The copy filmed here has been reproduced thanks to the generosity of:

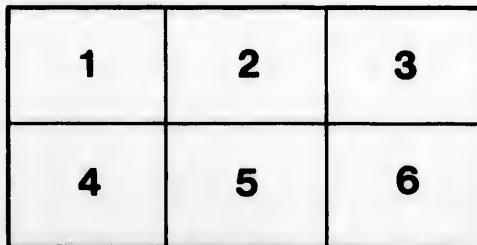

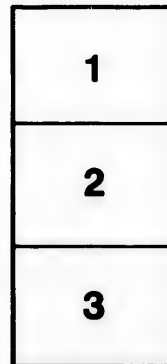

Library of the Public  
Archives of Canada

The images appearing here are the best quality possible considering the condition and legibility of the original copy and in keeping with the filming contract specifications.

Original copies in printed paper covers are filmed beginning with the front cover and ending on the last page with a printed or illustrated impression, or the back cover when appropriate. All other original copies are filmed beginning on the first page with a printed or illustrated impression, and ending on the last page with a printed or illustrated impression.

The last recorded frame on each microfiche shall contain the symbol → (meaning "CONTINUED"), or the symbol ▼ (meaning "END"), whichever applies.

Maps, plates, charts, etc., may be filmed at different reduction ratios. Those too large to be entirely included in one exposure are filmed beginning in the upper left hand corner, left to right and top to bottom, as many frames as required. The following diagrams illustrate the method:

L'exemplaire filmé fut reproduit grâce à la générosité de:

La bibliothèque des Archives  
publiques du Canada

Les images suivantes ont été reproduites avec le plus grand soin, compte tenu de la condition et de la netteté de l'exemplaire filmé, et en conformité avec les conditions du contrat de filmage.

Les exemplaires originaux dont la couverture en papier est imprimée sont filmés en commençant par le premier plat et en terminant soit par la dernière page qui comporte une empreinte d'impression ou d'illustration, soit par le second plat, selon le cas. Tous les autres exemplaires originaux sont filmés en commençant par la première page qui comporte une empreinte d'impression ou d'illustration et en terminant par la dernière page qui comporte une telle empreinte.

Un des symboles suivants apparaîtra sur la dernière image de chaque microfiche, selon le cas: le symbole → signifie "A SUIVRE", le symbole ▼ signifie "FIN".

Les cartes, planches, tableaux, etc., peuvent être filmés à des taux de réduction différents. Lorsque le document est trop grand pour être reproduit en un seul cliché, il est filmé à partir de l'angle supérieur gauche, de gauche à droite, et de haut en bas, en prenant le nombre d'images nécessaire. Les diagrammes suivants illustrent la méthode.

# SURETYSHIP!

## PRIVATE SURETYSHIP

Is a most dangerous, onerous and delicate relationship, and one which there is now no need to be asked for on the one hand, or granted on the other. It is, therefore, surprising that so many persons who, probably, have their families to provide for, still consent to be responsible for **BANK, GOVERNMENT OFFICERS**, and others, thereby rendering the provision which should be for their families, liable to be swept away by another man's defaults.

## THE CANADA GUARANTEE COMPANY

makes the granting of Suretyship its special business, and its Bonds are readily accepted by the Dominion and Local Governments, and the Banks, Railways, Boards of Trade, and Commercial Institutions generally throughout the Dominion, in place of private Bonds.

There is now **NO EXCUSE** for any Employee to hold his friends under such serious liabilities, as, if he be a reputable person, he can at once relieve them, and be **SURETY FOR HIMSELF**, by the payment of a trifling annual sum to this Company.

This Company is not mixed up with any other business.

The Capital and Funds are solely for the security of those who hold its Bonds.

This Company has made the **FULL DEPOSIT** required by Government of **\$50,000**, for the special protection of its Bond-holders, and is the **ONLY** Guarantee Company that has made any Government Deposit.

This Company has now adopted a system of **BONUS TO THE INSURED**, full particulars of which may be ascertained at the Head Office, or any of the Agencies.

