# Constitution of Rebekah Lodges of Ontario, 1.0.0.F.

APPENDIX.

Constitution of Rebekah Lodges as adopted by the Rebekah Assembly and approved by the Grand Lodge at Hamilton, August, 1900. Revised and corrected according to the latest legislation of the Sovereign Grand Lodge.

#### CREED.

Odd Fellowship, while it is free from anything like a sectarian character, has always held belief in a Supreme Being, the Creator and Preserver of the Universe, as a cardinal principle; and has maintained the Fatherhood of God as a doctrine of equal importance with the doctrine of the Brotherhood of Man. Concerning the qualities and attributes of the Divine Father, it has never undertaken to pronounce with authority; nor does it question the moral character. and good citizenship of those who declare that they have no belief in a Supreme Being. It simply exercises the right of voluntary associations to prescribe the qualifications for membership in its own circle. It has always insisted, and will insist, that belief in a Supreme Being is necessary to attain or retain a place within our ranks. No one should offer himself for membership in our Order who has not this belief; no one should be accepted without it; and no member who loses faith in such a Supreme Being can honestly and consistently remain with us.

#### OBJECTS AND PURPOSES.

The objects and purposes of Rebekah Lodges are declared to be:

First. To visit and care for the sick; to relieve the distressed; to bury the dead: and in every way, to assist their own members. and to assist Subordinate and sister Rebekah lodges in kindly inductions to the families of Odd Fellows when in trouble, sickness, or want.

### Minutes of the Tenth Annual Session

OF THE

# Rebekah Assembly of Ontario

### Independent Order of Odd Fellows

### Session 1900

### HAMILTON, August 7, 1900.

The Tenth Annual Session of the Rebekah Assembly of Ontario, I.O.O.F., convened in the Court House, Hamilton, this day at 9 o'clock a.m., all of the Officers and Representatives being present, Sister Nell Ackland, President, in the Chair.

Mayor Teetzel welcomed the Rebekah Assembly to the City of Hamilton in a few well-chosen words and extended to the Officers and Representatives the freedom of the city. In the absence of a stenographer the address, which was extempore and was well worthy of reproduction here, cannot be given. The welcome and cordial greeting of His Worship were greatly appreciated.

The President, Sister Nell Ackland, replied as follows :

### To His Worship, Mayor Teetzel:

DEAR SIR,-On behalf of the Rebekah Assembly of Ontario, I desire to thank you for the cordial welcome you have extended to us.

If you deem it a pleasure and an honor to have the Grand Lodge of the Independent Order of Odd Fellows of which we have the honor to be a branch, meet in your Ambitious City, we in turn deem it a pleasure to accept your kind invitation and feel assured that we are welcome.

The principles of Odd Fellowship are but the innate principles of woman's mature, and it was soon discovered that she was even better qualified to assist in carrying out the noble principles of our noble Order, to visit the sick, relieve the distressed and educate the orphan, than man, and it was more congenial to her nature and taste.

### APPENDIX.

138

Among the many sources of charity and benevolence with which the world at present abounds, there is probably none more elevating, more ennobling, none more peculiarly adapted to the nature and temperament of woman, calling into exercise and developing the finer and nobler qualities of her nature, than the Rebekah Degree of Odd Fellowship.

This Degree often obligates us to sacrifice, yet it yields us a grateful recompense, in its mutually pleasant associations abundantly repaying every effort.

We stand to-day an army of a quarter of a million prepared to battle with want, disease and misery. In such a cause we are proud to be enlisted and work in harmony with all the other branches of the Order.

We look confidently forward to a bright future, bright with hopes and radiant with promises.

We are delighted to be with you in the prosperous City of Hamilton, and it is no wonder. Sir, that your city is so popular. It seems to be the very heart of fraternal solicities, showing a larger membership in proportion than any other section of the Dominion.

Anticipating that the hospitality you have extended and which we are glad to accept will be blessed equally to the giver and to the receiver, we again, on behalf of the Assembly, return our heartfelt thanks for the cordiality of our reception.

### NELL ACKLAND, President.

Sister Miss Ida J. Robins, D.D.G.M. for Hamilton, read the following address of welcome on behalf of the Sisters of the City :

### HAMILTON, August 7, 1900.

To the President, Officers and Representative: of the Rebekah Assembly of Ontario:

DEAR SISTERS, -As the D.D.G.M. of this District, it becomes my most pleasing duty to welcome you to the Ambitious City of Hamilton, to extend to you the greetings of Justitia Rebekth Lodge, No. 38, and ask you to accept them in the true spirit of Old Fellowship which springeth from the heart, and from which flows the only true sentiments of our Order, Friendship, Love and Truth. That Friendship which is the duty and pleasure of us all, that Love which is true and holy, prompting every high and noble mind toward that which is good and beautiful, that Truth which makes our actions and deeds to correspond with our sentiments and words which lead us to "Faith, Hope and Charity."

May Faith kindle the fire, Hope offer the sacrifice, and Charity hover over your actions and deliberations, so that the All-Seeing Eye may look down with silent approval and bless our noble cause.

It is pleasing to note the advancement of this branch of Old Fellowship, but wherever the influence of woman is exerted in a labor of love, good must result.

Her freedom spreads unfervored and serene,

And sovereign man can condescend to see, The throne and laws more sovereign still shall be.

It is in the day of affliction-it is in the hour of adversity, when the false friends of the world frown instead of fawning upon us as they are wont to do in the sunshine of our prosperity, that woman's true nobleness of heart is felt, woman's cheering counsel is given -Go on, go on, with the good work, until -

Sceptre and Crown, Must tumble down And in the dust be equal made With the poor crooked scythe and spade. 1900

Building, John Stret N., and trus: that your visit to our city on the occasion of your Tenth Annual Assembly will be a most enjoyable one to remember, that if any clouds there be the sunshine will be drawn over them and while we strive for Truth and invoke the gentle arts of Friendship and Love in the contest, let us with one accord and strength of arm.

Strike for the cause which needs assistance, Against the wrong which needs resistance, Strike for the future in the distance; And the good that we may do.

### I have the honor to be, my dear Sisters,

Justitia Rebekah Lodge, No. 38.

IDA J. ROBINS, D.D.G.M.

The President, Sister Nell Ackland, replied to the address as follows:

### Dear Sister Robins, D.D.G.M .:

HAMILTON, August 7, 1900.

On behalf of the Rebekah Assembly of Ontario, I thank you for your kind words of welcome. To me there are few sweeter words than those of welcome, accompanied as it has been to day by the pleasant smilles and the cordin grasp of the hands extended to us in friendly grastings.

I feel that we do not come amongst you as strangers, but as sisted, from every part of this fair Province of ours, to engage in the work dear to the heart of every true Rebekah.

I trust that our coming amongst you may be fraught with the best results. May we learn to love one another and to love the noble work in which we are engaged, the chief of which is caring for the bereaved and helpless little ones of whom our Saviour said, "Suffer them to come unto me and forbid them not."

May we, as a united Sisterhood and as a branch of the time-honored O/der of Odd Fellowship, live up to the privileges given us, to care for these, God's chosen ones, and may we ever strive to follow the path no matter where it leads, be it upon the mountain-tops or in the valley.

The ties of common humanity bind us; the love of a common race, whose welfare and uplifting we all seek, ba's responsive in every heart. A common Father smiles upon us and blesses us as we clasp hands in joint effort to benefit mankind.

You have a beautiful city here. I see on every hand evidences of thrift and industry. It is a city of which you may feel justly proud, and I think I echo the sentiments of every visitor's heart, when I say that we will endeavor to do ample justice to the efforts put forth by Justitia Lodgs to make our stay amongst you a pleasant and profitable one.

And again on behilf of the Rebikah Ausembly of Ontario, I think you for your kind words of welcome and hospitality and for the use of your beautiful hall and committee rooms. We accept them and hops that the friendships formed here may last while time with us endu es, and we pray that peace and prosperity may ever attend you in your brautiful homes here in this delighted. City of Hamilton.

#### PRESIDENT'S REPORT.

#### To the Rebekah Assembly of Ontario :

The echo of the Gavel which closed our last session has scarcely died away, almost unconscious of the flight of time, we start as we awake to a realization of the fact that the same Gavel has again sounded and the tenth annual session of the Rebekah Assembly of Ontario is called to order.

Another link has been forged and welded to the history of our Fraternal Union, and we are called upon to test the quality, quantity and purity of the work accomplished by Rebekah Old Fellowship during the past year; here we are to pause and review our past work and plan for future labors, counseling with one another that we may have greater power; then after we have counseling with one another that we may have greater power; then after we have counseling with one another that greaternal good prevail in all our deliberations. We trust the Legislation of this session may be fraught with good will, that may be carried to each Subordinate and Rebekah Lodge in Ontario.

I greet with much pleasure the familiar faces I see here to day that have attended our Assembly from year to year and I extend a hearty welcome to the members who are here for the first time.

I understand we are to be honored at this session with some of the Grand Officers of New York Assembly, to whom we extend a most hearty welcome to our Sisters across the border with whom we are so closely connected; and let me assure them that our sympathy went out to them when they were called upon to tec we lie wh arr Fr

to give up their sons to follow and fight for the flag which had thrown its protecting folds around a down-trodden and helpless isle of a neighboring sea, while we remember that the strife was not sought for, by their country, but for the relief of long-suffering humanity. May they look to Him in their critical moments, who has given to us and blessed our Order, may He strengthen and bless their army and navy, and win for them a great victory over the cruel war, and may Friendship, Love and Truth, our three great links, cement us together always.

#### STATE OF THE ORDER.

I am sorry we could not report a greater increase in membership, but I am pleased to report our number is still growing. Our present membership is 3070.

#### NEW LODGES.

I am also pleased to report three new Lodges instituted, viz. :

Erie Lodge, No. 65, Wheatley. Instituted January 9th, by Sitter L. M. Edger.

Riverside Lodge. No. 66, Florence. Instituted January 10th, by Sis er Nellie Dodson.

Liberty Lodge, No. 67, Thamesford. Instituted March 29, by "Bro. J. A. Young, P.G.M.

I am sorry I cannot report having had the pleasure of instituting a Lodge.

#### CORRESPONDENCE.

My correspondence has not been as great as my predecessor's, but I have found it sufficient. I have answered all the letters as promptly as circumstances would permit.

#### DECISIONS.

Can a Lodge donate any of its funds for the relief of the poot outside of the Order? No.

Can a married lady whose husband is not an Odd Fellow, but having a father, brother or son an Odd Fellow, become a member of the Rebekah Degree ? Yes.

Can a young lady whose age is 17 years and 8 months become a member of a Rebekah Lodge? No.

Can any member, except a Past Noble Grand or Noble Grand, fill the Noble Grand's chair during degree work? No.

#### VISITATIONS.

My visitations have been received with kindness and courtesy, for which I extend my sincere thanks. I have had the pleasure of visiting the following Lodges, vis: Eastern Star, Conwall; Aberdeen, Deseronto; Harmony, Ganarcoque; At the Well, Almonte; Ivy Leaf, Parham; Hazel and Colla, jointly, Ottawa. Owing to change of meeting night I was unable to visit Louise of Kingston, but I visited some of the Sisters, and was informed they were still progressing, as are all the Lodges I have had the pleasure of visiting.

I would sugget that as it is impossible for a President to visit all the Lodges in Ontario during the term, both on account of time and expense, that our successors would endeavor to establish a rule to particularly visit the Lodges that their predecessors were unable to visit, thereby insuring a visit to every Lodge some time or another.

I would also suggest that the incoming President hold a meeting of instruction wherever it would be convenient, and that all Noble Grands and Vice

Grands fill their own offices on the degree staff. The practice has become so aniversal that the officers are laid aside to give place to the degree staff, that at the present time the majority of our Past Noble Grands have gone through the chairs, received the honor and title of "Past Noble Grand," when really they never memorized one of the charges or lectures, leaving them in a position, if called upon to do the work, absolutely helpless.

I find quite a number of Lodges working without By-laws. I am pleased to tell you that the Grand Lodge will present to us, at this session, a Constitution, which, if adopted, will be a great benefit to our Lodges. I believe the Secretary has mailed a copy of the Committee's report to each Lodge, and trust that you have made yourselves familiar with its contents.

#### THE HOME.

The one institution which towers above all others, in the social realm, is the Home. It is the centre from which emanates all civilized growth. It is a matter of deep graification to may to know that our Order has been quick to discern its potent influence, and is struggling to supply that shelter to the aged Odd Fellows and little ones who have no one to care for them. The Home Fund should receive the tenderest solicitude at the hands of the Odd Fellows and Rebekahs of Ontario. \* Each member should work most zealously, not only from the standpoint of material advantage to one's self, but also for the permanent good of the Order. It is the most wisely expended charity which builds for future days of recompense. I have that every member in the juristiction will give some little assistance toward the Fund. We have a Home Committee with us who will report later the progress that has been made in selecting a place.

#### RECOMMENDATIONS.

I would recommend that the President of the Assembly be empowered by the Grand Lodge to institute Rebekah Lodges or have the power of the instituting officer. I would further recommend that the President be empowered by the Grand Lodge to have the appointment of her D. D. Presidents.

#### CONCLUSION.

In conclusion, I wish to thank the Grand Master for his promptness in giving his decision when requested, and for his many acts of kindness toward me. I also thank Bro. J. B. King for his kindness, and the Sisters and Brothers for the courtesies shown me, and especially our Scretary, Sister Waddell, for the very many kind favors, willing advice and assistance cheerfully rendered, and valuable from length of time served in her office, and for her thoughtuiness in many ways, also for the kind words of encouragement. They have been a source of pleasure and comfort to me; she has been uniting in her labor, as only those who know can realize the amount of labor there is in connection with the office of Scertary. The salary is certainly not sufficient for the amount of labor of her office. Again I thank you all for your kindness to me during my term of office, and I trust that the term of my successor may be as pleasant as mine has been, and may the progress of our Order still continue. The tie that binds us together is never severed, it therefore commends itself alike to the high, the low, the rich and the poor, as one of the noblest charities the world ever saw.

Respectfully submitted in Friendship, Love and Truth,

#### MRS. NELL ACKLAND, President.

#### SECRETARY'S REPORT.

### HAMILTON, August 7, 1900.

## To the Officers and Members of the Rebekah Assembly of Ontario :

For the second time in the history of our Order in Ontasio has the Rebekah Assembly convened in this beautiful City of Hamilton. The first time was in the year 1895. We were then, as a Convention, throwing off our long clothes and passing into an Assembly, and promising at that time to be more than an

The future success of the organization seemed assured by the earnest workers who were at its head.

It gives me great pleasure to welcome you, my sisters and brothers, to this our tenth annual session. I am glad to see among you some who have attended all the sessions, and who have been instrumental in its organization. Such members challenge our sincere admiration, for without their persistent efforts we might

still be groping in the dark, thereby depending on another branch of the Order. To the new members allow me to say that we are doubly glad to welcome you in our ranks, for without your assistance and encouragement we would be little better than a year ago.

The new enthusiastic members in the Order are sometimes the shining lights, like the brilliant stars in the heavens, sending their light over the more sombre hues of those who have been longer in the work, thereby rekindling the drowsy interest to a new and more intense activity

Another year of our voyage through life, with its smooth sailing, its rough seas, its tempestuous waters and its restful harbor, has flitted by, and we have at last landed this morning in this beautiful Assembly Hall, with sunshine on our faces, with cordial greetings in our hands, with hearts throbbing as one to work for the uplitting of our Order whose object is to educate the orphan, protect the needy, and dispel gloom and sorrow wherever found.

As we review the past, discuss the needs of the present, and fegislate for the future, may it be in that sweet and lovely spirit which will raise us to a higher standard, and will crown us with honor

The year that has just passed has been a busy one, and the work of your Secretary greater than ever before.

I have endeavored to be prompt and accurate in all the transactions of business of the office.

