NO. 10.
To the Warden and Councilors of the Municipality of Carleton.

Gentlemen:
I beg to submit the report of the local board of health, District No. 10 for the year ending December 1918. Small Pox, which was prevalent in the County at last report, continued until August and increased the expenses of the board very much. There were, during the year, more cases of scarlet fever and diphtheria than has ever been common for the last few years.

There is an over expenditure of more than four hundred dollars for the year so that we will require an appropriation of at least six hundred dollars for 1919. The financial statement and bills are submitted. Mr. Hiram J. Clark, who has served on the Board for a number of years resigns his position. You will please appoint another in his place.

Respectfully submitted,
I. B. CURTIS,
Chairman

The Warden read the report of the former Board of Health and on motion an order for \$425. was drawn to wind up the affairs of this board which has ceased to exist.

Dr. G. W. Somerville also has small bill not yet rendered. It was moved and seconded that \$425.00 be assessed to make up the over expenses. Also that a man be appointed to take Hiram J. Clark's place.

Discussion that Dominion Government pay a certain part of the expenses when over expenditure. Mr. Hartley said this had only been done once, through courtesy, but was not the custom.

Coun. Perry's report on poor farm not ready. Will be read at morning session.

Coun. Tracey stated that it was the impression of the people that they were getting rich out of this grain transaction, whereas they were merely doing a lot of work, for which they were not charging, and that they were not making anything on the transaction. They were in debt \$219.00 and this amount the Government paid. There was also a debt of about \$50. It was moved by Anderson and seconded by Gallagher that \$30.00 be paid Coun. Tracey, difference on last years grain transaction.

Two letters read from Mr. King to the Secty Treas. regarding delegates to attend the delegations of the councillors of the different counties. Councillors said there were some councillors went some years, and it was merely a pleasure trip and no benefit gained by going, and it was then decided that they would not attend again. Mr. Hartley said the delegates received the better judgment which would be derived from the other councillors from the different Counties, better and cheaper ways of doing things.

The Sect. Treasurer advised that the fees for back dues would not have to be paid.

Finance Committee: Councillors, Phillips, Lemont and Benn.
Building Committee: Councillors Stevens, Clark and Watson.

Coun. Esey: Wanted a standing Committee to meet before the School Board at eight o'clock tonight, so they could give a further report regarding the school matters.

Moved by Coun. Bell and seconded by Coun. Gallagher that the Committee be made a standing committee.

Moved and seconded that J. O. Hartley be re-appointed Sect. Treas. with the same salary as last year, as was Chas. Comben.

The Sect. Treas. received a bill to gether with a letter regarding Boyer. This is to be dealt with by the Parish of Wakefield, who will take this matter up with Boyer and see if reduction can be made. This is a matter pure and simple for the Parish and not the County.

Moved by Coun. Melville and seconded by Coun. Tompkins that \$200.00 be paid for the Parish of Peel for poor purposes.

Moved by Coun. Esey and seconded Coun. Tracey that \$750.00 be paid for the Parish of Wicklow for poor purposes.

FOUR P. M.

The Mayor, Aldermen, and a few delegates for the Town, met the Councillors for the purpose of discussing the question of a Memorial for the soldiers who will not return, and the returned soldiers. Mr. Geo. Balmains gave a brief synopsis of the war, and then read a petition.

Rev. Frank Baird, confirmed Mr. Balmains' statement that there should be a memorial erected, and he also thought there should be a room where all trophies of the war which have been gathered, could be put where anyone could go and see them.

Refs. A. S. Hazel, S. Howard, and Col. Dibble also spoke regarding the Memorial and were all in favor of it.

Delegation left at 4.45 P. M.

A committee of Stevens, Phillips, Keith, Clark, Perry and the Warden appointed to look into this matter of a memorial, get what information they could regarding same, and come before the board tomorrow.

