REPORT OF THE COUNCIL
OF THE
DOMINION OF CANADA RIFLE ASSOCIATION.

The Council of the Dominion of Canada Rifle Association have the honor to submit the Thirteenth Annual Report of the proceedings of the Association.

1. The Council desire to record their acknowledgment of the support and encouragement given to the Dominion and Provincial Associations, by the continuance during the year of the several grants made by the Government, and also for the assistance given to County and other local Associations through the Department of Militia and Defence.

2. The Annual Prize Meeting commenced on the 6th September, and, as far as related to all open competitions, was concluded by mid-day Friday the 10th. Competitors from the distant Provinces were thereby enabled to return to their homes without any undue delay, a result due to the provision of additional Target accommodation, and the introduction of a methodical system of detail for firing.

The Council feel bound to acknowledge that the success of the Meeting was in a great measure due to the competitors themselves, who by their ready compliance with the rule for making entries by the 1st September, and by their punctual observance of all instructions rendered the work of the Executive Staff a comparatively easy duty.

3. The general meeting of the Association, provided for by Clause 19 of the Constitution, was held at the Rideau Range. Its proceedings will be found in the Appendix.

4. Places in the Team for Wimbledon in 1881, were competed for. The names of those eligible for selection will be found in the Appendix.

5. The Wimbledon Team for 1880 sailed from Quebec on the 19th of June, under the command of Lt. Col. A. H. Williams, M. P., with Major Macpherson, G. G. Foot Guards, as second officer. Attention is drawn to the report of the Commanding Officer, which is published herewith.

6. At Altcar the Team made excellent shooting, and in the usual matches with the 15th Lancashire, the 1st Cheshire Rifle Volunteers, and the Liverpool Rifle Brigade, they came off victorious.

At Wimbledon, the number of prizes which fell to the Team was about the same as in former years, but the unfavorable state of the weather when the Canadians were shooting at the 600 yards range in the "Queens," destroyed the prospects of several members who had gone back to that range with scores, which fully entitled them to hope that they might gain the honor of a place in the 2nd stage.

Want of success in the Kolapore Cup Match has again to be recorded.

Lt.-Col. Williams calls attention to several matters relative to the internal economy of future teams which are worthy of serious consideration.

7. The usual distribution of Silver Medals to affiliating Associations has been made.

8. Her Royal Highness the Princess Louise, was graciously pleased to add to the gift of His Excellency the Governor General, their joint presentation being \$500 (five hundred dollars). This amount was competed for under conditions approved of by His Excellency, and the Match determined the positions of the Competitors in the Wimbledon Team for 1881.

His Excellency has again presented a Silver and Bronze Medal to each of the Provincial Rifle Associations in Canada.

9. It is with much pleasure the Council refer to the handsome donation of \$250, by Lt. Colonel Gzowski, A.D.C. to the Queen, President of the Association, which with the gift of £100 sterling, by the Hon. Sir

John Rose, Bart; is placed for division amongst the Members of the Wimbledon Team for 1881.

10. The Council have also the pleasure of referring to the generous donations, of \$100, by Lt.-Colonel the Hon. L. R. Masson, M.P., and of \$150, by Lt.-Colonel Allan Gilmour, Vice-President of the Association.

11. The prizes won at the Annual Meeting were presented by His Excellency the Governor General, who was pleased to return to Ottawa specially for the purpose, thus continuing to show the great interest His Excellency has always taken in the welfare of the Association. In this, as in other ways, His Excellency has encouraged the Council to increase their efforts to make rifle shooting attractive to the Militia of the country, and thereby afford an important stimulus to our system of national defence.

12. In response to representations made by His Excellency the Governor-General, the Directors of all the leading Banks have generously contributed a fund for prizes, to be given at the next meeting; thus showing the Council that they have the sympathy of the Monetary and Commercial leaders of the country, in their efforts to foster the efficiency of the Militia force of the Dominion—a force which is so essential for the protection of property in the event of civil commotion or other disturbances. A list of the contributors will be found in the Appendix.

The Council recommend that a suitable acknowledgment be made by the Association for this timely aid.

13. The Council have much pleasure in stating that the suggestions contained in the 18th paragraph of the Report of last year were carried out, and much of the success of the prize meeting of 1880, was due to the efficient control and management of Captain Costin, the Chief Executive Officer.

14. The Department of Militia and Defence again provided camp equipage and stores for the use of the Association during the meeting.

15. Prior to the matches, a large but necessary expenditure was made in increasing the target accommodation on the Rideau Range.

The total number of targets in use was twenty, 2nd and 3rd class, one 2nd class extra series, and two 1st class.

