HARTLAND WINS AT FREDERICTON

Score at Exhibition Game was 7 to 4 in Favor of Our Team

Hartland Ball team added still another game to their credit at Fredericton last week. They defeated the best aggregation that could be got together there in a score of 7 to 4. Of the game The Gleaner says:

There was no scoring in the first four innings, but Hartland opened up in the first of the fifth when "Jap" MacGibbon knocked out a nice three-bagger, scoring Stevens, who was on first base. MacGibbon scored on Ward's single and before three were out Ward and DeWitt scored.

Fredericton made a good attempt to even things up in their half of the inning, but succeeded in getting only three men across the plate. Hartland scored two runs in the sixth and another in the seventh, and Fredericton scored one in the ninth.

"Jap" MacGibbon pitched a good, steady game for Hartland, allowing only a few scattered hits and having eleven strikeouts. Harry Wheeler pitched well for the local team until the fifth inning, in which the visitors obtained five hits. Johnny Bolster replaced him in the sixth and pitched effective ball for the last four innings.

Both teams played good baseball yesterday and the game was interesting throughout. The teams lined up as follows:

Hartland	Fredericton
DeWitt, c	Donovan, c
MacGibbon, p	Wheeler, p
Ward, 1b	Sealey, 1b
Jones, 2b	Bolster, 2b
Judge, 3b	Larsen, 3b
Hathfield, ss	Lifford, ss
Keith, lf	Paynter, lf
Stevens, cf	Keirstead, cf
Kyle, rf	Williams, rf

Score by innings:
Hartland 0 0 0 4 2 1 0 0 7
Fredericton 0 0 0 3 0 0 1 4

Happy Event at Coldstream

The United Baptist church at Coldstream was the scene of a very pretty event September 3 when Inez Raye, daughter of Mr. and Mrs. E. B. Estabrooks, was united in marriage to Hatfield Colwell Shaw. The church was nicely decorated by the girl friends of the bride with flowers, ferns, mosses and potted plants. The ceremony was performed by Rev. E. A. Trites, while Miss A. H. Estabrooks rendered the wedding march. The bride was charmingly dressed in white silk and georgette, bridal veil and orange blossoms, and carried a bouquet of bridal roses. She was attended by her sister, Miss Helen Estabrooks, while her brother Claude Estabrooks supported the groom. After a reception held for the immediate friends at the bride's home Mr. and Mrs. Shaw left for a trip to Fredericton. Many costly and useful gifts were received by the happy couple.

The Corporation Drive

"Never in the memory of the oldest inhabitant" has there been known such a great quantity of lumber in the river at this time of the year. The corporation drive hung up a few weeks ago near Bristol on account of low water. The river raised about two feet last week but before a sufficient crew could be assembled it began to fall rapidly again. From a short distance above Florenceville to the booms the shores are lined and the bare covered with logs aggregating many millions feet. In former years all this lumber

would have been safely into the booms long before this, but the right recently given to the St. John Lumber Co. at Van Buren to put a boom across the river and hold all logs and sort them as they sawed their own, has thus seriously interfered with the driving corporation's operations.

CARLETON COUNTY S. S. CONVENTION

Fine Time at East Florenceville

It is common belief that postponed events never prove the success that they would have had they come off on the date originally planned for. If this is always true it would have been a regular hum-dinger of a time at the East Florenceville picnic last week. The day appointed dawned dark and frowning clouds hung about forbiddingly all day. There was heavy rain at times, so that there was nothing for it but to await "the next fine day," which chanced to be the very next day. A crowd large enough to assure success was early on the ground and every thing went off with a merry swing. The whole day's program was carried out in most pleasing style and wound up with the grand display of fireworks in the evening. The success of the affair was largely due to the energy and push of W. P. Stapleford who was engaged at the outset to have entire oversight and management of the picnic. The proceeds amounted to around \$1200, gross, and the net return will be used in fitting up a memorial hall in connection with the school—an honor to the soldier boys.

THE SCHOOL FAIR WAS A SUCCESS

Attendance was Large and Pupils Made Good Showing

The annual school fair of Hartland and vicinity was held on Tuesday and included besides the work of Hartland pupils that from Lower Brighton and Waterville scholars as well. The large attendance was particularly gratifying and encouraging not only to the teachers, but to the scholars as well. The exhibits were not so extensive as last year when the "greater production" idea was being pushed with more zest, but all the exhibits of school room work, and garden products and poultry, showed that the young exhibitors were deeply interested in their work. The principal promises to submit the large prize list for publication in the next issue, it not being possible to have it ready sooner.

A feature of the affair that delighted teachers and scholars and reflects credit on one public spirited parent was the gift of Savings Stamps Books, one for each grade, eleven in all, each with four stamps already in it. These were donated by A. R. Rigby and are to be awarded to the most generally efficient work done by one scholar in each grade. They are in themselves invaluable, and will teach thrift and saving to those who win them.

G. W. V. A.

Hartland branch G. W. V. A. have sent a strongly worded recommendation to Premier Borden in favor of a commission being appointed by the Dominion government to look into the matter of the returned soldiers. It would only be right that a soldier who gave his time and placed his body as a bulwark between our homes and the bitter, cruel German should have a common laborer's pay. While he was undergoing all kinds of danger and hardship at \$1.10 a day, and a small allowance for his family, the laborer at home was getting double—yes—three times as much pay while he was in peace and safety and had all of the home comforts. The Veterans are only asking for a commission to look into the matter in a fair and impartial way.

