SYNOPSIS OF MINUTES OF THE ANNUAL MEETING OF THE CONGREGATION.

The annual meeting of the congregation was held on the evening of Monday, Jan. 15th.

Before commencing the business, devotional exercises were conducted by the Rev. Dr. McTavish; Mr. R. Donald was requested to act as chairman, and the Secretary of the Managers was appointed Secretary to the meeting.

The report of the Session for the past year was presented by Dr. McTavish, who moved its adoption, seconded by Mr. H. Meldrum. Carried.

The adoption of the annual report of the Managers was moved by Mr. Donald, seconded by Mr. Petry and carried.

Reports of the results of the work carried on during the year by the various organizations connected with the church, were presented and adopted, and it was decided that these, in addition to the reports of the Session and Managers, should be printed in pamphlet form and distributed among the members of the congregation.

The following gentlemen were elected to act on the Board of Managers during the next two years, viz., Messrs. A. R. Creelman, A. D. Crooks, R. Donald, A. I. Forster, R. G. A. Paton, C. J. Peter, R. W. Spence, and T. A. Stephens.

Votes of thanks to the members of the choir and auditors for valuable services rendered during the year, and to the ladies of the church for providing the excellent entertainment which preceded the meeting, were unanimously passed.

Messrs. John Ferguson and Peter McCulloch were re-appointed auditors for the ensuing year.

After the Pastor had briefly addressed the congregation, pointing out the inutility of all church work unless undertaken with the proper end in view, the meeting adjourned.

REPORT OF THE SESSION.

The Session begs to report that the work of the congregation under its care, has gone on steadily and with some degree of success and prosperity. The financial depression which is so general, has brought sore trials to some of our esteemed members, and in those trials we beg to assure them of our deep and heartfelt sympathy. Death has visited a number of homes in our congregation, and we have been called upon to mourn the removal from our midst of some beloved and valued members. Besides the following members, viz., Mrs. George F. Burns, Miss Forbes, Miss Janet Calder, Miss Fanny Clarke, Mrs. Payne, Miss Lizzie Peters and Mrs. George Smeall, several esteemed adherents have also been taken away. We deeply mourn the loss of our beloved friend and brother, Mr. W. H. Howland, who was a regular worshipper with us during the past two years or more. In common with thousands of others we would place on record the very high esteem in which he was held as a large-hearted philanthropist, a devoted friend to the poor and suffering, and a pure-minded, consecrated genial christian. "Taking him all in all we ne'er may meet his like again." His widow and family have the prayers and sympathy of all our people in their heavy affliction.

Some anxiety was caused for a time by the alarming news that our missionary in India, Rev. N. H. Russell was dangerously ill. We are thankful to our Heavenly Father, that he is fully restored, and that he and his esteemed wife are again at the post of duty.

The reports we have received from time to time of our domestic mission in Elizabeth St., have on the whole been very encouraging. The services, conducted by Mr. Eakin, have been highly appreciated, and we trust very much blessed.

All departments of the church's work appear to have been carried on with faithfulness and efficiency, and we again express our gratitude for the large amount of voluntary service that has been so cheerfully rendered during the year.

We regret that distance from the church has necessitated the removal of one of the most valued members of our Session, Mr. James P. Donald. His intelligent interest in the Sab-

bath School, Missionary, Christian Endeavor and other departments of the church's work, and his deep sympathy with every form of aggressive christianity made his services as an elder peculiarly valuable.

The Session in accordance with the directions of the General Assembly have appointed a Committee on Temperance, and an effort is being made by that committee to put the matter upon a proper footing.

During the year 91 new members have been added to the roll—53 by certificate and 38 by profession of faith. After deducting removals by certificate, death and otherwise, the present membership on the roll is 580 or a net gain of 22.

The attendance at the various communions was as follows: February, 335; April, 320; June, 315; August, 230; October 304, and December 226. The names of those who have received the sacrament of baptism and those who have been removed by death, will be found on following pages of this report.

An effort is being made to introduce the daily reading of the International Bible Readings Association into our homes, and we hope it will be taken up heartily by the people.

With gratitude to God for the past, and with hope for the future we press forward.

