REPORT OF THE COUNCIL
OF THE
ONTARIO RIFLE ASSOCIATION

FOR YEAR ENDING 31st DEC., 1887.

It affords the Council pleasure to present their nineteenth annual report to the members of the Ontario Rifle Association, and to be enabled to state that another successful year has been placed upon its records.

The Annual Prize Meeting was held on the Association Ranges, Garrison Common, Toronto, on Monday, August 22nd, and the three following days. The weather was fair and the attendance much better than last year, there being an increase of about forty entries. The Prize List was increased by an addition of about \$200. Pools were introduced in the Frodsham (extra series) matches both for Snider and Martini rifles. The cost of ammunition was included in entry tickets in all Snider competitions. Ammunition was served out by register keepers, a plan which worked well. Three additional targets were added, making the total number of targets available (23) twenty-three. Blackboards were used by the register keepers so that competitors could see at a glance exactly how scores were progressing. The meeting proved one of the most successful ever held in the Province as far as management and working details are concerned.

In the number of Affiliated Associations an increase of seven is shown, while the increase in membership is as large as 54, making a total of 244 as against 190 for last year.

The Treasurer's statement of receipts and disbursements, duly audited, is submitted herewith.

The expenses of the Prize Meeting were somewhat larger than last year on account of the greater number of competitors, which made

more targets necessary, and slightly extended the time required to fire the several matches.

At Dominion Rifle Association matches, held at Ottawa in September, our Provincial Team of 8 made splendid shooting, taking first place in "London Merchants' Cup Match," and carrying off the cup and a money prize of \$100. This, your Council is of opinion, was due to the Special Committee appointed for the purpose of selecting the individual members of the team rather with a view to their general record than to any one high particular score.

Your Council regrets the retirement of Lt.-Col. J. M. Gibson, M.P.P., from the position of President at the last annual meeting. Lt.-Col. Gibson filled this office very successfully for three years, and during that time and for many years previous has taken an active interest and been a warm friend and worker in the Association. As a practical shot, a Prince of Wales prizeman, a member of the Wimbledon team upon three different occasions, and commandant once, he was eminently fitted for the position. Your Council trusts, however, that for many years yet to come the Association may still have the benefit of his experience and advice.

The friends of the Association have again been most generous and your Council has to acknowledge with thanks the following donations :

Aylmer, Brigade Major, and Lt.-Col. Jones, Dufferin Rifles, on the Executive Committee; Lt.-Col. Otter, Executive Officer; Lt.-Col. John Gray, Brigade Major, Statistical Officer; Lt.-Col. 1. All competitors will be subject to the Executive Committee, Officers, or Non-Commissioned Officers in charge of their respective ranges or squads, the Camp Police, and the General Regulations for the conduct of the Meeting.

2. Competitors must make themselves acquainted with the General Regulations of the Meeting, as also with the conditions attached to the prize or prizes for which they have entered, *as the plea of ignorance of such regulations and conditions will not be entertained.*

3. They must refer to the Notice Boards daily, and ascertain whether any orders have been issued which alter or affect the original details.

4. They must attend at the firing point punctually at the hour detailed on the Firing Detail Board, and deliver their tickets to the Register Keeper. Unless a competitor produces his firing ticket at the firing point he will not be allowed to fire. Should a competitor lose his firing ticket, omit to take it to the firing point, or fail to attend at the hour detailed, and so by *his own neglect* miss the opportunity given him of competing for the prize for which his ticket was issued, his claim on the Association in regard to such compensation will be cancelled.

5. The Matches will take place, if possible, at the time named. Any deviations from the rule will be posted on the Board at the Secretary's Hut. Temporary discontinuance on account of bad weather will be at the discretion of the Executive Committee.

6. The firing will begin daily at 9 a.m., and cease when the mid-day gun is fired. It will be resumed at 1 p.m. and cease at 6 p.m., except on the second day, when the firing will cease at 5 p.m., to enable members of the Association to attend the Annual General Meeting.

7. Two guns will be fired for the "Fire," one ten (10) minutes before the named hour, to warn competitors to move to the firing points ; the second being the signal that firing is to begin. Two guns also at the "Cease Fire," one ten (10) minutes before the hour named, after which no competitor will be allowed to begin his score ; the second as a signal that all the scores begun before the first gun are completed.

8. Competitors must submit their rifles and ammunition for inspection whenever required.

9. No hair triggers will be allowed.

10. Slings may be used as an assistance at all matches ; but in those restricted to the Militia the slings must be of regulation length and pattern, and attached to the rifles, as in Government arms.

11. No "sighting" or "fouling" shots will be allowed.

13. No two competitors shall shoot with the same rifle in the same match (except in the "Martini-Henry"); nor shall a competitor change his rifle during a match unless it becomes unserviceable through an accident, which must be verified by the Range Officer.

14. Every competitor must enter and shoot under his own name, and, unless otherwise satisfied, not oftener than once for any prize.

15. No member of a squad or firing party shall absent himself without leave during firing. Any competitor delaying the squad will be passed by.

16. No competitor using a breech-loader shall load until called to the front to shoot.

17. In all competitions, competitors will be formed up by files, and fire shot and shot *alternately*, but only one file at a time will be allowed within the firing ropes; and no person except the Register Keeper will be permitted to speak to a competitor after he has taken his place at the firing point, except in cases hereafter specified.

18. Where only one competitor is present, he must necessarily fire his shots consecutively and without undue delay.

19. A competitor may have any one present within the ropes to see that the scores recorded by the Register Keeper are in accordance with the signals from the butts.

20. In individual competitions, a competitor may use a binocular or telescope, *not mounted on any kind of stand*, provided his doing so is not allowed to delay the shooting.

21. In matches shot for by "representative" teams, all competitors will be permitted to have a "coach" or "spot," and to use binoculars or telescopes, providing that their doing so does not delay the firing.

22. The duly recognized Captain or Adjutant of a team, although not himself shooting, will be permitted to assist his team in like manner, and to appoint a "spotter" to assist him; but no person, with the above exceptions, will be permitted within the ropes, or allowed to offer advice or give instructions to competitors.

Any violation of this rule, or of any part of it, must be at once reported by the Register Keeper to the Officer in charge, who will caution the offender, and on a repetition of the offence shall report the same to the Executive Committee, who will deal with the case as laid down in the Regulations under the head of Penalties, and may remove any person advising or instructing a competitor from the ground.

23. Any competitor protesting against the ruling of the Officer of the Range, or feeling himself aggrieved in any way, must make a statement of his grievances in writing (upon forms to be had at the office), giving the names of two or more members of the squad who can bear him out in his statements, and hand it in to the Secretary; but his firing must not be delayed for that purpose.

24. No practice will be allowed on the ranges during the continuance of the meeting, either before or after the day's firing.

By Order.