E. A. Britton, chairman of the executive, A. R. Rigby, chairman of the entertainment committee, and Dr. W. R. Currie, chairman of the sports committee, were appointed to see the Mayor and Aldermen of Hartland and enquire into the matter of a proper memorial for our fallen comrades. They are to report at our meeting on Oct. 2. All returned men are invited to attend our meeting. It is the duty of every returned soldier to join the G. W. V. A. to forward the interests of the returned men and their families. Per. order G. W. V. A. S. G. Barter, sec.

Appointed Liquor Inspector

The appointment of A. A. Nevers, of Hartland, as sub-inspector under the Prohibition Act, with jurisdiction in the northern part of York county and the southern part of Carleton county, has been announced. The appointment means the making of a new inspectorial district with Woodstock as the chief centre.

Wanted: Live poultry, for which I will pay highest cash prices. Birds need not necessarily be fat. Special price for birds over five pounds, A. R. Rigby, Hartland. Farmer's phone 3-11.

POLITICAL PLATFORM OF THE UNITED FARMERS of N. B.

- No. 1 Whereas a call to the United Farmers of the different local branches for the putting up of independent candidates to represent the different constituencies both in the Federal and Local houses and that the responses have been practically unanimous in its favor, therefore we the officers and directors of the United Farmers authorize the organizing director of each county to call a convention for the purpose of selecting candidates for both Federal and Local houses.
- No. 2 Since it is absolutely necessary to have campaign funds for legitimate purposes, we would therefore authorize each county to raise and control such funds with the provision that it shall be itemized and audited and forwarded to the Sec'y of the Central Association and the source from which it is derived.
- No. 4 That we are entirely opposed to any form of bribery and corruption in elections.
- No. 4 That wilderness and un-improved land be taxed in proportion to the tax on improved land at the same rate and on the same basis.
- No. 5 That the registering of Mortgages be changed so that the amount actually due on mortgages can be ascertained at the registry office every year, such mortgage to be exempted on amount of mortgage still unpaid, and the holder of the mortgage be assessed on the amount and the taxes paid in the district wherein the land lies.
- No. 6 That we propose an act to be passed by our local legislature compelling any trunk telephone to give proper connections with Local or Farmers line for a reasonable toll.
- No. 7 That before any increase in telephone rates should be made, a full investigation be made before the proper authorities open to all parties interested, showing such increase to be justifiable.
- No. 8 That any man 18 years old be allowed to homestead 100 acres of land and a returned soldier 200 acres with the privilege of buying 100 acres additional in the Province of New Brunswick.
- No. 9 That we will work for an Abattoir, an establishment of a cold storage plant and stock yard in the Maritime Provinces.
- No. 10 That the Provincial and Federal representatives pledge themselves to resign on being presented with a petition signed by 60 per cent of the members of the U.F. of N.B. asking them to do so.
- No. 11 That we are in favor of total prohibition of the manufacture and the sale of liquor as a beverage and that plebiscite vote be taken at any time.
- No. 12 That we are in favor of general improvement of the roads of N. B. rather than the building of a speedway for autos in the province, and that we use auto taxes for Highway purposes only.
- No. 13 That we have a uniform system of breaking winter roads and that the workers receive pay for doing it.
- No. 14 We should aim to have a government of the day to appoint a Farmer as Minister of Agriculture.
- No. 15 That the Sec'y of Agriculture be a Farmer, a Farmer's son, a native of N. B. and a graduate of the college of Agriculture.
- No. 16 Whereas the United Farmers represent the Farmers more than any other organization, we would ask that the United Farmers be consulted on the general policy of the Agriculture.
- No. 17 That we recommend a rural delivery mail service be established in every country district.
- No. 18 That we adopt the Platform of the Canadian Council of Agriculture with the addition of clause G. to section 4 which reads as follows:
That firms holding charters for the development of the natural resources of the province. That these charters be cancelled unless the work be carried out within a reasonable time.
And the Exception of Section 6 which reads as follows:
Public ownership and control of railway, water and aerial transportation, telephone, telegraph and express systems all projects in the development of national power and of the coal mining industry.

ENCOURAGING THE SHEEP INDUSTRY

Inducement to use a Pure Bred Ram at the Head of Your Flock of Sheep

The New Brunswick Department of Agriculture and Forestry, in co-operation with the Dominion Live Stock Branch in encouraging the use of Pure Bred Rams.

Persons Eligible

Any sheep raiser who purchases a pure bred registered ram and who has not before at any time used a pure bred ram in his own flock shall be entitled to a premium of ten dollars (the first year) Five of which will be paid by the New Brunswick Department of Agriculture and five by the Dominion Live Stock Branch, and an additional premium of Five Dollars the second year, payable by the Live Stock Branch. Applications for premiums to be sent in to Live Stock Division, Department of Agriculture, Fredericton, not later than December 1st.

Co-operative Purchasing of Pure Bred Stock

The Dominion Live Stock Branch will pay the travelling expenses to any point east of Fort William, Ontario, of any accredited man appointed by a Society, group of Societies or group of farmers who have orders to purchase at least twenty-five pure bred rams for farmers never having used a pure bred before. This same person has the privilege of making purchases of other live stock or rams for any farmer while on the trip, so long as the mini-

mum of twenty-five rams are purchased as outlined above.

Grading of Pure Bred Rams in New Brunswick

The services of professor Sackville of Ontario Agricultural College, have been secured to visit each pure bred breeder in the province and classify the rams offered for sale into three grades, superior—average and common. By purchasing your rams in the province, farmers can write any breeder of pure bred sheep and be sure of getting the class of ram he supplies for. New Brunswick is the first province to adopt this classification system. Breeders and Purchasers stand to gain by it. The number of rams for sale together with the price and grade will be listed with the local Live Stock Division.

