General Intelligence. THE MASSACRE OF GENERAL

NEW YORK, Dec. 16 .- It appears from the talk among the Cubans in this city that an effort will be made to bring to this country Gen. Miro, the only patrio who escaped from the slaughter of December 7, when Gen. Maceo fell. The information of the escape of Gen. Miro is regarded by the patriots here as trustworthy and his whereabouts are known. He is said to have been a witness to the manner of Gen. Maceo's death and to pronounce it a deliberate murder under a flag of truce. James with state diseases most feared by men and the control of the cont

MEDICINE.

One of the favorite remedies of physicians is cod liver oil, and why is one of the mysteries of the world of medicine, when all there is about it is an oil or fatty substance is wanted that is easily digested and quite as easily assimilated, fish oil being appropriated the motive was yours. How can with a small outlay of digestive I be blamed for that? Everything power. Why cod liver oil, a product of the decomposition of fish refuse, should ever have been 'Yes?' mockingly. 'But you chanced upon when butter and cream are nature's supply and at once the most readily obtainable can take cream or butter the consuming of fish oil requires the fortitude of a saint and the heroism of a martyr, and, as we know the oil does not agree with many that fresh, unsalted butter is rather more digestible than oil and is

slices of bread, and as high as four ounces a day of this butter can be eaten with impunity by even delicate persons, and cream can b taken to the full desire of the patient. Where one is recovering from prostrating sickness and the body needs nourishment this fresh The soul smiled. 'Hardly!' it butter, it is now asserted, has no equal in building up the wasted tissues of the body, and as a
