## VICTORY LOAN CLAIMS ATTENTION

Already Brighton People Have  
Applied for \$7000 Worth of  
Bonds

Even the enforcement of the Military Service Act must take second place in people's minds in view of the Victory Loan campaign now open. The columns of this and all other papers have for weeks proclaimed Canada's need for funds to carry on the war, and the proposal to hire from the people \$150,000,000 at a relatively high rate of interest is the soundest proposition that has ever been put before the people, and it is the safest investment that can possibly be made.

The local committee appointed to handle the loan in the parish of Brighton met on Saturday night and it was reported that \$7000 of the total allotment of \$35,000 for the parish had already been applied for.

The committee includes S. S.

Miller, chairman, M. L. Hayward, secretary, J. T. G. Carr, A. Plummer, W. D. Keith, H. H. Hatfield, I. B. Curtis, R. W. Cameron, J. E. McCallom, E. C. Morgan, R. J. Potts, H. W. Annett and Fred Smith. Two solicitors, J. E. McCallom and A. L. Baird, will devote their whole time to explaining the nature of the loan and taking applications for bonds, which are sold in multiples of \$50 and will pay 5 1/2 per cent interest.

This week explanatory letters will be sent broadcast and from Nov. 12 to Nov. 30 the campaign will be in full swing. Bonds will not be issued until Nov. 12, and will not be sold after Nov. 30.

There is evidence that the amount allotted to Brighton will be quickly oversubscribed. The local organization is made up of our best business men and they are going to the work with the zeal that brings results.

**"Bob" Aiton Decorated for Gallant Conduct**

Pte Robert L. Aiton, son of Trackmaster Aiton of the C. P.

R., has been decorated with the Military Cross for a conspicuous act of service on the battlefield. Details are lacking but Private Aiton has sent home a letter, the original of which was addressed to himself and was signed by Brig. Gen. Edward Hilliam, O. C. 10th Can. Infantry Brigade. The letter follows:

"On behalf of the Brigade I desire to congratulate you most heartily on the honor which has been awarded you in recognition of your gallant conduct as a Canadian soldier. It afforded me much pleasure to forward the recommendation submitted by the officer commanding your battalion. I thank you for the good service you have rendered to date, and trust that you will be spared to continue the good record which you have already set for yourself."

Private Aiton left Hartland and went to Alberta about 12 years ago. Early in the war he enlisted with the 47th Battalion and has seen much active service.

## What Will Canada's Answer Be?

OVER in the sodden trenches amid the bursting shells and the roar of artillery where Canada's boys are fighting and dying.

—they are waiting for Canada's answer when the sale of Victory Bonds begins.

CANADA'S soldiers expect that we at home will put up the millions they need to keep on fighting.

—the millions they must have to win Victory for freedom, home and Canada.

What answer will Canada make?

What answer will you make?

Shall it be said that Canada spares not her sons from the sacrifice of battle, yet withholds her dollars to give them victory?

Rather will it be said that Canada once more, for the fourth time in three years, cheerfully puts up her millions upon millions for the cause of freedom, righteousness and justice.

Canada's answer must be,

—that the Canadian hand to the plow of Victory holds steadfast and firm.

—that Canada is in deadly earnest when she says the "last man and the last dollar."

That is the answer Canada will give to our boys in the trenches, our kinsmen in Britain, and our Allies everywhere.

That is the answer we will give to the Hun who thought and said that Canada would desert the Empire before she would fight or pay.

Every bond you buy is an answer. Let the millions of answers from Canada's loyal men and women make a chorus of Victory to ring around the world.

"The Quality Goes Clear Through"

## THE DOUBLE GUARANTEE

**T**WO reputations guard your investment when you purchase a Gray-Dort.

Two liabilities are your assurance of doubly-satisfactory use and service.

Two institutions striving in united effort to maintain the foundation on which they have been built—full value to you, the purchaser.