Boys and Girls Sheep Clubs

In order to create a deeper interest among our farm boys and girls in the business of sheep raising, arrangements have been completed to organize Sheep Clubs in the province. Members must be between ages of ten to eighteen years. Ten members will constitute a Club. Two grade Shearling ewes will be the number allotted to each. Members can get credit from any bank for purchase price of sheep for one year at 6 per cent interest. The Department will arrange a fair at which prizes will be given. The Department will loan a pure bred ram to any Club with twenty ewes.

For information on any of the above policies, write Live Stock Division, Department of Agriculture, Fredericton, N. B. Hon. J. P. Tweeddale, Minister.

SHE HAD A LONG HARD STRUGGLE

For Ten Years Mrs. Weis was Unable to Overcome Troubles—Praises Tanlac

Mrs. Annie Weis of 280 Maynard street, Halifax, is still another whose deep sense of gratitude and desire to help others will not permit her to remain silent regarding the wonderful benefits she has derived from the use of Tanlac.

"I have, certainly had a long, hard, struggle with ill health, said Mrs. Weis in an interview recently but by the use of Tanlac I have overcome my troubles at last. Why, I just feel like I have a new lease on life and I am as so thankful for my recovery that I want to tell everybody about Tanlac. My stomach was in such a bad condition for ten years that I could not eat anything without suffering from indigestion. My appetite was very poor especially in the morning, and after eating I would have a bloated feeling and pains in the pit of my stomach that almost set me wild. The gas on my stomach would cause my heart to palpitate very badly and bring on attacks of dizziness that made it difficult for me to stand up. I was almost frantic at times with nervousness. Even the children playing about the house, or most any little noise, would grate on my nerves so I just felt like screaming. Many a night I slept but little and always felt so tired and bad in the mornings that I could hardly get out of bed. I had mean nagging headaches all the time and no one, unless they have suffered the same way knows what I have been through especially during the past five years.

At the time I began taking Tanlac I had lost forty-six pounds in weight going down from one hundred and fifty-six to one hundred and ten and was almost in despair. Many a day I have stayed on my feet and did my work when it took every ounce of my strength. One day I happened to see a testimonial given by a lady who I know personally, so I made up my mind from what she said Tanlac had done for her to try a bottle myself. Well, it acted with me just like she said it did with her. I commenced to improve at once and while I have just now finished my third bottle I have been relieved of stomach trouble and indigestion entirely. My appetite is just fine and my food seems to agree with me perfectly. I sleep every night like a child, have lost all that tired, drowsy feeling and my household is really a pleasure to me. I haven't weighed, but I can tell from the way my clothes fit that I have gained all of ten pounds in weight. Any way I have improved so much my friends are constantly speaking of it. I feel bright and cheerful all the time and I just know Tanlac is the grandest medicine ever made."

Tanlac is sold in Hartland by Estey & Curtis Co., in Bristol by Dr. G. W. Somerville, in Centerville by Stevens Bros., in Woodstock by E. W. Mair, in Benton by W. E. Porter, in River de Chute by Daniel B. Baird, and in Florenceville by A. B. Lovely.

Waterville Warblers

Mrs. Black, who has been the guest of her daughter, Mrs. Everett, has returned to her home.

The Baptist Ladies' Missionary Society met at the home of Mrs. DeWare on Thursday afternoon.

Mr. Howard Springer has returned from a pleasant visit in St. John with relatives.

Rev. J. D. and Mrs. Wetmore of Fredericton Junction spent Sunday here with friends.

Miss Pearl Springer is still in St. John after a short vacation spent in Presque Isle and elsewhere.

Primitive Baptist Quarterly Meeting

Will be held in the P. B. church at Lerwick, beginning Saturday morning Oct. 4, 1919. All persons intending to join in the services there are cordially invited to come as great preparations are being made for the comfort and convenience of all visitors.

It is requested that intending visitors notify Rev. G. A. Giberson of Bath as to which day they prefer to come, and by which train, so that arrangements can be made for cars to meet them and convey them to the church. All persons going north or south, will leave the train at Tobique Narrows. This is a great country, and it will make the trip, a spirit of gratitude to the Creator of all good things. Do not forget the time or place. All are welcome. Rev. G. A. Giberson, Bath N. B.

Sleepless Nights With Eczeema

Mrs. Link, 12 Walker St., Halifax, N. S., states: "After three years of miserable torture and sleepless nights with terrible eczeema, and after trying over a dozen remedies without obtaining anything but slight temporary relief, I have been perfectly and entirely cured by using Dr. Chase's Ointment. After the third or fourth application of this grand ointment I obtained relief, and a few boxes were sufficient to make a thorough cure."

Currie-Haywood

At Fredericton Sept. 15 at the George Street United Baptist parsonage, William J. Currie of Woodstock was united in marriage to Miss Sadie B. Haywood of Victoria. The ceremony was performed by Rev. Z. L. Fash. Mr. Currie is a returned soldier having served four years and half in France, belonging to the 8th Battery, 12th Brigade, C. F. A. Their many friends wish them a long and happy life.

Specific For Bronchitis

The turpentine used in Dr. Chase's Syrup of Linseed and Turpentine is not the ordinary commercial article, which is little used because of the unpleasantness of taste, but is specially extracted from tamarac and spruce gum and so combined with other valuable ingredients as to be at the same time pleasant to use and wonderfully effective in the cure of affections of the throat, bronchial tubes and lungs.

