**PERRY'S HUNGARIAN BALM.**  
For Restoring Preserving and Beautifying the Hair.  
THIS elegant preparation is an effectual remedy for Baldness, or falling out of the Hair, it prevents and completely eradicates Scurf and Dandruff, strengthens the Roots of the hair; causes it to grow luxuriantly; gives it a rich, dark, soft and glossy appearance; and prevents it turning gray. The Hungarian Balm is a purely Vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the hair. It acts directly upon the skin, cleansing and purifying it from all unhealthy excretions, thereby removing and preventing the accumulation of scurf, dandruff and other impurities, which so frequently cause premature decay and loss of the hair.  
The Hungarian Balm is especially adapted to ladies' use; and those who have tried the various ointments, mixtures, with so benefit, will at once discover the agreeable and beneficial effects produced by this pure and delicate preparation. Instead of matting and tangling the hair, (which is more or less puffed out in the process of combing,) it leaves it free and clean; promotes a natural moisture, and imparts a beautiful dark and glossy appearance. Try it at once and you will be convinced of its superiority over all other compounds for the hair.  
Much more might be said in favor of this inestimable compound, but it is deemed unnecessary. The proprietor feels confident that ONE TRIAL will convince the most incredulous of its rare and manifold virtues. Therefore,  
If you have lost your hair and wish to restore it, if you are losing your hair and wish to preserve it, if you are troubled with Dandruff and wish to remove it, if you have any humor of the Scalp and wish to cure it, if you are troubled with Nervous Headache and wish to cure it, if you have hair enters at the roots of the hair and wish to destroy them, if you have dandruff, dry and wiry hair, and wish it to become smooth and beautiful, as silk; and if you wish to preserve rich, graceful and luxuriant tresses to the latest period of life, use PERRY'S HUNGARIAN BALM.  
Price 25 and 50 cents, in large bottles.

**From Hunt's Merchant's Magazine. BUSINESS ENDURANCE.**  
Men of genius without endurance almost succeed. Men who start in one kind of business may find it impossible to continue therein all their days. Ill health may demand a change. New and wider fields of enterprise and success may be opened to them; new elements of character may be developed. Men may have a positive distaste for some pursuits, and success may demand a change. None of these cases fall within the general rule. Men who have rare talents, but if they "are everything by turns, and nothing long," they must not expect to prosper. No form of business is free from vexations; each man knows the spot on which his own harness chafes; but he cannot know how much his own neighbor suffers. It is said that a Yankee can spin a rope in many different ways; an English sailor knows but one method, but in that method he does his work well. Life is not long enough to allow any one to be really master of but one pursuit.  
The history of eminent men in all professions and callings proves this. The great statesman Daniel Webster, was a great lawyer. His boyhood was marked only by uncommon industry; as a speaker he did not excel in early life. With great deliberation he selected the law as his profession, nor could he be deterred from his chosen pursuit. While a poor student, not the tempting prize of fifteen hundred dollars a year, as Clerk of the Courts, then a large sum, gained with great difficulty for him by the real and influence of his father, nor could all the persuasions of the father, turn him from the mark he had set before him; and his great eulogist, the Attorney General of Massachusetts, is another marked illustration of resolute endurance and indomitable industry—life-long—exercising in one profession, making one of the chief ornaments of that profession, if not its head, in the United States.  
Our late distinguished Ambassador, at the Court of St. James', Hon. Abbot Lawrence, whose wealth is poured out for all benevolent purposes in donations large as the sea, can recall the time when he had his profession to select, and the first dollar of his splendid fortune to earn. He chose deliberately a calling; he pursued that occupation with integrity and endurance, through dark days and trying seasons, and the result is before the world. This case affords an apt illustration of the proverb of the wise man, that man "diligent in his business shall stand before kings and not before mean men."  
The late John Jacob Astor, as he left his native Germany, passed beneath a linden tree not far from the line that separated his native land from another, and made three resolutions, which he intended should guide him through life. "1. He would be honest. 2. He would be industrious. 3. He would never gamble." He was on foot; his wealth was in the small bundle that swung from the stick laid on his shoulder. The world was before him. He was able to carry them out. His success was the best comment on his endurance.  
Stephen Girard, at the age of 40 years, was in quite moderate circumstances, being the captain of a small coasting vessel on the Delaware; and part owner of the same. No trait in his character was more marked than his endurance, and this element gave him a fortune.  
All men who have succeeded well in life have been men of high resolve and endurance. The famed William Pitt was in early life fond of gaming; the passion increased with his years; he knew that he must at once master the passion or the passion would master him. He made a firm resolve that he would never again play at a game of hazard. He could make such a resolution; he could keep it. His subsequent eminence was the fruit of that power. William Wilberforce in his earlier days, like most young men of his rank and age, loved the excitement of places of hazard. He was one night persuaded to keep the farobank. He saw the ruin of the vice of gaming as he never saw it before; he was appalled with what he beheld. Sitting amid gaming, ruin and despair, he took the resolution that he would never again enter a gaming house. He changed his company with the change of his conduct and subsequently became one of the most distinguished Englishmen of his age.  
Dr. Samuel Johnson was once requested to drink wine with a friend. The Doctor proposed tea. "But drink a little wine," said his host. "I cannot," was the reply, "I know substance—I know excess; but I know no medium. Long since, I resolved, as I could not drink a little wine, I would drink none at all." A man who could make such a resolution by action, was a man of endurance, and that element is as well displayed in this incident as in the combination of his great work.  
When Richard Brinsley Sheridan made his first speech in Parliament, it was regarded on all hands as a most astonishing failure. His friends urged him to abandon a Parliamentary career, and enter upon some field better suited to his ability. "No," said Sheridan—"no, it is in me, and it shall come out." And it did, and he became one of the most splendid debaters in England.  
Loyola, the founder of the order of Jesuits, the courtier, the man of gallantry and dissipation, obtained such mastery over himself by labor and endurance, that, to illustrate the fact, he stood several hours, apparently unmoved, in a pond of ice and muddy water up to his chin. Perhaps no other nation in Europe, at that time, could have borne this battle of Waterloo except the British, because no other could have brought to that conflict that amount of audaciousness needed to win. For many hours that army stood manfully before the murderous fire of the French, column after column fell, while a gun was not discharged on their part. One sullen word of command ran along the line as thousands fell. "Up! up! up! up! No! you must yet!" was the first Duke's reply to the urgent requests made to charge and fight the foe. At length the time of action came. The charge was given, and victory perched upon the standard of England. How soundly did he sleep that night! How proudly did he walk the next day!

