Grocers Notice

Regarding Delivery Service Beginning on **March 1st, '18**

Because of the number of men engaged in the delivery business who should be otherwise employed, and whereas delivery teams under the present system cover the town many times not half loaded, which is unprofitable and unnecessary, we the undersigned have agreed to the following daily service, beginning on **FRIDAY, March 1st.**

— FORENOON —
Main Street East including intersecting Streets and Court Yard, 8.30 a. m.
Main St. West, Square and River St., 9.30 a. m.

North of River 10.30 a. m.

— AFTERNOON —
Main Street East and intersecting Streets and Court Yard 2 p. m.
Main Street West Square, and River St., 3 p. m.
North of River 4 p. m.

All orders must be in our hands one half hour before team starts, to ensure prompt delivery, otherwise await first trip following.

Signed
R. T. Caldwell

Lamont & Steadman

The Christian Endeavor Society of St. Paul's Church, will hold a debate on Monday evening next at 7.45, the subject being, "Resolved That the Best Solution of the French Problem, in Canada is religious rather than Political." This is one of the real live subjects of the day, and is sure to be worth hearing. Anyone interested in this subject is invited.

The death of Rev. Stephen S. Langille, a retired Baptist clergyman, occurred at his home North Range, on Wednesday evening, Feby. 13th, at the age of 73 years. The deceased was born in Halifax County and had held pastorates in the Western Counties.

Mrs. Edgar Ehrsgott and Mrs. Shesha Cann are spending this week in Wolfville.—Yarmouth Light.

WANTED TO RENT—A house in Kentville, modern improvements. Apply to Lieut. A. G. FORSTER, Sanatorium, sw 3ins x

FOR SALE—Two New Milks cows, one jersey and one Holstein. sw 3ins. R. H. RAND, Kings Co. Upper Canada, Kings Co.

Three or four times as many persons were made totally or partially blind by the recent munitions explosion at Halifax than have suffered that affliction among Canadian soldiers since the war began. Edward M. Vaneleve, managing director of the national committee for the Prevention of Blindness, has reported to this effect after a personal survey of conditions.

CANNING, N. S.

Mr. and Mrs. Joseph Cohen, Kentville announce the engagement of their daughter, Ella to Mr. Hyman W. Jacobson, of Canning, the wedding to take place at Kentville, on Tuesday, March 12th.

In the United States only 6,000 Nurses are in Military service and the country wants 30,000 the enrolment of 1000 a month must be greatly increased. Tracking done at short notice. Write or phone, 195 Kentville, F. S. McBride Kentville. a 4 ins.

DR. SYDNEY E. SHAW STILL HONORED AT BIGGAR.

From a Biggar, Saskatchewan paper we learn that Dr. S. E. Shaw, has again been elected Mayor of that town. We also notice that he was appointed president of the Unionist Committee to conduct the recent Dominion election. Dr. Shaw is a Waterville boy son of Henry Shaw the uncompromising opponent of protective duties, in this county. Dr. Shaw practised at Kentville and later at Berwick. He is putting his energies into building up the West and shows the people there that Nova Scotians can take first place.

HANTSPOORT BOY WINS MILITARY HONOURS.

Word has been received by Mr. John Reid, Hantsport, that his son, Driver J. Wiley Reid of the Canadian Field Artillery has been awarded the Military Medal for work done by him in the last battle in which the Canadians were engaged. Driver Reid enlisted in the C. G. A. at Halifax in August, 1915, later being transferred to the 11th Ammunition Column with which unit he went across in the following April. After training in England a few months he was sent to France as driver in a Howitzer battery in which capacity he has served ever since and been through many battles, including the Semme, Hill 70 and Vimy Ridge.—Journal.

THE COST OF MILK PRODUCTION AND THE FARMERS PROFIT.

Experimental Farmer's Note

The principles of cost accounting used in manufacturing should be applied to agriculture, not that the farmer may always sell above cost, for at times he sells below cost, but that he may know that the average selling price will at least equal the cost and thus allow him to break even.

To find the cost of milk production is no sinecure in accounting, because of the complexity of the conditions surrounding the industry, but the importance of the product has led to many investigations with the following average results using present day feed and labour charges.

Table with 2 columns: Item, Cost. Includes rows for Feed at cost prices, Labour per cow including handling of milk, Interest and depreciation on herd per cow, etc.

Receipts per cow. 6167 pounds of milk at 29c. per gallon, 12 tons manure at \$2.00 per ton.

Under the above conditions milk costs the farmer 27.6c. per gallon or 6.9c. per quart. At most he is selling it for 29c. per gallon or 7.25c. per quart.

While 6,167 pounds of milk per cow per year may seem a small yield to some farmers, it is in reality a very good average, exceeding the average for Eastern Canada, by 2,000 pounds.

A Word To The Consumer.

Comparatively speaking, milk is one of the cheapest foods. Instead of being regarded as a luxury it should be regarded as a necessity. Based on food values it has been estimated that if porterhouse steak is worth 30c. per pound, milk is worth 16.5c. per quart; if eggs are worth 30c. per dozen, milk is worth 21c. per quart; if fat fowl are worth 20 cents per pound milk is worth 20c. per quart; and if whitefish is worth 15c. per pound milk is worth 32c. per quart.

The question is "Who is getting the best deal?" Certainly it is not the farmer.

THIRD RAID IN THREE NIGHTS ON LONDON.

Twenty-Seven Killed and Forty Injured on Saturday and Sunday Nights.

LONDON, Feby. 18.—Hostile aeroplanes are attempting a raid against London again tonight, making the third raid in as many nights. No damage or casualties are yet reported.

