BEAVER BOARD
If you are building or going to complete some unfinished rooms, let us show you some colored samples, illustrating the beautiful color effects obtained by using this sanitary and durable board for walls and ceilings in all classes of buildings.
We carry a large stock in assorted sizes.

MAIL ORDERS

We solicit out of town orders which receive our personal attention. The length of time taken to fill orders is governed very largely by how busy we are in the department of our factory in which the particular goods are made. While we have exceptional facilities for promptly turning out goods, it is important to place orders as far ahead as possible. Orders are filled by us in the rotation in which they are received, and customers can always depend on our doing "every thing in reason to give prompt dispatch."

Our Office is connected with the N. B. Telephone Co.'s line by two separate lines insuring prompt attention.
Office Hours—8 A. M. to 6 P. M.

K. OF C. WIN

IN TOWN LEAGUE

Game Played Saturday Afternoon Results in Defeat of Veterans.

The K. of C. certainly took the Vets into camp on Saturday afternoon in their nine inning game for the championship of the Campbellton Base Ball League, the score being 17 to 8 in favor of the K. of C's. It would look by the scores as if the game was very one sided but clear of the 2nd inning when the K. of C made nine runs with two men down the scoring was very even. Champoux pitched good balls having 16 strike outs, so did Paradis and Dickey for the Vets; but the Vets did not support their pitchers, a lot of errors being around second base. A large crowd was in attendance, and next year if another league is formed, Saturday afternoon games should be one of the features. Payne played a great game for the Vets in the field while Raymond for the K. of C's was the heavy hitter, scoring two runs and three hits in five times at bat. Another feature of the game was the double play, being Lloyd to Duncan, Matthews to Duncan, O'Keefe to Lavoie to Woods.

The game—

FREDERICTON GIRLS' LONG DISTANCE SWIM.

Fredericton, Aug. 30.—Miss M. McMullin, daughter of W. E. McMullin of the Department of Lands and Mines offices here, made a fine long distance swim yesterday when she crossed the St. John River from Sand Point to Onnetta, a distance of a mile or more. She was in the water about one hour, but did not appear to be in the least exhausted at the finish.

REOPENING OF

TOWN SCHOOLS

Nearly Two Hundred Permits Issued and One Thousand at School.

The town schools re-opened on Monday morning after the summer vacation with a full attendance. The Secretary of the School Board, Miss Ethel Hogan, has issued one hundred and seventy-nine permits to new beginners. One hundred and one of these were for the Grammar School building and the remaining seventy-eight for the Roseberry Street School.

There are now 420 pupils attending the Roseberry street school and 579 attending the Grammar school building. This makes practically 1000 children attending school already this term, with many more yet to come in. Some grades in both schools are already overcrowded, and the School Board are finding it difficult to provide accommodation. In some cases pupils could be moved from one school building to the other, but many parents feel they want their children to attend the nearest school, which is making it hard for the School Board to regulate matters.

VIRTUE IN THE NAME OF NEW DANCE.

NEW YORK, Aug. 27.—The leading dancing masters of Canada and the United States, in convention here, have evolved a slow, graceful step which they have named "The Wesleyan."

They announced this morning that they hoped it might receive the approval of the Methodist church, the anti-dancing edict of which the convention has deplored each day it has been in session.

"The Great Air Robbery" is the photographic achievement of the decade. It was filmed by a camera man soaring with the other ships of the air a mile above the earth.

RUEY BARTHE.

The Church of Our Lady of Snows, Campbellton, N. B., was the scene of a pretty wedding on Wednesday morning at eight o'clock when the Rev. Father McLennan united in marriage, Miss Marie Louise Barthe, daughter of Mr. and Mrs. Anthony Barthe of Dalhousie, N. B., and Lieut. Joseph Leon Ruet of St. Anne, N. B., in the presence of a large number of relatives and friends. The musical part of the ceremony was effectively rendered by friends.

The bride wore a becoming suit of taupe drapery with hat to match and carried a beautiful bouquet of roses. After the ceremony breakfast was served at the home of the bride's sister, Mrs. Alfred Renault to which the relatives and intimate friends of the contracting parties were invited.

Mr. and Mrs. Ruet left on the Ocean Limited for St. John from where they will motor to the groom's home at St. Anne's to spend a few days, going by way of Maine, the bride travelling in a black and white checked suit with hat to match. On their return they will reside in Campbellton.

Many beautiful gifts were received, the groom's gift to the bride being a diamond and sapphire set ring.

TOWN ENGINEER

HAS RESIGNED

Council Deals With Several Important Matters—Others Over.

A meeting of the town council was held last Tuesday, His Worship Mayor Murray in the chair with Councillors Jamieson, Dickey, Bissett, Ingram and Currie present.

The minutes of the previous meeting were read and confirmed.

A communication was read from the Firemen asking for a refund of a portion of the license fee paid for the International shows recently held here. Laid on table.

Mr. W. J. S. W. tendered his resignation as town engineer, to take effect the end of September. Resignation accepted.

The usual departmental accounts were gone into and ordered paid.

Councillor Currie brought up the matter of Mr. Thos. Ellisworth forbidding the town engineer laying a plank sidewalk on Pond street. There was considerable discussion over the matter as to who owned the street, and on motion the town clerk was instructed to interview Mr. Ellisworth and get his permission to lay the plank sidewalk. Mr. Currie also took up the general conditions of the residents of this section. They have neither light, water, sewerage, streets or sidewalks, and would be better if they resided outside the town. Coun. Currie asked the Electric Light department to run a wire from Ramsay street through this section and join it to the service at Prince William street. He also asked for a light on Queen street and more light on Ramsay street, emphasizing the fact that former Councils had neglected Ward 1.

Councillor Dickey reported recommending that a storm sewer be put in to avoid the flooding of Mr. W. H. Gray's basement and that work on the sewer be started at once. On enquiry Councillor Dickey stated the cost of the same would be the vicinity of \$1,000. Report received and adopted.

Councillor Currie brought up the matter of licensing the dance hall. Matter allowed to stand over until next meeting.

Councillor Bissett brought up the matter of the Council the necessity of a horse at the electric lighting station, claiming that it was an absolute necessity. Referred to Electric Light Committee to bring in a report at the next meeting of the council.

On motion of Councillor Currie it was decided to hold the land the town owned at the corner of Prince William and King streets for school building purposes.

Councillor Currie brought up the matter of the appointment of a town manager. He felt that now the town engineer had resigned, the council should appoint a town manager. He named an engineer in Moncton who was at present making \$4,000 per year he said he had been informed would accept the position for \$3,000. There was some little discussion over the matter, but no action was taken.

Building Inspector Adams was heard before the council. He reported that many of the buildings being erected today did not comply with the building by-laws. The manner in which the chimneys were being erected seemed to be the greatest fault, the woodwork about the chimneys. He also named two parties who had shingled roofs in the fire district. The Inspector wanted to know what course the council would have him pursue. There was considerable discussion over the building by-laws in which every phase of the question was gone into, even to the issuance of the building permit, and several motions were passed relative thereto. The unanimous feeling of the council was the building by-laws were to be enforced to the letter.

The finance committee was authorized to dispose of the \$20,000 Fire Debentures at the best possible price. There being nothing further before the meeting the council adjourned.

SLEEP WALKING

GIRL DROWNED

Montreal, Aug. 30.—Death under tragic circumstances was revealed with the finding of the body of Miss Emma Senecal, member of a well known family of Boucherville (Que.), floating in the St. Lawrence River. Evidence deduced at the brief inquiry which was held immediately after the finding of the body, showed that the unfortunate woman was a victim of sleep walking, and that she had left her home while in a somnambulist condition on Friday evening or early Saturday morning, walked into the river, and lost her life.

"The Great Air Robbery" is Universal's contribution to aeronautical science.

HARRY A. McLENNAN

COMPANY, LTD.

New Company Organized to Take Over Schooner Harry A. McLennan.

FREDERICTON, Sept. 1.—Letters patent have been issued incorporating Alexander McLennan, Campbellton, and Thomas Nagle and Charles McKerrison, St. John, as the Harry A. McLennan, Limited, with a capital stock of \$125,000 and the head office to be at Campbellton. The object of the company is to purchase or otherwise acquire the ship Harry A. McLennan, together with all requisite equipment for the same, to purchase goods and to carry on the business of a shipowner in all the branches.

FREDERICTON, Sept. 1.—Hon. Dr. E. A. Smith, minister of Lands and Mines, is said by the Gleaner today to be about to retire from the provincial government.

In political circles this morning it was declared that Dr. Smith had already tendered his resignation to the lieutenant-governor, but this was officially denied, although it is unofficially admitted by his colleagues in the cabinet that the retirement of the minister of lands and mines is expected.

ENGINES CRASHED

MANY INJURED

Collision Between Passenger and Work Trains Resulted in Many Being Hurt.