In Chatham, Ontario, the Wm. Gray & Sons Company and Gray-Dort Motors Limited—the one hale and solid at sixty-two, the other strong and lusty in two years.

In Flint, Michigan since 1885, the Durant-Dort Carriage Company, since 1915, the Dort Motor Car Company.

### Gray—the Industry and its Builder

Our fathers and grandfathers rode in Gray carriages—and found them built on honor and character.

In 1855, William Gray built the first of them—built them so well that Gray quality became proverbial.

Growing up in this atmosphere of big business, of successful enterprise, of worthy endeavour, was Robert Gray.

Under his guiding hand the Gray institution has been build-

ed solidly on its original foundation—value and service to the purchaser.

When others rushed into the motor car industry, Robert Gray bided his time.

Others experimented—on the motorist.

Others gained the reputation of a day—and lost it.

Robert Gray knew that the car bearing his name must have the same underlying qualifications as the Gray Carriage—so he waited.

### Dort—at the Same Time in Flint

Paralleling the growth of Gray in Canada, was a similar institution in the United States.

Blue Ribbon Buggies were to Americans what Gray Buggies were to Canadians.

J. D. Dort, too was building in Flint, as Robert Gray was building in Chatham.

J. D. Dort, too, was analyzing the motor car industry.

In 1915, Robert Gray decided that a good motor car could be built and sold at a reasonable price.

In 1915, J. D. Dort, studying the situation from the same angle, came to the same conclusion.

The two men met. Their identical views and aspirations inevitably attracted them to one another.

They chose as the engineering groundwork for their organization, Etienne Planche, designer of

the world-famed Peugeot motor. They surrounded him with men of equal calibre, who round out an institution unique in its man-power.

### After Such Preparation—

With two institutions so solidly founded the first Gray-Dort was built.

Is it any wonder that in three days the entire 1916 output was sold?

It was to be expected that a doubled output for 1917 was heavily oversold.

The output for 1918 is double again—and may be inadequate.

## Best Nerve Specialist in England Was Consulted

But Nervous System Failed to Respond to Treatment Prescribed.

Nervous disorders frequently result from injury to the nerves in accidents or because of the shock to the system.

The writer of this letter was injured in a mix-up with some coils, remained unconscious for three weeks, and in spite of continued treatment in hospital could not obtain restoration of the internal nerves which control the action of the digestive and other vital organs. He travelled to Europe and consulted England's greatest nerve specialist. Relief was only temporary, in spite of many treatments used.

His letter gives the facts briefly and tells how he was finally cured by using Dr. Chase's Nerve Food. Can you imagine any more severe test of this great nerve restorative?

Mr. Henry F. Venn, Cebu Ranch, Malakwa, B.C., writes: "Dr. Chase's Nerve Food has restored my nervous system and given me new health."

Having met with a severe accident seven years ago, from which I was unconscious and which left my nerves in a very sore plight, I was treated by doctors galore and consulted one of the greatest nerve specialists in England, but nothing seemed to do me much good. Hypophosphites and, in fact, all and every kind of nerve mixture in almost every form was used, but never with more than temporary benefit.

"But Dr. Chase's Nerve Food has acted very differently, for it has built up my nervous system until I feel like my old self again. If this medicine will do for others what it has done for me, I shall not regret having written this letter. I have recommended the Nerve Food personally to many, and shall always esteem its great restorative value."

## CARVELL AND SIR WILFRID

Hon. Frank Carvell, introduced as "the hero of a hundred fights and victor of them all," was given a great ovation.

At the outset he said that he felt it his duty to pay a tribute to his old chieftain, Sir Wilfrid Laurier. "I believed in his doctrines and I do now except on conscription. I believe that he was loyal, and I believe that he is loyal still. But I have not been able to see eye to eye with him on this great question. I want to give him just as much credit for his honesty in the course he has taken as I expect for myself in the course I have taken. I hate conscription as much as any man in Canada, but we are living in unprecedented times. It may seem a horrible thing to tear a man away from his home and send him perhaps to his death, but I suppose it is hardly one here who has not a loved one who has made the same sacrifice.

