STOLE CHATELAINE IN THEATRE

Montrealer is Under Arrest—Death Rescues a Harvest.

HAMILTON, July 1.—(Special).—Word was received of the death of Vincent Brill, whose brother lives at 96 McGill-street. He was accidentally killed at the works of the Puget Sound Iron and Steel Co.

A man giving his name as Joseph Vendel, 217 St. Lawrence-boulevard, Montreal, was arrested this evening at the Colonial Theatre on the charge of picking a purse from a chateleine bag carried by Mrs. Jones, who sat beside him in the theatre. She accused him of the theft and he made for the door. It is charged that he threw the purse under a seat as he was coming out.

Mrs. Jamieson, 294 Northeast-avenue, was overcome by heat this afternoon while ironing, and fell backwards, making a big gash in her head. She was taken to the city hospital.

Sarah Ann Heslop, daughter of John Heslop, who was murdered at Ancaster on Jan. 27, 1891, died today after a long illness. She was 64 years of age.

Benjamin Ross, to his train brother of Ma or F. B. and Capt. W. L. Ross, a traveler, died this morning. His headquarters were at Vancouver, and he came home some time ago in Hamilton.

Thomas McEwan, 47 years of age, Central and Lorne-avenues, died this afternoon. His remains will be forwarded to Oronago.

CONDUCTOR ARDELL KILLED Meets Death While Walking on Track

NORTH BAY, July 1.—(Special).—Ashland Ardeell, a C. P. R. conductor, was killed near Markstay, 56 miles west of North Bay, last night, while walking along the track.

Ardeell's train was stalled by a freight wreck, which had blocked the line, and he had walked out to the farmhouse a mile away, where a party was in progress. Returning to his train he must have been struck by the westbound Winnipeg express, the mangled body being picked up this morning by section men.

Ardeell leaves a wife and one child in North Bay. Interment will take place at Bryson, Que.

PORT ARTHUR'S GREAT DAY DIMS THE PORT'S GLORY.

PORT ARTHUR, July 1.—(Special).—The biggest and best Dominion Day celebration ever held in either Port Arthur or Fort William conjunctly, was held today, singly by Port Arthur.

Fort William had declined to join in this year's, saying they were big enough to run their own. The celebration and evening Port Arthur was practically deserted, everyone being here and at Current River.

A procession of floats and callthumpians half a mile long, took eleven minutes to pass a given point. The first prize for float went to this afternoon for a model "Dreadnought" drawn by four horses, and the second prize to the Pigeon River Lumber Company.

Kammer—Willinsky. A pretty wedding was solemnized last night at the Park Dancers, when Miss Ida Willinsky, eldest daughter of Mr. and Mrs. W. S. R. Willinsky of 70 Homewood-avenue, was married to Mr. Maurice Kammer of Rochester, N.Y. The bride, who was given away by her father, was attired in a beautiful gown of white tulle, with a hand embroidered, trimmed with pearls, and carried a shower bouquet of bridal roses and lilies of the valley.

The ushers were Mr. Matthews, Visé, A. Diamond, S. Krouch and A. Granatstein. Mr. and Mrs. Kammer left on the evening train for an extended tour of the eastern provinces and States. To show the high esteem that the young couple were held in by their numerous friends, the presents they received were numerous and expensive.

Events at Port Arthur. PORT ARTHUR, July 1.—In the races to-day the four mile road race was won by A. E. Thornham in 17 minutes 4 and 4-5 seconds.

CANADA MAY VOLUNTEER TO GARRISON INDIES

Jamaica Hears the Rumer That Sir Fred. Borden Will Suggest It at Conference

NEW YORK, July 1.—The Herald prints the following cable from Kingston, Jamaica:

"A report is published here on good authority, stating that the Canadian Government has submitted a proposal to the British Government, that the latter hand over the garrisons of the West Indies to the Dominion military authorities. It is said the scheme is supported in London and is being considered by the imperial defence committee.

"Jamaica is the only place in the West Indies with imperial troops, consisting of artillery, engineers and the West India Regiment. If the offer by the Dominion is accepted, the last named corps will likely be disbanded, all units to do duty here being from the Canadian forces."

An Ottawa special to The Herald says:

"While the proposal on the face of it smacks rather of the sentimental than the practical, it is to be borne in mind that there are in the British West Indies soldiers who would be a valuable adjunct to the British army of home defence; also that Canada has had some years of military training, and the unification of British interests on this hemisphere.

"Any arrangement, however, which Sir Frederick Borden may be empowered to propose to the imperial defence conference must be conditional upon the Dominion's military authorities. It is said the Dominion military authorities, if they accept the last named corps will likely be disbanded, all units to do duty here being from the Canadian forces."

OPEN-AIR HORSE SHOW AT QUEEN'S PARK IS THE BIGGEST AND BEST YET

Several Hundred Commercial Steeds Compete For Association's Valuable Prizes.

