The Annual Meeting of the congregation was held this evening. The Rev. Mr. Mackie presided and opened the meeting with prayer. Mr. N. R. Carmichael read the minutes of the last annual meeting which were confirmed.

The report of the Kirk-Session was read by Rev. Mr. Mackie, upon whose motion it was adopted.

The report of the Board of Managers was read by Mr. W. G. Craig, upon whose motion it was adopted.

On motion of Dr. Herald, seconded by Mr. J. F. Lesslie, the retiring Managers, Messrs. Clark Hamilton, John McIntyre, W. G. Craig and James Minnes were re-elected.

The report of the Young Women's Guild was read by Miss Hudgins. Dr. Herald spoke regarding the closing of the Hotel Dieu to the visits of Miss Hudgins (mentioned in the report) remarking upon the impropriety of such action by an institution receiving grants of public money and recommending that some action be taken by the congregation.

It was moved by Mr. J. McIntyre, seconded by Mr. Wm. Mason, and resolved, that the report be adopted, and that Dr. Herald and any others he might choose to associate with him, be asked to investigate the refusal of the authorities of the Hotel Dieu to allow ladies representing St. Andrew's Church to visit Protestant patients in that institution and to take such action as may be necessary.

The report of the Women's Foreign Missionary Society was read by Mr. J. F. Lesslie and adopted.

The report of the Young People's Missionary Society was read by Mr. W. Stewart Dobbs and adopted.

Kirk-Session Report.

The Kirk-Session respectfully submit their annual report to the congregation.

Throughout the year public worship, morning and evening every Sunday, has been conducted, and the Sacraments have been duly celebrated. With a short break in Summer the Prayer Meeting has been kept up the whole year.

It is with sorrow we record that the death rate among our communicants has been unusually high, and that we have been bereft of many long known and greatly valued ones. These are their names—Mrs. Thomas Donnelly, Mrs. Wilkinson, Rev. Dr. Bell, Mrs. Lawson, Mrs. Ireland, Mr. Spankie, Miss Rogers, Mrs. Macpherson, Mrs. David Harold, and Capt. Thomas Taylor.

In addition to these ten removed by death, eight communicants have been certificated to other congregations, making a loss of eighteen communicants. On the other hand there have been thirty-nine received into full communion with the church, fifteen on profession of faith, twenty-two on presentation of certificates from other congregations, and two by restoration—thus leaving us a gain of twenty-one.

The Communion Roll now stands at 563.

The Sacrament of Baptism was administered to eight children.

Seven marriages were celebrated.

The Kirk-Session, sharing in the very general desire of the congregation for a better Service of Praise at public worship and having regard to the requests repeatedly made that steps should be taken for securing this, have to report that after careful, prayerful consideration, and keeping the best interests of the congregation closely in view, they have taken such action as they believe will impart such attractiveness to the musical services of the sanctuary, that the congregation will not only be satisfied but gratified. They have appointed as organist and choir-master a gentleman of high character, rare musical ability and thoroughly experienced, an acknowledged success in his profession—namely, Mr. T. Singleton of Port Hope.

The Session desires to express their admiration of the earnestness manifested in almost all the departments of congregational life and work, and express their warm gratitude to all the workers in the different associations, and to the teachers and officers in the Sabbath School.

They wish also to cordially thank the members of the choir for their voluntary services to the church.

The Poor Fund accounts have been submitted for our inspection and we have found the same correct, and are satisfied that the fund is prudently managed.

Praying the Lord to be merciful to us all and to make us more useful in our day and generation and so more meet for the perfect worship in the church above, we lay this report before you.

J. MACKIE, M.A.,
Moderator.

Report of Board of Management.

It is with a great deal of pleasure that the Board of Management submits the following financial report of Receipts and Expenditure for the year ending 31st Dec., 1898:

The ordinary receipts compare favorably with the previous year, and the liberal givings at the anniversary collection, and the special contributions through Mrs. Mackie on floating debt account, have enabled the Board to reduce the latter by \$700.02, and but for the fact that the insurance has been readjusted, necessitating the payment of all premiums this year, the floating debt would show a much greater reduction.

The insurance on the Church property is.....	\$33000 00
and Manse.....	4000 00
	Total.....
	\$37000 00

In order that all the salaries payable might run concurrent with the fiscal year of the church accounts, they have been paid up to the 31st Dec. This explains the amounts paid over and above the respective salaries to the Minister, Precentor and Organist, as formerly on 31st Dec. two months of the quarter had expired but the corresponding part of the salaries was not payable till 31st January. Now that these accounts have been so adjusted the comparison of expenditure year by year will be more correct.