*Card.*—The publishers of Starke's Almanac having for a series of years issued an edition of 10,000 copies wholly for gratuitous circulation, and relied for a return solely on its advantages as an advertising medium, find this source of remuneration inadequate to the expenses of the work, and, in now recurring to their former usage of offering it for sale, they trust the small charge affixed to it will not be a means of preventing it from reaching all those who have been accustomed to value its usefulness.

HERSCHELL'S WEATHER TABLE.

The following table, constructed upon philosophical considerations on the attraction of the sun and moon in their several positions respecting the earth, and confirmed by experience of many years actual observation, furnishes the observer, without further trouble, with the knowledge of what kind of weather there is the greatest possibility of succeeding, and that so near the truth, that in very few instances will it be found to fail:—

## SPECIAL MEDICINAL PREPARATIONS, &c.

**PANCREATIC EMULSION.—MEDICINAL FOOD for CONSUMPTIVES.**—For persons suffering from *Consumption* and *wasting diseases*, it takes precedence of Cod Liver Oil, and Oily Emulsions. It is not only the necessary food for the Consumptive, but also the most reliable form of nutriment for counteracting the tendency to Phthisis, and other wasting diseases. It is agreeable to the taste, improves the appetite, and increases strength and weight.

PANCREATINE contributes essentially to the digestion and assimilation of food, while its peculiar agency in the digestion of fats and oils renders it specially valuable as an adjunct to Cod Liver Oil in preventing nausea, &c. **PANCREATINE WINE.**—An excellent vehicle for taking Cod Liver Oil and promoting its digestion.

**PEPTODYN—FOR INDIGESTION**—A combination of the whole of the digestive secretions—*Pepsine, Pancreatine, Diastase, &c.*, and is an invaluable remedy in all forms of dyspepsia, and all diseases arising from imperfect nutrition. Taken after eating it prevents the discomfort which often follows the partaking of a full meal, even in persons in good health.

**THE BEST FOOD FOR INFANTS.**—The ROYAL NURSERIES of England and Russia are supplied with this Food, which has received the approval of the Medical Profession in all parts of the world, who recommend it for its highly nutritive and digestive qualities.

**DATURA TATULA.**—In *Asthma, Chronic Bronchitis*, and other diseases of the respiratory organs, the use of "Datura Tatula" gives instant relief. "The smoke causes no nausea. I have never known an instance in which relief was not obtained." General Alexander.—*India.* Prepared as Cigars, Cigarettes, Pastilles for inhalation, and in tins for use by means of a pipe.

**JEREMIE'S SEDATIVE AND ANTI-SPASMODIC.**—This celebrated preparation has been for many years largely employed in India as a remedy for Cholera, Diarrhoea, Dysentery, &c., &c. Originated by Captain Jeremie, Opium Department, India, &c. Sold in bottles.

**MEDICINE CHESTS.**—Prize Medal 1862, and Silver Medal, Paris, 1867, "For Excellence of Manufacture of Medicine Chests, and for an ingenious method of fitting Panniers for Military Service.

**143 NEW BOND STREET, LONDON.**

The above Preparations are Sold by all Chemists, Druggists and Storekeepers throughout the World.

**P. O. INSPECTOR'S OFFICE. Montreal Division.**—E. F. King, inspector; David Nelligan, assistant inspector; F. J. Logie, J. P. Chillas, U. Beauregard, J. Tucker, clerks; F. Nelligan, messenger.

The Railway Mail Clerks, thirty in number, serving on the following sections of Railway:—Grand Trunk Railway, Montreal and Kingston, Montreal and Island Pond, Vermont Junction Railway, Sheford Railway, the South Eastern Railway, the Massawippi Railway, and the English Mail Train Service between Montreal, Rimouski and Portland, are attached to the office of the Post Office Inspector, Montreal.