Lovers of horses flocked to Queen's Park in large numbers yesterday morning to witness Toronto's seventh annual open air horse show and parade, which was bigger and even more successful than any of its predecessors. Not only was the show heard of by the officers of the association, who annually devote much work and time to the promotion of the open air show, but it was also the subject of the catalogues, "of improving the condition and treatment of commercial horses and to induce owners and breeders to take more pride in their animals' appearance."

That this object is being attained was plainly evidenced by the presence of hundreds of handsome steeds, groomed to perfection. Dr. Grange, principal of the Veterinary College; Russell, M.P.; W. H. Black and a number of other judges, said they had never reviewed a finer lot of commercial horses. Speaking of the butchers' horses which he judged, Dr. Grange said: "I am surprised and delighted to find such a splendid grade of animals in front of the carriage classes. I have never seen such a fine lot of butchers' horses before."

Following are the prize winners: **Horses in Harness.** Class 1—Horse and Driver's Gay Lady Thoroughbred, driver R. T. Brown's Nancy S., William C. Barclay's John Queen.

TORONTO BOYS AT DUNNVILLE

Win Nearly Everything Except the Bicycle Race—Lawson's Marathon.

DUNNVILLE, July 1.—The first annual meet of the Dunville A. A. C. held to-day, was a very successful one. In addition to the entries from various outside centres, there were five members of last year's Olympic team present. The events were all well contested. The Marathon race was all Lawson's, and, with the exception of a mile, he could have won the time down considerably. The day was warm, and fifteen miles was all any of the contestants wanted to go. The weather was fine, and a large crowd assembled. Following are the names of the prize-winners:

100 yards race—Fred S. Dent, Millonair Club, Woodstock, 1; Cal. D. Bricker, W.E.Y.M.C.A., Toronto, 2; H. H. Hitting, I.C.A.C., Toronto, 3.

G.G.O.C. FIELD SPORTS AT THE LAMBTON CAMP

Big Program of Events Gone Thru Without Accident to Mar Holiday

July two thousand people attended the regimental field day sports of the Governor-General's Body Guard at the Lambton Camp yesterday afternoon. An interesting program of events was gone thru without accident of any kind.

In the officers' smoking race, one of the competitors, Lieut. Fletcher, was saved the ignominy of being numbered "two" by the action of his gallant horse, which absolutely refused to move except in a circle.

The post today's camp here has been an exceedingly pleasant one for the regiment, and the only complaint which is laid with regard to a temporary one inch supply of water, which was not fit for drinking.

The water was not fit for drinking for purposes of private houses. The committee in charge of the sports were: Major Smith and Lieut. Fletcher, Starter; Capt. Campbell; Judge, Major Kennedy and Lieut. Fletcher, master of ceremonies, Sergt.-Major Steer, R. C. D.

LADY EDGAR RE-ELECTED PRESIDENT OF N.C. OF W.

Lady Aberdeen, Founder of Society, Presides at Annual Meeting

Dominion Day was celebrated by the National Council of Women of Canada holding its annual convention. The founder and first president, Lady Aberdeen, at the request of Lady Edgar presided. The meeting was held in convocation hall.

The feature of the day was the establishment of a five year organization with Lady Aberdeen as president. Mrs. Sanford followed with \$50 a year. Other subscriptions made a fund of \$2000. Lady Aberdeen said a forward movement was essential now or the inspiration of the recent congress would pass away.

The report of the corresponding secretary, Mrs. Willoughby Cummings, stated that the council had 25 locals and 13 affiliated societies.

Mrs. Frost, treasurer, reported receipts of \$1824.29; disbursements, \$1700, printing \$420, balance \$228.47.

Mrs. Westcott, convener of the committee on pernicious reading, reported that a investigation at Montreal had disclosed that the five-cent moving picture shows exhibited many vulgar scenes and the one-cent slot machine pictures were positively immoral.

The question of an official newspaper for the council was referred to the committee on publications. It was authoritatively stated that the council had so far never appointed any newspaper as its organ.

The officers of the council and conveners were re-elected. The officers are: Lady Edgar, president; Mrs. Willoughby Cummings, secretary; and Mrs. Frost, treasurer.

Lady Aberdeen gave the concluding address, expressing deep thanks for the kindness which now and in the past she has always received in Canada, so much so that it was hard to say the word good-by! Lady Aberdeen said that Lord Aberdeen sent his regrets at being unable to be present to again meet his many Canadian friends.

The council closed with "Auld Lang Syne" and "God Save the King." Lady Aberdeen shook hands with everyone present and expressed a hope to meet them again at the congress in Rome in 1914.

Farewell

To Her Ladyship, the Countess of Aberdeen, as a slight token of the esteem in which we Canadians hold her personality.