If there have been errors of omission or commission I speak truthfully and say they were not intentionally committed.

have sacrificed all other pleasures that I might make our work a success. I will leave it to the officers and members of the Assembly to judge whether I

It is with great pleasure that I submit to you my Tenth Annual Report, and in doing so realize how far short I come of portraying to your minds, by my words, the amount of labor performed in executing the work. After our last session, held in the City of Toronto, I attended to the orders and letters that had accumulated after the books were closed. I then proceeded immediately to

prepare the Journal for publication, and as soon at they were ready had them distributed as follows: One to each Representative, one to each Secretary, and one to each Past President and all the officers of the Assembly, one to the Grand Sire and Grand Secretary and one to the Stand ng Committee.

I have had many requests from States where they have no Assemblies for copies of our Constitution.

#### CONDITION AND GROWTH OF THE ORDER.

In estimating the growth o' our Order, I find that the aggregate gain in membership is below that of previous years.

But Rebekah Old Fellows, like all other Societies, has its ebbs and flows measured by the conditions that affect alike all interests.

However, it is gratifying to announce that progress has been made and that our Order to day is stronger in membership and grander in its possibilities for good than ever before. During the year additions to the membership of many Lodges almost ceased. Only a small precentage of the Lodges maintained their normal activity in initiatory work. I am pleased to observe, however, that quite a number of our Lodges that have been comparatively inactive in this par icular, have of late been receiving applications for membership and have again started on the onward march.

For several years the report of the Secretary has shown a larger number of Lodges instituted during the recess of the Assembly, but at this time I am only able to report three new Lodges instituted.

Experience has taught us that the utmost caution is necessary in the matter of granting Charters.

I believe it to be our first duty to foster and place upon a permanent footing every Lodge now chartered, before making any special effort toward the institu-tion of new Lodges. Every exertion should be made by our membership to stim-ulate those Lodges which are being kept up by so much sacrifice and self-denial on the part of these limited numbers. Although the path be rough and thorny I trust they will not falter, ever remembering that in union there is strength, and that behind the dark clouds the sun shines brightly.

It is much to be regretted that the number of members reported each year as dropped for non-payment of dues is so large. The great majority of our be-loved Order are people of moderate means, and when unfavorable times overtake them, they of necessity must do as they can, not as they would. Each Lodge and individual member should do everything in their power to keep the membership in good standing. If there is ever a time when we should stand shoulder to shoulder it is in the time of distress and need.

Sisters, let us sustain each other by mutual counsel, prayer, sympathy and love, and make the coming year the best and noblest in the history of our Order.

#### REBEKAH LODGES INSTITUTED.

Erie Rebekah Lodge, No. 65, Wheatley, instituted Jan. 9th by Sister L. M. Edgar, Windsor.

Riverside Rebekah Lodge, No. 66, Florence, instituted Jan. 10th by Mrs. Nellie Dodson, Treasurer of Rebekah Assembly.

I have been in communication with several places relative to instituting new Lodges, and believe we will have more new ones soon. There is considerable feeling in favor of new Lodges being started.

#### CORRESPONDENCE.

It is needless for me to say that the correspondence of this office grows greater and greater each year.

I have held correspondence with all the Lodges, besides sending out all the necessary papers officially semi-annually and replying to the returns of the same.

I have received letters of business pertaining to the Order telling of disasters that had befallen, of the Reaper of Death in their midst, of the removal to other parts of the faithful ones, of Cupid stealing some of the most promising ones, of hopes crushed, of discouragements removed.

And in receiving such letters I have come in very close contact with the Lodges, which made me feel personally interested in them. I have replied Longes, which make the feet personally interested in them. I have repried promptly to each and every one to the best of my ability in giving information on business, sympathizing with those in sorrow or distress and rejoicing with the

#### SOVEREIGN GRAND LODGE.

A'ter a careful examination of the daily proceedings of the Sovereign Grand Lodge, I find many resolutions were offered which were referred to the Committee on the Rebekah Degree. After careful con ideration of the same, reported tee Legislation asked for inexpedient in many cases and recommended that they be not enacted. The reports of the committees were adopted, others were placed in the hands of committees to be acted upon at the next session of the Sovereign Grand Lodge.

The following were recommended and adopted: No. 81, page 125-Resolved that Sub-division 2 of Section 6 of the Code for the Government of Rebekah Lodges be amended by adding thereto the following: Their daughters, their sisters and their mothers and the daughters, sisters and mothers of deceased Odd/eilows, and when so amended shall read as follows:

on Rebekah Laws as approved by the Sovereign Grand Lodge.

An official receipt for dues is sufficient guarantee of good standing in Lodge to accompany a petition for membership in a Rebekah Lodge in another jurisdiction.

In the absence of any Local Law to the contrary, a Past Grand of a Subor-

dinate Lodge, who is a member of a Rebekah Lodge, can be commissioned by a Grand Master as his Special Deputy over a Rebekah Lodge.

The Legislation of 1893, providing for Rebekah Installation Floor Work, has never been repealed.

I. Q.-A Sister of a Rebekah Lodge had served a majority of nights as Noble Grand of her Lodge, when, because of a failure of a quorum of its members, the Lodge finally became defunct before the expiration of the regular term. Is the said Noble Grand entitled to a Past Noble Grand's Certificate ?

2. Q.-What standing does a Brother have in this Rebekah Lodge who stands suspended for non-payment of dues in his Subordinate Lodge ?

A.-He is by reason thereof suspended from membership in the Rebekah Lodge to which he belongs.

3. Q.-Does his membership in his Rebekah Lodge cease immediately on his suspension by his Subordinate Lodge, or does such suspension date from the time the official notice from the Subordinate Lodge is received by the Rebekah

4. Q.-If a Brother stands suspended in his Rebekah Lodge by reason of his suspension in his Subordinate Lodge, even though he may have paid his dues for one year in advance in his Rebekah Lodge, how does he become reinstated in his Rebekah Lodge after being reinstated in his Subordinate Lodge?

A.-When a Brother's disabilities arg removed in the Subordinate Lodge and he is restored to good standing therein, he becomes reinstated in his Rebekah Lodge, provided he is not in arrears for Dues in such Rebekah Lodge.

5. Q.—A lady desiring admission into a Rebekah Lodge presents herself with a number of others in the Ante Room of the Lodge. She, with others, was then admitted and initiated. Subsequent to the initiation it was discovered that no application from this lady had been received or filed with the Lodge; no admission. What is the relationship this lady would bear to the Lodge? Is she

A.-The person admitted to membership under the above conditions must, A.— The person admitted to memoeranip under the above conditions must, after her initiation, be deemad a member of the Lodge to the same extent as if legally initiated. If the error were on the part of the Lodge, the Lodge cannot take advantage of its own wrong. If the individual has been guilty of fraud in obtaining admission, she becomes liable to charges and to punishment for such fraud; but, having been admitted to the Lodge and recognized as a member, she must continue to be deemed such until her membership is transmission. must continue to be deemed such until her membership is terminated by law.

6. Q.—Is a Rebekah Lodge an Auxiliary to or has it any connection whatever with the Subordinate Lodge ?

A.—A. Rebekah Lodge is an entirely independent organization from that of the Subordinate Lodge. It is auxiliary to the Subordinate Lodge only by reason of being engaged in kindred work and being a division of the same order of Odd Fellows, but in its government and chartered existence it is independent of and not an auxiliary to the Subordinate Lodge.

Q.-Is there any law to prevent the members of a Subordinate Lodge organizing two or more Rebekah Lodges from among its membership?
 A.-There is not.

8. Q.-In case two Rebekah Lodges are organized from the same Subordinate Lodge should they both be accorded the same privileges by the Subordinate ? A.—They should be accorded equal privileges.

A Brother holding a withdrawal card from a Rebekah Lodge is entitled to

visit upon the same within a period of twelve months after its date.

9 Q.-Can the wife of an Odd Fellow be admitted to membership in a Rebekah Lodge, she being at the time of her application thereto under the age

A.-Yes, if a white woman. The qualifications in such case are based upon the marital relation, not upon age.

A divorced woman is an unmarried woman and as such is eligible to membership in a Rebekah Lodge.

10. Q.-Can a Noble Grand before assuming the chair and before clothing herself in the proper regalia fill vacant chairs and direct that the officers repair to the preparation room there to cloth themselves in Regalia and return to the Lodge Room, the object being to introduce a little Floor Work at the entrance of the officers, in a body, to assume their chairs prior to the Noble Grand calling the Lodge to order for the opening teremony? A.—There is no objection to the Noble Grand requesting members pre-

sent to take the place of absent officers for the above-named purpose, but should

II. Q.-May the Warden be assisted by the Conductor in taking up the Pass Word prior to (pening) A.-Ves, by direction of the Noble Grand.

12. Q.-Is it a violation of the law or the Ritual for an officer when addressed by the Noble Grand in the opening ceremony to reply, Noble Grand ?

A Rebekah Assembly cannot authorize or permit its members to wear other Regalia than that prescribed by the Sovereign Grand Lodge.

A member of a Rebekah Lodge cannot vote upon application for membership unless such members are clothed in proper Regalia.

An institu ing officer of a Rebekah Lodge at the time of institution and in the absence of Qualified Representatives of the Jurisdiction in which the Lodge is instituted can invite a Past Grand Master of a neighboring Jurisdiction who happens to be present to exemplify the secret work of the Degree for the benefit of the members present.

A Lady is not rendered ineligible to membership in a Rebekah Lodge by the mere fact of being the daughter of a saloon keeper.

A Rebekah Assembly can nei her authorize or permit any additions to, or subtractions from, the Ritual of the Rebekah Degree.

No portion of the Encampment Ritual can be used in a Rebekah Lodge whether in connection with the Rebekah Ritual or otherwise.

A Rebekah Assembly cannot admit Representatives to seats therein who do not possess the qualifications designated for membership therein by the charter of the Assembly and the Laws of the Sovereign Grand Lodge.

A Rebekah Lodge cannot appeal from the action of the Grand Master of its jurisdiction directly to the Sovereign Grand Lodge. Its belief that the Grand Master is prejudiced against it and that it cannot obtain a fair hearing from the Sovereign Grand Lodge over which he presides does not excuse it from appealing in the first instance and in conformity with the laws of the jurisdiction to the Grand Lodge. If dissatisfied an appeal can be made from the action of the

An Odd Fellow who has only received the Initiatory Degree is entitled to membership in a Rebekah Lodge, all provisions to the contrary were repealed by the enactment of the law for the Government of Rebekah Lodges now in force.

#### RECOMMENDATIONS.

1. I would again recommend that this Assembly petition the Grand Lodge to secure through their representatives to the Sovereign Grand Lodge a word, as well as a sign, for the purpose of recognizing a brother Odd Fellow, if he is not a Rebekah; the need of this is very much felt.

2. That we petition the Sovereign Grand Lodge, through the representatives of this jurisdiction, to set apart a portion of each annual session for the consideration of Rebekah Legislation, at which time such representatives as it may deem proper to admit from the sev ral Assemblies may be permitted to be present and take part upon the floor of the Sovereign Grand Lodge in consideration of such Legislation. 1

3. That we petition that honorable body, through the representatives from this jurisdiction, to grant us permission to pay a sick benefit. I am afraid that unless we are permitted to pay benefits as other Lodges do, we will not make the progress that we ought to, in fact, we will go back. It is now a care of going where they can get the most for their money, and, as you know, we have many young girls in our Lodges who have to work for themselves, and they feel as if suggest that we be put on the same footing as the Camp. By paying three dollars a year we could afford to pay two dollars per week benefit.

#### CONSTITUTIONS.

I have sent to each Lodge a copy of the work of the Special Committees of the Grand Lodge on Constitution of Rebekah Lodges, which reflects great credit on the same committee ; J. A. Young, P.G. Master ; P.G. Sire, Cl.T. Campbell, R. R. Cowan.

If adopted, they will be sold as other supplies; and just here I wish to call your attention to the fact that notwithstanding you have been notified and your attention called to the impera ive necessity of using the official receipts provided by the Sovereign Grand Lodge, the majority of the Lodges have not yet adopted them. Such action is a violation of the laws of the Order.

### ANNIVERSARY OF THE REBEKAH DEGREE.

Quite a little interest is manifested in the anniversary of the adoption of the Rebekah Degree, which occurred on September the 21st, 1851. It seems as though the day might be celebrated by the Rebekahs of Ontario to good advantage. Others have their natal, why not we? I would recommend that occasion appropriately. I believe that such meetings will not only bring the members together in a social capacity, but will be the means of instructing and interesting many in regard to the history and origin of the Degree.

#### THE ODD FELLOWS' HOME.

Oddfellowship stands for liberty, religious freedom, humanity, benevolence, the relief and care of the sick and distressed, burial of the dead, education of the orphan and care of the dependent ones. In all this it has been tested and never found wanting. There can be no work resting on the Odd Fellows and Rebekahs of this jurisdiction of more importance for their future welfare, than putting forth every effort to raise funds for the Home.

During the year it has been my pleasure to watch with interest the progress in this matter of our sister jurisdictions and in them I witness a practical exemplification of the work and teachings of our Order. There we find infirm Odd Fellows and orphan children enjoying the comforts and many of the privileges and pleasures of life. If possible, we, at this session, more than ever eel the need of a Home in Ontario; I have endeavored to advance this matter n every way possible and I am sure the Rebekahs of Ontario areready to do all n their power for the Home.

There tave been some funds raised among the Lodges ; many Lodges have as yet contributed nothing, but assure us that it will be forthcoming as soon as the location of the Home is definitely settled.

We understand that the Home Committee has visited a number of proposed sights and it is our prayer that before the Grand Lodge and Assembly close that some definite action will be taken and a permanent location chosen. Such

an institution will not only do good for those who have need of its shelter and care but will be in a measure a Home for the Order itself. "Where thy treasure is, there will thy heart be also" No truer benevolence can be accomplished.

The Brother who has borne the burden of others in the days gone by, may here find shelter when overtaken by the misfortunes and infirmities of the evening of life. A place of refuge will be provided for the widow and orphans. The little children, deprived of parental love and protection, will be given the onefits of a home and brought up to be honorable and useful men and women. As has been said of this last and best mission of Oddfellowship, it is a noble work, a labor that might become the eavy of the angels.

#### MEMORIAM.

There is a reaper whose name is death. All seasons are his. He garners the choicest flowers. He comes, and the fair flowers of humanity, with their sweetness and fragrance, are no more.

Time rolls his ceaseless course, and again in our yearly Assembly it is our duty to lovingly remember our Sisters and Brothers whom we shall see no more this side of Eternity.

We mourn not for their loss, for they have gone to broader realms and higher duties. With the poet they may sing :

Lend, lend your wings, I mount, I fly,

O Grave, where is thy victory?

O Death, where is thy sting?

Yes, we mourn, but it for our own loss, while we grieve over the loss of a faithful Brother or Sister of our beloved Order. To you it means the tender father, the loving mother, the sympathizing husband and faithful wife, whose sympathy and cheer in times of anxiety and disappointment was a veritable Heaven, and with whom to share your joy and gladness was indeed to double it. Ties of ever nature are broken asunder. It is here that the duties and privileges of our Order rest to comfort and solace all trouble or affliction, and endeavor to push aside the dark clouds of sorrow and unfold the sister lining of

Hope, like the gleaming taper lights, Adorns and cheers the way ; And still, as darker grows the light, Emits a brighter ray. Gal

To the sacred memory of our lamented Brother Bascom, P. G. of I.O.O.F., To the sacred memory of our lamented broner Bascom, F. G. OI I.O.O.F., Galt, will the Rebekah Assembly now join in paying a last sad tribute of respect. It is said that man is the noblest type of God, and a good name is rather to closely allied to us was of the noblest type and his name, so familiar, was acknowledged to be as good as the best in every requirement of the Order. Most widals is our Brother portraved now as in each Aroused of the Crand

Most widely is our Brother portrayed now, as in each Annual of this Grand Body, a picture of purity itself, as we remember him at our session held in Galt, presenting visitors to officers and members of our Assembly, and to day we admonish that the Father, who doeth all things well, and has promised that He will not afflict willingly nor grieve the children of men, has called our Brother and dear ones who have passed on before him, and as a heritage we have this

And be it resolved, that in the death of Brother Bascom the Assembly has lost a faithful friend, the Order a most zealous worker, the community an ex-emplary man, who was ever worthy of imitation and whose works will follow

To our Vice-President, his wife, we desire to say that while we, as Rebekahs will miss him, yet we know that our Redeemer liveth, and as said David of old, "While he cannot come back to us, we can go to him, inasmuch as it is not all life to live nor all death to die." We would, with his dear wife, await that translation. Meantime it is but meet to weep, and so cherish we the name of

Beautiful toilers, thy work all done, Beautiful souls, with glory gone, Beautiful lives, with their crowns all won, God giveth the rest.

