Lloyd George is Ill And Cuts Down His Ontario Program POWER CO. LIGHTS PREETS TONIGHT

VOICE FAILS WAR PREMIER IN TORONTO

Noted British Statesman Can Speak Only in a Whisper. MEETING IS OFF

Wife Tells How She Allows Her Husband to Work Plans. Toronto, Oct. 10.—Because all that is left of his voice is scarcely more than a husky whisper, David Lloyd George, on his arrival today suggested to Mayor McGuire that the big meeting arranged for Massey Hall this afternoon be postponed for a day. He is ready to give up his projected trip to Niagara Falls for this purpose. Lloyd George is not at all well and the intimation was given that the Toronto programme might be seriously interfered with.

EARTH TREMORS AT WASHINGTON

Washington, Oct. 10.—Earth tremors of pronounced intensity were recorded early today on the seismograph at the Georgetown University observatory. Beginning at 2.20 a.m. the tremors reached thirty minutes later and continued until 3.48 a.m. Director Tondorf, of the observatory, estimated the centre of the disturbance to be 3,500 miles distant from Washington, apparently in a southerly direction.

DOMINION ISSUES NEW NOTE FOR \$2

Portrait of Prince of Wales Graces Face of the New Bill. HE GETS FIRST ONE

Now in Circulation and Will Replace Connaught Money. Ottawa, Oct. 10.—A new two dollar Dominion note has just been placed in circulation by the Department of Finance. On the face or front of the bill is a new steel engraved portrait of His Royal Highness the Prince of Wales and the date of issue is June 28, 1923, the last birthday of the Prince. The department has taken advantage of the presence of His Royal Highness in Ottawa to introduce this bill. The new note is of striking design and is altogether one of the most artistic that has been issued by the department in recent years. The back carries an excellent engraving of the new coat-of-arms of the Dominion. The color printing on front and back is in a pleasing shade of olive green. The new Prince of Wales issue will be gradually placed in circulation in time to supplant the old Connaught \$2 note which has been in circulation since 1871.

THOUSANDS WARM TO BALL GAME

Many Stay Out All Night in Order to Get First Seats. MINSTRELS SING

Arguments are Heard Over the Barking of Vendors. (Canadian Press) New York, Oct. 10.—The baseball's greatest stadium, the ice cream cone shaped stadium of the Yankees on the east bank of the Harlem River, another world's series starts today. It is the 19th series for world honors in baseball history and the third consecutive meeting of the New York Giants, of the National League and the New York Yankees, of the American. Long before two o'clock when the game was to be started, crowds began swarming at the many entrances of the stadium, scrambling for places in the line at the ticket booths. Work had been sent out from baseball headquarters that all the reserved seats, 10,000 of them, had been sold, but that there were more than 30,000 to be purchased for the unserved section, yet the early birds were there to be certain. There All Night. A bright Indian summer sun ushered in the day, early dissipating the mists and the drizzle of the previous evening and angling fulfillment of the weather man's fair today and tomorrow forecast. A warm air breeze wafted from across the Harlem River. The man on the soap box who led the parade because first in line of the vigilants at the bleacher seats entrance, yawned, stretched and the dew from his hair turned up coat collar. The line behind him had grown since dawn. The fourteen fellow fans who heard the night waiting crowd, lined themselves up in the waiting line to maintain order in the waiting lines of fans and keep the roads clear for regular traffic. The fans were orderly. They had plenty of entertainment, with a grand organ man, a soloist singing latest sentimental ballads, a nasal tenor, an old white bearded fellow with a dented corn and a lot of melodies popular in 1898, and a dandy with a bow tie and a little ditty with no tune but a thousand verses. Boys with baskets of sandwiches and buckets of coffee, lemonade and other nameless concoctions barked their wares upon the waiting crowds. There were all sorts of novelty vendors—men with field glasses for fifty cents, cuttings to the blanchard and other seven being returned by acclamation. The results by parishes were as follows: (Special to The Times.) Gagetown, Oct. 10.—Some interesting contests developed in the election of parish councillors in Queens county yesterday. There were contests in three parishes, the motor ship Kennebec seven being returned by acclamation. The results by parishes were as follows: Chipman—Frank Darrah and Victor Parkhill defeated the old councillors, Bruce Hay and W. H. Burpee in a close election. Gagetown—Councilor R. Harvey Weston was returned by acclamation, as was A. Ludlow Hoken who took the place of Charles Cooper, former councillor, retired. Hampton—Councilor G. B. Slipp and J. Arthur Vanwart from Councilor W. T. Inch and H. W. Scott. Canning—D. E. Estabrooks was re-elected, but Councilor Earl F. Sypher was replaced by Bert Miller. Waterborough—Warden A. F. Barton and Councilor T. A. Farris were elected by acclamation. Cambridge—J. S. Robinson and A. L. Gunter were re-elected by acclamation. Wickham—Eldon M. Ackley and R. J. Rice were re-elected without opposition. Johnson—Councilor S. J. Perry resigned and was replaced by R. M. Pearson, who with Councilor R. J. Stewart was elected by acclamation. Brunswick—W. A. Kierstead and O. O. Black, re-elected without opposition. Pettaville—A. G. Scribner and J. A. Fowler returned by acclamation.

ROB WAREHOUSE OF SAINT JOHN FIRM

Thieves in Baird & Peter's Moncton Premises Secured Goods Valued at \$1,000. Moncton, Oct. 10.—Thieves entered Baird and Peter's warehouse in Lower Lutz street sometime between Saturday night and Monday morning and stole nearly \$1,000 worth of cigars and tobacco.

Horse Overboard

This Cleveland (O.) horse was a bit too sure of himself while treading the runway shown in the picture and toppled over the rail on a pile of lumber. Police manned block and tackle lifeboats and pulled Dobbin from his predicament, after which he went right back to work, never hurt a scratch.

WILLINGNESS IS DISPLAYED TO ASSIST

City to Revert to Old System When Hydro Turns Off. AGREEMENT MADE

Mayor Fisher and Hon. Dr. Smith Discuss Cur-tailment. St. John will revert tonight to the same system of street lighting as existed before the advent of hydro, according to advice received this afternoon from Commissioner Thornton and officials of the New Brunswick Power Company. When the hydro current is shut off at midnight and the ornamental lighting system goes out of commission, that section of the city will be illuminated by the arc lamps on the system of the N. B. Power Co. This will obviate the necessity of having the streets policed by extra patrolmen, which was planned should another night of darkness prevail in the centre of the city. Company Statement. In an interview with one of the new directors of the New Brunswick Power Company today he said: "The new directors of the company are determined that the citizens of St. John shall have a fair deal in anything that arises. We know that Mr. Sanderson and Mr. Pooler are ready to do anything in their power in the present emergency and they will have the support of the new directors. It is determined to clean up the situation in an independent manner and to the best interests of the community." (Continued on page 2, first column.)

CANDIDATEES FOR HAMPTON PARISH

S. H. Flewelling and Herman L. Worden to Be in the Field. (Special to The Times.) Hampton, Oct. 10.—The councillors elect who are to be held in Kings county, the latter part of the month, will see S. H. Flewelling and Herman L. Worden in the field in Hampton parish. Mr. Flewelling was a member of the county council for a number of years, retiring after a record of never having been defeated by Hampton. He is an ex-warden of the county and a member of the local school board. Mr. Worden is of the younger generation and this will be his first contest.

TRUCKMAN DESCENDANT OF IRISH KINGS TOOK STRANDED RUSSIAN UNDER WING

New York, Oct. 10.—This is a story of two men, one a truck driver and the other a Russian prince, who were stranded on a small island off the coast of Ireland. The truck driver, who had been driving for several days, was blown overboard by a wave. The Russian prince, who was traveling with him, was also blown overboard. The truck driver, who was a descendant of Irish kings, took the Russian prince under his wing and helped him to safety.

HOME BLOWN UP

Prohibition Enforcement Officers in Ohio, Victim of Enemies. Steubenville, Ohio, Oct. 10.—The home of Charles Pearce, prohibition enforcement officer at Steubenville, Ohio, west of here, was blown up today by dynamite. Pearce, his wife and baby were injured. The blast partially wrecked the City Hall opposite the Pearce home, the Spragg restaurant, the home of Mrs. Mary Meryman and broke windows in three score residences.

STEAMER ASHORE

Gedonia Hits Rocks and is in Danger in Gut of Canoe. Halifax, Oct. 10.—The steamer Gedonia is ashore in the Gut of Canoe, but is not in danger, according to a message received this morning by J. M. C. Fraser, of the Marine Department here, from the Canoe direction finding station. The Gedonia was en route from Montreal to Mexico. The message said the steamer Imperial was going to the Gedonia's assistance and would likely release her. The weather was reported fair with light winds.

ORDER NEGROES TO LEAVE TOWNSHIP

Pittsburg, Pa., Oct. 10.—Every Negro was ordered last night to leave Stoves Township, just west of the Pittsburg city limits, by a self-appointed vigilance committee of more than 200 men, according to the township's police authorities. There are about 300 Negroes in the district. The action, it is said by the police, is the result of the killing on Saturday night of 73-year-old Thomas Royland and the wounding of his 11-year-old granddaughter, Edith Colter, by a Negro, who escaped.

SEVENTY-THREE PERSONS KILLED, 223 HURT IN RAILWAY CROSSING ACCIDENTS

Montréal, Oct. 10.—Seventy-three persons were killed and 223 were injured in railroad crossing accidents in Canada last year. Of the total of 183 accidents, automobiles suffered in 109 cases, horses and rigs in 46 and pedestrians in 28. In the past five years 9,101 persons were killed on railroad crossings in the U. S. and 24,208 were injured. Fully ninety per cent of these accidents were avoidable. The above facts and figures were provided by George A. Kall, Toronto, safety engineer of the C. N. R., in a paper read before the Canadian Railway Club here last night. He advocated elimination of reckless drivers of automobiles by withdrawal of drivers' licenses.

QUEENS PARISHES NAME COUNCILLORS

Interesting Contests Yesterday in Selecting Representatives of Municipality. (Special to The Times.) Gagetown, Oct. 10.—Some interesting contests developed in the election of parish councillors in Queens county yesterday. There were contests in three parishes, the motor ship Kennebec seven being returned by acclamation. The results by parishes were as follows: Chipman—Frank Darrah and Victor Parkhill defeated the old councillors, Bruce Hay and W. H. Burpee in a close election. Gagetown—Councilor R. Harvey Weston was returned by acclamation, as was A. Ludlow Hoken who took the place of Charles Cooper, former councillor, retired. Hampton—Councilor G. B. Slipp and J. Arthur Vanwart from Councilor W. T. Inch and H. W. Scott. Canning—D. E. Estabrooks was re-elected, but Councilor Earl F. Sypher was replaced by Bert Miller. Waterborough—Warden A. F. Barton and Councilor T. A. Farris were elected by acclamation. Cambridge—J. S. Robinson and A. L. Gunter were re-elected by acclamation. Wickham—Eldon M. Ackley and R. J. Rice were re-elected without opposition. Johnson—Councilor S. J. Perry resigned and was replaced by R. M. Pearson, who with Councilor R. J. Stewart was elected by acclamation. Brunswick—W. A. Kierstead and O. O. Black, re-elected without opposition. Pettaville—A. G. Scribner and J. A. Fowler returned by acclamation.