"I have taken this step. I have no regrets and I have no recriminations. I have not a word to say against the man whom I have left and I want to say that in joining the union government I am not going to apologize for and wash away the sins of the former government, some of whom are members of the present cabinet.

"I am not going to whitewash those things I said were wrong," continued Mr. Carvell. "I want to try to leave the past, start new and unite in war effort."

"We are going to fight this thing to an end and the union government is going to win out. We are going to try to do our duty and we are going to see that Canada, when this war is over, will be worthy of her dead sons, that she will be the brightest jewel in the British crown, not only in name but by actual deeds and the results of the sacrifices which she has made."

#### Nov. 10 The Last Day

In Canada, no future date in the calendar looms more important to thousands of people than "November 10" next. That is the last day for reporting for service or sending in claim for exemption under the Military Service Act.

Severe penalties are provided for failure to report for service or send in a claim for exemption by November 10. Besides a term in jail, the offender loses his chance to appeal for exemption and is automatically drafted into the service after paying his penalty.

Since everything possible has been done to acquaint the first class called with the facts, that they must report for service or claim exemption by November 10 or else suffer severe penalties, very few if any laggards are expected to remain for rounding up after the "magic date."

#### Operation For Appendicitis

Mrs. J. A. Ballantyne, Sturgeon Falls, Ont., writes:—"My husband was treated for appendicitis and the doctors ordered an operation. But he would not consent to an operation and began the use of Dr. Chase's Kidney-Liver Pills.

Since doing so he has had no need of an operation or even of a doctor as the trouble has completely left him. I cannot find words to speak our gratitude for his cure."

#### Mrs. Eunice. A. Shaw

Mrs. Eunice Shaw died at the home of her daughter Mrs. J. H. White of Mars Hill October 20, after a lingering illness of nearly a year.

She was born in Carleton county December 5, 1837, and was the daughter of Robert and Eunice Robinson.

In 1856 she was married to Elisha Shaw, who died June 14, 1904. To this union were born ten children, of whom four are now living: Mrs. James Calaha Lowell, Mrs. J. H. White, Mrs.

Hill, Frazier W. and Jessie F. Shaw, Easton.

In 1889 Mrs. Shaw came to Easton, where she has since resided until about a year ago, when she went to Mars Hill to live with her daughter.

One brother, Adam Robinson, survives her. Her only sister, Mrs. Lizzie Dow, died only four days previous to her death.

#### Used For Shaving

Many men are troubled, more particularly in the cold weather, with a sort of roughness of the skin or eczema caused by shaving. The application of Dr. Chase's Ointment after the shave soon cures the trouble and by using it after each shave you keep the skin soft and prevent irritation and soreness. Because of its antiseptic qualities this ointment prevents and cures Barber's Itch.

### COMING ELECTION

Whether or not Hon. F. B. Carvell's return to parliament will be opposed to the election is still unsettled. Most voters on both sides of politics are strong for his return by acclamation, but a few hard-boiled heelers on both sides continue an undertone of opposition. It has been stated that if he is offered opposition, Mr. Carvell will not run here but will go to St. John and accept a seat by acclamation. In such an event Carleton would lose one of the most brilliant men she has produced and pass up the honor and advantage, if any, of having a member holding an important portfolio.

The Observer's information, however, is that Mr. Carvell will contest Carleton-Victoria against any and all comers.

### THE NEW GOVERNOR

It was a surprise to those who had not realized that there has recently been a change of government at Ottawa when the announcement came that Hon. Wm. Pugsley had been appointed lieutenant-governor in succession to Hon. G. W. Ganong, whose lamented death occurred last week. Mr. Pugsley has been one of the most rugged Liberals in parliament and was leader of the party in New Brunswick since the Union government was formed. His appointment is generally approved and his worthiness for the high office is unquestioned.

