Ninety Per Cent. of Big Meet-  
ing in North Toronto Are  
Strongly Against Self-De-  
termination Movement, But  
Noisy Minority Heckles the  
Speakers—Ex-Ald. Ball and  
Others Present Strong  
Arguments Against Seces-  
sion.

One of the most exciting meetings  
of the campaign so far was that  
held last night in the old town hall  
in North Toronto, when secession  
was the big issue. The meeting had  
been called by the anti-secessionists,  
but two speakers from the opposition  
were given a chance to address the  
meeting. They succeeded in getting a  
hearing only part of the time. It was  
plain that the ninety per cent. of  
the audience—and the hall was  
packed solid to the door—was anti-  
secessionist, and the star arguments  
of the self-determination faction  
failed to make an impression. A cor-  
ner of the meeting had been packed  
by the secessionists, and they had  
apparently planned to take charge of  
it. They were short on time, and  
lost their chance.

Ex-Mayor Brown, the chairman, ex-  
plaining that the meeting had been  
called expressly for the purpose of dis-  
cussing secession, and it had been  
thought if one candidate was allowed  
to speak, there might be many, and  
it had been decided that no candi-  
dates should speak at all.

McBride Persisted.  
It was twelve o'clock before Chair-  
man Brown concluded his program,  
and he then announced that the meet-  
ing was adjourned. Candidate Sam  
McBride, however, had arrived about  
eleven o'clock and was waiting patient-  
ly for a chance to speak, as well as  
candidates for the board of control,  
Messrs. Gibbons and Hiltz. Controller  
Cameron had gone without saying a  
word. Half of the audience had left  
by Mr. McBride mounted the platform  
and succeeded in inducing the others  
to tarry.

THE CIVIC ELECTION CAMPAIGN  
The city council for most of the  
past year has been moribund as far  
as public interests were concerned. An  
attempt to do anything by Mayor Church  
on the board of control immediately  
started a row, in which Controllers Cam-  
eron and Ramsden were the noisiest. An  
opposition is a good thing, but a capricious  
one for purely business and must be brushed  
aside if the city's affairs are to be at-  
tended to. Controllers Ramsden and  
Cameron with their follower, Barber  
Beames, paid more attention to try to  
break up the city by agitating for se-  
cession of North than they did to  
attend to the duties he had taken on of  
looking after the boys at Ingenook  
Farm.

### INGLENOOK PROBE OPENS NEXT MONTH

At a preliminary meeting held yesterday morning in Judge Denton's court, a decision was reached to continue the investigation into the Inglenook Park boys' farm matter on January 10. Judge Denton, who has been commissioned to hold the investigation, will visit the farm near Barrie for the purpose of making an inspection. It is believed that all the Toronto witnesses can be heard in a couple of days.

J. P. Heaverson will act for W. H. Smith, owner of the farm, while Norman Somerville will present the case for the people who are making charges against the management of the farm, which is the detention home for delinquent Toronto boys. Mr. Somerville was not ready to go on yesterday, but Mr. Heaverson was present with his client, Edwin Dickie, secretary of the Inglenook Park committee, who was also present as were representatives of several charitable organizations.

An affidavit was presented to Judge Denton by Neil V. McKendrick, of 528 Dovercourt road, whose son was at the farm for four months this year. He went to visit his son and found Herbert Smith, manager of the farm, who is a son of W. H. Smith, of the social service commission, dressed in a very slovenly manner. His son, said Mr. McKendrick, looked rather peaked and drawn. He had written his father complaining about the food. The affidavit continues:

"My impression was that the food was entirely out of keeping with the object for which it was formed. The lines on the dining-room table were filthy, there were no clothes closets in the dormitory and the boys threw their clothes on the floor when they went to bed. They slept in double beds. He gave his boy stumps and stationery, but they were taken from him. Although he had provided ample clothing for the lad he came home with only a few pieces of properly and inadequately clothed, and the clothing sent him was not returned."

