Burglars in Bridgetown

Elias Ramey's Meat Market Entered at an Early Hour Yesterday Morning

Burglars entered Mr. Elias Ramey's meat market at an early hour yesterday morning taking about \$75.00 worth of meat and provisions. Mrs. Lemuel Jodrey, who lives on the corner of Queen and Middle Streets, opposite the meat market says that about 6 o'clock she heard someone breaking glass and getting up and looking from a window saw a man leave the south window of the meat market and enter the cellar from a rear door.

This information she gave Mr. Ramey this morning and also repeated the same statement in an interview with a MONITOR representative stating that the man, who appeared to be above the average size, wore a light shirt. His foot-prints in the cellar, however, are small.

Our chief of police, Sgt.-Major Gill, is no doubt giving this his prompt attention, and we trust he will be able to locate the guilty one within a few hours.

Accidents at Lequille

Mrs. Wm. Lucau, Lequille, had the misfortune to fall about five feet on Wednesday of last week as she was putting out the clothes and the pulley gave away. She suffered in agony for 24 hours before sending for Dr. Robinson when it was discovered that her arm was broken. She was also bruised where she had fallen on her face, but had succeeded in reaching the house unaided.

Much sympathy is felt for Charles Darrie in the fracture of his right hip. It was on stepping off a ladder at his home in Lequille last Thursday that the damage was done. Mr. Darrie has been a valuable, active and enterprising citizen for more than half a century and his familiar figure will be much missed while he is laid up.

Minard's Liniment Co. Ltd., Yarmouth, N. S.

Dear Sirs: Since the start of the Baseball season we have been hindered with sore muscles, sprained ankles, etc., but just as soon as we started using Minard's Liniment our troubles ended. Every baseball player should keep a bottle of liniment handy.

Yours truly,
E. E. ARMSTRONG
Secretary Armstrong High School Baseball Team.

THE BRIDGETOWN SCHOOL BUILDING

BRIDGETOWN SCHOOLS

Everything in Readiness For a Successful Year.

A MONITOR representative had the privilege of a peep into the Bridgetown School Building this week, just after painters and cleaners had finished the annual overhauling and setting things in order preparatory for the opening of School on August 25th.

The School building which has now been in use for 16 years has been well taken care of and does not show the amount of wear and tear that School rooms usually do for this period of use. This condition reflects well for the credit of the teacher; during that period.

The teaching staff for the coming year has been changed in the higher grades. As noted in the MONITOR some weeks ago, Principal Thurber, who had faithfully served as Head

Miss Mary Harris will again have charge of Grades 6 and 7.

Grades 4 and 5 will be cared for by Miss Ethel Cossett, who comes to Bridgetown for the first time as teacher. Miss Cossett has been very successful and for the last three years has had charge of the Carleton Corner School.

Miss Lloyd will continue in charge of Grades 2 and 3, where she has very successfully labored for several terms, while Miss Ruth Fowler will again lay the foundation work in the Primary rooms.

The Department of Manual Training this year goes to Mr. Bowly while Mr. G. C. Palfrey, one of our own boys who has been in charge of this Dept. for the last two terms, has accepted a similar position in a Collegiate School in St. John's Newfoundland.

Already we are informed, there are several applications from outside pupils for admission to Principal

earnest attention of teachers, scholars and the general public.

We have already referred several times to Bridgetown's supervised play grounds in connection with the school which, under the management of Sgt. Major Geo. Gill, are proving a great success.

The MONITOR is deeply interested in the welfare of our schools and will always be found ready to give publicity to any events connected therewith.

LABOR DAY AT BRIDGETOWN

Items of Interest Concerning the Celebration

All entries for the hose coupling competition on Labor Day should be handed to secty C. B. Longmire as soon as possible.

Thirty dollars in cash prizes will be divided for the best trade float, calithumpian and decorated automobiles.

Everyone is requested to assist in making the Labor Day parade a big success.

Lieut. Barnhill of the De Vere aviation School of Truro, was in town on Thursday last, making preparations for the airplane flight which will take place here on Labor Day.

All the newspapers between Digby and Middleton are booming the celebration at Bridgetown. We trust that the managing committee will see that every event on the programme is carried out successfully.

Bridgetown will have a crowd of visitors on Labor Day and if the events are put on as advertised the people will come again.

A Busy Firm

Messrs J. H. Hicks & Sons, of Bridgetown, are at present building a D. A. R. passenger station and freight shed in Bridgetown; five apple warehouses, one at Kentville, Woodville, Falmouth, Hantsport and Waterville; school house at Grafton and a private residence at Kentville. They are in need of fifteen or twenty carpenters at once besides those who are already on their large and rapidly increasing payroll. They are shipping out several car loads of lumber daily, all along the line and are certainly doing a rushing business. J. H. Hicks & Sons are one of the most enterprising firms in the Annapolis Valley and we wish them continued success.

MAGIC BAKING POWDER

Contains no alum

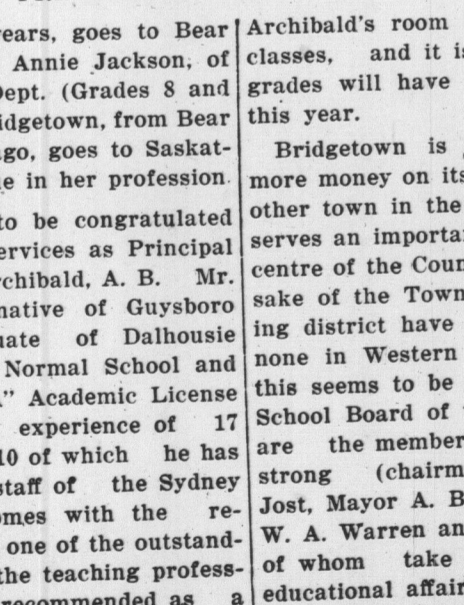

We unhesitatingly recommend Magic Baking Powder as being the best and purest baking powder possible to produce. It possesses elements of food that have to do the building up of brain and nerve matter and is absolutely free from alum or other injurious substitutes.

