FORTY-SIXTH

ANNUAL COMMUNICATION

OF THE

GRAND LODGE OF ONTARIO

HELD AT

HAMILTON, ONTARIO

COURT HOUSE,

HAMILTON, August 8th, 1900.

The Grand Lodge convened in the City of Hamilton to hold its forty-sixth annual session.

The Grand Officers, Representatives, and a number of ladies, amongst whom were many members of the Rebekah Assembly, were assembled in the Court Room, Court House, Hamilton.

His Worship, Mayor Teetsell, on behalf of the Corporation of the City of Hamilton, and of its citizens, extended a most cordial greeting and welcomed the Grand Lodge to the Ambitious City.

The Grand Master made an excellent reply, and on behalf of the Grand Lodge accepted the extended courtesies.

(These addresses, being extempore, though worthy, they cannot be given in full.)

Bro. J. B. Turner, D.D.G.M., on behalf of the Odd Fellows of the City and District of Hamilton, presented the following address :

To the Grand Master, Officers and Members of the Grand Lodge, Ontario, I.O.O.F .:

DEAR SIR AND BRETHREN, -- It is my pleasant duty on this the occasion of the assembling of Grand Lodge in its Forty-sixth session to extend to you on behalf of the Odd Fellows of Hamilton and District a hearty and fraternal welcome to our city.

Representing as you do a membership of over Twenty-three Thousand, and an organization which during the last year distributed, within our own Province, almost Eighty-five Thousand Dollars in Benefits and Relief, we recognize the honor of having the opportunity of welcoming so large and influential a body at, its annual session.

Since the occasion of your last meeting here the progress of Oddfellowship in this District has been steady and the growth in every direction has been of a healthy character. In our city there are ix Lodges and in our District, altogether, ten Lodges all of which are in a healthy condition and we point with pardonable pride to the fact that one of these. Lodges is the largest Lodge while another is among the largest under the jurisdiction of our Grand Body, and what is a source of still greater satisfaction the membership of our Lodges is steadily increasing. This healthy progress we feel sure will receive an increased impeus by reason of this meeting of Grand Lodge in our midst. We are particularly pleased to have this meeting in our city at this time. The members of the Order in the city and the district of which the city is the centre are desirous of having the Home for Aged Odd Fellows in this vicinity. The Brethen of the District, knowing the advantages of this locality for such an Since the occasion of your last meeting here the progress of Oddfellowship

The Brethren of the District, knowing the advantages of this locality for such an institution-the beautiful situation, the healthful character of the heighborhood, the facilities for transport and the unequalled fertility of the soil-are desirous, in order to insure the success of the Home from the outset, of having it located here. For this reason we are glad that the members of Grand Lodge are with us before this question is finally settled in order that the Representatives may see us before this question is many settied in order that the representatives may see for themselves the desirability of choosing this locality for the site of the Home. The members have only to take a short ride on any of our radial roads and they will see for themselves the most convincing evidence of the fact that our fair city is justly entitled to be called the Centre of the Garden of the Province. We have no desire to unduly distract the attention of the Brethren from the form the inter the later that is the set of the Garden of the State the set of the set.

We have no desire to unduly distract the attention of the Brethren from the very important business that is to come before this session of Grand Lodge but we do ask that the Brethren avail themselves of every opportunity of seeing these advantages before deciding the important question of the location of the Home. Permit me, Grand Master, on behalf of the Odd Fellows of this District to congratulate you on your elevation to the important position in the Order which you now occupy, and now that your term of office is about expired to express our appreciation of your efforts on behalf of Oddfellowship. May you long be spared in order that you may see the ripening of the fruit from the good seed you have sewn. you have sown

As Odd Fellows of a District in which our principles have long had s firm hold, as citizens of a city to whose beauties and advantages we can point with pardonable pride, we welcome you and trust that the deliberations of your honorable body will be of advantage not only to those immediately interested but to the larger. The Grand Master, Bro. Dr. Jas. McLurg, replied in a most happy speech.

The courtesies over, the Grand Master took the chair and called the Grand Lodge to order.

All present having been reported as qualified to remain in the Grand Lodge and a quorum having been reported, the Grand Chaplain offered prayer.

O Thou that dwellest in light and hast all knowledge and all joy. Thou to whom all things come in their ripeness and their beauty. Thou art the centre of this wide-lying universe beholding the steps of unfolding life afar off rude and of blessedness and iamortality. To Thee we come and we thank thee that Thou hast brought together this large, active and intelligent Brotherhood that they may deliberate upon and perfect suich measures as shall be for the greatest good to our belowed Order. We ask for wisdom in perplexity, knowledge in our secure relief. Help us to appreciate the good which has been done and distress discharge of the responsibilities of the hour. May love, harmony and forebearance characterize our deliberations and may all be done to the honor and in the name of our Lord Jesus Christ. Amen.

Whereupon the Deputy Grand Master declared the Grand Lodge duly opened for business.

The Grand Master announced the following appointments :

Bro. J. W. Cunningham, Thamesford Lodge, No. 258, Press Reporter.

To the Grand Lodge of Ontario, I.O.O.F. :

Your Committee on Credentials beg to report :

neglect in this respect has prevented the names of those Representatives from being placed on the list of Representatives reported by the Grand Secretary. Since the returns were received several changes have been made. Owing to liness or other cause, the regularity elected Representative has resigned and and another Brother elected. In all such cases a certificate of that fact, with the certificate of the newly-elected Representative, has been presented to your Committee.

Your Committee recommend that the Past Grands herein reported have the Grand Lodge Degree conferred on them at this Session, should they present themselves.

themselves. Your Committee therefore recommend that the Brothers named herein be recognized as legal Representatives of their respective Lodges and that they be instructed in the Grand Lodge Degree. Your Committee would recommend that all Representatives who may here-after present themselves during this Session, and all Past Grands who may pre-sent properly attested certificates, be instructed in the Grand Lodge Degree by the Grand Warden in the ante-room and admitted as members of this Grand Rody. Body.

Respectfully submitted,

GRAND MASTER'S REPORT.

HAMILTON, Aug. 8, 1900.

To the Grand Lodge of Ontario, I.O.O.F. :

7168

GRAND OFFICERS, REPRESENTATIVES AND BRETHREN: It gives me much pleasure to extend a hearty welcome, not only to the older members of the Grand Lodge who have on previous occasions contributed their time and talents to the furtherance of the good of our noble Order, but also to those representatives who meet with us for the first time. We are pleased to see so many of the former with us to guide the deliberations of the new representatives, who, I trust, will take a deep interest in the work of the sessions so that they may in after years fill the places of the older ones and continue the good work of the Order.

We meet to-day in our 46th annual session to take a retrospect of the work of the past year, and to adopt such legislation as is deemed expedient, owing to the changed conditions that are appearing from time to time. According to custom I herewith submit a report of my offical acts during the past year, together with some suggestions for your consideration, which I trust may be beneficial to the Order.

I .- CONDITION OF THE ORDER.

I am pleased and gratified to be able to inform you that the Order is progressing in nearly ever part of the jurisdiction, and that at no time in its history has it been in a more healthy and prosperous condition, the increase of membership being greater during the last year than for many years previously. In 1897 there was a net increase of only 88 members, in 1898 311, in 1899 545, and this year I expect it will reach nearly the 1,000 mark. This is owing to many causes; among others; to the committee appointed to assist the financial secretaries as suggested by P.G.M. Farewell. This has done much to lessen the suspensions from nonpayment of dues, which is the great source of the loss of membership. I would strongly urge that each lodge in the

jurisdiction appoint such a committee who can look after negligent and carely members, and thus prevent their loss to the Order. It is just as important to retain the old and tried members as to secure new ones, and it is more credit-

We had at the end of 1899 a membership of 23,597, and I hope and believe that before the close of the present century we will number 25,000. This will require a net increase of 1,403 for the year 1900, which can easily be accomplished if the entire membership will only do their duty, and I think the great majority will. We expended in relief for the year nearly \$90,000, which shows a gradual annual increase as our Order grows in extent and influence.

II.-NEW LODGES.

I have been much disappointed with regard to the formation of new lodges, as many likely places were named by the D.D.G.M.'s, in which a new lodge might be established. In all cases I instructed the D. D. G. M.'s to endeavor to act as local organizers, but they have met with little success. I believe that more can be done in this way than by employing paid organizers, if it is made part of the duty of the District Deputy. Only one lodge has been instituted during the year, and I therefore recommend that a charter be granted to Social Lodge, No. 333, Toronto. This lodge was instituted by myself on June 6, 1900, assisted by D.D.G.M. Bro. Pendrith, W. S. Johnston, Grand Secretary J. B. King, J. Oliver, P.G.M. and others. The nucleus of this lodge is composed principally of unaffiliated Odd Fellows living in Toronto, to the number of 14. This lodge has bright prospects before it. We have been endeavoring in the past to establish lodges in the small villages throughout the province, while the more populous centres have been neglected, and I am of the opinion that much good to the Order would result by giving more attention to the

Since sending my report to the printer, I have commissioned Bro. G. W. Griffith, D.D.G.M., of Kemptville District, No. 43, to institute a subordinate lodge of the Order in the Village of Avonmore, County of Stormont, to be known as Avonmore Lodge, No. 334, and to be instituted on Thursday, August 9th, and will ask that a charter be

III.-RESUSCITATED LODGES.

Erie Lodge, No. 33, Port Burwell, which was reported to be in such a dormant condition that fears of losing their charter were entertained by the few remaining members, I am now gratified to report it has again become an active lodge. In January last only three members resided in the village and thus no meetings could be held. I allowed them some latitude by permitting them to hold meetings and initiate candidates by the assistance of brothers from neighboring lodges. In this way many new members have been added, and it is to be hoped that the lodge will now grow and flourish. At the election in June I granted them a dispensation, permitting them to elect the best men to the various offices, regardless of previous service in an inferior office.

Oxford Lodge, No. 77, Ingersoll, that was reported upon at last Grand Lodge meeting as being on the down grade, has taken upon itself new lease of life, and is again, doing good work and adding to its membership, and I have no doubt will again be one of the progressive lodges of the West.

Embro Star Lodge, No. 22, of Embro, which has been going behind for some time, has been awakened from its lethargy, and at its last meeting reinstated five old members and initiated four candidates. This lodge will be assisted in the degree work for a time by the lodges in Woodstock and Thamesford, which have promised to render them aid at any time when called upon. I shall have a fatherly care over this lodge myself.

Warriner Lodge, No. 75, Port Perry, I am pleased to be able to report, has settled the difficulty with Mrs. Leonard, a widow, who would not accept a reasonable sum in lieu of annuity. In my report of visitations I reported that this lodge had sent in its charter on two different occasions to the Grand Secretary, which, for certain reasons, I refused to accept. Since my visit there, on Thursday, July 19th, the widow has consented to accept the sum offered by the lodge, \$150, in lieu of all claims for annuity,

and the lodge has paid her the money and sent for the charter and books, so that it is again untrammelled, and I am sure, after the long rest, we will hear good reports from this once live lodge.

IV .--- REBEKAH DEGREE LODGES.

The following lodges have been instituted in the Re-

Erie, No. 65, Wheatley, instituted January 10th, 1900, by Mrs. Edgar, Windsor.

Riverside, No. 66, Florence, instituted January 12th by Mrs. Dodson, Chatham.

Golden Rule, No. 67, Thamesford, instituted March 26th by P.G.M. J. A. Young.

I recommend that charters be granted these lodges.

V .- CHARTER RECLAIMED.

I have been informed by Mrs. Waddell, Secretary of the Assembly, that Mizpah Rebekah Lodge, No. 19, Collingwood, has become defunct, and I have requested that the charter and effects of this lodge be surrendered.

VI.-OFFICIAL VISITS.

During my term of office I made as many official visits as, and probably more, than my professional business would permit. I endeavored to visit all lodges to which I was invited, but owing in some cases to previous engagements with other lodges, I had to forego the pleasure. In many cases I visited lodges where I thought a visit from the chief executive officer would be beneficial to the Order, where I gave addresses suitable to the occasion, not only to members of the Order but at concerts, etc., to which the public were invited. In all my visits throughout the jurisdiction I met with that courtesy, brotherly love and hospitality so characteristic of Odd Fellowship. This was more especially the case during my two week's visitation through New Ontario where the members and lodges seemed to vie with each other in showing me hospitality.

On Saturday, August 19th, 1899, it was my sad duty to visit Olive Branch Lodge, No. 88, of my own town, and

assist in paying the last sad office of respect to my old friend and brother Jno. Brotchie, one of the pioneer members of Odd Fellowship in our beautiful and prosperous town. There was a large attendance of members present. I was requested to perform the duties of Chaplain, which I did, the D.D.G.M. Bro. A, J. Watford acting as N.G.; and so impressive was the service that a number of outsiders expressed their pleasure (if it can be called a pleasure on such an occasion) at being present to witness it.

On Tuesday, August 22nd, I visited Rose Rebekah Lodge, No. 43, Woodstock, and witnessed the degree team initiate a candidate in the mysteries of the degree. The marching was perfect and the charges delivered as only the sisters can deliver them in a highly efficient manner. This lodge is doing good work and is in a flourishing condition. I gave an address suitable to the occasion, after which refreshments were served to refresh the inner man and woman too.

On Wednesday, September 6th, I visited the tent at the Industrial Exhibition, Toronto, where I met the Grand Secretary, Bro. J. B. King, Bro. Shepherd who had charge of the tent, and many others. Bro. Shepherd was indefatigable in his efforts to make the call of the brothers and sisters pleasant and enjoyable. The tent seemed to be well patronized, especially by brethren outside the city, where they met many brethren from all parts of the province, and in many cases discussed questions of vital importance to the Order. It was a quiet resting place for those who had become tired and wearied from visiting the various departments of the exhibition. It is to be hoped that this institution will be continued, as it affords not only a place where the brethren attending the exhibition may meet by appointment or otherwise, but is a useful means of disseminating information regarding our great brotherhood.

On the evening of September 25th, after only a few hours' notice, I visited a joint meeting of Queen City of Ontario, No. 56, and Laurel, No. 110, being accompanied by Grand Sire Pinkerton and a number of representatives to the Sovereign Grand Lodge. We witnessed the initiation of a candidate into the mysteries of the Order by a team composed of members of the two lodges, which was performed in such a manner as to draw encomiums from the

visiting brethren present, the marching being particularly We were afterwards entertained to a banquet in another part of their fine building, where addresses were delivered by the Grand Sire, P.G.M. Farnham, of Rhode Island, and others, the speakers were particularly happy in their remarks. The Grand Sire, though quite a young man, is an old legislator of his State, and gave an able address on Odd Fellowship in general. All were delighted at the opportunity to meet with and hear the legislators of the Sovereign Grand Lodge.

A LETTER FROM GRAND SIRE PINKERTON.

Worcester, Mass., Oct. 5th, 1899.

JAMES MCLURG, Grand Master, J. B. KING, Grand Secretary,

Brothers,-Permit me on behalf of my associates and myself to thank you, and through you the Grand Lodge of Ontario and the brothers who entertained us during our stay in Toronto for the many kindnesses and courtesies extended to us upon that occasion. Merely stopping in your city for rest and recreation on our way home from the session in Detroit, we did not intend or expect to trespassion your kindness, but the fraternal greeting accorded us and the hospitality exhibited on every side requires from us an acknowledgement of our appreciation.

We all enjoyed our stay among you exceedingly, and were very much gratified to receive this renewed assurance of the loyalty and fraternal fellowship of the brethren in Ontario.

With best wishes for the welfare of every member of our fraternity within your jurisdiction, I am,

Fraternally yours,

ALFRED S. PINKERTON, Grand Sire.

On Friday evening, October 6th, I visited a special meeting of Rideau Lodge, No. 241, Smiths' Falls, on a very short notice to the lodge. About forty members were present out of a membership of 175, which was a large number considering the short notice. It was a pleasing feature to witness the interest all the members took in the discussions, especially the younger members. The lodgeroom gives brothers an opportunity to round up their education by expressing their thoughts on the various questions that arise in the business of the lodge. They have a fine lodge-room and use it to the best advantage. That even-

ing they chose sides for a competition in degree work, the N.G. and the V.G. acting as captains, three visiting brethren to act as judges the losing side to pay for the oyster supper. I have since been informed that great interest was taken in the competition and that good results accompanied and followed the contest. I was well entertained by the brethren to a banquet afterwards, where I gave an address, and also to a drive around their beautiful and prosperous town. I enjoyed my visit immensely and hope again to be able to visit this thriving young lodge.

On Saturday evening, October 7th, I visited a joint meeting of Ottawa, Carleton and Rockliffe Lodges. In the afternoon I was entertained in a drive to Avlmer, Quebec, by a committee from the lodges, composed of P. C. P. Bro. Geo. Bell, P.G. A. W. Cameron, and D.D.G.M. Bro. Ackers, and shown many points of interest in the city. In the evening I was presented with a finely engrossed and complimentary address by the District Committee, to which I replied in suitable terms, giving them at the same time some information regarding the work performed by our noble Order in other jurisdictions as well as our own. The officers of Carleton Lodge conferred the initiatory degree upon a candidate in a manner that was pleasing even to the most fastidious.

I was sorry I could not remain longer with them as I had to leave to catch the 10.30 train for home, being accompanied to the depot by a number of the brethren. The Ottawa brethren are noted for their hospitality, and my official visit, as well as my visit while Deputy Grand Master, will remain fresh in my memory as long as memory lasts.

