## THE FIRST N. S. SCHOONER RACE

Successful Regattas Held at Digby Several Years Ago

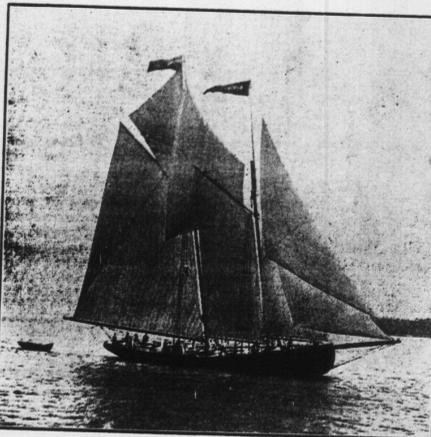

The whole province, including inland towns, were interested in the great race sailed by Lunenburg fishing schooners off Halifax and now the whole world is interested in the great international race between Gloucester, Mass., and Lunenburg, N. S. Perhaps just at this time it would be of interest to refer to the first big fishing schooner race ever sailed in Nova Scotia waters between modern bowsprit vessels. This was off Digby in August 1912 the contestants being the schr Albert J. Lutz, under command of the late John Dorothy M. Smart, under command of Capt Harry Ross, now skipper of the

and power crafts and also many yachtsmen. Several New York steam yachts, Royal Kennebecasis sailing yachts and many smaller boats belonging to the St. John Power Boat Club, were either at anchor in the harbor or followed the vessels around the course.

These annual regattas did much to advertise Digby as a summer resort, special writers being sent from all the leading yachting magazines and American and Canadian newspapers, all of whom were royally entertained by Digby's mayor and town council and her leading citizens.

Strange to say the various summer hotel proprietors at that time did not manifest any particular interest in these races or give the regattas financial support.

Since 1917 there has been very little pleasure boating on Digby Basin and the Nova Scotia Yacht Club have closed their club house and sold their land privileges to the Town of Digby, which operates it during the tourist season as a public slip

Schr. ALBERT J. LUTZ

One of the vessels which took part in the Fishermen's Regatta at Digby.

Gloucester fishing schr Morning Star, where commercial and fishing boats find a convenient landing place. These vessels were built in Shelburne, the former for a Digby Halifax syndicate, of which Albert J. Lutz, of Moncton, N. B., was the largest owner and the other for the Maritime Fish Corporation, of Montreal. The Albert J. Lutz was built in 1908, was 90 feet long, 23 beam, 9.8 deep and registered 95 tons. She was purchased by the government during the late war, was afterwards sold to Newfoundland parties, and later capsized and foundered off the Newfoundland coast.

The Dorothy M. Smart was built in Shelburne in 1910. She is 90 feet long, 23 beam, 9.9 deep and registers 93 tons. She is still being operated by her same owners and is in charge of Capt Ansel Snow, arriving at her home port last Monday with 105,000 pounds of fresh fish which were purchased by her owners. These vessels were very evenly matched. The course was a run to leeward from a line off the government pier passing between the light house and the power yacht Oakesella, flagship of the Western Nova Scotia Yacht Club, under the rules of which the race was sailed. The course was a 12 miles run to leeward of Goat Island, turning a special racing buoy and a dead bent to windward coming home in a south west breeze in which the vessels carried all sail at times and scuppers considerably under water. The race was promoted by Mr. A. H. Brittain, of Montreal, general manager of the Maritime Fish Corporation, who donated a silver trophy for the occasion. The committee in charge was Mr. H. B. Short, manager of the Digby branch, and the late Capt Howard Anderson, of the company's Digby superintendent, and Commodore O. S. Dunham, of the Western Nova Scotia Yacht Club, the latter being chairman of the sailing committee.

The following year, 1913, the race was again sailed by the same vessels over the same course, under similar weather conditions, and was watched with great interest by His Royal Highness, the Duke of Connaught, the Governor General of Canada, who arrived by special train, boarded H. M. S. Earl Gray at Digby and after the races were over, sailed for St. John.

This race attracted hundreds of fishermen, who arrived in various

## REBEKAH LODGE AT BEAR RIVER

Elta No. 82, Instituted by President Barbara McKenzie Monday Evening.

An important event in the history of Oddfellowship took place in Bear River Monday evening, when Miss Barbara McKenzie, of Westville, N. S., president of the Rebekah Assembly, assisted by Mrs. J. W. Peters, of Bridgetown, Past President, J. A. Craig, Yarmouth, Past Grand Master and others, instituted Elta Rebekah Lodge No. 82. The degree was conferred by the members of the degree staff of Autumn Leaf Rebekah Lodge, of Bridgetown, the work said to have been the best ever witnessed in the Maritime provinces.