**PERRY'S HUNGARIAN BALM.**  
For Restoring Preserving and Beautifying the Hair.  
THIS elegant preparation is an effectual remedy for Baldness, or falling out of the Hair, it prevents and completely eradicates Scurf and Dandruff, strengthens the Roots of the hair; causes it to grow luxuriantly; gives it a rich, dark, soft and glossy appearance; and prevents it turning gray. The Hungarian Balm is a purely Vegetable compound, scientifically and chemically combined, and is warranted to contain none of those deleterious ingredients which prove so injurious to the hair. It acts directly upon the skin, cleansing and purifying it from all unhealthy excretions, thereby removing and preventing the accumulation of scurf, dandruff and other impurities, which so frequently cause premature decay and loss of the hair.  
The Hungarian Balm is especially adapted to ladies' use; and those who have tried the various ointments, mixtures, with so benefit, will at once discover the agreeable and beneficial effects produced by this pure and delicate preparation. Instead of matting and tangling the hair, (which is more or less puffed out in the process of combing,) it leaves it free and clean; promotes a natural moisture, and imparts a beautiful dark and glossy appearance. Try it at once and you will be convinced of its superiority over all other compounds for the hair.  
Much more might be said in favor of this inestimable compound, but it is deemed unnecessary. The proprietor feels confident that ONE TRIAL will convince the most incredulous of its rare and manifold virtues. Therefore,  
If you have lost your hair and wish to restore it, if you are losing your hair and wish to preserve it, if you are troubled with Dandruff and wish to remove it, if you have any humor of the Scalp and wish to cure it, if you are troubled with Nervous Headache and wish to cure it, if you have hair enters at the roots of the hair and wish to destroy them, if you have dandruff, dry and wiry hair, and wish it to become smooth and beautiful, as silk; and if you wish to preserve rich, graceful and luxuriant tresses to the latest period of life, use PERRY'S HUNGARIAN BALM.  
Price 25 and 50 cents, in large bottles.  
W. TAYLOR, Jr. & Co. General Agents, 25, Hanover St., Boston.