St. John, N. B., Aug. 31.—The collision on Saturday evening between the C. N. B. express running from Moncton to Tormentine and a work train at Vimy Ridge, formerly Evans Sidling, west of Sackville was more serious than the Moncton despatch indicated. It was learned to-day that nearly every one on board the express was injured, in some way, or badly shaken up.

NO DUCK SHOOTING

UNTIL SEPT. 15

Duck shooting in New Brunswick does not begin until Sept. 15. There has been a mistaken impression in some quarters that the duck season opened Sept. 1, but such is not the case.

In former years the duck season began earlier, but now that Canada is a party to the migratory bird law duck shooting in the province and Nova Scotia is illegal until Sept. 15, and extends from that date until Dec. 31.

The season for woodcock, Wilson snipe or jacksnipe also opens on Sept. 15, but closes on Nov. 30. There is no partridge shooting in New Brunswick this year.

Local sportsmen regard it as important that the proper dates be known. There is a stiff penalty for shooting before the legal opening of the season.

NEWCASTLE GIRL GETS SCHOLARSHIP.

Fredericton, Sept. 1.—Miss Gwendolyn Belyea, of Newcastle, has been awarded a scholarship by the Imperial Order of the Daughters of the Empire as a part of the Canadian war memorial.

Nine scholarships of four years each worth \$250 a year have been awarded during the past few days by the I. O. D. E. in the Dominion, to children of soldiers who fell in the great war, to help them carry on their education.

In New Brunswick, Miss Belyea, who passed the U. N. B. matriculations, was chosen the winner. She is a daughter of Major W. H. Belyea, of Newcastle, who went overseas with the 26th Battalion, and was killed in France early in the war while fighting with that unit.

HON. DR. SMITH

RESIGNED

action and Other Sections of the Province Hear.

FREDERICTON, Sept. 1.—Hon. Dr. E. A. Smith, minister of Lands and Mines, is said by the Gleaner today to be about to retire from the provincial government.

In political circles this morning it was declared that Dr. Smith had already tendered his resignation to the lieutenant-governor, but this was officially denied, although it is unofficially admitted by his colleagues in the cabinet that the retirement of the minister of lands and mines is expected.

ANNOUNCE FIRST

DROP IN FLOUR

Millers Have Made Slight Cut in Price of New Crop Flour.

Montreal, Sept. 1.—Prospects for a decrease in the cost of bread were further quickened yesterday when the prominent Canadian spring wheat millers announced considerable reductions in the price of new crop spring wheat flour, the announcement coinciding with the exit of the Canada Wheat Board, with prices running from \$1.10 to \$1.50 lower than the government standard flour was selling at.

HAS RESIGNED.

Mr. Alex. McBeath of the Customs department has resigned.

APPOINTMENT MADE.

At the meeting of the Forestry Advisory Board of the Crown Land office on Saturday afternoon, an appointment was made, that the following applicants be given as forest rangers had successfully passed their examinations: M. Sleep of Chipman; S. M. Hayes, of Natchikook; B. A. Harrison, of Fredericton; Lawrence Carroll, of St. John's Crossing, Northumberland County; N. H. Searles, of St. John; Eugene E. Bidcombe, of Lincoln, Sunbury County; G. B. Chatter, of South Devon, and E. Hovey, of Fredericton. Other matters brought before the Board were of a routine nature.

When Home Seems Good

A BLIZZARD OUTDOORS—warmth and comfort within. There is nothing in the home so necessary as a good furnace. Stoves and base burners are unequal to the task—they choke the air with dust and only warm parts of the house.

And buying a furnace is a matter of knowing how. The warm air heating system is the least costly. It is the most effective and healthful too. The

ENTERPRISE WARM AIR FURNACE

will keep every corner of your home delightfully comfortable in all kinds of weather. It draws in the pure fresh air from the big outdoors, warms and moistens it and sends it on its way to you. Stoves and radiators can only heat the same air over and over.

Every part of the Enterprise Blazer Furnace is made just a little bit better than is necessary—the grate bars a little stronger—the fire-pot a little heavier. These are the things that enable us to guarantee that the Blazer Furnace will give you entire satisfaction.

Go fully into the matter with your dealer and write us for our free booklet "Warmth and Comfort".

POTATO PRICES WILL BE LOWER

Crop Reports Say Bountiful Harvest With Falling Prices.

Lower prices for potatoes are in prospect according to the statement of local shippers who base their opinion on the fact that the United States has a surplus of forty-one million bushels and the Upper Provinces of Canada also have a surplus. Irish Cobbler potatoes are being shipped now. The crop in this vicinity is reported to be excellent. W. W. Boyce has shipped several carloads from Fredericton already. Three dollars per barrel is the price paid by local shippers but this is expected to drop to \$2.50.

Maine Potatoes Down.
A report from Presque Isle, Me., this morning was that \$2.50 was being offered there by the shippers, the price having eased off. During the summer, buyers are said to have offered four dollars for the crop in the field all through Maine and very few farmers took advantage of the offer thinking that the high prices would continue.

Woodstock shippers today were paying \$2.75 per barrel for Cobblers but on Monday the price is expected to be \$2.50.

In Ontario and Quebec the crop is so good that these provinces are shipping instead of buying. New Brunswick potatoes are superior in quality but their market will be affected. The increase of forty per cent in freight rates also works to the disadvantage of New Brunswick tubers.

No demand like that of last year is anticipated.—Fredericton Mail.

Ottawa, Aug. 30.—There is little prospect of potatoes again reaching a seven dollar level as they did last season, according to statements by local wholesalers who are quoting \$1.75. Reports indicate that the potato crop is in excellent condition, both as to quality and quantity.

WOMAN DIES FROM INJURIES

Jumped From Rapidly Moving Auto and Has Skull Fractured.

As a result of a leap from an auto Friday evening, Mrs. John Aylward, wife of the manager of the Lounsbury Company, Blackville, lies at the Miramichi Hospital, Newcastle with a fractured skull, and small hopes are held for her recovery.

The unfortunate lady, who was of a very nervous temperament, had just left home with her husband and two children for an auto trip to Fredericton. When about five hundred yards from home, when the car was going about thirty-five miles an hour, she told her husband that she was not going to Fredericton, and a moment later shouting "Good-bye Jack" she had opened the door of the car and jumped out.

Besides suffering from bruises Mrs. Aylward sustained a fractured skull as well as internal injuries. She was formerly Miss Murphy of Barnaby River.

LATER.
Mrs. John Aylward, the victim of the automobile accident at Blackville last Saturday, August 28th, died at the Hotel Dieu Hospital, Chatham, on Saturday afternoon shortly before four o'clock. Deceased leaves four children and her husband, to mourn. Previous to July 1910, Mr. and Mrs. Aylward resided in Campbellton. Mr. Aylward was with the Lounsbury Co. here.

HERON ISLAND
On Monday evening, Aug. 23rd, Mr. and Mrs. John A. D. Robertson of Heron Island entertained a number of friends to a dance in honor of Mr. and Mrs. Alexander McNair of Blain, Wash., and the Misses Eliza W. Amund and Melissa Coolidge of Flatlands.

Those present were: Mr. and Mrs. McNair, Mrs. Bernice, (Boston), Mrs. H. McLeod (Boston), Mrs. Dodge, Mr. and Mrs. J. B. Creighton, Mr. and Mrs. J. G. Galtie, Mrs. S. Creighton, Mrs. Simonson, Misses Eliza W. Amund and Melissa Coolidge, (Flatlands), Bessie Murchie, (Nash's Creek), Stel McNair, Laura McMillan and Messrs. Jim Nichol, Kingston MacMillan, William MacCormack, George Murchie, Hugh Murchie (Blacklands), Alonzo Miller (Charlo), Ralph Dickie (Black Point), Fred Dickie, J. McConnell, Erik Atkinson (Ed River), Ian Hamilton, Robert McMillan, Raymond McMillan, William Pettigrew, John S. Pettigrew, Cyril Simonson, Jack Simonson, Alex Simonson. Tea was served about 10:30. Mrs. Robertson was assisted in serving by Mrs. J. B. Creighton and Miss McMillan. After midnight a very enjoyable time came to a close to the appreciation and satisfaction of all, and with many pleasant thoughts for Mr. and Mrs. McNair to carry with them to their home in the west. Messrs. Cyril and Jack Simonson escorted from town for the occasion.

A Straight Eye and a Steady Nerve

Some time ago Miss Bertha McLeod, a St. John lady, was stricken with St. Vitus Dance. The doctor's medicine failed to relieve her, so she tried a bottle of

HAWKER'S Nerve and Stomach TONIC

which made a wonderful improvement in her condition. She continued to take this tonic, with the result that very soon she was fully recovered. Now her nerves are steady, and give her no trouble, and she is able to do her household work as well as ever.

Hawker's Nerve and Stomach Tonic is THE reliable remedy for nerve and stomach disorders. Try it. It will "set you up".

