To the Electors of the County of Albert.

The fact of the election court proce ings against my return as one of your re presentative in the Provincial Legi s well known to you all. The str of the election law is such that some supporter has technically its provisions and unwittingly brought himself within its scope. I have, there-fore, for this and another reason, felt it to be my duty to vacate the seat to which you recently elected me by so handsome a majority. The other reason for my resignation is, that the Provincial Legislature has been summoned to meet on March the seventh, and masmuch as the date of the election trial is only a few days before that, the effect of the scat being declared recent these recent being declared recent these recent being declared recent these recent these being declared vacant then would be to deprive the County of Albert of one of representatives during a portion of