SWISS EDITORS ARE CANADA BOOSTERS

Montréal, Oct. 10.—"We have been deeply interested in the many things we saw in Canada, and believe there are splendid opportunities in this country which should appeal to those of our people who desire to emigrate and settle here," said Ernest Rietman, spokesman for a party of Swiss editors who have been traveling throughout the Dominion as guests of the C. P. R. "We met a number of our people who have done very well, and only two or three who had not succeeded. As to the latter, it is probable that they would not have done very well in the home land either," said Mr. Rietman. He said Vancouver should become a wonderful port when it was developed.

PRINCE OF WALES ARRIVES AT MONTREAL

Montreal, Oct. 10.—Lord Renfrew arrived in Montreal at six o'clock this morning. The first announced engagement of His Royal Highness here is a run with the Montreal hunt at Presnieres, near here. He was provided with a mount after reaching the meet by motor car. Other arrangements after this are entirely in the hands of Lord Renfrew. He will be in this city until Saturday morning, when he will leave for Quebec, where he is to embark for his homeward voyage across the Atlantic.

WIRE BRIEFS

London, Oct. 10.—Reports published abroad to the effect that a revolution has broken out in Portugal are untrue. Superior, Wis., Oct. 10.—The Superior Units of the Wisconsin National Guard were called out last night by order of Governor Ball to fight fires throughout the state park at Manitowish Falls. Halifax, Oct. 10.—Robert Theakston, former city collector for the City of Halifax, pleaded not guilty this morning when brought to trial in the Supreme Court, charged with theft of some thirty-four thousand dollars of civic funds. Seattle, Oct. 10.—Three vessels sent word to Seattle today by wireless that they had been unable to find the motor ship Kennebec in the place in which she reported herself early yesterday on the rocks. Fredericton, N. B., Oct. 10.—Two new students, who have joined the ranks of the freshmen class of the U. N. B., have brought the total enrollment up to sixty-four. The class as now constituted is composed of twenty-six young women and thirty-eight males. The recent arrivals are Edward Carter of Fredericton and Byron Branch of Bathurst.

AMERICAN TEA MERCHANT IS DEAD

New York, Oct. 10.—Guy A. Irving, tea merchant of this city, and a Canadian by birth, died after a brief illness at his home in New Brighton, yesterday. Mr. Irving was born in 1852 in Galt, Ont. His father was Sir A. Milrus Irving, who later resided in Toronto. He is survived by a wife and seven children.

RED CROSS WILL DISCUSS JAPANESE

Montréal, Oct. 10.—Members of the National Central Council of the Canadian Red Cross convened in Montréal yesterday from all parts of the Dominion for the semi-annual convention. A meeting of the executive was held to prepare the report which will be submitted to the convention today when actual sessions open. Dr. James W. Robertson, of Ottawa, chairman of the council and executive, will preside. The Japanese relief fund will be the principal item under discussion.

NINE HOUSES BURN IN QUEBEC VILLAGE

Quebec, Oct. 10.—The village of Beauveulle was partly destroyed by fire yesterday. Nine of the finest houses were razed. The damage is estimated at between \$40,000 and \$50,000, partly covered.

WEATHER REPORT

Toronto, Oct. 10.—Pressure continues above the normal over the greater portion of the continent, and it is now highest over the middle states. Fair weather prevails throughout the Dominion, attended by very uniform temperatures. Forecast:—Fair. Maritime—Light to moderate winds, fair today and on Thursday, not much change in temperature. Gulf and North Shore—Moderate to fresh west and southwest winds, fair today and on Thursday. New England—Fair tonight and Thursday; slightly warmer on Thursday; moderate winds, mostly west. Toronto, Nov. 10.—Temperatures:—Lowest Highest-during Stations 8 a.m. Yesterday night Victoria ... 48 64 48 Winnipeg ... 40 62 36 Montreal ... 48 60 48 St. John ... 42 58 34 Halifax ... 44 58 30 New York ... 50 64 50

FRENCH DREDGER CREW LIKELY LOST

Havre, Oct. 10.—The owners of the French dredger Normandic, caught off the coast in the recent heavy storm, believe that the dredger and her crew of 18 men and two women and children have been lost. A lifeboat from the dredger is reported washed ashore yesterday near Villers sur M.

THREE ASHORE ON THE PACIFIC COAST

Seattle, Wn., Oct. 10.—A list of vessels ashore reported here yesterday increased to three when it was learned that the steamer Bearport, loaded with lumber for Japan, went aground yesterday. The motor ship Kennebec struck rocks on Monday night, and the British steamer Sunland got fast in the sand near here yesterday. All three mishaps were attributed to fog.

GOVERNOR WALTON OFFERS TO RESIGN

Oklahoma City, Oct. 10.—Governor Walton last night offered to resign to prove his good faith in his fight against the Ku Klux Klan in Oklahoma against the Ku Klux Klan in Oklahoma special session will enact an anti-Klan law which he will submit to the law makers. Briefly the Governor's bill prohibits the use of the mask by secret organizations in Oklahoma and provides that all such orders shall file complete membership lists with the regularly appointed civil authorities.

GOOD ROADERS IN SESSION AT QUEBEC

Quebec, Oct. 10.—The Good Roads Association banqueted last night at the Chateau Frontenac. In all seven provinces were represented, four by Premiers and three by distinguished members of the cabinets. Hon. J. E. Perron said that it had been a pleasure to welcome them to Montreal, but he was even more proud to welcome them to the good city of Quebec. Montreal was a great city, but Quebec would ever remain.

QUEBEC LEGISLATURE IN NOVEMBER OR DECEMBER

Quebec, Oct. 10.—It is unofficially stated in political circles here that the 1923 session of the provincial parliament will not commence before the last days of November or the early days of December.

POOR DOCUMENT

MC 2 0 3 5

THE EVENING TIMES-STAR, ST. JOHN, N. B., WEDNESDAY, OCTOBER 10, 1923

WILLINGNESS TO HELP SHOWN

City Reverts to Old Lighting System as Hydro Turns Off.

(Continued from page 1.)
 "We have a representative board of leading citizens and we realize the responsibility which is ours."
 "When the new directors met on Thursday, Oct. 4, we discussed the telegram which Mr. Sanderson had sent to Premier Vernet stating that following the shortage at Musquash that the New Brunswick Power Company would do anything in its power to help out in that emergency. We felt that Mr. Sanderson's offer was most generous and his action was supported by the new directors."
Ready to Help
 The same expression of willingness to help at that time is the same which the Power Company is extending in this present emergency. Everything that is possible will be done to assist the New Brunswick Hydro Commission.
 "It must be pointed out, however, that no formal application had been received from the Commission by the directors of the Power Company to assist. No action of course could be taken until the needs of the commission had been made known. So soon as a letter was received yesterday from the Commission Mr. Fuller called the directors together and the situation was discussed. It was reported that canvassers for the City Hydro Commission had told prospective customers that if they should sign up for this power under the Hydro contracts. This was considered unfair by the Power Company directors.
 After the Musquash shortage it was suggested to the Commission that there be a diversion of energy so city should have full benefit of energy generated at Musquash. The Power Company suggested to look after the city side points while the City Commission was to meet the needs of the city of St. John. It was stipulated, however, that should the Commission be unable to handle the needs of the city, that the Power Company was willing to do anything within its power to assist."
Facts of Case.
 "The facts in the present case are these:
 "Mr. Fuller was notified between five and six o'clock last evening that the commission would like to have the streets lighted by the company as formerly. Mr. Fuller stated that that every effort would be made today to have the former lighting on tonight and Mr. Fuller had been in conversation with Dr. Smith of the Hydro Commission regarding getting the use of certain transformers but, it is alleged these were not available to the Power Company to help out the company in the present emergency.
 "One thing, however, is certain. The New Brunswick Power Company is now prepared to go ahead and do anything in its power to help the power and light users of St. John so that none may suffer any inconveniences.
Complete Plans.
 Commissioner Thornton told the Times this afternoon at two o'clock that arrangements had been completed whereby the N. B. Power Company would arrange the lighting of the section of the city which had been taken over by the City Power Commission and was being lighted by the ornamental system.
 "In other words," he said, "the street lighting of the city tonight would be looked after entirely by the N. B. Power Company, as it was before the introduction of hydro."
Mayor's Action.
 Mayor Fisher was in long distance communication with Hon. Dr. E. A. Smith, chairman of the N. B. Electric Power Commission, in the city today. Dr. Smith told his Worship that he had received a long telegram from him last evening, in which the Mayor told of the strong feeling in connection with the projected curtailment of service

being displayed by the people, and asking that the interruption of service be delayed if possible.
 Dr. Smith said that he was sending a reply by wire, but up to noon this had not been delivered.
 Mayor Fisher also wrote a letter to the N. B. Commission this morning asking for a full statement of the situation and asking why a longer notice of the proposed interruption could not have been given to the city."
 Dr. Smith, in his conversation with the Mayor was quoted as saying that the necessity for having to curtail the current supply came to the commission as suddenly as it did to the people of St. John as the commission had figured on getting assistance from the N. B. Power Co. when the necessity arose.
 The Mayor in his letter to the commission also took up the question of the five months bill rendered to the city, amounting to some \$20,000.
 The Mayor was informed at noon by R. A. McAvity, chairman of the Civic Commission, that the commission workmen had continued all night on the erection of a temporary line from Haymarket square to the McAuliffe plant in Robbsey avenue, and that if nothing untoward happened this line would be ready to transmit current from the McAuliffe plant to the city's hydro system by the time the current was turned off at midnight tonight.

LOCAL NEWS

TAKEN TO HOSPITAL.
 A man named Perry was taken to the General Public Hospital this afternoon, suffering from a severe laceration of the head. His injury was attributed to and his condition was reported as being satisfactory.

NOVELTY SHOWER.
 A novelty shower was given last evening in honor of Miss Edith Farnsworth at the home in King street east. The hostesses were Misses Dorothy Kee and Greta Robinson. Many nice presents were given and a very happy time enjoyed.

RAILWAY OFFICIALS HERE.
 D. J. Strachan, dining and sleeping car inspector of the C. N. R., passed through the city today en route to Halifax. John Cochrane, traveling passenger agent of the C. N. R., also passed through the city today en route to Halifax.

THE DINGLEY.
 The steamer Governor Dingley left this morning for Boston and way ports with between 75 and 100 passengers. According to present advice, the summer schedule between St. John and Boston will end on October 31, but no definite word as to the cessation of the service has been received at the local offices of the Eastern Steamship Co.