Principal for four years, goes to Bear River, while Miss Annie Jackson, of the Preparatory Dept. (Grades 8 and 9) who came to Bridgetown, from Bear River two years ago, goes to Saskatchewan to continue in her profession.

Bridgetown is to be congratulated in securing the services as Principal of Mr. John T. Archibald, A. B. Mr. Archibald is a native of Guysboro County, a graduate of Dalhousie College, and the Normal School and holds a Grade "A" Academic License with a teaching experience of 17 years, the last 10 of which he has been on the staff of the Sydney Academy. He comes with the reputation of being one of the outstanding members of the teaching profession, very highly recommended as a successful teacher.

Miss Alice Troop, who assumes charge of the Preparatory department, is a graduate of the Normal College and of the Ladies College, Sackville, and has had much experience in preparatory and high school work. For two years was on the staff of the Parrsboro School and later was principal of the Noel School, Hants Co., while last year she was principal of the Melvern Square School where she succeeded Mr. Bustin. Everywhere Miss Troop has proved herself a teacher of superior ability in both instruction and discipline.

PRINCIPAL J. T. ARCHIBALD, A. B.

Archibald's room in the "B" and "C" classes, and it is expected these grades will have a large attendance this year.

Bridgetown is probably spending more money on its school than any other town in the Valley, but as it serves an important position in the centre of the County it should for the sake of the Town and the surrounding district have a School second to none in Western Nova Scotia and this seems to be the ambition of the School Board of which the following are the members: Dr. M. E. Armstrong (chairman), Rev. (Dr.) J. W. Warren and A. C. Charlton all of whom take a deep interest in educational affairs.

It has been reported that outside pupils have in the past, had some difficulty in obtaining suitable board-places around town. We would suggest that all who are in a position to accommodate one or more pupils communicate with Mr. J. E. Lloyd, secretary of the School Board.

Another matter in connection with the school, which deserves special mention, is the school library which contains about 500 volumes of standard work. This is capable of being developed until it becomes a great influence among the pupils. It is hoped that it will receive the

DELIGHTFUL SUMMER OUTING

Eye Opener Regarding the Missionary Conference at Wolfville

A most delightful and profitable summer outing has been enjoyed by all who attended the Wolfville Missionary Conference held in Acadia College July 22nd to 29th.

The place of meeting itself was ideal. The splendid equipment and beautiful spacious grounds of Acadia College together with the facilities offered for various sports, hikes, drives and other outings make it an ideal centre for summer conference.

A splendid opportunity was given those present for gaining world vision, for studying missions and missionary methods in the Sunday Schools, Young People's Society and other church organizations. The mornings were spent in Bible and Mission study under the direction of expert leaders while afternoons were given over to rest and recreation under the direction of a capable sports committee. A very enjoyable interesting and instructive feature being the pageants which visualized life on the mission fields of India and Korea. The most inspirational period of the day however, was the evening session consisting of outdoor services on the lawn which were specially followed by those seeking light on the question of life work followed by platform meetings conducted by the missionaries and outstanding representative speakers such as Dr. Robbins, Sec'y of the American Baptist Mission Board, who recently returned from a tour of world wide Mission fields, gave side lights on political and industrial situations in these lands as well as the Missionary view point. These meetings were found very profitable to all, both young and old.

I would like to drive a few facts forcibly home to the readers concerning the Conference. Firstly the Missionary Conference is not as one young man in attendance said he thought it would be, a gathering of Missionaries, ministers and ladies and as he expressed himself not fitting in well with any of these hardly knew before coming if he really cared to come or not but decided he would give it a trial. Before leaving this same young man remarked that he had decidedly changed his mind and would not only be in attendance next year, if possible, but would try to encourage others to come which was the unanimous expression of all present. The second fact is that each church can send as many delegates as they wish. Moncton, N. B., led this year having a representation of 23 out of the 139 delegates present from all the Maritime Provinces. Realizing what a benefit the Conference has been to me and others who attended this year, let me strongly urge that every church send at least one delegate next year and to each individual reader let me say I know of no better way to spend ten dollars for your own personal benefit than in registering for the Missionary Conference next summer.

MABEL E. CHARLTON

The Late Erving Healy

Erving Healy, son of Mr. and Mrs. Norman Healy, of Port Lorne passed peacefully away at the Mattapan Hospital Aug 1st, aged 40 years. He had been ill for some time. His father visited him before his death and he sent the cheering message to his mother, "It is all right now I am ready to go." He had been a member of the home church for 23 years. His body was brought to Port Lorne and the funeral service was held on August 6th, conducted by Paster Salsman, assisted by Rev. M. W. Brown, who spoke comforting words to all. Rev. L. F. Wallace offered prayer. The interment was in the beautiful cemetery on the crest of the hill overlooking the bay. He leaves to mourn his early demise a widow and four children, his parents and one sister, Mrs. Clark. Much sympathy is expressed for all the sorrowing friends in their irreparable loss.

Kicked by a Horse

Ralph, son of Dow Durling, Park Street, was kicked by a horse one day last week, breaking his leg. He was taken to Halifax and is reported to be doing all right.

Some Reasons Why You Should Patronize the Merchant at Home, who sells for Cash

- FIRST:** You do not have to make up his losses in bad accounts for he has none.
 - SECOND:** The profits he makes are spent at home and directly or indirectly find their way back to you again.
 - THIRD:** Having sold for cash, he can buy for cash and thus buy cheaper.
 - FOURTH:** The more you increase his sales, the more he can decrease his profits and you get the benefit.
- My aim is to place before you the best goods I can get, at the lowest possible price. Call and inspect my stock.

A NERVOUS BREAKDOWN

Miss Kelly Tells How Lydia E. Pinkham's Vegetable Compound Restored Her Health.