The following are the officers of the new lodge:

Mrs. Warren Wright, N. G.  
Miss Elizabeth Morris, V. G.  
Miss Mildred R. Harris, R. S.  
Miss Ruth Adams, F. S.  
Mrs. Jesse Harris Treas  
Mrs. Clarence Adams, Warden  
Mrs. W. P. Britton, Con.  
Mrs. Fred Jones, Chap.  
Mrs. Fred Chalmers, R. S. N. G.  
Mrs. Fred Harris, L. S. N. G.  
Miss Anna Marshall, R. S. V. G.  
Miss Blanch Gilson, L. S. V. G.  
Miss Viola Wright, I. G.  
Mrs. Fred Chalmers, O. G.

The new lodge starts with a membership of 69.

After installation a sumptuous luncheon was served and enjoyed by the large number present from Bridgetown, Granville Ferry, Annapolis, Digby and elsewhere.

Past Grand Master Craig presented the new lodge with a set of gavel and a substantial cash gift.

An odd coincidence, Mr. Warren Wright was the first Noble Grand of the Oddfellows' Lodge in Bear River and Mr. Chalmers, Right Supporter of the Noble Grand, and their wives now occupy the same positions in the new Rebekah Lodge. The visitors from Bridgetown, which filled seven autos, arrived home at three o'clock yesterday morning.

## DROWNED AT SEA

Arch Small, of East Ferry, Knocked Overboard by Boom.

A special despatch to the Bridgetown MONITOR states that while on a voyage from Gloucester, Mass., to Tiverton, N. S., that Arch Small son of F. B. Small, of East Ferry, was struck by the boom and knocked overboard from the schr Enid Hazel, commanded by Capt Calvin Stevens, of Freeport. This vessel is owned by the Frank E. Davis Co., proprietors of the big fish factory at Freeport. Small leaves a wife and one child at Tiverton. His widow is a daughter of the late Simonson Outhouse, who was drowned about eighteen years ago. Very little particulars are available. There were only two people on board the Enid Hazel when the accident happened and Stevens experienced considerable difficulty in bringing the vessel to a place of safety alone. The deceased was a very popular young man had a large circle of friends in his native village and elsewhere.

OF INTEREST
TO WOMEN

This is a Short Letter, But It
Proves the Reliability of
Lydia E. Pinkham's Vege-
table Compound.

Bothwell, Ont.—"I was weak and
run down, had no appetite and was
nervous. The nurse who
took care of me told
me to try Lydia E.
Pinkham's Vege-
table Compound,
and now I am get-
ting strong. I recom-
mend your medicine
to my friends, and
you may use my
testimonial."—Mrs.
W. J. Brady, R. R. 2,
Bothwell, Ont.

The reason why
Lydia E. Pinkham's Vegetable
Compound is so successful in overcoming
woman's ills is because it contains the
tonic, strengthening properties of good
old-fashioned roots and herbs, which
act on the female organism. Women
from all parts of the country are con-
tinually testifying to its strengthening,
curative influence, and as it contains no
narcotics or harmful drugs it is a safe
medicine for women.

If you want special advice write
Lydia E. Pinkham Medicine Co. (con-
fidential), Lynn, Mass. Your letter
will be opened, read, and answered by
women only.

A REAL LIVE
TESTIMONIAL

Given to Professor B. S. Hamilton of
Hampton, N. S.

Paradise, Oct 4th, 1920

It gives me real pleasure to be able
to add my testimony with others.

Three years ago I was stricken
down with paralysis. The Doctors
gave me up, said there was no
help for me, no earthly aid could
save me. I had six shocks in one
day. For over two years I could not
stand on my feet. It seemed a living
death. This last Spring I began to
fall again. I felt myself falling every
day. Seeing in the papers the won-
derful things Professor Hamilton
was doing for the sick and suffering
I thought if he could help others he
could help me.

After taking his treatments for
four months I am home again feeling
like a new woman. Although still
weak in my limbs, I can take quite
long walks without tiring me. I can
truly say he saved my life, for I
was in very poor health when I was
left in his care.

Words cannot express the thank-
fulness of my heart for what he has
done for me.

Besides being a wonderful Doctor
he is a good friend to the poor,
speaking kind words to the sick and
giving good advice to the young.

I cannot praise his treatments too
highly or speak too kindly of him.
Gratefully, your true friend.

MRS. DAVID JODRIE

Capt Edward Keans, of Port Wade, master of the first auxiliary fishing schooner ever sailed out of Digby who spent many years a member of the Digby fleet, has been selected to sail on the Lunenburg schooner, Delawana, in the great international race.

LETTER FROM HOME

Mrs. Louisa T. Stoen, of Wakefield, Mass., writes as follows: Enclosed please find \$2.00 for renewing subscription to MONITOR for 1921.

ANOTHER FREAK

Last week we were presented with three apples growing from the one stem. This week Mr. L. B. Potter, of Topperville called our attention to twin pumpkins both of medium size.

Local Happenings

Mr. Robt H. Palmer, of Beaconsfield, was successful in shooting a deer last Friday, the first one of the season in this vicinity.

The enterprising lady proprietors have changed the Windsor Tribune from a four to an eight page paper.

The Third Degree will be conferred on a candidate in Crescent Lodge I. O. O. F. to-morrow (Thursday) evening at which a full attendance is especially requested.

