POULTRY SHOW

The Annapolis County Poultry Association will hold a Poultry Show at Lawrenceston, December 2nd and 3rd, entries open to the County only. There will be a special opening on the evening of December 1st, with prominent men from the Government at Halifax as speakers. At the present time it is not possible to name these gentlemen as arrangements are not complete.

The most pleasing feature of the Show is the Junior Farmer section, open to boys and girls of sixteen years and under. It is realized that the children of today are the poultrymen and Nova Scotians of tomorrow, and that it is the duty of every citizen to assist in checking the rural migration to the United States and to our own cities. Hence, there is a special class for Junior Farmers in the Prize List. Moreover, the afternoon of December 3rd will be devoted to the young folk, when Professor Landry will talk to them on poultry, using his five motion pictures to illustrate with Doctor Hall, of Lawrenceston, will give a prize to that school having the greatest percentage of winners. On the special season, due regard being taken in distance from Lawrenceston according to a scale in B.C. It is expected that there will be a cup presented to the school winning the greatest number of points from the exhibited poultry.

Professor Landry, of the Agricultural College at Truro, will give addresses on the Care and Management of Poultry. Illustrating with his films, Flock Selection and Marketing Problems will be discussed by Mr. A. F. Curran, District Poultry Promoter, who also will use motion pictures. Further, he will hold demonstrations on the killing and dressing of fowl, the candling of eggs, and the churning of the flock.

The prize list is in the process of completion, and will probably be available in the first week of November. There are special points for poultrymen to take cognizance of, as follows:
(a) Exhibits must be owned and on the premises of the exhibitor 30 days previous to the opening of the show.
(b) Entries close on November 28th.
(c) Exhibitors must be members of the Association, either before or when forwarding their entries.
Further particulars will be published when arrangements are complete. In the meantime communicate with A. M. O. Gold, Sec. Treasurer of Lawrenceston, or with C. A. Good, Assat. and Sec. Treas., R. R. No. 1, Lawrenceston.

WILKLAND RIDGE

Mr. Osborne Stoddard of Buffalo, N. Y., is spending his vacation at the home of his parents, Mr. and Mrs. L. L. Stoddard.

Miss Alice McNeill has returned to her home in North Range.

Miss Helen Mason has accepted the position as teacher in the school in this place for an indefinite time.

Mr. and Mrs. Freeman Brown and Freeman Brown, of Melville, are guests at the home of H. F. Mason.

Miss Florence Marshall who is teaching at East Dalhousie spent the week end at her home here.

Mrs. J. R. McKenzie and baby of Springfield are spending a few days the guests of Mrs. Willard here.

Mr. Harvey Allen of Kentville was a recent visitor at the home of Mr. Harry Whyte.

Mr. Max Weaver who has been spending the past few months at Melville Square has returned home.

We were very pleased to hear that Edwood Mason formerly from here, who for the past 27 years has been residing in Somerville, Mass., has recently been elected Alderman of that city.

The members of the Linden Rebekah Lodge are planning to hold a concert in the I. O. O. F. Hall, on Springfield, on Saturday evening, Oct. 31st.

MOUNT HANLEY

Oct. 26—Miss Vera Elliott is visiting her brother, Stewart of Clarence.

Miss Helen Fritz is spending a few weeks with her sister, Mrs. Verge Card and daughter.

Miss Addie Whitman was a recent guest of Mrs. Frank Mosher.

Mr. George Thorpe of Windsor is spending a few days with friends here.

Miss Hazel Barreau spent the week end with Mrs. Aubrey Nelly of Brookly.

Miss Elizabeth Slocum is spending a few weeks with her sister, Mrs. Clyde Carter of Impeyval.

Mrs. H. L. Elliott, who has been visiting friends in Granville last week has returned home.

We had the pleasure of listening to Rev. Mr. Smith of Paradise on Sunday last. He and Dr. Brown have exchanged pulpits.

After today comes the County elections, making three elections in one year, to say nothing of the towns. It is to be hoped business will revert to natural channels after all these big times.