**CITY POSTAL DELIVERY.**

The following are the arrangements in connection with Free Postal Delivery in the City of Montreal:—

1. There are no fees chargeable on the delivery of Letters or Papers.
2. There are six deliveries daily, Sundays excepted, in the central portions of the city, commencing respectively at 8.30 a.m., 11.00 a.m., 12.00 noon, 1.00 p.m., 2.00 p.m. and 3.30 p.m., and four deliveries in the other portions of the city, commencing at 8.30 a.m., 11.00 a.m., 1.30 p.m., and 3.30 p.m., excepting, however, in the more distant divisions in the northern and eastern portions of the city, in which there are only two deliveries, commencing at 8.30 a.m., and 1.30 p.m.
3. Letters and papers addressed to particular streets and numbers are delivered without delay by letter carrier.
4. Letters and papers addressed to box and drawer holders are, until otherwise ordered, delivered through the boxes and drawers as usual. Should, however, such letters and papers be addressed to streets and numbers, they will be delivered by letter carrier, unless the sorting clerk should distinctly and promptly remember that the parties for whom intended are box and drawer holders. No letters or papers are placed in the boxes or drawers unless addressed either to the number of the box or drawer, or to the holder, or to the care of the holder thereof.
5. Letters and papers addressed simply "Montreal," to parties who have neither boxes nor drawers, are delivered as expeditiously as circumstances will permit, either through the general delivery or by letter carrier. If papers and periodicals published in the city are addressed to box or drawer holders in the Montreal Post Office, they will be delivered if pre-paid by postage stamp, 1 ct. each package of 4 oz. Papers or periodicals published in the city are not delivered by letter carriers.
6. Persons desirous of receiving their letters and papers promptly by letter carrier, should request their correspondents to place on the addresses the street and number at which they are to be delivered, as otherwise they will be subject to delays, which it is impossible to avoid.
7. They should also provide themselves with small change for the payment of unpaid postage, as the carriers (who are not

allowed to give credit) cannot be detained for its collection. In the event of an unpaid letter or paper not being delivered in consequence of the party to whom addressed having no change, it will be taken back to the office and sent out again for delivery as soon thereafter as practicable. If, on its being tendered a second time, the party to whom addressed is not provided with the postage, it will be sent to the general delivery at the head office, where application for it will have to be made.

8. Persons having offices at which they desire their letters and papers to be delivered by letter carrier, should affix a letter box to the door, with an opening from the outside, as otherwise, in case the office is closed, the letters and papers will be delayed until the next delivery. It would also be very desirable that, where convenient, letter boxes should be affixed to the doors of private residences.

9. Persons receiving their letters by letter carrier should, in the event of their removal, advise their correspondents, and at once send their new address, in writing, to the Postmaster.

10. Three postal receiving offices are established:— One in the East, at No. 588 St. Catharine Street; one in the North, at No. 311½ St. Lawrence Street; and one in the West, at 466 St. Joseph Street; to which the letters and papers will be conveyed by vehicle from the head office four times daily, viz.: at 8 a.m., 11 a.m., 1 p.m. and 3 p.m., and distributed from thence by letter carrier at the hours already mentioned.

11. These receiving houses are also open for the sale of postage stamps, and the reception of registered and other mailable matter, from 8 a.m. to 6 p.m.

12. Collections are made from the receiving houses at 8 and 11 a.m., and 1 and 3 p.m., and from both the receiving houses and the street letter boxes at 10 a.m., 12.15 p.m., 5.30 p.m., and 7.45 p.m. On Sundays at 7.45 p.m.

13. Every effort is used to secure the satisfactory working of these arrangements. If, however, irregularities occur, they should be at once reported to the Postmaster.

**DISPOSAL OF UNPAID OR INSUFFICIENTLY PAID LETTERS  
MAILED IN CANADA.**

*If for places within the Dominion.*—A letter wholly unpaid is not forwarded, but is sent to the dead letter office, Ottawa. If pre-paid, at least one rate, that is 3 cents, the letter is forwarded to destination, but is rated with double the deficient postage. This rule applies also to city or "drop" letters, the postage on which is 1 cent per  $\frac{1}{2}$  ounce.

*If for the United States.*—A letter, whether wholly unpaid, or insufficiently paid, is not forwarded from Canada, but is sent to the dead letter office, Ottawa, in order to be there opened and returned to its writer.