INSPECTOR PAYS VISIT.
 James Carleton, building inspector, this morning visited the scene of yesterday's accident in Erin street when an oil in a house there collapsed and a woman narrowly escaped serious injury. He said that the owners had already started to demolish the wrecked building.

RUMOR OF DROWNING.
 A report reached The Times office early this afternoon that two boys had been drowned off a wharf near Bardeck Point, but all efforts to confirm it were unavailing. Members of the detective department were told of the report and immediately investigated, but they were unable to learn any source of the rumor. People residing in that vicinity had not heard of any accident.

PUBLIC WORKS NOTES.
 The City Public Works department yesterday completed the laying of permanent paving on Market Square at the foot of King street.
 A start was made this morning on the construction of a new asphalt walk on the south side of King street east, between Carmarthen and Pitt streets.
 Grading of the roadway in Westmorland road has been completed from Cooper's corner to the Dry Dock railway crossing and will be completed by the end of the week. The surface has been finished for about one-third of the distance.
 Pouring of concrete in the wing walls for the new permanent culvert which will replace the Pokioik bridge has been commenced on the south end of the culvert, and piles are being driven for the base on the north end.

LOOK AT YOUR FEET!

For By Your Shoes Shall The Flappers Judge You

Miss Peggy Barclay, who has had her feet measured for shoes.
 "Broad comfortable shoes indicate that the wearer is a man with a genial disposition."
 "Narrow tan shoes, if they are high, are usually worn by the same kind of man who displays a sparkler on his little finger."
 "Brogues, both black and brown, indicate usually the collegian."
 "Pearl-spay shoes mark the gay old bachelor, who in the old days used to be a stage-door Johnny or the man from the country who tries to be spruced up."
 "But this rule of the shoes, like all rules, is subject to some modification. It works so well, however, that most of my friends use it for the first time-up!"
 Miss Barclay is one of the associate editors of the *Halcyon*, Swarthmore College magazine, and secretary of her class.

PERSONALS

H. W. Rising and C. H. Smythe of Wabunaw, Ont., are registered at Mount Royal Hotel, Montreal.
 Rev. Father Hill, C.S.S.R., of St. Peter's church, returned home today from St. Stephen, where he preached at a tridium at Monsignor Flaherty's church.
 F. S. Brodie, of Gagetown, is registered at the Victoria Hotel.
 Mr. and Mrs. A. B. Carson, E. W. Short, K. B. Carson and A. S. Carson, of Rexton, arrived in the city yesterday and are registered at the Victoria Hotel.
 Miss Leonard, C. Howard, graduate nurse of the General Public Hospital, has returned to the city after spending a few weeks with her parents, Mr. and Mrs. John A. Howard, of St. Martins.
 Mrs. H. F. Keever, of Abundant, Mass., is visiting at the home of her parents, Mr. and Mrs. J. D. Seely, King square.
 Mrs. James McKillop, of Greenwick Hill, was the guest of Mr. W. J. Miller, of Union street, on Monday and Tuesday.
 Rev. W. J. Beria, of the Presbyterian church at Lorneville, left on Friday evening for Boston where he will visit relatives. The service in the Lorneville church on Sunday evening was conducted by S. McIntyre.
 Mr. and Mrs. William M. Irons left this week for Portland, Me., where Mr. Irons has accepted a new position. They will be greatly missed from the city. Mrs. Irons' departure will be particularly regretted by the Alexandra Chapter, I. O. O. E., of which she was an energetic, faithful member.
 Mrs. F. H. Gritner and Miss Basile Gritner were in the city yesterday on their way from St. John's, Newfoundland, to their home in St. Andrew. They expect to return to St. John at the end of the month to take up their residence here for the winter.
 Mr. and Mrs. W. Grant Smith, who have been on a ten-day trip to Boston and New York, returned yesterday.
 Mrs. H. W. Graham, sister of Dr. L. de V. Chipman, has been the guest of Dr. and Mrs. Chipman for two weeks. She left yesterday afternoon for her home in Springfield, N. S.
 J. Herbert O'Neil, who has been spending his holidays in the city, returned yesterday to Richibucto by automobile. He was accompanied by his sister, Miss Gertrude O'Neil, and Miss Gertrude Cooley, who will spend a few days in the North Shore town.
 Mrs. William Stinson, of Prospect street, Fairville, was operated upon in the General Public Hospital last week and her friends will be pleased to know that she is progressing satisfactorily.
 Mrs. M. I. Hawhurst, of Gagetown, is the guest of her sister-in-law, Mrs. William Fox, of Fairville.
 Stockwell Simms has returned to his home in Chicago to resume his social service work. With his wife and son he has been visiting his mother, Mrs. J. S. Simms, and his wife's mother, Mrs. William Fox. His wife and son will leave for Chicago later. They are now visiting Mrs. Fox.
 Harry Osborne left last evening for Montreal to enter the Redemptorist house there.
 Mrs. Gordon Geddie, of Regins, is visiting Mrs. George Kestle in Douglas street, Montreal, who has been the guest of his wife's parents, Mr. and Mrs. Charles A. Heale, Wright street, Montreal. Mrs. Geddie is to undergo an operation at the end of the week.
 Dr. Norman Brown, of the medical staff of the Royal Victoria Hospital, Montreal, who has been the guest of his wife's parents, Mr. and Mrs. Charles A. Heale, Wright street, Montreal, has been visiting his sister, Mrs. Anne Turnbull, Crown street, and returned home yesterday.
 Miss Gladys Howe, daughter of Dr. John Rowe, superintendent of the Manhattan State Hospital, New York, who has been visiting her sister, Mrs. Anne Turnbull, Crown street, and returned home yesterday.
 Mrs. A. Aubrey Turnbull, accompanied by her baby boy, is visiting in Moncton, N. S., the guest of her husband's mother, Mrs. J. C. B. Hinzman.
 Miss Alicia Heale has returned from Montreal, where she spent some time with former St. John friends residing there.

Leaders of Labor Point Out Evils

Toronto, Oct. 10.—The keynote of the addresses at the opening sessions of the Canadian Congress of the World Brotherhood Federation in Massey Hall yesterday was a plea for an international outlook on the part of all workers in the world. The speakers pointed out the evils that a narrow provincialism tended to produce. Some 200 delegates attended, including Wm. Ward of London, England, president of the federation, who opened the congress with an address on "the world vision." He said that through the brotherhood movement not only would religious co-operation result, but co-operation in the spheres of politics and art as well.

MEN

After working around the furnace or tending up the cellar use SNAP for cleaning the hands. SNAP has a way of getting at and removing the dirt and grime quickly and thoroughly.

TRY TO SOLVE MAILS PROBLEM

An effort is being made in Halifax to secure transfer of a night mail from that city to St. John on the three nights the express train does not run. The matter was brought to the attention of the Board of Trade here, and is endeavoring to solve the problem. It is suggested by Halifax that the mail be sent on from Moncton by the night freight which arrives at St. John early in the morning. This freight does not leave the railway station at Moncton, but from the yard below, and does not run into the station at St. John; but it may be that some arrangement can be made, and word will probably be received here in a day or two.

TRUE BILL AGAINST CANCER 'DOCTOR'

Bridgeport, N.S., Oct. 9.—A true bill was returned by the grand jury in the Supreme Court here today against Clarence Bochner, facing a manslaughter charge in connection with the death of Mrs. Jean Elizabeth Clarke, of Marshalltown, N. S., who is said to have taken treatment from the accused for cancer of the breast, and to have died soon afterwards.

The New American Brown Solid Oak

The Americans are making a great deal to do about it, as well they might. Oak like Walnut, dark dignified and a splendid background to make your lines and silver flash out. Settle in genuine leather. Nine pieces of kingly splendor, solid through and through, for \$256.

A reflection of Marcus taste and values in the north window.

NOTICES OF BIRTHS, MARRIAGES AND DEATHS, 50 cents

MARRIAGES

MURRAY-MULLIN—At the Main Street Baptist church on Oct. 10 1923, by Rev. Dr. David H. Hutcheon, S. Murray, to Miss Isaac Burns Murray, both of this city.
MORIARTY-WILSON—At Dorchester, Mass., on September 30, by Rev. M. J. Donahy, C.S.S.R., at St. Peter's church, Anne Gertrude Wilson, daughter of Mr. and Mrs. Alexander Wilson of West St. John, N. B., to Alexander Moriarty of Boston, Mass.

DEATHS

O'BRIEN—In this city, Oct. 10, 1923, Catherine, widow of William O'Brien, leaving two sons and one daughter to mourn.
 (Montreal papers please copy.)
 Funeral from her late residence, 43 St. Paul street, Friday morning at 8.15 to Holy Trinity Church for High Mass of Requiem. Friends invited.
GALLAGHER—In this city on Oct. 9, 1923, Ann, daughter of the late John and Mary Gallagher, leaving one brother and two sisters to mourn. (Presque Isle and Bangor papers please copy.)
 Funeral from her late residence, 15 St. Patrick street, on Thursday morning at 8.30 to the Cathedral for High Mass of Requiem. Friends invited.

CARD OF THANKS

Mr. and Mrs. John W. Vincent wish to thank their many friends for their floral offerings and kind sympathy during their recent bereavement.
 Mrs. William Morrish and relatives wish to thank their friends for kind expressions of sympathy and flowers received in their recent bereavement.

DEPUTY SHERIFF NOT TO BLAME

Montreal, Oct. 9.—That J. H. Eisenhart, 29, who says he is a deputy sheriff of Harbord, N. Y., was not to blame for the death of six year old Horace Vincent, of St. Stanislaus, Quebec, who was fatally injured when knocked down by Eisenhart's automobile on Sept. 30, was indicated at the preliminary inquiry in Valleyfield yesterday. Eisenhart did not stop when the accident occurred and was arrested when his car was ditched some four miles further on.
 The victim's uncle, T. Vincent, testified that his nephew ran across the road in the track of the car, and Eisenhart had no opportunity to stop or swerve his car.

CHIROPRACTIC IS BASED

fundamental, natural laws. The organs of the body are the motors, the nerves are power lines which carry vital energy or life to all parts of the body. Impairment or pinching of the nerves interferes with this life-carrying power and disease is the result. The Chiropactor adjusts with his hands the misaligned vertebrae and the impinged nerves are freed. The flow of life enters the part diseased, normal functions are resumed and health restored. The Chiropactor way is Nature's way.

Here is one of those unmatchable values in Chesterfield Suites which Amland Bros., through their low overhead expense, etc., are enabled to lay before you at \$335.00. It consists of three pieces, upholstered in genuine mohair. Cheaper Suites to select from.