A miscellaneous shower was held at the home of Mr. and Mrs. Nelson Barnes, Monday evening for their daughter Ida who takes part in an important event today.

At the executor's sale of the late Eliza DeWitt property on Jefferson street, the single cottage was purchased by Mr. C. F. DeWitt and the double by Mr. E. A. Hicks.

Sea Breeze House, Deep Brook, closed Oct 9th, after a very successful tourist season of over three months.

This popular summer resort has already booked a number of this year's guests who expect to return again next year.

Annapolis Spectorator: The season for the sale of moose meat ended this week. One of the nicest animals obtained was that taken on Tuesday morning, Oct 18, by A. B. Herbert.

The members of the various Committees appointed in connection with the "Referendum" (men and women) are asked to meet in the vestry of the Methodist Church this (Wednesday) evening at 9 o'clock.

The man who takes a Montreal weekly and then wants to sell his potatoes to the editor of the local paper, who does not support, is only exceeded in nerve by the person who brings in a free church local on Tuesday when he knows that the editor will not accept it after Monday noon.

There was so little interest taken in Monday's election that it was impossible to get the complete Annapolis County returns Monday night.

At the provincial election the MONITOR had the results of every poll at 6:30 p. m., West Clements and Maitland were not heard from until a late hour yesterday morning.

Donald MacKay, the premier clipper ship designer of all time, was a native of Nova Scotia. He was born on the South Shore of our Province, the son of poor Highland immigrant folk, who had come to this country from County Ross, in Scotland.

Despite his humble origin, Donald MacKay, through industry and native genius, attained to a position of highest distinction.

Today his bust may be seen at the Louvre in Paris, alongside of that of Raphael and of Michael Angelo.

Michael Angelo did in canvas, what Michael Angelo did in marble, Donald MacKay did in yards and spars. He was a wizard and a dreamer, who knew how to make his dreams come true.

The soul of an artist never conceived anything finer than the "Lightning" or the "Sovereign of the Sea".

To gaze upon the mere picture of one of his wondrous ships is still an inspiration, but to know them indeed was to view one of his clippers with skysails and moon sails faring forth, like an Archangel of the tempest.

Donald MacKay's greatest achievement was the "Lightning" the fastest ship that ever sailed the seas. She holds the record for a Cape Horn voyage, completed in eighty nine days.

On her fastest day of that voyage, she averaged 18 knots per hour, her total days run being 434 miles. During one hour of that day she logged 21 knots, a speed never before or since equalled by sailing craft.

Let us honor the memory of this great NOVA SCOTIAN, in the way he would approve, by contributing something to the Racing Fund, a fund which has for its purpose a revival of the proud position and prestige held in the old days by the fleet bottoms of Nova Scotia, on the waters of the deep, in every quarter of the Globe.

CONTRIBUTE TO NOVA SCOTIA'S GREAT EPIC OF THE SEA

Less than two weeks two ships swifter than those fabled craft of the Aegean, will spread their silver sails and race "to the seas rim drawn", at the mouth of the Halifax Harbor in a contest between the "Esperanto", of the Gloucester fishing fleet, flying the Stars and Stripes and the "Delawana", of the Lunenburg fleet, proudly carrying the Union Jack--a contest whose story will be told in the foc'sles mid the mist and murk of the Grand Banks for a hundred years.

International in character it is a race which will overshadow in world interest the struggle of the fair weather craft of Sandy Hook for America's Cup. Full blooded Nova Scotians have pledged themselves to raise the necessary funds to carry out the project. The winner takes \$5,000 and a silver cup donated by The Halifax Herald and The Evening Mail. From coast and inland town comes the cheering message: "Thus for the good of the people "Thus for the pride of the race"

Send your contributions, any sum from one dollar up, to R. A. CORBETT, in care of G. S. Campbell & Co., Halifax. Send along your cheque.

