GOOD RACING LAST FRIDAY

Hartland Horses Make Best Showing
—Ben All Wins from the
Woodstock Horse

There was fine sport at the ice races on Friday, although the day was an exceedingly rough one and therefore the attendance was small. Horses were here from Woodstock and Centreville and the contest was keenly enjoyed by the enthusiasts who witnessed it. Ben All, the horse owned by Hartland Driving Club was in a fair way to take three straight heats, but met with an accident both in the second and third, which gave those heats to Lucky Strike, the speedy animal owned by Robert Hamilton of Woodstock.

Antelle G. owned by Eric Brown of Centreville was matched with Rhona Adair, owned by W. B. Belyea of Woodstock and won in two heats.

Lady Ashbrooke, owned by Joe Gans of Woodstock, won from Frank H. (O. T. Black, Woodstock) and Queenie (B. Cronkhite, Centreville).

Frank Hayden's Queenie Patchon won from Eric Brown's Don W. Herewith is the time-keepers score:

CLASS A.—PACE	
Ben All	1 2 2
Lucky Strike	2 1 2 1

The following letter, dated at Centreville, has been received:

"In the issue of The Observer of Feb. 16th, an inaccurate statement is made in the last paragraph of the article on Horse Racing on the first page, which I would ask you to correct in this week's issue of the paper.

"The result of the exhibition between the two horses was as follows—
Antelle G. b.s. owned by Eric G. Brown 1 1 2
Ben All b.s. owned by Hartland Driving Club 2 2 1
Time—30½, 31, 30.

"Whoever handed you that article was not much of a sport.

"I was asked to bring two horses to Hartland for the afternoon's racing. It was agreed over the phone that a trotter was to start against my trotter Antelle G.

"After I got to Hartland I was told that the show were off the trotter and was asked to start against Ben All, one of the fastest pacers ever imported into this province. To help out with the sport I said I would and the result was as given in this letter.

"There were numbers on the ice who will verify the facts if you care to ask.

Yours truly,
Eric G. Brown

NEWSPAPERMEN MET IN TORONTO

Toronto, Ont., Feb. 15—In view of the present day costs, the Canadian weekly newspapermen association decided at its annual meeting yesterday that the minimum rate of subscriptions to weekly papers should be two dollars a year. Ottawa was fixed as the place of the association's convention next June.

Seventeen of the 13 directors of the association were present. Reports showed an increase in membership, which now stands at 536, and a favorable financial condition. Every province in the dominion was represented in the attendance except New Brunswick.

[The editor of The Observer is the 13th director and New Brunswick was not represented on account of his ill-health.]

REV. J. B. DAGGETT
CALLED TO P. E. I.

Rev. J. B. Daggett, of Marysville, has accepted a call to the pastorate of the Baptist church at Tyrone, P. E. I., and will take up his duties about the first of April, moving his family there about that time.

Rev. Mr. Daggett was for some time pastor of the Main street Baptist church, Marysville, and resigned a little over a year ago to become minister at large of the district. He was

also Deputy Minister of Agriculture for New Brunswick some years ago.

BARACCAS HAVE ANNUAL MEETING

At the Home of Their Teacher, Mrs. S. S. Miller—New Officers Elected—A Pleading Program

On Tuesday evening the members of the Baraccas class of the United Baptist Sunday school gathered in full force for their annual reunion at the home of their teacher, Mrs. S. S. Miller. A business session occupied the first part of the evening, when there were reports of officers and the various committees. Then followed an election of officers. The new president is E. A. Britton; vice president, R. B. Hagerman; secretary, V. W. Simms; treasurer, H. E. Adams. Committees were appointed as follows—Look-Out: Frank McAdam, Benj. Irving; Social: F. A. Aiton, G. W. Montgomery, Clyde Galliver; Sick: A. Y. Dickinson, Francis Appleby, Raleigh Britton.