The boy's statement alleged that he got watery porridge and cocoa for breakfast. The cocoa tasted like dishwater. With it he got bread and margarine. He could not eat the lunch provided to take to school. He never got fresh meat except a bit of pork in the soup and once they had liver. No vegetables were served except in the soup. He was kept from school to work on the farm.

It was also complained that there was a lack of water for washing purposes, and that there was no hot water in the boys' heads. He complained of ill-treatment by Herbert Smith. Beverly G. Walker, grocer, 626 Kensington street, was a guest at the farm from September 1919, until January, 1920. Three children of a Mrs. Watson lived in the home. The girl, who was ten years old, interfered with the boys, and would make trouble. Herbert Smith had such a temper that he used to knock the boys down by striking them over the head. Deponent thought the home would be all right if it were run under different management.

Judge Denton: "The only charges I have left to me—call them charges—are copies of declarations and statements made by Mr. McKendrick, his son Donald, and Mr. Walkey and Mr. Burton." Mr. Burton replied in the affirmative.

Ward Six Ratepayers Give Them Hearing—Ramsden Raps The World.

Candidates galore for municipal and board of control honors addressed a large gathering of the ratepayers of Ward Six at Ericourt School last night, where Controller Ramsden made an attack on The World, in which he complained that the criticism he had received thru its columns was lacking in decency, truth and public service.

During the evening Mayor Church dropped in for a few moments, and was greeted by a cheering throng. In a short address, he propounded the various planks for which he stood, and said that next year he would be the greatest year of public ownership, prophesying that when the city had all the new power companies and in view Toronto would be the largest owner of electric power in the world. This, he added, would be the result of attracting large numbers of new industrial concerns to the city.

Lindsay, Ont., Dec. 27.—While Santa Claus was making his rounds of good cheer about the city, Saturday morning a visitor from Prince Albert, called Armstrong, ran amuck. Partly crazed by liquor, he clubbed down in one year. The visitor then dragged him off to a doctor. The physician, seeing the men in the street, refused to admit them, whereupon the Christmas spirit proceeded to smash the doctor's office down. The alarm was sounded and the police, quickly on the scene, placed the man in a "crazy" cell. However, with the assistance of a radiator, smashed up the jail and departed. He went to the fire hall and camped by the stove the balance of Christmas eve. The "jag" cost Armstrong \$50.

CIVIC ASPIRANTS GIVEN A HEARING

Candidates' Meeting Held in St. John's Parish Church Last Night.

A well attended candidates' meeting was held last night in St. John's Parish Church, Norway, when members of the board of control and board of education addressed the meeting.

Control Mr. Maguire, candidate for re-election, outlined his work in council during the past year. He pointed out that his chief object thruout his municipal life has been to accomplish the public ownership of the power and transportation facilities in Toronto, and as strenuously fought every day to municipal ownership during his term of office.

Some excitement was caused during School Trustees Mrs. Courtney's address on board of education matters, when asked by a ratepayer why she had not kept her last year's promise not to seek re-election this year. She replied that she had not had time to do so, and she advocated the teaching of French conversationally in the public schools. Mrs. Courtney replied that while in France she was rather humiliated owing to the language difficulty, and thought that the teachers should teach the French tongue.

Dr. Beer, candidate for re-election as school trustee, defended his stand on the board of education publicly campaign. He pointed out that he has since considered his position and while not wishing to oppose the board of education's attitude, he would oppose further unnecessary expenditure.

Rev. H. A. Berlis got a reception when he outlined his platform as candidate for board of education. He strongly condemned "frills and fads," while children were housed in basements and portable buildings. H. A. Fleming occupied the chair.

COUNCIL FINANCES IN GOOD CONDITION

Three Candidates Fail to File Necessary Papers for Qualification.

MIMICO. The annual financial statement of Mimico is a very satisfactory document, showing, as it does, an excess of assets over liabilities of \$17,028.61. The total assets of the township are \$156,631.31; made up as follows: Properties, \$154,631.31; cash, \$2,400.00; tax arrears and collector's roll, \$2,400.00; Victory bonds, \$200.00; assessment, \$2,600.00; capital contracts, \$2,000.00; surplus, \$17,028.61.