LOCAL DEATH ROLL

HENRY ALBERT NICHOLS After several months' illness the death of Henry Albert Nichols occurred at his home on South St., Bridgetown, Tuesday noon, October 19th. The deceased was a son of the late Mr. and Mrs. Stephen Nichols, of Rosway, Digby County. Mr. Nichols, who had reached the age of 75 years and three months, was brought up on a farm but followed the sea for 11 years, visiting many parts of the world. After moving to Bridgetown he was employed for a long time by J. H. Hicks & Sons. He was well known throughout the Annapolis Valley and Western Counties having visited nearly every village in the interest of the organ business. He leaves a devoted wife, two sons, G. Elburn, of 111 Cedar St., Halifax, now at home; Theron Ouber Nichols, of Foxboro, Mass., and one daughter, Mrs. E. J. Daniels, of Lawrence town. He is also survived by two brothers, William Nichols, of Rosway, and Charles Nichols, of Smith's Cove, and one sister, Mrs. James O'Leary, of Coal Mines, Queen's County, N. B. The funeral was held from his late home Thursday afternoon, with interment in Pine Grove cemetery, Middleton, the services being conducted by Rev. M. S. Richardson, pastor of the Bridgetown Baptist Church and was largely attended. Ten days from the date that Mr. G. Elburn Nichols buried his brother in law he attended his father's funeral. The MONITOR extends its deepest sympathy to the bereaved ones. MRS. HENSHAW'S FUNERAL The funeral of the late Mrs. Herbert Henshaw, whose death was announced in our last issue took place from her late home in Wolfville last Thursday morning attended by all the leading residents of that town. Rev. Dr. MacDonald, pastor of the Wolfville Baptist church conducted the service and a quartette composed of Messrs Bishop, Rand, Angus and Stackhouse sang "Nearer My God To Thee". The remains were conveyed to the west bound D. A. R. express and forwarded to Perth County, N. B., accompanied by her grief stricken husband, Commodore H. A. Henshaw, her aged mother, Mrs. Georgianna Lovely, and her sister Mrs. A. Ganter, both of Perth. She is survived by another sister, Mrs. Jack Weaver, of Medicine Hat. Interment took place Sunday afternoon, October 24th, the service at the grave being also conducted by Rev. Dr. MacDonald, of Wolfville, who made the trip especially for that purpose. The floral tributes were beautiful. In referring to her death, the Wolfville Acadian says: "The passing of Mrs. Henshaw is a distinct loss to the community, possessing as she did an attractive personality combined with exceptional gifts of mind. She was widely travelled, both at home and abroad, well read, keen and alertly intelligent."

Whitfield Daniels, of Williamston which took place Sunday evening, Oct 17th, at eleven o'clock. After a short illness of three weeks. Also a sufferer from asthma for thirty years, which was borne with patience and fortitude. While not an active church worker, he lived a quiet, consistent life, was a member of the Nictaux Baptist Church under the Pastorate of the late Willard Parker. He was in his seventy fifth year and leaves to mourn their loss a wife, one daughter, Mrs. Ross Bishop, Bridgetown; and five sons: Charles M., of Waltham; Maurice L., Roxbury, Mass; Robert E., Belmont; Frank A., Berwick, Kings Co., and Enos I. at home. Also one brother and two sisters. The funeral was held on Wednesday from his late home, conducted by Rev. H. T. Jones, pastor of the Lawrence town Church. Interment in Fair View Cemetery. MRS. EVELYN A. WOODWORTH Mrs. Evelyn Annie Woodworth, for over fifty years a resident of Rosway, died last week at the advanced age of 84 years and 7 months. She was a daughter of the late John Balcom, of Bear River, and her mother's maiden name was Miss Morse, of Aylesford. The funeral took place on Wednesday. OCTOBER WEDDINGS

WHEELLOCK-SANDERSON A very pretty wedding took place at the residence of Mr. and Mrs. Fred E. Bath, Church St., at 10 o'clock Wednesday morning when Mr. Noble Charlton Wheellock, second son of Mr. Arthur Wheellock was united in marriage to Florence Lorine Sanderson, niece of Mrs. Bath and daughter of Mr. and Mrs. Spencer Sanderson, of Steviacke, N. S. Rev. George T. Bryant, pastor of Providence Methodist Church, Bridgetown, performed the ceremony in the presence of relatives of the contracting parties. The bride was prettily attired in a travelling suit of navy blue silk and picture hat of tawny velvet and carried a bouquet of American Beauty roses, chrysanthemums and maiden hair fern. She was attended by two little pages, Harry E. Bath, cousin of the bride and Edward Wheellock, brother of the groom. The parlor was beautifully decorated for the occasion, the bridal party standing under an arch and bell of evergreens, and pink and white roses. The bride was given away by her uncle, Mr. F. E. Bath, Registrar of Deeds for the county of Annapolis, the wedding march being played by Miss M. D. Robb, of Halifax. Following the ceremony a buffet luncheon was served after which Mr. and Mrs. Wheellock left by auto for the bride's former home in Steviacke. After spending a couple of weeks in the province they will leave via C. P. R. for Ashmont, Alta., where they will in future reside. The bride was one of Bridgetown's most popular young ladies having resided here thirteen years, and a Deputy Registrar of Deeds for nine years. The groom's gift to the bride was a check and to the pianist gold. Other presents from the family consisted of checks totalling nearly a thousand dollars, in which the bride for several years was a valued teacher, an ivory jewel case, crumb tray and brush; from other friends, cut glass, silver, china, linen, etc. A number of these were presented at a shower held at Mrs. Bath's the previous Wednesday evening, by the ladies of the Methodist church. Among the out of town guests were the bride's mother and Mr. Andrew H. Sanderson, of Steviacke, brother of the bride. EISENER-HEIGHT A quiet home wedding took place at the residence of Mr. and Mrs. C. Watson Height, of Plympton, on Wednesday morning, when their youngest daughter, Agnes Marion a valued member of H. T. Warner's office staff, became the bride of Rev. E. H. Copeland, of Weymouth, officiated, and the double ring service was used. The bride was gowned in her travelling suit of blue serge with hat to match. The happy couple came to Digby at once and left on the steamer for St. John. They will reside in Digby. **Potato Situation in the Annapolis Valley**

It is not with the intention of adversely criticizing the Farmer that the following suggestions are offered.