After the business session was concluded there was a most pleasing program:

Duet—"Asleep in the Deep," M. W. White and Alex. Miller.

Solo—"Little Girl, Don't Cry," Miss Muriel Miller.

Solo—"Our Yesterday," Lorne Britton.

Quintette—"The Old Oaken Bucket," Walter Noddin, Frank McAdam, Vernon Simms, H. A. Sippell and M. W. White.

Solo—"Mother Machree," Mrs. Miller.

Recitation—Gage Montgomery.

Quartette—"Walking with God," Walter Noddin, Frank McAdam, H. A. Sippell, M. W. White.

Full Chorus—"Washing Mood."

Following a most delightful repast, at which Miss Jean Miller was assisted in serving by Miss Mabel Morgan and Miss Kathleen Kennedy, there was a joyous sing-song lasting until the small hours.

This class was organized more than 20 years ago, Mrs. Miller having been the teacher for a period of 21 years, and there are enrolled about 50 members. The average attendance is about 30, while on occasion this winter there have been nearly 40 in the class. Besides Bible study they form a brotherhood for social and philanthropic work, the most outstanding feature of their accomplishment being the maintenance of a native missionary and the building of a house of worship in India.

PRODUCE PRICES

The outlook for potatoes is not at all bright. There has been a further drop in American prices, \$1.75 being paid at Aroostook points. Locally buyers are taking them at \$1.00.

There is a good market for pork, good light pigs bringing 15 cents. This price will collapse at the approach of open weather. Live cattle have advanced in price and a good animal will bring \$40. Local dealers find it cheaper to import carlots from Montreal to supply the provincial market.

Hay is bringing \$34 to \$35 and oats 30 cents. Butter brings 35 cents and eggs 35 cents.

FUNERAL OF H. E. HAYWARD

The remains of Harry E. Hayward, who died at Ottawa on Tuesday of last week, arrived here on Thursday and were taken to the home of his cousin, M. L. Hayward. The funeral was held on Friday afternoon at the United Baptist church, Rev. Mr. Bell of Coldstream preaching an eloquent sermon. Interment was made in Greenwood cemetery. The large attendance at the service bespoke the deep sympathy felt for the stricken family and sorrowing parents.

FARMERS' CO-OP. WILL REORGANIZE

Brokerage Has Been Formed Through Which Collective Buying Will be Done

Fredricton, Feb. 21—The afternoon session of the Magtime United Farmers' Co-operative, Limited, was very protracted, not breaking up until 6.30. At its close it was announced to the press that the shareholders had adopted the resolution for the reorganization of the company by a unanimous vote.

By the terms of the reorganization, which was made necessary by the business depression which has been general for some time, a brokerage has been formed through which the collective buying for the stores will be done.

Each U. F. store is to be a separate corporation, assuming its own liabilities, and its share of the liabilities of the head office. The basis of the share of liabilities of the head office to be assumed by each separate store will be the annual turnover of that store. The system of "One man, one vote," which has been followed previously, instead of voting in proportion to stock holding, is to be adhered to.

The report had been current for some time, that had been published in the press, that the Nova Scotia section of the company was opposed to reorganization on the basis named. It was announced after this afternoon's session, however, that Messrs. Davidson and Hrag, who were chief spokesmen for the Nova Scotians, had been among the strongest supporters of the reorganization. Opposition to the change came from four or five members of the company who expressed the fear that the principle of co-operation would be lost.

By resolution the meeting arranged that any store which is opposed to entering the reorganization may continue under the former arrangement. The change will necessitate legislation and a committee will undertake to have that framed.

The following officers were elected: President—H. A. Bragg, Springhill. First Vice-President—Wm. Raymond, Middle Simonds.

Second Vice-President—A. E. Williams, Upper Keswick. Executive Committee—E. S. Davidson, Windsor, N. S.; J. S. Kincaid, Sussex; Albert Dionne, Red Rapids; A. E. Williams, Upper Keswick; Ashley George, Sackville.