At all druggists.
None genuine without the name of The Canadian Drug Company, Limited, ST. JOHN, N. B.

In Case of Colic

Give your horse Dr. J. Woodbury's Horse Laxative internally—and at the same time, build up the general health and digestion of the horse with Dr. J. Woodbury's Condition Powder.

Colic in a horse comes from the same cause as colic in a baby—acute indigestion. These remedies tone up the stomach, regulate the bowels and kidneys, help the digestion and soon put the animal in the best possible condition.

Dr. J. WOODBURY'S
Horse Laxative and
Condition Powders

used whenever an animal is troubled with Colic, Cough, Croup, Hoarse, Stomach, Indigestion, Constipation, Diarrhoea, Worms, Fever, etc., etc., etc. These remedies give prompt relief and change the acid, bile, and other unhealthy conditions of the stomach into healthy conditions.

Keep these standard preparations always in your stable in case of sickness or accident.

TIMBER DUES FOR QUE. CROWN LANDS

New Tariff is Adopted—in Force on September First.

The following information was given out at the Quebec Parliament Buildings last week in connection with the new dues for cutting of timber on the Quebec Crown Lands.

"The Honorable Minister of Lands and Forests, in a report dated August 19, 1920, states that it would be proper to resind order in council, No. 765, dated June 12, 1918, which amended the order in council No. 295, dated April 26, 1910, and also the latter. He therefore recommended that from the 1st of September, this year, the following tariff of dues for the cutting of timber on Crown Lands under license be adopted and put into force:

1. On all square lumber or flats:
A. White pine, oak, carya and walnut, 15 cents per cubic foot.
B. Red pine, elm, ash, cedar, white wood or linden, wild cherry, maple and tamarac, 12 cents per cubic foot.

C. Fir and North American fir, grey pine or cypress, spruce, birch, aspen and poplar, 10 cents per cubic foot.

2. Sawed logs or bark and large timbers, and rough heavy timber:
A. White pine, oak, carya, and walnut, \$5.00 per 1,000 feet.

B. Red pine, elm, ash, white wood or linden, wild cherry, maple and tamarac, \$3.50 per 1,000 feet.

C. Fir, North American fir, grey pine or cypress, spruce, birch, aspen, poplar or cedar, \$2.70 per 1,000 feet.

3. Poles of more than 18 feet and not exceeding 10 inches in diameter at the thin end.
A. 30 feet or less in length, 0.75 cents each.
B. 30 feet to 40 feet, \$1.50 each.
C. 40 to 50 feet, \$3.00 each.
D. 50 feet or more, \$6.00 each.

4. Railway ties of not more than 90 feet, 0.15 cents each.

5. Other articles of value, 15 p. c. ad valorem.

RUM RUNNERS ON RESTIGOUCHE

One Suspect Caught and Others Are Being Closely Watched.

For some time it has been suspected that much liquor which has been in evidence here of late was coming from the Quebec side of the Restigouche river. To some extent this was proven when a resident of Campbellton was up before His Honor and was fined \$100.00 and costs. Seven cases and two jars of liquor in the shipment were seized.

It is said that a number of others are in this business, and a close watch is being kept on several suspects. The liquor is imported to Sandy Hill station, where it is taken charge of and hauled to the river bank, then loaded in motor boats and brought to town, where it finds a ready market.

DEARTH OF PULP WOOD WILL FOLLOW WASTE

That there must soon be not a mere shortage but an absolute dearth of pulp wood, besides which the present paper lack will be regarded as sheer abundance, unless the prevailing extravagantly wasteful destruction of forests is promptly checked, was stressed in an address before the weekly meeting of the Associated Motion Picture Advertisers by Charles Barrell.

Mr. Barrell, back from a three months' journey through the Canadian Northwest, gave a vivid wordpicture of the methods, lack of method and short-sighted improvidence practiced in that great regional source of the bulk of the present supply of paper pulp wood.

"So rapidly are the vast forests being denuded," said the speaker, "that the growth product of, say, 900 years, and in a particular case instances, even of 1,500 years, are consumed in a single day's felling, a rate of consumption which it was self-evident could not long continue without resulting in practically a total extinction of supply."

In extending an invitation to his hearers to witness at an early date the screening of the remarkable scenic and industrial footage "shot" in the course of his tour, Mr. Barrell pointed out some of the opportunities for novel motion picture material that await the enterprising producer in the Canadian Northwest. "Westerns" widely differing from the type long familiar in the U.S.A. lie ready for the making in that almost untouched territory," said the speaker, "to say nothing of a magnificence of settings and a wealth of detail which thus far the motion picture has merely skimmed."

Boy's School Suits.

THE service and value-giving policy of this store is nowhere more strongly evident than in our boy's suit department. This is easily understood, however, when one considers that we feature Johnson's of Toronto for boy's clothing—famous for durability and appearance.

Prices, \$10.00 to \$26.00

TRADE AT HOME AND BUILD UP YOUR TOWN

Do YOUR part in building a great City of Campbellton, and the growth of the Bay Chaleur County, by patronizing Campbellton and Bay Chaleur Merchants and Factories. Every dollar you spend in Campbellton and Restigouche county circulates and leaves a profit in every hand that holds it. Money sent away from here rarely returns—when you send it away you are deliberately sapping the life and strength of your community. To patronize home industries every citizen owes to himself and those he loves.

Campbellton, N. B. Sept. 2nd, 1920.

A FATAL ERROR.

Emma Goldman tells a socialist friend in England that many boats were sent to Russia on the same boat with her have been killed by the Soviet government. Evidently they thought Russia was a free land, and began acting up according to their habits formed in America.

MILLIONS FOR VANCOUVER

NOTHING FOR CAMPBELLTON
The government has pledged to spend five million dollars at Vancouver to improve the harbor. When Campbellton asked for a few thousand as the Dominion Government's share in the interprovincial bridge here, it had no money to spend on new work. Now that funds seem more plentiful, we would suggest that we again get busy.

NOW FOR TOWN MANAGER.

The resignation of Town Engineer W. J. S. Walsh, which was handed in at last meeting of the town council opens the way for the employment of a town manager for Campbellton and the committee of which His Worship the Mayor is chairman, should lose no time in looking into this matter.

Coun. Currie, who expressed regret at losing Town Engineer Walsh, stated that a competent engineer was willing to accept the position. If this is so all available information should be obtained and if the said engineer comes well recommended the town might do worse than employ him, giving him a free hand to reorganize the various departments and bring them up-to-date.

Lieutenant O. L. Locklear, the aviator, in "The Great Air Robbery," the Universal photodrama of the air.

Every 10c Packet of WILSON'S FLY PADS WILL KILL MORE FLIES THAN 50c WORTH OF ANY STICKY FLY CATCHER

Clean to handle. Sold by all Drugists, Grocers and General Stores.

HENRY FORD'S FAITH IN AVIATION.

Says Flying Will Be as Common as Auto Driving.

TORONTO, Aug. 31.—In an interview here yesterday, Henry Ford, the automobile manufacturer, said he believed flying would soon be as common as automobiling in these days. His engineers, he said, were already working on an air cooled engine for flying machines and he would be ready to supply the demand when the time came.

A squadron of aeroplanes fighting a mile above the earth in a blackness broken only by the flash of machine guns is a spectacle to be seen in "The Great Air Robbery."

Miss Frances James, who has been the guest of Miss Ethel Lingley, for the past month has returned to her home in Montreal.

Miss Florine Currie who has been visiting her parents, Hon. and Mrs. Wm. Currie, left on Saturday evening for a visit to Montreal and Ottawa before returning to New York.

Miss Florine Nelson has returned to Boston, Mass., after visiting her mother, Mrs. Robt. Nelson.

Mrs. John Dickie and Miss Harriet Dickie who have been the guests of the former's sister, Miss Frances Cliff, at Derby, have returned home.

Miss Thute and Miss LeBans of Henderson's Millinery Parlors, are in St. John attending the millinery opening.

Rev. Thos. and Mrs. Roy and son James left on Wednesday for their home in London, Ontario, after visiting Mrs. J. S. Evans for the summer months. Misses Kathleen and Gwendolyn Richards accompanied them. Miss Gwendolyn Richards will attend college in Toronto, while Miss Kathleen Richards will visit Mr. and Mrs. Roy in London.

Miss Georgie McDonald very pleasantly entertained a number of friends on Tuesday afternoon for Miss Grace Grant of Fredericton. The tea table was presided over by Miss Hazel Mowat while Miss Estelle Bruce and Miss Hattie McDonald assisted in serving.

Mr. and Mrs. Lewis Rogers and daughters, Miss Agnes Rogers and Mrs. Alfred Fullerton of Springhill, N. S., motored to town on Friday and were the week-end guests of Mr. and Mrs. S. W. Dimock, at their summer cottage "Idylwyld."

