ST. JOHN, N. B., OCT. 18, 1872.

Our Oleaginous Troubles.

The "corner" in oil still continue

and the Civic Parliament shows no dis-

osition to relieve the dealers from their

signating a place where it may be legal-

ly stored. It is unlawful to have more

than ten barrels of kerosene in one

building, and wholesale dealers cannot

a greater number. They receive the

oil in lots of fifty or a hundred barrels,

and what are they to do with it? They

The Metis Disaster.

The official report of the investigation The will of William H. Seward has been opened by his tamily. It is a clear, succinct document, singularly free from legal technicalities, and written entirely in his technicalities, and written entirely in his technicalities, and written entirely in his own hand. He bequeaths his late house at Auburn, with all its contents and pleasant William Palmer, second pilot. The second with the second to the second william Palmer, second pilot. The second to the secon

In this warehouse is concerned, nor that the place has all the requisites of safety. There is no building within two hundred feet of the warehouse, the nearest being the residence of the gentleman who leased the lot for the special purpose to which it has been applied, and the lay of the land is such that the oil cannot run to any other building. The building is so low that no fire catching from sparks during the progress of a fire in the vicinity could burn through the shell before being extinguished. It is comparatively safe from all but incendiarism, and the only loser from that

with this unusual event were of that impressive character for which the Catholic Church is noted. The N. Y. Herald, in its description of the ceremonies, says that When the applicants for this pious opportunity, dressed in bridal robes, each ing reached them of bands of negrees advancing from various directions. Scores of prisoners had been brought in and the sought as their spouse, while the Bishop, seated in front of the altar, appeared as steamers were at the landing, and citizens the representative of the Almighty, the were shipping families and goods to places Great High Priest, ready to receive and of safety. Some of the prisoners brought bless their holocaust of natural inclination, in were wounded, and it is supposed many the feeling was painful. But when the were killed on the roads. The steamer choir burst forth with its posans of triumph over these redeemed souls, the sentiliveliest of our exchanges, and seems Memphis, on Sunday morning, was hailed ment was uplifted, and an appreciation of some fitteen miles below Osceole, and on the spirit which could suggest and direct defeat of its candidate for President. It landing, encountered a gang of armed negives its Greeley readers the crumbs of groes, who demanded that the boat should der or a horror."

stroyed by American Mothers. (Correspondence of the N. Y. Herald.) getically than ever to local news.

The Christian Visitor, in announcing Rev. Hugh Stowell Brown as a strict communionist, says:—

"It must be gratifying to the Baptists of America to know that so excellent and eminent a representative of our deplementation as Mr. Brown, stands fast by principles which we hold dear, and which have been lately so violently assailed as narrow and proscriptive."

The Ottawa Free Press replies to the N. Y. Sun's assertions that wife-beating is a peculiarly English practice, in the following spicy style: "Abuse of Engmen is an innocent and cheap luxury in New York—where chivalrous Yankees don't beat their throats, or throw them out of four-story windows.

The Fisk-Stokes Tragedy.

Armed bands were seen clsewhere along the river, and the country seems to be in a state of the wildest disorder and terce. It is morning in the proceedings of the day previous of the Evangelical Ministerial Association, in which the subject of criminal abortion was introduced and discussed. Keep your head and arms inside the carriage windows, if you would keep your head and "carry arms."

Never talk politics; it encourages some "nameh!" to take a vote of the passen.

North Sydney, the liquors warehoused, the vessel discharged on bonds from the owner being given, and proceedings immediately instituted against the master.

This very important and, if attended to Always show your ticket every time the conductor asks for it. If you get out of humor about it, don't show it.

Never smoke in the car where there are ladies. Get the conductor to turn the ladies out before lighting your cigar.

Never use profane language in the car. (So on the platform. Profanity is never thrown away on a brakeman.

If you cannot sleep yourself do not disturb the 'sleepers."

Look out for pickpockets. Pickpockets are never in the car, you know, as you have to look out for them.

Provide yourself with sleeping berths before starting. No careful man will start out on a journey without a good supply of sleeping berths. [N B.—Those put up in flat bottles are the best, as they are easily carried in the pocket.]

Always be at the railroad station in good time to take the train Better be an hour too early than a minute too late, unless you are on your way to be hanged.

Yery valuable part of our public works was, at the last meeting of the Common Council, reported in complete working order.

On the following morning a serious fire occurred at Dunlop's Shipyard, Courtenay Bay, and from the extensively inflammable nature of the building, it was necessrry that a correct alarm should be given at once. Policeman Wilkins on discovering the fire went to the nearest box, No. 14, and attempted to strike it, and on seeing that it would not work, was obliged to go some distance further until box 16 was reached, and here, to take the train Better be an hour too early than a minute too late, unless you are on your way to be hanged.

A Useful Fablication. very valuable part of our public works was, A new monthly has been issued by Mr.

H. L. Spencer, entitled "Warne's Cookery Book for the Million." The first number contains about two hundred receipts especially adapted to the larder recourses of the great majority. It is a really desirable work. Specimen copies may be obtained post-paid for ten cents by application to Mr. Spencer. It bears the imprint of Messry. J. & A. McMillan.

other numbers were given. This was, of course, productive of confusion and delay, and it is only surprising that the engines reached the fire so quickly as they did. If the alarm cannot be relied upon, it is of far less use than the system of years past, and it is possible that a fatal error, resulting in some expense to the city may at some time occur through the negligence of the Committee of Inspection.
