Select Poetry.

MY LIFE. My life to me is as a station,
Wherein apart the traveller stands,
One absent long from home and nation
In other lands.

And I, as he who stands and listens
Amid the twilight's chill and gloom,
To hear, approaching in the distance,
The train for home. — Longfello

F G A :

This custom is still retained in the Greek

C F. G. A.:

Dear Sir,—The April meeting of the N. S. custom is self-recained in our Russia. In nearly all Christian countries the ocurrence of Easter has been celebrated

N. S. F. G. Assn. will take place in the currence of Easter has been celebrated

In the whirl of our business cares DR J. N. FULLER.

curred about the same time of the year as the celebration of Easter. The Hebrew-Greek word Pascha has passed A reverend gentleman writing to an upper province paper a short time ago, strongly advocates a matrimonial alliance between "Uncle Jonathan" and young "Miss Canada," claiming that the alliance would solve a number of questions now agitating the minds of these parties and culminate in prosper ty and happiness. Now as we are very nearly related to young Miss Canada and intimately acquainted with ther, and are greatly interested in her future, we strongly protest against such interferance on the part of this reverend gentleman. Match-making we abhor. Why should the reverend gen.

The great majority of Christian churches attaching most importance to the bare of the propositions, and the same time of the bare of the same time of the should be done regularly at stated times should be fed five times in the twenty-four hours, but the swedes Paske, Dutch Pasche, Dutch Pasche, Dutch Pasche, Dutch Pasche, Dutch Pasche, Dutch Pasche, the Danes Paaske, and the Swedes Paske. About the middle of the Swedes Paske. About the middle of the Swedes Paske. About the middle of the swedes Paske at the with of good hay; another would add same roots or grain; while a fourth advises salt hay and straw. Now concerning enslage! would say nothing of it; and the, majority of us are not prepared to make provided the majority of us are not prepared to make time very day and with as little werrying a possible. I said they should be done regularly at stated times aboused the verying as possible. I said they should be done regularly at stated times aboused the verying as possible. ARBOR DAY.

Within the past few years public opinion has undergone considetable change in regard to our forest trees; and in many places where our forests have been cleared away the climatic changes have been so great as to necessitate the replanting of trees to

engaged with due parade and dignity; and at Bury St. Edmunds within a which involves the most serious consegrounds. Many of our towns and April 17, '86. Sec'y N. S. F. G. A. few years the game was kept up with quences to the general body of mankind. willages are doing likewise. Wolfvillo in the past was not behind its neighbors in tree planting as the work done by the eld street improvement committee shows to-day. In some parts of this village the verdure in spring is simply beautiful and is the admiration of a l. Under the superintendance of the said committee the whole village was set out of either side of the principal streets with bandsome forest trees, and had they all been allowed to grow and this will be no likewise. The same is done by the women to the men on the next day.

In the northern counties of England it is alleged the men parade the streets on Easter Sunday and claim the privilege of lifting every woman three times from the ground, receiving in payment a kiss or a silver sixpence. The same is done by the women to the men on the next day.

The meeting promises to be a very interesting one and we have no doubt will be largely attended by the membership of the association will be largely upon her fruit. We hope therefore that the membership of the association will be largely augmented at this meeting.

RESTORING HEALTH Hundreds have been cured by us LIVER COMPLAINT, COSTIVENESS, SALT RHEUM.

IMPURE BLOOD, LOSS OF APPETITE, KIDNEY DISEASE, CARON ECERAS. ADROCES H. HTV.

CATARRH, RHEUMATISM.

READ THE FOLLOWING TESTIMONIALS. Weymouth, Sept. 14, 1885.

Dr Norton: Dear Sir,—For twenty-five years I have been afflicted with Sult Rheum, and last Summer my head and port of my body was one fearful sore. My husband employed at different times three doctors, which failed to do me any good. In August 1884 I commenced taking your DrO. W. Norton's Burdock Blood Purifier, and after taking three bottles, am chirely cured, as I have not the least symptoms of it since. The Blood Purifier has also cured Capt Brooks of Dyspepsia and Liver Complaint.

Yours truly, Mrs John Grant Arther Blackburn, of Newport Weymouth, Sept. 14, 1885.

To be continued till 1st of MAY.

Thus giving all a chance of good roads and a fine day to secure this chance, as it is positively the last you will have this season.

a call. Wolfville, Dec. 3d, 1385. A CHILD-FRIEND.