Newark, N. J.—"For about three years I suffered from nervous break-down and got so weak I could hardly stand, and had headaches every day. I tried everything I could think of and was under a physician's care for two years. A girl friend had used Lydia E. Pinkham's Vegetable Compound and she told me about it. From the first day I took it I began to feel better and now I am well and able to do most any kind of work. I have been recom- mending the Compound ever since and give you my permission to publish this letter."—Miss FLO KELLY, 476 So. 14th St., Newark, N. J.

The reason this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, was so successful in Miss Kelly's case was because it went to the root of her trouble, restored her to a normal healthy condition and as a result her nervousness disappeared.

Pictureque Bear River
R. M. K.
Enthusiastic tourists have designated this place the "Switzerland" and our river the "Rhine" of Nova Scotia. A cursory glance at the varied beauty of hills and valleys here spread out especially at such times as "Blossom week" and "Golden Harvest" or when the "Cherry Carnival" or when the "Golden Harvest" is followed closely by the splendor of "October fairy land," with its autumn foliage of glory, would truly warrant the most extravagant comparisons.

Pictureque Bear River

Enthusiastic tourists have designated this place the "Switzerland" and our river the "Rhine" of Nova Scotia. A cursory glance at the varied beauty of hills and valleys here spread out especially at such times as "Blossom week" and "Golden Harvest" or when the "Cherry Carnival" or when the "Golden Harvest" is followed closely by the splendor of "October fairy land," with its autumn foliage of glory, would truly warrant the most extravagant comparisons.
At the bridge, near the centre of the town, there are terminated four-ten riverside and country roads. About one third of a mile farther up the river at the head of the tide, ten more country roads are centred. Here the river is divided and it is lost to view in the richly wooded valleys and hills beyond.

SCENERY
Upon these country roads within two miles of the town centre, more than twenty five different walks and drives can be taken, in most cases without returning by exactly the same route that was used at the outset. From every hilltop or glen upon these roads will be disclosed views of surpassing splendor and natural beauty. For instance from a hill near the head of the tide, there is a view which for panoramic beauty cannot be surpassed. In the immediate front, the river valley with our busy little town centred about the bridge, is seen. The sloping hillsides are covered with the foliage of fruit and forest trees and the pretty cottages of the residents peeping out at every opening. One can not only see the Bridge down at the mouth of the river, five miles distant, and away over the Annapolis Basin and through Digby Gut fifteen miles farther; but on a clear day with a good field glass, even across the Bay of Fundy, to the shore of New Brunswick, over fifty miles away. Farther down the river on the eastern side, this same remarkable picture can be seen from the road near Captain Medcal's residence, but here the elevation is not so good for an outlook so comprehensive.

POINTS OF BEAUTY
A strip of land beside the south brook near its junction with the river was formerly the site of the Purdy tannery and factories. A fire destroyed the buildings, and about twelve years ago, this property was purchased by one of our most enterprising citizens, who proceeded at once to clear away the rubbish, and transform the tannery into a Lawn Tennis Court. Flanked by wooded hills on either side, and a noisy brook flowing by, makes this little glen from every point of view, a spot of rare beauty.

Passing farther up this brookside road we approach the crossing of the Sissiboo road, where nature has made for us a miniature mountain canyon. As the foaming brook comes leaping from under the bridge, and from ledges of rock, in roaring rapid and crescent shaped falls it finds its way to the lower levels. This has been a charming "Beauty spot". The rising flood caused by "the early and the latter rains," called for frequent visits to mark the changing scenes. Others were also attracted to this spot, for as the springtime advanced neighbours saw here an inviting ground for their garbage, and proceeded to drop loads of decayed vegetables, ashes, tin cans and filthy offal down upon the roadside. This has been followed, from time to time, with loads of straw bedding, old paper, pots, pans, kettles, rusty stove pipe and all the impedimenta of the house and cellar cleaning season, and if this were not sufficient, quite recently several loads of the prunings from orchards have quite filled up our "Canyon", and left only the sound of rushing water, and the maldorous emanations from this offensive garbage dump. Since nature has been so lavish in dispensing her charms in this vicinity it does seem a pity that any one should be so lacking in public spirit as to try to thwart her kindly efforts.

MARINE NEWS
Boston owners of fishing craft fear that the industry will not recover from the strike for years. They claim that even with a speedy settlement of the strike it would be impossible to obtain experienced crews immediately, and meanwhile other ports would have acquired such a volume of trade that normal conditions could not be restored here for years. The strike at present is apparently centered there and in Gloucester.

Butterfly Life at Chester
Chester is enjoying a butterfly existence this year. It rivals the beaches of Nantucket for pretty clothes and attractive people all bubbling with life and gay as a summer butterfly. A great many Americans are in the cottages this season and a very large number of Halifax people are at this fashionable resort.

SPECIAL NOTICE

Our time for changing ads. is Monday, 12 o'clock noon. After this hour all ads. are refused for the current week's issue.

Death of Dr. L. G. DeBlais

The death of Dr. L. G. DeBlais occurred at his home in Bridgetown at 3.30 o'clock Friday morning after an illness, which had extended over a period of more than two years, during which he was an intense sufferer. Dr. DeBlais was born in Halifax, June 4, 1838, and had there fore passed his 81st birthday. After receiving his earlier education in Halifax he graduated from Columbia University, New York, and was the last survivor of his class. For several years he practiced in Bear River, moving to Bridgetown 51 years ago. While health permitted he had a large and successful practice and was very popular among his patients.

Bear River G. W. V. A.

The Bear River branch of the G. W. V. A. held their regular meeting Tuesday evening with the President in the chair. The attendance was normal. One application was received for membership and approved.

A report of the Provincial Convention was received and read; also a communication from the Provincial President. A vote of thanks was given to Comrade S. I. Robison for work at the Convention and for the reading of the report.

The subject of changing the night of meeting was discussed and it was decided to change to the second and fourth Wednesday of each month.

Discussion as to a Ladies Auxiliary to be started in connection with this branch of the G. W. V. A. ended in calling a special meeting for Wednesday, the 20th to further consider it.