Directors were elected as follows: C. Gordon Sharpe, Woodstock, in place of P. Rogers; Jerry Halford, in place of B. W. Irvine, Andover; Vernat Tracey, in place of R. K. Tracey, M. P. P., Centreville; C. W. Vrona, in place of Edgar Blaney, St. Stephen; G. L. Colpitts, in place of James Douglas, Pettitodiac; H. A. Bragg, in place of Mr. Boss, Springhill, N. S.; Chas. Stone, from Minto branch.

ROBERT R. ROSS DEAD

Robert D. Ross, a traveler well known for years along the St. John river, died at his home at St. Stephen on Saturday. He was for years engaged in the grocery business, first as a member of the firm of Mitchell & Ross, later as R. D. Ross & Co. He was born at Andover but lived much of his boyhood at Somerville and Victoria, where his father, John Ross, was engaged as shoemaker with the Boyers.

BUILD HOUSES

The Observer has heard of two local men who have signified their intention of building each a house the approaching season. This is good news. The town can not grow if there are not adequate housing facilities. The cost of material and labor is much reduced since two years ago and the present would seem to be a reasonably good time to build.

Harold Gallupe of Birch Ridge was in town on Saturday.

The many friends here and elsewhere of Fred C. Armstrong will learn with deep regret that he is very seriously ill in the Vancouver General Hospital, Vancouver, B. C. Mr. Armstrong was formerly a resident of this place, a brother of George E. Armstrong, but for several years has been sportsman guide for the Canadian

government railways in Cochrane Ontario. Last winter he and Mrs. Armstrong spent several months in California. The climate did not agree with him and he has been in failing health ever since, and is now suffering from a general break down. It is the earnest wish of all that this bright young man may be quickly restored to health. Any of his friends who might wish to write him will find him at the above address, with the addition of Ward K.

The firemen were called out on Friday between 3 and 9 o'clock, to put out a fire in the "Variety store" and dwelling of Mrs. M. L. Jamer. The fire had gained such headway before it was discovered, and with a high wind blowing, it was feared for a time that H. N. Dickinson's grocery store and dwelling would also be burned, but through the heroic efforts of the boys it was confined to the Variety store, which, although not burned flat, is a total wreck. Most of the contents of the house were destroyed and practically all the stock. This is a heavy loss for Mrs. Jamer as she was getting in new spring stock, having received a large shipment the day before. She has the sympathy of all in her great loss.

Henshaw of New York, to learn of his marriage on Saturday, Feb. 4, to Margaret Jean, only daughter of Rev. D. H. McQuarrie, M. A., M. T. H., and Mrs. McQuarrie of New Germany, N. S. The wedding took place at St. Jude's Anglican church, at Oakville.

Rev. Canon H. F. D. Woodcock performed the ceremony. The bride's costume was of tawn crepe de chene with brown satin hat. Her bouquet was crimson roses. The bridesmaid, Miss Dorothy Chisholm of Oakville, wore brown tawn crepe with brown hat and carried a bouquet of carnations and sweet peas. The best man was Mr. Ronald McNeil Kierstead, son of Professor Kierstead, D. D., of McMaster University and nephew of Lieutenant Governor Grant, of Nova Scotia. Following the ceremony a reception was held at the home of Mr. and Mrs. W. A. Chisholm, after which Mr. and Mrs. Henshaw left by motor for Toronto. Mr. Henshaw visited his grandmother, Mrs. Rainsford Lovely, and aunt, Mrs. A. G. Ganter, here, last summer, and left in September for Toronto, where he has been attending the University. It is the wish of all that Mr. and Mrs. Henshaw may have a long life full of happiness.

