cises were conducted by the Rev. Dr. Evans. The Secretary's Annual Report was read by the chairman. The Treasurer's Annual Statements were read by Rev. Canon Dixon. The Medical Board Report was read by W. Crant Stewart, M.D. Moved by the Rev. Dr. Norton, seconded by the Rev. F. M. Dewey, and carried :--" Resolved "That the Secretary's, Treasurer's and Medical Board Reports which have been read, be adopted, printed, and circulated."

The acceptance of the officers for the ensuing year was moved by the Rev. W. H. Sparling, seconded by the Rev. C. J. James, and carried. (The list of names will be found upon another page.)

Deep regret was expressed at the resignation of Mrs. Henry Sanders from the office of Secretary, a position which she has filled for over twelve years, with untiring zeal for the welfare of the Institution. As she is still one of the Lady Directresses the Board of Management hope to have the benefit of her wide experience for many years to come.

Those who addressed the meeting spoke highly of the work and the need for such an Institution in our city, several expressing their gratitude for timely help and assistance rendered, in cases, personally known to them.

The chairman on behalf of the Lady Managers extended a cordial invitation to all present to remain and partake of a cup of tea and also to go

through the Home and see the infants. The meeting closed with the Benediction by the Rev. E. McManus.

# THE TWENTY-SIXTH ANNUAL REPORT

OF THE

# PROTESTANT INFANTS' HOME.

"Ye have the poor with you always. Blessed is he that considereth the poor."

In reviewing the work so as to present the report of another year to our kind friends and subscribers, there is nothing to mark this year from previous ones. We have as heretofore endeavoured to carry out the objects for which the Institution was established, namel, to receive homeless, motherless, fatherless, destitute and deserted infants under four years of age, and by giving them every care and attention, to save, if possible, their lives.

Many of the little ones have been left to suffer from both hunger and cold, while the parents have been indulging their appetite for strong drink until all tenderness and love for their offspring have been effaced.

Foundlings are also received; occasionally, there is an inhuman mother who is capable of deserting her infant, leaving it to the mercy of strangers and probably sending it to an early grave.

A large number of weak and frail infants, almost in a dying condition, have been received during the year. All that can be done in many cases is to make the last days of the little one comfortable. Besides the care and nourishing food which the inmates receive, they have good ventilation, drainage, fresh air, and sunshine, all of which are not often to be found in the homes of the poor.

At the beginning of the year, April 1st, 1895, there were 53 children in the Home, and since then 119 have been admitted, making a total of 172. Of this number, 80 have been removed by parents or friends, 7 have been transferred to the "Ladies' Benevolent" (they having attained the age of five years), 31 have died and 54 remain in the Home.

The death rate has been a little over 18 percent. The details will be found in the report of the Medical Board.

Of the total number of children in the Home during the year, 16 were the children of widowers, 10 of widows, 35 with mothers sick 3 with

Mrs. James Linton's resignation as 1st Vice-President was received and accepted with deep regret, and also the resignation of Mrs. Henry Sanders as Secretary.

The Managers' Annual Meeting was held on Wednesday, April 8th, 1896. The following were the officers elected for the ensuing year :--

President-Mrs. Benjamin T. Davis.

1st Vice-President-Mrs. Jamos A. Harte.

2nd Vice-President-Mrs. W. T. Thomas.

Secretary-Mrs. W. J. Benallack.

Treasurer-Mrs. Charles Ault.

Mrs. Van Allen, the matron, and Mrs. Campbell, the head nurse in the lower ward, are still fulfilling the duties pertaining to their respective positions with ability and meriting the approval of the managers. Mrs. Tinker, head nurse in the upper wards, tendered her resignation in October, which was accepted with regret, she having been for over five years a kind and faithful nurse to the little ones under her charge. We were fortunate in securing the services of Miss Shaw to fill the vacancy, the little ones receiving kind, loving and faithful care and attention from the new nurse.

A Birthday Party was held in the Y. M. C. A. parlors on May 22nd, 1895. Our friends were present in large numbers. Their united ages (one cent per year) amounting to nineteen thousand six hundred and seventy-seven cents. Our thanks are due and are hereby tendered to all who so freely gave their time, services and talents to make the party a success.