16. Owing to this increase in the number of targets, and for the satisfaction of competitors generally, it was considered desirable not to confine the selection of markers to one locality. To give effect to this resolution the services of a detachment of two N. C. officers and twelve men from 'B' Battery Kingston, were obtained to act in that capacity, and the remainder were selected from the local force at Ottawa. The Council have to record their satisfaction with the manner in which the markers performed the duty entrusted to them. They also feel that the thanks of the Association are due to Major Hebert, "B" Battery in Command of the detachment from that corps for the assistance he so willingly rendered on all occasions throughout the meeting.

17. The Council desire to thank Surgeon Malloch of the Governor General's Foot Guards, and Surgeon Bentley of the Ottawa Field Battery, for their attendance during the Competition, and also to thank the several Railway and Steamboat companies, for the facilities afforded to competitors, and for granting them transport to and from their homes at reduced rates.

FINANCE.

18. The Council refer to the Treasurer's Statement of the Finances, duly audited, for the period from 29th January, 1880, to 13th January, 1881.

19. The total receipts from all sources for that period have been \$12,697.69; balance brought forward from last year's statement, \$1,435.70; total amount, \$14,133.39; the expenditure amounted to \$14,120.82, leaving a balance of \$12.57 to the credit of the Association.

20. The amount for "Annual Subscriptions" is \$168, as against \$166 received in 1879. "Affiliation Fees" amount to \$780. The receipts under this head are the same as last year, owing to the payment of arrears by one Association in 1879.

Provincial Rifle Associations.....	7
County and other Local Associations.....	25
	32

Being an increase of one Affiliating Association as compared with last year.

21. The amount of "Special Donations" received this year is \$350.00, as against \$500.00 in 1879; increase of \$350.00.

22. The "Entrance Fees" to matches in 1880, including sighting-shots, blow-off tickets, post entry fees, fines, &c., amounted to \$2,273.12, less refund of \$63.90, made to competitors who did not attend the meeting and others who were unable from special causes to compete in certain matches, leaving a net amount of \$2,209.22, as against \$2,156.80 received in 1879.

23. The account of expenditure made by Lt.-Colonel Williams, Commanding Wimbledon Team of 1880, will be found in the appendix.

G. A. KIRKPATRICK, LT.-COLONEL,
Chairman of Council
Dominion of Canada Rifle Association.

REPORT OF THE SECRETARY

OF THE

Dominion of Canada Rifle Association

1. The Annual Prize Meeting of 1880 was held at the Rideau Rifle Ranges, commencing on Monday, the 6th, and terminating on Friday, the 10th September.

2. As in previous years, all requisite arrangements for the Meeting were made and carried out by the Executive Committee of the Council

3. The duties of the Secretary were very considerably lightened by the appointment, for the first time, of an Executive Officer. To the untiring energy of Captain Costin, the officer selected for this important duty, and to his thorough knowledge of the duties required of him, the success of the Meeting is mainly attributable.

4. The necessity for further Target accommodation, which was so apparent at the Meeting of 1879, was met by a large increase to the number of Targets formerly in use.

5. Lieut. Whitman, of the 60th Battalion, with a score of 47 points, carried off the MacDougall Cup on its 11th anniversary.

6. The Province of Ontario had the good fortune to secure—with its representative team—the London Merchants' Cup with a score of 417 points.

The Team from the Province of New Brunswick was second, with a score of 378 points.

7. The number of entries, both free and by payment, for the several matches, were as under :—

1. All Comers Match.....	Members, 264	
	Non-Members, 4	263
2. Dominion Match.....	Payment, 252	
	Medalists free, 11	263
3. Battalion Match.....	Individual Entries,	259
	Teams,	23
4. McDougall Match.....		264
5. Provincial Match.....	Individual Entries,	270
	Teams,	5
6. Affiliated Association Match.....	Payment, 255

10. Extra Series No. 2.....		301
11. Skirmishing Match—Teams.....		13
12. Small Bore Match.....		43

8. British Columbia was the only Province of the Dominion unrepresented at the Meeting of 1880.

The result of the competition in that Province for a place in the Wimbledon Team for 1881, has not been received in time for insertion in the Report.

9. The weather during the Meeting was variable, and not in favour of good shooting.

A detachment of 12 men, under an officer of "B" Battery, together with men of Local Corps of Militia, carried out the marking, which was successfully and satisfactorily performed.

10. The Meeting was unattended with accident.

C. STUART, LIEUT.-COLONEL,

Secretary.

OTTAWA, 1881.