*If for the United Kingdom or for any country in the General Postal Union.*—A letter wholly unpaid is forwarded, but is rated with double postage, that is 5d. sterling per  $\frac{1}{2}$  oz. If it is insufficiently paid it is charged at the same rate, deducting what may have been pre-paid.

*If for British Colonies or foreign countries not in the General Postal Union.*—A letter, whether wholly unpaid, or only insufficiently paid, is sent to the dead letter office, Ottawa.

**LOCAL OR "DBOP" LETTERS.**

One cent per  $\frac{1}{2}$  oz., to be pre-paid by postage stamp.

**POSTAL CARDS.**

Canadian postal cards of 1 cent each circulate within the Dominion, and are transmissible, without further charge, to the United States and Newfoundland.

Special post cards, at 2 cents each, are issued for transmission to the United Kingdom, and other countries in the General Postal Union.

*Newspapers.*—Between places in the Dominion, to the United States, to Newfoundland, publishers pre-pay their edition in bulk, at the rate of 1 cent for each pound weight; no further charge on delivery. Transient newspapers within the Dominion, to the United States and Newfoundland, 1 cent per 4 oz., to be pre-paid by stamp. Transient papers for the United Kingdom 2 cents per 4 oz.—each paper being liable to a separate rate of postage.

*Periodicals.*—Published in Canada not less frequently than once a month, sent from office of publication, or from news agencies, for places in the Dominion, to the United States or to Newfoundland, the postage rate is the same as for newspapers, i. e., 1 cent per lb., when paid by the bulk weight. Transient periodicals 1 cent per 4 oz. Newspapers and periodicals for the Dominion, the United States and Newfoundland, weighing less than 1 oz. each, may be posted singly; if pre-paid by stamp,  $\frac{1}{2}$  cent each.

*Periodicals and Books for United Kingdom, by Canadian Line, are subject to the British Book Post Rate, viz.:—2 cents*

per 2 oz., or fraction thereof, whether by Canadian Line or via New York; the limit of weight for a single packet is 2 lbs. 3 oz.

*Periodicals and Books for France.*—The rate is the same as to the United Kingdom. Newspapers to France and samples are sent at the above "French Book Post" rates.

A "book packet" may contain any number of separate books, publications, works of literature and art, maps or prints, photographs, daguerreotypes, when not in glass or in frames containing glass; any quantity of paper, vellum, or parchment (to the exclusion of letters), and the books, maps, papers, &c., may be either written, printed or plain, or any mixtures of the three, and may be either British, Colonial or Foreign. Book packages must be open at both ends or both sides.

*Patterns.*—Rates between Canada and United Kingdom and foreign countries generally, same as for Book Post.

Patterns or samples must be *bona fide trade patterns or samples of merchandise for sale*, and must not be of any intrinsic value; and this rule excludes all articles of a saleable nature, and whatever may have a value of its own, apart from its mere use as a pattern; nor must the quantity of any material or article sent as a pattern or sample be so great that it could have on this ground an intrinsic value.

Patterns, &c., must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and such like, which cannot be sent in open covers, may be enclosed in bags of linen or other material, simply tied at the neck, or, provided that bags be transparent, they may be entirely closed, if they are for delivery within the United Kingdom. Bags, however, entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign parts. Patterns and samples of merchandise, not exceeding the weight of 8 oz., addressed to the United States, may be sent at the rate of 10 cents for each package.

A packet of patterns or samples sent to the United Kingdom or any foreign country must not exceed 24 inches in length and 12 inches in width or depth. The limit of weight is 8½ oz. in all cases.

*Parcel Post.*—The following rates are for the transmission of parcels in Canada:—

Not exceeding ¼ lb. ..	\$0.12½	Not exceeding 3 lbs...	\$0.75
" 1 lb. ..	0.25	" 3½ lbs...	0.87½

Registration fee, 5 cents. Parcels can only be sent by Post to places in Canada. Postages and registration fee must be prepaid. The limit of weight to parcels is 5 lbs.