A fond farewell, our gracious thanks accept, And know that bonds of love and peace have tighter crept Across our hearts, and many thoughts of lasting good Have, since you came, crowned womanhood.

Then, may God speed you on your homeward way, And spare you to return some welcome day; And may He richly bless your work, your power from zone to zone, Your sympathetic life, which makes our needs your own.

Lacrosse Boys in Blue Beat Nationals Basebal Torontos Athletics Holiday Results

Note and Comment

The Torontos and Nationals gave one of the most exhibitions of the national game imaginable yesterday...

At stick handling they are beautiful, but with little on the Toronto, Jimmy Murphy worked the megaphone stand...

The crowd thoroughly enjoyed the clean lacrosse, but insisted on giving the losing visitors, calling them Psa groups...

Toronto ball-players could always wallop Buffalo. With seven other teams of Bisons the Pets would always sure land the rag...

Dummy Taylor will about strike the Iron and Oil League next year. He fell before us yesterday for double figure bingles...

If they did beat the favorites again at Hamilton, Plaudmore at least had to come to try Joe Doer's runner making 1.1 3-5, knocking 1 3-5 seconds off the 1-3 miles track record...

Creel also made a new time for the track for 1-1/4 miles, 1.46, the former being 1.46 2-5. Both these old marks were held by Cave Adams, who had, however, the satisfaction of forcing Creel to the limit yesterday.

Good, the Hamilton stewards have made a move, but there are some who think they ought to go further with more satisfactory results.

Reports from Victoria, B. C., are to the effect that after three weeks of the summer races the attendance and enthusiasm displayed by the racers...

The racing, as conducted by the club thus far, has been of the first class and work of the highest order...

The day on which the Victoria Derby was run, proved, by the extraordinary attendance of over 10,000 people, that the meeting is not only a fixture for this summer, but that it will become a yearly event...

By winning the Derby, Mr. Wheatcroft assumes the lead in the list of Victoria winning owners. His lead, however, is not very great...

Further, it is stated that Mr. Wheatcroft is so well pleased with the racing outlook in British Columbia that he has consented to finance the Vancouver meeting, which will open in the mainland city on Aug. 21.

Old Bob Pittsmissins has the prize fight champion sized up about right. "So Ketchel can be champion, and I did when I was champion," said the Lanky one, the other day. "Well, if he can he'll knock the stuffing out of Johnson in jig time and will be champion of the world. Johnson is a clever boxer, but he can't hit and isn't game. I could have stopped him in a couple of rounds ten years ago."

An English sporting writer says: "R. Kern Such was very great in the arrival in this country of these great runners, whose appearance in our championships next month will make very interesting. Interesting Walker's departure from Cape Town was proclaimed by catbarram; Cartmel and Kerr came quite quietly, and I delight in their presence, which means great sport. More especially am I pleased at the arrival of Kerr, for at Stamford Bridge we will have settled the matter for all the problems of superiority as between the Natal and the Canadian sprinters."

Ginn Wins at Onitla. W. Ginn of the C.C.C.C. won the 15-mile bicycle race at Onitla yesterday. Brown, Aurora, was second; Alken, Aurora, third; P. Moore, Stratford, fourth; F. Williams, Aurora, fifth; Thompson, sixth, and G. S. Eachern, Aurora, seventh.

SPLIT HEATS AT DUFFERIN

Matinee Crowd Enjoy Fine Mixed Card on the Holiday.

A fair sized crowd hurried out to see the matinee races given by the Dufferin Driving Club at Dufferin Park on the holiday afternoon. The weather was ideal for fast work, and the time, considering the track, was exceptionally good.

There were no straight heats, any race, all of them being split heats, which makes harness racing so interesting. There was no unnecessary delay in scoring and the starter had his fields ready hand at all times.

There were no accidents to mar the day's pleasure, and those in attendance seemed to be well pleased with the program put on. The summary follows:

WESTMINSTER 8, VANCOUVER 7. Police Warn B. C. Rival Teams and There Was Not a Single Fight.

VANCOUVER, B. C. July 1.—Because the last time that the Westminster and Vancouver met on the lacrosse field there was no shooting, hitting than goal making, the chief of police and police inspector went on the field this afternoon before the game commenced between the rival teams and warned them that if play became unnecessarily rough both teams would be arrested and jailed.

The warning had its effect, for not a single player was knocked out during the struggle and only three players were ruled off for severe checking. There was not a single fight as compared with 15 in the last game.

Seven thousand spectators were present and the champion Westminster National, Duprax, dominated the Westminster's win will be notable because several of the best players of the team were crippled after two Minto-Cup games with the Tecumsehs within a week.

RAIN IS BADLY NEEDED TO HEAD OUT CEREALS

Conditions Will Have to Be Favorable Next Few Days to Produce Average Yield.

