shown by the Treasurer's Report, now in your hands, \$4,266.03 has been the actual results, \$266.03 above our expectations, and an increase on the total over the preceding year of \$1,140.88. Besides providing for all ordinary and current expenses connected with the Church, we have been enabled to reduce our indebtedness \$1,200, leaving our liabilities at the present time \$2,800 on mortgage, and \$17.66 due the Treasurer. The results for quarters as shown by the Treasurer's Report are: First quarter, \$1,023.55; second quarter, \$1,080.53; third quarter, \$1,042.02; fourth quarter, \$1,119.93; \$3,641.06 of which is from envelopes; \$624.97 from open collections; total, \$4,266.03.

Your Board of Management here beg to gratefully express their appreciation of the liberal manner in which the

members and adherents of the Congregation have contributed of their means for the support of the Church during the year, to which is largely due the excellent results now shown. Although it may be considered too premature to say what the results will be at the close of another year, yet there is no reason to suppose, judging from the steady progress of the past, that it will be otherwise than satisfactory. Looking forward, therefore, hopefully to the future, we may expect returns at least of \$4,500 from the year now entered upon. Although at times some difficulty has been felt in providing seating accommodation for all, yet by utilizing the gallery, through the courtesy shown by the pew holders, the good management of the pew stewards and efficiency of our staff of ushers, we have been able to provide room for all applicants. The gratifying results as shown in the report are largely due to the earnest and untiring labors of our esteemed Pastor, and as a recognition of this fact, and realizing the increased duties and responsibilities devolving upon him consequent upon large additions to the membership of the Church, we recommend that the stipend be increased \$200 per annum.

In conformity with a resolution passed by the Board of Session asking the Church to grant \$100 to help the carrying on of the work in connection with the Waterloo street south Sunday School, we recommend that said sum be granted.

We recommend that a manse be built or purchased for the Pastor of the Congregation, and that the Board of Management be empowered to negotiate for the raising of the means necessary for carrying the work to completion. We also recommend that Wm. C. Barron's salary as organist and choir master be \$450.00 per annum from 1st January, 1892.

It is also recommended that a grant of \$50 as usual be voted to the Sunday School of the Church.

We also recommend that the same ushers be appointed for the ensuing year.

The Treasurer's books have been duly audited and found correct.

The thanks of the Congregation are due to the Choir for their faithful services, and to the gentlemen who have so faithfully and efficiently acted as ushers.

All of which is respectfully submitted.

A. MCPHERSON,

Secretary.

R. REID,

Chairman.

The report was adopted with the exception of the clause regarding the manse for the Pastor ; that question was referred for further consideration and action, if necessary, to a joint committee composed of the members of Session and members of the new Board of Managers.

## Sunday School Report, 1891.

---

In presenting the annual report of the Sabbath School, we are glad to be able to state there has been a marked improvement in every part of this important branch of the Church's work. There has been a considerable increase not only in the average attendance but also in the number of names upon the roll. The collections also, which are devoted entirely to Missions, keep on advancing.

The number of classes, which last year was seventeen, has been increased to twenty, and consists of one Young Ladies' Bible Class, nine boys' and nine girls' classes, and the infant class.

### COMPARATIVE STATEMENT OF ATTENDANCE.

	Teachers and Officers.	Scholars.	Total.

Average attendance, 1891.....	20	115	135
"    "    1891.....	22	130	152

The names of seven teachers and officers have been added to the roll, and five have been struck off. Of these latter Mr. Jno. Anderson and Mr. Harry Bapty have left us to take charge of the Sabbath School in the southern part of the city, recently organized in connection with our own Church. Miss Willa Anderson also has gone to take one of their classes.

In regard to the scholars, the large number of 76 was added to the roll, while the names taken off were fifty seven, leaving a net gain of nineteen.

From the above statistics it will be seen that the number added to the roll as well as the number removed, has been unusually large. Of the number removed a proportion of them were drafted into the Pastor's Young Men's Bible Class, which is not included in this report. Were it not for this fact we would be able to show even a more decided gain.