H. MELDRUM,
Session Clerk.

D. MCTAVISH,
Moderator of Session.

ANNUAL REPORT OF THE MANAGERS FOR 1893

In submitting their report for 1893 with the usual accounts, the Managers have pleasure in stating that it was found possible to close the year much more satisfactorily than was anticipated in the early part of December. The special appeal made in that month was responded to so liberally that it provided nearly \$200 additional money, which with other unexpected receipts reduced the deficiency to \$265.79, the amount to be carried forward to 1894 as an adverse balance.

An examination of the statements now presented shows that the expenditures for Congregational purposes during 1893 exceeded the receipts by nearly \$155, the year having opened

with a deficiency of \$111, and that the weekly offerings for 1892 and 1893 are almost identical, the difference being slightly in favour of the year just closed. From the details of expenditures given, it will also be seen that there are increases in several items which were apparently unavoidable. The special item of interest, \$319.37, was a necessary outlay owing to the creation of a floating debt to complete the payments for the improvements made to the Church in 1892. The other payment of interest, \$973.34, is upon the mortgage debt of £4,000 sterling, at the reduced rate, five per cent., conceded by the mortgagees.

There are now on the contributors' list the names of 210 members and adherents, giving weekly the sum of \$92.64, as against 219, giving \$101.08, reported a year ago. The amounts contributed are as follows:—

13 Contributors pay 5c. each.			8 Contributors pay 60c. each.

The average collections per week for the several quarters and for the year, as compared with the previous year, are as follows:—

For the year.....	112 35	110 54

As the payments for the church improvements have all been made and the expenditure account closed, a short resume thereof will not be inappropriate here. The actual outlays for improvements amounted to \$7,878.39, of which \$2,838.44 have been paid by contributions and collections, leaving a balance due as against the church of \$5,039.95. About \$2,000 of the latter sum is covered by subscriptions promised by members of the congregation, leaving about \$3,000 to be met

voluntarily by others who are not under promise. The indebtedness indicated has taken the form of a floating liability to the Imperial Bank, on which interest at current rates is payable.

The Managers believe that the members of the Congregation generally will join them in regarding this report as an extremely gratifying one. Notwithstanding the depression in the business world, the receipts have been well maintained, and would have been more than sufficient to meet the engagements of the year, including the deficit at its opening, but for the special interest charge already alluded to. It may be confidently hoped that, when the times improve, little or no difficulty will be experienced in connection with the finances of the Church.

The following Managers retire by rotation, but are eligible for re-election :—

Messrs. Creelman, Spence, Paton, Donald, Campbell, Crooks, Stephens and Forster.

All of which is respectfully submitted,

G. H. MELDRUM,
Secretary.

R. DONALD,
Chairman.

SABBATH SCHOOL REPORT.

Another year has run its course, and the Officers and Teachers of the Sabbath School again submit their annual report, the 19th in the history of the School.

The average attendance was 159, an increase of 5 over the previous year. Situated as the church is, the Queen's Park cutting off the district lying to the west, we do not expect the School to increase largely in numbers, but we have pleasure in saying that there is evidence of increased interest on the part of the scholars, as well as growing fidelity by the teachers.

The collections for missions were \$209.89, being \$12.51 less than last year. This may be accounted for by the prevailing business depression. We hope during the coming year the scholars will practice further self-denial, so that we may be able to report a large increase in contributions for 1894.

The money collected has been allocated as follows:—

Home Missions.....	\$ 45 00
Foreign Missions.....	45 00
Augmentation Fund.....	20 00
Point-aux-Tremble School	25 00
Jewish Mission.....	10 00
Sick Children's Hospital.....	50 00
Tract Society.....	14 89

\$209 89

We still continue along with the Bible Classes, supporting a pupil at Point-aux-Tremble School. In March last we sent our boy, Adjutir Sioui, an English Bible, and received an acknowledgment expressing his gratitude.

We have also been supporting a cot at the Sick Children's Hospital, but at our last meeting we resolved in future to devote all our contributions to strictly missionary objects.

During the year some changes have taken place in our teaching staff. We regret that through illness, removal and other causes, Mr. Theron Gibson, Mr. James Walker, Mrs. Wallis, Mrs. Van Sommer and Miss Maggie Anderson have resigned. Mrs. Campbell and Mr. John Ferguson have kindly assisted us as occasional teachers.