Hon. J. D. Hazen has been appointed Chief Justice in succession to Sir Ezekiel McLeod. This appointment, also, seems to meet with general public approval.

On Tuesday evening at Pioneer the members of the Williams-town Sunday School presented their superintendent, Mrs. Annie Strong, with a handsome upholstered leather rocking chair as a token of their appreciation of the faithful and painstaking work which she has done for several years in the interest of the S. S. and the young people.

### GIRLS! LEMON JUICE IS A SKIN WHITENER

How to make a creamy beauty lotion for a few cents.

The juice of two fresh lemons strained into a bottle containing three ounces of orchard white makes a whole quart of the most remarkable skin beautifier at about the cost of one must pay for a small jar of the ordinary cold cream. Care should be taken to strain the lemon juice through a fine cloth so no lemon pulp gets in, then this lotion will keep fresh for months. Every woman knows that lemon juice is used to bleach and remove such blemishes as freckles, sallowness and tan and is the ideal skin softener, whitener and beautifier. Just try it! Get three ounces of orchard white at any drug store and two lemons from the grocer and make up a quart of this sweetly fragrant lemon lotion and massage it daily into the face, neck, arms and hands.

## SMALL POX HAS ARRIVED

Cases at Bristol and Florenceville Are Strictly Guarded

W. R. Trafford, a well known business man of East Florenceville, and George Britton, C.P.R. relief operator at Bristol, are quarantined at their respective homes with well developed cases of small pox. Both cases are traced to Fort Fairfield as the place of origin. Other cases in New Brunswick are reported from Tobique and around Perth, as well as in York and Northumberland. In all cases the origin is traced to Northern Aroostook where the disease became prevalent before its serious nature was recognized.

Further developments from the two cases in Carleton are feared as the disease is of so light form that the patients mingled with other people unaware of the danger of spreading contagion.

Although now appearing in very light form, danger of serious cases developing from mild infection is always great and should be guarded against. Dr. Curtis, chairman of the Board of Health has taken proper precautionary measures and enforced strict quarantine.

George Britton was for a few weeks last spring employed in the station here.

### Hon. F. B. Carvell Arrives in State

On Monday Hon. F. B. Carvell came down on the N. T. R. to Grand Falls and thence by C. P. R. to Woodstock in the official car, "Winnipeg," attached to Tuesday morning's train from Aroostook Jct. This is Mr. Carvell's first arrival-in-state since his appointment as minister of public works. The "Winnipeg"—a most scrumptious-looking car—was hitherto the travelling office of Hon. Bob Rogers, after whose city it is named.

Mr. Carvell was warmly greeted by friends representing both the old parties, and the passing of the governmental car through Carleton-Victoria was cause for some to wag their heads, for others to wink the other eye, and some to simply look as they felt.

He went over with the first contingent with the rank of lieutenant and won both his later promotions for service on the field. He served long and faithfully in France, was ill, and severely wounded. Since his return he has been attached to a convales-

## YES! MAGICALLY! CORNS LIFT OUT WITH FINGERS

You simply say to the drug store man, "Give me a quarter of an ounce of freezone." This will cost very little but is sufficient to remove every hard or soft corn from one's feet. A few drops of this new ether compound applied directly upon a tender, aching corn should relieve the soreness instantly, and soon the entire corn, root and all, dries up and can be lifted out with the fingers. This new way to rid one's feet of corns was introduced by a Cincinnati man, who says that, while freezone is sticky, it dries in a moment, and simply sticks up the corn without irritating the surrounding tissue or skin. Don't let father die of infection or lockjaw from whitening at his corns, but clip this out and make him try it.

## NOTICE TO SICK WOMEN

**Positive Proof That Lydia E. Pinkham's Vegetable Compound Relieves Suffering.**

Bridgeton, N.J.—"I cannot speak too highly of Lydia E. Pinkham's Vegetable Compound for inflammation and other weaknesses. I was very irregular and would have terrible pains so that I could hardly take a step. Sometimes I would be so miserable that I could not sweep a room. I destroyed part of the time but felt no change. I later took Lydia E. Pinkham's Vegetable Compound and soon felt a change for the better. I took it until I was in good healthy condition. I recommend the Pinkham remedies to all women as I have used them with each good result."—Mrs. Milford T. Carney, 322 Harmony St., Penn's Grove, N.J.