#### CONCLUSION.

May this meeting be one of perfect harmony and at the close of this Assembly Session may each one of us return home to our little world of influence determined to make that influence uplifting, and the greatest reward will be ou's in after years, when the records bring to view the vast amount of good we have performed for,

There is never a star but brings to Heaven Some silver radiance tender And never a rosy cloud but helps

To crown the sunset splendor. No robin but may thrill some heart.

- His dawn-like gladness voicing, God gives us all some small sweet way
  - To set the world rejoicing.

Sisters, think well of the obligation we have taken, work unitedly in the good cause, inculcating and carrying out the divine principles that are taught us when we are admitted into our several Lodges, and we will rear monuments that will ever be fresh in the minds of those who have been benefited by our work ; monuments that will stand amidst the storms of prejudice and adversity long after we have passed away into the great hereafter.

For the kind and courteous loyalty shown by all with whom I have been brought into official relationsh'p, I have nothing but gratitude to give.

To Sister Nell Ackland, our worthy President, I wish in a very special manner to return thanks to her for her hearty co-operation in our work during the year, and to our worthy Treasurer. They have ever been willing to lend a helping hand and their words of advice and commendation have stimulated and strengthened me. To Grand Master Jas. McLurg for his promptness in answer-ing all correspondence. To our faithful Brother J. B. King, Grand Secretary, for many courtesies extended and assistance received.

In conclusion, would thank the Secretaries throughout Ontario for every act of kindness, for it is,

> Little acts of kindness Little seeds of truth. That, if sown by the wayside, Will help both age and youth.

Yours in Friendship, Love and Truth,

Sister Nellie Dodson, Assembly Treasurer, then presented her report as follows, which on motion of Sister E. Seaton, seconded by Sister Pollie Sanders, was referred to the Committee on Diistribution and adopted :

## GREENFIELD, MASS., August 3, 1900.

# MRS. MAGGIE WADDELL, Sec. Rebekah Assembly of Ontario.

DEAR SISTER WADDELL, - I cannot express to you in words how much it

DEAR SISTER WADDELL, -- I cannot express to you in words now much it pains me to be under the necessity of penning this letter. A year ago, when we met in Toronto, and the members of the Assembly were kind enough to elect me as their Vice-President, the world looked future usefulness I saw opening out. Twelve short months only have since elapsed, but the color of the skies has become leaden tinted. He who was the kindest and hest of husbands, the most helpful of life's narfners, was suddenly elapsed, but the color of the skies has become leaden-tinted. He who was the kindest and best of husbands, the most helpful of life's partners, was suddenly stricken down, and is now, alas, one of the great silent majority. It was a blow that no kind words could palliate, and yet I am deeply grateful for the words of loving sympathy spoken and written to me in the time of my direst trouble. Many parts of the Province, and even beyond it, sisters and brothers of our great fraternity, in the most tender and compassionate terms, expressed their sorrow at my oreat bereavement. At the time I was utterly unable to acknowl. great fraternity, in the most tender and compassionate terms, expressed their sorrow at my great bereavement. At the time I was utterly unable to acknowl-present opportunity of saying how deeply they touched me. For the first time Assembly meeting, but in spirit I am with you, and hope that, as in the past, to the advantage of our branch of the Order. As I feel now, it will be impos-sible for me to accept the position of President. Not that I do not value it, words cannot express how grateful I am for the confidence reposed in me, but it is simply impossible for me to fulfil the daties of the officience of the order. As I feel now, it will be impos-tion is simply impossible for me to fulfil the daties of the office under present cir-cumstances. I would like to ask the Assembly for a document of some kind it is simply impossible for me to fulfil the duties of the office under present cir-cumstances. I would like to ask the Assembly for a document of some kind stating that I have been Vice. President. I will appreciate it very much. You will, doubtles, have little difficulty in selecting a Sister who will fill the position fall upon has my very best wishes for a prosperous and profitable year. Again, from the depths of a full heart, thanking my kindly sympathizers, I my.

Faithfully and fraternally yours,

### To the Rebekah Assembly of Ontario, I.O.O.F .:

We, your Committee on the State of the Order, report as follows :

That we are very sorry to hear the membership is not increasing as rapidly as might be expected; still we are glad to find on examination that each Lodge is healthy and active, doing all they can to further the interests of our noble Order.

We find 410 members initiated ; died, 14 ; suspended for non-payment of dues, 195; present membership, 13,070; net gain, 201. We would recommend that the incoming President do all she can to have

sluggish Lodges take a more active interest in the work, and that she call the attention of her District Deputies to the fact of any such Lodge in their respective jurisdictions.

The large number recorded for suspension for non-payment of dues is ex-ceedingly regretted. We would recommend that the attention of the Financial Secretary of each Lodge be drawn to the fact by representatives, and that these officers be urged to put forth every effort in the matter of collecting dues.

We note with pleasure that three new Lodges have been instituted, and all report progress.

All this is respectfully signed,

RUBY BRADY, POLLIE S. SAUNDERS. SARAH TAYLOR, ELLA BARLOW, JANE SEXSMITH. HANNAH THOMPSON.

I am sorry we had to call in the charter of Myrtle Lodge, No. 17, and hope you will be satiafied with what I have done for it; it was the very best I could do under the circumstances, as nearly all the members of Myrtle Lodge have left

I received the semi-annual pass word, and have given it to the Lodges.

## EXCELSIOR REBEKAH LODGE, No. 18, BRIDGEBURG.

### To the Rebekah Assembly of Ontario, I.O.O.F .:

On behalf of Excelsior Lodge, No. 18, I beg leave to report that our Lodge. has not increased in membership during the year. We admitted three new members and suspended eleven for non-payment of dues. Our financial condition is fairly good, we having \$50.00 to our credit in the bank. Our Lodge held a-

social on behalf of the distressed Sisters of the late fire at Hull and Ottawa. The proceeds netted \$23.48, which was forwarded to Sister M. Peark, who acknowledged receiving the same on their behalf.

Our Lodge is well equipped with paraphernalia to confer the Degree in an up-to-date manner.

During the year we had the pleasure of several visits from your efficient Secretary, Sister Maggie Waddell, and I am deeply indebted to her for the kind advice given me, and so ably assisting me to install the officers of our Lodge.

I am sorry to say that our attendance is very unsatisfactory, which makes it very discourging for the faithful few who are working zealously for the promo-tion of the principles of our beloved Order. I trust, with renewed energy and determination on the part of the newly-elected officers and a better attendance of the members, we will have better results in the future.

### ABERDEEN REBEKAH LODGE, No. 30.

#### To the Rebekah Assembly of Ontario, I.O.O.F .:

I am very much pleased to tell you that Aberdeen Lodge, No. 30, is in a prosperous condition. We have increased in membership since last report ; we number seventy-three members in good standing. Of course, in the hot weather there is a falling off in the attendance, but we generally have a quorum. We were so fortunate as to receive a visit from our honored President, Sister Nell Were so fortunate as to receive a visit from our nonored rresutent, Suster frem Ackland, on the 25th of May, and the good counsel she gave us, we hope, will inspire us to further efforts to be up and doing. I have to report the death of two of our dear Sisters; Sister Georgia Gracy, who died on February 3, 1900, also Sister Bra'shbaw, who died on May 6, 1900. Our Lodge has recommended Sister Jane Sexsmith as D.D.G.M. for ensuing term. Hoping that the future will see us still prosperous, and that the coming session will be the most successful of any yet held, I remain.

> Yours in F., L. and T., HARRIET MILLER, D.D.G.M.

#### OLIVETTE LODGE, No. 34, WINGHAM.

### To the Rebekah Assembly of Ontario, I.O.O.F. :

We cannot report any progress so far as members are concerned. Our report shows that we have had to drop eight members for non-payment of dues. This is a source of keen regret to the officers in charge, but we are trusting that our Lodge may make more progress in the near future. We feel sorry to have to appear so much on the blue side, but the principle

of truth, which our links represent should shine always in all conditions of Lodge life.

Our Lodge wish the coming meeting of the Grand Assembly may be most successful.

## To the Revekah Assembly of Ontario, 1.0.0.F. :

I beg herewith to submit the following report re Margaret Rebekah Lodge, No. 39, as follows: Brothers, 18; Sisters, 26; total, 44, in good standing. We have lost by death one, and two withdrew since last report. Our assets are : Cash on hand, \$37.00; paraphernalia, \$100.00.

# ROSE REBEKAH LODGE, NO. 43, WOODSTOCK.

## To the Rebekah Assembly of Ontario, I.O.O.F. :

Another year has gone, and though it has brought many changes to some of us, some sad as well as pleasant ones, yet I am glad to be able to state to you that Rose Lodge is still prospering.

We have had the pleasure of exemplifying the beautiful work of the Degree to several candidates during the last term, which, to me, when properly imparted by the different officers and characters, is something so grand and impressive that one should never weary of the beautiful lessons taught in the Rebekah

I am sorry, indeed, to report that we have lost several members during the past term, some through leaving us to make their homes elsewhere, and some, I am sorry to say, had to be suspended for N.P.D., which makes our membership

Very much the same. Glad I am to be able to report that death has not removed any from us during the last year, although it is just one year ago this month since we were called upon to lay away our beloved young Sister, May Howell. One thing I am pleased to be able to report is the peace and harmony of Rose Lodge. Although it was through difficulties that it has been brought about, the kind manner in which the Brothers of the Subordinate Lodge stand by us and below when needed.

Rose Lodge paid a fraternal visit to Ivy Lodge, Galt, and had the pleasure of putting on the initiation ceremony. Five Sisters were initiated. We also in the month of March visited Thamesford and instituted Golden

Rule Lodge, starting with a membership of thirty three members.

We spent a most enjoyable night, although a very busy one, for with instituting, initiating and installing it was an all night's job. But Golden Rule Lodge knows how to entertain to a nicety. You will observe we have recommended Sister Alice Portlock as D.D.G.M.

for next year. Wishing our beloved Order every success, and hoping my successor may have a better report in every respect than I have been able to give.

## FERN REBEKAH LODGE, NO. 50, SIMCOE.

## To the Rebekah Assembly of Ontario, 1.0.0 F .:

I enclose the Semi-Annual Report from Fern Lodge, also the per capita tax for the past six months.

I am sorry to report a great falling off in interest by the members of our Lodge—both Sisters and Brothers. While we report almost as large a membership as last term it should not be as favorable as reported, from the fact that a number should have been suspended, but, owing to error, sufficient notice was not given them. The three Sisters reported as withdrawn or dropped were lost, as follows : One has taken a withdrawal card and the respective husbands of the other two were suspended from the Subordinate Lodge. Our membership last term was 15 Brothers and 44 Sisters, and we have taken in one Brother and one Sister, and have, as mentioned above, lost three Sisters, leaving us 58, a loss of one.

I hope things are brighter in other places, and wish for the success of this part of Oddfellowship.

# WOODSLEE REBEKAH LODGE, NO. 55, SOUTH WOODSLEE.

## To the Rebekah Assembly of Ontario, I.O.O.F. :

I have not been able to get the officers of Woodslee Lodge, No. 55, installed until last Monday evening, July 16th, on account of the non-attendance of some of the elective officers.

I am sorry to report the loss of seven of our members, but they were some who lived some distance away in the country, and could hot get out and became discouraged. I think if we could get benefits we could build up much faster. I

also diraged. I think if we could get cenents we could build up much faster. 1 see by the report that it is to be brought up at the Assembly this year; our Lodge is unanimous in favor of it. We still have a membership of 35, but poor attendance. Sometimes we feel quite discouraged, but are still sticking to our posts. We had no initiations last term, but several have promised to come this summer.

I visited Comber very early last spring to institute a Lodge there. I found several wanted one, and the N. G. and Secretary were willing to sign the petition, but the Subordinate Lodge would not take hold and help them ; but I believe there could be a good Lodge started there if one had time to canvass the town and were able to pay his own expenses and train fare. I have just heard that Essex is willing to have a Rebekah Lodge started there.

MRS. SARAH DRING.

## PRIMROSE REBEKAH LODGE, No. 59, DUNDAS.

### To the Rebekah Assembly of Ontario, I.O.O.F. ;

I beg to report a very successful year has been passed, not so much in the addition of great numbers but in the continued and, I may say, increased interest taken by the members of the Lodge. We have initiated three new members during the year. We have almost completed a set of new robes, and then I think the staff will take quite an interest in the beautiful floor work. We held an At Home on April 15, which was the means of bringing all the members together. We meet twice a month; the attendance is good, and with renewed zeal we hope to enter on this year with a stronger determination to work for our beloved Order.

# ANNUAL MEETING AT KINGSTON, JULY 18, 1900.

The annual meeting of the Odd Fellows' Relief Association was held on the 18th in the Odd Fellows' Hall of this city. There were Grand Masters of Ontario and Quebec, Dr. McLurg, Woodstock, and J. D. McKean, Westville ; J. B. King, Toronto, and T. J. Potter, the Grand Secretaries of Ontario and Quebec ; O. L. Lewis, Chatham, and Grand Secretaries of Ontario and Quebec ; O. L. Lewis, Chatham, and C. C. Lyman, Deputy Grand Master and Grand Warden of Ontario ; and the Advisory Committees of Manitoba, Quebec, and Ontario.

The Mayor of the city, J. A. Minnes, was present at the opening of the meeting and delivered an address of welcome.

# REPORT OF THE DIRECTORS.

The Directors referred to the record of the year as one of the best in the history of the Association. The surplus fund had materially increased, the revenue on the 30th June being \$200,000. The increase for the year was \$43,000.

The Grand Lodge of British Columbia acted favorably upon the application of the Association to do business in the Pacific Province. A suitable minute, in acknowledgment of this fact, was passed and ordered to be sent to the Grand Lodge.

The Courts having, in the case of another Order, decided that a member was legally dead if absent or missing for seven years, the question was referred to a Special Committee, and it and the Association will co-operate in securing such legislation as will protect the fraternities.

The interests of the Association in Manitoba and the Maritime Provinces have been promoted by local boards, and the work of these the directors warmly commended.

## REPORT OF THE OFFICERS.

The Secretary, in his presentation of the statistical facts, reported that the net gain of members for the year was 1,112, making the total on June 30th, 11,961. The average age of the new membership was 30.40, and the average age of the entire membership, 37.30. average age of the deceased members was 45.65; the death rate for the year, 6 per 1,000; and the benefits carried by the dead members, \$89,500.

The Treasurer reported that the receipts of the Management Fund were \$15,595, and the expenditure \$13,440.79, leaving a balance of \$2,154.79. The Mortuary Fund showed an increase of \$154,878.58, and an outlay in death and disability benefits of \$100,788.68. After

The Auditors reported that they had repeatedly examined the accounts and books of the Association and found them correct. The money, received by the Secretary and paid to the Treasurer, had been promptly deposited. Of the funds on hand \$185,758.80 were represented by valuable securities.

The Superintendent of Agencies reported that he had travelled 16,518 miles in the interest of the business so far as it was represented by the agencies.

# DECISIONS OF THE ASSOCIATION.

The agents were warned not to make any changes in the certificates, and to refer all requests for such to the head office.

Members of the Association who go to the South in the interest of their health, and who are benefited physically by the change, will be granted exemption from the By-laws which prevent residence below certain parallels of latitude; but they must supply the Directors with the necessary medical certificates.

Every member must contribute at least one assessment before his estate can claim benefits. (Sec. 4. of Art. IV., By-laws amended accordingly.)

Receipts issued by the agents must be countersigned by them ; receipts issued from the head office are only signed by the Secretary.