On Tuesday evening, October 17th, I visited Hayden Lodge, No. 152, Norwich, and attended a smoking concert given by the members at my suggestion, to which a number of likely candidates were invited. Notwithstanding the unpropitious state of the weather, the rain pouring down during the afternoon and evening, there was a fair attendance, a number of outsiders being present. The programme consisted of music by the orchestra and others, games of various kinds interspersed with light refreshments. I gave them an address more particularly suitable for new members, which was well received, and I have since been informed

This was the largest banquet ever given in the town, and the members of Woodstock Lodge did themselves proud on the occasion, This is one of the most prosperous lodges in the jurisdiction, being only eleven years old, and has 130 members.

Truth.

On Wednesday evening, November 15th, I visited Shedden Lodge, No. 310, and attended a smoker given at my suggestion by the members of the lodge, the object being to increase their membership. They are located in a small village in the county of Elgin, and have to draw largely from the rural population. All the available young men in the vicinity were invited, and were much pleased with the entertainment provided, which consisted of music, recitations and table games of various kinds. A very enjoyable evening was spent and the non-members expressed themselves as delighted. I gave an address, pointing

out the strong points, the extent and strength of, and the advantages obtained by members of our Order.

On Friday evening, November 24th, I visited, by invitation, Sycamore Lodge, No. 151, Arkona, and presided at a banquet and concert given in honor of the twenty-fifth anniversary of the lodge. Dr. Gibson, of Watford, was good enough to drive me over from Watford and convey back again, a distance of ten miles, and gave us an excellent speech on the occasion. The families of the members, as well as other outsiders, were present and enjoyed themselves to their fullest extent, both at the banquet and the concert which followed. D.D.G.M. Joseph Cairns was present and assisted at the concert. Bro. A. Thoman, R. S., was the only charter member present, as were also three old veterans, Bros. J. Detwiler, A. Bartram and J. C. Jaynes, who were initiated into the Order at the first meeting of this lodge. While there I obtained evidence of the minute books of 1883 and 1886, to forever prevent a certain widow imposing on the lodge by claiming continuous annuity, to which she was not entitled.

On Thursday evening, December 7th, I visited Huron Lodge, No. 62, Goderich, and had the honor and pleasure of dedicating the handsome and commodious new hall of this prosperous lodge, being assisted by D.D.G.M. Bro. J. M. Proudfoot and the brethren of the lodge. This lodge has now a fine lodge-room, 58 ft. by 25 ft., with a fine polished hard-wood floor, and excellent ante and cloak rooms, and should be able to put on the floor work in good style. There is a large concert and banquet hall beneath. It is doubtful if a building of this kind is a paying investment, as very little revenue can be derived from its use; but the brethren had been handicapped for many years owing to the want of a decent hall in which to hold their meetings. It was opened by a grand ball, given in the lodge-room in the evening, where I met many of the fair sex-the wives, sisters and daughters of Odd Fellows. I thoroughly enjoyed this part of the day's proceedings, and many happy recollections of the evening still lurk in my memory, including the mazy waltz, the quick two-step, and the gliding Jersey, not to speak of the pleasant sitouts with a lady of rare literary ability, being not only an able correspondent of some of our weeklies, but a songstress

as well, having composed an ode to the Order many years ago.

On Tuesday evening, January 2nd, 1900, I visited St. Mary's Lodge, No. 36, St. Mary's, during the greatest snow-storm of the winter, when everything looked and felt frigid outside, and this feeling was also perceived inside of their large, bleak lodge-room. A mistake was made here twenty years ago, first in selecting the site in the wrong part of the town because it was bought a little cheaper than one could be purchased on the business street, and secondly in erecting such a building at such a cost. This lodge twenty years ago had assets to the amount of \$14,000, and now after having paid \$19,000 on the building there was then a a mortgage of over \$4,000, which has since been reduced by \$1,000 through the generosity of Mr. Hutton, the mortgagee, who, at my suggestion, donated them this sum, as the building could not be disposed of for the amount of the mortgage. The work was performed very slovenly, the members having become disheartened. After talking with them I gave them a choice of one of two things, either to get to work and get in new members (they had not initiated one in three years) or I would put an organizer in the field and institute a new lodge as they were merely occupying the ground and allowing other societies to obtain the members that would otherwise join our ranks. As a result of this I am more than gratified to be able to report that a number of candidates have since been initiated. I was sorry I was unable to accede to their request to assist them to initiate eight candidates one evening in April.

On Wednesday evening, January 3rd, I visited a joint meeting of Avon, No. 42, and Romeo, No. 164, and assisted at the installation of the officers of these two lodges by D.D.G.M. Bro. Joseph Gibson, of Millbank, who performed the ceremony in an able manner, assisted by brothers of the two lodges. He is made of the right material and does his work neatly and up to the mark. I assisted by delivering the closing charges and giving an address. These lodges are in a flourishing condition. The building is owned by Avon Lodge and is a fine property in the business part of the city, the hall being well proportioned, of proper dimensions, the walls and ceiling being finely decorated with paintings executed by a brother of the Order. Both lodges

looked well after collecting the dues, Romeo, at the time of v my visit having only nine members not fully paid up. Neither lodge had been so aggressive as I could have wished, but as a result of the meeting it is to be hoped that new life would seize each lodge. We adjourned to the Albion Hotel, where a splendid repast was partaken of by some 135 members. P.G.M. Bro. John Gibson came all the way from Port Huron to be present. P.C.P. Bro. John Walsh acted as chairman at the banquet and gave life to the pro-

On Monday evening, January 8th, I visited Princeton Lodge, No. 307, which I instituted when D.D.G.M., in company with D.D.G.M. A. J. Watford, and his installing team and degree team of Woodstock Lodge. The installation was performed in the very efficient manner for which this district has been noted for many years, without the use of rituals, followed by an able address by the D.D.G.M. Woodstock Degree team then conferred the Third Degree on three members in a manner that surprised me, as I had not seen them put on this work for some time. This lodge was formed of the members that seceded from the C.O.O.F., has a membership of forty-nine and over \$1,000 in cash and mortgages. I gave them an address on some vital points of the Order, after which we adjourned to the banqueting hall, where speeches were made by resident ministers, members of the School Board and others.

On Tuesday evening, January 9th, I visited Constellation Lodge, No. 85, and dedicated their new hall, which is a credit to the village and the Order. The lower flat has a fine entertainment hall with stage and foot lights, the sec ond flat being composed of a lodge-room, 47 ft. by 38 ft. with fine ante-rooms. The whole is lit by acetylene gas. I was assisted in the dedicatory service by D.D.G.M. W. M. Bell and A. McFarlane, whom we had as associates, and four young ladies who acted as heralds. The work was beautifully performed, and at the close I gave an address. The D.D.G.M. and his installing team then installed the officers of the lodge in a highly creditable manner. Ladies were present at both functions, and they put on the fourth degree which surpassed the previous performances. The tables fairly groaned at the beginning, but towards the close the audience did that part of the work for them. Constellat

lation has now an attractive home, which should have a beneficial effect upon the lodge.

On Thursday, January 11th, I visited, or rather attempted to visit, the two St. Thomas lodges to instal their officers, but owing to the railroad being out of repair the work was over before my arrival, having been done by D.D.G.M. Bro. Morrison. When I arrived at one a.m. I found the tables had been swept clean of everything and the majority of the brethren had retired to their homes for the night. About twenty remained playing games, and these entertained me for a couple of hours. I met Bro L. Ferguson and others, who were sorry at my detention

On Tuesday evening, January 23rd, I visited, by invitation Crampton Lodge, No. 304, which is located at the cross-roads in the Township of Dorchester, about four miles from any railway station. I assisted the D.D.G.M. Bro. Morrison to instal the officers, and gave an address. This is a good live lodge, having been instituted just six years ago by the then Grand Master Oliver and Grand Secretary King. It is related of these two worthies that they imagined they were being duped by a second Birchall, who drove them out, for they wished to retrace their steps out of the wilderness, and even after arriving at the scene they were doubtful about proceeding with the ceremony. They could not forsee that in six years this would be one of the live lodges. It has now a membership of 63 and over \$1,000 in the bank. They exemplified the work of the initiatory degree in a manner that would do credit to any city lodge.

On Monday evening, January 29th, I attended by invitation a banquet given by Prospect Lodge, No. 314, Toronto, in the Temple Café. This is an annual affair, given to the brothers and a few invited guests for the purpose of getting the brothers together for social intercourse. It was well attended by the members who are a bright lot of mostly young men, and I have no doubt they have a good lodge. P.G.M. Farewell was present and gave one of his characteristic addresses and presented two veterans with jewels. The Grand Secretary Bro. King, Bro. Pendrith, D.D.G.M. and the Grand Marshall Bro. Macoomb were present and each gave addresses. After delivering an address suitable

to the occasion, in company with Bro. King I retired to another function.

At 11 p.m. Monday evening, January 29th, Bro. King and I left the banquet at Prospect Lodge and attended a similar function at Broadview Lodge, No. 294, in the eastern part of the city. This lodge won the banner in the competition between the various lodges in the city and gave a banquet in honor of the event to hear the report of the judges. There I met P.G.M. Bro. Oliver, Bros. W. S. Johnston, Coyell and Terry, and judging from the speeches of some of the judges I have no doubt of the excellence of the work performed, especially by the winning team.

On Tuesday evening, Feb. 6th, I visited Aylmer Lodge, No. 94, and heard a favorable report. During the time the Dues and Benefits were under discussion, from August '98 to August '99, they lay dormant, but since that time they have been active, taking in.many new members. This is a live lodge in a good live town and its finances are in a healthy condition. After the lodge closed I attended their annual dinner and banquet in the Brown House, at which 277 sat down, including the females and other friends of the brothers. Bro. W. Warnock presided in his usual able manner. I replied to the toast "The Grand Lodge," touching on many points calculated to excite the interest of non-members.

On Monday evening, Feb. 12th, I visited, by invitation. a joint meeting of Reliance, No. 89, and Progress, No. 158, Guelph, and witnessed an initiation by a team composed of members of both lodges, and was much pleased with the ceremony. About 100 members were present. These lodges are not making much progress, both having suspended a greater number than they initiated. We afterwards adjourned to the banqueting hall in the Commercial Hotel, where the fourth degree was exemplified in a manner equally as well as the initiatory, but the team was larger and equally well prepared; an enjoyable time was spent. The following morning a committee, headed by Bro. Hamilton, took me over the model farm, where I enjoyed every minute of my visit. Guelph is the height of hospitality.

On the evening of Feb. 13th, I visited Wilton Lodge, No. 242, Toronto, where I found nearly every officer in his place and witnessed the first degree conferred. This lodge

in his lodge is progressing, having taken in seven members during the term. It has now a membership of 115, who are young and active and transact the routine business of the lodge in good style.

On Tuesday Evening, Feb. 13th, I visited Covenant Lodge, No. 52, Toronto, and was much pleased to see a candidate receive his initiation, the work being done by regular officers of the lodge and very satisfactorily. I also witnessed a candidate receive the First Degree. They have now 160 members, having taken in two and lost three for N.P.D. I gave an address, drawing their attention to the fact that the older lodges must not rest on their laurels, but must be active in securing new members.

On Wednesday evening, Feb. 21st, I visited, by arrangement, Saxon Lodge, No. 121, Ailsa Craig, where I found a good, active lodge, the officers doing their work in good form. They have a membership of about 50, and assets of \$3,000; and though they have been in existence for .26 years, they have only two widows, and are in healthy condition. They discussed very intelligently some changes proposed in their by-laws. I was well entertained and gave them an address on some current topics relating to our Order.

On Thursday evening, Feb. 22nd, I visited, by invitation, Ivy Lodge, No. 90, Parkhill, where they entertained the brethren and a number of invited guests to a smoking concert. An enjoyable evening was spent in games of various kinds, followed by a concert and an address by myself on the origin, growth and extent of our Order. It is expected that such a gathering will do good, not only by stimulating the members of the lodge to renewed activity, but also by adding to their ranks many of those who were present as visitors.

On Monday evening, Feb. 26th, by previous arrangement, I visited Otter Lodge, No. 50, Tilsonburg, and saw a candidate initiated into the mysteries of Odd Fellowship by the degree team and officers. The work, excepting the marching, was good, and they are excusable for the latter as they have had very little practice of late. It is a live, healthy lodge, having a membership of 173, and meets in a fine lodge room, one of the best in the province. We were afterwards entertained at the Queen's Hotel both bodily and

mentally, for the menu was good and the speeches were of a superior nature.

On the afternoon of March 8th I visited the two Chatham lodges and dedicated their new hall to the purpose of Odd Fellowship, being assisted by the Deputy Grand Master O. L. Lewis and members from each lodge. The ceremony was performed in public, and the various officers, headed by Bro. Lewis, who acted as Grand Marshal. performed their allotted parts without a hitch. They were ably assisted by a choir got together for the occasion. Grand Secretary Bro. King, P.G.M.'s Bros. Hoyle, Young and Gibson gave brief addresses at the close: This is one of the finest halls in the province, and is well supplied with ante and cloak rooms and a large concert hall beneath on the second storey.

In the evening, Chatham degree team exemplified the work of the second degree successfully and introduced a novel picture which pleased the visitors very much. This was followed by a banquet, the caterers being the W.C.T.U., who did themselves proud. About 250 guests sat down to the tables. The toast list was only half completed when we had to leave to catch the 2.30 train for home.

On the evening of March 14th I attended a mass meeting of Odd Fellows, affiliated and unaffiliated, in Central Hall, Toronto, and gave an address on the Order, the object being to have many of the 1,500 unaffiliated Odd Fellows in the city again become active members by connecting themselves with some lodge. Hon. G. W. Ross and P.G. M.'s Hoyle and Farewell gave practical and eloquent addresses, which will greatly assist to obtain the end in view. This was followed by a banquet, given by the District Committee, under whose auspices the meeting was held. The result of this meeting is the formation of a new lodge within eight weeks.

On Thursday evening, March 16th, I visited, after only a few hours' notice, Walkerton Lodge, No. 84, and though the notice was short and the meeting a special one, about forty members were present. This is a live lodge and numbers most of the business men of the town among its 120 members. They have assets to the amount of \$3,000. R. Lee, the active D.D.G.M., is doing good work in the district. I exemplified the secret work, but learned ti in lo sp lag tri Oc tio I w

On the evening of June 6th I visited Toronto and instituted Social Lodge, No. 333, which has started under

twenty candidates during the term.

On Tuesday evening, March 20th, I visited, by invitation, Dolman Lodge, No. 174, Ayr, and witnessed the initiation of two candidates by the degree team. This lodge numbers over 100 members, and, having taken on a spurt, are adding to their membership. Being only a village lodge, they have to draw largely from the rural districts, and thus obtain the sons of farmers, who make good Odd Fellows. This lodge is noted for the beautiful Decoration services it holds each summer, and I may say here that

drive in the evening around their beautiful and picturesque town, which I enjoyed very much.

Leaving Owen Sound on the Britannica, belonging to the Northern Navigation Company, I set sail for the Soo, where I arrived on Monday evening, July 2nd, at six o'clock, and visited Arthur Lodge, No. 281, in special session assembled to receive me. I, assisted by D.D.G.M. Brown and other members of the lodge, installed their officers and gave an address. They have a large, well-proportioned lodge room and do good work. We were afterwards entertained at a banquet, where many good things were said. This is a growing town, owing to the establishment of the large pulp mill, and Odd Fellowship should increase in proportion. I visited the American Soo and was shown their I.O.O.F. lodge room which is well equipped and richly furnished.

On the afternoon of Wednesday I set sail in the C.P.R. steamer Alberta, for Fort William, and visited Algoma Lodge, No. 267, on Thursday evening, July 5th, when I installed the officers of that and Port Arthur Lodges who came up for the purpose. I was highly pleased with the stamina of the officers installed. We were well entertained while here, and on the afternoon of the 6th enjoyed a drive around the town and up the Kaminestiqua river as far as the Old Fort, being accompanied by D.D.G.M. Bro. Mc-Naughton, Rev. Bro. Rowand and Bro. Johnston. This is a great shipping port and I look for bright prospects for this lodge.

On Friday evening, July 6th, I visited Port Arthur Lodge, No. 244, and installed their appointed officers and exemplified by request the secret work, inviting discussion. We had a pleasant and profitable time, and I am sure much good will result from my visit. We were entertained in the afternoon of the 7th to a drive around town and along the old Dawson road, over which Lord Wolseley marched with his men to suppress the Red River Rebellion. Bro. H: B. Dawson and others left nothing undone to make our stay enjoyable.

We left Fort William at 5 p.m. Saturday, July 7th, and arrived by the C.P.R. imperial express at Rat Portage on Sunday morning at 2.30, where we were met by eight or ten

On the afternoon of Tuesday we were shown through the Ottawa Reduction Works and the Lake of the Woods flour mill, Keewatin, and in the evening visited a joint meeting of Minnetonka Lodge, No. 292, Keewatin, and Gold Hill Lodge, No. 261, Rat Portage, and installed their officers, being assisted by that old veteran Bro. Francis, of Port Arthur, who acted as Grand Marshal. By request I exemplified the secret work and gave a short address, and thus ended my visits to the lodges in New Ontario. At all places I was most hospitably entertained, and I have the honor of being the first Grand Master to visit these western lodges, everyone of which are prosperous.