The following young ladies, the Misses Nina McLean, Ethel Linton, Jean McIntyre, Mabel Cassels, Sarah Seybold, Pola Boas, Polly Burnet, Kathie and Kachel Cox, with others held a "Napoleon Tea" and a sale of fancy articles in the Emmanuel Church Parlors on Saturday, November 30th, 1895. There was a very large attendance and the net proceeds amounted to two hundred and ninety dollars and ten cents, (\$290.10.) We are very grateful to our young friends for their timely and acceptable gift to the treasury and tender to them our hearty thanks for their kind thought and services rendered on behalf of the inmates.

The special thanks of the Managers are due and hereby tendered to the "Good Samaritan Society" of the Church of the Messiah. "Mission Circle" of the American Presbytcrian Church. "Young Ladies" of Crescent Street Presbyterian Church. "Ladies' Aid" of St. Andrew's Church. "Ladies' Aid" of Erskine Presbyterian Church, "Willing Workers," Stanley Street Presbyterian Church, and "Ladies' Aid" of St. Paul's Presbyterian Church for valuable donations of clothing, etc., received for the in mates.

To the Medical Staff for their valuable services and advice so cheerfully given to promote the health and comfort of the inmates. The comparatively small death rate of the Home is largely due to their zeal, kindness, prompt and faithful attendance.

To several of the Clergy who have attended at the Home to administer the rite of baptism and conduct the burial service.

To J. H. Isaacson, Esq., for preparing the necessary papers in adoption cases and other legal papers. To Messrs. Robertson, Fleet and Falconer for legal advice.

The Board regrets that our death rate this year has been 18 percent. In an institution of this kind delicate children are constantly being admitted. Are we to refuse admission to such so that we may be able to make a better showing at the end of the year? We say emphatically no. Some of the deaths occurred a few hours after admission. In looking over the causes of death, it will be seen that in many cases they are irremediable. We all try to do our best, but despite our best efforts the little spark of life instead of becoming fanned into a flame is extinguished. And if with care and nursing and careful diet so many die think of the mortality under less favorable circumstances.

Acting on the old Italian proverb that where the "sunlight does not enter the doctor does," we endeavor to give the children plenty of fresh air and sunshine, our two cheapest tonics. The Home has been well planned for this purpose.

"Another milestone has been reached in the history of this Institution and as we pause and look back over the years that are past, and the work that has been done we can thank God and take courage, and cheerfully and hopefully look forward to a still brighter future. Our ladies have Their capabilities are great but they could do done a very great deal. We commend the Home to our much more if they only had money. wealthy friends. Let them remember it in their lifetime and learn the sweet luxury of doing good. Let them remember it in their wills. What a pleasure to think that one's influence for good will still go on for generations after they have passed to the majority. Such is one of the great advantages wealth brings. If we were better off we would have a special ward or infirmary where we could keep the sick ones under the charge of a special nurse. We would be glad to give the opportunity to any of our friends to endow a cot, as is done in some of our Hospitals.

There is nothing which appeals more to one's sympathy and kindlier feeling than a helpless sick child. We would remind our friends that they need not be wealthy to help. The smallest donation is thankfully received. If some of our younger friends could see the amount of pleasure and joy their old books and toys give, it would more than compensate for any sacrifice or self-denial they might have to make. All these little things combine to keep well children from getting sick—and to help sick children to get well.

No one can estimate the far-reaching influence of the work our good ladies are engaged in. How many fallen have been helped up ! How many lives saved for positions of responsibility and usefulness. Some may indeed find fault with some phases of our work; but for those who are imbued with the spirit of sweet charity, for those who earnestly wish to follow the teachings and examples of Him "who spake as never man spake," for those who are true and pure and good, there is enough about the work of this Institution to demand their earnest sympathy and practical support.

"Do thy duty, this is best ; Leave unto thy Lord the rest !"

The Medical Board desire to thank the ladies for their hearty co-operation and kindness in carrying out any of their suggestions.

The Board also desires to take this opportunity of expressing their thanks

to Dr. Haldimand for his kindness in having on several different occasions visited the Home when it was impossible for any of the regular staff to attend.

Nor would the Board forget those who are daily devoting their best energies in the interests of the children; our genial metron Mrs. Van Allen, and her assistants, Mrs. Campbell and Miss Shaw.

Respectfully submitted,

W. GRANT STEWART, B.A., M.D.