Such testimony should be accepted by all women as convincing evidence of the excellence of Lydia E. Pinkham's Vegetable Compound, as a remedy for the distressing ills of women such as displacements, inflammation, ulceration, backache, painful periods, nervousness and kindred ailments.

## AT 30 ENJOYING PERFECT HEALTH

By the time a man or woman is 60, the kidneys and bladder need a little help to keep them in good working order.

Rheumatism and backache so often accompany the later years of life, most people have an idea health and vigor cannot be expected much after the fiftieth year.

As a matter of fact there is no basis for these fears, we could show a number of letters proving our contention that if GIN PILLS are taken to keep the urine normal, prevent colds settling on the kidneys or bladder, and ward off Rheumatic attacks, almost everyone can enjoy perfect health at this late period.

To quote from a letter received from a prominent Consulting Engineer of New York City—"Your remedy I find, at 60 years of age, to give perfect relief from the Kidney and Bladder troubles incident to one of my age."

Perhaps you know a man or woman whose life is made a torment by Rheumatism, Backache, Sciatica, or Swollen Joints. Don't let it continue, for Gin Pills will surely bring that longer for relief. You don't have to buy Gin Pills to try them. Write for a free sample. Address the National Drug & Chemical Co. of Canada Limited, Toronto; or if you live in the United States write to Na-Dru-Co Inc., 202 Main St., Buffalo, N.Y.

## PTE. S. G. BARTER AT THE FRONT

Sends Forth the Macedonian Cry—  
"We Need More Men"

The following letter is from one of five brothers who grew up together at Avondale and are now fighting for our national existence in France:

Oct. 6, 1917

Dear Editor; I will again write you a few lines from this distant land where there are so many of our Canadian boys fighting for King, country and loved ones. Truly had not our British nation bravely faced the German foe, at this time his

cannon would have thundered in our own New Brunswick land, and the echoes would have rang up and down the noble St. John; but every life given here is a pawn paid to allow our farmers and home folk to go on in peace to plant and to reap, to live free and enjoy freedom. No one who has not been over here can understand what we are contending against.

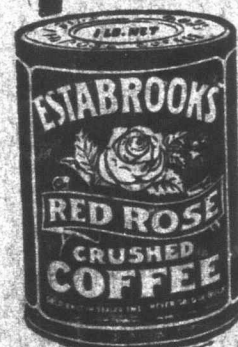

I had word from S. T. Nixon, John Orser, Burton and Fred Wallace a few days ago. All were well. I am at present on a working party as I came from a Convalescent Camp not being in fit condition to go in front line on account of Myalgia or trench fever, but I hope to be able soon

It is hard to believe that there could be so much difference in coffees until you taste Red Rose Coffee.

to fill a man's place at the front. I see the need of more men here, and could our boys home know the need I think many who could, would come. I am now 46 years old but I would not go home and leave this job unfinished as long as I can do any part of the work in connection with this great war for liberty. I have been under shell fire for week on end and in front line; have been wounded and I know the horrors of war, its thrills, its sudden changes and all. Yet I am glad I came.

How gladly I read your newsy paper, The Observer. It will always look good to me if I live to be 100. It is cheery with its news and its homely virtue as I see it here by a tallow dip in Sunny France!

You people who have lost sons, husbands, brothers and lovers, be of good cheer! your heroes have just stepped on ahead in a brighter light and will be waiting you beyond.

I love to hear our heroes talk and to see the light play in their eyes as mirth stirs them and to see the flash of duty sparkle in their eyes. These boys are just your boys, doing their duty, requiring little, facing much, always cheerful. I never see German shells fall fast enough to drown out the native wit and the inborn humorous spirit of the Britisher.

