THIRTY-SEVENTH ANNUAL REPORT  
OF THE COUNCIL OF  
The Nova Scotia Rifle Association.

1900.

---

The Council of the N. S. R. A., begs to submit to the members the Thirty-seventh Annual Report of the proceedings of the Association.

The Annual Prize Meeting was held on Bedford Range, commencing on Tuesday, July 3rd.

Tuesday and Thursday were beautiful days, Wednesday morning it rained, but cleared off about noon. Friday was fine, but the wind blew very hard, making high scoring impossible, and rendering it very difficult to work the large first-class targets, one of which finally became disabled.

There were 172 entries, an increase of 44 over last year. The increase was entirely in the number of affiliated competitors, the full membership remaining exactly the same as in 1899; viz., 113: while the affiliated members numbered 54.

Your Council is glad to be able to report this large accession of new men, and if any considerable number of them attend subsequent matches, one of the objects of the Association will have been attained.

The Association is indebted to the Hon. Minister of Militia for the granting of free ammunition for the matches. This is a great boon and your Council hopes that the Department will see its way to continue the privilege.

Your Council has now to report a case in which "the unexpected has happened."

At the last Annual Meeting petitions were read from three of the Rural Corps', signed by a large number of men, praying to have the date of the Annual Competitions changed to the first week in July, which would insure a much larger representation from those regiments and from the country districts generally.

Acting on this request, and by the advice of the Annual Meeting, the Council decided to hold the matches on the 3rd July and following days. In addition to this, considerable expense was incurred in advertising, printing posters and circulars, and distributing same throughout the Province, and yet there was practically no increase in the attendance from the Rural Corps." One of the petitioning regiments did not send a single representative. All this too in spite of the fact that free ammunition had been granted, "Tyro" prizes introduced, and that unusual attention had been attracted to the Militia and to Rifle shooting on account of the war in South Africa.

On the other hand, the City of Halifax, which would have preferred the old dates, sent a number of new men to the meet.

Notwithstanding the fact of a larger number of competitors being present, the entries for the Ladies' Match were only 81, as against 103 last year, and the entries to the Long Range fell from 51 to 45. The entries for the Ottawa Team only numbered 23, a falling off of 12 from last year.

This was probably owing to the unusual length of time between the two meets, as we had fifty-two representatives at Ottawa, possibly the largest number ever sent by this Association.

The Ottawa Team was in command of Lt.-Col. Macdonald, with Capt. Suckling as Adjutant, and by the accompanying report it will be seen that our men were very successful.

The N. S. R. A. won the second prize in the London Merchants' Match and came very near to winning the cup. British Columbia beating our men by only one point.

Gunner Burns, 1st C. A., gains 14th place on the Bisley Team for 1901, and Capt. H. C. Blair, 78th, is again first waiting man, with 21st place.

The Association is indebted to the Dominion and Local Governments for the usual grants to our funds.

The Inter-maritime Match was shot at Bedford this year, and was again won by P. E. Island, with 725 points. This is the highest score ever made in this match. New Brunswick was second with 695, and Nova Scotia last with 690.

The Treasurer's report herewith shows our funds to be in a very satisfactory condition. The balance at the credit of the general account is about \$150.00 less than it was last year, but this is owing to the unusual expenditure of some \$165.00 for Binoculars and Revolvers, the ordinary expenses having been met by the income.

It was a very great help to the Register Keepers to be supplied with glasses. While the increased number of entries in the Revolver Match shows the good results of this outlay. Still further increase is looked for in this match.

The accounts of the Inter-maritime fund have been duly audited and show a substantial increase of the balance at the credit of this account.

Your Council wishes to place on record the deep sympathy felt for the Hon. Minister of Militia in the death of his son, Major Borden, a former member of this Council, while engaged in action in the Transvaal.

The presentation of prizes took place on Thursday evening, July 5th, at the Drill Hall, Halifax, in presence of a portion of the City Brigade.

The prizes were presented by General Lord William Seymour, Commander of the Forces, who addressed the competitors and expressed his interest in the work of the Association.

Your Council is pleased to report that the work of improving and extending the Bedford Range has been commenced. When completed we will have one of the best Rifle Ranges in Canada.

