The Prospect.

From all parts of the country the mos

extend.

produced such good fruits continue to

cheering accounts reach us of the procpects of the success of the Reform party at the approaching election. In most o the counties the candidates are fairly in the field, and as is right and proper, in counties represented by Reformers country. where the late representative is willing to stand, he has been re-nominated. Strong men have been brought out in most of the counties formerly represented by supporters of Sir John A. Mac-ODERICH, Jan. 14, 1874. donald and there is no doubt many of elected. them will be redeemed, while the Reform losses will be few if any. We are glad to learn that Mr. Gillies will probably be allowed to carry North Bruce by acclamation. Mr. Sproat refuses to oppose him. In the South Riding Mr Blake will of course be elected without opposition. In North Perth Mr. Daly will not be a candidate. Mr. Redford, the former member, will run on the Reform ticket and Mr. Monteith, M. P. P. election .was contested on the will oppose him. Mr. Trow will be re-elected for the South Riding though the Tories are trying to find some one willing to oppose him. We hear of no opposition to Messrs Scatcherd and Ross the has not sufficient property to his the East Riding Mr. Glass, who took such a noble stand on the Pacific Railway matter, should and probably will be elected. Crowell Wilson will oppose him. In London Mr. Carling is meeting with strong opposition from Major Walker, a Conservative, who was vice president of Sir Hugh Allan's Pacific Railway Company. The premier will stand for Lambton notwithstanding the

will be opposed in Kingston by Mr

Carruthers who ran him so close at las

election. In all other parts of the coun

Parliament having been dissolved and ckie, Esq., of Brus a new election ordered, the electors are be brought out. called upon to give an expression on the . Sinclair has question, of the day. The issue is clear and the dan- and simple. There is no long list of two Reformers disputed questions on which there is on will doubtless some reason for difference of opinion ation as no one The simple issue is ; Was it right for the candidature in a Government to sell the charter of a great national work for the purpose of ing the old battle procuring funds with which to corrupt the electors and purchase for themselves efield last Fri- a continuance of place and power? We nas Greenway, are satisfied the great mass of the electors will answer emphatically by their votes that it was not.

It may be argued that if Sir John A. Macdonald did what he is charged with, 1872. South Hu- he has been punished by being deprived our by electing of power and that therefore the Pacific Railway scandal has nothing to do with surely undo now is in every re- the present elections. We contend it the position than has everything to do with them. Sir who is a servile John is the recognized leader of the John A. Mac. Opposition, and should the present government not be sustained he will be called back to power and will be placed in a position to repeat the high crimes of which he has already been guilty. Every one who acknowledges his leadership ed the late government, if must be held as condoning the Pacific wish to condemn the corrupt sale Railway frauds. The issue before the

Hon. Mr. Mackenzie's Address. a position to do anything for them is elected. His influence cannot, egrants for harbours or other public grants for harbours or other public machine for Sir John A. Mac.

B. Rally then, electors of South the standard of morality in conducting government and show by your yours. The elevation of morality in conducting government and show by your yours. The standard of morality in conducting government and show by your yours. ernment and show by your votes | public affairs ; removal of sectional and ocal jealousies and genuine consolidation of the Union; suppression of bribery at elections; simultaneous polling; liberal adjustment of the franchise : vote by ballot; abolition of real estate qualification for members; construction which they might have gained ag on the elections in those avourable to them first, and ructed the Returning Officers, at the have the nominations on of January and the polling on In this they have acted control of January and the polling on In this they have acted control of January and the polling on January and the gration; an insolvency act; creation of a General Court of Appeal; improvement of January and the polling on ment of our internal water communication; revision of the militia system, and such other measures as may redound to the true welfare of the Canadian people, This programme, is such that if properly carried out the government will be entitled to the confidence and support

obtained their seats through the influence of Sir Hugh Allan's money, and as that will not be available to purchase seats for them now they will lose their places in parliament. It is natural they should feel put out and that their organs should give vent to their rage in the form of abuse of the government for aring to perpetrate such an "toutrage," Well, it is the first time we have heard the privilege of electing their own representatives by the people called an outage. In many cases in 1872 it was not the free and independent votes of

oninge. In many cases in 1872 it was not the free and independent votes of the electors that sent certain members to parliament, and the avowed object of the dissolution is to purify the house and purge it of those members who have no right to sit—there. We fail to see where the outrage comes in.