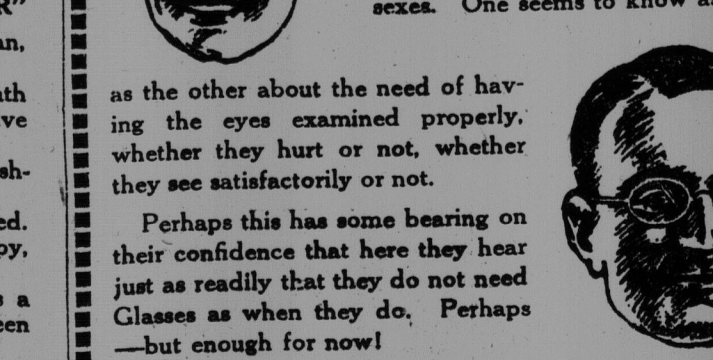

Amland Bros. Ltd.,

19 Waterloo Street

Which Is Shrewder?

It is said the ladies do eighty per cent of the buying and therefore know that much more than men about how to get the best.

The Sharpe Optometrist records pay a complement alike to both sexes. One seems to know as much

as the other about the need of having the eyes examined properly, whether they hurt or not, whether they see satisfactorily or not.

Perhaps this has some bearing on their confidence that here they hear just as readily that they do not need glasses as when they do. Perhaps—but enough for now!

SHARPE'S, 50 King

(Formerly 21 King)

FOR THE "GO-GETTER" the step-lively young man, here's the overcoat. A Long enough for warmth—short enough for active walking. And in fit, fabric and fashion registers 100 p. c. Single or double breasted. Colors smart and snappy, striking or subdued.

The price? Now that's a personal matter between you and your pocket. Suppose you first examine the coat.

GILMOUR'S, 68 King St.

LOCAL NEWS

Among the visitors to be welcomed to the city yesterday was O. J. Killam, a former resident of St. John, but now of Halifax. Mr. Killam is recognized as one of the best trap shooters in the east. A few years ago he was in line for the Olympic team from Canada. Mr. Killam leaves the city this evening.

The Melody Men gave a fine concert to the residents of the County Hospital last evening which delighted the audience. Those taking part in the concert and who composed the orchestra are Harold Friars, banjo; Ralph Oaty, saxophone; Isidore Cohen, piano; Jack Nutall, traps; David Henderson, violin. The concert was arranged by the manager of the troupe, R. Kerr.

The Ladies' Aid of the Fairville Baptist church met Tuesday evening at the home of Mrs. Benjamin Godson in McKell street. The hostess served refreshments and was assisted by Mrs. C. B. Black and Miss Lelia Alcorn. Those present were Mrs. A. E. Kierstead, Mrs. Charles Dykeman, Mrs. C. B. Black, Miss Ida Wayne, Mrs. Thomas Alcorn and Mrs. Robert Thorpe.

Contributions to the Japanese Relief fund continue to come in and the total of the fund has now come close to \$20,000. The largest sum received yesterday was \$80 from the Gyro Club. Other contributions which came in yesterday included the following sums, Valcartier chapter, L.O.P.E., \$25; Brookville Methodist Sunday school, \$10; Main street Baptist church, second contribution, \$8; Coburg street Christian church, second contribution, \$1.50.

A Positive Saving in Fuel and Food achieved by Two McClary's Ranges Every extra pound of coal, every spoiled baking, contributes to the high cost of using an old, broken-down, rusted-out range. You can effect real savings in fuel and food by going to McClary's dealer and selecting a superior McClary's Range—the Kootenay, Canada's foremost steel range that is reinforced to resist rust attacks at vital points, or, if you prefer a cast-iron range, the popular Pandora. McClary's Ovens--White Nickled Inside There are good reasons for the successful baking records of thousands of women with these wonderful ranges. The ovens are constructed of Arco Iron, a metal famous for its rust-resisting quality and particularly valuable in an oven because it heats so quickly. More than this, the interior of McClary's ovens are white nickled. This increases the radiating quality of the metal and makes a quick-heating, washable oven that it is a delight to work with. Pandora Cast-Iron Range Pandora has built a wonderful reputation in Canada, not only for its absolute reliability as a baker, but for fuel economy brought about by its unique flue system. In the Pandora the fire travel is doubled which ensures against loss of heat up the chimney. Beautifully carved body, trimmed with bright smooth nickel; high warming closet with porcelain-enamel back; large porcelain-enamel hot-water reservoir; knife sharpener; tested thermometer; foot release for oven door. McClary's London, Toronto, Montreal, Winnipeg, Vancouver, St. John, N.B., Hamilton, Calgary, Saskatoon, Edmonton.

Home Safety

EVERY MEMBER OF THE FAMILY SHOULD BE ABLE TO ANSWER THESE QUESTIONS.

- 1. Do you use safety matches?
2. Are floors under stoves protected with tile, stone, brick, concrete or metal, so as to prevent them taking fire from the heat?
3. Are walls, ceilings and partitions similarly protected in all places where they would be exposed to high temperatures in the event of overheating of stoves or furnaces?
4. Are ashes deposited in METAL receptacles and removed from the building weekly?
5. Is there any unenclosed space under the house where inflammable trash may accumulate?
6. Are chimneys built on the ground, or on brackets? Are they in good repair? Have flues been cleaned for winter?
7. Are stovepipes passing through partitions properly protected? Do stovepipes pass through attics, closets, or unused rooms where they may come in contact with anything combustible?
8. Is the use of gasoline forbidden inside the house?
9. Have you any fire extinguishers? Do all members of the family understand their operation?
10. Do you know where the nearest fire alarm box is? The telephone number of the Fire Department?

WANTS CHILDREN IN FATHER'S FAITH

Application Made in Supreme Court at Ottawa by Adolph Begras.

Ottawa, Oct. 10.—The application of Adolph Begras of Rockland, to have his four children brought up in the Roman Catholic faith was heard before Mr. Justice Hodgins at the weekly session of the Supreme Court of Ontario at the County Court House. Judgment was reserved.

he later learnt was a form of agreement that the children should be brought up in the Protestant faith. This was done he also claimed, at the instigation of his father who is a Protestant, and he stated that the time he affixed his mark to this document he was told that, unless he signed it, his children would not be properly cared for.

COUNCIL DISCUSSES LIGHT CURTAILMENT

Thornton Authorized to Take Steps to Protect City Property.

Formal notice from the N. B. Electric Power Commission regarding the curtailing of the supply of electric current from the Musquash was read at the weekly meeting of the Common Council yesterday and it was decided to empower Commissioner Thornton to communicate with the N. B. Electric Power Commission to take steps to protect the property involved by the shutting off of the lighting current.

Opening the discussion on the communication from Hon. Dr. Smith, Commissioner Thornton declared that the curtailing of the electric supply was a complete surprise to himself. It looked to him as though the provincial commission was not prepared to carry out its part of the contract with the city. The commission authorities, he charged, knew that such a situation would arise but apparently had made little effort to cope with it. The citizens' property must be protected in the area where the lights would be turned off and if necessary several policemen should be employed to patrol this section. He said that he had received such notice a few days ago he could have arranged to employ these special police.

Commissioner Frink immediately moved that the Commissioner of Public Safety be empowered to employ such additional police force as he might deem necessary. Commissioner Wigmore seconded this motion. The council would be ready to carry out its duty, he thought, should these precautions not be taken. Commissioner Bullock urged the council to protest strongly to the provincial commission regarding this curtailment of service. The notification was an eleven-hour one and left the city wholly unprepared. He thought that the Mayor should have been taken into the confidence of the commission as the city had the largest contract with the commission but apparently the situation, however, was not dissimilar to that which the city faced several years ago when electric lights for the streets failed completely. The city had employed special police and had met the situation successfully then. St. John, he maintained, largely was in the hands of the Government in this matter. The city had been given the word of the Premier that failing a supply from Musquash other sources would be tapped. He urged the council to have the matter arranged for at once between the Common Council and the Provincial Commission.

Mr. Thornton's suggestion was embodied in the motion. Line to McAvity Plant. Mayor Fisher said he felt quite strongly about the matter. He had hoped that negotiations between the provincial Commission and the N. B. Electric Power Company for an additional supply, in case of a shutdown at Musquash, would have been successful. He had read of these negotiations in the press and, therefore, was greatly surprised to read of the decision to shut off the current not only for the ornamental lighting system but for the private consumers as well. Several days ago, he declared, the provincial commission was tendered the use of the Marsh Road plant of T. McAvity & Sons Ltd., but this offer had been declined. The Civic Power Commission, he announced, was starting work Wednesday morning to run a line out to the McAvity plant. This would take about three days, said his Worship.

Commissioner Thornton declared that the local hydro commission had no authority to run this line out to the McAvity plant to secure current. Mayor Fisher: "The line was planned months ago. It must be constructed and the Commission felt it should be prepared."

Commissioner Thornton: "Only the Common Council can sanction the purchase of current at McAvity's." Mayor Fisher replied that it might not be the local Commission which would purchase the current. "It might be the provincial commission," he added.

Com. Bullock: "Then, why not lay the cards on the table? This is not a question of politics or individuals. It concerns this community vitally." The Mayor replied that this was part of the distribution system and not a question of politics. He declared that the local commission was exceeding its powers should it purchase current from the city from the McAvity plant. Commissioner Wigmore agreed with Commissioner Bullock's suggestion that a conference should be held at once. The motion, amended as suggested by Commissioner Thornton, carried unanimously.

The discussion broke out again, however, later on during the meeting when a bill from the N. B. Electric Power Commission for \$99,300 for current supplied to the city was read. This amount, according to the Commission, is owing to it by the city under its contract from May 1, last, until the end of September. Commissioner Frink brought in a resolution, which he said should be sanctioned of the City Solicitor, to pay the Commission the sum of \$11,315.15.

Dependable Optical Service. In addition to many years of practical experience and expert knowledge of fitting glasses, we offer you dependable service that guarantees your help in time of need. We fit your eyes scientifically, using a double check method on our findings before we prescribe glasses.

K. W. EPSTEIN & CO. Dufferin Hotel Block 10-12

being the amount which he considered the city must pay. This was for current actually used, commencing July 28 and ending Sept. 1 at the rate of 1-265th of \$120,000 per day. The city, he explained, was obligated to pay \$180,000 per annum for the current and the amount he named was for the current actually used during that period. Commissioner Wigmore seconded. "The bill should be paid," he added.

Mayor Fisher agreed with Commissioner Wigmore. "The amount named in the resolution, however," said his Worship, "is not adequate and I shall oppose the motion." Commissioner Thornton strongly opposed payment of this amount. He took the ground that not one dollar of the city's money should be paid over until the present tangle was straightened out and until the city was getting full service.

Commissioner Frink declared that the City Solicitor had given his opinion that the resolution he had introduced was correct. "Am I to infer, Your Honor, that you believe the City Solicitor is wrong?" asked Dr. Frink. The Mayor said he believed that the sum named was inadequate. Commissioner Bullock agreed with Commissioner Thornton. Why was there such a rush about paying this bill when the city would be in darkness because of the Commission's failure to make temporary arrangements for service, he asked.