The regular Sabbath contributions for Missions (including \$11.19 collected during three months in the Pastor's class) amount with interest to \$261.45. This sum, an increase over the previous year of \$19.53, was allotted at a meeting of the Teachers and Officers as follows :

Home Missions .....	\$66 45
Waterloo St S. S. ....	50 00
Foreign Missions, Mr. Wilkie's Work.....	40 00
French Evangelization (Point Aux Trembles) .....	50 00
Aged and Infirm Ministers' Fund.....	15 00
Augmentation of Stipend Fund .....	20 00
Knox College Missionary Society.....	15 00
Welland Canal Mission.....	5 00

\$261 45

At the meeting above mentioned, a few changes were made in the Staff for the coming year. Mr. L. Gibson retiring from the position of Superintendent, Dr. Geo. Hodge was appointed as his successor, with Mr. Jas. I. Anderson as Assistant Superintendent. Mr. W. H. Hamilton having consented to take a class, Mr. D. Smith has assumed the office of Librarian.

A large number of new books have been added to the Library during the year and there are now over nine hundred good readable volumes contained in it. The Teachers, as before, have been supplied with the "Westminster Teacher" and the "Sunday School Times" for the current year, and the majority of the Scholars with the "Westminster Quarterly," the younger ones receiving the "Leaflets" and "Sunbeams."

It is impossible to over estimate the importance of the children being regular in their attendance and having their lessons properly prepared, thus lightening the labors of the Teachers.

On behalf of the Teachers and Officers we desire to express the thanks of the School to the Congregation for their liberal grant to meet the running expenses of the School; to the Church Organist, Mr. W. C. Barron, and the Choir for favors during the year; and also to Mr. John Mills for his generous and handsome contribution of books to the Library.

L. GIBSON,  
Retiring Superintendent.

JNO. M. FERGUSON,  
Secretary.

## Report of the Missionary Society.

It is with much satisfaction that the Missionary Society begs to report an increase of \$225 in the amount collected for the various schemes of the Church during the year just closed, as compared with 1890, the amount being \$528.66, as against \$303.70 in 1890. There is also an increase in the number of contributors and the average amount contributed. In 1890 seventy-seven individuals gave an average of \$3.94 each, while in 1891 ninety-three contributors gave an average of \$5.68 each. This improvement is a step in the right direction, and is gratifying as showing that the Congregation is beginning to realize a little more fully its duty in this matter. There is still, however, great room for improvement. A Congregation of 300 members, which raises so much for its own purposes, should surely do more for religious and benevolent objects. In this respect we are far behind many other churches not more favorably situated than ourselves.

The plan adopted by this Congregation of having only one fund out of which are taken *all* our contributions to the different religious and benevolent operations of the Church, has the advantage of being convenient. It has, however, its drawbacks as well, for we are apt to imagine, when depositing our envelopes, that we are giving our contributions to Missions alone, as indeed the inscription on the envelope would seem to imply, whereas we ought to remember that it is really a subscription to seven or eight different important objects—not only the Missions, Home and Foreign—but also the different Colleges, the Augmentation Fund, Aged and Infirm Ministers' Fund, French Evangelization, etc. The proper way, therefore, in deciding what amount we should contribute, would be to make up our minds what we can afford to give to *each* of these different schemes, and make our total contributions accordingly.

If this were done conscientiously during the present year, with a proper estimate of our responsibility in this matter, and a due appreciation of the privilege accorded us as members of

Christ's Church, of aiding her in efficiently carrying on, both at home and abroad, the great work entrusted to her, we should have at the beginning of another year a much greater improvement to record, and the amount given annually by the Congregation, for religious and benevolent purposes, outside itself, would be more than \$1.76 per member, as it is at present.

In accordance with the recommendation made in last year's report, a committee was appointed to bring the matter of Missions and our duty in regard to them more prominently before the Congregation. They accordingly arranged to have a Missionary Meeting once every quarter, on Wednesday evening, when addresses should be given on some one of the mission fields. These meetings have been regularly held, were well attended and very interesting. They will be continued, and will be the means, we trust, of awakening a deeper interest in the subject of missions among our members.