Supporting the greater production campaign of the early spring months the Farmer finds himself with bumper crop of potatoes and a keenly competitive market. Reports from all sources indicate a world's supply, hence much care must be exercised in storing and packing to hold our own in competition. Prices in Cuba our principal market are good at present, but until the early Virginia and Carolina crops are cleared up we must ship only what surplus the market will absorb or break the prices with a temporary glut. This is in keen contrast with last year when the market were seeking the Grower.

The Fruit Companies and local Speculators have forced an association to study the markets and only place cargoes of potatoes where they can be absorbed without causing drop in prices. This is a step in the right direction. There is another question of grave importance that must be taken into consideration: It is the question of pack. It is worse than folly to barrel and ship decayed potatoes. We may rest assured such a course eventually puts the burden on the grower.

This year considerable rot has developed in unsprayed potatoes in Digby, Annapolis and parts of Kings County. Even sprayed potatoes although showing much larger yields, are in some cases showing occasional rot. In view of this, potatoes showing any signs of rot should be picked and repicked to insure none going into storage having signs of decay.

Potato fields showing rot or digging should be repicked after being in storage a short time; if much rot then shows they should be picked over a second time.

Only a few days ago the writer happened to pass a field where hundreds of barrels of newly dug potatoes were standing, each barrel covered with the tops of the newly dug tubers.

It is a well known fact that the rot in potatoes develops from a fungus the spores from which come from diseased tops. There is no better way of insuring that all the potatoes will rot than covering the open barrels with potato tops. Under no condition should potato tops be used to cover open barrels of potatoes.

Until the extent of the rot is determined the movement to purchase will be very cautious on part of speculators.

**ROBBED AND LEFT TO DIE**

**James Young, of Bloomfield, Died Under Suspicious Circumstances**

(Salem, Mass., News)

IPSWICH, Oct. 13.—The death yesterday morning at 9, at a stable on Topsfield road, of James Young under suspicious circumstances, is causing an investigation of the affair to be made by the police department. Acting under instructions from the district attorney, an autopsy was performed yesterday afternoon by Medical Examiner G. G. Bailey associated by Drs. Ames, McGinley MacArthur and Mansfield, and the findings of the medical examine were forwarded to the district attorney's office.

At 6:30 yesterday morning, Edward Cooper, who has resided here but short time, went to the stable to care for a horse that he kept there. As he entered the stable, he saw Young lying on the floor in a dying condition. According to the story told by Cooper to the police Young claimed that someone had struck him, and had robbed him of his watch. Young was in a serious condition, and died without being able to give any further information as to the cause of his injuries. As Cooper was the first man to enter the stable he was held by the police pending a complete investigation.

The police are working on the theory that Young was not the only man who slept in the stable on Monday night and that he was either the victim of a drunken attack, with robbery as a possible motive or that he might have fallen or been pushed from a hay loft, suffering injury that resulted in death. It was believed that at least four other persons spent the night in the stable with him and the police were busy yesterday endeavoring to ascertain the whereabouts of these other parties.

The deceased was born at Bloomfield, Digby County, N. S. Oct. 12th, 1852 and was the son of Michael and Helen Young. He was a single man and had resided in Ipswich for about 28 years. He was a man of very quiet disposition and a man who never sought or made any trouble. He leaves five brothers, John Young, of Bloomfield, N. S., George Young of Beverly, Alfred Young, of Dover, N. H., and Michael and Ambrose Young of this town. He also leaves one sister, Mrs. Margaret Comeau, of Bloomfield, N. S.

**His Son is Like A Different Boy**

**Farmer Says Way Tanlac Has Brought His Child Out is Simply Wonderful**

"My son is like a different boy since he began taking Tanlac, and I feel like I ought to let everybody know how the medicine has brought him out," said William Perrin, well known farmer at Clarendon, Queen's County, N. B.

"My boy had been in a badly run down condition for some time. There was no color in his face and he looked so unhealthy that we feared he was going into consumption. He had so little appetite that nothing would tempt him to eat and he used to sit down to the table and just nibble at his food. His nerves were in such a terrible state he would toss about for hours at night, unable to sleep.

"When we saw by the people how Tanlac was helping others we decided to let him try it and after the first bottle we could see a big difference in him. He began to eat much better and to take an interest in things. The color came back into his cheeks and he now has a good healthy appearance. He must have gained a good many pounds in weight for he looks much stouter and is so strong that he can do a man's work without getting tired. He sleeps well at night and gets up in the mornings as happy as a lark. Honestly, you wouldn't know him for the same boy that he was three months ago, and his wonderful improvement is entirely due to Tanlac."

Tanlac is sold in Bridgetown by S. N. Wear in Middleton by Clifford A. Mumford and in Bear River by L. V. Harris.

**The First N. S. Egg Laying Contest**

**Report of Contest, Prize Winners at The Poultry Department, Agricultural College, Truro, N. S.**

This Contest started with 150 hens on November 1st, 1919. There were thirty entries of 5 birds to each entry. The duration of the Contest was for 48 weeks or for 12 periods of four weeks to each period. The health of the birds has been excellent. Four birds died during the period of laying.