HOW YOU CAN TELL

GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

If you don't see the "Bayer Cross" on the tablets, refuse them—they are not Aspirin at all. There is only one Aspirin, that marked with the "Bayer Cross"—all other tablets are only acid imitations. Look for the "Bayer Cross." Then it is real Aspirin, for which there is no substitute. Aspirin is not German but is made in Canada by Canadians and is owned by a Canadian company, all rights being purchased from the U. S. Government. Genuine "Bayer Tablets of Aspirin" have been proved safe by millions for Pain, Headache, Neuritis, Cold, Rheumatism, Lumbago, Neuralgia. Handy tin boxes of 12 tablets—also larger "Bayer" packages can be had at any drug store. Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monocarbonylchloride of Salicylic Acid.

SENT UP FOR MURDER AT GRAND FALLS

Grenier, Charged with Murder of Felix Francoeur

Grand Falls, N. B., Sept. 17.—The preliminary examination of Joseph Grenier, charged with the murder of Felix Francoeur, on September 11, was held before Police Magistrate James Kelly today and the prisoner committed for trial. Alexander Stratton, of Andover, was prosecuting attorney and John Keefe, of Grand Falls, counsel for the defence. Frank St. Thomas was sworn in as interpreter.

Napoleon Michaud, who lives near the top of the Bridge hill, was the first witness. He swore that on the afternoon of September 11 he was sitting on the plat-

form of his house. Felix Francoeur was with him, also his son, Aime Michaud and Joseph Beaulieu. About 4 o'clock Joseph Grenier came up the hill. Mr. Michaud spoke to Grenier as he came up. The latter answered him, then came toward them and said to Francoeur:

"Don't you look at me, you're not a friend of mine." He shouted after: "Don't you look at me," then said: "Don't you know your life is short?"

As he said this, he pulled out a revolver. The accused then called Francoeur a thief, saying he had stolen his logs and also a still he had hewn out with his name on.

Felix Francoeur got up to strike Grenier.

Grenier said—"Don't hit, Felix, if you hit, I'll shoot."

Francoeur got angry and began

making motions about Grenier's head once, touching him on the face. Grenier then fired. Francoeur stood still for a moment, then took four or five steps and fell. He never moved or spoke again.

Cross-examined by Mr. Keefe the witness gave the same evidence. In re-examination he told Mr. Stratton that after Grenier did the shooting he went on, taking the revolver with him.

Dr. Claude Guy was called and testified to having examined the body of Felix Francoeur a few hours after his death. He found a bullet wound in the lower part of the chest. This wound was sufficient to cause or explain death.

Aime Michaud was the next witness. His evidence was practically the same as that of his father, Napoleon Michaud. He saw

Grenier walk away with the revolver in his hand after the shooting. Francoeur's body lay where it fell more than half an hour.

Joseph Beaulieu, a laborer, testified to being at Michaud's house on the day of the murder. His story of the meeting between Grenier and Francoeur and of the shooting was substantially the same as that of the other witnesses. Like the others he swore positively that Francoeur did not strike Grenier with any force and that the latter was not knocked off his feet.

Jeremiah Sullivan, provincial constable, was called. He testified to going out to Napoleon Michaud's house on September 11, finding a crowd there and the body of Felix Francoeur on the sidewalk close to Michaud's house.

He saw the wound in the lower part of his chest. He was ordered by the coroner George A. Ryan, to take charge of the body which he did. It was then late in the afternoon.

On the evidence given, Magistrate Kelly committed Joseph Grenier for trial at the next session of the criminal court to be held in and over on Tuesday, September 23, on the charge of wilful murder.

The court room was crowded with spectators. The accused appeared perfectly calm and unmoved during the proceedings.

Perth Locals

Rev. H. S. Dow of Fort Fairfield held service in Union Hall on Sunday afternoon. Several from Fort Fairfield attended.

Mrs. Willard Fulton of Lowell, Mass., is visiting at the home of her brother, James Woodland.

Miss Nellie Ingraham returned on Saturday from a few weeks visit with relatives down river. Miss Ingraham is one of the popular clerks for the Baird Co.

Mrs. Gordon Graham is visiting friends in York Co. and elsewhere.

Mrs. S. Winchester and Mrs. Donald Tompkins went to Woodstock on Wednesday, returning home on the evening train. They called on Franklin Morehouse at the hospital while there.

E. W. Larlee left on Saturday by auto for a few weeks hunting on the Tobique. B. R. Green also went up on Friday.

Stillman Armstrong the taxidermist of Vanceboro, passed through town during the week on his way up Tobique.

Mrs. M. I. F. Carvell, representing the Canada Life Assurance Co., St. John, has been spending the week in town. While here she was the guest of Mrs. B. C. Palmer. She also visited other friends. Mrs. Carvell wrought up a by business while here. On Tuesday afternoon she visited our schools and offered a prize to the pupils in every grade, in both schools, making the highest average this term. She was for a number of years the much loved teacher of one of our schools, and still holds a warm spot in the hearts of her pupils, many of whom have left school, and have gone out into the world.

Mr. and Mrs. McGowan of Somerville, Mass., have been spending several weeks with Mrs. McGowan's mother, Mrs. Carolyn Craig of Tobique Narrows.

Mrs. Kean of Vanceboro is visiting at the home of M. H. Craig.

Mrs. Harriett Larlee and Miss A. Stickney attended the picnic at East Florenceville on Friday.

Miss Mary McPhail spent the week-end with relatives in Woodstock.

Mrs. J. R. Tompkins was visiting friends in Carleton county during the week.

Mrs. C. H. Elliott and little daughter who have been spending a few weeks with the former's sister, Mrs. Geo. E. Armstrong, returned to their home in St. Stephen on Thursday. Her sister Miss Alice Bishop accompanied her.

Everybody is looking eagerly forward to Chautauque next week.