Hostile aircraft crossed the coast shortly after nine o'clock tonight and proceeded toward London. None of the raiders penetrated the defenses, and so far there has been no damage and no casualties.

The British army casualties during the past week were the lowest in many months only 1,043 officers and men being killed. The wounded and missing aggregated 2,063.

AUSTRALIANS NOT WANT TO RENEW FIGHT AGAINST RUSSIANS.

LONDON, Feby. 18.—A deep serious schism has been created between Germany and Austria-Hungary by the termination of the armistice between the Central Powers and Russia and the renewal of a state of war, according to the Copenhagen correspondent of the Exchange Telegraph Company.

The Austrian press, continuing the correspondent, is warning Germany against the reopening of hostilities in which Austria does not wish to participate. The semi-official Fremdenblatt is silent, but the Neue Freie Presse is quoted as pointing out that the Austrian Monarchy no longer borders upon Russia, and is not like Germany, compelled to resume warfare.

UNITED STATES ASKS INVESTIGATION.

British Recruiting Officer Alleged to Have Spirited Away American Boys to Nova Scotia.

WASHINGTON, Feb. 18.—The State Department was today asked to investigate the alleged recruiting and spiriting away of three American boys from Pittsburgh on Saturday night by a British recruiting officer, Senator Knox, Republican, of Pennsylvania, announced today in the Senate.

Senator Knox read a telegram saying that on Saturday Joseph Barbour, sixteen; Reed Miller, fourteen; and Francis McKnight, under the name of Semple, were recruited by a British officer and sent to Canada. The telegram was called to the attention of "Mr. Heinie, the local recruiting officer," who refused to take any action.

HIGH LINER IN SOCKS

When it comes to knitting socks for the boys in the trenches, hats off to Mrs. Melville of this town. Up to the present Mrs. Jack has knitted herself no less than one hundred and sixty pairs, and is now completing her one hundred and sixty-seventh pair besides fifteen scarfs.

has already forwarded through the medium of the Red Cross upwards of one hundred pairs of socks for the boys who go over the top—North Sydney Herald.

OBITUARY.

Mrs. Thomas Lawson. The death occurred at her residence, Grafton on Thursday last of Agnes Fearn, wife of Thomas Lawson, in the seventy-eight year of her age. The deceased was born in Greenock, Scotland, and was married in Glasgow.

ANOTHER RAID ON LONDON WITH LITTLE DAMAGE

LONDON, Feby. 17.—German aeroplanes raided London tonight. Lord French, commander of the Home Forces, reports that the hostile aeroplanes came in over the Thames Estuary shortly after ten o'clock tonight and proceeded towards London. Some bombs have been dropped in the Capital. The raid is still in progress.

LONDON, Feby. 17.—Only one of the six German aeroplanes which made an attack on London last night succeeded in reaching the Capital, it is announced officially. This raiders dropped one bomb in the southeast district which caused four casualties. An aerial raid on Dover was repelled by British pilots who engaged the Germans over the Kent coast.

HARBORVILLE

I was reden one of the Nighbors Halifax Chronicle Friday, and I seed wher they had copied a piece what the old feller on the hill hed writ for the Kentville Chronicle, about that young feller what cum here and was married to Miss Della Spicer.

Beaus, now that they air taken more of the bran and middlins outer the wheat and puttin it in the new flour, I expect ther wont be a dern bit uv feed to be hed.

I hev saw in the papers, that Borden hes shuffled the kalrds agin about that same food business and insted uv heven a food controller, he now hes made a food board, whatever the devil the is, I dont no, exceptin that it is to give sum more uv his trends a fat job, caus I seed that one uv em is to pull down \$7,000 dollara a year wages, and the rest uv em 5,000 a year.

would grab a job like that fur less munny at thet. How, somever, we old fellers will hev to be ther goats.

I went up on the hill the other day to see how the old feller was gettin along, es I hed not saw him fur su mtme. I found him down in his hen houses, in what he calls the execution pen, and say Howard, that old feller wuld pick up a bird, hold it under his left arm, take hold of its neck with his other hand, give it a quick jab with his thumb in the neck, and hang it up.

That bird was ded, and so help me Sam Slick, inside uv Five minutes he hed done thet same thing to Fifty uv em, and hed them hung up. That old feller may be a dead one, but I got to thinkin that if we hed a hundred or two of him over to France, and turn em loose among them germans, ther wuld-ent be a Hun left in about two days.

Then wen one cum to think that we air payen them fellers what air raisen H—I with all our feed, both fur the cattle, pigs chickens and ourselves the immense sum uv One Hundred and Sixty-five Thousand Dollars wages, its enuf to drive one crazy.

And thet aint all uv it. Our poor Kids, over to France, air layen round in the mud, in old barns, or eny other kind uv a shack, but I see thet man Carvell, what we that was goin to be sich a anchor ter windward in the government ter Otarwa, is goin to bid a MIL-

ONLY MEDICINE MADE FROM FRUIT

Extraordinary Success which "Fruit-a-tives" Has Achieved

One reason why "Fruit-a-tives" is so extraordinarily successful in giving relief to those suffering with Constipation, Torpid Liver, Indigestion, Chronic Headaches, Neuralgia, Kidney and Bladder Troubles, Rheumatism, Pain in the Back, Eczema and other Skin Affections, is because it is the only medicine in the world made from fruit juices.

It is composed of the medicinal principles found in apples, oranges, figs and prunes, together with the nerve tonics and antiseptics of proven repute.