## POINTS OF IMPORTANCE.

A Special Committee reported that the present manner of con-ducting the business of the Association, and of calling prominent members into counsel with the Directors, could not be improved upon.

The proposal to extend the limit of benefits to \$3,000, and to

Alust the tariff accordingly, was not approved. It was withdrawn. The Association decided to confine its work to Canada, and to specially develop British Columbia, which had been cheerfully opened

The Association has thirty odd members in South Africa, attached to the British Army, but none have suffered in the campaign up to the last reports.

The Finance Committee, having examined the Association's financial position, and referred to the low death rate and average age, said the agents were now furnished with the best of arguments to procure an extension of business with the Odd Fellows of Canada.

# Report of the Grand Representatives TO THE

# SOVEREIGN GRAND LODGE, I.O.O.F.

# Session of 1900, held at Richmond, Va., September 15th to 22nd

# O. L. Lewis, Esq., Grand Master :

HONORED BROTHER .- We. the Grand Representatives of the Grand Lodge of Ontario to the Sovereign Grand Lodge of our Order, in accordance with the established usage, herewith present to you, and through you, to the Order in this jurisdiction, a Report of the proceedings of the Sovereign Body which opened its session on the 15th of August in the beautiful city of Richmond, in the State of Virginia, which our American brethren are pleased to style the "Old Dominion." Here Odd Fellowship was planted in the year 1833, when Virginia Lodge No. 1 was instituted at Harper's Ferry, the Charter being issued at a Special Session of the Grand Lodge of the United States, called for the purpose by Thos. Wildey, Grand Sire, in Baltimore, May 4th, 1833. We quote the eloquent and inspiring words of our esteemed Grand Secretary, Bro. J. Frank Grant:-

It must be remembered, too, that this State was the great arena in which the most terrible scenes of the war were enacted; when this fair and beautiful city, which now so cordially wel-comes us, rested beneath the black clouds of many bloody battles; when fire, and sword, and death, were her dreaded and most dreadful visitors; when to hold her as their greatest treasure was the ambition which fired the hearts and cost the lives of thousands of her noblest, bravest friends; and when the effort to wrest her from them cast dark clouds of sorrow and death over the homes of those who died in the attempt.

Those days are gone never to come again, to live only in the pages of history. Now only the banners of peace, fraternity and

cordial welcome wave over us as we gather here in the name of Friendship, Love and Truth. For those whose guests we are during this session our hearts are beating with love, appreciation and gratitude.

If our visit to Richmond results in arousing our brethren in Virginia to greater zeal for Odd Fellowship, such as shall add many desirable names to the long roster of her membership, our coming will not have been in vain. It is hoped that pleasant memories of our visit will live long in the warm hearts of our entertainers, and that each visitor will carry away the most delightful recollections of the people and the Capital City of the dear "Old Dominion."

The reception to the Grand Representatives and the thousands of visiting Odd Fellows was. of the heartiest and most elaborate characte. The excursion to Old Point Comfort by train, a sail around the Hampton Roads on a steamer of that name, a visit to the shipyards at Newport News, a view of Norfolk, Portsmouth, and the navy yard, and a drive around the Old Point where many things of the greatest interest to the Canadian delegation were revealed, was declared by the veteran attendants on the annual convention to have been as enjoyable an entertainment as had ever been arranged for the S. G. L. On Sunday the Rev. Dr. J. B. Hawthorne, pastor of the Grove Avenue Baptist Church, preached the annual sermon, the subject being "Applied Christianity." By resolution this sermon will appear in the revised Journal. It is highly commendatory of the principles and practices of Odd Fellowship.

The seventy-sixth annual session was inaugurated on Monday morning. The Representatives lined up at 9.30 o'clock and, headed by the Grand Officers marched to the Masonic Temple, where the formal welcome exercises took place. The Chairman of the General Committee, Hon. Hill Montague, called the assembly to order. Seated beside him on the platform were the Hon. J. Ellyson, Chairman of the Reception Committee, the Governor. J. Hodge Tyler, the Grand Master of Virginia, W. T. Baldwin. Past Grand Patriarch Bowering, who officiated in the absence of the Grand Patriarch. His Honor the Mayor, R. M. Taylor. Miss Laura E. Beeton, President of the Rebekah Assembly of Virginia, the Grand Sire Alfred S. Pinkerton, Deputy G. Sire Cable and several Past Grand Sires, among whom was our Chieftain Past Grand Sire Dr. Cl. T. Campbell.

The address of his Excellency and the other speakers were particularly entertaining. Space permits us to quote only a portion of the Grand Sire's remarks. Speaking of the wonderful development of the nineteenth century he continued: rota

The cotton gin, the power loom, the sewing machine, the rotary printing press, the reaper, the telegraph and telephone, the binding of electricity to man's common use, the thousand and one mechanical appliances that make our burdens light, and life more worth the living, are but a part of this century's tribute to the future. In letters and in literature what advances have been made! The printing press has brought the richest thoughts of the best minds within easy reach of all, and the philosopher and astrologer share their secrets with a thousand friends. Thought is purer than before, theology more simple and humane, religion more near the human heart and soul. This is the age in which we live; this is the century that called into life that great humanitarian movement which we denominate Odd Fellowship. It is the child of American spirit and life; it is a creation designed for daily food; it lives and moves among breathing men; it is for the closet and for the field; it is of practical use to a practical people; its secrets are a shield and not a sword; it balieves in the royal heritage of man, and in the divine right of self advancement. Teaching loyalty to established government and obedience to law, it holds that any to established government and obcutence to law, it houss that governments are made for man, and that the citizen who controls himself, who recognizes the rights of, and has faith in, his fellow citizens, is the best prop and support of such a government. It believes in fruth, in honor, in temperance, in the overshadowing Fatherhood of God; in the lasting, eternal brotherhood of man; in charity in thought, and charity in acts; to the cry of Cain it answers, "I am my brother's keeper," and in every hour of its existence it has blessed humanity and lessened human toil and

You will then be short a sum equal to seven-twelfths of the entire taxable valuation of the personal property here owned. At the present rate of charitable expenditure, we distribute, for such purposes, the wealth of a Richmond every nineteen years-a distribution in which there is no expense account, and in which every dollar finds the pocket of the beneficiary.

demonstrates the magnitude of this Order's silent, charitable work. Can you question the fraternal spirit of such a brotherhood? Dare you challenge its right to live? Can you define the future's bounds?

It is not my purpose to enter into a discussion of the Order's principles, or to pronounce a eulogy upon its work. To-day it holds one million souls within its fond embrace. The streams of its unostentatious charity have flowed to every corner of our land; its white banner has led the march of fraternal life. To-day we salute our comrades across the seas; our flag is uplifted in the isles of the Pacific. Our faith has overleaped the barriers of States, nor has it been retarded by the artificial distinctions of society. Virginia's sons have shared our Order's struggles and its honors. They have taught its lessons on your soil, and "by their works ye shall know them."

We come, to-day, representing every State and Territory of this great Union, in apswer to Virginia's call, and in response to Richmond's welcome. With us, as comrades, brothers, and friends, are citizens of that northward land, with whose sons we claim kinship, whose national hymn is set to the same air as ours, and whose gentle ruler is queen of American as well as of English hearts. Within our convention hall are clustered the flags of sixteen different lands wherein this Order dwells, and over all hangs the white flag of peace, emblazoned with the scarlet links of truth. Such an Order it is my proud privilege to represent. In its

Such an Order it is my oroud privilege to represent. In its name I accept your greeting, and in its name I thank you for it. Generous as have been the spoken words, more generous has been the manner of your salutation. From the moment we entered Virginia until this hour we have been the recipients of boundless hospitality. We have travelled your beautiful valleys with delight: we have shared in a true Virginia welcome. We are glad that we have come, and we shall bear to our several homes brightest recollections of the Old Dominion, and of its sons and daughters. To your Excellency, to you Mr. Mayor, to the several representatives of our Order, and to you who represent our gentle sovereign Grand Lodge, and I trust that our sojourn among you may be as pleasant to you as it is profitable and enjoy to

may be as pleasant to you as it is profitable and enjoyable to us. Representatives: Virginia has formally welcomed us to her heart; Richmond has opened wide its gates; our brothers and sisters, the portals of their homes. Let us repay this courtesy by making this the most memorable session of our history—memorable for the good we accomplish, for the inspiration given to our brotherhood, for the assistance rendered to the weary soul. As the gates of a new century swing outward at our touch, let us lift our flag to loftier heights, and let us dedicate our Order anew to the great purposes that gave it birth.

We meet among a generous people and amid historic surroundings. Here, in more ancient days, people of our blood and kin laid the foundations of a mighty power. The history of this commonwealth is interwoven with that of this nation and of the English-speaking race. Its sons have been conspicuous in the forum and on the battle-field. Again and again has it sent forth 190

"Again we hail thee, Mother of states and unpolluted men, Virginia, fitly named from England's manly Queen."

The reception over. Grand Officers and Representatives repaired to Convention Hall in the Jefferson Hotel, which was the headquarters of the Grand Officers, and the Grand Lodge was opened.

The Ontario Representatives were assigned positions on Committees as follows:--

J. A. Young, P.G.M.-Legislation and the Special on "Connecting Link" (re Manchester Unity).

J. E. Farewell, P.G.M.-Constitution and Australian Matters.

S. Law, P.G.P.-Foreign Relations.

Past Grand Representatives Bros. J. T. Hornibrook, P.G.M., Henry White, P.G.M., and John Welch, P.G.P., attended the Session, and Bro. Welch received the Grand Sire's favor by being appointed Grand Messenger.

We present herewith the able and exhaustive report of the Grand Sire. He said:-

Nearly two thousand years have passed since was written:

"Pure religion and undefiled before God and the Father is this, To visit the fatherless and widows in their affliction, and to keep himself unspotted from the world."

Inspired by this spirit, animated by this faith, exemplifying these holy precepts by acts of helpfulness. Odd Fellowship has for more than eighty years been a living power within this land, and dwells in honor among, a free, enlightened, and progressive people. Our creed is not a compilation of empty words. Our faith glows like a heart of living fire. We honor a wonderful past, and the enemies of society endure, it will be necessary for this, and the enemies of society endure, it will be necessary for this, and the enemies of society endure, it will be necessary for this, and similar Orders, to exist. The need of good men, honest men, men who believe in manhood and in brotherhood, who know responsibility, and can assume it, was never greater than to-day. A century that has given to the world great souls and great ideas, that has lessened human burdens and made nature's elements do man's will, that has taught the sacredness of human life and the worth of human character, a century of battle, of storm, of sun-

light, and of victory, is drawing to a close. Peace is ours, but only recently have our battle flags been furled; the elder eastern world is even now vassing through hours of travail and of storm, and war's red cloud is over it. New responsibilities rest upon those strong races that represent the upward tendencies of man, and can we doubt but that this Order, with its splendid faith, and history, and ministrations, will have its part to do in the future's task. The flag of our fraternity has been unitured in other lands than this, and the principles it proclaims are those that accompany human progress, and where'er our Order goes its influence is felt. There are no dogmas in Odd Fellowship. Its proclaimed faith is universally approved. The doctrines it asserts, no man denies. It seeks not to control the path by which its members seek a higher life, but it does seek to build up and to purify human character; and character is the power by which the world is swayed. The true man cannot divorce ethics from the activities of his daily life, and the fraternity whose devotees observe this rule is the strongest and best. If it is true that "the finest fruit earth holds up to its Maker is iman," then it is equally true that all the agencies of this world are but the materials from which manhood is created.

Virginia, ancient among American Commonwealths, beautiful in mountain and in vale, and kissed by Ocean's wave, rich in traditions that have been written into the annals of a proud race, welcomes us with characteristic hospitality. Here where our father's fathers dwelt and, from adverse conditions, framed a powerful state; here where were written many chapters of the Republic's history, we meet to legislate for, and to guard the welfare of our great humanitarian brotherhood. Our Order-how God has blessed it Blessed it for its adaption of divine principles to human life; blessed it bccause it dared under all circumstances, and amid all temptations, to proclaim the loving care of a loving Father and the kinship of his children; blessed it because it has lifted the fallen, fed the hungry, given water to those who were athirst, clothed the naked, and remembered man's frailty while ministering to his body and to his mind; blessed it because in every line of doctrine it lifts temporal eyes to spiritual skies; and while leaving to individual conscience the selection of a heavenly road, inculcates those principles of right living, and that love of the divine spirit, that make the essence and the soul of all religious faith and practice.

Asserting this claim for Odd Fellowship, we recognize, as co-laborers, every kindred organization that is animated by the same spirit, and seeking to accomplish the same results. As Odd Fellowship walks hand in hand with that race, that keeps step to the music of advancing life, so it believes in work and the practical application of its teachings. It helps our brother when he needs help. It seeks to minister to those who walk erect in triumph's hour, and to those touched by misfortune's hand. It is not a dead phrase, but a living faith. It repeats with the monk of old,

> "Let pridish priests do battle about creeds, The church is mine, that does most Christlike deeds."

It dwells in, and is for, our world, and personally I care more for what it does than for any shield of heraldry that pride or covetousness may desire, or fiction authenticate. It is an Order in which rich and poor can dwell, it represents every element of our diversified life. It believes in a living God; it is dedicated to His children, and its ritual, drawn from the pages of His scripture, is enriched with the beauty of His teachings and the glory of His love. The present year has been one of great activity, and nearly every jurisdiction has made substantial gains and shared in our Order's prosperity.

The satisfactory results of 1899 will be surpassed by the gains of the current year which, according to my observation and re-ports sent to me by various Grand Masters and Grand Secretaries, is one of remarkable development.

I confidently expect that when the first report of my successor shall be presented, the Order will rejoice in the full knowledge that the closing year of the century has been one of the most properous in our fraternal history.

An analysis of the work of the past year, together with certain suggestions, is fraternally submitted.

# GENERAL CONDITION.

From the statistical tables prepared by the Grand Secretary, I deduce the following results relative to our membership, revenues

## NET GAIN AND MEMBERSHIP.

During the year ending December 31, 1899, in the territory under the immediate supervision of the Sovereign Grand Lodge,

# Net gain in membership was 42,669,

and in said territory, at the close of said year, Our total membership was 1,063,572.

Add to this the number of brothers owing allegiance to quasiindependent Grand Lodges, and this Order had, on above date, a

World membership of 1,093,899,

exclusive of 847 brothers and sisters—the returns do not indicate the true division—members of Rebekah lodges in quasi-independent jurisdictions.

#### ANALYSIS OF NET GAIN.

Of the above net gain, at home, 31,827 was in subordinate lodge membership and 10,842 in female membership of Rebekah lodges.

Our foreign membership, so far as returned, exhibits a net gain of 1,359 in subordinate lodge membership.

## NET GAIN IN ENCAMPMENTS.

It affords me great pleasure to report a net gain in subordinate encampment membership of 2,665.

## NET GAIN IN SUBORDINATE BODIES.

The number of subordinate lodges, under your immediate jurisdiction, has been increased by 170, and now number 11,589. Our Rebekah lodges have been increased by 274, and now number 5,327, while to the 2,616 encampments, exhibited in the last report, have been added 36, making a total of 2,652, at the end of the statistical year.

#### WORLD EXHIBIT.

Our Order December 31st last, was enrolled in 11,969 subordinate lodges, 2,660 subordinate encampments, and 5,347 Rebekah Lodges.

#### INITIATIONS.

Since the last report 78,731 persons were initiated in subordinate Lodges, 13,143 more than were initiated in the next preceding corresponding period, while 21,221 brothers and 33,476 sisters became affiliated with Rebekah Lodges, the increase in initiations being practically equal as regards sex.

#### REVENUE.

The total revenue during 1899 was \$9,643,080.86, an increase over the amount received in 1898 of \$876,687,30. In the latter year the total revenue showed a decrease of \$79,866.34.

#### EXPENDITURE.

The total expenditure in 1899 was \$7,994,824.85 as compared with an expenditure of \$7,582,712.96 during the preceding year.

#### SURPLUS REVENUE.

The excess of revenue over expenditure in 1899 was \$1,648,256.01.