PERTH MERCHANT HEAVILY FINED

Canadian and United States Customs Officers Make Big Seizure

Abraham Fine, who formerly ran a clothing store in Perth, N. B., selling out to J. Koven & Sons, was in town early last week doing business with the customs authorities. It is said that Mr. Fine, who does business in New York and Boston, had a lot of clothing and such goods stored in Fort Fairfield, and that the preceding Friday night some of his firm undertook to haul a load or two of the goods to Andover without making the formal call at the customs house. Deputy Collector George A. Nelson, who was on the road that night with Policemen Parker and Currie, held up the load. The Canadian customs authorities heard about the matter, also that a similar load had gone over the evening before. Mr. Fine went over and settled the business, paying \$700. Being a little suspicious, Officers Luce of the Canadian customs office began to investigate, and Monday night saw some men taking goods out of a barn and landing them in Koven's store in Perth. The next morning, accompanied by Customs Officers Kelley and Howard of Aroostook Junction, he went to Koven's store and found the consignment of American goods, comprising damask table cloths, cretonne, men's clothing, etc. Mr. Fine settled this matter for \$800. Somebody is saying it does not pay to smuggle around here, but nobody knows how much such a man may have made in months

or years past, in just such business, perhaps enough to pay such fines many times over.

WOMAN MEMBER OF EDMUNDSTON BOARD OF TRADE

Town Working for New Federal Building—Arrangements to be Made for Opening of New International Bridge

A large number of business and professional men attended the first annual meeting of the newly organized Board of Trade, Friday evening, when the following officers were elected: President, J. W. Hall; vice president, L. A. Dugal; treasurer, Frank W. Bourgois; secretary, W. R. Bel-yea.

The board has now a membership of almost seventy and an endeavor will be made to bring it up to one hundred. A feature which was pointed out by the secretary in presenting the charter of incorporation, recently received from Ottawa, was that the Edmundston Board of Trade was perhaps the first in Canada to receive a charter permitting the admission of women to membership. Miss Agnes Herbert, the popular manager of the Windsor Hotel, is the first woman member.

Letters received from Plus Michaud, M. P.—elect for Madawaska and Restigouche, were read in reference to asking the federal government to erect a public building in Edmundston without delay and a strong resolution was adopted supporting Mr. Michaud's request, pointing out the absolute necessity for a post office as the present accommodation was entirely inadequate for a town of the size and importance of Edmundston.

The board has a busy programme before it, including arrangements for the formal opening of the international bridge which is nearing completion.

THE EDMUNDSTON MASONS ENTERTAIN

One Hundred and Twenty-five Visitors From St. John, Moncton, Grand Falls, Presque Isle, and Caribou

Edmundston, Feb. 19—Over one hundred and twenty-five members of the Masonic Royal Arch Chapter and a fraternal visit to Edmundston chapter No. 10 on Saturday to witness the ex-empowerment of degree by D. W. Kyle, G. H. P. of Moncton, assisted by officers of the grand chapter. Degrees were conferred upon thirty-four candidates from Grand Falls and Edmundston.

Seventy-five brethren from Presque Isle and Caribou came by special train over the Bangor and Aroostook railroad, returning this morning.

The visitors are high in their praises of the manner in which they have been entertained by the local chapter and the hotels. Among their number are prominent business and professional men who have expressed their surprise at the rapid growth of the town and the opportunities afforded for further industrial and commercial development.

The grand officers will return to their homes at Moncton and St. John by C. N. R. express early on Monday morning.

HARTLAND BOY IN THE WEST

George H. Campbell is in Big Business in Winnipeg

The following telegram from Winnipeg relates to a former Hartland boy, a son of A. H. Campbell, and will be read with interest by his many Hartland friends:

Winnipeg.—A dinner at the Royal Alexandra Hotel wound up a successful convention held by the G. H. Campbell Sales Co.

