We advise the convertion speaks volumes for our readers not to join in the condemnation of this enterprise before they without it. The work is in the hands of one of our own it is only an oversight on your part and that is why your attention is drawn to it. Look up last year's receipt and see how you stand. It is easier to pay \$1 in advance for a paper than \$1.50 after the unvariable rates for the Pest.

THE OPPONENTS OF THE SHIP RAILWAY.

**Hostillity to the Chigneet Ship Railway scheme and had arranged to send a committee to confer with the Toronto Board as to the best means to forward the work is shown to be indefensible, it ought to be abandoned even at this late day. A principal obstace to successful egislation and to civil government. In Canada is its magnificent failure and pity is expressed for the propose of the magnificent failure and pity is exempted to the first of the field he could not with honor cacept the nomination. The result of the convention speaks volumes for the head of government in the Republic are such that many enemies must not be fore they show who is all to have resident his instincted and by the offer of a scale of the previous rule but are observed to the fact that the Rochester N. Y. Chamber of Cemmerce had engaged to send a committee to confer with the Toronto Board as to the best means to forward the work, asystis: "is a proof of the importance that attaches to the Chigneet of Ship Railway apart from its intrinsic merits. The probably be elected to oppose President Cleveland will probably be elected to the propose of the provention of the work is shown to be indefensible, it ought to be abandoned even at this late day. A principal obstace to successful legislation and to civil government in the result of the propose of the propose of the propose of the proposed on the more appeared to the proposed on the more proposed on the cessful legislation and to civil govern many and the digging of ship canals ment in Canada is its magnificent at a vast expense may be entirely ob

to influence with the French Court to obtain the Emperor Napoleon's yacht to experiment with. The shipping people were speedily then convinced, to packing and marketing the eggs.

In conclusion the above correspondent gives some instructions as to packing and marketing the eggs.

Sir Adolphe Caron.

people were speedily then convinced, and since then nearly 4,000 vessels have been taken on without eccident. To often the people demand a sign in the heavens. In Parliament or out, no one has yet attempted to try out the work on its merits, for the reason, that while the english way with the best possible straw, or, failing that, good wood shavings; avoid dirty tricks; treat the buyer fairly ond squarely; do your best to win his confidence and you will in time develop would seriously state there would be growing trade."

Sir Adolphe Caron.

Hitam A Calvin liberal conservation to endude for Frontenac, was elected today by acclamation to replace that market; pack carefully in the English way with the best possible straw, conditions which experience shows rule that market; pack carefully in the English way with the best possible straw, conditions which experience shows rule that market; pack carefully in the English way with the best possible straw, conditions which experience shows rule that market; pack carefully in the English way with the best possible straw, conditions which experience shows rule that market; pack carefully in the English way with the best possible straw, or, failing that, good wood shavings; avoid dirty tricks; treat the buyer fairly ond squarely; do your best to win his confidence and you will in time develop a growing trade."

Dorchester.

—The session of the County Court is about concluded, the ease of Siddall and

ond aquarely do your best to win his or growing trade."

It is now generally on your best to win his or growing trade."

THE U. S PRESIDENCY.

At a mensfer conve.tion held at mineapolis, Minn., last week President for a second term. The Ship railway will be equivalent to an open strait, (excepting that shipping using it will be taxed such charges as freights and hulls can bear) and would unless the calculations of many of our foremost public men are at fault, prove a great highway of commerce. Why should it not when the two waters it unites have a commerce of over 11,000,000 tons per annum, increasing at the rate of half a million each year.

We make extracts from newspapers published at two opposite points in the Dominion, Halifax and Vaneuver, showing interest awakened by this work at most distants points. The Critic says: **Z

"The great Chigneets Ship Railway "will soon be nearing completion, but "before the first vessel is borne across" the solution of the delegates. The convention had a quarely adopted to will not be growing trade."

THE U. S PRESIDENCY.

At a mensfer conve.tion held at minneapolis, Minn., last week President for a second term. Harrison was nominated as the immandation as the scale of the end of court.

This choice his caused no little surprise in the Republic as it was generally supposed that James G Blaine, was free the soil is soft, the convention, would have the full support of the delegates. Unrotrunt to the trade of half a million each year.

"We make extracts from newspapers published at two opposite points in the houn he disguted his friends."