Mr. and Mrs. Percy Shannon and baby are spending a few weeks with friends in Jacques River.

Miss Gladys Webb has returned to her home in Amherst, after visiting in town the guest of Miss Mona McLennan.

Mr. Frank Graham of Havana, Cuba, is visiting his father, Mr. D. F. Graham.

Miss Ruby McDonald has returned to Campbellton after spending a few days in New Carlisle, the guest of her mother, Mrs. Geo. McDonald.

Mr. G. G. McKenzie left on Saturday evening for Montreal and Toronto on a buying trip for the G. G. McKenzie & Co.

Mr. and Mrs. Donald J. Hachey, husband announce the engagement of their eldest daughter, Eucharist, to J. Leo Tobin of Winnipeg, the marriage to take place the latter part of September.

Miss Winnie Lemieux has returned from an extended visit with friends in Anishot, N. S. Miss Shannon was accompanied home by Mrs. Chas. LeBlanc, who will be her guest for a few weeks.

C. W. McMillan left on Friday's limited for his home in Sudbury, Ontario, after spending a week in Campbellton the guest of his mother, Mrs. John McMillan and also of friends in West Bathurst.

Mrs. Dugald Myles and daughters Beatrice and Ida, who were visiting in New York have returned home. They were accompanied from Montreal by Miss Effie McKenzie, Montpelier, who will visit for some time at Brandy Brook.

Miss Jean B. Carter, Miss A. Lyell Hicks, and Mr. P. W. Carter left on Wednesday evening's limited for Winnipeg, travelling the Great Lake route from Sarnia to Port Arthur. They will spend a day in Toronto and Niagara with friends. The Campbellton Fire Department of which Mr. Carter was a valued member, presented him with a beautiful fitted travelling case, previous to his departure.

Miss Flora Adams of Matapedia has accepted a position as stenographer with the Canadian Pulpwood Corporation at Little Cascapedia, and left for that place to take up her duties.

Rev. Thos. and Mrs. Roy and son James and Mrs. J. E. Evans motored to Newcastle last week and on their return were accompanied by Mr. Roy's mother, Mrs. Jerome Roy, who will visit at Mrs. Evans'.

Mr. Wm. R. Duncan, who has been spending the summer months with his parents, Mr. and Mrs. Geo. A. Duncan, returned last week to Los Angeles, California. He was accompanied by Mr. Lester Annington of this town.

Mr. Ernie E. Robinson, who has been visiting in town the guest of Mr. Andrew J. Duncan, returned to Montreal last week.

Mrs. P. Gillin, Woodstock, has announced the engagement of her daughter, Mary A. to J. Leonard DeGrace of Campbellton, the wedding to take place in St. Gertrude's Church, Woodstock, on Wednesday, Sept. 15th, in Toronto on a buying trip, and also attending the fall openings.

Miss Frances James, who has been the guest of Miss Ethel Lingley, for the past month has returned to her home in Montreal.

Many Notes of Town and Gathered by Graphic

MARRIED.

At the Rectory, Campbellton, N.B., on August 21st, Miss Lily M. Foster and W. E. Thomas of Montreal, the Rev. J. S. Harrington officiating.

MORE PAPER INCREASES.

The Sydney Post, Record and Gloucester Gazette, owing to the increased cost of production have followed the example of a number of other dailies and raised the price of subscriptions. Copies of the paper will now sell at five cents.

Locklear, the dare-devil of the skies, only man in the world who ever changed planes in air. See him in "The Great Air Robbery."

OPEN EVENINGS.

Our store will be open again on Tuesday, Thursday and Saturday evening, commencing Thursday, Sept. 2nd.

F. E. SHEPHERD & CO.

RECEIVES APPOINTMENT.

A. Johnson, a returned soldier, has been appointed to succeed Joseph Ellick, the returned Serbian soldier, as night watchman at the Departmental Buildings, Fredericton. Mr. Johnson is a native of Campbellton, having recently moved to the capital and now service with the 182nd North Shore Battalion with the C. E. F.

THANKS.

The young ladies of Oak Bay in charge of the supper in aid of the Hotel Dieu, Campbellton, wish to thank all those who contributed generously in making this affair a success.

See Lieut. O. L. Locklear, the fearless aviator, in "The Great Air Robbery," his Universal masterpiece.

ADVERTISING.

The biggest men in the country have found that the easiest way to gain success is to ADVERTISE. Suppose the newspaper did not publish the news, how would the people know what is happening? If you don't publish the Store News how will the people know about your goods? You can never sell the goods people do not know you have.

Advertising is telling about your stock. The firm that advertises gets ahead, every time, of the firm that does not advertise. Shopworn and out of date stock is the penalty merchants pay for not advertising. The Graphic is read by the people therefore your store news should be in its columns. Our rates are very reasonable.

SHIVES COLTS TRIM TOWN TEAM

Friday night the Colts trimmed the Town team 6 to 5 in a good game, the last of the league. Both teams played nearly errorless ball and the score was so close all the way through it kept the fans at fever pitch.

ADVERTISING.
The biggest men in the country have found that the easiest way to sell success is to ADVERTISE. Suppose the newspaper did not publish the news, how would the people know what is happening? If you don't publish the Store News how will the people know about your goods? You can never sell the goods people do not know you have.

Advertising is telling about your stock. The firm that advertises gets ahead, every time, of the firm that does not advertise. Shopworn and out of date stock is the penalty merchants pay for not advertising. The Graphic is read by the people therefore your store news should be in its columns. Our rates are very reasonable.

SHIVERS COLTS TRIM TOWN TEAM.
Friday night the Colts trimmed the Town team 6 to 5 in a good game, the last of the league. Both teams played nearly errorless ball and the score was so close all the way through it kept the fans at fever pitch.

A PLEASANT PLACE.

Through the medium of your valuable paper, we wish to state that in all our travels by auto from Blaine, Wash. to Westport, we never struck a better place than Heron Island.

We were camping on the island for two weeks and every day of that time one or other of the residents of the district brought us something extra in the way of eatables either cream, chickens, berries, etc. The island people cannot be excelled for their kindness.

There is everything on the island, fishing, boating and a beautiful beach for bathing. We heartily offer our thanks to the Heron Island people for their kindness and trust in the near future to be able to pay them another visit.

Misses Eliza, May, Amanda, Melissa and Burk Cooling of Flatlands, were our guests for the time we camped there and thoroughly enjoyed themselves. Thanking you for the page.

(Mr. and Mrs.) ALEX. McNAIR
Director Jacard used a wireless telephone to direct Lieut. O. L. Locklear, star of "The Great Air Robbery."

BORN.
At Fredericton, N. B., Sept. 15th, 1920, to Mr. and Mrs. Kenneth Corbett, a son.

MEETING OF HOSPITAL AID.
The regular monthly meeting of the Soldiers' Memorial Hospital Aid will be held in the Oddfellows' Hall on Tuesday evening, Sept. 7th at eight o'clock.

See a fight between a pirate airship and a mail plane 5000 feet in air. It takes place in "The Great Air Robbery."

POLICEMEN PLACED.
The five silent policemen ordered by the town have been placed as follows: Corner Water St. and Subway, Corner Andrew and Water Sts., Corner Cedar and Water Sts., Corner King and Queen Sts., Corner Roseberry and Minto Sts.

HEADS THE LIST.
The results of the Normal School Entrance examinations have been announced, and Gloucester County has the distinction of having one of its students head the list for the whole province. This honor fell to William Arthur Foster of Tracadie, a member of a talented family which has previous won distinction in similar ways.

CARD OF THANKS.
Mr. and Mrs. Winston Ferguson of Flat Lands, wish to thank their many friends for kindness shown them in their recent sad bereavement.

ST. JOHN RACES CANCELLED.
The St. John races planned for exhibition dates next week, have been cancelled. In making the announcement tonight J. D. Black, said that the chief reason was the fact that they could not secure assurances of a satisfactory street car service to the Moosehead Park while the exhibition was on.

NERVES ALL GONE TO PIECES

"Fruit-a-lives" Conquered Nervous Prostration

R. R. No. 4, GRAMER PLAINS, MAN.
"In the year 1910, I had Nervous Prostration in its worst form; dropping from 170 to 115 pounds."

The doctors had no hope of my recovery, and every medicine I tried proved useless until a friend induced me to take "Fruit-a-lives".

I began to mend almost at once, and never had such good health as I have enjoyed the past eight years. I am never without "Fruit-a-lives" in the house". JAS. S. DELGATY.

At all dealers or sent postpaid by Fruit-a-lives Limited, Ottawa.

PUBLIC NOTICE.

Pursuant to a resolution of the Town Council of the Town of Campbellton passed on Aug. 31st, public notice is hereby given that all persons proposing to erect, reconstruct or repair any building, or having buildings already under construction within the Town limits, must procure a building permit from the Building Inspector and otherwise comply with the by-laws of the Town relating to the Construction of Buildings, a copy of which can be obtained from the Building Inspector.