In addition to the Pure Cold Mfg. Co., Ltd., and Todhunter Mitchell Coffee Co. lines the G. H. Campbell Sales Co. have taken over the agency for Red Cross Pickles and the Dyson Vinegar Co., Ltd., and have increased their traveling staff considerably, covering the territory from Port Arthur to the Coast. At the dinner Mr. Dyson, the president of the Dyson Vinegar Co., Ltd., gave an interesting talk on vinegar and its manufacture and history, and E. B. Reynolds, president of Red Cross Pickles went into the intricacies of manufacturing pickles, condiments and wines, and G. H. Campbell gave a talk on Todhunter Mitchell Coffee Co. and Pure Cold Mfg. Co., Ltd., lines.

The men have been in from all parts of the territory, Port Arthur west, including Gren. Caldwell of Edmonton, Wm. McGeachy of Regina; S. Johnson, of Saskatoon; H. W. Hill of Brandon, H. D. Eearl, F. Bjarnason and A. Bradley of Winnipeg. Dave Lucas of Calgary could not be present owing to the illness of his wife. In conversation with some of the men they state they had a very interesting and helpful time at the different sessions. Different lines were under discussion and under test, and all look forward to doing good business during the coming season.

Mr. Campbell stated to Canadian Grocer that the year just closed had been a good one, and that he was of the opinion that conditions were steadily improving, although it may take some little time. As he said you cannot keep the spirit of the West down.

LEGISLATURE ON MARCH 2

Premier Foster Announces Opening Date and Mover and Seconder of Address

Premier Foster has announced that the New Brunswick Legislature would open its 1922 session on Thursday, March 2. One more session of the government will be held likely towards the end of February.

The address in reply to the speech from the throne will be moved by Fred Estabrooks, M. P. P., from Westmorland, who was elected to the legislature at the last provincial poll. It will be seconded by S. R. Leger, M. P. P., from Gloucester.

The opening on March 2 will be one week earlier than last year and two weeks ahead of the opening date in 1920.

It is expected that the question of economy in all the provincial departments and proposed means of increasing the provincial revenue will be prominent at the session.

MRS. D. H. KEWICK

Very suddenly at an early hour on Saturday morning death claimed Mrs. D. H. Kewick, at the home of R. J. Potts, where she was staying this winter with her daughter, Mrs. T. T. Hammond. She retired about midnight in her usual good health but was taken suddenly ill and passed away in less than an hour.

Mrs. Kewick is survived by one son, Harris D., and her daughter, Mrs. Hammond. Her husband, a well known lumberman, died eleven years ago. She also leaves a brother, Robert J. Potts, and a sister, Mrs. William Kewick of Bass River. The deceased was born at Buctouche, and as young married people, she and her husband came to Hartland to live nearly 50 years ago. Mrs. Kewick was a woman of quiet, kindly disposition and was endeared particularly to those friends who knew her most intimately. She was 76 years of age.

The funeral was held on Monday afternoon, at the Kewick home, her pastor, Rev. Thomas Pierce, preaching a comforting sermon. Rev. W. P. Haigh and Rev. E. A. Trites also assisted in the services. Appropriate music was sung by a selected choir. The pallbearers were W. D. Keith, A. E. Plummer, A. Plummer, J. E. McCollum, Frank R. Kelley and S. S. Miller.

Mrs. Black was a daughter of the late William Drake and among those left to mourn are five brothers: William of Truro, Howard of Mount Pleasant, Gales of St. John, John of Fielding, and Kenneth of Avondale; three sisters: Mrs. A. G. Baker of Hartland, Mrs. F. D. Flowling of Avondale and Miss Lizzie at home. The deceased was a woman of many fine qualities and leaves a wide circle of friends.

Railway News in Brief

Montreal.—According to a circular approved by Mr. W. B. Langan, Freight Traffic Manager, Canadian Pacific Railway, Mr. H. W. Gillis is appointed Assistant General Freight Agent, Eastern Lines, succeeding Mr. S. C. Hurkett, transferred. Mr. Gillis entered the service of the C. P. R. on May 15th, 1905, at Mile End Station, Montreal. In June, 1906, he became assistant biller in the local Freight Department, Place Viger Station; in November, 1906, he took up the position of junior clerk at Place Viger. Promotions following were: June, 1908, billing clerk, Outremont; December, 1909, clerk General Freight Department, Montreal; July, 1911, clerk divisional Freight Dept., Montreal; July, 1914, assistant chief clerk, office of Freight Traffic Manager, Montreal; March, 1915, chief clerk to Freight Traffic Manager; September, 1915, chief clerk to Vice-President of traffic; November, 1919, assistant Foreign Freight Agent, Montreal; from the latter position he takes up his new post.

