## REPORT.

---

THE past year has been marked by continued activity on the part of the various conferences in furthering the interests of the Educational Society. It is a gratifying feature of the work that increase from year to year is becoming normal. As in the case of the Missionary Society, annual contributions are being regularly given and this steady advance is an evidence that the cause is gaining a permanent place in both the sympathy and the conscience of the people. The income for the past year is \$20,539.27, being an increase over the preceding year of \$983.71. This compares very favorably and significantly with the income of 1884, the first year after the union, \$9,500.

The consummation of University Federation in Ontario as affecting Victoria College has been reached in a spirit and manner full of bright promise as to the future of this great enterprise. The magnificent building in the Queen's Park is now completed in the most modern style of architecture and furnished with every requisite for the physical well-being and intellectual advantage of the students. It will afford ample accommodation for three hundred students, and will form a religious as well as an intellectual centre for the youth of our Canadian Methodism, who in increasing numbers are found in the city of Toronto seeking its intellectual advantages. The cost, \$215,000, has been completely defrayed by the liberal contributions of the Methodist people without the expendi-

ture of a dollar for interest and the date of formal opening, Oct. 23, 1892, will long mark the era when our new Victoria entered upon its career of service to the Church and to the country in the great educational centre of Toronto.

The Wesleyan Theological College of Montreal shows signs of continued prosperity in marked increase of students and of financial strength. In its very important work of training men for the ministry it still aims at securing both educational thoroughness and practical efficiency.

Mount Allison University in the Maritime Provinces, and Wesley College in the centre of the great West, as well as Albert College, Belleville, are still rendering most valuable service in higher education, while the Ladies' Colleges of Hamilton, St. Thomas and Whitby all report enlargement of their work. Official reports from the Stanstead Wesleyan College show that with its affiliation to McGill University it has entered upon a new lease of life, both in University work and as an Academy.

The terrible calamity by which Newfoundland Methodism was bereft of its College in St. John's has both drawn out practical sympathy among our people in the West and has given occasion to our brethren in that colony to show the heroic energy by which they are distinguished, so that it is probable that the work in St. John's will be at once resumed and continued with former efficiency.

A noticeable and gratifying feature of the past year has been the serious consideration given by the British Columbia Conference to the educational requirements of our churches on the Pacific Coast.

It is to be regretted that the proportion of the General Fund available for loans and fees of students is quite inade-

quate in several conferences, especially in those in which the number of students is much in advance of what it formerly was. The matter will probably receive consideration at the next General Conference. In the meantime the most effective method of dealing with it will be to so increase the General Fund as that the proportion of one-fourth will be sufficient to enable Conference committees to meet local requirements and to secure adequate aid for their students.

It will be observed that in the financial statements of Conference Treasurers there is included a very generous bequest of \$1,033.96 from the late M. P. Black, of Nova Scotia, a tried friend and promoter of all the interests of the Church. There is no reason why his example should not be followed by many others.

# REPORTS OF INSTITUTIONS.

---

The Colleges and Schools connected with the Methodist Church in Canada may be classified as follows:—

1. Connexional Institutions.
2. Conference “
3. Proprietary “
4. Missionary “
5. Sabbath-schools.

These pages of the report are open to the representatives of all Methodist Colleges in Canada to make such appropriate statements of their work, either educational or financial as they may desire to publish.

## I. Connexional Institutions.

These are such as are vested in the entire Church, and are under the direct control of the General Conference. They are Victoria University, Toronto; Mount Allison University, Sackville, N.B.; Wesleyan Theological College, Montreal; Albert College, Belleville; Alma Ladies' College, St. Thomas; and Wesley College, Winnipeg. Reports for the past year have been received from these several institutions, as follows:

VICTORIA UNIVERSITY, Cobourg, was founded as the Upper Canada Academy by Royal Charter, in the year 1835. In 1841 the institution obtained University powers, and changed

its name to "Victoria College." In 1850 power was given to remove to Toronto. It has now Faculties in Arts, Theology, Law, Medicine and Physical Science. Previous to 1868 an annual grant of \$5,000 was made to the University by the Parliament of Canada. This grant then terminating, a movement was initiated by the Rev. Dr. Punshon to secure for the University a suitable endowment from private benefactions. The productive Endowment Fund is now \$250,000. The past year has been one of the most successful in the history of the University. The number of students was 298, as follows, in

The staff embraces twelve professors in Arts and Theology. The total number of graduates is, 657 in Arts, 92 in Theology, 134 in Law, 1,664 in Medicine, or 2,547 in all faculties.