**How WE MAKE CRIMINALS.**—It is a fact conceded, that notwithstanding the vast material progress we are making; notwithstanding our free institutions; notwithstanding our common schools; notwithstanding our newspapers, crime, instead of diminishing, grows more formidable continually. Why is this? We will endeavor to explain the apparent paradox. The solution is at once a warning and a rebuke.  
The great highway to crime is acknowledged to be intemperance. On this point men of all parties, all sects, and all localities are agreed. "Our lawyers concede it, our judges proclaim it, our jailors attest it. Those who urge a prohibitory law, and those who regard it as unconstitutional, have no difference of opinion as to this fact. Directly or indirectly, intemperance is chargeable with three-fourths of all the crimes committed

R. R. R. Highly Important to the Public.

The Sick cured on the R. R. R. Theory. THREE GREAT REMEDIES.

The attention of the public is particularly directed to the three quick and powerful remedies discovered by RADWAY & CO. So quickly powerful, so effectual to remove the elements, and these remedies in stopping pain, clearing disease, expelling from the human body all foul and corrupt humors, all diseased and poisonous deposits, and restoring the weak, feeble, and fragile frame, worn out by disease and long continued to enjoy health and long life, that whoever uses these remedies, and becomes familiar with the R. R. R. Theory, will never need a physician, unless it is in some critical surgical case. The R. R. R. Remedies will never fail—only prove active in the worst cases in less than twenty-four hours.

R. R. R. REMEDIES.

They remove the sick and diseased body to health and longevity. To the low spirited and nervous they impart joyfulness, vigor, and a happy flow of spirits. To the aged and infirm, whose constitutions are worn out by despondence and limbs palsied and stiffened, they impart the elasticity and buoyancy of manhood in its prime.

To the young, who, between the period of youth and manhood, outgrow their natural strength, who are afflicted by long continued, low fever, and other gloomy feelings, &c., they impart to the recuperative organs a healthy regularity of action.

To the thoughtless and victim of animal passions, who has wasted away his strength in folly and vice, they check the waste of manhood, and restore every organ to a sound and natural condition.

To all who suffer pain, to all afflicted with disease, the R. R. R. REMEDIES will quickly and effectually relieve the sufferer from misery, and render the most wretched capable of enjoying sound health and long life.

R. R. R. REMEDIES.

The R. R. R. Theory requires only three remedies for the cure of the sick, and the protection of the human system against sudden attacks of violent diseases.

No. 1.—RADWAY'S READY RELIEF.—For the instant Relief of Pain, and quick cure of Acute Maladies.

No. 2.—RADWAY'S REVOLVING RESOLVENT.—For the effectual cure of all Chronic and Scrophulous Diseases that have been lingering in the System, corrupting the Human Body, for Five, Ten, Twenty, or Forty Years.

No. 3.—RADWAY'S REGULATORS.—For restoring and regulating to a healthy and harmonious action all the Organs in the System. A mild and effectual cathartic.

R. R. R.—No. 1.—RADWAY'S READY RELIEF is for the instant relief of the sufferer from pain, and to check and arrest the progress of disease; to disintegrate animal, malarious, and infectious poisons, thus protecting whatever organs it might be acting on, from contagion, and from sudden attacks of Cholera, Pneumonia, Ship Fever, and Ague, &c. Likewise for the effectual and radical removal of all pains and diseases of the Joint, Limbs, Nerves, &c. It is from 10 to fifteen minutes.

RADWAY'S READY RELIEF will stop the most distressing and violent pains, either internal or external—Nervous, Neuralgic, Bilious, or Rheumatic.

A FIGURE IN THE FAMILY.—Every family should keep a supply of RADWAY'S READY RELIEF in their houses—it is useful in so many ailments—it is always beneficial; it guarantees it is a safe cure for Cholera, if taken in its first symptoms. If used when violent epidemics prevail, it will save many lives.

R. R. R.—No. 2.—RADWAY'S REVOLVING RESOLVENT.—We have said that for all chronic complaints, we recommend our RESOLVENT. The RESOLVENT removes every all diseased deposit that has been lingering in the system for TEN, TWENTY, or FORTY YEARS.