Montreal.—A conference of the members of the Quebec District Association connected with the Canadian Pacific Railway, consisting of superintendents, yardmasters, agents, freight agents, freight and traffic men, telegraphers, and Dominion Express representatives, was held at the Place Viger Hotel, Mr. E. F. Lawson, Terminal Freight Accounting Agent, Montreal, presided. Mr. T. A. Martin, local freight agent, Montreal, was appointed president and chairman, and it was decided to hold the next meeting at Prescott. There were nearly three hundred representatives present from all parts of the Quebec District and several important subjects were under discussion. During the afternoon Mr. A. Price, general manager, Eastern Lines, and Mr. W. B. Langan, freight traffic manager, Montreal, addressed the conference, and among those present were: Messrs. J. K. Savage, general superintendent; W. J. Uren, assistant superintendent; W. H. Snell, general passenger agent; J. McMillan, manager C.P.R. Telegraphs; F. W. Branscombe, Dominion Express, and H. H. Lynch, chairman of the Brotherhood of Locomotive Firemen and Engineers. Mr. J. W. Kitchen was elected permanent secretary. Several subjects of a very interesting character were postponed until the next meeting.

New York.—Arrangements for securing traffic for the big addition to the Canadian Pacific fleet were made at the convention of the C. P. R. traffic officials and passenger agents and other officials from practically every important centre in Canada and the United States attended the meeting. New steamers with an aggregate tonnage of 180,000 are to be added to the C. P. R. fleet. This will mean greatly increased service out of both Vancouver and the St. Lawrence ports. Competition between the lines is now very keen and the C. P. R. men considered plans for securing the traffic. One feature will be the effecting of closer connection between the rail and steamship lines of the company. The C. P. R. will in future be able to book passengers in Chicago for passage to European ports and will carry them to the steamers at Montreal or Quebec in special C. P. R. trains.

The additions to the steamship service as outlined at the convention will include a new fortnightly service to the Orient from Vancouver in addition to the present sailings of the "Empress of Russia" and the "Empress of Asia." The new steamers will be the "Empress of Canada" and the "Empress of Australia."

First sailings will be in April. On the eastbound trip the new steamers will call at Honolulu. Detailed arrangements were also discussed for rail connections with the new St. Lawrence service to Cherbourg, Southampton and Hamburg. The "Empress of Scotland," the "Empress of France," and the new boats to go on this service, will thus give the Canadian company close touch with Paris and Berlin. The new boats will start as soon as the St. Lawrence navigation opens. The "Empress of Scotland" sailed February 4th for a cruise of the Mediterranean with a large passenger list. She will return to a Canadian port in April.

Advertising once is good, advertising twice is better. But continuous use of "The Observer" is, from the experience of many satisfied and regular advertisers, the most satisfactory method of ensuring brisk business all the year round.