The infant class taught by Mrs. Meldrum, ably assisted by Miss Donald, is very flourishing. Mr. A. R. Creelman, with his usual liberality has again remembered the infant class with a handsome gift.

Three of our pupils have been removed by death, Nellie Munro, Fanny Clarke and Alexander Clarke. The bereaved friends have our heartfelt sympathy.

We appeal again to the parents for their hearty co-operation in assisting their children in the preparation of the lesson, catechism, and memory verses. We trust that we may receive the help and prayers of the fathers and mothers, as we seek during one short hour on the Lord's Day to lead their children in the way of truth and life.

His promise is, "I will guide thee with Mine eye," and we will trust Him.

REPORT OF THE BIBLE CLASSES.

There is very little of a special nature to report as having taken place in any of the classes during the past year; every thing has been going on quietly and yet satisfactorily.

The number of names on the rolls of the different classes is slightly in advance of last year, but the average is below that of 1892.

Although the average attendance is not up to that of last year, yet, as will be seen by the Treasurer's report, there has been a marked increase in the giving of the classes. We are glad to have this to report, as it shows an interest by the classes of a substantial nature. We feel that if every one would take it upon themselves to give regularly, even if the amount was small, we would find at the end of next year a still larger increase in our subscriptions.

The members of the Junior Bible Class during the past two years pledged themselves to give \$25 per year for the support of a pupil at the Indore Boys' School in India. They have fulfilled their promise in both cases, and we hope they may find their way clear to continue to give to this special object, which is very commendable.

The usual sleigh drive and "At Home" given by Mr. and Mrs. Macdonald in January last, was much appreciated by all who were present.

The usual vacation was taken during July and August.

The attendance in the different classes has been as follows :

MISSIONARY ASSOCIATION REPORT.

The Missionary Association have much pleasure in presenting their annual report. When we look back over the year that is just passed we have many reasons for thankfulness to our Heavenly Father for the way he has led us and blessed us. Our contributions for missions, although not amounting to as much as the previous year, are on the whole satisfactory, when we take into consideration the great depression in business which has been felt all over the country, and by our own members to a certain degree. When we take from our total contributions of 1892, the special contributions, the actual amount collected for our missionary objects is not so much in excess of 1893 as appears at first sight. A number of our members have been compelled to reduce the amounts given, but the number of contributors has kept up very well. We trust, however, that in the year 1894 more of our people will give towards these objects, as we know there are many who do not use the mission envelopes. Let us each one make this a subject of prayer and give as we can afford.

We have held our monthly missionary prayer-meetings as usual, and have had some very interesting and instructive talks on different mission fields during the year.

Our own missionary, Mr. Russell, has kept us well posted on his work in India, while Mrs. Russell has also sent us very interesting letters about the work. We expected to get a report from Mr. Russell, to be incorporated in our printed church report, but it has not yet arrived.

The missionary in the home field whom we as a congregation are supporting is Mr. Muirhead of Whitewood, N. W. T.; he has sent us a letter giving a little account of the district he is working in, and certainly he has a great deal to do. He says his field consists of four stations; the people belong to 17 distinct nationalities, and each one has a distinct settlement of their own, thus making Whitewood quite a missionary centre. The people are very scattered and he has a great deal of travelling to do to visit them and hold services as requested. There are three Sabbath Schools in connection with the field. Mr. Muirhead says that Whitewood has a very hard name and is a very drunken place, the foreigners becoming almost crazy with liquor and fighting, etc., with one another.

Our own domestic mission, in Elizabeth St., is also doing good work, as will be seen from the report.

We are sorry to have lost the valuable services of our efficient Secretary, Mr Jas. P. Donald, who has removed to Westminster church. Our best wishes go with him, and we feel sure he will carry his missionary zeal and enthusiasm wherever he goes.

We trust that the present year will find us more and more interested in the great missionary objects of our church, and pray that God will bless us in our work.

We would suggest that the amount contributed for Missionary objects be allocated as set forth in the Treasurer's statement.

Sunday school work has been pushed vigorously and many hundreds of children have been taught the Word by our Christian teachers. Between three and four hundred people at present attend our large Sunday School, held in the church on Sunday morning. At the close of this all the Christians, mission workers and others, go out and hold Sunday Schools in different parts of the camp.