## ANNUAL REPORT

# Women's Foreign Missionary Society.

Another year has passed, and in presenting the fifth annual report of the Women's Foreign Missionary Society in connection with this Congregation, we regret that in some respects, especially in regard to the number of our members, we have not made the progress during the year just closed that we had earnestly hoped for, only six having joined us during that period. Why is it so hard to induce people to take part in a work which we are satisfied would be both pleasant and profitable to themselves? Labor in such a cause is beneficial not only to those for whose sakes it is undertaken, but equally so to those who engage in it, and we would like to persuade all who have not yet identified themselves with this Society to avail themselves of the opportunity it affords of doing something, however little, for our poor degraded sisters who do not enjoy the privileges we possess. We are thankful, however, for the additions we have received, and trust that both they and the older members are fully determined to help forward the objects of the Society by every means in their power, remembering the shortness of the time, and the greatness and importance of the work.

Our regular monthly meetings have been fairly well attended, the highest number during the year having been twenty-one and the lowest ten, making an average of fourteen. There is certainly much room for improvement in this respect, and we earnestly hope that members will make it a matter of conscience to attend when possible.

It is our sad duty to record the death of one of our members, Mrs. Fraser, senior, who died last April, and who, although unable to attend the meetings, always took the deepest interest in our work.

Twelve regular meetings have been held during the year. The usual united meeting of the Auxiliaries to receive the

reports of the delegates to the annual general meeting was this year omitted, but instead we had from Miss Fraser, our own delegate, an exceedingly full and interesting account of the proceedings, which was much enjoyed by all present.

The field selected for us this year by the General Board was India, and, as in former years, the Congregation was asked for a collection to enable us to purchase material to be made up and sent out for the use of the women and children in that country. One was accordingly taken up at the Wednesday evening prayer meeting amounting to \$17.15, with which we purchased a quantity of goods, differing of course very much in texture from those procured last year for the North-west. Sewing meetings were held in the lecture room, and skirts, jackets and fancy articles were made up for the little Hindoo children. A general exhibit of such useful and fancy articles contributed by all the auxiliaries in the Presbyterial was made in the Bible Class Room of St. Andrew's Church, and those who availed themselves of the opportunity of seeing that display would be able to form some idea of the work that is being done by the Society. May the Holy Spirit move more hearts to do what they can for our benighted fellow creatures in India, so that they may be taught the way of salvation and peace, and that the glorious light of the Sun of Righteousness may shine into their souls.

Our annual thanksgiving service was held in the Lecture Room on the 15th of October. The meeting was most enjoyable and fairly well attended, though not as large as might have been expected seeing that about fifty invitations had been sent. The offering amounted to \$34.75. The total amount collected during the year was \$124.44, and the box of clothing sent to India was valued at \$30.00.

In looking back over the year, and realizing that much more might have been done, we must at the same time express our thankfulness for what has been accomplished and take fresh courage for the future, determined to be always abounding in the work of the Lord, forasmuch as we know that our labor is not in vain in the Lord.

# Annual Report of the Ladies' Aid Society

First Presbyterian Church for 1891

At the Annual Meeting held January 14th, the following officers were elected for 1892 :

President .....	Mrs. John Anderson.
1st Vice-President.....	" L. Gibson.
2nd " .....	" G. Burns.
Treasurer.....	Miss B. McGuffin.
Secretary.....	" M. Wilson.

In presenting the Sixth Annual Report of the Ladies' Aid Society we do so feeling that we have great reason to give thanks to God for the measure of success that has attended our efforts.

During the year seven meetings were held, with an average attendance of eleven. Our members number twenty two, and contributors forty nine, making a total increase of seven over last year. Unlike previous years there were neither lectures nor entertainments given ; therefore, as will be shown by the financial statement, the receipts have been purely voluntarily, and speaks volumes for the conscientiousness of those who contributed so liberally and regularly last year.

For twenty-two Sabbaths, from 1st June to 1st of November, different members of the Society provided flowers for the pulpit.

The ladies appointed to visit with the Elders in their various districts have been very faithful in the discharge of that duty. Of the number of visits made no record has been kept. Instead of sending contribution envelopes and receipts by mail as formerly, the plan has been adopted of putting them in the pews at stated intervals.