Mr. Hartley asked to give his views in regard to this. Said his idea of a memorial was not to put four or five thousand dollars into a mass of stone, which would neither beautify the Town or give anyone any pleasure, but something that would give the Public pleasure and comfort.

Moved and seconded that the committee be given until the June Session to get the information.

The Causes of Backache Can Be Remedied

Many people are apt to disregard backache as being of slight importance. This is wrong. A backache should be accepted as a very grave warning that the kidneys are not performing their proper function, and need immediate attention and assistance.

One ingredient of GIN is a most beneficial agent in the tuning up of the kidneys and restoring these vital organs to their normal duty of eliminating the poisons from the blood.

GIN Pills contain this ingredient, together with other tested diuretics and antiseptics, without a suggestion of alcohol.

GIN Pills are made from a formula produced from the results of scientific research, and contain only ingredients of tested and proven value.

When you feel backache coming on, be warned and take GIN Pills at once. It may save you a great deal of suffering. Should you neglect the backache or pains in the side, you stand in danger of more serious ailments, such as Sciatica, Lumbago, and Swollen Ankles and Joints, with their excruciating pains and prolonged dreary suffering.

GIN Pills can be obtained from almost any dealer, and the price is only 50 cents a box. You buy them on a guarantee of satisfaction or your money refunded.

The makers of GIN Pills will be pleased to send you a free sample if you address your request to the National Drug & Chemical Co. of Canada, Limited, Toronto, U.S. residents should address N. D. & C. Co., 302 Main St., Buffalo, N.Y.

road damages for Parish of Kent.

Moved Coun. Esey and seconded Coun. Gallagher that Mr. Blair

heard before the Board as a representative of the School Board of the town.

Mr. Blair said it had been decided that the boys would take manual training up to grades eight, and then the boys would take Blacksmithing and all iron works, and Mechanics. For this there would have to be a male teacher, which would cost about \$1,000 per year, of which half of this would be paid by the government.

The girls would take Domestic Science up to grades eight and after that dress-making, millinery, the science of cooking. Also that they give a business course, shorthand and stenography. This last to be given outside pupils as well as the school pupils. Also that any outside pupils could take any of these courses and if they wished take whatever subjects they wished in the regular school. That is if they wished take the business course and didn't have sufficient education they could enter the school here and take whatever subjects they needed. Or an outside pupil who were in town to take any one of these courses could go to school and take whatever subjects they wanted to so as not to waste their time while paying their board in town.

There would have to be four teachers, one for the Agriculture course, one for the Commercial course, one for the Household Science.

Agricultural teacher would cost \$1800, Commercial teacher \$1000 for a two months course, and the Manual training teacher \$1000.

The town would maintain the building, that is the fuel light and all equipment. Mr. Blair asked that they give \$1250 toward this.

Moved by Coun. Esey and seconded by Coun. Hagerman that the County would grant \$1250 in order to get this school going for the Fall Term. This money to be paid under the instructions of a committee appointed to look after this matter.

Moved and seconded that a list of names for the Parish of Wakefield be assigned.

Moved by Coun. Hagerman and seconded by Coun. Curvell that copy of the resolution be sent to Dominion Government for assistance regarding the technical school he mailed Hon. P. B. Carvell in order that he give his aid to the matter also.

Moved by Coun. Keith and seconded by Coun. Melville that the following resolution be sent I. B. Curvell for his services:

Whereas the Local Board of Health for District 10, County of Carleton has, by virtue of the New Legislation, ceased to exist.

And Whereas for a period of twenty years Dr. Isaac B. Curvell has held the honorable position on said Board of Chairmen with credit to himself and to the district.

