Training Did It.

The success of the Canadians in the field was, to a large extent, due to their thorough training in preparation for the military operations.

YOUR SUCCESS in whatever business enterprise you enter will depend on the **TRAINING** you have.

THE NORTHERN BUSINESS COLLEGE, Owen Sound, has Courses specially arranged to meet the "get back to civies" condition.

YOUR SHARE IN CANADA'S GREATEST PROSPERITY ERA, the reconstruction period, depends on the preparation you make during the coming Fall and Winter.

The Northern Business College gives Courses under the Soldiers' Civil Re-Establishment.

- (1) Did you enlist under age ?
- (2) Are you unfit to carry on your pre-war occupation ?

If so, you are entitled to a free training (6 to 8 months) at the Government's expense with a liberal living allowance based on the number of dependants. It is a **WONDERFUL OPPORTUNITY**.

Three Courses—Commercial, Shorthand and Typewriting, and Preparatory Courses. Write for particulars. Individual Instruction. Enter any day.

"It is the training for the Farmer, Merchant, Manufacturer, Banker and the Artisan."