There is no Parcel Post to any place beyond the limits of the Dominion of Canada. Parcels to Manitoba and British Columbia must not exceed 2 lbs. 3 oz. in weight.

# DESPATI'S Wonderful Bitters

FOR

**All Diseases of the Lungs  
and Stomach.**

I, the undersigned, certify that I have been for several years suffering from dyspepsia. My digestion was very difficult, and I was continually indisposed. Last spring I was attending to my business with much difficulty on account of my sufferings. Having read in the papers the advertisement of Despati's Bitters, I resolved to try them, and after having taken seven bottles, I am perfectly well, my digestion quite regular, and I do not suffer.

I cannot do otherwise than recommend the use of Despati's Bitters to all persons suffering from Dyspepsia.

F. X. MONTMARQUET,

Baker.

Montreal, 15th July, 1878.

SIR,

I cannot recommend with too much praise your Bitters, which are truly extraordinary. All persons suffering from Dyspepsia will find in Despati's Bitters a quick and infallible remedy. With me it has produced a greater effect than any other I had tried till then. It is with the greatest assurance of its efficacy and of its excellence, that I recommend it to all persons suffering from general debility. I am happy, Sir, to be in a position to give the present certificate.

J. T. DORAIS, St. Urbain Street.

**TRANSMISSION OF PATTERNS AND SAMPLES WITHIN THE  
PROVINCE OF CANADA.**

Patterns or samples of merchandise or of goods for sale, not exceeding 24 oz. in weight, may be posted in Canada, to be forwarded to any place within the Dominion, on pre-payment by postage stamp of a rate of 1 cent per 4 oz., under the following regulations:—

I.—Patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen or other material, fastened in such a manner that they may be readily opened, or in bags entirely closed, provided that they be transparent, so that the officers of the Post Office may be able to satisfy themselves as to the nature of the contents.

II.—The packet may bear on the *outside* the address of the sender in addition to the address of the person for whom it may be intended, also a trade mark and numbers, and the price of the articles enclosed; *inside* there must be no enclosure but the samples or patterns themselves; the particulars, however, of the trade marks, numbers and price, may be marked on the articles themselves instead of on the outside of the packet, at the option of the sender.

III.—Any sample or pattern packet containing a letter, or otherwise violating the conditions of the preceding rules, is to be rated and treated as a letter.

IV.—The rate of 1 cent per 4 oz. is to be pre-paid by postage stamp, and if such rate be not fully pre-paid by the stamps affixed, the package is to be rated with the deficient postage, and a fine of 5 cents in addition.

V.—Packets of samples or patterns may be registered on pre-payment by postage stamp of a registration fee of 5 cents in addition to the postage rate, and provided such packets be duly handed into the Post Office for registration. A registration receipt or certificate should always be obtained for such packages when presented for registration.

VI.—No packet of sample of patterns must exceed 24 oz in weight; any packet exceeding that weight is to be sent to the Postmaster-General. Goods sent for sale or in execution of an order, however small the quantity may be, or any articles sent by one private individual to another, which are not actually patterns or samples, are not admissible.

*Penal Clause.*—The Act contains the following penal clause: To enclose a letter or letters, or any writing intended to serve the purpose of a letter, in a parcel posted for the Parcel Post, or to enclose a letter, or any writing, or make any written marks to serve the purpose of a letter, or to enclose any other thing in a newspaper, posted to pass as a newspaper, at the rate of postage applicable to newspapers, (except in the case of accounts and receipts of newspaper publishers, which are permitted to pass folded within the newspapers sent by them to their subscribers), is an offence punishable by a penalty of not less than 10 and not exceeding 40 dollars.

No letter, or other communication intended to serve the purpose of a letter, must be sent or enclosed in any article of miscellaneous mail matter; and all transmissions authorised by this regulation must be put up in covers opened at the ends or sides, or in such manner as to admit of inspection to ensure compliance with this condition. If enclosed in sealed envelopes, notched at the ends or sides, or with the corners cut off, letter rate of postage will be charged.