And whereas the members of this Council and the people of the County of Carleton whom they represent regard with sincere appreciation the said Chairman and the efficient work in which he has performed the duties of his position during his long

To the Auto Public

Ladies and Gentlemen: I wish to thank you for the liberal patronage you gave our garage during the past season. We have decided to close our books and to do a cash business during the coming season. We feel that this will be a more satisfactory way of doing business, to you and us. We believe we have come to stay, and to this end we have installed an up-to-date charging plant, which is operated by Mr. S. S. Grant who took a course of instruction at the Hart Factory where batteries are made. We have purchased some of the best tools to work with including patent Grease Pail, a large combination set of dies for auto work, a three wheeled jack, and expect to install a power drill. These are all new. While we cannot boast of having every kind of machinery, we claim to be able to do nearly any kind of a job. With about 10,000 feet of floor space we are able to take care of your car, repair or paint. We have engaged the services of one of the best and most artistic painters it is possible to secure in Canada. Anyone who has seen Mr. Dunn's work can testify to the truthfulness of this statement. Samples of his work can be seen here any day. All who wish work done for spring delivery better have your orders booked soon or get left in the lurch.

All who owe this concern will please settle at once as patience will soon cease to be a virtue in our case and past due accounts will be left for collection.

"HEARTS OF THE WORLD" is by the same producer as "The Birth of a Nation" and "Intolerance". It is the sweetest love story ever told.

IT'S BACKGROUND IS THE GREAT WAR. David Lloyd George commissioned Mr. Griffith to make this wonderful production under the auspices of the British Government. THE ENTIRE BRITISH ARMY IN FRANCE was placed at his disposal in the making of this gigantic screen drama.

YOU WILL SEE peaceful France and Belgium; then comes the storm of war, the maddest day of the holocaust in our history.

YOU WILL SEE the most striking indictment of German Brutality and German frightfulness yet shown to the civilized world.

YOU WILL SEE the British Parliament, Chamber of Liberty, in its famous session when the House of Commons voted in the name of humanity to resist the outrage upon a free people and TO FIGHT TO MAINTAIN JUSTICE IN THE WORLD.

YOU WILL SEE France, Cradle of Liberty, the memorable session of the Chamber Deputies, voting war with Germany, waiting for the further time that would bring them revenge for the crime of Alsace and Lorraine.

YOU WILL SEE WHY ANY COUNTRY THAT IS GOOD ENOUGH TO FIGHT FOR.

YOU WILL SEE displayed the great story of the great struggle, with the rainbow of promise of success and happiness brought to Europe by the coming of the British, Canadian and United States troops.

After witnessing D. W. Griffith's supreme triumph, "HEARTS OF THE WORLD" you will go forth with renewed ardor and with increased faith in the justice of our beloved country and allies in their fight for humanity and civilization.

Grand Falls Happenings

A meeting of the Farmers of Grand Falls, St. Andre, Drummond and New Denmark was held in MacLaren's hall on Feb. 5. There were about 300 at the meeting. Geo. Hanson of New Denmark was appointed chairman. The first speaker was T. W. Caldwell of Florenceville who explained the object of the meeting which was to consider the organizing of a branch both at Grand Falls and New Denmark of the United Farmers of N. B. Mr. Caldwell in a comprehensive speech, told the farmers why it was very essential to their interests to organize. He explained that all other industries were organized for business and as all the farmers had more money invested in their business than all other industries put together it would certainly be an advantage for them to get together and keep the money invested in their own country and among our own people. Farmers should be able to have a word to say about the prices of what they have to sell, as 75 per cent of the voters are farmers. Mr. Sippelle of Hartland also addressed the meeting and told of meeting with success in Hartland. A Chamberlain of our town kindly consented to address the meeting in French so that all might have a chance to understand just what was under discussion. Mr. Chamberlain made it very plain to the French speaking people present that it would be a good thing to organize for business. They all unanimously decided to organize a branch at Grand Falls and New Denmark. B. A. Rideout was appointed secretary pro tem and 46 names were signed and fee of \$1 paid for membership for New Denmark branch and 76 names and fees paid for membership in Grand Falls. S. H. THICK, GLOSSY HAIR FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, shiny and beautiful—Get a small bottle of Dandruff.