CARDS OF THANKS

CARD OF THANKS—We wish to express our sincere thanks to the many friends, who came and ministered to us, and in every way helped in our great bereavement. To the choir for special music rendered, and to those who sent floral tributes.

NOTICE TO Ex Service Men

THE ANNUAL
Memorial Day Service and Parade

will be held in United Church, MIDDLETON

on
Sunday, Nov. 8

at 2 p.m.

All Returned Men will "Fall in" at the Armouries at 2 p.m.

LIEUT. COL. DR. J. H. MACDONALD, D.S.O. of Acadia University has accepted the invitation to officiate at this service.

We expect to have with us on that day the Annapolis Co. Regimental Band, who together with the Cadets will parade.

As many as have uniforms will please wear them.

We hope for a large attendance on this occasion. It is our duty to remember Our Fallen Comrades.
K. P. JOHNSON, Secretary-Treasurer

ITEMS OF INTEREST

A well attended political meeting was held in the Armada Theatre on Monday night, chaired by Mr. W. C. Felndel, with addresses given by Mr. W. C. Felndel, and Mr. A. L. Davidson, Middleton. Both speakers were well received. The theatre was filled to the doors.

Today's election day. Get out and vote, and cast it for the party you think will serve you best. The days of "because father was" are all gone by, and today people are coming to weigh policies and take a keener interest in the affairs of the land. H. B. Short is the candidate of the Liberal-Conservative party and L. J. Lovett, the candidate of the Liberal party.

Ivan H. Crowell, who was teacher in Manual Training at the Macdonald School here last year, is at present enrolled as a student in Forestry at the University of New Brunswick.

Mr. Crowell is planning to continue the study of woods begun in his manual training course and work toward his degree in forestry. The Freshman class at the University this year numbers eighty, one of the largest in years.

A large number of those owing us

have received intimation during the month; also unless payment is made as noted thereon, drafts will be made. These drafts are already in hand to the bank. All unpaid drafts are being carried for in another way, and we ask those concerned to please attend to the little matter at once and save considerable extra expense and inconvenience. If we didn't need the coin we wouldn't bother folks at all, but would keep our heads down and let the world, letting nature take its course, with with a great many is a mighty slow and shaky one.

Middleton's photographer, Mr. W. H. Dill has taken over the E. I. Cook photographic establishment at Berwick. Mr. Dill will go up to Berwick a portio not each week to make sittings and take amateur work. By this new acquisition he will enlarge his field of labor, and be in a better position to give his large number of patrons at Berwick a better service. We congratulate him upon his business enlargement and bespeak for him greater success and increased trade relations. A picture by Dill means a good one, amateur work by him is the best that can be done.

At This Season of the Year

With its changeable weather and wet roads your car needs considerable attention.

Are you keeping the Spring Leaves Lubricated? Rusted Spring Leaves are often the cause of breaking. All Chassis Bearings should be greased very frequently with the proper grease. Grease is only preventive of friction and rust. Bring your car to have thoroughly lubricated. We have in stock, Alemite, Grease L and Graphite Grease.

When washing your car why not protect the finish with a good waterproof polish. We have the best—Simon's Kleener and Simon's Brilliant Lustre and Loco Gloss.

To those who are putting their car up for the winter we especially recommend the purchase of one of our Kennedy Auto Covers. These covers are easily handled and afford a splendid protection to the car. If you find your lights aren't quite as bright they once were, and not as bright as you would like them, drive in, we will fit you up. Our service is at all times quick and satisfactory.

"Worth Stealing"

A tourist sends in a new item for Town Topics under this title. The news item follows:

"While picnicking Saturday, August 29th, our boat was looted and knives and forks thrown overboard. The looters, boys, had been seen sitting on the bank eating one bag of Molar Chocolates while numerous other good things, while tossed about, had been left unheeded."

"I wish to complain," said the bride haughtily, "of the tough flour you sold me."

"Tough flour, Madame?"

"Yes, tough flour! I made a pie with it and my husband couldn't eat it."

TORBROOK MINES

Oct. 2—We are very glad to see the lights of a fine new store of modern design on the old site of the "Pioneer Store". We wish Mr. Spurr the best of luck as he starts anew in his business with us.