A Change at the Central Exchange

Miss Gertrude Hartnett, exchange agent at the Central Telephone office, has resigned her position and leaves today for Salt Lake City, to visit her sister, Miss Hartnett, who is a native of Parrisboro, has been a faithful employee of the telephone company for the past thirteen years, holding responsible positions in Wolfville and Middleton for four years and the last nine in Bridgetown where she has a large circle of friends who regret her departure. She will also be greatly missed in Autumn Lane. Rebekah Lodge, where she was a prominent officer and faithful attendant.

Her successor in the telephone office will be Miss Flossie Troop, who has been a member of the operating staff for about eight years.

Visiting the South Shore

Mr. and Mrs. A. F. Hill's and their little daughter Monday, accompanied by the Rev. E. and Mrs. Underwood, left on Monday for an auto trip around the South Shore. They will be absent about ten days. As will be seen by our church notices, there will be a service in St. James Church next Sunday morning at 11 o'clock, and in St. Mary's Belleisle, at 3 in the afternoon (local time) but there will be no evening service in St. James.

Next Sunday Mr. Underwood will officiate in St. John's Church, Truro, where twenty six years ago, in the 4th Sunday in August (viz 1893) he was ordained to the sacred ministry by the late Bishop Courtney.

Local Happenings

A fence is being constructed around Bridgetown's Amateur Athletic Association Grounds.

A large number have left for the Canada West via the recent harvest excursions.

Andrew Carnegie the steel magnate and philanthropist died last week at Lenox, Mass, aged 83 years.

The Presbyterian congregations of Middleton and Bridgetown united on Wednesday in a picnic at Island Park, Lawrencetown.

Two great days in store for the people of Western Nova Scotia, Guides' Sports at Lakeside Park, Yarmouth, Aug. 28 and 29.

Mr. G. E. Banks bicycle was stolen from opposite his place of business Monday evening. Our policemen will evidently have a busy time looking after the various criminals this week.

Notwith standing yesterday's disagreeable weather, the farmers' picnic at Lawrencetown was well attended, proving as usual, a very successful event.

Some kind of a blight seems to have struck many of the cherry trees. The earlier varieties did not suffer but the later fruit rotted on the trees and the leaves have turned red.

Our terms for small ads. are cash in advance. We do not propose to send out a half dozen bills and a receipt, (should they remit) costing about 40 cts., to obtain 50cts worth of business.

His Royal Highness the Prince of Wales is being royally entertained in the various Canadian cities which he is visiting. Quite a large number of Bridgetown people went to Halifax Monday morning to be present at the celebration in that city.

Perhaps nothing could be more interesting than a peep in the Editor's mail. Saturday we received a letter mailed on the train, asking for a prompt reply with name signed, but without date or address. In the same mail was an un-iz e) letter asking for a quantity of stationary to be sent at "once." The letter was headed "Douglasville."

Fether, of Annapolis, are visiting their daughter, L. M. Shepherd, in Annapolis. Mr. and Mrs. G. F. Fether, of Annapolis, are visiting their daughter, L. M. Shepherd, in Annapolis. Mr. and Mrs. G. F. Fether, of Annapolis, are visiting their daughter, L. M. Shepherd, in Annapolis.

Mr. C. S. Innis arrived in Halifax via Saturday's express and he and Mrs. Innis, guests of the latter's parents, Mr. and Mrs. S. C. Dunham, of Annapolis, were guests of Mrs. W. H. Weldon last week. Mrs. (Dr.) R. J. Macdonald, formerly of Westport, now of Saskatoon, was in town to see her mother, Dr. and Mrs. A. A. Dechman. Rev. Thos. Savary of Kenville is visiting his father, Savary, Annapolis Royal.

Many People Report Big Gains in Weight

THOUSANDS OF THIN, FRAIL PEOPLE RESTORED TO HEALTH BY TANLAC

MANY REMARKABLE EXPERIENCES TOLD

People in all Ranks of Life Tell What Celebrated Medicine Has Done for Them

ONE of the most noteworthy features in connection with Tanlac and the one that stands out more prominently than any other, perhaps, is the large number of well known men and women from all parts of the country who have recently reported astonishing and rapid increases in weight as a result of its use.

When so many well known people of unquestioned integrity make statement after statement, each corroborating the other, the truth of such statements can no longer be doubted.

Thousands have testified that this famous medicine has completely restored them to health and strength after every other medicine and the most skilled medical treatment have failed.

One of the most remarkable cases on record is that of Mrs. Viola Ives, of 315 Cross street, Little Rock, Ark., whose statement appears below.

"In May of 1913," said Mrs. Ives, "I suffered a complete breakdown of my nerves and my entire system gave way. About six weeks afterwards I was carried to the hospital. I became perfectly helpless—couldn't move any part of my body and just lay there in bed for five months not knowing anything or anybody. I was brought home in October, 1913, and tried all kinds of medicine and everything I was told about.

"I read about so many people getting relief by taking Tanlac and my husband got me a bottle. After taking three bottles I began to feel better. I have taken several bottles of Tanlac now and I can walk anywhere and sleep like a child. When I took my first dose of Tanlac I weighed only one hundred and twenty two pounds. I now weigh one hundred and sixty two, an actual gain of forty pounds since I started on Tanlac."

Texas Man Testifies

Another remarkable case was that of John M. Crabtree, a general merchant of Five Mile Station A, Dallas, Texas.

"I have actually gained thirty four pounds on three bottles of Tanlac and I now know what it is to enjoy good health after suffering for twenty years," said Mr. Crabtree.

"I suffered with catarrh of the stomach and indigestion for twenty years and for eighteen months, before I started taking Tanlac. I had to live almost entirely on cereals. I spent nearly all of one whole year in bed and was unable to do anything at all and I fell off in weight to 118 pounds.

"After using my third bottle of Tanlac I found I had increased in weight from 118 pounds to 152 pounds making an actual gain of thirty four pounds—all my troubles were gone, and I was feeling like another man."