Of course the expense of a general election is considerable but after all

election is considerable, but after all nothing when compared with the advantages to be gained by having a house elected by the fair and unbeught votes of the people. Had the late ministry remained in power they would by this time have needlessly squandered many times more money than the election will cost. Their former history proves this.

Inmigration to Ontario.

4th do, W. Slight, 5th do.

The Central.—We observe our buy-ers have not adopted the contains as the standard of weight in the prochase of grain, roots, seeds, &c., as provided for by the act respecting weights and measures which came into effect on the late of January. We have therefore continued to give our market quotations in bushels as heretofere. There is no penalty attached to the violation of this provision, but it is doubtful whether the amount could be legally collected under contracts made contrary to the

one Methodist friends have made a mistake in not carrying out the principle in its entirety, we are glad to know that the union of two such important bodies has become almost a fixed fact. It cannot butgive them increased power to carry out more effectually their mission and other more effectually their mission and other has been sent to the more effective than the more e but give them increased power to carry out more effectually their mission and other schemes, and we trust the proposed union among the Presbyterians, which is now under consideration, will be sum unimously approved of. We heartily approve of the tendency of the present day for union among religious bodies which hold the same views and doctrines, a tendency which has resulted in Presbyterian union in the United States, Canada and Australia, and which its appears is about to develop the second of the same views and doctrines, a tendency which has resulted in Presbyterian union in the United States, Canada and Australia, and which its appears is about to develop the second of the same views and develop the second of the second of the same views and doctrines, a tendency which has resulted in Presbyterian union in the United States, Canada and Australia, and which its appears is about to develop the second of the sent to the heads of all Municipalities in Ontario. The following, from the annual report of the Wesleyan Methodist Missionary Society, shows the labourers of Circity by the churches in the Goderich District Goderich Circuit, \$192.81; Goderich Circuit, \$192.81; Goderich Circuit, \$123.15; Holmesville Circuit, \$192.10; Seaforth Circuit, \$123.11; Seaforth Circuit, \$233.11; Harmony Circuit, \$191.88; Bayfield Circuit, \$193.34; Kincardine Circuit, \$193.34; Kincardine Circuit, \$232.83; Borvie Circuit, \$191.85; Teeswater Mission, \$131.20; Seaforth Circuit, \$192.81; Circuit, \$232.83; Borvie Circuit, \$193.34; Kincardine Circuit, \$19 which rit appears is about to develop itself further in this Dominion in further Presbyterian and Methodist union. May that kindly feeling and that spirit of mutual forbearance which has already of the act passed last session. We would not be shown to the Department at once. ou will not tolerate such dishones.

The Third Session of the Second Parliament of Ontario was opened at Toronto on Wednesday last, 7th January. Licut. Governor Crawford having taken his seat on the throne the resignation of the speakership of Hon. J. C. Currie was read. His Honour intimated that he would signify his recent for ed that he would signify his reasons for calling the House stogether when they had elected a speaker. He then re-

on motion of Hon. Attorney General Mowat seconded by Mr. Hodgins, R. M. Wells, member for South Bruce, was elected Speaker without opposition.
On Thursday afternoon the Lieut.
Governor opened the session with the following

SPEECH. "Mr. Speaker and Gentlemen of the Leg-

islative Assembly :-"In meeting for the first time the re-In meeting for the first time the re-presentatives of the people of Ontario, I have to express the gratification which it affords me to welcome you to the Capital on this occasion of your assem-thmate deliberate upon the best means of promoting the public interests of the Province of which you are the elected "I have the agreeable duty of congra-

ulating you upon the prosperity of the Province during the past year, as manifested in the completion of railways commenced; in the rapid which other railways have made jective points; and in vancement of the country partments of enterpris

> to know that the mean prometing an augmented into the Province already ctory results; and I rejoice act which there is of a furthring the present year, in mants to the Province har as which are most needed for to your continued

in consequence taken place with a view to an annicable settlement of the various matters embraced in the award. These negotia for s have not yet terminated.
"I have given directions that the Public Accounts shall be laid before you."

Mackay Brothers' You will learn with satisfaction that the expenditure for the year has been considerably less than the amount which you authorized and that the revenue has exceeded the amount anticipated.