On being put to vote, the resolution was defeated, Commissioner Frink and Wigmore voting yea. Magistrate's Salary. A letter from Premier Veniot declining to bind himself to support legislation which would provide for an increase in the salary of the police magistrate from \$2,500 to \$3,000, was read. He added that he believed such legislation would not meet with serious opposition. It was decided to apply to the Legislature for the necessary authority. Commissioner Frink presented a request from Alber Secord for the city to open up Wentworth street extension, cut off by the erection of a fence at the entrance to the Exhibition grounds. It was decided to allow the matter to stand over until both sides had been heard.

Middle Street Matter. A petition from the people of Middle street, which runs between Waterloo and Prince Edward streets, for improvements to the street, was presented by Commissioner Frink, who reported that there was doubt as to the ownership of the street. He said that it was not the property of the city. The matter was finally referred to Commissioner Frink for report.

A communication from H. Shannon regarding the construction by the city of a small bridge in Ashburn street was considered and finally referred to Commissioner Frink for report. Commissioner Frink advised his colleagues respecting negotiations between the city and the Canadian National Railways for property of the city in Lombard street and Paradise Row. He had been in conference with the City Solicitor and had been advised that the city could close up Lombard street or any other street, for that matter, after giving 30 days continuous notice of such proposed action in a local newspaper. Dr. Frink said he would bring in a further report on the entire matter in a few days.

The Ladies' Aid of the Fairville Methodist church was entertained at the home of Mrs. John Britney, George street, Fairville, on Tuesday night. The evening was pleasantly spent and the hostess served refreshments.

Nikolon Concert Greatly Enjoyed

A large audience thoroughly enjoyed an excellent programme of music presented last evening in Centenary Hall by Madame Nikoloric, brought to St. John under the management of Miss Pauline Biederman. A feature of the evening was the rendition by the artist of Professor W. C. Bowden's dainty composition, "Moths" which received a wonderful rendition at the hands of Madame Nikoloric and was greeted with great applause. Picturization is a marked feature of the wonderful playing of Madame Nikoloric, whose rippling runs and thunderous chords charm and astonish in turn. In the numbers from Debussy, the story idea was carried through until everyone could imagine "What the West Wind has Seen." All of this group were descriptive and were heartily enjoyed. Beethoven was presented with wonderful fidelity to his thought in composing the Sonata in C major, and Chopin's "Lullaby" was played with the same composer, with brilliancy in every note. The "Study in A Minor" was exceptionally tender, with the melody clearly marked in the left hand. The programme was varied, giving opportunity for the skill of the performer to be shown, and to allow the audience to be gratified.

C. W. L. HOLDS A SOCIAL SESSION

A large attendance marked the opening social meeting held by the C. W. L. at the home of Mrs. J. M. Barry in Broad street, last evening. The tea was kindly donated. Miss Lawlor conducted the musical portions of the programme and was heartily thanked.

MISSION CIRCLE MEETS. The Mission Circle of Centenary church met last night at the home of Mrs. Parker Jenkins in Broad street, with the president, Miss Hilda Britain in the chair. The opening devotions were led by Mrs. R. G. Fulton. Mrs. J. B. Irving gave the report of the New Brunswick and Prince Edward Island branch meeting which was held in St. Stephen and Miss Mildred Jones gave the report of the district meeting in Sussex. After the programme of the meeting was completed a social half hour was enjoyed and Miss Vivian Fowler was hostess for the serving of refreshments.

The meeting appointed Mrs. Edward Walsh as convener for taking charge of the ice cream booth which the subdivision will conduct at the Cathedral High Tea. Miss Mary Vincent, the new physical director, was introduced and she won golden opinions from all who met her last night. The opening of the gymnasium classes was spoken of and it was said that the first classes would be held on Friday evening and the high school girls and early next week for the seniors. Mrs. D. P. Chisholm as diocesan president gave a short address and Miss K. Kane gave her report of the National C. W. L. convention in Halifax. After the business of the meeting the members enjoyed social intercourse and refreshments were served under the conversation of the social committee.

PLAYERS WILL TAG FOR HEALTH CENTRE. The members of the Carroll Players company have very kindly undertaken to assist with the Health Centre tag day appeal on Saturday and have planned on a novel way of helping. They will have an automobile specialty decked out for the occasion and will arrange for a musical programme during their tour of the city. They will select from the automobile an opportunity to tag and solicit contributions for the good cause. The tour is to start at 11:30 and while they are out giving only three-quarters of an hour to the good work they are hoping to be able to tag a record number of people in that time. Those who will go on the automobile tour are Miss Edna Fretton, Miss Dora Kelton, Miss Myra Marsh, Miss Mabel Munro and Miss Virginia Odeon. James Carroll has also undertaken to speak in behalf of the Health Centre between the acts at the performances in the Opera House.

CLAN HAS CONCERT.

The Ladies' Auxiliary of Clan MacKenzie was in charge of the successful social which was held last night in the Clan Hall in Germain street as the opening event of the new season. There was a large gathering present and an excellent concert programme was followed by a dance that was greatly enjoyed. Refreshments were served by an efficient committee of which Mrs. J. McColegan was the convener. Mrs. W. Simonds, the lady chief, was in the chair, and the opening address was given by Major J. T. MacGowan, the chief of the Clan. The concert programme included vocal solos by Miss Madeline Daley, Miss Jessie Jamieson and Cyril Moore, a reading by Ronald Shaw and a piano solo by Miss Katie Fox.

GERMAN BANDMASTERS' IRISH APPOINTMENT

(English Exchange). The Morning Post Dublin correspondent says the Free State army has appointed Herr Fritz Brasse, late bandmaster of the Imperial Prussian Guard, as Honorary Colonel-in-Charge of the Irish School of Military Music.

FOOT WAS NEAT, HER STORY, TOO**

Confesses to Cocktails, Five or Six, Blows Kiss at Judge and Gets Out of Fix; Second Charmer Fares Not So Well; She's On the Island to Stay for a Spell.

New York, Oct. 10.—A bare foot, trim and pink, is no cause for complaint at the right time and place, but early in the morning and at Seventy-second street subway station, Patrolman Drayton deemed the circumstances did not warrant the publicity and haled the foot, along with its charmingly gowned owner, to West Side Court.

He saved the city expenses by taking in the same taxicab a second young woman who had also encountered difficulties at the subway station. She had been trying to place a nickel in the slot, but for some odd reason the slot was whirling about, the station was whirling about, and even the policeman seemed engaged in antics. "I don't know where they get it, but

**Hatchway
this Winter**

THE moment a man steps into a suit of Hatchway Underwear, feels its buttonless comfort, sees its sleek smooth fit; he becomes conscious of a new-born sense of ease and perfect freedom—a new habit forms. It's Hatchway for him—Hatchway "no-button" Underwear for life.

You don't know what underwear comfort is until you wear Hatchway. It fits your figure perfectly without being pulled or buttoned into shape; it is no trouble, no bother, has no buttons to lose or break, and cannot bunch or bind. Hatchway winter Underwear comes in seven warm weights of wool and wool and cotton mixtures. Costs no more than other kinds, yet is cheaper to launder, more durable, more comfortable and more comfortable.

**TWO ARE HELD ON
ELOPEMENT CHARGE**

Hartley Lewis of Dorchester, N. B., is in jail in Bangor, Me., and his sister-in-law, Mrs. Jennie Lewis, is being held under bonds on a charge of eloping. They were apprehended at Van Buren, Me., by immigration authorities last Friday. Lewis is said to be 35 years of age and the father of seven children. His sister-in-law is said to be 45 years old and has two children. Their case has been set over for the district court which will convene in four weeks.

they certainly have had plenty," the patrolman informed Magistrate Oberwager, placing a charge of intoxication against the two.

"Honest, judge, I'm not gone," the owner of the bare foot told him.

She said she was Mrs. Ruth Cartwright, twenty-one years old, of the Hotel Majestic, and had no husband any more, but had enjoyed three or four cocktails, or possibly five, but positively no more than six. While the matron found her a shoe and a stocking Ruth blew kisses at the magistrate.

The second prisoner said she was Bessie Brown, twenty-one, of Greenwich, Conn., a descendant of Alexander Hamilton. In fact, her name was not Brown at all, but Helen Dudley, and her mother was dying. Moreover, some one had stolen \$15,000 in jewels and \$180 in cash from her a few moments before. Indeed, her name was Helen Riddell and she wrote best-seller fiction.

Ruth, for her frankness, was released on suspended sentence. A personal card found in her vanity case, issued by Commissioner Enright in the name of Stowe and allowed special police privileges led court attaches to believe the name Ruth gave was fictitious.

Bessie, or Helen, after evoking the sympathy of the court, drew the magistrate's displeasure when the police records showed she had been arrested several times within the last week. She got five days in the workhouse, mournfully bowing her head as Ruth passed out blowing kisses.

The fire loss in Berlin averages about \$175,000 a year.

**U. S. HUNTER KILLS
LARGEST CARIBOU**

More Than 100 are Slain by Sportsmen Near Wrangel.

Wrangel, Alaska, Oct. 10.—A caribou, killed by D. W. Bell, of Williamsport, Pa., a member of a party from the eastern part of the United States that has just arrived here after a big game hunt in the Cassiar country, across the Canadian boundary, from Wrangel, was announced by experts as the largest specimen ever seen.

The party brought in more than 100 caribou skins by its members. Many of these caribou were of a huge size. R. N. Barnes, of Boston, killed a moose whose antlers had a spread of 61-2 inches, State Senator Robinson, of

BATTERIES

**Transportation Made
Canada a Nation**

WHEN the Fathers of Confederation sought to weld the provinces into one Dominion the lack of transportation facilities was a serious obstacle. The Maritime Provinces agreed to join provided they were given a railroad, and so the government built the Intercolonial.

The Great North West really became a part of the Dominion when the C.P.R. laid "Orders of Steel" across the continent.

Other means of transportation did for communities what the railroads did for Canada as a whole.

The stage coach followed the ox cart, the steamboat and railroad succeeded the coach. Then came the automobile. When there were no roads, it created them. Where the railroads encircled hills, it pushed boldly across. Where cities were separated by miles, it reduced the miles to minutes.

General Motors builds five makes of automobiles, of which Chevrolet is one.

Chevrolet brought to the General Motors family a vision of great multitudes who needed economical transportation, and who waited for the coming of a quality car at the lowest possible cost. Producing such a car, Chevrolet at the outset met a public response that was tremendous and has been increasing every year.

By the economies of large purchasing power and quantity production the interchange of men, money and ideas, and the full encouragement of engineering research, General Motors helps to build added value into the products of each of its manufacturing divisions.

THE EVENING TIMES-STAR, ST. JOHN, N. B., WEDNESDAY, OCTOBER 10, 1923

WHAT'S DOING IN THE MONEY AND STOCK MARKETS TODAY

HANDLING MORE GRAIN THIS YEAR

C. P. R. Reports 22,918,000 Bushels Already This Month.

Montreal, Que., Oct. 10.—Grain loading and marketing on Canadian Pacific lines for the first seven working days of October was considered in excess of last year's operations during the same period.