We left on the Imperial Limited at 2.36, July 11th, for Winnipeg, and were met at the depot by Grand Secretary, Bro. Shanks, P.G.M. Bro. Baker, N.G.'s Rose and Barkley, and escorted to the Leland Hotel, where a room had been engaged for us. In the afternoon we were shown the various points of interest in their new and progressive city, during a drive with Bros. Shanks and Baker. On Thursday evening I visited Minnehaha Lodge, and on Friday evening Manitoba Lodge, which claims to be the largest lodge in the Dominion, but is excelled in membership by two lodges in Ontario, but not in hospitality. I witnessed work in both lodges, but was particularly carried away with the floor work in Manitoba Lodge. During our four days' stay in Winnipeg (I was accompanied by Mrs. McLurg on this trip), everything was done to give us enjoyment, and we shall not soon forget the good brothers of what will soon be the great metropolis of the West, for the many kindnesses and acts

On Thursday evening, July 19th, I visited Warriner Lodge, No. 75. Port Perry, to endeavor to arrange a difficulty between the lodge and one of its widows, who will not accept a reasonable cash settlement in lieu of annuity. They had previously surrendered their charter, but owing to some irregularity I would not accept it. She has already received \$475 in annuities, and the lodge offered her \$150 in cash in lieu of the annuity, which she refused to accept.

On Monday evening, July 30, I visited Olive Branch Lodge No. 88, Woodstock, and was highly pleased with the work of the Initiatory degree, which was conferred upon one candidate. This is a good strong lodge, which moves along steadily, and I find on looking over the members' book that P.G.S. Dr. Cl. T. Campbell was one of its charter members, and he made the first entry in the book, that a member of the Dominion Cabinet, Hon. Jas. Sutherland, claims it still as his Odd Fellows' home.

An address of welcome was presented to me during the evening, to which I replied, dwelling on some points of interest to the Order in general, and to this lodge in particular. D.D.G.M. A. J. Watford, who filled the office so ably during the past year, also gave an address, which was much appreciated. We were afterwards entertained to a luncheon in the lodge room. This lodge promises to do its share to swell our numbers up to 25,000 before the close of the year.

On Tuesday evening, July 31st, by request I visited Embro Star Lodge No. 229, Embro, and spent a very enjoyable evening. A number of members of Olive Branch and Woodstock Lodges, of Woodstock, accompanied me in order to render encouragement and assistance to this lodge, which has been struggling for existence for some time. The efficient degree team of Woodstock Lodge conferred the Initiatory and First Degree on three candidates in a manner highly pleasing to all present, and such work cannot but be a great stimulus to the Embro brethren. This degree team does its work well, and the crack teams of the cities will have to look to their laurels if they should ever attempt to cross swords with the team of this young lodge. We were well entertained to a banquet afterwards, when I gave an address.

VII.—COMMITTEES.

VIII.-DECISIONS.

During the year a great number of questions were submitted to me for information and decision, many of which could as readily have been answered by the Noble Grand by referring to past decisions or the digest.

The following are some of the more important decisions given by me:

I. A lodge has no right to initiate a member suffering from a chronic disease upon his signing an agreement not to claim benefits from sickness or disability arising from such disease. Such an agreement would be null and void and, therefore, not binding on either party.

2. Statement—An aged person, living with an unmarried son who has a good trade and plenty of work, is an invalid from kidney trouble. Is he entitled to benefits?

Answer—Yes. His support does not devolve upon his son. All members, whether old or young, rich or poor, rendered incapable of following their usual or other attainable occupation, are entitled to benefits.

3. The present N.G. of a lodge, though he has been re-elected, is the Junior Past Grand. The requisites for obtaining past official honors are service for a majority of the nights of a term and until the end thereof. He, having fulfilled those conditions, is entitled to the honors of the office and to vote for Grand Lodge officers, and to be elected to Grand Lodge as representative.

4. Question-If a member of any lodge in the jurisdiction of Ontario presents an official receipt to the N.G. of our lodge, should our N.G. give him the password, or does the receipt just admit him without the password ?

Answer—The possession of an official certificate or receipt for dues paid to a date later than that on which the same is presented, properly signed and sealed, by a member of any lodge in the jurisdiction, entitles such member, upon presentation of this receipt to the N.G. of the lodge which he is about to visit, to the password. Therefore, upon proper identification the N.G. must give him the password and admit him.

5. Statement—A brother paid his dues by postal note, which arrived at the post office of the P.S. on October 3rd, the regular meeting of the lodge being that evening. The P.S. neglected calling at the post office that evening, but called and received the letter next morning. The brother was not credited with the payment until the next lodge night, the roth. Was he in arrears from the 3rd to the roth?

Answer—No. The postal note being in the post office of the P.S. on the 3rd, and that officer neglecting to call for it that day previous to the meeting, it was the fault of the P.S. and therefore of the lodge, he being its officer, and not of the brother, that his dues were not received and placed to the credit of his account on the night of the 3rd. He should, therefore, not be considered in arrears. It injures a lodge materially to make technical objections in a case of this kind, and, therefore, I hope you will act generously and brotherly in all such cases, and thus insure to absent brothers that their rights will be looked after by the members who are privileged to be in attendance at lodge meetings.

6. A subordinate lodge has not the power to compel brothers to address the N.G. by the sign of the degree when crossing from one side of a lodge-room to the other, nor has the N.G. power, under the instructions of the lodge, to make a rule compelling a brother to cross the room at the centre and on the square; though I think it would be well for the brothers, on entering or in crossing from side to side, to do so on the square, and not obliquely. The latter is a "go-as-you-please" way of moving about the room, and a lodge in which the members enter and cross in that way may be put down as slovenly in other matters of IS

7. A brother not having paid his dues at the end of September, as required by by-law, but who paid on the 17th day of October, is clearly not entitled to benefits for the sickness beginning on the 16th of October, for two reasons: Ist. Article 51 of your by-laws states distinctly that no brother who is indebted to this lodge to the amount of one year's dues shall be entitled to benefits. 2nd. A brother, after being taken sick cannot pay up his arrears and be entitled to benefits.

8. The phrase "having no available means of support," in clause 55 Constitution of Subordinate Lodges, refers to the infirm from old age immediately preceding, and should not be separated from it by a comma, but should read thus : "By reason of infirmity from old age and having no available means of support, etc." It refers to a different class of invalids from those rendered incapable by sickness or disability.

9. Question.—" Has the N.G. alone the authority to examine the ballot-box ?

Answer.—No. It must first be submitted to the scrutiny of the V.G. and afterwards to the N.G. for examination and the result of the ballot to be declared by the latter.

10. Question.—In the absence of the N.G. the V.G. takes his chair, there being no P.G. present. Where it would be necessary to appoint a Scarlet degree member as V.G., can a ballot be taken on a candidate and the result declared ?

Answer.—Yes. In the absence of the N.G. it is not only the privilege but the duty of the V.G. to take his chair and fulfil his functions. He may even confer the degrees. He is in fact the N.G. for the time being. A ballot can be taken with him in the N.G's chair and a Scarlet degree member in his chair. In that case the ballot box will be examined by the acting V.G. and declared by the V.G. of the lodge who is acting as N.G.

11. A brother has the annual or travelling password, but has left behind or mislaid his official receipt. Is he qualified upon making application to be admitted to a lodge in a foreign jurisdiction ?

Answer-No. He must present a card or an official receipt. No brother belonging to one Grand Lodge jurisdiction can be permitted to visit a lodge in another jurisdiction unless he presents a visiting card or an official receipt. He may be without the A.T.P.W. but he must have either a card or the receipt.

12. A brother has his official receipt duly signed in the margin, but does not possess the A.T.P.W. Is he eligible to admittance into a lodge in a foreign jurisdiction?

Answer-Yes, if the official receipt shows that the dues are paid to a date later than that when the same is presented, properly signed and sealed, the N.G. of the lodge in a foreign jurisdiction must give him the A.T.P.W. and admit him.

13. Statement—A N.G. becomes J.P.G. and is now running for the office of N.G. again in opposition to the sitting V.G. who is legally qualified to run.

Question I—Is the said J.P.G., under the circumstances above related, qualified to oppose the sitting V.G. for the office of N.G.?

Answer-Yes. Any brother after having passed the V.G.'s chair is qualified, if elected, to fill the N.G.'s chair.

14. Candidates between the ages of eighteen and twenty-one cannot be initiated into the Order. Several attempts have been made at succeeding sessions of the Sovereign Grand Lodge to have such legislation become law, but so far without success.

15. The Grand Master has no authority to grant a dispensation to permit a candidate to be initiated in any other lodge than that in which he has been elected. After he has been initiated and applied for the degrees, been accepted and paid for the same, these latter may be conferred on him by another lodge at the request of his own lodge, but he must be initiated in the lodge in which he made the application.

When a charge duly specifying the alleged offence against a brother is submitted to the lodge in writing by one or more members of the Order in good standing, it shall be referred to a committee of five members to be chosen by ballot. The lodge has no right to take a vote on the charge until after the committee has reported.

17. Can a candidate be initiated after the ballot has been taken and declared favorable, if, upon closer scrutiny of the medical examination paper, he is found to be under twenty-one years of age? Is it the duty of the N.G. to refuse to initiate the candidate under the circumstances?

Answer to Question I—No. A candidate must be twenty-one years of age before he can be initiated, and he must answer the question that he is of that age in the question book and subscribe his name thereto previous to entering the lodge for initiation.

Answer to Question 2—As the N.G. in his installation has obligated himself to support, maintain and abide by the constitution of the Grand Lodge as well as of his own lodge, and as the constitution requires a candidate to be twentyone years of age before he can be initiated, it is the duty of the N.G. to refuse to initiate him until he is of that age.

18. Statement—A brother has served one term as left supporter of the V.G., and at the recent nominations was nominated for V.G., was present and did not withdraw, but remained silent; the only other nominee being the brother who was afterwards elected N.G. The question of the brother's eligibility was then raised on two points: first, for not accepting the nomination in writing and secondly because he was not present at every lodge meeting during the term. It was ruled that he was not eligible, and another brother was elected V.G. Question—Who is the legal V.G. for the term ?

Answer—The brother first mentioned is the legal V.G. for the term and should have been declared elected by acclamation as there was no other candidate in nomination. He was perfectly eligible for V.G. as he had filled an inferior office one term, though not present every night, and as he did not withdraw his name from the nomination. It is not necessary to accept the nomination in writing.

Answer-Yes, if he is a scarlet degree member and has filled for one full term the V.G.'s chair. You will, however, observe that no saloon-keeper, bartender or professional gambler shall be eligible to membership in this Order. This legislation was made in the Sovereign Grand Lodge in 1895. If the brother became a member previous to that time I can see nothing debarring him from holding any office in the lodge.

20. A non-resident brother does not require to sign the constitution on being reinstated. If he applies for reinstatement within one year after supension no more than one year's dues can be charged.

21. Attentive and pecuniary benefits must not be confounded; the latter depends on good standing in a lodge while the former does not. A brother in arrears, though not suspended, is not entitled to pecuniary benefits, but is entitled to attentive benefits including watchers.

22. An office in a subordinate lodge becoming vacant by resignation can only be filled as in Article 37 Ontario Digest, by the election taking place on the second night of nomination.

23. A brother having been suspended for non-payment of dues, and making application for re-instatement within twelve months from the date of supension, on being received is charged the same dues and enjoys the same privileges as before suspension. In case of graded dues he does not require to pay the rate at the age of re-instatement.

24. Question—Can an hotel-keeper who attends his own bar occasionally, be admitted to membership in our Order ?

Answer—No. No saloon-keeper or bartender shall be eligible for membership in our Order. Of course that will depend to what extent he attends his own bar. If he should attend bar a part of each day, and not only very occasionally, he is ineligible.

25. A brother suspended for non-payment of dues, wishing to regain membership in a lodge in another jurisdiction than that in which he was suspended, shall be entitled to receive, and the lodge to which he belonged shall grant, upon proper application, a dismissal certificate upon the receipt of one dollar. This refers to any brother, whether suspended for five years or less, and is mandatory.

GRAND LODGE OF ONTARIO.

26. The examining physician is entitled to whatever your by-laws allow. If he agrees to examine all candidates for his dues, he cannot claim a greater amount, though such examinations are afterwards made use of by the Relief Association for the purpose of granting insurance to the

27. It is illegal to appropriate any sum of money out of the funds of a subordinate lodge to the Patriotic Fund of the Canadian contingent, for they are trust funds, and only to be used for the legitimate objects of the Order; but it is legal to appropriate a sum for the erection of a home for the infirm and aged and orphans of deceased Odd Fellows.

28. "Good standing" in a lodge, referred to in Section 1223, White's Digest, means that a brother has not been suspended for non-payment of dues during the twentyfive years. He may have been in arrears at some time or other during the twenty-five years, but as long as he has been a member of a lodge continuously for that time, or had not taken a withdrawal card and held it for a longer term-than one year, he is entitled to the veteran jewel.

29. Question-Can a lodge admit to membership a man having Indian blood in him ?

Answer-No. I assume a man having Indian blood in him is not a white person, and is, therefore, not entitled to membership in the Order. (See Clause 2, Constitution of

30. Non-affiliated Odd Fellows who have retained membership in the Order for at least five years, and who are over fifty years of age and not under expulsion for any cause, may be admitted as non-beneficial members. The dues of such members shall be fixed by the by-laws of the lodge, but shall not be less than \$1.00 per annum.

31. Statement-A brother was duly elected N.G. His business engagements required his absence from home so frequently that he filled the chair only nine meetings during

Question-Is he entitled to the honors of Past Grand ?

honors of the office. The N.G.'s absence for a majority of the nights being caused by business engagements, and not by sickness, he is not entitled to the honors of the Past Grand Degree, even if he had been excused by the lodge, and the lodge has no power to grant him the honors of the office.

32. A brother was duly elected V.G. for the same term as the preceding, and was present ten meetings during the N.G.'s regime. There being no other members eligible, and the N.G. being unable to accept the chair for another term owing to his business engagements requiring him to be absent. Is the V.G. eligible to be elected N.G., not having been present a majority of the meeting nights during his term?

Answer—Yes. Any Scarlet Degree member may be elected, there being no other member eligible, but a dispensation for the purpose must first, be obtained before he can be elected to the position. He is not eligible by virtue of having filled the V.G.'s chair for ten nights, as the law requires at least attendance at fourteen meetings to entitle him to the honors of the office.

33. It is not legal for one member of a lodge to be elected as both Financial Secretary and Treasurer. These offices must be filled by separate individuals, though the offices of R.S. and P.S. may be filled by the same person.

34. An aged brother, having retired from business for some years, and therefore having available means of support, is now suffering from heart-failure accompanied by la grippe, his legs being weak and unable to walk. Is he entitled to benefits?

Answer—No. The brother is infirm from extreme old age, the heart failure being the result of his age, and he is not disabled from pursuing his usual occupation or otherwise gaining a livelihood, he having available means of support, he is not entitled to benefits. (See Clause 55, Constitution of Subordinates, also White's Digest, page 56, Sections 49 and 50.)

35. If a brother has been suspended for N.P.D. for one year or more, can he pay up all his back dues and thus become a continuous member from the time of his initiation, and would a lodge be doing right in accepting a

), for and of his ing a brother's application in that way, or would it have to accept him at the rate set down in the By-laws for re-instatement

Answer—A brother suspended for N.P.D. being out of the lodge for one year or more, can be re-instated in only one way, *i.e.*, by making application for re-instatement and by paying the fee charged an initiate of the same age or such less sum as the By-laws may prescribe. It would not be legal to allow him to pay up all his back dues and become a continuous member from the time of his initiation, for he ceased to be a member during suspension.

36. It is not legal for a lodge to pay a death benefit to a brother on the loss of his wife. That old law was repealed and has not been received.

37. A lodge is not compelled to pay benefits for the first week's sickness, in fact it is advisable not to do so; but after that time it must pay 2 per week for 52 weeks, when the payment may be reduced by by-law to 1 per week for the remainder of the sickness. In no case shall a smaller sum than 1 be paid. It would not be legal to pay 1 for the second week.

38. I know of no way in which a candidate can be admitted for a less sum than is stipulated in the By-laws of a lodge.

39. The Constitution will not allow any lodge to accept a candidate as a non-beneficial member unless he had previously been a member of some defunct lodge, or is a suspended member, after having retained membership in the Order for at least five years.

40. In donating money to the Home Fund, it is not necessary to give two weeks' notice of motion, but the proposition shall lie over for one week before taking final action.

41. It is not legal to pass a by-law taxing the brothers of a lodge 5 cents a month or 60 cents per annum for the purpose of forming a contingent fund. A lodge can frame a by-law setting aside not more than 5 per cent. of the dues to form such a fund.

42. Question—A brother is transferring his membership from one lodge to another, what amount should the former remit the latter and what is the cost to the brother ? Answer—The brother transferring must pay the proposition fee of \$2, and the lodge from which he withdraws must pay the balance of the admission fee; but in no case the amount to be remitted to exceed \$3. If the charge for affiliation is \$4 he must pay the proposition fee of \$2 and the lodge he is withdrawing from will remit to the lodge with which he is affiliating the balance, which is \$2. Again, if the charge is \$7, he must pay the proposition fee of \$2 as before, and the lodge from which he withdraws must remit the \$3, and the member must pay the \$2 additional to make up the \$7.

43. A brother having died without leaving any family or dependent relatives, and no other provision having been made by law for the payment of funeral benefits, the lodge is not authorized to pay the money to any person. Our law does not recognize collateral relatives unless they were members of the family of the deceased at the time of his death and dependent on him for support. Funeral benefits belong to the family or dependent relatives of the deceased, and do not begin to exist till after his death, and there being no dependent relatives, no benefits are to be paid. This makes no difference whether another society to which the brother belonged paid the funeral expenses or not, but as such has been done in this case your consciences may rest at ease, and no relative has any claim on the benefits.

44. A lodge in its by-laws agrees to pay in death benefits upon the death of a member in good standing, a sum of money equal in dollars to seven times the number of years he was a member of the lodge.