60c. a box, 6 for \$2.50, trial size 25c. At all dealers or sent postpaid by Fruit-a-tives Limited, Ottawa.

A SEA FIGHT.

LONDON, Feby. 16.—Belief that a naval engagement has occurred is expressed in a despatch received in Stockholm from Gothenburg and forwarded by the correspondent of the Morning Post.

A subscriber once received a duntl through the post office, and it made him mad. He went to see the editor about it, and the editor showed him a few duns of his own—one for paper, one for type, one for coal and several others.

Misard's Linctment Cures Coughs, Etc.

Fairville, Sept. 30th. 1902 Misard's Linctment Co., Limited. Dear Sirs—We wish to inform you that we consider your MINARD'S LINCTMENT a very superior article, and we use it as a sure relief for sore throat and chest.

KENTVILLE BOARD OF TRADE.

Monthly meeting of the Board of Trade held in the Court House on Tuesday evening with President Graham in the chair. Meetings, opened by singing of the National Anthem. Minutes of Annual and Council Meeting read and approved.

Committee Reports:— Membership Committee reported that they had met and organized.

Chairman of Press Committee reported progress. Letter from Prof. W. S. Blair, calling attention to letter of Mr. Barnstead asking for list of householders for Kentville and Kings County, and asking assistance of this Board in procuring of same.

This matter was referred to Agricultural Committee. Letter read from Annapolis Board of Trade advocating that the side of the road in this Province be changed from passing on the left hand side to passing on the right so as to conform with other Provinces of Dominion and of United States and ended also petition to be signed and forwarded to the Premier of this Province advocating this change.

After discussion this matter was approved unanimously, and petition was signed by all members of Board present.

The following names were proposed and elected as members of the Board. Grover Cleveland, J. A. Rutherford, M. L. DeLong, M. K. McQuarrie.

Prof. W. S. Blair then addressed the Board on the aims and objects of the Agricultural Committee of which he is chairman. Its object is to assist in directing the effort of the citizens of the town of Kentville, along the line of greatest Agricultural production.

He divided the labor available in our town into four groups each of which, should have special work assigned them. The object of the grouping is to use all the labor in some form of production service.

This report was very freely discussed by the members present, after which it was moved by T. P. Calkin, seconded by Dr. W. B. Moore that this be left in the hands of the Agricultural Comm. to work out some definite program along the lines suggested.

Educational committee chairman Rev. A. W. West called attention to some things that might be added to make our school efficient. A special day with doing exercises at end of school year should be observed.

The awarding of prizes for efficient work, need of a night school were some of the features touched upon by the speaker. Other matters of interest were spoken of in this report. The President explaining that this was only introductory and that a fuller program would be presented at a later date.

Town Improvements Comin. The Chairman, Mr. G. C. Roy, called attention to a general delivery system, in delivering goods to householders its economy, etc. Also, better service by the Telephone Co. Municipal ownerships of Electric power and heat, its advantages etc. 26 Electric Light Plants are operated in Nova Scotia, thirteen of these being owned by the towns. Water powers should be utilized for generating electricity instead of the more expensive system in use, of coal. The advantages of having cheap power would be an inducement for the locating of industrial plants in our town.

Further information was promised on this subject at a later date.

THE COMMITTEES APPOINTED BY THE BOARD WERE AS FOLLOWS:— EDUCATIONAL.

MESSRS. Rev. A. W. West; J. L. Trask; Dr. A. M. Shaw; R. H. Lamont; Dr. W. B. Moore; Dr. P. C. Woodworth; Dr. A. R. Donahoe; Rev. A. Bent; L. N. Fairn; Wm. Yould.

KENTVILLE.

Two Girls Wanted at American House, Kentville. sw.

Mrs. Harry L. King, has been spending the present week in Kentville with her parents Mr. and Mrs. David Smith.

Mr. Edward Jordan went to Lawrencetown yesterday to attend poultry exhibit.

Miss Kathleen Smith, returned a few days ago from Sackville where she had been visiting her brother, Mr. Morbner Smith.

Are you interested in Rye Flour, Lamont & Steadman have a small quantity, fresh good and wholesome.

Mr. A. N. Griffin returned last week from a trip to Toronto. He states that money was so short that he could not purchase any stock while away.

Mrs. Lockhart Palmeter, returned from Annapolis Co. last week.

Mrs. Frank E. Fowler, who has been spending a fortnight with Mrs. C. F. Rockwell returned home last Tuesday.

Mr. J. Everett, M. P. P., Kinsman left on Wednesday for Halifax, to attend to his duties as a member of the legislature.

Mr. J. F. Outhit, is in Halifax performing his duties as clerk of the Legislature Council.

Mr. Edward T. Jordan, of the Kentville Poultry Yards, has made a wonderful record at the poultry exhibition at Lawrencetown. He captured all the first prizes on Banded Plymouth Rocks thus showing the superiority of the fowls he produces. He won the following prizes: 1st 2nd and 3rd Cocks; 1st and 2nd Hen; 1st 2nd and 3rd Cockerel; 1st Pullet; 1st Cockerel Mating pen; 1st Pullet mating pen; 1st Utility Breeding pen. He made a similar record to this at the Poultry Exhibition at Wolfville last month and practically as good a record at the Halifax Poultry Show, December, winning two silver cups outright. This is the best record of any Banded Rock breeder for the Maritime Provinces.

Hon. H. H. Wickwire, has gone to Halifax to attend the opening of the Provincial Legislature.

Mr. Fred L. Fuller, Supt. of Agricultural Societies was in Kentville yesterday.