Captain Jeff D. Riggs, popular Y. & M. V. engineer, running between Vicksburg and New Orleans and residing at 2020 Pearl Street, Vicksburg, in speaking of his experience with Tanlac said: "Yes, sir, it's an actual fact, I have gained twenty five pounds on Tanlac."

"When I began taking the medicine," continued Captain Riggs, "I was simply a nervous and physical wreck and had dropped down in weight from one hundred and forty to one hundred and ten pounds.

"I have just finished my second bottle of Tanlac, have gained twenty

SUMMER HEAT HARD ON BABY

No season of the year is so dangerous to the life of little ones as is the summer. The excessive heat throws the little stomach out of order—so quickly that unless prompt aid is at hand the baby may be beyond all human help before the mother realizes he is ill. Summer is the season when diarrhoea, cholera infantum, dysentery and colic are most prevalent. Any one of these troubles may prove deadly if not promptly treated. During the summer the mother's best friend is Baby's Own Tablets. They regulate the bowels, sweeten the stomach and keep baby healthy. The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

Minard's Linctum Cures Diphtheria.

Mrs. Chas. Peden Gains 27 Pounds

WAS TWICE EXAMINED AND TOLD OPERATION WOULD BE HER ONLY HOPE

I HAVE just finished my third bottle of Tanlac and have gained twenty seven pounds," was the truly remarkable statement made by Mrs. Charles Peden, residing at 55 Mill Street, Huntsville, Ala.

"When I commenced taking the medicine," she continued, "I only weighed ninety eight (98) pounds; now I weigh 125 pounds, and never felt better in my life. For years I have suffered with a bad form of stomach trouble, constipation and pains in my side and back. At times the pains took the form of torture, and I was twice examined and each time I was told that I had appendicitis and that an operation would be my only hope.

"I had made all preparations for the operation and called in my sister to tell her good by, as I did not know whether I would live to see her again or not. My sister begged and pleaded with me not to allow them to cut on me and told me to wait and try a good tonic for awhile. The next day, as I returned from the consultation room, I thought of what she said, and as I heard so much about Tanlac, I decided to try it and got a bottle."

"I never returned for the operation, but just kept taking the Tanlac. Right from the start I began to feel better. The medicine seemed to take hold right at once.

"I was so happy over the wonderful improvement in my condition that I sent for my neighbors to tell them how much better I felt. I sent and got another bottle of Tanlac, and have just finished taking my third bottle and feel as if I have been made all over again into a new woman."

Five pounds and I feel like a new woman."

Old Time Engineer Talks

Engineer Chas. J. Weeks, who runs the Seaboard Air Line fast train "Fox" between Jacksonville and Tampa, bears the distinction of being the second oldest engineer in point of service with this road, having been with the company for thirty five years.

"I have gained twenty pounds on seven bottles of Tanlac and feel as well and happy as I did when a boy," said Mr. Weeks.

"For twenty years I suffered with nervous indigestion of the worst sort," he continued, "and at times during the past fifteen years I didn't think I would last much longer. To tell you the truth, I finally reached the point where I didn't much care whether I lived or died."

Thousands of other people all over the country have reported the same astonishing gains in weight after taking Tanlac. Among these are: Mrs. E. O. Wilson, of 197 Bass St., Atlanta, Ga., who gained 25 pounds; Edward Reno, 1721 Broadway, Kansas City, Mo., who gained 25 pounds; Mrs. W. C. Cochran, of Juliaetta, Idaho, who gained 22 pounds; Mrs. Doll Davis, of 108 Samuel Ave., Peoria, Ill., who gained 30 pounds; Chas. E. Shaffer, 508 W. Charleston St., Portland, Ore., who gained 24 pounds; Mrs. Amelia Mann, R. F. D. No. 2, Ogden, Utah, who gained 25 pounds; W. S. Hukill, 7308 Park Ave., Tacoma, Wash., who gained 20 pounds; Mrs. B. W. Smith, 3113 Burdett St., Omaha, Neb., who gained 35 pounds; Fred W. Saunders, 710 Market St., San Francisco, Cal., who gained 24 pounds and many other too numerous to mention.

Tanlac is sold in Bridgetown by S. N. Wear, in Middleton by Clifford A. Mumford, and in Bear River by L. V. Harris.

Copies of the Nova Scotia Game Laws, with penalties for violation of the Act, etc., license fees, etc., can be had on application to R. S. Kelley, Yarmouth, N. S.

AN OTTAWA LETTER

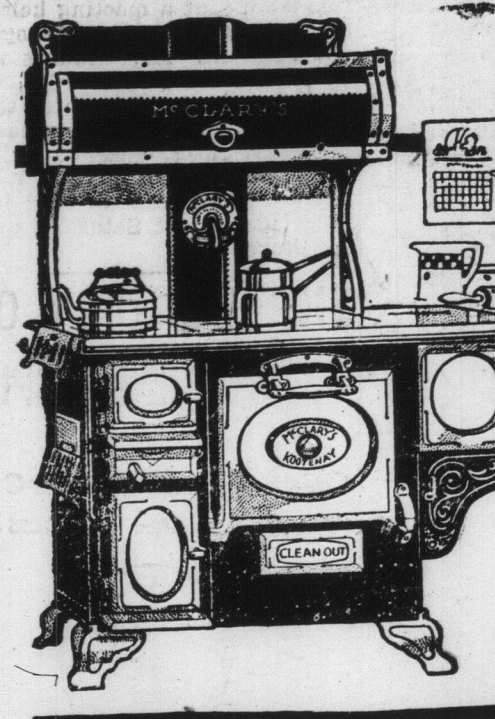

To the Editor of the MONITOR.
Dear Sir: I once more take the opportunity of sending you a line to let you know your valued sheet arrives regularly on time and the perusal of the same is as interesting to me as ever. One of those things we feel we require as much as our three meals a day.