Now that the Society has fulfilled their promise to the Managers, there will be a wider field opened out for the energies of the members, and it is earnestly hoped that many may see fit to join us in the work this year, "for as the body without the spirit is dead, so faith without works is dead also."

# Report of the Victoria Mission Band

FOR 1891.

---

Although, during the year 1891, the Victoria Mission Band did not make the progress that we had hoped it would at the beginning of the year, we are glad to be able to record a small increase in its membership and also in the average attendance and contributions.

During the year ten regular meetings were held, one of them being a Praise Service, which was well attended and at which the collection was liberal. The average attendance at these meetings was twenty-four, being an increase of three over last year.

We regret very much that with our membership we have not a larger number at our regular meetings, but we are always gratified with the attendance at the other meetings in connection with the more practical work of the Band.

A large number of these meetings were held during the summer to prepare for a concert, which was given to raise funds for purchasing dolls, etc., to send to India, and the dressing of seven or eight dozen of these dolls necessitated the holding of a number of sewing meetings and called for a great deal of patient work on the part of the members and their friends.

Besides the concert in aid of our Society we had a lecture, for which we are indebted to the Rev. A. B. Winchester, of Berlin. We were sorry that so many members of the Congregation failed to avail themselves of the opportunity of hearing Mr. Winchester, as his lecture was a great treat.

Our thanks are also due to those who so kindly assisted

at our concert in June, as well as to the friends who helped in the dressing of the dolls.

We sorrow for the loss of one dear member of our Band, Gertie Bonthron, who has gone to the better country.

The total amount of our contributions to the General Fund this year is \$63 58; an increase of \$12 63 over last year. During the year we have in reality raised \$25 95 more than the previous year, as at the beginning of 1890 we had \$12.63 to our credit, while this year we had nothing in the bank at first of the year.

The box sent to India was not so valuable as the one sent to the Northwest last year, but much more time was spent in preparing the goods. We also gave a small contribution to a box containing Xmas gifts for an Industrial School in the Northwest.

In concluding, we would ask the members of the Band to make a point of attending the monthly meetings, and to try, each one, to bring a new member. It is only by individual effort that any degree of the success that we wish for our Band can be attained.

MISS L. M. FRASER,

President.

E. FERGUSON,

Secretary.

## REPORT OF THE Young People's Society of Christian Endeavor.

---

In comparing the standing of our Society now with that of December, 1890, we feel encouraged by the success we have attained.

Last year we had a total membership of forty-seven, of whom thirty-five were active and twelve associate members.

During this year we have enrolled thirteen active and eighteen associate members, while the names of seven active and four associate have been struck off. Of these seven have left the city, and two of the associate were transferred to the active list, while one active member became affiliated. Our roll now numbers thirty-nine active, twenty-six associate and one affiliated members, making a total of sixty-six. Thus we have a net gain of nineteen members for the year.

We have held during this year forty-one weekly meetings and one special service at the Convalescent Home. We held no meetings during the vacation months of July and August on account of the absence from the city of many of our members.

Besides our regular meetings, we held a social in the School Room, and a picnic to Port Stanley, and found them a very successful means of improving the sociability among the young people of the Congregation.

The only change made has been in the night of meeting, which was effected to increase our attendance, and has proved most gratifying, as there are many who prefer staying after Church service on Sunday night to coming out on Monday.

The business meetings, however, are held on the second Monday of each month.

We elect our officers semi-annually at the business meetings of April and October.

So far our Society has been but a means of training us to express our religious sentiments with confidence, and developing in us a zeal and love for all things relating to the Church. Now we feel capable of using our benefits thus gained in doing some active work outside of our own immediate circle, and contemplate undertaking some earnest labor of this kind in the near future.

While we are encouraged by the number who have already joined, and the pleasure and profit which each of us has derived from holding these services, we earnestly hope and constantly strive to attract and win others to connect themselves with this branch of Christ's work.

L. JEAN MCGUFFIN,  
President.

C. M. HOWIE,  
Secretary.