Cordial thanks are tendered Mrs. Mackie and the Ladies assisting her for their efforts to reduce the floating debt and the splendid success which they have attained.

We regret to the Board of the city, and the departure:

“Resolved” begs to remove at the Board, the Board, Treasurer, Parker for which St. Mrs. Park promotion his duties

We regret to record the loss to the Church and especially the loss to the Board of Management by the removal of Mr. Geo. Parker from the city, and the following minute has been recorded regarding his departure:—

“Resolved, that the Board of Management of St. Andrew’s Church begs to record its regret that one of its number, Geo. Parker, is about to remove from Kingston, thus necessitating the vacating of his seat at the Board. Mr. Parker has not only been an efficient member of the Board, but for the past two years has acted as its Secretary-Treasurer. The Board is under very deep obligations to Mr. Parker for his most valued services and while sensible of the loss which St. Andrew’s Church sustains in the departure of Mr. and Mrs. Parker, the Board heartily congratulates Mr. Parker on the promotion which his faithfulness and integrity in the discharge of his duties have achieved.”

Accompanying this resolution the Board, on the eve of his departure, presented him with a handsome clock bearing the following inscription :

TO GEO. PARKER,

FROM

ST. ANDREW’S CHURCH, KINGSTON, 1898.

His leaving Kingston means promotion in the Merchants Bank and his many friends will be gratified to know this. In his stead, as Treasurer, the Board has secured the valuable services of Mr. N. R. Carmichael, who has already shown himself a good substitute. Mr. Carmichael gives his assistance in this department gratis.

To fill Mr. Parker’s place as a member of the Board we are sure the congregation will approve of the appointment of Dr. Third. He will make a good Manager.

The Managers take this opportunity of recording their appreciation of the efforts of the Talent Workers who have again contributed towards the payment of the Mortgage debt \$350.

The retiring Managers are Messrs. C. Hamilton, J. McIntyre, W. G. Craig, Jas. Minnes.

All which is respectfully submitted.

W. G. CRAIG,
Chairman.

On March 6th Mr. Potter, Sailor's Missionary, addressed the school, giving an interesting account of the work in which he is engaged.

Miss McIlroy, on the occasion of her marriage in April last, was presented by the school with a handsome family bible, bearing a suitable inscription. We are glad to record that Mrs. Raney continues her good work as teacher in the school.

Mr. S. Shannon, for 15 years Organist in the Sabbath School, has been appointed to a responsible position in the United States. We are pleased to know that Mr. Shannon is still actively engaged in Sabbath School work in the city to which he has gone to reside, and his letters to the Superintendent indicate that he has not forgotten the school in which he received his early training.

The annual pic-nic at Wolfe Island Park and the winter festival were much enjoyed by the children and their friends.

We are sorry we cannot report any additions to the number of volumes in the library this year; we trust that another season will not pass without a move being made in this direction.

All which is respectfully submitted.

J. POLLIE,
Secretary.

Ten meetings have been held during the year with an average attendance of ten.

Although the attendance at the monthly meetings has not increased the sewing meetings have been larger and the contributions of both money and material in advance of last year.

The bale sent to the North-west was valued at \$41.30, an increase of \$9.00.

It is much to be regretted that the day chosen for the Thank-offering meeting proved very wet and the attendance consequently small. A most delightful address was given by Mrs. Wallace of the Marchmont Home, Belleville, on her visit to China, which was greatly enjoyed by those privileged to hear her.

We would specially thank our "Scattered Helpers" in Mattawatchan who, through Miss McLennan, have again contributed generously.

The Women's Home Association have pleasure in presenting to the congregation their annual report, not so much on account of what they have succeeded in accomplishing, but of the honest efforts that they have put forth in various directions for the help of the church.

They have, through twenty-one of their members, been in close contact with all the members of the congregation, keeping them interested and in most cases sharing in the life and work of the church. They have distributed monthly the Mission Record, which gives all the intelligence up to date of the work of the church at home and abroad, and of St. Andrew's Notes which tell them of all that is going on in the congregation. They also receive contributions for the missions of the church, and other special objects, at times most convenient for the people.