Mrs. H. P. Wheelock of Middleton spent the week end of the 17th with her sister, Mrs. A. M. Spinney and Zella.

Mr. John Stevens and children Winnie and Stevin left for Quebec on Thursday, where the children will remain.

The Misses Ermina Armstrong and Jessie Swain were the week end guests of Mrs. Albert Tutts of Kingston Station.

The stock visited the home of Mr. J. H. Parker on the 24th and left a baby girl with Mr. and Mrs. Howard Tutts. Congratulations.

Mr. H. P. Wheelock of Middleton spent several days of last week with his sister, Mrs. A. M. Spinney and relieved her of many of her cares preparatory to winter.

Miss Helen Barreau of Nictaux Falls spent the week end at her home.

The funeral of the late Frank Jolly took place on Monday. Interment was made in the cemetery here. Much sympathy felt for Mrs. Jolly and family in their sudden and sad bereavement.

Recent guests at the home of Mr. and Mrs. N. P. Wood were: Mrs. Bernard Wood and children, Alfred, Charles and Zaria; who have recently returned from spending three weeks at her childhood home in England; Miss Nellie Wickens of England, sister of Mrs. Wood; Mr. and Mrs. Lewis Dimock and daughter, Madeline; Mr. and Mrs. L. J. Elliott and son, Lloyd of Clarence; Mr. and Mrs. Nell Bowly and children, Marion and Arthur; Mrs. George Wotton of Wilmet; Mark Nelly and Miss Marie Brown of Torbrook.

YOUNG PEOPLE OF THE UNITED CHURCH GIVES PROGRAM

The Young People's Society of the United Church gave an interesting musical program in the Church Parsonage last Friday evening.

An interesting paper was read by Miss Rita Ritcey on Chopin, followed by a selection by the composer which was rendered by Miss Margaret Wright.

Musical games and choruses were also part of the program.

The Builders was chosen as a name for the Society.

OBITUARY

MRS. MAYNARD OAKES

At South Albany, on Thursday, Oct. 22nd, Mrs. Maynard Oakes passed away, after several weeks of illness, due to dropsy and heart trouble at the age of 44 years. On account of the illness of her son, during the past year and the consequent care, Mrs. Oakes had made great drafts on her strength, underlying thereby her constitution. She was a daughter of the late Henry Bruce and his wife, Lavinia Cropley Bruce of Brooklyn. For several years she was a successful teacher in the public schools of the Province.

Besides her husband and son, Charles, she is survived by two brothers, Harry Bruce of Brooklyn, Johnson Bruce of Centreton and one sister, Mrs. Deal of Cross Island, Lunenburg Co.

The funeral service which was largely attended was conducted at the home on Saturday afternoon by the pastor of the Albany Baptist Church, Rev. A. H. Whitman, assisted by Rev. George O. Whisman, returned missionary from China.

The underbearers were: E. J. Whitman, George Bairn, Fred Mallman and Lewis Merry. Interment was made in the South Albany Cemetery.

PERCY BALSOR

Lawrencetown, Oct. 26—At the Memorial Hospital, Middleton, whither he had been taken the week previous for treatment, Percy Balsor, eldest son of Mr. and Mrs. Richard Balsor of So. Williamston, passed away at the age of 28 years. He had not been well for some time and on the advice of his physician an operation was considered necessary, which revealed a case of tubercular peritonitis. He was a young man of promise, faithful to his home, fond of music and artistically inclined.

Besides his parents, two brothers, Fred and Frank and one sister, Ellie, all at home survive him.

The funeral service took place at the home on Tuesday afternoon. Rev. A. H. Whitman officiating.

DAIRYING

The extraordinary progress made by the dairying industry of the Dominion during the past few years continues and it is gratifying to find that the demand for Canadian dairy products is becoming greater and wider each year. The output of creamery butter last year was 152,200,968 lb., valued at \$69,459,150. Canada's best customer for the product during the year ended 31st July last was the United Kingdom, other markets being the United States, South Africa, Bermuda, West Indies, Newfoundland, Ireland, Cuba, Alaska, China, Japan, Germany, Belgium, Holland, New Zealand, Philippine Islands, South America and Panama.