**FEEDING**

The feeding of the birds was not in any way unusual. The morning and evening feed was wheat in litter and during the cold winter equal parts of wheat and corn was used. During the fall and winter dry feed in hoppers was supplied. This dry feed consisted of equal parts by weight of bran, middlings, cornmeal, gluten meal, ground oats and meat scraps. At noon each day a feed of boiled vegetables dried down with bran and middlings was fed to the hens. Not any more than they would consume in ten minutes was given to them of this moist mash. Water was supplied for drinking at all times. Grit and Oyster Shells were kept before them.

**HOUSING**

The birds were kept in double colony houses. Two pens to each house 12 x 12 with open front. The pens were not put down except on very stormy days. No frost or dampness was to be observed on the inside of the houses at any time.

**THE BREEDS**

There were six pens of White Wyandottes, six pens of Rhode Island Reds, five pens of White Leghorns, five pens of Barred Plymouth Rocks, two pens of Anconas one each of Rhode Island Whites, Buff Leghorns, Buc Orpingtons, Single Comb Brown Leghorns and Rose Comb Brown Leghorns.

**THE NUMBER OF EGGS LAID**

The number of eggs laid by the 150 hens was 22881 or an average of 152.54 each for 12 months.

The prize winners are as follows:

1st. pen 27 John Retson, Truro, N. S. Rhode Island Reds 967 eggs \$20.00

2nd. pen 25 C. B. McMullen, Truro, N. S. S. C. Rhode Island Reds 917 eggs \$18.00

3rd. pen 15 Nat Doherty, Halifax Barred Plymouth Rocks 915 eggs \$16

4th. pen No 13 Frank E. Jackson, North Sydney, N. S. Barred Plymouth Rocks, 906 eggs \$14.00.

5th. pen 29 Robert H. Evans, Trenton, N. S. S. C. White Leghorns 872 eggs \$11.00.

6th. pen 2 John R. McDonald, Glace Bay, N. S. S. C. White Leghorn, 864 eggs \$8.00.

7th. pen 15 W. J. McKinnon, Truro, N. S. Anconas, 861 eggs \$5.00

8th. pen 30 W. A. Warren, Bridgetown, N. S. Barred Plymouth Rocks, 825 eggs \$4.00

9th. pen 24 A. A. Sutherland, Westville, N. S. Rhode Island Reds, 812 eggs \$3.00

10th. pen 28 W. H. Henry, Shubenacadie, S. C. Rhode Island Reds, 809 eggs \$1.00

**HENS**

1st. hen 121 owned by C. B. McMullen, Truro, N. S. S. C. Rhode Island Red, 254 eggs \$10.00

2nd. hen 90 owned by Nat Doherty, Halifax, N. S. Barred Plymouth Rock, 241 eggs \$9.00

3rd. hen 132 owned by John Retson, Truro, N. S. R. C. Rhode Island Red, 222 eggs \$8.00

4th. hen 135 owned by John Retson, Truro, N. S. R. C. Rhode Island Red, 229 eggs \$7.00

5th. hen 30 owned by Robert M. Reid, New Glasgow, N. S. White Wyandotte, 217 eggs \$5.00

6th. hen 111 owned by H. H. Hall, Glace Bay, N. S., Anconas, 210 eggs \$4.00

7th. hen 60 owned by E. C. Griffin, Port Williams, N. S. Rhode Island Red, 209 eggs \$3.00

8th. hen 13 owned by John R. McMullen, Truro, N. S. Barred Plymouth Rock, 199 eggs \$2.00

9th. hen 24 owned by J. W. Williams, Wolfville, N. S., White Wyandotte, 197 eggs \$1.00

10th. hen 86 owned by Nat Doherty, Halifax, N. S. Barred Plymouth Rock, 197 eggs \$1.00

A number of pens in the Contest laid more eggs than some of the prize winners but owing to the Canadian Egg Standard of 2 ounces per egg which these birds did not obtain in weight of eggs, were therefore disqualified. The Poultry Department has been encouraged to continue this work and a second contest to begin November 1st of this year is now under way.

**DRAWING ON YOUR RESERVE STRENGTH**

**This is What Thousands of People Throughout the Country are Doing**

Thousands of Canadian housewives are working from day to day on their nerve. They are daily drawing more and more on their reserve strength, knowing full well that they are using up that vital force which often means life or death in the crisis of disease. They are the victims of a feeling of hopeless exhaustion after the performance of even the smallest tasks which were once the simplest and easiest parts of the day's work. They find the appetite falling, sleep is disturbed and always feel tired and depressed. In this condition a blood building tonic is needed to restore health and activity, and for this purpose Dr. Williams' Pink Pills are unsurpassed. Often the trouble will have progressed to a point which makes full recovery slow, but the treatment should be persisted in and renewed health and activity will be the result.