"The estimates for the present year of the public service.

"I now leave you to your important duties, and I rely on your patriotism and wisdom for the discharge of them in the manner best fitted for advancing prosperity and happiness of the Province.

"May Almighty God guide your de-liberations, and continue to bestow His Divine blessing on our favoured Pro-It was resolved that the Governor's speech be taken into consideration on

House adj surned, On Friday the reply to the Speech from the Throne was moved in an able speech by Mr. Hardy of South Brant, anded by Mr. Patterson of West York. Mr. Boultbee followed, in an attack upon the Government for not having a lyised the Lieutenant-Governor to give his assent to the Orange Bills a course which, he contended, was an a insult to the Legislature and an outrage upon a large class of the population of Ontario. He concluded by moving the following amendment:—

That the following would be added to the fifth paragraph of the address:of Incorporation as his Honour has promised, we cannot refrain from the the Governor General the bills passed by this House last session, entitled 'An ing aid to the Port Dover and Lake Act for the Incerporation of the Loyal Orange Association of Eastern Ontario, and 'An Act for the Incorporation of the Loval Orange Association of Western Ontario,' as the subject matter of these bills was according to the 72nd section of

the British North America Act, within ave withheld; from a large class of Her Majesty's subjects rights and privileges to which they are entitled in the opin-ion of this House, and have inflicted a serious blow upon the power and au-thority of the Legislature of Ontario."

Mr. Bethune moved an amendment

Jimuel Briggs thus cleverly does up the Lieut. Governor's speech in rhyme

Glad to see you, gents, Gathered here together; Glad that nought prevents— Though 'tis awful weather. Railways go ahead, Towards points objective; And there are 'tis said Other lines prospective.

I am pleased to know Of recent emigration, Hope that here may flow Surplus population, From the other side Of the broad Atlantic, And our country stride On with steps gigantic.

Among other things Which I here may mention, School Bills once again Claim your close attention. They appear to need omewhat of revision. Hope you will proceed To a wise decision,

Vote by ballot measure, You must understand Are my sovereign pleasure Purity we want And elective freedom; My advisers say People greatly need 'em.

You have doubtless heard Of the agitation, Orangemen have stirred For incorporation. Now a general Act For them and every other, Will keep votes intact, Saye a deal of bother.

And Surplus scatteration; Subjects must appear For congratulation. But soreheads—as they tell,

'Twixt us and our neighbours;

They have gone ahead At a rate surprising, Now I hear it said, They think of compromising Then the North-west line. Likewise needs deciding, Government have been Evidence providing, To support our clai

bered and didn't disobey you. And Tommy never tells lies, does he?" "No mamma," "Then how does Tommy happen to have on Jimmy Brown's shipt?"

ADAM'S FALL.—Adam Black, the respected publisher of the Waverley Novels and other important works, for many years represented Edinburgh in Parliament. He suddenly became unpopular years represented Edinburgh in Parliament. He suddenly became unpopular with his constituency, and the circumstances which lost him his seat gave rise to this joke. "What can have caused Adam's fall?" asked one constituent. "The Eve of an election," was the residue of the constituent of the consti

PROVING A THEFT.—Two "neebor Proving a Therr.—Two "neebor wives" quarrelled one day, and one called the other a thief. Feeling determined to remove such an unjust stain on her chacacter, the aggrieved woman went to a lawyer, "Mrs.—ca'd me a thief," she cried; "dae ye think I should gar her prove her words?" "No," replied the lawyer, "I would not advise you to make her prove what she said for you might get thirty days imprisonment if she did."

The school visitors Many Hadden Wespek from experience in the matter, having

TO THE PUBLIC OF

British North America.

In consequence of frauds that have been practised upon you by two of three individuals (who for a time took the name of the "New York Chemical Company") making and selling something which they call "Holloway's Pills and Ointment," and which, for a season, were freely sold in many parts of the British Provinces as my genuine Pills and Ointment, I have for some time past considered it my duty to caution the public, through the medium of the press, against buying these spurious articles.

Judgments have been obtained against this Bankrupt Crew; in one case by a this Bankrupt Crew: in one case by a Mr. Cassard, who, when about to levy, at the latter end of October last, found

the name of the Chemical Company had been painted out and that of Samuel Vose substituted.

