THE SEMI-WEEKLY TELEGRAPH; BI' JOHN; N: B. APRIL 19: 1839.

 A Depressing - Season.

Winter is the most trying season of the year, so far as health is concerned. Confinement in-doors, and over. heated and impure air makes even usually strong people feel dull, languid, easily tired and generally run down.

A tonic is needed to aid nature in regaining lost energy. April is the month of all months when a tonic is of most service.
OR. WILLIAMS' PINK PILLS FOR PALE PEOPLE
is the only true tonic medicine. These pills make rich, red energy-giving blood and transform listless, dull, tired and worn-out men and women into smiling, healthy, happy, work-loving people.

Thousands-some of them your neighbors-have been made well by Dr. Williams' Pink Pills, but you must get the genuine

NERVOUS AND WORN OUT.