Mr. W. E. Sarginson, who has been formerly on the Imperial Service, leaves Kentville today to take a position as chief Steward in a transport steamer. By being ready for service upon call, he was shown an example to many of our young men who refuse or neglect to report for duty. Teddy will find plenty of scope for the use of his culinary knowledge while on board ship.

CARD OF THANKS.

Mr. J. A. Shaw and family wish to thank all their friends for their kindness and sympathy during the illness, and death of a faithful wife and mother.

BORN.

At Kentville, on Thursday, Feby. 21st, to Conductor and Mrs. Addy Nichols a daughter.

OBITUARY.

MRS. THOMAS W. COX.

Mrs. Thomas W. Cox passed away at her late residence, "Sprucebank" Kentville, on Tuesday Feby. 12th at the age of 73 years. She had been ill for years troubled with hardened arteries, but only during the last year was she unable to get about. The funeral service was held on Thursday, Feb. 14th, conducted by Rev. A. W. West, burial at the "Oaks."

Mrs. Cox was formerly Eunice A. Eaton, of Hantsport She and Mr. Cox have been long valued residents of Kentville. Her quiet disposition and loving tenderness to her family and friends endeared her to all and she will be much missed in the home she always made so bright.

She leaves besides a sorrowing husband the following children: Alice at home, Mrs. Patton, of Brookline, Mass, Mrs. Fuller of Rosindale, Mrs. Fred Porter, of Merrimac and Mrs. John T. Farnham, of West Roxbury, Mass.

She had been a faithful member of the Kentville Baptist Church since coming to Kentville.

Her daughter Mrs. Patton, and granddaughter, Freda Steadman, have been with her during the last few weeks of her life.

candidates Butts and Douglas in South Cape Breton, McGregor in Pictou, Tremaine in Hants and Rhodes in Cumberland. The latter has already been elected by a majority of 142 by the soldiers vote in Canada alone.

In Kings County the counting of the soldiers vote in Canada gave Sir Robert 100 and Mr. Sealy 22 votes.

The official results with the overseas vote will be given in a few days.

BELLS ARE RINGING.

Have you heard the joy bells ring out from Academy hill top? You must hear, and are perhaps wondering whence the sound and the explanation thereof.

It is this, "Kings County Academy and Kentville School here had the good fortune to become the proud possessors of a bell, which has long been heeded to summon pupils from home, and school grounds to the building at the proper time. The manager of the Dominion Atlantic Railway, Mr. George E. Graham, is the donor, again manifesting his interest in Kentville's welfare.

Later when the weather becomes warm enough for out of doors celebrations, probably in May they likely will take place on the School ground in which pupils, teachers and citizens of this town will participate. The Principal, Mr. Trask, has the matter in hand.

Clarence Horne of Enfield lost his life by drowning in the Shubenacadie River, not far from Grand Lake on the 15th. It is no known how the accident occurred but it is supposed that he was cutting wood and was crossing the ice which failed to bear him. Mr. Horne was twenty-five years of age, and was a son of A. Horne of Horne's Settlement, Enfield. He was unmarried.—Truro News.

Labor IS Saving Dollar IS Saving

Do it in the power way with an Efficient **"EMPIRE"** mechanical milker the latest success out, than separate the milk thus obtained with an "Empire" Skimmer, and you have got 100 per cent speed and efficiency, and at minimum cost.

You are invited to take this matter up with us, by mail or otherwise.

Our mechanical knowledge is at your service.

Write, call or phone for catalogue and full particulars.

Druggist"

Free Bible Lecture.
"The World War in Pro-
phesy" is the subject of a most
interesting lecture to be de-
livered in Nicklet Theatre,
Kentville, Sunday Feb. 24th at
8 P. M. by Pastor W. J. Thorn,
of Boston to which the public
are cordially invited.

Mr. Thorn has spent many
years on the lecture platform
and is a popular and forceful
speaker. This profound in-
sight into Bible prophecies and
their interpretation has helped
many to accept the Bible as
the inspired word of God and
the only true guide to the
human race.

Mr. Thorn will show that this
present "World War" was fore-
told over 2,500 years ago, and
its outcome clearly marked, and
also that after our best endea-
vours to reach a satisfactory
condition has ended in com-
plete failure (the wreck of our
present civilization) will God
set up his Kingdom which will
be the "desire of all nations."
As usual with Mr. Thorn's
lectures all seats will be free
and no collections will be asked
for.

Mr. Thorn will also speak in
Temperance hall, Port Williams
on Friday evening, Feb. 22 at
8 o'clock.

DIED.

At the Victoria, Hospital, York-
ton, Sask., on Monday, Jan. 21st,
of paralysis and septic
poisoning, May, aged 36
years, beloved wife of W. E.
Pinkerton, and daughter of
the late Mr. S. J. Nichols,
formerly of Berwick. She
leaves a husband and two
children to mourn their loss.

At Grafton, on Thursday, Feb. 14th,
Agnes Fearn, aged 77
years, beloved wife of Mr.
Thomas Lawson.

At Chelmsford, Mass, on Friday,
Feb. 15th, Ella, beloved wife
of George Wallace Parker,
formerly of West Cornwallis,
N. S.

DIED At Moose Brook, Hants
Co., Feb. 16, Everett Addison
Reid, youngest child of Mr.
and Mrs. Wilbert Reid, aged
1 year 4 months.

Suddenly, at Brockville, Ont-
ario, on Monday, 11th, Fran-
cis Crispo Shaw, aged 14 yrs.,
only child of Dr. S. E. and
Clara Shaw, of Biggar, Sask.,
and grandson of the late
Francis Crispo, of Waterville.