The growth of the industry in the prairie provinces has been remarkable, particularly in the case of Saskatchewan, which only a few years ago was regarded as entirely grass-growing territory. For the first six months of the current year the butter production of that province was \$292,462 lbs., exceeding the figure for the corresponding period of the previous year by 25 per cent. Manitoba's increase was even greater, being 52 per cent higher to the end of May last. Alberta, which in 1915 imported 4,116,000 lbs. of butter and last year exported 4,100,000 lbs., expects to increase its output by 20 per cent this year. The outstanding reason for this growth, doubtless, is that the farmer is realizing, as never before, that dairying provides a steady source of revenue and affords relief from many of the evils which go hand-in-hand with the production of grains alone.

The figures of the Dominion Bureau of Statistics covering the export of dairy products for the year ended 31st July last, compared with the two preceding years, are as follows:

1925—Butter, \$10,217, 819; Cheese, \$27,894,665; Milk (fresh and cream), \$4,006,615; Milk (condensed, etc.), \$5,500,010.

Total Value \$50,619,118.

1924—Butter, \$5,278,479; Cheese, \$28,702,976; Milk (fresh and cream), \$5,453,732; Milk (condensed, etc.), \$5,269,871.

Total Value \$39,706,108.

1923—Butter, \$6,497,232; Cheese, \$20,142,340; Milk (fresh and cream), \$4,837,426; Milk (condensed, etc.), \$4,147,409.

AUSTRALIA IN THE LEAD

The British Dominions have been slow to initiate a campaign of Empire propaganda. At last, however, Australia has taken the initiative, and the campaign is beginning with the moving pictures. In every moving picture programme in the theatres of Victoria after June 30th, 1925, not less than 1,000 feet of British film must be shown. An amendment to the censorship bill, which was given its third reading last month, provides from 1,500 pounds to \$1,945 pounds for the encouragement of the "movie" enterprise. Australia is thus setting a worthy example for Canada, where very few Canadian or British films are seen, but where everything American is well advertised.

THE POPPY

Considerable interest is being shown by everyone in the coming Poppy Sale, conducted by the Middleton Branch of W. V. A. Assistance is being offered by all as it is generally realized that Veterans have most worthy objects in view in selling the poppies. It is fitting that the Anniversary of Armistice Day be the occasion of commemorating our Dead. It is, also, of value to all of us to reflect that our Canadian homes are intact, due to the sacrifice of those Sixty Thousand. The Veterans, who were comrades of those lads, are to be commended for annually asking us to pause in our civilian duties to give heed to the same call of true liberty that inspired the boys still in France. It is hoped that Armistice Day hereafter will be held on November 11th, as the spirit of Memorial Day is entirely different from that of Thanksgiving. It is impossible to combine the two occasions consistent with personal and national dignity.

Further, by selling the poppies, the Veterans are assisting their wounded comrades. The replicas are made in the Vet-Craft Shops throughout the Dominion, and the lads who, otherwise could not secure work because of serious disabilities, are thus given employment. What local profits there are, will probably be given to some purpose in connection with the hospital.

FOR THE KIDDIES' SUPPER

Children who take cold luncheons to school need hot and hearty food at night. Care, however, should be taken to see that the food is digestible as well as substantial in its nature. One mother, whose three thriving children show her good care, contributes this hint.

Try a vegetable soup made with milk. Cook carrots, potatoes, a little onion and a little turnip all together in an enameled ware saucepan until all are very soft. Rub through a colander. Put milk into an enameled ware boiler. Heat just short of boiling point and then stir in the pureed vegetables. Cook slowly in the milk until all is smooth. The soup will not be discolored if it is cooked in enameled ware.

Served with toast or oyster crackers, this soup means a meal in itself. It is very nourishing and will never give even a delicate child the nightmare, which can be so easily acquired from food too rich or heavy.

There's nothing like success: the way to help attain success is to advertise good goods in The Outlook.