If you care for heavy hair that glimmers with beauty and is radiant with life, has an incomparable softness and is fairly and irresistibly beautiful—Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots furnish, loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Dandruff from any drug store and just try it.

WHEN OTHERS FAIL

Zam-Buk cures the most stubborn skin diseases and sores. This is because Zam-Buk's method of healing is entirely different and superior to that of ordinary ointments. When Zam-Buk is applied it does not remain on the surface skin, as an ordinary ointment would, because of its unusual refinement it penetrates to the underlying tissues. This is where all skin troubles have their origin. The germicidal properties of Zam-Buk then destroy all germs and thoroughly cleanse the diseased parts. Having done this, the healing resources contained in Zam-Buk so stimulate the tissues that new, healthy skin is quickly produced. The result is a complete and permanent cure of the sore or injury. Zam-Buk is best for eczema, ringworm, scaly sores, boils, pimples, itching rash, ulcers, abscesses, running sores, "barber's rash," blood-poisoning and bites. As a first-aid, too, Zam-Buk is indispensable. It stops bleeding, ends pain, draws out soreness and inflammation, prevents blood-poisoning and heals quickly. All dealers sell. **FREE SAMPLE.**—Send name of this paper, and 1c. stamp to Zam-Buk Co., Toronto, and we will send you free trial box.

Operation for Appendicitis

Mrs. J. A. Ballantyne, Sturgeon Falls, Ont., writes:—"My husband was treated for appendicitis and the doctors ordered an operation. But he would not consent to an operation and began the use of Dr. Chase's Kidney-Liver Pills. Since doing so he has had no need of an operation or even of a doctor as the trouble has completely left him. I cannot find words to speak our gratitude for his cure."

Mrs. Frank H. Paquin

The community of Bath was shocked and saddened when it became known that Mr. and Mrs. James Jones had received news of the death of their youngest daughter, Mrs. Frank H. Paquin, which occurred at her home in Haverhill, Mass., on Jan. 24, after a brief illness of influenza and pneumonia. About a week before

her death she contracted the dreaded epidemic and in spite of the best medical attention and loving care passed away at the early age of 24 years.

Mr. and Mrs. Roy Shaw of Haverhill accompanied the remains, arriving at Bath on Jan. 27, and the funeral service was held the following afternoon, in the Baptist church, of which the deceased was a consistent member. The pastor, Rev. G. O. Howlett, spoke in a comforting manner from the text "The Lord gave, and the Lord hath taken away; blessed be the name of the Lord." The following hymns were rendered in a tender, sympathetic way by the Baptist choir: "Sometime we'll understand, Face to Face, Sister, Thou wast Mild and Lovely, The Christian's Goodnight, Interment was made in the family lot in the Baptist cemetery.

Besides her husband, very ill with influenza at the time of her death, she leaves to mourn, her parents, two sisters, Mrs. Charles B. Inman of Kilburn, Mrs. (Rev.) J. Lloyd Hughes of Blackfolds, Alberta; two brothers, Pte. Wendell Jones in England and Turney at home and a large circle of other relatives and friends. The bereaved ones have the sincere sympathy of all in their sorrow.

Mrs. Paquin who was formerly Miss Myrtle Jones, was one who had the happy faculty of making friends everywhere, of lovable attractive personality, bright and sunny disposition. Her passing brought sadness and regret to the hearts of all who knew her. A true and loving wife, daughter, sister and friend, she leaves the precious memory of a well spent life to comfort the sorrowing ones who wait. "Until the day break, and the shadows flee away."

Sleep on, beloved and take thy rest. We loved thee well but Jesus loved thee best. Good-night, Good-night Good-night.