It is rumored that arrange-
ments are being made in Nova
Scotia, to have the school year
close about the last of April so
that the boys who are old en-
ough can be used at the seed
time.

Three Valuable Bulletins on Food Production in Nova Scotia

IMPORTANT ANNOUNCEMENT OF POLICY OF DEPARTMENT IN REGARD TO SEED AND BIGGER IMPLEMENTS.

Three important Food Production Bulletins have recently been issued from the Nova Scotia Department of Agriculture and will be widely circulated in a few days. Those who are not on the mailing lists at the College may obtain these bulletins FREE on application to the College at Truro. The first bulletin on "Wheat Growing in Nova Scotia" written by M. Cumming, Secretary for Agriculture, and S. J. Moore, Dominion Seed Inspector. In this bulletin in addition to much practical information, will be found a statement of the Department's policy to insure an abundant supply of seed wheat in Nova Scotia for 1918 seeding, in connection with which it may be added that upwards of ten firms in the Province have undertaken under this policy to handle at least a car of seed wheat, which with local supplies available should give the farmers of Nova Scotia an ample quantity of seed.

The second bulletin in on "Bean Growing" Prof. P. J. J. Horticulturist at the College. It deals with the importance of every farmer and gardener in Nova Scotia growing at least sufficient beans for himself and family. It is pointed out that Beans are the best known substitute for beef. They are grown in fairly large quantities in the Annapolis Valley but owing to their tenderness, have not been grown very extensively except as wax beans in Eastern and Northern Nova Scotia. In this bulletin the author states that the Department of Agriculture has located and can put buyers in touch with growers of several hundred bushels of hardy strains of Nova Scotia grown seed beans that will ripen from ten days to two weeks earlier than the average beans, and can therefore be planted to advantage on many farms where beans were considered an impossible crop. In addition to this the bulletin contains information in regard to methods of growing, amount of seed required and many other practical details that should prove of interest to every gardener and farmer in Nova Scotia.

The third bulletin is on "Greater Labor Efficiency on the farms of Nova Scotia By Using Bigger Implements" by Prof. J. M. Trueman of the Agricultural College. In this bulletin, striking arguments are set forth for the more extensive adoption of two furrow plows and wider harrows by means of which every man on the land can increase the amount of land cultivated. It is pointed out that three horses and one man with a two furrow plow can turn over about as much land in a day as four horses and two men, and it is urged that, since labor is the most scarce and expensive kind of help on the farm, many farmers should adopt the three or four horse ch and larger implements and make each man more efficient.

In this bulletin an announcement is made by the Secretary for Agriculture THAT THE DEPARTMENT OF AGRICULTURE OF THE GOVERNMENT OF NOVA SCOTIA WILL PAY A BONUS OF 25 PER CENT OF THE COST OF TWO FURROW PLOWS BOUGHT IN THE PROVINCE OF NOVA SCOTIA BETWEEN NOW AND THE FIRST DAY OF MAY NEXT.

These three bulletins are all valuable and timely bulletins and should be in the hands of every progressive farmer in the Province of Nova Scotia.

M. CUMMING.

Farina Off The Market

ORDER IS EXPECTED TO EFFECT A VERY LARGE SAVING OF WHEAT.

The Food Controller's regulations in control of Canadian flour automatically prohibit the manufacture of Farina, Cream Wheat or similar products. Additional regulations which have just been announced provide that upon written application the Food Controller may grant permission to mills to manufacture what is known to the trade as Farina for children and invalids. The purpose of this action is to conserve produce which is used as a breakfast food and which may be replaced by other cereals. A very large saving of wheat will be effected by this ruling.

The regulations also provide for an annual license fee of \$10 for all mills of 100 barrels capacity or less per day. The fee is increased by \$5 for every additional 100 barrels or fraction thereof in daily capacity up to a maximum fee of \$500. Each flour mill is required to make a written statement on the first and sixteenth day of every month, showing the amount of wheat ground during the previous half month, the weight of flour produced therefrom and the quantity of wheat used in making each barrel of 48 pounds of flour.

Millers are permitted to make blended flours by mixing spring and winter wheat but the regulation require that a mill shall take more than 272 pounds of sound, clean wheat to make the pounds of any blended flour. Such blended flour shall be known as a straight run or full 100 per cent flour, extraction or division of patents, clear or low grades being expressly prohibited.

The Canadian mills are now all manufacturing the standard flour which is proving entirely satisfactory in every respect. The clearance is free from the high patents formerly marketed only on bags of a somewhat creamy color. It is of good quality, as to amaze those people who looked for a dark, unattractive or whole wheat flour.

DEPENDENT ON YOU FOR LIFE

"There is some individual who is unknown to you, dependent on you for life. It may be a soldier in the trenches, it may be a little child; it may be a peasant woman, who will not have anything to eat next spring if you do not think of him or her now." Mrs. Herbert Hoover.

Mrs. E. I. Burgess, Shreveport, Louisiana, arrived back on Monday, three weeks ago at the P. M. She will remain in town for two weeks. The child is speaking on account of illness of dressing and humbly speaking little daughter, Alice, who is in danger of being killed.

THE MARKET

WHAT ARE EGGS AND TEA COMPARED TO FINANCIAL VICTORY?