Question-Is this legal?

Answer-Yes. This is a stated sum dependent upon the time he remained a member of the lodge, and is therefore not in conflict with the enactments of the Ontario Insurance Act.

45. Question—Have we authority or power to change our by-laws with regard to the sick benefits which should be paid a sick brother, either in time or amount? Must we pay \$3.00 per week for 52 weeks, and must we pay not less than \$1.00 per week after that, and for what time?

Answer-You have power to change your by-laws in regard to sick benefits, paying not less than \$2.00 per weeks h

vs in week• for 52 weeks, and after that time not less than \$1.00 per week for the remainder of the sickness. If your by-laws state that you pay \$3.00 per week, you must continue paying that sum during the sickness, unless it is stipulated that after 52 weeks you will pay a less sum, but in no case to be less than \$1.00 per week.

46. A by-law agreeing to pay \$3.00 per week for 26 weeks, and 50 cents per week after that time is illegal. I think you will find out that such a by-law has never been ratified by the Grand Lodge for it is not in conformity with the constitution. See sec. 12, page 49, White's Digest.

47. A brother who has paid his dues to the lodge by note is not in good standing, and is therefore not entitled to benefits should he become disabled. Freedom from disability by reason of dues of every kind is one of the requisites of good standing, and no member is in good standing in a lodge while his note is held for dues. The indebtednesss by note is a new form, not a discharge of the debt.

IX .--- REBEKAH LODGE DECISIONS.

I. Subdivision 2 of section 6 of the code for the government of Kebekah Lodges was changed at the meeting of the Sovereign Grand Lodge in Detroit last year, and now reads as follows : All Oddfellows in good standing, and their wives, their daughters, their sisters, and their mothers, and the daughters, sisters and mothers of deceased Oddfellows, as well as all unmarried white women who have attained the age of eighteen years, etc., are eligible for membership in a Rebekah Lodge. The daughters, sisters and mothers above described are therefore eligible for membership even if married to a man who is not an Odd Fellow.

2. The resignation of the Vice Grand thereby forfeits her right to the privileges and honors of the office though she has served a majority of the meetings of the term. In order to be entitled to this she must complete the term. The election of her successor, even if by acclamation, will not entitle the latter to the honors of the office, as she will not have filled the chair a majority of the nights, though she has completed the term. Both conditions are necessary.

3. It is illegal and unwise for a lodge to hold its meetings in a private house, more especially when the lodge-

room belonging to the subordinate lodge can be obtained for that purpose.

4. Rebekah Lodges are not permitted to pay stated sick benefits to members, but may vote such a sum of money to a sick member as a majority of the members present at the meeting may determine. The Sovereign Grand Lodge has refused to legislate in favor of permitting Rebekah Lodges to pay stated sick benefits, and I have no power to grant a request to do this.

5. Question—Is a married lady whose husband is not an Odd Fellow, eligible for the Rebekah degree ?

Answer-No, unless she is the daughter, sister or mother of an Odd Fellow or deceased Odd Fellow.

7. Are widowed ladies eligible ? Answer-Yes.

 Is a married lady having a brother a member of the the Order but her husband not a member, eligible ? Answer—Yes.

9. Is a married daughter of an Odd Fellow eligible if her husband is not a member of the Order ? Answer—Yes.

10. Can a Rebekah Lodge not having a past N.G. of its own elect as its representative to the Rebekah Assembly a P.G. of a subordinate lodge who is also a member of the Rebekah Lodge?

Answer-Yes, (see page 725, sec. 2. of the report from the committee on Rebekah degree, Grand Lodge Proceedings of 1899).

II. If the said past Grand be N.G. of the Rebekah Lodge, is he eligible for election as representative to the assembly?

Answer-Yes, on account of his being a P.G. of the subordinate.

12. Is an initiatory member of a subordinate lodge eligible for membership in a Rebekah Lodge?

Answer-Yes, if he is in good standing.

X.-CORRESPONDENCE.

The correspondence of the chief executive officer of such an Order as the Odd Fellows must necessarily be very heavy, and is rendered more so by the executive officers of the subordinate lodges not making themselves acquainted with the constitution and by-laws governing their respective lodges, so that they are unable to give information which they could readily supply if a little more attention were given to this part of the work. The communications between the lodges and myself have been very agreeable. have endeavored to answer all correspondence as it was received, except when away from home for a few weeks on a visiting tour, and to render such assistance to lodges and members that could be given in this way. I have answered many questions from individual members who should first have applied to the District Deputy, finding it as easy to supply them with the required information as to direct them to write the D.D.G.M.

Some lodges have been very derelict in answering my letters, especially if there was any dispute about sick benefits between the lodge and a brother, showing, to my mind, that they feared they were in the wrong and were not anxious to find it out. I will afterwards report on a few of

XI .- NEW ONTARIO.

In the early part of July I visited some of the lodges in New Ontario that had never before been visited by a Grand Master of the Order, commencing at Sault Ste. Marie and ending with Keewatin, the most western point in the jurisdiction in which our Order is established, and everywhere I found strong, healthy lodges, and active, energetic and whole-souled Odd Fellows. In every lodge which I visited we had large meetings, and I experienced no discontent regarding their connection with our jurisdiction, and I believe my visits will assist materially in allaying any feeling that had existed with regard to their withdrawing from us

JOURNAL OF THE

and connecting themselves with the jurisdiction of the Grand Lodge of Manitoba. I was most hospitably entertained by each lodge and by individual members of the Order, one seeming to vie with the other in giving the Grand Master a good time, and the farther west I went the more this feeling seemed to exist. There are very few places in this part of the province that have a population large enough to justify an attempt being made to establish a lodge of our Order, but wherever we have obtained a foothold, success has followed, for the Order seems to satisfy the young men of the West as no other institution does.

XII.-PROCLAMATIONS.

In compliance with the instructions of Grand Sire Pinkerton, proclamations directing the brethren to celebrate the 81st anniversary of the Order were issued, the official column of the *Independent Odd Fellow* being used for that purpose.

These services were very largely carried out, and the decoration of the graves of deceased Odd Fellows in many places have already been observed, and many more intend to hold these services later in the summer and fall. This in my opinion is a service that should not be neglected by any lodge, as the ceremony when well performed, as it is in many places, is very impressive and calculated to benefit the Order very greatly. Let us show, by this act, to the relatives and friends of our deceased brothers that though absent they are not forgotten.

XIII.-LODGES OF INSTRUCTION.

I find, in visiting lodges, that there is a great lack of uniformity, not so much in the unwritten work as in the degree and floor work, and as the Grand Master cannot visit every lodge in the jurisdiction, and, even if he could, he is not always an adept at such work, it has been suggested by some District Deputies that a Lodge of Instruction should be held in each district once a year, for the purpose of exemplifying the work of the degrees, including the unwritten work. I am of the opinion, if this were carried into effect where possible, that it would render the district system more popular and, therefore, more effective than at the present time. The following is an abstract

from the report of Wm. Henderson, D.D.G.M. of Bervil

"A new departure in-our district, and one in my opinion calculated to stimulate in perfecting the work in conferring the degrees, was the holding of a Lodge of Instruction for the district, on Thanksgiving Day, in the afternoon and evening, at Kıncardine. The two sessions were well attended, over 100 members being present. The work of the Initiatory and the Three Degrees were all exemplified in a very creditable way by the lodges of the district, the work of the Second Degree by Kincardine Lodge and the Third Degree by Lucknow brethren being especially worthy of notice for the perfection and accuracy of the exemplification, manifesting the thorough manner in when each officer must have been drilled in order to so perfectly exhibit the various parts in these degrees."

XIV .- DUES AND BENEFITS.

While these remained in an unsettled condition during 1898 and 1899, many lodges were inactive and made no attempt to bring in new candidates, and thus the increase in membership was not as great during that time as it otherwise would have been. This goes to show that a financial question of that kind should not be allowed to remain in abeyance, but should be decided as speedily as possible, one way or the other, so that candidates may know what is expected of them. Too many still join our Order from financial considerations, and not for the purpose of elevating the character of man, etc., but as the true teachings of the Order are being daily more diffused through the land, the percentage of this class is becoming less and less.

Those lodges that were inactive are now doing good work again, and the membership throughout the jurisdiction will be increased accordingly. The general expression of opinion regarding dues and benefits is that such legislation should be left in the hands of subordinate lodges, who claim to be the best judges of their ability and requirements. Wherever the subject has come up for discussion during my official visits, I have recommended that an increase graded scale of dues be adopted, in order to strengthen the financial standing of the lodge.

JOURNAL OF THE

XV .- ENTERTAINING GRAND SIRE.

During the meeting of the Sovereign Grand Lodge in Detroit, I was informed by our Grand Secretary that the Grand Sire, Bro. Pinkerton, with the representatives from the Eastern States and Provinces would return via Toronto, where they would remain for a day or two, and that they would arrive in the city on the morning of September 25th. We decided to make their stay in our beautiful metropolis as pleasant as possible, and accordingly gave them and their lady friends who were accompanying them a drive about the city, showing them the various points of interest, and afterward entertained them to luncheon at the Granite Club, where the Grand Sire, on behalf of the representatives, expressed his pleasure at the hospitality of the Ontario Grand Lodge and the Toronto brethren in entertaining them as they had done. He also expressed himself as delighted with our city, referring especially to the superiority of our city hall and parliament buildings, and also to the beautiful residences and lawns. P.G.M. Hornibrook and the Grand Master spoke in behalf of the city. The G.S., with a number of the representatives, visited a joint meeting of two of the local lodges in the evening as reported elsewhere and gave excellent addresses. They were all gratified and pleased that they had stopped over in the city on their homeward journey, and promised to return this year after the meeting in Richmond, Virginia.

XVI.-RESUSCITATED AND WEAK LODGES.

I am pleased to be able to report that Erin Lodge, No. 33, Port Burwell, has been brought out of the "Slough of Despond" by allowing the few remaining members resident in the village a little latitude in adding to their membership. I believe at last Grand Lodge meeting only one member was reported good on the books by the D.D.G.M. I permitted them to hold meetings and initiate candidates with the assistance of neighboring lodges, and they have been so successful that they are again in a good, healthy condition. The few remaining members were loath to surrender their charter which they had held for so many years, and so made an extra effort to build up their lodge.

Jubilee Rebekah Lodge, No. 13, Chatham, which had only four members remaining, was allowed similar latitude, smo far a Whe to v lodge and woul awak bers

with the result that their membership has been largely increased and the lodge is in a flourishing condition. This lodge had been permitted to meet in a private house and nothing but failure could have been expected under such conditions. I decided that this was illegal and that they must meet in a lodge-room or I would re-call their charter. They are now meeting in the new Odd Fellows' Hall with beneficial results:

Harwick Lodge, No. 192, Gorrie, and Equity, No. 232, Hagersville, are reported by the D.D.G.M.'s as being in an unhealthy condition. Something should be done to stimulate weak lodges such as these, and I would recommend that the Grand Master be empowered to secure a competent brother that he might send him to those places where the lodge is weak and dormant and assist the brethren to secure new members, the object being to get the lodge started to work, for if a few candidates are obtained the brothers will, in all likelihood, keep on with the work and materially increase their membership. The cost for work of this kind need not be very great, and I believe it would be money well spent. If this cannot be done I would recommend that the names of weak and dormant lodges be drawn specially to the attention of the incoming Grand Master that he may arrange meeting in these places, to which non-members may be invited, so that he may give an address suited particularly to outsiders. I have found this work well in places of this kind, where I have spoken at smoking concerts, etc.

St. Mary's Lodge, No. 36, had been lying dormant, so far as increase of membership was concerned for three years. When I visited this lodge in January I advised them to get to work or I would send an organizer to institute a new lodge in the town for they were merely occupying the ground and thus preventing young men joining our Order who would do so if we had a live lodge. The result has been an awakening of old St. Mary's Lodge so that many good members have been obtained.

XVII.-DEDICATIONS.

On Thursday, December 7th, 1899, I dedicated the fine new hall, built by Huron Lodge, No. 62, Goderich, being assisted by the members of the lodge. On Tuesday, January 9th, 1900, I dedicated the new hall built by Constellation Lodge, No. 85, Burgessville, being assisted by D.D.G.M. Bro. W. M. Bell and Bro. A. McFarlane, of Otterville.

On Thursday, March 8th, 1900, assisted by Deputy Grand Master, A. L. Sims, Grand Secretary J. B. King, P.G.M's Hoyle, Gibson and Young, and P.C.P. A. H. Blackeby, I dedicated the handsome and commodious new hall built by Chatham Lodge, No. 29. This lodge now owns fine property and I believe it will be a good paying investment.

XVIII.-DISPENSATIONS.

On January 5th, 1900, I signed a dispensation to Ridgetown Lodge, No. 144, giving permission to continue the work of the lodge, the charter having been destroyed in the fire which consumed their lodge room, also to wear regalia in the procession at the anniversary services. I would recommend that a new charter be granted without cost and that an order be accordingly made.

On May 21st, 1900, I granted a dispensation to Alvinston Lodge, No. 208, giving the members permission to wear the lodge regalia on the street on the occasion of meeting the Canton from St. Thomas on the 24th of May.

On May 10th, 1900, I granted a dispensation permitting the Lindsay brethren to advertise a first of July celebration in the name of the Order, in aid of the hospital.

On December 12th, 1899, I granted a dispensation to Carnation Rebekah Lodge, No. 58, Wallaceburg, permitting them to elect an appointed officer to the N.G's chair as there was no eligible member available.

In June, 1900, I granted a dispensation to Erie Lodge, No. 33. Port Burwell, to elect the most efficient brothers in the lodge to even the highest office, regardless of offices previously held by them, for the purpose of stimulating this lodge as much as possible.

XIX .- CHANGE OF LOCATION.

On April 14th, 1900, I gave permission to Earnscliffe Lodge, No. 283, Janeville, to change the place of meeting from Janeville to the City of Ottawa, at the request of the lodge, and upon the recommendation of D.D.G.M. Bro. nc Co La No

GRAND LODGE OF ONTARIO.

Ackers and the District Committee and with the consent of the three Ottawa Lodges. My reasons for doing so was as follows: The lodge has in the past been permitted to obtain its candidates from both the City of Ottawa and the Township of Gloucester, in which Janeville is situated; that any increase of membership must come from the city as the rural municipality is almost exhausted; that the hall in Janeville is not suited for lodge purposes, being on the ground floor, and there is no other obtainable, and that Janeville is only a very short distance from the city boundary. I recommended that a hall be selected as near the eastern boundary of the city as possible so as to be conwenient to the rural members.

The change has since gone into effect and my recommendation carried out, with the result that the lodge is prospering and will in all probability in the near future become one of the strong lodges of the city. I ask that Grand Lodge ratify my actions in this respect.

XX.-TRANSFER OF MEMBERSHIP.

The legislation of last Grand Lodge session contained on page 7132, bearing on this question seems to have given very general satisfaction, though many brothers think that the change was not radical enough, as they hold that it should not cost a member anything to transfer his membership from one lodge to another, and that such cost, if any, should be borne entirely by the lodge from which he withdraws. The legislation of last session will be the means of lessening the suspensions from N.P. of D's, and I believe that if the cost were entirely removed that great benefits to the Order would be the result, and would therefore recommend that action be taken thereon.

XXI.-DISTRICTS.

Bro. J. D. Donaldson, of Kingston, who has been nominated as D.D.G.M. for Kingston District, writes that Cornucopia Lodge be placed in Lanark Disfrict and that Landsdowne Lodge be attached to St. Lawrence District, No. 41.

I have written these lodges and find the former is content to remain as it is while the latter would prefer being placed in St. Lawrence District, it being more convenient.

XXII.-REBEKAH LODGES.

There seems to be much activity in some localities in the Rebekah branch of the Order while in others there is a lack of that enthusiasm that is desirable in order that good progress may be made. This is due in some places to the fact that they are not allowed to have stipulated dues and benefits, and one lodge has sent out a circular to the various Rebekah Lodges, joint action being taken in asking that the representatives to the Sovereign Grand Lodge be requested to use their influence in seeking to obtain such legislation from that Grand Body as will clothe them with such power.

The Rebekah Assembly at the meeting in August last passed a motion requesting the Grand Master to divide the jurisdiction into districts, as the present system of appointing a member of each lodge District Deputy does not meet with their approval, as it does not give to that officer the dignity that the office demands. On September 2nd, 1899, I was requested by the Secretary of the Assembly to do this, but as the commissions had already been issued to the District Deputies of Rebekah Lodges, I fancied it more convenient not to do so, but to report to this Grand Lodge for action thereon.

XXIII.-DISTRICT COMMITTEES.

I have much pleasure in submitting for your consideration abstracts from the reports of the district meetings. I find that in too many cases the only question acted upon is the nomination of a brother for D.D.G.M. for the ensuing year, while in many others many subjects have been discussed and reported upon and suggestions made that the Grand Lodge may take action thereon. The following are a few of the most important :

1. Bothwell District recommends that the district meetings be abolished and that the D.D.G.M. be elected by the representatives of the district at Grand Lodge meeting. to in sub give

12. Toronto District, No. 19, recommends that juvenile lodges be established.

13. Kent District, No. 2, recommends that a suitable jewel be presented to each retiring D.D.G.M.

XXIV .- VDISTRICT DEPUTY GRAND MASTERS.

