OF THE

## CONGREGATIONAL UNION OF CANADA.

---

I. That the name of this Association be "The Congregational Union of Canada."

II. That it shall consist of Ministers and Professors, or Tutors in Colleges or Theological Institutes, of approved character, and of Churches of the Congregational or Independent order, duly received at a general meeting. In the admission of new members application shall be made in writing, addressed to the Secretary six weeks prior to the general meeting, in which a statement of doctrinal and ecclesiastical sentiments shall be made, and testimonials, if any, be supplied. Students who have finished their course at the Canadian Congregational Theological Institute, and who are ordained to the Ministry, and persons recommended by Associations of the same Church Order in other countries with which a fraternal correspondence is maintained, shall be eligible for admission without any probation; others shall be received only after having been proposed at the previous meeting.

III. That this Union is founded on a full recognition of the distinctive principle of Congregational Churches, namely the Scriptural right of every separate Church to maintain perfect independence in the government and administration of its own particular affairs; and therefore that the Union shall not, in any case, assume Legislative Authority or become a Court of appeal.

IV. That the following are the objects contemplated in its formation. 1. To promote evangelical religion in connection with the Congregational Denomination. 2. To cultivate brotherly affection and co-operation in everything relating to the interests of the associated Churches. 3. To establish fraternal correspondence with the several Congregational Unions on this Continent and in Europe. 4. To address an annual or occasional letter to the associated Churches, accompanied with such information as may be deemed necessary. 5. To obtain accurate statistical information relative to the Congregational Churches throughout the British American Provinces.

V. To promote the accomplishment of these objects and the general interests of the Union, an Annual Meeting of its members shall be held, each of the associated Churches being represented by two lay delegates, the meeting to be held at such time and place as may be appointed at each Annual Meeting.

VI. That the Officers of the Union be a Chairman, Secretary, Treasurer, Minute Secretary, and Committee, all to be chosen annually, by ballot with nomination, who shall execute the instructions of the Union, and prepare a docket of business for the Annual Meeting.

## STANDING RULES OF THE UNION.

I. The Union shall meet annually on the 2nd Wednesday in June, at 4 o'clock, P. M., for organisation; to commence with devotional exercises; the Chairman of the last meeting, (or, failing him the Pastor in the place of meeting,) to preside then, and until his successor be appointed.

II. After the above exercises, the Constitution and Standing Rules shall be read, and a Minute Secretary for the Session appointed.

III. The Roll of the Union shall be called, and a Sessional Roll formed.

IV. A Committee of *five* shall then be chosen, on nomination of the Chair, for Business and Nominations.

V. An Annual Sermon shall be preached, on the Wednesday evening; the preacher being appointed at the previous Annual Meeting.

VI. On Thursday morning, after the Devotional Services, the retiring Chairman shall deliver an address; new members shall be admitted, and the new Chairman, chosen by ballot, without nomination.

VII. The Minutes of the last Meeting shall be read, and the Report of the Union Committee presented.

VIII. The meeting shall be daily opened and closed with prayer; the morning devotional exercises to extend to an hour.

IX. No motion shall be discussed unless seconded; and no member shall speak more than twice to the same motion, without permission from the Chair; and every motion shall be presented in writing by the mover, if required by the Chair.

X. The Roll shall be called, and the Minutes of the preceding day read at the opening of each day's session; and the minutes of the last day at the close of the session.

XI. The Church in whose locality the Annual Meeting shall be held, shall be requested to celebrate the Lord's Supper in connection with such meeting; with which Church the members of the Union shall individually seek occasional fellowship.

XII. On the Monday evening, during the sittings of the Union, a Public Meeting of the Union shall be held.

XIII. The Pastors, or the Officers of the Churches are expected to send to the Secretary, one month at least before the Annual Meeting, a brief narrative of the State of Religion, with statistics, in their several localities; that he may prepare a condensed narrative of the whole for the Annual Meeting, and for printing, if so ordered.

XIV. That a Collection for the Funds of the Union shall be made annually in each Church on, or near the Lord's day, prior to the meeting. From the Fund so raised the *extra* travelling expenses of Ministers and Delegates, arising out of the amalgamation of the Unions, shall be paid; as also the expenses of Delegates to Corresponding Bodies.

XV. That Delegates from the Union to Corresponding Bodies, who may fail to fulfil their appointments by personal attendance, shall address those Bodies by letter, communicating in substance such information and sentiments as they would furnish if present at their Annual Convocation.

XVI. In case of disagreement between members of the Union, it shall be regarded as incumbent upon them to seek, without delay, an adjustment of their difficulties and a mutual reconciliation; and the party refusing to give or accept satisfaction according to Christ's rule, may be dealt with by the Union on that account.

XVII. That the travelling affairs of the Ministerial Members of this Union, and of one delegate from each Church, be paid in full, if possible, or otherwise according to an equal rate of per centage, on the understanding that such ministers and delegates remain during the sessional meetings.

