PREFACE.

The Publisher now places before the Public his twenty-first edition of St. John City Directory. Portland, as a City, was last year placed in similar type to St. John, support, to some extent, having been guaranteed to carry out that intention; but this edition has been very poorly supported, the Publisher therefore notifies the business men of Portland that he will next year have to place Portland in small type as it was formerly printed. The Publisher has tried to place before the Public as complete a work as can possibly be made, owing to the various difficulties in the way, and hopes it will give general satisfaction.

The Publisher thanks those who have supported him, or in any way given information to this work.

The hard worked man of business, toiling day by day with little chance for rest, should take occasionally "Phosphorized" Emulsion, to give activity to the brain, and strength to the constitution, and thereby prevent the attacks of fever and other destroying diseases. Always ask for "Phosphorized" Emulsion, and be sure you get it.

No Lady who delights in flowers, and likes to see them do well and bloom abundantly, should be without *Hanington's Food for Flowers*. Ordinary packages 30c., sufficient for twenty plants for one year.

Via Halifax,	6.15	5th and 19th

Mails for Grand Manan and Campobello will be forwarded by the International steamers to Eastport for conveyance by sailing packet leaving there every Monday and Thursday.

Letters for the United States will be taken by the Railway Mail Clerks Sunday night, if posted before 8 o'clock, P. M., at the Princess street side door of the Post Office.

Merchants' Boxes.

Rent of small box \$4, and of large boxes \$6 a year.

Though every effort will be made in sorting letters to place them in the boxes, when the party addressed is known to have a box, the Postmaster does not hold himself responsible for this always being done, the primary rule being that all letters bearing the number of the house and name of street go there by letter carrier.

Useful Hints.

Never send money or other articles of value through the Post Office except by Money Order or Registered Letter.

Make complaints and inquiries in writing.

Preserve and request correspondents to preserve envelopes of missent or delayed letters.

Business men should be careful to authorize but a limited number of persons to receive their letters, and only those in whom they have full confidence.

Have a letter box on your office door.

Letters addressed to mere initials or fictitious names, will not be delivered, unless addressed in care of a resident, or to some box in the Post Office.

Letters containing Gold or Silver Money, Jewels or precious articles or anything liable to Customs duties, cannot be forwarded by post to any of the Postal Union countries except the United States.

Letter Carriers' Delivery.

Letters and Papers for this delivery should be addressed to Street and Number.

Change of Residence should be promptly notified to the Postmaster in WRITING.

Three Deliveries daily in business portion of City, commencing at 8.30 a. m., 1 p. m. and 3.30 p. m. Other portions at 8.30 a. m. and 3.30 p. m.

Letters not bearing the name of street and number, addressed to parties whose address may be known to the carriers, will be delivered by them.

Street Letter Boxes.

The Street and Hotel Letter Boxes in the City and Portland will be visited at 3.30 p. m. and 10.30 p. m., and in the business parts of the City at 1 p. m. daily, Sundays excepted.

Registered Letters.

Letters intended to be registered when addressed to places in CANADA must be prepaid by stamp 2 cents each; to the United States, 5 cents each in addition to the postage rate. For NEW-

FOUNDLAND, Registered Letters, 2 cents; other articles 5 cents in addition to the postage.

All letters for Registration should be posted 15 minutes before the hour of closing the ordinary Mails, and 30 minutes before closing of the English Mails.

Registered Letters for the United States are despatched by morning Mail only.

No letter will be accepted at this office for Registration addressed either to initials or what may appear a fictitious name, and any such Registered Letter received from another office or deposited in the Letter Box for Registration, will be at once sent to the Dead Letter Office for disposal.

Registered Letter Stamps of the denomination of 2 and 5 cents may be obtained at the usual places.

Registration is applicable to Letters and Parcels, whether they contain articles of value or not. Registration is not an absolute guarantee against the miscarriage or loss of a letter; but a registered letter can be traced when one unregistered cannot, and the posting and delivery or non-delivery can be proven. A registered letter is thus secured against many of the casualties which from incorrect address, forgetfulness of the receiver, or other error, may affect an unregistered letter. "Moreover, the safety of an unregistered letter is dependent on the integrity of a post office clerk during the whole time it remains in his custody, frequently for hours and even days; whilst a registered letter will almost invariably have to be acknowledged at the moment of its passing into an officer's hands, and cannot therefore be suppressed without leaving him individually accountable for its disposal." "If the consequences were limited to the mere risk of the loss of the money so sent, the senders of money in unregistered letters might reasonably urge, that if they chose to encounter the risk, they should be free to do so; but higher considerations are involved in the question, and the chance of loss to the careless remitter is really but the smallest part of the evil associated with the practice." The attentive perusal of the above remarks by those who are in the habit of sending money by mail in unregistered letters is strongly recommended, and is further suggested that letters containing money should invariably be secured with wax, and not by the usual method, by mucilage, or self sealing envelope.

Newspapers and Periodicals.

Newspapers and Periodicals addressed to places in Canada, Newfoundland, Great Britain or the United States.

Printed and published in Canada, and posted from the office of publication, or News Agency, to actual subscribers or News Agents (including exchanges) in Canada, the United States, and Newfoundland are free. Such newspapers and periodicals must be issued not less frequently than once per month.

Newspapers posted for City delivery will not be delivered by letter carriers unless prepaid by 1c. stamp Transient Newspapers and Periodicals addressed to places in Canada, Newfoundland and United States.

On all Newspapers and Periodicals other than those specified

above, the postage rate will be one cent per 4 ounces in weight, which must be prepaid by postage stamp.

The Time Ball on Custom House, St. John, N. B.

Will be hoisted half its elevation each day (Sundays excepted) at fifteen minutes before 1 o'clock. At 1 minute before 1 o'clock it will be hoisted its full length; and at 1 o'clock, mean time, the Ball will be dropped. A Chronometer keeping correct Greenwich time should then show 5h 24m 15s, and the difference between this and the time shown by a Chronometer is its true error on Greenwich time at the moment. At the above hour of 1 o'clock when the Ball drops, represents 5h 24m 15s, at Greenwich, the error of a Chronometer may be ascertained, no matter where the ship is lying. Masters of vessels arriving at St John should compare their Chronometers by the Time Ball, as it will enable them to get the sea rate, which frequently varies from harbor rates. Latitude 45h 16m 42s N, Longitude 4h 24m 15s West of Greenwich.