I have been very fortunate during my term of office to have been so ably supported by the District Deputy Grand Masters whom I appointed on the recommendation of the District Committees. As the years go by, these committees are seeing the folly of selecting a brother for this position merely on account of belonging to a lodge whose turn it is to be honored by this office, and are in the great majority of cases selecting the brother most capable of filling the position with the greatest degree of efficiency. Occasionally it happens that a brother is chosen from some lodge which does not believe in the district system and who therefore

office to ty Grand on of the mmittees position turn it is majority of the posicasionally ge which therefore gives no time or attention to the duties devolving upon him, and is hence a failure. I have reports from some of my Deputies who would do honor to any position in the Grand Lodge.

A great many have conducted the installation of officers in January and July without the use of the ritual as it should be done in all cases, while others have done so with an installing team, no member of which required the use of the ritual. The use of this book in the lodge room should be discouraged as much as possible and I hope the time will soon come when it will not be allowed even in conferring degrees, the effect of the ceremony upon the minds of candidates being more impressive when given in this way. Many public installations were conducted throughout the jurisdiction during the year and when these are well performed, as they have been in many cases, good results to the local lodge or lodges have followed. I think it would be advisable in case of weak lodges that outsiders be invited to the installation of their officers when such can be well done.

The brother nominated by the District Committee should be the first representative of his lodge to the Grand Lodge in order that he may become better qualified to fill the position of D.D.G.M., and I would therefore recommend that Grand Lodge enact such legislation as will cause this to become law.

XXV .- GRAND LODGE SOLICITOR.

Although no cases for litigation have come up during the year, I have had occasion to consult our Grand Lodge Solicitor, Bro. R. K. Cowan, who went into the cases thoroughly and gave me his legal opinion and advice, which was very valuable, and rendered me good service in dealing with a few important cases. Mayflower Lodge, No. 297. wished to know how to proceed to protect the rights and property of two orphan children of a deceased Odd Fellow, whose widow married a man who had been disposing of stock and such like and pocketing the proceeds to enrich himself at the expense of the children. No letters of administration had been taken out. The Grand Solicitor wrote the lodge directing the brethren how to proceed and

I have no doubt that ere this they have taken steps preventing the robbing of these orphans.

He also gave me good advice *re* Warriner Lodge, No. 75, Port Perry, who had surrendered its charter, but whose affairs were so complicated that I was unable to decide the line of action I should take in the matter.

XXVI.-APPEALS.

Several appeals have been made to me for settlement during the year, the majority of which were of minor importance and easily adjusted. The following I present to the Grand Lodge for action thereon :

J. Y. Foster vs. Glencoe Lodge, No. 133.

Jas. L. Johns vs. Ottawa District Committee.

Jas. Cleeve vs. Western City Lodge, No. 93.

XXVII .- THE "INDEPENDENT ODD FELLOW."

We have now in the Independent Odd Fellow one of the best fraternal papers published in Canada to-day, and it is improving every month, but in order to bring it up to that state of perfection that the most fastidious could wish for, it is necessary not only that it should receive the financial support of every member of the Order but also that all brothers throughout the jurisdiction qualified to contribute articles of interest, both local and general, should make use of its pages for such purpose. We have used the official columns to some extent during the past year in circulating information to the lodges, but I fear that in too many cases this column is never read to the lodge by the Recording Secretary who considers it as his private property because it is addressed to him. It has done much good during the past two years and if it were only placed in the hands of each member of the Order, it would be a material factor in increasing our membership by preventing brothers becoming careless and negligent, and as a result becoming suspended for non-payment of dues.

XXVIII .- THE ODD FELLOWS' HOME.

During the year many lodges in the jurisdiction have been pleased to contribute to the Home Fund, which now amounts to nearly \$10,000 in cash and subscriptions, and it

On November 28th I issued a circular to the lodges, to which was attached a copy of one issued by Past Grand Sire Dr. Cl. T. Campbell, chairman of the Board of Directors of the Home.

APPENDIX A.

Brothers,—It has been decided that an Odd Fellows' Home is required in Ontario. There are brethren, old and infirm, who are looking forward to anchoring in this haven of rest. There are orphans, the children of brothers with whom you have entered into solemn covenant, who are sadly in need of the shelter such a Home will afford.

We do not now need resolutions of sympathy with regard to this Home; we need the necessary funds with which to commence give now? Some office to the set of the set o

Some offers of excellent sites have been made; but we are hampered in commencing operations because we have not all the money required. We have now about \$8,000 in cash and subscriptions; we should have at least \$20,000. Several lodges have subscribed from \$50 to \$250 each; will you not give your subscription, and give it now? You best know what amount would be within your means. Will you vote that amount at once, and notify our Treasurer of your subscription, or send him the money?

It is quite legal to vote money from your General Fund for the Home. All amounts or subscriptions received will be acknowledged in the *Independent Oddfellow*. Send to the Treasurer, who is also the Treasurer of the Grand Lodge, Bro. W. J. McCormack, 26 Grosvenor St., Toronto, Ont.

Fraternally yours,

J. B. KING, Secretary. CL. T. CAMPBELL, Chairman.

Dear Sir and Bro.,—I desire hereby to direct the attention of your members to the circular recently issued by the Past Grand Sire, Dr. Campbell, chairman of the Board of Directors of the Ontario Odd Fellows' Home, a copy of which is attached hereto.

JOURNAL OF THE

It is very desirable that every lodge should contribute something to the fund now being raised in this jurisdiction for the Home. With that object in view I have to request that your lodge will set apart its last meeting night in December for the discussion of this subject and of the amount which you can contribute to the Home Fund. You will have, in all probability, a fairly good representative meeting that night, and in that way can secure an expression of the opinion of your lodge. I understand from the chairman that plans are now being prepared, but the directors do not-wish to commence building until a sufficient sum is guaranteed to complete the work. The four commands of the Order have been fully made known

to every Odd Fellow. They are, to visit the sick, to relieve the distressed, to bury the dead and to educate the orphan. The first three have been well lived up to, the last duty has scarcely been entered into so far as this jurisdiction is concerned.

The names of the lodges which have already contributed appear in this letter. If your lodge is one of these, this appeal is not addressed to it, unless it desires to supplement the amount there given with a further contribution. Hoping to have a hearty and unanimous response to this request, I am,

Fraternally yours,

JAMES MCLURG, Grand Master.

XXIX .- THE OFFICIAL CERTIFICATE.

The official certificate is now one of the most useful institutions of the Order, as the possession of it dispenses entirely with the necessity of the visiting card, which has served its day and generation, and should now be discarded, and every brother, upon paying his dues, should receive this receipt, properly signed and sealed. By the legislation of the Sovereign Grand Lodge at Detroit last year the possession of the official receipt for dues paid to a date later than that when the same is presented, properly signed and sealed, authorizes any Noble Grand, upon proper identification, to communicate to the holder thereof the A.T.P.W., and if the brother is visiting a lodge in his own Grand Lodge jurisdiction he is entitled to receive from the N.G. the term password. It thus dispenses with the necessity of a brother at a distance from his own lodge asking that an order for the password be sent him.

XXX .- OTTAWA AND HULL CALAMITY.

brethren of our Order, caused by the calamitous fire that swept over the cities of Ottawa and Hull, the former city, Ottawa, in our own Province, and the latter, Hull, in our sister Province of Quebec, on April 26th last, being unable at the time to leave home, I requested the Grand Secretary, Bro. J. B. King, to proceed to Ottawa and ascertain the nature and extent of the distress caused to our brothers, and also an approximate of the amount of relief that would be required to tide over present distress, and assist our brothers to commence life over again. Accordingly, Bro. King went to Ottawa, spent two days among the brethren, visiting their lodges and the local Relief Committee of the Order, and on his return to Toronto reported the circumstances fully to me. He ascertained that over sixty Odd Fellows' families, representing some 300 souls, had been rendered homeless, having lost everything, the brothers having even lost their employment by the destruction of the shops and mills in which they had been employed. I considered this a fitting opportunity to carry out one of the great principles of our Order-to relieve the distressedas it is the proud boast of our Order that we are abundantly able and nobly willing to relieve our own members in times of distress, and issued a circular to each lodge in our own jurisdiction, and asked permission from the Grand Masters of our sister Provinces and of our neighboring State Grand Lodges to appeal to the subordinate lodges of their jurisdictions for such financial aid as they considered right to give to our distressed brothers. The result of this appeal has been a generous response from most of the neighboring Grand Lodge jurisdictions, especially from those of Manitoba and Michigan, as well as from most of our own subordinate lodges. Nearly \$6,000 have been sent in from all sources, and more is continuing to come. The Grand Secretary will give a detailed statement of the receipts, as well as the amounts sent to the Executive Committee in Ottawa, whom I appointed to distribute the monies. This committee is composed of Bros. Wm. Andrew, of Ottawa Lodge, No. 224, Chairman; L.R. Stevens, Secretary; Geo. Bell, P. G. Rep., Treasurer, and Bros. J. P. Featherstone, P.G.; John R. Reid, P.G.M.; John Smith, E. B. Butterworth, F. H. Gisborne, J. H. Hill.

I expected to have a report from this committee to include in this for your consideration. It may come later,

and, if so, will be presented to you. The following is a copy of each of the letters received from the Grand Masters of the neighboring Grand Lodges, in reply to our circular:

It is a terrible calamity, and one that every Odd Fellow should seek to relieve by every means in his power. I would suggest that the appeal be sent to the D.D.G.M. of the lodges, and you will find the list on pages 281 to 295 of the Journal sent you by our Grand Secretary, E. H Whitney. If I can at any time be of any assistance in the matter, I hold myself at your disposal. Hoping that the response may be generous and hearty, and that it can be said that no member of the Order received aid or relief from any other source than through the channel that he should, I am, truly and sincerely yours.

Dear Sir and Brother,-Your favor of the 26th came duly to I have waited a few days in order that I may consult P.G. hand. M. Hughes as he was away on a tittle outing. Bro. Hughes returned yesterday and I submitted your letter to him. He admitted of writing a letter and fully contemplated at the Grand Lodge asking permission for your jurisdiction to solicit aid in Ohio and he is sorry to say that the matter slipped his mind and he allowed the Grand Lodge to adjourn without doing anything in the matter.

I feel very sorry for this for had I been made acquainted with the facts I would have used my influence to have the permission granted, but as I stated in my former letter I knew bothing about your request until I received your letter.

Our laws are such that it is not permissible for the Grand Master to grant cases of aid. They must be recommended by the Grand Lodge itself.

Bro. Hughes feels it keenly that he overlooked this matter.

I am glad to say that my eyes have entirely recovered. I am enjoying my usual health. I have just completed my Journal of Proceedings and will now have a breathing spell.

Hoping thi, will be satisfactory, I am,

Yours fraternally,

Dear Sir and Brother,—I replied to your communication stating in effect that the Grand Lodge of this State did not countenance the granting by the G.M. of permission to solicit aid within this jurisdiction. I presume as you have written the Grand Secretary that you have not received my letter.

I regret exceedingly that I cannot grant your very courteous request for so worthy an object, but I am prohibited from doing it by the action of our Grand Lodge.

XXXI.-ODD FELLOWS' RELIEF ASSOCIATION.

I visited, in my official capacity, the annual meeting of the Odd Fellows' Relief Association in Kingston on Wednesday, July 18th, and was gratified to learn that this institution has been more successful than in any previous year of its history, having had an increase of membership from 10,849 in June, 1899, to 11,961 in June, 1900, and in amount of insurance in force from \$14,366,000 in June, 1899, to \$15,684,500 in June, 1900, being an increase in membership of 1,112 and of insurance in force of \$1,318,500. This result must indeed be a source of gratification to those members of our Order who are so fortunate as to have insured their lives in this Association, and I am pleased to learn that the majority of young men who are now joining our ranks are also taking out some insurance in this prosperous and well-managed fraternal Insurance Association.

Since the annual meeting of the Sovereign Grand Lodge in Detroit last September, the Relief Association of Kings-

ton has occupied a unique position among such insurance societies using the title and emblems of the Order, being in fact the only one permitted by the Sovereign Grand Lodge to employ the term "Odd Fellow" in its designation. This no doubt has given a great stimulus to the institution throughout the whole of Canada, for we find not only an increase in its former strongholds, but new doors are being opened to it, the last acquisition being British Columbia, where it is now permitted to do business. Though not an integral part of our Society, it is a material factor in giving it stability, and therefore every member of the Order, whether insured or not, will receive with delight the information that it is progressing so favorably. I strongly recommend it to any brother wishing fraternal insurance.

District Committee of Essex District No. 1 claims \$19.35 from Frontier Lodge No. 45, Windsor, who refuses to pay on account of not having any representative at the district meeting. Their pro rata share of the cost of that meeting is \$19.35, as will be seen by the statement contained in the report of the meeting. All papers will be submitted.

XXXII.-UNSETTLED CLAIMS.

Bro. H. Jones, of Argentine, Kansas, a member of St. Clair Lodge No. 106, Point Edward, claims sick benefits from his lodge, which they refuse to pay. I have endeavored to obtain a settlement of this claim, but cannot get St. Clair Lodge to answer my letters. All the correspondence will be laid before you. Boulder Lodge No. 9, Colorado, claims the sum of \$9.00 from Brock Lodge, No. 9, Brockville, as a refund for sick benefits they paid a brother now deceased. I might have secured a settlement in this case had I received the communication earlier, but, not coming into my hands until the 30th ult., I refer it to Grand Lodge for settlement.

XXXIII.-MEMBERS AT THE FRONT.

Among the many young men who volunteered to join one of the several contingents sent to South Africa in defence of the British Empire and the British flag, were many members of our Order from all parts of the jurisdiction, whose devotion to Queen and country impelled them to accompany the soldiers from other parts of the British Empire and to

risk their health and lives in the wild fastnesses and among the various kopjes in that distant land. The patriotism that filled the breasts of these Canadian brothers with such ardor as to induce them to volunteer in defence of their country I am sure merits the approbation of our entire membership. We have had many accounts of their bravery and deeds of valor in fighting an enemy so strongly entrenched, and we have cause for great thankfulness that so few casualties have occurred among them. We shall all rejoice when the bloody war is over, and we will have the joy and privilege of welcoming those brave brothers amongst us again. The extension of the British Empire in Southern Africa will in all probability be closely followed by the establishment of our Order in those Southern climes, for our wings spread even wider than those of our Empire, on whose broad domains the sun never sets.

XXXIV.-CONCLUSION.

Several weak lodges have been resuscitated and strengthened during the year, and have secured such a foothold as will enable them in the future to make good progress. These include Erin No. 33, Port Burwell; Oxford No. 77, Ingersoll, and Embro Star No. 229, Embro, while there are others requiring the fostering care of the Grand Lodge, such as Howick No. 192, Gorrie; Woodslee No. 220, South Woodslee; Midland No. 274, Midland ; Bothwell No. 74, Bothwell, and Equity No. 232, Hagersville. I would recommend that the Grand Lodge take these lodges under its special care, and have the Grand Master or some well-skilled brother visit those lodges and endeavor to arouse them from their lethargy. The D.D.G.M's have written me regarding those lodges, to the effect that they have done all in their power to infuse life into them, but without success, and they think if some brother who is specially adapted for work of this kind would pay them a visit, meet and talk with them, and possibly address a public gathering of some kind, setting forth the strong points of the Order, that many members might be added to their numbers, which would cause them to take courage and thus stimulate them to action. I believe some money could well be spent in this direction. as the revival of an old lodge is often as important as the institution of a new one. Several places have been recom-

mended by the D.D.G.M's as suitable for the institution of a lodge of our Order, among others being the following-Marlbank, Dundalk, Marmora, Omemee, Warkworth, Lakefield, Merritton, Dutton, Tilbury, Newburgh, Tavistock, Burford, Rockwood, Mitchell, Blyth, Gravenhurst. Attempts have been made in some of these, but so far without success; but I believe some of them are good, available points, to which I would direct the attention of the incoming Grand Master and his District Deputies. Being away on a visiting tour in July for a longer time than I had intended, I have found the time at my disposal for preparing this report to be insufficient to report as fully on some matters as I had intended, and in the hurry probably some have been omitted entirely.

During the year that I have occupied the honorable position of Chief Executive Officer of an Order that has no competitor, there being no other doing the same kind of work that we are engaged in, I have enjoyed the work devolving upon me to the greatest degree possible. I have visited lodges in all parts of the Province and met with brothers who showed me every courtesy, and always endeavored to make my stay among them as pleasant and entertaining as possible. I regret that I have been unable to visit many places in which I might have done some good, but I found that I could not devote too much of my time to work of this kind without jeopardizing my practice, which I have done to some extent. I have endeavored to fill the office to the best of my ability, and for any shortcomings, for shortcomings there must be, I trust the brethren of the jurisdiction will forgive me, and place them where they rightly belong, as errors of the brain and not of the heart. I do not regret the time and energy I have spent in adding my small mite in furthering the interests of the largest and most important beneficial Order of the present century.

I have to thank Deputy Grand Master Lewis, P. G. M. S. Hoyle, Farewell, Reid, Oliver, Young, Gibson, White, P.G. Sire Campbell, Past Chief Patriarchs Hornibrook, Bell, Buckley, Walsh, and the several District Deputy Grand Masters for the assistance rendered me during the year. I have depended very largely upon the advice of the Grand Secretary Bro. King, which has always been given so freely and cheerfully, and I have formed such a friendship for him

GRAND SECRETARY'S REPORT.

Heavenly Father we are permitted to assemble in this beautiful city of Hamilton to review the work of the past and to consider and adopt such measures as we trust will tend to uplift humanity and to the strengthening of our glorious fraternity. It is with great pride and greater satisfaction that your Grand Secretary is permitted to report that the past year has been one of far more than ordinary prosperity, and whilst the days in their flight have brought sorrow and distress to many homes, into others they have brought sunshine

liberal responses made to the appeal of the Grand Lodge for help for our distressed Ottawa brethren add a fresh lustre to the grand work Odd Fellowship is doing in fair Canada.