I suppose you are already aware how our country has been turned into a veritable hot bed by the many strikes by labor from Vancouver to Halifax and Ottawa has had her share. First the machinists, which did not last long, then the employees of the Ottawa car company, about six hundred strong, went out on the first day of July and our service was completely tied up for ten days, but fortunately a very good jitney service was established, which gave some relief. Finally the Ottawa car company was determined to run their cars any way and took about 150 men, trained them and sent out some cars. Naturally there was some little "rough house" for a day or two but the car company received the protection of the city and the government, so after eighteen days out the employees returned and were given as many jobs as the Company had at its disposal, but the new men retain their positions.

Too often hot heads lacking in ballast succeed in leading groups into wrong action, which is bound to fail. This could scarcely be if the men were well informed and had wise leaders—so much depends on leadership. There is much need to day for labor in its own interest to get rid of many fundamentally wrong ideas which are propagated among them. Take two examples. Industries must be for use and not for profit. What could be more absurd? What would induce men to risk money in an enterprise where there was no hope of profit? But this is new, and perhaps has not taken any serious hold yet so let it pass. A second that has taken strong grip and is incessantly talked among certain classes of labor is "Labor creates capital," meaning of course manual labor. Manual labor without mental labor can get nowhere. It is intelligence that creates capital. A skilled accountant sits at his desk transferring ink from a bottle to a white page of a book, whilst a child on the floor is doing the same thing. What gives the man's work far reaching significance, lacking in that of the child? Is it not intelligence and preparedness which the child has not? A man lacking education and preparedness works in the yard at three dollars a day, whilst a skilled expert works in a shop and gets fifteen dollars a day. If this is all wrong and the skilled should get no more than the unskilled what will induce men to spend many years and much money getting knowledge and skill. There is great trouble in our school today to get boys to prepare themselves for highly skilled work because they can make big money without all those years of schooling and training. Without the expert, labor becomes valueless. These labor agitators are off unreasonable and ask unreasonable things of the employer. It surely takes brains to build up a great industry. Again one enterprise fails, does labor shoulder the blame. Another succeeds, why should labor claim the credit? Then without capital no enterprise can carry on and therefore no employment for labor and I might say in summing up abideth these, labor, capital, and intelligence, but the greatest of these is intelligence.

In glancing back over history we see Egypt, once a monarchy, then a republic, then much labor unrest and finally a collapse of both democracy and civilization and Egyptians sunk to almost the level of savages. The great Greek Empire passed through the same trouble and then the dark ages, also the mighty Roman Empire, mistress of the world, practically a parallel case, and down to ruin. I might say ere I close that I am in sympathy with labor and believe if they will only seek out intelligent leaders much of this unrest can be avoided. Surely this is a time when all sane people should think seriously of the dangers of these agitations being carried too far and learn that just such agitations as I have already noted and just such struggles as we are now passing through have been the cause of revolutions in many nations. We should all try to think clearly on all these matters so as to prevent trouble.

Our city was quite busy preparing for the great Liberal Convention. Harvick Hall has been transformed into a great arena with a seating capacity of over four thousand and sleeping accommodation for about six hundred of the delegates. Last Tuesday, the 5th of August, saw a great gathering of Liberals from coast to coast, mainly select a leader to succeed Sir Wilfred Laurier and lay down a platform for the party.

McClary's Kootenay

SURELY it is every woman's right to have a range like the Kootenay—a range that she can depend on—a range that is a real joy to work with—a range easy to keep clean—a range that "keeps the oven hot" with a small fire.

The cooking-top is burnished brighter than steel—never needs blacklead. The oven wall of nickelled steel is easily cleaned. The duplex grates clean down the front with a single swing of the lever. See this famous range.

Sold By Magee & Charlton

McClary's

A plebiscite is to be taken in September in Ontario on prohibition and possibly a general local election at the same time. It is difficult to predict the outcome when it does take place. Prohibition should carry, that is sure.

Fearing I am making my letter too long, will close.

H. W. M.

RISQUE GARB AND RISUE RHYME

By the Post Low Rate (Dedicated to the College of Prudes by a member of the "Satanic Schools.")

Little girl, you look so small. Don't you wear no clothes at all? Don't you wear no shimmy skirt. Don't you wear no petty skirt. Just your corsets and your hose—Are those all your underclothes?

Little girl, you look so slight. When I see you in the light. With your skirts cut rather high. Won't you catch a cold and die? Ain't you said to show your calf? It must make some fellers laugh.

Little girl, what is the cause. Why your clothes is made of gauze? Don't you wear no undervest. When you go out fully dressed? Do you like those peek a boo's? 'Steud of normal underclothes?

Little girl, your spenders show. When the sunlight plays on you. I can see your tinted flesh. Through your little gown of mesh. Is it modest, do you s'pose. Not to wear no underclothes?

Little girl, your socks has shoals. Of those little tiny holes. Why you want to show your limb I don't know—is it a whim? Do you want to catch the eye Of each feller passin' by?

Little girl, where is the charm. In your long uncovered arm; In the V behind your neck. Is it there for birds to peck? Little girl, I tell you those. Ain't so nice as underclothes.

Little girl, now listen here. You would be just twice as dear If you'd cover up your charms. Neck, back, legs and both your arms. I would take you to the shows If you'd wear some underclothes.

Little girl, your mystery. Luring charm and modesty. Is what makes us fellers keen. To possess a little Queen; But no lover—goodness knows—Wants a girl sans underclothes.

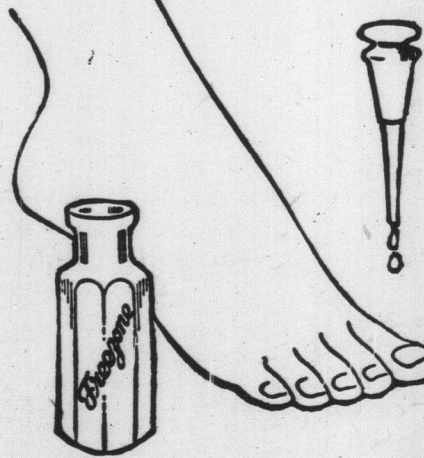

I must wear a coat of mail. Clothe from head to big toe nail. I must cover up my form. Even when the weather's warm; Can't enjoy the swimmer's throes. Less I garb in underclothes. The Civilian (Ottawa.)