Report of Lt.-Colonel Arthur T. H. Williams, M.P.

WIMBLEDON TEAM, 1880.

PORT HOPE, 20th September, 1880.

SIR,

The command of the Wimbledon Team of 1880 having been offered to me by the President, Lt.-Col. Gzowski, A.D.C., and the responsibility duly accepted, I have the honor to state, that in accordance with instructions, the members of the Team reported themselves to me at the Brigade Office, Quebec, on Friday a.m., the 18th of June, and subscribed to the regulations as approved of by the Dominion Rifle Association.

On the evening of Friday, His Excellency the Governor-General, honored the members of the Team by receiving them on the Citadel Terrace, and addressing words of encouragement to them.

Owing to the Steamship "Polynesian" having been delayed in the river, the Team did not embark until late in the afternoon of Saturday, the 19th, which delay had the effect of slightly increasing the expenditure at Quebec. The accommodation provided on the "Polynesian" was in every way satisfactory, as were also the attention and courtesy extended by Capt. Brown and the various officers of the ship.

We arrived at Liverpool on the morning of Wednesday, June 30th, and at once disembarked, and proceeded to the Hightown Hotel, near the Altcar Rifle Ranges, which were kindly placed at our disposal as had been customary on former visits.

At the request of Lt.-Col. Tinley, Commanding the 5th Lancashire Rifles, Capt. Montague Hope, the Adjutant, called upon me and most kindly offered to supply us with ammunition until permission could be obtained to enable me to purchase the same from the Military Stores at Chester.

The practice at Altcar was most promising. Wheeler Ogg, of the Wellington Field Battery, in the match for the Altcar Morning Challenge Cup on the 2nd July, won the prize with a score of 94 out of a possible 105. Private McIntyre tied for the second place with a score of 88. In the competitions in which the Team as a body took part, their shooting was remarkably satisfactory; they defeated twenty of the 15th Lancashire Rifle Volunteers by 25 points; the 1st Chester Volunteers by 18 points, and the Liverpool Rifle Brigade, which is considered the crack shooting corps of that part of England, by 76 points, our Team averaging nearly 80 points per man, while their opponents averaged over 75 a man.

On the afternoon of Friday, July 2nd, I proceeded to London to complete arrangements at Wimbledon, having first issued an order that the Team would pursue the usual course as to going into camp, but if any member of the Team felt that he would be "physically weakened" by camp-life, a personal application to remain out should be made to the officer commanding.

It has been claimed that the supposed exposure in camp had the effect of impairing the powers of marksmen, and, as the point had been agitated, I deemed it my duty in the interest of the Association to add to the comfort of the Team in every way, and was forced to an additional expenditure in flooring the tents, which certainly added greatly to the comfort of the occupants of the camp.

As the few who had permission to remain out of camp, although good marksmen, fell far behind what was expected of them in the matches, I infer that camp-life at Wimbledon has the reverse effect of what they anticipated, and I would suggest that for the future it should be an established rule of the Association that those who go to Wimbledon as marksmen and representatives of the Active Militia of Canada, should reside in camp. The Canadian Camp has always been a centre of attraction to visitors, and the personal representation of the Canadian Militia upon Wimbledon Common is most important from a public or national point of view: if the Team as a body were allowed to remain out of camp, under the plea of physical weakness, it would reflect seriously upon the physique of Canadians generally, as well as on that of the Defensive Force of the country.

General Sir Garnet W. Lseley, Quarter-Master General, upon application kindly placed at our disposal the ranges at Wormwood Scrubs on Friday and Saturday, the 9th and 10th of July. I thought it most desirable to give the Team the opportunity of practicing on a range and in an atmosphere similar to that at Wimbledon, and accordingly gave directions for the Team to proceed to Putney, on Thursday, by the Midland Railway, and, on arrival, quartered them at the Oxford House Hotel until Saturday afternoon.

On Saturday, the 10th of July, at 6.30 p. m., everything being in readiness, the Team went into camp at Wimbledon.

The success of the Team as prize-winners, although not up to their expectations, was not so very far behind that of previous years. In the "Queen's," at the two first ranges, Private S. Graham, of the 25th Battalion, succeeded in scoring 66, and placing himself thirteenth in the list, the highest score being 68. Quarter Master Sergeant Stenhouse, of the P. W. R., scoring 64; but when the hour for the Team to fire at the 600 yards range came, the weather was most unfavorable and quite destroyed their prospects. I would suggest for the future that in the "Queen's," and in some of the other matches, the Executive Committee of the National Rifle Association be asked that the Canadians be not all squadded to shoot at the same hour, but that they may be so distributed

to fire during the day, that the varying changes of the weather at any particular moment might not injuriously affect the whole Team.