Death has also played its part and many homes are sad thereby, but in every instance the ready relief and kindly spoken words of comfort and consolation has satisfied everyone that there is still a "Balm in Gilead" and that Odd Fellowship is nobly performing its duty, pouring that balm into wounded hearts. May the good work of pure Odd Fellowship go on, and not rest until the most remote parts of our fair Province, aye, of cur whole Dominion, can boast of having its lodge, its band of brothers, carrying out the noble work of fraternity and humanity.

Since we met in this hospitable city five years ago, the Order in Ontario has grown steadily in membership and in financial strength ; the record of the past year being one of the best for a number of years. In 1895 we had 262 lodges with 21,685 members; to-day we have 282 lodges with 24,299 members-rapidly approaching the goal we have been aiming for-25,000, an increase of membership of 665 for the past 6 months or over 1,000 for the year ending June 3rd, 1900.

The several lodges have also prospered financially in a fair ratio with the numerical increase. While we cannot boast of adding many new lodges to our roster, we have not lost any, and there has been a general activity throughout the entire jurisdiction.

The underlying principles as taught in our lodge rooms are having their desired effect and are gradually moulding the lives of our brothers to higher standards, thus giving abundant cause for us to believe that Odd Fellowship is a great factor in everything that pertains to the prosperity of the country as well as to the elevation of human character, and gives abundant cause to hope for increased prosperity during the year to come. To the success of the past. year the city of Hamilton has contributed its full share, and those brothers who have been guiding the destiny of the Order in this grand city are to be congratulated on the success that has crowned their labors and rewarded their faithfulness, Unity Lodge, No. 47, being the banner lodge in membership, having over 400 members, with Grescent, No. 104, following closely in its wake.

The several duties imposed by routine or by special resolutions have been attended to.

The work was cone by the Bryant Press Printing and Put lishing Co. to the entire satisfaction of the committee having the work in charge.

Clause 2.—Arrangements have again been made with the several railroads and the Ontario Navigation Company for reduced rates to representatives and ladies. The several railroads give the round trip for a single fare, provided that 300 or more full single fare tickets are issued The thanks of the Order for this liberal courtesy will doubtless be voiced in a suitable resolution.

Clause 3.—A number of new By-laws of lodges and of amendments to old By-laws have been received during the year, and in each case where they have been sent in, duplicate certified, as requir. d by the laws governing amendments, they have been at once sent to the chairman of the Committee on Laws, and on their return promptly transmitted to the lodges certified as required by law.

Clause 4.—A bound copy of the Journal of Proceedings of the Sovereign Grand Lodge, Vol. XVIII, being the proceedings of 1897-1898, has been duly received from Bro. J. Frank Grant, Grand Secretary, and has been placed in the Grand Lodge Library.

Under recent Legislation by the Sovereign Grand Lodge, the number of copies of the Journal of Proceedings of that body which has teen sent to Ontario has been so limited that a copy could not be sent to each District Deputy, as has been our wont. Nor could any copies be sent to the Rebekah Assembly, save, it may be, to the principal officers. We received 298 copies That number gave us but one copy for each District Deputies should have a copy of the S. G. L. Proceedings if we are to expect them to keep in close touch with all the work of the Order and its newest legislation, and, thus enabled, act intelligently on all matters that may come tefore them.

As we have 282 lodges, 53 District Deputies and the Rebekah Assembly, I am of the opinion that the Grand Lodge should ask for 350 copies at least. The expense of sending them out from this office would be more than justified by the benefit of all interested parties having a \cdot opy of so valuable a book.

Clause 5.—The reports of the special committees on constitutions and on the reduction of Grand Lodge expenses were printed and a copy sent out to each lodge as promptly as possible after receipt of the copy from the chairman of the committee. These reports have been stitched in with the officers' reports and will thus be more convenient for use when they come before the Grand Lodge for consideration.

Clause 6.—The badge, ordered by the Grand Lodge to be worn by officers and representatives in lieu of other regalia, has been provided.

Clause 7.—The annual report to the Department of Insurance, as required under the Insurance Act, was duly made and the certificate of registration under that Act has been received and is now in the Grand Lodge offices.

Clause 8.—While general prosperity has attended most of the lodge throughout the year, there are a few lodges that are weak and should receive all possible attention if they are to be continued in the work. Equity Lodge No. 232, of Hagersville, and Howick, 192, of Gorrie, are two which could be helped very much; their membership is very small and it is questionable if they are holding meetings as provided by the law.

Clause 9.—A copy of the Souvenir Number issued by the Grand Lodge of California, entitled, "Fifty Years of Odd Fellowship in California," has been received from the Grand Secretary, Bro. George T. Shaw. The book is certainly a credit to the committee under whose auspices it was gotten up, and is an invaluable history of the Order in the Golden State.

However, it does seem a pity that the beauty of so valuable a record should be spoiled by having "an ad." in every possible spot. It makes the elegant book appear more of a money-making scheme than a record of the fifty years' work of a grand society, and it can, without a question, be said that in no state under the jurisdiction of Odd Fellowship have the principles of the Order been more nobly exemplified than in the State of California.

The book is replete with the biographies of its members, portraits of its leading members and elegant buildings. On the title page, the motto of the Order has been, if possible, a triffe improved. It says, "To visit the sick, bury the dead, educate the orphan, and provide homes for the aged of both sexes is our mission."

The book has been placed in the Grand Lodge Library.

Clause 10.—It is to be regretted that the official certificate has not been in as great a demand as it should be. These receipts or certificates are the greatest boon that has ever been given to the Order and no lodge should use any other. We boast of our loyality I Let us be loyal in all things.

In regard to this valuable certificate-a veritable boon to the membership-it would seem that the officers of many lodges have not taken the pains to post themselves on the legislation enacted by the Sovereign Grand Lodge at its last session, whereby the value of the official receipt was greatly enhanced by virtually doing away with the necessity of the holder of one being required to have an order for the A.T.P.W. or T.P.W. Every N.G. should make himself acquainted with the laws governing the body if he would be a success-

The legislation referred to reads: -

1900

Resolved, That the possession of a visiting card, the date of which extends to a date later than when the same is presented, or an official certificate for dues paid to a date later than that when the same is presented, properly signed and scaled, be, and the same is hereby declared, sufficient, proper and legal authority for any Noble grand. Chief Patriarch or Noble Grand of a Rebekah Lodger upon proper identification, to communicate to the holder thereof the annual traveling password, or the annual password of the Rebekah Degree (as the case may be), and if the holder of a visiting card or official certificate, as above mentioned, is a member of a lodge, en-campment or Rebekah Lodge in the same jurisdiction as the lodge en-campment or Noble Grand of a Rebekah Lodge is authorized to communi-certificate is presented, then and in that event the Noble Grand, Chief Patriarch or Noble Grand of a Rebekah Lodge or official certificate the semi-annual password or checkword (as the case may require). Resolved, That all laws in conflict herewith be, and the same are hereby, repealed.—S.G.L. Journal, 1899, pp. 344-374.

Condensed, it would say, "The holder of a visiting certificate in date-or dues paid in advance-does not require any order for P.W. to enable him to visit any lodge, anywhere.

Clause 11 .-- It is gratifying to report that the ceremony of decorating the graves of deceased members is being more generally adopted each year. In June last the lodges in the city of Toronto, for the first time, decorated the graves of their deceased brothers in the several cemeteries of the city. The service brought out a large number of interested members and was conducted with all the solemnity due to the occasion. It is to be hoped that this beautiful ceremony will be observed by every lodge in the jurisdiction which has a member lying in the city of the silent dead.

Clause 12.--It is very gratifying to report that the Independent. Odd Fellow has been supplied to every lodge as directed by the Grand Lodge at its last session Brother Johnston has kept up his reputation for giving the brethren a live, newsy paper, and should be encouraged in his effort to advance the interests of the Order by every Odd Fellow in the province. A society newspaper, to be as interest-

ing as it can be, should have the sympathy and support of every member of the Order. There are hundreds of brothers who can, if they would, supply an item of interest for each issue of the paper, as well as become a subscriber to it Were this interest taken by our members there would be no questi n as to the success of the paper and of its lasting benefit to the Order.

Clause 13 .- The following letter from a worthy Past Grand member of this Grand Lodge is worthy of careful consideration.

If it were adopted no little saving would result to our lodges, and the funds of many lodges would be much better safe-guarded than they are at present. The suggestion is a good one, and though the Grand Lodge has repeatedly advised that only Company guarantee bonds be taken by lodges, yet no effort has been made to arrange with some reliable company to guarantee all of our lodges. Bro. W. H. Read, Past Grand Secretary, of Union Lodge, No 16, St. Catharines has also written as follows "I am of the opinion that the Grand Lod e of Ontario should endeavor to make arrangements with some rel able guarantee company for bonds that may be required for officers, and thus a great saving and greater security would result to the Order. These letters are now laid befor you.".....

J. B. KING, ESQ., Grand Secretary I.O.O.F., Toronto, Ont.

Dear Sir and Bro.,-

I wish to draw your attention to the matter of the rate of premium of guarantee bonds of officers of lodges in the I.O.O.F. This lodge has for some time been obtaining bonds from The London Guarantee and Ac-

some time been obtaining bonds from The London Guarantee and Ac-cident Co., paying therefore i per cent, premium. I am Recorder of the A.O.U. N. lodge here, and through that medium learn that owing to the Company receiving all of that Society's business, the rate charged is only ½ of 1 per cent. It appears to me that a vety material saving would be made to the individual lodges of the I.O.O.F, if a similar arrangement could be made, and I think this is a matter that you could take up, and possibly arrange for without formal notice to the Grand Lodge. It is simply an ordinary business money-saving transaction that the Grand Lodge officers might do well to arrange. do well to arrange.

Yours fraternally, C. P. STOCKING, Secretary.

Clause 14 .- When the tocsin of war was sounded and it became our Empire's duty to settle the disturbances in South Africa by the arbitrament of the sword, every British colony rose to the necessities of the occasion and volunteered to assist Queen and Empire in their effort to retain equal rights and justice for everyone in that far-off land.

Clause 15 .- Soon after the return of our Bro. George Varey, P.G., of Gore Lodge, No. 34, Brantford, to his home in Montreal, after visiting this Grand Lodge at its session in Toronto last year, that good brother sent to and asked the acceptance by the Grand Lodge of a complete year (12 numbers) of the Covenant Official Magazine, G.L., U.S., for 1842. This publication was a credit to the Order and to its publishers at that early date in our history, and its make up and typography would do credit to any jurisdiction at the present date.

Clause 16.-In February of this year the following circular was

received from Bro. J Frank Grant, Grand Secretary, giving the design and particulars of an elegant jewel for District Deputy Grand Masters, which had been provided under direction of the Sovereign

The restriction placed on these jewels that only a District Deputy Grand Master was entitled to wear it, together with its price, prevented the circular being sent out to our District Deputies this year. A letter since received from Bro. Grant indicates that possibly some slight change will be made in the jewel at the coming session of the Soverign Grand Lodge, so that it may be worn by a Past District Deputy. It will then undoubtedly be in demand and will be worn with pride and satisfaction as an evidence of the distinction and honor the wearer has attained amongst his brethren. This jewel, as well the veteran jewel, should be an open sesame to any lodge without the owner having to wear any other regalia.

It is to be hoped that the great spread of "Patent right" will be kept off the reverse side of this beautiful jewel, so that the effect

of any desired engraving of presentation may not be entirely marred. SOVEREIGN GRAND LODGE OF THE I.O.O.F.

Office of the Grand Secretary

Baltimore, Md., U.S.A., February 10th, 1900. To Grand Masters and Grand Secretaries.

Greeting:--Under instructions from the Sovereign Grand Lodge (Journal of 1899, pp. 381-397), the Committee on Printing Supplies have prepared a jewel for District Deputy Grand Masters, of which the accom-paning cut is a good illustration. This jewel is made of sterling silver with red, white and blue ensured (the colors of the subordingts lodge), as with red, white and blue enamel (the colors of the subordinate lodge), as shown in the cut. It is so constructed that it may be worn as a pin, or shown in the cut. It is so constructed that it may be worn as a pin, or as a pendant attached to the coat by a piece of ribbon. It is finely finished, very durable and is one of the handsomest jewels peculiar to our Order.

The price has been fixed by the Committee on Printing Supplies at Five Dollars each, and they will be furnished as desired upon the order of Grand Secretaries only. No one is entitled to wear this jewel'except a District Deputy Grand Master. The jewels are now ready and orders will be promptly filled.

Fraternally yours, J. FRANK GRANT, Grand Secretary

Clause 17—A copy of the minutes of the Annual Meeting of Royal City District, No. 17, held at Fergus, has been received, and a perusal shows that many questions of interest to the Order were discussed at the meeting, more particularly those matters which will be brought before the Grand Lodge at its present session. If other districts were to take the active interest that has for years been taken by District No. 17, there would not be heard any of the complaints now unfortunately often heard, "There is no work for the district to do." There is plenty of work to do in every district, and that in the noblest cause that can possibly affect our great humanity. Every hour spent in perfecting this great Order is time nobly spent.

Clause 18.—The day after the great fire at Ottawa and Hull, under instructions from the Grand Master I visited the Capital, and ascertained the extent of the fire and in how far it affected the members of our Order residing in the burned district After reporting to the Grand Master and after that officer had received permission from several sister jurisdictions to ask for aid to help relieve the great distress the fire had caused, circulars were issued, appealing to the lodges in Quebec, Michigan, Maine, New Hampshire, Vermont, Manitoba, Lower Provinces B.N.A.

In response to these appeals the sum of \$5,704.24 has been received, and as received has been promptly sent to the fire relief Committee at Ottawa. Of this sum \$505 were sent direct to Ottawa In lieu of permission to appeal to the lodges in Illinois, the Grand Master of that State sent a contribution from the Grand Lodge of one hundred dollars.

A complete list of all contributing lodges in Ontario and lodges in our sister jurisdictions is herewith presented, and in order that the generous and liberal-hearted Brothers of the contributing jurisdictions may have due recognition, I would advise that the complete list of lodges in the several jurisdictions which so kindly and so timely came to the aid of our unfortunate brothers, with the amounts sent by them, be printed in detail in the Journal of Proceedings for this year.

No words are adequate to express in full the value of the great heart of sympathy that flows through the large amount of correspondence that has been received from lodges and individuals, with their contributions. Thanks to a kind and all-wise Providence this is the first great calamity which has befallen our fair Province, which has made necessary an appeal to the fraternity, and most loyally and lovingly has the appeal been responded to. Odd Fellowship in Canada, yes, the continent over, has reared to itself a noble and lasting monument more endurable than granite, one which has Parl

The amount received, though liberal, will not place any of the brothers in affluence, which some of the enquiries made would indicate was feared in some localities. There were 66 brothers who lost their all; all but some six of them had families varying form two to eight children-taking a fair average of five to a family, 330

The expenses attending the administration of this relief fund, \$105.92, have been charged against it. It is for the Grand Lodge to say if that course is approved, or if the amount should be charged to the Grand Lodge expense account.

The sum of \$5,199.24, as received by your Grand Secretary direct, was made up as follows :----Ontario

Lower Provinces	\$ 1,947.45

Maine New Hampshire	643.30
New Hampshire	600.00

To this sum will be added the several amounts secured since closing the Grand Lodge books, viz :- Lower Provinces, \$15.00; Manitoba, \$50.00; Vermont, \$5.00; Maine, \$46.50 = \$116.50;

J. B. KING, ESQ., Grand Sec'y I. O.O.F., Toronto. Dear Sir:--I called on Mr. R. K. Cowan, solicitor for Dominion Lodge, No. 48, I.O.O.F., of this city, in regard to my husband's benefit from said lodge, and he told me I had better write to you about it. You no doubt remember the trouble between my husband and Dominion Lodge and how the lawsuit went against him. We did not know it had gone to Appeal until after it was entered. We did not wish it taken

there. The costs. Mr. Cowan claims, amount to three hundred and six dollars-two hundred for himself and balance for other things. Mr. dollars-two hundred for himself and balance for other things. Mr. Parkhouse has not received any benefits from Dominion Lodge had given Dominion Lodge half the expenses of the lawsuit, also one hundred dollars. I went ið Mr. Cowan to enquire if the lodge would not see fit to pay my husband's benefit now. The dispute as to what the Grand Lodge gave to Dominion Lodge is nothing to us now. Mr. King, will you please decide the question. You have the minutes of the Grand Lodge on the matter. We have not received any communication from Dominion Lodge, nor receipt for dues, since the lawsuit. I am writing this in be-halt of my husband, as Mr. Cowan requested me to do so.

I remain, yours truly, E. A. PARKHOUSE.

Clause 20.-The relation of dues to benefits has not been given the same attention by lodges during the past year as it has had during the previous year or two; but the question is a live one nevertheless, and possibly, when too late, some of our excellent lodges will awake to the fact that the law of average as regards age, sickness and death is an inexorable law. The record of the past 25 years, as given in the accompanying table, proves beyond a question the fact that as lodges and their members grow older, just so does the rate of sickness increase. In 1875, with 10,188 members, there were 3,566 weeks' sickness, or a trifle over 21/4 days per member. In 1899, with 23,590 members, there were 19,319 weeks' sickness, a trifle over 51/2 days' sickness per member, the average having steadily increased each year.

This statement, verified by the returns of the several lodges, should justify every member to give careful heed to this question of the relation of dues to benefits.

