metropolitaa appearance.

Earl Russell delivered an interesting and amusing lecture on 26th inst. at the Pharos Club, London, on his experiences while confined for three present one. Tonight the meeting will be continued throughout the months in Holloway Lail. His Lordship said he was weighed on his arrival at Holloway, but this was overlooked on his release. He left the jail fatter, but he did not think his condition had improved. He was allowed his own furniture for his cell, which was 12ft. by 10ft. His Lordship humorously hit off his doorcard. which, he said, was a sort of mystic symbol. It purported to give particulars of the prisoner. The fact that London, maker, 1699." he was an agnostic puzzled the officials, but they went on the principle that if he were not a Roman Catholic he must be a Protestant, and put him down as such. He paid 28 6d per week for his room, with sixpence extra for the services of a cleaner, who acted as a sort of valet. He thought the cleaner's services cheap, but he afterwards found the Government claimed fourpence of the sixpence on account of the cleaner's diet. The cleaner was taken from amongst the debtors. His Lordship was allowed a cold bath every morning, which he enjoyed more than anything else. le went to chapel once or twice, but sermons were bad, the hymns of worst, and the chapel had a very clean, carbolic soap smell, and he of parsons and chaplains attached to

Holloway, but they talked of everything except religion. He did not to look of tobacco after the first feet the lack of tobacco, after the first few days. He read and wrote a great deal, but the novels were bad. He was allowed to see certain newspapers, That a Postmaster is Called thing was light; I don't think I saw but illustrated and society newspapers were barred. A razor was abso-25 lutely refused him; but with great difficulty he got a pair of nail scissors, which he used for shaving purposes. Drink was allowed to the extent of a pint of claret, but no spir-

its were permitted. His Lordship had a grievance against the prison schoolmaster, who wanted to improve the composition of the petition he was sending to the governor, although he ngure for its space and in justification prided himself upon his English. The thereof guarantees to its advertisers a prison fare was sufficient treatment humane, but absurd