Our school work flourishes. In our largest school the roll is nearly 150 and average attendance about 100. The work has been thorough in all subjects, especially the Bible. Our boys took first prize in two out of three departments, in competition with other mission schools for the Murray prize. Mrs. Russell has the boys' Bib'e class in English, and is very much encouraged by the interest shown in the Truth. We are at present looking to the Cantonment authorities to give us some help in the secular part of our school work.

Two branch schools, one with about 35 and another with about 30 pupils, are being successfully carried on, and through them the Bible is systematically taught. It is surprising, the grasp these heathen boys get of the Bible and its truths. I have been surprised, during the late examination, to find they know the Scripture better probably than boys of the same age at home.

We have just held, in Mhow, a large convention of Christians from all our stations. It was a grand success. The papers and addresses showed that a newer and more developed spirit is creeping into our native church, and that soon we will have a grand body to lean on, rather than support. It will need much care and labor, however, for years to come, and for this we need more help. Above all else, we require more men to develop the big unopened field to the west of us, where millions of people are waiting for light.

We have a few minor wants, in which we ask your assistance: a home for heathen women who come to us from lives of evil; several such we have had to turn away lately, for want of some place to put them. We also want small and inexpensive buildings in our out-stations, to enable us to better carry on the work. We need a man capable of instructing our youth in the common trades, carpentering, blacksmithing, etc.

We ask your prayers, your sympathy, your interest and efforts on behalf of this the noblest and grandest work to which our church has ever been called.

It is a hand-to-hand battle with the powers of heathenism; some of us will go down in the struggle, but you must be ready to carry it on.

Yours in His work,

NORMAN H. RUSSELL.

REPORT OF LADIES' AID SOCIETY.

We have much pleasure in presenting the congregation with the thirteenth annual report of our work.

During the year 1893 sixteen meetings have been held, with an average attendance of twelve.

We would again express our regret that comparatively few of the ladies of the congregation seem able to attend these meetings, which we find very useful in arousing our interest in the well-being of others and enlarging our sympathies.

Many poor families have been materially assisted. Food, money, coal and wood have been distributed when needed, besides sewing, and occasionally medicine supplied.

Large quantities of cast-off clothing generously supplied by members of the church have been sent to the mission with the new garments made at our meetings. The plan of putting a small price on the cast-off clothing has worked admirably, and the articles have been eagerly purchased by the poor women at the Mothers' Meetings.

We would convey our thanks to the many friends who have so substantially aided us by their generous contributions to the special collections as well as by private subscriptions. One special sum given us to be expended in "Christmas comforts for some of the old people," was used to supply some of them with extra fuel.

We regret having to record the death of Mrs. Geo. F. Burns, for many years one of our most active workers, who entered into her rest after a long and painful illness.

Many thanks are due to the indefatigable exertions and untiring zeal of our President and other officers, who have done all in their power to make our Society an efficient and useful one.

We now go hopefully forward into a new year, feeling certain that we will be aided in the good work of the future as we have been in that of the past.

ANNIE I. STEVENSON,
Secretary.

REPORT OF THE AUXILIARY OF THE WOMAN'S FOREIGN MISSION SOCIETY.

Another year of our Society's life has rolled away, and now, in presenting the thirteenth annual report, we do so with more thankful hearts to our Heavenly Father for all His tender mercies and loving-kindnesses to us in the past, and more fervent prayers that He will continue to guide and uphold us, and show us more clearly how we may help to spread His message of love among the still dark places of the earth, and assist our devoted missionaries in their endeavors to win souls for our Saviour.

During the past year, deep sorrow has entered several of the members' homes, and two of our number, Mrs. George F. Burns and Miss Calder, have passed to their eternal home.

During the year, 11 meetings were held, with an average attendance of 22. In June the sum of \$9 and a box of good clothing were sent to the North-West. In October the Thank-offering meeting was observed, when a donation of \$71.45 was handed in, each gift being accompanied with an appropriate text of Scripture.

REPORT OF MISSION BAND.

During the year eleven meetings were held, with an average attendance of sixteen.

The "Talent" system having been so successful in the previous year was continued throughout 1893, and resulted in a collection of \$20.18.

