## A word from the publishing team

Each month, an estimated 200 foreign representatives newly arrive in Canada in order to conduct diplomatic, consular and other bilateral or multilateral affairs, while another 200 end their assignment. The following contains the names and titles of foreign representatives who, in the last 30 days, have enjoyed status under the *Foreign Missions and International Organizations Act* and other agreements, as well as the most updated addresses of embassies, high commissions, consular posts and accredited international organizations and other offices.

We also publish, for courtesy and hospitality reasons, the names of certain persons who are not recognized under the above federal statute. These are marked by an asterisk\*. Since not all persons in this publication are entitled to privileges and immunities under the *Vienna Conventions*, any queries regarding the particular status of individuals should be more appropriately channelled to the Office of Protocol. Also note that this publication does not list members of the administrative, technical and service staff, and locally-recruited staff.

The public's continued feedback is highly appreciated and if you find inaccuracies, you may contact us at the following:

[xdc@international.gc.ca](mailto:xdc@international.gc.ca)

The Office of Protocol cannot guarantee immediate changes, since these require formal notification by diplomatic missions and international organizations, but it is committed to following-up with designated persons. We firmly rely on the Heads of diplomatic missions and Chargé d'Affaires a.i., as well as on the heads of international organizations to promptly notify us of promotions of members of their representations, as well as the names of those who have departed or no longer enjoy diplomatic, consular and official status in Canada.

We hope the following resource will facilitate your exchanges with the diplomatic corps in Canada.