SEVENTH YEAR OF MARRIAGE FATEFUL

There are some who think that the first year is the most difficult in married life, for it is then that each partner discovers the other's little short-comings and habits, trifling but irritating, while intimacy dissipates virtues that were so magnified during courtship.

But the trials of the first year are all in a minor key and dissolve like April showers in the sunshine of un-bridled love and good temper. The seventh year, however, is a divorce really fateful period, so that the cases prove, in some instances about the seventh year, it is then that the seeds of dissolution, often dormant for years, usually find receptive ground, writes Lady Ford in the London Daily Mail.

Why should this period be so critical? The source of the trouble is usually financial, however indirect the effects may be. When bills come in at the door, love flies out of the window. The income which at first seemed so ample for two seems dimly inadequate seven years later to meet the claims of a growing family. Extra servants, dentists and repairs, all have to be reckoned with—in fact, there are bigger bills all round.

And extra expenses, especially in case of illness, upset the average household budget. Economies, petty and otherwise, must be made, and the effort is made by both, well and good. If not, trouble begins. Perhaps he saves, and she spends. Or he squanders on wine and tobacco what she saves on the laundry account.

He urges economy, but curses cold supper and jib, and third-class travel, and seaside lodgings with the kids. What a rotten contrast to his smart service flat of seven years ago!

She is bored with the daily round of everlasting housekeeping. What a horrid grind! At such times she is sure she married! At such times comparisons are dangerous, especially if they neglect and sympathize with the other's into personal and perchance too responsive channels.

Bad management, which makes any income inadequate, is largely responsible for domestic friction. Necessary expenses, especially perpetual repairs, are a constant drain on sympathy and patience. Motors, theatres, entertainments and smart apparatus must be the exception.

After seven years the romance of the marriage is apt to fade before the stern reality of financial facts. Restoring to face these facts and cut across to the cloth, means a loss of sympathy, and ultimately the parting of the ways.

A Woman's Work Is Never Done

Wonder Health Gives Out and She Becomes Weak and Despondent

It is literally true concerning women in the home that her work is never done. She starts with housework when she rises in the morning and is kept busy up to the time she retires at night. The work must be done whether she is feeling well or lone whether she is feeling well or lone. It is no wonder that she often breaks down under the strain. She becomes breathless at slight exertion, feels exhausted at the walks up stairs, and life seems a burden. Headaches and dizzy spells become frequent, and life seems a burden. Much of this trouble is due to the fact that her blood has become thin and watery, and to regulate her blood health she must use Dr. Williams' Pink Pills. The great value of this Pink Pills is shown by the statement of Mrs. Mary Nolan, Lut. law, Saik, who says:—"When I began to use Dr. Williams' Pink Pills, I can say that my health has been a great difficulty that I could do light housework. I suffered from head-aches, my heart would beat violently at the least exertion, and I was not able to sleep well at night, and I had no appetite—my limbs would swell as in a droopy. It was at this stage that Dr. Williams' Pink Pills, I had used the pills for some weeks before I began to feel their benefit, and thus encouraged, I continued taking them for several months, when I was 2 1/2 in as strong and well as ever I had been. I have no hesitation in saying that these pills are a remarkable blood builder and strength renewer and I shall ever be grateful for what they did for me.

You can get these pills from your druggist, or by mail at 50 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

BABY'S OWN TABLETS ARE EFFECTIVE AND EASY TO GIVE

You do not have to coax and threaten to get the little ones to take Baby's Own Tablets. The ease with which they are given, as compared with liquid medicines, will appeal to every mother. None is spilled or wasted; you know just how big a dose has reached the little stomach. As a remedy for the ills of childhood arising from derangements of the stomach and bowels they are most satisfactory.

Mrs. Rose V. V. Williams, Com., says: "I used Baby's Own Tablets in the Canadian Northwest and found them a wonderful medicine for children's troubles, especially indigestion and constipation. I have also given them to my children for simple fever and the restlessness accompanying teething and they always gave relief. I can recommend Baby's Own Tablets to all mothers."