Every person who has been troubled with any complaint for years, will require the RESOLVENT to remove a perfect cure. The action of the RESOLVENT is directed first to the absorbents, stimulating them into action; and, second to the blood, which it purifies by its alternative action over the glands of the liver, pancreas, kidneys, &c. (which are the sources that supply the blood with its impurities). You will, after this description, we hope, appreciate the name we have given to the second of the R. R. R. REMEDIES OF REVOLVING RESOLVENT. It removes every diseased deposit: it purifies the blood, and renovates the system. Tumors are removed and dissolved by its operation; Chronic Swellings are dissipated; Nodes are softened and melted away. The most loathsome Skin diseases disappear under its action; Scrophulous constitutions are cured, and the disease checked wherever it has attacked the system. Syphilis, with all its horrible train of concomitants, here find a certain and infallible cure; and Consumption, too, often finds its master. For Chronic Dyspepsia, RADWAY'S REVOLVING RESOLVENT is not only an effectual, but quick cure.

Its Procreative Power.—Married persons, who are not blessed with offspring, if the difficulty arises from imperfect organs and incompetency, will find the R. R. R. Remedy of great benefit. It is in all cases of Sterility, and Consumption, too, often finds its master. For Chronic Dyspepsia, RADWAY'S REVOLVING RESOLVENT is not only an effectual, but quick cure.

One of RADWAY'S REGULATORS is superior

in point of medicinal strength and efficacy, to six of the most popular and best approved Cathartic Pills.

All Purgatives or Cathartic Pills are made from the crude materials of their composition: the inert and active principles are combined together, and the pills are made up of this common mass, so that one of six pills the patient has to swallow, all the really and truly medicinal virtues of the mass would not make more than two pills. Every chemist well knows that out of the crude materials of drugs, roots, herbs, barks, plants, &c., there is only a yield of one tenth of medicinal virtue. We seriously believe that more deaths are caused by overloading the system with useless physic than from disease. No more medicine should be given to a patient than it is necessary to produce the desired effect, and to overload the system with useless drugs is not only checking the action of active physic, but is inflicting serious labour upon the already shattered constitution.

R. R. R. Remedies are based upon this principle—there is as much difference, in point of strength and efficacy, between RADWAY'S REGULATORS and all other Cathartic Pills, as there is between opium and common bark, or morphia and opium.

RADWAY'S REGULATORS, therefore, are the best pills for the sick to take, one being sufficient in all ordinary difficulties, and two possessing a greater and better power than any six of the most approved pills known.

RADWAY'S REGULATORS are a certain cure for Constipation, Indigestion, Liver Complaint, Kidney Complaint, Jaundice, Head Aches, Nervousness, Headache, Diseases of the Bladder, Female Difficulties—Leucorrhoea, Flux, Whites, and Irregularities of all kinds. BILIOUS DISORDER.—Bile on the Stomach, Bilious Colic, Enlargement of the Spleen, and all Chronic Affections of the Liver and Kidneys.

RADWAY'S REGULATORS are most carefully prepared from extracts and gums of roots, plants, roots, and herbs. There are no pills in use that will act upon the Liver, Pancreas, Bowels, the Salivary Glands and Nerves, so pleasantly and so effectually as the R. R. R. REGULATORS. No pills can be taken for any length of time with the same safety to the constitution; for, instead of debilitating the system by powerful and drastic purging, they act pleasantly upon the bowels, and impart strength to every nerve of the human system.

Use of the REGULATORS, taken on going to bed, will insure a regular and healthy discharge from the bowels in the morning. In cases where eight or ten of the common pills are used for five consecutive, two or three of the REGULATORS are sufficient.

NO CALOMEL or other poisonous drug enters their composition—they are entirely vegetable. They are pleasant to take, elegantly coated with a medicinal gum, are perfectly tasteless, and free from smell. No person will feel any disagreeable symptoms from taking a dose of REGULATORS.

CAUTION. There is a counterfeited Ready Relief in the market; the labels are very similar to the labels on the genuine. Purchase only of authorized agents, and require of the person you purchase from if they know to be genuine. If you do not find relief from pain in fifteen minutes, send to the label of the bottle you purchase, and inform us from whom you purchased.