Dated this 1st day of Sept. 1920.
JOHN T. REID, Town Clerk

OBITUARY.

Margaret Ferguson
The sympathy of the community is extended to Mr. and Mrs. Winston Ferguson on the death of their bright little daughter Margaret, aged seven months, which occurred on August the 11th. Interment in the Flatlands cemetery.

IN MEMORIAM.
In proud and loving memory of our dear son and brother, Driver Charles E. Kilham, 12th Battery, C. F. A., killed 2nd September 1918 on Arras front, buried at Bligny St. Flochel, British Cemetery, France.

Your name is golden in our hearts, Your deeds were those of love You fought, you died, your life flows in glory's realm above. Inserted by Mother, Father, Sister and Brother.

FOOD PRICES ARE DROPPING

**Sugar First on Downward Way.
Flour and Other Articles to
Follow.**

Winnipeg, Aug. 27.—Following the start of the fall movement of the 1920 crop and the resumption of competitive dealing by millers, it is stated today on good authority, according to a local paper, that there will be a drop in the price of flour and also in the price of bran and shorts.

One prominent miller said that the drop in the price of flour would be \$1.50 per barrel at least. It was likely to take effect soon, probably next week, or the week following, he intimated. The price of flour per barrel now is \$14.50. The price of bran and shorts, it was said, would drop from \$7.00 to \$5.00 per ton.

Lower Retail Prices.
Wash, Aug. 27.—Retail prices in the opinion of the federal reserve board, will decline slightly during the coming fall and winter months and will slump next spring to lower levels.

Summarizing recent changes in prices of various commodities in the United States, the board in a report says that "saving afforded by manufacturers through lessened costs of materials and increased efficiency of labor must eventually be reflected in a downward movement of retail prices."

The board stated that an "important downward tendency" in prices of all commodities except food has been evidenced throughout the United States, the reduction in prices of raw products having been especially marked.

This general lowering of the price level, it was believed, indicate a probable drop in food prices during the coming months.

**C. P. R. CONDUCTOR IN
SERIOUS TROUBLE**

**Arrested in Toronto on charge of
Theft of Railway Tickets**

Toronto, Aug. 25.—David J. Carson, a conductor on the C. P. R. running between Toronto and Hamilton, was arrested here last night on the charge of theft of railway tickets, and Samuel Shiffman, a Hamilton merchant, was arrested in connection with the same charge. It is alleged that Carson stole railway tickets and that Shiffman sold them for him, and that the pair made thousands of dollars in this way.

Going Up.
A very junior officer was trying his first case.

"Seven days confined to camp," he snarled.

"Beg pardon, sir," whispered the company sergeant-major. "You mustn't give a sentence like that. You—"

"All right, then, fourteen days," he retorted the sub.

"But, sir," pleaded the sergeant-major, "it's not—"

"Arf a mo, major," interposed the Tommy. "Don't check him again or 'e'll give me twenty-one. 'E ain't a horeficer—'e's a hauctioneer!"

Cause and Effect.

Wife.—It's great to be a man. One dress suit lasts for years and years, while a woman must have a new dress for every party.

Hub.—Yes, that's why one dress suit lasts a man for years and years.

STRANGE TRAGEDIES Told by English Nature Observers.

Capt. Ross Smith, hero of the first flight to Australia, had many curious adventures on the way, but none more strange than that which happened as he rose from the race-course at Calcutta. There were a number of hawks circling round, and one actually struck the propeller. No damage was done to the propeller, but pieces of hawk hung on to the machine during the whole of that day's journey.

All sorts of curious tragedies happen in the bird world. At Watford a sparrow was found hanging dead by its neck. It had managed to entangle itself with a horse-hair which it was using in building the nest.

On Flisbury Park Lake a goose was deliberately murdered by a pair of swans. The goose had taken refuge in the stone embankment, out of which the swans, but at nightfall it tried to regain its nest. The swans all upon the poor creature, and finally tore it to pieces.

A cat was used as an extraordinary incident which the contributor saw in St. James' Park, London. A big gull was standing near the lake, and a girl was throwing bits of bread to it, but the bird stood still, paying no attention.

A sparrow came hopping towards the crumbe, when suddenly the gull came to life. With an amazingly rapid swoop he threw himself on the sparrow, knocked it over with one blow of the beak, and swallowed it. A most mysterious thing happened.

Twelfth, in Wales, on a spring day some years ago. The residents found part of the harbor full of dead birds. Some were floating, some dead on the beach.

They were all found within a circumference of three hundred yards, and there were many hundreds of the poor little corpses. It is true that there is a lighthouse at the Glend Rock, but the dead birds were not found close under the lighthouse, where they would have fallen had they beaten themselves to death against the glass.

Scotland's Motor Famine.

For many a man in Scotland, according to an automobile market report from Edinburgh, it is not enough to have sufficient money in his purse to buy a motor car—he must possess his money in patience until the supply has caught up with the demand. Since that condition is not expected to come to pass for about two years, such cars as are available are being sold at high prices. A popular car which used to sell for £125 before the war now brings £475; and six-year-old cars have been selling at 50 per cent. more than the original owners paid for them—a statement that may well seem a little fantastic, but please do not take it as a mere exaggeration.

As a result of the war, the number of cars in Scotland has been reduced to a very small number. The demand for automobiles, however, is still very great, and the price of a new car is now about £1,000.

The Corporation of Edinburgh has been experimenting with motor cars for carrying sight-seers to parts of the town and suburbs, and the experiment has proved so successful that additional cars are needed. Besides that, the use of such cars is spreading as a means of communication between village and village, and for touring in the Highlands.

Three Sundays a Week.

Keep away from Constantinople. They celebrate three Sundays a week there, according to Mrs. Lucy M. J. Jarnett, who writes in "Travel" about "How Constantinople Spends Its Sabbath."

Friday, the Moslem Sabbath, witnesses the picturesque parade of the Commander of the Faithful to his favorite mosque, followed by a holiday celebration at one of the Bosphorus resorts, probably the Sweet Waters of Europe. Saturday morning the Jews don their Sabbath raiment and seek the synagogue, followed by a pronouncement. The prescribed Sabbath day's journey of the Chosen People, 12,000 hand-breaths (about 2,000 yards) is indulged in later. And on Sunday the Christian Sabbath is celebrated in great state, especially by the Greek Orthodox Church, followed by holiday making. Professors of the three creeds take part to some extent in the celebrations of the others, and for three days business in some sections is at a standstill.

The Word "Dun."

It is said that the word dun, whose meaning is known to every one, was first used about the beginning of the nineteenth century. A constable in England named John Dun was celebrated as a first-class collector of bad debts. When others failed to collect a bad account, Dun would be sure to get it out of the debtor. It soon passed into a current phrase that when one owed money and did not pay when asked, he would have to be "dunned." Hence, grew the expression: "You will have to dun so and so if you wish to collect your money." And the word became incorporated into the English language as a verb, much the same as "dunned" was derived from a man of that name.

Industrial Research.

Again and again, during the war, it was insisted by all manner of authorities in England that one of the great efforts of the future should be in the direction of encouraging industrial research. This was, in fact, a war lesson, and Great Britain evidently has no intention of losing it. Already, a Government department of "scientific and industrial research" has been established; whilst, according to the chairman at a recent meeting of the Institution of Electrical Engineers, "universities all over the country, led by University College, London, are re-equipping their teaching departments."

**CAMPBELLTON PEOPLE
SHOULD EAT PIE DAILY**

Pie is wholesome, combining both fruit and grain. Those who have trouble digesting pie should take ONE SPOONFUL, simple buckwheat, bark, glycerine, etc., as mixed in Adler-ika. This flushes the ENTIRE bowel tract, removes foul matter which poisons your stomach for months and relieves ANY CASE of sour stomach, gas or constipation, and prevents appendicitis. Leaves stomach in condition to digest ANYTHING. A. McE. McDonald, Druggist.

**KING COLE
TEA**

Ten Years After

Ten years ago the first packages of KING COLE TEA were packed and put on the market. The time that has elapsed since then has been filled with hard work and with many difficult situations to be met and overcome. But withal, it has been a period of unquestionable, steady and persistent progress. KING COLE TEA has never looked back. Every year has brought its increase. Today its sale is ten times greater than the first year's business. This is the public's remarkable tribute to the worth of KING COLE TEA. It speaks for unusual service.

THINKS PROHIBITION IN ENGLAND INEVITABLE

Toronto, Aug. 25.—Rev. Dr. Trevor H. Davies, Pastor of the Metropolitan Church in this city, in an interview here last night stated that his observations in England in the past few weeks had led him to believe that prohibition was inevitable in England. Dr. Davies had just returned from the Old country. "The liquor traffic has had the biggest fight of its life in Great Britain," he said.

