omissions. Let us do something for the friendless. There are poor homes into which we may at, perhaps, but nest Hutchison of Douglastown has, we small cost, let a large amount of happilearn, been appointed by the Governness, there are sick to be visited, orphans to whom we can make the time ment Commissioner to examine and one of gladness, and widows whose report upon the accounts of the St. Christmas season will be duil and sad John Alms Honse.

Board of Agriculture

We are indebted, principally, to the St. John Globe for the following report of the meeting of the Board of Agriculture. FREDERICTON, Dec. 18.

possible, our friends will, we know, ex-The Board of Agriculture formally use the comparatively small amount of opened this morning at 10 o'clock. There reading matter in this issue, while we was a full board present, viz.: Hon. D. McLellan (president), F. W. Brown, J. E. Fairweather, John Campbell, J.J. Andernon, G. L. Colwell, D. T. Johnstone, J.L. The Timber Trades Journal of 6th Inches (secretary). Dr. Barker, manager of the Stock Farm, was also present. nst. gives the first note of encourage-The President read his annual address ment we have heard for many months which was one of the best, from the farm in reference to the deal and timber er's standpoint. that has yet been made

trade. It says,—
The import during the past week has been very light, but so also has been the consumption, and with the season so far advanced as it now is there is pefore the Board. On the subject of the Stock Farm he said,-At the annual meeting in Decen called the attention of the Board to the so far advanced as it now is there is little hope of any revival taking place until we get into the next year.

The little buoyancy that showed itself recently in the general course of business seems to have left the timber trade for the present, if we except the indications of a firmer tone in spruce deals and bire't timber. Although the stock of the former shows but little diminution in extent yet it would not atook of the former shows but little diminution is extent yet it would not be a matter for surprise if a sharp rise in values should take place before long, as a large proportion of the stock is held in one hand.

Stock Farm, and at the same meeting you recommended the Government to secure a more suitable farm at an early date. The Board was called together in May last to consult with the Government and time to the consult with the Government and time to consult with the Government and the consult will be consulted to the propose of a stock Farm, and at the same meeting you recommended the Government to secure a more suitable farm at an early date.

Board was called together in May last to consult with the Government relative to the selection of a farm, and at that meet-ing the Board desired the Government to appoint a committee of two to meet a committee of two from the Board. The Yesterday, the 3rd instant, Messrs.

A. F. & D. Mackay offered at the saleroom, Canada Dock, one cargo of St. John, N. B., spruce deals, birch and other hardwood timber, and a cargo of other hardwood timber, and a cargo of Pictou birch timber. There was a fair attendance, and with good competition an advance upon the previous rates for St. John spruce deals was obtained and, for the birch timber a strongly marked increase in prices was obtained. This is what was only anticipated seeing the what was only anticipated seeing the import season is over and the light stocks that have been held here for

Sovernment.
In July the Board was again called tothe light here for receive the report of the committee and take action thereon. As you are aware the action of the Board and Government, after hearing the report, resulted in the choice of the Murray Farm at Spring Hill, at an annual rental of nine hindred dollars for the short term of tive years, with renewal and purchasing clauses.

thundred dollars for the short term of five years, with renewal and purchasing clauses.

The result of the annual sale in October last was looked forward to with much interest by me as being likely to afford the best evidence available as to whether young thoroughred stock was much sought after by the farmers of the Province generally. The sale being very satisfactory, I lost no time in obtaining the necessary authority from the Government to treat with the Otty Estate for a surrender of their lease, and with the Murrays and the Committee of the Board.

FOR ONE YEAR TO EVERY SUBSCRIBER

MIRAMICHI ADVANCE."

All of our subscribers who will pay their subscription accounts to this paper in full to date, and one year in advance, will be presented with one year's subscription to THE TORONTO WEEKLY NEWS FREE.

THE TORONTO WEEKLY NEWS is an Illustrated Paper, unsurpassed in all the features of enterprising journalism. It stands conspicuous among the best journals of Canada as a complete newspaper, which will be interesting to every member of the family. The children will like the pictures, the young folks the steries and the fanny sketches, the more mature will be delighted with the editorials and news matter, v hich in every issue will be found spicy, incisive, and entertaining. In the matter of telegraphic service, having the advantage of connection with THE TORONTO DAILY NEWS, it has at its command all the dispatches of the Associated Press, besides the specials from NEWS correspondents in every section of Ontario for which the daily paper is so famous. As a newspaper it has no superior. It is Independent in politics, presenting all political news free from party bias or coloring, and is absolutely without fear or favor as to parties. The parliamentary reports are written in a humorous vein, and deal with men and measures without gloves, and having regard only to brevity, justice, and truth. It is in the fullest sense a family newspaper. Each issue contains a verbatim report of Rev. Dr. Talmage's latest sermon in Brooklyn Tabepnacle, Clara Belle's New York fashion letter, "The Man-About-Towa," sketches of people and places, a serial story of absorbing interest, a political cartoon, and a rich vaniety of condensed notes on Fashions, Art, Industries, Literature, etc., etc., etc. Its market quotations are complete and to be relied upon. It is just the paper for the young folks, and the old folks will like it just as well. Our special clubbing terms bring it within reach of al. Specimen copies may be had at this office.