MOUNT ALLISON UNIVERSITY began its history with the Male Academy, at Sackville, N.B., in 1842, an institution which was the gift to the Church of Charles F. Allison, Esq. The Jubilee of its opening it is intended to celebrate with becoming services in the month of January, 1893. He also founded the Female Academy in 1854. In 1862 the institution was incorporated and acquired full University powers, and in 1866 its present name was given by the Legislature, viz., The University of Mount Allison College. In addition to the two Academies mentioned above (the latter being now known as the Mount Allison Ladies' College), it has Univer-

sity Departments in Arts and Theology. The number of students last session was, in

WESLEY COLLEGE, Winnipeg, was founded in 1873, and for a few years continued its educational work, when, owing to insufficient equipment, actual teaching had to be suspended. In 1877 it was incorporated by Act of Provincial Legislature, and in 1886 the Act of incorporation was amended. In June, 1888, the Manitoba Conference placed itself in hearty co-operation with the Board of Trustees to establish the College in an active and honorable position, and in October of the same year the College was affiliated with the University of Manitoba. Provision having been then made for a Sustainment Fund for three years, the work of teaching was resumed, and the College has been in active operation ever since.

The need of such an institution under the auspices of the Methodist Church has been amply shewn by the increased attendance each succeeding year since College work has been resumed. The number of students has, during the past four years, increased from seven to sixty, and of those in attendance, the greater number are either probationers of the Methodist ministry, or are preparing with that for their ultimate object.

The graduates from the College already number ten, among whom are some who have carried off the highest University honors, thus placing Wesley on a level with the other affiliated colleges in point of scholastic capabilities.

During the past year the College Board purchased a very suitable site for the College buildings, and it is hoped that ere long such buildings will be erected thereon as may be worthy of the dignity of the Methodist Church in the Province of Manitoba and the North-West Territories.

THE WESLEYAN THEOLOGICAL COLLEGE, Montreal, was founded by the Wesleyan Methodist Church in Canada in the year 1873. In 1878 it was, by order of the General Conference of the former Methodist Church of Canada, incorporated and affiliated with McGill University. It is one of four Protestant Theological Colleges in Montreal affiliated with this University, and the second of them in point of attendance and equipment. In 1883 there were finished the commodious buildings which it now occupies. It has acquired from Parliament the power of conferring degrees in Divinity. No degrees in Course are given without attendance at lectures. Its work includes the following Curricula :—

- I. Preliminary Course, as prescribed by the General Conference.
- II. Matriculation Course, as prescribed by the University.
- III. Course in Arts, as prescribed by the University.
- IV. French Course, as prescribed by the General Conference.
- V. College Course for Probationers, as prescribed by the General Conference.
- VI. Course for the Degree of S.T.L., as prescribed by the Senate.
- VII. Course for the Degree of B.D., as prescribed by the Senate.

THE ALBERT COLLEGE, Belleville, was begun by the former Methodist Episcopal Church of Canada, in 1857, as the Belleville Seminary. In 1866 it acquired the name of Albert College, with limited University powers, and in 1871 it obtained full University powers. In 1885, in consequence of the Methodist Union of 1883, it became incorporated with Victoria University, continuing most efficiently its operations since then as a higher seminary and affiliated with the University. The Ladies' Department, known as the Alexandra College, is still most successfully maintained. Total number of students last year, 220.

#### COURSES OF STUDY.

- I.—Collegiate course, embodying elective Undergraduate Studies.