Mrs. Wm. Grantham of Arcostook Jet, was the guest of Mrs. H. E. Blakeslee and Miss Blakeslee one day during the week.

The Misses Shaw, daughters of the well known traveller Walter Shaw,

were in town on Saturday on their way from Plaster Rock to their homes in Woodstock. They will leave for California very soon.

Mrs. H. F. Stewart and two children left last week for an extended visit with Mrs. Stewart's sister, Mrs. J. McKay of Halifax.

Mr. Billingham preached his farewell sermon here on Sunday evening in the presence of a large congregation. Special music was provided. Mr. Billingham left for his home in Boston on Monday. During his short stay here he has made many warm friends. He took a deep interest in all the children's affairs and will be much missed by all. Should he return at any future day he will be gladly welcomed by all.

Mr. and Mrs. Wm. Clark are receiving congratulations on the arrival of a daughter at their home on Friday evening.

The friends of Mr. and Mrs. M. L. Wright will be glad to know that the quarantine was removed from their house last week, and that Miss Laura, is able to be out again with her young friends after her long illness.

The children's choir went to Forest Glen on Sunday to sing at the afternoon service in the U. B. church. They intended to have gone to Rowena last Sunday but the bad roads prevented them. Among others who went up from here were H. N. Dickinson, Mr. and Mrs. Ralph Estabrooks, Mr. and Mrs. C. L. Olmstead and family, Raymond Wright and others.

Another bad auto accident took place last Sunday night near Upper Kent, when James Anderson, son of Mr. and Mrs. Geo. Anderson of Kintore, with his sister, Miss Christine, and cousin, Miss Beulah Anderson and Miss Carter of Newfoundland who is visiting her sister Mrs. James Woodland, in passing another car in a narrow place in the road ran over an embankment about ten feet high, the car overturning three times. Mr. Anderson escaped with only a bad shaking up but his sister was badly bruised about the limbs. Miss Beulah also got quite a shaking up. Miss Carter, however was not as fortunate. She had her collar bone and several ribs broken and other injuries. They were quickly taken home and a doctor called to examine Miss Carter and attend to her injuries. She is resting as comfortably as can be expected.

Many friends of A. L. Green, formerly a merchant of this place but now of Plaster Rock, regret to know that he was obliged to go to a sanatorium last week on account of ill health. Dr. Coffin of Plaster Rock accompanied him. His son-in-law, Mark Anderson, came as far as Perth with him. We all sincerely trust that he will be entirely cured.

It Took Years To Learn

That in Dr. Chase's Ointment There is Positive Cure for Piles or Hemorrhoids.

Reports come to us almost daily from persons who have suffered 10, 20, 30 years or more from piles or hemorrhoids before finding out that Dr. Chase's Ointment affords immediate relief and ultimate cure for this annoying and distressing ailment.

This is not a trouble about which people care to speak, but if you ask your friends about Dr. Chase's Ointment you will be surprised to hear how many have been cured of piles by its use. It is the one treatment for piles on which you can depend absolutely for prompt relief.

Mr. B. F. Tracy, Minesing, Ont., writes: "For about thirty-five years I was troubled with itching piles, which kept me from sleep until I was completely worn out. Then at length I would drop off to sleep and rub myself raw. I tried every kind of ointment made without any permanent good. I also tried a homeopathic doctor, but only had momentary relief from his treatments. Three years ago I tried Dr. Chase's Ointment, and about half a box completely cured me. I have never been troubled with piles since, and can heartily recommend Dr. Chase's Ointment to anyone suffering from this terrible agony or from any other skin disease."

"This is to certify that the above statement is correct in every particular."—Rev. H. Berry, pastor (Methodist Church).

Mr. H. B. MacDonald, Walkerton, Ont., writes: "Having suffered from piles for some time, I finally tried Dr. Chase's Ointment, which afforded almost instant relief, and in time, cure. I have great faith in Dr. Chase's Ointment, and think it superior to any ointment on the market. I would advise anyone suffering from piles to give it a trial."

Many continue to suffer from piles in the belief that a surgical operation is the only cure. Fortunately, Dr. Chase's Ointment is available, and has saved many thousands from the risk and expense of the doctor's knife, 50 cents a box, all dealers, or by mail postpaid, from Edmondson, Bates & Co., Limited, Toronto.

HARTLAND, N. B., SEPT. 25, 1919

POLITICS

The political atmosphere is hazy. It is a very new condition in Carleton, especially in the time of an election, when the lines of demarcation always have been sharply drawn. The Farmer's candidate, T. W. Caldwell, has been active and is likely to continue a real live wire up to the close of the contest. Not alone from the testimony of their own agitators, but from every quarter there comes the expression of belief that the Farmers are gaining in strength and in popular esteem. Mr. Caldwell will give any other contestant a very lively run for his money.

Delay is not working to the best interests of either of the old parties. Liberal committees have been holding caucuses and appointing delegates to a convention to be called in the near future. At the moment it would appear that the consensus of Liberal opinion was favorable to placing a man in the field. Their choice would likely be George W. Upham.

If the Conservatives decide to venture in, the candidate will be no other than Hon. B. F. Smith. The press has mentioned Lt. Col. W. W. Melville as a Unionist candidate backed by the G.W.V.A. Nobody seems to know anything about this except the Press.

Mrs. Minnie B. Adney is surely in the contest and seems determined that the election shall not go by default. It is stated on good authority that the law permits a woman to run for and to occupy a seat in parliament. If no other candidates come up, and Mrs. Adney persists, she will nail a surprising number of votes.