"The great Chigneeto Ship Railway "will soon be nearing completion, but "before the first vessel is borne across the houn half and million each year.

"The great Chigneeto Ship Railway "will soon be nearing completion, but "before the first vessel is borne across the houn half and the province of the convention of the convention about the convention of the docket. Stone vs. Beharred will go to the Jury this morning.

PIC - NIC

MAMMOTH

AMHERST. The Annual Pic-Nic of St. Charles Cath olic Church, Amherst, will take place on the Exhibition Grounds,

-ON-TUESDAY, JUNE 21st

Everything connected with the picnic will be conducted in such a manner as to make it the largest and best affair of the season. The following are a few of the attractions: DIGBYLONIA,

large Microscopic view, full of fu will make you laugh more than you ever laughed before. THE FLYING MACHINE, For the first time an attempt will made to fly from the top of the Exhtion Building. Attempts of this have frequently been made in ot places without success, but inventor of this new and wonder machine claims to be able to any desired point with case, flight will take place about 7.39 in evening.

CLIMBING THE CREASED POLE. An amusing and laughable sight, full f fun. Prizes will be given to those who succeed in reaching the top. GREASED PIG.

The funniest thing of all. A smal pig will be let loose on the grounds and will be given to the one who catches it More fun in five minutes than you ever saw before. Together with the above will be other numerous attractions.

THE AMHERST MILITARY BAND as been engaged for the occasion and musical treat may be expected.

HOT DINNERS of a superior order wis be served through the day. REFRESHMENT TABLES laden with choice delicacies will be on the grounds.

Don't Miss the Largest and Best Affair this Season.

—Thos. Wheaton has been appointed Sackville with the school of the parish of Sackville, vice will small probably be launched before Au.

—The same of Tuesday evening the residence of Frank Rayworth, Upper Cape, was struck by lightning. Miss Annie Rayworth who was alone in the house was readered insensible by the shock and upon regaining consciousness foundtheroom in flames. These she extinguished but for a barquentine. Capt. George E. Bentschale the whole upper story on fire. Assistance was summoned but too fire. Assistance was summoned but t

One of the most severe electric storms One of the most severe electric storms that ever visited us passed over on the night of the 13th inst. The storm was accompanied by the almost continual flash of the most vivid lightning, and incessant rell of loudest thunder, together with rain that fell in torrents, and showers of hail which was feared would break the glass in the windows. We will doubtless hear of serious damage being done.

A quiet wedding took place at the residence of Mr. Rupert Etter, on the evening of the first, when his eldest daughter Arabella was married to Mr. William Bent of Little River, N. S. The ceremony was performed by the Rev. D. M.

is the second time these works have been distroyed.

Messrs. Baird & Schurman, who have for some time past been running the Southampton woolen mills, have now made arrangements to purchase that property. The building is to be shortly enlarged.

James Mc Master, employed on the water works at Amherst, was severely crushed last week by about a ton of earth falling upon him by the caving in of the ditch in which he was working. One of his knees was badly, injured.

David J. Taylor, late town clerk of Parrsboro, was found guilty of embezzlement and in consequence of embezzlement and in consequence of the accased man's previous good considered by the second property. But the world in consequence of the accased man's previous good considered by the second payment of the ditch in which he was working. One of his knees was badly, injured.

with easy terms of payment.

The Canadian N orthwest has the most productive soil in the world. Its wheat fetche sthe highest price; its live cattle are admitted to the English markets, while United States cattle are not. There is a market for the farmer at every station; and there are s hoels and churche at wherever there are settlers. It is not subject to drought nor floods, to grassloopers or to cyclones or tornadoes, Ask any Canadian Pacific Railway Agent for books and maps concerning it; ask for "Farming and Ranching in West," n Canada, "or the "Free Farms" map, or "Actual Experiece," and read the testimony of men who have gone there from Eastern Canada. Young women are in great demand; they find occupation as domestics directly they arrive and readily et married to prosperous young farmers. Young men or young women can start life gluere almost without money. They make the money there; an independence is gained in a very few years by the thrifty.

The old settlers of Prince Edward Island should use their influence with the young men who intend emigrating to keep them within the Dominion, where they are offered better advantages than in the United States and do not lose their nationality.

Lose no time in getting to the West and choosing your location. First come first served.