On behalf of the British people, Mr. Louis N. Parker, the eminent dramatist, has addressed the following message to the troops at the front:—

We know how much must still be done Ere you'll have finished with the Hun; We watch you, wonder at you, where; Heroes on land, on seas, in air, Laughing at death and scolding pain, You fight, and fight, and fight again, And we fight with you. Yes! although Ours is a paltry little show, We're elderly civilians, and Women and children, but we stand As firm as rocks to help you win. We welcome Gothas with a grin. No tea? All right. No sugar? Good. No meat? A kipper's healthier food. No coal? No bacon? butter? beer? No Christmas cheer? All right, all right! The less we eat The sooner you'll march down our street! In God's name, what are eggs and tea Compared with final victory?

Junior Citizens Can Help

BOYS AND GIRLS CAN ASSIST TO INCREASE FOOD PRODUCTION.

Mr. W. J. Black, Commissioner of Agricultural Instruction, points out that boys and girls can help to increase the production of food in Canada this year. He says: "Every arm boy and girl should be encouraged to rear a pig, a calf, a batch of chickens or to grow a plot of potatoes, beans, corn or vegetables. Seventy-one thousand boys and girls of school age last year increased the agricultural output of Ontario to the value of \$125,000. Other provinces did equally well. From this it will be seen the boys' and girls' clubs and competitions, the principal channel through which this work is carried on, made in 1917 an addition to our food resources that was not to be despised."

The movement should be extended still further, and its practical aspects should be emphasized. Those associated with it should make clear to the boys and girls, who are our junior citizens, that they can in this way add their quota to the common cause. The food situation today threatens to imperil the success of our arms, and any means that will assist in meeting it must be employed."

The Thimble and Trinket Fund

OUR BOYS ARE THIRSTY AND THEY NEED THIRST-QUENCHERS THAT WILL NOT HURT THEM.

The Ontario W. C. T. U. endeavoring to raise a fund of \$25,000 for free Tea, Coffee and Lemonade.

The National Y. M. C. A., whom the Ontario W. C. T. U. is aiding will need \$50,000 to cover their free drinkables and N. S. W. C. T. U. has offered to help.

The W. C. T. U. has already sent to France, mainly for this purpose, about \$9,000—but the need grows more insistent.

In addition to the free drinkables, the Ontario W. C. T. U. has become responsible to the Y. M. C. A. for the cost of printing a weekly leaflet of cheer and spiritual help, which is being sent through the mails to all the soldiers in the forward trenches, who express a desire to receive it. The appreciation of the men for this bit of comfort can be judged by the fact that in one division alone, and within one month after the issue began, 12,000 soldiers asked that their names be engraved on the fact that they are designed to fit into the soldier's pay book.

To aid in raising the necessary funds the W. C. T. U. of this town will shortly hold a

SILVER THIMBLE AND TRINKET DAY.

When they will ask every citizen to look through their possessions for broken, useless, unwanted bits of gold and silver and discarded jewelry or sterling table silver.

Any of the following articles will be thankfully received and the proceeds of their sale used for the above purposes.

Old gold or silver trinkets; Brooches; Chains or links of watches; Pins; Old or Silver tops of Canes or Umbrellas; Silver Buttons; and Earings; Silver Match Boxes; Old gold or silver Buttons; Old Cuff Links; Studs; Watch Charms; Broken spoons, forks, or tinned articles in sterling silver; Chains in gold or silver, which have been monogrammed or engraved.

All these articles will be melted down and the proceeds used to flood the forward trenches with the harmless drinks our boys so need.

Articles that would bring more money if sold, than as "scrap," will be sold.

Further particulars will be printed later, anyone living out of town to forward articles ready and watch for directions where to send them.

Sister Layton, G. A. M. C. is not all fun and profit is now in France. She has conducted a newspaper now had the pleasure of renewing Two Montreal papers, the her acquaintance with one of Montreal the News, published along the river, boys, Capt. under the management have Fred, Caldwell, who is in an amount of \$25,000, according to American Hospital near where counts how before the Supreme she is stationed—Tribune. Court.

TO ALL WOMEN WHO ARE ILL

This Woman Recommends Lydia E. Pinkham's Vegetable Compound—Her Personal Experience.

McLean, Neb.—"I want to recommend Lydia E. Pinkham's Vegetable Compound to all suffering women."

—Mrs. J. M. Korr, McLean, Neb.

This famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, has been restoring women of America to health for more than forty years and it will pay any woman who suffers from displacements, inflammation, ulceration, irregularities, backache, headaches, nervousness or "the blues" to give this successful remedy a trial.

For special suggestions in regard to your ailment write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

LIVES LOST BY FLOODS IN ZULULAND.

Sixty-three Europeans Are Missing.

DURBAN, Natal, Sunday, Feb. 17.—Sixty-three Europeans are missing and a great number of Indians and natives probably have been lost in consequence of flood in the Umvolosi sugar district of Zululand. At terrace storm flooded the Umvolosi river, the water came down like a wall, submerging a village in the sugar area in the Valley. A great bridge over the river was wrecked, the railway station and hotel were swept away, hundreds of cottages of natives were destroyed and telegraph and telephone lines were put out of commission.

The flood has interfered with rescue work. Many survivors are stranded on the top of a sugar mill. Along the coast also great damage has been done.

SUNDAY MORNING FIRE AT HALIFAX.

Loss Placed at \$70,000—Stock of Paints and Oils Destroyed.

Early Sunday morning, in Upper Water Street, Halifax, N. S., a building occupied by the Martin Senour Paint Company, and all the stock were destroyed by fire, with a property loss of about \$70,000. A stock of paints and oils, valued at \$50,000, made up the bulk of the loss, the remainder being damage to the building, which was owned by the Firdness-Walby Company and insured for \$17,000.

THE LAYMEN'S MISSIONARY CONVENTION.

Six Thousand Delegates and Visitors Expected.