Grand Falls Happenings

S. Simkevitz was on a business trip to Montreal this week.

Don't forget the Chautauqua in Kertson's Opera House Thursday, Friday and Saturday of this week. G. A. Hallett returned to Ontario last week.

was held at the home of the groom's father, Thomas Bell Tuesday evening. Their many friends wish them all happiness.

Mrs. Robert Squires

On August 9, after a few minutes illness, Elizabeth, beloved wife of Robert Squires of Bath passed from this earthly life to the brighter life beyond. Although in declining years and for some time in failing health, she was not considered near her journey's end. Therefore her sudden death came as a great shock, as well as a deep sorrow to relatives and friends. So quickly did the spirit take its flight, that her face bore no trace of suffering, but was rather expressive of a great joy while the smile that rested on it seemed to reflect her sweet spirit and character. She was a woman of refined intelligence, mild and gentle in her disposition and her beautiful Christian life which she maintained from her early girlhood, made its impress upon all who had the pleasure of associating with her. Nowhere outside of her immediate family will she be more missed than in her home community where the years of her married life were spent. While health permitted she was ever ready to do her share in the different branches of Christian work, especially in the Sunday school where for many years, she was a painstaking and efficient teacher.

Many, both in the church and out of it, have been blessed by her wise counsel and kindly ministrations. The deceased is survived by her sorrowing husband, one son Fred C. Squires, B.A., L.L.B. of Woodstock, and three grandchildren; also an aged brother Deacon G. Carleton Turner of the United Baptist church at Connell, besides many nieces and nephews. The funeral services were conducted by Rev. Samuel Howard, pastor of Woodstock Methodist church, assisted by Rev. C. O. Howlett, pastor of the U. B. church at Bath. Interment was made in the Bath cemetery.

Wedding at Plaster Rock

A very pretty wedding took place at the home of Mr. Tilley, Plaster Rock, on Sept. 10 when Frederick Adams, a returned soldier, was united in marriage with Miss Laura Gibbons of England. The ceremony was performed by Rev. G. A. Giberson of Bath in the presence of a number of invited guests. The bride was becomingly attired in silk pongee with silk embroidery and fringe and carried a shower bouquet of sweet peas, and entered the parlor on the arm of Mr. Green to the strains of the wedding march played by Mrs. Allen Henry. After the ceremony a dainty wedding supper was served.

Nuptials at Bellville

The home of Mr. and Mrs. Woodford McLellan was the scene of a very happy event on September 17 at 4 o'clock when their only daughter, Jessie Pauline became the wife of Lee Bell of Oakville.

The house was tastefully decorated with plants and flowers. The parlor where the ceremony was performed was decorated in white, except for flags, which formed the arch where the nuptials were performed this scheme being very appropriate the groom being a returned soldier, who had been nearly three years in the army. The bride, unattended entered the parlor on the arm of the groom while the wedding march was played by Miss Mary McLellan, cousin of the bride. The ceremony was performed by Rev. T. S. Crisp in the presence of over sixty guests, among them being the groom's aunt, Mrs. Elizabeth Scott of Riverside, California. The bride was very becomingly gowned in shallow silk, and wore a veil very tastefully arranged with flowers, and carried a large bouquet of white sweet peas and carnations and maiden-hair fern.

After the ceremony and congratulations a dainty wedding supper was served in the dining-room which was decorated in yellow and white. The wedding gifts consisted of silver, cut glass, linen and cheques, among them being a generous cheque from the bride's father. The groom's gift to the bride, was a very pretty gold bracelet set with pearls and to the pianist a pendant and chain. On the evening a large number

of the bride's and groom's friends gathered to give them a serenade and offer the congratulations. The large number present showed the popularity of the young couple in the community.

The happy couple left next morning to spend their honeymoon in Fredericton, attending the Fair. The brides travelling suit was of brown with hat to match.

Their many friends join in wishing them a happy wedded life.

Two Weddings Yesterday

There were two weddings in town yesterday that attracted more than passing notice. At the United Baptist parsonage Rev. E. A. Trites performed the ceremony, that made man and wife S. W. Smith, the well known East Florenceville merchant, and Mabel Edna Neviers, daughter of Mr. and Mrs. Fred Neviers of Coldstream. Immediately after the ceremony the newly wedded couple left on the evening express for an extended tour, and on their return will reside at East Florenceville.

At the home of Byron Neviers yesterday afternoon their daughter Ethel Annie was united in marriage with Everett Burton Watters of Everett, Victoria county. There were many guests to witness the happy ceremony. After lunch the young couple drove to Woodstock and there took the express on their honeymoon trip. Rev. Ernest A. Trites performed the ceremony.

Have You a Cremonaphone in Your Home?

We have just received a large shipment of these machines, and you may see and hear them played at our store. They are the piano finished cabinets, stands, and table machines, and play any make disc records. The most notable thing about the Cremonaphone is its perfect tone, and it has been made possible only in the Cremonaphone by reason of the construction of the sound chamber. Every sound in nature can be produced upon the violin even to the human voice, and this vital fact is made use of in the construction of the Cremonaphone. The violin sound post and S. holes are used in the sound chamber of the Cremonaphone, but are to be found in no other phonograph. When a violin record is played upon the Cremonaphone one hears a real violin playing. This is also true of any other instrumental or vocal record you may play upon the Cremonaphone. The tones are beautiful and characterful, and do not have any of those strident noises added by the sound chamber that are so annoying in many other machines. Human voices are real-life like and natural, and leave no doubt as to whether it is a tenor or baritone that is singing.