The Hydro-electric statement shows a surplus of \$18,720.34, the assets totaling \$41,485.61. J. Messrs. H. Shepherd, W. Robertson and J. N. Armstrong failed to file their qualification papers in the race for municipal honors in Mimico and so will not figure among the "successful" few of 1921.

Councillor A. J. Beynon, who was nominated for the double office of Mayor, Reeve and councillor for 1921, has decided not to stand for the former office. He has served the municipality well during his term as councillor, and will have the support of a large following in his candidature for the higher position.

A meeting under the auspices of the local G.W.P.A. was held in the Municipal Hall, Mimico, last night, at which there was a good representation of those running for municipal honors in New Toronto, Mimico and Etobicoke. There was also a large number of the returned men of these districts present. Mayor Lovvorn and other speakers delivered interesting addresses on municipal politics, dwelling principally on the immediate needs of the several localities during the coming year.

The death occurred in the Western Hospital yesterday morning of Gordon Byers, aged 38, as the result of a head-on collision between an auto which he was driving and a radial car on Durnee street near Gilmore Avenue, on Sunday evening. Deceased, whose home is in Mimico, lived at 183 Cowan Avenue for some time past, failed to see the approaching radial car, owing to the blizzard raging at the time, and as a result of the impact was thrown out of the car and sustained a fractured skull. He was rushed to the Western Hospital but never regained consciousness, and died at 8.10 the following morning. Two other occupants of the auto, Miss Jessie Wellwood, aged 28, and Albert Noonan, aged 19, both of 183 Cowan Avenue, escaped with minor injuries.

TODMORDEN ANXIOUS FOR NEW WATER MAINS. The drinking water in some sections of Todmorden is unfit for use and local medical men report illness among children in consequence. The outlook in the spring when the melting snow gets into the wells is not very promising, according to the statements of residents, and the installation of long-promised water mains is anxiously looked for.

SENATORS TROUNCE HAMILTON TIGERS

Ottawa Now Has Safe Lead in the Pro League.

Ottawa, Dec. 27.—The Ottawa Senators scored a comfortable margin in the N.H.L. schedule at the arena this evening when they defeated the Hamilton Tigers by a score of 3 to 1. Hamilton have an excellent hockey machine, and also outplayed in the game tonight, showed flashes of form which, when put to better advantage, will find them amongst the contenders for the league honors. Individually there was little to choose between the contending teams. It was in team work, and in the knowing of the play of their teammates which beat the other side, however, play was the game itself was at times productive of real first-class hockey. After the first period, however, play was dreary and on occasions was practically at a standstill. The visitors were at their best in the second and third periods, and held their own in all departments. Lockhart in goal was a bulwark on the defensive side, while the stellar work of Progers, Couture, Carey and McCarthy on the line in the early stages was a source of worry to the Ottawa defence. In the second and final periods the Ottawa team showed to better advantage. Nichol's poke check completely baffled the visiting forwards, and the Hamilton offensive efforts were often broken up before the defence was reached. At 8:30 the Duke of Devonshire faced the puck and play started. Play was fast from the outset with neither side having an advantage. Denny missed an open net on a pass from Nichol behind the net, Denny, a moment later, went thru alone and only a spectacular save by Lockhart prevented a score. Ottawa broke thru several times with well-engineered three-man rushes. Lockhart was always on the job, however, and turned aside many "sure things" attempts. Hamilton was not able to fathom the Ottawa defence. Eddie Lowrey, former Ottawa bow, replaced Coult and was given an ovation. Lockhart went to his knees to save a hot shot from Nichol, the puck stuck in his skate. Darragh went thru with Nichol, and scored in 14 minutes. It was all over the ice at this stage of the game, and his corker was rushing and effective back checking proving a feature. Progers scored a soft one when an Ottawa defence man fell on "Donny" after he had stopped a dribbler. Period score: Ottawa, 1; Hamilton, 1. Second period play opened slow. Darragh went thru unassisted for the practical goal of the evening. Denny responded 39 seconds later from a scramble in front of the net. The Tigers could not get going and Ottawa broke thru seemingly at will. McCarthy was knocked out, and Cieshorn was given a major