My little sweetheart, quaint and fair, True child, and yet child-woman, The halo of thy tender life Is more devine than human.

Not all the sage's learned lore, Not all that the pulpit preaches, Compares with that wise holiness That your sweet girlhood teaches.

I watch your happy life move on Unstoiled, because so truly You leen to that deep inner law That round each action duly.

While wearier mortals strive with care
To read the scroll of Duty,
By some unconscious angelhood
You live its rarer beauty.

I read in rapturous, burning words
Of that rare, saintly maiden
Who calmed the Tuscan poet's heart,
With life's strange burdens laden.

My Beatrice! Life's hot day Takes even's coolness, stilly
Where smiles beside its dusty road
This trusting, stainless lily.

wild beasts left them after the normore feast. The clean picked skull grins and stares; every bone and acattered lock of hair has its story of a tragedy. And what besides these rehes? More bones—not placed by three which hunger for bloometers the stares is replaced by three which hunger for bloometers. scattered, but in heaps—a vertebre with ribs attached; a fleshless skull bleaching despair is drowned in the chorus of sna ribs attached; a fleshless skull bleaching under the summer sun. Wolves! Yes. Count the heaps of bones and you will find nearly a score. Open boats are picked up at sea, with neither life nor sign to betray their secret. Skeletons are found upon the prairies, but they tell a plain story to those who halt beside them. Let us listen:

Assure of the stars of evening will look down upon then again. Men will not burthern. They will look down upon then

the same sight. The skeleton is in line between the two points. He left one grove to ride to the other. To ride? Certainly; A mile away is the skeleton

mouth full of teeth which can crack the shoulder-bone of a buffalo. He can see their dark forms flitting from point to point—the patter of their feet on the parched grass proves that he is surround-

Now the race begins. There is no shel-

wire drawn until the scratch of a finger makes it chord with a wail of despair, and Setting his Gold Watch by the City A pigeon could not skim this valley with such swiftness, and yet the wings of fate are broad and long and tireless. The line is there—aye! it is gaining! inch by inch it creeps up, and the red eyes that inch swiftness out to his horse and opens firefrom his revolvers. A wolf falls on the right—a second on the left. Does the

DAMAGED MEN.

plain that he did not leave until midafternoon, or possibly at dusk. Signs of
Indians may have driven him from his
trapping ground; or, mayhap, he had
exhausted the game and was shifting to
new fields.

It is months since that ride, and the
trail has been obliterated. Were it other,
wise, and you took it up from the spot
where the selection horse now lies,
you would find the last three or four
miles made at tremendous pace.

"Step! Step! Step!"

What is it? Darkness has gathered
over mountain and prairie, as the hunter
Jogs along over the broken ground
Overhead the countless stars look down
upon him—around him is the pall of

"My wife came to you in a position in

minister she practically marries his whole
congregation. It seems that a short
time ago he married a vivacious young
lady whose family was of the Episcopal
church and this gave occasion to some of
the tattlers of her husbands church. But
the climax was reached a few weeks later
when the young wife attended a social
given by the Business Men's Association,
and joined in the waltzes and quadrills
just like other ladies present. Then the
tongues of the gossips of the husband's
congregation wagged at double quick, and
the facts coming to his ears, the next
Sunday he shot a little gospel truth at
the gossips, saying, among other things,
the following:

"My wife came to you in a position in

"My wife came to you in a position in the following:

upon him—around him is the pall of hight. There was patter of footsteps on the grass. He halts and peers around him, but the darkness is too deep for him to discover any cause for alarm.

Patter! patter! patter!"

There it is again! It is not of for send of the property of the church nor my property in that sense, having views religiously, socially, and domestically, which are entirely her own. She is not to be criticis.

There it is again! It is not of for send of the following:

"My wife came to you in a position in the rollowing:

"My wife came to you in a position in the rollowing:

"My wife came to you in a position in the rollowing of manliness; the recklessness and blaspheny against fate; the sullen despair of ever breaking the chains of evil habit; what victories of shame and contempt, what harvests of hell have grown from the following:

"My wife came to you in a position in the rollowing:

"My wife came to you in a position in the rollowing in a position in the rollowing in a position in the rollowing in the property of the church nor my property in that sense, having views religiously, socially, and domestically, which are entirely her own. She is not to be criticis.

STILL THEY COME.