THE ALMA LADIES' COLLEGE, St. Thomas, Ont., for the higher education of young women under religious auspices, was incorporated by the Legislature of Ontario in the year 1877. It was founded by the Methodist Episcopal Church of Canada, and in 1883 by resolution of the General Conference,

it carried into the United Church the connexional character which it formerly sustained. It is one of the best equipped Ladies' Colleges in America. Owing to the very rapid growth of the school and the pressing demands for more accommodation, the Board of Management has erected a magnificent addition, 40 x 80 feet, five stories in height (known as McLachlin Hall), devoted to class-room and dormitory accommodation. This new building contains a chapel, with seating capacity of 500, and an Art room, said to be unsurpassed in America. It is well lighted with a skylight 40 x 8 feet, and thoroughly furnished with apparatus, etc. Its average attendance is over 200 students. Its professors and certificated teachers number twenty. It is now affiliated with Victoria University.

## II. Conference Institutions.

THE STANSTEAD WESLEYAN COLLEGE was incorporated by Act of Parliament in 1872 and affiliated with McGill University in 1892. The intention of its founders was to afford a thorough education for young men and young women under the direction of the Church. Rev. F. McAmmond, B.A., who resigned his position as Principal in June last, in his report to the Montreal Conference states: "The attendance has been much larger and more regular than it has been for years, thereby increasing the educational and financial results beyond anything we have yet been able to report. The total attendance for the year has been 79 gentlemen and 71 ladies. The educational results have been gratifying and encouraging. Three pupils have taken the first year's course in Arts as prescribed by McGill University. Two have completed the Ladies' Collegiate course, twelve young men and two young women have completed the course in Commercial Science.

Between forty and fifty were examined in the Government Grade work, including a class of six in the University Associate in Arts course. Three have completed the work required for Model School Teachers, and thirty-six have been in the Music and Fine Arts classes. The health of the students has been remarkably good. The religious interest has been gratifying, the prayer-meetings being seasons of great blessing, resulting in the conversion of many. The financial income has been \$9,222.00." The new Principal, A. W. Bannister, M.A., enters upon his duties with bright prospects of increasing usefulness. The staff of teachers is as follows:—

A. W. Bannister, M.A., *Classics, Logic and Physics*; Mrs. Bannister, *Lady Principal*; Ethelwyn Pitcher, B.A., *Mathematics and German*; E. G. Parker, B.A., *English, French and History*; O. H. Bresee, *Book-keeping, Penmanship and Correspondence*; R. Fasolt, *Piano, Organ, Violin and Voice Culture*; Miss Lufkin and Miss Howard, *Model School Department*; Mrs. Abbey, *Painting and Drawing*.

The work includes the following courses of study:—

- I.—The Model and Academic.  
(As authorized by the Committee of the Council of Public Instruction).
- II.—Matriculation in Arts.
- III.—Undergraduate Course in Arts.  
(First two years in McGill University.)
- IV.—Ladies' Collegiate Course.
- V.—Course in Commercial Science.
- VI.—Course in Instrumental Music (Piano and Organ) and Vocal Culture.
- VII.—Course in Fine Arts, embracing Painting, Drawing, etc.

THE METHODIST COLLEGE, ST. JOHN'S, NEWFOUNDLAND.—The year ended June last was the most successful in the history of this College. The Board of Management had been most devoted to its interests, an efficient staff of instructors, increased by the addition of an accomplished and popular pro-

fessor of music, had met regularly through the sessions a large attendance of pupils, appreciative of their educational advantages, and the closing exercises before holidays had been highly satisfactory, and arrangements were in progress for still better work in the future, when by the calamitous fire that soon afterwards overtook St. John's, plans were interrupted and the noble suite of buildings, which had been the outcome of much faith and prolonged and courageous effort, was suddenly reduced to ashes. However, **THE LORD REIGNETH**, and His servants will trust in Him. Temporary accommodation has been found to re-open classes in September, and it is hoped that with the Divine blessing upon the decision to arise and build, and by a general and hearty response to the appeal of the Board to the Connexion, the Methodist College will soon be restored—perhaps in more enduring if not in fairer form, and possibly better equipped than ever. About fifty thousand dollars are wanted in addition to amount insured (or more if it can be got). The institution, with its facilities for higher education, its means of training teachers and its home for pupil-teachers, etc., is a necessity. The denomination must have it, and the colony will require it. The resources of former friends have been crippled by the fire. May God raise up many more to aid in a supreme effort, in this time of need.