The annual Thank-offering meeting, held in October, was addressed by Mrs. Harvie, an ex-president of the Band, the offering amounting to \$14.35. At other meetings, addresses were kindly given by Mrs. Stephens, China; Mrs. Hodgkins, Deer Park; and Miss Alexander, of San Francisco.

Some articles of clothing were sent to a mission school in the North-West.

The Band has received two interesting letters from Mrs. Russell, telling of her life and work in India.

We are indebted to the Rev. Wm. Patterson for his enjoyable lecture on "Ireland."

Miss Crooks, our late Secretary, having left the city, Miss Willa Anderson was appointed to succeed her.

We have been few in number, and the work done seems little in our eyes, but may it be said of those who have been faithful, "She hath done what she could."

REPORT OF THE MUTUAL HELP ASSOCIATION

We have pleasure in submitting our report for the past year. The meetings have been largely attended, and the interest of the members in the work has also increased. A large parcel of useful articles was sent to our mission in the North-West, comprising warm quilts, cushions, stockings, mitts and other garments.

We regret to say that our youngest member has been removed by death. We refer to Fanny Clark, who was one of our most willing and faithful workers. We feel assured that she sleeps in Jesus, and may we learn from her early removal, to "work while it is day." We gladly welcome all strangers to our monthly meetings. We desire to return thanks to Mr. Spence for a parcel of samples kindly sent to us.

In the month of June a very pleasant reunion was held at the residence of Mrs. Crombie, at which our esteemed Pastor and other friends were present. We enter upon another year's work, trusting in the Lord's guidance, and taking as our motto, "Be not weary in well doing."

REPORT OF THE YOUNG PEOPLE'S SOCIETY OF CHRISTIAN ENDEAVOR.

The Young People's Society of Christian Endeavor beg to report as follows:

During the year ending December 31st, 1893, the work of this Society has been successfully carried on. The active members number about one hundred and twenty, and the associate about ten.

The practical work undertaken and carried on by the Society is to contribute toward the support of the missionary, Mr. Russell, to furnish workers for the Elizabeth Street Mission, to maintain two cottage prayer meetings in St. John's Ward, to look after the spiritual welfare of the young members of the congregation, to see that young strangers are welcomed to the church, and generally to promote christian fellowship among the members of the Society.

The financial position of the Society is good. During the past year the receipts from all sources, including a balance from last year of \$11.00, but excluding missionary contributions, amounted to \$136.33. The expenses amounted to \$126.24, leaving a balance on hand of \$10.09.

The Junior C. E. Society meets every Sunday at 4.15 p.m. for half an hour. About twenty-seven attend each meeting. Miss Irish is now Superintendent, and under her guidance the Society is increasing in numbers and interest.

Respectfully submitted on behalf of the Society.

W. M. CRAM,
Secretary.

CHAS. D. GORDON,
President.

CHURCH CHOIR REPORT.

The year just closed has been marked by many changes in the choir. During the first half of the year the attendance at church services and choir rehearsals was exceptionally good, but later there were many vacancies, caused by sickness and removals. The resources of the choir have been severely taxed in the endeavor to do justice to the service of praise, but a number of new members have recently been added, and the roll is now almost complete. With the exception of the time occupied in preparing for the concert, which was held in May, the efforts of the choir have been directed towards the improvement of the service of praise. The psalms and hymns have been carefully studied with the view of rendering them in a manner calculated to lead to the expression of the sacred sentiments which they contain. In addition to the collection of standard anthems of recognized merit, a number of simple and melodious anthems have been added to the repertoire of the choir, which, we hope, will prove acceptable to the members of the congregation. The hearty spirit in which the members of the choir have performed their sometimes arduous duties, has been a source of much gratification to their leaders.

Respectfully submitted,

REPORT OF ELIZABETH STREET MISSION WORKERS' ASSOCIATION.

(EMBRACING ALL ITS BRANCHES.)

In looking back over the year that has closed, our hearts are filled with gratitude to our Heavenly Father for having so abundantly blessed us in all our work. Most earnestly and prayerfully has the seed been sown, and we have been encouraged at times by seeing that the good seed has not altogether fallen on stony ground, but has taken root in some hearts, and is now bringing forth fruit unto the harvest.

SABBATH SCHOOL.