The experience of the Grand Lodge of Ohio as regards the steady crease in the average sickness per member as shown in the table continued by our esteemed Bro. C. H. Lyman, Grand Secretary of that jurisdiction, is very similar to that of Ontario, and not until jurisdiction after jurisdiction takes up this vital question and gives its members an insight into the stern fate which awaits them, will the lodges awake to the necessity of more careful legislation in this all important matter.

The record of increasing sickness in the lodges of Ontario for the past twenty-five years, 1875 to 1899, are as plain as facts and figures can make them. A steady and not by any means slow yearly increase is shown, and even though the truth in this matter may not be an agreeable one to every brother, yet the figures contain in themselves a warning that should be heeded by every lodge, and unless

ause 21.-It is certainly a matter for congratulation that the Sovereign Grand Lodge at its last session enacted the legislation asked for by the Grand Lodge of Ontario in the interests of the Odd Fellows' Relief Association, whereby that excellent organization has been strengthened and its usefulness greatly increased.

That the Odd Fellows' Relief Association has been of great benefit to the Order in Ontario cannot well be gainsaid, and when any department of the work is successful it adds of its success to every other department, and it is thus that, all its branches working hand in hand, the Order has had so successful a year. The Grand Lodge Advisory Committee of this association will doubtless present an exhaustive report of its good work during the past year, giving

particular mention of the very important legislation of the Sovereign Grand Lodge. I do not think that this association can be too greatly encouraged by the Grand Lodge.

Clause 22 .- The total expenditure of the Order in Ontario in all its departments, for Sick Benefits, Relief of Widows and Orphans, Funeral Benefits, Death Indemnity, and Special Relief since 1856, and including the year ending 31st December, 1899-forty-three years-aggregates the magnificent sum of \$and adding the expenditures for relief for the past term would swell the amount past the two and a quarter million mark, a vast sum spent in this province alone by our Order in works of relief, benevolence and humanity. A portion of the money has been paid out by the Odd Fellows' Relief Association, but nearly all in Canada, and that association being an Ontario institution, we feel an honest pride in its success and in referring to its ever-increasing usefulness ; and the hands of Odd Fellows are also open when worthy general or public appeals for charity or benevolence make their claims known. This grand result is made up as follows :---

Clause 23. — During the year there have been 106 Veteran Jewels issued under the regulations governing their issue. Of these 93 have been the ordinary plated jewels, and 13 8-karat gold.

The suggestion of your Grand Secretary, approved by the Grand Lodge, re making the words "Patented, etc.," on the back of the elegant Veteran Jewels smaller, less objectionable, and at the same time leave more room tor an inscription of presentation which nearly every recipient so much desires, was not laid before the Sovereign Lodge. I would the fore submit the following resolution and ask that, if approved, it be made an instruction to the representatives from Ontario to the Sovereign Grand Lodge to endeavor to have it adopted, viz.,

Your Grand Secretary is under the impression that there is no jewel worn by an Odd Fellow in Ontario which is such a source of pride and gratification as the Veteran Jewel, especially when that jewel is presented by the lodge to a brother who, by his active services to the lodge, has earned it. When the Sovereign Grand Lodge in its wisdom shall make this jewel a sufficient "Regalia" to be worn by its owner at all and every meeting of our Order, then its value will be still more greatly enhanced, and one of the objects at least of its issue—an inducement for members to retain their membership and be privileged to wear this Veteran Jewel—be attained.

Owing to the delay in sending in returns by the Rebekah Lodges, the Secretary, Sister Maggie Waddell, could not send in time for this report that complete record she desired to. AUGUST

GRAND LODGE OF ONTARIO,

In concluding this report your Grand Secretary desires to express his thanks and appreciation to the retiring Grand Master, Bro. Jas. McLurg, to the several District Deputies and to the various Secretaries with whom official relations have existed during the year, for the kind acts and courteous consideration he has received. Their courtesies have made what otherwise would have been arduous duties a pleasure.

arduous duties a pleasure. Trusting that the successes of the past year are a true index of a great oncoming tidal wave of prosperity setting in for our Order, one which will continue to rise higher and higher, until every vestage of evil and selfishness will be submerged in the influences for good which Odd Fellowship exerts, and whose glorious principles are fast encircling the earth.

Fraternally submitted,

Reps. R. Meek, Cataraqui Lodge, No. 10, Kingston; W. S. Johnston, Central Lodge, No. 322, Toronto; R. R. Brett, Enterprise Lodge, No. 218, Essex.

Report No. 3-Rep. J. B. Turner from the Special Committe: on Reduction of Grand Lodge Expenses presented the Report of that Committee, which had already been laid before the Subordinate Lodges.

To the Grand Lodge of Ontario, I.O.O.F. :

Any change in our present system of representation and payment of expenses of representatives to Grand Lodge involves two important considerations :

FIRST : The efficiency of our Grand Lodge ; SECOND : The doing of no injustice to any of the interests affected.

There are three ways by which the expenses of Grand Lodge sessions may be reduced, either by reducing the number of representatives, by reducing the allowance to each representative, or by reducing the number and length of the sessions. The committee is of the opinion that to reduce the number of sessions might seriously interfere with the usefulness of Grand Lodge and consequently would not recommend that any action be taken in that direction.

There remains for consideration then, First, a reduction in the number of representatives, Second, a reduction in the length of the session of Grand Lodge, Third, a change in the basis of payment of the expenses of the representatives. In order to have data for the comparison of our system with that of other Grand Lodges, the committee, through the Grand Secretary, addressed a circular of Grand Lodge. Forty five answers have been received and the following tables show a comparative statement of the number of Subordinate Lodges, the cost of the last session of each Grand Lodge, the principle of representatives and the basis of payment of the expenses of the representatives in each case, all of which it is hoped will be useful data in considering the proposed changes.

The cost of our Grand Lodge session is 31 cents per member with a membership of $3_{2,052}$. For the purpose of further comparison the following table is submitted of Grand Lodges, the membership of whose Subordinate Lodges, except in one case, is greater than those of the Grand Lodge of Ontario. The Grand Lodge of the State of Maine is included on account of its proximity to our jurisdiction.

Of the Grand Lodges included in this last table, Indiana holds its sessions semi-annually, Maine is not a representative body, and pays no expenses to those who attend Grand Lodge, similarly for Massachusetts. In New York each Lodge is entitled to one representative, but Grand Lodge pays no mileage or per diem. A reference to the second table will show the composition, length of session, mileage, etc., of these Grand Lodges. It is thus shown that taking into account those jurisdictions with which ours may reasonably be compared, the sensions of our Grand Lodge cost more per member than any of those, except Lodges costs more per member than our Grand Lodge, and as its system is similar to our own, it but furnishes a strong argument in favor of a change. It must also be remembered that the Grand Lodges referred to are principally those of long standing, and presumably have learned their lesson from experience.

Having thus shown that a considerable number of the other jurisdictions are able to conduct their business more economically than we are doing, the next thing to do is to point out some way by which we may arrive at a like desirable result. As has already been pointed out, three plans are possible for carrying out this object, and the committee is of the opinion that something could be done in all these directions without impairing the efficiency of Grand Lodge. As everyone knows who has attended the sessions of the Grand Lodge very little business is done on the first day of the session, an adjournment generally being made

1900

.

d

early in the day until the following morning, in order that the committees may get to work and prepare the business for presentation to the Grand Body. This loss of time to a large number of the representatives could be avoided if the principal committees were summoned the day previous to the meeting of Grand Lodge, so that the delegates to Grand Lodge would have work to occupy their attention from the outset, and the business that now consumes three days could be dis-posed of in two. This scheme has also another strong point in its favor. As posed or in two. An scheme has also another strong point in its favor. As matters are at present necessarily many of the most experienced members of Grand Lodge are out at committee work when the body is in session. This great disadvantage would be overcome by the plan suggested and the Grand Lodge would have the benefit of the experience of these members throughout the business of its whole session.

As a general principle, a small and compact body will transact a given amount of business better and more expeditiously than a large body, such as our Grand Lodge is. That being the case, a material reduction in the number of represent-Looge is. This being include, a material reduction in the number of represent atives might be made without impairing the usefulness of the Grand Lodge or prejudicially affecting any of the interests involved. There are two ways by which this may be done. First: The adaption of the system of district repre-sentation. Second : The retention of the system of Lodge representation but changing the basis of election in such a way as to decrease the number of delechanging the vasis of election in such a way as to decrease the number of dele-gates and yet retain for each Lodge an interest in Grand Lodge proportionate to its membership. The present district system that is working so satisfactorily throughout the jurisdiction would naturally call for district representation to the Grand Lodge. The saving effected by the adoption of a system of district representation must necessarily be considerable, the exact amount depending upon the basis of representation adopted by Grand Lodge. At the same time, the representative character of Grand Lodge would not be interfered with and the usefulness of the present district system would be greatly increased by the usefulness of the present district system would be greatly increased by giving the district committees a standing that is not now possessed by them.

Maintaining the system of representation, as it is at present, but reducing the session to two days instead of three, there would have been a saving in 1897 of \$722.00, the per diem of 361 members; in 1898 of \$730.00, the per diem of 365 members; in 1899 of \$756,00, the per diem of 378 members. If an allowance be made for 100 members, a very large allowance, as is suggested for committee work the day previous to the regular session of Grand Lodge, in a previous part of the report, the saving for the last three sessions would have been as follows: For 1897 session \$560.00, for 1898 session \$576.00, for 1899 session \$604.00, an average of \$580.00 per session. If at the same time only actual travelling expenses had been allowed the saving in travelling expenses would have been approximately as shown in the following table :

The allowance for extra mileage to representatives from the West is not in-cluded in this calculation, as that would still have to be made. These amounts added to the amounts given just above would effect an annual saving of about \$1,600. It will thus be seen that a very considerable saving could be effected by the adoption of the above scheme either in whole or in part. The tollowing table shows the saving to Grand Lodge if there had been but one representative from each Subordinate Lodge, at each of the three last ses-sions of Grand Lodge :

Extra mileage to representative from West Algoma......\$ 18 00 Cost of Session of 1899, \$5,013 01. Saving to Grand Lodge with single representation, \$1,267 06.

It will thus be seen that if the representation to Grand Lodge be restricted to one for each Subordinate Lodge, the cost of the sessions of Grand Lodge would be reduced on the average about \$1,200. This large saving annually would mean either the reduction of the charges of Grand Lodge on each Subordinate Lodge, or the extension of the useful work of Grand Lodge that is being left undone for the lack of funds to undertake the work.

Having in view what has been done in other jurisdictions towards reducing the working expenses of Grand Lodge, and also having in view what is possible to be done in our own, as has been pointed out in the earlier part of this report, we would recommend:

FIRST: That the Constitution of Grand Lodge be so amended as to provide that each Subordinate Lodge be allowed but one representative to Grand Lodge, but that the method of voting in Grand Lodge be changed in such a way as to preserve those rights of the several Subordinate Lodges, which the present system is intended to give.

SECOND: That the Constitution of Grand Lodge be so amended that the Sessions of Grand Lodge shall last for enly two days, and in order to make this change practicable the reports of the Grand Officers be in shape for presentation to Grand Lodge not later than the Monday preceding the meeting of the Grand Lodge, and that the Grand Mater, in accordance with the power granted him by the Constitution, shall appoint the Standing Committees on such a date as will permit them to be notified of their appointment in time to be in attendance at the committee meetings, which shall be held the day previous to the first day of meeting of Grand Lodge.

THIRD: That in future only actual travelling expenses be allowed to the representatives with the per diem as it is at present, and that this provision be incorporated in the Constitution.

All of which is respectfully submitted.

OF HARRY |ONES 71.

ST. CLAIR LODGE, No. 106.

Bro. Harry Jones, a member of St. Clair Lodge No. 106, I.O.O.F., claims benefits from the 4th May, 1899, to the 22nd August, 1899.

St. Clair Lodge agreed to pay him sick benefits from the 4th to 22nd May, 1899, but refused to pay him any further benefits for that sickness on the ground that his occupation—that of engine driver—was a strong inducing cause of his sickness

Your committee find on the merits that Bro. Harry Jones is entitled to bene-fits from the 4th May, 1899, to 12th August, 1899, the latter being the date up to which we have any proof of his having been certified as having been still sick.

We therefore recommend that his appeal be allowed accordingly. Resolved that the foregoing be adopted.

I. A. MORTON.

Reps. J. F. O'Neil and A. McCormack, moved the following, which was not adopted :

We therefore do not see our way clear to deal with the matter at the present time, and request that we be relieved from further consideration of the matter at the present session of this Grand Lodge. Resolved that the foregoing be adopted.

Respectfully submitted, J. E. HUGHES.

Report No. 16 - Bro. H. J. Guppy, from the Advisory Committee on Odd Fellows' Relief Association, presented the following report, which was adopted.

To the Grand Lodge of Ontario, I.O.O.F .:

The Advisory Committee on Odd Fellows' Relief Association of Canada, beg leave to submit the following report :

Your Committee were in attendance at the Annual Meeting of the Odd Fellows' Relief Association of Canada, held in the City of Kingston, on the 18th day of July, 1900.

There were present at this meeting the Grand Masters of the Provinces of

Ontario and Quebec and Past Grand Masters from the Provinces of Ontario and Ouebec and the Maritime Provinces, also active and representative Odd Fellows from Manitoba and the Provinces of Ontario and Quebec to the number of over one hundred, who evinced a most searching and lively interest in the matters

At Detroit last year the Sovereign Grand Lodge repealed its legislation of 1898 after an examination into the methods of work, the standing, and the con-nection between the Association and the Order of Odd Fellows, and as a result nection between the Association and the Order of Oan Penows, and as a realt of its investigation granted the Association the privilege of continuing in the use of the title under which it had been incorporated, viz. : "The Odd Fellows' Relief Association of Canada," and closed its report with the following : "That the Association is a highly solvent and far-reaching, helpful, fraternal organization.

At the annual gathering at Kingston the receipts and expenditures were carefully looked into and intelligently debated, the Association officers being ever

ready and most willing to give every explanation. The financial standing of the Association is much more satisfactory even than last year-showing a prosperous and steady growth in the Reserve Fund.

In 1887 the Reserve Fund was reported to be\$ 4,812 52

During the last three years it has nearly doubled, \$43,000.00 being added thereto during the past year, the Reserve Fund now being \$200,000,000, besides leaving in other funds the amount of \$13,244.19. The securities sgree with the reports of the Auditors, and the surplus funds

are invested in municipal debentures, deposit receipts and real estate (\$185,758.80

in municipal debentures alone). Your Committee call attention to the reports of the Association distributed at this Grand Lodge, and ask a careful perusal of the comparative tables therein.

1895 Death rate	1896 6.98	1897 5.83	1898 5-74	1899 5-74	1900 6.90
Average age of de- ceased members 43.53	45.30	45.67	42.31	41.58	45.35
Age of new members 29.11	29.15	30.69	31.16	30.78	30.40
Average age of total membership 36.22	38.49	36.87	37.20	37.33	37.30

The Association has during the year obtained the consent and approval of the Grand Lodge of British Columbia to do business in that Province, so that now the Canadian field is open to the Odd Fellows' Relief Association from ocean

During the past year there were 1,073 applications for membership in the Association from Ontario, 178 from Province of Quebec, 196 from Province of Manitobs, 165 from Maritime Provinces, and 12 from British Columbia.

Manitoba, 105 from Maritime Provinces, and 12 from British Columbia. Death claims to the amount of \$\$9,500.00 have been paid out in relieving the widows and orphans of deceased members; (\$64,000 paid in Ontario). The Committee on Finance stated that the increase of the Reserve Fund from \$4,812.52 to \$200,000.00 in less than 13 years indicates a remarkably pros-perous growth in the financial corditions of the Association.

The Committee on Statistics, who made a most thorough and critical report, states that it knows of no fraternal society that could show more favorable results.

Your Committee realize from the above that over one-third of the membership of Ontario Odd Fellows are members of the Relief Association, and that the

Report No. 18 .- Rep. D. B. Brown of Maple Leaf Lodge No. 57, from Special Committee No. 9, made the following report :

JOURNAL OF THE

To the Grand Lodge of Ontario, I.O.O.F .:

I.—Your Special Committee No. 9, to whom was referred Clause No. 34 of the Grand Master's Report, and Clause No. 14 of the Grand Secretary's Report, beg leave to submit the following:

24-We endorse the sentiment so clearly expressed in the clauses referred to above

-The patriotism that filled the breasts of these Canadian Brothers with 3 — A ne parnotism that nied the breasts of these canadian brouses with such ardor as to induce them to volunteer in defence of their Queen and Country, we ale sure, merits the approval of our whole membership. We have had many reports of their bravery and deeds of valor in fighting the Boer enemy so strongly entrenched in the kopies. We have cause for thankfulness that is of ew casualites have occurred among them, and we deeply regret the death of our late brother W. S. Brady, Past Grand, of Earnscliffe Lodge No. 283, Ottawa.

4 .- We shall rejoice when we have the privilege of welcoming those brave Brothers back to Canada.

5.--We realize that all of us have not been privileged to enlist in active service in defence of our beloved Queen and of the British Empire, of which we so proudly form a part.

6 .- We recommend that the Grand Master appoint a Committee to obtain a medal suitably inscribed, and have the same presented by this Grand Lodge to each surviving member of the Order in this jurisdiction as soon as it conveniently may be done after his return from South Africa, and the cost of each medal not to exceed the sum of five dollars. Resolved, that this report be adopted.

All of which is respectfully submitted.

D. B. BROWN, Chairman of Committee No. 9.

The question being on the adoption of the report, Rep. Jas. Clarke moved, Rep. Jno. Welsh seconded, that Clause 6, re medals be struck out, which was agreed to.