Her First Kiss

An old maid writes as follows: Though deadly germs in kisses hide, Even at this price, the cost is small; 'Tis better to have kissed and died, Than never to have kissed at all.

LIFT OFF CORNS!

Apply few drops then lift sore, touchy corns off with fingers

Doesn't hurt a bit! Drop a little Freezone on an aching corn, instantly that corn stops hurting, then you lift it right out. Yes, magic.

A tiny bottle of Freezone costs but a few cents at any drug store, but is sufficient to remove every hard corn, soft corn, or corn between the toes, and the calluses, without soreness or irritation.

Freezone is the sensational discovery of a Cincinnati genius. It is wonderful.

100% SANITARY

Germs flourish in the seams and joints of ordinary milk-pails. No matter how carefully you scald and cleanse, you never can be quite sure that some crevice does not harbor a colony which will make trouble later on.

EDDY'S INDURATED FIBREWARE MILK PAILS

are 100 per cent sanitary, because there are no joints or seams to clean. They are made in one piece, from wood pulp, under tremendous hydraulic pressure. The hard, glazed surface is baked on at high temperature, and is absolutely impervious to liquids. Eddy's Milk Pails are practically indestructible. They cannot be dented and no cracks can develop on the surface. Just cannot attack them and no ordinary accident will do them injury. They cost no more than ordinary milk pails. They will save you labor, and in the long run they will save you money.

SHERIFF'S SALE IN THE SUPREME COURT BETWEEN FREEMAN A. BEARDSLEY, Plaintiff and GEORGE WILKINS, Defendant. TO BE SOLD AT PUBLIC AUCTION by J. Havelock Edwards High Sheriff of the County of Annapolis or his Deputy, at the County Court House, at Bridgetown, in the County of Annapolis, Province of Nova Scotia, on Thursday, the 11th day of September A. D., 1919, at the hour of 11 o'clock in the forenoon, under execution at the suit of the plaintiff, the certificate of the judgment herein having been duly registered in the office of the Registrar of Deeds, at Bridgetown, forsaid on the 6th day of August, A. D., 1917, in Book 10 at page 565, unless before the Day of such sale the full amount due herein to the sole executrix of the plaintiff and costs be paid to the sole executrix of the plaintiff or to her solicitor.

Game Laws Nova Scotia 1919 MOOSE. Open seasons begins October 1st, and ends November 30th. No moose meat shall be sold except between October 4th and November 1st. No persons, after having killed a moose, shall attempt to kill another in the same year. No persons, after having killed or taken a moose, shall in the same year assist another person to kill or take a moose. This does not apply to a licensed guide, acting professionally as such. No persons shall kill or hunt any moose under the age of one year, or any moose on the Island of Cape Breton. No person shall set any snare or trap for moose or hunt moose with dogs, or allow dogs to run at large where moose are usually found. Every person who kills a moose shall within eight days thereafter make an affidavit before a Justice or Warden, in the form required by the Game Act, and shall produce for examination the skull and antlers with the skin of the neck and head attached thereto, and also the skins of the legs of such moose, and such skins of the legs shall be destroyed by such Justice or Warden. No person shall sell or offer for sale any part of the carcass of moose unless he holds a certificate issued with respect to such moose under the provisions of the Game Act, and such certificate shall within ten days after the date of issue be returned to the Chief Game Commissioner. Every person who kills a moose shall within ten days thereafter send to the Chief Game Commissioner by registered post, a notice in writing, signed by such person, stating his address and when and where he killed such moose. DEER. Open season (except on the Island of Cape Breton) begins Oct. 16th and ends October 31st. No person shall kill any deer on the Island of Cape Breton or any doe or fawn deer. No deer meat shall be sold or exposed or offered for sale at any time. As far as applicable and not inconsistent with the above all the provisions relating to moose shall apply to deer. BIRDS. Woodcock, Wilson Snipe—Open season from September 1st to December 1st. No one shall kill more than ten Woodcock in a day. Plover, Yellow Legs—Open season from August 15th to December 1st. Other Shore Birds—Protected throughout the year. Black Duck (blue winged duck) open season from September 15th to January 1st. Partridges (Ruffed Grouse) protected throughout the year. Other Birds—Wood Duck, Eider Duck, Pheasants, Spruce Partridge and all non, same birds excepting the Crow, Hawk, Great Owl, Kingfisher and English Sparrow, protected at all times. No person shall kill any game bird (excepting wild geese, brant and river and sea ducks, other than black duck) between sunset and sunrise. The use of any rifle or gun loaded with bullet to kill or shoot at wild fowl is prohibited. No person shall set any snare, net or trap, or use any punt gun or swivel, or any artificial light for the capture or destruction of any bird. Unlawful to have in possession, buy or sell eggs, or injure or destroy the nest of any native bird. No person shall sell or offer for sale any woodcock, Wilson snipe or other shore bird. RABBITS, HARES. Open season from December 1st to February 1st. Open season for Island of Cape Breton from December 1st to March 1st. No snare shall be made of any wire lighter than number 20. No hedge shall exceed 50 feet in length. Every hedge must be not less than 100 feet distant from any other hedge. Illegal hedges or snares may be destroyed by any person.

Digby County Monitor

Miss Flossie Sproule was a passenger to Halifax Saturday. Mrs. Charles Morrell, of Freeport, is spending a few days in Yarmouth.

Mr. and Mrs. Sydney Melaney and son Sydney returned to St. John Saturday. Miss Driffield and Miss Bessie Turnbull are enjoying a holiday in New Brunswick.

Mr. and Mrs. Roy Lewis, of St. John, are visiting Mr. and Mrs. Geo. Holdsworth. The Misses Robinson, of Aylesford, are guests of Mrs. T. D. Burnham, Queen Street.