The officers and teachers have much pleasure in presenting the thirteenth annual report of the Sabbath School. After

careful examination, we find the number of scholars on the roll at the close of the year to be 130, and officers and teachers 23. Average attendance of scholars, 80; average of teachers, 21; making a total average of 101. This shows a slight falling off compared with last year; the largest attendance of scholars was 125, and the smallest 50. The first half of the year shows an average attendance of 90 scholars, but during the three months of summer, we suffered quite a falling off in the attendance of the boys; we have, also, lost several scholars by change of residence, still, notwithstanding these hindrances, our school shows continued advancement, for which we thank God and take courage. Three of our scholars, two girls and one boy, made public confession of their faith in Jesus Christ as their Saviour, and are now members of the Central Church.

The collections of the Sabbath School amount to \$55.72, an average of about \$1.05 per Sabbath.

The annual picnic was held on the 7th July, to Long Branch, and the Christmas social on the 28th December, at both of which the scholars and their parents and friends had a time of social enjoyment. For these pleasant times, the officers and teachers return most grateful thanks to the friends who so kindly aided them with money and refreshments, thus enabling them to meet all expenses without a deficit. Our cordial thanks are also due to the friends who sent us valuable donations of books for prizes and for the library.

We are sorry to say that during the year we suffered the loss of several valued teachers, but we are thankful to say that others have been found to take their place.

D. McINTOSH,
Superintendent.

H. D. BLACK,
Sec.-Treas.

SABBATH EVENING SERVICES.

During the early part of last year Mr. Pogue, our then missionary, did good work in stirring up the people to come out to the services. Then followed Mr. Eakin, our present missionary, who has labored incessantly, and to whose efforts are due the present increase in attendance and deep interest evinced in spiritual matters. visitor in the homes in the neighborhood of the mission in carrying the Gospel to those who will not or are unable to come to the services. In the month of November, we held a week of special evangelistic meetings, which no doubt did much good in stirring up both workers and people.

THURSDAY EVENING MEETINGS.

We are glad to be able to report very encouragingly of the Thursday evening prayer meetings, the attendance throughout the year being good; a deeper interest is also shown by the people. During the summer months, Mr. Eakin had charge of the meetings, but latterly they have been conducted by members of the Christian Endeavor Society, foremost amongst whom is Mr. Geo. Forster, who is untiring in his labors in every work connected with the mission.

COTTAGE MEETINGS.

Through the kindness of Mr. Jones, 63 Elizabeth Street, and Mrs. Jackson, 51 Centre Avenue, we are enabled to hold two cottage meetings every Tuesday evening. The attendance on the whole is very good. The meetings are conducted by members of the Christian Endeavor Society, who strive to make the lesson for the evening as instructive and helpful as possible for each one present.

MOTHERS' MEETINGS.

In presenting the thirteenth annual report of the Mothers' Meetings, the workers beg to express their deep sense of gratitude to our Heavenly Father as the years go by. Every Friday afternoon finds a band of faithful workers and earnest mothers studying God's holy word—the old, old story, but ever new one—and many have been heard to say, "It is good for us to be here." Shall we not, as co-workers with Him, be in constant prayer that we may have the Christ-like spirit to search in wretched homes and among the outcasts and degraded for souls which shall be jewels in the crown of our loving Lord Jesus?

We have had our testimony meetings once a month, and we think it helps the mothers to live better by confessing

Christ at their own meetings, many with tears telling us how good the Lord has been to them.

We would especially thank the Ladies' Aid Society for so generously providing us with our weekly teas, also for the quilts and garments ready-made, a kindness appreciated by the mothers; also for the bountiful supply of cast-off clothing, that has been such a comfort to many a mother and her children.

We had our annual social on Good Friday afternoon and we enjoyed it very much. At this meeting we presented Mr. McIntosh, our S. S. Superintendent, with a very handsome walking cane, Mrs. Adams making the presentation in the name of the mothers.

In the month of June one of our generous friends gave the mothers and children tea on her beautiful lawn; the women were delighted with the outing, and many of them spoke of the good time they had. After thanking our kind hostess, we came away quite happy. May she be long spared to do such loving deeds for her poorer sisters.

Mr. Fenwick gave us a talk on his work in Corea, which was instructive to us all.

Our dear pastor visited us sometimes, telling us how to walk worthy of the Lord.