The New Lateral Gennett Records

Buy Gennett records and you can have the Green Brothers' Xylophone Orchestra to entertain you for 90 cents, or the Vincent's Band will play you a beautiful waltz, one-step, two-step, fox-trot or jazz. Have the great tenors, Henry Burr, Harry McCluskey, Sam Ash or Arthur Hall to sing you some of the latest songs. If you want to laugh a plenty hear the popular old-time favorite comedians, Golden Hughes, in the Two Doctors, and my Uncle's Farm, or George Thompson in Cohen at the Telephone and Cohen Telephones the Garage. You'll enjoy the fun of hearing him talk over the phone in that witty manner all his own, and you'll laugh good and long at the things he has to say. Get a list of our September records.

Election Card

To the Electors of the Federal Constituency of Carleton-Victoria:

Having been nominated by a Convention of the UNITED FARMERS OF NEW BRUNSWICK, which was held in Woodstock on September 2nd, to contest the coming bye-election in the above Constituency to fill the vacancy caused by the resignation of the Dominion Minister of Public Works, and as the Election is to be held on October 27th, and the time being so short, it will be impossible for me to personally call on all the Electors in the two Counties. I, therefore, take this opportunity to state to you what the aims of the UNITED FARMERS are.

They are, in brief, as follows: THE UNITED FARMERS are strictly independent of both the old Political Parties, and their representatives will be perfectly free to support any measure that is for the best interests of the Farmers of Canada, and just as free to oppose any measure that they feel is not in the interests of the Farmers.

And Canada, being an Agricultural Country, we believe that any legislation that is beneficial to Agriculture is indirectly beneficial to every citizen of Canada.

THE UNITED FARMERS also stand for PURITY in elections, as they believe that the lack of this is the starting point of all the Political, Grant and Corruption which is so much in evidence in Canada to-day.

We would therefore appeal to every loyal citizen of Canada to support the FARMERS PARTY, and to the Electors of Carleton-Victoria, to support me as the UNITED FARMERS Candidate in the coming bye-election.

IN MISERY FOR YEARS

Mrs. Courtney Tells How She Was Cured by Lydia E. Pinkham's Vegetable Compound.

Oskaloosa, Iowa.—"For years I was simply in misery from a weakness and awful pains—and nothing seemed to do me any good. A friend advised me to take Lydia E. Pinkham's Vegetable Compound. I did so and got relief right away. I can certainly recommend this valuable medicine to other women who suffer, for it has done such good work for me and I know it will help others if they will give it a fair trial."
—Mrs. LIZZIE COURTNEY, 108 8th Ave., West, Oskaloosa, Iowa.

Why will women drag along from day to day, year in and year out, suffering such misery as did Mrs. Courtney, when such letters as this are continually being published. Every woman who suffers from displacements, irregularities, inflammation, ulceration, backache, nervousness, or who is passing through the Change of Life should give this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

Value of Banana as Food

Tested by Two Experts,

Who Speak Well of Fruit

THE digestibility of bananas has been the subject of more dispute than any other question in dietetics. Many physicians have declared them unwholesome for children.

Is this true? Undeniably they disagree with children, and even with grown folks, sometimes. Why?

A thorough investigation of the matter has recently been made by two recognized experts, Drs. M. C. Pease and A. R. Rose, who extended a series of experiments to infants and invalids.

Results showed that bananas are perfectly digestible even by weak stomachs, and a most healthful food, if only they are fully ripe. If not really ripe, they are more or less liable to disagree with anybody.

Bananas of a rich yellow color are usually considered ripe, but they are

not. It is not until they show brown spots on the skin (not to be confused with bruise marks), that they acquire full flavor and are ready for eating. Little Johnny requires a large yellow banana, and, divesting it of its peel, proceeds to devour it with reckless haste, swallowing it in chunks. That is not the way to eat a banana. Anyway, he has a pain presently in his small stomach, and his mother decides that the fruit is not good for him.

If the same banana had been fed to Johnny two or three days later, when properly ripened, he would have suffered no ill effects. Indeed, his health would prosper on a diet (for a while) of nothing but milk and bananas of full ripeness, the latter taking the place of bread.

Doctors Pease and Rose kept several adults going for a week on bananas and milk, with perfect digestion and unimpaired efficiency. For, be it observed, bananas contain 22 per cent. of starch and sugar, and are therefore highly nutritious. Like other fruits, too, they are rich in the mysterious "vitamin" that is such an encourager of health.

Of course, one could not live on bananas alone for any length of time, inasmuch as they contain very little of the stuff that makes muscle and blood. The "banana stomach," often seen in tropical countries, is a disservice due to too many bananas and too little else.

The moral of the story is that bananas, if ripe, are easily digestible and good for anybody. In the yellow stage they are all right if baked. Freshly detached from the stalk, they are uncontaminated by dirt and germs, even if bought from a pushcart on the street—so well are they protected by their skins.

DID YOU EVER THINK

why that skin trouble, from which you are suffering, will not heal? It is because it is so deeply rooted that ordinary ointments are incapable of penetrating to the seat of the disease.

Zam-Buk, on the contrary, is so refined that it is capable of reaching the underlying tissues, and that is why so many cases of skin trouble, which have defied all other treatments, have yielded to Zam-Buk.

Don't delay! Get a box of Zam-Buk and prove it for yourself. Not only is it best for eczema and all skin troubles, but also for ringworm, ulcers, old sores, blood-poisoning, boils, piles, burns, cuts and all skin injuries. All druggists or Zam-Buk Co., Toronto. 50c. box, 3 for \$1.25.

Send 1c. stamp for postage on free trial box.

FOR THE KIDNEYS

ONE WAY TO BEAT HIM.

Edwin and Morris are little playmates who have just passed their sixth birthday and are getting ready to start to school.