Since October 1 there have been marketed 22,918,000 bushels, against 17,578,000 bushels marketed during the same period in 1922. Cars loaded last week averaged 1,242 daily. These cars took from the farms 2,260,000 bushels each day, compared with 1,954,000 bushels which were loaded into 1,342 cars daily for the first seven days of October last year.

During the whole period 10,797 cars were loaded with 15,622,000 bushels, against 8,901 cars, or 13,615,000 bushels, in 1922, an increase of more than 2,000,000 bushels.

The movement east of Winnipeg is somewhat slower this year, but an average of 1,316 bushels a day is being forwarded to Fort William daily on Canadian Pacific lines since October 1, and a considerably heavier movement is expected by the end of the present week. Loading, also, it is anticipated, will be heavier in a few days, and the railway officials expect that it will for a few days exceed 2,000 cars. Last year's record day was September 26, when 1,767 cars were loaded. This year, although the crop was considerably heavier in most parts, the harvest was two weeks and more later, and naturally delayed the movement of the grain.

For several months 21 freight cars have been turned out of the Canadian Pacific shops each day. Production of these cars, the very latest in design and equipment, is still going on at the same rate, and most of them are being forwarded to the grain belt on completion. With its new cars and locomotives the company anticipates no trouble in handling its share of the crop and has things well in hand at the present time.

NEWS NOTES OF STOCK INTEREST

(McDougall & Cowans)
New York, Oct. 10.—Oil of California, nine months ended Sept. 30, net profits, \$7,200, after depreciation depletion and federal tax. National Biscuit declared quarterly dividend of 75 cents on common and 1.25 on preferred.
C. D. F. declared dividend \$1.
Sinclair Consolidated Oil Corporation quarterly dividend meeting at 10.30 a. m.

MORNING STOCK LETTER

(McDougall & Cowans)
New York, Oct. 10.—Yesterday's market was another meaningless affair. The main news development today will be the unloading tonnage of U. S. Steel which will be published at noon. It is expected to show a decrease of about 200,000 tons. Such a showing would be some improvement over the last two months, but at the same time it would indicate that incoming business is still substantially below production for a month in which fall demand is expected to assert itself. In general the statement is believed to be fairly indicative of the state of business in general. Demand is not up to production and lower production rates and probably lower commodity prices will follow.

Stock Situation Today in Wall Street—Montreal Market.

New York, Oct. 10.—Stock prices continued to display a reactionary tone at the opening of today's stock market although good support was forthcoming from some of the recent weak issues, notably American Agricultural Chemical preferred up 1.5-8. Selling pressure was again most effective in the oil, copper and automotive issues. Cuyamont Fruit dropped two points and Kresge five.

Montreal Market.
Montreal, Oct. 10.—Only three issues came out on the board during the morning but the usual industrial and railroad leaders moved upward despite the recurrence of selling pressure in a number of ordinarily inactive issues. New York Central, New Orleans, Texas and Mexico, Norfolk and Western, Baldwin, Studebaker, Gulf States Steel, American Can, Dupont, American Woolen and Marine preferred climbed one to two points above yesterday's final figures. Jones Bros. Tea advanced 2.3-4 and American Agricultural preferred three. New lows for the year were established by Republic Steel.

Thousands Swarm To Ball Game
(Continued from page 1)
Ward will be at second, Scott at short and Pagan at third. Mussel will be in left and Witt in centre field, with Schang, "Old Dependable" behind the bat. Huggins Young Ernest Johnson, a brilliant infielder for utility work, and Fred Hofmann and Benny Bengough are deck for duty at the catching post.

Greenland is ten times the size of the State of Pennsylvania.
George E. Barbour, president of the Board of Trade, said that if the C. N. R. really proposed to make developments such as are suggested on the plan it would be a great thing for the port not to look such a place as Ottawa on one occasion.

Parish Racing Finale Has American Flavor
Paris, Oct. 10.—A. K. Macomber's Parth, with Frank O'Neill riding won the Arc de Triomphe stakes, 3,000 francs added, the last big flat racing feature for 1923. Thus the metropolitan racing season came to a close with a victory for an American owner and an American jockey.

SEES FUTURE OF ST. JOHN BRIGHT

Hon. Mr. Pugsley on Court-enay Bay News—Others Express Opinions.

The Times-Star yesterday sent wire to Hon. William Pugsley in Toronto, requesting a brief statement of his views regarding the Court-enay Bay plans. Hon. Dr. Pugsley replied as follows:
"I am in receipt of your telegram informing me that the Canadian National Railway has prepared plans for a new pier and head of Court-enay Bay, providing first for three thousand two hundred feet of wharfage, and a grain elevator, with other berths for later development, and requesting a brief statement of my views regarding this most important project."
"When in 1910 the late Charles H. Hays, one of the greatest and most far-seeing railway men whom the world has yet produced, decided on St. John as the most suitable port for the Atlantic terminal of the Transcontinental Railway, he asked me to procure for the railway the land at the head of Court-enay Bay, which I did."

"It is the most complete system ever offered to the public, and on BOTH upper and lower levels, removing foul matter which poisoned the system for months and which nothing else can dislodge. It brings out all the wastes from the alimentary canal, and it is astonishing the great amount of poisonous matter which draws from the alimentary canal—matter you never thought was in your system. Try it right after a na-

WOMAN LOST FAITH IN ALL MEDICINE

But After Many Years Finally Does Find Permanent Relief From Gas on Stomach.

"I had taken medicine for years without permanent relief, so I had no faith. But I am wonderfully glad I tried Adlerika for I have taken only one-half bottle and can eat anything now without causing gas. Before I could eat nothing but bread and milk, everything else caused and forced gas. Since taking Adlerika I enjoy eating." (Signed) Mrs. J. B. Manning.

Intestinal Antiseptic.
There is now offered to the public a preparation having the DOUBLE action of an intestinal antiseptic and a COMPLETE system cleaner. This preparation, known as Adlerika, acts as follows:
It tends to eliminate or destroy harmful germs and colon bacilli from the intestinal canal, thus guarding against appendicitis and other diseases having their origin in the intestine.
It is the most complete system cleaner ever offered to the public, acting on BOTH upper and lower bowel, and removing foul matter which poisoned the system for months and which nothing else can dislodge. It brings out all the wastes from the alimentary canal, and it is astonishing the great amount of poisonous matter which draws from the alimentary canal—matter you never thought was in your system. Try it right after a na-

PORT OF ST. JOHN.
Arrived October 10.
Coastwise Gas ship. Citron, 47; Halifax, Parriss, and Bear River, 70; Woodworth, from Digby; sch. Nelson, T. McDonald, 47, Card, from Parriss.
Sailed October 10.
S. S. Governor Dingley, Ingalis, for Boston via Eastport and Lunenburg.
S. S. Appanattox, 1,810, Hewson, for Philadelphia.
Cleared October 10.
Stmr. Bear River, 70, Woodworth, for Digby.
MARINE NOTES.
The Furness liner Appanattox sailed last night for Philadelphia, where she will call out for London.
The C. G. M. M. liner Coaster sailed from Cornwall on October 6 for Montreal. The Commander arrived at Cardif on October 8 from Montreal. The Explorer arrived at Antwerp from Montreal on October 6. The leader passed Fame Point, Gulf of St. Lawrence, on October 8 but was lost.
STREET CAR OWNERS TOLD THEY SHOULD ADVERTISE.
Atlantic City, Oct. 9.—(By A. P.)—Whether you have rings, radishes, rides or anything else to sell, newspaper advertising will help you sell your goods and should be used liberally, so the Merchandising Transportation Committee and members of the American Electric Railway Association in convention here.
In three years the association has increased the number of companies which advertise ten fold, but too many still are not advertising, their utilities are under-advertised.
Merchandising transportation through the printed word is growing very rapidly in the electric railway industry. The number of companies now using advertising in one form or another, particularly newspaper advertising, numbers approximately 300.
The Association has urged the men behind the Public Utilities Advertising Association to publicly have voted the belief that utility companies, within the next few years, will increase their advertising appropriations until they come somewhere near 1 per cent. of their annual gross annual revenue.
The small daily and weekly newspaper, especially along interurban lines too frequently is overlooked, it was declared.

RUMANIAN PRINCE JOINS CATHOLIC CHURCH ORDER.
Paris, Oct. 10.—An unusual conversion of a Rumanian Prince from the Greek Church to the Roman Catholic priesthood was celebrated here when Prince Vladimir Ghika, brother of Prince Demetre Ghika, the Rumanian Minister in Paris, took the vows. The ceremony was attended by numerous political and social personages, including representatives of the Italian Embassy. The new priest is a cousin to Princess Jean Ghiki, who was Miss Hazel Singer.

TRAFFIC CASES.
Oliver W. Wood was fined \$10 and costs by Magistrate Wright this morning for auto speeding. W. R. Scott was fined \$10. The complaints were laid by Provincial Constable Crawford.
One of the best collections of jade to be found anywhere is in the Metropolitan Museum of Art in New York.

EVERY WOMAN should use MARVEL WHITING DOUCHE.

WOMAN LOST FAITH IN ALL MEDICINE

But After Many Years Finally Does Find Permanent Relief From Gas on Stomach.

"I had taken medicine for years without permanent relief, so I had no faith. But I am wonderfully glad I tried Adlerika for I have taken only one-half bottle and can eat anything now without causing gas. Before I could eat nothing but bread and milk, everything else caused and forced gas. Since taking Adlerika I enjoy eating." (Signed) Mrs. J. B. Manning.

Intestinal Antiseptic.
There is now offered to the public a preparation having the DOUBLE action of an intestinal antiseptic and a COMPLETE system cleaner. This preparation, known as Adlerika, acts as follows:
It tends to eliminate or destroy harmful germs and colon bacilli from the intestinal canal, thus guarding against appendicitis and other diseases having their origin in the intestine.
It is the most complete system cleaner ever offered to the public, acting on BOTH upper and lower bowel, and removing foul matter which poisoned the system for months and which nothing else can dislodge. It brings out all the wastes from the alimentary canal, and it is astonishing the great amount of poisonous matter which draws from the alimentary canal—matter you never thought was in your system. FLIRTS WITH POLICEMAN.
Finds it Out Too Late and it Costs Him a \$10 Fine.
New York, Oct. 10.—Patsy Samaro found himself seated beside an attractive young woman in the Savoy Theatre on Saturday, and after publishing his acquaintance congenially, ventured to hold hands. Then he suggested that they leave the theatre and go to the city.
When they got outside, the young woman, who was Caroline Radigan, a policewoman, informed Patsy he was arrested for disorderly conduct. Patsy started to run, but was caught by men coming out of the theatre. It all cost according to P. M. Dudley, consulting engineer of rails, ties and structural steel of the New York Central Railroad. The New York Central now uses 120-pound rails, but Dr. Dudley has completed a formula for a 127-pound rail, which will be submitted to the directors at their next meeting.
"I believe that the new rail of 127 pounds will make unnecessary the 120-pound rail which has been recommended," declared Dr. Dudley, who is 80 years old.