We are winning. We will not be beaten; but WE NEED MORE MEN so our war-weary boys here can have more rest between knocks.

I wish you all a most happy Christmas Season and a pleasant New Year.

## THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderrine.

If you care for heavy hair that glistens with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderrine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life; and if not overcome it produces a feverishness and itching of the scalp; the hair roots fall out fast. Surely get a small bottle of Knowlton's Danderrine from any drug store and just try it.

At the annual meeting of the Lakeville and Williamstown Red Cross Society this week, the following officers were elected for the coming year: Mrs. J. Havelock Wilson, President; Mrs. Robert Smith, Vice-President; Miss Ethel C. Walters, Secretary-Treasurer. Total receipts for year \$367.68; total expenditures, \$282.18; balance on hand \$85.50.

## GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, Liver, and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of the little bowels without griping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

## SOUR, ACID STOMACHS, GASES OR INDIGESTION

"Pape's Diapiesin" neutralizes excessive acid in stomach, relieving dyspepsia, heartburn and distress at once.

Time it! In five minutes all stomach distress, due to acidity, will go. No indigestion, heartburn, sourness or belching of gas or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapiesin is noted for its speed in regulating upset stomachs. It is the surest, quickest stomach sweetener in the whole world, and besides it is harmless. Put an end to stomach distress at once by getting a large fifty-cent case of Pape's Diapiesin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by fermentation due to excessive acids in stomach.

Work of Distribution

The Provincial Department of Agriculture and the greater production committee are working co-operatively in order to secure seed and fertilizer for New Brunswick. It has been decided to contract for 15,000 bushels of oats, 3,000 bushels of wheat, 1,000

bushels of barley, 1,000 bushels of buckwheat and 1,500 tons of 3-6-5 fertilizer. The grain will be for distribution in the early spring of 1918. Larger quantities of grain are required in order that more live stock may be fed without importing all concentrates.

One of the great factors influencing production is an adequate supply of fertilizers. Undoubtedly the supply for 1918 will fall far short of the demand, and in order to partially meet the situation the above mentioned purchase was made. If the demand for chemicals warrants action the department will not hesitate to purchase in the best market a quantity sufficient to meet the demands. The fertilizer will be sold on a cash basis or by arrangement through any local bank.

Mr. Chas. Shaw, of Hartland, has been engaged to look after the distribution. His headquarters will be the Department of Agriculture, Fredericton, but mail or telephone enquiries to the Agricultural School, Woodstock, will reach him quickly.

The situation is one which it is hoped never to meet again and the successful conclusion is only assured if each one conscientiously does his or her bit. Active co-operation with the committee and the department will assist very greatly.

## "CASCARETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Sluggish Liver and Bowels—Take Cascarets tonight.

Furred Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headaches come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which sours and ferments like garbage in a swill barrel. That's the first step to untold misery—indigestion, foul gases, bad breath, yellow skin, mental fears, everything that is horrible and nauseating. A Cascaret to-night will give your constipated bowels a thorough cleansing and straighten you out by morning. They work while you sleep—a 10-cent box from your druggist will keep you feeling good for months.

## "I FEEL LIKE A NEW BEING"

"FRUIT-A-LIVES" Brought The Joy Of  
Health After Two Years' Suffering

MADAM LAPLANTE

35 St. Rose St., Montreal, April 4th. "For over two years I was sick and miserable. I suffered from constant Headaches, and had Palpitation of the Heart so badly that I feared I would die. There seemed to be a lump in my stomach and the Constipation was dreadful. I suffered from Pain in the Back and Kidney Disease."

I was treated by a physician for a year and a half and he did me no good at all. I tried "Fruit-a-lives" as a last resort. After using three boxes, I was greatly improved and twelve boxes made me well. Now I can work all day and there are no Headaches, no Palpitation, no Heart Trouble, no Constipation, no Pain or Kidney Trouble and I feel like a new being—and it was "Fruit-a-lives" that gave me back my health."