Submitted on behalf of the Council,

E. D. ADAMS, Capt., Secretary.

It was resolved that members of the 3rd Special Service Battalion, R. C. I., now doing garrison duty in Halifax, be entitled to compete as Tyros, if otherwise eligible.

The Secretary was instructed to have 250 posters lithographed and circulated, calling attention to the matches.

As free ammunition had been granted the D. R. A. for last year's matches, the President was requested to communicate with the Minister of Militia with a view to obtaining a similar boon for this Association.

It was decided that the definition of "Tyro" should be "one who has never won a prize of four dollars or upwards, at any Canadian Provincial or Dominion Rifle Association meet."

It was resolved to appoint one Range Officer and two assistants. All to be paid for their services.

The Secretary was instructed to procure register keepers and buglers; also to obtain the services of Major Purcell and Mr. Suckling, or other available persons, to superintend the markers.

Major Garrison and Lieut. Hills again kindly undertook to attend to the issuing of railway tickets at the station.

Major Flowers, Capt. Taylor and Lieut. Hills were appointed a committee to select the Ladies' prizes.

It was resolved to have the presentation of prizes take place at the Drill Hall, if practicable, on Thursday evening at 9 o'clock, and Colonels Crane and Oxley were appointed a committee to make the necessary arrangements, Colonel Weston and Major Jones to be requested to act with them.

Lieut.-Col. Crane, Major LeCain, Major Flowers, Capt. Dover and Lieut. Wilson were appointed as the Executive Committee.

The providing of a caterer was left to the Executive Committee.

The meeting was then adjourned.

#### MEETING OF COUNCIL, June 5, 1900.

It was decided to take 25 cents off the entry fee in each of the principal matches, viz. : 2nd, 3rd, 4th, 5th and 8th, and fifteen cents off the Ladies'; one dollar and sixty-five cents off the Battalion; one dollar and fifty cents off the Bugle, and thirty cents off the Long Range. This being the cost of the ammunition.

## MEETING of COUNCIL, August 16th, 1900.

Lieut.-Col. Irving, president, (in the chair); Lieut. Wilson, Capt Marshall, Major Garrison, Lieut. Hills, Lieut.-Col. F. H. Oxley, Lieut.-Col. Walsh, Lieut.-Col. Crane, and the Secretary.

The minutes of the last meeting were read and confirmed.

A letter from Lieut. Blair, relative to allowance to Bisley men, was read but no action was taken thereon.

A letter was read from Lieut. Jas. W. Day requesting to have his name placed on the Ottawa team as first waiting man, his score entitling him to that position had his aggregate card been handed in on time. It was decided that Lieut. Day could not be awarded 21st place, but that in the event of no more than nineteen men (of the 22) proceeding to Ottawa, then he should have the 20th place.

The meeting then proceeded to discuss the awarding of the Aggregate Medals. The report of the Executive Committee, two letters from Major Bishop claiming two of the medals, and a letter from the G. G.'s Secretary were read.

On motion of Lieut.-Col. Crane, seconded by Lieut. Wilson, it was unanimously resolved that the Governor-General's medals be awarded the two "active" militiamen having the highest scores, as provided for in the programme.

Lieut. Wilson moved, and Lieut.-Col. Crane seconded the following resolution:

*"Whereas, the N. R. A. Medal was not won in accordance with the programme.*

*"Therefore resolved, that it be given to the active militiaman of Nova Scotia proceeding to Bisley in 1901 who stands highest on the team. Should the highest man already possess a N. R. A. Medal, then to go to the next qualified man, and so on. Failing to dispose of the medal in this way, then to be included in next year's prize list."*

It was moved in amendment to the above by Lieut. Hills, seconded by Lieut.-Col. Walsh, "the D. R. A. Medal be given, along with the Badge, as a first prize, and the N. R. A. Medal, as second prize, the second highest man being an active militiaman." This was in the nature of a compromise, as probably the best way to get out of a peculiar difficulty.

The amendment on being put to the vote was lost—five to three—and the original resolution was then carried by the casting vote of the chairman as the only alternative.

There being no further business the meeting was adjourned.