SOUL. With the odd man Hamilton

With the odd man Hamilton, the Ottawa stronghold, and Benedict saved one long hot one from McCarthy. Boucher came on for Cieshorn. With a tiro-sol lead the locals contented themselves with laying back. The period ended without further score. Ottawa 3, Hamilton 1. Play lacked life when the final period opened. McCarthy shot a long one which beat the Ottawa net-minder but struck the pole. Both goalies were tested from away out. Benedict took a hot one right off Couture's stick. Darragh and Cieshorn went right thru the defence only to have Lockhart turn the shot aside. Darragh was knocked out in front of goal and was carried off the ice. He was replaced by Bruce. Play became strenuous, altho the penalty box remained un-occupied. McCarthy came on again and, with Progers, bore the brunt of the Hamilton work. Ottawa threatened two or three times but Lockhart was almost invincible. Play was in mid-air as the bell sounded, the final score being Ottawa 3, Hamilton 1. The East Toronto Y.M.C.A. Juvenile Hockey League have vacancies for two more teams, and teams wishing to enter are requested to phone B. 1877 or G. 5210 for information. In addition to cup and medals for the winners of each league, a special cup has been donated by the management of the Melba Theatre to be played for by the winners of the Juvenile, Junior and Intermediate Leagues of the Y.M.C.A.

A Montreal despatch says: After their game in Toronto, Canadians arrived here yesterday, and this morning had a snappy practice at the Mount Royal Arena, about ten of their players turning out. George Kennedy, their manager, said today that the team was in bad shape at Hamilton, but put up a much better game against the Pats. He is sure his men will make a good showing against Hamilton on Wednesday, and is hopeful of them turning the tables on their late visitors. Dave Campbell and Dave Ritchie were out this morning for the first time and made a good showing.

New Year's at West End Y.M.C.A. will be one of activity and interest both to members and their friends. In the morning the Old Boys will have a reunion on the gymnasium floor, the only admission to Old Boys who are at present members or have been in years gone by to be their gymnasium togs, so, old-timers, so to the bottom of your trunk, yank out that old-time West End suit, even if it is a little too small for you now; make tracks to the West End Y.M.C.A., and enjoy the morning with the rest of the gang. Commencing at 9:30 a.m., there will be a pick-up indoor ball game, which will be fast enough for the old-timers who have been adding to their waist measurement ever since they quit the old gym. There will be more than one pick-up contest. The Harriers have issued a challenge to any of the old boy teams who care to meet them, providing the old rules are played. The new rules, they state, are a little too ladylike for them. It is expected that Hank Baillie, J. Tait, H. Montgomery, H. Bickle and many of the old senior basketball players will line up for this great event. The annual swimming championships will be conducted in the morning under the direction of Mr. Walker, the swimming instructor. The events will be closed to the membership. The athletic committee will run off all of the hexathlon events. There will be out quite a few entries. From two to four in the afternoon will be used for these things. Last night saw a very happy gathering at the Salvation Army Temple on Albert street, when 400 sat down to a Christmas dinner that rivaled many in its bounty and was unique in the pleasure that it gave the guests. Commissioner Richards of the Salvation Army, presided. The guests were selected by the officers of the Army from among those in the city whom they thought would most enjoy the Christmas hospitality. After dinner a delightful musical program was given by a Salvation Army band and Salvationist singers. No other 400 people in Toronto enjoyed their Christmas dinners more thoroughly than did the guests of the Army last night.

The transfer of the big power, light and radial companies from private to public ownership will be effected during 1921. Mayor Church for years has been doing his utmost to pave the way for this great boon to the citizens of Toronto. Public ownership of the street railway, made possible by unceasing effort and vigilance, must be started off under auspices that will make municipal operation a success. It is Toronto's golden opportunity. Mayor Church can be depended upon to protect the citizens' interests in all these matters as well as in every other respect.