The case of Mrs. W. Schooley, R. R. No 2, Tilsonburg, Ont. well illustrates the value of Dr. Williams' Pink Pills in cases of health breakdown, through weak, watery blood. Mrs. Schooley says: "For upwards of five years I felt my strength declining until at last I could not do light chores around the place. Then a doctor was called in, and after dosing for about a month he said that only an operation would help me. I did not feel like going through this, and decided that in any event I would wait a while I had no appetite, often had headaches accompanied by dizzy spells; several times I had fainting spells, and my legs would swell, and I could not even sweep a floor without resting several times. Again a doctor was called in and he said the trouble was general debility and nervous breakdown. The treatment, however, did not help me, and then one evening as my husband was reading the paper, he came across a case in many respects similar to mine, cured through the use of Dr. Williams' Pink Pills. The next day he got me a supply of the Pills, and to their continued faithful use for several months I owe my present splendid health. I may say that soon after beginning the use of the pills I felt a gradual improvement in my condition, my appetite improved, I began to feel rested after a night's sleep and I gained in weight. My friends were continually expressing surprise at my improved condition, as it was generally believed I had become a chronic invalid. I always take a delight in telling them that Dr. Williams' Pink Pills are responsible for my present good health, and as they have been a real blessing to me I shall always continue to praise them."

If you are suffering from any condition due to poor, watery blood, or weak nerves, begin taking Dr. Williams' Pink Pills now, and note how your strength and health will improve. You can get these pills through any dealer in medicine, or they will be sent by mail post paid, at 50 cents a box or six boxes for \$2.50 by The Dr. Williams' Medicine Co., Brockville, Ont.

**PROTEST FROM THE INTERNATIONAL BIBLE STUDENTS**

J. F. Rutherford, president of the International Bible Students Association, has written a protest to the department of Labor at Ottawa regarding a printed statement of the National Bible Students. The protest is as follows:

"Quite to the contrary of the statement, our Association founded in 1841 for the promotion of Christian knowledge, orally and by printed pages, and all of our activities have been directed toward those ends. Neither our members, nor the individual members of it, are in favor of any such thing. Further than that, this Association is in unanimous opposition to the statement in all forms, as abundantly attested by our fellow workmen, and fellow members of its members."

"Your statement that we are 'spreading socialistic propaganda' and that we are 'wittingly misusing many honest intentioned citizens' 'disguises' under which our members are 'cloaked' are too grossly palpably false to be overlong. Either you have been misled in issuing this portion of your paper through dense ignorance of the facts (in which case both writer and publishers are guilty of gross negligence) or you have deliberately and wickedly perverted the truth respecting a purely religious organization. In either case the libelous perversion of facts is the same. 'Rather than assume that public officials of a great Dominion would purposely lend themselves to such activities so base, we prefer to believe that you have been misled in your operation with the efforts of an evident scheme of a maddest effort to persecute loyal citizens because they are 'non-conformist' non-secularists. Clerics and other hangers on have long opposed religious activities; not willing rely upon the Word of God for the establishment of their doctrine and practices. But seeking misrepresentation to arouse opinion and to call in the power against us."

"We believe in the kingdom of Christ as the divinely appointed means for adjusting all our difficulties and for the fulfillment every human need. Evermore has prayed Our Lord's Prayer, leaves in it; or else is a hypocrite. We believe that Jehovah will establish his own power in his own time, but not by violence of part or on the part of any of his faithful followers, anywhere. We do not expect that you will employ means as are at your disposal to rectify the libelous statements we have made against us."

"Yes, sir," replied the lad. "I been watching it for ten minutes."

Upon the boy's face there appeared a smile of perfect bliss.

"A real poet without a doubt, do you watch the sunset over the boy?"

The schooner Happy Home, Captain Burnham, from North Head for Annapolis, was in Digby on Monday with engine trouble.

The large auxiliary five masted schooner Calamiris, which put into Westport several weeks ago leaking, with engine trouble is still at port. Arrangements are being made to take her to St. John, and it is expected she will be towed to that port early next week.

The sloop Alton, Captain Danforth, arrived in Yarmouth Wednesday from Digby via Meteghan and Port Maitland and is on her way to West Pubnico, for which place she sailed and where she will go into winter quarters. Captain Danforth reports a very successful season, and altho the Alton is now nineteen years old, she proves as popular with the tourist public of Digby as she did when first put into commission, notwithstanding the many motor pleasure boats that are now in use. Her commander also has a wealth of souvenirs and most interesting records that has accumulated during the many years he has sailed the pretty sloop, all of which he cherishes very highly. As soon as the Alton is hauled out and covered for the winter, Captain and Mrs. Danforth will leave to spend the winter at their home in Brockton, Mass.

### DISTRESS IN EUROPE

British Empire Effort to Help Smaller Nations.

Canadian Red Cross to Organize Appeal on Behalf of Orphans—Call to Be Made in Armistice Week.

An urgent appeal for aid to combat the widespread disease and distress in the war-stricken areas in Europe has been made by the League of Red Cross Societies to the nations which have suffered least from the war. In response a War Relief Fund has been undertaken in Great Britain with an Empire-wide appeal for contributions. The fund is under the immediate patronage of His Majesty the King and has the support of all parts of the Empire.