Miscellaneous mail matter as above specified, when addressed to the United States or to Newfoundland, may be forwarded, when pre-paid, the 1 cent per 4 oz. rate, as if addressed to a place in Canada, with the exception of packets of samples and patterns of merchandise addressed to the United States, on which the special rate of ten cents must be pre-paid.

The Money Order Post Offices in the Dominion are furnished with lists of all the Money Order Offices in Canada, the United Kingdom, Nova Scotia, New Brunswick, Prince Edward Island, Manitoba, British Columbia, and Newfoundland; and the Postmasters are instructed to afford every information in their power, in respect of the places upon which they draw, together with any other information relating to the issues as the intending remitters may desire.

**POST OFFICE SAVINGS BANK.**

1. The Post Office Savings Bank commenced operations in Ontario and Quebec, on the 1st April, 1863.

2. The direct security of the Dominion is given by the Statute for all deposits made.

3. At each Savings Bank Post Office the Savings Bank regulations may be read by the public, giving full information with respect to the mode of depositing and withdrawing money, and these regulations are printed upon the cover of the Pass Book supplied to each depositor.

4. Any person may have a deposit account, and deposits are received daily during the ordinary hours of Post Office business, of any number of dollars, from \$1 up to \$300—the total amount which can be received from a depositor in any one year, except in cases to be specially authorised by the Postmaster-General.

5. The Postmasters of the Savings Bank Offices will act as agents for the receipt of the money deposited for transmission to the Postmaster-General, and for the payment by the Postmaster-General of money withdrawn by depositors.

In addition, a direct receipt for each amount paid in is sent to the depositor from the Postmaster-General, and the Postmaster-General will issue a cheque payable at any Post Office Savings Bank desired, for any sum withdrawn.

7. Every depositor's account is thus kept with the Postmaster-General, and a depositor may pay into his or her account with the Post Office Savings Bank, at any of the Savings Bank Post Offices, which at the time may best suit his convenience, and exercise the same choice in drawing out money, subject only to the obligation of producing the Pass Book, in proof of identity, whenever paying in or drawing out deposits.

8. Interest at the rate of 4 per cent. per annum is allowed on deposits.

9. Postmasters are forbidden by law to disclose the name of any depositor, or the amount of any sum deposited or withdrawn.

10. No charge will be made to depositors on paying in, or drawing out money, nor for postage or communications with the Postmaster-General in relation thereto.

11. The Postmaster-General will always be ready to receive and attend to all applications, complaints, or other communications addressed to him by depositors or others, relative to Post Office Savings Bank matters.

TESTIMONIALS.

THOMAS H. MCLEAN, Esq., Montreal.

*Dear Sir,*—From a careful study of the valuable drugs which enter into the composition of your Egyptian Bitters, I can safely recommend it to my customers and the public generally, as a most excellent tonic. From the sample before me, it appears to be skilfully prepared, and the distinctive taste of its ingredients is so well masked that the tonic is decidedly pleasant to take.

Your obedient servant,

HENRY R. GRAY,  
Chemist and Druggist.

## TESTIMONIALS.—*Continued.*

THOMAS MCLEAN, ESQ.

*Sir*,—I have pleasure in certifying that my wife, who occasionally suffers from prostration and general debility, has, at my recommendation, tried the effect of the EGYPTIAN BITTERS. Although she has used it as yet only to a very limited extent, the beneficial results have been very marked; and I feel confident that by persevering in the use of the Bitters, she will ultimately be restored to full health and vigor.

Yours very truly,

CHARLES ROBB, C.E.

Montreal, 1st May, 1878.

MR. THOMAS H. MCLEAN.

*Sir*,—I have much pleasure in testifying to the value of your EGYPTIAN BITTERS, the Nervo-Stomachic Tonic. I consider, from having personally used it, that it is all you claim for it—and have not the least doubt whatever that when it is thoroughly placed before the public, it will command very extensive sales. I can therefore conscientiously recommend the EGYPTIAN BITTERS to my customers, and to the public generally.