The report as so a nended was adopted.

Report No 19 .- Rep. A. L Geen, of Belleville Lodge No. 81, from Special Committee No. 2, made the following report, which was adopted.

To the Grand Lodge of Ontario, I.O.O.F. :

Your Committee beg to report that they have considered Clause 2, Grand

Master's Report. That they join with him in regret that notwithstanding that he authorized D. D. G. M's. to take such action as he believed to be the most effectual for ad-ding to the number of our Lodges that only one has been instituted during the year.

GRAND LODGE OF ONTARIO.

Vour Committee are of the opinion that while our D. D. G. M's. may be well qualified for their usual work, not many would be suited for the special work of orgarizing new Lodges, and would recommend dynamic tit hey are expected to pertorm such duties, brothers qualified for such duties should be chosen for the office.

Your Committee suggest that while much preliminary work in connection with the formation of new lodges may be done by active members in the locality or connected with lodges close by, that it would tend to the advancement of the work if the G.M. would arrange for public meetings in the vicinity, at which he or some other qualified Brother delegated by him should be present and lay before the meeting the objects of Oddellowship.

All of which is respectfully submitted.

ALBERT L. GEEN.

Prayer by the Grand Chaplain. All the Grand Officers and a quorum of representatives present.

On motion the Roll Call and reading of the minutes of the previous session were dispensed with.

Application was made on behalf of Bro. Jas. Clarke, to appeal to the Sovereign Grand Lodge.

Report No. 20.—Rep S. M. Thomson, from the Committee on Mileage and Per Diem, made the following report, which was adopted.

To the Grand Lodge of Ontario, I.O.O.F. :

Your Committee find that the sum of five thousand one hundred and seventy-five dollars and thirty cents are necessary to meet the expenses of this Grand Lodge for mileage and per diem, and would recommend that the Grand Master issue his order on the Grand Tressurer for that amount. Your Committee wish to add that through the characteristic and thoughtful kindness of Grand Secretary, Bro. King, their labors have been greatly lessened.

Your Committee therefore move the adoption of this report. Fraternally submitted,

#### JOURNAL OF THE

AUGUST

There still remain, however, a number of lodges and encampments that have not contributed. Of the 281 lodges in the jurisdiction about 100 have subscribed; while scarcely one-seventh of the encampments have given anything. It is not credible that all these lodges which have failed to respond to our frequent appeals are either unable or unwilling to do so. It is only fair to assume that in most cases, where a letter or a circular has been received by the lodge arging its co-operation, action has been deferred with the intention of doing something when the Home is established. The brethren fail to realize that the Directors do not wish to commence operations with a burden of debt. We want sufficient subscribed to enable us to start the Home free from all encumbrance. For that reason we again urge the claim of this part of our work upon the members of the Order; and ask each individual representative in this body whose lodge has not yet subscribed, to bring the matter before his lodge immediately on his return from this session. Let there be no further delay. Do something at once. We want at least \$ro,ooo more. If all the lodges that have not yet contributed would give on an average of \$35 each, and the encampments \$zo each, the amount would be made up. Some few lodges may be unable to give anything, some may not feel able to give the average asked for; but, on the other hand, there are lodges that can give from \$50 to \$100.

There is ample room also for individual effort. Somewhere about 100 members have contributed from \$1 to \$50 each. There is not one of our 24,000 members who cannot do something if deportunity were offered. While some of them might not feel sufficient interest in the work to mail their contributions to the treasurer, yet they would give if there were a personal appeal. It only needs that a committee of one or more brothers in each lodge should take the matter in hand, and \$50,000 could be raised without difficulty.

The sisters of the Rebekah Branch have given zealous service on behalf of the Home. The first cash contributions came from them. Many of their lodges have subscribed, and in proportion to their means have done far better than the subordinate lodges.

During the year, for the purpose of supplying information as to the methods of operating this work, the Board adopted certain rules for the government of the Home, subject, of course, to future amendment as experience might dictate. These are appended to this report.

The Directors have not yet been able to decide on a site for the location of the proposed Home. Were they in possession of sufficient funds to enable them to purchase or build there would be no delay in this matter. Meanwhile they are considering propositions from the brethren of different localities. Beaverton, Collingwood and Orillia have made definite proposals. The brethren in Hamilton, Teronto and Brantford are also prepared to contribute largely to secure the Home for their respective localities, but have not completed their subscription lists. It is hoped that ere long the Board will be in a position to make a choice of location.

The work of establishing and maintaining Homes for the orphan children and the aged members is progressing rapidly throughout the world of Oddfellowship. More than half of the jurisdictions have Homes in operation—some have as many as four, while those who have not are engaged in making preparation for their speedy establishment. No other society on the continent has so many of these beneficent enterprises in active service. But Canada still lags behind. Ontario, the premier province, should be in the van—not in the rear. The need for this Home grows more pressing each year. The number of orphans and aged brethren is steadily increasing. How soon will our task be accomplished and ample provision made for those who need our care? It may be done at once. It is for you to do it. usu: lishi

Regarding the anniversary of our Order, we would urge upon all lodges to observe the occasion by attending divine service as a token of thanks-giving to the Almighty for His goodness and mercy, but the idea of street parade and show be kept in the background as much as possible. The publication of the official notice in the *idealogndest Odd Fellow* in con-junction with the circular to the lodges we think advisable, it being thus directly brought to the notice of the members. We also recommend a week-night "At Home," concert, or social gathering, when those outside of the Order may be invited, and thus perhaps be led to think favorably of the Brotherhood. At this invited, and thus perhaps be led to the Arder should be presented rather than at the Sunday service. The decoration of the graves of deceased brothers, although a recent feature of our fraternal obligations, has been ennobling in its infinence, carrying, as it does, brotherhood beyond the grave, and we recommend its observance once a casiest procured, thus keeping the expenses at a minimum. The suggestion of the Grand Master that "Lodges of Instruction" be held where practicable, we think a good one, the expenses of which would have to be met, however, by those in attendance; but if some convenient time be chosen, such as a public holiday, when the greatest number would be free to attend, and expenses would be lighter, we have no doubt of its helpful effects on the Order. We notice with satisfaction that the practice of decorating the graves of our departed brethren is becoming more general throughout the jurisdiction. There are still many places in which this besuliful ceremony is not conducted. We would therefore recommend that the subordinate lodges give their attention to this matter, and thus carry out one of the principles of our Order. Your Committee move the adoption of the report.

# GRAND LODGE OF ONTARIO.

We fully sympathize with our Brethren in Ottawa, in the terrible calamity that befell them on April 26th last, when some sixty Odd Fellows with their familier, over three hundred in all, were rendered homeless by fire, the majority a lifetime. There was some insurance but it was small compared to the loss they

We fully endorse and compliment the Grand Master on his prompt action in making an appeal in the name of this Grand Lodge for our destitute Brethren and also in the appointment of an Executive Committee at Ottawa to disburse the same on behalf of this Grand Body.

We deplore the fact that through a mittaken idea of some of the Ottawa Brethren in reference to the personality of the Executive Committee at Ottawa, some slight friction has taken place, which has not conduced to as early a settlesome sight matrix as we believe would have been desirable, but, by the tact and generosity of the Grand Master, the affair has been amicably settled. When we

generosity of the other making a just and equitable settlement where there are so many questions to be considered it is not difficult to see that it requires considerable time to make a final adjustment.

We have the assurance of the Chairman of the Executive Committee at Ottawa, (Bro. Wm. Andrew who appeared before the Committee and gave them valuable information) that the matter will be settled within a short time and we would recommend that the incoming Grand Master see that there are no annecessary delays.

We recommend that the receipts to the fund be printed in the Grand Lodge Journal.

Your Committee would recommend that no deductions be made from the Relief Fund for expenses of the administration of the same at the Grand

Secretary's onnec. We cannot close this report without calling your attention to the generous manner in which the call for relief was responded to, not only by the Order in Ontario, but also by our Brethren in the surrounding jurisdictions. Resolved, that this report be adopted.

All of which is respectfully submitted.

# To the Grand Lodge of Ontario, I.OO., F .:

.We, your Committee on Petitions and Correspondence, to whom was referred clause 10 of the Grand Master's report, beg to report as follows :

We desire to congratulate the Grand Master oa the good feeling existing between himself and the different subordinate lodges.

We commend his zeal displayed in the manner in which he has attended not only to the matters which properly came before him, but also his attention to the many items of correspondence which could very properly have been relegated

to others. We hope lodges before sending questions to the Grand Master will consider firs', whether the printed authorities, if consulted, are not sufficient; and sec-ond, should not the D. D. G. M. be consulted before enquiring c:sewhere? As to the failure of lodges to reply to important correspondence affecting the rights of others, we think a visit to the offending lodge by the D. D. G.M. as the agent of the Grand Masters ought to bring about the desired result. Your Committee therefore move the adoution of this report.

Your Committee therefore move the adoption of this report. Respectfully submitted,

Report No. 45.—Rep. G. T. Pendrith, from the Committee on Districts, made the following report, which was adopted.

#### To the Grand Lodge of Ontario, I.O.O.F.

Your Committee to whom was referred clauses No. 21 and 23 Grand Master's report, and clauses No. 16 and 17 Grand Secretary's report, beg to report as follows :

Clause 22.-We recommend that no change be made in the matter of Cornucopia Lodge, No. 299, and Lansdowne Lodge, No 270.

We also recommend that Attwood Lodge, No. 332, be transferred to Harriston District.

Clause 23.—This Committee is of the opinion that it would not be in the interests of Oddfellowship to elect the D.D.G.M. at the Grand Lodge Meeting. We believe that the members of the District Committee, who have held office for a year, are better fitted to judge of the qualifications of the Brother who is to be nominated, than would the Representatives at Grand Lodge.

Clause 23.—This Committee is distinctly and emphatically against Subordi-nate Lodges fixing their own Degree and Initiation Fees. We are firmly conviced that this Order will never prosper as it should do, until there is an uniform rate of fees, dues and benefits throughout the entire Jurisdiction.

Your Committee is of the opinion, that the mileage and per diem are quite low enough, and would not recommend any reduction in the amount paid

Your Committee are not in favor of the establishment of Juvenile Lodges.

The reduction of the age limit to 18 years would, we believe, tend more than anything else to increase the membership of the Order, and we would strongly recommend that our Representatives to Sovereign Grand Lodge be instructed to press this matter upon this Supreme Body.

Clause 16, Grand Secretary's Report. - We also think that every D.D.G.M. should wear a suitable Jewel, emblematic of the office, which should become the property of the retiring D.D.G.M., the expense of purchasing such Jewel to be borne by the Committee of his District.

Clause 17. --With regard to the lack of interest shown in the meetings and work of the District Committees, your Committee is of the opinion that, were the members of the committees alive to their duties and responsibilities, they would not lack for matters of interest to engage their attention. There are so many subjects of interest to the Order to be discussed, official visits to be paid, installation ceremonies to be conducted, the visiting of weak lodges, the conside-ration of any changes that might be made to further the interests of the Order, and various other items that will come up during the term,-that we think there is plenty of work for the District Committees to do, were some member to take the initiative-properly the D. D. G. M.--if not that officer, then some other ener-getic and enthusiastic member who has the interests of the Order at heart and who has the ability to enthuse and interest the members.

In conclusion your Committee would suggest that it would be advisable to appoint the Committees at least a week prior to the meeting of Grand Lodge and supply them with copies of Grand Lodge official reports, so that they could give the various matters due consideration and be better able to deal intelligently with all matters referred to them, than under the present system, which allows only a few hours for the consideration and presentation of the reports.

Your Committee move the adoption of the report.

**Report No. 47.**—Grand Rep. J. A. Young, from the Committee on Fraternal Relations, made the following report, which was adopted.

#### To the Grand Lodge of Ontario, I.O.O.F. :

Your Committee begs leave to report as follows :

Resolved : That this Grand Lodge extends to the various Jurisdictions its high appreciation of the prompt and liberal manner in which they came to the help and relief of our Brother Odd Fellows in Ottawa, in their distress caused by the first there last May; and this Grand Lodge prays that they may receive a rich blessing and prosperity, in return for their liberality.

Giving to the needy is like mercy, it is twice blessed; it blesses him who gives, as well as him who receives.

Resolved : That the Grand Secretary is hereby instructed to extend the thanks of this Grand Lodge to the various Grand and Subordinate Lodges in other Jurisdictions, for their timely financial aid in this hour of our brethren's distress at Ottawa and Hull.

Resolved: That the Grand Secretary be instructed to send a copy of the above Resolutions to the various Jurisdictions mentioned in the Grand Master's report.

**Report No. 48.**—Bro. H. White, P.G.M., from the Committee on Laws of Subordinates, made the following report, which was adopted :

#### To the Grand Lodge of Ontario, I.O.O.F .:

Your Committee on Laws of Subordinates beg to report on the new By-laws and amendments to By-laws passed upon during the year. The interim reports made thereupon are presented herewith and made a part of this report, and no new questions or legal or technical points are involved. The later amendments to the Constitution appear in many cases to have been overlooked by lodges in amending their By-laws, more particularly the provisions whereby the payment of an old age disability benefit was made mandatory. A ruling of the Grand Master was asked early in the year on the question as to whether, as a mortuary benefit, the refund of all moneys paid into a lodge during membership was such a definite payment as would in his judgment be permissible under the insurance regulations. His affirmative ruling on the submitted point, if endorsed by the Grand Body, sets at rest a somewhat doubtlal point, and will be of much value in future adjudication on proposed lodge benefits.

All of which is respectfully submitted.

We therefore move the following :

Resolved, That this report be adopted.

the office one of the most successful in the Province. After nearly hity years in the public service he was superannuated. Retired to inactive life he could not endure enforced idleness, and the change made a sad change in his health. His daughter's meeting with the sad accident on the electric railroad, thereby losing a leg, had also a serious effect upon him. He aged beyond his years. He came from long lived parentage, and in all his history was without serious sickness. Early in May of this year with his family he went to London, England, intending to remain away for a year. But it was willed that he should not return to his native land. Suddenly in the bosom of his family the dread summons came. He died from heart failure after a few hours' illness. Without pain or a structle hell salep. struggle he fell asleep.

Bro. Dawson joined Forest City Lodge, No. 38, I.O.O.F., when a young man and became one of its most prominent members. He filled every position in the lodge with credit and ability. In conferring degrees or routine work he never had occasion to refer to a book. He often represented his Lodge in the Grand Lodge, and was a well-known figure in that body. He was also a member of Harmony Encampment, No. 3, and was a delegate from that body at Hamilton in 1860, and assisted at the instituting of the Grand Encampment. Faithful and active unto death, and a constant attendant at both lodge and encampment for over thirty years. The subordinate lodge meeting was the last public place he visited before leaving home, and he parted from the members present in the best of spirits.

Bro. Dawson was best known; however, in the Queen's Ave. or First Methodist Church. For over forty fears he was an active and consistent member jwas recording steward for years, and a member of the Trustee Board. In Sabbath School work he was very prominent. For years he taught an advanced Bible Class and filled the position of superintendent. He died on Sunday, the 23rd of September, and the calegram announcing his death was a great shock to the school of 600 persons assembled. The great bell of the church was taking place in England the following Tuesday.

As Odd Fellows we mourn a good Brother gone. He rests from his earthly labors, and his many good works and kindly deeds are a sweet remembrance to the family and loved ones left behind. He sleeps in beautiful Marylebone Cemetery—buried without pomp or display.

> "So dearest, now thy brows are cold, I see thee what thou art, and know Thy likeness to the wise below, Thy kindred with the great of old.

"But there is more than I can see, And what I see I leave unsaid, Nor speak it, knowing death has made His darkness beautiful with thee."

The Grand Master announced the following appointments to the office of District Deputy Grand Master, for the incoming year, viz.:-- Kent, No. 2.

# GRAND LODGE OF ONTARIO.

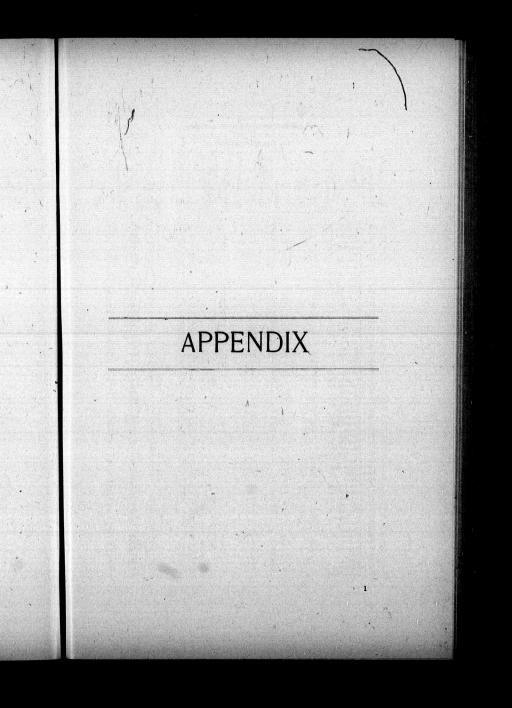

The Grand Master in closing the Forty-Sixth Session made a few happy, well-chosen remarks. expressing his appreciation of the honor conferred upon him by selecting him to preside for the coming year over this great and growing Order. He outlined many of his desires for the future, and asked the hearty co-operation of every member of the Order in making this year the banner year for Odd-Fellowship in Ontario, for without their earnest, active, honest support the future he aimed at and so much desired could not be confidently expected.

The Grand Lodge closed, all joining in singing the closing ode and God Save the Queen.