For the past two years the Association has had the management of the Interest Fund, very carefully watching its growth from month

to month, and endeavouring as best they could to raise the required sum. Though on neither occasion they were successful in raising the whole amounts, they are very conscious that had it not been for the rare business qualities and energy of the Convener, the results would have been considerably smaller. This year the total raised for the Interest Fund is \$405.83, leaving a balance of \$132.17 to be somehow provided for. The Association regrets to report that owing to Mrs. Hughes resignation of the Convenership of the Fund, they have no member who considers herself competent to undertake this work, and therefore would suggest that some young gentleman with a knowledge of book-keeping would volunteer to do it for the next two years.

Early in the year the Association had under their consideration the subject of the floating debt, which was brought before the congregation at the last annual meeting, and resolved to try and wipe it out. After considering several schemes, they adopted one which they considered the best, and which, had it been cordially received throughout the congregation, would have wiped out the debt as it stood at the end of last year. They issued cards to 400 of the congregation soliciting the sum of \$3, payable in smalls or in any way suited through the year. Only 140, however, took part in the work and therefore the amount raised is only \$440.25.

Another work which the Association has to report is the Talent work, now well known in the church and beyond it, and dear to the hearts of many earnest members of the congregation. They have been working quietly throughout the year and have raised for the further reduction of the mortgage the sum of \$356.05. A great many of the workers contributed of their gains to the floating debt, which accounts for no larger sum being raised for the Talent this year. Indeed the Floating Debt amount is mainly the work of the Talent workers. There therefore still remains a large constituency to be appealed to on behalf of the floating debt.

Through the efforts of Mrs. Mowat there was gathered and despatched to Beaver Lake Mission Field, the charge of the Rev. E. C. Gallup, a bale of useful clothing weighing 120 lbs., and valued at \$40.

The Poor Fund has been administered for the Kirk-Session by the Association. The accounts have been audited by the Association and also inspected by the Kirk-Session and the management has been entirely satisfactory.

All which is respectfully submitted.

The Guild has much pleasure in submitting to the congregation the following report for the year 1893:

The work of the Guild has been steadily and quietly going on throughout the year, all the Sections carefully looking after their respective departments, and meeting together once a month to compare notes, consult together, and be mutually encouraged.

We regret the loss of several specially active members who have gone to reside elsewhere. Our best wishes follow them and we hope that others will be found qualified to take their places, for whoever goes the *work* remains.

Early in the year the Guild assisted by kind friends gave a literary entertainment entitled "Homes and Haunts of Burns," which required a good deal of profitable preparation, and which was enjoyed by the public. Our thanks are due for all assistance rendered, but especially to Miss Annie Davidson, who may be said to have carried the *whole* thing successfully through. The sum of \$67.11 was realized and of this the Guild placed a cheque for \$60 on the collection plate on Anniversary Sunday.

The Dorcas Section is still presided over by Miss Smith, ever indefatigable and alive to her work. It consists of ten members—Mrs. Mackie, Mrs. Gillie, Mrs. O. J. Hickey, Mrs. Reid, Mrs. Hopkirk, Mrs. W. Wells and the Misses Minnes, Spankie, Connor and McGuin. Their work, as is now well known, is specially on behalf of the poor of the church, that through want of clothing grown up people may not be prevented from attending public worship, and children kept

away from Sabbath School. In addition to this pure charity they execute orders from busy homes, thereby earning a little to buy needed materials for the poor.

In addition to a great deal of mending and patching during the year the following list of articles made will give a somewhat fair idea of what the Section has done:—28 flannel skirts, 16 flannel shirts, 66 aprons, 32 pairs sleeve protectors, 17 pinafores, 8 skirts, 15 fancy bags, 3 pairs mitts, 10 pairs boys drawers, 2 blouse waists, 1 pair pants, 1 sailor suit for boy, 3 night shirts, 2 hats trimmed, 4 pairs bloomers, 3 dresses, 2 under-waists, and 12 comforters for St. Andrew's Ward.

In the spring of the year they had a small sale, from which they realized \$52. From their earnings they gave \$10 on Anniversary Sunday, and \$25 to the Floating Debt.

The Hospital Section, with Miss Hudgins as the unwearied Convener, has prosecuted its work with unabated vigour and interest. In the General Hospital all Presbyterian patients are sought out and kindly ministered to, and many a stranger is thus cheered during the time of suffering.

The House of Providence and the House of Industry have also been regularly visited, but we regret to report that the Hotel Dieu has been closed against us by the Superioress, and that her action received the approbation of the priest in charge. It is only right to add that the doctors, Roman Catholic as well as Protestant, expressed their desire that our visits should be continued, and that their letters to this effect were submitted to the priest (Rev. Mr. Kelly) but without avail.