An Embryo Colymist.
While dealing with the subject, "Idylls of the King," a boy wrote, "Guinevere didn't recognize Arthur because he wore his knight clothes."

An Experience.
Though warned with him 't might not agree.
He ate and almost died;
'Twas only by a hair that he
Escaped chop-suey-side.

GERHARD HEINTZMAN

Something Fascinating About It

THE joy of the dance—the laughing lift of the latest rag—a bounding, resounding cataract of soul-stirring sound—isn't that the picture your mind calls up when you think of music?

Perhaps that's the phase of music you best appreciate—the glad, joyous, joyful abandon, the vim and vigor of echoing melody.

Then—when you come to buy your piano it's the big feature you'll look for—the power to lift you out of yourself; with the care-free, bountiful cheerfulness of its song.

You'll be wise to hear first: and foremost the flexible tone of **Canada's Greatest Piano**

Note how it responds to the happy mind, makes the last red

corpuscule in your blood glow with animation.

And then listen to its delicate murmurings, its bold, deep, rich harmonies. As you contrast them with the thrill of its ringing echoes—

—truly you will say there is something fascinating about the tone of the Gerhard Heintzman.

Call at our store. Judge the merit of Canada's Greatest Piano. Compare its fascinating beauty—see the graceful lines, the richly finished cases of this famous piano.

Come and picture what it would mean to you to have this joy in your home—what an inspiration it would be to the children—how it would brighten home life, make entertaining so delightfully simple.

You'll be surprised that so great a lifetime possession can be bought on such easy terms.

THE LOUNSBURY COMPANY, LTD.

CAMPBELLTON, N. B.

SUDDEN DEATH OF BRUCE CALDWELL

Passes Away in Dalhousie While
In Automobile on Way to
Hotel.

Lieut. Col. Bruce Caldwell died suddenly Friday night in Dalhousie. He was paying a second visit there this summer, but recently had not been enjoying good health. Last night while walking along the main street toward the Queen Hotel, where he was staying, he became suddenly ill and was taken in an automobile to the residence of Dr. Ferguson. The latter had him sent immediately back to his hotel, but before he arrived there he passed away. Dr. Richard, of Petit Rocher, who happened to be present when the automobile reached the hotel, pronounced him dead. Death was due to a stroke of apoplexy.

Mr. Caldwell was the son of the late William Caldwell ex-M. P. for Restigouche County. He is survived by one sister, Mrs. William Crockett of Fredericton, N. B. Mr. Caldwell was born in Dalhousie on November, 1858. As a young man he went west and entered the customs service, but in 1882 was transferred to the railway mail service with headquarters in St. John. He remained there until September 8, 1914, when he went overseas. He was officer commanding the Canadian Postal Corps during the war, and his good work won for him a membership in the Order of the British Empire. In his younger days he was a prominent athlete and was a member of one of the famous Winnipeg rowing crews. Among the railway mail clerks he was a general favorite and enjoyed a very wide acquaintanceship and numbered a great many friends.

FALL WHEAT AS A GRAIN CROP IN NEW BRUNSWICK

At various times individual farmers in the Maritime Provinces have experimented with the sowing of Fall Wheat, and with very varying results. So far as any definite records go there is nothing available upon the results obtained. Perhaps it is sufficient to state that the sowing of Fall Wheat has never become general, and those who did experiment have not followed up the practice. However, neither has the growing of Spring Wheat been by any means an universal practice.

With a view of getting some definite data there was sown at the Dominion Experimental Station, Fredericton, on August 30th, 1918, two bushels of Dawson Golden Chaff on an acre of land that had been well manured the year previous for roots and grew a soiling crop of peas and oats in 1919. This wheat made a stand of from 8 to 10 inches in the Autumn, and wintered exceedingly well, coming on rapidly in the spring making a growth of from 40 to 45 inches in the summer of 1919, and ripening up so densely to cut on the 31st July. This crop threshed out 34 bushels to the acre of a splendid sample of grain. There was a very favourable winter for this crop. Though not much covering during December, from Christmas on there was a very even covering of snow and no ice nor hard crusts.

On August 28th this wheat was sown at the rate of 2 bushels per acre on land from which a crop of clover had been cut and manured at the rate of 17 tons per acre. The Autumn growth on this land did not exceed six inches, and although there was a fairly good snow covering the April frosty nights and sunny days seemed to have a rather bad effect, and there was not much more than a fifty per cent stand. Part of the field was so poor that it was ploughed up in June and potatoes planted. However, the balance of the field, about two-thirds of the area, amounting to approximately an acre, has come on well and on the 21st July the grains are milky, and the crop should ripen off before the 6th August.

One of the advantages of Fall Wheat growing where wintering is successful is that it ripens up before the fungus diseases, which attack Spring wheat, seem to develop, and it has therefore suffered no damage from Glume spot nor rust, and so far as the experience at Fredericton goes, it is a better crop than Spring wheat, which in most varieties has been annually very injuriously affected by the Glume spot (so called which cuts off the supply of sap to the grains and gives a large proportion of shrunk grain).

W. W. HUBBARD, Supr.,
Experimental Station,
Fredericton, N. B.

A QUEER ACCIDENT.

Mrs. George Nichols, Fredericton, a few days ago, stepped on her shoe lace, fell and broke her left arm. She was preparing to go out and was wearing her shoe when the doorknob rang. On getting up to answer it she stepped on the shoe lace and the accident took place.

CARRIES TANLAC ACROSS ATLANTIC

Dreaded to Put to Sea Without
Medicine That Relieved His
Stomach Trouble.

Before starting on his last trip across to Gibraltar with a load of 8640 quintals of fish, Captain Fred Hollett of Burn, called in at Connor's Drug Store in St. John's to get six bottles of Tanlac, as he expected to be away for some months. "So long as I've got Tanlac with me I don't fear the trip," said Capt. Hollett, "but I've been such a sufferer from stomach trouble that I just dread putting to sea without it for Tanlac is the only thing that ever did me any good. Mine was a pretty bad case. I don't believe anyone ever suffered more than I did without going out of his mind. For eight years I never touched a meal without severe distress and stomach pain afterwards that fairly doubled me up. I never seemed to get any good out of my food and always seemed played out and weak. I had such headaches that they made me lightheaded and often had bad dizzy spells. I never slept well of a night and would get up in the morning with a bad taste in my mouth and feeling so sick that I couldn't touch a bite of breakfast. I got advice in European ports and here in Newfoundland, and was told that I had catarrh of the stomach. I took lots of medicine, but it was all money thrown away for all the good it ever did me. When I came in from my last voyage everybody seemed to be talking about Tanlac, and after reading of several people I had known who had got help from it, I decided it was just about what I needed. And sure enough Tanlac fixed me up all right. Why I can now eat anything the cook puts before me and it never has any bad after effects whatever. I now enjoy breakfast, which is a thing I haven't done for years, and I sleep just fine every night. I am on deck for duty every day without fail and to tell you the truth I feel a different man entirely." TANLAC is sold in Campbellton by THOMAS WRAN, druggist; in Jacques River, by S. McALLISTER; in Archibald Settlement, M. SMEABER and in Chandler by ARTHUR NADEAU.

For This Year's
Crop.

HALIFAX, Aug. 31.—"The prospects for a strong demand and high prices for Nova Scotia apples in the English market this year are excellent," says J. Forsyth Smith, representing the department of trade and commerce as Canadian fruit commissioner in Great Britain, who is now in this city. "The English apple crop was a failure."

EDITOR'S MAIL.

Dalhousie, N. B. August 26th, 1929.
Mr. Analow, Publisher,
"The Graphic,"
Campbellton, N. B.
Dear Sir,—

Rumors are circulating in your town and county that my license as vendor was taken away from me. To satisfy those busy bodies, on the 27th July I tendered my resignation to Inspector Wilson for good personal reasons which do not concern the public; on the 5th of this month I sent my license to Inspector Kean of Campbellton by registered letter.

There is also one reason that concerns the public: Wilson and his confederate of Chatham are busy hounding the authorized vendors and at the same time associating with bootleggers. The public will know more of that before long. Kindly publish this in your first issue.
Yours truly,
G. E. MERCIER.

NEW PRICES FOR VICTORY BONDS

Ottawa, Aug. 30.—It is officially announced that the prices for Canada's Victory Loan Bonds have been ordered by the following levels:—1922-29 interest yielding 6.35 per cent.; 1923-28 and interest yielding 6.15 per cent.; 1927-37 and interest yielding 6 per cent.; 1938-39 and interest yielding 5.85 per cent.; 1937-48 and interest yielding 5.68 per cent.; 1924-37 and interest yielding 6.27 per cent. 98 and interest yielding:

FEWER STUDENTS AT NORMAL SCHOOL

Decrease in Past Few Years is
Alarming—Shortage of
Teachers.