His Excellency, the Governor-General of Canada, having received communications from London upon this matter, consulted the Prime Minister, and with his approval referred the question to the Canadian Red Cross Society, and it was arranged for an appeal to be made in Canada during Armistice week in November. The fund will be known as "The British Empire War Relief Fund."

To Make Known the Need. The Canadian Red Cross Society accepted the task of making this appeal known throughout Canada only in view of the relentless circumstances and the human desire to help to alleviate the terrible suffering of a large number of peoples. The reasons are numerous and compelling. Large populations are suffering from distress and disease. Millions of innocent children are among them. Even in time of peace great numbers of the people live close to the bread line. The war drained them of all their surplus resources.

Through the years of strife they were denied all but the bare necessities, and their condition now is pitiful indeed. History has repeated itself. The diseases which took such fearful toll of human life after the Thirty Years' War, the Seven Years' War (1757-65), and the Napoleonic Wars are again widespread, and now there are millions of people in Galicia, Poland, Jugo-Slavia and Roumania who, in addition to being poverty-stricken, are in direct misery and despair on account of disease. In some twelve countries, most of which were either our Allies or friendly to the Allied cause, modern civilization is faced with the inevitable consequences of a great war through partial famine and pestilence.

A Previous Epidemic. That the epidemic is now one of alarming proportions and terrible in its effect may be noted from the following quotation from "The Times": "The worst results of typhus are confined to Galicia, where the schools are closed, business is at a standstill, and civic life is crippled. The whole community is faced with starvation, whilst the absence of clothing and drugs makes it impossible for the authorities to make any headway against the epidemic. Here we have a country into which the idea of modern sanitation has never penetrated; for the most part there is no water supply in the smaller towns and villages save wells, whilst the work of sewers is done by open gutters running through the streets. There are no doctors, no nurses, and no beds, and the miserable typhus-stricken patients lie unattended on the bare floor. Throughout the rural districts whole families exist in miserable one-roomed huts, their diet consisting of starvation rations of potatoes and beet, both bread and meat being luxuries rarely seen. In almost every hut there are several cases of typhus and in many instances whole families are stricken with the disease, and are perforce left to die unattended."

Many Countries Are Suffering. What is said of Galicia is true of other countries of Europe, such as Estonia, Lithuania, Latvia, huge territories of the Ukraine, Soviet Russia, Jugo-Slavia and Czechoslovakia. Nor is typhus the only affliction. Tuberculosis, smallpox, dysentery and relapsing fever are also ravaging large areas.

Lack of Medical Aid. These terrible conditions have been called to the attention of the people of the British Empire in a statement by the Right Hon. Arthur J. Balfour, who, speaking for the Council of the League of Nations, says: "Men, women and children are dying by thousands, and over vast and civilized areas there are neither medical appliances nor medical skill, sufficient to cope with the horrors by which we are faced. Governments have in certain cases done all in their power to bring relief, but there remains a vast field for charitable enterprise which has not been dealt with only by voluntary effort."

Eleven Million Orphans. Dr. Livingstone Farrand, chairman of the Central Committee of the American Red Cross, who has just returned from Europe, states that there are 11,000,000 fatherless children in Europe who face the next few years without hope of adequate care unless outside assistance is given.

For Suffering Children. No stronger call could be made to humanity than that of suffering children, and on their behalf particularly the Canadian Red Cross will appeal throughout Canada during Armistice week. Each provincial division of the Red Cross will have charge of the arrangements in its own province, and all Red Cross workers should put themselves into touch immediately with their local branch or with the Headquarters of the Provincial Division if no local branch is organized.

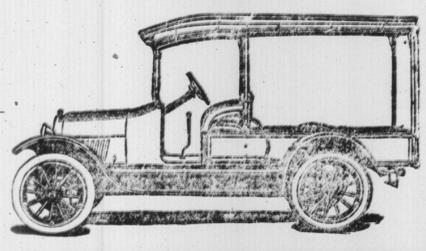

Middleton Outlook: Mrs. James Freeman, of Milton, Queens Co., went to Wolfville on Friday after spending several days the guest of her niece, Mrs. G. F. Freeman.

Fletcher's Castoria is strictly a remedy for Infants and Children. Foods are specially prepared for babies. A baby's medicine is even more essential for baby. Remedies primarily prepared for grown-ups are not interchangeable. It was the need of a remedy for the common ailments of Infants and Children that brought Castoria before the public after years of research, and no claim has been made for it that its use for over 30 years has not proven.

### What is CASTORIA?

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. # OCTOBER!

and not a bit too soon, to be planning for, and having your Christmas Photographs taken.

Like most things nowadays, Photography has been keenly effected by the rising cost of materials. But we have made a careful selection of the new styles, and are offering you, we believe, the best yet.

The prices range from \$10 per dozen for the best grade cabinet pictures to \$4.50 and \$5 for the smaller ones together with the required 2% Government tax. What else could you get for the money that would go so far or give your friends so much pleasure as your Photograph?

We invite your inspection and would urge again. Please come early.
