“from the preceding term, and shall obtain from the Bursar a Card of Admission to the School, which shall be presented to the Head Master within the first two weeks of the term.

BOARDING.

Boarders are received into the School-House, a large and commodious building, with accommodation for sixty boys. The School-House is under the immediate supervision of the Head Master, assisted by three resident Masters. The household arrangements are directed by a Lady Matron of acknowledged ability and experience. The grounds, covering eight acres, afford ample room for cricketing, &c., and an open-air Gymnasium has been erected, which with a Fives-court to be built as soon as circumstances allow, will ensure the muscular development of the boys.