SARA C. MACDONALD,
Secretary.

REPORT OF THE TRACT SOCIETY.

At the close of the ninth year's work of our Society, we have much cause for thankfulness to our Heavenly Father for the way he has guided and blessed our labors. The work

has been carried on as formerly, a large number of tracts having been distributed during the year.

The attendance at the monthly meetings has not been large, but we are glad to report a much deeper interest in the work.

A number of districts which were for a long time vacant are now covered, and the workers feel very much encouraged; but there is still room for more laborers in this part of the Master's vineyard, and we would gladly welcome any who are willing to assist in this good work.

We have now 18 distributors, and although we consider we have 20 districts, several of the largest of these might easily be divided, if we had some additional helpers.

We desire to express our gratitude to our kind friend, Mr. J. K. Macdonald, for his efforts on behalf of the Society. We also thank the Sabbath School and the Mutual Help Association, for their donations.

On entering the new year, may we be more diligent and faithful, doing good as we have opportunity.

MARY A. CROMBIE,

Secretary.

GIRLS' SEWING CLASS.

The Girl's Sewing Class in connection with the Elizabeth Street Mission continues to meet on Saturday afternoons at 3 o'clock.

The average attendance during 1893 was 20. On the whole the attendance has been very encouraging, and if there were more teachers to engage in the work there would be no difficulty in getting a much larger number of children to attend, as many of them are fond of the sewing-class and would not miss it for anything.

Quite a number of aprons and a great many handkerchiefs have been made this year by the class. Some of the older girls who have been coming to the class for some time sew very neatly indeed, taking quite an interest in making something useful for themselves or their mothers. The children always pay for the bare cost of material used by them, and in this way they also provide the needles and thread.

VIOLET ROBINSON,
Secretary.

It will be seen by comparing the reports of last year with those of this year, that we are steadily advancing.

We have not only increased in numbers, but the interest shown at the meetings are a great stimulus to press forward to the work of another year, feeling assured that "in due season we shall reap if we faint not."

We would not forget to thank the kind friends who have so generously aided us from time to time in our work.

CHRISTINA McINTOSH,
Sec.-Treas. Mission Workers' Ass'n.

REPORT OF MISSION SAVINGS BANK.

As compared with the previous year, the amount outstanding at the credit of depositors is \$11.85 less, while the deposits for the year were \$132.22 in excess. The financial statements of the Treasurer appended hereto will fully exhibit the position of the affairs of the bank.

The directors and management have had their attention specially drawn to circumstances connected with the depositors, which go far to indicate that the objects which led to the establishment of the Savings Bank no longer exist. It appears that the majority of the depositors do not belong to the Mission, so that the work is largely carried on for the benefit of persons in whom, as a Mission, we are not especially interested. It also appears that very many of the depositors are children who deposit a few cents and draw the amount out again in such a way as to preclude the hope that they are being taught habits of saving. It would also appear that the establishment of branches of chartered banks with savings bank departments very fully meet the want on account of which the bank was started.

In view of these circumstances, it is the intention of the management to bring the matter before the Session at an early date with a view to the discontinuance of the bank.

A number of our young men have been very faithful in their attendance to the requirements of the bank during the year, and deserve cordial thanks.

W. WILSON,
President.

J. W. MCINTOSH,
Secretary.

ENVELOPE CONTRIBUTIONS.

Members and adherents of the congregation are particularly requested to note the following :

Pews and sittings are free, although as far as possible allotted to the families and persons who attend the church. Any who have not secured sittings are requested to make application for them on any Wednesday evening before or after prayer-meeting service, when the seat-letting committee will endeavor to meet their requirements.

The congregational expenses are met by voluntary contributions, given for the most part weekly by envelope. All who have not adopted this system are earnestly requested to do so, applying to the Treasurer for envelopes. The Managers suggest that each contributor shall take his or her supply of envelopes home, keep them in a safe place, use them regularly with due regard to the dates printed thereon, seal them securely, and write the amount enclosed in every case on the face. Each contributor who follows these suggestions can ascertain by a simple examination of the envelopes remaining on hand, precisely how his or her account with the Church stands at any time, and they are asked to make such an examination periodically, and supply any omissions which may have occurred by reason of absence or otherwise.