#### RELIEF.

The 'total sum expended during the past year in relief was \$3,695,488.32, this amount being distributed among 102,809 brothers and 5,842 widowed families. During 1809 there was thus expended \$272,501.82 more than was used for the same purpose in 1898, and Subordinate, and Rebekah Lodges, and Encampments, proportionately shared the increased expenditure.

### INVESTED FUNDS.

December 31, the invested funds of the Order amounted to \$27,714.364.72, thus exhibiting a gain, during the past year, of \$529,123.26.

# THE STORY OF SIXTY-NINE YEARS.

At the last convocation of this Sovereign Grand Lodge to be holden in this century it is well to review the past, and while our earlier history has not been preserved in figures I ask you to read the story of sixty-nine years as it appears in

COMPARISON OF THE RETURNS OF GRAND BODIES AND SUBORDINATES UNDER THE IMMEDIATE JURISDICTION OF

## SUBORDINATE AND REBEKAH LODGES.

The net gain of 31,827 members in the subordinate lodge, as contrasted with an increase of 18,041 in the preceding year, shows the strength and activity of the basic branch of our Order, as-sures us that we can with confidence present its claims, indicates how strongly it is intrenched in the good-will of our people, and

how survey we can expect a fruition of our hopes. The Rebekah branch is prosperous, and while the increase is slightly less than is exhibited by the last report, the gain is a substantial one, and there is every reason to believe that this branch of our Order will continue to receive merited support.

#### ENCAMPMENTS.

It is with genuine pleasure that I am able to report a net gain of 2,665 in the Encampment branch, an event which justifies my expressed hopes, and belief, of a year ago. The tide has turned, and now that the Grand Sire is enabled to report a gain in membership, made during 1899, and with the knowledge that, all over the country, interest in this division of the Order is reviving, I ask you, and every patriarch within our jurisdiction, to earnestly devote some portion of the coming year to active labors in behalf of this attractive branch of our fraternity, with the full confidence that if this is faithfully done the Encampment will

steadily gain in strength and be restored to old time favor. No Odd Fellow should be unfamiliar with the beauty of the Encampment ritual.

Said Wildey, upon the occasion of his second installation as Grand Sire, "The introduction of Encampments has introduced a new era in the history of Odd Fellowship. . . . I feel an anx-ious desire to witness the existence of an Encampment in every state, yea, in every section of a state where there is established but one subordinate lodge, to render the sublime degrees access-ible to all, that light and knowledge may be widely extended, and its effects universally acknowledged."

Surely we cannot afford to disregard the words of one who has been aptly termed "the Order's Father."

### PATRIARCH'S MILITANT.

I confess disappointment concerning the Militant branch of the Order. While in a few Departments considerable interest is manifested the general report is of apathy and indifference. I regret to say that both the membership and the financial re-sources of this division of our Order are less than they were a year ago. Every effort has been made to secure complete returns, but it is almost impossible to receive either prompt or accurate reports, and slack Department officers cannot expect to have reports, and shack Department oncers cannot expect to have prompt and accurate subordinates. I have witnessed many bril-liant displays of our Militant Army, and had hoped and expected that the hard work of last year, and this, and the manifest energy of many of the army officials would produce commendable and pleasing results, but these expectations have not been realized. I have sought to foster this branch of the fraternity and have

promptly and fully answered all questions of Department Com-

manders, and of others interested in it, and I have been pleased with the energy and activity of many of those directly charged with local Militant administration, and where energy and harmony have been, success has followed. I earnestly wish that the apathy, ircely confessed in many Departments, might be dispelled and the army of the Patriarchs Militant prosper and grow strong. That it has not prospered this year, as a whole is apparent, and I do not believe that it will prosper until every officer and chevalier appreciates the fact that "fraternal armies" like every other socialmilitary organization, require active work and the missionary efforts of every member of the degree, and that confidence and harmony are absolutely necessary to the success of every department of the Order.

Legislation cannot accomplish what is desired—some Departments complain now of an excess of legislation—but a united Department with confidence existing between officers and members, and all animated by a zealous spirit, can stem the adverse current, and can increase the numerical and financial strength of our peaceful soldiery.

No other fraternal organization has a more attractive uniformed degree, or presents a better appearance on parade. There is no room within the ranks of our fellowship for controversy, and antagonism, between the different divisions of a common brotherhood. Each division should receive the co-operation of the other, and there is room enough for all, and I urge npon Department Commanders and upon chevaliers, the importance of workhard work-in behalf of the Militant Degree. It is my earnest hope that the coming year will demonstrate that renewed activity and interest have brought increased prosperity to each and every Militant Department. The reported membership December 31, 1890, was 15,274, a net loss of 895 during the year. Your attention is directed to the report of the Adjutant-General and its accompanying tables.

#### FINANCES.

The Special Committee on Ways and Means, appointed at the last session, and to which was referred a number of propositions relative to the revenues and expenditures of this Grand Lodge, duly submitted its report, and the same has been distributed in the manner directed by you. This committee has carefully studied the problems presented to it, has sought to reach conservative and reasonable conclusions, and its comprehensive report should receive the careful attention and consideration that its importance warrants.

It will be observed that no new plan of raising revenue is suggested, and that all the submitted propositions tending to that end are reported upon adversely. No additional tax is levied, but it is proposed to increase the present revenue by making mandatory the use of, and enforcing the law relative to, the official certificate, while decreasing expenditure by a reduction of the mileage paid the members of this body.

I concur in each of these recommendations. The official certificate, replacing, as it does, to a considerable extent the visiting card, and combining within itself the virtues of a receipt for dues,

a visting card, and an order for both the travelling and term pass words, has steadily grown in favor as is indicated by increased sales. But it is doubtless true that many jurisdictions are violating both the letter and the spirit of the law, and by a curtailed use of the certificate have actually decreased the revenues of the Sovereign Grand Lodge; that is, the amount received from the sale of official certificates does not equal the amount previously received from the sale of visiting and withdrawal cards.

The profits on visiting and withdrawal cards for the year ending July 31, 1806, as appears by Brother Ross's report for that year, amounted to \$15,052.51. The profits on the same cards, sold during the year ending

July 31, 1899, were 55,780,34. The profits on official certificates for the same year were

Ine profits on official certificates for the same year were \$7,329.74, thus producing a total net profit on the three cards, or certificates, of \$13,105.08.

It thus appears that in 1899 we received from the sale of visiting and withdrawal cards, and from the official certificates, a net profit of \$1,947.43 tess than we received in 1896, from the sale of visiting and withdrawal cards alone, and that in 1899 our net revenue from the sale of visiting and withdrawal cards was \$0,272.17less than we received from the same source in 1896.

These figures speak significantly, and tell, not to be contradicted, facts. I believe that the use of the certificate should be made mandatory, and that no premium should be put upon evasion, negligence, or disobedience; if the use of the certificate becomes both mandatory and general the increased sales will warrant a material reduction in the purchase price of the certificate, while, if the mileage is reduced, such reduction in price would not injuriously decrease the revenues of the Sovereign Grand Lodge.

I reiterate my statements and opinion of a year ago relative to the finances of the Sovereign Grand Lodge, and while a comparison has demonstrated that the administration of our finances has been conservative as compared with that of similar organizations, I am a firm believer in the policy of confining expenditures within revenues, and I urge you to enact at this session such legislation as will insure this wise and desirable result.

#### CHARTERS FOR SUBORDINATE LODGES AND EN-CAMPMENTS.

The Sovereign Grand Lodge has specifically adopted a form for a charter for Rebekah Lodges, and it may be fairly assumed than at some previous date a specific form of charter for Subordinate Lodges and Encampments was adopted. Various references are found in old journals to forms for warrants for Subordinate Lodges, and to other forms which do not themselves appear in the printed journal, and some trouble and controversy would have been avoided during the past year, had a specific form been easily accessible. I also learn that some Grand Lodges are printing charters issued to its subordinates. I believe that all charters for Subordinate Bodies of this Order should be issued by the Sovereign Grand Lodge, so that there should be uniformity in design and in language. I recommend that a form of charter

1900

for Subordinate Lodges and Encampments be adopted at this session, the same to be printed by this body, and to be included in the list of supplies issued by it.

#### NECROLOGY.

As a generous people annually, in the bright springtime of the year, commemorate the services of those who died for faith and country, so in a like spirit do we seek to perpetuate the memory of those who in their lifetime believed in, and labored for, this Order. The fragrant flowers strewn by loving hands upon lowly mounds are but a renewal of the symbolic evergreen that rests upon the faithful breast, and every lodge, and every brother, that participates in such a service is animated by the spirit, and strengthened for the work, of our fraternity.

Among those who last year entered into sleep were thirty-two brothers who had served in this Assembly. The great majority had passed the meridian of life. Some counted more than three score years and ten, and all had witnessed the Order's development and expanding power. While we say,

> "Farewell! A little time, and we Who knew thee well, and loved thee here, One after one shall follow thee As pilgrims through the gate of fear, Which opens on eternity."

we recall the manly qualities that characterized the lives of our former associates, and recite anew those personal qualities which made them near, and dear, to us. Nor do we dwell alone upon the virtues of those who here met with us, but remember that every lodge has borne with loving hands to endless rest members who, though perhaps lowly of rank, have made secure the name and fame of the Order they loved and served.

The Grand Sire closes as follows:

We have a strong, vigorous, and constantly expanding organization. It is an honor to wear the insignia of our brotherhoodof the fraternity which has done, and is doing, so much for man and country. But with power and influence come responsibility, and this great Order needs the care, support, and helping hand of all who constitute its household.

The past, with its lessons, its struggles, its successes, is ours. We live in sun-light now; fortune has favored us; the skies are bright with promise. Surely, at the close of the century that gave our Order birth, we, its disciples, can sincerely and honestly repeat-

"Our Father's God, from out whose hand The centuries fall like grains of sand,

We meet to-day, united, free,

And loyal to our land and Thee.

To thank Thee for the era done And trust Thee for the opening one."

If we are loyal to the great truths that constitute Odd Fellowship, zealous in our Order's behalf, and active in its ministrations, its future is secure.

#### DECISIONS.

The following are the decisions of the Grand Sire, all of which were adopted without dissent.

#### SUBORDINATE LODGE DECISIONS.

No. 1.-All brothers, while in the Lodge room, should be

clothed in regalia indicative of their rank and station in the Lodge. No. 2.—The sickness by reason of which an officer of a Subordinate Lodge can be excused from Lodge attendance, without forfeiting the honors of his office, must be his personal illness, and

not that of some member of his family. No. 3.—The Sovereign Grand Lodge having defined the term "sickness" as a cause of excuse for official absence, it is not within the province of a state Grand Lodge to set aside such interpretation, or to place a different interpretation upon said word when used for such purpose.

No. 4.-A sailor sick in a government hospital, is, if in good standing, entitled under the general laws of the Order to sick benefits.

No. 5. Statement-A brother who is in good standing in his Lodge becomes insane and is placed in an asylum, his wife applies for and receives a divorce; they have one child who is six years of age; she asks for the custody of the child and is granted the same by the court; in a short time she marries another man; her insame husband dies and is buried by the Lodge.

Question-Is the child entitled to orphan's benefits?

No. 6. Statement-A member suspended for non-payment of dues pays all arrearages within one year from the date of his sus-pension. The constitution of the Local Grand Lodge provides

the method by which such brother can be reinstated. Question-Must a brother conform to the provisions of such local law, or does he become reinstated by the mere payment of dues?

Answer-The brother seeking reinstatement must do so in conformity to the local law.

No. 7. Statement-Charges are preferred against a brother in a Subordinate Lodge, and the trial committee reported no cause of action. The Lodge sustained the report of the committee and in due season an appeal is taken to the Grand Lodge.

Question-Can the brother pending such appeal take a withdrawal card?

Answer-He cannot. Until the appeal is settled the charges

are still pending. No. 8. Statement—A Subordinate Encampment having six months' terms installed its officers in September. Prior to its next meeting night the city in which it is located declared a quar-next meeting night the Encampment was forbidden to hold meetantine under which the Encampment was forbidden to hold meetings for a period of six weeks. There was no quorum on the second meeting night in December. The officers therefore actually served at only three meetings, being, however, a majority, and all but one, of the meetings that they were permitted, under the re-strictions of the quarantine, to hold after their installation.

Question-Are these officers entitled to honors?

Answer-It has been rightfully held that the requisites for obtaining past official honors are service of the majority of the nights of a term and until the end thereof, and that the only cause that can excuse an officer is that of personal illness or some providenial interposition affecting him personally, and which he could not control. In the above case however, the law of the land intervened to prevent the holding of the meetings of the Encampment, and if officers and members were ready to hold the meetings, and said officers were actually present at all, but one, of the meetings permitted by the authority to be held, I think they were entitled to past official honors, the failure to convene not being caused by the Encampment, or officers, but by the law of the land which all were bound to obey.

No. 9.—Alt is not necessary for the officers of a Subordinate Lodge to wear, during initiation, the working regalia of their office in addition to the robes prescribed to be worn in such initiatory ceremony.

No. 10.+A brother who has served a full term as Noble Grand is entitled to receive the Past Grand's degree, although he has been re-elected as Noble Grand. No. 11. Statement—The Noble Grand of a Lodge resigns his

office, and all the members lawfully qualified to fill such vacancy refuse election.

Question-Can the Lodge elect the sitting Vice Grand, who has served a majority of nights in his office, to fill such vacancy? Answer-To be eligible to the office of Noble Grand a member must have served a term in the office of Vice Grand, but in case of the resignation of the Noble Grand, and all of the members lawfully qualified to succeed him having refused an election, it is competent for the Lodge to elect the sitting Vice Grand to such office, provided that a dispensation for the purpose, be first obtained from the proper authority in the jurisdiction to which the Lodge belongs. There is no distinction to be made between a Vice Grand, not qualified by previous service, and a scarlet degree mem )er.

No. 12. Question—Is a person eligible to membership in our Order who has one-quarter Indian blood, all other qualifications being complied with?

Answer-No. Such person would be deemed an Indian and not a white man, and would therefore be ineligible to membership.

No. 13-A Subordinate Lodge cannot adopt, for funeral purposes, any other regalia than that prescribed, or permitted, by the laws of the Order.

No. 14. Question-A person having one-fourth Indian blood having been initiated into our Order and received the degrees, without knowing that one-fourth Indian blood would exclude him, and the brothers not being aware of the fact, can he be retained as a member of our Order?

1900

iı

e

Answer—If the person was elected, initiated, and received the degrees without any fraud or concealment on his part, he is an Odd Fellow, and entitled to remain such until his membership is terminated in a manner provided by law.

No. 15. Question—Should the Grand Master of a state hold office in his Subordinate Lodge, such as Vice or Noble Grand? Answer—Upon principle he should not. The duties of an exe-

cutive officer of a Subordinate Lodge are such as might be inconsistent with the proper discharge of his duties as Grand Master.

No. 16—Every member of a Subordinate Lodge, including the Noble Grand, is entitled to vote at an election of Lodge Officers, but the Noble Grand, as such, cannot exercise the franchise a second time in one poll, nor in case of a tie vote between candidates vote again "to break such tie" or at all after the polls have been closed. Equality of suffrage is the basis of our elections.

Where the Noble Grand is permitted by local law to "give the casting vote in case of tie" such permission applies to legislative guestions and not to the exercise of the right of suffrage unless such suffrage right is clearly given in express terms.

No. 1.7.—Unless the constitution, or laws, of a Grand Lodge so provide, a Subordinate Lodge existing under such Grand Lodge has no power to initiate, free of charge, ministers of the gospel. There is nothing in the laws of the Sovereign Grand Lodge that authorizes or permits free initiation.

No. 18.—The constitution of a Grand Lodge reads, "District Deputy Grand Masters may grant dispensations in all cases, except to establish new, or revive old, lodges, and cases relating to the finances of the subordinates." The powers and duties of District Deputy Grand Masters depend largely upon the provisions of local law, and under the above quoted provision of a Grand Lodge constitution, a District Deputy Grand Master would be authorized to grant a dispensation permitting a Subordinate Lodge to march in public processions in regalia, and to grant a dispensation to a Subordinate Lodge permitting it to elect a scarlet degree member as its Noble Grand, all duly qualified brothers having declined to serve.