Baby's Own Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

MIDDLETON INDUSTRY GETS PUT OUT OF BUSINESS BY FIRE

Last Thursday, just at one o'clock, when the hands were about to strike work, the evaporator, of Graves & Co. of Bridgetown and Mr. G. N. Reagh of Middleton, took fire. Before any assistance could be offered, the entire plant was enveloped in the flames, and twenty-five hands thrown out of employment.

The origin of the fire is not known exactly, but it is stated, it started in the engine room, presumably from a back-fire.

When the blaze arrived, there was nothing to do, but try and save the huge piles of wood, which were stacked high against the burning building. The firemen managed to save most of the wood.

The loss of the evaporator at this time of the year is quite a blow to our town, and apart from the number thrown out of employment, considerable revenue from apples will be taken to other districts.

We hope the gentlemen will be able to rebuild in due course.

TO LEARN SKILLED TRADES

A scheme has just been initiated by the Bitch Ministry of Labor which, it is hoped, will help relieve unemployment. This provides for training young unemployed men who have found difficulty in obtaining work owing to lack of opportunity to learn any skilled trade. Four training centres are to be established, two residential and two non-residential. The aim will be to produce competent "handy men" from about half those in the residential centres, with a view to employment overseas. Men wishing employment in Britain will be trained in the use of tools, workshop discipline and training in productive work. Overseas men will be taught general farm operations, elementary tool work, fencing and timber felling. The courses will last six months, and it is definitely pointed out that the scheme is to assist absolutely unskilled young men.

THE MERRY SEVEN

Saturday night, about ten minutes past every body had gone to bed. The Merry Seven, who after they had rank us up to listen to them broadcasting, we heard three selections. It was all right for us as we know, cause we have a better set for wax. We listened, and then hastened to sheet harbour for our slumber, which is one of our long suits. The Merry seven are, without any kidding, a merry bunch and will no doubt be soon with W.B.Z. broadcasting. Next time, we trust the boys will call us about 8.30, when we are more awake—if that is possible—most folks think we are mighty sleepy. Never mind boys, your pastime is all right.

M'GOSH IT WAS GOOD

Lots of fellows can kill a moose—but not everyone can kill it tender. Least one fellow was killed, and then it was dressed properly, which is a big half of the hunt. Our friend Greene knows the art, and we take great pleasure in expressing our humble thanks for this rare treat to our esteemed friend and kind neighbor.

To The Electors OF Annapolis-Digby-Clare

Having been Nominated at the largest and most enthusiastic Convention ever held in this Constituency to be a Candidate of the Liberal-Conservative Party to represent them in the forthcoming Election

You are aware that this is one of the largest Constituencies in Nova Scotia and it is therefore impossible for me to make a personal canvass of each section, and it is only by this means that I can present to you what policy I stand for if elected to the next Parliament. There is one issue more important to Nova Scotia than all others and that is Maritime Rights and a revival of our industries, that is the issue that I stand for and shall work for and will use my best endeavours to secure for Nova Scotia a square deal, I will put Province before Party every time.

The Conservative Candidates throughout Nova Scotia have all declared themselves to support Maritime Rights and with a united stand on their part there is not the least doubt but that the interests of the Province will be thoroughly looked after and if the Honorable Government is returned to power on Oct. 29, there will be a body of men pledged to see that we get our Rights.

Soliciting your support and if elected as your representative it will be my aim to bring about better conditions in this Province.

UNIQUE EVENT MARKS W. M. A. REGULAR MONTHLY MEETING

The Wilmot's Missionary Society of the United Church held their monthly meeting last Tuesday afternoon in the church parlors. Departing from the usual routine they held a "Chinese Afternoon" which was both unique and interesting. The room was set up as a parlor in a Chinese-American home, the walls being hung effectively with gorgeous Chinese embroideries and pictures.

The role of Chinese hostesses, Mrs. Wong of Canton, was enacted by Mrs. P. A. Brown, who spent twenty years in the Orient. She was dressed in costume. The ladies of the Society were supposed to be paying her a social visit while she was in America and the programme, which followed, carried out the scheme.

Little Donald Neily, as Mrs. Wong's grandson, was also dressed for the part.