KANSAS CITY, Mo., Feb. 13.—Kansas City is to entertain this week what promises to be one of the largest and most notable conventions in the history of the Laymen's Missionary Movement. A total of six thousand delegates and visitors are expected here for the gathering. While the majority of the delegates will come from the States, Iowa, Kansas, Missouri, Nebraska and Oklahoma, there will be prominent workers on hand from many other parts of the United States and from Canada. Thirty-three denominations will be represented. The sessions will be held in the Convention Hall, opening Thursday and continuing until the following Monday.

Settle the Flour Question BY USING

PURITY FLOUR

Once you know how good Purity Flour really is, you will rely on it constantly for all your baking needs. It goes further, too, and is therefore the cheapest flour you can use.

More Bread and Better Bread---and Better Pastry, too.

Christmas Gifts for Nova Scotia

I wish to express my sincere thanks to the undermentioned for their generous response to our appeal for Christmas gifts for the soldier patients at the Nova Scotia Sanatorium. There was an abundance of gifts and sweets, and Christmas here was a complete success. The patients and staff join in wishing you a cheerful and prosperous New Year.

German Revolt against Going to French Front

KAISER'S SOLDIERS ON RUSSIAN FRONTIER REFUSE TO OBEY COMMAND TO MOVE TO WEST.

RUSSIA'S ULTIMATUM TO THE ROUMANIANS.

BERGHEAD, Tuesday, February 12. (By the Associated Press.) German soldiers at the Russian front are refusing to obey a command to move to the west. The soldiers are entrenched themselves with rifles and machine guns against other German units. The German military authorities were said to have been powerless against the mutineers and were endeavoring to cut off their food supplies. One of the motives for the revolt, according to the German despatchers, was that the sending of troops to the Western Front was a contravention of the Russo-German armistice agreement.

Russian wireless news service sent out a message on Jan. 5th to the effect that 25,000 German soldiers in the region east of Kovno had revolted in consequence of the German Government's drafting of all soldiers below the age of 35 for service on the Western Front. German deserters were quoted as saying that the men rebelled, marched out of the battle line and entrenched themselves with rifles and machine guns against other German units.

The German military authorities were said to have been powerless against the mutineers and were endeavoring to cut off their food supplies. One of the motives for the revolt, according to the German despatchers, was that the sending of troops to the Western Front was a contravention of the Russo-German armistice agreement.

EVACUATE BESSARABIA.

LONDON, February 17.—The Russian Government has sent an ultimatum to the Roumanian Government demanding the evacuation of Bessarabia by the Roumanian and Counter-Revolutionary troops and the right to transport Russian troops through Roumanian and Bessarabian territory. The ultimatum, according to the report, was to expire on February 16.

AMERICANS ARE EAGER.

Stories from the front by the Associated Press tell of the intrepidity of the Americans in trench raiding operations, of their coolness under fire and in returning fire, the accuracy of the aim of the gunners and the intense watchfulness at observation posts to see that the enemy obtain no undue advantage in a surprise attack. The only criticism thus far heard regarding the Americans is their desire to be up and at the enemy. Like their brothers of the north—the Canadians—they are hard to hold in restraint. As one distinguished French officer expressed it, "they are too anxious to get at grips with the enemy."

NO SIGN OF OFFENSIVE.

There still is no indication of the near approach of the expected big offensive by the Germans along the lines in France and Belgium. The operations consist almost entirely of mutual bombardments and minor attacks by raiding parties. The roar of the big guns is greatest in the Champagne region on several sectors, particularly in near Tahure, where one unit of the Americans is fighting shoulder to shoulder with the French. Likewise all along the Italian front from Lake Garda to the middle of the Piave River artillery engagements are in progress.

ARMISTICE IS OVER.

The armistice between the Germans and the Russians has expired, according to an official despatch issued from Berlin in giving notice of the termination of the agreement to cease hostilities this communication contains the grave statement that Germany reserves a free hand in every direction. Whether the Germans anticipate an immediate attack on the Russians' part has not been developed, but undoubtedly there is a tense feeling between the German military officers and the Bolsheviks by reason of the fact that Trotzky, the Bolshevik Foreign Minister, has not met the desires of Germany and framed a separate peace agreement with that country.

5000 FACTS ABOUT CANADA.

The new edition of that popular publication, "5000 Facts About Canada," for 1918, has been issued and again meets a long-felt want for a concise record of Canada's progress and development in a single year. The compiler is Frank Yeigh, the well-known author and lecturer and acknowledged authority on everything Canadian. This is the tenth year of its publication, and the new issue is enlarged and improved over previous editions. Fifty chapters deal with the outstanding features of the nation, arranged alphabetically from "Agriculture" to "War," presented in a series of crisp paragraphs that quickly tell their significant story and that will prove a revelation to even the best informed Canadian. Copies may be had by remitting 25 cents to the Canadian Facts Publishing Co., 588 Huron Street, Toronto, or on enquiry from leading booksellers. This "tabloid" Coal is still quite scarce but wood continues to arrive in town in quantity.

Misard's Lignumum Cures Gargle in Cow

BRITISH SMASH BACK TURKS ON A SIX-MILE FRONT.

General Allenby Strikes the Enemy's Line. With Telling Force North East of Jerusalem—Germany and Austria Still at War With Russia Says Kuehlmann.

LONDON, Feb. 15.—The British forces in Palestine, yesterday made an advance of two miles on a front of six miles northeast of Jerusalem, the War Office announces. The statement follows:

"Yesterday we advanced our line on a front of six miles to an average depth of two miles on either side of the village of Mukhmas, eleven and one-half miles northeast of Jerusalem."