Yours truly,

FISH AND GAME LAWS  
OF THE  
DOMINION OF CANADA.

PROVINCE OF ONTARIO.

The following is the new Game Act in the Province of Ontario, giving the season when game may be killed:—

Deer, moose, elk, reindeer, or cariboo, from the 15th day of September, to the 15th day of December, inclusive.

Wild turkeys, grouse, pheasants or partridges, and prairie fowl, between the 1st day of October and the 1st day of February.

Quail, between the 1st day of October and the 1st day of January.

Woodcock, between the 1st day of August and the 1st day of January.

Snipe, between the 15th day of August and the 1st of May.

Mallard, grey duck, black duck, wood or summer duck, and all kinds of teal, between the 1st day of September and the 1st day of January.

Other ducks, wild swans, and geese, between the 1st day of September and the 1st day of May.

Hares or rabbits, between the 1st day of September and the 1st day of March.

No person shall have in his possession any of the above animals or birds, or any portion of them, during the close seasons. They may be exposed for sale, nevertheless, for one month, and no longer, after such periods, or had in possession at any time for family use; but in all cases the proof of the time of killing or taking shall be upon the party so in possession.

None of the animals or birds above mentioned shall at any time be taken by means of traps, snares, gins, baited lines, or other similar contrivances. Any person may destroy any such traps, snares, &c., which he may discover, without incurring any liability for so doing.

No one shall take, destroy or have in possession the eggs of any of the birds mentioned, at any time. No batteries, sunken punts, or night lights allowed in the killing of swans, geese or ducks. No ducks to be killed from dark until daylight.

Beaver, muskrat, mink, sable, martin, raccoon, otter and fisher may be hunted and killed only between the 1st November and the 1st May.

The fine for killing deer, &c., out of season, shall be not less than ten dollars, nor more than fifty dollars, for each animal.

For having in possession the birds or eggs of any of the birds protected, at any time, not less than five dollars, nor more than twenty-five dollars, for each bird or egg.

For killing any of the fur-bearing animals out of the season, not less than five dollars, nor more than twenty-five dollars, and

a similar fine for any other breach of the Act. In all cases the whole of the fine to be paid to the prosecutor, unless the convicting justice has reason to believe that the prosecution is in collusion with and for purpose of benefiting the accused.

### PROVINCE OF QUEBEC.

No elk, moose, cariboo, deer, or their fawn, or hare, shall be hunted, taken or killed between the 1st day of February and the 1st day of September in any year.

No grouse, ptarmigan, partridge, woodcock or snipe shall be shot at, hunted, taken or killed between the first day of March and the first day of September in any year.

No person shall fire at, hunt, take, kill or destroy any wild swan, wild goose, or any kind of wild duck, sea duck, widggon or teal, between the first day of May and the first day of September, in any year, in that part of the province west of the city of Three Rivers, nor between the fifteenth day of the month of May and the first day of the month of September in any year, to the east of that town.

Nevertheless in that part of the province to the east of the place known as the "Brandy Pots," in the river St. Lawrence, the inhabitants may, between the fifteenth day of the month of May and the first day of September in each year, hunt, take or kill for food only, any of the animals mentioned in this section.

No woodcock, snipe, wild swan, wild goose, or wild duck of any kind, or sea duck or teal shall at any time be shot at, hunted, taken or killed between one hour after sunset and one hour before sunrise.

No animal or bird, named in the foregoing sections, except hares, shall be taken or killed at any time by means of any rope, snare, spring, cage, net or trap of any kind.

No engine shall be at any time, for such purpose, placed, constructed, erected or set, either wholly or in part; and any person finding any engine so placed, constructed, erected or set, may take possession of or destroy the same.

No person shall at any time, disturb, injure, gather or take the eggs of any species of wild fowl; and all vessels or boats employed in disturbing, gathering or taking the eggs of any species of wild fowl, may, as well as the eggs, be confiscated and sold.

No wild cat, marten or pekan shall be hunted, trapped or killed, between the fifteenth day of April and the first day of November, and no mink between the fifteenth day of April and the fifteenth day of October, in each year.