Fredericton, Aug. 31.—The number of students who have applied for admission to the provincial normal school for the coming year opening September 1st, shows a big decrease compared with attendance in former years. This year only 178 students have applied for instruction at the institution, this number being between forty and fifty less than last year's classes. Compared with the classes of a few years ago when upwards of three hundred students attended the normal school the attendance has fallen off about 40 per cent. Forty-five applications for 1st class, 102 applications for second class and 31 for third class have been received up to date. With a shortage at present in the number of teachers in this province the falling off in the attendance at the normal school is regarded as indicating even more serious conditions for the future.

PARLIAMENT WILL OPEN JANUARY 20

Plans Being Made for Earlier
Opening And Closing of Next
Session.

According to an Ottawa despatch plans for the earlier opening of the session for next year are already being seriously discussed by the government.

At the present time the hope is being expressed that everything will be in readiness for the opening of the next House by January 20.

It is intimated that the government plans laying out a course for the next session which should bring it to a close by about the second or third week in May.

STILL ANOTHER BY ELECTRICITY

Battleship Tennessee Attains a Maximum Speed of 21 Knots.

The electrically-propelled United States battleship Tennessee, which went into commission recently, is claimed by The Electric World to be one of the most powerful fighting vessels in the world today. She is 625 feet long, has a beam of 98 feet, and displaces 32,500 tons. Her main battery consists of twelve 14-inch guns, and she is protected by a belt of armor 14 inches thick. Her main engines consist of two Westinghouse turbine-generators, rated at 15,000 h.p. each, and each of the four propellers is driven by an 8,000 h.p. motor. Her maximum speed with full power is 21 knots.

COMMISSION BUSY ON POWER PLANS

Expect to Ask for Tenders on
Work of Development
Shortly.

St. John, N. B., August 31.—The provincial government commission will be opened to-night in Fredericton. It is expected that matters in connection with the water power development in the province will be touched upon. The engineers of the New Brunswick commission have been engaged in the preliminary plans for the work many of which have been looked over and approved by Henry Holgate, consulting engineer.

Mr. Holgate has set his seal of approval on the general scheme of development by which not only the cities and towns of the province would receive the benefit of cheaper light and power, but the municipalities also share in the convenience. It is planned to supply current from Musquash and the Lepreaux to all points from the source of supply through St. John to Moncton, where the system would be linked up with one from the north shore. The power from the Shogomoc would be used to supply the St. John River Valley connecting it St. John with the southern lines. It is understood that the commission will be in a position to ask for tenders for the first work in the near future.

ROBBERS TOURED COUNTRY IN CAR

Thief Under Arrest in Thameville
Reviews Their Career.

Chatham, Ont., Aug. 31.—With the arrest of Orville Ellis in Thameville, three robberies which occurred recently in this county have been cleared up. Ellis was arrested by Constable O'Neill, of Thameville, on suspicion of being connected with the robbery of the James George store in that place, he confessed to the crime, and also confessed to being connected with the robbery of the J. L. Hoover store in Bothwell, and the T. J. Hedley store in Morpeth.

Ellis says that he and another man, who has not yet been apprehended by the police, worked the thieving in an automobile, travelling around the country and taking on jobs wherever they saw an opportunity to pull a profitable deal.

CARLETON.
Mrs. Ernest Boudreau of Carleton has returned from Chandler where she spent four weeks the guest of her brother-in-law, Dr. J. V. Allard. Mrs. Edmond Allard of Carleton spent a few days in Chandler with her daughters Emilienne, Theres and Laurence.

Mrs. Frank Bujold has returned to her home in Caplan after visiting two weeks in Carleton with relatives and friends.

FIRST DAY IN OFFICE COSTS LONDON LORD MAYOR \$10,000

The first day in office of the Lord Mayor of London costs him \$10,000, his share of the expense of the Guildhall banquet, on the night of his installation. He is allowed \$50,000 for his year of office, and 20 per cent of it vanishes on the first night.

The lake is surrounded by steep mountains and is a favorite spot for fishing. The water is so clear that the bottom can be seen. The lake is surrounded by steep mountains and is a favorite spot for fishing.

The Bow River is the heart of the Canadian Rockies. It flows through the heart of the Rockies and is a favorite spot for fishing. The water is so clear that the bottom can be seen. The lake is surrounded by steep mountains and is a favorite spot for fishing.

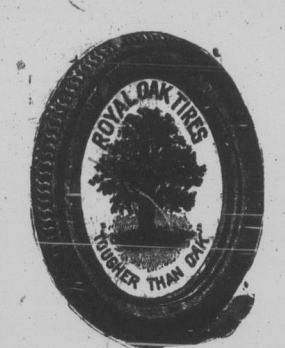

SMALL LUMBER CUT EXPECTED

Operators Are Curtailing Operations This Year—Pulpwood Active.

General curtailment of lumbering operations for the coming logging season is reported. Fewer crews and smaller in make-up are said to be going into the woods. The reason given is the slow movement of manufactured lumber from the mill yards of the province. Freight congestion on the railways and inability to secure steamships, are the reasons assigned for that.

DOUGLAS
EGYPTIAN LINIMENT
The best all-around liniment for the horse as well as for household use. Cures rheumatism, sprains, bruises, STOMACH BLEEDING INSTANTLY AND PREVENTS BLOOD POISONING. Keep it handy.

FARMERS MEETING AT CHARLO

Restigouche Farmers Hold Enthusiastic Meeting and Effect Organization.

Perhaps the largest gathering in the history of Colborne Parish, assembled in the United Farmer's new and commodious hall at River Charlo last Monday afternoon in response to the circulars sent out by the officers of the United Farmers of New Brunswick.

Almost every farmer in Colborne was present and the parishes of Durham and Dalhousie were well represented. A pleasing feature of the meeting was the large number of ladies in attendance, who followed the speakers with the same deep interest shown by the masculine portion of the audience.

The meeting was called to order at 2 p. m. by Mr. J. C. Cook, River Charlo, County Organizer who after a very able address introduced the first speaker, Mr. C. Gordon Sharpe of Carleton County, Secy-Treas. of the United Farmers of New Brunswick. Mr. Sharpe began his address by regretting the unavoidable absence of Mr. Thos. Caldwell, M. P. for Carleton Co. who was scheduled to speak and then proceeded to describe the progress of the United Farmers' movement during the past two years. He dwelt on the wonderful progress they have made commercially through the operation of a chain of Co-Operative Stores throughout the province and complimented the United Farmers of Colborne on the splendid building they have erected and which is now almost ready for business.

He also pointed out the prominent part the United Farmers are now taking politically through all Canada and then proceeded to explain the object of the meeting, which was to form a County Association to work in conjunction with the Provincial Association so that any situation concerning the welfare of the United Farmers would be handled with promptitude and dispatch.

Mr. Sharpe was followed by Mr. LeBlanc of Westmorland County. Although Mr. LeBlanc stated he had no education except what he had gained in the hard school of experience, he carried his hearers with him from the beginning and was frequently interrupted by laughter and applause. He also made a short address in French.

A motion having been carried to form a County Association, about forty members of the local branches in the county paid the membership fee and the following officers were elected: President—Peter Fraser, River Charlo. Vice-Pres.—Rufus Hicks, Dalhousie Junction. Secy-Treas.—James Currie, Nash's Creek. Directors—Mrs. Beaudry, Durham; Mr. J. I. Hamilton, Colborne; Mrs. J. I. Hamilton, Colborne; Wm. Murphy, Dalhousie; Mrs. R. Hicks, Dalhousie; Edward Bernard, Balmoral; Murray Duncan, Addington; Wm. Copeland, Elton; Councillor Gauthier, Grimmer.

CIVIL SERVICE EXAMS OCT. 26
Candidates in New Brunswick Must go to St. John, Fredericton, Moncton or Chatham.
Ottawa, Aug. 30.—Competitive civil service examinations for several classes will be held at various points throughout Canada from October 26 to October 30 including Sherbrooke, in Quebec; Fredericton, Chatham, St. John and Moncton, in New Brunswick; Kentville, Yarmouth, Halifax and Sydney, in Nova Scotia; and Charlottetown and Summerside in Prince Edward Island.

Save the surface and you save all that's behind it
Safeguard that valuable home of yours
YOU can never afford to let your home deteriorate for lack of paint. Lately property values have risen so high that the cost of a few cans of paint is a trifling expense for the safeguarding of the home. With this knowledge there is a more complete understanding of paint economy and a belief that it pays to use dependable paints, even if they cost a little more per can than the ordinary kind.

B-H "ENGLISH" 70% Pure White Lead (Brands' Genuine E. D.) 30% Pure White Zinc 100% Pure Paint
is guaranteed—every can of it—over the signature of the maker. There is also printed on it the basic formula which ensures permanence and "covering capacity." In spite of the rise in cost of materials, Brandram's B-H White Lead and other similar quality ingredients are used in the same liberal quantities as in the very earliest days of B-H manufacture. B-H "English" Paint will never be allowed to deviate from its original standard of quality no matter how conditions may influence other manufacturers. There's too much at stake in the wonderful B-H reputation to risk its prestige by even a slight departure from the famous formula which gives it such "body" brilliance, durability and all-round satisfaction.