Rockwood Hospital has been in the sole charge of Mrs. Marshall and Mrs. Mason, who are deeply interested in the work there, feeling that it is needed and having the satisfaction of knowing that it is appreciated. They have kept up the weekly meetings throughout the year without any interruptions, and the patients who attend them look forward to them as sunny hours in their lives.

The Social Section has attended to all the friendly meetings and gatherings that were held. In union with the Women's Home Association they gave the Congregational Social after Anniversary Sunday and at the close of the year they had an "At Home" for the young people of the church, which was largely attended.

We regret to report that Miss Alice Fisher, the genial Convener of this Section for the year, had to resign office on her leaving for Washington. She will be missed in the Guild as an amiable and active member.

The Visiting Section continues to be in the charge of Miss Gray, and could not be in better hands. Her untiring attention and kind sympathetic manner make her welcome wherever she goes, and through her sunshine streams into many a lonely, weary, and desponding life.

Such is the report we lay before you for the past year. We believe that we have been useful, and we hold on to our work with the earnest wish that our usefulness may be very much greater and more clearly manifest.

A. A. BOYD,

Treasurer.

Young People's Missionary Society.

<i>President</i>	Mrs. Parker.
<i>Vice-Presidents</i>	Mr. C. Lowe, Miss M. Minnes.
<i>Secretary</i>	Mr. W. S. Dobbs.
<i>Corresponding Sec'y</i>	Mr. N. Greenwood.
<i>Treasurer</i>	Miss Thomson.
<i>Assist. Treasurer</i>	Miss Massie.

The work of this Society has been carried on throughout the year. Meetings have been held on the first Monday of every month with the exception of July and August, with an attendance averaging from seven to twenty; the object of the Society being the study of the fields of the church at home and abroad.

The Society is deeply indebted to Messrs. Cramie, Anthony, Fraser, Donnell, Volume and McIlroy for the interesting talks with which they favoured us about their fields in the "Wilds of Canada."

Special efforts were made during the past year to bring the young people to the meetings of the Society, and we earnestly hope that the young people will join us during the coming year, because much information can be obtained about the Home and Foreign Missions, to say nothing about the customs of the people among whom our foreign missionaries labour.

The Society wishes to record with very deep regret the retirement, owing to her leaving the city, of their President, Mrs. Parker, who has laboured with great success for several years in that position. Her retirement is a very severe loss to the Society, because of her ability for the position she held and because of her long and intimate connection with this Society since its founding in 1893.

While regretting exceedingly the loss of Mrs. Parker, we welcome Mr. C. Lowe to his new position as President, feeling sure that his election to that office will bring in more of the young men of the congregation.

With thankful acknowledgment of God's grace and humble dependence upon Him for wisdom and power to do His will in carrying on the work of the Society the Young People's Missionary Society enter upon the work of another year.

Juvenile Guild.

The Juvenile Guild held its regular weekly meetings during the winter months of 1897-98, the members working as usual for the Children's Ward in the Kingston General Hospital.

In April a concert was held with the hope of raising money to assist in refurnishing our Ward which, with its contents, was destroyed by fire. \$38 was raised. During the summer a moonlight excursion was held with the same object, netting the sum of \$70.33, including subscriptions from the following: Mr. and Mrs. Mackie, Prof. Martin, Miss Gibson, Mrs. Williams, and two friends.

The two beautiful wards, one for boys and one for girls, with playroom and solarium adjoining, all completely furnished, are silent witnesses to the indefatigable zeal and energy of our President, Miss Etta Macpherson.

Our warm thanks are due and herewith cordially given to the members of the Young Women's Guild for their assistance in selling tickets for our excursion.

Mission Band.

1898.

President..... Miss Maggie Minnes.
Treasurer..... Miss Louie Fowler.
Secretary..... Miss Birdie Massie.

There are 39 members, 24 girls and 15 boys, and an average attendance of 15.

The Band has met once a month during the year. The first five months were spent in studying about India.

In June Miss Spence, a Missionary from Fort Simpson, gave a very interesting talk about the Indians.

During the Summer holidays the Band prepared a box to be sent to the children in India. In it were dolls, balls and books.

As our object is not to raise money, but to interest the children in Missions, we have no collections, but the children have banks in which they put what they wish to save for the Band. In this way \$5 has been raised; \$2 of this was used in buying material for the box for India, and the remainder has been given to Mr. McIlroy for St. Andrew's Church, Tyendinaga Reserve; about which he gave a very interesting account at our last meeting.