## PTE. S. G. BARTER AT THE FRONT

Sends Forth the Macedonian Cry—  
"We Need More Men"

The following letter is from one of five brothers who grew up together at Avondale and are now fighting for our national existence in France:

Oct. 6, 1917  
Dear Editor; I will again write you a few lines from this distant land where there are so many of our Canadian boys fighting for King, country and loved ones. Truly had not our British nation bravely faced the German foe, at this time his

cannon would have thundered in our own New Brunswick land, and the echoes would have rang up and down the noble St. John; but every life given here is a pawn paid to allow our farmers and home folk to go on in peace to plant and to reap, to live free and enjoy freedom. No one who has has not been over here can understand what we are contending against.

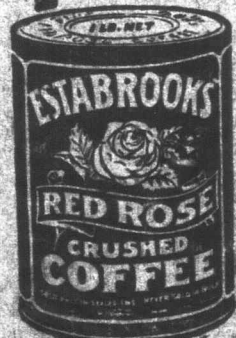

I had word from S. T. Nixon, John Orser, Burton and Fred Wallace a few days ago. All were well. I am at present on a working party as I came from a Convalescent Camp not being in fit condition to go in front line on account of Myalgia or trench fever, but I hope to be able soon

## The Crushed Coffee Smile

Is naturally a broad and radiant one, because he who wears it has discovered a fine, rich coffee which has none of that bitter "after taste" so common to ground coffees. That is because the bitter chaff and dust have all been removed from Red Rose Coffee, which is crushed—not ground. It is hard to believe that there could be so much difference in coffees until you taste Red Rose Coffee.

The same price as it was three years ago.

to fill a man's place at the front.

I see the need of more men here, and could our boys home know the need I think many who could, would come. I am now 46 years old but I would not go home and leave this job unfinished as long as I can do any part of the work in connection with this great war for liberty. I have been under shell fire for week on end and in front line; have been wounded and I know the horrors of war, its thrills, its sudden changes and all. Yet I am glad I came.

How gladly I read your newsy paper, The Observer. It will always look good to me if I live to be 100. It is cheery with its news and its homely virtue as I see it here by a tallow dip in Sunny France!

You people who have lost sons, husbands, brothers and lovers, be of good cheer! your heroes have just stepped on ahead in a brighter light and will be waiting you beyond.

I love to hear our heroes talk and to see the light play in their eyes as mirth stirs them and to see the flash of duty sparkle in their eyes. These boys are just your boys, doing their duty, requiring little, facing much, always cheerful. I never see German shells fall fast enough to drown out the native wit and the inborn humorous spirit of the Britisher.

We are winning. We will not be beaten; but WE NEED MORE MEN so our war-weary boys here can have more rest between knocks.

I wish you all a most happy Christmas Season and a pleasant New Year.

### THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine. Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scour robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.

At the annual meeting of the Lakeville and Williamstown Red Cross Society this week, the following officers were elected for the coming year: Mrs. J. Have-lock Wilson, President; Mrs. Robert Smith, Vice-President; Miss Ethel C. Walters, Secretary-Treasurer. Total receipts for year \$367.68; total expenditures, \$282.18; balance on hand \$85.50.

### GIVE "SYRUP OF FIGS" TO CONSTIPATED CHILD

Delicious "Fruit Laxative" can't harm tender little Stomach, Liver, and Bowels.

Look at the tongue, mother! If coated, your little one's stomach, liver and bowels need cleansing at once. When peevish, cross, listless, doesn't sleep, eat or act naturally, or is feverish, stomach sour, breath bad; has sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again. Ask your druggist for a bottle of "California Syrup of Figs," which contains full directions for babies, children of all ages and for grown-ups.

### SOUR, ACID STOMACHS, GASES OR INDIGESTION

"Pape's Diapiesin" neutralizes excessive acid in stomach, relieving dyspepsia, heartburn and distress at once.