The President of the Society, Mrs. F. R. Elliott, asked the questions, to which "Mrs. Wong" replied. In doing so she described in detail the social and industrial life, work among the missionaries. By means of dozens of small models which were shown, she also gave her visitors an idea of the various household and working utensils and furniture. She also told of the benefit derived from Christianity in such matters as foot-binding, slavery and funerals, and the wonderfully improved conditions.

The visiting ladies then presented

CHILDREN'S MESSIAH

had with a beautiful program of music and readings, assisted by the young children and an address by older ones entitled, "In Comes the Tide." Spiritual music leading, was a solo by Mrs. G. R. Beale; duet by Mrs. Bowby and Mrs. Daniels; and solo, Mrs. Amberman.

"Mrs. Wong" then invited them all to tea, at which "chopsey", sandwiches and cakes in which nuts were used, were the major features. The money raised went for mission purposes.

A tramp knocked at the kitchen door of a Portland home one day, and a smiling Chinaman appeared. "My, John," croaked the tramp, "give me a hand-out for the love o' m'ike, will yer?" "Shelp me, I'm starvin'."

"Like fish?" inquired the Chinaman, with a bland smile.

"Betcha sweet life I like fish," said the tramp eagerly.

"Call Friday," said the Chinaman, and still smiling mandy he shut the door.

Today--It's Toncan

Yesterday furnace makers were divided into camps. One favored steel radiators because of the quickness which they radiated the heat. The other favored cast iron because of its durability in spite of the fact that it has a serious drawback, its slowness in radiating heat.

Along comes Toncan to combine the durability of cast iron with the radiation of steel. Standard with the world's greatest furnace makers—exclusive in Canada to Fawcett.

Free!

Send 10c to cover postage and packing charges and receive in return an individual fry pan (large enough for one egg, to melt butter) of cast iron in one piece. Please state type of heating in your home.

"Wouldn't take 10 Times the Price"

"I may further state that the dampers are most convenient and that we get no gas or dust through the house when putting coal in the furnace. I am so pleased with it that I really would not take ten times the price if I could not get another like it."—M. W. Wood, Hillsboro.

"No More Coal Than a Base-burner"

"We were dubious as to its heating capacity, but in its respect it has given us perfect satisfaction and we get all the heat we want and it is not at all hard on fuel. It heats every part of the house, and its consumption of coal does not cost any more than the baseburner we have been using in the past."—Jonathan West, Charlotte town.

"No Repairs"

"Ten years ago I installed in my seven room house one of your No. 131 Rival Furnaces, and take pleasure in stating that it has given perfect satisfaction in every way.

"I have not bought any repairs for the above mentioned furnace since same was installed."—John Bedford, Vancouver.

"Easier To Install"

All the work of installing a Fawcett Pipeless Furnace is done in the basement save for the ten or fifteen minutes required to cut for a single register.

The whole work, in fact, can be done so quickly that if required it can be delivered in the morning and be heating your house the same night.

So now is a splendid time to secure a furnace. You've felt the cold already, and there's a long winter ahead. Send for the Fawcett Catalog, giving details about your house.

Although there are more Fawcett Furnaces in use than any other Maritime make, and though some are a generation old, the parts and repair business received by Fawcett on its own products is negligible.

IN HONOR OF A GREAT EVENT

Birthdays are always important occasions, especially if one is very young or very old. Before long the Youth's Companion will be a hundred years old, and the event is going to be made a memorable one for the Companion's many friends. So, although the date is not until April 15, 1927, preparations will begin with 1926. In honor of its birthday The Companion will come to you next year at the new low price of \$2. It will be dressed in its party clothes, with new cover designs, enlarged illustrations, very brilliantly clear type—and over 200 pages more than last year. It will contain 9 book-length serial stories, fascinating mystery stories, tales of adventure on land and sea, the new "Make-it and Do-it" pages, radio, games, books, and puzzles, interesting special articles and the ever-delightful Children's page. Don't miss this great year of The Youth's Companion; subscribe now and receive:

- 1. The Youth's Companion—62 issues in 1926, and
- 2. The remaining issues of 1925. All for only \$2.00.
- 3. Or include McCall's Magazine, a monthly authority on fashions. Both publications, only \$2.50.