A CHRISTMAS EPISODE.

Wilbraham's house. A pretty lady-like quiet, little creature, whom his at a very low speed, those upon the Pennand before long their father was in the most pertinent and definite data for danger of following their example. arriving at a conclusion. According to widow; handsome, poor, and with eyes | same number of cars, and similar engines that were unusually keen for all that were employed, and the trains in each concerned the wealthy widower. For case went the same distance-119 miles he was her cousin, and she had kept and back, with some stops. The fast

house for him since his wife's death with the intention of ultimately consoling him for his bereavement. "That girl is dangerous," she thought. "She must be got rid of at once." More easily said than done however

The children loved their gentle friend and play-fellow, and their father made no secret of the pleasure her presence and sweet companionship afforded him. While as for Lily-though she was "only a governess"—it was plain that an unwonted sense of happiness made her blue eyes more bright and her smiles more frequent. Was it since Mr. Wilbraham returned? Well, yes York Herald and the Nicaraguan treaty everything was surely pleasanter in the New York Tribune, and proposing under the master's sway. He was so that a special committee be raised to ingood, so kind. And he, surely his life vestigate the methods by which copies of

And at that thought she stooped and wish being complied with. kissed the white winter rosebud that she held, and which he had given her. That instant a voice fell on her ear and a firm hand grasped her arm.

giver's ?" Poor Lily started guiltily.

The-giver, madam?" she faltered. "I do not understand-" "Mr. Wilbraham gave you that rose. He is my betrothed husband. I will this Hartford boy.—Hartford (Conn.) never give him up. His fancy for you Times, Nov. 29. can only end in your dishonor; for though you may win his heart from me, you cannot win his hand. That is engaged to me and I will claim it." Lily, with white face and great, dilated eyes, now, suddenly, with one sharp cry of pain, fell down fainting at her

enemy's feet. "Oh, madam, what must you think of me," she cried, with a cry of passionate sorrow. "Oh I must leave this place! Oh, let me go at once!" "I shall place no constraint upon you, my dear," she said. "I see that

I can trust your honor." Mr. Wilbraham had said that he should not be home that night, and the JER'H. HARRISON & Co. poor girl's one anxiety was to leave ST. JOHN, N B. without seeing him again. So, when her preparations were done, she went up to the children's class-room to bid the place where she had dreamed such happy dreams a last good-bye. It was

"Miss Dean," she said, my cousin is returning. I saw him from my window slowly riding up the lane. You must not meet him. You can slip out of the back way as he enters the front.

You can slip out to first class stock and hopes by strict attention to business to win a share of public patronage. You can walk to the station-it is not more than a mile," (it was more than two miles, but Mrs. Vane was not trammelled by any painful reference for the truth.) "Here is your money, and to-morrow I will send your trunk. insulting suspicion-"will you stay and try and steal from me my husband?" The young girl's fair face flushed and she threw back her head with a proud

"You insult me madame," she said, with dignity. "I have shown no inclination to do you wrong." Then she alipped away.

Little Annie was playing near the vestibule. She caught her in her arms and kissed her. "Good bye, little darling!" she cried and set her down again. Next minute

the door swung open and the governess had gone.

"Without an explanation!" Mr. Wilbraham said. "I cannot understand it, Helen. Surely she told you

she thought, "and I shall win the The sound of horse's hoofs under the window startled her. She sprang to ascertain the cause, and fell back as if she had received a blow. George Wilbraham was riding away to the station at

and learn all," and a fine Christmas I will have she thought and sat down conquered and despairing.

The game was lost indeed. A letter from her cousin apprised her that he had found her cousin in London, and Bone, married her. He requested Mrs. Vane to leave his house before he brought his young bride home.

She obeyed, too humbled and defeated to utter a complaint, and Lily came back to be mistress and queen of the home where she had once been "only a