The floral tributes were numerous and beautiful, silently testifying to the esteem of the friends she had made in her new home. Following is a partial list:—Pillow inscribed "Wife" from Frank H. Paquin; pink, Cousins Alma, Jennie and Wesley; wreath of roses, Grace and brother Wendell; pink, Cousins Emory and Roy Shaw; narcissus, Mr. and Mrs. Geo. Smith; roses, Mr. and Mrs. Clifford Horne; roses and sweet peas, Mr. and Mrs. Herbert Palmer; pink and sweet peas, Mr. and Mrs. W. E. Ellis; narcissus, sweet peas, office staff of W. E. Ellis Co.; spray, Mrs. Ayer; pink, Mr. and Mrs. S. W. Mutter; pink, Wilbur T. Ball and children; Lilies, Mr. and Mrs. H. S. Webster; pink, Mr. and Mrs. A. E. Dugdale; pink, Mr. and Mrs. George D. Brassau; N.E., pink; Mr. and Mrs. H. F. Spinney; N.H., wreath of roses; Broadwalk Shoe Co., wreath of roses; Ladies Bible Class Winter St. Baptist church; carnations, Men's Class; narcissus, Mrs. D. H. Taylor and Miss Daisy Brown; narcissus and pink, Mr. and Mrs. E. H. Horne.

"You will do this to aid humanity. The idea back of your splendid story is a message to civilization that its light will not be in vain. Let me be the first to predict that when you have completed your labor, you will have produced a masterpiece which will carry a message around the world—a story which will inspire every heart with patriotism, with love of country, with the great Cause for which the civilized nations of the world have ever fought. Tired Nervous Mothers

Should Profit by the Experience of These Two Women

Buffalo, N. Y.—"I am the mother of four children, and for nearly three years I suffered from a female trouble with pains in my back and side, and a general weakness. I had professional attendance most of that time but did not seem to get well. As a last resort I decided to try Lydia E. Pinkham's Vegetable Compound which I had seen advertised in the newspapers, and in two weeks noticed a marked improvement. I continued its use and am now free from pain and able to do all my household work."—Mrs. B. B. Zazzara, 228 Wells Street, Buffalo, N. Y.

Portland, Ind.—"I had a displacement and suffered so badly from it at times I could not be on my feet at all. I was all run down and so weak I could not do my housework, was nervous and could not lie down at night. I took treatments from a physician but they did not help me. My Aunt recommended Lydia E. Pinkham's Vegetable Compound. I tried it and now I am strong and well again and do my own work and I give Lydia E. Pinkham's Compound the credit."—Mrs. JOSEPHINE KRAMER, 636 West Race Street, Portland, Ind.

Could Not Lift Stick of Wood

Would Almost Faint From Severe Pain in Back — Doctors Could Not Get the Kidneys Set Right.

A great many people suffer the results of deranged kidneys and do not understand the cause of trouble or the way to obtain cure. The writer of this letter suffered excruciating pains in the back and in vain his physician tried to cure him. For some reason or other his medicines did not have the desired effect.

Mr. Oils brother was a merchant selling among other medicines, Dr. Chase's Kidney-Liver Pills, and he heard him outbursting about how they were cured of kidney derangements by their use. This led to Mr. Oils putting them to the test with the splendid results reported in this letter.

Mr. W. C. Oils, Denton, Carleton County, N. B., writes: "I am glad to let you know how much your medicine has done for me. I suffered from my kidneys, which at one time were so bad I could not lift a stick of wood without getting on my knees, and then would kneel from the pain in my back. I consulted a doctor about it, and he gave me some medicine, but it did not help me. My brother, who is a merchant, and carries all your medicines, advised me to try Dr. Chase's Kidney-Liver Pills. I got one box and they helped me, so I got another one, and kept on until I had taken five boxes, which cured me. I have had no trouble with my back since, and am never without Dr. Chase's Kidney-Liver Pills in the house. Last summer I also suffered from piles. I used three boxes of your Ointment, and it cured them. I can certainly recommend Dr. Chase's Pills and Ointment."

Dr. Chase's Kidney-Liver Pills are sold by all druggists, or by mail from Dr. J. C. Chase, Ltd., Toronto. Do not be talked into accepting a substitute as you will certainly be disappointed.

them power to purchase a Home, which in the opinion of said Committee, is most suitable.