THE PILGRIM'S RETURN

The sky was dark and the air was chill
And the scene took on a gloom
When judges met at the Old Hill Church,
To seal their victim's doom.
The Pilgrim's body long made dust
For many years had been,
But his spirit hovered 'round that day
To witness the sad scene.
His children so much loved when here,
Like Jacob's boys had come
To set the seal upon the fate
Of their father's faithful son.
And while the kid was being killed,
His garments red to stain,
Some brothers wept and pled for him,
But pleading was in vain.
The Pilgrim's spirit hovered round
And sighed for his faithful son,
And pleading said as Pilate did
"What evil hath he done?"
"Has his path been strewn with evil deeds
Hard to be understood?
Or is he standing on the same old rock
Where his old grandsire stood?"
To this the judges made reply
"He disobeyed our laws;
The execution does seem hard,
But it's for our sacred cause."
"Though the millstone hangs about
our necks,
With the warning of the deep blue sea;
We will take no rest and can't be blest
Till from this man we're free."
Then the guardian angel turned to weep
And the pilgrim's spirit fled
And the execution axe came down—
But his victim is not dead.
The judge's wrath has been appeased,
His vengeance now is spent;
He has his chance for breathing now,
And a long time to repent.
A. Giberson, Bristol, N. B.
The above verses were written of the occasion, of a conference meeting held at Bristol, Saturday, Feb. 11, 1922, at the Primitive Baptist church. The "Pilgrim" spoken of was the founder of this church.—A. Giberson.

How much money would it take to buy clothes for all your family?

Quite a sum if you wake some night with nothing left but your nightgown and pajamas. Determine the value of your belongings before they are destroyed by fire.

Make an estimate. Ask your wife to set a value on her things. Then add the value of the silverware, jewelry, furniture, rugs, linen, bedding—the thousand and one things your home contains. Do you think you carry enough insurance to pay the actual cash value of the contents of your home if a fire came? Protection in the Hartford Fire Insurance Company costs little before a fire but it means a lot afterwards.

THE SPRING OF BUSINESS ACTIVITY

Under the above title and in conjunction with the business course of the Alexander Hamilton Institute of New York, Mr. E. W. Beatty, President of the Canadian Pacific Railway, has contributed a little pamphlet known as Lectures No. 24. Based upon the author's ripe experience, it is an authoritative message from his special field of business activity and under various heads, deals with man's struggle with nature; the personal element in business; the pioneer spirit; can a government undertake to be a business success? etc.

In view of the author's prominent position throughout the business and railway world and his rapid and early attainment of the presidency of the Canadian Pacific Railway, his message is of more than unusual interest at this time of general depression. It will be read and studied by hundreds of students enrolled in the Hamilton Institute and serve as an exhortation and example to them in their future struggles for advancement and success in whatever they may have chosen.

Some extracts and aphorisms from the pamphlet are as follows:

"Eliminate effort and you drain the spring of life. It is not attainment so much as the striving for it that lends zest to our existence. Work is not a curse but a blessing—as those know, only too well, who are deprived of it through sickness or accident. For most of us the business of living is an all absorbing occupation."

In regard to "Man's Struggle with Nature," he says—

"Self-preservation is not only the first law of nature; it is the first law of business. Every man struggles to maintain his own for himself and for his family, and all his acts are dictated by that effort. The forms of struggle are held in check by the civilization we enjoy, but the struggle is there. The second law is to hold our own, to better our position, to strengthen our grip on all that makes life worth living. Each one working steadfastly in his own interest not only adds to his own welfare but improves mankind."

Relative to the "Personal Element in Business,"—

"In the largest company of the most complex corporation the driving power of the individual is the key note of progress."

Regarding "Interference of the State as a Regulating Factor in the World of Business,"—

"The exercise of State interference can be just as excessive as business enterprise. It is, as it were, a corrective medicine. Now medicine may sometimes be good for a man. It does not however, follow that in order to be well we should feed on pills."

Replying to the query "Can a Government Undertaking be a Business Success?" he writes—

"A private enterprise, even when operating a public utility, like a rail road, has the stimulus of profit to spur it to a fruitful activity, but if profits fail and losses occur through misfortune or mismanagement, it must bear its own burdens. It is generally believed by business men that no undertaking run by government can stand the full test of profit making and proper conservation of the plant. Reports of profits from operations generally overlook depreciation, reserves, interest on capital and an allowance for the equivalent of the taxes paid by private undertakings. From a strict accounting view, most, if not all government business undertakings operate at a loss and would be wiped out were it not for the direct and indirect support of the public treasury. There may be circumstances in which such operation at a loss is justified by public interests, but it is hard for a business man to conceive of such a system being generous—without being reminded that the inhabitants of a certain island made a living by taking in 'one another's' washing."