According to report of the Superintendent, Rev. G. S. Milligan, LL.D., there were in 1891, in the Methodist College, eight professors or teachers (including Rev. G. P. Story, Chaplain), besides two more in primary and model school, twenty-five pupil-teachers, and in all departments four hundred and forty-one pupils; and in all the Methodist schools of the colony, 8,338 pupils, or 522 more than in previous year.

### III. Proprietary Institutions.

THE WESLEYAN LADIES' COLLEGE, HAMILTON.—No report received.

THE ONTARIO LADIES' COLLEGE at Whitby is one of the most progressive institutions in this country. A finer location for a College in close proximity to a large city can scarcely be imagined. A large and gifted Faculty, elegant and comfortable buildings, a new gymnasium and every modern means of amusement and exercise, render it a delightful home for the higher education of young women. Pupils are regularly prepared for third-class, second-class and first-class teachers' certificates, and for all the University examinations through the third year. The Faculty comprises the largest number of University specialists of any Ladies' College in Canada. Music pupils are prepared for the degree of Bachelor of Music. The Fine Art, Elocution and Commercial Departments are not surpassed, if indeed equalled in Canada. The Rev. Dr. Hare has been Principal since the inauguration of the College in 1874. Number of students, 1891-92, 143. Day pupils are not admitted to the literary classes except in one or two special cases.

### IV. Missionary Institutions.

One of the most interesting features of the work of our Missionary Societies is their educational operations. The principal institutions supported by the General Society are the Anglo-Japanese College, Tokyo, Principal, Rev. Dr. Cochran; Mount Elgin Indian Institute, Principal, Rev. W. W. Shepard; and the French Methodist Institute, Cote St. Antoine, Montreal (supported in part by the Woman's Missionary Society), Principal, Rev. W. Hall, M.A. These are attended

by hundreds of students who are thus brought under refining and evangelical Christian influences. The Board also supports one Chinese school in British Columbia, and thirty-four Indian Schools in different parts of the Dominion. The Woman's Missionary Society, with its growing income, which has now reached \$31,698, is maintaining very efficiently schools at Tokyo, Shizuoka and Kofu, Japan, the McDougall Orphanage at Morley, the Crosby Home at Port Simpson, the Indian School at Chilliwack, the Chinese Rescue Home at Victoria, and three French schools in the Province of Quebec. The General Board has now in addition to the above Indian Industrial Schools at Red Deer and Port Simpson, Morley and Chilliwack.

### V. Sabbath-schools.

The number of Sabbath-schools reported last year was 3,142 and of scholars, 239,358 (increase 6,311). The number of Epworth Leagues in Canada is 665, with a membership of 28,730.

The foregoing *résumé* is given in order to present to the Church and to the public an idea of the extent of the educational work of Canadian Methodism. This work embraces, as we have seen, apart from Sunday-schools, 52 Mission Schools, 140 Day Schools in Newfoundland, and 10 Colleges, attended by 2,058 students.

The gross amount from Nova Scotia includes legacy of \$1,033.96 from the late M. P. Black, Esq. The total amount available, less cash brought down, shows income for the year \$20,539.27.

† Conference Treasurers are very respectfully requested to forward to the REV. DR. SHAW, Secretary of the Board of Management, and to the GENERAL SECRETARY OF EDUCATION, their Financial Statements at the earliest possible moment *during or at the close of the Sessions of Conference*, and, for the sake of uniformity, to use the printed forms provided for the purpose. The delay of one Treasurer hinders the closing of the accounts, and the amounts to be paid to the Colleges cannot be determined until all the reports are sent in.