Mr. Ernest L. Eagles, of the Royal Bank, left Saturday for Grand Pre on his holidays. Mr. and Mrs. W. M. Warner, of Plympton, returned from Berwick Thursday.

Hon. J. W. Comeau, who had been attending the Liberal convention in Ottawa, passed through Digby Thursday from Halifax for his home in Comeauville.

Kentville Advertiser: Mrs. Capt. Charles F. Lewis, and son, came from Yarmouth to Avonport last week to visit friends there.

Mrs. Dora Davis and Mrs. Leon Everett returned Thursday from Falmouth. The former to Bear River and the latter to Plympton.

The sum of \$250.00 was realized at the Garden Party held on the Columbia House grounds Thursday afternoon by the ladies of the R. C. church.

Mr. James W. Cornwall, of South Gardiner, Mass., who has been spending the summer at Centreville, Ross- way Clarence and Bear River, was in town on Wednesday on his way home.

Mrs. Lewis Hanson and little daughter, of St. John, are in Freeport visiting Mrs. Hanson's mother, Mrs. Arthur Moore. They are accompanied by Mrs. McParlave, of the Provincial Hospital staff.

Kentville Advertiser: Miss Lillian Corbin, of Weymouth, who has been spending the week at Berwick Camp Meeting was a visitor on Sunday at the home of Mr. and Mrs. A. L. Pelton, Riverdale, Kentville.

Miss Charlotte Robicheau, of Weymouth, but for the past twelve years residing in Wolfville, and Miss Rebecca Mulcahy, of Weymouth, have this week been the guests of Mrs. Joseph Deryan, Alma Street.

Marine News

Fred Prime, of Eastport, who has been in Digby for some time, left on Tuesday for St. Stephen. From there he goes to Quebec to take a position as mate on a steamer bound for Liverpool.

The price of herring in Halifax is nominally \$7 per barrel, but at present it is a case of no reasonable offer refused. It is learned that the catch of herring along the shores is being neglected because the fishermen do not find the price sufficiently profitable to justify a continuation of the industry.

Boston owners of fishing craft fear that the industry will not recover from the strike for years. They claim that even with a speedy settlement of the strike it would be impossible to obtain experienced crews immediately and meanwhile other ports would have acquired such a volume of trade that normal conditions could not be restored there for years.

The power boat Freda & Blanche, owned by J. W. Tidd, of Whale Cove, was in Digby last week and attracted much attention by her exceptionally graceful lines and appearance. She is a boat of 60 feet over all 12 feet beam and 5 feet deep; the gross tonnage is 17.21 and she is registered at 7.39.

The schooner Cora C. Outhouse was launched on Monday of last week at Richardson, Deer Island, by George E. Richardson the well known boat builder of that place. She is a two masted craft, measures 87 feet in length, 19 feet beam and 8 feet in the hull, and is of about 55 tons burden.

The keel was laid February 1, and between five and ten men have been busy on her since that time. The launching was rendered difficult by the narrow waterway in which she was to go, and the slope of the ways from striking the opposite shore, that she did not quite leave them at the appointed time but was taken off at the following high tide in the evening. A big crowd was present at the launching. Miss Flora Richardson a daughter of the builder, christened the ship with a bottle of wine. The owners are Delma C. Outhouse & Co. of Tiverton, and the cost is estimated to be around \$15,000.

Annapolis Spectator: Miss being stepped in the new schooner at the local shipyard and the Annapolis Shipping Co. will soon have another fine three masted to their credit. Capt. Hirtle of Mahone, who is to command her, arrived here Tuesday to look her over and make suggestions. The name chosen for her is the Peace and she will be launched about the end of the month. Word has just been received that the schooner Pine-land which was built here several years ago has now been sold to Russians. The Beechland has been sold to French owners. The Mapleland, the last one launched here under Capt. H. Randall, made a record round trip of 53 days a cross the Garston Dore and back to Shelburne for orders, and is now back again at Parrishore to load another cargo of lumber and see if she can repeat the performance. She went across in 20 days. On account of the weather last winter being so mild and broken as to make it impracticable to get out much ship timber, it is understood that the next vessel at this yard will not be laid down until next winter.

YOUNG'S COVE Miss Milbury, of New Brunswick, is visiting relatives in this place. Miss Greta Hudson, of Port Wade, is visiting relatives in this place. Miss Goldie Guest has arrived home after spending some time in Bridgetown.

Mrs. Lester Atkins and little son, of Halifax are visiting her mother, Mrs. E. White. Mr. and Mrs. Ralph Hogan have gone to Colchester Co., where they will reside for some time.

Mr. and Mrs. Roy Munroe and little son are visiting the former's parents, Mr. and Mrs. Capt. A. D. Munroe. Mrs. Loran Clayton has returned home after spending the past week with her parents, Mr. and Mrs. Geo. Stalling, Milford.

Mr. Maynard Sarty has returned home, after undergoing a successful operation for appendicitis at the Halifax hospital. Mr. George Hogan, L. L. D., and wife and Miss Lillian Shaw have returned to Lynn, Mass., after spending a few weeks at their summer home here.

Miss Alberta Young has returned home from Lynn, Mass., and is spending a few weeks with her parents, Mr. and Mrs. John Young. Miss Myrtle Steadman, of Halifax and Mrs. Earl Steadman and little daughters, of Lynn, Mass., are visiting the former's parents, Mr. and Mrs. Allen Steadman.

Mr. and Mrs. Maynard Knowles and family, of Granville Centre, Mr. and Mrs. John Turner, of Halifax spent Sunday at the home of Mrs. Knowles' parents, Mr. and Mrs. Allen Steadman. Miss Vera Guest, of Halifax, has been spending her vacation with her parents, Mr. and Mrs. Edwin Guest. She was accompanied by Mrs. Oliver Starling, of Windsor, who has been visiting relatives in this place.