OLD MERRIMAC FIGHTER NEVER DRINKS WATER.
Norfolk, Va., Oct. 10.—Capt. Arthur Sinclair of Hunters, Va., a survivor of the battle between the Merrimac and Monitor, came here to take a trip to Hampton Roads and look over the spot where the two ironclads met.
Capt. Sinclair is 90 years old. He is in good health and he says he has not taken a drink of water in twenty years. He says he prefers milk to water and he sometimes takes a touch of something to eat.
Capt. Sinclair was one of the crew of the Merrimac. He is a great fighter, and walks many miles at times just to go fishing for trout. A few days ago he walked from his house to Snake Den Run, a distance of four miles, and then two miles along the bank of a creek in search of fish.

COUPLE ON WAY TO WEDDING WRECK AN EMPTY HEARSE.
New York, Oct. 10.—An empty hearse was overturned and wrecked at Ninety-second street and Madison avenue when it struck an automobile owned and operated by Daniel Jackson, who, accompanied by his wife, was on his way to a wedding. James McCann, 20, 288 Tenth Avenue, driver of the hearse, escaped injury by leaping to the street as the collision occurred. Jackson and his wife were severely shaken up. They were treated by Dr. Swift of Knickerbocker Hospital.
Robert Louis Stevenson became a lawyer to please his father, who feared he would starve by writing.

ST. JOHN GROOM, MONTREAL BRIDE
A marriage of interest to many St. John friends took place in St. Michael's Church, Montreal on Oct. 8 at 9 a. m. when James P. Fitzpatrick, son of Mrs. K. A. and the late David Fitzpatrick and grandson of the late Patrick Fitzpatrick and Miss Ethyl J. Anderson, daughter of the late Mr. and Mrs. H. J. Anderson of Montreal were united in marriage by Rev. Fr. Devine S. J., a friend of the bride's family, who also celebrated nuptial mass. The bride, left on in marriage by her brother, D. Anderson and looked beautiful in a navy blue jacket with black velvet hat with ostrich feather and grey squirrel tie, the gift of the groom. The groom was attended by Gordon Nichol of Montreal who was the recipient of a gold tie pin. After the ceremony the bridal party repaired to the home of the bride's sister, Mrs. M. Frank Keenan, Bloomfield Avenue, Outremont where a buffet breakfast was served. Mr. and Mrs. Fitzpatrick left on 9.35 a. m. train for a trip to New York and Washington. On their return they will stay at Bloomfield Avenue until they leave for St. John about the middle of November for the winter season.
The popularity of the young people is testified to by the numerous and beautiful gifts of cut glass, which were sent from friends in Montreal, St. John and elsewhere.

C. G. I. T. IN RALLY.
In connection with the rally week observations in the Portland Methodist Church the C. G. I. T. group had a special programme last night. Miss Edith Brown, the president, was in the chair and led the devotions. A pleasing duet was sung by Miss Veara Laughlin and Miss Mabel Chown. A singing song was indulged in before Missings closed the meeting.
Robert Louis Stevenson, a great engineer of Scotland.

ANTI-TUBERCULOSIS ACTIVITY.
Satisfactory reports of work accomplished during the summer were presented at the first fall meeting of the Society for the Prevention of Tuberculosis, held last evening.
E. L. Rising presided and the nurses' report was presented by Miss Alice Hegon, which indicated a great increase in the number of visits made. Last month's report showed that four patients had been admitted to the county hospital. It was decided that means would have to be adopted to increase the funders of the society which were reported at low ebb. Miss Catherine Bell, who had been absent from the city, resumed her duties as secretary.

ENGINEER BUILDS 127-LB. RAIL FOR USE ON NEW YORK CENTRAL.
Atlantic City, N. J., Oct. 10.—The strength of steel rails will be further increased within the next few years, according to P. M. Dudley, consulting engineer of rails, ties and structural steel of the New York Central Railroad. The New York Central now uses 120-pound rails, but Dr. Dudley has completed a formula for a 127-pound rail, which will be submitted to the directors at their next meeting.
"I believe that the new rail of 127 pounds will make unnecessary the 120-pound rail which has been recommended," declared Dr. Dudley, who is 80 years old.

SPORT NEWS GLEANED FROM WORLD'S CENTRES

TO START LEAGUE ON NOVEMBER 5

Bowlers From Commercial Houses Have Meeting at Black's Alleys.

Preliminary arrangements for the start of the Commercial League on November 5 were completed at a meeting of representatives of various teams held at Black's alleys last evening. Charles Brennan was elected president, and W. Wright, secretary. A. C. Rockwell promised to donate a cup for the champions. It must be won three years before becoming the permanent property of any team.

Representatives were present from the James Fender & Co. Ltd., Emerson & Fisher Ltd., Post Office, T. McAvoy & Sons, Ltd., Brock and Peterson Co., Ltd., Opticians, G. E. Burbon Co., Ltd., Baird & Peters, and Manchester, Robertson Allison, Ltd.

Biff! Bang!

Advancing Years Need Stomach Help

If Inclined to Sour Risings, Heartburn, Gasiness, Stomach Distress, Constipation, Bloating and Indigestion, Try

Our digestive system, with a little help, will pick out of a diversified diet what the body needs to sustain health. It is the sour stomach, gasiness and acid condition that starts trouble all along the line, particularly with people getting on in years. If they will use Stange's Dyspepsia Tablets after eating, the stomach will sweeten; eggs, milk, cheese and meat will be digested, gas will not be indigestion and harmful fermentation. Get a 90-cent box of these wonderful tablets and learn what it means to enjoy meals without consequent discomfort and the system will thus get nourishment and strength unhindered digestion.

the Cambrai Bankers last night. The scores were:

**H. E. Richards Heads
St. George's Club**

At the annual meeting of the St. George A. A. last evening in the Y. M. C. A., the following officers for the ensuing year were elected: President, H. E. Richards; vice-president, Hazen Short; secretary-treasurer, Charles Emerson; executive, A. W. Covey, P. J. Legge, Frank White, F. W. Coombs, S. G. Olive and W. L. Bagnall. Reports of club executives in the boxing, baseball, hockey and bowling line were received. The treasurer's report showed a big deficit.

The association expects to have a better year in athletics next year. In basketball, several well known players have been signed up to appear on the club's City League team, including Roy Willet, George Smith, Gordon Wilson, Millidge, “Ned” Ketchum, Frank Campbell, Murray Nixon, Eric Snow and others. In bowling, Bruce Winchester, Thomas Jenkins and A. W. Covey will represent the club with others. Last year the team played in the Wellington League, in hockey, practically all of last year's team with the notable exception of “Doc” Taft will be on the lineup. “Steve” McPhee, of last year's Y. M. C. A. team, will lineup with St. George this winter.

**Shelvin Is Signed
To Meet Healey**

“Eddie” Shelvin, New England's premier welterweight, has been signed to meet “Nedder” Healey, Maritime champion, in Halifax on October 29. There is possibility that this match will be staged in St. John in event of Healey's defeat.

**TOBACCO IN FOOTBALL
PLAYER'S THROAT
CAUSES HIS DEATH**

Cleveland, Oct. 10.—Chewing tobacco while playing football cost the life of Chester Mares, 25, a Cleveland semi-pro player, who died of strangulation while being taken to a hospital at Painesville.

Mares, playing fullback at Willoughby, east of here, had just thrown a forward pass when he was knocked from his feet. In falling, a wad of tobacco became lodged in his throat. Efforts of physicians at the field to prevent death failed.

The Northern Wheat Growers of the U. S. import about 50,000,000 Calcutta grain bags yearly.

“FRENCH HEELS”

THE STORY OF “FRENCH HEELS” INTRODUCES Mrs. Castle in a series of whirlwind events. She dances, rides, swims, and wears a number of stunning wraps and gowns that will no doubt be the envy of every woman in town. The action of the story takes place in New York City and in the lumber camps of the far north. It is a modern story, written especially for the star, and provides her with some of the best opportunities of her career.

Aspirin is the trade mark (registered in Canada) of Bayer Manufacturing Co. While it is well known that Aspirin means Bayer, nevertheless, the public is advised to be on the alert against imitations. The Bayer Company will stamp with their special trade mark, the “Bayer Cross.”

HEALTH FOR WORKING WOMEN

Let Lydia E. Pinkham's Vegetable Compound Help You to Become Well.

Thousands of girls have to work in homes, offices, stores, mills or factories who are physically unfit for work, with often an aged or invalid father or mother dependent upon them for support. Standing all day week in and week out, or sitting in cramped positions a girl often contracts some deranged condition of her organic system which calls a halt to her progress and demands restoration to health before she can be of use to herself or any one else.

For those distressing weaknesses and derangements these girls have found health to do their work in Lydia E. Pinkham's Vegetable Compound.

Toronto, Ont.—“My work is to run a power-machine which is very heavy, and I had a pain in my left side and a weakness caused by getting my feet wet. It was only a few days later when I saw your advertisement in the paper and began taking Lydia E. Pinkham's Vegetable Compound and used the Sanative Wash. The pain left my side and the weakness disappeared after I took the first bottle of Vegetable Compound, but I took five in all and used two of the Wash. I didn't have a physician and I didn't take any other medicine. If this letter will help you you may use it.”—Mrs. KATY KELLY, 21 Sullivan St., Toronto, Ont.

Nova Scotia Woman Helped

Scotaburn, N. S.—“I have been bothered for over three years with a weak side caused by female illness. At times it has bothered me so that my side ached so I could feel it way to my toes. I took two bottles of Lydia E. Pinkham's Vegetable Compound and found it helped me considerably, and I intend taking more as I know the results will be good. I saw the medicine advertised in the newspapers, and before I had finished the first bottle of it, noticed a difference in my health. I hope every woman who has female troubles will try it.”—Mrs. JOHN R. McLEOD, R.R. 1, Scotaburn, N. S.

Pains In Side

Portneve, Sask.—“My sides would get so sore and pain so that I would be unable to move around. I felt just as if there was a weight bearing the abdomen down. I learned about Lydia E. Pinkham's Vegetable Compound from a neighbor who took it, and that soreness has left me. I live on a farm and have housework to do. If this letter will help any woman who suffers from female troubles you can use it. I know of no better medicine than the Vegetable Compound.”—Mrs. W. C. MARTIN, Portneve, Sask.

N. B. EMPLOYERS TAKE STEP FOR ORGANIZATION

Draft Constitution at Meeting Here—Goes to Compensation Board.

Another step towards the formation of an employers' association in New Brunswick was completed yesterday afternoon when a committee appointed at a general meeting of employers held in St. John last March, met here and drew up a proposed constitution for the new organization. This draft will be presented to the Workmen's Compensation Board and if it is approved by that body, a further meeting will be called to complete the formation of the employers' association.

Under the provincial act, the constitution of an employers' association must have the approval of the Workmen's Compensation Board, before the association will be recognized by the board.