No. 19.—Where the governing constitution does not forbid the enactment of retroactive laws, it is within the power of a Subordinate Lodge, subject to such approval as is required by local law, to enact a by-law fixing the compensation of the secretary, and providing that such law shall take effect from a past date, but such retroactive clause must be stated in express terms in the by-law.

No. 20. Statement—A member in good standing in a Subordinate Lodge, while serving in the army of the United States, and being in the Philippine Islands, was there taken sick, confined to a government hospital, and entirely incapacitated from doing work for nearly three months. The Lodge refused him benefits upon the ground that although sick, and unable to perform his duty, or in any way to make a livelihood, his wages went on just the same, his expenses for medicine and medical attendance, nursing and other expenses incident to illness, being paid by the government, and that it was not contemplated by the general law of the Order, that benefits should be paid under such circum-

stances, and cite decision 164 approved by the Sovereign Grand Lodge, in 1899, as confirmatory of its opinion. The constitution for the government of Subordinate Lodges of the jurisdiction prowides that "Every member in good standing, who is not sus-pended for cause or disqualified on account of arrearages, according to sections I and 2 of article IO, which shall be rendered incapable by sickness, accident, or injury to his person, from following any business, avocation or employment whereby he may ob-tain a livelihood, provided such sickness or disability shall not have been caused by intemperance or other immoral conduct, shall be entitled to receive from the funds of the lodge, benefits during such sickness or disability as may be fixed by the by-laws."

Question—Is the Lodge liable for sick benefits? Answer—Under the above statement of facts the brother is entitled to sick benefits. Decision 106 of 1896, approved by the Sov-ereign Grand Lodge reads, "By the general law, a soldier sick in a hospital for soldiers and there supported, is entitled to benefits if in good standing." Since the last session of the Sovereign Grand Lodge I have decided that "A sailor sick in a government of the Dorder, to sick benefits." These decisions are conclusive of the Order, to sick benefits." These decisions are conclusive of this case. Decision 164 made by me last year was based upon the circumstances of a particular case, and the construction of a Lodge Constitution, and the judiciary committee approving said decision, added with my full consent, "but we are of the opinion that the fact of the continuance of his salary or wages by his employer shall not be construed to deny right of benefits to a brother whose ability to personally earn a livelihood has been les-sened by the disability." In other words, it is not the payment of wages, but the ability of the brother to earn wages, that consti-tutes the test, and in the case referred to in decision No. 164, the brother's occupation was such that his earning capacity was not affected by the injury. The present case presents a different state of facts, and I regard the brother as entitled to the claimed benefits.

No. 21-Subject to the provision of the minimum benefit law, a Subordinate Lodge may, by a law applicable to all its members, reduce the amount paid by it for weekly sick benefits, and a brother then sick would thereafter be entitled to draw benefits only at the reduced rate.

No. 22 .- A change in the law of the Subordinate Lodge reducing the amount paid for sick benefits cannot be made retroactive so as to reduce the amount of benefits which have previously accrued to a brother then ill, but a Lodge may, with approval of its Grand Lodge, provide that where a member shall have received one full year's benefit, the weekly benefit thereafter, to such member, shall be one dollar per week, and in computing the year, the period of the brother's illness before the passage of the by-law may be counted, provided the wording of the by-law so permits.

Where the laws of the state provide that a legally adopted child is entitled to all the prerogatives of a natural born child, such adopted child becomes, in view of the law, a child in fact of the adopting parents, and if an Odd Fellow in good standing so adopted a daughter, she would be eligible to membership in a Rebekah Lodge.

No. 36.—A Grand Lodge may require a larger, but not a smaller, number than three black balls to reject an applicant for membership or reinstatement in a Rebekah Lodge.

No. 37.—A Rebekah Assembly cannot convene in special session for the purpose of conferring the Assembly degree unless its charter, or the Grand Lodge of the jurisdiction, so permits

No. 49. Question—A Past Grand fully qualified, is elected Grand Representative to the Sovereign Grand Lodge for two years, but at the expiration of one year his Encampment fails to make its annual returns. Does this prevent him from holding his office to the end of the time for which he was elected?

Answer—The mere failure of the Subordinate Encampment to make proper returns would not, of itself, affect the brother's office as Grand Representative, but if, as a result of such failure, the suspension of the Encampment follows, then, in that event, the brother should, within the time limited by local law, deposit his card in, or connect himself with, another Subordinate Encampment.

Question—Can he then receive from the canton of which he is a member an honorable discharge?

Answer-He cannot. Having engaged in the saloon business before he applies for an honorable discharge he has thus rendered himself ineligible to receive it.

#### MISCELLANEOUS DECISIONS.

No. 63.—An elective officer of a Grand Lodge cannot be installed by proxy.

No. 64.—Where a valid law of a Grand Jurisdiction provides that the A. T. P. W. shall not be issued to a lodge in arrears for its dues to the Grand Lodge, it is not permissible for such lodge to issue an order, directed to the Noble Grand of another lodge, requesting such. Noble Grand to communicate such password to a member of the lodge in arrears, nor should such order be honored, if presented, by a Noble Grand who knows the circumstances under which such order was issued and that the lodge issuing it was not itself entitled to the password. No. 65.—The Sovereign Grand Lodge having prescribed that

No. 65.—The Sovereign Grand Lodge having prescribed that non-affiliated Odd Fellows seeking to become non-beneficial members must have retained their membership in the Order for at least five consecutive years, it is not permissible for a Grand Lodge to require them to have retained such membership for at least the consecutive years.

No. 66.—A Grand Lodge has the power to levy a per capita tax upon its subordinate membership, the revenue from said tax to be devoted to the use and support of an Odd Fellows' Home.

No. 67.—A Grand Lodge can only collect dues from a defunct subordinate up to the date of the surrender of its charter, and in no event exceeding the term of one year, and the life of a withdrawal card issued by a Grand Lodge under the provisions of the legislation of 1899, and carrying as it does the right of visitation, can only be for a period not exceeding one year from the time dues are paid, that is one year from the time of the surrender of the charter.

No. 68.—The adoption of report No. 45 as it appears in the Journal of 1399, did not rereal the provision of report No. 5 adopted at the same session. Prior to the legislation so enacted the only card issued by a Grand Lodge to one who was a member of a defunct subordinate, was a defunct card, which acting as an expired withdrawal card, enabled him to join another subordinate lodge as an Ancient Odd Fellow, and this card was discretionary with the body issuing it and based upon good standing in the surrendered subordinate lodge (See digest, sections 169, 170, 755), and there did not seem to be any provision made for a member who had been dropped for non-payment of dues, prior to the surrender of his lodge, withdrawal cards and dismissal certificates

being, prior to this legislation, issued by live subordinates only. Reading reports No. 5 and 45 together, provision seems now to have been made by which grand bodies can care for all classes

No. 69.—A' Grand Lodge, or Grand Encampment, can now issue a withdrawal card to a brother in good standing, who applies therefor within one year from the date of the suspension of the lodge, or encampment, to which he formerly belonged, the card covering the right of visitation for one year from the date

No. 70.—A Grand Lodge, or Grand Encampment, can grant a dismissal certificate to a brother who has been dropped, or suspended, for non-payment of dues (and a dismissal certificate is only issued to one who has been dropped for non-payment of dues), before the lodge, or encampment international current of

No. 71.—A defunct certificate may be issued to a brother who was in good standing at the time of the suspension of his lodge, or encampment, but who applies to the Grand Lodge or Grand Encampment, for a card after one year from the date of such suspension, or in other words, after the time when he would be entitled to receive a withdrawal card.

No. 72.—An Ancient Odd Fellow is one who has retired in good standing, and the holder of a dismissal certificate is not an Ancient Odd Fellow. No. 73.—The defunct certificate set forth in report No. 5

recites on its face that the brother "is free from any charge whatever" and is distinctly different from a dismissal certificate and applies to an entirely different class of brothers.

No. 74.—Under report No. 45 the officers of a Grand Lodge, or Grand Encampment, can issue a dismissal certificate or withdrawal card to a member of a defunct subordinate according to the standing of the brother at the time of the surrender of the charter of the subordinate; in other words, the brother who was entitled to receive either of such certificates from a lodge, or encampment, at the time of the surrender of its charter, is now campment.

No. 77. Statement—A brother was not engaged in the saloon business at the time of the enactment of section 5, article 16, of the constitution of the Sovereign Grand Lodge, and was afterwards suspended for non-payment of dues. While so suspended he engaged in the saloon business.

Answer-He would be liable to charges and punishment. No. 78. Statement-A subordinate lodge is the owner of a plot of land with a three story building thereon, the first and second floors of which building are rented for business purposes. The income so received is placed in the general fund of the lodge along with dues and other receipts. The lodge has a by law, that has been approved by the Grand Lodge of the state, authorizing it to create a special fund for special purposes from the receipts for the rent of offices and stores in the lodge building, but no such special fund has been created.

Question-Can the lodge without violating the laws of the Order donate one thousand dollars, or any other sum, from the amount so received for rents, to a railroad company as an inducement for such company to construct the main line of its road through the town in which the lodge is located.

Answer-It cannot. Under this statement of facts there is no doubt that the money received from rents has become a portion of the general fund of the lodge, and, as such, cannot be donted for the purpose of aiding the construction of a railroad. These funds are stamped with the character of trust funds, and can only be used for the purposes of said trust and the legitimate expenditures of the Order.

No. 79 .- No officer of this Order is authorized to give secret work to a person holding a dismissal certificate.

No. 80 .- A Grand Lodge is not compelled to issue a charter to a lodge working under a dispensation issued by the Grand Master in vacation. The refusal of such charter by the Grand Lodge terminates the existence of the subordinate body.

No. 81.-A Grand Warden performing the duties of a Deputy Grand Master, but without being elected to, or installed into, such office, is not entitled to take rank as Deputy Grand Master. He never became such an officer through discharging the duties thereof.

No. 82 .- The rights of a Past Grand to vote for Grand Officers is a vested right of which he cannot be deprived.

No. 83.-A person who denies the existence of God, or of a Supreme Being, is not eligible to membership in the Order.

No. 84 .- The term of a Grand Representative expires when his successor has been legally admitted to a seat in the Sovereign Grand Lodge, and this irrespective of the fact that two calendar years have not actually expired since the election of the first representative.

No. 85 .- The resolution adopted in 1899 relative to the number of copies of the daily Journals and reports to be furnished the members of the Sovereign Grand Lodge (See pages 392 and 479 of Journal) repeals only so much of the prior resolutions concerning the same subject as in conflict therewith, and under the existing rule the Grand Secretary is required to mail a copy of the reports of the Grand Officers, to each officer and member of the Sovereign Grand Lodge two weeks prior to the session thereof, and to furnish four additional copies to each member upon the first day of the session, and to furnish to each member four copies of the daily Journal of each day's proceedings.

No. 86.—The legislation had last year at Detroit, relative to the Odd Fellows' Relief Association of Canada, simply authorized said association to retain the word "Odd Fellows" in its corporate name, and did not in any way make the Sovereign Grand Lodge, or the Order, responsible for the solvency or the acts of said association, and expressly prohibited said association from doing business, or soliciting insurance in the name of the Order by the authority of the Sovereign Grand Lodge, and any from Lodge can eact such legislation as it sees fit relative to the invasion of the lodge rooms of its subordinate bodies, by the solicitors of such association, nor did such legislation authorize or empower any Grand Lodge to issue licenses to such association

or empower any Grand Lodge to issue licenses to such association. The entire, and only purpose, of the resolution of 1890, was, as I understand it, to prevent the dissolution of said association, which, under the provisions of the Canadian law, would be necessary if its name was changed, and the only relief granted or intended by the Sovereign Grand Lodge was such as to enable it to avoid the appointment of a receiver in accordance with the provisions of the law under which it was incorporated. No. 87. Statement—It has been the custom in Virginia when there are two or more candidates for an elective office in a subordinate or Grand Lodge, for the candidates to retire to the anteroom until after the ballot has been canvassed, and the tellers collect their votes from the ante-room, with the inside door open to the view of the presiding officer who has supervision of the

Question—Is this a violation of section 1303, Digest of the Sovereign Grand Lodge, 1895, page 402, and does not the law apply to other parties who may chance to be in the ante-room at the time for smoking, chatting, or other purposes? And if candidates cannot vote in the anteroom please state in what manner their votes should be collected.

Answer—No brother, whether a candidate for office or not, is to be permitted to cast his vote in any other place than in the lodge room proper, and he cannot be permitted to cast it in the ante-room. Any brother desiring to take part in the business of the lodge must be in the lodge room proper, and if a candidate desires to vote, he must vote in the same place, and under the same conditions, as if he was not a candidate

No. 89.—There is no express law of the Order permitting the celebration of the anniversary of the Order on any other day than April 26th, and it has been held that a lodge could expend money for such celebration only on that day, but the reverence with which Sunday is generally regarded, and the existence of a law which does not permit subordinate organizations of the Order to meet on Sunday, for other than funeral or memorial purposes, would, when April 26th falls upon Sunday, (and in analogy to the practice followed in the celebration to be held upon the preceding, or upon the following, day.

No. 90. Statement—A member of the Order has made arrangements to go into the saloon business. On June 13, 1900, he goes to the place of business of the secretary, and there writes a resignation from the Order and hands it to the Secretary. On June 15, 1900, he opens a saloon. The regular meeting night of the lodge is June 18, 1900, at which time the resignation was read to the lodge.

Question—When does this party's membership cease, of June 13, 1900, the date the resignation was written and came into possession of the secretary, or on June 18, 1900, the regular meeting night of the lodge?

Answer-The resignation takes effect from the time it was presented at the regular meeting of the lodge.

Answer—No. Such funds and property so received can only be applied to the relief of "Aged Odd Fellows" under the limitations and according to the express provisions of legislation found on page 14,941 of the Sovereign Grand Lodge Journal of 1896, and amendments thereto found on page 15,603 of said Journal of 1897.

No. 98.—A District Deputy Grand Master is the only person authorized to wear the jewel provided for District Deputy Grand Masters in accordance with report No. 149, page 381, the Journal of 1899.

No. 99.—Neither a lodge, nor the secretary thereof, has the right to refuse to issue to a brother of the Third degree, in good standing, a certificate of his standing in the lodge, which certificate is necessary to be filed with an application for membership in an encampment.

## EUROPE.

Harmony, prosperity, and advancement, has characterized the course of our Order in Europe. From nearly every country come reports of accessions to our ranks, and increase in financial strength. Halls and buildings dedicated to Odd Fellowship are springing up throughout our foreign jurisdictions, and a zealous and devoted brotherhood is actively laboring in the interests of our great fraternity. The principles of our fellowship have found advocates where least expected, and numerous lodges, and an ever growing brotherhood beyond the sea are the results of faithful work. Men prominent in social, political, and mercantile life of Europe, have joined the working forces of our lodges, and the

future of our European fraternity seems bright with promise. Your attention is directed to the report of the Special Deputy Grand Sire for Europe (printed in S. G. L. Journal), and I trust that it will be carefully read by every representative.

### SUNDAY LAW.

My attention has several times been called to the rather serious infraction of the laws of the Order relative to Sunday observ-Learning that in one of our larger jurisdictions a number ance. of Rebekah lodges were holding their regular meetings upon the day which by universal custom in this country is dedicated to other than secular purposes, I directed the attention of the Grand Master of the jurisdiction to this breach of the positive law of the Order that forbids the holding of lodge meetings on Sunday, and was gratified to receive a prompt reply from the Grand Master informing me that he was not aware of such meetings being held, but that the lodges would either abandon such meetings or be required to surrender their charters. I have no doubt that prompt and efficient action will be taken by the official named and I only mention it here in order that your atttention may be directed toward what seems to be a growing tendency, in certain localities, to disregard laws wisely enacted, the observance of which is greatly to be desired, and a disregard of which must tend to lessen the influence of our Order among people whose good will it is necessary to retain.

#### LODGE SUSPENSIONS.

This Order in common with other fraternal, social, and semibusiness organizations suffers from that apathy and indifference that results in non-payment of dues and loss of membership.

