The copy filmed here has been reproduced thanks to the generosity of:

Library of the Public
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▽ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▽ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

CONDITIONS.

1.—Articles at the rates named in this Tariff, will be taken by the Freight Line of Cars *only*.
 2.—All articles, except where it is otherwise specially provided, will be *charged by weight*, either actual or estimated.

3.—To avoid error, each box, bale, bag, package and cask of merchandise, carried, must have the weight marked thereon, and errors in overweight of any article will not be corrected after removal from the Company's possession.

4.—No separate article or parcel, however small, unless forming part of an invoice, will be taken for less than 100 lbs.

This rule is found to be necessary for the security and convenience of consignees, small parcels being liable to be stolen.

5.—Invoices not amounting to 30 cents, at regular rates, will be charged 30 cents.

6.—All *Packages* will be subject to charge for cooperage, when necessary.

7.—Articles will not be received for transportation unless properly packed in suitable *casks, boxes, bales, or packages*, nor unless they are well and clearly *marked*, with the name of the *consignee* and of the *station* where they are to be delivered.

8.—The Company will not be responsible for any damages occasioned by delays from storms, accidents, or other causes, or by decay of perishable articles, or injury by heat or frost to such as are affected thereby. Nor will they guarantee any special despatch in the transportation of any article. Nor will they hold themselves liable for damages by fire, or *as common carriers* for any article, after its arrival at its place of destination and unloaded in the Company's warehouses or depots.

9.—Goods in bundles will not be considered as properly packed, and this Company will not be responsible for any loss of parts or the whole of such packages. The Agents of the Company are instructed not to receive or forward goods so put up.

10.—No allowance for deficiency of Lemons, Oranges, or other Fruit, if not securely covered, will be made.

11.—The Company will not be held responsible for any merchandise, unless the same be received for by a duly authorized Agent.

12.—When receipts are required, *duplicates ready for signing* must be furnished by the consignor, in the form of which copies may be had at the offices of the Company.

13.—When articles are designed, after transportation upon this Railroad, to be forwarded by some other Company or an individual to their final destination, the duplicate receipt furnished by the consignor, must specify the same, and the articles be marked accordingly. This Company will not be responsible for such articles after they are delivered to such other Company, by whom they are to be forwarded.

14.—All goods and merchandise will be at the risk of the owners thereof while in the Company's Warehouses—except for such loss or injury as may arise from the negligence of the Agents of the Company.