Discussing "State Socialism as a Remedy for the Ills of Business,"—

"How many a business is due to selfish excess. How often the decay of a once powerful company is due to its abuse of privilege and disregard of the interests and opinion of the community it ought to serve. The company or business enterprise that lives for itself and is not conducted ultimately with an eye to its usefulness to the community is an unhealthy business and a source of instability. It incorporates a wrong ideal of conduct, and sooner or later, is bound to come in conflict with public opinion, to its own ultimate ruin. That business which desires a good old age must be conducted in a spirit of service to the community, and service to the public. It will be conducted all the better if it is virile and progressive, full of initiative and new ideas, free from red tape, official rules, court precedents and regulations, but it ought always to be conducted in the spirit of good citizenship."

And on "Service, the Key Note of Sound Business," he concludes—

"The moral of all these considerations is that Service should be the cardinal policy of good business. If we keep in mind that we are, above all, servants of the public, we cannot go far wrong. Our object is to supply the needs and contribute to the well-being of the people, our clients. We may be as enterprising, as full of initiative, as inventive in ideas and methods as possible, and this initiative is best fostered if we can count on a reasonable reward, but if we keep Service as our watchword, our individuality will always be guided in the right direction. Such a spirit will conduce more than anything else to success, but the success will not be achieved at the cost of the public welfare, and it will obviate all likelihood of the public wasting time, energy and money in attempting to run your business for you."

"If I may be permitted to give an instance from the history of the company which I have the honor to serve, I should like to illustrate my argument from the case of the Canadian Pacific Railway. That railway holds the unique record of being the only large private railway enterprise in the world that escaped the fate of being taken over by its government even temporarily as a result of the Great War. My firm belief is that its immunity was due to the impregnable position it held in the confidence of the people of Canada through its record of service ever since its construction as a transcontinental railway. One of the starting and at the time much criticized posters with which Van Horne placarded the country in the early days read:

"Parisian Politeness on the C.P.R." This was merely a vivid expression of the cardinal policy of the men who established the company that courtsey and consideration for the people of Canada were to be the watchwords of this private enterprise. These men were all imbued with an intense patriotism and belief in Canada, and considered that in building up their railway they were building up their country. Service was the very breath of their nostrils. The result was that they established not only a successful

business, but they also established a popular railway in which the people of Canada had confidence. Its profits have never been excessive, and its prosperity is gradually taken as reflecting the general prosperity of the Canadian people as a whole."

On "Service, the Key Note of Sound Business," he concludes—

"The moral of all these considerations is that Service should be the cardinal policy of good business. If we keep in mind that we are, above all, servants of the public, we cannot go far wrong. Our object is to supply the needs and contribute to the well-being of the people, our clients. We may be as enterprising, as full of initiative, as inventive in ideas and methods as possible, and this initiative is best fostered if we can count on a reasonable reward, but if we keep Service as our watchword, our individuality will always be guided in the right direction. Such a spirit will conduce more than anything else to success, but the success will not be achieved at the cost of the public welfare, and it will obviate all likelihood of the public wasting time, energy and money in attempting to run your business for you."

Viscount, Saskatchewan—"I took Lydia E. Pinkham's Vegetable Compound for weakness of the female organs. I had pains in the back and bearing-down pains in the abdomen and was in a general run-down condition. I could not sleep, rest or do any household tasks. A friend told me about your Vegetable Compound and I in my turn truly recommend it as my severe symptoms vanished and I am better in every way. I do my own work, look after my children and see to chickens, cow and my garden. I also recommend it for young girls who are weak and run down, as my 16-year-old daughter has taken it and is quite her own self again."—Mrs. F. W. WILLET, Viscount, Saskatchewan.