The splendid promises for a big crop of cereals in Ontario are not proving good under the pressure of a dry spell like we are getting.

Barley, fall wheat, spring wheat and oats are all rapidly heading out in the country, and unless we have copious showers during the next few days there will be a decidedly light crop of grain.

As it is, there is not going to be the yield in Ontario that was expected. A great deal of grain was sown late owing to the wet spring, and this will not bring much in harvest.

There is no light or bug on the crops as yet. Peas have a big acreage and so far the government report, while probably overly optimistic, in many points tells of fewer parasitic enemies on peas than have been known for years.

DOUBLE FUNERAL

Two Graves Receive Bodies of Mrs. Caswell and Granddaughter.

Two graves in separate plots yesterday received the remains of Mrs. Mary Caswell and her granddaughter, Viola Callan, who died at 86 St. George street—the child of ptomaine poisoning and the granddaughter of apoplexy, while standing beside the casket of the girl.

Special arrangements for the double funeral were carried out by Bates & Dods, undertakers. The black hearse with the remains of Mrs. Caswell, preceded the white one bearing the body of the little girl.

The cortege of friends and mourners was very large and the floral tributes many and elaborate. Mrs. Caswell was a sister-in-law of the late City Solicitor Caswell, in whose plot her remains were laid to rest. The child was buried in her father's plot.

EXPEDITION TO TEHRAN

Russia Determined to Intervene in Persia if Necessary.

ST. PETERSBURG, July 1.—Orders were issued to-day to the military department of the Caucasus to prepare troops for the Russian expedition to Teheran, the capital of Persia.

It is believed here that Great Britain will make no objection to the Teheran expedition. In addition to protecting the lives of Russian subjects at Teheran, the Russian Government is determined at all costs to keep open the highway between Ensool and the capital.

At the urgent request of the principal artery for Russian trade, which already has suffered great losses as a result of the Persian disorders. It is believed here that Great Britain will make no objection to the Teheran expedition.

Panic at Teheran. The advance of the national forces on Teheran to-day caused a semi-panic on the bazaars. The merchants, fearing an outbreak of lawlessness and looting, with which the disorganized police force would be powerless to cope, suddenly closed all their shops.

BARBARA HECK MEMORIAL UNVEILED NEAR PRESCOTT

Lasting Tribute to the Founder of Methodism in America—Of International Design

PRESCOTT, July 1.—(Special.)—Nearly 2000 Methodists from different parts of Canada and the United States assembled at the Blue Church Cemetery, three miles west of Prescott, to-day, to witness the unveiling of the memorial lately erected in honor of Barbara H. Heck, the founder of Methodism in America.

The memorial is of massive and dignified appearance. It is international in character. The two bases, which weigh respectively 11 and 8 tons, are of Stanstead granite, quarried in Quebec, and the shaft itself is of Barret granite, while the bronze medallion of Barbara Heck, on the face of the shaft, was cast in England.

The design is American, by Ewers Bros. of Ogdenburg, N. Y., and the workmanship Canadian, by the McIntosh granite works of Toronto.

Little Miss Evelyn Bennington, a great-great-granddaughter of Barbara Heck, pulled the cord which unveiled the statue.

Bishop Hamilton of Boston and Rev. Dr. Carman of Toronto were the principal speakers. The chairman, Rev. Dr. Couch of New York, took as his text: "Behold how great a matter a little fire kindleth." He quoted statistics to show the wonderful growth of Methodism since it was introduced into the country by Barbara Heck in 1760.

To-day the church owned property in the United States valued at \$196,845,581. There are 28,765 churches and 19,400 regular ministers, assisted by 14,743 local preachers.

Bishop Hamilton spoke for about an hour on the history of Methodism and its relation to the development of the country. Dr. Carman spoke on the wonderful power derived by Barbara Heck, from her constant study of the old-fashioned Bible, which was the Bible of Luther, Calvin and John Knox, and not the weak, washed-out Bible of the moderns.

The cost of the memorial will be about \$2000.

Heavier Than Air But Flies. WASHINGTON, D.C., July 1.—For the first time in America a helicopter heavier than air type of flying machine which depends on aerial screws for its lifting power, has successfully lifted itself with an operator. The machine was built by J. Newton Williams of Derby, Conn.

NEW YORK, July 1.—A new plan for the solution of New York's rapid transit difficulties was submitted to-day by the Interborough Rapid Transit Company. The company proposes to construct about 20 miles of new track, two-thirds being in extensions to subway lines and one-third extensions of elevated roads. The cost will be \$70,000,000.

Cuba Pays For Armaments. MADRID, July 1.—It is announced officially here to-day that Cuba has paid to the Spanish minister in Havana, Senor De Agala, the first of the three annual instalments of \$300,000 for Spanish cannon left in the fortress of Cuba and claimed by Spain under the terms of the peace protocol.