Social and Personal

Mr. Chipman Kean spent several days in St. John this week.

Mr. Ritchie Henderson has returned from a week's visit to Montreal.

Miss Jessie Dennison of Marysville is the guest of friends in town.

Miss Gladys Kean is visiting in Waltham, Mass., the guest of her aunt, Mrs. James Hainnity.

Mr. LeBaron Roberts of Fredericton is visiting his sister, Mrs. John Connely.

Mr. John Gillis of St. John was a visitor to town for several days this week.

Mrs. Gordon Williams of Montreal is visiting her parents, Mr. and Mrs. H. D. Sheals.

Mr. Whipple of Matapedia was the guest of Mrs. H. M. McLennan, while in town last week.

Miss Grace Calder left this week for Fredericton where she will attend the Provincial Normal School.

Miss Susie Warman of Athol left this week for Fredericton where she will be a student at the Normal School.

Mr. J. W. Vienneau of the Toledo, Seale Co., of St. John was in town Tuesday enroute to his home.

Mrs. D. A. Aichorn has returned to her home in St. John after visiting her parents Mr. and Mrs. Jas. Sargent.

Mrs. John T. Reid and Miss Dorothy Reid have returned from Charlottetown where they spent the summer months.

Mrs. Ruet and Mr. Cyr of St. Anne were in town this week attend the wedding of Mrs. Ruet's son, which took place on Wednesday.

Miss Joan McLennan is visiting Miss Rena Caldwell at New Canaan, Que.

Miss Lillian Cripps of Chatham who has been the guest of her sister Mrs. D. A. Harquail at her summer cottage, Point la Nim, is now visiting in town the guest of Mr. and Mrs. Harquail.

Mr. and Mrs. Hugh Cannell and children of Rothesay motored to town last week and while here were the guests of Mr. and Mrs. James Sargent.

Mr. and Mrs. H. A. Carr who have been spending the summer at Oak Point, have returned to town.

Mrs. Matthews, Miss Lydia and Eunice Matthews, Miss Jessie Cummings, (Moncton), and Mr. Homer Matthews motored to Moncton on Saturday.

Mr. and Mrs. D. A. Harquail and family who have been spending the summer at their bungalow at Point la Nim have returned to town.

Miss Agnes Crockett of Moncton spent a few days in town last week the guest of the Misses Blanche and Helen Crockett.

Mr. and Mrs. Edwin Brown and Masters Wm. and Edwin, Harry and Miss Marjorie of Windsor, Ont., accompanied by Miss Delina LeBlanc, are the guests of Mr. and Mrs. C. J. LeBlanc of Campbellton.

Misses Corinne and Edith Harquail, daughters of Mr. and Mrs. D. A. Harquail, left on Monday for Chatham to continue their studies at St. Michael's Academy.

Misses Evelyn and Teresa McIntyre daughters of Mr. and Mrs. Henry McIntyre have gone to Chatham where they will be students at St. Michael's Academy. Their sister Miss Rebertine McIntyre accompanied them and will spend a few days with friends in Chatham.

Mrs. John McIntyre left this week for a two months visit to Boston. She was accompanied by her grand-daughters Misses Marion and Eleanor Barry, who have been in town for the summer.

Mrs. David Therrien and her brother, Mr. Jos. Comeau, formerly of Carleton, now of St. Charles, P. Q. were in town this week, guests of their niece, Mrs. Peter P. LeBlanc.

A most enjoyable dance was given by Mrs. Nan Wetmore, in honour of her guest Miss Grace Grant of Fredericton, on last Thursday evening at "The Rose Room." Mrs. H. A. Carr, assisted Miss Wetmore in receiving her guests, who numbered about sixty. The excellent music supplied as well as the picturesqueness of the hall itself, added much to the enjoyment of the occasion.

A delightfully pleasant afternoon was spent at the home of Mrs. David Doherty, Charlottetown, on last Thursday, when she entertained a number of friends at a lawn party. Mrs. J. T. Reid presided over the prettily appointed tea table, and Miss Dorothy Reid and Miss Elsie Currie assisted in serving. The guests included: Mrs. Jamieson, Mrs. Peter Hamilton, Mrs. D. McLean, Mrs. Hamilton, Mrs. Wm. Currie, Mrs. James Cook, Mrs. Jas. McPherson, Mrs. H. B. Anslow, Mrs. Fife, Mrs. Kerr, Miss Gordon, Miss Summer, Mrs. Sumner, Mrs. Arch. Henderson, Mrs. David Henderson, those present, who were: Mrs. B. R. J. Laviole, Mrs. W. H. Boulay, Mrs. Bernatchez, Mrs. H. Cormier, Mrs. Jos. Boudreau, Mrs. P. Dupuis, Mrs. Dalton, Mrs. Clarence Boudreau, Mrs. Orville King, Mrs. Alp. Boudreau, Mrs. F. O'Leary, Mrs. Richard Murray, Mrs. Frank Dickson, Mrs. S. Mary Price, Nora Wall, Hazel Mar-LeBlanc, Mrs. Harry Sullivan, Mrs. Nellie Annett, Oveline Boudreau, Grace Vermette, Gladys Kean, Fern Vermette, Marguerite Henry, Whinnie Lemieux, Dolly Hayes, Laura Boudreau, Lucie Russell, Diana Boudreau, Marion Harquail, Helen Stevens, Fredora Renault, Lenene LeBlanc and Albertine Delron.

son, Mrs. A. A. Andrew, Miss Sarah Doherty and others.

Mrs. Alfred Renault very pleasantly entertained a number of friends at her home on last Friday evening for Miss M. L. Barthe. During the evening Miss Barthe was presented with a beautiful chest of silver, the gift of

CARL LAEMMLE offers

Locklear

THE SKY DAREDEVIL

IN

"The Great Air Robbery"

UNIVERSAL JEWEL SUPER-PRODUCTION.

STAGED IN THE CLOUDS!

The most astounding drama that the mind of man ever conceived—or the bravery of the bravest ever carried to successful conclusion.

A romance of today which will be the actuality of tomorrow—piracy in the air lanes! A terrorizing certainty which crowds the mind with pictures of the vivid drama soon to take place in the vast ocean of the skies.

A picture in which you are lifted from your seat—to rush, to roar, to whirl, to dive through the immensity of space—to hang at a rope's end a mile above the earth while the woman you love sweeps on above you, helpless in the clutches of a bandit of the air.

Mayhap you will see many years from now one other human being with the ice-cold nerve of Ormer Locklear in this amazing, overwhelming, stupefying Universal Jewel Production, but until that far-off day "THE GREAT AIR ROBBERY" will be Number One of all the pictures ever made above the surface of the earth. A thriller in which the sky's the limit!

So Close You Could Jump on Board!

You so near to daredevil Locklear that you almost touch him as he makes that death-defying swing from plane to plane a mile above the earth and You up there with him—eyes agog as you watch the most astounding drama the mind ever conceived—a picture in which you are lifted from your seat to sweep and dive through the immensity of space with Locklear as he leaps to clutch the frail ladder and climbs, rung by rung, to a girl's rescue!

"This is a genuine thriller. Nothing like it was ever produced. Real, not faked, it's scenes hold you spellbound."—HARRISON'S REPORTS.

"Almost within arm's reach and so thrilling you hold on to the chair in front."—CHICAGO EXAMINER. (Since this picture was produced Locklear lost his life in one of his death-defying stunts. He is the Lieutenant Ormer Locklear, whose tragic demise, in California, you may have read of recently in the newspapers.)

JESSE L. LASKY Presents

CECIL B. DEMILLE'S Production

"Male and Female"

Founded on J. M. BARRIE'S FAMOUS PLAY

"THE ADMIRABLE CRICHTON."

If our lives could begin again! If tomorrow we could wake, as male and female only, in a world where wealth, laws, conventions, morals, classes meant nothing! Who then would rule, who serve, who love? See the answer in this great picture! A vital story of blue blood and red, with an all-star cast and scenes of alluring beauty.

A picture that seizes the creatures of a misfit "civilization," strips them of their false fronts and handicaps, flings them down in a land where nature rules, and says: "Try again; love again." Come and see what happens?

The scenes in the photodrama "Male and Female" have never been surpassed for color, variety and compelling beauty. The story carries the plot from the ultra-luxurious home of an English Earl to an uninhabited, uncharted, tropical island where the stranded party learn to live the primitive lives of wild people. The contrast in settings as in delineation of characters, is nothing short of remarkable.

A CAST OF PARTICULARLY HIGH CALIBER.

Crichton, a butler	Thomas Meighan	The King's Favorite	Bebe Daniels	Thomas	Sydney Dean