XVIII. Should any Ministerial Member of this Union remove from Canada, and not apply for a letter of dismissal for the space of a year after his departure, the Secretary of the Union shall, if he can ascertain his address, forward to him a letter certifying his membership up to the date of his departure; and if his location be unknown, his name be reported in order to erasure from the roll.

*Resolved*—That the manifest determination of the Congregational Associations with which we are in correspondence in the neighboring states, to bring all their influence to bear on the extermination of American Slavery, meets our cordial sympathy and hearty approbation, and that we trust the anticipated reformation on the part of the American Tract Society in relation to this iniquity, will leave us no change to wish for in its future history.

**ABSTRACT OF SUMMARY OF STATISTICS**  
OF  
**CANADIAN CONGREGATIONAL CHURCHES,**

*Condensed from report presented at the Annual Meeting of the Union,  
Montreal, 1857.*

Returns have been received from 71 churches; 73 appear on the Statistical Table, and there are other five which do not appear.

I.—NUMBER OF CHURCHES.

Two new churches have been formed during the year; and the church at Guelph has been reorganized. There are now, therefore, 78 Congregational Churches in Canada.

II.—MINISTERS.

None of our brethren have been removed by death. Five have left Canada, some of them we trust only for a time. Seven have entered the field; five from other countries and two from the Institute.

On the 7th May, 1857, there were 49 settled over Churches; 2 Professors in the Institute; 3 Native Indian Missionaries; 4 Missionaries; 8 without pastoral charge,—in all 66 Congregational Ministers in the Province.

III.—VACANT CHARGES.

There are 10 vacant charges, 2 of which may not again be occupied.

IV.—AVERAGE ATTENDANCE ON THE SABBATH.

The 73 Churches on the Statistical Table present an average Sabbath attendance of 10,470—for the other five Churches we have, given 850, which will make the total 11,320.

V.—MEMBERSHIP.

The 71 reported churches on the Table, return a membership of 3,159. Addition during the year by Profession 239; by Letter, 91. Total 330. Removals by Letter, 169; by Death, 47; by Discipline, 66. Total 282.

For the other 7 churches we cannot give an estimate of additions and removals; but we add 270 as members; which would make our total membership on 7th May, 1857, 3,429. Net increase on last year, 164.

VI.—CHURCH PROPERTY.

Sixty-two places of worship have been reported; in value \$147,904, with accommodation for 16,995. There are other 4 places of worship unreported, at least in value \$23,640, with accommodation for 1,490. There are, therefore, 66 places of worship, with accommodation for 18,485; in value \$171,544.

To this we have to add 8 minister's houses belonging to churches, in value \$4,000; making total value of church property \$175,544.

There is a reported debt of \$22,900, and a reported Insurance of \$43,080.

#### VII.—SABBATH SCHOOLS AND BIBLE CLASSES.

71 churches report 407 teachers and 3,081 scholars in their Sabbath Schools; the other 7 churches will not have less than 25 teachers and 270 scholars; making in all 432 teachers and 3,351 scholars. Many of the churches take part in Union Schools, such are not included in the above.

There are 36 Bible Classes reported, with an attendance of 562.

#### VIII.—FINANCE.

The first column gives the sum raised by the 71 reported churches, which appear on the Table—the second an estimate of the sum raised by the other seven—the third the Total.

For Ministers stipend, . . . . .	\$18,609.	1,400.	20,009.
Ordinary Incidentals, . . . . .	3,690.	610.	4,300.
Missions, . . . . .	4,246.	400.	4,646.
Institute, . . . . .	820.	100.	920.
Debt, Building, Repairs, . . . . .	11,385.	600.	11,985.
General Purposes, . . . . .	3,108.	200.	3,308.
<b>Total, . . . . .</b>	<b>\$41,858.</b>	<b>\$3,810.</b>	<b>\$45,168.</b>

In comparing this, with last year's Statistics, we have the following results:—

Four additional churches are on the list; and the number of churches without supply, about the same.

In the attendance reported, there is a slight decrease; arising not from an actual decrease however; but from greater care in reporting the average rather than the full attendance.

As to membership the same amount of progress does not exist as on some former years, and yet there is no ground for discouragement. The Additions last year were 433; this, 330; the Removals last year were 205; this, 282. The increase by letter has been unusually small, while the decrease has been unusually large. Shewing clearly, that many members are removing to parts of the country where there are no sister churches. The net increase this year, as shewn by the Statistical Book, is 164.

There is an increase in the Sabbath Schools and Bible Classes.

The *Financial* condition of the Churches is most gratifying. Last year there was a reported increase of £1,346 3s. 2d. over the previous year, and there is an increase this, over last year of £1,975 or \$7,890, in churches reported; but if we add the 7 not reported, we have an increase over last year of \$11,200.

The increase in the reported churches appears thus; on Money raised for *Ministers' Stipend*, \$5,343; *Ordinary Incidentals*, \$284; *Missions*, \$841; *Debt, Building or Repairs*, \$3,653; Decrease on Money raised for *Institute*, \$167; for *General Purposes*, \$63.