I am not foolish enough to believe that you can cure by legislation an evil that exists in human nature, the only apparent remedy for which is the tireless work-of the officer charged with the collection of lodge dues. I suggest the advisability of directing the attention of Grand Masters to this drain upon our resources, requesting them to seek to restrain it within their variour jurisdictions, and to urge upon lodges the necessity of selecting such financial agents and making such arrangements with them as will reduce to a minimum our losses from this cause.

Many brothers lose membership by reason of a change of residence and neglect to seek, or financial inability to obtain, new lodge affiliations, and it might be well for you to consider such legislation as would enable brothers to more economically transfer their membership from one lodge to another, irrespective of the grand jurisdiction in which such lodges may be located.

#### VISITATIONS.

My homeward route from the session at Detroit led through Canada, and in company with New England representatives, I was most lavishly and fraternally entertained by our Canadian brothers.

Our stay in the beautiful city of Toronto was rendered exceedingly pleasant by the hospitality extended by the Grand Lodge of Ontario, through its Grand Master and Grand Scoretary, assisted, as they were, by a very efficient committee. A carriage ride through the streets of the city, a visit to the superb public buildings that beautify it, with a reception and lunch at one of the city club houses, constituted the principal features of our reception, and this, supplemented by an attendance at a joint, session of "Queen City of Toronto" and "Laurel" Lodges, at which we had the pleasure of witnessing a very commendable exhibition of the work and of enjoying a complimentary banquet that followed, together with constant expressions of fraternal regard, rendered our stay in Toronto most agreeable, and one that has been recalled with a great deal of pleasure by all who were able to enjoy the courtesies tendered by our Ontario membership.

I was very glad to meet the lodges in session and to witness the exemplification of their work, and the secret of this jurisdiction's success was disclosed in the fraternal courtesy, and brotherly acts, exemplified during every hour of our stay, and the exhibition of good fellowship displayed among themselves, and tendered to their visitors in the lodge room, and during succeeding festivities.

At Montreal we were received by a committee, representing the Grand Lodge of Quebec, and realized once more that we were among friends. e

A morning devoted to sight seeing and visits to the beautiful churches tor which this city is famed, a carriage ride of several hours' dufficion, and the pleasure of beholding wonderful scenic beauties as revealed from the summit of Mt. Royal, were ours. And all this in the midst of a brotherhood that never relaxed its eftorts to render our visit memorable and enjoyable. Nor did their kindness cease when we left Montreal, for notice of-our coming had been sent to Quebec, and on the arrival of a few of us there, we found a committee waiting at the steamer's whard, and at the hands of this committee we enjoyed one of the most delightful days that any of the visitors have yet experienced.

The beauties of this ancient and quaint city were fully revealed to us, and we thoroughly enjoyed our sojourn in the "Gibraltar of America." The citadel was exhibited to us by members of the Order, stationed there, and the view from this point is one of surpassing beauty. We visited the shrine and church of St. Anne de Beaupre, beheld the Falls of Montmorency, and on our return to the city were lunched at the "Chateau de Frontenac, and then several hours were devoted to driving through the streets and a visit to the "Plains of Abraham." Until our departure, late in the afternoon, every moment of our time was occupied, and we never experienced a more cordial welcome or more delightful hospitality than we received at the hands of these Quebec brothers, who devoted their entire day to us, and who sent us their farewell cheers and good wishes, from the wharf, as we departed. We approached the city in the early morring and departing will long remain with us, as will the memory of the hospitality, ordiality, and goodwill of the brethren whom we met as strangers and left as friends.

It has been my good fortune to meet several times our Canadian brothers, and I have never known a more loyal, more devoted, or more fraternal body of men than those who wear our emblems, and maintain our faith, unde: the flag of our northern neighbor.

My thanks are due to the Grand Lodges of Ontario and Quebec and to the numerous brothers who represented the fraternity during my passage through Canada.

"Resolved. That all laws in conflict with the above resolution be, and the same are hereby repealed."

Questions having arisen as to the effect of this legislation, and the scope, character, and nower of the said card and certhficate and the circumstances under which they should be issued, the Grand Sire has decided that the adoption of report No. 45 did not repeal the provision for the defunct certificate, but that each of the certificates or cards can be issued by Grand Lodges and Grand Encampments.

First. A Grand Lodge or Grand Encampment can new issue a withdrawal card to a brother in good standing who applies therefor within one year from the date of the suspension on the Lodge or Encampment to which he tormerly belonged, the card covering the right of visitation for one year from the date of such suspension.

Second. A Grand Lodge or Grand Encampment can grant a dismissal certificate to a brother who has been dropped, or suspended, for non-payment of dues (and a dismissal certificate is only issued to one who has been dropped for non-payment of dues), before the Lodge or Encampment, surrendered its charter.

Third. A defunct certificate may be issued to a brother who was in good standing at the time of the suspension of his Lodge, or Encampment, but who applies to the Grand Lodge or Grand Encampment, for a card after one year from the date of such suspension, or in other words, after the time when he would be entitled to receive a withdrawal card.

Fourth. An Ancient Odd Fellow is one who has retired in good standing, and the holder of a dismissal certificate is not an Ancient Odd Fellow. Fifth. The defunct certificate set forth in report No. 5 recites

Fifth. The defunct certificate set forth in report No. 5 recites on its face that the brother "is free from any charge whatever," and is distinctly different from a dismissal certificate and applies to an entirely different class of brothers. Sixth. Under report No. 45 the officers of a Grand Lodge

Sixth. Under report No. 45 the officers of a Grand Lodge or Grand Encampment can issue a dismissal, certificate or withdrawal card to a member of a defunct subordinate according to the standing of the brother at the time of the surrender' of the charter of the subordinate; in other words, the brother who was entitled to receive either of such certificates from a Lodge or Encampment, at the time of the surrender of its charter, is now entitled to receive either from the Grand Lodge, or Grand Encampment.

The Special Committee on Ways and Means, appointed at the last session, had referred to it the matter of relief of sanitariums, the manufacture and sale of regalia by the Sovereign Grand Lodge, the mileage and per diem of Grand Representatives, the increase of the present representative tax paid by the various jurisdictions, propositions relative to the official certificate, and several other and similar propositions relative to the revenues and expenditures of the Sovereign Grand Lodge.

The Committee made an exhaustive report and presented the following resolutions:

#### The following was adopted:

#### REPORT OF GRAND REPRESENTATIVES.

December 31, 1898, 'our Subordinate Lodge membership was 830,961, our Kebekah membership 312,339, and our Encampment membership 127,141; thus making 1,270,441, while our membership December 31, 1899, in the same bodies was, Subordinate Lodge membership 891,351 Kebekah membership 325,949, and Encampment membership 129,150, an aggregate of 1,316,450. By reference to the table you will see that we sold for the use of these members, during the year therein named, 1,392,500 ornical certificates, approximately one certificate per member.

It is a well known fact that comparatively few members pay a year's dues in one payment and probably a conservative estimate would say that three-quarters of our membership divide their yearly dues into four payments. On the basis of only two payments per year per member, we should have sold 2,632,900 certificates, and on the supposition that three-quarters at least of the membership pay quarterly, the sales for the last twelve months should amount to 4,278,500. The tale of evasion and non-pur-chase is so clear that in addition to the repeal of the "requesting" clause before referred to, we recommend that the incoming Grand Sire be instructed to enforce the law relative to the use of official certificates, and to require Grand Masters and Grand Patriarchs to rigidly enforce the provisions of such law within their various grand jurisdictions.

The committee have earnestly sought some method by which the cost of these certificates to subordinate bodies could be Tessened, but are driven to the conclusion that the decreased cost must follow increased consumption, and that the two must go together. The present price of the official certificate to grand jurisdictions is eighty cents per hundred; on the present basis of use that price cannot be reduced, as even at that price it is not yielding the revenue that we received from the sale of cards before the certificate was introduced, but with the universal use of the certificate this price can be reduced, and in order that the membership may receive the benefit of said reduction, (if such reduction is warranted by sales) as speedily as possible, the committee recommend that the Finance Committee be authorized to change the price of the certificate according to, and when the annual sales reach the figures herein named. When the annual sale of certificates reaches 3.000,000, the price thereof to grand jurisdictions shall be 60 cents per hundred; when the annual sale reaches 4,000,000, the price shall be 55 cents per hundred; and when the annual sale reaches 5,000,000, the price thereof shall be 50 cents per hundred. This reduction in price would change cost to subordinate bodies to 80, 75 and 70 cents when the annual sales reached the quantities herein named.

The following was adopted:

Resolved. Sixth, That the Committee on Printing Supplies be authorized and empowered to fix the price of official certificates at prices named in this report when the annual sales of said certificate reach the figures therein named. (See above paragraph.)

The following is the new legislation: Resolved, That the Grand Sire, in conjunction with the Grand Secretary issue a proclamation annually, at least sixty days prior to the 10th of June, requesting all Lodges to assemble on the second Tuesday of June, and engage in appropriate services respecting their dead members, such services to be conducted in an

appropriate manner. Such proclamation shall embrace the names of such officers and members if any, who died during the term therein named; provided that if a ditterent day be more convenient for any jurisdiction to hold such memorial services, the Grand Master thereof may select such day, and the Grand Master may issue his proclamation in accordance thereof.

Resolved, That a special committee of three be appointed by the Grand Sire to revise the installation ceremonies of Grand Lodges and Grand Encampments, and submit the same to the Grand Sire, and, after his approval, the Committee on Printing Supplies be directed to print the same.

Resolved, "That Subordinate Lodges and Encampments are hereby authorized to expend money from their general funds in the purchase of veteran and honorable veteran jewels for presentation to such of their members as are entitled to wear the same subject to the provisions of any local laws governing the expenditure of Lodge and Encampment funds," would report that we have carefully considered the subject, and recommend the adoption of said resolution. Moved by Bro. Campbell, P.G.S.

Resolved, That purchasers of the new jewel for District Dejuity Grand Masters are hereby permitted to keep the same as mementoes of official service.

Resolved, That Past District Deputy Grand Masters may wear the said jewel after their term or terms of said office have expired: provided, that they shall first have an initial letter "P," placed in the centre, at the top of the shield, in blue enamel, of same style and size as the letters D. D. G. M. thereon, so that the designation of the jewel will read P. D. D. G. M.

Resolved, That the Committee on Printing Supplies be, and they are hereby authorized and directed to prepare a form of charter for Subordinate Lodges and Encampments, which shall be uniform in design and in language, and place the same on sale by the Grand Secretary, with the saleable supplies of this Sovereign Bedy, and that said committee fix the price of said charter at a feasonable per-centage above its cost; provided that such charter shall not be finally adopted until it has been submitted to the Grand Sire and received his approval.

Resolved, That the Grand Secretary notify the several jurisdictions of this form of charter when it is ready for sale, and inform all such jurisdictions that this charter must only be used when a new Lodge or Encampment is instituted, or when a duplicate charter is issued to replace one that has been lost or destroyed, and that its purchase is to be made from this Sovereign Grand Lodge through the Grand Secretary of each of said several jurisdictions; Provided that State Grand Bodies may continue to use such forms of charters as they now use, until the supply held by them shall be exhausted.

Resolved, That hereafter an Official Certificate shall be issued in all cases where members pay dues and assessments to Subordinate Bodies, and shall request a receipt therefor; and it shall be unlawful for any Subordinate Lodge or Encampment to permit

its officers to issue, and it shall be unlawful for any officer of any such Subordinate Body to issue any receipt, statement, or other paper evidencing the payment of money on account of dues or assessments, except an official certificate; provided, however, that when a member applies for, pays for, and receives a visiting card or withdrawal card, it will not be necessary to issue an official certificate, evidencing the same payment.

Resolved, That the Committee on Printing Supplies are hereby authorized and directed to prepare suitable designs for jewels for Past District Deputy Grand Masters, District Deputy Grand Patriarchs, and Past District Deputy Grand Patriarchs; said jewels to be furnished to such persons as are entitled thereto, at such prices as the committee shall fix; the proceeds of such sales to be paid to the Grand Treasurer, in the same manner as the sale of other supplies.

Resolved, That Article XIV. of the By-laws of the Sovereign Grand Lodge, be amended by adding to said article the following, to wit:

And provided further, That Grand Representatives, Elective Officers of a Grand Lodge, and Elective Officers of a Rebekah Assembly may introduce visiting members from another jurisdiction into Rebekah Lodges within their jurisdiction under the limitations of existing law.

Resolved, That the Grand Officers be requested, at the same time they forward advanced copies of their reports to Grand Representatives, to also forward a copy of such reports to each Fraternal Journal published in the interest of Odd Fellowship, and which shall regularly send a copy of its publication to the officeof the Grand Secretary.

Resolved further. That the Grand Secretary be requested, at each session of this Grand Body, to have provided in some suitable place a table and chair for the use of such of said Journals as shall notify him at least ten days before the opening of the session that they expect to have a representative present during such session, who will be entitled to sit in the Grand Lodge as a visitor.

The Committee on the Judiciary, to whom was referred a resolution, requesting the Sovereign Grand Lodge to cause the "Three Links," alone, and also in connection therewith the words "Friendship, Love and Truth," and the initials "F., L. and T." to be the adopted emblems of the Order, and to be copyrighted, reported as follows:

"We have examined the matters contained in Resolution No. 15. and find that, under the statutes of the State of New York and other States, it is made a penal offence for any person to wilfully wear and use, for the purpose of obtaining aid and assistance, the badge, emblem or insignia of a society or organization of ten years' standing, without right to wear the same.

We find said emblems have not heretofore been specifically declared as adopted and distinctive emblems of the Order in such

1900

manner that the same could be properly introduced as evidence of the fact, in order to place our Order under the protection of such State laws.

We heartily commend the requests of the Grand Lodge of New York, and are of the opinion that the adoption of the resolution hereinafter recommended will, together with the State laws covering such matter, afford means to punish frauds and impostors. We therefore recommend the adoption of the following resolution:

Resolved, And, it is hereby specifically declared, that the "Three Links" alone and also the words "Friendship, Love and Truth" and the initials "F, L, & T." have heretofore been, now are and shall be adopted emblems and badges of the Independent Order of Odd Fellows.

Resolved, That the Grand Secretary be, and he is hereby, instructed to copyright the Journal of the proceedings of this Grand Lodge, except the Secret Journal, of this and all past and inture sessions, both bound and unbound volumes, and to copyright or patent all other supplies issued by this Sovereign Body.

Resolved, That the Grand Secretary is hereby instructed to procure from the several jurisdictions full information as to the establishment and operation of Homes, Asylums, and other benevolent institutions controlled by the Order, and report the same yearly in tabulated form.

Resolved, That the Grand Secretary of the Sovereign Grand Lodge be, and he is, hereby authorized and directed, together with a special committee of one, to be appointed by the Grand Sire, to cause the unwritten work of the degrees of the Subordinate and Rebeakh Lodges, and of the Subordinate Encampment, translated into the German language, preserving, however, the passwords and such other words of universal use, as must be spoken in the English language.

The Committee on the State of the Order made the following deliverance:

Your Committee on the State of the Order, to whom was referred that part of the Grand Sire's report found between pages 3 to 8 and 40 to 41 thereof, would respectfully report we have read with much delight the story of prosperity there related. The story of success as detailed between pages 3 to 8 so overwhelms the adverse comments on pages 40 and 41 that we need scarcely notice them. And yet we wish to reaffirm all the Grand Sire has said with reference to "Sunday Law" and "Lodge Suspensions."

An institution which at the threshhold requires its members to believe in a Supreme Intelligent Being cannot measure up to the line of full success, if it encourages violation of one of the laws of the Supreme Being. "Thou shalt remember the Sabbath day to keep it Holy," is as much of a command to-day as six thousand years ago. It is as binding upon Odd Fellows as upon the less favored class. We would therefore, recommend that Grand Masters of the various jurisdictions see that nothing is done in the name of the Order on the Sabbath day which will bring discredit upon that day. In our opinion the question of "Lodge Suspensions" is one almost wholly in the hands of the Secretary. We recommend therefore, the election of efficient and faithful Secretaries, by the Subordinate Lodges and Encampments. A Secretary who is "upto-date" will permit few, if any, delinquencies.