Are Still at War.

AMSTERDAM, Feb. 15.—That Germany and Austria were still at war with Russia, the belief expressed by Richard Von Kuehlmann, German Foreign Secretary, at the concluding session of the recent Peace Conference at Brest-Litovsk, after Trotzky, the Bolshevik Foreign Minister, had made his final statement that Russia was out of the war and her armies would be demobilized, but that she would desist from signing a formal peace treaty. The acts of war, Mr. Von Kuehlmann said, ended when Russia and the Teutonic Allies signed the armistice, but when the armistice ended the warfare must be revived. He added that because one or two of the contracting parties had demobilized their armies this fact would in no wise alter the situation.

"cycloedia of Canada," as it has been aptly called, is a splendid investment.

Mrs. A. P. Saunders, who was in Kentville recently was called to her home at Harnore by the illness of her little grand daughter, Beulah Saunders.

Miss Lula Savage of Boston, Mr. J. H. Savage, of Lynnfield, Mass., and Mr. Grant Savage of Entiat, Wash., who are visiting their parents, Mr. and Mrs. J. Harvey Savage, of Aylesford, were week-end-guests of Mrs. H. L. Robinson, Aldershot Camp.

It may not be generally known that ship's knees are being shipped all the way from Sable River to Boston. Not long ago two carloads went forward and another couple of carloads are now ready.

Chief of Police Rideout, of Moncton, N. B., has been appointed to round up slackers in the Maritime provinces. He did quite a business in gathering in French Canadians, at

LUCK
is altogether a matter of "G". "Luck" cannot get you very far. It may get you started, but it will not keep you going. The lucky person is the trained person, the one who can do something real well. We can help you. Write us to-day.

Success Business College
TRURO, N. S.

It pays to attend an Accredited School.

OBITUARY

MRS. JOHN A. SHAW.

The death took place at her residence, Kentville on Feby. 17th, of Florence, wife of Mr. John A. Shaw, aged 63 years.

The funeral service was held on Wednesday afternoon, and was largely attended. Mrs. Shaw had been in failing health for about three years.

She was born at New Minas, being Florence Bishop, daughter of Samuel Bishop. She leaves to mourn their loss a husband, and five children. Mrs. H. F. Sheffield, Upper Dyke, Burton W., of Boston. Mrs. A. S. Moore, of Detroit Mich., Ernest R., at Canwood, Saskatchewan, and John at home.

She also leaves four sisters and two brothers, Mrs. Franklin, of Boston, Mrs. Tait, Mrs. Reid, Rachel, Howard, and Perry all residing in California.

RATION MUST BE REDUCED.

Cablegram from Lord Rhonda Tells of Situation Among Allies.

The following cablegram indicating that the food situation in Great Britain, France and Italy is far more serious than is realized by the people of this country, has been received by the Food Controller from the British Ministry of Food:

"The meat situation in the United Kingdom continues acute. Supplies of fats are inadequate. Imports supplies are low and an increase is urgently needed. A local rationing scheme is being authorized by the Ministry of Food, but the ration contemplated by us will have to be reduced.

"In France the bread card scheme was put into force on Jan. 29th with a bread ration per capita per day of three hundred grammes. It is proposed to adopt a general food card. The available supplies of meat are small. Butter is obtainable and milk supplies are satisfactory. Eggs are scarce. The situation is unchanged so far as oils and fats are concerned.

"In Italy, in the first place there is extreme need of cereals and secondly, of meat, dried fish and fats. For many months the sugar and bread have been rationed in Italy, the consumption of meat severely restricted and public meals controlled.

MISTOOK THE MEANING.

A gentleman in khaki, just back from France, rambled into a restaurant. After glancing over the bill of fare he looked around the room for a waiter. "Yes, sir," said the waiter, sliding over in response to his call with a glass of water and a napkin. "Tell me, waiter," remarked the soldier, "have you got frogs' legs?" "No, sir," was the rather unexpected answer. "It is rheumatism that makes me walk like this."

BRITISH CASUALTIES LIGHTEST IN MONTHS.

LONDON, Feby. 18—Casualties in the British ranks reported during the week ending today totalled 4,106 divided as follows:—

Killed or died of wounds—Officers, 38; men, 1,005.
Wounded or missing—Officers, 119; men, 2,944.

British casualties reported in the week just ended reached the lowest total recorded in many months.

BEAN GROWING IN NOVA SCOTIA.

The second food production bulletin, published by the Agricultural Resources Committee, of Nova Scotia, has just been sent out. It is by Prof. P. J. Shaw, on Bean Growing in N. S. It is cleverly written and full of valuable information. An appendix on Cooking Beans, by Miss Jennie A. Fraser, will be of interest to the housewife. The pamphlet can be had from the Truro Agricultural College.

Midwinter Sale

My Midwinter Sale of **Cold Weather Goods** will include all lines of

Clothing, Underwear, Sweaters, Boots and Shoes, Rubbers, Hats and Caps, Gloves, Larrigans, Lumbermen's Rubbers, that men, women, and children will require for many weeks to come. THE GRUMBLERS ARE SILENCED.

A correspondent, writing in reference to the new bread ration in Paris, says that here and there one hears murmurs against the restrictions, but the statement "Anyway, we have less call to kick than the boys in the trenches" invariably silences the grumblers.

NOTICE

Owing to the embargo on Cottonseed Meal consignment of two cars have been cancelled. We have on hand now Royal Household Flour Ground Barley, Crushed Oats and Oats. We are expecting other feeds this week.