In the match for the Kolapore Cup, the Canadian eight did remarkably well at 200 yards and at 600 yards, the Home Team beating them only by four points at the former range, and by one point at the latter; but at 500 yards I regret to have to say our men failed most seriously, and I am compelled to record the want of success on the part of the Canadians.

The Canadian Camp was honored by the presence of many distinguished persons, including H. S. H. the Duke of Teck, General Sir Garnet Wolseley, who addressed the Team in terms of congratulation; Lord Kimberley, Secretary of State for the Colonies, and Lieut-General Sir Selby Smythe, lately commanding the Canadian Militia, who also addressed the Team. The Rt. Sir John A. Macdonald, Prime Minister; Sir Charles Tupper, of Railways; Sir Alexander Galt; and other prominent Canadians also visited the Camp, and met the Secretary for the Colonies and other distinguished noblemen and gentlemen at luncheon in the Camp on Thursday the 22nd. Sir John Rose, Bart., who so generously presented a prize for competition, to the Dominion Rifle Association, was thanked on behalf of the Association, by myself, as the officer commanding, in the presence of the Team.

His Royal Highness the Duke of Cambridge inspected the Team on Saturday the 24th, and addressed them in complimentary and encouraging terms.

The prizes were distributed on Saturday afternoon by Her Royal Highness the Princess of Wales in the presence of a large number of spectators, and on Monday at 9 a.m. the Canadian Camp broke up.

The Team were well and correctly dressed and presented on parade a regular and soldierlike appearance. As regards the conduct and demeanour of the members of the Team, I issued on the 24th an order of which the following is an extract:

"The Lt.-Col. Commanding cannot allow the Team to separate without thanking each member individually on behalf of the Dominion Rifle Association, for the exemplary behaviour which has marked the conduct of the Team, both individually and collectively from the day the Team first assembled at Quebec—as an Officer of the Active Militia of Canada, he desires to express the great satisfaction and pride he has experienced when commanding them on parade; their soldierlike appearance and steadiness have been such as to reflect credit upon the Force which they represent."

I might add that the Team distributed hundreds of the pamphlets issued by the Dominion and Ontario Governments on the desirability of Canada as a field for immigration; such information being circulated among so intelligent a body of men as the marksmen at Wimbledon, who came from all parts of the United Kingdom, must be followed by good results.

I enquired for the articles belonging to the Dominion Rifle Association, as per list on page 41^c. of last year's report, and could not find them (see replies) except a few worn out flags which were in possession of Messrs. Atkinson & Co. I was compelled to purchase a new flag lettered "Canada," and two small flags for the team marquee. I would suggest that certain articles such as are hired annually, should be purchased by the Association, and that permission be obtained from the National Rifle Association to have them, with the flags and other property of the Dominion Rifle Association deposited in their stores at Wimbledon.

I would also suggest that for the future neither of the officers in command of the Team should be allowed to shoot in any of the matches at Wimbledon.

I enclose herewith the various statements of receipts and expenditure connected with the duties entrusted to me, and which I trust will be found satisfactory; the additional expenditure referred to, for tent floors, flags, &c., as well as for the entrance fees for the 2nd officer, have swelled the amount above what I would have wished, but these in a measure were beyond my control.

I have to express our thanks to Earl Stanhope, Chairman, Capt. Mildmay, Secretary, and to all the other officers of the National Rifle Association, as well as to Colonel Phillips and the Camp Officers, for the great courtesy and consideration shown to the Canadians.

In conclusion I would desire to express my regret at having been deprived of the President's presence in Camp, and of his valuable aid and experience in the various Camp details, as well as in the more pleasing duties of hospitality. I am satisfied that the annual representation of the active Militia of Canada on Wimbledon Common, is of more importance to Canada than is generally supposed. The object to be gained is not alone the winning of a few prizes; but a fair assertion annually made there of Canada's position in the British Empire among such an influential and representative body of Englishmen, must attract to Canada an attention which could not otherwise be drawn to it; and I am sure all Canadians who have visited Wimbledon must feel deeply grateful to our President, Lieut. Col. Gzowski, for the efforts he has continually made in securing this representation, and for the prominence he has given to Canada's position there.

I have the honor to be,

Sir,

Your obedient servant,

ARTHUR T. H. WILLIAMS, Lt.-Col.,

Commanding Wimbledon Team of 1880.

LT.-COLONEL STUART,

Secretary,

Dominion of Canada Rifle Association,