No person shall hunt, trap or kill:—

Any otter between the first of May and the first of October, in each year.

Any beaver between the thirtieth of April and the first of September in each year.

Any muskrat between the first of June in each year and the first of April following, for the districts of Quebec, Saguenay,

COLMAN'S BEST MUSTARDS ARE PACKED ONLY IN SQUARE TINS

Chicoutimi, Montmagny, Kamouraska, Rimouski and Gaspé, and between the first of May of each year and the first of April following for the remainder of the province.

No person shall at any time use or employ strychnine or other deleterious poison, either mineral or vegetable, nor any spring gun, to hunt, take, kill or destroy and animal whatever.

Every game-keeper appointed by the commissioner of crown lands shall forthwith seize all animals or birds mentioned in the preceding sections, or any portion of such animals or birds, found by him in the possession or custody of any person during any forbidden period, and which appear to him to have been taken or killed during such period, or by any of the illegal means set forth in sections 5 and 9 of this act, and he shall bring them before any justice of the peace, who shall declare them confiscated either in whole or in part.

All animals or birds, or portions of animals or birds so confiscated shall belong to the game-keeper.

No person shall have in his possession, custody or care, any animal or bird already mentioned, or any part of such animal or bird, with the exception of the skin, during the period in which by the act the killing thereof is prohibited, or which appears to have been taken or killed by any of the means forbidden by this act; but every such animal or bird, or any portion or portions thereof, may be bought or sold (when lawfully taken), during fourteen days, to be computed from the expirations of the various periods respectively fixed by this act for the killing thereof.

Every such game-keeper may cause to be opened, or may himself open, in case of refusal, any bag, parcel, chest, box, trunk or other receptacle, in which he has reason to believe that game killed or taken during the close season, or peltries out of season, are hidden.

Every offence against any of the provisions of this act shall be punishable by a fine not exceeding fifty dollars, and recoverable summarily on information or on summons only issued by a justice of the peace.

Such justice of the peace, on the proof which shall be thereof made, may impose the penalty, with costs, and such penalty shall belong to the informer.

In default of immediate payment, the offender shall be imprisoned in the common gaol of the district within the limits of which the offence was committed, for any period of time not exceeding three months.

Every magistrate shall have power to convict on view.

Suits brought in virtue of this act need not be begun by deposition or information on oath of the plaintiff or complainant, provided always that the purport of the complaint or demand is sufficiently set forth in the writ or in a declaration annexed thereto.

The evidence of the complainant alone, or of any one witness, shall be sufficient to support a conviction.

No proceeding under this act shall be quashed, annulled or

set aside by *certiorari*; but an appeal may be brought before the circuit court of the district in which the offence took place, in the same manner as appeals under the municipal code.

No prosecution shall be brought after twelve calendar months from the day of the committing of the offence.

The commissioner of crown lands, may appoint officers to superintend the execution of this act, and of any other act which may be hereafter passed respecting game in this province.

The commissioner of crown lands or any person by him thereunto empowered, may grant written permissions to all persons desirous *bona fide* of procuring birds, eggs or fur-bearing animals, for scientific purposes, during the close season; and the person who shall have obtained such permission shall not be liable to any penalty imposed by this act, provided that he produce, within two months next after the period in which he shall have hunted under such permission, a statement under oath specifying the kind and quantity of game or fur-bearing animals taken by him for such scientific objects.

NEW BRUNSWICK.

Till 1878 there was virtually no protection for game in New Brunswick; but a Club was recently organized in St. John, N. B. consisting of some of the most influential citizens, and having for its object the protection of "certain birds and animals." Through the efforts of this club, the president of which is the well known Sheriff Harding, a Game Law was enacted by the New Brunswick Legislature, on 18th April, 1878, and Dr. James I. Fellows appointed chief game commissioner. As Dr. Fellows is himself an enthusiastic sportsman, there is little doubt but much good will result from his appointment, and the wilds of New Brunswick, which were rapidly becoming depleted of game, will again become as famous for sport as they have been in the past.
