## REPORT.

---

IN God's good Providence your Committee are permitted once more to meet with the friends and supporters of the "Protestant Orphan's Home," and to furnish them with a brief summary of the position and prospects of the Institution.

In submitting their Report your Committee desire to record their grateful acknowledgments to Almighty God for abounding tokens of mercy, and their heartfelt prayer is that they may daily become more scrupulously conscientious in the discharge of the duties devolving upon them as individuals, and as a Committee, ever keeping in memory that He who has committed to each one or more talents, has said "Occupy till I come."

The *financial position of the "Home"* is satisfactory, as will be seen by reference to the Treasurer's statement.

The *number of Inmates* given in last Report was. . . 34

Admissions during the year. . . . . 20

—  
54

Deduct those provided with places or reclaimed

by friends. . . . . 12

—  
Present total. . . . . 42

some material changes are contemplated in the Control department early in the ensuing year.

"Change" is written on all things earthly, and as the eye glances over the list of patrons of the "Home" in years by-gone, the heart is saddened by the oft-recurring blank. The keen, unerring arrows of Death during the past year have been searching our ranks, and prominent among those who have fallen before his relentless stroke—your Committee have to record with deep sorrow the name of