Time it! In five minutes all stomach distress, due to acidity, will go. No indigestion, heartburn, sourness or belching of gas or eructations of undigested food, no dizziness, bloating, foul breath or headache.

Pape's Diapiesin is noted for its speed in regulating upset stomachs. It is the surest, quickest stomach sweetener in the whole world, and besides it is harmless. Put an end to stomach distress at once by getting a large fifty-cent case of Pape's Diapiesin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by fermentation due to excessive acids in stomach.

## ONTARIO LIBERALS FOR CONSCRIPTION

**Carvell Takes Hamilton Convention  
By Storm—Soon Be Some-  
thing Doing**

Hamilton, Ont., Nov. 2.—Ontario Liberalism as represented in the remarkable convention of men and women, held here today, stands positively and enthusiastically for Canadian co-operation of political parties in the supreme national obligation of placing all the resources of the dominion behind patriotic determination to fight for humanity till the war is won. It demands the consecration of man-power, of money-power, of the entire energies, abilities and resources of the nation. Four hundred delegates, from all parts of the province, were in attendance.

When, in turn, General S. C. Mewburn, minister of militia; Hon. Frank Carvell, minister of public works, and Hon. H. W. Rowell, president of the privy council, were escorted to the platform during the afternoon session, the convention rose en masse and cheered again and again. The scene was repeated a few moments later, when a message was read from Hon. George P. Graham, which the secretary likewise accompanied by the reading of Mr. Graham's declaration of war policy. It was an impressive convention.

Each of the new ministers, Mewburn, Carvell and Rowell, speaking in turn had his message. Each was greeted with enthusiasm. "Fighting Frank" Carvell, was introduced by chairman G. S. Lindsay as "the hero of a hundred fights," and it was minutes, actual minutes, before he could proceed. But the ministers, like their audience, were serious and earnest.

Carvell spoke for twelve min-

utes, but every sentence went crashing home with Carvellian thoroughness. "I never went after a man unless he deserved some attention," was his answer to the enthusiast who acclaimed as "the man who gets after the grafter." Nor would he permit the chairman's encomiums to go unchallenged.

"I am just an ordinary country lawyer, living in a small town, and trying to make an honest living," was his confession, "but I propose in office to carry out the doctrines I preached in opposition."

Mr. Carvell served notice upon wealth and war profiteers. Another year of war would mean an additional sum every year in interest on the war debt, and payment of pensions to soldiers and their dependents.

"We must pay the interest because we cannot repudiate our country's debts; we must pay the pensions, because we cannot repudiate the debt we owe our soldiers," he declared.

There must be stern and rigid national and individual economy and wealth must understand that it would be required to contribute much more generously "than the poor man," said the minister of public works, "who has been paying ten times as much as the rich man, according to his means."

But the most enthusiastic and remarkable demonstration of the convention came when Mr. Carvell suddenly straightened up and, wheeling upon the minister of militia, who was sitting at his side exclaimed:

"I tell you there are men in my province, wearing the King's uniform, who never left Canada and who never intend to leave Canada: who are drawing enormous sums from the government in salaries and separation allowances for which they give no adequate return. Some of these may be necessary, but their places

could and should be taken by returned soldiers." (Prolonged cheers).

I see that the condition of affairs must be somewhat similar up here. (Renewed and continued cheering). I intend to furnish General Mewburn with a list of these men from my province and ask that the change be made. (Another burst of cheering, which lasted for several moments).

### Collar Bone Broken Making Liquor Seizure

At Edmondston on Sunday night a motor loaded with liquor being brought from Quebec province was stopped by Inspector Berube. The inspector had his collar bone broken while making the seizure. It had been suspected that liquor was being imported by cars and when the inspector sighted this car he ordered it to stop. The driver refused and Berube mounted the running board, and seizing the steering wheel, ditched the car.

Liquor was found and next day the driver was convicted and fined \$200. A similar fine also was imposed upon his companion.