Many respectable Firms in the British Provinces, who obtain my medicines direct from here, have very properly suggested that I should, for the benefit of themselves and the public, insert their names in the papers, that it may be known that my medicines can be had gowing from the purchaser. For further particulars, approximately approximately

genuine from them.

The following is a list of the Firms alluded to; and I particularly recommend those who desire to get my medicines to apply to some of the Houses (I know he'll preach until our dinner's Messrs, Avery, Brown & Co., Halifax, Messrs. Here is a concise but hopeful love-let.

Wr. R. S. Priddy, Windsor, Ont.

Mr. Georga C. Hunt, Jun., Frederic-

Messrs. W. & D. Yule, Montreal.

My Pills and Ointment are neither manufactured nor sold in any pant of the United States. Each Pot and Box bears the British Government Stamp, with the words, "Holloway's Pills and Dintment, London," engraved thereon. The medicines are sold at the lowest wholesale prices, in quantities of not less less than £20 worth-viz., 8s. 6d., 22s., and 34s per dozen boxes of Pills or pots of Ointment, for which remittances must be sent in advance.

THOMAS HOLLOWAY. N. B.—Chemists and other vendors idiot I was," cried a housemaid who had just taken a new place, "not to learn to read when I was a gal. Why, master and missus leaves all their letters about!"

N. B.—Chemists and other vendors of Holloway's genuine Pills and Ointment may have their names inserted in the local papers if they will please apply here— 533, Oxford Street, W. C.,

London, Dec. 1, 1873. her daughter, "it is very wrong for young people to be throwing kisses at one another." "Why so, mamma? I'm sure they don't hurt, even when they hit."

London, Dec. 1, 1873.

INTEMPERANCE of EVERY KIND is followed by exhaustion of the vital forces—by nervous prostration and gentlement of the vital forces are the vital forces. The vital results are the vital forces are the vital forces. The vital results are the vital forces are vital forces are the vital forces are the vital forces are the v one another." "Why so, mamma? I'm sure they don't hurt, even when they hit."

Is followed by exhaustion of the vical same street, one of deplicit, with restlessness of body and free from stumps, with good Brick forces—by nervous prostration and general deplicit, with restlessness of body and mind, the body incapable of exerticing with good. This farm will be sold very the good. This farm will be sold very the good. This farm will be sold very the good. they enable you to escape so much good advice. The rich are always advising the poor, but the poor seldom venture position to do battle with the world.

The rich are always advising subject to despondency, and an indistinguished by the poor seldom venture position to do battle with the world.

The rich are always advising subject to despondency, and an indistinguished by the position to do battle with the world.

The rich are always advising subject to despondency, and an indistinguished by the poor seldom venture of the poor seldom venture.

about four miles from Town, containing 100 acres of first-rate land, with artillery," for the heaviest artillery is at artillery," for the heaviest artillery is at a statement of the importive Orems. Published the timestive Orems. Published the tim mistaken when he said "that Providence was on the side of the heaviest artillery," for the heaviest artillery is at Fort Adams, and Providence is on the other side.

A reader in New Brunswick very truthfully and indignantly asserts that no woman, however nervous she may be,

VINECAR-BITTER Dr. J. Walker's Californ Vinegar Bitters are a purely Veg-etable preparation, made chiefly from the native her found on the lower the native neres that an end in the lower ranges of the Sierra Nevada mountains of California, the medicinal preperties of which are extracted therefrom without the use of Alcohol. The question is almost daily asked.

The question is almost daily asked,
"What is the cause of the unparalleled success of VINEGAR BITTERS?" Our answer is, that they
remove the cause of disease, and
the patient recovers his health. They
are the great blood purifier and a
life-giving principie, a perfect Renovator and Invigorator of the system.
Never before in the history of the world
has a medicine been compounded possessing the remarkable qualities of VINECAE BITTERS in healing the sick of
every disease man is heir to. They are
a gentle Purgative as well as a Tonic,
relieving Congestion or Inflammation of
the Liver and Visceral Organs, in Billous The properties of Dr. Walktr's Vinkgar Bitters are Aperient, Dia-horetic, Carminative, Nutritions, Laxa-ive, Diuretic, Sedative, Counter-Irritant