Moved and seconded an amendment to this resolution by Coun. Melville and Anderson in order to leave this matter open until the June session when the councillors could all look the farm over when the snow was off the ground.

Coun. Gallagher said there was two hundred acres to the poor farm at Woodstock, of which seven acres were cleared, and there was lumber enough to do any repairing. Three of the members of the Town Council had been consulted and were willing to sell for \$6500. Mr. Gallagher wants the members to look over the farm in April, so they can talk about getting things ready.

Moved and seconded that council adjourn until two p.m.

The following action was taken on the Municipal House:

To the Warden and Councillors of the Municipality of Carleton:

Your committee on the 'Municipal Home' have met and beg leave to report as follows:

We have investigated several farms and have gone over descriptions and prices at the same. Two of these are apparently suitable for the above purpose.

Your Committee strongly recommend the purchasing of a 'Municipal Home' and that a committee be now appointed to proceed with the purchase of a property for this purpose which in the opinion of the said committee is most suitable.

Committee:

O. W. CLARK,
W. D. KEITH,
H. A. PHILLIPS,
ROBERT BELL.

Opinion of some of the Councillors that the Town Council were trying to sell this Poor Farm at a time when the councillors could not see it. Mr. Gallagher stated that it was the Councillors who wished to buy and not the Town Council who wished to sell.

Coun. Perry wished to withdraw his motion and it was moved by Coun. Perry and seconded by Coun. Kinney that the following resolution be accepted:—"That a Committee consisting of councillors Perry, Phillips, Robert Bell, Hagerman and Moxon were to meet with the Town Council and get what information they could regarding this matter, and the matter would be brought up again at June session."

Moved by Coun. Carvell and seconded by Coun. Keith, that Coun. Perry be paid \$25.00 expenses on a trip which he made regarding the Poor farm. Coun. Perry said it was a pleasure and business trip, and had not asked to have his expenses paid.

Moved and seconded that by Law No. 28 have the word "TO" be struck off and the word BY substituted in its place.

Coun. Carvell from the Finance Committee, submitted following report. Total of \$21,000. Wish assessment of same amount for County purposes for year 1919.

On Friday evening a delegation of thirty of Centre Lodge No. 102, I.O.O.F., paid a fraternal visit to the brothers at Central Lodge, Bridgewater. A small contingent were also present from Florenceville Lodge and helped to make the evening a bang-up good time, and one long to be remembered by all. The degree team from Centre Lodge exemplified the second degree on a couple of candidates in a very thorough and commendable manner and received much praise for their work from the brothers present. The members of Central Lodge then catered very hospitably to the visiting brethren and the remaining hours of the evening spent in smoke, talk and cards. The boys returned home in the wee small hours, on the "strut" extra, with kindly feelings toward the Yankee brothers for the unstinting and candid display of the open heart and hand.

The United Farmers met in their regular meeting on Saturday evening. In the absence of the president, the vice-president, A. A. H. Margison, occupied the chair. The committee reports were all enthusiastically received, and the informal discussion took shape in a resolution to erect a general warehouse as a co-operative proposition in the near future. The farmers seem at last to grasp fully the truth of the old adage—that in union lies strength, and in this section they are probably numerically strong enough to get nearly anything they go out after.

The boys in their teens in the town are greatly enthused over the organizing of a company of Boy Scouts. A first meeting was held in the school house Friday evening for organization purposes. Guy Thompson has kindly consented to devote a part of his spare time as tutor to the young men in their duties and privileges as boy scouts and to become sponsor for their actions. This is a very worthy work and instills in the young men a strong sense of manliness, courtesy and discipline, three very necessary traits that a young man must possess to be or do anything worth while. Mr. Thompson should receive the hearty co-operation and encouragement of the several parents of the youths in this special line of efficiency.

Mr. and Mrs. J. R. D. White and daughter Margaret of Aroostook Jct., spent several days with the former's mother, Mrs. G. L. White, returned on Monday.

