THE Undersigned begs leave to call the attention of Newspaper Proprietors and others who may require his services, to the fact that he is, as heretofore, prepared to give prompt attention to the collection of accounts.

Being intimately acquainted with the Upper and Lower Province of Canada, and having the benefit of an experience of twenty years in this particular line of business, he feels confident he can give satisfaction to all parties who may entrust him with accounts for collection.

All orders addressed to him, Box 701, Post Office, Montreal, will receive his best and immediate attention.

In 1858, a Directory of Quebec was published by the proprietor of the present volume, and met with a favorable reception. Two years having now elapsed, causing necessarily many changes, and the Government being now located in the city, the proprietor has been encouraged to issue a new Directory, and he trusts that it will receive that degree of support from the citizens of Quebec which he confidently hopes its merits deserve.

The chief aim of the compiler has been to be *accurate*. The fullest information has been given where it could be obtained, but none that cannot be relied upon as correct.

An historical sketch of the city might have been prefixed to the work, but the compiler has omitted this, keeping in view the objects which a work of this kind is required to serve, and which he has endeavoured uniformly to carry out.

The encouragement which this work receives must decide the proprietor as to whether the citizens of Quebec will support the issue of it annually. If liberal support be accorded, the compiler can only hope that each succeeding edition will surpass its predecessor in utility and accuracy.

In 1663 was founded the Quebec Seminary, which afterwards became a regular College; and it had, by successive additions, acquired a high degree of importance, when it was erected, by Her Majesty's Royal Charter, into a University, under the style and name of *The Laval University*. By this charter, which bears date December 8th, 1852, no change was effected in the constitution of the Seminary itself; but a Council, composed of the directors of the Institution, and the three senior professors of the several faculties, was empowered to possess and enjoy all the privileges granted to the Universities of the United Kingdom, and especially that of conferring degrees in the Faculties of Divinity, Law, Medicine and Arts. His Grace the Roman Catholic Archbishop of Quebec is, by virtue of his office, Visitor of the University. The superior of the Seminary, for the time being, holds the office of Rector.

The *Collegiate Department* is the Seminary as it was till 1852, and is under the control of a board composed of a Superior and at least four Directors. It is divided into two parts, called the *Grand* and the *Minor Seminary*.

REGISTRATION OF LETTERS.

Persons transmitting letters which they desire should pass through the post as "Registered Letters," must observe that no record is taken of any letter unless specially handed in for registration at the time of posting. Upon all such letters, with the exception of those addressed to the United States, 1 penny must be prepaid as a registration charge. If addressed to the United States the ordinary postage rate on the letter to that country *must be prepaid*, and in addition a registration charge of 5 cents per letter. The registry thus effected in Canada is carried on by the United States post office, until the letter arrives at its destination.

In like manner letters addressed to Canada may be registered at the place of posting in the United States, and the registry made there will accompany the letter to the place of delivery in Canada.

A Certificate of Registration will be given by a Postmaster if required.

It must be distinctly understood by parties who avail themselves of the privilege of registration, that such registration, with the certificate and receipt, are merely intended to afford the means of tracing the course of such letters through the post, and of ascertaining their delivery at destination, and will not be held to imply any liability on the part of the Postal department to make good any loss, or alleged losses, arising from the miscarriage of any such letter or its contents.
