EEP YOUR MONEY AT HOME, BY

Mr. H. R. STEVENS:—

Dear Nir,—I take the pleasure of writing you a small certificate concerning Vegetine prepared by you. I have been a sufferer with the Dyshepsia for over forty years, and have had the Chronic Dirrhaa for over six months, and have tried most everything, was given up to die, and did not expect to live from day, to day, and no physician could touch my case. I saw year Vegetine recommended to core Dyspepsia. I commenced using it, and I continued doing so, and am now a well woman and restored to perfect healt. All who are offlicted with this terrible disease, I would kindly recommend to try

dlent as a blood perimer.

By Dr. T. B. FORBES, M. D., for

Biographical Dictionary
of over 9700 Names.
From The Canada Educational Monthly,
Toronto.—And just here comes in the contrast of
the position of the Englishman with that of his
kinsman on this aide of the Atlantic. He has no
"Webster;" no book of an all-satisfying requirement, no one reference work in which he will
find all that he may be in quest of, no single
quarry that will yield him every ore his demands
require the inspection of—such as he may find
in the mammeth "Unabridged Webster." Having regard to its issues, its thoroughness, its
compactness, and its price, it is an amaxing
product of literary skill and mechanical workmanship.

There should not be a school in the Dominion, where access cannot readily and constantly be had to it. No teacher, and we might add, no reader of the language, can afford to be without it, for it is a monumental work, a noble tribute

Agricultural.

The Foot of the Horse and its manage

HOW THE FOOT SHOULD BE TREATED. Having, in our last, seen what the each other on the sidewalk last Monday ommon practice of the farrier is, in morning as they were starting for their preparing and shoeing the foot, we will places of business, and one of them a now see how it should be managed. man who resides on Van Buren street, From the time that the colt is a month asked the other, a Jackson-street man, old, his feet should receive the con- if cows had any front teeth on their stant attention of his owner; the de- upper jaw. The Jackson street man velopment of the bones, joints and was a little astonished at the question muscles of the limbs is materially in as there had been nothing said about Will be put in the berth for Demerara on her fluenced by the care bestowed on the cowe, but replied promitly.

All parties wishfeet, in a state of domestication. Thus, wish- feet, in a state of domestication. Thus, Why of course they have from