Donald Scholey, of Mars Hill, spent part of last week with his parents here.

Becher Clark arrived home from Aroostook Jct., on Wednesday.

LINGERING WEAKNESS FOLLOWING DISEASE

Rescued by the Wonderful Taste
Powder of Dr. Williams' Pink Pills

In almost every case the victims of grippe, influenza, fevers or contagious troubles, are left weak, ailing and despondent after the disease itself has disappeared. They do not pick up strength as they ought, and remain listless and discouraged. The one and only reason for this is that the blood has been impoverished by the ravage of the disease.

Strength and full activity will not return until the blood has been restored to its normal condition. The blood can be enriched and purified by no other medicine as quickly and as surely as by Dr. Williams' Pink Pills. To enrich the blood and strengthen the nerves is the whole mission of these pills, and thousands have found them beneficial in bringing strength and energy after disease had left them weak and run down. Miss Beatrice Cassidy, Vroomont, Ont., says: "From my own experience I can speak in the highest terms of praise of Dr. Williams' Pink Pills. I passed through a severe attack of scarlet fever, from which I did not regain my strength after the fever itself had passed. I was left very weak, pale and frail looking, and although I was continuing to take medicine, I did not improve. At this time a friend advised me to take Dr. Williams' Pink Pills, and following the advice, I soon felt the pills were helping me, and taking them for about a month I found myself fully restored to my old time health and strength. I therefore strongly advise anyone who feels weak or run down to give Dr. Williams' Pink Pills a trial and I feel sure they will not regret it."

Rich red blood is the whole secret of good health, and from the first to the last dose Dr. Williams' Pink Pills enrich and purify the blood. You can get these pills through any medicine dealer or by mail at 50c a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

WHEN BABY IS CROSS

Mothers when your baby is cross—when he cries a great deal and no amount of attention or petting cheers him up—something is the matter. It is not the nature of the little ones to be cross and peevish—their little child is a happy child. Give him a dose of Baby's Own Tablets and he will soon be well again. They are a mild but thorough laxative; regulate the bowels and stomach; banish constipation and indigestion; break up colds and simple fevers; in fact they cure all the minor ailments of the little ones. Concerning them Mrs. Alphonse Lachance, St. Apolline, Que., writes: "My baby cried continually but Baby's Own Tablets soon set her right and now she is fat and happy." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

In Loving Memory

At the Primitive Baptist church at Armand on Sunday afternoon, Feb. 2, a memorial service was held for the late Leighton A. Kimball, who after a brief illness of Spanish influenza following pneumonia, departed this life on New Year's day, leaving to mourn a large circle of relatives and friends, including his wife who was formerly Miss Hazel M. Dickinson and their two small children one and three years of age, also his father and mother and one brother, Miles at home; three sisters, Agnes and Alma of Lowell, and Florence at home.

The service was largely attended by many kind but sorrowful friends. Rev. F. J. Quigg conducted the service and spoke from John 12:31.

Mr. Kimball was in the 26th year of his age and about two years ago professed faith in Christ, which is a great comfort to those left behind. As he passed away, he left the assurance to those and ones that he had but gone to be with a Saviour who doth all things well, there to await the dawning of that morning when those who die in the Lord shall come forth to a glorious resurrection.

"Farewell sleep in peace."

"CASARETS" WORK WHILE YOU SLEEP

For Sick Headache, Sour Stomach, Bloating Liver and Bowels—Take Casarets tonight.

Puffed Tongue, Bad Taste, Indigestion, Sallow Skin and Miserable Headache come from a torpid liver and clogged bowels, which cause your stomach to become filled with undigested food, which causes and increases the bad taste in a swell barrel. That's the first step to untold misery—indigestion, constipation, bad breath, yellow skin, musty fears, everything that is horrible and nauseating. A Casaret tonight will give your congested bowels a thorough cleansing and straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep you feeling good for months.