Two-fold Objects.

The objects of the employers' association are two-fold. In the first place, the organization affords a medium through which matters in connection with the application of the Workmen's Compensation Act can be taken up and acted on, the association representing the employers generally in all matters pertaining to compensation. It is also intended as a medium for the promotion of accident prevention work, through which assessments for compensation may be materially reduced.

The committee which had in hand the arrangement of the constitution is composed of L. W. Simms, St. John, chairman, and A. S. Gregory, J. Fraser, Gregory and John Monney, St. John; Fred Fisher, Sackville; W. Brewster, North Devon, and Charles Coll, manager of the Minto Coal Co., Miramichi.

Mr. Simms said this morning that he received a communication from Premier Veitch recently advising him that a general meeting of employers' and employees' representatives together with the Workmen's Compensation Board and himself, would be held in the near future to discuss matters in connection with the operation of the board. It is probable that this meeting will be held in St. John.

LOCAL NEWS

ARE NOTARIES PUBLIC

Adrien E. Richard, Paul C. Gunn, Henry D. Hopkins and Steven Roy Kelly, all of St. John are gazetted as notaries public.

FINED IN LIQUOR CASE.

William Speight was fined \$200 by Magistrate Henderson in the Police Court this morning on a charge of selling intoxicating liquor in his store in Main street.

ABLE TO GO HOME.

Friends of James A. Hurder of 88 High street, who was in the General Public Hospital suffering from an infected hand, will be pleased to learn that his condition is greatly improved and he has returned home.

HERE IN MOOSE CASE.

Acting Chief Game Warden Bradburn has returned from Fredericton and is at the Dufferin. He is going to Hampton on Wednesday to prosecute in case arising out of the seizure of moosemeat by Constable Robert Crawford.

WATER RATES.

Today, the last day of the discount period for the payment of water rates, the water rates office at City Hall, and a large amount of cash was taken in. According to indications the receipts will be well up to average.

THE ROSS TROPHY.

At a meeting of the Wallace Ross Memorial Cup trustees last evening matters in connection with the award of the trophy for this year and last year's competition were discussed. As a result Giggey, who won the race on both occasions, will receive a handsome miniature of the trophy with the inscription for both years on it.

A MARITIME COMPANY.

F. G. Taylor, secretary-treasurer of the Maritime Life Assurance Company of Halifax, is in the city today on a business visit. He is making arrangements to place stock of his company in this province. Some \$400,000 had been subscribed in Eastern Canada, not counting New Brunswick. Mr. Taylor is to return to Halifax tonight, but will be here some again.

FALLS BRIDGE CASE.

Hon. W. P. Jones, K. C., is in the city today in connection with some legal business. He is also preparing for the presentation of the Falls bridge case in connection with the appeal from the decision of Mr. Justice Gwynne, which came before the appeals division of the Supreme Court at Fredericton on the second Tuesday in November.

SPECIAL THROUGH HERE.

A special train, with equipment passed through the city today from New York en route to Halifax. It was said that the large ocean liner Majestic would have to spend a number of days in the city in connection with the handling of the passengers. An effort was made to hasten this train, but local authorities claimed to have no special knowledge of any change in the steamship's plans.

VISITING NEWSPAPER MAN.

Frank J. O'Rourke, visiting newspaper man from the Chicago Tribune, the largest morning newspaper on the North American Continent, left on the C. N. R. after an express for Fredericton after a two-day visit in St. John. Mr. Markey entered the Maritime region last week at Yarmouth on a transcontinental trip across Canada to call on the important daily papers. He reports signs of a business revival, based on what he has been told by representative newspapermen and merchants.

IS IN TROUBLE.

"I am indebted to the Indian in the Police Court this morning in answer to the call of his name, which was read off the charge sheet by Magistrate Henderson. "Well, tonight over here," answered the Magistrate, "and say whether or not you are guilty of being drunk." The Indian denied the charge, but after the testimony of Policemen George Totten he was fined \$8 and informed that he would have to spend two months in jail in default of payment. Three other men pleaded guilty to drunkenness charges and were fined \$8 or two months in jail.

ANNUAL MEETING.

The date of the annual meeting of the governing board of the Boys' Industrial Home and that of the 80th birthday of one of its members, Hon. R. J. Ritchie, falling within a few days of each other, it has been decided that the two events be celebrated on the same date. Consequently the home at East St. John will be the scene of an interesting and happy occasion on Friday evening. The annual business meeting will start at 8 o'clock, followed at 8:30 o'clock by a banquet at the Hotel Marlborough. At 9:30 o'clock the board and several invited friends will be entertained at dinner at the conclusion of which there will be addresses and a programme will be carried out.

As Hiram Sees It

"Well, sir," said Mr. Hiram Hornbeam to the "Times" reporter. "I see they're going to put wharves in Courtenay Bay—'an' it's a good thing, 'cause that's the terminus fer the government 'railroad, I mind when if you mentioned Courtenay Bay a lot o' folks 'ud begin to dance about about 'Frida-wastin' the people's money. They said our granddaddies would see anything join'er there—as fer as trade was concerned. Now we got the biggest dry-dock in the world over here 'an' they'll soon be wharves 'an' a grain elevator—'an' mebbe a ship-buildin' plant 'limbody. You had get no more call to grain about that than the folks had that said we'd never hev the dry-dock. I mind when the site o' that there sugar refinery was bought they was lots o' people said it was 'jist graft 'an' we'd never git no business out o' it. Well—'an' 'an' my advice to you people here in town 'ud be to quit grouchin' 'an' put your best foot forward—'cause as they're doin' now over in Halifax—'Yes, sir."

POST OFFICE SAFE AND CASH STOLEN

Damaged at Anagance—St. John Men Leave to Investigate.

One of the most daring robberies that has been perpetrated in this province for some time occurred in Anagance on Monday night when the general store and post office of Blise A. Keith was entered and his safe was picked up in a wheelbarrow and wheeled away to an automobile that had been parked in a field nearby. The safe weighed 300 pounds and contained \$175 in currency and stamps, in addition to some papers, which Mr. Keith valued highly. In addition, a rifle and revolver and a quantity of ammunition were taken.

The break was learned of yesterday by Mr. Keith when he went to open up for the day. The thief or thieves forced the lock on the front door. Mud tracks on the floor indicated that they had removed the safe in a wheelbarrow. The tracks led to a field in the rear of the store where automobile tracks were discernible.

An entry was also made in the C. N. R. station where a rifle and a box containing papers of the station agent were taken.

The break was reported to the postal authorities by P. G. Griffith of the 80th title of the Enquiring Department went to Anagance to hold an investigation. Special Agent James Ryan of the C. N. R. was also notified about the break in the station and went to Anagance. Up to noon today the culprits had not been apprehended.

People in Anagance commenting on the daring break, clamor for protection. They say that police should be appointed.

SENDING POTATOES TO WEST INDIES

"A good yield, good quality and fairly good prices." In these words Hon. W. P. Jones, K. C., of Woodstock, who was in the city today summed up the potato situation in Carleton and Victoria counties in N. B. and Antigonish county in Maine. He said, however, that the acreage was not quite up to the average this year. The farmers, he said, were receiving on an average about \$1.50 a barrel for their crop from the field and there was a fairly good demand. Several shippers in the Carleton county district, who co-operate in the shipping of potatoes, have already despatched three steamer loads of the present crop to the West Indies and Cuba and the expect to keep on shipping through the fall and winter seasons.

SAYS CREW WERE HEAVILY ARMED

Off to an unknown destination with a valuable cargo of liquor and a crew heavily armed, the former nine-sweeper Lutzen recently sailed from this port. A local official, who was connected with the sailing of the vessel on its arrival in port, said that it had been released on bond and men had been stationed on the steamer watching to see that the cargo was not interfered with. They reported that the crew recalled the days when pirates infested the seas, as every one was heavily armed.

HERE IS MAYOR'S LETTER SENT TO POWER COMPANY

Suggestion to New Directors on Co-operation—The Company's Reply.

Reference has already been made to a letter sent by Mayor Fisher to the N. B. Power Co. Here it is. The reply of the company also is given.—

Mayor's Office
Saint John, N. B.,
October 9, 1923,
New Brunswick Power Company.
Gentlemen—It is a gratification to learn that five prominent Saint John business men have allowed themselves to be placed on the directorate of the Power Company, with, as a principal object, the building up of a helpful public utility in this city and vicinity.

This I take it applies to the railway and gas service and not to the selling of electricity in competition with the city, as a public utility is not helpful when it competes with municipal ownership.

As it is now an established fact that the city is to supply its people with electricity from the Musquash development and a large part of the distribution system has been constructed, I would suggest that the new directors use their influence towards co-operation which has so far been lacking, between the company and the city in the supplying of electricity to the consumers. Particularly I have in mind the obnoxious delays which are occurring in the changing of services to residences and co-operation with respect to lines of streets.

I trust that the new directors will as citizens do all that they can to eliminate the business visit. He is making arrangements to place stock of his company in this province. Some \$400,000 had been subscribed in Eastern Canada, not counting New Brunswick. Mr. Taylor is to return to Halifax tonight, but will be here some again.

Company's Reply.
October 9th, 1923.
G. Fred Fisher, Esq.,
Mayor City of St. John,
City.
Dear Sir—We appreciate your favor of the 6th inst. and have carefully noted contents.

The present board of directors has not had sufficient time to familiarize themselves with the operations of the company.

The directors have accepted their positions on the board with the understanding that they shall be free and independent to take such actions as they consider in the best interests of all concerned and you may be assured that in formulating any policy they will use their best unbiassed judgments, and all matters will be approached with a feeling of co-operation and fair-mindedness.

In that branch of the business which pertains to the distribution of electric energy, they shall employ their best efforts to work out a satisfactory solution of the present situation and they will advise the city and the other members of the City Council who will be disposed to approach this matter in the same unbiassed spirit that they intend to employ, and that a solution may be arrived at which will be fair to the province, the city and the company.

Yours very truly,
NEW BRUNSWICK POWER COMPANY
John A. Olive
Secretary.
For the Board of Directors of Power Co.

October Days Are Going Fast

October days are hunting days. If you have any hunting instinct take advantage of it while the weather is good. You appreciate the joy of being alive when you tramp over the fields and woods with a good dog and a trusty gun.

When you get ready to go on that hike come take a look at our Single and Double Barrel Shot Guns, Rifles, Ammunition and hunting accessories. There's a Shot Gun or Rifle here that will suit you just right.

Mirrors Brighten the Home

A mirror above your buffet, in the hall or reception room or as a part of the decorative scheme of your living room, will add a decidedly artistic touch to your home.

Many do not realize the attractiveness as well as utility of numerous mirrors, judiciously placed, and a glance at some of those in our stock will prove a revelation. Then, of course, there are those for the bathroom, dressing room, even the kitchen, which are quite indispensable, and these may be had in white enamel or oak frames, in oblong, round-cornered, oval or round styles.

Naturally a great variety in prices, too.