Edwin was discussing the school proposition with a neighbor recently. "You will have to hurry or Morris will get ahead of you," said the neighbor.

"Oh, no, he won't," replied Edwin. "I'm going to sit on the seat in front of him."

Severable Scenery.

"There are some things possible in the movies that can't be done on the stage."

"For instance?"

"If the scenes of a play are laid in a certain quarter of the world they can be filmed on the spot."

"Sure. But as a matter of fact California landscapes have been used for every kind of scenery from tropical islands to the steppes of Siberia."

A Budding Humorist.

"Mamma, when I went to see Tom Shantley this morning, the girl that came to the door said he wasn't in, and I knew he was. What did she want to tell me that for?"

"There may have been reasons why Tommy could not be seen, dear. She told you out of politeness."

"Yes, she acted as if she was out of politeness."

Prosaic Matter.

"What did that poet have to offer?"

"Something in the newer vein, he said, inspired by hearing the rattling of milk cans early one winter morning."

"You didn't accept that sort of rot, I hope?"

"No, I told him as kindly as I could that the milkmaid has her place in poetry, but a milk can is a milk can and nothing more."

A SURE CURE.

Miss C., Captain, what do you recommend for light-headedness?

Captain: Keep it dark.

Winged Wonders.

Her Fear.

"What seems to be the matter with your husband?"

"The doctor doesn't know. He's coming again tomorrow."

"Dear me, I hope he isn't down with that terrible diphtheria disease the papers say is spreading all over the country."

What Betty Likes Best.

The dear things were sitting on the stone steps of the Polytechnic. Said one of them: "I see Betty has decorated her room with pistols, swords and rifles."

"Yes, Betty's a great girl for having arms around her," replied her chum—London Tit-Bits.

Seemed Suspicious.

"I fear your father does not favor our marriage."

"Why do you say that?"

"I have saved some money for the happy event."

"Well?"

"And he wants me to put it into a scheme."

Quick Recovery.

"You shatter the fabric of my dream."

"Oh, do be practical. Scientists tell us that the longest dream lasts but a few seconds."

B-H "ENGLISH" 70% Pure White Lead

Think for a moment how much of all that goes to make up the beauty of HOME consists of color and the feeling of cleanliness. Furniture, walls, floors, the kitchen, the charm of a house among the trees—all are what they are largely because of color and freshness.

B-H "English" paints give permanence to color, and invulnerable protection against decay.

Home is your haven, and, in a sense, the measure of yourself. Protect it. Beautify it. Increase its value.

Garage for Sale

F. Hagerman & Son offer for sale their garage business, including stock-in-trade, good will, etc. The building is 35x70. The top floor is used as a public hall and moving picture house, known as The Star Theatre. The centre floor can accommodate 20 cars for storage, or can be used for battery work and tire repairing. The ground floor, which is of cement, is used as a garage, and is no doubt the best available business location in New Brunswick.

We fitted up for the Battery Business with everything except the lead burning outfit. For charging batteries we have a 900 watt generator and can easily care for 200 to 400 batteries this coming winter.

Our Garage Car is a Gray-Dort Special and has covered 3000 miles. It has been recently cleaned and fitted with new tires all round.

We are located on the corner of Main and Court streets, in the new and prosperous Town of Hartland which is located in the centre of Carleton county which is undoubtedly one of the finest agricultural districts in the maritime provinces.

In the meantime we are here to do business until we sell out. Best reasons given for selling.

A MOTHER'S TRIALS

Care of Home and Children Often Causes a Breakdown

The woman at home, deep in household duties and the cares of motherhood, needs occasional help to keep her in good health. The demands upon a mother's health are many and severe. Her own health trials and her children's welfare exact heavy tolls, while hurried meals, broken rest and much indoor living tend to weaken her constitution. No wonder that the woman at home is often indisposed through weakness, headaches, backaches and nervousness. Too many women have grown to accept these visitations as a part of the lot of motherhood. But many and varied as her health troubles are, the cause is simple and the cure at hand. When well, it is the woman's good blood that keeps her well; when ill she must make her blood rich to renew her health. The nursing mother more than any other woman in the world needs rich blood and plenty of it. There is one always unfailing way to get this good blood

so necessary to perfect health, and that is through the use of Dr. Williams' Pink Pills. These pills make new blood abundantly, and through their use thousands of weak, ailing wives and mothers have been made bright, cheerful and strong. If you are ailing, easily tired, or depressed, it is a duty you owe yourself and your family to give Dr. Williams' Pink Pills a fair trial. What this medicine has done for others it will surely do for you.

Fine Weather and Big Attendance for Centreville Fair

Plainly the promoters of the Centreville exhibition stand in well with the weather man for on their opening day—yesterday—they had as fine a day as there has been this summer. Reports that reach The Observer are to the effect that an immense crowd has gathered at the busy Valley railway terminus, and none are disappointed with the very creditable showing of agricultural and domestic products. The Centreville reporter will be given all the space a complete write-up of this

important event will require, and, described by his facile pen, it will make very interesting reading in the next issue.

CHILDHOOD CONSTIPATION

Constipated children can find prompt relief through the use of Baby's Own Tablets. The Tablets are mild but thorough laxative

which never fail to regulate the bowels and stomach, thus driving out constipation and indigestion; colds and simple fevers. Concerning them Mrs. Gaspard Daigne, Demain, Que., writes: "Baby's Own Tablets have been of great benefit to my little boy, who was suffering from constipation and indigestion. They quickly relieved him and now he is in the best of health." The Tablets are sold by medicine dealers or by mail at 25 cts. a box from The Dr. Williams' Medicine Co., Brockville, Ont.