Your Representatives presented the following under instructions, which was adopted

Sec. 5.—Every Lodge within the jurisdiction shall, at its last meeting in the month of May, annually elect by ballot from amongst its Past Grands in good standing, a representative or representatives as follows, that is to say, one representative where the number of members to be returned in the semi-annual report of the current term shall be too or less; over too and under 200, two representatives; 200 or more, three representatives. Any Lodge not having in membership a properly qualified Past Grand may choose one so qualified from any other Lodge in the jurisdiction as its representative.

Resolved, "That the Sovereign Grand Lodge be requested to reduce to the smallest size consistent with the patent laws the words on the back of the elegant Veteran Jewels, thus giving a better opportunity for such engraving as may be desired without the effect being destroyed, as it is by the present unseemly large space occupied by the patent mark."

The law as found in Sec. 958, White's Digest, was amended by inserting the word "Recording" so as to read:

"Sec. 958. The officers of a Subordinate Lodge are the Noble Grand, Vice Grand. Recording Secretary, Financial Secretary (when all the secretarial duties of a Lodge shall be performed by one officer, then the title of such officer shall be Secretary) and Treasurer, who are elected by the Lodge; the Warden, Conductor, Outside Guardian, Inside Guardian, Right and Left Supporters to the Noble Grand, Right Scene Supporter, Left Scene Supporter, who are appointed by the Noble Grand, and Right and Left Supporters to the Vice Grand, who are appointed by the Vice Grand."

The Rebekah Code was likewise similarly amended, so as to read:

"1173 Rebekah Degree Code, Sec. 11. The officers of a Rebekah Lodge shall be a Noble Grand, a Vice-Grand, a Recording Secretary, a Financial Secretary (when all the secretarial duties of a Lodge shall be performed by one officer, then the title of such officer shall be Secretary), and a Treasurer, who shall be elected by the Lodge; a Warden, a Conductor, an Inside Guardian, an Outside Guardian, Right and Left Supporters to the Noble Grand; and a Chaplain, who shall be appointed by the Noble Grand; and Right and Left Supporters to the Vice Grand, who shall be appointed by the Vice Grand." The word "Recording" was inserted in Sec. 962, as found in White's Digest, and the section amended as follows:

"962. The officers of Encampments are Chief Patriarch, High Priest, Senior Warden, Recording Scribe, Financial Scribe (when all the secretarial duties of an Encampment shall be performed by one officer, then the title of such officer shall be Scribe), Treasurer, Junior Warden, who are elected by the Encampment; Guide, Sentinel, Outside Sentinel, First, Second, Third, Fourth Watches, who are appointed by the C. P.; First and Second G. of T., who are appointed by the H. P."

The following was proposed, but the Committee reported that having had the same under consideration they "do not believe it would be best to adopt such legislation." The report was adopted.

That Grand Lodges are hereby empowered to establish and maintain a Guarantee Fund, by means of assessments upon their respective Subordinates, in accordance with laws which may be hereafter enacted by Grand Lodges desiring to establish such fund, and which shall be held in trust for the following purpose: Lodges which have paid sick benefits to their members, who have been in continuous receipt of sick benefits for the space of one year, shall be entitled to share in the Guarantee Fund, in order that they may be assisted in the payment of sick benefits to such members as may continue to be sick for a longer period than one year, and to the end of such sickness: provided, however, that such assessments upon any Lodge shall not be greater than one dollar per member in any year.

#### RELATING TO THE REBEKAH BRANCH.

Resolved. That when authorized by the Grand Lodge of a Grand Jurisdiction, the Secretary of a Rebekah State Assembly may purchase direct from the Grand Secretary of the Sovereign Grand Lodge, all supplies to be used by Rebekah Lodges, the Grand Secretary of a Grand Jurisdiction having first notified the Grand Secretary of the Sovereign Grand Lodge, that such permission has been granted.

Sec. 10a. It shall be the duty of the Secretary of each Rebekah Lodge to furnish to the Secretary of each Subordinate Lodge to which any member of such Rebekah Lodge belongs, a list of the members of said Subordinate Lodge, who are also members of said Rebekah Lodge; and thereafter to notify the Secretary of the proper Subordinate Lodge when any Brother shall become a member of said Rebekah Lodge; and it shall be the duty of each Secretary of a Subordinate Lodge thus notified, that a member or members of his Lodge are members of such Rebekah Lodge, to inform the Secretary of said Rebekah Lodge, without unnecessary delay, of the withdrawal by card, dropping, suspension, or re-instatement of such member.

Sec. 6. The nersons herein specified shall be eligible to membership in a Rebekah Lodge of this Order subject to the laws,' relative to residence of this Sovereign Grand Lodge and of the

222

Grand Lodge of the jurisdiction in which application is made; and conditioned further that all applicants of the female sex shall be white women, who have attained the age of eighteen years, who believe in a Supreme, Intelligent Creator and Ruler of the Universe, and who are of good moral character:

1. All persons who have received the Rebekah degree.

2. All Odd Fellows in good standing, their wives, daughters, sisters and mothers. Also, the daughters, sisters and mothers of deceased Odd Fellows, who at the time of their death were members of the Order.

3. All unmarried white women.

Sec. 33. The membership of Rebekah Assemblies shall be limited to Past Noble Grands of Rebekah Lodges, Past Grands of Subordinate Lodges who are members in good standing of Rebekah Lodges, and those who have heretofore received the Assembly Degree.

The following queries were presented and answered:

"If an appeal is properly taken, affecting the eligibility of an officer-elect, does it suspend action in his case until a decision is arrived at, and can said officer be installed?"

"The answer to the first part was "No," to the second part, "Yes.

The Committee on the Judiciary had referred to it the following:

"Is it legal to print the Lodge seal upon official certificates or other legal documents appertaining to Lodge business?" Answered the same in the affirmative: provided the printed seal is the adopted seal of the Lodge.

"Is an officer of a Subordinate Lodge violating his obliga-tions to the Order by certifying, without seal, as to the amount of benefits paid a member, in answer to questions propounded, or by giving any information relating to benefits paid, or standing of members, as a matter of courtesy to outside organizations?

To which the Committee made the following report, which was adopted:

We are clearly of the opinion that an officer of a Subordinate Lodge violates his obligations by certifying, with or without seal, any information regarding the amount of benefits which has been paid a member by his Lodge, for the purpose of furnishing in-formation to outside organizations and individuals who are not members of the Order, unless it is done at the request of the brother or by his consent. We, therefore, recommend that the following answer be made to this question.

Answer: Yes, he does violate his obligations to the Order by so doing, unless it is done at the request of the member or with his consent.

1. Q. A brother, having started in the saloon business July 1st, made application for withdrawal card July 10th. Can this Lodge grant the card?

224

2. Q. There is an application for membership of a man who is agent of a brewery, but not a dispenser of beer or liquor over bar or in a saloon, and we desire your ruling on the same as to whether he is eligible to become a member or not. He works on a salary for the Milwaukee Brewery Co. as agent.

3. Q. We have a brother here who has recently started a hotel. He does not tend the bar himself. The name of the hotel is the Vail Hotel, which is his name. The license is taken out in the name of the Vail Hotel. This is the only point on which I am undecided. Is he a saloon keeper or not? Some of the brothers contend that the license is in his name, and I say that it is not. I or any one else could go in there and run it under the same license. That is the name of the hotel, and not the man. There has been no charge brought against the brother, and I do not like to see any brought, as I know it is circumstances, and not choice, that puts him in there; and I do not think, for my part, that he is subject to charges.

4. Q. What is the penalty that must be imposed on a brother that engages in the saloon business?

Upon the foregoing the Judiciary Committee made the following deliverance, which, together with two minority reports thereon, was recommitted. The report will be considered next session.

"Under the provisions of Sections 5 of Article XVI., of the Constitution of this Grand Lodge, no saloon keeper, barteader or professional gambler is eligible to membership in this Order. In construing the provisions of said Section 5, this Grand Lodge has determined that an Odd Fellow, not a saloon keeper, at the date Section 5 became a law, who thereafter becomes a saloon keeper, is guilty of conduct unbecoming an Odd Fellow, but the penalty for such offence has not thus far been fixed by general law. If an Odd Fellow becomes a saloon-keeper, in violation of the constitutional provision on that subject, he puts himself in a position where he would be ineligible if an applicant for membership. If, on conviction, he shall be continuing in the business of a saloon-keeper, he is then ineligible to membership, and expulsion appears to be the only penalty to be inflicted. But, if an Odd Fellow shall become a saloon faith discontinue the objectionable vocation, and thus render himself eligible to membership, the penalty may be such, as in the judgment of the trial Lodge is adequate to the offence. Your committee, therefore, offer the following resolution and recommend its adoption:

Resolved. That the penalty to be inflicted upon an Odd Fellow convicted of being a saloon-keeper, contrary to the law of our Order, and who, at the time of his conviction, continues in such business is expulsion; but if the offending member has, prior to his conviction, in good faith, discontinued such business, then the penalty is such as may be determined by the trial Lodge."

# REPORT OF GRAND REPRESENTATIVES.

All the proposed amendments to the Constitution were voted down or indefinitely postponed. The one in which Canada was especially interested and favored was that providing for the admission of candidates into the Subordinate Lodges, at eighteen years of age. The following is the clause referred to:

Section 2. No person shall be entitled to admission to the Order except free white males of good moral character, who have arrived at the age of twenty-one years, and who believe in a Supreme Being, the Creator and Preserver of the Universe; provided, however, that in Australia, New Zealand and the other countries not on the continent of North America in which the Order has been or may hereafter be established, and a Grand Lodge or Grand Lodges formed, the qualifications as of age shall be left to local legislation.

The present Constitution permits foreign jurisdictions to admit candidates at a younger age than eighteen. This discovery appears to have been made only since the Detroit session when the amendment was proposed, and the desire to strike out all the words after "Universe" in the fourth line, led to the defeat of the proposition by 80 yeas to 95 nays.

Among other proposed amendments to the Constitution the following were laid on the table to be considered next session:

Resolved, That Section 2, Article XVI., of the Constitution of the Sovereign Grand Lodge be, and the same is hereby, amended so as to read as follows:

Sec. 2. No person shall be entitled to admission to the Order except free white males of good moral character, who have arrived at the age of eighteen years and who believe in a Supreme Being, the Creator and Preserver of the Universe.

Sec. 2. No person shall be entitled to admission to the Order except free white males of good moral character, who have arrived at the age of twenty-one years, and who believe in a Supreme Being, the Creator and Preserver of the Universe; provided, however, that in Australia, New Zealand and other countries not on the continent of North America in which the Order has been or may hereafter be established, and a Grand Lodge or Grand Lodges formed, the qualifications as to age shall be left to local legislation; and provided, further, that in jurisdictions where there is a population composed of a mixture of Indian and white blood a State Grand Lodge or Encampment may, by legislation, provide for the admission of male persons of mixed Indian and white blood who have arrived at the age of twenty-one.

Compensation of Officers and Members.—The Officers and Grand Representatives (except such officers as receive stated salaries) shall receive as compensation for their services the sum of five dollars per day for six days, and four cents circular mileage in going to and returning from a session of the Sovereign Grand Lodge, the same to be computed by the shortest and most

practical route of travel from such officer's or representative's 'home to the place of meeting of the Sovereign Grand Lodge.

Resolved, That paragraph 3, of Section 6, page 342, Rebekah Code, White's Digest, be amended by striking out the word "unmarried," in the first line, so that it shall read, "all white women who have attained the age of eighteen years, who believe in a Supreme Intelligent Creator and Ruler of the Universe, and who are of good moral character.

Resolutions submitted by several state jurisdictions asking for legislation permitting Rebekah Lodges to pay sick benefits and inneral benefits were reported against by the Committee on the Rebekah Degree, and the report was adopted.

A form of Ceremony for observing Rebekah Anniversary Day, September 20, was submitted, but on consideration action was postponed until next session.

A new Rebekah Code was adopted and will be sold as supplies.

A proposal was made to give Grand Officers power to grant dispensations to Lodges to enable them to suspend the payment of benefits for one year, under certain regulations, but was rejected.

A resolution was adopted authorizing the Grand Sire to appoint a competent person to prepare a new Digest of the laws and decisions of the Sovereign Grand Lodge, and to report the same at next session. A revising committee of three, in conjunction with the compiler, shall review the work and approve the same before publication. Past Grand Sire Busbee received the appointment of compiler. The committee on revision is Bro. Pinkerton, P.G.S., and Representatives Wright of Penn., and Waldo of Colorado.

The Sovereign Grand Lodge voted the sum of \$1,500 to be sent to the Grand Master of Texas, to assist in relieving the Odd Fellows and their families who suffered by the recent calamity in that jurisdiction. It was further recommended that Grand and Subordinate bodies make prompt and liberal contributions to the cause, and the Grand Master, Grand Secretary and Grand Treasurer of Texas be a committee to receive and disburse the funds thus received.

The proposition to give Representatives fifteen copies of the Officers' Reports, and Daily Journals for distribution, was adversely reported by the Finance Committee and the report was sustained. th

## REPORT OF GRAND REPRESENTATIVES.

A resolution was submittled, authorizing the Grand Sire to appoint a Special Committee on or before November 1st to investigate and report upon at the next session as to the feasibility of establishing a Connecting Link between this Order and the Manchester Unity I. O. O. F., by providing that members of either Society sojourning within the local jurisdiction of the other's Lodges, might apply for, and receive, under proper regulations such relief, care, and attention as they are now entitled to receive from their own Lodges, but without visiting privileges.

The Committee appointed reported in favor of the resolution, but the report was negatived by a vote of 105 to 15.

A resolution providing for the granting of dispensations to Lodges to suspend the payment of benefits for one year, was adversely reported on, as was also one directing Lodges to present each member at the close of his initiation a gold three-link pin, and the reports were adopted.

A proposition to reinstate members suspended for N. P. D. upon the payment of \$1.00 was rejected.

The Committee on International Relations, in recognition of the valuable services of the Deputy Grand Sire for Europe, presented the following which was approved:

Resolved, That the thanks and recognition of this Sovereign Grand Lodge are herewith extended to Bro. Block, Sp. D. Gd. Sire for Europe, for his earnest zeal. loyalty and ability displayed in the discharge of his many and arduous duties as our representative in Europe, with the sincere wish that his health may be restored his duties for many years to come for the benefit of our Great Order.

Resolved, That the compensation of Bro. H. Block be and is hereby made the same as last year—one thousand dollars.

Indianapolis. Ind., was selected as the hext place for holding the Annual Communication of the Sovereign Grand Lodge.

In conclusion we desire to express to Grand Lodge our grateful appreciation of the distinguished honor done us by our election to represent you in the Sovereign Grand Lodge. We have endeavoured to serve you faithfully and to honor you as you have done us.

### RESOLUTIONS OF SOVEREIGN GRAND LODGE.

Resolved, That a member of the Ordef in good standing, evidenced by holding an unexpired visiting card, issued in conformity to the laws of the Order by his Lodge or Encampment, and having the A. T. P. W., being in distress, or pretending so to be, and needing money, and who having asked for and received from a Lodge or Encampment, or a member thereof, a sum of money under the assurance and promise that he will return or repay the same within a given time, or so soon as he returns home, but who shall neglect so to do after a reasonable time thereafter, without a satisfactory excuse being rendered, shall be deemed guilty of conduct unbecoming an Odd Fellow; and due notice of Encampment so loaning him the money, it shall be the duty of his Lodge to notify him of such indebtedness or loan, and to demand payment thereof, and it he then refuses or neglecta to pay the same, his Lodge shall prefer charges against him, try him, and, if found guilty, and without sufficient mitigating circumstances, to expel him from the Order. If there be such mitigating circumstances, then to impose such penalty as the Lodge may deem bet. *Resolved*, That the respective State Grand Lodges cause the foregoing resolution to be embodied in their Proceedings, and the attention of the Sub-rodinate Lodges and Encampments especially called to it.
